

4-Inch Snow Blankets City

Electors Voting in City Primary Today

March 1 Brings Heaviest Fall of This Winter

Polls Stay Open Until 8 Tonight for Latecomers

Candidates for Judge, Commission Included in Record List

Reports from polling places and the city clerk's office showed light voting this morning at the start of Pontiac's primary election, but with expectation of heavier voting late in the day.

Poor weather conditions were blamed for the late start among the city's 38,101 registered voters.

Balloting was expected to pick-up as snow was cleared from the streets and to hit a peak after late in the day. The polls close at 8 p. m.

Thirty-one candidates, 26 for city commission and five for municipal judge, are seeking nomination to places on the April 5 general election ballot. All run on a non-partisan basis.

For the commission, two men each from Districts 2 through 7 are to be nominated, with electors voting for one man from their district. The seven city districts each have one man on the commission.

Only two commission candidates are entered in District 1 and no commission primary is necessary there. The two are Dr. Roy V. Cooley and Reuben LoPatin, who are already approved for the April election.

All city electors may vote for two men in the judgeship race. One of the five candidates will be eliminated today.

Present commissioners are running for re-election in all districts except 2 and 3. One judge seeks to continue in office.

All Pontiac residents who voted here at least once in the past four years are registered.

Starting tomorrow through March 8, unregistered persons may register to qualify for the general election.

On April 5, two judges will be elected for six years and the seven commissioners for two years.

Two years ago a primary was held only in District 1, with 1,483 persons voting. In March 1950 primaries were necessary in four districts, with votes of 1,604, 576, 454 and 410.

In the list of District 3 commission candidates re-printed Saturday the name of Donald A. Tews was omitted through error.

City commission candidates are: District 2 — Harcourt S. Patterson, Philip E. Rowston and Manley E. Young.

District 3 — William W. Donaldson, Earl J. Smith, Donald A. Tews, Hugh Wellington and Don A. Zaffina.

District 4 — Chauncey L. Costello, Arthur J. Law, Floyd P. (Continued on Page 2, Col. 6)

Where Blast Killed Five

TWO BUILDINGS LEVELED—Five persons, including three children, were killed and at least 20 others, among them four firemen, were injured last night when a blast leveled two buildings in South Philadelphia. Firemen and defense officials are shown searching through rubble for other victims early today.

5 Killed as Blast Rips Buildings in Philadelphia

26 Hurt as Savage Gas Explosion Creates Panic in Residential Zone

PHILADELPHIA (UP)—Five persons were killed and two others miraculously escaped serious injury in a savage gas explosion that rocked a crowded residential neighborhood last night.

The dead, three of them youngsters, were trapped as the blast ripped apart two adjoining three-story buildings and created a panic in the neighborhood. The total injured was 26.

The dead were identified as:

Isadore Pearlman, 43; Mrs. Fannie Rudolph, 54; Marie Marone, 16; Bruce Schwartz, 9, and Salvatore Baldino, 6.

The two persons saved when the falling rubble created a shield for them were Marion Nixon, 42, and 17-year-old Ruby Mosley, who chatted and joked with her rescuers as they fought their way into the smashed telephone booth where she was trapped.

She asked for a cup of tea at one point, and firemen passed her a cup of water. She chided them, and said, "when I ask for a cup of tea, I want a cup of tea."

The violent explosion that "sounded like a bomb" hurled tons of debris across the narrow residential street and stampeded 150 patrons at a nearby theater.

The wrecked buildings contained a ground floor luncheonette and jewelry store, and each had apartments on the second and third floors.

The more than 50 families made homeless by the blast, which was attributed to a leaking gas pipe in the basement of one of the buildings, were removed to nearby schools where the Red Cross set up emergency shelters.

Rescue workers toiled for five hours to remove Nixon, who was trapped under what had been the first floor of one structure. Hydraulic jacks were used to hold the rubble while firemen dug to free him.

Six firemen were injured during rescue operations in the city's worst gas explosion since 1941.

