RE: Election of 1985-87 Senate

According to the Constitution and past practice established by the Senate Elections Committee, the composition of the 1985-87 Senate will be as follows:

<u>Constituency</u>	<u>Number Elected</u>	<u>Ex Officio &amp; Appointed</u>	<u>Total</u>
Arts and Sciences	25	1	26
Economics and Management	4	1	5
Engineering & Computer Science	3	1	4
Health Sciences and Institute of Biological Sciences	2	1	3
Human and Educational Services	5	1	6
Library	1.5	1	2.5
Nursing	1.5	1	2.5
Students	3	-	3
APs	2	-	2
President's Appointees	-	3	3
Dean of Graduate School	-	1	1
Provost	-	1	1
	<u>47</u>	<u>12</u>	<u>59</u>

Would you please arrange to conduct, according to the procedures of your unit, an election to fill the number of seats shown in the "number-elected" column. Also, the Director of the Health Science and the Director of the Institute of Biological Sciences will need to collaborate on conducting an election for their combined faculty.

Special Note for the School of Nursing and the Library.

The Elections Committee determined to allot these units half seats, thereby adhering more closely to the apportionment formula than rounding to the nearest integer would permit. Accordingly, the School of Nursing should

elect two senators, one of whom should be designated to have a one-year term and serve during 1985-86. The Library should elect two senators, one of whom should be designated to serve a one-year term in 1986-87.

For your convenience I have attached a current list of organized faculty, as shown in the files of the Office of the Provost. It is from this roster that your senators are to be elected. At the conclusion of your election, please advise Ms. Jane Eberwein, Secretary of the Senate, of the names of your new senators. We would like to have the electoral process concluded by April 15.

Thank you for your cooperation.
