Boy, 9, Killed Crossing Dixie

Milkman's Son Struck Helping Father on Route

Pontiac Man Is Killed in Collision; Lad, 10, Drowning Victim

A 9-year-old Waterford Township boy was killed early today when he ran into the path of a car on the Dixie Highway while helping his father deliver milk.

Two others died over the weekend when a Pontiac traffic crash killed a plumbing contractor and a 10-year-old boy drowned in Crescent Lake.

The dead are

Gregory Juckno, of 790 Hillcliffe Dr., Waterford Township.

George Todoroff, 59, of 7500 Elizabeth Lake Rd.

Robert D. Miller, of 5493 Aylesburg, Waterford Township.

The Juckno boy was dead on arrival at St. Joseph Mercy Hospital where his mother is a nurse. He was struck by a car driven by John L. Bouck, 32, of Holly.

Bouck, scheduled to make a statement today at the Oakland County Prosecutor's office, told State Police he was unable to stop in time when the boy ran from the east side of the 4-lane highway.

HELPING DELIVER MILK

The victim's father, Chester, said the boy was helping him on his milk delivery route. The accident took place at about 7 a. m. near Scott Lake road.

Todoroff was killed when his truck collided with a car driven by Miss Karen Lavery, 20, of 773 Owego Dr. at about 6:30.

Miss Lavery was listed in critical condition at Pontiac General Hospital as was a passenger, Mrs. Isabel Selden, 40, of 123 N. Genesee Ave. Mrs. Selden's daughter, Chris, 17, also a passenger, was treated for an injured elbow.

Pontiac Police Sgt. Clayton Randolph said Todoroff's truck was headed west on Huron street when it struck Miss

PONTIAC GIRL AMONG GIRLS STATE OFFICERS—Carol Donaldson, the daughter of Mayor and Mrs. William W. Donaldson of 153 West Lawrence St., Pontiac, was one of the girls chosen to head the annual Wolverine Girls State meeting at the University of Michigan. Miss Donaldson was elected a justice of the group.

The girls are said to be the prettiest slate of officers Michigan ever had. Governor (center) is Helen Kalsbeek, Grand Rapids. Seated, left to right, are Janet S. Buss, attorney general, and Cherry Hyslop, secretary of state, both of Battle Creek. Standing, left to right, are Miss Donaldson; Dawn Poppen, Holland, treasurer; Mary Wilcox, Saginaw, lieutenant governor; Pat Clifford, Plymouth, auditor general; Cynthia Darragh, Grosse Pointe Park, justice, and Connie Painter, Mount Clemens, justice.

Floyd Diamond Gets Life Term in Girl's Slaying

Confessed Killer, 16, Sentenced Here Today by Judge Holland

Floyd Diamond, 16, confessed slayer of 9-year-old Kathleen McLaughlin, was sentenced to life in prison at 1:30 this afternoon by Oakland County Circuit Judge H. Russel Holland.

The youth, now under State Corrections Commission jurisdiction, will be sent to Jackson state prison for a 30-day quarantine period. He then may be transferred to the Michigan Reformatory at Ionia.

The slightly-built youth, who whiled away the hours in jail by writing poetry, heard the sentence with eyes downcast and face expressionless.

He pleaded guilty to second degree murder May 24 and theoretically could be eligible for parole after about 17 years.

Diamond, of 32545 Nottingham Knoll, Farmington Twp., repeatedly stabbed and hit the girl with a rock last Feb. 17 at a pond near her home at 29430 Gilchrest and a short distance from his residence.

WAIVED JURISDICTION

Probate Judge Arthur E. Moore waived jurisdiction over Diamond March 2, allowing the youth to be tried as an adult.

Two psychiatrists, Dr. L. Jerome Fink and Dr. Ivan A. Lacore, both termed Diamond sane at a hearing March 22 in Circuit Court.

"In my opinion," Fink stated, "the boy was not mentally defective . . . this boy knows right from wrong and has the proper feeling about right and wrong."

LaCore said the youth seemed to get mad easily and is subject to "temper tantrums."

BEFORE SENTENCING—Floyd Diamond is shown at the Oakland County Jail as he prepared to leave to be sentenced for second degree murder in Circuit Court. The 16 year old received life in prison. The confessed slayer of 9-year-old Kathleen McLaughlin has been housed in the jail a majority of the time since his arrest last Feb. 17, following discovery of the popular girl's body in a pond near her home. He spent some of the hours writing poetry dedicated to Sheriff Frank W. Irons.

Peron Reported Fading Fast as Revolt Sequel

Gen. Lucerno Top Man; Rumor Junta to Control Strife-Torn Nation

BUENOS AIRES, Argentina (AP) — Argentina's new armed forces chief, Gen. Franklin Lucero, pressed grimly ahead today with efforts to return revolt-bloodied Argentina to normal.

The 57-year-old army minister, who vaulted into the spotlight after his troops rescued President Juan Peron's government from Thursday's navy revolt, called on the nation last night to stamp out "false alarms" disturbing efforts to restore peace.

He signed his communique as "Commander in Chief of the Forces of Repression."

Lucero and other military leaders were to take part today in a ceremony in bomb-blasted Plaza de Mayo commemorating Gen. Manuel Belgrano, who created the Argentine flag. The prominence given the military in advance announcements of the observance underscored the army control of the country.

News dispatches from Argentina are subject to censorship imposed after the revolt. But an Associated Press dispatch from Montevideo said Argentine refugees in the Uruguayan capital had learned in telephone calls to Buenos Aires that army leaders were negotiating with Peron and the navy in an effort to set up a three-man ruling junta consisting of Peron, Lucero and Rear Adm. Alberto Teisaire, the vice president.

Evidencing his new importance, Lucero spent a crowded Sunday morning inspecting security emplacements and troop positions in the capital. Later he went to the Army Ministry, where he worked the rest of the day on plans and orders for the country.

In contrast, Peron remained in seclusion in his residence, although he reportedly kept in touch with government officials. He did not visit his temporary office in the Army Ministry, where he had moved after Thursday's revolt destroyed his office in Government House.

★ ★ ★

Urging his countrymen to aid in steming the flood of false reports, Lucero's communique charged, "People interested in impeding the return to a normal situation continue circulating alarming rumors, completely unfounded and devoid of truth."

He branded as completely false reports that rebellious army units were marching on Buenos Aires from outlying regions, and that there had been naval bombardments and garrison uprisings in the interior.

Eisenhower Will Address U. N. Birthday Gathering

SAN FRANCISCO (INS)—The U.N., on a sentimental pilgrimage to San Francisco in honor of its 10th anniversary, awaited President Eisenhower's address today keynoting the hope for a better peace and easing of cold war tensions.

The Chief Executive arrived for the charter event last night and will return to Washington tonight following his 3 P.M. (PDT) address opening the week-long observance.

He planned to have an early luncheon with the U.N. Secretary Dag Hammarskjold, Assembly President E. N. Van Kleffens, Secretary of State Dulles, Disarmament Minister Harold E. Stassen and Ambassador Henry Cabot Lodge.

Among the 60 top diplomats from as many countries listening to Eisenhower will be Russia's V. M. Molotov, British Foreign Secretary Harold Macmillan, French Foreign Minister Antoine Pinay and India's special emissary V. W. Krishna Menon.

Big Four foreign ministers will meet tonight in a top-level discussion at Dulles' suite in the plush Fairmont Hotel.

The Western Big Three foreign ministers, who are acting as host for the meeting, will attempt to pry from Molotov some indication of which way Kremlin leaders are thinking on cold war problems.

They are primarily interested in discerning whether Russia's professed willingness to ease world tension by making concrete concessions is genuine or anchored in false hopes of the free world.

U.S. Steel to Give Answer to Contract

PITTSBURGH (AP) — U.S. Steel Corp., traditional pace setter for the steel industry in labor matters, gives its answer today to the CIO United Steelworkers demand for a substantial wage increase.

The union and Big Steel resume negotiations after a recess of more than a week in which the company has been preparing a counterproposal. Its answer was expected to set the trend for the nation's five other top basic steel producers whose negotiations with the USW are still recessed.

Air Force Brass Discusses Design for New Academy

COLORADO SPRINGS, Colo. (INS)—Air Force officials meet today in Colorado Springs to discuss the plans of the 126-million-dollar academy to be located north of this Colorado resort city.

Air Force denials from Washington have failed to squelch rumors the two-day meeting may result in an "about face" on the school's design because of growing criticism of the original architectural layout by the Chicago firm of Skidmore, Ownings and Merrill.

U.S. Consulate Waits for Trio

POWs Who Remained in China Are Expected at Hong Kong Exit

TOKYO (AP)—American consular officials at Hong Kong were reported today keeping a border watch for soldiers who have grown weary of life in Communist China.

Peiping radio said Saturday the three Americans — only two of whom want to come home—and two Belgians had been given permission to leave China.

The broadcast gave no time or place for their departure. It said merely they would leave when "all necessary arrangements" have been completed.

Hong Kong is the usual point of exit for Westerners leaving Red China. The American consulate there kept a three-hour watch yesterday. Hong Kong dispatches said a similar watch would be kept for a "few more days, if necessary."

The three Americans are William A. Cowart, of Dalton, Ga., who asked to go to Japan; and Otho G. Bell, of Olympia, Wash., and Lewis W. Griggs, of Jacksonville, Tex., both of whom want to go to the United States.

They were among 21 U.S. soldiers captured by the Reds in the Korean War who chose life in Red China to repatriation. One of the original group died.

The remaining 17, Saturday's Peiping broadcast said, also may leave Red China whenever they wish. However, it quoted several as saying they were content with the choice they had made.

Parts Shortage Idles 2,500 at Pontiac Motor

Some 2,500 workers at Pontiac Motor Division were idled today by parts shortages resulting from last week's walkouts.

Pontiac Motor spokesman said that assembly plant No. 8 and axle plant No. 5 were not operating today. Axle plant workers were to return to work on regular shifts tomorrow and assembly plant employes will return on Wednesday.

Ohio University Leader Selected for U.N. Post

WASHINGTON (AP) — The White House announced today President Eisenhower has named John C. Baker, 59, president of Ohio University, to be this country's permanent representative on the Security Nations Economic and Social Council.

The White House said he has agreed to serve only part-time and will not resign his Ohio University post. A spokesman said the State Department had approved the arrangement for Baker to serve at the United Nations "as needed."

Radio, TV Networks to Carry Ike Speech

SAN FRANCISCO (AP) — All major television and radio networks, NBC, CBS, and ABC, will carry nationally President Eisenhower's address opening the 10th commemorative session of the United Nations today from 3 to 3:30 p.m. (5-5:30 p.m., EST).

U. S. Scientists Photograph Total Eclipse in Ceylon

COLOMBO, Ceylon (AP)—The moon totally eclipsed the sun over South Asia today.

Heavy unseasonal rain clouds blocked the view of the eclipse from observation posts set up by most foreign and Ceylonese scientists.

But only a light cloud was over the central Ceylon spot guarded by an American team from Harvard University.

A spokesman said the phenomenon was fully visible for the four minutes that the eclipse was total, beginning about 8:10 a.m.

"We are quite happy," one of the Americans said. "Our experiments were very successful."

German technicians attached to a combined British-Ceylonese team wept copiously when a single black cloud obscured their view. The team was trying to check theories of the late Albert Einstein and had brought with them a telescope designed for Potsdam University, where Einstein once taught.

The Harvard team took pictures of the sun's infrared spectrum and another of the corona—the ring of incandescent hydrogen gas from the sun outlining the moon's shadow—in an effort to determine its precise shade.

Luck wasn't with another team from New York's Hayden Planetarium. When clouds were forecast last night for the central Ceylon area, they left the Harvard men and moved to Batticaloa on the east coast. The clouds followed the observers, giving them only a sporadic view of parts of the eclipse and none of the total eclipse.

In the Philippines, an American scientist was flown in a U.S. Air Force jet trainer to record the event on special cameras.

Crash Orphans Nine Children

Parents, Daughter Die in Collision; 12 Others Killed in State Traffic

By The Associated Press

The parents of 10 children and one of their daughters were among 15 persons killed in Michigan traffic accidents over the sweltering weekend that drove thousands upon thousands to open highways and waterside resorts.

Drowning accidents took another seven lives, and a man died after inhaling poisonous gas fumes while working at an oil well.

Parents and daughter killed were en route home to Osceola County from a fishing trip to Manistee when their car and another collided in Lake County Sunday.

They were: John Beebe, 48, of Tustin; his wife, Eva Mary, 38, and their 12-year-old daughter, Lila May.

A second daughter, Ella, 17, was critically injured and taken to a Big Rapids hospital. Eight other children survive.

OTHER FATALITIES

Richard Webster, 22, of Alton, and Donald Johnson, 22, of Chicago, were killed Sunday in a highway mishap in Kent County.

Scelba's Cabinet Quits for Reshuffle in Italy

ROME, (AP) — Premier Mario Scelba's Cabinet resigned today to open the way for a reshuffle of the government.

Scelba is expected to complete a switch in Cabinet posts in time to present his rearranged Cabinet to Parliament for a crucial test of confidence later this week.

Wants CD Office Back

WASHINGTON (AP) — Sen. Estes Kefauver (D-Tenn) says the Civil Defense Administration should move its headquarters back to Washington from Battle Creek. Kefauver said return of the agency was needed so it would be nearer other agencies with which it must deal.

Electrical Storm Strikes Pontiac

City Pelted by Hail; Four Residences Hit by Lightning

A severe electrical storm, accompanied by hail, hit Pontiac yesterday afternoon causing damage to at least four city homes.

The Pontiac Fire Department answered four calls from 6:12 p.m. to 6:40 p.m. at residences struck by lightning. Damages were only minor.

The rapid rainfall plugged drainage facilities, causing water to back up for a short period on several local streets.

Lightning hit the Pontiac Police radio station, putting the receiver out of commission. An auxiliary station was pressed into service immediately.

FIREMEN ANSWER CALLS

The fire department answered calls at 204 State St., 424 S. Saginaw St., 216 Going St. and 643 Kennett Rd.

Detroit Edison, Consumers Power and Michigan Bell reported a total of about 900 customers without service for short periods.

The Edison sub-station at Goodison was out of commission from about 6 p.m. to 8:30 p.m., affecting 300 people.

Consumers reported some 20 transformer fuses blown out around the city, but linemen were sent to make immediate repairs.

Approximately 200 telephones were out, Bell officials reported, but most were back in operation this morning.

The outlook for today was partly cloudy and continued warm with scattered thundershowers tonight and tomorrow.

Yesterday's high temperature here was 91 and the low 66. The low tonight is expected to be 64-68 and tomorrow's peak 84-88.

Car-Truck Crash Kills 1, Hospitalizes 2

Business Places Hit in Breakins

Pontiac Police Report Five Establishments Are Ransacked

A rash of breakins was reported to Pontiac Police over the weekend.

Joseph Felice, owner of Felice's Grocery Store, 220 S. Telegraph Rd., reported that his store was ransacked and $50 in assorted change was missing.

Mrs. Leda Carro, 450 Lowell St., an employe of the Shamrock Dairy Bar at 936 Joslyn Rd., said that one dollar in pennies was taken from the store's cash register and an undetermined amount of quarters was stolen from a cigarette machine.

Two tires valued at $33 and one dollar in pennies were taken in a breakin at Clyde's Wheel and Frame Co., 169 Orchard Lake Ave., owner Clyde Spurgeon reported.

Springer Feed Store, 1484 Baldwin Ave., was entered and $35 in coins were taken, according to owner Edgar Springer.

Charles English, an employe at the Stewart-Glenn warehouse, 20 Franklin Rd., reports that the warehouse was entered and several articles, value unknown taken.

An unsuccessful breakin attempt was reported at the Blue Sunoco Service Station, 180 Orchard Lake Ave., by operator James Smith. An attempt to enter the building was made by breaking two panes in a side window, but entry was not gained, said Smith.

Supervisors' Bill Awaits Signature

A bill which will reduce the number of city members on the Oakland County Board of Supervisors still awaits Gov. Williams' signature to give it immediate effect.

When signed the measure will require many Oakland cities to realign their membership by relieving some supervisors of their duties, according to Charles A. Davis, assistant county corporation counsel. Pontiac must cut its total from ten to seven.

The Supervisors meet next on June 27 and then have no regular meeting scheduled until September.

London Dockers Vote to Return to Jobs Tuesday

LONDON, (AP) — Striking stevedores in the port of London voted today to end the dock walkout which in nearly five weeks has piled up shipping in Britain's six biggest ports.

Strikers elected a delegation to tell union chiefs they intend to go back to their jobs tomorrow morning.

Similar moves were expected from the ports of Manchester, Birkenhead, Liverpool, Hull and Rochester.

* * *

The strike was originally called by the 18,000-man strong National Amalgamated Stevedores and Dockers Union to back up its demand for bargaining recognition outside London.

Strikebound liners contined to clog the ports of Liverpool and Southampton as the wildcat seamen's strike ground down on the nation's dollar-earning transatlantic trade.

Drobny, Seixas Victors in Wimbledon Tourney

WIMBLEDON, Eng. (AP) — Defending champion Jaroslav Drobny of Egypt and third-seeded Vic Seixas of Philadelphia easily won their first round matches today as the all-England tennis championships got underway on the historic Wimbledon courts.

Drobny, seeded sixth after a poor early-season showing, defeated Rene Buser of Switzerland, 6-3, 6-1, 6-2. Seixas trounced A. J. Clayton of Britain, 6-3, 6-0, 6-0.

Birmingham Man Receives Honor for Ford Division

WASHINGTON (Special)—Irving A. Duffy, Ford vice president and general manager, Tractor and Implement Division, Ford Motor Company, Birmingham, today accepted a national 4-H club citation on behalf of the company and its president, Henry Ford II.

Eight national citations were awarded in ceremonies at the 1955 national 4-H club camp, attended by 4-H delegates from every state and U.S. territory. None of the others honored was from Michigan.

The citation awarded to Ford cited the company's sponsorship of awards for the national 4-H achievement program open annually to more than 2,000,000 boys and girls.

The company also was cited for production of a color and sound motion picture on the contributions which 4-H can make to community life.

The picture, now being exhibited widely throughout the nation, is entitled, "The Town That Came Back."

Snipers Pepper Cars on Highway

Police Arrest 2 Men in Shooting Up of 10 Autos Sunday

UNIONTOWN, Pa. (AP) — Shots were fired into 10 cars moving along U.S. 40 near here last night and police soon after picked up two men riding in a truck on which was printed a warning against highway carelessness.

One motorist was hit by a bullet and several persons were showered with broken glass from their car windows.

Taken into custody for questioning were William W. Jackson, 59, of Denver, Colo., and Samuel P. Johnson, 39, of Houston, Tex. Police Cpl. J. A. Maggioncalda said two pistols were found in their truck.

* * *

Constable Earl Savage said he halted the panel truck after a number of motorists complained of being shot at about 20 miles east of here.

Inside the truck, which bore New Mexico license plates, were two pistols, a .22 calibre and a .32 calibre, two beds, a kerosene stove and a quantity of food, Savage said.

* * *

Most seriously injured was Robert Gallear, 35, of Pittsburgh. He was admitted to Uniontown Hospital with gunshot wounds of the neck and arm. His condition was listed as good. Police said nine persons suffered cuts or abrasions from glass shattered by the bullets.

Ann Arbor Woman Flunks Detector Test

ANN ARBOR (AP) — Police said today that a 33-year-old secretary failed to pass a lie detector test on her story of how she forged $33,000 worth of checks from the National Sanitation Foundation to pay off a blackmailer she didn't know.

Police said Mrs. Wilma Plichta flunked a lie detector test she was given June 10, the day she was arrested.

Mrs. Plichta handed over a letter to her employer May 23 telling him that she had forged the checks over a period of years to pay off a blackmailer she called "Tom," and to obtain from him a picture of her sitting in another man's lap.

Police doubted many elements of Mrs. Plichta's story, but said they were believing her because they didn't have any alternative.

A respected and law-abiding citizen in the eyes of the community before her arrest 10 days ago, Mrs. Plichta wavered on certain elements of her story while undergoing the lie detector test.

Deer Raids Hot House, Breaks Leg in Escape

MANISTEE (AP) — A taste for hot house delicacies led to a deer's undoing yesterday.

The animal broke into a greenhouse, nibbled up plants then meandered down the street. It jumped a fence that barred its progress and plunged 15 feet into the Manistee river, a hind leg broken.

Police destroyed the animal.

Pontiac Man Mute on Charges Today

A Pontiac real estate agent stood mute on embezzlement and bogus-check-passing charges today and Oakland County Circuit Judge Frank L. Doty directed that a trial be set.

Accused is Francis E. Miller, 41, part owner of the Stone Realty Co. at 919 Joslyn Ave.

He was charged June 2 with embezzling $2,000 from a Drayton Plains man and June 8 with passing a bad check. Both alleged offenses took place during business deals, the complainants claim. Miller is free on $2,000 bond.

Livonia Body Plant Goes Out on Strike

DETROIT (AP) — Striking CIO United Auto Workers closed one General Motors Corp. plant today and eight others employing 24,800 remained closed because of parts shortages resulting from previous walkouts.

Some 2,000 UAW members at the company's Fisher Body plant in suburban Livonia voted at a Local 174 membership meeting yesterday not to return to work until grievances were settled.

Pleas by the International UAW to end the unauthorized walkout at Livonia have been ignored by the local.

Meanwhile, 4,600 hourly rated workers at the GM Fleetwood plant in Detroit voted yesterday to return to work and report in on schedule at morning shifts today.

Among GM plants closed down because of parts shortages, with workers, were: Pontiac assembly plant, Pontiac, 2,500; Chevrolet assembly, Baltimore, Md., 1,200; Chevrolet assembly, Flint, 1,400; Fisher Body, Baltimore, Md., 1,900; Fisher Body No. 1, Flint, 7,000; Fisher Body No. 2, Flint, 7,600; Fisher Body, Atlanta, Ga., 1,200; and Fisher Body, Janesville, Wis., 2,000.

A total of 24,800 are out of work.

Gardeners!—Get Geese

BAKERSFIELD, Calif. (AP)—Cotton farmers have solved a labor problem in the San Joaquin Valley. They're using geese to eradicate weeds. The geese eat the Johnson and nut grasses that endanger crops but won't touch cotton plants, Farmer Fred Schardt said: "We have 100 geese and they weeded 6 acres in exactly two weeks."

National Jaycee Convention On Now in Atlanta

ATLANTA (AP)—The 35th annual convention of the United States Junior Chamber of Commerce got underway today with more than 6,000 delegates on hand.

Events included opening of booths and exhibits at the University of Georgia's Atlanta Division, a "key man" luncheon, a tour of the Lockheed Aircraft Corp. plant for state aviation chairmen, and a directors meeting.

A variety show and street dance are scheduled tonight. Luncheons, forums, business sessions and parties follow tomorrow. A huge "parade of states" will be held Wednesday and national officers will be elected Thursday.

Three major addresses are on the program. Deputy U.S. Atty.-Gen. William Rogers will speak Tuesday, Leo Sherne, chairman of the international Rescue Committee, will speak Wednesday, and Tennessee's Gov. Frank Clement will address the delegates Thursday.

The convention is the second largest in Atlanta's history. The 1939 meeting of the World Baptist Alliance drew 10,000 delegates and 40,000 visitors.

