

School Expansion Up For Vote Today

3 Die in Birmingham Fire; Lakes Claim 4

Mother, 2 Sons Smoke Victims as Home Burns

Mrs. Maureen Couper,
Boys Trapped on 2nd
Floor by Flames

The wife and two sons of a Detroit business executive were killed early today when flames swept their colonial-style home at 1189 Brookwood in the northwest part of Birmingham.

Although Birmingham police placed an immediate shore-to-ship call to the cruise ship on which the executive, Thomas Couper, was sailing, he was not notified of the tragedy until about eight hours later.

Dead of suffocation are: Mrs. Maureen Couper, 40. Larry Couper, 14. Danny Couper, 12.

Mrs. Couper's father, Lawrence Cross, 62, of Phoenix, Ariz., a visitor in the house was rescued by firemen. He is reported in satisfactory condition in St. Joseph Mercy Hospital, after suffering from shock and smoke inhalation.

Fire Chief Vernon W. Griffith said the blaze started in the den, located on the first floor, at the front of the two-story home, which was valued at \$60,000.

An electric clock in the den was stopped at 11:35 p.m. Another clock upstairs was stopped at 12:45 a.m., leading Griffith to believe the fire had smoldered for some time before bursting into flames.

The bodies of Mrs. Couper and her older son were found on the second floor bathroom floor. Authorities said they evidently had tried to go out a window which opened a few feet above the roof of the rear porch.

The body of the youngest son was found on the floor of his bedroom, just above the den.

So intense was the heat that aluminum storm windows and doors in the northeast corner of the house were melted.

A neighbor, Jack Laula of 1220 Brookwood, discovered the fire at 12:50 a.m.

"I was just getting in bed when I heard a noise coming from the window. I got out of bed to see (Continued on Page 2, Col. 6)

Judge Tries to Sell Bootlegger on Cell

NASHVILLE, Tenn. (AP)—Sessions Judge Herbert E. Moses was walking toward the courthouse with a briefcase yesterday when a man approached him to buy whisky.

"I suggested the rest room on the sixth floor of the courthouse as the best place for the transaction and we started there," the judge said.

But his prospective customer fled. Moses added, apparently aware that the sixth floor houses the county jail.

Carr Subs for M'Carthy, Backs 'Blackmail' Charge

WASHINGTON (INS)—Sen. Joseph R. McCarthy's chief investigator, Francis P. Carr, testified today that Army Secretary Robert T. Stevens said he would "take care" of Pvt. G. David Schine by assigning him to hunt subversion in Army Intelligence schools.

Carr took the witness stand as the McCarthy-Army hearings entered their eighth and possibly final week. He was called as a temporary replacement for the Wisconsin senator, who was resting after a strenuous weekend speechmaking tour.

The former FBI agent swore to the truth of charges made by McCarthy and his chief counsel, Roy M. Cohn, that Stevens and Army Counselor John G. Adams used Schine as a "hostage" in a "blackmail" plot aimed at killing off a probe of alleged Communist espionage in the Army radar center.

Before Carr began testifying, Chairman Karl E. Mundt (R-S.D.) made it plain that he is determined to prevent new outbreaks of personal "feuding" such as the hot clash late last Friday be-

Home Where Mother and Two Sons Perished

Accidents Kill 21 Over Weekend

Michigan Deaths Soar
as Heat-Sufferers Seek
Relief

By THE ASSOCIATED PRESS

At least 16 persons drowned over Michigan's hot and humid weekend as thousands of citizens sought relief at lakes and streams.

One man died of heat prostration and four persons were killed in traffic.

James Story, 8, son of Carl Story of St. Joseph, drowned Sunday in Lake Michigan off St. Joseph.

Four-year-old William Koebel of near Berrien Springs, was struck from his bicycle Sunday and fatally injured near his home.

The heat prostration victim was 92-year-old James Wood of Kalamazoo. He died Saturday night.

L. C. Goodwin, 35, of Willow Run, drowned Sunday while (Continued on Page 2, Col. 3)

GUTTED BY FLAMES—This is the house at 1189 Brookwood, Birmingham, in which a mother and two sons died early this morning when they were unable to reach fresh air as heavy smoke from a fire starting on the first floor engulfed them as they slept.

Residents Ignore Storm, Flock to Beaches, Parks

Saturday's severe thunderstorm failed to daunt residents bent on seeking relief after a week of sweltering heat. They hit local beaches and parks in invasion-like waves, rolling up new season attendance records for the year.

An estimated 75,000 were in area state parks yesterday, clogging all highways far into the evening in the home-rush; according to State Police and Oakland County sheriff's deputies.

Park officials said Sunday's figures were tops so far this year.

The storm, which swept in at 4:40 p.m. Saturday with gusts of wind up to 65 miles per hour, brought welcome cooler air. The temperature dropped from 88 degrees to 69 in 10 minutes.

Michigan Bell Telephone and Consumers Power Co. had 300 homes without service as a result (Continued on Page 2, Col. 5)

Arson Suspected in White Lake Fire

Arson is suspected in connection with a house fire at 9720 Elizabeth Lake Rd., White Lake Township, according to Oakland County sheriff's deputies.

Mrs. Vernon Shepard, whose husband owns the home, said she was awakened early today by a car with short pipes making a noise, heard an explosion a short time later, followed by fire, she told Deputies Melvin Glover and Albert DeConinck.

Mark Ilton, Township fire chief, said there was a strong odor of kerosene on the door mat and from a nearby gallon jug. Firemen brought the flames under control after it had caused about \$500 damage, deputies said.

Child Drowns; Boat Accident Kills Detroit

Bodies of Two Others
Still Missing in Stoney
and Cass Waters

Two persons drowned in Oakland County over the weekend, one man was killed in a motorboat mishap, and a fourth person is believed drowned in Stoney Lake, one mile north of Oxford.

The dead are: Herman Baum, 28, of 2960 Lycaste, Detroit. Joseph Woodhall, 8, of 8553 Clarridge, Clarkston. Norman Erb, 23, of 19195 Berwood, Detroit.

Presumed drowned is Ernest Lacasse, 16, of 20666 Hollywood, Harper Hills, missing since 7 p.m. last night at Stoney Lake. Lacasse went to the lake yesterday with his brother, Cyril, of 4422 Wayburn, Detroit, and was last seen by an unidentified witness as he was entering the water in a swim suit.

Oakland County Sheriff's Deputies Bill Hargraves and Homer Kelly today said a search of the lake by air failed to reveal any body. Oxford police, and township firemen as well as deputies, are continuing the search today.

