HILL HOUSE BECOMES LION'S DEN

Detroit Lion Football fans can get a preseason look at their favorite veterans and rookies by visiting Oakland University this summer.

The lions have moved their regular season base from Detroit to the new Pontiac Stadium and their summer training camp site from Cranbrook Institutions to Oakland University.

University and Lion officials reached agreement in April for the team to conduct its July 20 through August 28 summer camp at OU.

The players' residence is Hill House. One floor is available to coaches for offices and meeting rooms. Offices of the football team are being moved to OU for the summer prior to being transferred in the fall to Pontiac Stadium.

Under terms of the agreement, training camp meals are taken in the Oakland Center. Laundry facilities are provided in the Sports and Recreation Building.

Practices are held on the new and old soccer fields and on the IM field. All three facilities are behind the Sports and Recreation Building and east of the tennis courts.

The Lions are paying for the costs of running water lines to the practice fields to help keep up the quality of the practice surfaces.

The agreement is for a one-year period, but officials on both sides said that they are hoping it will be the beginning of a long-term relationship. The university stands to receive approximately \$41,000 for the six-week camp including some payments for capital improvements around the practice fields.

Lion officials said the switch to OU puts them closer to the new stadium, provides a little more office and meeting room space, and that it was made at a cost comparable to that paid at Cranbrook. The team also has a residence hall to itself during the summer camp training period.

ALUMNI THANKED FOR RECORD GIFTS;

Dear Alums:

Your generosity in 1974 was unequalled in the history of the Oakland University Alumni Fund. The following received the support of your contributions:

Kresge Library Book Fund: \$3,500
Alumni Memorial Scholarship

Endowment Fund: \$2,000

This fund has been established to honor O.U. Alumni who have passed away. A plaque will be placed in the Oakland Center bearing the names of those alumni who are memorialized by the fund. In 1972 and 1973, \$1,050 was set aside for an endowment fund by the Alumni Association Board of Directors. Two thousand dollars was allocated from the 1974 fund drive, and the endowment fund was given its name. (An endowment fund is invested and the proceeds from the investment are used to provide the scholarship monies; the principal is never used.) If you have suggestions for the use of the scholarship fund, please call (377-2158), or write to the Alumni Association Board of Directors in care of the Alumni Office.

Alumni Short Term Loan Fund \$1,658

This fund provides small interest-free, short-term loans to students. It is always in need of additional funds, as the student population increases.

Undergraduate Research Grant fund \$1,200

Underwritten solely by alumni contributions, this unique fund supports undergraduate student research projects. Awards are based on written proposals evaluated and ranked by vote of the University Research Committee and two alumni.

The Village Project \$1,200

Students for the Village have raised \$10,000 and accepted a matching grant of \$10,000 from President Donald D. O'Dowd. The purpose of these funds is to develop the area south of Dodge and Hannah Hall into a "village setting" for the pursuit of artistic, academic and social activities serving the entire university.

Engineering Alumni Fund* \$ 760

Alumni Athletic Fund \$ 525

Isaac Jones Memorial Scholarship Fund \$ 200

Upperclassmen Grant Fund \$ 80

Several hundred dollars was designated to a variety of campus departments by individual alums.

*See Engineers and Other Hard-Nosed Chargers . . . page 2.

(Continued on page 2)

ALUMNI COLLEGE

Who: Oakland University Faculty and Staff; Alumni and Guests

What &

When: Friday, August 1, 6:30 p.m., Picnic Supper, followed by the Preservation Hall Jazz Band at Meadow Brook Music Festival
Saturday and Sunday, August 2 and 3, 9 a.m. to 5 p.m. Seminars of various interests scheduled throughout the day *plus* full use of the Sports & Recreation facilities and Kresge Library.

Saturday, August 2, 6:30 p.m., Dinner and Dancing at Meadow Brook Hall

Where: Oakland University's Baldwin Pavillion, Oakland Center, South Foundation Hall, etc.

Why: To provide you with an *unusual* weekend of informal learning, exchange of ideas, reunions with friends and faculty, entertainment, and more!

How

Much: Your \$10 registration fee entitles you to participate in as many seminars as you wish. It also includes the Friday night Picnic Supper and ticket to the music festival. Meadow Brook Hall Dinner/Dance is only \$10.00 (All prices reflect our actual costs, there are *no* "mark-ups")

Engineering and Other Hard-Nosed Chargers

The Engineering Alumni Association is organized and presently 51 charter members strong. The Engineers Council, the governing body of the association, was elected at the first annual membership meeting, November 22. Members are: Bob White '70, chairperson; Warren Turski '68, vice-chairperson; Fred Phillips '69, secretary-treasurer; and Dave Buckingham '70, Chris Hargreaves '69, Camille Turski '71, and Phil Williams '64, members.