Three Persons Die in Weekend Mishaps

Lavery's car broadside at Genesee. Witnesses stated that Todoroff apparently ran the red light at the intersection.

Miller drowned at about 5:15 p. m. while swimming near a rowboat only 70 feet from shore at Crescent Lake, Waterford Township, police said.

His body was recovered in 40 feet of water by township firemen.

A neighbor, John Nelson, of 5462 Aylesburg, said he was too late in his attempt to rescue the lad after hearing his shouts for help.

The victim was the only child of Mr. and Mrs. Walter J. Miller. Funeral services will be conducted Wednesday at 2 p. m. at the Pursley Funeral Home with the Rev. Otto G. Schultz, pastor of Grace Lutheran Church, officiating. Burial will be in White Chapel Memorial Cemetery.

Officials at Pontiac General and St. Joseph Mercy Hospitals reported a total of 37 persons treated for auto accident injuries from midnight Friday until midnight last night.

Police officials said Michigan's first sweltering weekend flooded Oakland County highways with the heaviest load of traffic so far this summer.

Arteries and secondary roads were jammed with bumper-to-bumper traffic Sunday as countless numbers of property damage were reported.

Water Committee Will Meet June 29

The first joint meeting of the tri-county water committee will be held June 29 in the Royal Oak City Commission chambers, according to Howard K. Kelley, chairman of the Oakland County delegation.

Representatives from St. Clair and Macomb Counties also are expected to attend "what we hope will be the first step in bringing us closer to a common solution to our water problems," Kelley stated.

The three delegations were named by their respective boards of supervisors to join in an effort to provide a lasting water supply for the tri-county area, probably from the Great Lakes.

Taxi Passengers Hurt in 3-Car Collision

BLOOMFIELD TOWNSHIP — Rosa, Narsisa and Venecia Gonzales, of 260 Fisher St., Pontiac, ages 20, 28, and 18 respectively, received first aid at Pontiac General Hospital Sunday morning following a three-car collision at Telegraph road and Frank street.

They were passengers in a cab driven by Pauline B. Walters, 51, of the Auburn Hotel, Pontiac. According to police the cab pulled into a traffic lane at the intersection and was struck by a second car, throwing it into still a third auto.

The other drivers were identified as Gerald M. Delisle, 33, and William H. Richmond, 27, both of Detroit.

2 Hurt in Collision on Telegraph Road

BLOOMFIELD TOWNSHIP—Wet pavement and poor visibility because of rain were blamed for a two-car crash Sunday evening, which involved a township police car and sent two persons to St. Joseph Mercy Hospital, Pontiac.

Police officials said the cars collided as Patrolman Norman Dehnke, 29, was turning left from northbound Telegraph road onto Humphrey, after coming to a stop.

Driver of the other car heading south on Telegraph was Winston Coffman, 37, of Detroit. He and his wife, Mary, 30, were treated for lacerations and bruises.

Judge Demands Solitary for Two

Sentenced Murderers in 1936 to Spend Date of Slaying Alone

CHICAGO (AP)—Judge Cornelius Harrington is "laying groundwork for legal action" to enforce his order for solitary confinement of two women convicts on the anniversary of the murder for which they were setenced in 1936 to 180 years in prison.

That additional punishment was ordered when Judge Harrington sentenced Mrs. Blanche Dunkel, now 64, and Mrs. Evelyn Smith, now 66, for what the judge called "one of the most vicious, premediated assassinations . . . solidly plotted and unfeelingly executed."

* * *

The women were convicted of murdering Mrs. Dunkel's son-in-law, Ervin Lang, 28, after testimony indicated he planned to break off an illicit romance with his mother-in-law and marry another woman.

According to trial evidence, Mrs. Smith, promised $500 for her part, plied Lang with liquor, drugged him with ether and strangled him in her apartment. Then she and her husband dismembered the body and scattered the parts.

The husband, who Mrs. Smith identified in her testimony as Harry Jung, a Chinese laundryman, vanished before the women were brought to trial and never was found.

* * *

Available records fail to show why she used the name Smith instead of Jung's.

Judge Harrington said yesterday the women had served solitary confinement on the anniversary of the crime every year until last year when Dwight Reformatory officials obtained an attorney general's opinion that the practice was not mandatory.

Freighter Rescues Drifting Fishermen

HARBOR BEACH (AP)—Two fishermen were rescued by a passing freighter yesterday after spending the night adrift in an outboard motor boat on fog-shrouded Lake Huron.

Clarence Parks, 45, and his son, Clarence Junior, 22, both of Livonia, were caught in the fog while fishing off the Charity Islands.

They ran out of gas and rowed all night through the fog in a futile attempt to reach land. They were sighted and picked up by the freighter Carrollton, northbound from Bay City.

The report of their disappearance had touched off a police, Civil Air Patrol and Coast Guard air-sea search.

The Day in Birmingham

Cost of Rink, Road Oiling Up for Discussion Tonight

BIRMINGHAM—Highlights of tonight's City Commission meeting will include discussion on a Recreation Board resolution passed at the board's meeting Thursday. The resolution deals with costs in excess of the $125,000 bond issue passed to finance the city's artificial skating rink.

The board asked to be heard if lawmakers adopt changes to meet the problem. At the same time, commissioners will open bids for purchase of the general obligation bonds for the rink.

Under discussion will be the annual summertime road oiling programs, both the mat and seal method and light oil treatment.

Operations at Birmingham's Springdale Park will be taken up, and other discussions will center around lighting for Municipal Parking Lot No. 1 and the possibility of integrating the city's health department with that of the county. A hearing on paving Catalpa from Pierce to Grant streets will be continued.

Glenn R. Foote

Service for Glenn R. Foote, 71, of 1307 Ruffner St., will be at 2 p.m. Tuesday at the Manley-Bailey Funeral Home, with burial in White Chapel Memorial Cemetery.

A Birmingham resident for 25 years, Mr. Foote died Sunday after a long illness.

He is survived by his widow, Eurella; two daughters, Mrs. Dwight Norris of Romulus and Mrs. Cecil Finlin of Plymouth; three sons, Howard and Allan of Birmingham, Russell of Royal Oak; two sisters, Mrs. Cora Spealman of Kalamazoo, Mrs. Menetah Thompson of Pontiac; one brother, Erwin of Pontiac; and 10 grandchildren.

* * *

Mrs. Louis Erwin

Mrs. Louis (Juanita C.) Erwin, 67, of 223 E. Frank St., whose late husband was co-owner of the Erwin and Smith Market here, died suddenly at her residence Sunday. She had lived here for 51 years.

Surviving are three sons, Richard C., John L. and Robert P., all of Birmingham; two daughters, Mrs. W. E. Wellman of Detroit, Mrs. G. A. Thompson of Los Angeles; two brothers, Philip A. Plumstead of Detroit and Donald K. Plumstead of Birmingham; and 12 grandchildren.

Funeral service will be at three p.m. Wednesday at Bell Chapel of the William R. Hamilton Co., with burial in Roseland Park Cemetery.

* * *

Mrs. Frederick Adlard

Service for Mrs. Frederick (Edith) Adlard, 65, of St. Clair Shores, will be at 1 p.m. Tuesday at Bell Chapel of the William R. Hamilton Co., with burial in Roseland Park Cemetery. She died Sunday at Grace Hospital, Detroit, after a long illness.

Besides her husband, she is survived by one daughter, Mrs. E. Ronald Green of Birmingham; a sister in England and one grandson.

Club Shoots Guest

SULLIVAN'S ISLAND, S.C. — An uninvited guest was removed from the clubhouse beach by the Coast Guard and Police. The guest — a 10-foot alligator — was shot.

Harry Bridges' Trial Starting

U.S. Trying to Deport Labor Chief on Perjury Charge

SAN FRANCISCO, (AP)—The government's latest suit to cancel Harry Bridges' U.S. citizenship on grounds of perjury and Communist party membership goes to trial today in federal court.

The longshore labor leader, now 53, and regarded as a controversial fixture in the West Coast waterfront picture, calls the trial "just one more try" in a long series by the U.S. Immigration Department to get him deported to his native Australia and "out of the hair of powerful employer groups."

* * *

U.S. prosecutors retort it is a patriotic duty to strip citizenship from a man who, to gain it, lied about Communist party connections. If he loses, Bridges would be subject to deportation as an alien tied to an organization which the government asserts owes first loyalty to the Soviet Union and plots violent overthrow of the U.S. government.

There will be no jury. Attorneys have indicated trial will continue about three weeks.

* * *

Both sides agree the issues are the same as those in the lengthy criminal trial which ended in Bridges' conviction for perjury on April 4, 1950. A jury then decided he was or had been a Communist and had lied about this when he took the citizenship oath in September, 1945. A five-year prison sentence was meted out to the head of the International Longshoremen's & Warehousemen's Union.

* * *

This conviction was reversed by the U.S. Supreme Court in 1953 on a technical ground—that the action was barred by the statute of limitations, since more than three years had elapsed between his citizenship oath and the filing of the indictment May 25, 1949.

The government now seeks cancellation through a civil suit in which the statute of limitations does not apply. The suit was filed along with the criminal indictment in 1949 that lay dormant until it was reactivated last year.

School Refuses Vaccinated Kids in Polio Scare

FRANKLIN LAKES, N. J. (AP)—Eight youngsters who received Salk antipolio vaccine shots have been asked by the Board of Education to stay away from school for the remainder of the term.

The board's action followed reports that parents of other pupils fear the inoculated children might be polio carriers.

School officials telephoned the parents of the eight yesterday on the advice of the Board of Health.

This polio-conscious community had planned to go along with inoculation of its less than 200 first and second-graders last April but the Board of Health reversed itself last month and recommended postponement of the program until fall.

* * *

"When we heard about improper testing, difficulties in manufacture, the possibility of contact cases, and the lateness of the season, we just felt it would be best to postpone inoculations," says Paul A. Bosshard, president of the Board of Health.

Franklin Lakes, with 2,300 residents, had three polio cases last November, including two fatal ones. As a result, the community is especially concerned about the disease.

About 350 different plant diseases damage crops heavily each year.

Father of Four Killed by 500-Pound Ice Block

DETROIT (INS) — A 500-pound block of ice slipped from mechanical tongs this morning and killed John F. Cronenwett, 47, of Melvindale.

Cronenwett, the father of four grown children was loading the ice on a conveyor at City Products Inc. when it slipped and fell on top of him. He was killed instantly.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both— Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H.** Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drugstores. Satisfaction guaranteed or money refunded.

Death Has 3 Lives

by Brett Halliday

Distributed by NEA Service, Inc.

THE STORY: Private Detective Michael Shayne is in trouble because he unwittingly aided Jack Bristow, wanted for murder, escape arrest. Going to the scene of the crime, he meets a young woman whose actions lead him to suspect she knows something about the killing, or perhaps about Bristow.

VII

The waiter set a platter in front of her with two open beef sandwiches smothered in steaming gravy. She grasped her fork and wolfed into the food, washing it down with long gulps of milk.

* * *

He ordered her a second glass of milk, and she emptied that and scraped her plate clean before another word was spoken between them. She sighed deeply and rested both elbows on the table and confessed with a little-girl grimace, "That's the first I had since a doughnut this morning. I never was so hungry in all my life. I just thought if I could wait until tonight and meet my husband like he promised, that everything would be all right. He's got plenty money," she went on proudly. "He'll pay you back, I promise you that."

"Is Jack in some trouble with the police?"

Shayne couldn't tell whether her involuntary start was from surprise or fear. "What do you mean. . .Jack?

"Didn't you say that was your husband's name?"

"I didn't say," she told him with dignity. "Anyhow, it isn't Jack. It's. . .Pete. Peter Smith," she added bravely. "And he's not in any touble at all. You know how cops are. A person's a stranger in town, he doesn't want to get mixed up in a murder. If he was hanging around waiting for me, would they believe him?" Her lips curled derisively. "They'd drag him right off to the hoosegow and work him over with rubber hoses and like that."

LOUSY DEAL

Shayne said, "I've heard about things like that, and I think it's a lousy deal. The thing is now . . .what are you going to do about meeting your husband? Sure you don't know any other place you might contact him?"

She shook her head decidedly. "I just had that one address. We fixed it up over the phone that I was to come, and the way he talked I thought he had a friend lived there. Neither of us have ever been in Miami before and he didn't know where else to say. I guess I'll just have to go back and hang around outside until he shows."

Shayne shook his head. "That won't be good. There'll be police staked out all around there tonight."

"I don't know what else I can do," she said forlornly, tears creeping from her eyes again. "Why did it have to happen tonight? What'll he do when he can't find me?"

"Under the circumstances, I should think he'd wait until tomorrow morning when it won't look suspicious to be seen hanging around there. . .and expect you to do the same. Things will look better in the morning after you've had a good night's sleep."

"But I'm broke like I told you. I don't know where. . ."

Shayne said easily, "I'll stake you to a room for the night."

"I couldn't. . .not after all this." She gestured toward the empty platter and glasses.

"Don't be silly." He made his voice sound fatherly and quite indulgent. "You can repay me after you've found your Pete. No strings attached," he went on briskly, glancing at the check and laying bills atop it. "If my wife were wandering around a strange city, I'd hope some man would do the same for her."

She looked at him with shining eyes. "I do believe you mean it."

He got up and took her arm firmly to lead her out to his car. He got in and suggested, "Without any luggage, a tourist court is your best bet to avoid embarrassment."

"I WENT CRAZY"

"Whatever you say." She sighed and relaxed with her shoulder just touching his. "I was so frightened back there. I guess I just about went crazy. I couldn't think what to do. All I could think of was. . .was. . ."

"Pete," supplied Shayne.

Mostly, he believed she had told the truth. The few lies she had told had been rather transparent falsehoods.

* * *

He turned his car in at the first nice-looking motel that had a lighted VACANCY sign, pulled up in front of the OFFICE sign and honked lightly. A man hurried out and came around to his side, saying cheerfully, "A cabin? Yes, sir. Got just one left. You want to pull ahead to No. 6, you and the missus can take a look."

Shayne drove slowly to No. 6 with the man walking beside him. Neither he nor the girl said anything as the man turned on a light and they got out. He let her precede him into a large clean room with a double bed and shower bath, and he stopped in the doorway and asked, "Look all right to you?"

She turned slowly, biting her underlip and with a desolated expression on her pinched face, said, "I guess so."

"Seven dollars for the two," announced a brisk voice at Shayne's elbow. "You wanta come over to the office and register.

Shayne left his car in front and walked back to sign the register, "Mr. and Mrs. Peter Smith, Homestead, Fla.," and to write down the make and license number of his car. He paid $7 and received a key and the information that if they stayed past noon the next day they would be charged for another night.

Catholics Attack Son of Belgian Premier

OOSTENDE, Belgium (AP)—Irate Catholics clashed with the son of Belgium's Socialist Premier Achille Van Acker in a local cafe yesterday after a demonstration against the government's education policies.

Frank Van Acker and a party of friends were sitting outside the cafe watching the Catholics parade. The marchers spotted them and a fight began. A window and a few glasses were broken before police stopped the skirmish.

An estimated 45,000 demonstrators took part in the parade, protesting a bill approved by the House of Representatives last week which would cut subsidies to Catholic schools.

Dem Chairman Given Texas White Lightning

SAN ANTONIO, Tex. (AP)—Paul Butler arrived here last night for talks with Mrs. H. H. Weinert, Texas' Democratic national committeewoman, and received a quick present—a bottle of tequila, potent Mexican drink. The Democratic National Committee chairman said he didn't know what to do with it. He's a teetotaler. But a woman's voice floated out of the audience suggesting that if he decided to drink it to take three days off—two to recuperate.

IT'S A PSYCHOLOGICAL FACT: **PLEASURE HELPS YOUR DISPOSITION**

How's your disposition today?

CROSS AS A BEAR? That's only natural — when little annoyances heckle you. But keep this in mind: it's a psychological fact that pleasure helps your disposition. That means everyday pleasures, like smoking for instance, are important. That's why, if you're a smoker, you ought to enjoy the *most* pleasurable cigarette. Camel, every time!

It makes sense to choose your cigarette for the pleasure it gives you. It's a psychological fact that pleasure helps your disposition.

And more people smoke Camels and get more pure pleasure from Camels than from any other cigarette. Because, for one thing, no other cigarette is so *rich-tasting*, yet *so mild* as Camel!

Yes, Camels are your wise choice for more pure pleasure. So — have a Camel!

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

Goodrich, Workers Agree on Wage Pact

CHICAGO (AP)—A strike of some 14,500 production and maintenance workers at nine B. F. Goodrich Co. plants has been averted.

Company and CIO United Rubber Workers officials came to terms last night on a five-year contract after two weeks of secret negotiations. A strike had been called for last midnight.

The contract covers pensions, insurance and severance pay but officials declined to announce its terms until a formal contract is drafted, probably in the next day or two. Wages and working conditions were not at issue.

Experts Advise Shots Can Go On

Say Polio Vaccinations May Continue Through Summer Months

NEW YORK (AP)—A group of top polio experts has advised that children be given antipolio shots during the summer months even though this is the peak season for the disease.

After a conference called by the National Foundation for Infantile Paralysis to determine whether to continue polio injections during the summer, the authorities issued a statement Saturday saying:

* * *

"The slight hazard of provocation (causing paralysis) is insufficient to limit the injection of poliomyelitis vaccine even in the presence of a rising incidence of poliomyelitis in the community."

Among 30 persons on the board of experts were U.S. Surgeon General Leonard Scheele, Dr. Jonas E. Salk, who developed the vaccine, and Dr. Thomas B. Francis of the University of Michigan, who directed analysis of last year's vaccine field tests.

The National Foundation viewed the group's decision as a sign to go ahead with the vaccine program which many communities stopped as the polio season approached.

The experts suggested that the small danger of provoking polio could be further reduced by not injecting individuals who show signs of fever, sore throat or gastrointestinal upsets.

They also said vaccine should not be given in a household where polio has already occurred, since almost all other members of the family would already be infected and an injection might bring on paralysis.

At Least Thirty Hurt by Twister in Canada Town

VITA, Man., (AP)—A tornado hit this southeastern Manitoba town yesterday and injured at least 30 persons. Property damage was heavy.

First reports that two persons were killed proved incorrect. The exact number of injured could not be determined.

Vita is a town of only 400, settled by Ukrainian immigrants. The tornado lasted only two minutes.

Six or more homes, a six-room school, and a funeral parlor were destroyed; a 25-bed hospital, the town's only hotel, a bakery, church and church mission, and a drug store badly damaged.

What was left of a general store and three homes burned after the winds struck. A lumber yard was scattered for blocks. Automobiles were overturned on the streets.

State Hospital Program Aids Disturbed Children

There is room for community satisfaction in the fine progress being made at Pontiac State Hospital in the treatment of emotionally disturbed children.

This program is noteworthy because it is relatively new. In fact it adds up to some important psychiatric pioneering.

DR. McHUGH

When Dr. IVAN LACORE, the hospital's medical superintendent, decided to inaugurate this program, he chose Dr. JAMES M. McHUGH, a new member of the staff to direct it. At that time there were only seven child patients. Since then the group has grown to 30.

★ ★ ★

At the start these children were so disturbed emotionally that it was difficult to take them out for walks. Their attitude was hostile, unco-operative and destructive. Today, only 16 months later, they are easily directed and co-operate well in productive activities.

Eloquent evidence of this is the fact that they won eight blue and two red ribbons in the Oakland County 4-H Achievement Day awards. Later they entered the 4-H Club fair's vegetable and flower competitions winning nine blue and three red ribbons.

★ ★ ★

Dr. McHUGH, who has a background of specialization in pediatrics, pays high tribute to the volunteer workers and to the service clubs which have given such fine support to this program. The doctor himself has earned the community's esteem and gratitude for thus charting new paths in what still is a largely unconquered field of human illness.

Defense Department

One of the chronic faults of the previous administration lay in the continuous introduction of "more and more government in private business."

The idea is in direct conflict with the basic conceptions of this country. The United States believes that the people should carry on the business of the country and that government should attend to government.

★ ★ ★

C. E. WILSON'S defense department has now closed a long list of firms which his branch was operating in direct conflict with private businesses when he took over. Here are some that have been disbanded:

All coffee roasting plants
14 bakeries
2 dry cleaning plants
13 laundries
1 rope and cord mill
2 aluminum operations
7 metal baling centers
1 furniture repair store

Others that are scheduled for an early demise are:

17 office repair shops
10 automotive repair shops
6 cement mixing plants
9 ice plants
2 tree-garden nurseries
1 tire retreading plant

★ ★ ★

The previous administration gloried in undertaking everything imaginable. Of course, these "business concerns" paid no taxes. They never helped ease your personal payments to the Director of Internal Revenue. And they were in direct competition with taxpayers.

The current move is a very healthy step in the right direction. It helps give the United States back to the people where it belongs.

"THE way to avoid colds is to avoid people," asserts a physician who merely substitutes one tough problem with another tough problem.

Our Farm Revolution

A widely known fact is that American agriculture has been in the throes of revolution for almost a quarter century.

Well known, too, is that increased mechanization made necessary by the continuing trek of farm workers to urban areas has played an important role in that revolution. It is equally clear that the end result of this process is the tremendously increased productivity of our farms.

★ ★ ★

Back in 1935 the average American farm worker produced enough food and fiber to supply the needs of 10 persons. Today his production is sufficient to care for 18.

This has occurred despite the fact that the number of farm workers has declined one-third in the last two decades. It can be explained only by increased mechanization, better seed, more and better fertilizer and better all around farming technics.

★ ★ ★

Twenty years ago American farmers owned about a million tractors. Today they are operating 4,400,000. In the same period farm truck ownership increased from less than a million to 2,600,000.

Another important factor in the productivity gains is the increased use of modern fertilizer. The total amount used in 1935 was 1,153,000 tons. Today our farmers are using 5,400,000 tons annually.

Venerable Official Tells Way of Thwarting Enemies

Stumbling block: Often covered by a man's hat.

"The best way to avoid having enemies is to outlive them," says

George J. Scott,

SCOTT

oldest man in an official capacity in connection with Oakland County's government. It is somewhat of a coincidence that his eighty-seventh birthday and the seventy-eighth birthday of

Joe Haas

are both on June 18. They comprise two-thirds of the membership of the Board of Trustees of the Oakland County Tuberculosis Sanatorium. The other member is

Albert Weber,

somewhat in the junior class in the matter of age, but the very capable chairman of the board. The dual birthday was celebrated in a special luncheon at the San., at which

Harry Horton

presided, and which was attended by several other members of the Oakland County Board of Supervisors and other officials.

Feeling quite important because he says he must pay several billion dollars is the writer of a letter with a Pontiac postmark. He says that he is the man who will foot the bill for all that's going on in the deals between the big corporations and labor unions. The letter is signed

"John Q. Public,"

and we're quite in line with his sentiments.

A pair of wild geese who spend their summers on lakes near the home of

Ray Shults

in Groveland Township, have very keen hearing and good sense. They'll fly from a long distance at the sound of his automobile horn, the signal for feeding time. This year they're raising a brood of three who quickly learn to swim, of course, but are reluctant in their flying lessons. The old birds coax the goslings to the top of a high hill, and then set the pattern by a flying take off. But the goslings simply run down the hill, much to the disgust of the old folks.

"Don't overlook the Proud Lake Recreational Area, only 12 miles southwest of Pontiac," writes

Billy Jamieson

one of its boosters. It has the grounds, buildings, lake, river, scenery and everything else for an ideal camping spot. A recent official inspection rates it one of the best in the nation.