A dense cloud of smoke hung over the neighborhood after the explosion, but there was little fire damage.

Police Seeking Hit-Run Driver

3-Year-Old Girl Struck While Crossing Street With Grandfather

PRESS WIRE SERVICES
Southeastern Michigan police were on the alert today for the driver of a yellow convertible who struck and killed a 3-year-old Hamtramck girl Sunday as she was being led across a street by her grandfather.

The body of the tiny victim, Linda Parker, was torn from the hand of Charles Gaddis, 68, and hurled 160 feet. Gaddis was injured slightly.

A description of the death car was given by a motorist who pursued the convertible unsuccessfully for nearly a mile.

Thirteen other persons, including an Air Force jet pilot and a Lapeer infant, died in mishaps during the weekend which saw Michigan hit by snow, rain and sleet.

Maj. Don B. Patterson, 39, of St. Clair, Selridge Air Force Base, died when his F80 plane crashed and exploded on a routine flight near Sandusky Saturday.

Lawrence Fauries, 34, of Detroit, was fatally injured Sunday when he was bought from another youth.

Winter Wonderland Returns With Snow

LANDSCAPE IN WHITE—Last night's 4-inch snowfall meant trouble for motorists and residents who must clear walks, but there was compensation for those who enjoy winter scenery. The above view, typical of those in many parts of the city, was taken on Franklin boulevard this morning.

McCarthy Opens New Army Quiz

'Restrain' in Tactics at Red Investigations Promised by Mundt

WASHINGTON (UP)—Sen. Joseph R. McCarthy opened new hearings on Army security today with Republican Sen. Karl E. Mundt predicting he will show "greater restraint" in questioning witnesses from now on.

McCarthy summoned his investigating subcommittee into closed session while the repercussions from his feud with Army Secretary Robert T. Stevens were still buffeting the Republican Party and the administration.

The Wisconsin Republican said Pvt. Marvin Belski, of New York; Sid Rubenstein, of Fort Banks, at Winthrop, Mass., and "probably" a Major would be questioned about army loyalty oaths.

Belski was identified as a physician serving as an enlisted man in a Waltham, Mass., Army hospital because he refused to sign a loyalty oath. A Sidney Rubenstein, of New York, was discharged from Fort Banks two weeks ago but said he was not summoned before the subcommittee and that he had signed the oath.

Mundt, second-ranking Republican on the subcommittee, said in an interview that he is confident the kind of "irritations" that develop during McCarthy's recent one-man questioning of Brig. Gen. Ralph W. Zwicker "will not be repeated." It was Stevens' charge that Zwicker was "abused and humiliated" that led to the McCarthy-Stevens blowup.

Chicago Posse Captures Bandit

CHICAGO (UP)—A bandit walked into a West Side tavern Sunday and in Wild West fashion fired a shot into the ceiling, slugged the bartender, wounded one customer and took some \$200 from others then left.

The chase on foot went down one street, up another, with the bandit firing three shots at his pursuers. In an alley, the "posse" cornered Peter Guido, 38, an ex-convict. They didn't "string him up," but manied Guido around until police arrived. He was held without charge for further questioning.

10,000 Still Need Licenses Drivers With Old Plates Face Fines for Violation

With some 10,000 Pontiac area cars still unlicensed for 1954, traffic squads prepared today to crack down on motorists driving with expired license plates.

The deadline for 1954 plates was midnight Sunday. Shortly after the deadline, Oakland County sheriff's deputies issued 10 warnings. Pontiac Police started ticketing violators immediately.

Sheriff Clare L. Hubbell instructed deputies to start issuing tickets this morning.

Boards to Meet for Tax Review

City, Village, Township Groups Set Tuesday to Hear Complaints

Oakland County's city, village and township boards of tax review will meet Tuesday to start checking tax rolls and hearing taxpayers' complaints.

Pontiac City's board of review will meet at 9 a. m. at Pontiac City Hall annex, 35 Hill St., for its first session.

The board will confer this week with people who find themselves unable to pay their taxes.

