The Strategic Plan

Four Questions to Consider

1. Why is this a propitious time for Oakland University?
2. What are the University’s needs and goals?
3. What are the inhibiting factors standing in our way?
4. What are we doing to move forward?
The Strategic Plan

Why is This a Propitious Time?

- Full assessment of the University’s operations, goals and resources
- New Strategic Plan – goal teams and task forces are actively meeting
- Significant, positive public visibility
- Two decades of continuous student enrollment growth
The Strategic Plan

Mission Statement

Oakland University is a preeminent metropolitan university that is recognized as a student-centered, doctoral research institution with a global perspective. We engage students in distinctive educational experiences that connect to the unique and diverse opportunities within our region and beyond.

Through faculty-driven and student-engaged research, scholarship, and creative activity, Oakland University advances knowledge and art in a diverse and inclusive environment.

Oakland University is an active community partner providing thriving civic, cultural, and recreational opportunities and valuable public service.
Defining Our Goals

- **Goal #1**: Foster student success through a robust teaching and learning environment and comprehensive student services.

- **Goal #2**: Be recognized as a strong research and scholarly environment focused on creative endeavors and on the discovery, dissemination and utilization of knowledge.

- **Goal #3**: Become a leader in serving the needs and aspirations of our communities and region through expanded community relationships, institutional reputation and visibility, and engagement.

Action Steps

Develop Preeminence as a Metropolitan University

1. Broaden visibility across metro region
2. Ramp up civic engagement
3. Increase business leader support
4. Prepare groundwork for campaign
OU Pontiac Initiative

1. **Formalize relationship:** Town hall meetings held last drew more than 100 people, and Economic Development, College Readiness, Communications and Service Learning committees were formed. Conversation continues with two more town hall meetings in November and March.

2. **Campus Leader:** Bob Maxfield is coordinating activity with support from Institutional Research to document and evaluate impact. Beginning the process of Carnegie Endorsement as an engaged university, we are identifying systemic changes to build capacity to meet the needs of neighboring communities.

3. **Faculty engagement:** Criminal Justice, Political Science, Public Administration and Social Work faculty are working with Pontiac organizations to create meaningful connections. The Schools of Education & Human Services, Business Administration and Health Sciences are active with more joining.

4. **Student engagement:** Political Science, Public Administration, Journalism OUSC and CSA students are engaging in academic service learning, volunteer opportunities and internships.
Autism Initiatives

1. Autism Council – Campus-wide committee that meets to examine opportunities for collaborative University research projects
2. Research exploring quality of life for individuals and families with ASD
   - Business and employment
   - Sexuality
   - Promoting success in higher education
   - Supporting parents and families
3. Expand community partnerships
4. Coordinate activities and exchange of information
5. Create an autism-friendly campus
6. $380,000 state grant to expand OU’s applied behavior analysis program
Development and Alumni Relations

1. Complete national VP-DA search
2. Ramp up alumni engagement
3. Increase donor support
4. Prepare groundwork for campaign
“Oakland University will be known for providing students with access to an exceptional education, whether undergraduate or graduate, that results in a life-long return on their investment.”