For a half century employed on weekly newspapers in this area,

Ray Burdick

died last week at his home in Fenton, aged 69.

won in a quiz contest, and donated for its occupational therapy program.

Driver's Seat

David Lawrence Says:

Michigan's Vandenberg Missed at U. N. Birthday

SAN FRANCISCO—We sat here ten years ago—many of the same writers, many of the same statesmen, when the United Nations was born of a great hope that mankind might develop a conscience and abandon bloodshed as a means of settling international disputes.

* * *

We are here again but this time there are some empty chairs—some of them we shall not miss and some have left an indelible impression. And there is one chair some of us wish were empty for it is occupied by an international figure whose record as a master of intrigue and duplicity in the last twenty-five years has no parallel in history.

But, first, the men we miss—the late Arthur Vandenberg, and Anthony Eden, then foreign secretary but now prime minister of Great Britain. It was the kindly, thoughtful, practical, unpartisan senator from Michigan who managed to contribute to the charter of the United Nations its most useful article whereby any dispute anywhere in the world may be brought up for discussion at any time—an indispensable instrument for the mobilization of moral force.

Then there were the private chats some of us had with Anthony Eden who today is absent because he has become prime minister of Great Britain. One night he talked eloquently about American leadership and sounded a warning that we must not let down our guard where Soviet Russia was concerned. How prophetic were his confidential comments.

ATTLEE PRESENT

Clement Attlee of the British Socialist Labor Party was here, too, a decade ago as a part of the British delegation representing the then minority viewpoint. His speeches were harmonious with the views of the British government. There was no discord then.

* * *

The late Edward R. Stettinius was our secretary of state—a conscientious, earnest, loyal but gullible man who, when he died, still had not learned the whole story of the faithlessness of Alger Hiss—his right-hand man here.

What part Alger Hiss played at San Francisco behind the scenes, as indeed he played at the Yalta Conference, will probably never be known, but Stettinius in his book of memoirs published in 1949 says Hiss "performed brilliantly throughout the Dumbarton Oaks conversation, the Yalta Conference, the San Francisco Conference, and the first meeting of the United Nations Assembly in London."

Many references to Hiss occur in other parts of the book, especially as to the influence of Hiss in connection with the problem of the veto and voting procedure at the United Nations. It was Hiss who sat behind the late President Roosevelt at the "Big Three" meeting and at almost all the conferences with the Russians at Yalta.

MOLOTOV TREACHERY

But as the record of intrigue in world affairs is examined, it is Molotov who takes the prize as the archconspirator of all times. When he presided here ten years ago as one of the co-chairmen of the first United Nations meeting he already had double-crossed friendly governments and Allies. Since 1945 he has played an even more treacherous game.

* * *

Many people have forgotten the record of the man with whom the foreign ministers of Great Britain, France and the United States will again attempt to do business this very week.

Through the spring and summer of 1939, Molotov kidded Eden along about the possibility of making a mutual defense treaty between Britain and Soviet Russia, but at the same time the Soviet conspirator was secretly negotiating with Hitler. The Soviet alliance with Hitler made it possible for the Nazis to turn toward the West in September 1939.

The Molotov strategy, however, was not to honor the agreement with Hitler, but to grab off chunks of territory—Latvia, Esthonia and Lithuania—with which countries the Soviet Union also had non-aggression treaties. Molotov wasn't satisfied with a piece of Poland. He wanted territory from Finland and, under Stalin's guidance, was reaching into the Balkans for more territory when Hitler couldn't stand it any longer and decided to defend himself against a faithless ally.

SOVIET JOINS WAR

Molotov and Stalin went into the war in 1939 to enlarge the Soviet empire, and joined the Western powers in 1941 only to defeat Hitler in order to get an even greater sphere of influence in both Europe and Asia.

* * *

The doublecrosses by Molotov in the period since the close of World War II are too recent to dwell on here. The records show that in diplomacy he is unscrupulous, that his pledges are meaningless and that he reflects accurately the Communist philosophy which justifies deceit and treachery as a means to an end. His chair should long ago have been vacant.

Dog Lovers Urge Birmingham Owners to Reject Move of Pound to Royal Oak

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature

Do the owners and lovers of dogs in Birmingham know that Oakland County is asking the city of Birmingham to give up its dog pound here and merge with them? It would be known as the Southern Oakland County Community Dog Pound, in Royal Oak.

Our dogs, when picked up, would be taken by our Dog Warden over to the place in Royal Oak. This way a good many valuable dogs would be destroyed. Whereas our Birmingham local Humane group checks daily, and has placed almost every dog in a good home.

Why can't Birmingham support its own Dog Pound? With the $2,200 or more spent yearly towards the support of the pound, plus our share towards the intitial cost of the building, we could improve the one we have now.

It would be an imposition to have the Birmingham people drive fourteen miles round trip trying to locate their pets. What would those do who have little or no means of transportation?

Birmingham with over 1,600 dog licenses should protect its pets and protest strongly against moving the pound to Royal Oak. If one has any opinions, he should attend Commission meeting Monday evening at 8 p.m.

Reader Says Meetings Merely Useless Talks

There are more Big Three-Four meetings ahead to talk about peace. When are the so-called 'free nations' waking up, knowing too well that talk with Russia and China means just that—talk.

The Versailles Treaty, League of Nations, Kellogg Peace Pact and disarmament agreements of all kinds have failed. Organizations, treaties, agreements. . .they have come and gone without bringing peace to the world. Jeremiah many years ago summed up today's picture, "For they have held the hurt of the daughter of my people slightly, saying 'Peace, Peace!' when there is no peace."

They are deceiving the world with promises of peace and getting ready for war.

U. N. Record for 10 Years: Useful but Not Flawless

By JAMES MARLOW

WASHINGTON (AP) — There was almost an exhilaration in those June days in 1945 at San Francisco when the United Nations was born. There was a sense of a new world born: a world of peace and brotherly cooperation.

The world of the U.N. is now 10½ years old. It resembles very much the old world of hatreds, distrusts, wars and fears. Yet, while the U.N. has not worked perfectly, it has been useful.

This week its members' foreign ministers meet in San Francisco to celebrate the anniversary.

The U.N. is a meeting ground for nations—a place where to some extent they can influence each other for good through the pressure of world opinion publicly expressed.

* * *

The U.N. has failed to produce, as was intended, an international armed force to prevent war. There have been more wars, some of which the U.N. helped settle, but no major war.

Some optimists believe a big war may be prevented as long as the nations can meet, if only to revile each other. But if a big war begins, there would be no more U.N.

The U.N. has spread some feelings of cooperation and brotherhood through the health, education and agricultural programs of its various agencies.

It seems certain the world would be different if the United States, unable to depend on the U.N.'s nonexistent international army, had not gone outside the U.N. to protect itself.

* * *

That was done through the alliances this country made with its non-Communist friends in Europe and Asia. Russia also went outside the U.N. to make its Communist alliances.

In 1945 the Allies, in blood and mutual sacrifice, had won the Hitlerian war which ended in May. It did not seem far-fetched at the time to think they might, with less effort, stick together to keep peace.

The wishful may have thought so. The realistic kept their fingers crossed. No one at San Francisco was more realistic than the representatives of the United States and Russia.

They put the veto into the U.N. Charter, useful both as a fire escape and as a roadblock they could employ against each other when they wished.

* * *

Without the veto, a two-thirds vote of the U.N. members could have obligated them to act in a crucial situation contrary to their desires or their interests. Neither would take a chance on that. Russia, in fact, has used the veto 60 times to block what it didn't like, until now it has rendered the Security Council all but helpless whenever Russia wants to make it helpless.

And the United States, not knowing what the future held, wasn't giving the U.N. a blank check either. Both nations reserved the right to say no and block action on a major issue before the Security Council.

THOUGHTS FOR TODAY

Case Records of a Psychologist

Woman, 21, Afraid to Face Her Friends After Boyfriend Marries Another Girl

Mildred is acting like an immature schoolgirl. She selfishly thinks only of her own pride as she tries to play hookey from God's schoolroom here on this Earth. Jonah tried to play hookey, too, but got caught up in a terrific storm at sea. So learn to face the music and play the game of life according to the rules.

By DR. GEORGE W. CRANE

Case O-361; Mildred Q., aged 21, recently took an overdose of sleeping tablets.

But she was detected and taken to the hospital where she was revived. Then her parents insisted she have a conference with me, for she was still threatening to commit suicide.

"Dr. Crane, there's no use in my going on," she wanly protested. "My fiance jilted me and married another girl.

"I am so humiliated and heartbroken that I cannot face my former friends! Life isn't worth living, so why go on?"

PLAY THE GAME

Wouldn't it be silly for a baseball player to say life wasn't worth living because he was tagged out as he tried to steal second base.

* * *

"It's so humiliating! My friends all saw me fail," he might protest, as Mildred has done.

But it would be deemed a childish act for him to attempt suicide, wouldn't it?

Or suppose a football end bobbled a forward pass and let it drop. Wouldn't he be deemed juvenile to attempt suicide thereafter?

PLAY AVERAGES

For we are supposed to play the batting averages in life, as well as in sport and business. Nobody can hope to win all the time.

* * *

A star hitter in baseball is doing fine if he has a .333 batting average, which means he fails to make a base hit twice out of every three times at the plate.

And a 50% rating in completing forward passes is excellent.

Furthermore, the life insurance salesman has a weekly quota of 40 calls.

Of these 40, he gets to present his sales talk to only 15, and then he averages just one sale.

So he fails 14 times out of every 15, yet he resolutely keeps on in spite of this tremendous deflation to his morale.

GIRLS, WAKE UP

You girls who are jilted once or twice, should wake up. The insurance salesman is figuratively "jilted" 14 times every week before he finally signs that 15th prospect on the dotted line.

* * *

So get wise to life and grow up. Quit being a juvenile who cries herself to sleep over a single jilting or failure.

Life is a game and you must play it according to the rules. If

you wish to run away from people and hide, we'll excuse you for a few days.

Anybody is entitled to a good cry for a short time when confronted with loss of a loved one by death or by jilting.

But after three days you should then act like a mature adult and get back into the game of life, which means start playing your part again and profit from that disaster.

SUICIDE EGOTISTICAL

It is a sign of supreme egotism and selfishness to try to kill yourself because you feel humiliated in the sight of your friends.

Such a person is thinking solely of self, and forgetting her obligations to her parents and to those teachers who have invested years of training to make her a successful adult.

* * *

You don't live alone in this world. You owe a big debt to parents, teachers, clergymen and others who have tried to help mold you into a self-reliant adult?

And you also have an obligation to God Almighty to carry on, for that's why you were placed here in this classroom called Earth.

* * *

Don't try to play hookey from God's schoolroom. And watch tomorrow for further specific advice to Mildred.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3¢ stamped, self-addressed envelope and a dime to cover typing and printing costs when you send for one of his phychological charts.

Acquire Suntan Gradually to Prevent Painful Burning

By DR. WILLIAM BRADY, M.D.

Sad to say, a good many of you will not return from vacation. In fact some of you won't arrive at the place where you plan to visit. Either you or the other fellow will drive carelessly or recklessly and, bingo! Here we go into the deep blue yonder.

* * *

It takes at least one second degree sunburn (burn with blisters) to teach some vacationists discretion about exposure to direct sunlight or indirect sunlight, reflected by water or sand to skin kept carefully in the shade.

An indoor worker who plans to take an outdoor vacation should train for it by exposing the skin to sunlight for gradually increasing periods of time twice daily, if possible, or anyway, every day, beginning with five minutes and increasing the duration of the exposure five minutes a day until some tanning becomes evident; after that increase the duration of the exposure ten minutes a day.

The secret of acquiring a good tan lies in cautious graduation of exposure, which should always terminate for the day if or when the skin shows first degree burn—erythema, flushing, redness.

* * *

There is no substance which, applied to the skin, prevents sunburn and at the same time promotes tanning.

PROTECT LIPS

Heavy zinc oxide ointment applied to the lips, the nose or the entire face will of course protect from sunburn. So will lipstick of dark shade. Some such preparation is particulary desirable to protect the lip when sunlight is intense, for lip sunburn is painful and slow to heal.

To relieve sunburn cover the part with soft cloths wet with a solution of aluminum acetate, 15 grains to the pint of water.

If vesicles or blisters form, the condition becomes surgical. Quit monkeying with it and procure the services of a physician and surgeon—that's singular—I mean one guy is enough—if he's licensed to practice medicine he is necessarily licensed to practice surgery too—understand, knucklehead?

SINGLE LICENSE

There's just one course of training, one degree, one state board of medical examiners and one license—the license authorizes the doctor to practice medicine, surgery or any specialty of either field he or she chooses.

You must excuse me for my vehemence, I'm not yet fully recovered from the setback I suffered when I hung my shingle over Tower's clothing store on the four Corners in Penn Yan.

I had commissioned the artist to paint it not just Dr. Wm. Brady but Wm. Brady, M. D., Physician & Surgeon. But he rearranged it for better balance, so when he tacked it up it read Wm. Brady, M. D., SURGEON—and underneath in letters so small that a passer-by could hardly read them, and physician.

* * *

For months the paying customers—or so I had been given to understand—called me only as a last resort—when no other doctor could be reached. The impression that I'd operate on the slightest provocation cooked my goose. People avoided me in droves. Eventually some of them found I didn't carry a bistoury behind my back, but then it was too late to keep me from turning quack.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady if a stamped, self-addressed envelope is sent to the Pontiac Press, Pontiac, Mich.

Eyewitness Describes 'Thunderclap Attack'

(EDITOR'S NOTE: This graphic eyewitness account of the grim hours that marked the bloodiest revolution in Argentina's recent history was written by Associated Press staffer Sam Summerlin, now assigned to Latin America. Summerlin served as a Korean war correspondent. This dispatch was received after normal communications from Argentina were resumed.)

By SAM SUMMERLIN

BUENOS AIRES (AP) — I was strolling through the noonday crowds past Metropolitan Cathedral when it happened.

A plane suddenly zoomed out of the gray overcast and an explosion ripped the air with the suddenness of a thunderclap.

The crowd around me stood bewildered for a moment. Then there were two more explosions. They scattered in panic as they realized bombs were dropping.

* * *

I ran up the street behind the cathedral toward the quaint-looking pink Government House. At the corner, crowds crouched against the walls as trucks whipped by loaded with men in khaki.

The trucks screeched to a halt behind Government House and troops scampered out, rifles raised. They raced four abreast down the avenue toward us and some of the crowd retreated around the corner to keep out of range.

Gunfire crackled and a man nearby fell to the pavement. Friends grabbed him shouting for an ambulance.

Troops dashed across the wide open boulevard and into the side entrance of the Government House, as black smoke spiraled up from nearby explosions.

For nearly two hours the gun battle raged.

Civilians scampering across the streets were caught in the cross fire.

* * *

One elderly man waving a white handkerchief walked grinning across the open street beside Government House to the Plaza de Mayo. Bullets spattered on the pavement, but he was untouched.

* * *

Two other men scurried out of a bank. Both fell. Medics standing a few yards away, grabbed them.

A fat little woman wearing a Peronista pin shouted that she wanted to take part in the fight. A man with a whistle seized her, blurting "you aren't armed."

Scores of other civilians shouting "Peron, Peron," crowded around Government House, many hugging close to the walls and behind the columns.

Shortly after 2 p.m. two tanks rolled up through the plaza, their machine guns chattering.

* * *

They were greeted with cheers as crowds of Peronista workers swarmed towards the opposing forces. Some civilians had rifles, but most of them were unarmed.

The force converged on the glassfronted navy headquarters three blocks away. Victory seemed in the government's hands.

Then, out of the sky roared rebel planes in a second raid on Government House. Bombs splattered death and destruction. Smoke enveloped the scene like a black fog.

This was the terrifying moment when most of the victims died. Panic again seized those who had just been tasting victory.

* * *

Police swarmed in, chasing crowds out of the plaza and up the side streets. Bodies were strewn about the square as ambulance sirens wailed.

The panic passed when the planes vanished. Soon afterwards navy headquarters surrendered.

Later the curious came out of their hiding places and stared at the bomb craters and the debris.

But the rebels hadn't said goodbye yet. As the crowds milled around Government House the attacking planes swooped in for one last run.

* * *

The crowds scurried for cover under army trucks and tall trees. Machinegun bullets cut tracks in the pavement, then the roar of the planes disappeared, and the people got up again. The battle was finally over.

Longest stretch of railroad in the United States without a curve is the 79 miles of the Seaboard Air Line, between Hamlet and Wilmington, North Carolina.

Mrs. Eberle Honored

West Bloomfield Dedicates Ground Observer Station

WEST BLOOMFIELD TOWNSHIP—Oakland County's newest ground observer post, located on Commerce road just west of Green Lake, was formally dedicated in a ceremony at 2 p.m. yesterday.

* * *

At the same time, Mrs. Melvina Eberle, civilian volunteer coordinator for Oakland County Ground Observer Corps, was presented with a Distinguished Achievement award, signed by the commander of the United States Air Defense Command.

Mrs. Eberle had been instrumental in organizing the new ground observer post and had served as advisor during its construction.

The citation was for "outstanding contribution and patriotic devotion to country as a leader in the Ground Observer Corps of the United States." It was presented by Col. William Lang, USAF, of the Willow Run Air Base.

The new post was dedicated by Lt. Robert Thomas, USAF, of the Saginaw Filter Center. The Rev. Barney Roepcke of Orchard Lake Community Church gave the benediction. Master of ceremonies was John Warren, West Bloomfield Township Civil Defense director.

Sgt. Nicholas Chisewsky, Oakland County Ground Observer coordinator for the USAF, presented the insignia to officers of the post.

An American Flag was presented to the post by Kenneth Simpson, past commander of Keego Harbor VFW.

* * *

The post, which was completed June 1, is manned by approximately 75 volunteers. Another 10 volunteers will be needed to staff the post adequately, Mrs. Eberle said.

Fair at Keego Opens Thursday

Displays by Merchants, Hobby Exhibits Planned by VFW Event

KEEGO HARBOR — Merchants from Keego Harbor and vicinity will display their wares at the VFW Fair and Hobby show Thursday through Saturday, at the Memorial Hall on Orchard Lake Road.

On the top floor of the hall will be the hobby shop with model cars shown by Eddie Johnson, antiques by Charles Floyd and hand painted china by Mrs. Chrystaline Ross.

John Brunstine will display prize parakeets and trophies from shows all over the states.

Antique lamps will be shown by John Johnson. Other displays will include ceramics and wookworking. There will be a fancy work, candy and parcel post booths, a grab bag, fish pond and cake walk.

Entertainment will be provided during the three-day fair. The The Cole Brothers will play the xylophone and violin, an electric organ and piano will be furnished by Grinell Brothers, and the Gleason Sisters will perform. Miller's Morons will entertain Saturday at 8 p.m. There will be free dancing on the grounds.

There will be a refreshment stand on the grounds and breakfast will be served from 9 to 11:30 a.m. daily.

According to chairmen Mrs. Boris Chakroff and Mrs. Fred Harbrueger, entries may still be made by calling Mrs. Harbrueger.

Eddie Rickenbacker's Success Story

Airline Head Walked 7 Miles to Save 5c

(Copyright, 1955, By International News Service)

Capt. Edward V. "Eddie" Rickenbacker is "a man's man," a great American whose career is an epic success story almost without parallel.

A one-time poor boy, who walked seven miles to work to save a nickel carfare on his first job, he is now on financial easy street—having run the gamut from business failure to success without ever having lost faith in himself.

Today, at the age of 64, he is chairman of the board of the profitable Eastern Air Lines, one of the world's leading air transport companies.

What is the philosophy of this man, whom Lady Luck has so favored?

"My life's philosophy," Capt. Rickenbacker said, "is basically faith in myself, my country and the Power above, which automatically gives courage and confidence to the individual."

His economic philosophy is equally interesting. He says he does not believe in security from the cradle to the grave "because it stiffles initiative and enterprise."

GACKS GAMBLE

"I believe every man has a right to gamble with his life and future, regardless of the consequences," he declares.

Rickenbacker is a tall, slender man, modest in demeanor, with an iron physique and an extraordinary capacity for endurance.

He was born in Columbus, Ohio, on Oct. 8, 1890, in humble circumstances. He was forced to quit school in the seventh grade due to the death of his father which necessitated his going to work to help balance the family budget.

"I have always regretted the lack of a high school and college education," Rickenbacker told International News Service. "But I have not found it a handicap since, in my youth, I made it my business to take an engineering course in the International Correspondence School, and of course have had an insatiable desire to learn ever since."

He says his first job was probably his "toughest."

"I went to work at twelve years of age for the Federal Glass Co. in Columbus, carrying glass tumblers from the blower stand to the tempering ovens twelve hours a night and six days a week," he recalled.

"Then I walked seven miles to and from work to save a nickel carfare."

AUTO TRAINING

Later, he received early automobile engineering training with an air-cooled car company in Columbus and branched off into the sales division.

He engaged in automobile racing from 1910 to 1917. During his racing days he was associated with Firestone, Dusenberg, Mercer Co., Maxwell Motor Car Co. and Peugeot Motor Co. of Paris, France.

In 1917 when the United States entered World War I he was in England, and he promptly enlisted as a sergeant in the U.S. Army.

On his arrival in France he was assigned as one of Gen. John J. Pershing's staff drivers. He was transferred to the Air Corps and went into preliminary training.

Rickenbacker's feats as a combat flyer thrilled America, amazed the world and even drew the admiration of the Germans. He acted as his own gunner as he flew wobbly old "crates" in performing deeds of valor.

At the end of the war, he returned to the United States and was feted as America's ace of aces—a great hero, credited with 26 victories.

BACK TO CARS

In 1921 he joined the automobile industry again and ran into his first real business trouble. A group of wealthy auto men organized a company to manufacture a new car which they named after Rickenbacker, with Eddie as vice-president.

The company went broke in 1927 and Rickenbacker found himself owing $200,000, although he had resigned from the company the year before.

There followed numerous other jobs for Eddie—president of the Indianapolis Motor Speedway; executive with General Motors; assistant sales director for Cadillac; vice president of General Aviation; vice president of American Airways and later vice president of North American Aviation, Inc.

His big chance came on Jan. 1, 1935, when he was appointed general manager of Eastern Air Lines. In April 1938 Rickenbacker took over the dual role of president and general manager.

Running the line in those days was the toughest assignment Rickenbacker had ever drawn in business, for EAL was then the "ugly duckling" of the air transport industry.

Today it is a big money maker and regarded as one of the "Big Four" of commercial aviation. It serves an area reaching from New England and the Great Lakes in the north to Florida and the Gulf States in the south; from the Atlantic Seaboard and Puerto Rico on the east, to the Mississippi and mid-Texas in the west.

Rickenbacker relinquished the presidency of EAL on Aug. 7, 1953, to become chairman of the board.

"Capt. Eddie" visualizes a great future for aviation. He sees the advent of turbo-jet transports and passenger traffic increasing tremendously as air lines expand their fleets and routes. He envisions within the next fifty years space ships carrying 1,500 to 2,000 passengers at speeds up to 5,000 miles per hour.

A remarkable man — Eddie Rickenbacker.

Three Drowned in Storm Cellar

Farm Children Victims of Flash Flood; Father's Rescue Try Futile

QUANAH, Tex. (AP) — A frantic father dived into a dark flooded storm cellar yesterday in a futile effort to save three of his children.