Any graduate of the School of Engineering or other technically oriented alum may join the Engineering Alumni Association by earmarking at least \$5 of his/her total fund drive

contribution for the Engineering Alumni Fund. All alumni joining before October 1, 1975, will be considered charter members.

At its March meeting, the OUEAA Engineers Council formulated its recommendation to President O'Dowd for the allocation of the 1974 Engineering Alumni Fund of \$760. The recommendation was approved by Mr. O'Dowd as submitted, and includes the following: \$300 for an upperclassmen tuition grant fund, awards based on scholastic achievement; \$250 for an undergraduate technical paper competition; and \$210 for association projects. The 1975 Engineering Alumni Fund holds \$115 in alumni contribu-

tions.

The OUEAA sponsored a dinner for the Oakland University Engineering Society on March 22. The event was quite a success - over 50 alumni attended in addition to ten (of sixteen) Engineering Society members. All enjoyed a home-cooked meal as well as a relaxing evening at the Meadow Brook Clubhouse. Several events are being planned for the coming year including the student paper competition and a special fund raising activity. Notices of these events as well as the OUES Road Rally will be in the mail thirty days prior to the date of the activity.

EARL S. FREEMAN WHERE ARE YOU?

The story began in late December when an OU student brought an Oakland University class ring to the Office of Alumni Relations. The ring was from the Class of 1971. The owner received a Bachelors of Science degree and his initials were E.S.F. After combing the graduation list for 1971, the name of Earl S. Freeman was found. Freeman fit all the particulars to a "T." But then came the check of the address file - no card. Some more checking revealed that only days before the Office of Alumni Relations had received a piece

of mail addressed to Mr. Freeman marked. "Movea - no forwarding address." Dead end. The university is unable to return Mr. Freeman's ring.

Several days later, a phone call was received from a gentleman trying to locate Dennis Hall, a '64 graduate. The man had a job for Hall, but we couldn't help. Sometime since Hall's graduation, the university received a piece of mail marked, "Addressee Unknown, or Moved, no forwarding address," etc.

Anyone who knows the current addresses of Freeman or Hall is asked

to contact the Office of Alumni Relations, 105 N.F.H., Oakland University, Rochester, MI 48063 Phone 377-2158.

Friends wanting to find friends, employers wanting to find employees, please keep the Office of Alumni Relations informed - for your sake!

RECORD GIFTS (cont.)

Chairperson for the 1975 Alumni Association Annual Fund is Sally Ann Carter, class of 1967. Her committee includes Julie Fredrick '63, Mike Dobosenski '67, Ron McPherson '69, Bill Shea '65, and Joan Stinson '63. The drive will run from June 1 through December 31.

Anyone contributing \$5 or more to the fund receives membership in the Alumni Association. Other memberships available:

Engineering Alumni Association - If you are an engineering graduate or are technically oriented, you may become a member of this group by designating your \$5 or more to the Engineering Alumni Fund.

Alumni Sports Club - If your interest lies in athletics or sports of any kind, a \$5 or more donation to the Sports Club Fund will provide you with membership in this group.

Management Sciences Alumni Association - A minimum contribution of \$10, \$5 of which must be designated to the Management Sciences Fund will

render recipients of O.U. masters in management sciences and other interested alumni members of the Management Sciences Association.

Pioneer Club - This is an honorary club for those alumni who contribute \$50 or more annually to the Alumni Association Fund. This group meets socially once each year.

All contributions to any of the above mentioned funds or to any university approved campus project, are deductible from both your Michigan State and Federal Income taxes.

Especially as times are not the best, your contribution is sorely needed in 1975. The bulk of 1974 contributions were \$5 or \$10. These gifts add up and provide vital assistance to Oakland University and its students.

Please continue your generous support of your university.

Sincerely,

ASSOCIATION MEMBERS RECEIVE PRIVILEGES

Membership in the Alumni Association is extended to all O.U. graduates who demonstrate their support of Oakland by contributing not less than five dollars annually to the Alumni Fund. As a member of the Alumni Association, you enjoy all privileges extended to this group by Oakland University. These privileges are:

Full use of Kresge Library.

Ten percent discount for weekday performances (excluding Friday, Saturday, and Sunday) of Meadow Brook Theatre.

Student rates for lawn tickets (\$1.50) at the Meadow Brook Festival.

Faculty/staff rates for purchase of tickets to ADA performances (\$1.75 as opposed to \$2.50 for general Admission).

Use of sports and recreation facilities. In order to take advantage of this privilege, you must request a card from the Physical Education Department. There is a charge of \$2 per semester or \$6 per year assessed through that department. The "Sports and Recreation Card" is issued only to those alumni who are members of the Alumni Association.

