Grains Advance Less Actively

CHICAGO (AP)—Grains advanced on the Board of Trade today although dealings were less active than in the previous session.

* * *

An exception to the general upturn was July soybeans, in which trading continued highly nervous. They opened a few cents higher but lost this advance as trading progressed.

In other pits gains ran from fractions to around a cent with no particular cereal showing outstanding strength.

* * *

Wheat near the end of the first hour was ¼ to ¾ higher, July $2.01½; corn ⅜ to 1 cent higher, July $1.48¼; oats unchanged to ⅞ higher, July 63⅛; rye ½ lower to ¼ higher, July $1.18¾; soybeans 2½ lower to 1¼ higher, July $2.98½, and lard unchanged to 10 cents a hundred pounds lower, July $11.80.

Two Unions Return to Grand Blanc Job

FLINT (AP)—Two unions involved in a bloody jurisdictional dispute at General Motors' Fisher Body Plant in Grand Blanc agreed to return to work today. A third refused.

Riggers and iron workers worked out a settlement yesterday in the Darin & Armstrong Construction Co. office at the plant. Darin & Armstrong are contractors handling the conversion of the former army tank plant to civilian production.

Millwrights said they wouldn't go back on the job until they were guaranteed against a repetition of the pipe-swinging melee Friday that sent 11 men to the hospital, two injured critically. Friday's brawl followed bickering over which union had the right to move heavy machinery in the plant.

About 200 men were involved in the head-busting fracas that saw steel-helmeted men swinging lengths of pipe and chain and baseball bats against their fellow workers. All the unions involved were members of the American Federation of Labor before that union merged with the CIO.

Revoked License Count Brings Term in Jail

Driving with a revoked license resulted in a 15-day term in Oakland County Jail for a Walled Lake man Monday. John Wilson Jr., 19, pleaded guilty when arraigned by Justice Joseph J. Leavy of Sylvan Lake.

The sentence followed his failure to pay fine and costs of $60. He had been arrested earlier in the day by Wolverine Lake police.

Rally Continues in Stock Market

NEW YORK (AP)—Strong buying support continued today in early stock market dealings.

* * *

Yesterday's generally lower market was brought well up from its lows by a last-minute rally of some strength.

That continued today at the opening. Trading picked up enough speed to force a lag in the ticker tape for a brief time right after the opening.

* * *

Prices were up 1 to 2 points at the best. After the initial buying rush subsided, prices held around their highest levels. All major divisions had a hand in the rise—the steels, motors, rubbers, aircrafts, nonferrous metals, chemicals, railroads and the oils.

* * *

Advances of a point or better were shown by Bethlehem Steel, Chrysler, Caterpillar Tractor, Boeing, Douglas, Glenn Martin, Kennecott Copper, Phelps Dodge, Allied Chemical, Santa Fe Railroad, Chesapeake & Ohio, Royal Dutch Petroleum, Standard Oil of California and Gulf Oil which had a block of 2,000 shares up 2½ at 113.

* * *

In the past three weeks the stock market has been going down against a spotty economic background for the nation. That included a cutback in automobile production, a start this week in negotiations for a new steel labor contract, and generally tighter money.

London Rumors Say Aga to Snub Aly Khan as Heir

LONDON (INS) — Rumors are circulating in London that the fabulously wealthy Aga Khan will name his youngest son, Prince Sadruddin, successor to his title and fortune.

If they proved true, it would mean the 79-year-old leader of Asian and African Ismail Moslems would be passing over his eldest son, playboy Prince Aly Khan.

Price Sadruddin, a student at Harvard University in Cambridge, Mass., is the half brother of Aly Khan.

The rumors were prompted by the Aga Khan's announcement that Sadruddin will be his houseguest for the royal ascot race meet in England during June.

ALY MAY MISS OUT

The Aga Khan has rented a house near the racetrack, but it was doubted whether Aly Khan, onetime husband of screen actress Rita Hayworth, would join the house party.

The Aga Khan, who is one of the wealthiest men in the world, is entitled to nominate his own successor to the Moslem leadership and it need not be his eldest son.