The son of Mr. and Mrs. Benjamin Woodhall was swimming at Square Lake about 4 p.m. yesterday when his parents discovered that he was missing. A search of the water was conducted by those in swimming, and Robert Brown of 188 Harrison Ave. located the body in nine feet of water about 40 feet from shore.

Norman Erb died from injuries suffered when he was run over by a motorboat while he was swimming with a diving mask at Walled Lake.

Albert Schultz, 41, of 1711 E. Lake Dr., Walled Lake, operator of the motor boat, told deputies Jack Fritch and Steve Hawlik that he was heading to shore, towing three water skiers with Fredrick Gordon in the front of the boat as a lookout for swimmers, when he struck Erb.

Gordon told deputies that no one (Continued on Page 2, Col. 3)

Mendes-France Replaces Laniel

Political Figures Doubt
That He Can Achieve
Majority in Assembly

PARIS (AP)—Pierre Mendes-France, who wants to negotiate with Ho Chi Minh to end the war in Indochina, agreed today to try to form France's 20th postwar Cabinet.

Many political figures doubted whether the 47-year-old economic and financial expert could get a majority in the divided National Assembly to go along with his policy, which calls for cutting down expenditures in Indochina and slowing down France's military buildup in Europe.

Mendes-France was nominated last night by President Rene Coty to succeed retiring Premier Joseph Laniel, defeated Saturday in a National Assembly confidence vote. The President also accepted Laniel's resignation.

Mendes-France is a leader of the Assembly's Radical Socialist (moderate) bloc, which was credited with bringing down the Laniel government. Following normal procedure, he was the first person called on to try to form a replacement.

Coty delayed accepting Laniel's resignation for a day. It was believed he did not want France to be without a government over the weekend in case important decisions were needed concerning Indochina.

Mendes-France's acceptance was announced a few minutes after he called on the President today at the Elysee Palace (France's White House). He had conferred with Coty at length last night on the political situation.

The new Premier-designate now must consult various party leaders in an attempt to rally sufficient support to ensure his confirmation by the Assembly. He failed by 13 votes to gain confirmation as premier during last summer's 37-day government crisis. That crisis was finally resolved by the selection of Laniel, who served just two weeks short of a year.

Uman's Town & Country, Tel-Huron
Open every night 'til 9 o'clock

Soo Bush Pilot Adds Pigeons to His Airways

SAULT STE. MARIE (AP)—A Michigan bush pilot has found a way to combat emergencies that arise among the hunters and fishermen he flies to remote spots in the Canadian back country.

Keith Messenger of Sault Ste. Marie is augmenting his Soo Airways with homing pigeons.

When he sets a party down in isolated areas far from normal means of communication, Messenger leaves a cage of three homing pigeons. If an emergency turns up, a note is slipped into the leg band of a bird and it heads for its roost at the airport.

Last week, Messenger saw his communications service put to good use. A party he had flown to Patter Lake, 65 miles north of the Soo, ran low on food. A pigeon carried the message to the airport. And only three hours after it had been released, Messenger landed on the lake with the provisions.

U. N. Offers Plan to Revive Korea

Nearly 2 Billion in Aid
Needed to Help Country
Get Back on Its Feet

UNITED NATIONS, N.Y. (AP)—A five-year plan to make South Korea self-supporting by 1958 has been published by the United Nations. The cost of the program would be \$1,930,000,000 of which \$1,240,000,000 would have to come from the United States and the U.N.

The plan calls for an increase by 1958-59 of 81 per cent in the gross national output above 1952-53 figures. This would mean a 42 per cent jump over output in 1949-50, the year of the Communist invasion.

The program also envisages a vast increase in exports, more trade with Japan, construction of 300,000 homes, fiscal and governmental reforms and a shift away from rice in the South Korean diet.

The plan was outlined in a 488-page report critical, in part, of President Syngman Rhee's administration. The report, offered as the groundwork for joint U.N.-Korean planning, was made public Sunday night by the U.N. Korean Reconstruction Agency.

The report did not mention Rhee personally but it recommended "sweeping changes and improvements" in government policies, particularly in "the efficiency and integrity of Korean public administration."

Early Ballots Indicate Interest Running High

Polls Stay Open Until 8;
Taxes, Board Election
Major Issues

Officials of Pontiac Public Schools expected one of the heaviest Pontiac school election votes on record today as 380 voters cast ballots early this morning. "That's definitely a heavier-than-usual early-morning vote for school elections," Vern L. Schiller, school treasurer, commented. "And the voting usually takes a sharp upswing in the late afternoon and evening."

Schiller said everyone in line when the polls close at 8 p.m. tonight will be allowed to vote "even if we run overtime."

All 42,500 Pontiac school district voters who are registered for general elections can vote in today's school election. Anyone uncertain about where to vote may call the school offices, FE 3-9231, for directions.

Voters today will choose two Pontiac Board of Education members. They also will decide whether the county should set up a county-wide special education program for handicapped children, and whether the Pontiac "Public Schools" proposed 10-year tax program should pass.

The Pontiac tax program is probably the top issue on today's school ballot. It is a general tax increase, not a bond issue.

The school system is asking voters to let it levy taxes 6.35 mills over the 15 mill limit from 1955 until 1957 and 8.75 mills over the limit from 1958-1964.

Actually, the net tax increase would only be about 4.25 mills (\$4.25 per \$1,000 worth of assessed property) because two school taxes now being spread will end—one this year and another in 1957. The proposal would hold the total Pontiac school tax rate at about 18.45 mills from now through 1964. This would mean a tax bill about \$13 higher for the owner of a home valued by the county at \$3,000.

School board members say that unless the tax program passes, the school system will soon have to start half-day sessions.

Unless the program goes through, they say, there won't be enough classrooms or enough teachers to keep youngsters in school for a full day.

The tax program, school officials explain, would ease both sides of the school financial squeeze. It would build \$9,000,000 worth (Continued on Page 2, Col. 2)

Garage Smashed During High Wind

WIND DAMAGE — Winds clocked at 65 miles an hour in Saturday's savage thunderstorm toppled this big elm tree onto the garage at the home of Joseph R. McCarthy at 300 Draper Ave. McCarthy's car, parked partly inside the garage, was undamaged.

City School Election Polls Open Until 8 P. M.

Birmingham Commission Schedules Six Hearings, Sidewalk Repair Debate

From Our Birmingham Bureau
BIRMINGHAM — Mostly routine business fills the agenda for tonight's City Commission meeting, with six hearings scheduled and further discussion to be held on the year's sidewalk repair program.