PERSONALS

1964

GARY LAIDLAW has been promoted to manager of Detroit Bank and Trust's Northland Office

1967

JAMES AND SUSAN [ADAMS] WYATT '68 and their four-year old son, Adam, will be moving at the end of August to Newark, Delaware. Jim received a grant from National Cancer Institute to work on his post-doctoral position, awarded at the University of Delaware for 1974-76. Susan received her MEd in Guidance and Counseling from the University of Delaware May, 1974. She will continue in her present position as a guidance counselor at Ogetown Middle School which is part of the Newark School District.

1969

INGO AND DARIA [MANCHUK] DUTZMANN '73 were blessed with a baby boy, Alexander Manchuk (Sasha), March 25, 1974. They are looking forward to the day that Sasha may make a contribution to Oakland University.

SHARON M. STANLEY was promoted to purchasing manager at Ann Arbor Terminals. She has been with Ann Arbor Terminals for three years.

ARTHUR COLTON and his shipmates have received four awards for superior performance in various departments aboard the amphibious cargo ship USS Durham. Art has helped retain a trophy presented annually for personnel excellence since June, 1973. His ship is homeported at San Diego, CA.

1970

CAROL CRISS received a Master of Arts degree in history from U of M in 1972. She is presently employed as a Russian typist for a computer firm located in Fenton, MI holding a con-

tract with the Soviet Union. Occasionally she acts as interpreter for technicians from Russia. She hopes to return to school so that she may become a full-time interpreter.

ROY M. DUDLEY spent four years with Ford Motor Company Research and Development as a product test engineer. Recently he quit engineering entirely and has returned to school to study Architecture and Design.

BRUCE AND PATRICIA TONKIN '67 are living in Illinois where Bruce is employed in the Chicago office of Reserve Insurance Co., as pricing manager. They are proud parents of Kirsten, 3½, and Natalie, 1½.

DIANE C. WATTS sends us an update of the five years since her graduation from Oakland. She spent two years on a Human Relations Teaching Program in Beaufort, S.C. The next two and one-half years she worked at Disney World, Orlando FL in a managerial position. Currently, she is employed by Hilton Head Island National Bank in South Carolina.

FRED AND LOIS [GLAZER] ZEIDMAN are now living in Lynchburg, VA where Fred is the assistant director of the City Planning Department. He received a Masters of Urban Planning from the University of Michigan, and is working on a Masters of Public Administration at Virginia Polytechnic Institute. Lois received a Masters of Social Work at the University of Michigan and is a social work consultant at the Lynchburg Training School and Hospital.

IN MEMORIAM

ANITA COLLINS '69 passed away in Goteborg, Sweden, May 28, 1974. A memorial fund has been established in her name for the purchase of library books. For further information, contact the Alumni Office, 105 N.F.H., Oakland University, Rochester.

1972

CRAIG P. BEYERS married the former Francine Goldman in December, 1974. They share the upbringing of her two children; Mathew, 3½ years, and Leah, 1½ years. Craig was employed by Chrysler until recently. He was involved in the four-month shutdown of Central Engineering as were many other OU grads. He is now employed by Arinc Research Corporation as an associate systems engineer in the Ships and Ordnance Division. His group is interested in determining the best method of extending the duration of the operating cycle of Navy Destroyers.

SARA SIELAND has been employed as an instructor of mentally retarded adults since September in St. Clair Shores, MI.

1973

DENNIS L. ROBINSON has been promoted to claim representative with The Hartford Insurance Groups Detroit regional office. He joined The Hartford as a claim trainee in Troy, MI last year.

CATHERINE M. WILDS graduated from the U.S. Air Force communications electronics course conducted by the Air Training Command at Keesler AFB, MS. She received training in engineering principles, installation, testing, and operation of communications-electronics systems. Catherine holds the rank of second lieutenant and will be assigned to Wilder Radar Bob Site, Idaho.

1974

LAWRENCE R. MORGAN has accepted a field engineering position with General Electric's Installation & Service Engineering (I&SE) Operations. He will receive technical training at I&SE's Field Engineering Development Center in Schenectady, and on-the-job assignments with I&SE and GE product departments as a member of the company's Field Engineering Program.

JENNIFER L. GAINES has accepted the same type of employment with General Electric as has Lawrence R. Morgan. The I&SE offers technical direction, job management and complete project services for installation, maintenance and start-up of GE mechanical, nuclear, electrical, and electronic equipment. The operation has responsibility for more than 3000 employees located in more than 115 cities around the world.

Alumni Form Sports Club

ATTENTION: Sports Lovers - The Alumni Association has a new affiliate; the Alumni Sports Club. Open to all O.U. grads with an interest in sports, the Alumni Sports Club had its first organizational meeting this past May.

The group will sponsor the annual Alumni vs. Varsity Soccer Game September 13. The first practice for the event is scheduled for August 16. Interested alumni soccer players should contact Paul Neeson, 559-5964 (Eve.).

If you are changing residence soon, or if the Oakland University Alumni Quarterly is addressed to your son/daughter, who no longer maintains a permanent address at your home; please fill out this form and mail it to: Office of Alumni Relations
