## Palace offers discounts to OU employees

Through a special partnership with Palace Sports & Entertainment, OU employees can take advantage of discount – and sometimes free – ticket offers.

By checking a password-protected Web site especially for OU, faculty and staff members can review special, limited discounts for events at DTE Energy Music Theatre, Meadow Brook Music Festival and the Palace of Auburn Hills.

The special offers and discounts are available on select events. Offers can include concerts, Pistons tickets and other events. The offers are not available to OU's casual, temporary or student employees or graduate assistants.

By visiting the Web site – [mycompanyoffer.com](http://mycompanyoffer.com) – OU employees can enter their log-in ID and password to review the special offers. When logging in for the first time, visitors should use their Oakland e-mail address for both areas and should change their password after they are logged in.

If you would like to act on an offer, simply follow the instructions listed on the page for that event. Typically, all events will offer several methods of redemption. A preferred method is listed to increase your chance of reserving a ticket. The Palace recommends redeeming the offer as far in advance as possible. Seating is based on availability and cannot be guaranteed for those who redeem their offer at the box office on the day of the event.

The faculty/staff section of The News @ OU will alert OU employees to upcoming offers through broadcast e-mails and on the Web site. Employees may access the OU section of the Palace Web site by selecting [Palace Offer] from the box on the right-hand side of the faculty/staff section of The News @ OU.

The Palace is responsible for all transactions. To purchase tickets for events not available on special, see [Palacenet.com](http://Palacenet.com) or [Ticketmaster.com](http://Ticketmaster.com).

This article is the eighth and final in a series on OU employee discounts and services. The **first story** covers various discounts. The **second story** features entertainment discounts. The **third story** lists fitness and health services. The **fourth story** describes free and discounted personal counseling. The **fifth story** includes theme park discounts.
