**STRIKE**—A repeat of strikes over local issues that shut down General Motors Plants in 1958 after national economic contract agreements had been reached was a reality in Pontiac today. These Fisher Body employes began walking off at 10 a.m. They were joined by UAW workers at Pontiac Motor and GMC Truck & Coach Plants. Some 18,000 will be idled by nightfall.

### Walk Out at 3 GM Plants

# 10,000 Strike in City

By DICK SAUNDERS

Some 10,000 employes at Pontiac's three General Motors Corp. plants walked off their jobs and picket lines formed today as the 10 a.m. deadline passed without settlement of local issues being negotiated by the United Auto Workers Union and GM.

Pontiac workers joined some 265,000 UAW members who struck GM plants across the nation today. Marathon bargaining sessions failed to settle some 13,000 local issues at most GM plants.

**Louis G. Seaton, GM vice president, said only about one-fifth of the 130 GM plants had settled their local problems. Few were key installations and employed only about 45,000 of GM's 310,000 UAW workers.**

Seaton said the strike was "an unnecessary hardship for our more than 300,000 hourly rated employes."

He said the strike was "needless" because "the basic economic issues that most importantly affect the income and security of our employes were resolved six days ago."

In a statement issued shortly after the walk out began at Pontiac Motor, General Manager S. E. Knudsen indicated the company was ready to resume local talks as soon as possible.

"We have been meeting with the bargaining committee of Local 653 since June 28 and have negotiated diligently to resolve a new local agreement and have made some progress," said Knudsen.

"Members of the Pontiac Motor Division negotiating team have complete authority to bargain with the local union and they have my utmost confidence.

"We stand ready to resume negotiations at any time," Knudsen concluded.

* * *

In Pontiac, some 5,613 first shift workers went on strike at Pontiac Motor Division. Another 3,000 walked off at GMC Truck & Coach Division and about 1,650 at Fisher Body Division.

**The strike here will affect a total of 18,100 hourly rated UAW workers on both shifts. About 9,000 will be out at Pontiac Motor, 6,000 at GMTC and 3,100 at Fisher Body.**

Pontiac Motor Local 653 President Cecil C. Mullinix said negotiators had made "little headway" over the weekend.

**100 LOCAL ISSUES**

There are more than 100 local issues on the negotiating table at Pontiac Motor. The major issues concern seniority agreements and relief time, or what labor leaders call "the robot system."

* * *

At Fisher Body Local 596, Gerald W. Kehoe, president, said "not a thing has been settled. We've been in meetings all weekend. We're getting nowhere."

**There were some 68 issues being negotiated there.**

Truck and Coach Local 594 broke off negotiations at 8:10 this morning to allow negotiators time to sleep.

Jack Hodges, vice president, said the negotiations would con-

(Continued on Page 2, Col. 4)

# Oakland Voters to Voice Choice

The men and women who will write Michigan's fourth constitution will be elected in Oakland County and the rest of the state in a once-in-a-lifetime election tomorrow.

Oakland voters will elect seven delegates to the convention starting Oct. 3 in Lansing. Choice will be made between seven Republicans and seven Democrats.

Voters throughout the county will vote twice—once for a delegate from the county's 12th Senatorial District and once from the respective legislative district where the voter lives.

Among the more important special issues — there are five communities voting on propositions— is the vote in Waterford Township on the charter township issue.

Polls will be open for 13 hours beginning at 7 a.m. and closing at 8 p.m. The usual assurance that voters in line at the close won't lose their right to vote came today from County Clerk-Register Daniel T. Murphy Jr.

* * *

"But we urge them to cast their vote earlier," he said.

The weather man said showers forecast for tonight will be over by tomorrow morning and that election day — the third for the state this year — will be cooler.

**HOPES FOR BETTER TURNOUT**

Murphy was hopeful that tomorrow's voter turnout will at least double the meager 49,200 or 14 per cent of the county's 334,529 registered voters, that voted in the July 25 primary. This prediction would mean that about 25 per cent or 83,632 will vote tomorrow.

**Biggest interest among the con-con balloting will be in the two-way race for the county's at-large senatorial seat. Bidding for the post are Republican George W. Romney, American Motors Corp president, and Democrat William A. O'Brien, Clawson attorney and city councilman.**

Should he be elected, Romney, of Bloomfield Hills, will be in the running for convention chairman.

* * *

Other nominees by districts are:

District 1 — John S. Coleman (D) and Richard D. Kuhn (R).

District 2 (Pontiac) — Leslie H. Hudson (D) and Raymond L. King (R).

District 3 — Asher N. Tilchin (D) and Henry L. Woolfenden (R).

District 4 — Thomas G. Kava-

## Thunderstorms, Cooler Weather Forecast Today

Pontiac residents can expect scattered thundershowers this evening and cooler temperatures, according to the weatherman. A low of 65 is expected.

**Tuesday will be partly cloudy, with showers ending in the morning and a high of 75.**

Morning southwesterly to westerly winds at 12 miles per hour will be southwesterly 10 to 20 miles tonight.

* * *

For the next five days temperatures will average about three degrees below a normal high of 75 and a normal low of 55. Tuesday and Wednesday will be cooler with warmer temperatures expected for Friday and Saturday.

**Precipitation will total near one inch in scattered showers early Tuesday, rain late Wednesday and Thursday and scattered showers Friday night or Saturday.**

The lowest temperature recorded in downtown Pontiac preceding 8 a.m. was 73 degrees. At 2 p.m. the temperature stood at 88.

# Carla Rams Corpus Christi With Winds of 173 M.P.H.

From Our News Wires

CORPUS CHRISTI, Tex.—Hurricane Carla slammed full force into the Corpus Christi area today with winds clocked by the Coast Guard as high as 173 miles an hour.

Wind and tremendous tides forced more people to flee.

A critical shortage of fresh water developed on the flooded Texas Gulf coast.

**Civil defense officials called for outside help to evacuate some of the 5,000 to 6,000 people still in badly flooded Texas City because of a lack of fresh water.**

A hospital in isolated Galveston said it had only a two-day supply and planned to trap rain water.

There were no reported casualties directly caused by Carla.

"People left Corpus Christi who never left before," said John Stallings of the Corpus Christi Caller-Times.

**More than 400,000 persons fled the coast in Texas and Louisiana in one of history's major flights, the Red Cross said.**

At noon Carla's center remained in the Gulf of Mexico 65 miles due east of Corpus Christi and apparently had not moved toward land in five hours, although hurricane winds and pounding tides from its leading edge raked the coast.

At Port Aransas, the Weather Bureau estimated the 173-mile winds.

**PREDICTS HIGH TIDES**

The Weather Bureau predicted tides of 15 feet or more in some places from Port Aransas northeastward to Galveston. Tides from 8 to 12 feet were expected from Cameron, La., to Galveston, and up to 10 feet elsewhere Carla's power is felt.

**Carla will pack hurricane force winds for 24 hours, the Weather Bureau forecast, an extremely long duration.**

A grain ship tossed about wildly by gigantic waves rammed a loaded oil tanker in normally busy Corpus Christi Harbor repeatedly, leading to a threat of fire.

Mayor Ben F. McDonald said the tanker was secured but that there was no way to keep the grain ship from banging against it. High winds and tides made control impossible.

**There was a 75 per cent power failure in the city of 170,000 and natural gas service was curtailed. But the water supply was unscathed.**

Farm losses will be close to $100 million, said John White, Texas agriculture commissioner.

Galveston, island city of 75,000 where 15,000 persons remained, was completely isolatoed.

At Port Aransas, on low-lying Mustang Island just off the Texas coast, 55 persons remained, including a few citizens and a detachment of Coast Guardsmen, 15 feet off the ground in an elevated house.

They had no choice except to ride out the wind and tides. All communications to them were cut.

Damage was extensive on the coast.

**Buildings and piers toppled and fell into the boiling sea, but Carla itself had caused no casualties directly, thanks to the**

**CARLA'S FURY**—Waves throw a high spray up over a resort pier at Galveston, Tex., as high tides lead Carla into the Texas Coast today. The hurricane is being called the worst of the century. It was battering coastal cities this morning with winds up to 173 miles an hour and 11-foot tides while still miles out at sea.

## They Sleep in Schools, Tents . . .

HOUSTON, Tex. (UPI) — There was cause to complain, but few did.

In some places evacuees from Hurricane Carla were crowded together like sardines. They slept in pup tents by the side of the road, boarded down in basements, catnapped under chairs in school lunchrooms and slept on pews in churches.

**One little 4-year-old girl, blonde and blue-eyed, used her sister's back for a pillow at the Roy Miller High School in Corpus Christi. The floor was hard but she did not whimper.**

There were bizarre incidents. One middle-aged family from Lamarque, Tex., went to Bryan for shelter. They found shelter with Ollie Kennedy, a Bryan painter. Kennedy is a brother to the hurricane refugee. They had not seen each other for 18 years.

* * *

Adam Fontenant, 57, of Orange, faltered under the strain of moving to safer ground. He died of a heart attack in his sleep in the Orange National Guard Armory as he slept among hundreds of other refugees.

**There were dangers. Deadly cottonmouth moccasins and diamondback rattlesnakes slithered through the streets. In Galveston, highway patrolman Weldon Parson, a crack pistol shot, killed 40 of the snakes. The reptiles were driven from the swamps by floodwaters.**

There were light moments. One man from Port Arthur wanted to know where he could do some cooking.

It turned out he had brought 40 pounds of meat to feed his wife and seven children. He was accommodated in a cafeteria kitchen.

* * *

The Red Cross called it the greatest mass exodus of humanity in history in the face of a natural calamity. There were estimates that 500,000 persons fled inland from the Texas coast.

There was no way to tell just how many did head inland from the lethal hurricane.

# New Courthouse Speeches Give Praise Unto Taxpayer

By GEORGE T. TRUMBULL JR.

Everybody but the all important taxpayer, who was nearly overlooked, was the recipient of praise heaped six stories high at dedication ceremonies for the county's elegant new courthouse Saturday.

As one judge put it: "They ought to have a plaque put over that jury box 'To the forgotten taxpayer!'"

* * *

It was a festive occasion full of smiles by county supervisors and officials who had all but forgotten that county taxpayers more than once rejected the new building.

The supervisors went ahead with a "pay-as-you-go" financing plan.

**Standing among the colorful floral arrangements which dotted the terrazo front lobby, Springfield Township Supervisor John L. Carey, said, "It's paid for and we don't have to go to them for money. Whether they like it or not, it's paid for."**

Saturday's throng looked like a reunion of Oakland County government leaders. Many former supervisors, who once had qualms about going ahead with the $3.5-million project in the light of voter disapproval, came back and mixed cordially with those who have been for it all along.

* * *

Maybe it was the suffocating 87-degree heat which kept many of the taxpayers away. Some 450 persons attended the ceremonies.

**Thanking those leaders responsible for the courthouse in behalf of the judges who will hold court there, senior Circuit Judge H. Russel Holland said "let us not forget the often forgotten taxpayer. They also serve."**

Chief Justice John R. Dethmers of the State Supreme Court was the main speaker.

D. B. Varner, chancellor of Michigan State University Oakland, spoke in behalf of the "Citizens of Tomorrow."

**ACCEPTS BUILDING**

Varner accepted the six-story structure "as a commitment to the future."

It was Justice Dethmers' court, by a 4-3 decision in February of 1959, that gave the green light to construction of the new courthouse. The court reversed a lower court decision and upheld the county's controversial accumulation of funds.

Justice Dethmers ruled in favor of the county.

The Oakland County Taxpayers' League had protested how these funds had been acquired.

**The legal battle was a thing of the past as Birmingham Supervisor David Levinson, chairman of the Board of Supervisors' Ways and Means committee, with the aid of Mrs. Levinson, unveiled a 4-by-6-foot white bronze dedication plaque in the lobby of the courthouse.**

It took five minutes for County Clerk Register Daniel T. Murphy Jr. to read off the 131 names on it. These were the supervisors who had served or are serving on the board during the ups and downs of courthouse plans.

Both Justice Dethmers and Sec-

**DEDICATED TO JUSTICE**—This photo from the top of the new county courthouse shows a portion of the 450 persons that attended the Saturday dedication of the $3.5-million building in the Telegraph Road County Service Center. Secretary of State James M. Hare is at the microphone.

# 'Peaceful' Reds Assure World

## Words Follow N-Blasts, Announced Series of Rocket Tests, However

By United Press International

The Soviet Union sought to assure the world today that its intentions were peaceful, but the words were salted with two more nuclear explosions and announcement of a new series of rocket tests.

Foreign diplomats in Moscow said they detected a milder tone on the part of Premier Nikita S. Khrushchev in a weekend speech in Stalingrad in which he said there were "hopeful signs" for peace negotiations with the West.

## West Lays Groundwork for Ministers' Talks, P. 18

**But hours after Khrushchev spoke, the Soviet Union Sunday detonated the 5th and 6th nuclear explosions of its current series.**

The U. S. Atomic Energy Commission said the 5th test had an explosive yield equivalent to several million tons of TNT — the largest since Russia resumed testing a week ago Friday.

It was so big that five Japanese monitoring stations detected it although they did not pick up the other explosions. Both of Sunday's blasts occurred near Russia's Arctic testing area of Novaya Zemlya.

**PREDICTS SUMMIT**

Indian Prime Minister Jawaharlal Nehru, returning home from four days of talks with Khrushchev, said he was "sure" there eventually would be a meeting between the Soviet leader and President Kennedy, although he did not predict when.

Khrushchev himself repeated in his Stalingrad speech that the Soviet Union was ready for negotiations, but again he made it clear he intended to bargain on his own terms. He gave no hint that Russia was ready to give in on any points.

* * *

The increased power of Sunday's first explosion supported the U. S. government's belief that the Soviet Union is trying to explode a weapon of sufficient power to buttress Soviet claims of being able to build a 100-megaton bomb.

## Pigskin Special!

**The Pontiac Press will provide a 50 yard line seat for King Football tomorrow with the publication of its third annual pigskin special.**

* * *

**A 10-page tabloid section previewing the 1961 grid campaign. Prepared by The Press sports and photographic staff, will run the gamut of the American football scene.**

## The Race With Ruth

**The magic number is 10 games for Roger Maris and Mickey Mantle in their attempt to equal or crack Babe Ruth's home run mark. Mantle hit his 53rd Sunday against Cleveland and Maris picked up No. 56, Saturday**

| | Homers | Games | Date |
|---|---|---|---|
| Maris | 56 | 144 | Sept. 8 |
| Mantle | 53 | 144 | Sept. 10 |
| Ruth | 56 | 148 | Sept. 22 |

# Catholics Battle Castro's Militia

**By JOSE MARIA ORLANDO**

HAVANA (AP) — Roman Catholic demonstrators shouting "Cuba yes, Russia no" fought police Sunday night in an unusual show of defiance of the Castro regime.

* * *

Shots were fired as the police and militia broke up a march on the Presidential Palace. One man was killed, three wounded and scores suffered bruises from police clubs.

**4,000 DEMONSTRATE**

The anti-Communist outburst erupted after about 4,000 Cubans massed in downtown Havana for the annual procession of Our Lady of Charity, patron saint of Cuba.

* * *

For five hours as they gathered in front of the Church of Charity shouts rang out denouncing the Soviets. Many shouted "Long live Jesus Christ."

Word that the Interior Ministry had banned the procession sent the demonstrators into a fit of anger and they started to march on the Presidential Palace.

**FIGHTING ERUPTS**

The fighting erupted as the police and supporters of Prime Minister Fidel Castro pitched in to break up the crowd. An announcement that the authorities had granted permission for the procession failed to quiet the crowd.

Church authorities stepped in and called off the procession. A priest pleaded with the demonstrators to go home.

**IGNORE APPEALS**

The crowd ignored the appeals.

Shots — apparently fired by police and militia — sent hundreds in a wild scramble for cover. Others tangled with the police and militia for more than an hour before order was restored in the narrow streets around the church.

Many of the wounded were taken into the church for first aid.

About 300 of the demonstrators managed to break through to the Presidential Palace. A guard there talked to them and finally persuaded them to go home.

It was the first outward show of violence against the Castro regime's close ties with the Communists since the abortive invasion by Cuban exiles last April.

# County to Elect 7 for Con-Con Confab

(Continued From Page One)

nagh (D) and Richard C. Van Dusen (R).

District 5 — Avern L. Cohn (D) and Arthur G. Elliott Jr. (R).

District 6 — Lee Walker (D) and Dale Edwards (R).

* * *

Campaigning has been below that experienced at usual elections.

Murphy warned that those favoring a split ticket among the two delegates they'll chose should be sure to familiarize themselves with the procedure before entering the voting machine. Precinct election workers will assist, he said.

**At the state level, elections director Robert M. Montgomery guessed that about a million voters would cast votes tomorrow.**

Among the 286 major party candidates and 73 minor party nominees on tomorrow's ballot were a host of former legislators, judges, political party officials, educators, farmers, lawyers and businessmen.

* * *

Republican spokesmen held high hopes for gaining control of the convention. The GOP holds a 78-66 edge in the legislature.

Democrats, however, counted on at least narrowing the margin in the convention to consider revisions to the 1908 constitution. One party spokesman said the Democrats would produce an "effective minority" regardless of the margin.

Both county political chairmen, James M. Ginn of the Democrats and Elliott of the Republicans, warned of what apathy could mean to the election and ensuing convention.

**"If we fail to meet our responsibility to vote in Tuesday's election," Ginn said, "we can look forward to more years of bitter political strife, of continued stalemated government that fails in its responsibility to meet the needs of Michigan people."**

"Apathy could conceivably doom the convention in advance, said Elliott.

Although the election is partisan the GOP chairman and nominee urged voters to put aside partisan differences and elect the best qualified men.

# Youth Drowns in Avon Twp.

## Boy Became Tangled in Weeds After Dive From Raft

A 14-year-old Shelby Township boy drowned yesterday while swimming in Walker's Gravel Pit near John R and Avon Roads in Avon Township.

**Oakland Drowning Toll in '61**
**25**
**Last Year to Date: 13**

The victim, John Palmer of 53205 Brookfield Court, became tangled in weeds after diving from a raft. A companion, Michael Lucas, 14, of 1675 John R, went for help when his friend failed to surface.

**Edward Biroth and Harold Spangler of the Brookland Fire Department recovered the body from 10 feet of water about 25 feet off shore.**

Efforts to revive the boy failed. He had been under water approximately 10 minutes. Oakland County deputy coroner Dr. Isaac Prevette pronounced him dead at the scene.

## Arrives in Moscow

MOSCOW (UPI) — Cuban President Osvaldo Dorticos arrived today by plane for a visit, Moscow radio said. The broadcast said President Leonid Brezhnev greeted the Cuban president and accompanied him during an hour guard review.

## Adenauer Now Says Nikita Betting on Him

MINDEN, Germany (AP) — Chancellor Konrad Adenauer did an about face today and declared Soviet Premier Khrushchev is betting on him to win next Sunday's West German election.

Until now, he has insisted the Kremlin was pulling for his Socialist opponent, West Berlin Mayor Willy Brandt.

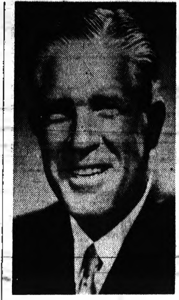
NATIONAL WEATHER — Rain and winds from hurricane Carla will dominate the Texas and Louisiana coastal areas tonight. Showers are forecast for the Northern and Central Plateau, the Middle and Lower Mississippi Valley and the Great Lakes area.

# Eyes of Michigan Focused on Romney-O'Brien Battle



GEORGE W. ROMNEY

WILLIAM A. O'BRIEN JR.

(EDITOR'S NOTE: Besides electing a delegate from their individual state representative districts, all Oakland County voters tomorrow will also elect a delegate to represent the county's 12th Senatorial District.)

All the state will be looking toward Oakland County tomorrow to see how political novice George W. Romney, considered by many as "Mr. Con-Con," fares in the balloting for convention delegate against lesser known Clawson attorney William A. O'Brien Jr.

**REPUBLICAN: George W. Romney, 54, 1830 E. Valley Road, Bloomfield Hills, president American Motors Corp., chairman Citizens for Michigan, attended University of Utah and George Washington University two years, holder of three honorary degrees, managing director Automotive Council for War Production, chairman of study committee on Detroit school needs.**

**DEMOCRAT: William A. O'Brien Jr., 31, 1351 N. Selfridge St., Clawson, city councilman, Holy Cross College graduate, attorney, Yale University Law School graduate 1957, nominee for state representative 1960, county member Democratic State Central Committee.**

O'Brien and Romney were asked the identical questions by The Pontiac Press which publishes their answers verbatim in hopes of a more enlightened electorate going to the polls tomorrow. The questions were:

**What do you see as the greatest need in revision of the constitution?**

**What are your views on the legislative apportionment issues?**

**If you believe there are changes necessary in either or both of the executive or judicial branches of state government, what do you feel then are the most pressing issues?**

**Why do you feel you are more qualified than your opponent for the position of constitutional convention delegate?**

**ROMNEY'S ANSWERS:**

1. Michigan urgently needs a constitution that is a clear, simple, basic statement of principles and rules by which the people of this state choose to be governed, avoiding the kind of statutory detail that has perverted the purpose of the existing document, and created the need for the forthcoming convention.