Next week's hearings will be open to property owners with complaints about real estate or personal property assessments. The city assessor's office, FE 3-7131, has the detailed schedule.

Township boards will meet Tuesday and March 8, with meetings carrying over Wednesday and March 9 if necessary. Tuesday's meetings are set for 9 a. m. in each township supervisor's office. Anyone wanting a hearing with his tax board who doesn't know its schedule may contact his supervisor for information.

Village tax review boards also plan to meet Tuesday.

State's April Draft 2 Less Than March

LANSING (UP)—Michigan was ordered to draft 931 men during April for the armed services, two less than in March.

Col. Arthur A. Holmes, state selective service director, said he believed the April call can be filled with men 20 years of age or older except for volunteers. If current trends are maintained, he said, more than half the April call will be composed of volunteers.

The April call for 931 men compares with 913 in February and 1,128 in January. Oakland County's quota for the April call is 45 men.

Bit Colder Due Tonight, Cleveland Gets 3 Times as Much White Stuff

March trudged into Michigan like a heavy-footed white lion today and buried Pontiac under four inches of snow—the heaviest snowfall this winter.

The late-season storm, blanketing Michigan and Ohio, closed schools in the Cleveland area with a 13-inch snowfall and slowed traffic to a crawl in both states.

Last night's snow beat this winter's previous record—a 3.5-inch snowfall on Dec. 22—by a good half-inch.

But the U. S. Weather Bureau forecasts tonight's snow will be limited to a few flurries. Temperatures will be a bit colder, dropping to a low of 24 to 35 degrees tonight and rising to 30 to 34 degrees Tuesday.

Sunday's temperatures ranged between 31 and 35 degrees. The mercury dipped to 29 before 8

See weather map, page 2.

a. m. today, rose to 30 by 8 a. m. and stood at 31 at 1 p. m. today.

But the heavy snowfall, which splattered windshields and coated roads with slush, apparently caused only a few local traffic accidents.

Oakland County sheriff's department reported two drivers lost control of their cars on ice-glazed U.S. 10 this weekend. One auto overturned, but the driver was unhurt. The other motorist was taken to Hurley hospital in Flint after his car struck a tree. A third accident, a head-on collision on the Gulf drive Sunday night and struck another. No one was reported injured.

Oscar D. Loomis of Oakland County Road Commission said they called "all the men we could find at home" when snow started to pile up Sunday evening.

Some 120 men—almost the full staff—were on the roads with about 70 snowplows and 50 salt trucks throughout the night and on into the day today.

Joseph B. Jewell, superintendent of Pontiac's Department of Public Works, said two salt trucks, manned by the DPW's regular night crew, worked city streets all night. Jewell said five snowplows and three road graders were sent out at 6:30 a. m. today to start the plowing job.

Muddy rain added a bizarre touch to the local weather picture this weekend. Dust from midwestern sand storms mixed with rain clouds, showering the area Saturday with dirty water.

Weather observers said today's heavy snowfall was caused by the backing up of a storm that hopped Michigan originally and then dumped 13 inches of snow on Cleveland, 6 on Toledo, and generally buried other sections of Ohio.

Spain Gets Army Crew

HEIDELBERG, Germany (UP)—The U. S. Army today announced it has sent an eight-man ordnance team to instruct the Spanish army in the operation and maintenance of U. S. military equipment supplied under the mutual defense assistance program.

20 Die as Rival Sudanese Political Factions Clash

KHARTOUM, The Sudan (INS)—Twenty persons were reported killed and 117 wounded today when rival Sudanese political factions rioted in Khartoum shortly after the arrival of Egyptian President Gen. Mohammed Naguib. Martial law was declared.

A crowd estimated at 50,000 persons, both pro-Naguib and anti-Naguib, milled around the gates of the Sudanese capital airport when Naguib arrived for the opening of the first Sudanese Parliament. A majority of Parliament favors union with Egypt.

Another mob quickly gathered outside the palace of British Governor General Sir Robert Howe when Naguib slipped through a back door at the airport building and drove to the palace.

