### Comments:

1. The proposal to establish an undergraduate degree program in Industrial Health and Safety has been under development for several years under the governance of the Center for Health Sciences. Funding for planning which carries with it legislative authorization for the program has already been provided by the state. Further support is expected to be forthcoming through the appropriation process. The proposal has been developed under the authority of the Center for Health Sciences, by Mr. Moon J. Pak, and Mr. Uwe Reischl who has been appointed Associate Professor of Industrial Health and Safety and Director of the program. Mr. Pak will be prepared to answer any questions.
2. This proposal to establish an undergraduate program in Industrial Health and Safety has been reviewed and approved by the Academic Policy and Planning Committee. The full proposal is attached to this Agenda but has been distributed to Senators only.

### C. Good and Welfare: Private Resolutions

### D. Information Items:

1. The final meeting of the Senate this term and session will be held on Thursday, April 19, 1979 at 3:15 p.m., 128-130 Oakland Center. New Business will consist in a procedural motion from the Steering Committee nominating faculty to seats on Senate Standing Committees.

## SENATE AGENDA

April 12, 1979

### CORRECTION

Kindly make the following corrections to New Business, Item 3, Page 3.

1. Successful completion of 136 credits:

a. Major Credits (IHS) CHANGE TO; 48

b. Required Biology, Chemistry, Mathematics and Physics CHANGE TO: 32

The credit requirements and distribution as given in the Proposal for IHS (attached to Agenda), Page 9, is correct, while the statement on the Agenda is wrong.