* * *

To produce such a document, I believe our greatest need is for informed delegates of good conscience, representative of all the citizens of the state, uncommitted to special area, group or organization interests, who will keep an open mind on basic issues until there is an opportunity to consider them against the background of complete discussion and review within the convention itself.

2. I believe the legislature should be reapportioned in accordance with the two principles of representation on the basis of population, and adequate representation of less populous areas for the protection of minority rights.

3. The executive and legislative departments should have authority commensurate with their responsibility, and clearcut accountability for their acts.

**I favor reduction in the number of elected officials, as one step in this direction.**

And I favor improvement in the procedure for securing Supreme Court justices and other aspects of the judicial system.

4. Rather than undertake a discussion of my qualifications, I would prefer to let them speak for themselves.

**O'BRIEN'S REPLIES:**

1. Greatest need in the revision of the present constitution is to restore representative government to the state of Michigan, and thus to restore the confidence of the people in their State Legislature.

**This can only be accomplished through a meaningful reapportionment of both the State Senate and the State House of Representatives.**

Every citizen in this state should have one vote, no more and no less, for their state representatives and senators.

* * *

Any system which permits one representative for Oakland County's 3rd District with 130,000 people, and also permits one representative for a House district in Wayne County with only about 30,000 people is iniquitous.

2. I favor reapportionment on a strict population basis. Any other scheme will deprive the people of Oakland County of the representation that should be theirs. We are the second most populous county. We are the second richest county in the terms of taxes contributed to the state.

**Our taxes demand that we be represented. Additionally, the ultimate minority is the individual citizen. That system which protects the largest number of minorities, or citizens, is the fairest and the most popular representation.**

To return to popular representation is to return to the constitutions of 1837, 1852 and 1909. It is to return to the system of our forefathers, devised long before the rise of partisan parties. It is to return to the system that has made Michigan great and will again.

3. I favor reducing the number of elected officials, and reducing the number of state elections, and thus to eliminate the excessive preoccupation with constant politicking that harasses our state.

**The governor and lieutenant governor should be elected for four-year terms. The auditor general should be appointed by the State Legislature. The remainder of the administrative board should be appointed by the governor.**

I favor the continued direct election of judges. The only two suggested alternatives, appointment by the governor, or appointment by a commission, are basically devices to thwart a hard-won historical right of the people.

4. I have respect for my opponent as a successful businessman, although I disagree fundamentally with some of the views he has expressed which I am convinced are not in the best interest of the people of Michigan, although they may be good for certain special interest groups.

**I hold the earned degrees of A.B. Holy Cross, L.L.B. Yale University. I was a law school lecturer.**

I am a practicing attorney, and a Clawson councilman.

I served seven years in the Navy and hold the rank of lieutenant commander. Government is my business and I know it.

Compare my qualifications with those of my opponent and remember that you want honest representation.

# Hurricane Winds Reach 173 M. P. H.

(Continued From Page One)

**record exodus of residents from the two-state coastal region.**

Two refugees died of heart attacks. An infant died and 37 persons were injured in Kaplan, La., when a Carla-spawned tornado struck the town Sunday.

* * *

One man was bitten by a snake in Galveston, but was recovering after treatment.

**Officials began evacuating remaining residents in downtown Corpus Christi, a city of 170,000 population. Only about 10,000 people had fled the city during the weekend.**

Winds in the city proper rose toward 100 miles an hour, ripping off many roofs and causing buildings to shake.

The 173-mile-an-hour blasts were outside the city, across Corpus Christi Bay.

**113,000 MORE FLEE**

A surprising second wave of evacuation from the coast sent more than 113,000 additional persons to inland shelter.

* * *

Red Cross disaster headquarters in Austin estimated a total of 142,353 persons in 449 shelters in 63 Texas counties. Sunday morning there were only 29,149 in 212 shelters.

As far inland as Bay City, 20 miles from the coast Carla's slashing winds ripped out power service and telephone communications.

**At Port Lavaca, on Matagorda Bay, 9,200 of the city's 10,000 persons left for high ground and winds reached 70 m.p.h.**

Shortly after daybreak, tides surged to 10.7 feet above normal at Port Aransas.

**Sheet metal, poles,** broken glass and trees flew through the air in Corpus Christi. National Guardsmen patrolled against looting.

Corpus Christi reported nearly five inches of rain since midnight and the deluge continued. Thousands of telephones went out of operation there.

* * *

**Surging waves tossed a large shrimp boat atop a 15-foot seawall. All of North Beach at Corpus Christi flooded. It is crowded with beach houses and motels.**

The 173-mile winds struck Port Aransas about daybreak.

**MOST INTENSE**

The Weather Bureau office in Chicago, labelling Carla the most intense hurricane to strike the Texas coast this century, said perhaps it may be the worst in Texas history.

* * *

The coast gave the appearance of a swampland dotted with flooded buildings.

**Communications began to falter in the storm area from Houston and Galveston, south to Corpus Christi as telephone poles snapped like match sticks.**

Telephone and electric power lines lay like tangled spaghetti on the ground in many areas. Six cities were without long distance telephone service.

* * *

Many of the towns and cities on the coast were ghost towns, only a handful of persons, mostly disaster crews, remaining.

* * *

**Boats cruised the downtown streets of Galveston, where water rose 5 to 6 feet deep in a 120-block area. Tides were 10 feet above normal and still rising at the island city.**

Ninety per cent of the 35-by-2-mile island was under water, but at a late hour only about 10 per cent of homes were awash.

* * *

A 17-foot seawall offers major protection from the battering of high tides and waves from the Gulf side of the island, but tides push water through the unprotected back and sides of the city and surrounding area.

# Dag Will Fly to Congo for Aid Discussion

UNITED NATIONS, N.Y. (UPI) — Secretary General Dag Hammarskjold disclosed today he will leave by plane Tuesday on a visit to the Congo.

* * *

Hammarskjold will go directly to Leopoldville on a Pan American World Airways plane, leaving New York about 5 p.m.

# 10,000 in Walkout at 3 GM City Plants

(Continued From Page One)

tinue either later today or tomorrow.

Although GM and the union reached a national agreement last week on economic issues, the local problems threatened today to force a shutdown at the giant industry by tonight.

* * *

Meanwhile, the International Union of Electrical Workers and GM announced they were extending their contract deadline from 10 a.m. today until midnight Thursday. The IUE represents some 25,000 GM hourly rated workers.

**As the strikes erupted, the United Auto Workers announced in a statement that a stalemate had developed in negotiations on noneconomic national level issues with General Motors.**

The UAW said "the question of adequate relief is a matter of dispute in a large number of plants, especially Fisher Body assembly plants and the Buick-Oldsmobile-Pontiac assembly plants."

* * *

In Grand Rapids, some 1,300 employes of General Motors diesel equipment division remained on the job but another 4,100 workers at two GM Fisher Body factories did strike at 10 a.m.

* * *

Walkouts were also reported at the Chevrolet plant and two Fisher Body plants in the Cleveland area where some 10,700 employes went on strike, and at three Southern California assembly plants employing some 5,700 union members.

## Underwriters to Mix Business, Pleasure

Business and pleasure will be mixed at the first fall meeting of the Pontiac Life Underwriters Association scheduled for 8:30 a.m. Wednesday, at the Pontiac Country Club, 4335 Elizabeth Lake Road.

A talk on "The Man in Salesmanship" by George Grand of the Prudential Life Insurance Co. will be followed at 10 a.m. by relaxation on the golf links.

## Sees No New Taxes Despite Large Deficit

WASHINGTON (AP) — The government may go $6 billion in the red for the current fiscal year but administration will not ask new taxes unless world conditions grow worse, says Secretary of the Treasury Douglas Dillon.

Earlier administration estimates were for a deficit of about $5.3 billion for the fiscal year ending next June 30.

The United States Information Service now has 31 offices in Africa.

# Police Seeking Rochester Man in Attack on Wife

State and local police today were seeking a 60-year-old Rochester man in the alleged beating of his wife who was hospitalized after being assaulted with the blunt end of a hand ax this morning.

* * *

Rochester Police Chief Sam Howlett identified the man as C. O. George of 147 Highland St., a distributor for the Gulf Oil Co.

**His wife, Betty, 55, who suffered cuts and bruises about the head and arms, was reported in satisfactory condition this afternoon at St. Joseph Mercy Hospital.**

Howlett said George fled after the assault at about 10 a.m. in a gray 1957 Cadillac. The license number was GK 2779.

Neighbors heard Mrs. George scream. They rushed to the home and called police, according to Howlett.

## Europeans Riot in Oran; Moslems Are Wounded

ALGIERS, Algeria (UPI) — A crowd of Europeans went on a rampage in Oran today, looting and burning shops and wounding a number of Moslems.

The rioting began after a Moslem terrorist stabbed and seriously wounded a Jewish barber. When news of the attack spread, many Jewish residents left their homes where they were observing the Jewish new year.

# Dedicate Oakland Courthouse

(Continued From Page One)

retary of State James M. Hare, who accepted the building in behalf of the state, said it stood as a challenge to the longevity of local government, something, they said, might come in for a test in the forthcoming constitutional convention.

"This is evidence that you people in Oakland County want to maintain local government close to home where it will be responsive to the will and wishes of the people," Justice Dethmers said.

Supervisors, officials, their wives, some county employes and others sat beneath the traditional bunting-trimmed stand erected on the east parking lot. Music was provided by the Pontiac Central and Northern High School Bands.

**Maintenance crews directed by Ken Vanmatta worked during the last week approximately 18 hours a day in order to finish the sodding and planting of shrubs where the program took place. Colorful gladiolas were placed around a spot in a shrub-filled bank where "Oakland County Service Center" has been spelled in rocks.**

"Before us," said Congressman William S. Broomfield, R-Oakland County, "we have a decade of work, of planning, of saving to build this structure from an idea in the minds of a few dedicated men into the living reality we have before us."

Broomfield said everybody in the county must strive "to see to it that this marble, this glass and this steel remain true to these precepts upon which we base our law."

**'VISION CLEAR'**

"We must see to it, through our votes, that our integrity remains as firm as the rock from which these walls were fashioned; our strength to fight and strive for what is right and just is as strong as the steel which holds this building upright; and our vision is as clear and unclouded as the view through these spacious glass windows."

**One of the many who toured the building after the ceremony was former Circuit Judge Frank L. Doty, for whom a special plaque from the Oakland County Bar Association has been placed on the third floor.**

"I'd like to hold court here for a day at least," said Judge Doty who spent 32 years on the bench in the old downtown courthouse.

Bernard Girard, president of the 356-member bar association, thanked the county in behalf of all the attorneys who will practice in it.

**MR. HAAS WAVES**

Waving from the six-story law library office window when he was introduced was Joe Haas, county historian. He remembers placing a copy of his former newspaper in the cornerstone of the old courthouse at dedication ceremonies held in 1905.

**"We accept this building and pledge our support in the continuing progress of Oakland County," said Mayor Philip E. Rowston for the city of Pontiac.**

Hare said: "This building is an example of the kind of belief of doing things for yourselves, of being self-reliant, of reaching and finally realizing and doing something about your own problems."

This, Hare said, contrasts with the state government doing the job.

* * *

"We applaud Oakland County for what it has done here and wish all counties could take the same initiative," the secretary of state said.

* * *

More accolades will come to the county 18 months hence when the judicial building's west administrative wing is dedicated.

Ground was broken for it before Saturday's dedication.

# Engineer at MSU Burned by Current

EAST LANSING (AP) — A short circuit in a 4,100-volt transformer injured an electrical engineer at Michigan State University today and temporarily disrupted power service on the campus.

**Joseph Kavanagh, 32, Haslett, suffered first degree burns on his face, neck, shoulders and arms. Doctors at the University Health Center said he was in good condition.**

Spencer Mead, 46, and Ernest Wright, 45, employes of a Lansing electrical contractor, escaped injury.

The accident occurred when Kavanagh opened a switch on the transformer, causing the current to arc. There was no fire.

**The Day in Birmingham**

# To Request Amendment of Planning Application

BIRMINGHAM — The City Commission tonight will be asked to consider amending the city's 701 urban planning application to include the purchase of aerial photographs and contour maps.

City Manager L. R. Gare said that he recently has been advised that it is possible to include the cost of the photos and maps in the application since it has not been forwarded to the federal government by the state.

**Gare explained that the cost of the mapping would not increase the city's share of the 701 program because its financial participation has been decreased since funds were first budgeted.**

Because of a change in classification the city's share of the program now is only 25 per cent as against the original one-third participation.

* * *

The combined budget for the aerial photography and the 701 program is $10,200.

**The city's cash contribution toward the 701 plan, if the aerial photos and contour maps were included, would now total $5,135 or approximately $3,665 less than the budgeted amount.**

Gare noted in his recommendation the high cost of the contour maps alone but said that once they are received they would not have to be acquired again.

"They would be very valuable to the city, particularly in its study of relief sewers and flood plan control," Gare said.

Birmingham Chapter 220, Order of the Eastern Star, will hold its advanced officers night Sept. 20 at 7:45 p.m. at the Birmingham Masonic Temple.

The Birmingham Recreation Board will meet 8 p.m. Thursday in the Municipal Building to discuss the joint meeting of the group with the Birmingham Board of Education and the City Commission Oct. 4.

**William H. Clemons**

Service for William H. Clemons of 24035 W. 13 Mile Road, Beverly Hills, will be 2 p.m. Thursday at the Manley-Bailey Funeral Home. Burial will be in the Franklin Cemetery.

Mr. Clemons died Sunday following a short illness.

He was a member of the Franklin Community Church.

Surviving are a daughter, Mrs. Harry Rayner of Farmington; a son Willie B. of Southfield; a sister Mrs. Andrew Bawden of Franklin; three grandchildren and four great-grandchildren.

**Avery Ann Guething**

Service for Avery Ann Guething, 14, daughter of Mr. and Mrs. Theodore H. Guething, 581 Lake Park Drive, will be 3 p.m. tomorrow at the First Methodist Church.

Avery Ann died Saturday in Boston, Mass., following an illness of several months.

She was a ninth grade student at Kingswood School in Bloomfield Hills.

Surviving besides her parents are a sister, Stephanie; two brothers, Theodore III and Carl; and grandparents, Mr. and Mrs. Carl T. Guething and J. Avery Guyton.

# Family Is Safe After Day Adrift on Saginaw Bay

A desperate, lost weekend found a happy ending for a Drayton Plains couple and their three children yesterday when they were rescued after drifting 25 hours in a 16-foot outboard boat on Saginaw Bay.

* * *

A fishing boat from Caseville, Mich., found the family apparently in good condition. They are Lawrence Dunwoodie, 36, of 3621 Waringham Drive; his wife, Marie, 35, and their children, Erin, 10; Brian, 9; and Lauren, 2.

* * *

**The five became victims of winds and currents after their propeller shaft snapped and they lost an anchor Saturday. They sustained themselves with food from a picnic basket.**

Coast Guard aircraft and Huron County sheriff's boats began a search when Dunwoodie's brother, John, of Detroit, reported his relatives missing late Saturday night. John has a cottage on the bay.

## Opens Talks on Berlin

# World Wavers as Congress Talks Stamps

By RUTH MONTGOMERY

WASHINGTON — It's a whacky, dangerous, crazy world we live in, and it may yet stop whirling long enough to let us all get off — permanently.

**Premier Nikita Khrushchev, the greatest liar of the atomic age, announced piously a few years back that the Soviets would never resume nuclear testing, unless the Western Allies did it first. This month he resumed testing of the worst possible kind — in the atmosphere — without so much as a by-your-leave to the United Nations.**

The world Commie boss has now sent chills down Western spines by this utterance at a luncheon in Moscow for Indian Prime Minister Nehru: "The Soviet Union . . . will never be the first to use arms, will never take the road of unleashing war."

* * *

Since Khrushchev has a well documented habit of doing exactly what he says he won't do, this was less cheering news than if he had threatened todrop a bomb on Washington a week from Sunday.

**Whacky? Yes! But not as whacky as a syndicated columnist who recently visited with Nikita at his Russian dacha, and then had the incredible naivete to write that "President Kennedy and the American people lost a good opportunity to make a friend of Khrushchev," because President Kennedy stood up to him at Vienna.**

While all of this has been going on, and the free world totters on the brink of extinction, guess what our legislators are up to? Well, the Senate stayed in session until nearly nine o'clock the other night to approve — among other things — a bill which will allow Washington merchants to offer trading stamps and gifts with purchases.

TO WHITE HOUSE

The measure, which repeals an old district statute forbidding retail merchants to offer gifts of any type with purchases, had been passed by the House last month.

**It now goes to the White House, where the President can take time off from Berlin Crisis, nuclear testing, the moon race, and foreign aid grants to double-crossing "neutral" nations to sign it.**

Congress soberly debates and passes far more trivial bills than that one, and in fact this one was importantly reported on the front page of the Washington morning paper, just under the masthead.

A few days earlier, our representatives in Congress also debated the pressing problem of whether to permit stand-up drinking in Washington, or whether patrons must remain seated while they have a glass of booze in their hands.

**How silly can we get? Humanity may be in its last stages, unless Providence intervenes to rid the world of Kremlin madmen and our own inanities; yet these half-pint bills which concern only a relatively few people in the District of Columbia occupy the time of our national law-making body. All such matters should be turned over to locally elected officials, of which we have none.**

While the world threatens to burn itself out in frightful holocaust, Congress has also been fiddling with the problem of what kind of memorial to build to Franklin Delano Roosevelt.

GREAT STONE SLABS

At first the big brains were ready to proceed with a prize-winning design for erecting a series of great stone slabs. Since this would surely have suggested the world's largest graveyard, cooler heads finally killed that threat to our sanity. The learned lawmakers are now debating such substitutes as a garden along the Potomac, or a graduate school of politics.

**This correspondent has a different idea. Why not a massive filtering plant that would rid the beautiful Potomac River of its shameful pollution and stench?**

Or better still, a master plan to rid the atmosphere of polluting war clouds, and the earth of atomic fall-out?

## Girl Gives Up Scholarship to Attend MSUO

An 18-year-old girl who graduated at the head of her high school class of 142, has given up a General Motors scholarship at another Michigan college in order to attend Michigan State University Oakland on the Trimester Plan which begins this month.

She is Miss Ingrid Ohlhaver of 2980 13 Mile Road, who had a nearly all-A record at Lake Shore High School.

**Miss Ohlhaver said she changed her plans and applied to MSUO when she heard of the year-round operation which will allow her to complete her undergraduate work in two and two-thirds years instead of the usual four.**

"And then I went to look at MSUO and I was sure that I wanted to go there," Miss Ohlhaver said.

Planning a career in secondary education, she will live on the MSUO campus.

A member of the National Honor Society, she was assistant editor, then editor of the school paper; editor of the yearbook, president of the French club; a member of the senior play cast and a representative at Girls' State.

Miss Ohlhaver is the daughter of the Gerhard Ohlhavers, of St. Clair Shores.

## Warn Fake Eskimo Art

OTTAWA (AP) — The Northern Affairs Department has warned buyers of Eskimo carvings to be on guard against factory-made fakes. It has registered a trade mark in the form of an igloo with the words "Canadian Eskimo Art" to distinguish the genuine from imitations.

## Set Asian Peace Parley

TOKYO (AP)—Delegates from 19 nations will attend an Asian conference on world peace through law here Sept. 17-20.

## Leipzig Fair Business With West Off Third

BERLIN (AP) — The International Leipzig Consumer Goods Fair closed Sunday and organizers said business with the non-Communist world was more than one-third below last year's level.

The official East German news agency ADN said East-West sales totaled 778 million east marks—about $186 million at the official rate. The figure carried by ADN last year was 1.17 billion marks—about $280 million.

## 4,000 Protest N-Tests

LONDON (AP) — About 4,000 pacifists marched to the U.S. Embassy Sunday night and delivered a letter urging President Kennedy not to resume U.S. nuclear tests. They protested against what they called U.S. "tit-for-tat" nuclear policy in reacting to the resumption of Soviet tests.

---

The word pinto probably came from the Spanish adjective pintado, meaning painted or mottled. At least one pinto horse landed in America with the Cortes expedition.

## Ecuador Farm Reform

QUITO, Eucador (AP)—A goverment commission has drafted an agrarian reform program to cost $26 million in its initial stage. If congress approves, the government hopes to borrow the money from the Inter-American Development Bank and other agencies.

## JFK's Prolabor Policies Irk Business Leaders

Several Washington news letters are pointing up the fact that hostility toward President KENNEDY has been gaining momentum among our business leaders.

★ ★ ★

Business interests are not irked at KENNEDY personally, but they are upset by many of his policies. They say, and we are inclined to believe that the image he is setting up definitely looks prolabor.