Assessments will be reviewed at hearings for both the light oil and the mat-and-seal road oil treatments. Other assessments to be reviewed include Torry paving north from Holland for 111 feet

and sewer construction on Bowers street between Hunter and Adams.

Creation of a special assessment district to acquire the necessary right-of-way, and for paving and fencing the vacated portion of Yankee south to the edge of the Forrit property, also will be under discussion.

If a manager's recommendation is approved, the question of the sale of six lots in an area bounded by E. Maple, Coolidge, Yorkshire and St. Andrews will be voted on at the Aug. 3 election.

Despite soaring temperatures, proper snow removal methods for the coming winter will be under consideration, as will stricter enforcement of an ordinance which prohibits dumping dirt, leaves and other debris on streets or vacant lots.

Carr Takes Stand, Backs McCarthy

(Continued From Page One)

made in the secretary's Pentagon office last Oct. 2.

The ex-G-man later told of alleged efforts by Stevens and Adams to halt McCarthy's probe of suspected Red spies in the radar center at Fort Monmouth, N. J., and confirmed previous McCarthy-side testimony that the secretary said he would "have to resign" if the investigation continued.

Carr, in testifying about Stevens' purported plans for Schine, said it was his recollection that the secretary brought up the name of the former McCarthy committee consultant at the Oct. 2 meeting.

The witness said he and Cohn had gone to see Stevens, about Maj. Gen. Richard C. Patridge, then chief of Army Intelligence, who has been labeled by McCarthy as "abysmally incompetent" in that job.

Carr added that the discussion also involved a so-called "black-out order" relating to Fort Monmouth, and that Stevens telephoned Maj. Gen. Kirke B. Lawton, Monmouth commander, and told him to lift the order.

Later in the conversation, Carr testified, Stevens brought up Schine's name and said that "Mr. Schine was not going to receive a commission but he would take care of Mr. Stevens and the Army by placing him in Intelligence Schools to observe and report to the secretary."

Stevens and Adams have accused McCarthy and Cohn of exercising "improper" influence to force the Pentagon officials to grant special favors to Schine.

The senator and his counsel maintain there was no pressure on their part and that suggestions about Schine's special treatment came from the Army heads.

Carr told of a Nov. 6 luncheon in Stevens' Pentagon office, during which, he said, the secretary asked how long the Fort Monmouth probe public hearings would last, and McCarthy, according to Carr, said about six weeks.

The witness continued: "The secretary became very upset — at least he appeared very upset. He said that if they lasted that long he would have to resign, that he had been in office 10 months and that the public wouldn't understand why he hadn't taken action sooner."

Carr said that earlier, on Oct. 8, Adams had begun "suggesting" that McCarthy let the Army do its own investigating at Fort Monmouth, but that the senator would not "buy that" because he maintained that the Army had failed to act on evidence of subversives in the radar laboratory.

Tots' Clothing Store in Riker Building

A shop dealing exclusively in children's clothes and toys has moved into the Riker Building store formerly operated by Fritz Stoddard.

The Margaret Ann Shop in the quarters at 37 W. Huron St. is owned by Mrs. Edward Van Tassel of 51 E. Iroquois Rd. and Mrs. Thomas Carson of Toledo.

It has been redecorated and light blue dominates its color scheme.

Accidental Deaths Hit 21 in Michigan

(Continued From Page One)

swimming in Ford Lake near Ypsilanti.

Herman Baum, 28, of Detroit, drowned Sunday while swimming in Cass Lake near Pontiac.

Eugene Walsh, 2, of Willow Run, was reported missing and presumed to have drowned Sunday while swimming in Murray Lake. His body has not been recovered.

Joseph Woodhall, 8, of Clarkston, drowned Sunday in Square Lake, a mile southwest of Pontiac, while on a family picnic.

Harold Schaub, 16, of Sutton's Bay, drowned Sunday in Lake Lee-lanau Channel while on a swimming party.

Gerald Jones, a 14-year-old Flint youth, drowned Sunday while fishing alone from a small boat on Lake Fenton, 10 miles southwest of Flint.

Eleven-year-old Kenneth Mick, of Davison, was killed Sunday when struck by a car on M21 two miles east of Flint.

Benjamin Sadler, 45, of Ortonville, was killed Sunday in a two-car collision at an intersection of Green road, a mile south of Goodrich.

Edwin Wickert, 18, of Clare, drowned Sunday while swimming in the Tobacco River in Clare County.

Norman Erb, 23, of Detroit, was killed Sunday when he was struck by an inboard motorboat while swimming in Walled Lake.

Ralph Laduke, 15, of Grand Rapids, drowned Saturday while swimming in Hoag Lake, 20 miles west of Hastings in Barry County.

Robert Taylor, 27, of Detroit, drowned Saturday night in Little Pleasant Lake, eight miles east of Jackson, while boating with two companions.

Eight-year-old Judy Beirne, daughter of Mr. and Mrs. Patrick Beirne of Detroit, drowned Sunday in Brennan Pool at Detroit's Rouge Park.

Christopher Zidell, a 9-year-old Kalamazoo boy, drowned Sunday in Pickrel Lake, two miles northeast of Vicksburg, when he stepped into a hole while wading near the shore.

A seven-hour search Saturday by a sheriff's posse and State Police, aided when the body of 3½-year-old Jesse Villa, of Lansing, was found in the Grand River at Lyons, eight miles east of Ionia.

Donald Hyde, 21, of Kalamazoo, and his brother, Lawrence, 30, of Allegan, drowned Friday night while swimming in Miller Lake, near Otsego.

Oakland Area Lakes Claim Four Lives

(Continued From Page One)

was visible for 1,000 yards. An autopsy showed that Erb died almost instantly from a hemorrhage resulting from wounds to his arm and side.

Marks on Erb's head indicate he was wearing a diving mask, which was recovered from the lake. Oakland County Prosecutor's office is investigating to see if Schults was negligent.

West Bloomfield Police and Firemen, along with Michigan State Police, are still searching for the body of Herman Baum, who went beyond his depth in Cass Lake yesterday afternoon.

Leo Davidson

Service and burial for Leo Davidson, 57, of 5740 Sussex will be held at 2 p.m. tomorrow at Manistee. He died suddenly at his residence Friday. Arrangements are being held by the William R. Hamilton Co.

Survivors include his widow, Agnes, a son, John R., at home, and a brother, Earl, of Detroit.

School Expansion Up for Vote Today

(Continued From Page One)

of new classrooms — enough to contain growing enrollment expected to hit 23,000 in the next 10 years, compared with today's 16,000 students.

