## Designated parking spot to be raffled

Students who park on campus have an opportunity to win their own designated parking spot for a month.

This Founders' Day, which is Wednesday, April 17, the university will break ground on a new parking structure scheduled to open in the fall. In recognition of this historic event, eight students — one for each month of fall and winter semesters beginning in September — will be awarded a designated parking space for a specific month. The special spot will be located in Lot No. 1 in front of North and South Foundation Halls.

To register for a chance to win, students should fill out a raffle ticket at the designated table in the Oakland Center, which will be there on Wednesdays and Thursdays from 11:30 a.m.-1:30 p.m. beginning March 27 through April 11. Only OU students are eligible and each may enter only once.

The names of the eight winners will be drawn at the groundbreaking ceremony April 17. The drawing will be at 3 p.m. in the Recreation Center. Students must be present at the drawing to win and must bring their student ID.

Other events taking place on Founders' Day include the Varner Memorial Garden and Sculpture dedication ceremony at 9 a.m. in the Varner Hall Courtyard, a panel discussion on "Creativity in the Arts" at 10 a.m. in Varner Recital Hall and a 1:30 p.m. open house and tour of the new Graduate Student Services Office in 160 North Foundation Hall.

Founders' Day is an annual event that gives the campus community an opportunity to remember the principles on which the university was founded by Matilda and Alfred Wilson.
