Psychology Club helps Pontiac school get more books

The Oakland University chapter of the Psi Chi Psychology Club is asking for monetary and book donations to benefit Whitmer Elementary School in Pontiac.

Psychology Club members have been volunteering as reading tutors for the children at Whitmer for more than a year and now would like to help supply the school's library with more books. The club is asking for donations of new and used books as well as monetary donations to be used to purchase more books for the children.

The incomes of 92 percent of the families of Whitmer students are below poverty level and 100 percent of the children qualify for government subsidized breakfasts and lunches.

All book and cash donations may be mailed or dropped off by January 15 at the Psi Chi office, Oakland University, 111 Pryale Hall, Rochester, MI 48309-4401, Attn: Whitmer Book Drive. Checks should be made payable to Psi Chi Oakland University Chapter with note to Whitmer Book Drive. To schedule an appointment to drop off books at Pryale Hall, please contact Patrick Faircloth at (810) 839-5513.