Aly Khan is the Aga's son by his first wife, Italian Ballerina Gianetta Magliano. Sadruddin is the son of his marriage to the French "candy girl of Chambery," Andree Carron, who the Aga divorced in 1943.

Aly Khan has long been tagged as heir apparent to his father's titles. However, it has been suggested often that Sadruddin is the Aga's favorite and would inherit the fortune.

The Aga Khan is looked upon by his followers as the direct descendant of the prophet Mohammed and as a kind of deity on earth.

* * *

Each year the wealthy Aga is weighed in jewels or precious metals as a gift from his followers—which is no slight matter considering his multiple hundred pound weight. He gives the present back to the people, not needing it at all considering his wealth.

Slate Detroit Area for Defense Work

DETROIT (INS)—Two top govenment officials said the Detroit area will receive $40 million in defense contracts to help ease unemployment.

Army Secretary Wilber M. Brucker told the Economic Club yesterday that $18 million will be spent in Detroit within "the next 90 days."

Rocco C. Siciliano, Assistant Secretary of Labor, who also spoke at the meeting told Mayor Albert E. Cobo:

"We expect substantial contracts to come into the Detroit area within the next few weeks. This is our information from the Defense Department.

"It is possible that some could be effective immediately. Others may take up to 90 days. The picture here is not cheerful."

Car Sales Approach Four-Month Record

DETROIT (AP) — Motor vehicle sales by U.S. plants totaled 2,698,154 in the first four months of 1956, the Automobile Manufacturers Assn. reported today. It is the second highest sales figure on record for the period.

The four-month total includes 2,288,006 passenger cars and 410,148 trucks and motor coaches. In the month of April, factory sales amounted to 654,333, compared with 881,840 in April, 1955.

In the export markets, 41,628 new motor vehicles of all types were sold by U.S. manufacturers during April. That brings the export total for the first four months to 168,741—nearly 2,000 better than in a similar period last year.

News in Brief

Pleading guilty to reckless driving, Robert S. Magee, 21, of Hazel Park, paid fine and costs totaling $95 in Justice Court yesterday. The arraignment was held by Troy Justice Charles Losey.

Maxwell H. Graham, 63, of Sylvan Lake, was fined $75 and paid $15 in costs after pleading guilty to reckless driving Monday. He was arraigned before Keego Harbor Justice James Southart.

Conciliators Ask Session to Settle Port Strikes

CLEVELAND (AP) — A meeting may be called next week in an attempt to settle a strike that has slowed shipping operations in 15 Great Lakes Ports, federal labor conciliators indicated yesterday.

Captains and engineers of the Great Lakes Towing Co. tugboat fleet struck yesterday for pay raises. Negotiations for a new one-year contract to replace one which expired April 1 broke off Sunday when the committee for the licensed Tugmen's Protective Assn. of America walked out of a meeting rejecting a company offer.

Dad Kills Son in Car Squabble

Joint Auto Ownership Sparks Quarrel; Father Held Without Charge

CINCINNATI (AP)—Police say a two-day-old quarrel between a father and his son over use of an automobile they owned jointly resulted last night in the fatal shooting of the son.

* * *

Officers said Charles Miller Jr., 23, was shot to death as he scuffled with his father Charles Sr., 49, over a gun which the father said he had fired once into the floor. The shooting occurred in the elder Miller's home, next door to a bait and sporting goods shop he and his son operated in suburban Reading.

HELD WITHOUT CHARGE

Reading police ordered the father held without charge pending a further investigation.

Patrolmen said the father wept as he told them he and his son had quarreled two days about the automobile. He said his son then quit the bait shop yesterday but returned last night to get money due him.

The quarrel started again and police said they were told the elder Miller ordered his son out of the house and then went into the store. He returned a few minutes later with a gun, the officers said.

* * *

Police said the father kept repeating, "What made me do it? Lord knows I didn't mean to kill him. Why didn't he kill me?"

PHILADELPHIA (AP)—The 168th General Assembly of the Presbyterian Church in the U.S.A. today was urged to carry on a wider program of evangelism at the grass roots level.