School men say the tax increase also would raise enough "operating" money to make up the deficits in day-to-day running costs. Pontiac schools face a \$725,000 deficit by July, 1955.

Voters also will decide today which two of six candidates will be named to the Board of Education. Seeking election are Mrs. Paul A. (Matlyn) Brown, Dr. Walter L. Godsell, Mrs. Harry (Lola B.) King, Dr. Leonard F. Klausmeyer, Paul J. Simmons and Everett C. Spurlock. A seventh candidate, Edward P. Barrett, withdrew from the race too late to remove his name from already printed ballots.

Pontiac voters are sharing in balloting to determine whether Oakland County should set up a county-wide system for educating handicapped children. Two ballots on this issue are being handed out at the polls: one to decide whether the county should adopt a Michigan law that lets it set up the special program and another to decide whether to levy a half-mill tax (50 cents per \$1,000 worth of assessed property) to pay for it.

Swanson, of 24068 Pennsylvania Dr., Southfield Township, is a special education teacher in Detroit, is married and has four children.

A Navy veteran of World War II with South Pacific duty, Swanson is also past-president of Washington Heights Civic Assn., a member of Townsite Community Church and officer on its board; president of the Wolverine Investment Club and executive board member of the Detroit Federation of Teachers.

The 1th District was recently reformed by reapportionment and will elect its first representative this November.

MAYOR GETS X-RAY — Pontiac Mayor William W. Donaldson showed up with Mrs. Donaldson for an X-ray as two chest X-ray vans started checking the Pontiac public for tuberculosis this week. One of the units is taking free chest photos at Oakland County Courthouse, Huron and Saginaw streets, this week while another tours the city making neighborhood stops. Hours are noon until 8 p.m. today through Thursday and 10 a.m. until 6 p.m. Friday.

Mrs. R. M. Bautel Succumbs at Age 69

Mrs. R. M. (Mary L.) Bautel, 69, of 200 Liberty St. died at her residence yesterday after a one-year illness.

She was born in St. Johns on Aug. 24, 1883, the daughter of William and Mary Elert Heuer. She married Mr. Bautel in St. Johns in March 1909.

Mrs. Bautel, who came here from Lansing, was a drapery designer at Moll's interior furnishings.

Surviving are two sisters and two brothers, Robert and Frank Heuer, both of St. Johns, Mrs. Anna Downham of Lansing and Mrs. Emma Kelting of Laingsburg.

Funeral will be Wednesday at 1 p.m. from the Voorhes-Siple Funeral Home with burial in Mount Rest Cemetery, St. Johns. Dr. Milton H. Bank of the Central Methodist Church will officiate.

Luther H. Kelley

Luther Herbert Kelley, 67, of Wolverine, formerly of Pontiac, died Saturday at Dearborn Veterans Hospital.

Born in Genesee County Dec. 24, 1886, he was the son of Frank and Mary Mudge Kelley. He served in World War I, and in 1927 he married Hazel Warner in Pontiac.

Mr. Kelley was last employed as a Pontiac city mail carrier and was a member of the Metropolitan Club and Letter Carriers Assn.

Surviving besides his widow are three sons, Wayne Danburn of Detroit and Clinton and Warner Hardy of Pontiac, as well as one daughter, Mrs. Beth Wright of Pontiac.

One sister, Mrs. Mabel Rouleau of Mount Clemens, eight grandchildren and one great-grandchild also survive.

Service will be from Purses Funeral Home Tuesday at 1 p.m. Burial will be in Grace Lawn Cemetery, Flint.

Mrs. Louis Nocera

Mrs. Louis (Margaret) Nocera, 76, of New Castle, Pa., died at St. Joseph Mercy Hospital here Sunday after an illness of two days. She died while visiting her daughter, Mrs. Mary Pollina.

Mrs. Nocera was born in Italy on May 29, 1878, the daughter of Mr. and Mrs. Andrew Davino.

Surviving are six sons and three daughters, Mrs. Elizabeth Panzerella of Buffalo, N. Y., Mrs. Pollina, Mrs. Annabelle Catarcio, Andrew, Anthony and Albert, all of New Castle; Henry of Reno, Nev.; Joseph of El Monte, Calif.; and Victor of St. Joseph.

The body is at the Purses Funeral Home and will be taken this evening to the William DeCarbo Funeral Home in New Castle for service and burial.

Women On Probation for Local Burglary

Three Pontiac women were placed on three years probation and each assessed \$100 costs today by Circuit Judge Frank L. Doty for the nighttime breaking and entering of a S. Sanford street restaurant last April.

Mrs. Charlotte M. Gunther, 27, of 77 Douglas St.; Mrs. Martha Holsworth, 21, and Miss Claudine Carter, 18, were found guilty by a jury June 2.

They were accused by police of breaking into the restaurant and stealing gum and candy. They claimed that three boys ran from the restaurant as they drove past and they investigated to see what the boys had been doing.

Police confiscated quantities of gum and candy plus a chisel and pillowcase.

Has Talk With Wilson

LONDON — Minister of Supply Duncan Sandys returned today from the United States after conferences with U. S. Secretary of Defense Charles E. Wilson on problems of guided missiles.

REP. GEORGE DONDERO

St. Lawrence Plan Subject for Speech

A talk on Americanism and the effect of the St. Lawrence Seaway on Oakland County will be delivered Wednesday at a 6:30 p.m. dinner meeting in the Elks Temple, 114 Orchard Lake Ave., by Rep. George A. Dondero.

More than 400 persons are expected to attend, including about 80 persons who have received their citizenship in Oakland County since last June. The dinner is part of a program initiated by the Elks' Americanism Committee, headed by Lynn D. Allen.

Obtain Brief Respite From Heat at Parks

(Continued From Page One)

suit of lightning-struck transformers, and trees dragging down power lines.

Traffic was rerouted at Telegraph and James K. Boulevard as a Detroit Edison Co. high tension wire sputtered there.

The storm, despite its tornado-like approach, had its lighter side to some residents. A full grown maple, neatly split by lightning, came to the aid of Mr. and Mrs. Robert Flicker, of 37 N. Merrimac.

They had just painted their front porch, and were looking for a suitable barricade. The tree obliged, dropping directly across the path leading to the porch.

Joseph P. McCarthy is glad his wife didn't have time to pull the family car all the way into the garage as the dark clouds raced in. A large elm crashed through the back of the garage, doing minor damage to the car which was only partially inside.