Naguib was accompanied by Egyptian Minister of Guidance, Maj. Salah Salem.

Most of the rioters were believed to be supporters of the minority Umma party, which wants Sudanese independence, not union with Egypt.

Juvenile Crime Spree Plans Nipped by Police in Arrest of 15-Year-Olds

By WILLIAM THOMAS
A detailed written plot to murder at least six persons, including two girls friends "who knew too much," was found in the possession of two 15-year-old boys arrested yesterday.

The youths, carrying a pistol, were seized in a stolen car Sunday by Royal Oak Township police who noticed the license plate matched a stolen car report.

Besides the two girls, the brother-in-law of one of the boys and two male teachers at the Waterford High School were marked for death.

Capt. Frank Van Atta, Waterford Township police chief, said he is withholding the names of the would-be victims for further investigation.

"We think there are five or six more kids involved in the plot," said Van Atta. "We already have some names and plan to track down the leads at once."

The two boys, reported missing

Sunday by their parents told Waterford Township authorities that they stole a car in Maysville, then drove to Royal Oak.

Both are being held in Oakland County Children's home on charges of auto theft and carrying a concealed weapon.

In their written crime-spree plan, the teenagers said they would rob a store, then "bump off" the six persons.

The drug store was named.

When asked by Van Atta whether

the details of his store were accurate, the druggist said the boy's description of the building and storage areas were "quite thorough."

The crime plot involved the theft of several cars and even included plans to "fire upon the cops" if chased during the getaway.

Although the youths admitted plans to kill the girls because they typed out the detailed crime plot, they gave no reason for wanting to kill the brother-in-law and the teachers.

The murder plan as written by the boys, (with blanks designating names or initials omitted), follows:

"—takes holster, bumps—and off. If store man comes,—bumps him off. Go north, bump off man in cabin,—bumps off,—Bump off—and—"

Van Atta said the boys implicated others. He said the pistol was bought from another youth.

Eastern-Colonial Merger Denied

Law Is Not Covered; President Tells Board It Must Be Refused

WASHINGTON (INS)—President Eisenhower reversed the Civil Aeronautics Board today and refused to permit the much-debated merger of Eastern and Colonial Airlines.

The CAB, which announced the decision, said the President directed it to disapprove the merger agreement because the two airlines did not comply fully with the laws governing such transactions.

The board said that it had originally proposed approval of Eastern's acquisition of Colonial, despite a finding that Eastern had acquired unlawful "control" of Colonial through stock transfers before seeking government approval of the deal.

The board had said that "the power to control had not affected the subsequent execution of the acquisition agreement, and important public interest factors present, including a saving in subsidy requirements, warranted approval of the agreement."

"The President, while taking into account the desirability of suitable mergers among air carriers to strengthen the national air transport system and thereby reduce the subsidy burden, nevertheless concluded that such mergers must be accomplished in full compliance with the Civil Aeronautics Act, including the requirement for advance approval of any acquisition of control."

"He therefore directed the board to enter an order disapproving the Eastern-Colonial agreement."

Negligent Homicide Case to Resume

The negligent homicide case involving Leann Harrelson Jr., 18, is scheduled to resume Tuesday before Oakland County Circuit Judge George B. Hartwick.

It was adjourned in January when defense attorney William F. Doherty collapsed in court. Harrelson, of 26 Delaware Dr., is charged with the death of Mrs. Veda H. Coon, 37, of 49 Dwight Ave., who was struck and killed by his car on W. Huron St. at Dwight Ave., Oct. 9.

Police Probe Death of Young Mother

A 19-year-old mother, Mrs. Carol A. Newman of 705 Bigham Ave., died at Pontiac General Hospital Sunday night of a bullet wound in the abdomen after telling her husband she was going to take her own life.

Pontiac Police quoted Arthur Newman, 22, as saying his wife telephoned him at his parents' home, 77½ S. Midland St., saying, "Come home and take the baby. I'm going to shoot myself."