"I heard my little boy call out, 'Help, Daddy,' and that was all," said armer Ira Keeney. "I dove back in there and tried to save them, but I just couldn't find them."

The three Keeney children, Doris, 5, Thomas, 4, and Alma, 3, all drowned.

The family had taken refuge in the cellar about 4 a.m., when Mrs. Keeney saw threatening clouds and awakened her husband. They feared a tornado.

* * *

Keeney told reporters he opened the cellar's horizontal door to investigate a trickle of water. A flood poured in upon him.

"My wife and one of the babies was standing right there by me," he said. "I grabbed the baby and set her outside. When I turned back water was already almost up to the top of the cellar.

"The lantern went out and there was a lot of sticks and trash on top of the water. I tried to dive back into the cellar to find my babies, but I just couldn't get back far enough."

* * *

Keeney walked to a neighbor's and called Quanah, 20 miles southeast; for help. By the time an ambulance could get over the muddy roads with the help of a wrecker, it was judged useless to try to revive the trapped children. Their bodies were taken from the flooded cellar about 9 a.m.

A sudden, 5½-inch rain caused a dike on a nearby draw to break and flood the storm cellar, locate in a low spot, Hardeman County Sheriff M. C. Owen said today.

Girl, 15, Snatches Kidnaper's Gun, Shoots, Escapes

PRATT, Kan. (AP)—A 15-year-old girl wounded a man with his own pistol and escaped after he had forced her into his car, County Atty. Eldon Meigs reported yesterday.

Meigs planned to file charges of attempting to kidnap Jane Adams against Michael A. Mounts, 40-year-old father of seven children.

A 50-man posse captured Mounts early yesterday a few hours after Jane, daughter of the Pratt Chamber of Commerce secretary, and her escort had been accosted by two men.

* * *

The county attorney said Mounts laid his pistol on the front seat of his car after forcing the girl into the back seat. He said Jane grabbed the .22 automatic and wounded Mounts in the shoulder when he whirled around.

Jane and her escort, Jim Pilkington, 16, were accosted when they stopped to repair their car. They had been out for a ride in the country.

Smythe Succeeds Chase

TAIPEI (AP)—Maj. Gen. George W. Smythe will succeed Maj. Gen. William C. Chase as head of the Military Assistance Advisory Group in Formosa June 28, it was officially announced here today. Gen. Smythe now is second in command of MAAG. Gen. Chase is going to San Antonio, Tex., and will retire from active duty July 31.

'Bonanzagram'

Have Fun! Win $100!

"Bonanzagram" is an exciting new puzzle in which the Pontiac Press offers both fun and a $100 cash prize. BUT before you try your hand at "Bonanzagram" **be sure and read the rules** at the bottom of this page. Solution will appear in the Press July 1.

CLAIM CHECK

Below is a duplicate of the "Bonanzagram" entry you send in to contest headquarters. It is ESSENTIAL that you fill it in and save it until the correct solution to "Bonanzagram" No. 16 is published Friday, July 1. Unless you do so, you will be unable to collect the prize if you should send in a winning solution. Check the rules below for further details.

Bonanzagram No. 16

The letter on the government agent's blotter looked innocent enough—a cordial, handwritten invitation to a friend to join Mr. X for dinner and the theater ten days hence. Mr. X was a respected citizen with newspaper connections, active and well known in Capital circles, but his name was on the list for investigation so that all his mail was being discreetly screened. The agent decided to send the letter along to the laboratory — a lucky decision, for treatment disclosed, between the lines, some fine writing in a new kind of invisible ink. Some of the letters were obliterated in bringing out this secret writing, but the agent, trained in such matters, managed to fill in the missing parts, revealing a message that showed Mr. X had a good reason to resort to invisible ink. Can you, too, decipher the cleverly concealed message?

How To Play 'Bonanzagram'

Solve the "Bonanzagram" by filling in all the missing letters, as indicated by the underscores, in the message. Insert only one letter above each underscore. Many clues to the missing letters are hidden in the story, or anecdote, accompanying the message itself, and, in a few cases, the contestant's general knowledge should provide the correct letter. The contestant will note that the message is unpunctuated. Punctuation will help solve the message but is not necessary to win.

All missing letters must be correctly inserted to win a Bonanzagram prize. Punctuation will not be considered in judging a correct answer.

When properly filled in, the "Bonanzagram" will spell out a clear message that will conform in every way with the clues. In many cases it will seem that more than one word would be the correct one. That's part of the fun! You should weigh the clues and select the BEST possible word in each case.

How to Submit Entries

1. After solution is completed, "Bonanzagram" should be clipped and pasted to a two-cent postcard with your name and address.

2. Entries will be received at the Pontiac Press office, 48 W. Huron St., until 5 p. m. Tuesday, June 28. Mail entries must be postmarked before midnight Tuesday, June 28 for Bonanzagram No. 16. Address "Bonanzagram, %, Pontiac Press, Pontiac, Mich.

3. Entries may be mailed in envelope but contestant's full name and number of puzzle must be printed in upper left corner of address side of envelope.

4. Copies of the Press need not be purchased to enter. Facsimiles made by hand and corresponding as closely as possible to the original "Bonanzagram" printed in the Press will be accepted but are limited one to a family. Mimeograph, duplicator or other unofficial mechanical reproduction is forbidden.

How to Collect the Prize

The entrant must work out and keep duplicate solution as a claim check. When the solution is published in the Press, he should compare his "claim check" with the published solution, and, if his claim check is identical, he should call in person with his claim check at the Press office, 48 W. Huron St., before 5 p. m. on the Monday following publication of the solution.

If a winner cannot call at the Press office in person, he should mail his solution to "Bonanzagram Editor." Postmark on this letter must be not later than 5 p. m. the Monday after publication of the answer. Correct answers are void unless the contestant reports his claim by the deadlines listed here.

About Eligibility, Information, Etc.

1. Anyone is eligible for the "Bonanzagram" contest except employes of the Press and members of their immediate families. (Immediate family means all those living in an employe's household.)

2. No question as to winners will be answered by phone.

3. The Press will award a prize of $100 to the winner of each weekly Bonanzagram. If more than one winning answer is received, the prize will be divided equally among the winners. If no correct solution is received, the $100 will be added to the next week's prize. If the winner is a subscriber of record to the Press a $20 bonus will be added to the $100.

4. Only one winning entry from a family will be eligible for the prize, but there is no limit on number of entries.

5. The Press retains the right to correct typographical errors.

6. Judges' decision will be final and contestant's submission of entries indicates acceptance of these rules.

7. No liability is accepted for entries that fail to reach us.

8. The Press reserves the right to alter rules and/or discontinue the contest at its discretion.

Iron Lung Said Habit Forming

Life Saver Becomes a Crutch to Some, UM Doctors Report

ANN ARBOR (AP)—The iron lung—so long the link with life for many respiratory patients—is becoming an unwelcome crutch, an actual addiction, for those it was intended to help.

* * *

Drs. James L. Wilson and David G. Dickinson of the University of Michigan Respirator Center state that this is their opinion, based on their speciality of paralytic poliomyelitis.

Dr. Wilson says that patients who come to rely too heavily on the respirator tank become prisoners. All but a very few, he says, can be freed from the respirators, except for brief periods of aid.

Generally, he adds, if a patient survives the first two weeks of illness, it is usually possible to free him from the mechanical aids in a few months.

WEANING

Both doctors phrased their opinions in an article, appearing in the American Medical Assn. Journal.

* * *

Of more than 100 patients confined in iron lungs at University Hospital's center, all but two have been weaned from the apparatus after three months.

This, they say, does not mean that the patients can breathe continually on their own. They still require the respirators at night—or possibly rocking beds or portable respirators.

The doctors report that 80 patients have been discharged from the center since it began operating three years ago. Dr. Wilson says:

* * *

"This is the driving force behind all our efforts, and that is to make some sort of satisfactory life out of one that ortherwise would be a mere vegetable-like existence as a respirator prisoner.

Red U.N. Delegates Under Heavy Guard

HILLSBOROUGH, Calif. (AP) — Security is the watchword at the 15-room mansion in this exclusive suburb of San Francisco where Soviet Foreign Minister Molotov is housed with his delegation.

A local policeman sauntering by yesterday saw a member of the household staff stopped at the gates, his suitcase dumped onto the ground and every item pawed over by Russian guards before the man was allowed to repack and enter the grounds.

Molotov basked in the sunshine yesterday morning under a beach umbrella beside the estate swimming pool.

DETROIT (AP) — Seventy-year-old Jack Clapp parachuted from a plane yesterday to prove "a man is only as old as he feels." A flying daredevil in his younger days, he planned the stunt after he was forced by age to retire as a painter with city schools. He somersaulted a few times before pulling the ripcord.

Skilled ROK Army Readies for Sneak Red Attacks

SEOUL (INS)—South Korea still stands face-to-face today with a massive, dangerous enemy across the 38th parallel, just as it did before the outbreak of the Korean war five years ago this week.

But in the five years since the Reds first gambled on the fruits of aggression, South Korea has put on muscle and gained valuable fighting know-how.

* * *

In the place of its once poorly equipped constabulary force, South Korea today has the world's fourth largest army, the equipment and support to guarantee a different story.

Many ROK soldiers, with a personal stake in North Korea, live in hopes the Communists will grow bold and try their luck once again. They are sure Korea would be united under the ROK flag.

The ROK army today, nurtured under the experienced hand of Gen. James A. Van Fleet, has grown to a 20-division fighting force. Tanks and artillery pieces are standard equipment in all divisions.

Of the standing ROK army of perhaps 700,000 men, more than half are frontline fighting men.

Facing them across the silent wastes of the demilitarized zone, as they once did across the 38th parallel, is a revitalized North Korean army of an estimated 600,000 men.

REDS WELL EQUIPPED

They, too, are well equipped. Since the armistice, the smashed North Korean divisions have been remolded and completely requtfitted with Russian guns, artillery, mortar pieces and tanks.

With these two watching armies is the blood of considerably more than one million of their countrymen killed in battle or as innocent victims of the war.

* * *

Fighting men from 16 nations of the free world who rushed in to help stop Red aggression are also in Korean soil.

This grim toll includes 29,550 American soldiers who paid the ultimate price.

Behind the protective guns of the new ROK army, South Korean citizens are busily removing the scars of war.

Scaffolding in Seoul marks rebuilding efforts on the capital's modern Western-style structures. Her streets, bridges, rail systems and city facilities are almost back to normal.

People, losing the tenseness of war-filled days, are dressing better and eating better.

New automobiles are beginning to appear in increasing numbers among familiar military jeeps and trucks and aged civilian vehicles.

With assistance from the United States aid programs, new thermo-electric power plants will soon be completed to double South Korea's power output. Cement plants are nearing completion, fertilizer and glass factories are being built and railways, rehabilitated by the U.S. Army, are back in ROK hands.

RICE CROP GOOD

The rice crop is good in agriculturally-rich South Korea, and as long as that holds true the people will have more than enough to eat.

But behind the signs of renewed prosperity is the ever-present knowledge that this was once all wiped out—and could be destroyed again.

South Koreans remember with dread personal reminders how their world once changed so abruptly.

It was Sunday. It was raining. It was peaceful.

Then, with loud rumblings, Russian-built tanks nosed across the 38th parallel at strategic points, artillery and mortar shells suddenly rained down on cities and villages, followed by the tramp of thousands of Communist boots.

Spread thinly along the 155-mile waist of the peninsula to meet this Communist juggernaut was a two-year-old ROK army of 100,000 men. Many looked at the terrifying odds and fled.

When their rout stopped around Taejon, where Maj. Gen. William F. Dean had set up his headquarters as commander of newly-arrived U.S. forces there were only 60,000 ROK troops left.

Through the heartbreaking days of retreat and the grinding days of counter-attack, reformed ROK troops fought with renewed vigor, until allied reinforcements came and turned the tide.

The toll was heavy and Korea will not soon forget.

Estimates place South Korean civilian and military casualty figures at 415,000 killed, 428,568 wounded and more than 60,000 missing.

U. S. Defense Department estimates place North Korean military casualties at about 520,000 killed or wounded.

9 House Dems Start Fight for Civil Rights

WASHINGTON (AP)—Nine Democratic House members promised today to fight for civil rights legislation "to write into law some of the glowing promises made by the major parties during election time."

They propose a ban on racial segregation on trains, equal employment rights, and other steps which they said would be provided in 44 pending bills.

A Judiciary subcommittee will open hearings soon on the legislation.

Joining in the announcement were Representatives Powell and Davidson (NY), Barrett and Chudoff (Pa), Diggs (Mich), Roosevelt (Calif), Barratt O'Hara (Ill), Rodino (NJ), and Reuss (Wis).

Bob Considine Says:

You Asked What's Wrong With Baseball....

NEW YORK (INS) — Baseball Commissar Ford Frick has retained a polling organization to conduct a survey of what's ailing the grand old monopoly. High time! Any other cartel that creaked as baseball has been creaking of late, despite federal aid in the form of a tongue-in-cheek Supreme Court ruling saying it is played only for sport, would have called for a pulmotor long before.

The people to be questioned in this survey are sportswriters. This seems a wrong approach at the very start. Sportswriters don't pay to get into the ballpark. Most of them go because it's their job. The fan, whose opinion isn't going to be asked, is the bloke Frick is trying to lure back to the walled pastures.

He doesn't very often see eye to eye with the sportswriter, and vice versa, so I can't see what will be proved exactly. The sportswriters have been telling Frick what's wrong with baseball in millions of generally well-chosen words for years. All he'd have to do is to look in the back files. Or in today's papers.

The first question is "If you could cover and write about one sport only, would it be baseball?" There is a "yes" box under neath, a "no" box and an empty. I'd have to fill the empty with "it all depends.' Sure, it's stimuating to be with a winner. But few working newspapermen are more likely to go to seed than a stiff, stuck with a chronic second division team.

CABBAGE HEAD

More often than not he becomes as much of a cabbage head as the average player on the team itself. He lives in a realm of empty ballyards, dreary defeat, chronic incapacity, soggy morale. He moves about the country like a sixth rate salesman trying to sell a product nobody wants. And let's have no lip about this. I traveled for years with the Washington Senators.

Second question — "Check the following ideas which you think would serve to improve the game and build attendance." There is a list of ten. But I'd check "shorter games, faster paced" and "better parking facilities" and "easier ways of getting good tickets."

Ford asks if radio broadcasts of baseball have increased interest. Yes, I'd say, but TV has kept millions away from the parks. He wants an opinion on how people might react to pay-as-you-see TV of ballgames. Well, I don't think the average guy who has become accustomed to watching baseball on TV would put four-bits or more in the coin box if that would bring him a game, unless it was an important contest.

WORLD SERIES

I think millions would pay to watch the world series on TV but precious few would invest in run-of-the-mill games. Who'd turn off a free show, even a tear-laden soap opera, to pay to watch Kansas City against Baltimore or the Pirates against The Cards some hot August afternoon? If TV baseball goes on a pay-at-home basis, people will turn back to radio accounts of the games.

"How do you feel about night games?" the poll asks. Too many I say. They keep the kids away, and what's better for baseball than a kid in the family who is wild about it? He'll drag whole slabs of the family to the park.

"Some people feel that public controversies such as top management 'pop-offs,' inter-club squabbles and similar disputes not involving the actual day-to-day play-ing of the game are bad for baseball. Do you agree?"

Of course not. The game was built on such gusty sands. Clubs should do everything they can to stimulate person and team rivalries. Who do you want—Burt Shotton or Leo Durocher?

Fearless Ford asks, "Do you think that the baseball commissioner's office and league offices are doing 1) a good job; 2) a fair job; 3) a poor job; 4) no opinion?"

A pretty good job, but room for much improvement. The business of baseball is still conducted in many parts of the country with all the salesman ship flair surrounding an 1865 country store on an Ozarks crossroads.

There is too much of "Well, it's the only wheel in town" philosophy; much too much self-satisfaction and the assumption on the part of officials that they are rendering a great civic service by staying in business and charging exorbitantly for uncomfortable seats. More use should be made of the stars during the off-season. They should be put on salary by the commissioner's office and sent into the hinterlands to fire the imagination of a fandom that is yawning most ominously.

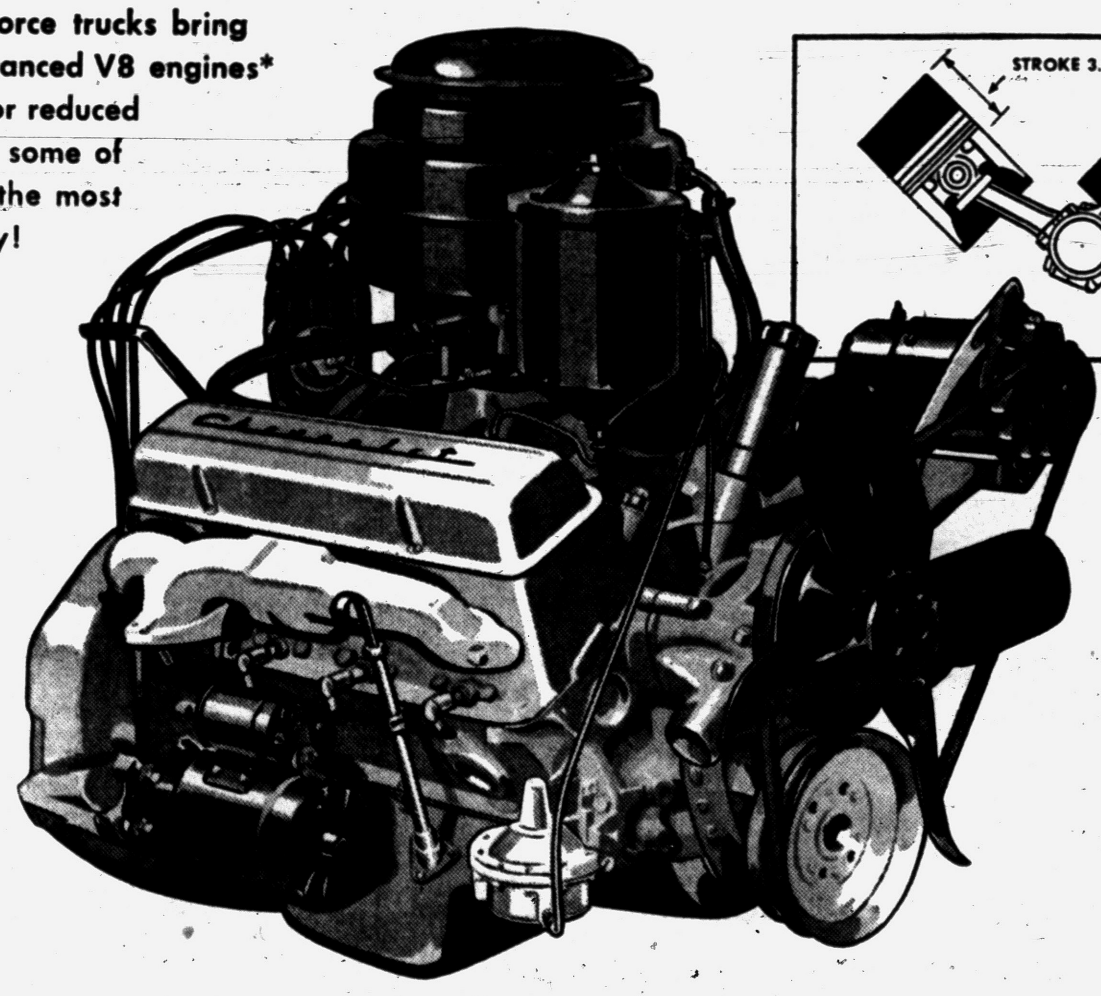
MOST *Modern V8* FOR YOUR JOB!

NOW...THE SHORTEST STROKE *V8's*

IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines* with an ultra-short stroke for reduced friction and wear. Here are some of the features that make 'em the most modern V8's money can buy!



Modern oversquare design! Note that the bore is bigger than the stroke. And the stroke is the shortest of any V8 in any leading truck!

Modern 12-volt electrical system

You get *double* the punch for quicker starting (up to 30% faster cranking speed) and more efficient ignition for finer performance. Also, you have a greater reserve of electrical power.

Gas-saving high-compression ratio

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and *work*—out of every tankful of gas. Your ton-mile hauling costs go down with this modern V8 power on the job!

Extra-high power per pound

The compact, super-efficient design of these advanced V8's results in high power output per pound of engine weight. This means that more of the power is actually available for hauling.

Advanced aircraft-type valves

A completely new valve train design permits each valve to function independently—as in modern aircraft engines. Valve action is more positive at all speeds for finer, smoother performance.

Floating oil intake . . . full-pressure lubrication

New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication system provides positive protection for vital engine parts . . . extends engine life.

Wedding Bells Ring Out in Pontiac Over Weekend

Sandra Anderson Wed in Church

A motor trip through the eastern states is being taken by Mr. and Mrs. Robert V. Buck who will make their home at Spring Lake in North Carolina.

* * *

The bride is the former Sandra Mary Anderson, daughter of Mr. and Mrs. Edwin J. Anderson of Wenonah drive. The bridegroom's parents are Mr. and Mrs. Clay Buck of South Shirley street.

The Rev. Malcolm Burton performed the double ring ceremony Saturday evening at First Congregational Church before 275 guests.

Sandra Mary Anderson became the bride of Robert V. Buck Saturday evening at First Congregational Church. She is the daughter of Mr. and Mrs. Edwin J. Anderson of Wenonah drive, and he is the son of Mr. and Mrs. Clay Buck of Shirley street.

MRS. ROBERT V. BUCK

The altar was decorated with candelabra, palms and vases of white gladioli, delphinium and peonies.

A ballerina length dress of Chantilly lace over bridal satin was worn by the bride. Seed pearls outlined the square neckline of the bridal gown which was fashioned with long fitted sleeves and full skirt.

A coronation headpiece of pearls and lace secured her finger tip veil of illusion. She wore a single strand of pearls and earrings, a gift of the bridegroom. The bride's chapel bouquet was composed of white roses, stephanotis and feathered carnations.

Karen Jo Anderson attended her sister as maid of honor wearing a ballerina length gown of tulip pink crystallette. Fine pleating outlined the portrait neckline and a panel of the pleating was fashioned in the back of the full skirt.

She wore a matching headpiece trimmed with forget-me-nots, and carried a French posy composed of red roses, delphinium and daisies.

Jill Martha and Jan David Anderson, twin sister and brother of the bride, were acolytes. Jill wore a blue dotted swiss dress with a shoulder corsage of white feathered carnations.

William Buck attended his brother as best man. Seating the guests were R. Grant Smith of Saginaw, Harry Ledyard of Grosse Pointe Farms, William Smith of Avoca and James English of Hazel Park.

A light blue linen dress with lace and seed pearl trim was worn by the bride's mother as she greeted the guests at a reception held in the church parlors. Her accessories were white and she wore a shoulder corsage of pink roses and feathered carnations.

A pale pink linen dress with bead trim and white accessories were worn by Mrs. Buck. Her shoulder corsage was composed of red roses and feathered carnations.

The wedding cake was surrounded by garlands of white shattered carnations and ivy.

When the new Mrs. Buck left on the wedding trip she was wearing a blue linen suit with white accessories and a corsage of white roses. She is a graduate of Western Michigan College where she was a member of Alpha Chi Omega sorority and Kappa Delta Pi, honorary fraternity.

