UTS plans network outage for March 1

On Saturday, March 1, UTS is planning to perform systems and network maintenance from 8 a.m. until 8 p.m. During this time, all network services including OU Web pages, on-campus Web browsing, e-Learning and Moodle, SAIL, Banner, e-mail, DNS and VPN will be unavailable. This maintenance is part of a cyclical replacement cycle and will upgrade network hardware in the UTS data center to current standards. If you have problems or questions, please contact the Helpdesk at (248) 370-4357 or helpdesk@oakland.edu.

To accommodate the network outage, three doctoral programs have extended their application deadlines to Monday, March 3. These include:

- Ph.D. in Education: Educational Leadership
- Ph.D. in Education: Counseling
- Ph.D. in Reading Education

In addition, the Master of Science in Physical Therapy program has extended the international student application deadline to Monday, March 3.

SUMMARY

On Saturday, March 1, UTS is planning to perform systems and network maintenance from 8 a.m. until 8 p.m. During this time, all network services including OU Web pages, on-campus Web browsing, e-Learning and Moodle, SAIL, Banner, e-mail, DNS and VPN will be unavailable. This maintenance is part of a cyclical replacement cycle and will upgrade network hardware in the UTS data center to current standards.