Detective John A. DeFauw said the 19-month-old daughter was found playing with a .22 caliber sawed-off rifle when authorities arrived. Mrs. Newman was found lying in the doorway between the kitchen and living room.

Newman told police he and his wife quarreled shortly before he went to the home of his parents. Capt. Clark M. Wheaton, chief of detectives, said police will investigate the death further.

Nehru Demands Removal of Americans in Kashmir

NEW DELHI, India (UP)—Premier Jawaharlal Nehru flatly rejected President Eisenhower's offer of military aid today and angrily demanded that American observers get out of disputed Kashmir.

Nehru said the Americans were unwelcome in the divided northern province, where a truce is in effect, because Pakistan has accepted military aid from the United States.

The Americans assailed by Nehru are members of a United Nations team which has been observing the cease-fire in Kashmir, just as Nehru's forces had served in Korea after the truce was signed.

Nehru said the entire dispute between India and Pakistan over strategic Kashmir, which both countries claim, had been reopened by Pakistan's acceptance of Mr. Eisenhower's offer of military assistance.

"Now the whole issue has to be considered from an entirely different viewpoint when across the cease-fire line on the other side large additional forces are being thrown in from the outside into Pakistan and put at the disposal of Pakistan," Nehru charged in a speech to India's Parliament.

President Eisenhower had assured Nehru that American aid was aimed solely at thwarting aggression, not encouraging it.

"I have no doubt the President is opposed to aggression," Nehru said. "But we know from past experience that aggression takes place and nothing is done to thwart it."

"Aggression took place in Kashmir six and a half years ago with dire consequences. Nevertheless, the United States has not thus far condemned it and we are asked not to stress this point in the interest of peace."

Sharpshooters to Exhibit Skill for Boy Scouts

BIRMINGHAM—Four rifle champions will give an exhibition of rifle marksmanship at tonight's Boy Scout Troop B-4 meeting at Adams School, with other troops invited as guests.

Birminghamite Roberta Gubbins, last year's runner-up in the National Rifle Championship of the United States, will be featured. Now a University of Michigan student, Miss Gubbins has also been Michigan's outdoor rifle champion, as well as indoor and outdoor women's and junior rifle champion.

National Rifle Champion Frank Trezie will address the group and participate in the shooting exhibition.

Robert Gubbins, Miss Gubbins' father, will talk on marksmanship. He is instructor in the National Rifle Assn. of United States and is selector of the Northern Community marksmanship merit badge council of Boy Scouts.

Allen Moore, 24, of Albion, was killed Saturday when his car skidded off icy U.S. 12 near Albion and struck a tree. Moore's wife and two others in his car were injured.

Soterios (Sam) Stergion, 29, also of Albion, was killed Saturday afternoon in a collision involving his car and a freight train.

At Lapeer Friday night five-month-old Michael William King fell between two posts of his bed and strangled.

Meredith Redding, 17, of Water-viet, was killed early Sunday when a car in which he was riding collided head-on with another auto on U.S. 12, five miles east of Benton Harbor.

Mrs. Marion Wycroft, 62, of Lake George, was killed in a three-car collision Sunday on U.S. 10-23, eight miles south of Saginaw.

Algernon S. Chandler, 37, of Cleveland, was killed Saturday night when a car he was presumed to be driving, skidded off U.S. 16 near Howell. Three passengers were injured.

Frank Martin, 65, of Milford, was killed Sunday and his son, Raymond, 40, was injured when their car collided with a driveway automobile hauled driven by Sharon Hoskins, 25, of Port Huron, on M50 10 miles northeast of Brighton. Hoskins was uninjured.

An autopsy was scheduled today to determine whether Harry S. German, 75, of Carleton, died of a heart attack or injuries suffered in an auto accident on a rural road eight miles north of Monroe Saturday night.

German's car, police said, had stopped on the road and was hit by another from the rear.

Floyd Potts, about 50, of Harrisville, was killed on U.S. 23 in Alcona County Sunday when struck by a car as he was shoveling sand to assist a haulaway truck up a snow-covered hill.