MRS. JAMES GLENN ALDRICH

Corenna Morton Wears Silk Taffeta for Wedding

White silk taffeta appliqued with Chantilly lace gowned Corenna Morton Saturday evening as she approached the altar of Central Methodist Church to become the bride of James Glenn Aldrich.

* * *

The bodice of the princess style bridal gown was fashioned with a square neckline in front and short sleeves, appliqued with scalloped lace edging.

The deep V neckline in back was fastened with tiny covered buttons to below the waistline of the gown.

The bride's headpiece of lace over taffeta secured her finger tip veil of silk illusion. She wore short gloves and carried an arrangement of white calla lilies in cascading design.

Mr. and Mrs. Frank R. Morton of Brookdale lane are the bride's parents, and James is the son of Mr. and Mrs. Lee A. Kremer of Dwight avenue.

Palms, candelabra and pedestal baskets of white flowers banked the altar of the church as the Rev. Milton H. Bank performed the eight o'clock ceremony.

COMES FROM MEMPHIS

Mrs. James A. Morton came from Memphis, Tenn., to attend her sister-in-law as matron of honor. Bridesmaids were Nancy Aldrich, sister of the bridegroom, Marilyn Shearer and Claire Sansone of Forest Park, Ill., former roommate of the bride at Michigan State College

Each attendant wore a princess style dress of bachelor's-button blue silk shantung. They were fashioned with short sleeves and the bouffant skirts featured inverted pleats. Large bows adorned the back of the gowns.

They wore headclips of the same material and short white gloves. Cascading arrangements of yellow majestic daisies were carried by the attendants.

Fred Zittel served as best man and seating the guests were Robert C. Irwin, Donald Deeter, and Donald Pinkston of Albion.

* * *

Arrangements of white flowers decorated Rotunda Inn at Pine Lake for the reception following the ceremony. The wedding cake was topped with a tiny floral arrangement of pink rosebuds.

Mrs. Morton greeted her guests wearing a rose-beige gown of peau de soie with white accessories and a corsage of cymbidium orchids.

Mrs. Kremer chose a powder blue gown of silk barathea with matching accessories for her son's wedding. Deep pink roses formed her corsage.

When the couple left on a wedding trip around Lake Michigan to Chicago the new Mrs. Aldrich was wearing a dressmaker suit of dark gray Italian cotton. She wore yellow gloves and black patent accessories. Her corsage was of yellow roses.

Upon their return the couple will reside on Murphy street. They are graduates of Michigan State College, where he was affiliated with Sigma Chi fraternity.

St. Michael Rite Unites Couple

Beverly J. Simpson, James J. Kothe Wed Before 400

St. Michael Church was the setting Saturday morning for the marriage of Beverly Jeanne Simpson and James Joseph Kothe. The Rev. Michael J. O'Reilly performed the 11 a.m. ceremony before 400 guests.

* * *

Vases of apollo carnations, pink larkspur, orchid and purple delphinium and pink peonies and palms decorated the church.

The bride is the daughter of Mrs. Henry M. Simpson of Gladstone place and the late Mr. Simpson. The bridegroom is the son of Mr. and Mrs. Henry Kothe of Birmingham.

A gown of tulle over bridal satin was worn by the bride. Chantilly lace godeas outlined the over skirt which extended down the back of the cathedral train. Scalloped lace finished the square neckline of the fitted bodice which was designed with long pointed sleeves.

VEIL OF FRENCH ILLUSION

A wide crown of seed pearls and rhinestones secured her finger tip veil of French illusion and she wore the bridegroom's gift of a single strand of pearls.

The bridal bouquet was composed of white orchids, lily of the valley and stephanotis in crescent design.

Mrs. James T. Bego attended her sister as matron of honor and other attendants were Mrs. Alfred T. Delpier of Lake Orion and Veronica Jean Simpson, who attended her aunt as a junior bridesmaid.

Mrs. Bego and Mrs. Delpier wore floor length dresses of orchid crystallette. Pleated drape folds finished the portrait necklines of the fitted bodices which were fashioned with tiny cap sleeves. They wore orchid shoulder length veils studded with pearls.

Veronica's orchid crystallette gown was fashioned with full skirt, accented by ruffled lace. Her headpiece was a band of pink rosettas.

The three attendants carried crescent shaped bouquets of Carol Amling roses, orchid carnations and deep purple delphinium.

Keith Ege of Birmingham was best man and seating the guests were Gerald H. Simpson, nephew of the bride; Henry Kothe Jr. and Nicholas Kothe, brothers of the bridegroom from Birmingham; and Roger Reynolds, also of Birmingham.

The Rev. O'Reilly composed the music for the nuptial high mass which was played by Cecile Cloonan. Frances Capucille was soloist.

A wedding breakfast was served at Waldron Hotel and a reception followed from three until six p.m. at Knights of Columbus Hall. A floral arrangement of lily of the valley and Carol Amling roses decorated the top of the wedding cake. Pink gardenias, carnations, larkspur and orchid delphinum were used throughout the hall. Pink gardenias surrounded the wedding cake and punch bowl.

The bride's mother wore a waltz length dress of pink Italian silk with pink and white accessories. She wore a white orchid corsage.

Mrs. Kothe was attired in a waltz length dress of aqua silk. She wore white accessories and a white orchid corsage.

When the couple left on a wedding trip to northern Michigan the bride was wearing a pink silk princess style dress with pearl and rhinestone trim. She also wore white accessories and an orchid corsage. They will reside in Pontiac.

MRS. JAMES J. KOTHE

Honeymooning in northern Michigan are Mr. and Mrs. James J. Kothe. The bride is the former Beverly Jeanne Simpson, daughter of Mrs. Henry M. Simpson of Gladstone place and the late Mr. Simpson. The bridegroom is the son of Mr. and Mrs. Henry Kothe of Birmingham.

Newlyweds on Honeymoon in Northern Michigan

In a double-ring ceremony at 7 o'clock Saturday evening, Marlene Beyer and Robert J. Cunningham exchanged nuptial vows. The Rev. Ralph Claus officiated at the ceremony at St. Trinity Lutheran Church.

* * *

The bride is the daughter of Mr. and Mrs. Henry Beyer of South Marshall street, and her husband's parents are Mr. and Mrs. William Cunningham of Elmhurst, Ill.

Her bridal gown was fashioned with Chantilly-type bouffant skirt with side panels of pleated nylon tulle. The bodice was fashioned with a V-neckline with inserts of pleated nylon tulle and long lace sleeves. Chantilly lace was appliqued on the bodice.

The headpiece, of pleated tulle and lace trimmed with bugle beads and sequins, secured the pure silk French illusion hand-rolled veil.

The bride carried a lace covered Bible centered with white roses and stephanotis.

Joan Koggenhop, maid of honor, wore a gown of white lace with white sash and pale blue headpiece. Suzann Beyer, sister of the bride and Arline Sprague of Chicago, bridesmaids, wore gowns of pale blue.

The dresses of Belgian lace were fashioned with scoop necklines, fitted bodices and full skirts of Ballerina length over hoops. Soft pleated sashes the color of the gowns, with streamers ending at the hemline, completed the bridal attire.

Wired headpieces in horsehair secured the soft veils with scattered velvet forget-me-nots.

Serving as best man was Douglas Cunningham, brother of the groom of Elmhurst, Ill. Sherman Cunningham, another brother of the groom and Clifford Miller, the groom's brother-in-law, both of Elmhurst, were ushers.

RECEPTION AT HALL

Immediately following the wedding a reception was held in the Greek Orthodox Hall. The bride's mother selected a pink silk dress with which she wore white accessories and lilac carnations. A tan dress with white accessories and pink carnations was chosen by the bridegroom's mother.

When the couple left for a wedding trip through northern Michigan, the new Mrs. Cunningham was wearing a rust colored linen suit with avocado accessories and the rose corsage from her bridal bouquet.

Married Saturday evening was Marlene Beyer, who became the bride of Robert J. Cunningham. Parents of the couple are Mr. and Mrs. Henry Beyer of South Marshall street, and the William Cunninghams of Elmhurst, Ill.

MRS. ROBERT J. CUNNINGHAM

Bonnie Sue Mitchell Wed in Presbyterian Church

A lace handkerchief carried by the bridegroom's grandmother on her wedding day 46 years ago, was the "something old" used by Bonnie Sue Mitchell, daughter of the Marshall Mitchells of Watkins Lake, for her marriage to James Allen Attard on Saturday evening.

He is the son of Mr. and Mrs. George Attard of Drayton Plains.

The 7 o'clock ceremony at First Presbyterian Church was performed by the Rev. William H. Marbach.

The bridal gown of pure white satin was fashioned with a nylon tulle bouffant skirt which extended into a wide band of Chantilly lace and continued into a cathedral train of fine accordion pleats. Lace decor accented the bodice and her veil was secured by a Juliet lace cap.

She carried a chapel bouquet of feathered carnations, white roses, stephanotis and English ivy streamers, centered with a white orchid. She also wore a pearl necklace and earrings, gifts of the bridegroom.

* * *

Floor-length gowns of the maid of honor, Patricia Owens, and bridesmaids, Sandy Brown, Barbara Lynd and Patsy Fawcett, were identical except in color. Pastel shades of orchid, pink, powder blue and coral were used, respectively.

WEAR MATCHING HEADPIECES

Hiplines of the full nylon tulle skirts were marked with poufs of nylon tulle, which also trimmed the silk nylon bodices. Scalloped headpieces matched each dress.

The attendants' bouquets were also similar. Feathered carnations tinted to match the dresses and English ivy were centered with gardenias.

Roscoe Henry was best man and ushers were Larry Wigner, Lewis Fitzgerald and Tom Healy.

* * *

A reception followed in the church parlors. Pink brocaded organdy with matching accessories was worn by the bride's mother as she greeted guests. The bridegroom's mother selected a dusty rose lace-trimmed dress wth white accessories. Both wore corsages of baby orchids.

DONS BLUE DRESS

The new Mrs. Attard donned a powder blue linen dress with white accessories, and the orchid from her bridal bouquet, for a wedding trip through northern Michigan.

She will make her home with her parents while the bridegroom is serving in the U.S. Navy.

Novel Paint Helps Keep Home Cool

Now ther's a paint on the market for use on the roof and outside walls designed to lower indoor temperatures as much as 45 degrees.

The Coating Laboratories, Inc., of Tulsa Okla., developed the paint by applying the principal of heat reflection — the paint has a special pigment that reflects heat and light.

It's easily applied, and if the home painter spills some while brushing it on, it can be cleaned off with warm, soapy water before it has dried.

Bride Wears Lace, Taffeta

Five Points Community Church was the setting Saturday evening at 7 o'clock for the wedding of Phyllis J. Smith to George N. Leo.

* * *

The Rev. Gordon Lindsey performed the ceremony before 100 guests. The bride is the daughter of Mr. and Mrs. Charles Smith of Walnut road. Mr. and Mrs. John Arp are the parents of the bridegroom.

The bridal gown, waltz length, was of Chantilly type lace over net and taffeta. The bodice was fashioned with a scoop neckline

The bride's only jewelry was a single strand of pearls. She wore a Juliet cap covered with the Chantilly lace and carried white carnations and rosebuds.

Mrs. William Timmerman attended her sister as matron of honor.

* * *

Serving as best man was Ronald Thomas of Commerce. William Timmerman and Ted Lazaroff, both of Pontiac, were ushers.

A reception followed in the church parlors. The bride's mother was gowned in a charcoal grey rayon linen suit with which she wore white accessories and the bridegrom's mother wore pink crepe with white accessories.

For her wedding trip to Central Lake, the bride wore a baby blue sheath dress with jeweled collar and white accessories.

The couple will live at Mechanic street. The bridegroom is a graduate of the University of Michigan School of Forestry.

Matrons Advised on Eating Habits

EAST LANSING, Mich. (AP) — An Iowa State College professor of nutrition says the middleaged woman should watch her diet "as her home-making tasks lighten and her household diminishes in size."

These two factors, says Dr. Pearl Swanson, often lead to erratic eating habits—too many calories one day, too few the next. And this causes anxiety, depression and a continuous brakedown of tissue protein.

Dr. Swanson spoke at a symposium at Michigan State College on "the potentialities of women in the middle years."

Key to Success — Right Attitude

By ANNE HEYWOOD

It's funny, but when you've been in the vocational field as long as I have, you soon learn to judge in advance pretty much who will be successful and who will fail.

When a woman writes a letter you can tell from her approach what kind of future she can look forward to.

Take, for example, these two letters.

They're both about leather working, but that's where the similarity ceases.

NEEDS EXTRAS

The first is from Mrs. A.

"I wish you would tell me how to make money out of leathercraft. I have a husband who never will make enough to support his family and with the two children we need extra money.

"I am overworked enough as it is, Lord knows, but if I don't do something about it, nobody else will.

"I have read a lot about how people make a killing out of leatherwork, belts and bags and things like that. I don't see why I shouldn't be able to.

"It's probably terribly smelly and unpleasant to work with, but at least I understand you can cha e plenty for the things you make.

"So I might as well give it a try, although it probably won't work, because nothing I try ever does."

LIST OF BOOKS

Well! As you can see, this woman's negative approach, her martyr-complex and angriness, are going to prevent her from succeeding, almost before she begins.

I sent her a list of books on philosophy and psychology which may help her orient her thinking, without which nobody can help her.

But here is another letter, also about leathercraft, from a woman I shall call Mrs. B.

FUN TO DO

"Now that my children are in school and I have a little time to myself, I am very anxious to learn more about working with leather.

"I have done a little of it, through the years, and love it.

"You can make the most beautiful things and it's such fun to work with. I wonder if you would be kind enough to send me a list of books on leathercraft."

RIGHT APPROACH

There's a woman who approaches the problem in the right spirit.

You can tell that she will not only have a fine time at her hobby, but will probably come up with some money-making items as well.

If you would like either list of these books, on philosophy or on leathercraft, send me a stamped, self-addressed envelope in care of this paper and I will mail it to you.

Let Another Rumor Give You Helping Hand

By ELIZABETH WOODWARD

"Dear Miss Woodward: We've been going together since school started last fall, and a few days ago word got around that he didn't like me any more.

"Another boy who heard this decided he did like me. That made my boy friend a little jealous, and he wouldn't speak to me. I've tried many times to get him to stand still long enough to hear that I don't like the other boy. But he won't listen.

"He won't tell me whether or not he still likes me. He just says he doesn't know. I still like him and want him back. What do you advise?"

Answer: A very disquieting rumor started by some interested somebody was the cause of all the upset.

Perhaps your boy friend started it and perhaps he's the victim of it, too. And his coolness is all because of the other boy's attention to you and his announced decision that he likes you and intends to do something about it.

Your panic to get things straight with him may look to him like an apology, a confession.

So, why not let another rumor give you a helpful hand? You haven't managed to get his ear yourself but you can bet he'll hear it from all sides, if you let it be known that though you still like him very much, you're quite smitten by a certain unnamed Mr. X.

Don't equip the rumor with details. Leave that to everybody's imagination—most of all his.

He just might come running around to find out how come you can like anyone better than him!

"Dear Miss Woodward: For almost two years I have been going steady with her and I really feel that I'm in love with her. But for the past two weeks she's been giving me what looks like the 'cold shoulder.'

"On our last two dates she hasn't seemed completely natural or happy. I've heard from other girls that she would like to break up with me, but I'm afraid to ask her about it because she might say it was true. I don't want to lose her, so what should I do?"

Answer: If her restlessness continues, you can beat her to the punch by letting a little rumor get around that there just might be somebody else on your mind.

She won't like the idea one bit—even if she's in one of her low moments over you. She won't want you to get away from her until she sends you.

I just might arouse her interest again and snap her into making an out-and-out play for yours.

If that doesn't do it, use the summer vacation as an excuse for relaxing the steady part. Let her miss you. That will bring her around.

The honoree is the daughter of Mr. and Mrs. Raymond Sweetman of Watkins Lake and her fiance is the son of Mr. and Mrs. Charles Harrison of Florence avenue.

Guests at the recent party were Mrs. Sweetman and Mrs. Harrison, Mrs. Philip Cooper, Mrs. Robert Harris, Margaret Colfer, Jo Ann Dennen, Mary Kline and Patricia Humphreys.

Others were Jeanne Zimmerman, Elaine Monroe, Geraldine Luna, Marlene Daly, Merle Federico, Ruth Slavin, Donna Ritter, Sue Barks, Judy Heck and Gayle Joyner.

Sorority Elects New Officers

Formal installation of officers was coupled with initiation ceremonies at a dinner held by Psi Chapter of Sigma Beta sorority at Rotunda Inn.

New officers will be Mrs. Eddie O'Brien, president; Mrs. Thomas Thornberry, vice president; Mrs. DeVere Games, charity chairman; Mrs. Eugene Russell, treasurer; Mrs. Raymond Meggitt, corresponding secretary and Mrs. Morgan Siple, editor.

Jean Sheridan is recording secretary and Mrs. Walter Woods will serve as parliamentarian.

Mrs. O'Brien and Mrs. Games performed the recent initiation ceremony for new members Mrs. Joseph Mooney and Mrs. James DeFlorio.

If you are a member of the hostess committee for a party given by a club or organization, be sure you do your share of the work. All too often the chairman of such a group gets stuck with the full responsibility for a party, because the other members find good excuses for not being able to do their part.

Car Rams Hay Wagon, Eleven Teenagers Hurt

COLDWATER (UP)—Eleven teenagers on a hay ride were injured last night when the wagon in which they were riding was struck by an automobile. Four required hospitalization, but were not believed seriously hurt.

The wagon was being towed by a tractor when, police said, it was struck by a car driven by Joseph Widener, 35, of Brunson. Widener, found wandering in a nearby field after the collision, was booked on a charge of leaving the scene of a personal injury accident.

Seattle Mother Kills Tots, Self

Husband Finds 2 Sons Murdered, Wife Dying in Dads' Day Tragedy

SEATTLE (UP) — A bleak and bloody Father's Day greeted 30-year-old Charles Reimers early yesterday.

He returned to his small South End home to find his sons Thomas, 5, and Jerry, 1, battered and stabbed to death. In another room he found his wife, Mrs. Josephine Reimers, with knife slashes in her throat, wrists and groin.

* * *

Mrs. Reimers, 29, eight months pregnant with twins, died in a hospital last night. The King County sheriff's office called it a suicide and double slaying.

Reimers, an airplane company employe, had been downtown. He said he stopped at a tavern before heading home early yesterday morning. He found the two boys slashed with a knife. Authorities said apparently the younger boy thrown on the bed of the older had been slain in his crib, then thrown on the bed of the older boy, also slain.

* * *

Reimers said he and his wife had not quarrelled. But he told officers she had been despondent.

Reimers had just finished a fence about his modest home Saturday afternoon. Toys belonging to the two boys still were scattered in the yard.

Last evening he left his home "to get away from the memories" and moved in with friends.

It was Father's Day. But he said simply: "I'm homeless now."

Royal Oak Man to Head State VFW

TRAVERSE CITY (UP) — Don N. Draher of Royal Oak, a Navy Seabee veteran, was elected state commander of the Veterans of Foreign Wars at the group's 36th annual encampment yesterday.

Other officers elected:

Max C. McCarn, Mason, senior vice commander; Howard Barhitte, Muskegon, junior vice commander; Christie J. Braun, Lansing, quartermaster; Charles Gallagher, Detroit, judge advocate; Dr. William McAlonan, Detroit, state surgeon, and the Rev. Herman S. Kolenda, Cedar, chaplain.

Mrs. Francis Hugener of Detroit was named state president of the VFW Auxiliary.

He formerly attended Rochester High School, and is a veteran of three years service with the United States Marine Corps. He lives with his wife at 433 Main st., and is employed by the Pixley Funeral Home.

Supporter of Labor Heads Young GOP

DETROIT (UP) — A 33-year-old New York attorney who championed a successful campaign for recognition of union labor is the new chairman of the National Federation of Young Republicans.

He is Charles K. McWhorter, a Harvard graduate with a master's degree in political science as well as a law degree. He beat William O. Barnes Jr., Republican leader of the New Jersey House of Representatives, as the Young Republicans closed their 1955 convention Saturday.

McWhorter joined the Michigan delegation in pressing to passage a resolution giving organized labor a place on the federation's executive board.

Previously the board gave official recognition to agriculture, industry, small business, college and other groups, but not to organized labor as such.

General Motors Powerama to Feature GMTC Vehicles

Eight trucks and seven coaches manufactured by GMC Truck and Coach Division in Pontiac will be among the galaxy of diesel-powered vehicles exhibited at the General Motors Powerama in Chicago, Aug. 31 - Sept. 25.

Biggest show of its kind ever presented, the spectacular Powerama will be open to the public in a 1,000,000-square-foot area on South Lake Shore Drive, adjacent to Soldier Field. This was the site of the Century of Progress exposition in 1933-34.

Admission to the 26-day "world's fair of power" will be free. Entertainment on the colorfully-decorated Powerama grounds will range from stage shows with singing and dancing to exhibits showing actual operation of the modern locomotive, saw mill, cotton gin, earth mover, fighter plane, and many other mechanical giants.

Introduced to the public at the Powerama will be a lightweight, low-cost passenger train designed and built by General Motors at the request of a committee of railroad presidents. This diesel-powered beauty will be able to carry 400 passengers in "air ride" comfort, reaching speeds of over 100 miles per hour for sustained stretches. Superstructures for the train's cars were built at the Truck and Coach Division. After appearing at the Powerama it will be demonstrated on major railroad systems.

WATER DISPLAY

Along a specially-built pier in a protected lagoon will be a varied array of marine equipment and craft, including a U. S. Navy submarine, a pleasure launch, shrimp boat, and many others. Visitors will be able to board these craft.

Other displays include educational cutaway mechanisms and the sensational "dream" truck, L'Universelle, which will make its first Chicago appearance.

Showing the vital applications of diesel-powered GMCs in present-day trucking operations, the display trucks will range from an oil well servicing unit to a vehicle used to pull logging trailers.

The bus exhibits will include a Greyhound Scenicruiser, the General Motors turbine-powered Turbocruiser, a deluxe Golden Chariot intercity coach, a 41-passenger intercity coach, and three transit buses.

PROVIDES TRUCKS

Besides the regular display vehicles, GMC will provide several trucks for maintenance of the exhibits and the show-grounds.

Three six-wheel GMC trucks powered by 6-cylinder diesel engines will appear in the oil well and sawmill exhibits.

A DW950-67 with a gross combination weight (GCW) of 70,000 pounds will stand near an operating oil drilling rig which it pulls, while a DW970-67 with a 59,000-pound gross vehicle weight (GVW) will power an oil well servicing unit mounted on top of it.

In the animated sawmill exhibit another DW970-67 tractor and trailer loaded with huge, 32-foot logs will show how the logs are hauled to the mill.

Several 600 series diesel-powered GMCs will be used in road building and cotton gin displays. One of the 600 series trucks will transport raw and baled cotton to and from the cotton gin.

Two dump trucks, a D660-47 and a six-wheel DW630-47, and a six-wheel DW630-47 concrete mixer will be stationed on the road-building exhibit. All three vehicles are powered by 4-cylinder diesels and their GVWs are 30,000 and 46,000 pounds, respectively.

