Budget, salary disclosure OK

Financial concerns dominated the Nov. 28 meeting of the Oakland University Board of Trustees.

The board approved a \$33,538,000 budget request for 1980-81, adopted a policy on personal salary disclosure for university employees, approved a dental plan for nonrepresented employees, hiked the student activity fee, and authorized the president to seek an energy management grant from the State of Michigan.

The budget request is \$4,567,232 higher than the current levels. Because of economic pressures, the increases are needed to support current programs at existing levels and to fund new programs, university officials said. The current budget is based on 9,100 fiscal year equated students. The 1980-81 request will support an FYES of 9,340. The operating budget request has been submitted to the governor for consideration.

New programs proposed in the budget include an education specialist degree, Master of Science in Nursing, Master of Science in Movement Science, and a Master of Arts in Liberal Studies.

In compliance with the recently amended Freedom of Information Act, the board moved that "The president is authorized and directed to make available to the public upon request such salary records of individual employees of the university as may be subject to disclosure under the Freedom of Information Act."

A dental plan, currently granted to four bargaining units, will be extended to 255 nonrepresented employees effective Jan. 1, 1980.

The university's general service fee for students has been increased \$2.50 for full-time and part-time students. The university charges each student a student services fee, a portion of which is allocated for

student activities. The board increased the student activities allocation from \$5 to \$7.50 a semester for full-time students and from \$3.50 to \$6 a semester for part-time students effective with the spring term.

The energy conservation grant would be awarded by the Energy Administration of the State of Michigan under the National Energy Conservation Policy Act. The matching fund grant of \$34,650 is intended for energy conservation in Varner Hall including modification in the temperature control system, improving damper control, and adding a chilled water control module.

In other actions, the board approved a two-year contract between the university and local 1418 of the American Federation of State, County, and Municipal Employees. A recent bid opening for construction of a married student housing project came in over budget. The university was authorized to work with the architect on modifications in the project to bring it in budget, and it will be rebid.

Grants total \$354,323

The Board of Trustees accepted \$354,323 in gifts and grants at the Nov. 28 meeting on campus.

The grants include a \$130,000 grant from Oakland County to support a university-county student internship program.

Among the other major sources of funding were the State of Michigan and Wayne State University with grants of \$50,000 and \$17,708 respectively to support a leadership skills training program for trade union women/minorities. The grants are under the direction of Don Stevens, OU Division of Continuing Education.

The Department of Health, Education and Welfare was the source of two grants, one

of \$37,319 to Geraldene Felton, School of Nursing, for a nursing capitation grant program, and the other of \$14,200 under the direction of Arun K. Roy, Department of Biology, to support a research fellowship in the department.

A \$37,000 grant from the Michigan State Department of Education was received by Jane Goodman, Continuum Center, for support of a program entitled "Pre-retirement Counseling for Adults in University and Community Settings."

Area individual and firms contributed \$22,715 in support of the Rochester Festival Club, and \$14,338 was received in support of the OU President's Club.

Charley's Aunt opens

CHARLEY'S AUNT opens a four week run at the Meadow Brook Theatre on Dec. 6 at 8:30 p.m.

"Charley's Aunt" was written by Brandon Thomas and was first produced in London in 1892. Probably no other play other than "Hamlet" or "Uncle Tom's Cabin" has been so constantly performed throughout the world. Set at Oxford, the comedy of madcap events begins when a young student is persuaded to impersonate a friend's aunt "from Brazil, you know, where the nuts come from" in order to provide the proper chaperone for two young ladies who are invited to luncheon by two of his friends. The action is dizzying by the time the real aunt unexpectedly arrives and is introduced to "herself."

Robert Moberly, a newcomer to the Meadow Brook stage, will portray an undergraduate student and the bogus

aunt. On Broadway he appeared with Katharine Hepburn in "A MATTER OF GRAVITY." His other mainstream credits include "The Millionaire" and "Shadow of a Gunman." He received a Variety critics' poll nomination for his performance in "A Gun Play."

CHARLEY'S AUNT is directed by John Ulmer with sets by Douglas Wright, costumes by Mary Lynn Bonnell and lights by Benjamin F. Levenberg.

Opening week performances for CHARLEY'S AUNT are scheduled at 8:30 p.m. on Thursday and Friday, 2 p.m. and 8:30 p.m. on Saturday and 6:30 p.m. on Sundays and 2 p.m. on Wednesdays. The theatre is dark on Mondays. For ticket information call 377-3300.

Alumni officers

The Oakland University Alumni Association Board of Directors has elected its officers for the 1979-80 season.

Ann Arner, a senior systems analyst for Michigan Bell Telephone Co., was elected president. Elected vice presidents were Brian Day (Rochester Schools), Susan McKevey (Community National Bank), and Joan Stinson (Fisher Body Division of General Motors). Ann Given (Utica Schools) was elected secretary, and Phil Williams (Pontiac Motor Division of General Motors) was elected treasurer.

New board members elected this year are: Mark Bowers (GM Research Labs), Shelley Carrico (Michigan Bell), Jeannine Daly (Lamphere Schools), Sharon Finley, (OU Student Services) Marie Gormley (Oakland County Extension Services), Barry Klein (Schostak Bros.), John Mills (Giles & Shannon law firm), Helena Ruffin (WWJ-FM).

The alumni association also completed its annual telefund campaign recently and netted \$32,105 in pledges for the 1979-80 alumni fund drive. The telefund results were 33% higher than a year ago.

MB Estate show Dec. 7-9

The Meadow Brook Estate will present its annual family Christmas concert Dec. 7-8-9 in Varner Recital Hall.

The group will sing a special medley of tunes from the Muppet movie, traditional Christmas songs and pop tunes, and the Young Pioneers, a new jazz group at the university, will perform along with a guest artist Jester Hairston, Hollywood actor, musician, and choral director.

Performances will be at 8 p.m. on Dec. 7-8 with a single show at 3 p.m. on Sunday, Dec. 9. For ticket information call 377-2000.

Guest artist Jester Hairston has a long distinguished list of performing credits that date back to a regular spot on the old Amos 'n' Andy show and a role in the "Bold Venture" radio show with Humphrey Bogart and Lauren Bacall. He has written the choral music for the movie "Green Pastures" and "Lost Horizons" and his recent acting credits include roles in "Lady Sings the Blues," "The Last Tycoon," "The Bingo Long Traveling All Stars," and "Motor Kings."
