## OU seminar to discuss origin of the universe

Oakland University is hosting Donald McCrimmon, professor and provost of Lake Superior State University, who will present "Intelligent Design: God's Hand or Just Chance," on Tuesday, Oct. 23, from noon - 1 p.m. in the Oakland Room of the **Oakland Center**.

Cosmology will raise questions about the ultimate origins of the universe and the place of mankind within it. The seminar will explore the question of design in the universe and natural world, highlighting places along the front of scholarship and the quest for knowledge where the battle has been particularly heavily joined.

The seminar is the second in the noontime seminar series on "Science and Religion" being hosted by the **College of Arts and Sciences**.