PORTABLE FEED MILL

In still another exhibit, a two-and-one-half ton truck furnished by GMC will be loaded with a portable feed mill.

Making its Chicago debut, L'Universelle, a front-wheel drive panel-delivery-type truck, will be shown with other GM "dream" cars. Since its introduction in January, the new-type truck has created a sensation in trucking circles and attracted record crowds at GM Motoramas.

Other GMC exhibits include a cutaway diesel engine showing the various principles involved in its two-cycle operation.

A cutaway Hydra-Matic transmission, a Vee-Drive bus exhibit, a back-projected motion picture and other educational displays also will be shown by GMC.

TRUCK AND COACH DISPLAY—A logging vehicle similar to this diesel-powered D970 GMC tractor-trailer combination will be displayed by GMC Truck & Coach Division at the General Motors Powerama in Chicago. Loaded with large 32-foot logs, the tractor-trailer combination will be used in the animated sawmill exhibit to show how logs are hauled to the mill.

POWERAMA MODEL—A model of the GM Powerama, which will open in Chicago for 24 days beginning Aug. 31, is inspected by P. J. Monaghan, (left) general manager of the GMC Truck and Coach Division; C. R. Osborn, vice president in charge of GM's engine group; and Semon Knudsen, general manager of Detroit Diesel Division. GMC Truck will have a large number of Diesel-powered trucks and coaches and other exhibits in the Powerama.

ATTEND FIRE COLLEGE—Among the firefighters from throughout the state attending the 27th annual fire college at the University of Michigan last week were the following, shown attending a lecture on the use of fire hose: from left to right, Frank G. Beattie, Pontiac; Gerald Henshaw, Suttons Bay; Teno Vandewater, Holland; John L. Monroe, Pontiac; Robert Gravelle, Pontiac; and Prentice P. Sheldon, lieutenant in the Kalamazoo Fire Dept., course instructor.

Adenauer Agrees With Western Attitude

BONN, Germany (AP)—West German Chancellor Konrad Adenauer got back to his homework today in preparation for a possible meeting with the Russians.

The 79-year-old Chancellor returned home last night from a strenuous week of visits in Washington, New York and London during which he assured top Western statesmen of his government's loyalty to the Atlantic Alliance.

* * *

He declared on arrival that West German views on such coming developments as the Big Four "summit" conference "coincide fully with those of President Eisenhower, Secretary of State Dulles and Prime Minister Eden."

* * *

Evidently tired by his eight days of traveling, Adenauer had to be reminded by his new foreign minister, Heinrich von Brentano, of the French.

He stepped back to the microphone to describe French-German relations as "extraordinarily heartfelt."

He said he had "very useful and important discussions" in Washington. In London yesterday, he said, he and Eden "discussed the whole present situation in full frankness."

* * *

On his trip, Adenauer stressed publicly that his government will "remain a good partner to the West" even though he will "probably" accept the Russian invitation to go to Moscow to discuss establishing trade and diplomatic relations.

He indicated that he would not visit the Soviets until after the Big Four talks in July. But a London report last night suggested that the British think it might be a good idea for him to sound out Moscow intentions before the Geneva conference.

* * *

That this and other ideas are to be followed up was indicated by a joint Adenauer-Eden statement that they plan further exchanges of views.

The question of German reunification cropped up in almost every public statement made on the trip. Adenauer made it clear to his Western allies that he is to measure the sincerity of Russian intentions in apparently relaxing cold war pressure by their readiness to agree to free the 18 million East Germans to join a democratic and independent united Germany.

* * *

Having reached agreement with his major Western allies, Adenauer is now expected to tell his experts to begin preliminary discussions with the Soviets to clear up several points before he accepts their invitation to Moscow.

Air Being Sold for Skyscrapers

New Buildings Planned for Space Over City Railroad Yards

NEW YORK (AP)—Today's skyscrapers—airy castles of glass, steel or aluminum, some walking on stilts—are giving our cities a new look.

Their gleaming facades mirror our changing times and way of life. In their train come new problems of crowding and traffic jams, of lunch hour rushes for counter stools.

* * *

Builders seek to grub the maximum yield out of each square foot of scarce land space in crowded business centers—even out of the air above land put to some other fundamental use such as railroad yards, or super traffic expressways.

Use of air space isn't new. The Waldorf Astoria, other hotels, many luxury apartment houses and tall office buildings are astride the yards of Grand Central Station. New York's huge Central Post Office is built on steel stilts over the rail yards near Pennsylvania Station.

* * *

Now the rush to find office space for America's fast expanding giants of industry is sparking a new set of plans to use air rights. New York Central and the New Haven Railroad talk of replacing Grand Central Station with an underground utility passenger station topped by a skyscraper with acres of high rental office space.

The Pennsylvania Railroad is at the option-granting stage for tearing down its huge station here, putting passenger accommodations below ground and a commercial and office skyscraper above.

Most Marital Difficulties Can Be Solved

By TOM BUCHANAN

Marital difficulties which sometime lead to divorces occur in wealthy homes, as well as in families where there is little or no money.

Whatever the case, some marriage difficulties are peculiar ones, according to Cadman Prout, county friend of the court. Cause of major spats between husbands and wives can sometimes be solved, if the parties concerned are willing to get to the root of the difficulties, Prout says.

However, many of them either don't want to bring them to light, or they just can't realize the real friction point because they're too close to the situation.

Prout's office handles divorce cases where children are involved, and assists the circuit court by recommending which parent should be given custody of the children.

TENSIONS RUN GAMUT

"The areas of tension in marriage run the gamut, from in-law intervention to infidelity. Most factors include drinking, gambling, non-support and physical abuse," Sprout says.

Office workers, dealing with the actual factors of divorce problems, find that in-law battles begin very innocently.

"Relatives try to assist a young couple, not realizing their proposed help could lead to resentment.

"Sooner or later, conflicts arise that may become so deep-seated they are beyond repair."

The drinking aspect is more frequently found in cases where husband works on an outdoor job.

Reasons for this fact have not been established, but the stories on file speak for themselves. Most wives don't mind if drinking is done in moderation at home, but when it's done in taverns, after working hours, conflict arises.

CHIEF COMPLAINT

A chief complaint of the husband is an untidy house, Prout says. "The father comes home from work, and the house is not cleaned and dinner isn't ready. Too much of that sort of thing isn't recommended for a happy house. So complaints come from both parties," he said.

Extradition Process Long, Involved

By BURDETT C. STODDARD

When a man is arrested outside the state for a criminal offense committed in Oakland County and refuses to waive extradition, Prosecutor Frederick C. Ziem heaves a sigh.

It means the prosecutor's office will have to go through the long and involved extradition process.

A process which may seem unnecessary, but is set up to assure that the accused person's rights will not be infringed and due process of law observed.

About 15 forms will have to be completed and sent to the governor who makes the final decision on whether extradition will be sought.

* * *

The nature of the crime must be stated plus who will be sent to pick up the prisoner, a statement of where the accused is believed to be is enclosed (he is usually already arrested), the justice named who asked the arrest and copies of the complaint and warrant included.

Other forms include:

Affidavits from the county clerk that the prosecutor is the prosecutor, the notary public involved is a notary public, the justice of the peace is a justice and that the circuit judge is a circuit judge.

The judge then certifies that the county clerk's affidavits are valid by including one stating that the county clerk is the county clerk.

Pictures of the person charged are enclosed with proof they are genuine.

The prosecutor confirms that he believes all statements made are true and that the offense charged is a violation of Michigan law.

If fraud, obtaining money under false pretenses, embezzlement or forgery is charged, the complaining witness must sign an affidavit that he asks the person's return only for criminal prosecution and not to provide a chance for a civil suit.

* * *

The governor then is asked to sign the order and request the chief executive of the state holding the accused to release him in custody of an Oakland County law officer.

The other governor can refuse to turn the prisoner over, ending any chance of extradition, but this occurs rarely.

The entire process can take from one to three weeks, said Ziem.

TODAY'S ASSIGNMENT FOR:

JUNIOR EDITORS

OUR BIRD FRIENDS—6
The Kingbird

One good way to learn about birds is to joins a Junior Audubon Club. When classes start again, ask your teacher whether your school has one. Club members get printed leaflets describing common birds and containing their pictures.

Another way is to go to the library and ask for books about birds. Or find an older person who knows birds and get him to help you. Studying birds can be fun all your life. That makes it better in some ways even than football or basketball, which are best as hobbies when you are young.

If you live in the country or near the edge of town you probably have seen kingbirds. They are members of the flycatcher family and they get their food by darting from their perch on a tree or pole and catching insects. Phoebes and wood pewees are flycatchers too.

The kingbird probably got his name because he is so tough. Although only 8 or 9 inches long, he does not hesitate to attack hawks and crows that come near his home.

Color his back grey and put a little red patch on the top of his head. It's there, although you cannot see it very often.

French Senators Returned to Office

PARIS (AP)—Half of France's upper house was renewed yesterday in the nation's biggest electoral test before the 1956 national assembly elections. The results showed little change in the political climate, with the major French parties swapping only six seats so far.

The vote for members of the Council of the Republic (Senate) went almost unnoticed. It was an indirect election with the public having no part.

The Senate is the advisory upper house of the French parliament. It's members are elected for six-year terms, with half the group named each three years. It can delay legislation, but cannot finally veto actions of the dominant assembly.

The electing was done by deputies of the lower house, members of the municipal councils, members of regional councils and some supplementary electors representing larger towns.

Broken Bottle Fatality

QUINCY, Mass. (AP)—Mrs. Eleanor Sullivan, 56, dropped a bottle of liquid on the kitchen floor. She slipped on the liquid and landed on the broken bottle, opening a nine-inch fatal gash on her leg, an autopsy revealed.

THE BERRYS By Carl Grubert

King Louis, of France, ordered all bakers who gave under measure to be beheaded. As a consequence, they always added an extra article just to be on the safe side, hence "baker's dozen."

Radium gives off three kinds of rays: alpha rays, which are rapidly moving atoms of helium; beta rays, the atoms of electricity; and gamma rays, which are similar to X-rays.

Hal Boyle Says:

Hire Deaf Secretary to Get Good Spelling

NEW YORK (AP)—The oddity almanac:

An executive looking for a stenographer who can spell might do well to hire a deaf one.

As a matter of fact, many employers now are doing just that. They have found that office workers with hearing impairments have a large vocabulary and know how to use it because they learned to spell properly early in life.

* * *

The reason: deaf children, undisturbed by distracting noises, develop a good visual memory of words and letters. Those with normal hearing often learn to spell the 66 basic sounds of English speech by ear instead of by sight.

Big crisis in industry note: Australian rabbits aren't multiplying as well as they did—and that may add up to your paying a higher price for your hat, mister.

The faraway bunnies have been riddled by a disease called myxomatosis, and the price of their pelts has risen from $2 a pound to $6.

"If this keeps up we'll all be wearing beavers again," says I. Benjamin Parrell, president of Adam Hat Manufacturers, Inc., which converts nearly 10 million Australian rabbit pelts a year into felt toppers.

* * *

It now takes about five skins to make a hat, but as a result of the disease epidemic the Australian hoppers are growing smaller and soon it may take six to eight.

Parrell's plant is in Corsicana, Tex., where plenty of wild rabbits abound nearby. But this is no consolation to him.

* * *

"They're Texas jack rabbits and no good for hats," he said. "Too tough."

Is there a magician in the house?

Almanac editorial: Many of our readers have complained that the 75th anniversary of Thomas A. Edison's invention of the electric light caught them flat-footed, and they didn't have time to get properly lit up in tribute to this important occasion.

Well, our friends in the industry have let us in on another closely held secret—next Aug. 1st is the 25th anniversary of the photoflash bulb in America.

* * *

Now is the time to start planning your own celebration of this historic event. Why don't you and your neighbors hold a block party in tribute to the dear old flashbulb?

Incidentally, now that Americans spend almost as much time in automobiles as they do in their homes, did you know motor cars now use more light bulbs than houses do?

* * *

The average motor car had only 5½ bulbs in 1925, now has 22.8 (one 1955 model has 32!). The typical home contains only about 19. (And if your house is like mine, they all seemed to be turned on all the time!)

Odd jobs department: Richard and Edith Barstow, the brother-sister team of choreographers, say the most difficult job of their career was plotting steps for the 50 dancing elephants in the Ringling Bros. Circus. The problem they had to overcome: an elephant's front feet follow a different rythm than its hind feet.

* * *

By the way, there are no "chorus boys" in the herd. Most circuses got rid of their male elephants years ago. The big boys get too bad-tempered during certain seasons. And you can't sell a customer popcorn or pink cotton candy after an elephant uses him for a rug.

The cheer-up dept: Do you always feel lost on Blue Monday? Well, here's a quote from Matthew Arnold to carry you through the week:

"Resolve to be thyself: and know, that he who finds himself, loses his misery."

Widowed Sisters Killed Nearing Home After Fete

RICHMOND, Va. (AP) — Saturday had been one of the gayest days in years for Mrs. Emma Chapin, 87; Mrs. Florence Gray, 85, and Mrs. Josephine Gresham, 75, widowed sisters.

They motored down to Dunn, N.C., for the wedding of Mrs. Chapin's granddaughter to an air force lieutenant.

Yesterday they were only a few minutes away from home on the return trip when their car and a tractor-trailer collided and all three were killed.

Poppie First Papa

WAUKESHA, Wis. (AP)—The first man in Waukesha County to become a papa on Father's Day was appropriately enough, Richard Poppie. His son weighed in at 8 pounds 6 ounces.

Story Becomes Personal

DAYTON, Ohio (AP) — Reporter Tony Svet interviewed a pacing father outside Miami Valley Hospital's maternity ward yesterday. He had just started writing his story, a Father's Day feature for the Journal Herald, when a call from Mrs. Svet sent him scurrying. He was soon pacing the same hospital corridor. It was a boy, and Svet finished his feature—with personal touches.

Widows' Estate Rights Summed Up by Judge

(Following is the second installment of a two-part interview with Oakland County Probate Judge Arthur E. Moore, who discusses financial problems of widows. The interview concludes a series of 10 articles on investments carried by the Pontiac Press.)

Q. How will claims against the deceased husband's assets be handled?

A. During the probating of the estate there will be a hearing on claims which means that creditors may make a claim against the estate and when all are compiled, they will be paid proportionately if there is sufficient money therein.

Q. What about taxes on the estate?

A. If the estate is substantial, the administrator or executor will have to pay and satisfy a number of federal and state taxes.

Q. What do these include?

A. Federal estate tax, which is a tax against anything which the deceased person accumulated and left either in his estate or by turning it over earlier, but not reporting it as a gift.

* * *

This, of course, has an exception that any person may make a free gift of $3,000 per year to as many persons as he likes without tax. In fact, a total of $30,000 of gifts cumulatively over the $3,000 individual limit can be made without tax. Generally speaking, this does not apply to estates of less than $60,000 or of less than $100,000 than $60,000 or of less than $00,000 in certain cases where there is a will.

INHERITANCE TAX

There is also an inheritance tax which is a levy on the right of a beneficiary to take or inherit from the deceased person. Here the widow has a $30,000 exemption plus $5,000 for each minor child.

* * *

In addition there are income taxes to be cleared up or paid during the probate proceedings and there may be a tax on personal property, such as stocks and bonds, called the intangibles tax.

On large estates there may be a business receipts tax. Taxes on real estate or personal property need also to be paid.

Q. Do these taxes tend to be large?

A. In general none of these taxes are very burdensome in the small estates, but do become a big obligation in large estates.

Q. Sum up, in general, the rights of widows in estates?

A. A widow's allowance for her support and for the support of minor children. Her right to the first $3,000 of the estate. Her interest for life in any real estate held by her husband regardless of whether it is owned jointly or not.

The widow may use a husband's dwelling house for one year rent free. She has an absolute right in selecting personal property.

Sunburn Pain Disappears Smooth Tan Emerges Without Peeling or Blistering

Science Discovers New Ointment That Instantly Stops Pain of Sunburn... Turns Redness Into Comfortable Tan

New York, N. Y. (Special):) A leading research institution has discovered a new medical substance that instantly stops pain of sunburn . . . and prevents blistering or peeling, so angry redness may turn to handsome, comfortable tan.

Doctors know that sunburn affects skin just as any ordinary burn does. They also know the body needs oxygen for healing burns. The secret of this new substance is its astonishing ability to draw healing oxygen and nutrients directly from the bloodstream into the sunburned area. Thus, the sunburned skin heals completely and, except in unusual cases, smooth tan emerges.

This substance is known as *Sperti® Ointment*. Sperti Ointment does not sting or stain. It is now sold at all drugstores for 98¢ a large tube. Buy Sperti Ointment with the amazing guarantee that your sunburn will turn to a handsome tan, or your money is refunded.

Body of Jet Pilot Found After Bailout

DENVER (AP)—The body of one of five Marine Reserve jet fighter pilots whose planes were forced down Saturday by severe weather was located yesterday near Leoti, Kan.

A spokesman for the 44th Air Rescue Squadron at Lowry Air Force Base here said the victim, Maj. Patrick Duggan, Lone Wolf, Okla., probably was dead when he reached the ground.

Duggan bailed out during a thunderstorm. His plane crashed 12 miles northeast of Selkirk, Kan.

The other reservists all brought their planes down safely.

House Passage Seen on 7½ Per Cent Hike for U.S. Employes

WASHINGTON (AP)—House leaders called up for expected quick passage today a bill to give more than a million rank-and-file government workers a 7½ per cent pay raise. That would add 325 million to the federal payroll.

There was no sign of organized opposition.

The Senate has voted a 10 per cent raise, and House advocates of higher pay were aiming to win their 8 per cent goal in the compromise which must be worked out later by Senate and House conferees.

* * *

House leaders were clearly in no mood for a repeat of the long battle over increases for the 500,000 postal workers. This fight ran into a veto by President Eisenhower before Congress gave ground and settled on an average 8 per cent raise.

Although the 7½ per cent hike for classified government workers was more than Eisenhower asked, leaders did not anticipate a veto even if the final compromise goes up to 8 per cent.

* * *

Enactment of the pay bill retroactive to March 1 will complete a round of federal wage increases voted by this Congress totaling nearly 1¼ billion dollars a year, in addition to a 50 per cent increase to $22,500 a year for Congress members and substantial boosts for federal judges.

Career military personnel were voted incentive pay increases ranging from 6 to 25 per cent, and totaling an estimated 734 million dollars a year. Postal workers next won an average 8 per cent increase amounting to 165 million a year.

National Court of Honor Award Given Texas Scout

DALLAS, Tex. (AP)—Robert Webster, 14-year-old Dallas Boy Scout, last night was honored with a heroism award from the National Court of Honor of the scouts.

In a ceremony at the city's West Shore Presbyterian Church, Webster was recognized for saving his 16-year-old sister when she slipped into deep water last summer at Lake Whitney in central Texas.

Just a Simple Error

DETROIT (AP)—Mrs. Maxine Metzen agreed to let her 13-year-old son, Edward Jr., take the wheel of the family car yesterday. He was to drive the car up the driveway into the garage, but he apparently confused the brake and accelerator. The car shot across the law, smashed an 8-foot picture window in the home of a neighbor and came to a halt halfway in the living room. Damage was estimated at $5,000.

Hollywood Headlines

Yule Tree Kept All Year at Home of Howard Duffs

By BOB THOMAS

HOLLYWOOD (AP) — This is the story of Ida Lupino and Howard Duff, a Christmas tree in June and a battling couple of married stars.

No, Ida and Howard are not the pair. Not in real-life, anyway.

"Our own marriage is in fine shape," says Ida, knocking on the nearest wood.

'Twas not always so, as readers of gossip columns can attest and the Duffs readily admit. Now they plan to capitalize on their stormy marriage with a TV series that sounds like a natural.

* * *

Originally it was to be called "Mr. and Mrs.?" Now they're seeking rights to the title "His and Hers." Ida and Howard will portray film stars whose professional and private lives are far from serene.

What about the Duffs themselves? They seem the picture of domestic bliss. That's where the Christmas tree figures.

Visitors to their spacious bungalow near the Riviera Golf Course are startled to find a large white Christmas tree in the front hallway. Decorated and everything.

"It's like this," Ida explained. "Last December was our first real Christmas together—Howard, Bridget, (their three-year-old) and I. We had such a wonderful time that we wished the Ghristmas spirit could extend through the whole year.

* * *

"That gave us the idea of keeping the tree up. It has worked wonders. Everything has been happy ever since."

They also decided to keep their outdoor Yuletide lights up the year around, turning them on for special occasions. But some juvenile delinquents who lacked the Christmas spirit stripped the lights out of the bushes and trees.

The TV show will be made by the highly successful Four Star Productions. In addition, Ida and Howard have joined with her ex-husband, Collier Young, in Arc Productions, which has plans for both TV and theater movies.

How do they work together?

"Fine," they both agreed. They made one film together before they married, two or three since. At present both are in "News is Made at Night," but they have no scenes together.

Delivers Her Own Child

CHARLOTTE, N.C. (AP) — Mrs. Frances Allman, 35, delivered her own baby at her home here last night and then held it in her arms 15 minutes until ambulance attendants arrived, severed the ubilical cord, and took both to a hospital. Later the mother and her 8 pound 1 ounce daughter were reported doing fine.

British Define Ideal Secretary

Expect to Turn Out Perfect Office Help by New Program

LONDON (INS) — The perfect private secretary, dream of every harried business tycoon, may be available soon for every British business office.

After months of painstaking studies the Commercial Educational Committee of the London Chamber of Commerce has defined the qualifications of this paragon. Now the committee hopes to turn perfect secretaries out by the score by early 1956.

The committee has published specimens of the first examination for its "Private Secretary's Diploma" to be held next spring. Candidates must be at least 20 years old and the committee warned that a "high standard of achievement will be expected."

The examination, which takes ten hours, includes the production of a report, a summary or minutes of a 20-minute sound-film of a meeting, debate or lecture.

Requirements also include furnishing the boss with a witty and forceful speech for a staff dinner while discreetly cutting the chairman's 450-word address to 150.

Having hurdled those obstacles the Perfect Private Secretary should then be able to know such things as how to placate an irate correspondent who complains that a check has not reached him, and where to find yesterday's stock quotations.

Horoscope Backfires

PHOENIX, Ariz. (AP)—Police arrested a 30-year-old man struggling with a woman in a downtown alley last night and booked him for investigation of attempted rape. In his pocket was a scrap of paper with a prediction apparently copied from a horoscope: "Opposite sex will react warmly to advances."

Fleck 'Longest Shot' Open Champ in 20 Years

SAN FRANCISCO (AP)— Tournament golf has seen the last of Ben Hogan, he says, but it'll see a lot more of a hitherto unknown Iowan who used the old master's mannerisms, style—even his clubs Golf Championship Sunday in a thrill-packed 18-hole playoff.

* * *

Soft-spoken Jack Fleck, operator of two municipal golf courses at Davenport, Iowa, played the four-time links king off his feet in the first overtime session of the Open in five years. He took the lead on the fifth hole and held it grimly to post a one-under-par 69 as Hogan skidded to a 72 over the heavily-roughed and lightning-fast greens of the Olympic Country Club's course.

Fleck's triumph was a dandy—and a heartbreaker. It apparently marked the decline of the Hogan era in golf.

* * *

"I'm through with serious competitive golf," he said in a choked voice to thousands of fans packed on the hillside overlooking the eighth green after it was all over.