Indicating the heat which drove people to seek relief is the amount of water pumped this past week. It totaled 103,931,832 gallons, 600,000 more than the same week last year.

High point in pumping this year was the consumption last Thursday of 18,596,653 gallons.

Temperature this morning at 8 was 75, which rose to 88 at 1 p.m. The U. S. Weather Bureau predicts partly cloudy, warm and rather humid weather tonight and tomorrow. Scattered thundershowers are expected Tuesday.

Saturday's 92-degree high was the warmest in the Pontiac area this year and came within two degrees of the all-time high for June 12 established in 1894.

Although cooler weather was forecast for Sunday, the mercury rose to 88 degrees.

The temperature has climbed past the 85-degree mark on each of the past six days. This year's first 90-degree day was last Thursday.

Tuna Prices Decline

TOKYO — Frozen tuna exported to the United States has been reduced in price from \$440 to \$360 a ton to meet a seasonal price decline in the United States domestic market, Kyodo News Service said today.

Mother and 2 Sons Die in Home Blaze

(Continued From Page One)

what it was and saw the house in flames," he said.

He called the fire department and ran across to the Couper home. He broke the kitchen door, but was immediately repelled by smoke and flames. Then he went to the rear of the house to the covered porch. He picked up a lawn chair and smashed a window, but was again stopped by the heat and smoke.

Meantime, he said, he kept shouting to wake up the people in the house.

His shouts attracted neighbors, who also tried to enter the house.

Seconds later, Patrolmen Joseph Buckles and Robert Rowe arrived. They broke a second floor storm window in Cross' room, but were unable to break through a screen.

Firemen who soon arrived, put a ladder up to the window and a fireman slashed the screen to reach Cross.

Griffith quoted Cross as saying he woke up and realized the house was on fire. He opened his bedroom door, he said, but then slammed it shut when he saw the smoke and flames.

Efforts to reach Couper, a vice president of the L. A. Young Spring & Wire Co., Detroit, were hampered when crew members of the SS Tadousac reportedly refused to awaken the ship's captain.

Couper was finally notified about 8:30 a. m. The ship was scheduled to dock in Montreal at 1 p. m.

The entire Birmingham fire department complement of 35 men fought the blaze. It was brought under control after two hours. Standby assistance was given by Bloomfield Hills volunteers.

Birmingham volunteers manned the city's single station and were called to extinguish an automobile fire nine minutes after the Couper alarm was turned in.

The entire first floor of the nine-room house was gutted and the second floor was damaged by smoke.

Griffith estimated the house and furnishings at \$60,000 and said damage would probably total about \$50,000.

Fire Damages Plastics Building

Two Fire Departments
Control Blaze That
Cost \$15,000

SOUTH LYON — Fire apparently caused by lightning Saturday night partially destroyed a storage room and the printing department Sunday at V. W. Busch Manufacturing Co., two and a half miles south of here.

Loss to the building and contents, covered by insurance, was estimated between \$10,000 and \$15,000.

The company, located on Rush-ton road, manufactures plastics and is owned by James D. Hatch.

The fire was discovered Sunday morning when a passerby, Edwin Nugent, saw smoke. Firemen said the fire had apparently been smoldering overnight.

Fire departments from Brighton and South Lyon fought the blaze. Lightning also caused minor fires in two nearby homes, according to firemen.

Scholarship Winner to MSC Announced

MILFORD—David Longfield has been named recipient of a Milford Garden Club scholarship to Michigan State College.

The choice was announced this week by Mrs. H. C. Barnett, state education chairman, who reviewed all information sent in by applicants.

To win the award, David was required to be in the upper third of his class, and agreed to specialize in horticulture, floriculture, agriculture or any allied field. He has selected animal husbandry.

Funds for the scholarship were raised through a recent public card party.

Clarenceville High Set for Senior Night Ritual

CLARENCEVILLE—Senior Night will be observed at Clarenceville High School Tuesday evening, with the seniors presenting their own program. Honor awards also will be presented.

Commencement exercises will be held Thursday, with Dr. Paul B. Bagwell of Michigan State College, as guest speaker. The Rev. Elsie A. Johns of the local Methodist Church, will also speak.

VFW Auxiliary Council Chooses New Officers

New officers were chosen recently by the Oakland County Council of VFW Auxiliary. They include:

Martha A. LaMonte, president; Emma Mombert, senior vice president; Ardith Atkinson, junior vice president; Bessie Garneau, secretary; Margaret Ballard, treasurer; Frances Previtt, conductress; Marge Zander, assistant conductress; and Lillian Pollock, Verma Barton and Jackie Gillow, trustees.

Waterford Center Pupils to Attend Picnic Tuesday

WATERFORD TOWN SHIP — Waterford Center School students are looking forward to Tuesday's big, school picnic.

Games are planned for the forenoon, with the picnic scheduled for noon. Sponsoring the event, which will be held on the school grounds, is the Waterford Center PTA. Surprise entertainment is scheduled for the afternoon. Room mothers will serve as hostesses.

Paper Drive Chairman Says Thanks to Aides

WATERFORD CENTER — Mrs. Edward Keith, neighborhood chairman for the Waterford Center Girl Scouts' paper drive, today expressed her thanks to all who assisted in the collections.

Money from the sale will be used for purchasing uniforms and books for Troops 118 and 119.

County Deaths

Mrs. Pauline Lubellier
BERKLEY — The Rosary will be said for Mrs. Pauline Lubellier, 77, at 8 tonight at the Sul-Royal Oak. Prayer service will be held Wednesday morning at the Erwin Funeral Home, Harbor Springs, followed by Requiem Mass in Holy Cross Church, Cross, Mich., with burial in Holy Cross Cemetery.

Mrs. Lubellier died Saturday at the home of her daughter, Mrs. Jane Hennessy of 2993 Kenmore Rd.

Also surviving are four other daughters, Mrs. C. P. Hamill and Mrs. Thomas Huhn of Berkley, Mrs. Georgina Kenyon of Royal Oak, Mrs. Ann Mania of Harbor Springs, and Mrs. Myron Palmater of Hillman; three sons, George Schraffenberger and Arthur Lubellier of Royal Oak Township, and Frank Lubellier of Cross Village, 27 grandchildren and 16 great-grandchildren.

Leonard S. Balis

CLAWSON — Funeral service for Leonard S. Balis, 58, of 229 N. Bywood Ave., will be held at 1:30 p.m. Tuesday at the Schnaidt Funeral Home, Royal Oak, with burial in Oakview Cemetery. He died Saturday in Royal Oak General Hospital.