Robert John Rebbeor, 26, of Rogers City, struck Potts.

Senate Expected to OK Warren

Chief Justice Has Been Serving Since His Fall Appointment

WASHINGTON (U)—Earl Warren's nomination to be chief justice of the United States, submitted by President Eisenhower nearly two months ago, comes before the Senate today for virtually certain approval.

Warren, three times elected governor of California and the GOP vice presidential candidate in 1948, has been serving on the Supreme Court since last October under a recess appointment made while Congress was in adjournment.

Republican Leader Knowland of California, first appointed to the Senate by Warren, predicted overwhelming confirmation of the nomination. He said he did not know whether he would ask for a formal roll-call vote.

While confirmation seemed assured, two Southern Democrats on the Senate Judiciary Committee—Eastland of Mississippi and Olin D. Johnston of South Carolina—indicated they intended to vote against the appointment.

Warren's nomination to succeed the late Fred M. Vinson was submitted to the Senate Jan. 11, but it was not until last Wednesday that the Senate Judiciary Committee voted 12-3 to recommend confirmation.

Sen. Langer (R-ND), chairman of the Judiciary Committee and of a subcommittee that first considered the nomination, stirred up a tempest by airing 10 unchecked and unsworn charges against Warren at a public hearing.

Knowland called the hearing "the most shocking event" he had observed in his eight years in the Senate and subsequently suggested the Senate might revise its present seniority system of selecting committee chairmen.

Langer challenged him to try to unseat him as chairman of the Judiciary Committee and defended his handling of Warren's nomination, saying he had acted fairly and without undue delay.

Eastland and Johnston were two of the three Judiciary Committee members who voted against recommending Senate confirmation of the appointment.

The third was Sen. Kilgore (D-WVa.). He said, however, that he would vote in the senate to confirm Warren. His vote in committee, he said, was in protest against the failure "to explore fully" the charges against Warren after they once were publicized.

Eastland said he did not think Warren had "the judicial experience" necessary for a chief justice. Johnston gave the same reason.

But Johnston said his principal objection was to the failure of the Justice Department to submit a full FBI report on Warren.

Titans Register Win; Sparrow Sets Pace

University of Detroit's basketball team ended its home season Saturday night with an 80-76 victory over Marquette. Guy Sparrow of Pontiac set the pace for the Titans with 24 points, although he missed 10 free throws.

Ralph Goldstein added 17 points to the UD cause and four players were in double figures. Six Hill-toppers hit 10 points or more with Terry Rand and Grant Wittberger tops with 16.

Win was the Titans' 10th against 17 losses. UD lost to Marquette earlier in the season, 74-67.

Drive Seen to Elect Woman to Council

HOLLY — A strong movement is under way to elect a woman to the Holly village council. It is proposed to have her run as a sticker candidate in the primary election on March 15, as the time for filing for a place on the ballot has expired.

Several names have been suggested, but it is planned to unite in favor of one candidate, to run for the place which no nominee was named. Three trustees are to be elected, but only two candidates filed for places on the ticket.

Should the plan successfully carry through, it will be the first time in Holly's history that a woman served in this capacity.

Rains Fail to Help Lakes

HILLSDALE — Recent heavy rains have failed to raise the lake levels in Hillsdale County, which have been low for the past two years. However, the rains broke up the ice in the lakes at the earliest date in a number of years.

Dairymen Rush to Beat Deadline

Hurry to Get Products to Government Storage Before Support Cut

WASHINGTON (INS) — Dairymen across America once again are trying to beat a price support deadline by channeling their butter, dried milk and cheese into government ownership under the support program.

On April 1, supports will be decreased by 15 percent on dairy products. Dairymen are rushing their commodities into government storage to get the higher support price now being paid.

The Agriculture Department estimates that butter alone is being purchased by the government at a rate of more than two million pounds per day.

Total government stocks of butter now are at 275 million pounds, and even with an accelerated disposal program within the next month, they are expected to reach 300 million pounds by April 1.

