STUDENT SPOTLIGHT

Nicole Clausen, OUTAS Scholar and Sophomore Nursing Major, recently won the prestigious Tekla Strom Ylvisaker Scholarship.

"As a student, this scholarship relieves some of financial burdens of college. More importantly, winning the scholarship validates I'm doing something right," said Clausen.

Nicole wants to go into nursing for the love of helping people and the excitement of something new everyday. For Nicole, helping people and why she chose to go into nursing hits home.

"Cancer is very prominent in my family. My grandpa who passed on my moms side and my grandma who has breast cancer on my dad's side are my two greatest inspirations. Between the two of them I have seen what a difference someone can make and I want to spend my life making other peoples lives better," she said.

Outside of nursing, Nicole has worked hard on campus and has gotten very involved in a number of clubs and organizations. She is a member of Alpha Lambda Delta National Honors Society, the Catholic Student Society, Student Nurses Association of Oakland University, and was on the Deans List last year. Nicole has also recently joined the Stellar Oncology Care and the Future Pediatrics club on campus.

"I love everything about Oakland and could not be happier with my decision to make this my campus," she said.
