OAKLAND UNIVERSITY

DR. PAK DIRECTS CENTER FOR HEALTH SCIENCES

Dr. Moon J. Pak has been named director of the new University Center for Health Sciences effective July 1. He will assume his new duties and continue to serve as associate professor of biological sciences and associate provost for health sciences.

The appointment was confirmed by the OU Board of Trustees at the May 26 meeting.

Frederick W. Obear, academic vice president and provost, said, "Dr. Pak's long-standing involvement with the health science programs and his stature in the local medical community support his appointment to this new position. We are fortunate to have a director with Dr. Pak's medical and academic credentials." The center, a new administrative unit, was approved by the board in April.

In another board action, the university received authorization to negotiate and execute a contract with Pontiac General Hospital for the cooperative establishment of a pediatric play program. The School of Education and the hospital have been cooperating in a successful pilot program.

In the pediatric play program, students enrolled in early childhood education would receive clinical and field experience at Pontiac General Hospital.

In another action, the board authorized the president to contract with Giffels-Webster Engineers, Inc. of Pontiac for engineering and design services and to seek a low bid for construction costs on a 150-space parking lot east of Varner Hall to serve both the hall and the Sports and Recreation Building. Funding for the total project will be from 1976-77 transportation use fee revenue.

The board authorized the president to contract with Dougherty Paving Company of Walled Lake for construction of two tennis courts northwest of Meadow Brook Hall. Construction cost is \$20,168 and the total cost is approximately \$24,468. Some \$20,000 has been pledged by two private donors. The remaining funds will come from the Meadow Brook Hall reserve fund. The courts will be near the hall but not visible from it.

EQUIPMENT INVENTORY POLICY CHANGED

The Board of Trustees at their May 26, 1976, meeting changed the university's equipment inventory valuation policy. Hereafter, only equipment valued at \$100 or more will be inventoried--the minimum had been \$25. For budgetary purposes, however, equipment budgets will continue to provide for equipment acquisitions valued at less than \$100.

OU NEWS

ROCHESTER, MICHIGAN

MALSTROM TO SPEAK

"Today's Woman, She Wears Many Faces," will be the talk by Phyllis Malstrom of the Continuum Center to the North Oakland Chapter of the National Secretaries Association at a June 9 dinner meeting in Rochester.

WATERS GIVES WORKSHOP

Elinor Waters, director of the Continuum Center, presented a workshop on "A Model for Adult Peer Counseling" at a May 19 Conference on Adult Development and Adult Counseling at the University of Maryland.

ZEPELIN GETS BSSG FUNDS

Harold Zepelin, psychology, has received a \$1,785 Biomedical Sciences Support Grant (BSSG) for student assistance, equipment and supplies, and services needed for current research. The funds were approved by Frederick W. Obear, vice president for academic affairs and provost, upon recommendation of the BSSG Advisory Committee.

A new object code has been established for accounting purposes to code noninventoried equipment expenditures. The number is S-80 and should be used for all equipment expenditures in the \$25 to \$99.99 range.

GOLF COURSE NAMED FOR KATKE, COUSINS

The new golf course and teaching facility has been named the Oakland University Katke-Cousins Golf Course in honor of the families whose gifts made the facility possible.

A resolution praising the donors and naming the course was passed by the Board of Trustees May 26.

The course is located behind Meadow Brook Hall in the southeast quarter of the campus. Nine holes should be open on or about July 1 with all 18 holes playable by September 1.

The course is designed primarily for OU students, faculty, staff, and alumni, but there will be limited public access. Fee schedules are being determined.

CONTINUING EDUCATION GETS COMMENDATION

Division of Continuing Education administration, faculty, and staff were commended for "a pioneer effort in meeting an important need in the area of management education" by General Motors Truck and Coach at a combination tenth anniversary celebration and 1976 graduation on May 10.

President Donald D. O'Dowd and Harry B. Van Hook, Jr., assistant dean for courses and director of management programs, accepted a framed commendation from Robert W. Truxell, general manager of GMC Truck and Coach Division, at a reception in Meadow Brook Hall.