The church's National Commission on Evangelism, reporting on the sixth day of the assembly's seven-day meeting, said, "There has been a distinct change in the religious climate in the last 10 years."

"Church membership and church attendance have increased," the commission said. "There is a willingness to listen, if not necessarily to respond, to the message of the Christian church."

Along with this "heightened religious interest," continued the commission, there has come a return to evangelism.

The assembly passed two major milestones yesterday—approval of a merger with the United Presbyterian Church and the admitting of women to the ministry.

Business Notes

Sam Stolorow, owner of several Pontiac parking lots, was named to the board of directors of the National Parking Assn. at its recent annual convention in St. Louis, Mo. Delegates heard Roy A. Brown, chief Ford Motor Co. stylist, voice assurance that U. S. automobiles have just about reached the ultimate in width and length.

William J. Winters, of the Pontiac branch of the Universal C.I.T. Credit Corp., was one of 16 company officials who participated in a recent management conference in New York City. The two-week meeting emphasized sales techniques, automobile dealer relations and personnel training.

Promotion of R. B. Johnson to Flint regional manager of the Chevrolet Motor Division has been announced by W. E. Fish, general sales manager. He succeeds E. P. Feely who has been appointed assistant general sales manager in charge of the western half of the U.S.

Shareholders Honor General Motors Head

DETROIT—An award for "meritorious achievement in the field of management — shareholder relationship" was presented to Harlow H. Curtice, president of General Motors, at the company's annual meeting of shareholders, in Wilmington, Del.

The award hailed Curtice's "recognition of the concept that the American economy is geared to the 'average man'," thus reemphasizing that "a broader and deeper base of shareownership in American management is one of the cornerstones of our way of life."

Presented by the United Shareholders of America, the 1955-56 Annual Meeting Award to the GM chief represented the choice of an advisory committee of experts in finance, management and public relations.

Edgar Guest Suffers Recurring Heart Attack

DETROIT (AP)—Edgar A. Guest, the poet, was in a hospital today for the third time within the last year. He has been suffering from a recurring heart condition and doctors said he had a "weak spell" yesterday.

The 74-year-old Guest's condition was listed as fair.

He suffered a heart attack last fall and subsequently had been back once for treatment before yesterday's trip to the hospital.

Czech Students Display Unrest Against Soviets

VIENNA, Austria (AP)—Communist Czechoslovakia is experiencing an outburst of unrest among its university students.

They are accused of presenting ultimatums demanding reduction in Marx-Leninism courses, a cut in military training and the restoration of academic freedom.

Similar symptoms are reported among the students of Red-ruled Poland. They complain of lack of freedom and modern instructional methods, while the authorities accuse certain students of distributing anti-Communist leaflets.

These student revolts are being discussed openly in the Communist-controlled newspapers of the two countries—something unheard of in the past.

They appear to be the result of a wave of cynicism spreading among the youth of Russia's East European satellites in the wake of the denunciation of Stalin and the admission that many victims of Stalin era purges were innocent. These have been accompanied by some easing of controls to permit a measure of free speech.

The Czechoslovak students' revolt appears centered in Slovakia, although the national capital, Prague, has had a taste of it.

City Foundation Week Named by Donaldson

Donations to the Pontiac Foundation this week—Pontiac Foundation Week in Pontiac—may be earmarked as a memorial as the donor desires, according to Mayor William W. Donaldson, foundation president.

He added that any donations may be directed to any city project or any agency chosen by the donor, such as the additions at Pontiac General and St. Joseph Mercy Hospitals, the YMCA, or many others.

"Large accumulations of wealth are almost out of the picture now and that is why the individual donation, large or small, is needed to help the many projects seeking financial aid," Donaldson explained.

He said he had proclaimed this week as "Pontiac Foundation Week" because of the Memorial Day holiday during which many persons wish to pay tribute to their loved ones.

So far this year $5,000 has been donated to the foundation. The primary project of the trustees of the group is the construction of a civic auditorium in Pontiac.