"I want to become a weekend golfer. It's too hard to train or a big tournament."

* * *

Just how he meant it defied interpretation. He was a tired man, discouraged at his failure to reach the coveted honor of being the first man in history to win five Open titles. The feeling was that he might—probably would — make another bid for the crown by the time next year rolls around

Hogan's remarks stole some of the thunder from Fleck's victory, but it left the 32-year-old Iowan as top man in the nation's golf picture and netted him $6,000 in cash prize money plus thousands more from other sources. He is the longest shot to win the Open title since Sam Parks pulled the trick 20 years ago. Hogan won $3,600.

The actual triumph was almost too easy, an anti-climax to the sensational surge of birdies he rode into a 287 tie with Hogan late Saturday to force the playoff.

Fleck took command on the fifth hole when Hogan decided to play his second shot safe after slicing his drive into the rough and wound up with a bogey five. The one-stroke lead was all the hungry Hawkeye needed.

* * *

Hogan birdied the short eighth—and Fleck did the same. Two more birdies on successive holes put the new champion three strokes ahead after 10 holes.

He bogeyed the 11th, but Hogan gave the stroke right back by fluffing a 12-inch putt on the 12th.

* * *

The grim-faced Hogan, smoking incessantly, stroked in a 20-foot putt for a birdie on No. 14, and clipped his deficit to a single stroke on the 17th when Fleck's second shot was short, forcing a bogey five.

But Fleck was equal to the pressure on the 18th, with a sudden-death finish facing him if he failed to hold his lead. He was on easily in two and was down in four, but not so with Hogan. The veteran competitor drove into the rough, then moved his ball only four feet with two swings, and finally made the fairway with his fourth. He was on in five and one-putted for a double bogey windup.

LOVE THAT LOVIN' CUP—Jack Fleck, unknown young pro from Davenport, Ia., cuddles the trophy emblematic of the U. S. Open golf championship after beating Ben Hogan (right) in Sunday's 18-hole playoff at San Francisco. Fleck carved a 1-under-par 69 to Hogan's 72 to become the darkest "dark horse" to win the Open in 20 years. AP Wirephoto

Moore Favored in Million Dollar Gamble With Bobo

NEW YORK (AP)—Archie Moore is gambling a $1,000,000 future for about $90,000 Wednesday night when he risks a September heavyweight title shot by defending his lightheavyweight crown against middleweight champion Bobo Olson at New York's Polo Grounds.

* * *

Although Moore is a 9-5 favorite in the 15-round match, he has everything to lose and little to gain. If he should lose to a middleweight, nobody could take seriously his challenge to Rocky Marciano. He needs an impressive victory, probably by a knockout, to clinch the big one.

* * *

"Sure, I'm gambling," Moore said Sunday at his Summit, N.J. camp. "I'm always gambling. When you walks across the street, you're gambling. I need money to keep my campaign going."

Asked if it wouldn't have been smart to "sit it out" while waiting for his campaign for a Marciano bout to pay off, Archie said, "That's one trouble with the boxing game. Too many people are sitting it out.

"You have to keep busy or you get rusty. I was out for nine months before I fought Nino Valdes (May 2 at Las Vegas) and I got way out of shape, over 200 pounds. If I could fight once a month, I'd be better off."

* * *

Moore reportedly is down to the 175-pound class limit, maybe a little below it, although he is keeping it a secret. Officially Archie weighed 196½ for Valdes but persistent rumors insist he actually was 10 pounds lighter.

Although Moore is gambling on the big prize, he hardly can afford to pass up an estimated $90,000 purse, the biggest payday of his long career. If the fight grosses $250,000 and draws 25,000 people as the International Boxing Club predicts, his share of the house plus his share of the $100,000 television-radio money will be about $90,000. Archie gets 30 per cent and Olson 27½ per cent.

Ham Richardson in 1st Feature at Wimbledon

American Meets Top European Player, Sven Davidson Today

WIMBLEDON, England (AP) — Hamilton Richardson, young American Davis Cup player, figures in the topflight match of the first round at the opening of the 69th Wimbledon Lawn Tennis Tourament today.

The 22-year-old Rhodes scholar from Baton Rouge, La., was ignored by Wimbledon's seeing committee. But he gets his chance to prove them wrong straight from the word "go." The center court crowd will see the third-ranked American tackle Sweden's Sven Davidson, eighth seeded and regarded as one of Europe's best U.S. indoor champion.

* * *

Davis Cup stars Tony Trabert of Cincinnati and Vic Seixas of Philadelphia lead a strong American challenge for the men's title.

Trabert, top seed and favorite to win the crown, tackles Malcolm Anderson, a promising 20-year-old Australian, in the first round. Seixas, third seeded, meets English club player A. J. Clayton on one of the other side courts.

Trabert is the 7-4 betting favorite for the men's title, with Ken Rosewall of Australia a 3-1 shot.

Men's singles occupies today's play almost entirely. Ninety-six women open their bid tomorrow for the women's singles title left vacant by the retirement of Maureen Connolly.

Helioscope Entered

DETROIT (AP)—Helioscope, a record-breaking four-year-old thoroughbred from the East, has been nominated to run in the Michigan Mile at the Detroit Race Course July 9.

Helioscope, son of Heliopolis-War Flower, has won four of five handicap races run on Eastern tracks this year, setting three track records and tying another.

Hogan Through? Mrs. Says No

SAN FRANCISCO (AP)—Did Ben Hogan mean what he said about retiring from competitive golf?

His wife, Valerie, doesn't think so. Neither do a lot of other people.

* * *

"What would the Open be without my husband?" asked Mrs. Hogan.

Hogan, four-time winner of the National Open championship who was beaten by obscure Jack Fleck Sunday in an 18-hole playoff at the Olympic Country Club, told a crowd of thousands after it was over that he'd had it.

"I'm through," the little Texan said, his voice choking. "I'll never play any more serious competitive golf. I want to become a weekend golfer."

Earlier, changing his clothes in the locker room, he had not been as emphatic.

"I don't really know," he told newsmen then. "I know this, though, about retiring. I'll never train as hard again as I did for this one. It's too tough.

Does that mean you won't try again to become the first five-time Open champion?

"Not necessarily," he replied without hesitation, "but I'm not going to work so hard."

* * *

"I don't think Ben ever will retire," Mrs. Hogan commented shortly before that. "I think he'll play golf as long as he's able to pull himself out to a golf course.

Jimmy Jackson Wins Trans-Miss Tourney

DES MOINES (UP)—Walker Cup star Jimmy Jackson tolday held the championship of the 54-year-old Trans-Mississippi golf tournament for the second year in a row.

It was the first time in 22 years that a champion successfully defended his title.

Jackson, a Glendale, Mo., bag salesman, trimmed Rex Baxter, Jr., a former National Junior champion from Amarillo, Tex., 2-and-1 on the rugged Wakonda Club course in a repeat of their 1954 final round match at Denver, Colo.

Dodgers Fatten NL Lead

Yanks See-Saw Back Into 1st on Twin Win Over Hose; Williams Blasts Pair

By THE ASSOCIATED PRESS

The New York Yankees perched atop the American League again today in the see-saw battle for first place—and they were there because they whipped their No. 1 rivals, the Chicago White Sox.

But, shucks, that's never been any big problem for Prof. Casey Stengel and his lads. They could always fight the pretenders to their throne on at least even terms.

When they were dropped by Cleveland last year, Ol' Case bemoaned the fact that the league have nots didn't help. He complained that the Indians fattened themselves on the second division.

All of which was true, according to the statistics. It also makes Boston's 11-7 triumph over Cleveland yesterday significant. The Red Sox couldn't lick the Indians in Boston at all in 1954 and, in fact, won only two of 22 decisions with them all year.

Of course Ted Williams wasn't around all season either. Still, the Red Sox are stumbling along in fifth place, 10 games off the Yanks' pace, very definitely places them in the second division.

Their victory over the Tribe was their seventh in 12 games this year and third in the four-game set. It also was the Sox' 11th triumph in their last 13 games.

* * *

That's where the help must come from if the Yanks are to win back the American League crown. Williams blasted a pair of home runs in the slugfest, and to add insult to injury, the Sox teed off on Indian rookie ace Herb Score for eight hits in the four-plus innings he lasted. Mel Parnell and Tom Hurd handled the Sox pitching.

The Yanks' triumphs over the White Sox were by 7-1 and 5-2 and they used their favorite weapon, the home run, to good advantage. Elston Howard and Bill Skowron hit for the circuit in the opener and Gil McDougald and Mickey Mantle connected in the afterpiece.

* * *

There was no other action in the American League. The Detroit at Baltimore doubleheader was called off because of rain as was the Kansas City at Washington twin bill.

In the National League, the Brooklyn Dodgers fattened their lead to 11 games by beating the St. Louis Cardinals, 7-4, while the second-place Chicago Cubs were splitting a doubleheader with the Philadelphia Phillies. The Quaker City outfit won the first, 1-0, behind Ron Negray and Jack Meyer, and the Cubs took the nightcap, 8-7, a curtailed 6½-inning affair because of darkness.

Milwaukee whipped New York, 8-7, and Pittsburgh and Cincinnati split a pair, the Pirates taking the first, 5-2, and the Redlegs the second, 4-0, with Joe Nuxhall wielding the whitewash brush.

GMC Snaps Loss Streak, Splits Pair With Kazoo

General Motors broke loose with six runs in the 4th inning Sunday afternoon at Wisner Field to defeat Sutherland Paper of Kalamazoo, 6-5, in the 1st game of a Michigan State Baseball League double-header. The victory ended a 7-game losing skein for the Pontiac nine.

Kalamazoo bounced back to rack up an 8-6 win in the nightcap. The defending Class A state champions tallied seven in the 1st two innings, including a 1st - stanza two-run homer by 2nd baseman Sleep.

In the Coachers' big 4th, only one hit was made, but Kazoo hurlers Kruzska and Bob Topp issued six bases on balls and hit two. Twelve men batted in the long inning.

Three GMC relief pitchers strolled to the mound in the 2nd game, but the damage was done. Don Ernst was the starter and loser for the Coach club.

Split of the twin bill leaves GMC with a 2-9 mark in the MSBL standings. Kalamazoo's record is now 7-3.

Saturday, also at Wisner, GMC rolled along in the Class A city league with an 8-1 win over the Elks. Dan Keating went the route for the Coach club and allowed only three hits.

Suggs' Victory in Round Robin Ranks Her 1st

GROSSINGER (UP) — Little Louise Suggs, whose dynamic finish earned her a $1,500 check for first place in the Triangle Round-Robin women's golf tournament, now rates as the hottest player in women's golf.

Miss Suggs of Atlanta, Ga., victor in the Los Angeles, Oklahoma City, and Eastern Opens this season before her triumph here Saturday, took the top prize in the Triangle with a score of plus 44 points under the unique system of scoring.

That gave her one-point triumph over rapidly-improving Marlene Bauer of Sarasota, Fla., who had 43 points, while Beverly Hanson of Indio, Calif., was right behind with 42.

Detroit Tigers' Bonus Baby on Way to Minors

Young Bob Miller Saw Little Action During Current Season

BALTIMORE (AP) — Since the heady days of 1945—the last time they won a pennant—the Detroit Tigers have been hoping (and hoping) for better things.

Better things like Al Kaline who just dropped his bonus player tag two weeks ago. The Tigers paid $35,000 in bonuses and salary for Kaline and never have had reason to feel shortchanged on the deal.

With pitcher Bob Miller it's another story. June 20, 1953, Detroit gave up $60,000 for Miller. Today he's being shipped to the minors.

The announcement was made yesterday after the Tigers' scheduled doubleheader with Baltimore was rained out.

Under the bonus ruling the Tigers had to keep Miller on the roster for two years after picking the 19-year-old left hander out of Berwyn, Ill., high school.

In those two years Miller pitched 111 innings. He won 2 games and lost 3. His earned run average at the end of the 1954 season was 3.64. It was 2.44 for 1954 and that was the lowest for any Tiger pitcher with the team all season.

Miller pitched only five innings this season after a shaky start in spring training. Mickey Mantle of the New York Yankees nicked him for two home runs in those five innings.

* * *

Mostly Miller needs experience, manager Bucky Harris says. A year of two with a farm club will develop his potentialities, according to Harris.

Miller said he had been expecting the move for some time.

"I'm only sorry I wasn't able to contribute more this year," he said. "I wish I could have been used more."

* * *

With Miller leaving, there'll be three bonus players on the Tiger roster. Infielder Reno Bertoia, 20, was signed Aug. 8, 1953. Pitcher Jim Brady, 19, and Jim Small, 18, both signed last week.

The Tigers have an off day today. They play the Boston Red Sox tomorrow night. Ned Garver is scheduled to pitch.

Cornell Crew Good Bet for '56 Olympics

SYRACUSE, N. Y. (UP) — Rowing experts agreed today that Cornell's new intercollegiate champions could rule the roost for the next two years and may even wind up as this nation's representative in the 1956 Olympics in Australia.

There were seven sophomores and only one senior in the Cornell shell that skimmed to an upset, 2½ length victory over previously-unbeaten Pennsylvania Saturday in the 53rd Intercollegiate Rowing Association regatta on Lake Onondaga.

Brockman Wins OCBC Test

By BILL CORNWELL

Doug Brockman, from Cincinnati, Ohio, won the 266-cubic-inch feature race Sunday afternoon in the Oakland County Boat Club's 39th annual Power Boat Regatta at Sylvan Lake.

Brockman, piloting Charles Brockman's "Candy," powered to victory in both gruelling heats. He finished the 5-mile, 3-lap route well in front. His winning time was 3 minutes, 58 seconds.

Bill Linss, of Highland Heights, Kentucky, driving Briar-Hopper, finished 2nd, followed by Sam Guarino, from Detroit, in Water Bug.

Miss Columbus roared to victory in the 225 class with Chuck Hunter at the wheel. Hunter, of Columbus, Ohio, posted the time of 3:49. George Smith, of Mt. Holly, N. J., finished 2nd, and the Kentuckian, Linss, 3rd.

Ron Musson, from Akron, Ohio, skippering Chromium, captured the 135 race in the time of 3:57. The boat is owned by Frank Hearn. Dearborn's Don Wilson came in 2nd, pursued by Doug Goodsell of Columbus.

A pair of Smiths, from Mt. Holly, N.J., driving Jersey Devils', dominated the 136 division. Ronald was the winner with the time of 4:58, while George wound up 2nd. Detroit's Don Provencher was 3rd.

One of the Regatta's most interesting races was provided by the little power boats—the 48's. Roy Taber, from Detroit, rode to a narrow triumph in Sleep-Stealer, recording the time of 4:40. Don Smith, another Cincinnatian, was runnerup in the close race. James Davies, of Dayton, Ohio, finished 3rd.

Championship trophies were awarded to the winners, with smaller trophies being presented to 2nd and 3rd-place finishers.

Gov. G. Mennen Williams arrived at 4:30 p.m. and spoke briefly to the crowd at the conclusion of the races.

Doug Leversha and Kevin Marchant, from Melbourne, Australia, brought the 1955 Regatta to a close with an exhibition of water skiing. Their show went on in the rain and was climaxed by the difficult act of barefoot skiing.

Complete results of Saturday's club races were as follows:

MacDonald Trophy—won by Bill Hickson; Art Hickson 2nd; Ken Smith and Duke Runge 3rd (tie);

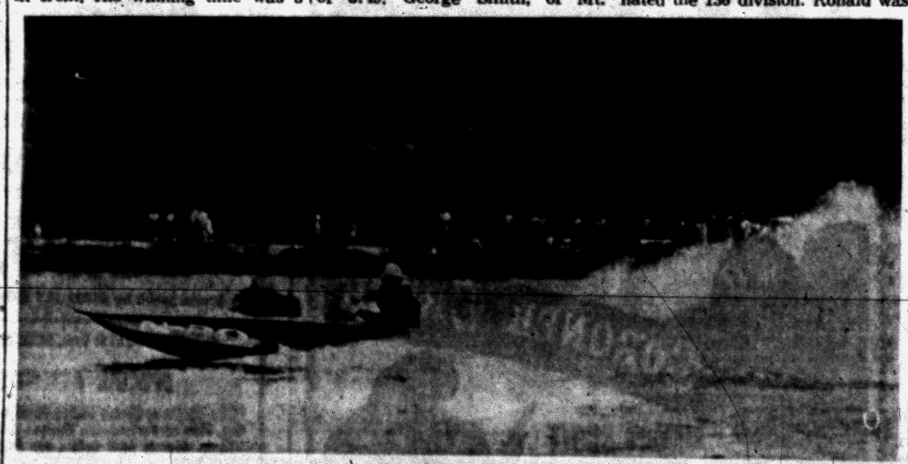
Kalbfleisch Trophy—won by L. B. Fuller; Duke Runge 2nd; Bob Rouse 3rd;

Widrig Trophy—won by Lloyd Maddock; Bill Hickson 2nd; R. White 3rd;

Hickson Trophy—won by L. B. Fuller; Duke Runge 2nd; Bob Rouse 3rd;

Club outboards free-for-all—won by Proffer; Dalgren 2nd; Cartwright 3rd;

Club outboards 25 h.p. and under—won by Grubb; Johnson and Dalgren 2nd (tie).



EN ROUTE TO VICTORY — Chuck Hunter, of Columbus, Ohio, won the 225-cubic-inch hydroplane race Sunday afternoon in the Oakland County Boat Club's 39th annual Power Boat Regatta at Sylvan Lake. Hunter, pictured above during his winning ride in Miss Columbus, recorded the time of 3 minutes, 49 seconds. Pontiac Press Photo

Butler Fires 63!

Cooper, Goram Win City Best Ball Title

Irrepressible Butler Cooper and partner, Emmanuel Goram Jr., walked away with the annual City Best-Ball golf championship Saturday at Pontiac's Municipal golf course with a torrid 7-under par 62.

Cooper reportedly was having trouble with his wood shots and resorted to using a wood only once. But there was absolutely nothing wrong with the veteran's iron play.

He blazed around the city course in an individual 63, unofficially bettering the course record of 64 co-held by Gene Bone, now assistant pro at Tam O'Shanter Country Club, and Paul Bada.

Cooper needed help on only 1 hole, the par 3 212-yard 10th. Although Butler parred the hole, partner Goram came through with a birdie. Their nines were a steady 31-31—62. Cooper had 31-32.

Three teams tied for 2nd place and played off "sudden death". Mike Andonian and Ed Wasik took 2nd place on the 1st extra hole, while Ron Rothbarth and Rube Wideman went 2 more holes before claiming 3rd place over Jim Brafford and Paul Barnum.

Each of these 3 teams had shot 65s over the regular 18-hole route.

A total of 78 teams, one of the finest fields in several years, competed in the event, sponsored by the Pontiac parks and recreation department.

Eighteen of the teams equalled or bettered par of 69 for the Municipal links. Right back of the 65 shooters were Croteau and Janczarek and Allen and Collett at 66, Tom Thumb and Glen Harding, the Max Richardson-Dick Vershure combine and Tex Ellison-Carl Daniels, all at 67.

Four other groups shot 68s and five pairs shot par 69s.

Trojans Take 7th Track Title

Five Records Broken in NCAA Meet Over Weekend

LOS ANGELES (UP)—The University of Southern California today held the NCAA track and field crown for the seventh consecutive year while five collegians, including four from other schools, boasted new records in the 35th annual competition.

SC edged UCLA 42-34 for team scoring honors Saturday. The Trojans won the meet on two first places, two ties for second, a third, fourth and a fifth placing.

Record breakers were Les Bitner, Kansas, who tossed the javelin 246 ft. 1 in., Tom Courtney, Fordham, who ran the half mile in 1:49.5, Ernie Shelton, SC, who jumped 6 ft. 11⅛ in., Don Bragg, Villanova, who pole vaulted 15 ft. 1 in., and Jim Golliday, Northwestern, who ran 220 yards around a turn in 20.9 in Friday's trials.

Milt Campbell, Indiana, tied the 120 high hurdle mark of 13.9.

J. W. Mashburn, Oklahoma A&M ran the quarter mile in 46.6 to clip two-tenths off his own Los Angeles Coliseum mark.

Other team standings included Kansas 30, and Oregon 29, Northwestern 20, Manhattan and Villanova 18, Duke 16 and Occidental 14.

Golliday was the only double winner of the meet. He won the 100 yard dash in 9.6 and the 220 in 21.1.

Chisox Sign Spartan

CHICAGO (AP)—The Chicago White Sox have signed a Michigan State College pitcher to a minor league contract.

The White Sox front office announced over the weekend that Spartan hurler Dick Idzkowski had been assigned to Colorado Springs of the Class A, Western League. He posted a 9-1 over-all record this season and had a 4-0 Big Ten mark.

Durocher Puts Willie Mays on Giants' Bench

New York Manager Says Outfield Ace Not Playing Up to Standard

MILWAUKEE (AP)—Willie Mays, the kid who had a lot to say in making the New York Giants the 1954 world champions, was bench material, as the feebler 1955 version of the Giants left town Sunday night, stinging from a three-game beating by the Milwaukee Braves.

New York Manager Leo Durocher, who spoke out a few days ago against his club's championship attitude, benched Mays Sunday for the first time in Mays' baseball career. With Whitey Lockman patroling center field for Mays, the Giants took an 8-7 defeat on Al Dark's eighth inning error.

Durocher didn't let Mays take part in pre-game batting practice. He was about to take some swings when Durocher called him back to the bench and said, "sit down right here."

Willie sat down without a word. Later he said, "I don't feel tired but Leo knows more about me than I know about myself. Maybe it'll help. I've never been benched anywhere I've played before."

He admitted he wasn't playing up to standard.

"He isn't helping the club," Durocher said of his centerfielder. "He isn't hitting and he's making wrong throws and running bases badly. Maybe he needs a rest and it certainly won't hurt him."

Rochester Entry, Waterford Nine Win

Birmingham suffered its first defeat of the 18th District American Legion Junior Baseball League season, while Rochester and Waterford were marking up victories.

Berkley dumped Birmingham for the first time this season, 10-4, behind the 4-hit twirling of Herb Duncan. Berkley High School ace moundsman. He fanned 13 and got batting support from battery mate Gird, who homered and doubled.

Waterford routed Clawson, 17-0, with Chuck Gillis and Jerry Kruskie limiting the losers to a lone hit. Gillis worked the first five innings in no-hit fashion. Kruskie was the big man in Waterford's 14-hit attack with a double and three singles.

Rochester tripped Huron Valley Boys Club, 7-6, with Bill Henderson picking up the victory in relief. Dan Lancaster homered in the 9th in the Boys Clubbers losing cause.

Draper-Byard Win Pine Lake Tourney

By JACK SAYLOR

A steady barrage of par and sub-par firing brought Tom Draper and Perry Byard of Red Run Country Club the championship of the 6th annual Pine Lake Invitational tournament Sunday.

The veteran Red Runners downed Dick Wibel of Bloomfield Hills and Art Olfs of Lansing, 4 and 2, in Sunday afternoon's finale to climax 4 days of excellent golf.

Since qualifying with a 4-under-par 68 last Thursday, Draper and Byard never were over par in the selective drive, alternate shot event. Bob Fife and Bob Muzzy were their 1st round victims, 4 and 3, and defending champ Tony Skover and Bob Whiting bowed on Saturday, 1-up.

Sunday morning, the Red Run pair odsted Wally Ivers and Clem Jensen, 2 and 1, to gain Sunday afternoon's title round.

