NOT AN ENDORSER Betty Hansen, acting chairman of the steering committee of the Clerical-Technical Employees Association, has asked the STAFF BULLETIN to print the following disclaimer: "In the latest communique of the Women's Rights Committee I was listed as an endorser of many points of reform desired on campus. I regret I was not present at any of the meetings. If I had been, there were many points to which I would have said, 'hear, hear,' but these would have been strictly on 'equal job opportunity.' I wish them luck on this important issue and will assist all I can, but not on unequal areas as stated in the communique. 'A word to the wise is sufficient.' Gentlemen, are you prepared for the next revolution?"