**Many of the moves since the first of the year bear out this impression. Just look at a few all of which are pretty much directly from the White House.**

★ ★ ★

Atty. Gen. ROBERT KENNEDY started right off with several antitrust moves. TV took it on the chin along with gas and oil and communication interests. Another to be singled out was the steel industry that received a verbal scolding.

★ ★ ★

**Many Democrats from Capitol Hill sounded off, and although they were not speaking for the administration, their blasts against industries helped kindle the present feeling. The talk of holding prices, but allowing wages to increase, furthered the anti-business and prolabor picture.**

★ ★ ★

When you snub someone, feelings are bound to be hurt, and that too has happened. Sec. of Commerce HODGES brushed off the Business Advisory Council and pushed it aside. And then the President himself gave the high hat to the U.S. Chamber of Commerce meeting in Washington when he declined to address the group.

**This in itself hurt many business leaders from all across the country. Then the Government is constantly harping about good business conditions and plans for a boom when the cold facts did not show this to be true.**

★ ★ ★

If our business leaders are convinced that the administration is against them we will all suffer in the long run. For our country to move ahead as it should, a neutral position should exist between our Government and both labor and business. If the Government is not biased prolabor it should start now to rebuild some of the fences it has torn down.

## Jewish People Observe High Holy Days

Pontiac's Jewish community has begun observance of the High Holy Days, the most sacred period of the religious year.

★ ★ ★

**Like others of their faith throughout the world, they are today celebrating Rosh Hashanah, the Jewish New Year (5722), with special prayers stressing repentance and divine mercy.**

★ ★ ★

To our fellow citizens of the Jewish faith we extend the greeting: "Leshanah Tovah Tikasevu." May you be inscribed in the Book of Life for a happy and prosperous year.

★ ★ ★

**We share in the hope that the mighty blasts of the shofar (ram's horn) which climax Rosh Hashanah worship will, as Jewish sages say, herald an era of peace and good will for all mankind.**

## Who's Ahead?

*Fortune* Magazine reports that Americans now own financial assets worth a trillion dollars. This would cheer us up in these gloomy times, except that we remember another compilation.

★ ★ ★

**Maurice Stans, then Director of the Budget, reported last year that the U.S. owes in national debt, social security commitments, retirement funds and other obligations, a trillion dollars.**

★ ★ ★

So the U.S. owes everything we citizens own, and the debt is growing.

The Man About Town

## Warn Children

### About Actions While They Wait for Their School Bus

**Busting at the seams: Tiger stadium in that coming Yankee series.**

The school year has only just opened when complaints begin to arrive about children endangering themselves and others while waiting for their school bus. A strict warning by parents and teachers is in order.

The buoyancy of youth is hard to curb, even for a few moments, and they are prone to playfully push each other around. In this way a child is liable to step in the path of a passing car.

This not only endangers the child, but can cause a collision, when a motorist endeavors to dodge a youngster. Tell them to invariably stay in line.

And, drivers, remember that you must stop BOTH ways for a school bus.

**In response to many inquiries, we are pleased to announce that this column's annual football contest will be announced tomorrow, with $300 in U.S. savings bonds as the prize.**

According to a letter from
**Gilbert Orthway,**
of Detroit, formerly of Pontiac, the courthouse now being abandoned was supposed to front on Huron St. when built, but later remodeling made the principal front on Saginaw St.

The Old Farmer's Almanac prediction for the Pontiac area this week:
**"Sun on again, off again; Finnegan."**

Fourteen feet and seven inches is the height of a sunflower in the garden of
**Mr. and Mrs. Clare Carpenter**
of Commerce, who have several others almost as tall.

The 13th in a family of 13 children, the birthday of
**Mrs. Lydia Hutchison**
of Waterford, is on the 13th of September. That may be an unlucky number for some people, but Mrs. Hutchison has not found it that way—she's 84.

Promising to wear a sunflower as a boutonniere to his work in Detroit every day,
**Roger Bonswald**
of Birmingham asked to change to carnations when the sunflowers got over a foot.

**Pontiac travelers tell me that our mosquitoes are less ferocious than those in other locations. Also that the smaller the skeeter the more ambitious its drill work.**

Ye amateur photographers, go after those prizes in the
**Pontiac Press Photo Contest,**
where a lot of easy money awaits you.

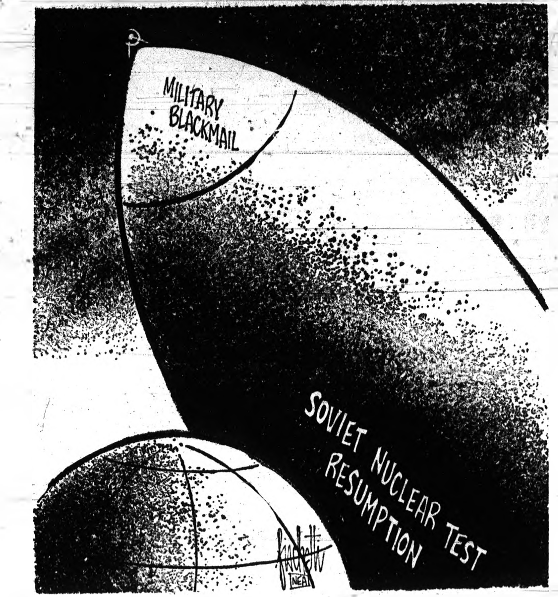
A hollyhock nine feet tall and with 63 blossoms makes
**Mrs. Anna Fallsworth**
of Rochester wonder if it can be beaten, especially on the number of blossoms.

Changing the color of flowers by feeding her plants colored water is a hobby of
**Mrs. Grant Brearley**
of Lake Orion. She says that many will not respond, but pink carnations are easily turned green. Coffee will darken petunias and poppies, and sweetened water will enlarge gladioli blossoms.

Soon celebrating his 86th birthday is
**Fred F. Stevens,**
former chairman of the Oakland County Republican Committee, and for many years dispenser of unquestioned justice in an Oxford court. Fred is surely a county stalwart.

## Verbal Orchids to—

**Mrs. E. Maxfield**
of 258 Orchard Lake Ave.; 93rd birthday.
**Mr. and Mrs. Leonard S. Tackabury**
of Union Lake; 55th wedding anniversary.
**Mr. and Mrs. Zach C. Boeberitz**
of Rochester; golden wedding.
**Mrs. Minnie Rohm**
of Davisburg; 84th birthday.
**Mr. and Mrs. M. G. Dunlap**
of Oxford, golden wedding.
**Garfield Montieth**
of Metamora; 82nd birthday.
**The Four Corners Press**
of Franklin; entering its 13th year of publication.



War Head

David Lawrence Says:

## Dem Policy Leading to Socialism

WASHINGTON — The Kennedy administration has crossed the Rubicon. It was decided to make war on conservative economics and embark on a course of radical economics.

LAWRENCE

It is ignoring the risk that it may plunge the country into more unemployment within the next 18 months and bring about the worst recession since the 1930s.

For President Kennedy has determined to put certain limits on business profits and the return on investments that stockholders have hitherto expected when putting their savings into private enterprise.

**The net result could be the gradual collapse of the private-enterprise system in America and the beginning of that era of socialism which Nikita Khrushchev has predicted will inevitably lead to communism in another generation in the United States.**

President Kennedy's crucial step came a few days ago when he openly threatened the steel industry with reprisals by government unless it agreed to forego any price increases at this time.

Kennedy vaguely promised that next year, when the unions ask for still higher wages, he would urge "moderation." He didn't define the term.

★ ★ ★

But the entire business world noted that Kennedy significantly refused to ask the unions at this time to forego the additional wage increases scheduled for them at the end of this month under a contract signed early in 1960 after a long strike.

★ ★ ★

The steel industry thus far has absorbed a 10 per cent rise in labor costs since 1958 without a price increase. Fair play would seem to require that, since the steel industry has already absorbed this large increase in wages without a price rise, the least that Kennedy might have done was to ask labor to cancel its increase scheduled for October 1 this year.

But the Kennedy administration has sitting in the Cabinet, as secretary of labor, the man who was general counsel of the biggest steel union in the country.

**Had there been a secretary of commerce in a Republican administration who had previously been a leader in the steel industry—either as president of a large company or as its principal negotiator just a few months earlier during a major strike—the howl that would have gone up about "conflict of interest" would have been heard from coast to coast.**

Kennedy himself has never been regarded as a radical, but he has surrounded himself with advisers who sincerely believe in government ownership. In giving their advice, they can hardly refrain from advocating a philosophy which could eventually mean the end of private capitalism in America.

**DON'T REALIZE**

Every one of these advisers hates communism and all that Khrushchev stand for, but, as is the case in Britain with the Socialist Laborites who favor nationalization of industry, they don't always realize the ultimate consequences of current action.

**Kennedy is not himself an economist. He finds himself lost in economic jargon and economic arguments, and tends to follow what seems to him a plausible policy.**

Meanwhile, the Department of Justice is engaging in a crusade against large business enterprises by brandishing antitrust suits in their faces almost every day.

It is interesting to note that the executives of the 12 companies which got the President's identical letter are virtually forbidden to discuss it with each other, since the subject is price making.

**The steel companies could be hauled into court for price collusion if they as much as sat down together to discuss what kind of replies they should make as an industry.**

Indeed, the future of all trade associations in America may well be in jeopardy if the Kennedy administration cries out "price fixing" every time business leaders go to an annual convention of their industry to discuss common problems, including threats coming from foreign competition.

★ ★ ★

The annual meeting of the American Iron and Steel Institute had, for instance, long been scheduled for this week, but it was canceled for fear that any meeting of steel executives at this time would be misunderstood. And all this happens in "free" America.

(Copyright, 1961)

Dr. Harold Hyman Says:

## *Silver Salts in Medicine Can Change Skin Color*

Q — Ten years ago my skin was a dark gray. Over the years, it has become darker until now it is almost a navy blue. What could cause this?

**A—The most likely explanation at this far distance is a deposit of silver salts. Have you ever made extensive use of nose drops containing silver salts? Or have you ever taken pills containing silver salts, once prescribed fairly widely in the treatment of stomach ulcers?**

Since you make no mention of disturbances related to your heart or lungs, I assume your strange discoloration may be from one of these or related causes. If so, discontinue exposure to the source and put your mind at ease since it is unlikely that the silver will produce any manifestations of a more serious nature.

Q—I am the mother of a 17-year-old girl who has contracted rheumatoid arthritis of knees and feet. My daughter made high school grades that would enable her to go to college, but with the burden of her illness, we cannot afford to send her.

I wonder if you could give me some information about some arthritis foundation that might make it possible for her to go to college.

**A—The Arthritis and Rheumatism Foundation at 10 Columbus Circle, New York City 10, N. Y., would have this information if it is available anywhere.**

Q—I have a problem with my 2-year-old. To state it simply, he rocks. He has been doing this regularly every day and night since he was six months old.

He rocks back and forth when he sits. He lifts his leg up and down in a steady rhythm to put himself to sleep. He rocks from one foot to the other when he stands. He rocks when he's asleep and sometimes bumps his head against the bedstead or wall.

Yet he is happy and normal in all other respects. Have you any idea why he does this?

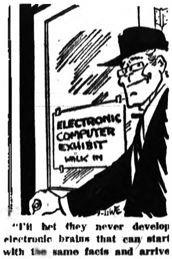
**A—I'm sure I don't know. But maybe you are raising another Elvis Presley. If so, what worries you now may prove to be a future gold mine.**

Q—My husband is a truck driver who drives through the night most of the time. He tells me that whenever he gets sleepy, he stops at coffee stands where he can get pep-up pills. Can these do him any harm? Is it safe for him to continue driving after he takes them?

**A—The pills your husband takes are probably a brand of amphetamine or some close relative of this drug.**

At this moment, the government has assigned a large squad of inspectors from the Food and Drug Administration to put a stop to the bootlegging of these pep-up pills that are useful when prescribed for specific medical complaints but most harmful when misused in the manner you describe.

### The Country Parson



**"I'll bet they never develop electronic brains that can start with the same facts and arrive at as many different opinions as people do."**

Voice of the People:

## *Asks Press to Editorialize on Defects of Communism*

For years the United States has been on the defensive from Soviet propaganda either denying or trying to ignore Russian lies and innuendos.

**The press of the United States could render a great service to the world if it cooperated in an extended propaganda campaign against those policies of communism that bear more heavily on its subjects.**

★ ★ ★

If our press would agree to editorialize frequently, vehemently, and positively about the obvious, world-known defects of communism, the cumulative effect would soon be evident. If each daily paper would publish three or four such editorials each month, the impact would soon be worldwide.

★ ★ ★

**The effect of such a campaign, completely devoid of governmental influence or persuasion, would have a telling effect on Europe and Asia. I do not think Russia could ignore an awakened worldwide awareness of her oppressions and tyranny.**

There is no Pravada or Investia in the United States. When one of our papers is quoted abroad it is still just one of America's newspapers.

W. T.

### Minister's Letter Receives Answers

**The Episcopal minister made a strong point when he said we could not stop helping the rest of the world just because we aren't perfect at home, but there's another important thing.**

The Episcopal Church and all the Freedom Riders would probably come nearer to the tenets of Christ if they struggled for improvement in their own regions instead of volunteering to leap in and "aid" the people in Mississippi who may prefer to have the interlopers tend to affairs at home.

**Observer**

Would the Rev. C. George Widdifield be happy if a group of Oregon Episcopalians swooped down on Pontiac to tell him and all the rest of our community how to handle our juvenile delinquencies and our own integration problems? Maybe they could stage a sit-down strike somewhere. If the good minister would be pleased himself, I assure him there are uncounted thousands of us who would be happy to pitch them out on their noses.

**Justling**

**THOUGHTS FOR TODAY**

**And he called his disciples to him, and said to them, Truly, I say to you, this poor widow has put in more than all those who are contributing to the treasury. — Mark 12:43.**

★ ★ ★

A bone to the dog is not charity. Charity is the bone shared with the dog when you are just as hungry as the dog. Jack London.

## Nikita Hasn't Budged on Berlin in 3 Years

By **JAMES MARLOW**
**Associated Press News Analyst**

WASHINGTON — Western diplomats, like scholars with magnifying glasses, examine Premier Khrushchev's every word on Berlin, looking and hoping for some shift, some change. There isn't any.

Khrushchev and his government have pumped out thousands of words in speeches and statements, playing nice guy and tough guy as they thought fit, since their first blockbuster on Nov. 27, 1958.

★ ★ ★

In that historic document Russia stated its case on Berlin. In the three years since it has made no basic change in its position.

Secretary of State Dean Rusk summed it up last Friday night when he said there is nothing in the "fine print" of Khrushchev's statements on Berlin to "show the path to agreement."

It was the diplomat's way of saying Russia hasn't budged.

**THREE EXAMPLES**

Three classic examples of Khrushchev's position can be taken — from instances scattered over three years—to show the consistency of Moscow's views on Berlin.

One was the note of Nov. 27, 1958; another was the statement Khrushchev handed President Kennedy at their Vienna meeting last June; the third was an interview he recently gave C. L. Sulzberger of the New York Times.

In all three the Russian position was the same:

1. Russia wants a peace treaty signed with Communist East Germany. If the West won't sign it, Russia will.

2. This will end the Allies' right to keep troops in West Berlin. They now have about 12,000. They base their right on wartime and postwar agreements.

★ ★ ★

3. Russia guarantees West Berlin will be a free city without interference from East or West and with free communication with the outside world. The city is 110 miles inside Communist East Germany.

4. But once Russia signs the peace treaty with East Germany the West will have to deal with the East Germans about getting in and out of Berlin.

5. In some way — Russia is vague on this—the United Nations perhaps with neutral troops, could be used to see that West Berlin's freedom is preserved.

They are points to remember. Any settlement hinges on them and, so far as can be seen, for the West to agree to them means concessions by the West.

★ ★ ★

For instance: the West doesn't formally recognize the East German Reds as the legitimate government of East Germany.

For the West to ask the East Germans for permission to travel over their territory to Berlin would in fact — no matter what face the West puts on it—be recognition of the Communist regime.

Should the West refuse to dicker with the East Germans, it would chance war.

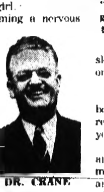
Case Records of a Psychologist:

## Teach Children Proper Behavior

By DR. GEORGE W. CRANE

CASE J-491: Laura L., aged 16, is a very popular girl.

"But I am becoming a nervous wreck," her mother confessed, "for I am always worried until Laura gets home safely from a date.



DR. CRANE

"I don't like to let her go unless she is with another couple or in a chaperoned group for you never can tell what trouble a girl may get into nowadays.

"I try to keep check on her as much as possible but I can't be with her all the time so I worry constantly. How can I avoid it?"

**GUARDIAN ANGEL**

That's rather easy. Place a guardian angel in her skull, who will be with her always and tell her what is right.

**"Yes, Dr. Crane," her mother protested, "but how can I do that?"**

**Just start early and build up a proper conscience in your child. Teach her the Ten Commandments, plus the Golden Rule.**

Take her to Sunday school. Set a good example of honesty and fair play in front of her.

Then order the various sex booklets and rating scales offered via this educational column.

★ ★ ★

No parent can always be with his child to steer the latter's actions. So if you parents don't place a well-developed conscience in your child's skull, you ought to worry every minute the youngster is out of your sight.

**But train the child properly and she will then carry a moral "chaperone" or "guardian angel" within her brain at all times.**

Then you parents can relax and sleep more soundly when she is out on a date.

★ ★ ★

If you have taught her to avoid boys who use liquor and drive recklessly, your daughter will give you little cause for worry.

But if you throw liquor parties at home; tell risque stories or make lewd jokes in front of her and generally flaunt immorality, what can you expect when she ventures forth?

"Bad children usually have bad parents," is an axiom of modern psychology. It has some exceptions, but is generally very true.

**TRUTH IS SAFER**

"Mommy, where did I come from?" asks the toddler.

If you snicker in embarrassment and try to concoct a bizarre fib to avoid answering this direct question, you have already started your child on the wrong pathway.

For "The truth shall make you free," stated Jesus, and that is a very profound psychological fact.

★ ★ ★

"Dr. Crane is too frank," a Midwestern publisher recently argued, but this gentleman was 65 and childless.

If anybody thinks I am too frank, just make such a charge in the "Letters to the Editor" and see what happens.

**Parents and YMCA secretaries, teachers and counselors almost unanimously support this rule that you must tell children the facts and do it early; not just when they are getting married.**

For if you parents do not inform them properly, they will soon distrust your remarks and then seek "alley" instructors who often give them vile and unscientific counsel.

★ ★ ★

Facts don't harm children but ignorance and evasions drive them into sexual or salacious escapades.

**So send for my booklet "Sex Problems of Young People," enclosing a stamped return envelope, plus 20 cents.**

If you parents are shy or tongue-tied, just let your teen-ager read this booklet for himself.

**Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4 cent stamped, self-addressed envelope and 20 cents to cover typing and printing costs when you send for his psychological charts and pamphlets.**

**(Copyright, 1961)**

**The Associated Press is entitled exclusively to the use for republication of all local news printed in this newspaper as well as all AP news dispatches.**

**The Pontiac Press is delivered by carrier for 45 cents a week; where mailed in Oakland, Genesee, Livingston, Macomb, Lapeer and Washtenaw Counties it is $15.00 a year; elsewhere in Michigan and all other places in the United States $23.40 a year. All mail subscriptions payable in advance. Postage has been paid at the 2nd class rate at Pontiac, Michigan. Member of ABC.**

Winter and Summer streets intersect in Boston.

# Most Favor Open Con-Con

### 234 of 241 Candidates Replying to Question, Reject Closed Doors

DETROIT (AP) — A vast majority of the 287 candidates in Tuesday's constitutional convention election favor having all committee and general sessions of the forthcoming convention open to the public and press.

* * *

That was confirmed today when a committee of newspaper, radio and television officials and others interested in the people's right-to-know made public the results of a survey conducted among the candidates for the 144 convention delegate seats.

**Some 241 of the candidates answered the questianaire; 46 were unreachable. None refused an answer.**

Of the 241 who answered, 234 said committee and convention sessions should be open; seven said they should be executive or private.

Twenty-eight of the 234 felt the committees should have authority to go into executive session by a majority vote to consider one specific subject and that each executive session should be voted on before it is called. The vote to go into executive sessions would be public under these qualifications.

* * *

All of the 28 who had reservations about 100 per cent open sessions insisted that any vote on any subject should be taken into session and many proposed that all votes be recorded.

* * *

Dale Stafford, editor and publisher of the Greenville News and president of the Michigan Press Association, is chairman of the newsmen's committee which is urging that all session be open.

# Says Neutrals Back Reds' 'Superiority'

WASHINGTON (UPI)—An AFL-CIO official has said nearly all the so-called neutral nations back the Soviet position on Berlin because they believe Russia is militarily superior to the United States.

* * *

Irving Brown, AFL-CIO international representative, said Sunday night this belief accounted for the pro-Russian stand taken by the neutrals at their recent Belgrade conference.

Brown said the Soviet economy is far inferior to that of the United States. In fact, he said, "The Soviet economy is one of the greatest overrated economies that the world has ever seen."