The pattern for the windup was set early in the match as Draper and Byard jumped off to a 4-up lead in the 1st 6 holes.

Great 2nd shots by Draper led to birdies on the 1st and 3rd holes, and the winners picked up another hole when Wibel and Olfs bogied the 5th. Wibel missed a 2½-foot put on the 6th and Draper-Byard were 4-up.

The Wibel-Olfs team cut one hole from the deficit on the 7th with a birdie and threatened to come back strong by winning the 10th with another "bird," while both Byard and Draper hit poor trap shots.

Wibel caught a trap on the 11th and the Red Run tandem again moved to 3-up. The rains came on the 12th hole, where Draper and Byard slipped over par for the only time on the round by 3-putting.

The winners closed out the match on the 16th with another birdie to finish the match 2-under par. Wibel had considerable trouble controlling his long tee shots and in addition missed 3 putts of 4 feet or less.

Matches in other flights were very close as 5 of the 6 title settos were decided by 1-up margins, 2 in "sudden death" extra holes.

The most decisive match was in the 2nd flight as Joe Grace and Tom Chisholm, a pair of youngsters from Detroit Golf Club, laced Pine Lake's Kraus twins, Jerry and Jim, 6 and 5.

Pontiac's Tom Cross and Ed Novak gained the 3rd flight finals, but bowed, 1-up, to Herman Brunn of Pine Lake and Harry Olson of Lochmoor.

The results:

Semi-finals: Draper-Byard def. Ivers-Jensen, 2 and 1; Wibel-Olfs def. Sheehan-Gould, 3 and 2.

Quarter-finals (Saturday): Draper-Byard def. Skover-Whiting, 1 up; Ivers-Jensen def. Nederlander-Thorner, 5 and 4; Wibel-Olfs def. Watson-Griffin, 3 and 2; Sheehan-Gould def. Brown-Sielaff, 2 and 1.

Results of championship matches in other flights:

1st flight—Randall Ahearn-John Driver def. Jim Funston-Bill Krall, 1-up, 19 holes.

2nd flight—Joe Grace-Tom Chisholm def. Jerry Kraus-Jim Kraus, 6 and 5.

3rd flight—Herman Brunn-Harvey Olson def. Tom Cross—Ed Novak, 1 up.

4th flight—Pete Whitelaw-Bill Osgood def. Ed Bouchard-Dr. Sigler, 1-up, 19 holes.

5th flight—Babe Crawford-Bob McCabe def. Ed Clark-Bob Teetzel, 1-up.

6th flight—Joe Rackey-Larry Gregory def. Don Moses-Bob Leland, 1-up, 19 holes.

'SCOTCH' CHAMPS — Winners of Pine Lake Country Club's 6th annual scotch alternate shot tournament are Perry Byard (left) and Tom Draper, both of Red Run Country Club. They set a new qualifying record of 68, then maintained the sub-par shooting through the finals Sunday, when they defeated Dick Wibel and Art Olfs, 4 and 2, for the title.

Area Golfers Among Those Bidding for State Open, Publinx Berths

Many Pontiac-area players are among the 300 golfers attempting today to qualify for 2 different tournaments.

Ninety-seven public links players who got by the first round of qualifying last week, return to Franklin Hills Country Club for a 36-hole grind, bidding for 14 spots in the National Publinx July 9-16 at Indianapolis.

Among the local players in the field are Joe Burgdorf, Mike Andonian, Sam Kocsis, Jay Law, Roy Iceberg, Joe Kocsis, Tex Ellison, Butler Cooper, Charlie Barker, Stan Savage and Dick Dewling.

Menawhile, at Washtenaw Country Club, some 200 golfers will vie for 70 berths in the Michigan Open, which starts Friday over the Ypsilanti course.

* * *

About 100 players are exempt from qualifying and will join today's qualifiers in the 72-hole medal play event this weekend.

Among the advance entries for today's qualifying at Washtenaw are Gene Bone, assistant pro at Tam O'Shanter; Craig Dollohan of Berkley, and Tommy Shannon, Jr.

Tennis Clinic Starts Tuesday at Oakland Park

A tennis clinic for boys and girls ages 8 through 14 starts Tuesday at the Oakland Park courts. The clinic, sponsored by the Pontiac Parks and Recreation Department, will continue for eight weeks.

Classes will be held in the morning, with beginners meeting from 9 to 10:15, while advanced classes hold forth from 10:15 to 11:30. Monday and Wednesday sessions are scheduled at Murphy Park, Tuesday and Thursday at Oakland, and Friday at Beaudette.

* * *

Classes will be conducted by Don Grothe, tennis instructor in Birmingham, covering all phases of the game. Clinic winds up with a tournament. A minimum of four weeks attendance is required for eligibility in the tourney.

There is no charge for this program. All students should bring tennis shoes and racquets.

Letters Awarded Area Athletes at MSC

Three Michigan State College athletes from the Oakland County area are among 24 recipients of varsity and freshman letters in golf and tennis. Announcement of winners was made by MSC athletic director Clarence L. (Biggie) Munn.

Varsity letters in golf were awarded to Lanny Johnson of Royal Oak and Gerald Prieskorn of Brighton. Luis Vela of Birmingham won a freshman letter in tennis.

Press' Contest Under Way With Husky Bass Entered

Bass fishing season started Saturday and so did the 1955 Pontiac Press "Big Fish Derby."

This 3-division annual contest awards $50 U.S. Savings Bonds to Oakland County anglers who catch the largest northern pike, bluegill and black bass. Fish are judged by weight only.

The rules, no different from the past, are as follows:

1—Entries must be FULL-TIME residents of Oakland County. Summer residents are ineligible. Employes of the Pontiac Press and their families also are not eligible.

2—Catches must be made in Oakland County waters by hook and line.

3—Fish must be brought to the Press' sports department for weighing, measuring and photographing. If it is impossible to do this, weight slips, signed by the person weighing the fish, in addition to the signature of at least one disinterested spectator, and the angler himself, must be procured.

4—If a weight slip is employed, the catch must be weighed on approved and inspected scales.

5—Any fish cleaned before entry is excluded.

Contest entries will be accepted between the hours of 8 a.m. and 3 p.m., Monday and Friday, and until 12 noon on Saturday. Sunday entries are not accepted.

* * *

One Oakland County angler wasted little time. Keith Parker, 137 Girard, Royal Oak, reported Saturday with the derby's 1st entry—a 5-pound 4-ounce bass. Parker landed the fish in Watkins Lake.

Watkins Lake also yielded bass to a Pontiac fisherman. Almon Austin, 641 W. Huron, caught three weighing 3½, 3 and 2½ pounds. He made the catch Saturday at daybreak.

Biallas Boys Win Jaycee's Tennis Titles

Leonard Biallas, in the Junior division, and brother Mike, in the Boys class, were winners of the Junior Chamber of Commerce tennis tournament Saturday at the Oakland Park courts.

Leonard, a 16-year-old former student at St. Michaels now attending Notre Dame Holy Cross School in South Bend, Ind., defeated Jack O'Dea in the championship final, 6-2, 6-3.

Brother Mike, 15-year-old student at St. Michael, took three sets to down Charles Merithew, 5-7, 6-3, 6-4.

Only the Junior division will represent the Pontiac area at the state tennis tourney in Kalamazoo July 11-13.

The four netters making the trip will be Leonard Biallas and Jack O'Dea, Jr. division finalists, and Bill Bonner and Gary Thomas, semi-finalists.

Welterweights Square Away at St. Nicholas

NEW YORK (UP)—Two young welterweight sluggers will match explosives tonight in the television fight between Gene Poirier of Niagara Falls, N. Y., and unbeaten Oscar Pita of Argentina at St. Nicholas arena.

Poirier, who looks and fights like ex-middleweight champion Tony Zale, is seeking his fourth straight knockout. Pita, 21, will be seeking his 42nd consecutive professional victory in his second U. S. appearance. Their brawl will be televised over a Dumont network at 10 p.m. (EDT).

Kourt Wins 2nd Hardtop Feature

Brighton Driver Heads Pontiac Field; Goldsmith Tops Cyclists

Bill Kourt of Brighton became the 1st driver to win 2 hardtop features this season at Pontiac Speedway Sunday when he sped around the 25 laps in 8 minutes, 11:32 seconds to beat Mickey Katlin and Ron Duman to the wire.

Kourt was a triple winner for the evenings as he added 1st in the pursuit and a heat race. Bill Smith of Ann Arbor won the 15-lap semi-final and also was the heat victor.

Duman took the 4-lap dash and other heat winners were Archie Allen of Lincoln Park, Leon Blachura of Hamtramck and Don Boik of Detroit. Joy Fair of Pontiac was forced out of competition by transmission trouble during qualifying.

The nationally-known Paul Goldsmith of Detroit took top honors in the motorcycle show, sponsored at the Pontiac Speedway Sunday afternoon by the Thunderbird Club.

Goldsmith took the feature, won the 1st semi-final and had the best qualifying time. Al Davis, Julius Walker and Leo Anthony finished in that order behind Goldsmith in the feature and each won an elimination race.

Anthony also won the 2nd semi-windup and other elimination winners were Bruce Howell, Bob Page and Ron Moore.

Gene Mori, Hialeah race track's new president, is also the head of two other major race tracks — Garden State Park in New Jersey and Tanforan in California.

Market Shows Modest Rises

NEW YORK (AP) — The stock market advanced modestly today with all sections participating

Gains were small, it is true, but there were few minus signs in the list. Only a handful of stocks advanced more than a point.

The rise was in line with the steady forward march the market has been making in recent weeks and especially in the last two weeks when it has scored repeated new record high marks.

Last week the market was higher for the fifth straight week. The Associated Press average of 60 stocks was up 60 cents at $171.30, a new high.

Here are a few blocks on the tape early in the session:

Ashland Oil 4,000 up ¼ at 17, LeHigh Portland Cement 1,000 up 2 at 68¾, Gimbel Bros., 7,900 off ½ at 27⅛, American Airlines 1,000 up ⅜ at 28¾, Standard Oil (NJ) 1,000 up ¼ at 120¾, U. S. Steel 2,000 up ¼ at 50¼, Woolsworth 1,100 up ½ at 49, and Western Union 1,500 up ¼ at 26⅝.

The announcement was made by the Michigan State Board of Law Examiners at Lansing.

Grain Market Fairly Steady

CHICAGO (AP) — Wheat and rye were weak on the Board of Trade today, but the rest of the market was fairly steady.

Wheat was burdened by the new crop coming onto the market, much of it in poor storing condition, and the forthcoming farmer referendum on wheat quotas Saturday.

Corn and soybeans received scanty assistance from sales or parcels of both products to Europe over the weekend. Lard was at a standstill.

During the first hour wheat was ⅛ to ⅞ lower, July $1.97⅛; corn was unchanged to ⅜ higher, July $1.43; oats were unchanged to ¼ lower, July 65⅞, and rye was ⅛ to ¾ lower, July $1.03. Soybeans were unchanged to a cent lower, July $2.44, and lard was 5 cents a hundred pounds higher on September at $12.80.

Taft, Truman Picked for Patriotic Awards

CINCINNATI (AP) — Two Americans of opposite political faiths will be honored this week by the Junior Order of United American Mechanics.

This 102-year-old patriotic society, which has no "senior order" and which does not limit its membership of 175,000 to mechanics, will pay tribute to Democrat Harry S. Truman and Republican Robert A. Taft, the late senator from Ohio.

Taft will be honored in ceremonies tomorrow and presented with a $1,000 donation to the American Cancer Society, National Secretary Clyde F. Wilmeth said today.

The American Citizen Award to be presented former President Truman is given to a living American of humble beginning who has risen to a high position of responsibility.

Dr. Albertus Darnell, Wayne Professor, Dies

DETROIT (AP) — Dr. Albertus Darnell, 86, dean emeritus of Wayne University's College of Liberal Arts, died yesterday.

He was a native of Sandwich, Ill.

A graduate of the University of Michigan, Dr. Darnell taught high school at Bay City and Detroit.

He was appointed head of the Mathematics Department when Detroit Junior College was organized in 1917. He was acting dean of the College of the City of Detroit, Wayne's forerunner, from 1926 to 1927 and assistant dean from 1927 to 1933. He retired in 1939.

Court Orders Blood for Baby

Parents' Faith Blocked Transfusion to Save Child's Life

ENGLEWOOD, N. J. (AP)—A 10-day-old baby girl was reported slightly improved but still in critical condition today after new blood was pumped into her veins. Her parents had blocked the transfusion on religious grounds until the state stepped in and took custody.

* * *

Several transfusions have been given to Gail Bertimato, of Palisades Park, at Englewood Hospital to correct an rh negative blood factor which slows production of red corpuscles.

* * *

Her parents, Mr. and Mrs. Joseph Bertimato, refused to permit doctors to make the transfusion—something they believe to be in violation of the biblical injunction against use of blood for food (Leviticus). They are members of Jehovah's Witnesses.

Doctors who examined the baby Friday said she had only a 50-50 chance to survive unless she was given a transfusion. When the parents refused permission, Dr. C. T. Markert notified police, who advised Bergen County Prosecutor Guy W. Calissi.

* * *

Calissi and Asst. Prosecutor William J. Arnold found a little-used statute dealing with the protection of children.

They had Probation Officer John Ott file a complaint with Juvenile Court Judge Martin J. Kole.

The judge called an emergency court session in the Palisades Park police headquarters late Saturday night and three physicians testified that only an immediate blood transfusion could give the baby a chance to live.

Kole ordered the baby placed in custody of the County Welfare Department, and the baby was taken to the hospital.

Farmington Boy, Lost 6 Hours, Found in Livonia

FARMINGTON TOWNSHIP — Seven-year-old David Ridling of Farmington township, sought for more than six hours, was found early yesterday, sitting on the front steps of his family's former residence in Livonia.

The boy, one of six children in the family, said he had walked seven miles to visit friends, found they had all gone to bed and then went to the old home.

Car Couldn't Wait

ASHTON, Idaho (AP) — Walter Bergman parked his car with the engine running, got out and walked into the post office. The auto slipped into gear, nosed through the post office window and followed him right into the lobby.

New Enlistees to Be Inducted at 8th Air Show

As a special feature of the 8th International Air Exposition at Detroit's Wayne - Major Airport July 2, 3 and 4 a group of 500 new enlistees will be sworn into the Air Force by a high government official.

The enlistees will be known officialy as the Wolverine Independence group and will be flown directly from the air show to their basic training base at Geneva, N.Y., announced Sgt. Francis H. Casey, Air Force Recruiter.

All those joining the Wolverine Independence group together will have an opportunity to complete their entire basic training as a group.

Sgt. Casey said that young men interested in joining the Wolverine Independence Group should contact him immediately at 53½ W. Huron or call FE 2-9116.

Dem Chief Bids for Texas Vote

Butler Winds Up Tour of Lone Star State With Meetings Today

SEGUIN, Tex. (AP) — Democratic Chieftain Paul Butler seeks to nail down a week's campaigning to get Texas back into the party traces with two more top-flight conferences today.

He confers here with National Comitteewoman Mrs. H. H. Weinert, then flies to Houston for a talk with Jesse Jones, banker and secretary of commerce under President Franklin D. Roosevelt.

He made a personal pilgrimage yesterday to Uvalde, where he spent more than an hour visiting with John Nance Garner, 86, former vice president and now sage of Texas Democrats.

* * *

One of the things that brought Butler to Texas for his border-to-border political tour was the fact that the state went Republican for Dwight D. Eisenhower in 1952 under the leadership of Democratic Gov. Allan Shivers.

Shivers' actions underlined a state party split that Butler was also seeking to heal in advance of the 1956 election. Butler will leave Texas this afternoon, probably without having seen the governor.

He said his tight schedule would prevent him from accepting a luncheon date with Shivers. Neither Shivers nor Mrs. Weinert had appeared at any of the Butler gatherings.

The Shivers faction—after having given some signs of wanting to renew connections with the national organization — became miffed when the Butler tour was arranged by the state's Democratic Advisory Council. The council handles many national committee affairs in Texas.

Newsmen Get Shares in Publishing Firm

WASHINGTON (AP)—Mr. and Mrs. Eugene Meyer have given nearly half a million dollars worth of Washington Post Co. stock to 71 employes with five or more years of service.

* * *

Meyer, chairman of the board, announced the gift yesterday on the anniversary of his purchase of the newspaper company 22 years ago.

* * *

From 4 to 20 shares each will go to employes and circulation contractors of the Washington Post and Times Herald, and employes of the company's radio and television stations here and in Jacksonville, Fla. The stock has a book value of $60 a share.

Lincoln Park Youth Dies in Canada Crash

CHATHAM, Ont. (AP) — Gordon Morrissey, 17, of Lincoln Park, was killed and his three companions injured Saturday in a car-train collision at a crossing three miles west of Chatham.

Injured were David French, Dearborn, and Russ Lowe and Clays Yates, both of Detroit.

Approve New Armory

JACKSON (AP) — Allocation of $200,000 to build a new Army reserve training center in Jackson was announced by Capt. R. W. Chapman, air reserve advisor, Sunday. Construction will begin when strength of the two reserve units has been increased from 107 to 150 men.

Pair Butchers Each Other in Dispute Over Whisky

SPRINGFIELD, Mo. (INS) — A dispute over a bottle of whisky ended with two men slashing each other to death.

Officials identified the men as Arthur Hall, 45, and Eddie Fields, 65, both of Springfield.

They said the pair apparently stood toe-to-toe and systematically cut each other to death with vicious knife slashes. When police arrived after the Saturday night brawl both men were sprawled out dead.

Witnesses said Hall and Fields had been drinking and started the duel over ownership of a fifth of whisky.

Greek Waiters Struggle With Wilson's French

By EARL WILSON

ATHENS—There's one thing that upsets me when I'm trying to show off my French to a Greek or Turk, assisted, let's say, by a waiter interpreting my French for me. That's when my interpreter, trying to explain my French, says, "Sorrreee, I don't understand you."

★ ★ ★ ★

Yet it happens to others besides me, for we Americans get cockier and cockier about our own language.

"Sure, the Swiss are great linquists; they talk German, French and Italian," said my wime. "But so am I."

"You don't talk anything," I snapped.

"America's a big country," she mentioned. "O. K., so I talk Brooklynese, Ohioese, Texasese and Hollywoodese. I'll bet they are as different as the European languages."

I told her I didn't think so. I think also that one of the rules of good behavior is to tell our foreign brethren that their language is the most musical of all.

Another rule of safe travel — especially air — is to remember that the pilots are mostly wolves.

"When you see your captain making a bee-line for you, transfer your wife and your wallet to the other side," has advised some sage employed by Air India.

Another tip:

"Remember, never be superior to the beggar. He makes more money than you do, and if you're nice to him, he may even give you credit."

★ ★ ★ ★

Still another:

"True to traditions of India, our hostesses will embrace thee at thy destination . . . they're recovering our silverware from your pockets."

The airline also advises male passengers how to use electric razors. It seems a few have enjoyed using them all right, but not until after they've lathered their faces.

★ ★ ★ ★

As for getting off the plane to pursue to another city a girl as luscious even as the Greek beauty Betty George, remember there may be two costs involved: the cost of pursuing, and the cost of canceling the plane ticket, which in Europe sometimes runs 20 to 50 per cent.

Plans to Offer Bill Outlawing Pay TV

WASHINGTON (INS) — House Judiciary Committee chairman Emanuel Celler (D-NY) plans to introduce a bill today to prohibit pay television.

He said his measure will provide penalties of up to $10,000 fine and five years imprisonment for violators.

The congressman declared in a statement that "the television spectrum" is in the public domain and the public interest is greater than that of telecasters.

Celler stated that pay TV is objectionable because it would (1) Cost too much (2) Reduce listening by blacking out, for those who do not pay, channels now devoted to free programs (3) Siphon off the best programs which the public is now receiving free and (4) Divide the television audiences along economic lines.

Teen Trio Terrifies Texans by Routing Area Peafowl

DALLAS, Tex. (AP)—A shapely 17-year-old blonde and her two boy friends were arrested last night for causing the noises that filled a suburban Dallas woodland with "the shrieks of lost souls."

Police said the trio honked their horn and yelled — disturbing 65 peafowl on an estate at the city limits. The cries of the frightened birds, unearthly at best, had given rise to a legend that the estate was haunted.

Likable Couple Start 12th Year

Peg Lynch Writes, Acts; Takes Situations From Real Life Happenings

By WAYNE OLIVER

NEW YORK (AP)—One of television's most believable and likeable couples, Ethel and Albert, will be back on the air tonight.

The program, which started on radio 11 years ago and TV five years ago, takes over as summer replacement for December Bride on CBS.

* * *

Peg Lynch as Ethel and Alan Bunce as Albert portray a fairly normal couple who are in love but become involved in humorous arguments and situations that might happen in any household. They are, in fact, taken from real life by Miss Lynch who writes the scripts in collaboration with producer Walter Hart.

"I take practically everything I write from my family, Alan Bunce's or Walter Hart's," declares Miss Lynch who in private life is married to O. K. Banning, consulting engineer, and is the mother of a 4-year-old daughter.

* * *

Miss Lynch originated Ethel and Albert on a local radio station in Minnesota and put it on network radio in 1944. Bunce, a veteran of stage and radio drama, took over the role of Albert six months after it went network.

The series came to TV on Kate Smith's afternoon NBC show and then became full fledged series in its own rights in 1953.

The University of Illinois opened in 1868 with 50 students. In the 1954-55 school year it had 24,375 students.

British Justice Forgives Incest

English Judge Grants Absolute Discharge to Sister-Brother Marriage

HEREFORD, England (AP) — A judge recalled an ancient classic Greek tragedy and gave an absolute discharge to a brother and sister who married and had a child.

Geoffrey Hughes, 29-year - old timber feller, and Marjorie Hughes his pretty 25-year - old sister, pleaded guilty yesterday in court to charges of incest.

"You two young people have got yourselves into a rather natural sort of muddle," said Justice Sir Wintringham Norton Stable.

"One of the greatest pieces of literature is a Greek play (Oedipus Rex) hundreds of years old. It concerns exactly the same trouble with which you find yourself faced.

"The only difference is that it had a most tragic result. So has yours, in a sense, but you have both suffered acutely."

Then, leaning forward across the bench, he added: "Suffer no longer. Remember that you are brother and sister. That is all."

Oedipus Rex is the story of the King of Thebes who unknowingly murdered his father and later, still unknowing, married his mother. In his remorse, he blinded himself.

John Bourke, the prosecutor, said the Hughes mother died in 1935 and the children were put in different institutions. Their father remarried and they did not meet again until 1947 at a dance. The girl then was known as Marjorie Stanham, the name of the family which adopted her.

In 1952, he said, both were aware of their relationship but they went through a form of mariage.

Marjorie now is married to a soldier.

18 Japanese Hurt in Fuji Evacuation

TOKYO (AP)—Eighteen Japanese, 15 of them policemen, were injured in a truck accident today in the forced removal of Japanese demonstrating against U.S. Army artillery firing near Mt. Fuji.

The demonstrators delayed firing practice several hours by squatting in the impact area. They were protesting anew against artillery practice near the sacred mountain.

Three demonstrators and 15 policemen were injured, none seriously, when a U.S. Marine truck carrying them from the impact area slipped its brakes and overturned. Japanese police carried out the evacuation in response to a U.S. Army request.