Surviving are his widow, Nellie; three sons, Charles B. of Birmingham, Boyd M. of Royal Oak, and A.J.C. Robert D. USN; two daughters, Mrs. Carl Hanson of Berkley, and Mrs. Gordon Auterson of San Diego, and three grandchildren.

Mrs. Emily B. Henderson

LAPEER — Funeral service for Mrs. Emily B. Henderson, 77, of 315 Mason, will be held at 2 p.m. Tuesday at the Biard Funeral Home, with burial in Mount Hope Cemetery. She died at her home Saturday.

Mrs. Henderson, who was born in England and came to Lapeer after World War I, leaves no survivors.

John D. Coulter

LAPEER — Funeral service for John D. Coulter, 69, of 296 Oriole St., will be held Tuesday at 2 p.m. at the Muir Brothers Funeral Home, with burial in Mount Hope Cemetery. He died Sunday at home after a long illness.

Surviving, besides his widow, Martha, are three sons, Lloyd and Harry of Flint, and John D. Jr. in the Marines; four step-sons, Harold Thick of Flint, Kenneth Thick of Lapeer, Earl Pittinger in the Army, and Robert Pittinger at home; two step-daughters, Mrs. Thelma Miller and Mrs. Rose Flynn of Lapeer; three brothers, William of Lapeer, and Earl and Leon of Flint; a sister, Mrs. Bertha Ernsting of Flint, and eight grandchildren.

Benjamin A. Sabier

ORTONVILLE—Funeral service for Benjamin A. Sabier, 46, of 283 Granger Rd., will be held at 2 p.m. Wednesday at the C. F. Sherman Funeral Home, with graveside service conducted by the Masonic Order at Ortonville Cemetery.

Mr. Sabier died Sunday as the result of an auto accident near Goodrich. He was past master of Ortonville F & AM 339.

Surviving besides his widow, Clara, are two stepdaughters, Mrs. Allyn Burt and Margery at home; his father, Ellery of Pontiac; two brothers, J. Sabier of Rochester, and Ernest of Ortonville and a sister, Mrs. Margaret Mynhier of Flint.

Joseph B. Woodhall

CLARKSTON — Service for Joseph B. Woodhall, 8-year-old son of Mr. and Mrs. Benjamin A. Woodhall, 583 Clarridge Rd., will be held at Bailey Newhouse Funeral Home at Sault Ste. Marie. He died suddenly Sunday.

Arrangements here are by Pursley Funeral Home.

Surviving besides his parents are two brothers, Dennis Clare and James Bruce, both at home.

Natural Number

STORRS, Conn. (UP) — Even the most absent-minded professor would have no trouble remembering the telephone number of Albert F. Waugh, provost of the University of Connecticut. The number, 9-2844, can be gotten by dialing W-A-U-G-H.

Charles Baggett Claims Bride

Barbara Wiseman Is Wed in Lake Orion Ceremony

LAKE ORION — Before an altar decorated with palms, candelabra and sprays of spring flowers, Barbara Adelle Wiseman became the bride of Charles Herman Baggett Saturday in a ceremony in Lake Orion Methodist Church.

Barbara is the daughter of Mrs. Daisy M. Wiseman of 456 Bellevue and the late Mr. Wiseman. Charles' parents are Mr. and Mrs. Charles H. Baggett of 488 Atwater.

Nearly 350 guests attended the ceremony.

For her wedding the bride chose a gown of Chantilly lace with tulle inserts, a Queen Anne collar and long sleeves pointed at her hands. It also featured a lace basque bodice, a full train and a bouffant skirt over satin.

The bride wore a hand-rolled fingertip illusion veil with a lace cap of seed pearls and iridescent sequins, and a single strand of pearls, a gift of the bridegroom.

Traditional Rites Held by Seniors at Walled Lake

WALLED LAKE — Seniors here Friday held their traditional Swing-Out exercises for underclassmen and parents.

Wearing their caps and gowns for the first time, the graduating students moved the juniors into the senior section of the auditorium in a procession which opened the ceremonies.

Narration and skits depicting the class history followed. One of the high spots of the afternoon was the awarding of pins and medals to students outstanding in various subjects.

Climaxing the award presentations was the bestowing of the W. L. Awards to the eight seniors who had earned at least 70 activity points.

Metamora Farm Bureau to Picnic Wednesday

METAMORA — At the home of Mr. and Mrs. Harry Whittaker Wednesday evening, the Metamora Community Farm Bureau will hold its annual picnic.

Following the picnic, movies of last year's Tournament of Roses in Pasadena, Calif. will be shown. A business meeting also will be held.

Serving as maid of honor was Miss Charlotte VanderWall of Rockford, Ill. Bridesmaids were Mrs. Lawrence Baggett, Mrs. Charles Hawp, Miss Dorothy Erner and Mrs. Kenneth Campbell. Flower girl was Trudy Ann Wiseman.

Serving his brother as best man was Lawrence Baggett. Ushers were Walter Baggett, also a brother of the bridegroom; Richard Wiseman, a brother of the bride; John Nowels of Rochester and Ronald Bumpstead of Pontiac.

A reception was held at the church house immediately following the ceremony. The couple left for a honeymoon at Niagara Falls and New York City, with the bride wearing a white linen suit, navy blue accessories and a white orchid from her bouquet.

Barbara is a graduate of Marywood Academy at Grand Rapids, Highland Park Junior College and Mercy Hospital School of Nursing at Grayling. The bridegroom, a graduate of Lake Orion High School, attended Michigan State College and is now employed as assistant manager of a Rochester lumber company.

The newlyweds will reside at 812 Mount Vernon, Lake Orion.

Bookmobile Schedules Four Summer Visits

ROMEO — A bookmobile trailer will visit three outlying schools in the Romeo district during summer vacation, it has been announced.

The bookmobile will make four visits all on Tuesdays: Tomorrow, June 15; July 6, July 27, and August 17. The time and place for the visits are Thorington School, 9:30 to 11 a.m.; Washington School, 11:30 a.m. to 2 p.m. and Davis School, 2:30 p.m. to 4 p.m.

Was Benito's Interpreter

Kidnap Ransom Believed Buried

Baffled for Two Days,
Police Continue Search
in Mountains

PHOENIX, Ariz. (UP) — Daniel J. Marsin, 41, charged with kidnaping the wife of a wealthy industrialist for \$75,000, sat silently in jail while officers resumed a search today for the missing ransom money.

Somewhere in the Superstition Mountains, police believed, were hidden the marked bills paid for Mrs. Evelyn Ann Smith's release by her husband Herbert.