## Patriarch Will Meet Greek Church Leaders

AMMAN, Jordan (AP) — Patriarch Benedictus of Jerusalem is launching a tour to meet heads of the Greek Orthodox Church in the United States, a spokesman said Sunday. The Patriarch took a plane for Beirut, Lebanon, Saturday on his way to New York. In two months abroad, he expects also to visit Athens, Rome and Belgrade.

A comet's tail may be as long as 100 million miles.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) – the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository* or *ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H ~~Suppositories~~ or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

## Debbie to Stay Way Out at Sea

### Ship Reports 85 - Mile Winds but Hurricane's Path Is Southward

MIAMI, Fla. (AP)—Information radioed by a storm-tossed Dutch ship said Hurricane Debbie is following Betsy up the Atlantic and probably poses no threat to the United States.

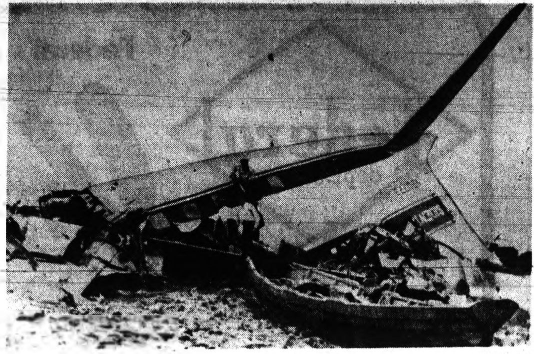
Debbie, born and nurtured in the secluded tropical storm spawning grounds off the west coast of Africa, had been plotted for about a week on the basis of usual storm trends and known pressure systems in the area.

The Netherlands freighter SS Kermia sent a report to the Weather Bureau at San Juan, P.R., Sunday night saying it had passed close to Debbie's center and estimated peak winds at 85 miles per hour.

Debbie's center was placed about 1,350 statute miles east-northeast of San Juan. Previously Debbie had been plotted on a westerly course more than 350 miles to the south.

* * *

Forecaster Gilbert Clark of the Miami hurricane center said the new information, coupled with pictures from weather satellite Tiros III leave virtually no change in the world of Debbie reaching the states.



AP Photofax

**AT WRECKAGE SCENE** — Rescue workers probe wreckage of President Air Lines DC6 which crashed Sunday near the River Shannon at Shannon, Ireland, killing all aboard. Rowboat at right was used to haul bodies from the scene. Eighty-three persons, including six American members, were killed in the disaster.

## Digging for 83 Bodies After Shannon Crash

By COLIN FROST

SHANNON, Ireland (AP) — Working knee-deep in mud, rescue workers today dug for more bodies in the wreckage of the chartered American plane that plunged into the Shannon estuary killing all 83 persons aboard.

The crash Sunday of the President Air Lines DC6 "Theodore Roosevelt" was the worst disaster ever to befall a U.S. commercial plane overseas.

Aboard were 77 European passengers and six American crewmen.

**RECOVER BODIES**

As investigators sought to determine the cause of the crash, 19 bodies remained to be recovered from the wreckage.

The tailpiece of the plane loomed, above the slimy, gray mudflats like a giant tombstone.

Lashed by rain, the people of Shannon toiled all day Sunday in a race against the incoming tides.

As the tide came in and again covered the remains of the airliner, floodlights cut across the mudbanks and illuminated the wreckage. A constant watch was kept from the shore.

* * *

"It was chiefly for security reasons," said an airport management spokesman. "But we also wanted to make sure that nothing drifted away."

The big four-engined plane plunged into the Shannon's waters minutes after taking of for the Atlantic hop after a refueling stop. The passengers had been taken aboard at Duesseldorf, West Germany.

The DC6B set off about the same time another charter plane carrying U.S. Army personnel and their families was called to leave. This led to erroneous reports from Shannon Airport officials and a U.S. Air Force spokesman in London that the Americans were victims.

* * *

The ill-fated airliner carried Austrian and German farm families, including a baby, on a trip organized by a crop spray firm for a three-week visit to the American Midwest corn belt.

## Reds May Orbit 2 or 3 People

### U.S. Rocketeer Says It Seems Logical Step in Soviet Plan

LONDON (UPI) — A U.S. rocket expert just back from Russia said today that Soviet scientists may be preparing to orbit a satellite carrying two or three persons —one of them possibly a woman.

* * *

"This seems to be a logical next step in the Soviet space program," said Frederick C. Durant III, past president of the International Astronautical Federation.

**Durant recently spent 10 days talking to Soviet experts and gathering material for a history of rocketry. He came away with several ideas on the immediate future of the Russian space effort.**

Sunday the Soviet government announced it would launch a new series of rocket tests into the central Pacific Ocean between Sept. 13 and Oct. 15.

* * *

The announcement classed the vehicles as "more powerful and improved versions of the multi-stage carrier rockets of space vehicles."

Durant said this probably was the prelude to a new series of space projects.

## Arabians Replace British

KUWAIT (AP)—A company of 80 troops from Saudi Arabia arrived Sunday, the vanguard of Arab forces to replace British soldiers guarding this desert shiekdom. The British moved in when Iraq laid claim to this oil rich country.

Glaucoma causes the blindness of about 3,400 persons in a year.

# Commies Asking for Trouble by Putting Lid on East Germany

By PHIL NEWSOM
UPI Foreign News Analyst

Danger Point:

The Communists may be letting themselves in for another explosion in East Germany such as occurred on June 17, 1953, because of increased work quotas. The Communists recently have been calling upon workers voluntarily to work longer hours at the same pay to "support the Communist fight against West German aggressors."

**The next step could be a general increase in work norms. These, plus a threatened food shortage, plus generally increased Communist pressures in sealed-off East Germany could explode into open rioting.**

Daring East Germans already are giving Communist functionaries trouble in public meetings with their open opposition.

Farm Revolt:

The chances are at least even that France's farmers will be out before the end of the year, blocking the main roads of the country with hundreds of tractors, or jamming traffic in provincial towns with farm carts.

**Farmers are dissatisfied with farm prices and impatient with the way the government is handling the problem. President De Gaulle has told them they are in the midst of an evolution and that it takes time.**

Labor Shortage:

A new stream of foreign workers is expected to start flowing into West Germany soon as result of arrangements with other nations within the common market community. The foreign labor force in West Germany already totals more than a half million and there are five jobs waiting for every person without work.

**LAOS SETTLEMENT?**

Soviet Premier Khrushchev may be right in predicting settlement soon of the situation in Laos. But the 14-nation conference on Laos which has been working on the problem in Geneva for the last four months just now is finishing up its first round bargaining. More than 30 articles on which East and West flatly disagreed have been shelved.

* * *

Mrs. Sherrod died yesterday at Pontiac General Hospital after a short illness. Her body will be at Allen's Funeral Home, Lake Orion, after 11 a.m. tomorrow.

Surviving beside her husband are her parents, Mr. and Mrs. Walter Johnson of Lake Orion; a daughter, Debra and a son, Mark, both at home; two brothers, Russell E. Richards of Pontiac and Curtis A. Johnson of Lake Orion; and two sisters, Mrs. Lonnie Barger of Carrie Mills, Ill., and Lenora Richards of Lake Orion.

---

New Jersey farmers in 1959 used 3.43 tractors per 100 acres of principal crops, the highest ratio in the nation. The national average is 1.45.

## Congressman Predicts More Reds in Berlin

MARSHALLTOWN, Iowa (UPI) — An Iowa Republican congressman has predicted that more Soviet troops will be sent to the border between East and West Berlin to "push the worry and fear to its peak."

Rep. John Kyl of Iowa's 4th District spoke at a post office dedication in Marshalltown Sunday. He criticized the Kennedy Administration for failing to take positive action in the Berlin crisis.

*The newly wed Mr. and Mrs. John P. MacManus (at left) greet the bride's grandparents, the C. E. Wilsons at the reception Saturday afternoon in Bloomfield Hills Country Club which followed an exchange of vows at St. Hugo of the Hills Catholic Church. Mrs. MacManus is the former Margaret Anne Wilson.*

**MacManus-Wilson Vows Exchanged**

# Noted Families United

*Two prominent families were united when John P. MacManus claimed Margaret Anne Wilson as his bride in a double ring ceremony Saturday. The reception line at Bloomfield Hills Country Club included (from left) Jane Wilson, the bride's sister and honor attendant; Mr. and Mrs. John R. MacManus, parents of the bridegroom; the bride and bridegroom; and Mr. and Mrs. Thomas E. Wilson, parents of the bride.*

**Abby Tells the Difference**

## Old Maid or Spinster?

By ABIGAIL VAN BUREN

DEAR ABBY: We are having an argument in our X-ray department about the difference between an old maid, a spinster and a career girl. Would you please settle it by defining each?

THE ROENTGENS

ABBY

DEAR ROENTGENS: A career girl is an unmarried female who doesn't feel the need to apologize for being single because she is "married" to her job. An old maid is a single woman because either (a) nobody has asked her, or (b) nobody whom she wanted has asked to marry her. A spinster is an old maid somewhat advanced in years.

* * *

DEAR ABBY: Thank you for your wise answer to "Church Widow." As a pastor I am aware that many people regard church fund-raising activities such as bingo and carnivals, as a service to God. Yet we would do better to leave undone much of what has been done in His name.

I disagree when you say that most churches need funds (and fund-raising) for survival. They DO need funds, but fund-raising affairs hurt more than they help.

Our churches need significant gifts from dedicated members. But fund raising affairs are only excuses to get non-members to help the church pay its bills. Very sincerely,

Sanford Wright,
Westminster Presbyterian Church

* * *

DEAR ABBY: What does a married woman do when she finds out, after several years of marriage, that her rings were originally intended for someone else?

While chatting with my mother-in-law, the subject was turned to a girl my husband once went with. I said I never knew anything about the girl. My mother-in-law said, "Well, the rings you are wearing were once hers."

I was so shocked and hurt I didn't know what to say. My mother-in-law asked me please not to say anything to my husband when she saw how hard I took it.

I haven't said anything to him, but I have taken my rings off because I don't want to wear them again. Am I wrong to feel my husband has deceived me? Is there a solution to this problem?

HURT

DEAR HURT: Let's start with the assumption that the rings given you came from the man who loves you. And end with it. Wear the rings, ignore your mother-in-law's unsolicited newscasts, and cherish thy husband.

* * *

CONFIDENTIAL TO "HOPEFULLY YOURS": Quit torturing yourself. You told him he was forgiven. Now, never mention the incident again, and forget it!

* * *

"Are things rough?" Let Abby help you solve your problem. For a personal reply, enclose a stamped, self-addressed envelope and send to The Pontiac Press.

For Abby's booklet, "How to Have a Lovely Wedding," send 50 cents to Abby, The Pontiac Press.

JUDITH ANN BAKER

*The engagement is announced of Judith Ann Baker, daughter of Mrs. H. T. Baker, Navajo Drive, and the late Mr. Baker, to William R. Hansen, son of the Lawrence Hansens, Pontiac Road. She attends Michigan State University and her fiance is enrolled at MSUO.*

## College Shakes Head Over Hula

HONOLULU (UPI) — The hula is due for a shake-up at the University of Hawaii.

It was suggested that the colorful Hawaiian dance be dropped from the curriculum during a recent meet of the university's Board of Regents.

Hula is taught as a course called "Dances of Hawaii," and about 500 students were enrolled in the course this summer. It is popular for coeds who come to Hawaii for summer fun.

Regent Arthur D. Lewis said such courses were bad for national publicity, and that the university should stop them. Dr. Laurence Snyder, outgoing president, felt differently.

"The newspapers have a lot of fun with it," he said.

## John O. Goodwin Wed to Grand Rapids Girl

Cascade Hills Country Club in Grand Rapids was the scene of the reception which followed the Saturday nuptials of Sharon Louise Wells to John O. Goodwin in the Westminster Presbyterian Church of that city.

Rev. William Lovick performed the ceremony before a background of white gladioli, chrysanthemums and potted palms.

* * *

Parents of the bride are Mr. and Mrs. Robert L. Wells of Grand Rapids. The bridegroom is the son of Mrs. M. C. Goodwin of Cherokee Road and the late Mr. Goodwin.

* * *

A tiny pearl crown held an embroidered Venetian lace veil brought from Italy by the bride's grandfather. Her gown of embroidered silk organza featured an Empire waistline and chapel train. Stephanotis and ivy were combined in her cascade bouquet.

* * *

Roberta Ann Wells, her sister's maid of honor, appeared in a green silk taffeta sheath dress styled with bell-shaped panels. Wearing identical dresses were Diana Glass and Martha Treat, also of Grand Rapids, Dian Floutz of Battle Creek and Barbara Bosscher of Ann Arbor.

* * *

Thomas E. Proos of Kalamazoo was best man and guests were seated by the bride's brother Richard, Craig H. Holmes and Kenneth M. Waterman, all of Grand Rapids, and Jack R. Glezen of Detroit.

* * *

After a honeymoon in Northern Michigan, the couple will live in Ann Arbor. The new Mrs. Goodwin is a graduate in occupational therapy from Western Michigan University and a member of Alpha Omicron Pi Sorority. Her husband, an alumnus of University of Michigan, is affiliated with Delta Sigma Phi Fraternity.

MRS. JOHN O. GOODWIN

## Expect 200 to Attend UF Affair

Some 200 Pontiac Area United Fund women will attend the women's division luncheon and orientation session Thursday at 1 p.m. in the Hillside Room at Devon Gables.

Campaign literature and procedures will be presented to acquaint all Pontiac and Waterford Area, District and neighborhood chairmen with the 1961 program. Emphasis will also be focused on the chairmen's responsibility in securing solicitors for the forthcoming campaign.

* * *

The Pontiac State Bank and Sears, Roebuck & Co., are cosponsors of the luncheon. Thomas F. Wiethorn, plant manager at Fisher Body Corporation and this year's general campaign chairman, will be the luncheon speaker.

Joseph H. Schultz, technical writer of Pontiac Motor Division engineering department and training chairman for the United Fund Women's Division will explain the training program planned for volunteer solicitors in October.

## Gleaners Meet for Program

Some 40 members and friends attended the first fall meeting of the Wayside Gleaners of First Baptist Church Friday at the church. Mrs. George Cook served as hostess for the event with Mrs. W. S. Freeman presiding.

Also participating in the program were Kyle Willson who sang three numbers and Dr. and Mrs. H. H. Savage who spoke on "Ye Are the Salt of the Earth" and "Compassion," respectively. Mrs. Howard Brown and a committee served refreshments to the group.

Rev. Wallace Alcorn will be speaker for the Harvest luncheon Oct. 6.

## Amies Fete Pledges

Sherrie Dudley opened her East Iroquois Road home Sunday afternoon for the semiannual membership tea of Amies Club.

The group welcomed new members Christine Bos, Susan Brown, Susan Constantino, Donna Darrow, Barbara Graybiel, Virginia Hagopian, Joyce Livingstone, Marilyn Morris, Nancy Nicholie, Janet Taylor, and Rose Marie Tripp. At that time President Jeanette Wright also introduced Mrs. John Napley, senior sponsor, and Martha Spark, junior sponsor.

* * *

Other new officers include Jane Bigler, vice president, Pamela Griffin, recording secretary; Cynthia Hiltz, corresponding secretary; Sandra Shapiro, treasurer; and Judy Fitzpatrick, sergeant-at-arms.

Plans have been completed for a car wash Saturday at Kennerly's Service Station on West Huron Street. Proceeds from the dollar-a-car wash beginning at 10 a. m. will be used in the club's charity projects.

*Amies Club honored new members Sunday afternoon at their semiannual membership tea. Club president Jeanette Wright of Chippewa Road (at left) welcomes new members Rose Marie Tripp of South Hammond Lake Drive and Barbara Graybiel (at right) of Oneida Road. Hostess to the group was Sherrie Dudley (second from right) of East Iroquois Road.*

## Shy Person Told to Be 'Listener'

By The Emily Post Institute

Q. My husband has worked himself up into an executive position in his firm and as his wife I will be expected to attend many social functions and will be meeting many people who are strangers to me, most of them of high social standing.

I am a very shy person with an ordinary background and the thought of meeting these people terrifies me. Will you please tell me how I can make conversation with these strangers?

Where do I begin? What do I say? I would be very grateful for any help you can give me.

A: The strangers you will meet will not be any less human and understanding because they happen to be of "high social standing." If you just be your own natural charming self, avoiding any affectation and take a genuine interest in what they say (a good listener is as much appreciated as a good talker), you will have no difficulty in getting along with them.

* * *

Q: Is it proper for a woman to put make-up on when seated at a restaurant table? I have always felt that making up in public was ill-bred but one sees this done so often today that I wondered if it has now been approved?

A: A well-bred woman always avoids making up in public; cosmetics and food do not go together. At the end of a meal a woman may quickly put on a little lipstick, but to sit and daub at her face in a little mirror for any length of time is not best manners.

* * *

The new Emily Post Institute booklet entitled "Formal Wedding Procedure" includes details on the wedding procession, the receiving line, and other helpful wedding information. To obtain a copy, send 10 cents in coin and a self-addressed, stamped envelope to The Emily Post Institute, care of the Pontiac Press.

## Women's Group Meets at Church

The Women's Association of First Presbyterian Church opened its fall season with a retreat at the church Friday. Vera Bassett was in charge of the retreat entitled, "Be Still and Know That I Am God," giving opening remarks and prayer.

Other participants were Mrs. Lyndon Salathiel, Mrs. John Garrison, Mrs. James Covert and Mrs. Galen Hershey. Members of the Marbach group were in charge of the luncheon.

**Speak Vows in Detroit**

## Elizabeth Seraydarian Becomes Mrs. Godman

A reception in the Orchard Lake home of the G. M. Seraydarians followed the Saturday vows of their daughter Elizabeth Irene to Charles L. Godman in St. John's Armenian Church, Detroit. Rev. Aranet Kasparian officiated.

The bridegroom is the son of the James N. Godmans of Warren.

The bridal gown of ivory peau de soie was styled with sweetheart neckline appliqued with seed pearls and iridescent sequins. Fingertip veiling of silk illusion was fitted to a seed pearl tiara. A spray of orchids and stephanotis rested on the bride's prayer book.

Mrs. Myron Ohanian was her sister's matron of honor and Susan Ohanian, Carol Krimian, Judy Kulacs and Sharon Thornton were bridesmaids.

* * *

Fuji chrysanthemums for their bouquets matched the attendants' dresses of avocado green taffeta with velvet bodices.

On the esquire side were Peter Desano Jr., best man, and ushers Ralph Giordando, Dennis Laurain and Myron Ohanian.

Flower girls Denise Ohanian and Elizabeth Mary Seraydarian, nieces of the bride, wore white organza with green velvet and lace trim and held pompon nosegays. Todd Pastor carried the rings.

The newlyweds are attending Eastern Michigan University where the bridegroom is affiliated with Tau Kappa Epsilon fraternity.

## Scottish Service Read in Grubb-Neidrick Rite

Henrietta Neidrick exchanged wedding vows with David Grubb of Lake Orion in a candlelight Scottish ceremony performed by Rev. Galen E. Hershey Thursday evening in the First Presbyterian Church.

Daughter of the Henry Neidricks of Court Drive, the bride wore traditional white satin with court train of silk organza. Her scalloped illusion veiling was caught by an imported crystal crown and a purple orchid rested on her white prayer book.

MRS. DAVID GRUBB

Mrs. Donald Davenport, her sister's matron of honor, and the bridegroom's sister, Mrs. Guy E. Bennett of San Jose, Calif., Mary Lokey and Hazel Seagren who were bridesmaids, wore blue-bird satin sashed in cotillion blue, with matching chiffon gardenia headpieces. They carried blue carnations.

* * *

Lisa Kay Davenport, wearing white nylon, carried a basket of rose petals. Jack Sanders, the bridegroom's nephew, was ringbearer.

* * *

Lowell Redick was best man for the bridegroom, son of the David Grubbs of Court Drive. Richard Wilson of Walled Lake and Jack Greer seated the guests.

**The bride is a graduate of the Ann Arbor Practical School of Nursing and her husband attended Highland Park Junior College. Presently living in a new home at Lake Orion, they plan a November honeymoon.**

Purple orchids complemented beige lace over toast taffeta for Mrs. Neidrick and a blue satin brocade sheath dress for the mother of the bridegroom.

## Newlyweds Return From Trip

Returned from a Northern Michigan honeymoon to their home in Rochester are James K. Lauinger and his bride, the former Elaine Marie Bonin, who pledged vows in St. Andrew Church, Rochester. Rev. Richard Lauinger officiated at his brother's marriage.

* * *

The Albert J. Bonins of Rochester were hosts at their daughter's wedding breakfast and an evening reception in the American Legion Hall, Rochester. The bridegroom is the son of Mrs. John Lauinger of East Fairmount Avenue and the late Mr. Lauinger.

* * *

Mrs. Bruce Harbron of Rochester was her sister's honor matron. Their cousin Mrs. Gregg Lozo of Lake Odessa, and the bridegroom's sister's Kathleen and Elizabeth, were bridesmaids.

