Re: Annual Report

This has been a busy but exciting year for SPRC. At the request of Senate Steering, we reviewed the following programs and proposals: General Education Learning Outcomes, proposed degree in Wellness, Health Promotion and Injury Prevention submitted by SHS, proposed Ph.D. in Mechanical Engineering submitted by SECS, bachelor's degree in Financial Information Systems submitted by SBA, and Profile 2010 which was reviewed at the request of President Russi and Provost Moudgil. Reports were written and sent to the Senate secretary for placement on the university website.

The following members were active this year on SPRC: Frances Jackson, Chair (SON), Kieran Mathieson (SBA), David Kidger MTD-CAS), Joel Russell (Chem-CAS), Brian Goslin (SHS), Margo King (AP Assembly) and Laura Schartman, who is a non-voting member. We did not have an active student member participating this year.

The new procedures on program approval were implemented this year, which prohibited the last minute rush for program approval that has been experienced in prior years. This was a tremendous help in accomplishing the workload of this committee. We are also indebted to several non-committee members who graciously consented to attend committee meetings to respond to questions the committee had about various proposals. This cooperative spirit also facilitated the work of the committee.

The Senate constitution requires that SPRC and SBRC meet once a semester. These meetings did not take place this year, although attempts were made to schedule such meetings. It is in fact, rare that these meetings take place and perhaps the Senate might want to revisit this provision. However, minutes of SPRC were shared with SBRC and UCUI and through that vehicle we were kept apprised of the work of both these committees.