On April 1, 1953, government inventories of butter totaled 122 and one-half million pounds.

President Eisenhower recently pointed out that butter cannot be kept more than 18 months in storage. Agriculture experts say, however, that less than 50 million pounds of the current stocks is more than one year old.

Rochester Airman's Funeral Wednesday

ROCHESTER — Military funeral service for Richard Lee Knickerbocker, 20, who was killed in an air crash Feb. 5 near Anchorage, Alaska, will be held here Wednesday at 2 p.m. from Pkidey Funeral Home by Selfridge Air Force Base assisted by Homer Wing Post of American Legion.

Burial will be in Mt. Avon Cemetery. The body arrived here yesterday morning.

A graduate of Rochester High School, Knickerbocker was married last October to the former Loretta Hecht who survives. He was stationed at Elmendorf Air Force Base in Alaska.

Also surviving are his parents, Mr. and Mrs. Floyd Knickerbocker of 303 Helen St.; two brothers, George of Shoreport, La., and Floyd Jr. at home; and two sisters, Shirley and Jean at home.

Sees Coffee Output Down 9 Per Cent

WASHINGTON (INS) — The Agriculture Department reports that world production of coffee for the 1953-54 season will be more than 66 million pounds below the previous year.

This year's crop will be three per cent below the pre-war average and nine per cent below the post-war average.

The major decline in production is in Brazil, where drought, broca infection and frost caused production to drop more than 145 million pounds below production of the previous year.

Cranbrook Rite Read for Couple

John C. Malstroms
to Reside in Detroit
After Florida Trip

BIRMINGHAM—The Rev. Perry R. Williams read the marriage service Saturday evening at 8 o'clock in Christ Church Cranbrook for Phyllis Jane Bartholomew, daughter of Mr. and Mrs. Earl Bartholomew of Yarmouth road, and John Calvert Malstrom.

The bridegroom is the son of Mr. and Mrs. A. L. Malstrom of Rosemont road, Detroit.

The bride's gown was of imported white silk satin fashioned with a fitted bodice and portrait neckline. Tiny inverted pleats in the back of the skirt formed a court train and her veil was of Pointe de Marguerite lace which she had bought in Rome.

Phyllis' veil was caught under a Mary Queen of Scots cap and fell the length of the train. She carried a lace fan with lilies-of-the-valley and white orchids.

Mrs. Stanley E. Reinhart Jr. was matron of honor and Nancy Trumbull was maid of honor. Bridesmaids were Clara Gordon, Suzanne Anderson, Elizabeth Boyne and Mrs. Leland E. Bartholomew.

They wore daffodil yellow silk organza in floor-length gowns with yellow daisies and ivy in their hair. Their bouquets were daisies and trailing ivy mounted on yellow illusion fans.

Robert Maund was best man and ushers were Leland Bartholomew, Paul Robinson, David Turner, Douglas Knight and Richard McGeorge Jr.

A reception was given at Oakland Hills Country Club following the ceremony.

Mrs. Bartholomew wore a gown of champagne taffeta with a matching hat and the bridegroom's mother wore mauve taffets.

For the wedding trip to Key Biscayne, Fla., the bride wore a light gray suit with navy accessories. The couple will live in Detroit.

Women Conduct Special Service

The Women's Home and Foreign Missionary Society had charge of prayer service recently at First Baptist Church. The Rev. Howard School was in charge of the song service with Bonnie Davis as accompanist.

Special musical selections were given by a trio composed of Mrs. Percy Brien, Mrs. Gordon Shelton, and Phyllis Flemington.

Marion Martin gave a report of visitation work being done for the church and told of plans to leave for India to do missionary work. Prayer was offered by Dr. H. H. Savage.

The Rev. Oscar VanImpe presented accordion numbers and showed slides taken in Belgium and Holland.

Luncheon Is Held by Maple Leaf Club

Hotel Waldron was the setting for the Friday luncheon meeting of the Maple Leaf Club of Pontiac. Birthday cakes and candles were presented to members who had birthdays during the month of February.