The rocky, cactus-strewn foothills were combed by a small force of officers. They worked doggedly, moving small boulders, brush and dirt in the belief the loot had been buried.

Two days of hunting failed to turn up any clue. The search today was extended into abandoned mine shafts.

Police also were hunting a rifle, a pistol and a pair of binoculars which the Smiths said they had seen the kidnaper use.

There were other unanswered questions, Mrs. Smith said she had overheard a second man after being locked in the trunk of her car. She said he discussed killing her. When she arrived at the Superstition late Wednesday, she said, only one masked kidnaper was with her.

Investigating officers, who had hidden along the road to the payoff spot to which Smith had been ordered, asked openly why Smith drove his wife back to Phoenix without stopping to report that she was safe.

That delayed the search for the abductor by more than two hours, one officer said.

Marsin, seized near a ranch house four hours after Mrs. Smith was released Thursday night, was not taken to her for identification until the next afternoon.

At that time, it was learned, he was taken to her home to be identified several hours before she

picked him from a line of masked persons. He was released Saturday with a \$50,000 bond, placed under \$50,000 bond.

American Legion Elects New Slate of Officers

CASS CITY — John Howell was elected commander at last week's meeting of Tri-County Post No. 507, American Legion.

Besides the new commander, other officers are Joseph Dann Jr., senior vice commander; Philip Olsow, adjutant; Arthur Little, finance officer; Mike Rusnak, sergeant-at-arms; Stanley Martinek, historian, and James Karr, chaplain.

HOW AMERICA IS CHANGING

Your life insurance funds have helped finance thousands of miles of pipe line . . . bringing a useful service to you

America's thrift sparks America's record growth

THROUGH your thrift and foresight, you, as a life insurance policyholder, have helped bring about the most amazing period of material growth in American history!

Life insurance funds—in addition to providing family protection—are playing an important part in our great expansion.

Here's how life insurance money—the individual accumulations of thrifty people—is helping America grow.

It is helping finance the factories, research

facilities, machinery and equipment which produce most of the things you use.

Among these are the natural gas lines which bring the gas into your kitchen . . . the power plant which supplies your electricity . . . the mile upon mile of superhighways on which you drive . . . the planes in which you fly . . . the railroad trains on which you ride.

This life insurance money also provides funds for new homes . . . housing developments . . . new schools . . . new stores . . . and other new buildings.

All told, America's 90 million policyholders are adding \$5,000,000,000 to the funds behind their life insurance each year. Until these funds are returned to them, or to their families, as benefits, this money is put to work in almost every phase of our economy.

So you see, your life insurance dollars benefit you in two ways: (1) they provide for the financial security of you and your family, (2) they help provide the capital needed to make America a better place to live in.

McCarthy Eyes Hearing Report

Disputes Mundt Hope That Findings Can Be Compiled Just Once

SIoux FALLS, S. D. (AP)—Sen. McCarthy (R-Wis.) says he doesn't see how only a single report can come from the subcommittee conducting the hearing into his hassle with the Army.

"Every vote on every important question that has arisen so far has been along party lines and I expect that formula will hold when the final report is made," he told a newsmen after his talk here to some 1,700 veterans yesterday.

His comment came after he was shown newspaper stories quoting Sen. Mundt (R-SD), subcommittee chairman, that he hoped findings could be embraced in one report.

McCarthy told the annual convention of the South Dakota American Legion to ask every candidate running this fall, either Republican or Democrat, "if he's going to Washington and work to stop the indecent blood trade between American allies and the enemy."

"The head of the foreign aid division came home recently and said we have won a great victory," McCarthy said. "We were told that we are going to continue to give U. S. dollars to allies, and in return allow these allies to ship industrial goods to the enemy."

"In other words, they are going to take your dollars and ship the sinews of strength to the enemy, dollars that are directly fashioning bullets which may well cause death for some of the young men in this audience."

Although he did not mention him

by name, it was an obvious reference to Harold E. Stassen, director of the Foreign Operations Administration, the subject of other recent criticism by McCarthy.

McCarthy's off-the-cuff speech here came after he told the Wisconsin Republican convention in Milwaukee Saturday that President Eisenhower would have his support if the general were running for office today.

British Documents Stolen; Recovered

LONDON (INS)—A foreign office spokesman said today that four sealed bags containing British diplomatic documents were stolen yesterday and later recovered from the Regent Canal in North London.

He said no secret or confidential matter was involved in the theft for which three men were arrested.

A truck driver who picked up the bags at the airport for delivery at the foreign office stopped at his home for a cup of tea, and his truck was stolen.

The foreign office spokesman explained that secret and confidential documents were carried by Queen's messengers in diplomatic bags while other documents such as those stolen were sent by air to London in sealed bags.

HOOKED—Many an angler would probably prefer to throw away the fish and keep this bait. Judy Center, of Rainbow Springs, Fla., sitting on a large fish hook, demonstrates the feminine way of luring a catch whether it's above or below the water.

Psychiatric Tests Set for Youth of 11

CHICAGO (AP)—Psychiatric tests were scheduled today for a whisky-drinking, cigarette-smoking 11-year-old boy after an inquest into deaths of seven persons in a tenement fire started by a discarded match.

Nine other persons were injured in the fire Friday night.

Marion Gregory, who first told police two men wearing baseball caps set the fire with gasoline in a stairwell rubbish heap, demonstrated Saturday to police how a match he slipped into the stairwell after lighting the cigarette started the blaze.

The boy's father Lewis was locked up after telling his son, "Tell them nothing." Police investigators quoted the father as saying he allowed Marion to drink whisky and bought the child cigarettes.

Wheat Easier,
Others Holding

CHICAGO (U) — Wheat eased but the rest of the grain market held firm in quiet dealings on the board of trade today.

July soybeans jumped a few cents at times, again reflecting short-covering based on movement of cash soybeans out of Chicago. Buying entered corn on news the Agriculture Department will buy 100 million bushels more grain storage space.

Wheat near the end of the first hours was 1/4 to 1/2 lower, July 35-36 1/4, corn 1/4 to 1/2 higher, July 31-32, oats 1/4 to 1/2 higher, July 71-72, rye unchanged to 1/2 lower, July 11-12 soybeans unchanged to 3 cents higher, July 37-38 1/2 and 1/2 cents lower to 7 cents a hundred pounds higher, July 31-32.

Discuss Closing Geneva Talks

May Wind Up Korea, Indochina Negotiations This Week

GENEVA, June 14. — Top diplomats at the Geneva conference began a new round of private talks today on how and when to break off the deadlocked negotiations on Korea and Indochina.

