## Meadow Brook Road closes for construction

By **Jeff Samoray**, *OU Web Writer*

Traffic on the northeast side of **Oakland University's campus** is being redirected due to repairs to Meadow Brook Road.

The campus' east entrance leading from Adams Road to Sunset Lane and the roadway between East Oakland Drive and Festival Drive will be closed through August 30. The closures are necessary to repair broken pavement and a deteriorated culvert and embankment.

Campus visitors will not be able to enter the campus off Adams Road during the closure. The East Oakland Drive and Festival Drive entrances will remain open during construction. Visitors to the main campus may use the East Oakland Drive entrance; patrons of the Meadow Brook Music Festival, Meadow Brook Hall, Katke-Cousins and R&S Scharf golf courses, the Meadow Brook Health Enhancement Institute and visitors to the John Dodge House must use the campus' entrance at Festival Drive.

### **SUMMARY**

Traffic on the northeast side of Oakland University's campus is being redirected due to repairs to Meadow Brook Road.
