Dear Irene,

I hope you're doing well? You already received all required documentation for the 10-year program review of Religious Studies in my email from November 30, 2021.

As a follow-up to that email, I can now let you know the following:

After consulting with all RS faculty by email, Religious Studies prefers not to provide a formal response to the positive report of the external reviewer, Dr. Mohammad Khalil, Director of Religious Studies at MSU.

I have also informed the Dean of the Colleges of Arts and Sciences of this decision. The CAS Dean likewise has all the required program review documentation from us. We expect to receive feedback from the CAS Dean's Office before March 21st prior to a personal meeting in May or June.

Best, take care,
Henri