* * *

On the esquire side were brothers of the bridal couple, Edward Lauinger, best man, with Thomas and John Lauinger and Albert J. Bonin Jr. ushering at the Aug. 26 ceremony.

## Jaycee Women Sup Together

Pontiac Area Junior Chamber of Commerce Auxiliary members met for dinner Wednesday in Rotunda Inn.

* * *

Barbara Adams, Madison Heights, state district vice president, was guest speaker.

**On the fall agenda are a toy demonstration Sept. 21 at the new 300 Bowl and a social evening with husbands at the Ross Drive home of the Norman O'Briens following a hayride at Walled Lake. A progressive dinner is planned for the October meeting.**

The regional meeting will be Oct. 16 at the Executive Inn in Warren.

### Rest and Exercise Help

# Curb Period of Tension

By JOSEPHINE LOWMAN

Most women experience some premenstrual tension. This varies in degree with the individual woman.

**This tension usually takes the form of extreme nervousness, irritability, fatigue, or sensitiveness and weeping. Some women just feel tense and tired for a few days before the arrival of their periods.**

* * *

A few women do not have any of these symptoms, but most of them have at least one. It is important to consider these seriously because of the unhappy effect they may have on your human relationships. Even the best adjusted woman may react in ways not natural for her during these few days each month.

It is wise for the woman and her family, especially her husband, to recognize this fact. For her part, she can be aware of the danger of her moods, laugh at herself and exert as much control as possible. Her husband and family will be more tolerant if she should "blow up," when they understand the reason behind the irritable temper.

**Also, at this time, a woman should give herself a little break with a bit more rest and with less confusion. This is not a time to treat yourself like an invalid, but it is a time when you are under a little strain.**

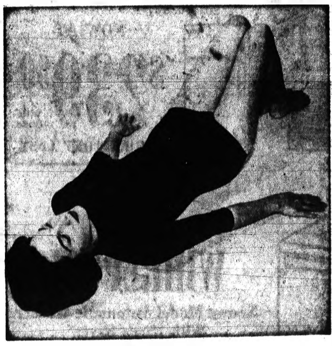
Do not take yourself or your problems seriously at this time. If you do, you will see, in a few days, that you have exaggerated these problems out of all proportion. It is absolutely mad to make any important decision, or to discuss important matters during these few days.

**EXERCISE HELPFUL**

Some women suffer with menstrual cramps. The following exercise is helpful: Lie on the floor on your back with your arms resting on the floor at your sides. Bend both knees and place the feet flat on the floor. Push up toward the ceiling with your abdominal muscles. Pull the muscles down toward your backbone. Continue. Do this entirely with your muscles. Your back and hips remain on the floor. The exercise should be executed slowly.

* * *

If you would like to have my leaflet, "Menstrual Period," send a stamped, self-addressed envelope with your request for leaflet No. 31. Address Josephine Lowman in care of The Pontiac Press.



*In this position, push up toward the ceiling with your abdominal muscles. Pull muscles down toward your backbone. Your back and hips remain on the floor. If you suffer from menstrual cramps, this is a good exercise for you.*

## Altar Society Meets

Fifty members of St. Michael Altar Society attended a meeting Tuesday evening in the parish hall Mrs. Blanche Blust of St. Rose Unit was refreshment chairman.

Rev. James L. Hayes gave a pastor's viewpoint on how an altar society helps parish functions.

* * *

A "Luncheon Is Served" party for Tuesday at 12:30 p.m. in the parish hall.

Mrs. Robert Schmude needs leaders for two girl scout troops, it was reported, and Rev. Francis O'Donnell asked members to cooperate with family members involved in athletic programs.

Tentative plans were made for a bazaar and festival dinner Oct. 14 and 15.

* * *

New members present were Mrs. Myron Raymond and Mrs. Ernest Coster Jr.

## Co-Op Luncheon Is Held by Church Group

The Mayflower Group of the First Congregational Church gathered for a cooperative luncheon Thursday at the home of Mrs. Thomas Sherwood on De Sota Place.

Mrs. Edgar Thomas who was elected to the nominating committee of the Women's Fellowship presented devotions on "Faith".

Excerpts from a new book "Voices from the Wilderness" by Oakland County Circuit Court Commissioner Maurice F. Cole of Ferndale were given by Mrs. Arno Hulet. It concerns early missionaries in Michigan.

Serving on the group's nominating committee will be Mrs. Dexter Craig, Mrs. John Kiltie and Mrs. Harold Schram.

## To Open Season

Welcome Rebekah Lodge No. 246, IOOF will open the fall season at 8 p.m. Thursday in Malta Temple.

* * *

District officers and various lodges from district 6 will be guests and all officers are requested to wear formal dress. The evening will close with refreshments.

## Couple's Vows Given by Candlelight

MRS. ALLEN E. FARNER

Candlelight vows of Betty Crowley to Allen E. Farner were pledged before Rev. G. J. Bersche Saturday evening in the Christian Missionary Alliance Church.

Receiving in the parsonage following the ceremony were the Lyle Crowleys of Waterford Township and the Troy Farners of South East Boulevard, parents of the bridal couple.

**Preceding the bride to the flower-banked chancel were Charlene French, maid of honor, and bridesmaids Judith Rickard and the bridegroom's sister Carol.**

They wore topaz taffeta with bouffant overskirts and carried miniature chrysanthemums in fall shades entwined in a raffia chain. Matching flowers formed their headpieces.

* * *

Fashioned of embroidered white organza over taffeta, the bride's floor-length gown featured a scalloped V neckine and fitted bodice. Her bouffant veil of tulle fell from a seed pearl crown. She carried a white orchid and chrysanthemums on a white prayer book.

Charles Brattain performed the duties of best man. Guests were seated by Larry Mulcaster of Ferndale, George Merts of Detroit, Edward Broadway and Peter Siavralkas.

The couple will live on Thorpe Street after a honeymoon in the Great Smoky Mountain area.

* * *

For the wedding Mrs. Crowley chose a two-piece beige silk organza dress with emerald green accessories and waistline corsage of gardenias. The mother of the bridegroom also wore gardenias in complement to her dress of champagne lace organza.

# Pope Urges Negotiations to Avert Third World War

POPE JOHN

CASTEL GANDOLFO, Italy (AP)—Pope John XXIII, in a dramatic appeal recalling papal messages on the eves of two world wars, urged the world's rulers to negotiate to avert a third global disaster.

In one of his most stirring messages since he became Pope almost three years ago, the pontiff of the Roman Catholic Church Sunday night asked "the rulers of nations to face squarely the tremendous responsibilities they bear."

He declared they must not "fall victims to false and deceiving provocations."

* * *

"It is truly upon wise men that the issue depends; that force shall not prevail, but right, through free and sincere negotiations; that truth and justice shall be vindicated by safeguarding the essential liberties and the insuppressible values of every nation and of every human person," the Pope said.

The Pope mentioned no world leader by name. But his words were bound to figure in growing pressure, especially by nonaligned nations, to bring about a face-to-face meeting between President Kennedy and Premier Khrushchev.

With the background of the Berlin crisis and renewed testing of nuclear weapons, Pope John made his appeal after celebrating a special Mass for world peace at his summer residence in this tiny hill resort, 15 miles south of Rome. Radio and television carried his 2,000-word address around the world.

The 79-year-old pontiff, who was an Italian army chaplain in World War I, spoke feelingly of "the bloodstained half century between 1914 and the present." He spoke of man's search for peace.

"The world," he said, "has no need of victorious wars and defeated peoples, but of the renewed strength of salvation and of the fruitfulness and calm of peace."

He spoke of "new weapons of destruction and ruin which human ingenuity continues to multiply to everyone's loss."

Of the choice between war and peace, the Pope said: "Everything is lost, and lost to everyone, through war. Nothing will be lost through peace."

Those words, Pope John said, recalled exhortations by Pope Pius X, later St. Pius, in 1914, and by Pope Pius XII on Aug. 24, 1939, a week before World War II started.

* * *

Pope John's recollection of the two previous papal pleas, both of which failed to avert war, lent intensity and drama to his message. But the Pope did not speak with despair.

He said he was "persuaded that up until the present time there is no serious threat of either immediate or remote war" because of his confidence in the "serene and sure wisdom of all men who guide the nations of the world."

The Pope then called for worldwide prayers to enlighten rulers and help their peoples rid themselves of "exacerbated nationalism and destructive rivalry."

## Earl Hastings Dies

WASHINGTON (AP) — Earl E. Hastings, 53, Securities and Exchance Commission member from 1956 to 1961, died Friday night at George Washington University Hospital. He was born in Los Angeles.

## Hope to Mine Cookin Oil

EDMONTON, Alta. (AP) — Exploration is under way in the Rocky Mountain foothills 240 miles northwest of Edmonton to determine the feasibility of mining high grade oil deposits for cooking purposes. The Edmonton Journal said successful development could mean an initial $50 million boost to Alberta's coal mining industry.

More than 8,000 American Indians saw service in World War I.

Dynamic men for a Dynamic new Constitution

CON-CON
General Election
Tuesday Sept. 12

Raymond L. KING (2nd Legislative District)
George ROMNEY (Senatorial District)
Richard D. KUHN (1st Legislative District)

Men of vision – men of competence – men on the move for a better Michigan, ready to help unite us in new greatness!

Romney–President of American Motors Corp., Chairman of Citizens for Michigan, symbol of Con-Con to millions!

King–vigorous practicing attorney, business and civic leader, a man who knows the problems of Pontiac and how to solve them!

Kuhn–respected attorney and businessman, a staunch advocate of the protection of minority rights through a balanced legislature!

Dynamic Men for a Dynamic New Constitution!

VOTE STRAIGHT REPUBLICAN

# Education of Citizens Area CD Council's Aim

By LEE WINBORN
Area News Editor

ROCHESTER — Believing that "faith and education are the primary antagonists of fear," the Northeast Oakland County Civil Defense Council set to work Saturday to prepare for the possibility of a nuclear war.

Attending the session were representatives of eight of the nine area municipalities that comprise the council.

**They are the villages of Rochester, Lake Orion and Oxford and the townships of Avon, Oakland, Orion, Addison and Oxford. The ninth municipality, the city of Troy, was not represented.**

Dr. Edgar J. Geist Jr., chairman of the group, opened the meeting by citing the aims of the newly formed organization.

He said it was imperative that communities recognize their "problems and inadequacies" in meeting the holocaust or mass suicide a thermo-nuclear war would produce.

**Dr. Geist emphasized that the government can only motivate and sparsely supply — that it is through individual and family action that an organized civil defense program can function most effectively.**

The council's objectives, he said, are to work toward a mutual aid plan, coordinating the efforts of civil defense services, and to advise citizens of the areas concerned about procedures to be followed in the event of disaster.

**11 MEETINGS PLANNED**

The series of 11 Saturday meetings is planned to educate local civil defense directors, their deputies and representatives of school districts, colleges and churches as to their duties in an over-all program of preparation for war.

**The first session was devoted to an explanation of radiological defense for Oakland County. Speaker was Owen Birchman, the county's chief rediological CD officer.**

Birchman described nuclear radiation and the effects of the three kinds of nuclear explosions, air burst, subsurface burst and surface burst.

* * *

He said that his particular branch of civil defense is assigned to the sanitation section of the County Health Department.

Two sanitarians have taken a course in radiological monitoring for instructors and one, a course for radiological defense officers.

Several others, Birchman said, have had shorter and more general courses.

* * *

He pointed out, however, that "without a good radiological defense organization, civil defense is worthless."

**2 MAIN FACTORS**

The possibility of survival is based on two factors, adequate shielding and the distance persons are away from the blast.

* * *

Birchman said personnel, both in and out of government, can be trained to use radiological detection instruments so that radiological monitoring stations can be set up.

* * *

Decontamination teams also can be trained and organized.

**The CD officer stated that the county encompasses approximately 900 square miles and contains a population of 690,583 people.**

"If an adequate radiological defense is to be achieved, a tremendous effort must be put forth," he said.

It was learned at the meeting that there are only two people trained in detecting radiation in the five participating townships and they are in Oxford.

* * *

The council then went on record as encouraging the County Board of Supervisors to assist in setting up a program on the county level to train people in radiological defense.

**At next Saturday's meeting, also in the Municipal Building in Rochester, Raymond Genereux Orion Township's civil defense director, will speak. He will describe the activities of his unit, purported to be one of the best in the state.**

Robert Templin Jr., assistant Oakland County prosecutor, also will discuss martial law as invoked in the event of disaster.

All area law enforcement officers are invited to the 9 a.m. meeting.

## NEWS OF THE AREA

MAURICE D. PELTON

# New Principal Appointed to Stiles School

Maurice D. Pelton of 968 School St., Clawson, has been appointed principal of Stiles Elementary School in the Avondale School District.

* * *

Pelton comes to the Avondale system after many years of teaching in the Lansing and Birmingham Schools.

**He holds a bachelor's and a master's degree from Michigan State University and presently is working on his doctorate in educational administration at MSU.**

The new principal replaces Donald Reimer who terminated his services with Avondale this year to accept a similar position in Albion.

Pelton is married and has two children.

Twenty-eight new members are being welcomed to the teaching staff in Avondale this year. They include two newly-created positions, in high school English and first grade, both added because of increased enrollments.

# Set Dedications at Troy Schools

### Triple Service 'to Open' New Institution, High and Morse Additions

TROY—The Troy School District will hold a triple dedication ceremony next Sunday to mark the opening of the new Leonard Elementary School and two recently constructed school additions.

**New facilities at the Morse Elementary School, 850 Hickory St., will be dedicated at 2 p.m. followed by a 3 p.m. ceremony at the Leonard School, 4101 Tallman St, at the end of Eckford Street.**

Keys will be presented to Mrs. Zyra Smith, Morse school principal, and Lawrence Hamilton, Leonard school principal.

James Covert, superintendent of the Royal Oak Public Schools, will be guest speaker when the addition is dedicated at Troy High School, 3179 Livernois Road, at 4 p.m.

Roudaulph Smith, high school principal, will accept the keys in the final ceremony of the day.

Refreshments will be served from 4:30 to 6 p.m. in the high school cafeteria following the day's program.

The public will be invited to tour the buildings at the conclusion of the ceremony in each school.

## Urge Military Shipments Through St. Lawrence

WASHINGTON (AP) — The Defense Department has taken under consideration a suggestion by senators from Michigan and five other Great Lakes states to send more military shipments through the St. Lawrence Seaway.

The senators outlined their program to Thomas D. Morris, assistant secretary of defense.

# Oxford Board Asking 3 Mills

### School Voters in Area Deciding on Operation Levy for One Year

A request by the Oxford Board of Education to levy a three-mill operational tax for one year is being decided today in a special election in the Oxford Area Community School District.

The district's two polling places, Rowland Hall in Leonard and Oxford Junior High School in Oxford, were to be open until 8 p.m. today.

The polls opened at 7 a.m.

**School officials say the three-mill tax increase is needed in order to meet the district's 1961-62 budget of $614,000.**

Anticipated revenue, based on present tax revenue, would provide only $395,000 for the new school year.

Higher operating costs are the result of decreased state aid for school bus transportation, normal salary increments for school employes and a proposed pay raise for teachers, according to School Supt. Roger Oberg.

Oberg said the millage proposal, if approved, would increase taxes by $3 to $5 for the average taxpayer in the school district.

# Total Attendance at State Fair Less Than 1960

DETROIT (AP) — Total attendance at the Michigan State Fair during its 10-day run this year was 771,709 — about 51,000 less than last year's record total.

The fair ended last night.

**Fair officials revealed they were studing a plan to open the event next year on a different date from the traditional Friday before Labor Day.**

Walter A. Goodman, fair general manager, said the change in the opening date — the first time in 113 years — would mean an 11-day fair next year. He said it would open on Aug. 24 and run through Labor Day, Sept. 3.

* * *

Goodman said attendance might pass the million mark under the new dates. He said this would result because the fair would be over before the first day of school, noting that weekday attendance usually drops by half after school begins.

# Couple Celebrates Golden Anniversary

WALLED LAKE — Mr. and Mrs. Emil G. Brasgulla of 480 Conway St. celebrated their 50th wedding anniversary yesterday with an open house for their family and friends.

The couple, married Sept. 6, 1911, at Holy Redeemer Church, Detroit, has two children, a son Charles B. of Detroit and a daughter, Mrs. Glenn G. Weber of Walled Lake, and six grandchildren.

The senior Brasgullas repeated their wedding vows last Wednesday at St. Williams Church here before Rev. Raymond Jones, pastor.

# Gets Centennial Farm Certificate in Pontiac Twp.

PONTIAC TOWNSHIP — The Michigan Historical Commission has presented a centennial farm certificate to Forist Colcher, of 3745 N. Squirrel Road.

* * *

The commission has designated Colcher's property as a centennial farm under a program administered by the State Historical Museum.

The farm, which has been in possession of the Colcher family for 101 years, was purchased in 1860 by William Colcher, grandfather of the present owner.

The commission established its centennial farm recognition program in 1948 and since that time has awarded certificates and markers to some 1,600 Michigan farms.

## At Tawauha Club Meeting

# Cancer Films to Be Shown

HIGHLAND TOWNSHIP — Two American Cancer Society education films will be shown tomorrow at the 8 p.m. meeting of the Tawauka Club. The program will be held at 315 Clark St.

The films, entitled "Time and Two Women" and "Breast Self-Examination" show how women can guard against uterine and breast cancer through early detection.

**An American Cancer Society representative will be at the meeting to answer questions and discuss the facts concerning cancer and its control.**

The films are from the society's library of 42 cancer education films available without charge to clubs and organizations through the society's Southeastern Michigan Division.

MARJORIE ANN SHULER

Mr. and Mrs. Peter Manley Shuler of 3084 Judah Road, Orion Township, announce the engagement of their daughter Marjorie Ann to Spec. 5 Harold David Rossman. His parents are the Lewie Rossmans of 544 Atwater St., Lake Orion. A spring wedding is planned.

## Camera Club Planning Avon Library Meeting

ROCHESTER — The Avon Camera Club will open its 1961-62 season with a meeting at 8 p.m. Thursday in the Avon Township Library.

Color slides of Mexico will be presented by Mr. and Mrs. Byron Beeman of the Motor City Camera Club who also will give a demonstration of processing and mounting.

# Catholic Church Dedicated in Farmington Twp.

FARMINGTON TOWNSHIP—St. Colman Catholic Church here was dedicated Saturday by the Rt. Rev. John F. Dearden, archbishop of Detroit.

The new $250,000 structure, located on Middle Belt Road just south of 14-Mile Road, will accommodate 800 worshippers and contains facilities for meetings and small social gatherings.

**Built of precast concrete, glass and fieldstone, the church has been designed to serve as a second wing of a proposed school. It was designed by the Oak Park architectural firm of Dolgner, Rollason and Rokicki.**

The parish, founded in June 1960 by Rev. Edward F. Konopka, pastor, serves families living in Franklin Valley, Briarcliff Knolls, Wood Creek Village, Franklin Knolls, West Gate, Glen Oaks and surrounding areas.

Currently the congregation is comprised of 190 families.

Sunday Masses are held 8, 9:30 and 11:15 a.m.

## Walled Lake Resident Receives Scholarship

WALLED LAKE — Robert A. Barnes, son of Mrs. Wanda Barnes Wallace of 6715 Leytonstone St., has been awarded a summer term scholarship from the Aid Association for Lutherans, a fraternal life insurance society.

Barnes, who is studying for the ministry, is a junior at Concordia Theological Seminary in Springfield, Ill.

ELAINE L. LANDRY

Announcement is made of the engagement of Elaine L. Landry to Richard W. Hutchinson by the bride-elect's parents, Mr. and Mrs. Maurice Landry of 3039 Donley St., Avon Township. The prospective bridegroom is the son of Mr. and Mrs. James Hutchinson of 2001 Knollwood Drive, Avon Township. No wedding date has been set.

## School Is the Berries

MASSILLON, Ohio (AP) — Strawberries are helping 21-year-old Bob Horner work his way through Otterbien College. Horner, who is majoring in biology and secondary education, estimates he earns $1,000 to $1,500 annually growing and selling strawberries.

## In Macomb County

# Card Players to Raise $3,000 for Scholarships

Sixteen hundred persons will spend an evening next month playing cards to provide more than $3,000 for the Michigan State University Oakland scholarship fund.

* * *

The card players will meet in 100 homes throughout Macomb County as they participate in the "Dollars for Scholars Card-a-rama" sponsored by the Macomb County Scholarship Committee of the MSUO Foundation.

**This will be the committee's first public fund-raising project. All its previous efforts have been devoted to private solicitation from individuals, clubs and business firms.**

Last school year, the committee provided more than $3,000 for students who otherwise would not have been able to attend college.

* * *

Under the chairmanship of Mrs. Philip T. Mulligan of Mount Clemens, this committee is one of several groups working to help MSUO's chancellor, D. B. Varner, keep his pledge that no high school student in the upper quarter of his graduating class would be denied the opportunity to go to college because of lack of funds.

