(ext. 2219). Deadline for submitting material is 5 p.m. Thursday.

ALUMNA HEADS ALUMNI

Due to growth in placement office activities and in OU's alumni population, now well over 2,000, the reigns of the alumni relations program are being passed from Dorothy Hope to Mary Schultz, a member of the Charter Class of 1963. The new alumni relations office is in 269 South Foundation (ext. 2324). Mrs. Schultz would appreciate learning of any alumni address changes faculty and staff members may know of, particularly in view of a 10th year reunion proposed for this fall as part of our anniversary celebration.

1,146 ARE ENROLLED

The Summer School office reports that there are 1,146 students enrolled this summer, the women outnumbering the men 667 to 479. The breakdown by classes is 138 freshmen, 204 sophomores, 297 juniors, 231 seniors, 258 graduate students, and 18 post-baccalaureate students enrolled in undergraduate courses. There are 205 taking courses on the Oakland campus for the first time, about half of whom are "guest" students from the University of Michigan, Western Michigan, Northern Michigan, and other colleges and universities.

PLAY PROFITS DONATED

A contribution of \$300.55 has been made to the Isaac Jones Memorial Scholarship Fund from the proceeds of the faculty-staff play produced, to the glee of the University community, during the spring term, "Under the Gaslight." The contribution brought the fund donations total since the start of the second annual fund drive in March to nearly \$1,400. The goal is \$2,000. "Under the Gaslight" profits provided a similar contribution to the University for care of the deer herd on the Meadow Brook estate.

AAUW ACCREDITS OU

OU received official word recently that it has been placed on the list of institutions qualified for the establishment of a chapter of the American Association of University Women. Further information on setting up the new AAUW branch is due in September.

PUBLISHED IN BRITAIN

Robert Stern (chemistry) is the author of an article appearing in the July issue of the Journal of the Chemistry Society (Britain). The title is "Gas-Liquid Chromatographic Separation of Structurally Related Diastereoisomeric Systems."

COMMENCEMENT SCHEDULED

About 190 students are expected to receive degrees at a summer commencement, to be held Saturday, August 16, in Baldwin Pavilion. The exercises will begin--rain or shine--at 11 a.m.

MOODY BLUES CANCELS

The Special Events Series has been inflicted its second concert cancelation of the summer with the word from the Moody Blues, a group from England, that it has called off its entire North American tour. Moody Blues was to perform in Baldwin Pavilion on Tuesday, August 19. The group will be replaced by the season's second pop festival, the talent lineup to be announced.