The commendation noted: "Longevity, and almost 700 graduates are testimony to the success of this venture...All of this has been accomplished in a climate of true team spirit and congeniality which has transformed a huge task into a most friendly relationship."

More than 50 GMC Truck and Coach employees were graduated from the management program.

SILVA, BAGALE ELECTED

Richard V. Silva and Edward J. Bagale, admissions, have been elected to positions in state and national organizations.

RADAR TRACKS SPEEDERS

The Department of Public Safety wishes to remind members of the OU community that the posted campus speed limit is 25 miles per hour. Speeding vehicles have posed a threat to pedestrians and to other vehicles, and the department is now using radar to insure compliance with that speed limit, public safety officials said.

CASHIER'S HOURS NOTED

The Business Office cashier will be on duty June 30 until 4:30 p.m. and from 8 to 9:30 a.m. on July 1 to accept departmental deposits only. All monies on hand June 30 must be deposited with the Business Office cashier no later than 9:30 a.m. on Thursday, July 1.

MURPHY ARTICLES PUBLISHED

Brian Murphy, English, has recently published studies of two quite different cultural legacies. One is "Enchanted Rationalism: The Legacy of C. S. Lewis," in the current issue of Christianity and Literature. The other is "The Nightmare of the Dark: The Gothic Legacy of Count Dracula," in the current issue of Oakland's Odyssey.

Murphy also recently participated in the spring meeting of the Conference on Christianity and Literature at Calvin College in Grand Rapids where he read a paper on Graham Greene's The Heart of the Matter.

Silva was elected president of the Association of Chicanos for College Admissions for 1976-77. The group is comprised of Michigan admissions counselors who work primarily with the Latino communities to promote postsecondary educational achievement.

Bagale has been elected as the college delegate to the National Assembly of the National Association of College Admissions Counselors. He will serve for two years.

SWIM CLUB HOLDS OPEN HOUSE

Oakland University employees and their families are invited to attend an open house at the Meadow Brook Estates swimming pool between the hours of noon and 6 p.m. on June 11.

Drivers must enter through the main Meadow Brook Estates gate on Adams Road. In addition, the walkers' gate on Adams Road will be open. These two gates will be the only ones serving the pool this season.

Applications are now available for sponsored memberships, a type open only to those who are recommended by a current active swim club member. Costs of this type of membership range from \$70 individual to \$150 family for the twelve-week season. The club facilities are also available to individuals on a rental basis during the evening hours for private parties. For information on membership and rental fees call 377-3190.

NEW SEMTA SERVICE

A new bus service providing hourly/weekly service between Pontiac and Oakland University will begin June 10, the Southeastern Michigan Transportation Authority has announced.

The new route provides for eastbound arrivals at OU on the hour between 7 a.m. and 6 p.m. and for westbound departures from the university at 10 minutes past the hour between those same time periods. The hourly service is provided between the university and the intersection of Saginaw and Huron in Pontiac. Less frequent service is available weekdays as far west as the intersection of Huron and Telegraph. The fare is 40 cents from any stop. Information can be obtained by calling 462-5161. The service connects with the Pontiac Arrow and Neotrans routes.

ASSEMBLY VOTE RESULTS

Three APs were elected to two-year terms on the Administrative-Professional Assembly Executive Committee on May 25, Patrick Nicosia, business affairs; Gladys Rapoport, financial aids; and Bernard Toutant, university services. Both Nicosia and Rapoport are incumbents.

Other members of the executive committee are Rosalind Andreas, commuter services, president; Earl Gray, public safety, vice president; Jane Mosher, Meadow Brook Theatre, secretary; Harry Van Hook, continuing education, immediate past president; Billie DeMont, general and career studies and Judith Keegan, student services, senators; and Margaret Chapa, student services, Patricia Houtz, campus and student affairs and Robert McGarry, business affairs, members-at-large.

GREGORY GIVES PAPERS

Karl D. Gregory, economics and management, has recently presented papers on the budget process, alternative fiscal policies, and policy choices to combat unemployment at the Atlanta University Complex, Massachusetts Institute of Technology, at the annual conventions of the Eastern Economic Association, and at the Society of Government Economists. Gregory is also to give a paper at the coming convention of the American Economic Association to be held in Atlantic City.