**The Card-a-rama is under the direction of Mrs. Leroy Howard of St. Clair Shores.**

Mrs. Howard explained that 16 persons will be at each of the 100 homes on Oct. 4 and will play bridge and pinochle.

A $100 savings bond will be awarded to the high scorers in each division.

**The committee announced its plans for the year and the details of the Card-a-rama at its first meeting of the season, held today at the University.**

Committee members met with Chancellor Varner and with a group of Macomb County scholarship recipients.

* * *

Assisting Mrs. Howard as co-chairman is Mrs. Robert Ten Eyck of Clinton Township.

* * *

Others on the committee are Mrs. Robert Morrison, of Armada; Mrs. Harold Lefevre, of East Detroit; Mrs. Otis McKinley, of Fraser; Mrs. Donald MacArthur and Mrs. Russell Stevens, of Mount Clemens; Mrs. Leonard Burgess, of New Baltimore; Mrs. F. C. Duncan, of New Haven; Mrs. J. Gilmore Kirker, of Richmond; Mrs. Myles Markey, of Romeo; Mrs. Fred Kaiser, of Roseville; Mrs. Raymond DeSteiger, of St. Clair Shores; Mrs. George Roberts, of Utica; and Mrs. Hans Rasmussen, of Warren.

What's ahead for Chrysler?

The people in charge talk briefly about what they are doing

Suppose somebody put you in charge of America's seventh largest industrial company in sales with assets of one billion, 369 million dollars and said:

"You have more than 82,000 people working for the company.

"You have 86,000 stockholders.

"You have more than 6,000 dealers who sold more than three billion dollars' worth of cars and trucks in 1960.

"You do business with more than 12,000 other companies.

"And remember what you owe to the people who own the more than 11 million Chrysler-built cars and trucks now on the road in the U. S. alone.

"You're in charge. Fix what's wrong, keep what's right, and move ahead."

That's the job they gave us and that's what we intend to do...

"Fix what's wrong, keep what's right, and move ahead"

With the cars we have for '62, and by keeping our eye on these objectives, we are confident we will move ahead rapidly.

1. We plan to make it necessary for every automobile buyer once again to *"look at all three."* This can be accomplished only by offering *cars with something extra in every price class.* This we are doing!

2. In addition to offering cars with something extra in every price class, we will continue to offer *the best built cars in every price class.* To accomplish this, we have tightened up our already rigorous quality control program. *You'll see the results in our 1962 cars on display September 28.*

3. We are dedicated to turning out cars that will give you peak performance, that will handle gas as though it were rationed, and will require a minimum of attention and expense. We're doing it now, and we're going to do even better.

4. Chrysler Corporation has the best engineers in the business. It is our job to see that their best ideas go into our cars.

In accomplishing these four basic objectives, we will offer you cars in every price class that give you the most for your dollar when you buy them and the most for your dollar at trade-in time.

The people at
Chrysler Corporation

*Where engineering puts something extra into every car*

PIERSALL IN ACTION—This sequence of events shows fiery Jimmy Piersall in fistic action at New York Sunday. He downed one attacking fan with a left hook and gave another a good kick after getting in a good right. Teammate Johnny Temple (16) and police are shown on the way to help.

# Piersall Gives Warning to Centerfield Nomads

NEW YORK (AP) — Jimmy (K.O.) Piersall is giving fair warning to spectators with an urge to invade his centerfield territory intent on doing him bodily harm . . . with his fists!

"I'll swing at anybody that comes at me," the fiery Cleveland Indian player promises. "I won't ask any question. Who knows? The next guy may have a knife with him."

* * *

Piersall gave his warning between games of the doubleheader between the Indians and New York Yankees at Yankee Stadium Sunday after two young spectators had rushed onto the field and attacked him.

Piersall felled one of them with a left and booted the other before his teammates and police thoroughly subdued the pair. They gave their names as James McInerney Jr., 18 of Bayport, N.Y., and Robert Mendez, 17, of Ronkonkoma, N.Y. Both were charged with disorderly conduct.

* * *

"They came at me like madmen, hurling insults," Piersall related. "I could see fire in their eyes. One of them yelled, 'We'll get you, you nut,' and cocked his right hand to hit me.

"I didn't wait to hear any more. I got in the first punch. I got the first guy with a left hook and he went down. I hit the other with a right but the punch landed a little high and he stayed up. He tried to get away but I connected with a kick in his rear before the cops grabbed him."

Piersall said he had no regrets over the stormy incident which occurred before nearly 58,000 stadium fans and a vast television audience.

* * *

"I'm glad I did it," the explosive Jimmy said. "My dad (who died last week) would have been proud of me. You've got to prove to those lunatics the field belongs to the players."

Piersall had one source of satisfaction.

"First fight I ever won," he said. "I've had 117 fights and this is my first victory."

The fight wasn't the only bit of rhubarb that fiery Jimmy took part in Sunday. As a matter of fact, the stormy interlude was just a preliminary to the spectacle that took place in the sixth inning of the second game—described by some as the wildest mass demonstration ever staged in 38-year-old Yankee Stadium.

* * *

There were two Yankees on base with none out when Cletis Boyer hit a long drive which bounced off or over the left field bullpen railing and came back on the field. Umpire Frank Umont at third base indicated a home run. Boyer, after rounding second, slowed up and was tagged out by third baseman Mike de Labos.

Piersall, who did not play in the second game, charged out of the bullpen protesting the "home run." Cleveland Manager Jimmie Dykes demanded the out be called and the umpires, after a huddle, permitted the out on Boyer. Yankee Manager Ralph Houk argued in vain.

* * *

The huge crowd then unloosed the wildest booing ever witnessed at Yankee Stadium. For 17 minutes, the din was so great, it was impossible to hear anything else.

Afterwards, senior umpire Charlie Berry, stationed at second base, took the blame for the Boyer call.

"It was my fault," he said. "I waved the ball in play but I didn't make a clear signal and Umont misinterpreted it."

Apparently so did 57,824 persons in the stands.

# Duffy Irked by Spartans

### Raimey Stars as Blues Post 28-21 Triumph in 'M' Scrimmage

By The Associated Press

The University of Michigan and Michigan State football squads were back to more routine exercises today after discovering over the weekend that their first strings can win — against the second strings.

* * *

In full scale scrimmages Saturday, MSU's first two elevens clobbered the second two teams 40-0. At Michigan it was closer, 28-21.

MSU coach Duffy Daugherty, however, was unhappy with Saturday's scrimmage. There was the incident where a blocker took out his own ball carrier. Then a quarterback tried to sneak with 38 yards to go. And a play was started with only three men in the backfield.

The first squad's first touchdown was the result of a bad pass from center.

**"The funny thing about the whole thing," said Daugherty, "is that the plays that we didn't plan went off the best. The young sophomores showed some great initiative. They just made up the plays as they went along."**

At Michigan, half Dave Raimey also showed he could make up plays. He ran back the opening kickoff 86 yards for a touchdown.

The first team played without top quarterback Dave Glinka, still sidelined with a bruised shoulder from an earlier practice, and fullback Ken Tureaud, also nursing injuries.

John Stamos of Chicago, normally a defensive quarterback, handled most of the signal-calling for the blue team.

A standout was Doug Bickle, sophomore end from Traverse City, who handled kicking chores for both sides. Bickle kicked a 23-yard field goal and an extra point for the first stringers and three extra points for the reserves.

# Record Discus Throw Can't Be Recognized

LOS ANGELES (AP) — A prodigious discus throw of 210 feet-2½ inches by Jay Silvester was made on a field that sloped down 27 inches from the spot he heaved the discus to its destination.

Therefore, the longest discus throw ever cannot be submitted for a world's record.

* * *

AAU official Emil Breitkreutz surveyed the field Sunday outside Los Angeles City College Stadium and came to the conclusions above.

Officials said the field was recently graded and has not been surveyed since.

A slope of more than 2½ inches is enough to disallow a throw from being considered for a world's record.

* * *

Silvester—on his way to Disneyland with his family when he decided to stop and compete—made three other tosses over the listed world mark of 199-6½. Two of them bettered his own pending mark of 199-2½.

# Home Never Looked Sweeter to Tigers

## Fans Welcome Bengals After 1-10 Road Trip

### Detroit Back From East 11½ Behind; Bosox Take Series Finale, 8-7

DETROIT (AP)—Home sweet home never looked sweeter for the Detroit Tigers.

They came home from their sour road trip last night no longer pennant contenders and in dire jeopardy of falling from second place.

**But Willow Run airport was jammed with fans welcoming the Tigers home and saying—"it was a nice job while it lasted." The Tigers descended from their chartered plane to cheers.**

Their descent hardly rivaled the one they went through the last 10 days in the American League, however.

* * *

The Tigers departed Sept. 1 to open a crucial series with the New York Yankees, just 1½ games out of the lead. Today they were 11½ games out, still in second place, but with Baltimore breathing on their necks two games behind.

**Detroit lost nine of 10 games on the trip and all of their frustration seemed to be wrapped up in yesterday's 8-7 loss to the Red Sox at Boston.**

The Sox jumped to a 4-0 lead in the first inning and the Tigers couldn't do anything right.

* * *

Chuck Schilling's leadoff single fell among three Tigers. Frank Malzone hit a double that flicked Rocky Colavito's glove. Jackie Jensen hit a ground ball single that had hopped past Jake Wood. Pumpsie Green hit a fly that Billy Bruton lost in the sun for a double.

**The horrors over, the Tigers came back to make a game of it.**

They had a chance to win it in the ninth after Colavito had narrowed the Boston lead to one run with his 41st home run, a two-run shot.

* * *

But Arnie Earley, a rookie from suburban Lincoln Park, struck out Norm Cash and got Dick McAuliffe on a fly ball to end Detroit hopes.

**Bruton also redeemed himself with a homer in the fourth for Detroit's first run. The Tigers got another in the same inning on Steve Boros' sacrifice fly.**

Boros drove in the Tigers' next run in the sixth with a double. Charlie Maxwell's triple provided a Detroit run in the seventh and a bases-loaded walk to Larry Osborne got in the other run in the eighth.

* * *

Don Mossie, who lost 1-0 in his last two outings, was the victim of Boston's weird attack in the first. Mossie left in the second after Carl Yastrzemski belted a two-run homer for a 6-0 Boston lead.

While the Tigers floundered through the East, the Yankees were winning 12 straight on a homestand to gain 10 games on their nearest rivals.

The Tigers took today off and open a nine-game home stand tomorrow night against the Kansas City Athletics.

## Chippewas No Match for Northern, 35-0

SAGINAW (AP)—Northern Michigan held Central Michigan to 99 yards total offense Saturday night as it crushed the Chippewas 35-0 in the season's opening game for both teams.

* * *

Northern's quarterback, Frank Novak, passed for three touchdowns and fullback Gene Vallesano ran for two more.

* * *

Novak, passing to ends Wayne Sickler and Mike Mileski, completed 8 of 14 passes for 111 yards. Vallesano gained a total of 121 yards rushing. His two touchdown runs were from seven and three yards.

# SPORTS

# Must Increase Pace or Miss Homer Mark

By The Associated Press

Memo to Roger Maris:

If you're going to break Babe Ruth's 1927 home run record, you'll have to step up the pace. The one you've set so far won't get the job done.

* * *

So far, you've played in 144 New York Yankee team decisions. You've been at bat officially 527 times. With 56 homers, this means you've hit on the average of one every 9.41 times at bats.

Commissioner Ford Frick has ruled that he'll consider the record broken "officially" only if you come up with 61 in 154 team decisions, the same that Ruth required for his 60 homers. You've got 10 games to go and approximately 40 times at bats.

It's fairly safe to say they'll walk you at least once every four times, leaving only 30 times you'll get to aim for the fence. Needing five more homers, you've thus got to come up with one on an average of every six official appearances.

It was downright rude of those Cleveland Indians Sunday not to give up at least one more homer toward your goal especially since you and your Yankee teammates swept both ends of a doubleheader from the Tribe 7-6 and 9-3.

As for that roommate of yours, Mickey Mantle—the Mick, did manage a homer Sunday, his 53rd. He has been at bat 483 times for a 9.11 average per home run. He's eight shy of the Babe and would have to stroke one every 3.75 times at bats if he only comes up to the plate 30 times officially in the next 10 games.

Mantle's blast came in the second game of the doubleheader, punctuated by fist fights and arguments that both involved Cleveland center fielder Jimmy Piersall. The twin victories and Detroit's 8-7 loss to Boston left the Yankees 11½ games ahead of the runnerup Tigers and reduced the magic number to eight, any combination of eight New York victories or Detroit defeats giving the AL pennant to the Bronx Bombers.

Other AL games saw Baltimore nip Washington 3-2, the Los Angeles Angels edge Chicago's White Sox 4-3 and Kansas City and Minnesota divide a pair, the A's spluring 13-1 in the opener and bowing 7-0 in the nightcap.

After Sunday's activity, Maris, who settled for two singles, is four games ahead of Ruth's home run pace. Mantle is two games behind.

* * *

The Yankees' double victory extended their two-season chain of victories over Cleveland at Yankee Stadium to 18 games. It also gave New York a sweep of its 12-game home stand. The Yankees open a 13-game road trip Tuesday night in Chicago.

* * *

New York's three homers by Mantle, Elston Howard and Johnny Blanchard brought to 219 the number the Yankees have hit this year and left them two shy of the record set by the New York Giants in 1947 and tied by Cincinnati in 1956.

The Angels and the White Sox each picked up three home runs and brought to 222 the number of homers hit in LA's Wrigley Field this season, a major league record.

* * *

Baltimore's Chuck Estrada had a shutout until the ninth when Billy Klaus hit a two-run pinch single with two out. Hoyt Wilhelm preserved the Oriole victory.

Kansas City got 17 hits, including a triple, double and three singles by Billy Howser, in its first game triumph over the Twins. Harmon Killebrew got his 42nd and 43rd home runs for Minnesota. Pedro Ramos won the second game.

# Lions Get Tough on Defense

CLEVELAND (AP) — "You've got the defense."

That's what Pittsburgh's Buddy Parker and Cleveland's Paul Brown — both victims of Detroit's most successful National Football League exhibition season since 1954 —have been telling Lions coach George Wilson.

**And Wilson is the first to admit that, "boy, that defense is really tough."**

The Lions proved it Saturday night in Cleveland with a 35-17 victory over the Browns. It was their fourth victory in five exhibitions.

* * *

They held off Cleveland's most dangerous runners without a yard in the first half. And then, with two 60-yard returns on intercepted passes and a 30-yard dash with a fumble, they zoomed to victory—their second over the Browns in an exhibition game this year.

**Nick Pietrosante bulled into the end zone for the first Detroit score after Earl Morrall completed a 45-yard pass to Gail Codill.**

With Detroit leading 7-3 at halftime, Gary Lowe and Dick Lebeau each picked off short passes by Brown quarterback Milt Plum and each ran 60 yards for a touchdown.

* * *

On the final play of the third quarter, Wayne Walker scooped up a fumble by Len Dawson and scampered 30 yards for a touchdown. The Lions added another seven pointer in the third period on a nine-yard pass from Jim Ninowski to Cogdill.

**The Browns touchdowns came late in the third quarter on a five-yard run by rookie Tom Watkins after Bobby Mitchell had set up the score on a 65-yard run, and then again in the final quarter on Plum's 23-yard touchdown pass to rookie Bob Crespino.**

Cleveland opened the scoring on a 47-yard field goal by Lou Groza in the second quarter.

* * *

The Lions now turn their sights on the Green Bay Packers — their foes in their opening NFL contest at Milwaukee next Sunday.

"If we win that one," Wilson says, "there's no telling how high this team can go."

* * *

Only two teams escaped unscathed during the long pre-season schedule — the league champion Philadelphia Eagles and Green Bay, the Western Conference champions last year.

* * *

Green Bay won its fourth in a row — and 12th straight in 2½ years — Saturday night, exploding for 17 points in the third quarter to defeat the Washington Redskins 31-24. The Eagles romped over the St. Louis Cardinals the same night 27-0.

* * *

It was the Redskins' fifth straight loss, matching the preseason record of the new Minnesota Vikings. The Minnesota entry was a victim of its own mistakes in dropping a 21-17 verdict to the Los Angeles Rams Sunday.

* * *

The most impressive individual showing in the final games is that of Johnny Unitas of Baltimore, who fired five touchdown passes—four in the opening period—as the Colts overwhelmed the New York Giants in Yale Bowl at New Haven, Conn. Sunday. The score was 49-20. Jimmy Orr scored on three of Unitas' passes. Adding to the Giant's woes was the possibility their veteran quarterback, Charlie Conerly, may have suffered a fractured nose early in the game. Veteran end Kyle Rote of the Giants hurt his hand and may miss next Sunday's opener with St. Louis.

The Chicago Bears eked out a 24-21 victory over the Pittsburgh Steelers Friday night to bring their pre-season record to 3-2. It was Pittsburgh's third loss in five starts

AP Photofax

COOL RED—Red hot Bob Purkey gets doused by mate Wally Post after hurling two-hitter to keep Cincinnati four games ahead in the National League race. Post provided the winning margin with a three-run homer in a 5-2 game.

### Redlegs Increase NL Lead

# Close Victories Important

By The Associated Press

Sprinkle a little pitching they can't hit and win more than your share of the close ones . . . this has been philosophy of baseball experts for carving pennant winners for, lo, these many years.

It's true the Cincinnati Reds haven't nailed down the National League flag yet, but today they've got an awfully big foot in the door, boasting a four-game lead. And there's every indication that somewhere along the line Manager Fred Hutchinson has soundly convinced his troops of this age-old philosophy.

* * *

The Reds completed the sweep of a three-game set with the St. Louis Cardinals Sunday and threw a little pitching at 'em. Bob Purkey held the Red Birds to two singles, and Wally Post contributed a three-run homer, his 18th, and the Reds had a 5-2 victory.

During the Reds' first two tilts with the Cards, Cincinnati won extra-inning thrillers, both by a single run. These were the 30th and 31st one-run triumphs scored by the Reds. They've lost only 14 by the same margin. And nine extra-inning games have produced six Cincinnati decisions.

The Reds' weekend mastery over St. Louis, coupled with San sweep over second-place Los Angeles, opened up the commanding gap between Cincinnati and the Dodgers.

* * *

For San Francisco, the weekend, topped off by Sunday's 7-1 victory, brought sweet revenge. Two years ago, the Giants appeared headed for the NL pennant. The Dodgers struck them down in the season's dying days and went on to win the title and the World Series.

The Giants won the last eight games with the Dodgers at San Francisco's Candlestick Park this year and took the season series, 12-10.

Elsewhere, third-place Milwaukee kept its faint pennant hopes alive by edging the Pittsburgh Pirates 4-3 on Warren Spahn's pitching, and the Philadelphia Phillies exploded for 13 runs in two innings to conquer the Chicago Cubs 14-6.

Purkey won his 16th game against 10 defeats in conquering the Cardinals. He didn't allow a hit until the sixth when Julian Javier and Bill White both singled. After the Cards tied the count at 2-2 that inning, the Reds came right back in the bottom of the frame for the three tallies that proved the clincher. Vada Pinson doubled and Frank Robinson singled and Post drove them in with his big blast.

Orlando Cepeda and Willie Mays furnished the power and Billy Loes and Stu Miller the pitching in the Giants' rout of the Dodgers. Cepeda got his 40th homer and Mays his 37th. Mays scored three times, the third the 1,000th run of his NL career. Loes and Miller held the Dodgers to three hits. Miller was the winner, making his record 11-4. Stan Williams lost his 11th to go with 12 victories.

## *Estimated 8,500 Greet the Tigers at Willow Run*

DETROIT (UPI)—An estimated 8,500 persons were at Willow Run Airport last night to welcome home the Detroit Tigers from a disastrous road trip.

State police called the crowd one of the largest it had ever been called out to handle. Extra troopers were called in to help direct traffic on the Edsel Ford Expressway which runs out to the airport from downtown Detroit.

Manager Bob Scheffing, pitcher Jim Bunning and left fielder Rocky Colavito all addressed the huge throng of Tiger enthusiasts.

Colavito promised the crowd that "things will be better next year." And both Scheffing and Bunning expressed their appreciation to the fans on behalf of the club.

# Jay Law Wins Publinx Event

Veteran Jay Law of Harper Woods rifled a four-under-par 68 Sunday at Rochester Country Club for a four-stroke victory margin in the Michigan Publinx Golf Association's 4th and final handicap tournament of the year.

The 43-year-old wood pattern maker carded 33-35—68 over the par 36-36—72 course. Law, three-time State Publinx champ, hit 15 greens and birdied six holes. He chipped into the cup for a birdie at No. 7.

Hazel Park's Sam Lima and Jack Floch of Troy tied for runner up honors with 72 while Pontiac's Wally Smith and Roy Cullenbine of Detroit shared 3rd place with 73.

There were 223 entries. Leading scores:

| | |
|---|---|
| Jay Law | 33-35—68 |
| Sam Lima | 36-36—72 |
| Jack Floch | 37-35—72 |

### After 7 Misses, Katona Takes State Fair '250'

DETROIT (AP)—Iggy Katona, who tried seven previous times and failed, won the annual 250 mile race for new stock cars yesterday at the State Fair Grounds.

