John Callaghan to serve as liaison in Macomb County

John Callaghan, a teacher at Dakota High School and Macomb Community College, will serve as our liaison with school districts in Macomb County, the Macomb County Intermediate School District, and Macomb Community College. We are eager to expand our reach to the east with John's help.

John was a member of the former Oakland-Macomb Writing Project twenty years ago, and he played a vital role in creating the Meadow Brook Writing Project.

We are looking for other alumni of the Oakland-Macomb Writing Project in order to incorporate them, along with John, into the fellowship of the Meadow Brook Writing Project. If you know of any, please let us know.
