OU alumni to give career direction to current students

Oakland University will host a Career Panel Discussion featuring OU alumni who are successful in the fields of Engineering, Human Resources, Pharmaceuticals, Banking and Health Insurance Administration to discuss their career paths. The discussion will be held Monday, September 25, from 5-6 p.m. in the Fireside Lounge of the Oakland Center on the university's campus.

"This is a great opportunity for successful alums from Oakland to talk about their careers and the path they took to get to where they are today, including major choices, internships, the 'first job' and subsequent decisions," said Vicki McNiff, assistant director, Placement and Career Services. "This discussion is designed to give OU students practical information about how careers materialize and the wide array of decisions, which will enable graduates to navigate their own career's destiny."

The panel discussion is part of the university's Career Prep Week, which is being held September 25-29.

For more information on the discussion panel or other events being held during Career Prep Week, call (248) 370-3250.

SUMMARY

Oakland University will host a Career Panel Discussion featuring OU alumni who are successful in the fields of Engineering, Human Resources, Pharmaceuticals, Banking and Health Insurance Administration to discuss their career paths.
