OUAA offers Danube River Cruise

The **Oakland University Alumni Association** is offering OU alumni, their families and friends a unique, value-packed cruise along the Danube April 27 - May 6. The trip, sponsored by the OUAA and Global Holidays, explores the sights of three of Europe's most imperial cities: Prague, Vienna and Budapest.

"This trip is a great opportunity for alumni to travel and network with other OUAA members abroad and share a unique experience," said Adrienne Bass, director of Alumni Relations. "We selected this trip because Global Holidays offers a structured yet flexible program. It allows enough free time where you can take your own side trip if you wish. And, Global Holidays has been providing trips of high quality to professional groups and associations for more than 30 years."

Prices for the trip begin at \$2,349 per person, which includes round-trip airfare; first-class hotel accommodations; a daily buffet breakfast; transfers between airports, hotels and the cruise ship; luggage handling; tips and taxes; and a professional guide service.

Space is limited, so early reservations are encouraged.

"It's an absolutely unbelievable deal," Bass said. "If you were to price the trip out and add up the cost of each of those elements separately, the trip would cost considerable more. Plus, you have the connection to Oakland University and will be able to share your experiences with other alumni. We have a wide variety of people going of all ages, including couples, singles and some mothers with their daughters. It's going to be exciting."

The Danube trip is the second in a series of **Alumni Association** travel programs, the first being a trip to Italy, which is Oct. 18-26. Dates for future trips have yet to be determined.

For more information on the travel program to the Danube or to make reservations, contact Sonnie Benson of Global Holidays at (952) 918-8950 or (800) 842-9023.