Announcements of future programs were made by Mrs. Charles Lloyd, chairman, and the day's activities were under the direction of Mrs. William Bedard.

Hostesses for the day were Mrs. Ralph Babbington and Mrs. Ralph Becker. On the guest list were Mrs. Chris Greve, Mrs. Fred Hamilton and Nellie Copp of New Brunswick.

Walled Lake Home Opened For Meeting

Mrs. Jorma Sarto of Honey-suckle drive, Walled Lake, was hostess at the Thursday evening meeting of the Child Culture Club.

Members answered roll call by naming adolescent problems.

Mrs. Irvin Humbaugh led in the discussion topic, pre-adolescence from 6 to 12, and Mrs. Allen Denham addressed the group on ages 12 to 18.

The next meeting will be held at the home of Mrs. Francis Hoover on Edison street.

Janet Ann DeGraff Wed to Paul A. Beith Saturday

At a 12:30 rite Saturday in St. Vincent de Paul Church, Janet Ann DeGraff, daughter of Mr. and Mrs. Raymond J. DeGraff of Riviera terrace, became the bride of Paul Arthur Beith.

He is the son of Mr. and Mrs. Fritz Beith of Avondale avenue.

The bride wore an ivory suit with a matching hat and navy blue accessories. Her corsage was made of rosebuds arranged on a prayerbook.

The bride's cousin, Carole Ann Malsom, was the maid of honor. She wore a pink suit with a matching hat and black accessories. She carried a shalimar bouquet of pale yellow roses.

Gerald Brown was best man and Richard Wornack and Ronald Weaver acted as guests.

For her daughter's wedding Mrs. DeGraff chose an aqua suit

with bittersweet accessories and a corsage of tulle roses.

Mrs. Beith wore a teal blue suit with navy blue and pink accessories.

After a reception in the Knights of Malta Temple, the bride changed to a brown suit with white accessories for a trip to Chicago where the newly weds will reside.

Sylvan Garden Club Plans Card Party

Sylvan Lake Garden Club has planned a card party for March 19 to raise funds for civic improvement.

Mrs. George Keavey is general chairman of the event, which will be held at Whitfield School at 8 o'clock. Tickets may be obtained from Mrs. Arthur McFayden, ticket chairman.

Utica Motorist Dies After 2-Car Collision

A Utica motorist died Saturday in Pontiac General Hospital of injuries suffered Thursday in a two-car collision on Walton boulevard west of Livernois road in Avon Township.

Harold R. Witsoe, 26, of 47850 Dequindre, the traffic victim died of internal and head injuries.

Driver of the other car, Leslie Peters, 38, of 334 Taylor St., Rochester, said Witsoe's westbound car came toward him in the wrong lane of traffic as the Utica man attempted to pass a line of cars. At the last moment Witsoe swung his car to the left in front of Peters and the two vehicles collided, he told Oakland County Sheriff's deputies.

John E. Dunsmore, 24, of 337 Drace, Rochester, a passenger with Witsoe, is in good condition today at the hospital with a concussion, multiple head cuts and a shoulder injury.

Sees Stabilized Farm Prices

Agriculture Chief Says Production Should Be Closer to Demand

WASHINGTON (INS) — Agriculture Secretary Ezra Taft Benson declared today that farm prices can be stabilized if markets are increased and if agricultural production is put more closely in line with demand.

He said: "Agriculture must strive to expand markets for farm products at home and abroad. Drastic action may be necessary to move the accumulated surpluses of the past several years. Agriculture must also get its production in line with prospective market demands — and cushion the price decline as much as possible through both direct and indirect price supports, wherever practical."

Benson listed as the major achievements of his first year in office moves taken to cut production back to demand, the halt in the decline of farm prices, and development of a new economic program for agriculture.

The secretary pointed out that in 1953 farm production was 44 per cent above pre-World War II levels, while the national population had increased by only 24 per cent. Total foodstuffs produced last year hit an all-time high.