The non-Communist delegations were expected to decide to break off the Korean talks this week and refer the Korean unification problem to the United Nations.

The outlook on the Indochina conference was not so definite, but some diplomatic quarters believed this also might be wound up this week.

The 16 conference nations which fought under the U.N. flag in Korea arranged a meeting today to take a final decision strategy. The Big Three Western Powers were reported to be agreed that the Korean discussions should be ended as soon as possible.

British Foreign Secretary Anthony Eden and Soviet Foreign Minister V. M. Molotov planned to discuss Indochina procedure at another private meeting today. They met Saturday for an hour, but their discussions were described as inconclusive.

A meeting of the nine-party Indochina conference was scheduled tentatively later in the day. Unless the Communists indicated some readiness to change their position drastically, the Western Powers were understood to be ready to call for an end of the talks.

The Western Powers were moving more cautiously on the Indochina problem because of several factors.

One was the uncertain political situation in France. The United States and Britain were reported hesitant to break off the talks unless there was a government which could speak with authority for France. For this reason, the decision here awaited what might happen in Paris during the day.

Another factor was the military talks in progress here between representatives of the two high commands in the Indochina fighting. Informal sources said they now had reached the stage of exchanging concrete proposals on cease-fire lines. These proposals could have an important bearing on whether the Indochina conference goes on.

The Western Powers agreed in talks over the weekend, however, that the chances of a settlement on either Korea or Indochina were virtually nonexistent.

Says Rival Plan Is Impractical

'Poor School Districts Will Be Poorer, Rich Richer,' Conlin States

KALAMAZOO, June 14. — Rep. Rollo G. Conlin (R-Ti) today said the Conlin Plan to revise the sales tax diversion amendment, declared today a rival plan offered by the "Michigan Committee for Better Schools" would cause poor school districts "to become poorer while the rich district becomes richer."

Conlin addressed the Rotary Club here, attacking what he said was the impracticability of the committee proposal. The legislature passed the Conlin Plan on the November ballot. The committee now is seeking signatures to place its proposal on the ballot, too.

Declaring the committee appears to have no recognized school authorities in its membership, Conlin said:

"It is of further significance that this proposal is practically identical with a previous proposal advanced by the Michigan State Aid Survey and the Detroit Board of Commerce. The whole tenor of their initiative proposal follows to a remarkable degree that contained in the Michigan State Aid Survey's committee report prepared by Drs. Sly and Miller, two Princeton professors retained by this group."

He charged the committee and the state aid survey group with a one-sided approach to state and local finances, saying their demand for a "redefinition" of state aid to local government "amounts to a suggestion that state aid be reduced and that the reduction be replaced by increased property tax collections at the local level."

Conlin said the committee was overlooking the modern realization that property should not bear the brunt of government revenues and that the state was legally and morally required to provide certain services for all the people of the state regardless of their local property values. He cited education, highways and welfare, especially.

Drivers Under 25 Are Twice as Dangerous

BOSTON (UP) — Automobile drivers under 25 are twice as dangerous as those above that age, according to an insurance industry survey.

Companies that write compulsory automobile liability insurance in Massachusetts said that in some areas the under-25 drivers were three times as dangerous as the over-25 group.

ANTHONY RENNE

Michigan Amvets Elect New Officers

Anthony Renne of Pontiac was named judge advocate of Michigan Amvets Sunday at the organization's annual state convention in Kalamazoo.

Hendrick G. Noble of Royal Oak was elected national executive committee member. The group's new commander is J. Carroll Kay, a Detroit insurance man.

Delegates selected Traverse City as their 1955 convention site and adopted a resolution urging a state bonus for Korean War veterans but opposing a national bonus.

Wife-Killer Gets 15 to 30 Years

Donald G. Warner, 30, Sentenced for Shooting Last Jan. 14

Donald G. Warner, 30, was sentenced to 15 to 30 years in prison today by Circuit Judge Frank L. Doty for slaying his wife, Barbara, 21, in their home last Jan. 14.

Warner, of 2645 Emmons St., Avon Township, interrupted the third day of his first-degree murder trial May 26 to plead guilty to the lesser charge of second-degree murder.

Barbara was shot to death while sleeping. Warner told authorities the next day he was upset when his wife filed for divorce.

A self-inflicted bullet wound in the head failed to kill Warner and doctors termed his recovery "miraculous."

Police arrested Warner after he was brought to Pontiac General Hospital Jan. 15 by his father for treatment of the bullet wound. He will serve his term in Southern Michigan Prison at Jackson.

Radio Speech to Honor Pontiac Pastor Tonight

The Rev. C. L. Morton, pastor of God in Christ Church in Windsor, will speak over CKLW tonight at 8. The speech will be in honor of Rev. Ford B. Reed, who is marking his 36th anniversary as pastor of the New Hope Baptist Church in Pontiac.

In Saturday's Pontiac Press it was incorrectly stated that Rev. Morton would speak on Tuesday.

Robbery Suspect Quizzed by Police

A suspected robber, identified by his victim, is in police custody today for investigation on an armed robbery charge.

Albert Moye, 29, of 4385 Dixie Hwy., who is being held on a concealed weapons charge, was arrested in a Bagley street bar after an unidentified man reported he was carrying a 38-caliber revolver.

Det. John Williams said Moye was identified in a lineup by Ernest Freeman, 22, of 346 Montana Ave., attendant at a 435 S. Saginaw St. filling station, who reported he was held up early Saturday morning by a pistol-brandishing bandit.

Freeman said a man walked into the gas station at about 6 a.m. and requested a light for his cigarette. He cowered later and demanded the money from the cash register, Freeman said.

"After I gave him the \$4 he ordered me to go with him," the victim stated. The bandit fled after he forced Freeman to walk five blocks at gunpoint to the Grand Trunk Railroad tracks.

Police received the tip from the Bagley street bar at about 11 a.m.

Plumbing Fixtures Stolen From Project

About \$774 worth of plumbing fixtures were stolen from a housing project on Strathmore avenue over the weekend, Pontiac Police report.

Al Larcinese, foreman for the Midwest Plumbing Co., a Detroit firm, listed three automatic hot water heaters, bathroom fixtures, valves and chrome moldings among the missing articles.

Police said the equipment was stored in yards of the housing project near Baldwin avenue.

The annual Maple Syrup Festival at Vermontville, Mich., features free pancakes to all visitors. "With all the maple syrup you want on them."