The Willis, Mich., driver took over the lead on the 180th lap and never yielded it. He finished five laps ahead of Keith Pilloghe of Indianapolis with a clocking of three hours, 34 minutes and 6 seconds for an average speed of 70.58 m.p.h.

Paul Parks of Columbus, Ohio, was third.

## From The PRESS BOX

Detroit and Port Huron won American Football Conference games Sunday. Detroit beat Cincinnati 20-7 and Port Huron rallied to take Ohio by the same score. John Henry Jackson passed for three scores as Sarnia took Toledo, 23-20. Grand Rapids walloped Battle Creek 57-0 in the United loop featuring four TDs by Leon Burton.

* * *

**Tom Payne of Ann Arbor and Ed Fuchs, Franklin, won the Class F modified event yesterday at the sports car races at Road America in Elkhart, Wis.**

* * *

Michigan State student Jim Neumann was the only Michigan player scheduled to compete in the National Amateur opening round today at Pebble Beach, Calif. Orchard Lake's Pete Green, Chuck Kocsis and Tom Draper of Royal Oak and C. A. Smith, III of Jackson go at it tomorrow.

* * *

**Old pro Willie Hartack won the Michigan Derby aboard Endsville Saturday at Hazel Park.**

* * *

Paul Boel won the Cass Lake Invitational Ski Jumping tournament Sunday for the 4th straight year.

# Houston Sets Scoring Mark

### Oakland Routed, 55-0; NAACP Pickets on Hand at Texas Stadium

By The Associated Press

The American Football League got its championship race going last weekend and there were no surprises in who won, but there was one big one in how.

* * *

Houston beat Oakland 55-0 for a new league scoring record with some racial agitation failing to dislodge their equanimity. The NCAAP asked Negro players on the Oakland team not to cross picket lines that protested segregated seating at Houston but the players didn't heed the request.

* * *

San Diego whipped Dallas 26-10 on the blazing runs of Paul Lowe and the passing of Jack Kemp.

Denver clipped Buffalo 22-10 to join San Diego at the head of the Western Division. Frank Tripucka engineered the scoring.

* * *

New York's Titans nosed out Boston 21-20 with Al Dorow passing for two touchdowns and scoring one and deadlocked with Houston for the lead.

## *Dave Hill Wins Denver Tourney by Six Strokes*

DENVER (AP) — Haunted by home-town magic, the touring golf pros headed today for Seattle after Denver's Dave Hill pocketed top prize of $3,500 Sunday with a 21-under par performance in the $30,000 Denver Open.

Hill duplicated the feat the previous week at Dallas by Earl Stewart, first home pro ever to win a PGA tourney. Hill, a touring pro the past two years, owns a Denver home but is not attached to a local club.

But the 24-year-old swinger acted like he was born and reared on the par 71, 6,843-yard Meadow Hills course. His final round 69 for a 263 total was six strokes better than Art Wall Jr. and Bob Goalby, who each collected $2,050 for runnerup honors.

# Local Golfers Keep Title Behind Bada

With city champion Paul Bada showing the way, Pontiac's five-man golf team retained its Recreation Association of Michigan state title Saturday at Pontiac Municipal golf course.

* * *

Bada, the sharp-shooting redhead who won this year's city crown in August at Municipal, fired a 36-33—69 to equal par over the par 34-35—69 layout to capture medal honors in the 18-hole medal play event.

Pontiac totaled 366 to run away with the team championship. The city golfers' nearest rival was Dearborn, which had a score of 381.

**There was excellent balance on the Pontiac squad. Harold Daniels, Charley Barker and Jim Brafford each shot 74 and Butler Cooper posted 75 as the city squad won the title for the 2nd straight year.**

Two eagles were made. Lansing's Otto Schubel, former MSU player, eagled the 16th hole and Willard Boggs of Grand Rapids eagled No. 4.

Nine teams competed. Final team scores:

Pontiac 366, Dearborn 381, Grand Rapids 382, Lansing 383, Livonia 394, Ypsilanti 409, Trenton 413, Garden City 443, Riverview 445.

**WANTED!**

**MEN—WOMEN**

from ages 18 to 52. Prepare now for U. S. Civil Service job openings in this area during the next 12 months.

Government positions pay as high as $446.00 a month to start. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience.

But to get one of these jobs, you must pass a test. The competition is keen and in some cases only one out of five pass.

Lincoln Service helps thousands prepare for these tests every year. It is one of the largest and oldest privately owned schools of its kind and is not connected with the Government. For FREE information on Government jobs, including list of positions and salaries, fill out coupon and mail at once—TODAY. You will also get full details on how you can qualify yourself to pass these tests.

Don't delay—Act NOW!

LINCOLN SERVICE, Dept. 91
Pekin, Illinois

I am very much interested. Please send me absolutely FREE (1) A list of U. S. Government positions and salaries; (2) Information on how to qualify for a U. S. Government Job.

# Big Race Events Marred by Tragedies

**From Our Wire Services**

DETROIT — Bob Hayward, a soft-spoken Canadian who almost always was victorious, was known as one of powerboating's most cautious drivers.

The 33-year-old ex-chicken farmer from Embro, Ont., preached caution in his discussions of triumphs that brought Canada the famed Harmsworth Trophy the last three years.

**Yesterday Hayward tried to gamble in the Silver Cup Regatta in his Miss Supertest II and became the first driver to be killed in 11 years in an unlimited hydroplane accident.**

He tried to squeeze Supertest between two boats and into the lead on the first turn of the second heat. Supertest made a complete roll over, said her owner, Jim Thompson of London, Ont. Hayward was knocked unconscious and was pronounced dead after doctors failed to revive him at the pit area and he was rushed to a hospital.

* * *

"He died instantaneously," said Dr. F. Sinclair Finch, physician at the scene. "Death was caused by a broken neck and other severe injuries."

"I saw the whole thing," Thompson said, "Bob had just pushed her into the lead when he flipped completely over."

**The remaining heats of the 45-mile race were canceled.**

Miss Bardahl of Seattle, driven by Ron Musson, was declared the Silver Cup champion on the basis of winning the first section of the first heat with an average speed of 108.069 m.p.h. Such Crust, driven by Fred Alter of Detroit, was placed second, winning the second section with 98.084.

Century 21, the Gold Cup winner from Seattle driven by Bill Muncey, was placed in third position. Five Detroit boats followed in order — Gale V, Miss U.S. I, Thunderbolt, Miss Detroit and Miss Supertest II.

**Ironically, Miss Supertest was disqualified in the first heat for striking a buoy. Hayward called attention of officials to this, thus disqualifying himself.**

With great need of points to remain in contention in the three-heat race, Hayward tried to get a quick start in the second heat.

Fate hadn't finished with the handsome driver. The ambulance and its motorcycle escort struck a car which pulled into their path from a side street. Hayward was dead on arrival at Detroit Receiving Hospital. A policeman was seriously hurt.

---

MONZA, Italy — Renewed outcry for a limit or ban on automobile racing echoed today as an aftermath of a tragic accident Sunday in the Italian Grand Prix which took the lives of famed driver Baron Wolfgang von Trips and 13 spectators and injured 25 others.

**It was just such an accident that doomed Italy's famed Mille Miglia road race in 1957. In that race the Spanish Marquis de Portago's car plowed into massed roadside spectators, killing De Portago, his American co-driver and 10 onlookers.**

Von Trips, a handsome German and the point-leader in the competition for the World Driving Championship, died beneath his red Ferrari on the second lap. His car spun twice into the guardrail along the inside of the track, bounced back and struck another car, then rocketed through the guardrail into the spectators, jammed elbow to elbow.

* * *

Phil Hill of Santa Monica, Calif. won the race and the world championship.

Unaware of the fatalities, he stood beaming with joy as the American national anthem was played. Then he learned about the dead. He turned white with shock and collapsed on a bench, too stunned to speak.

Stirling Moss of Britain, long one of Von Trips' close rivals, also was too stunned to speak, and fled from the track.

---

WAUSAU, Wis. — The wheel of a speeding stock car slammed into a crowded grandstand at State Park Speedway yesterday killing two small children and injuring two others.

AP Photofax

RACE VICTIM—Bob Hayward of Embro, Ont., who had won the Harmsworth trophy three straight times, met his death in his famed powerboat Miss Supertest when it flipped over in the Silver Cup races at Dertoit yesterday.

# Beman, Nicklaus Favored

PEBBLE BEACH, Calif. (AP)— Firing in the 61st annual national golf championships begins Monday with a pair of buddies, Deane Beman of Arlington, Va., and Jack Nicklaus of Columbus, Ohio, the ones to beat in a select field of 200 competitors.

Beman is the present champion and begins defense of his title by taking on young Harry Allers of Fort Lauderdale, Fla., at 10:42 am. EST, in a first round duel. Nicklaus, the 1959 champion when only 19, has a first round bye.

Except for their youth and golfing abilities, the two pals couldn't be more dissimilar. Beman is short, of average build. Nicklaus is tall, a 200 pounder and powerful. Beman is quiet and works his way around a course with deftness. Nicklaus is carefree and belts the ball a country mile.

The youngsters will head the week-long parade of the world's best amateurs over the Pebble Beach layout that stretches for 6,647 yards over the high bluffs and beaches of the Pacific. Par is 36-36—72, but it's difficulties vary from day to day because of the wind.

* * *

Eight of the holes have the ocean either as a background or a boundary. The course also differs from the usual U.S. layout in that the ninth and 10th holes, customarily near the clubhouse, are the farthest away.

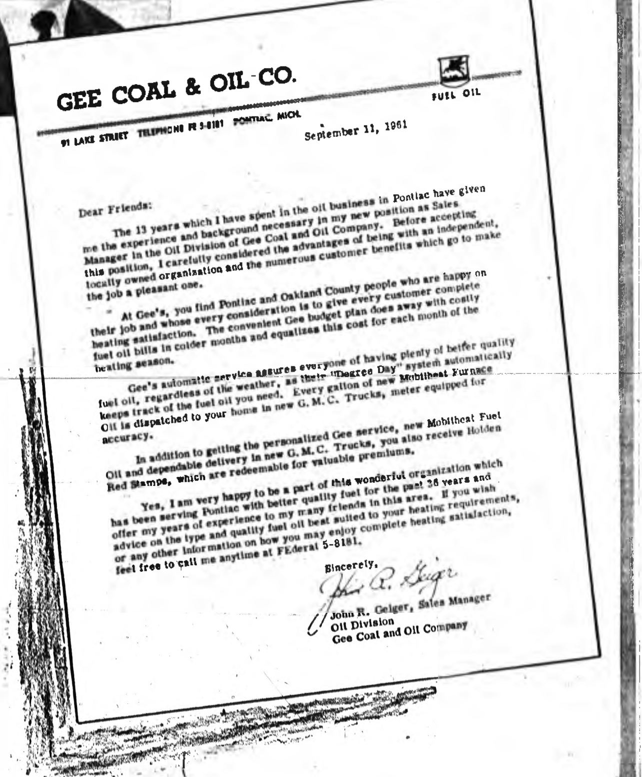
An Open Letter to All Who Wish Complete Heating Satisfaction



GEE COAL & OIL CO.

FUEL OIL

91 LAKE STREET TELEPHONE FE 5-8181 PONTIAC, MICH.

September 11, 1961

Dear Friends:

The 13 years which I have spent in the oil business in Pontiac have given me the experience and background necessary in my new position as Sales Manager in the Oil Division of Gee Coal and Oil Company. Before accepting this position, I carefully considered the advantages of being with an independent, locally owned organization and the numerous customer benefits which go to make the job a pleasant one.

At Gee's, you find Pontiac and Oakland County people who are happy on their job and whose every consideration is to give every customer complete heating satisfaction. The convenient Gee budget plan does away with costly fuel oil bills in colder months and equalizes this cost for each month of the heating season.

Gee's automatic service assures everyone of having plenty of better quality fuel oil, regardless of the weather, as their "Degree Day" system automatically keeps track of the fuel oil you need. Every gallon of new Mobilheat Furnace Oil is dispatched to your home in new G. M. C. Trucks, meter equipped for accuracy.

In addition to getting the personalized Gee service, new Mobilheat Fuel Oil and dependable delivery in new G. M. C. Trucks, you also receive Holden Red Stamps, which are redeemable for valuable premiums.

Yes, I am very happy to be a part of this wonderful organization which has been serving Pontiac with better quality fuel for the past 38 years and offer my years of experience to my many friends in this area. If you wish advice on the type and quality fuel oil best suited to your heating requirements, or any other information on how you may enjoy complete heating satisfaction, feel free to call me anytime at FEderal 5-8181.

Sincerely,

John R. Geiger

**West Setting Table While Reds Play With Rockets**

# Diplomats Preparing for Big 4 Meeting on Berlin

WASHINGTON (AP) — High-ranking diplomats meet here today to lay the groundwork for Thursday's Western Big Four foreign ministers' conference on Berlin.

* * *

The American, British, French and West German strategists were convening under admittedly doubtful prospects for any quick and peaceful settlement of the deepening German crisis.

Over the weekend the Soviet Union fired two more nuclear tests in its new series, spurned a U.S.-British offer to ban nuclear testing in the atmosphere and announced it would shoot "more powerful and improved" rockets into the central Pacific during the next few weeks.

Soviet Premier Khrushchev mixed talk of hydrogen war dangers to West Europe with a prediction of East-West negotiations on Berlin in a Stalinrad speech Sunday. The address was more moderately toned than some of his past utterances.

**WORD FROM MOSCOW**

A few hours later, a joint communique on his Moscow talks with India's Prime Minister Nehru stressed the need "for a peaceful solution of the German problem through negotiations between all concerned." It added: "At present one cannot ignore the fact of the existence of two German states and that any attempt to change the frontiers would have dangerous consequences."

U.S. officials saw little new in Khrushchev's remarks, however. Secretary of State Dean Rusk was described as still believing that Khrushchev, who wants the Western occupiers out of West Berlin and recognition of Communist East Germany, has offered nothing the West can accept.

* * *

The Western diplomats were reported planning to discuss negotiation plans only in general terms at this stage, while giving urgent attention to "contingency planning" — their label for possible counter-moves against future Red pressures.

Slated to attend preliminary sessions on the foreign ministers meeting were the British undersecretary of state, Sir Evelyn Shuckburgh; Jean Lalois, who has been head of the French Foreign Office's European department; Karl Karstens, state secretary for the German Foreign Office and Foy D. Kohler, assistant secretary of state for European affairs.

**FIRE AT EMBASSY**

The State Department awaited a formal report from U. S. investigators on a fire in the Soviet Embassy here Saturday, meanwhile keeping an eye out for what propaganda use the Reds might seek to make of the incident.

The Americans suspect the Soviets may have set the small blaze themselves for their own purposes. An embassy representative called on Rusk personally to protest what he termed "this unprecedent criminal act by unknown persons"—and did not call in the police until later.

* * *

A Soviet spokesman said the embassy staff snuffed out the fire which started about 4:45 p.m. in the third-floor bedroom of vacationing Ambassador Mikhail Menshikov.

When Washington police and fire inspectors and State Department sleuths were admitted, they found a few things burned and windows broken. But they were puzzled as to how anyone could have gone undetected to the third floor of the normally well-guarded mansion on a busy downtown Washington street.

# Search for Army Plotters in Attempt on De Gaulle

PARIS (AP) — With the arrest of one accused plotter, police pressed a drive today against the Secret Army Organization — OAS —for the spectacular attempt on President Charles de Gaulle's life.

Interior Minister Roger Frey declared that the clique of French military rightists directed last Friday's attempt to kill De Gaulle in a roadside ambush.

MARTIAL de VILLEMANDY

He announced the arrest of Martial de Villemandy, 30, a former radio announcer in Saigon, South Viet Nam, and said he had confessed. De Villemandy had boasted he was a member of OAS and had taken orders from former Gen. Raoul Salan, Frey told a news conference.

Salan is a fugitive. He is under a death sentence as the arch plotter in last April's revolt of the generals in Algeria against De Gaulle's policy of self determination for that rebellious North African territory.

At least four others are being sought as organizers of the bomb plot. Frey said De Villemandy was arrested near the scene shortly after the plot misfired.

De Gaulle was being driven by his chauffeur at his home at Colombey-les-Deux-Eglises when his car was forced to drive through a wall of flame. The flame was supposed to set off a roadside bomb, but it did not explode.

The OAS was formed in Algeria to coordinate various activist groups working to maintain French domination over Algeria. It first came to prominence in the abortive April revolt of the generals in Algiers. Salan is the nominal commander.

Paris has buzzed all summer with rumors of another uprising being planned in Algiers and of an attempt to seize power in France.

## *Printers' Lives Will Get Back to Normal (?)*

MASON (UPI) — Printers on the Ingham County News no longer will bark at their wives, yell at their kids or kick their dogs on Thursday

* * *

Jim Brown, copublisher of the News, explained it this way:

**For 102 years, Brown wrote in a column, the newspaper has been printed on Thursday afternoon and delivered on Friday.**

This, he said, was because most of the readers in the Central Michigan area did their major shopping on Saturday night. Shopping habits have changed, however, so the News now will be printed on Wednesday and delivered to subscribers on Thursday.

## Radioactivity Up

TOKYO (AP)—The Japan Meterological Agency reported today its stations throughout Japan had detected a slight increase in the level of radioactivity in rain believed to be the result of recent Soviet nuclear explosions.

STATE OF MICHIGAN IN THE PROBATE Court for the County of Oakland, Juvenile Division.

In the matter of the petition concerning Donna Pennington, minor. Cause No. 1961.

To Donald Earl Pennington, father of said minor child.

Petition having been filed in this Court alleging that the present whereabouts of the father of said minor child is unknown and said child is dependent upon the public for support, and that said child should be placed under the jurisdiction of this Court.

In the name of the people of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Oakland County Service Center, Court House, in the City of Pontiac in said County, on the 21st day of September, A.D. 1961, at nine o'clock in the forenoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in The Pontiac Press, a newspaper printed and circulated in said County.

Witness, the Honorable Donald E. Adams, Judge of said Court, in the City of Pontiac in said County, this 29th day of August, A.D. 1961.

## Thousands Attend Rites of Ex-Liberian Chief

MONROVIA, Liberia (AP) — Thousands packed Monrovia Sunday for the funeral of former President Charles D. B. King. Dr. Seth Edwards, an American, officiated at the Protestant rites.

* * *

The last surviving signer of the 1919 Treaty of Versailles, King died last Monday at 87. He was once Liberian envoy to Washington.

### To Keep Producers From Defecting

# U.S. Urged to Lend Aid to Distressed Hollywood

By JAMES BACON
AP Movie-TV Writer

HOLLYWOOD — U.S. government aid for a distressed Hollywood?

Actor MacDonald Carey, serious, argues it could halt the local movie industry from moving to Picadilly or the Via Veneto.

Carey doesn't envision subsidies for plowing under budding young starlets, but he seriously believes some sort of financial guarantee is needed to soothe the critical condition of Hollywood films.

"England, Spain and other countries give financial aid to producers who shoot their pictures there. Why not here?

"That's the big reason for runaway production," says Carey, who just returned from eight weeks of picture making in England.

* * *

"In England, the producer is assured return of any negative cost by government guarantee. He knows he can't lose."

Even such a relatively poor country as Ireland gives financial aid to movie-makers. The reason? Movie production means jobs, publicity (not always good) and an influx of big spenders.

* * *

Carey, with a large family rooted here, isn't happy about having to go abroad for his work.

"I've even had an offer to make an English Western—so you know how deep they've bitten into our industry here.

* * *

"Last year both London and Rome produced many more movies than Hollywood—and Japan produced three times as many—all with some government help." Carey declares.

**NOT LUDICROUS**

Aid for Hollywood sounds ludicrous on the surface. But it's not really so, he says.

Look at the tax break the government gives oil millionaires, Carey maintains.

"This film industry is a glamorous industry, true — but also an industry that provides thousands of jobs for ordinary working people. They're the ones that are being hurt now."

* * *

Typical of Hollywood's financial status now is a recent disclosure that 20th Century Fox, the town's second-biggest studio, suffered a $25-million production loss this year.

Carey is the first to admit that the stars who are generously paid need no government aid—but he argues they are only a small minority who depend on the [illegible] for their livelihood.

# Nehru Thinks Tension Less

### However, India's Chief Comments: 'Anything Can Happen'

NEW DELHI, India (AP) — Prime Minister Nehru said today he thought the world situation was "a little less tense than it was."

At an impromptu airport news conference on his return from Moscow, the prime minister said, however, "anything can happen."

Asked how the world situation looked after his trip to Belgrade, Yugoslavia, and the Soviet Union, Nehru replied: "I think the situation, although still difficult, is a little less tense than it was."

He made these points in reply to questions:

* * *

Berlin: "It looked like a crisis from Moscow but I think it can be resolved. It will be fantastic to go to war on the Berlin issue."

* * *

Nuclear Premier "Khrushchev's general attitude was he would like to give it up if conditions are favorable according to his thinking. But he said nothing about stopping it even after delivering of the Belgrade letter."

Belgrade letter: "I cannot say what impact it had on Khrushchev. (Ghana's President) Nkrumah and I gave him the letter and he thanked us for it."

* * *

Belgrade conference of noncommitted nations: "I don't know what types of quarters were disappointed with the Belgrade conference. One cannot expect too much of these things but I think it was successful as far as conferences go."

* * *

Summit meeting: "I am sure there will be a meeting between (President) Kennedy and Khrushchev. The facts of the situation make it certain."

---

Parakeets eat almost constantly and cannot live very long without food.

# Former Sen. Green in 'Poor' Condition

PROVIDENCE, R.I. (AP)—The condition of former U.S. Sen. Theodore Francis Green, 93, was described as "still poor" early today at Jane Brown Hospital. He was placed in an oxygen tent Sunday.

Green will be 94 Oct. 2.

The Rhode Island Democrat was the oldest man to serve in the Senate when he retired early this year. He had served 23 years but did not seek reelection last year because of his age.

* * *

Green is suffering from a heart block discovered Friday when he entered the hospital for a checkup.

## Soys Lead Advance of Grain Prices

CHICAGO (UPI) — Grain futures prices started off a little on the stout side today on the board of trade, but appeared to meet more liberal offerings after the first several minutes.

September soybeans led the advance with gains running well over a cent a bushel. Other gains were limited generally to small fractions.

**CHICAGO GRAIN**

CHICAGO, Sept. 11 (AP)—Opening grain:

| Wheat | | Oats | |
|---|---|---|---|
| Sept | 1.99⅝ | Sep | 72⅛ |
| Dec | 2.05¾ | Dec | 76½ |
| Mar | 2.10⅞ | Mar | 79¾ |
| May | 2.12⅞ | May | 80⅝ |
| Jly | 2.14⅝ | Rye | |
| Corn | | Sept | 1.25½ |
| Sept | 1.09 | Dec | 1.31½ |
| Dec | 1.13⅞ | Mar | 1.33½ |
| Mar | 1.18¾ | May | 1.34 |
| May | 1.22⅛ | Lard (drums) | |
| Jly | 1.25⅝ | Sept | 8.90 |
| | | Oct | 9.10 |
| | | Nov | 9.27 |
| | | Dec | 10.25 |

## Paar Denies Army Helped

### Blames Reporters for Fuss Over Filming Show in Berlin

NEW YORK (AP)—Jack Paar says he received no undue cooperation from U.S. Army personnel in his recent filming of a TV show on Berlin's tense East-West border.

Reporters were to blame for the furor stirred up over the incident, he says.

* * *

And as for Congress: "It could better spend its time on some of its unfinished business with James Hoffa" than worrying about TV shows. Hoffa is president of the Teamsters Union and has been questioned by senators.

* * *

**Paar wouldn't talk with newspapermen about the incident, but he discussed it in Berlin with Eleanor Harris, who is traveling with him for Look Magazine. The interview was published by the New York Herald Tribune.**

**He told the writer that he wasn't surprised that reporters "make up news, but I am surprised to hear that senators spent 30 minutes discussing this matter."**

* * *

"Why? Perhaps an answer is that senators like publicity just like anyone else—and nothing would please them more than conducting a headlining investigation of me," he said.

**OFFICER REMOVED**

The Army removed one officer—Lt. Col. Dallas Hoadley of Baltimore—from his post for "improper performance of duty." It admonished a second—Col. J. R. Deane Jr. of San Francisco—for "exercising poor judgment" in providing troops filmed by Paar.

* * *

Paar said the Army had been working in cooperation with many other television shows in the past few months in Berlin.

"Not one thing that we did or that the Army did was improper. No pull was used, political or any other kind, to get Army cooperation," he said.

## *Pontiac Child Okay After Car Mishap*

A 3-year-old Pontiac boy, struck by a car near his home Saturday evening, was reported in satisfactory condition today at Pontiac General Hospital.

**Albert Walker Jr., son of Mr. and Mrs. Albert Walker of 530 California St., suffered possible head injuries when hit by a car driven by Howard Henderson, 21, of 475 Montana St.**

Henderson told Pontiac police the boy darted into the street and was struck a glancing blow.

The boy's father, who saw the accident, verified the driver's statement.

## News in Brief

**After a swimming party at his home last night, Jack Holder of 3790 Percy King Road, Waterford Township discovered $160 missing from a wallet in his trousers which he left in the house.**

**A thief stole $85 worth of clothing from a clothesline in the back yard at 721 Stanley St., owner Bill Warren reported to Pontiac police yesterday.**

**A break-in at the Springfield Service Station at 9203 Dixie Highway in Springfield Township Saturday night netted burglars $125 from a desk drawer, according to the owner, who reported his loss to sheriff's deputies.**

**A portable 21-inch television set was stolen during a break-in at the Liberty Tool Co., 2250 W. Maple Road, in West Bloomfield Township, it was reported yesterday to sheriff's deputies.**

England's Eton College was founded in 1471, and Harrow dates from 1571.

## MARKETS

## Selling Spree Hits Industrials

NEW YORK (AP) — Industrials bore the brunt of the selling as the stock market retreated in moderate trading early this afternoon.

* * *

General Motors widened its loss to nearly a point as contract negotiations were recessed until tonight and United Auto Workers Union members began striking some of the firm's 129 plants. Ford, up nearly a point earlier, turned lower and Chrysler was about unchanged.

* * *

Steels were hard-hit, along with electronics, most aircrafts and chemicals and oils.

**Despite industry predictions September would be the best month so far this year, U. S. Steel and Republic were off nearly 2 and Bethlehem and Jones & Laughlin also declined. President Kennedy's "hold the price line" letter remained an important background factor.**

Some of the usually wide-moving issues dropped sharply. High-priced International Business Machines was down around 9 points, Zenith more than 6 and Du Pont nearly 5. Other losers among electronics included Texas Instruments, nearly 2, and Raytheon and Avco, close to a point. The latter widened its loss after losing ⅜ on successive early blocks of 7,500 and 7,000 shares.

* * *

Douglas and General Dynamics declined more than a point, although United Aircraft clung to a small advance. Fractional losers among chemicals included Allied, Eastman Kodak and Air Reduction.

* * *

American Stock Exchange prices continued mostly lower. Down around a point or so were Cenco, National Video, Seeburg, Stop & Shop and Vornado. Creole Petroleum, Cletrac and Aerojet worked higher. Webb & Knapp was about unchanged in heavy trading.

**DISCUSS RADIOLOGICAL DEFENSE** — Four civil defense officials talk over an education program of preparedness against thermo-nuclear attack at a meeting of the Northeast Oakland County Civil Defense Council Saturday in Rochester. They are (from left standing) Owen Birchman, chief radiological CD officer of Oakland County, and Paul A. York, Rochester's CD director. Seated are Allen E. Valentine, representing the Oxford Community Schools, and Lewis C. Jarrendt, county CD director. See story Page 15.

WAYNE J. DENGATE

## Bank Manager Dies Suddenly

### Wayne J. Dengate, 42, Victim of Heart Attack; Lived in City 41 Years

Wayne J. Dengate, branch manager of the Community National Bank at Milford and a Pontiac resident for 41 years, died suddenly Sunday morning of a heart attack. He was 42.

Mr. Dengate, of 4161 Motorway, is survived by his wife, Margaret, and four children, Michael, Patrick, Kelly, and Martha Ann. He was born in Elyria, O.

**He received his education at the University of Michigan's School of Banking and the University of Wisconsin. He was past president of three organizations: the Pontiac chapter of the American Institute of Banking, the Union Lake Business Men's Club and the Union Lake Civitan Club.**

Survivors include his mother, Mrs. Jeanette DeLongchamp, of Pontiac; a brother, Richard Dengate, of Clarkston; and two sisters, Mrs. Joyce LaBarge and Mrs. Sally Lewer, both of Pontiac.

A rosary will be said at 8 p.m. Tuesday at the Sparks-Griffin Funeral Home. Service will be held at 10 a.m. Wednesday from St. Benedict Catholic Church, followed by burial at Mt. Hope.

## *Kennedy Meets Two Neutralist Chiefs Tuesday*

HYANNIS PORT, Mass. (AP) — President Kennedy enjoyed a few extra hours of Cape Cod relaxation today before heading back to the White House for a Tuesday meeting with the presidents of two neutral nations.

* * *

The President kept informed of the destruction wrought by Hurricane Carla along the Texas and Louisiana coastlines.

President Modibo Keita of Mali and Indonesian President Sukarno arrive in Washington Tuesday as spokesmen for the Belgrade conference of 25 nonaligned nations. They are bringing a plea for efforts to ease world tensions and prevent World War III.

* * *

Kennedy will fly to Washington late today. He had been expected to take off for Washington this morning but postponed his departure until 3 p.m., Pontiac time.

## Burglary Ring Pair Arrested

### Pick Up Zimmerman and Moses With Five Already Being Held

Two more members of a burglary ring believed to have netted over $30,000 in area break-ins since March were arrested over the weekend, according to Pontiac police detectives.

Charged with safe burglary on a warrant issued by Municipal Court, Eulus Zimmerman, 41, of 47 Hillside St., was to be arraigned today.

**Zimmerman and Dallas Moses, 29, of Detroit, are accused of stealing a safe containing $16,000 from the Glenwood Bar in Pontiac March 10.**

Detroit police today were holding Moses for detectives here. Zimmerman was arrested quietly at his home last night. Police said they found burglary tools concealed under the hood of Zimmerman's car when they arrested him.

* * *

Being held here for trial as ring members are Homer T. Moreland, 28, of 617 Commerce Road, Commerce Township; Robert H. Hills, 38, of 278 Oakland Ave.; Clayton Knepfler, 49, of 20 N. Edith St.; and William Yoho, 51, of Dearborn.

* * *

Another alleged member, Charles G. Gray, 20, of 617 Commerce Road, Commerce Township, has been turned over to authorities in Tuscola County in a burglary there.

Pontiac Police Capt. Donny E. Ashley said the ring was uncovered by officers investigating an Aug. 17 armed robbery of the Food Town Market, 1200 Baldwin Ave.

The arrests so far have cleared up nine safe burglaries in Pontiac, Midland, West Branch, Owosso, Farmington Township and one in West Virginia, Ashley said.

## Man Seeks to Sue the Highway Dept.

LANSING (UPI)—A Lansing realtor today asked the State Court of Claims for permission to file a $1-million suit against the State Highway Department.

William J. Warner, a partner in the firm of Warner & Long Realty Co., accused the department of "fraud, deceit and misrepresentation" in its attempts to acquire part of a 50-acre piece of property he owns south of the city.

* * *

The land is required for Interstate 96 freeway running from Detroit to Muskegon.

### Carla Refugees Keep Recruits From Base

WASHINGTON (UPI) — The Air Force said today it has temporarily stopped sending recruits to Lackland Air Force Base in Texas because the base is being used as a haven for refugees from hurricane Carla.

"Recruiting has not been halted," the Air Force said, "only the shipment of recruits from their place of recruitment to Lackland has been temporarily stopped."

A braking system for trailers is powered by a gas cartridge and stops the trailer in case it breaks away from the towing car.

## *Fall of Castro, Quadros Return Is Predicted*

MONTEREY, Calif. (UPI) — Rodolfo N. Luque, chief editorial writer for the Argentinian newspaper La Prensa, predicted Sunday that Cuban Premier Fidel Castro "will not last in power more than one year at the most."

**Luque, honored at a formal dinner here by the Academy of Achievement, also offered the opinion that former Brazilian President Janio Quadros will return to power "if he is in good health."**

The 72-year-old Luque said in an interview: "There are two opinions on why Quadros quit. The first is that he resigned to return with more strength. The second is that he resigned because of ill health."

He noted that he regarded Quadros as a "good president." "I do not like him personally," he said, "but he has been an honest man."

## Thieves Get $1,000 in Waterford Area

Safecrackers took more than $1,000 from a Waterford Township department store over the weekend after slipping in through a hole they cut through the roof.

**Owner Gary Wexler of Detroit told township police the thieves opened a safe at the rear of the Highland 5c to $5 Store, 7654 Highland Road, by knocking off a dial between 9 p.m. Saturday and 10 p.m. Sunday.**

An unsuccessful attempt was made to open an inner safe, Wexler said. It was the second burglary at the one-story building in six months. In the earlier break-in, thieves broke through a back door, cracked the safe and took an estimated $500.

## JFK Approves Aviation Goals

### National Report Urges New Major Airport in Detroit Area

WASHINGTON (AP) — President Kennedy accepted a broad scale report on national aviation goals Saturday and ordered action toward attaining some of them.

The report urged immediate planning to build at least five more major airports—in the areas of Miami, New York, Detroit, Chicago and Los Angeles—and 150 new airfields for private aviation. No sites were listed for the latter.

**ASKS TOUGHER ATTITUDE**

It called for a tougher attitude toward unfair competition and illegal fare-cutting by foreign airlines, and recommended re-establishment of the office of assistant secretary of state for transport and communications to give U.S. bargaining teams the diplomatic stature of their foreign counterparts.

* * *

"The ever-increasing numbers of foreign carriers attempting to secure footholds in U.S. markets makes it clear that in the future the U.S. must be more sensitive to the relative economic benefits resulting from route exchanges," the report said.

**HIGH GOALS**

The 340-page report, "Project Horizon," by a task force of eight experts in various phases of aviation—with Fred M. Glass of New York City as chairman—set down national goals. Among the goals were air safety, international leadership in aviation, and maintenance of financially sound and technologically alert manufacturing and airline industries.

Candy and gum purchases in United States food chains hit a new high of $411 million in 1959.

## *Bloomfield Man Appointed VP at Detroit Bank*

**A Bloomfield Hills resident, Edward H. Lerchen, will assume a vice presidency with The Detroit Bank and Trust Co., Sept. 18, the bank's board of directors has announced.**

LERCHEN

Lerchen lives with his wife Joan and four children, Ted, 17; Gray, 15; Katharine, 11, and Carol, 10, at 180 Lowell Court.

He was president, treasurer and a director of Technical Service Inc. and TSI Leasing Inc. of Livonia and Farmington. He founded the latter firm.

* * *

Chairman of the Cranbrook School Board of Directors and a member of the planning committee of the Episcopal Diocese of Michigan, Lerchen is also a member of the Orchard Lake Country Club, and the Otsego Ski Club.

### Jap Farmers Halt Marine Firing Drill

TOKYO (AP) — U.S. Marines canceled firing practice today on the north slope of Mt. Fuji when protesting farmers from nearby hamlets entrenched themselves in the 20,000-acre area.

* * *

A Marine Corps spokesman said the target shooting would be held up while the Japanese government negotiates with local officials.

On passage, 378-32, of bill extending for two years the present National Defense Education Act and program of aid to school districts affected by federal installations: For — O'Hara, Lesinski, Broomfield, Meader, Hoffman, Ford, Chamberlain, Harvey, Griffin, Cederberg, Knox, Bennett. Against—Machrowicz, Diggs, Dingell, Griffiths, Johansen. Not voting—Rabaut.

## Conclude Probe on TWA Crash

### CAB Plans for Hearing Next Month on Midway Sept. 1 Tragedy

CHICAGO (UPI) — Civil Aeronautics Board investigators have concluded their probe of the nation's worst single plane commercial air line disaster.

A hearing into the crash was to be scheduled.

**The last of the 40 federal investigators summoned in an effort to determine the cause of the Sept. 1 tragedy returned to Washington, D. C., yesterday after concentrating their probe on the tail section of the Trans World Airlines plane which carried 78 persons to their deaths.**

The CAB was expected to open a hearing here sometime within the next month, although it was possible the proceeding might not get under way until November.

The transcontinental air coach crashed and landed in a corn and soybean field near suburban Clarendon Hills three minutes after take-off from Chicago's Midway Airport.

The crash probe closed after one week and long before CAB investigators completed reassembly of the flame-blackened debris.

Much of the investigation was concentrated on a portion of the tail section which apparently broke off seconds before the plane struck the ground.

## *Hurricane Betsy Gradually Dying in the Atlantic*

WASHINGTON (UPI) — While sisters Carla and Debbie were behaving most unladylike, Hurricane Betsy today was gradually dying in the Atlantic shipping lanes.

**The Washington Weather Bureau reported that "Betsy should lose her tropical (hurricane) characteristics as she moves over colder water tonight, if not during the day."**

Betsy was located about 500 statute miles west northwest of the most western of the Azores Islands, where gale force winds were expected this afternoon. Highest winds were about 75 miles an hour over a small area near the center.

## Leo Carrillo Is Dead After Long Sickness

SANTA MONICA, Calif. (AP) — Parades, kids, the acting profession and California's connections with its Spanish beginnings are poorer today. Leo Carrillo is dead.

* * *

"Mr. California" succumbed in his sleep Sunday in his Mexican-style canyon ranch home to eight years' ravages of cancer. His age, which Carrillo concealed and his smiling vigor belied was a remarkable 81.

* * *

The actor underwent several operations, the latest two years ago, and became seriously ill again about six weeks ago. At the end, under heavy sedation, he briefly returned the handclasp of his ranch foreman, Jack Tolbert, then died—at 5:58 p.m.

Carrillo, whose forebears helped settle and govern early California, was an actor more than 55 years. His widest fame came as impish, sombrero-topped Pancho — grin waxed mustache bristling—in television's 'Cisco Kid series.

**GAVE AUTOGRAPHS**

Carrillo played sidekick to Duncan Renaldo in 156 Cisco films between 1949 and 1955. Children everywhere mobbed Leo for autographs. He always happily obliged.

* * *

Born in Los Angeles, Carillo earned college money at $1-a-day, pick-and-shovel in railroad construction along California's scenic coastline. He spoke five languages including Japanese and Chinese.

For a time he was a cartoonist and waterfront reporter at $10 a week for the San Francisco Examiner.

After vaudeville, touring stock companies and Broadway appearances, Carrillo appeared in hundreds of silent movies, short subjects and talkies and became typed as a hard-riding, straight-shooting Spaniard of the border days. His salary rose to $5,000 a week.

* * *

Carrillo loved appearing in parades and was a fixture in the Tournament of Roses parade every New Year's Day, even after he was fighting cancer and a heart condition.

# Race Flare-Up Hits UP Town

## Negro Group Seeks Whites Who Injured Sawyer Airman

NEGAUNEE (UPI)—A group of between 75 and 100 Negroes, by police estimate, roamed the streets of this small iron range community early Sunday seeking the white men that injured a Negro airman from a nearby base.

* * *

Police reported half a dozen arrests, both white and Negro, and said that for a time the matter threatened to flare into a major incident.

**The incident apparently started as a result of a fight between a car load of Negro airmen from nearby K. I. Sawyer AFB and some groups of white men. Police said the identity of the white men was known but none of them were among those arrested.**

A short time later a group of Negro airmen from the base entered the police station and asked for protection. When the men were escorted back to their car they found Airman 3.C. Lynwood G. Grant, another Negro, had been attacked by several white men.

* * *

Grant was hospitalized with a broken nose and other facial injuries. He told authorities he had been struck with a chain across the face.

Police said that a short time later groups of Negro airmen from the base began to gather in the streets of the city.

Soon local authorities called for aid and firemen set up high-pressure hoses to help control the mob but they weren't needed.

# Two Typhoons Churn Through Pacific

TOKYO (UPI) — Two typhoons, one headed for a direct attack on North Formosa, were raging in the Pacific tonight.

* * *

Typhoon Pamela, with winds exceeding 155 m.p.h. and moving west-northwest at 17 m.p.h., was expected to strike Northern Formosa Tuesday south of Taipei and churn toward the Formosa strait and the Communist-held China mainland.

* * *

Typhoon Nancy, packing fearful winds of 225 m.p.h., was moving west-northwest at 10 m.p.h., about 310 miles west of Guam, U. S. Air Force weathermen reported.

The Japanese central meteorological agency has warned that Nancy may strike Japan in a few days if it keeps on its present course.

# Mishap Kills Southfield Girl

## Four - Year - Old Falls Under Truck Driven by Employe of Father

A 4-year-old Southfield girl was killed Saturday when she fell under the wheels of a truck being driven by an employe of her father.

* * *

**Oakland Highway Toll in '61**
**62**
**Last Year to Date: 73**

Peggy Jean Adema, daughter of Mr. and Mrs. George Adema of 28337 Mallroit St., was dead on arrival at William Beaumont Hospital, Royal Oak. The accident occurred about 12:30 p.m.

The little girl was playing at her home when she ran into the side of the tandem truck and slipped under the rear wheels, according to Southfield police.

Police said that Joseph Drexler of Detroit was backing the truck out of the Adema's driveway when the accident happened.

**Drexler, employed by Adema, an excavating contractor, for eight years, was not held.**

Service for the girl will be 2 p.m. tomorrow at the Heeney Funeral Home in Farmington with burial in Oakland Hills Cemetery, Novi.

# Dem Unit Member From Niles Quits

NILES (AP) — A Niles member of the Democratic State Central Committee resigned today and is throwing his support to a Republican candidate for the constitutional convention.

Don L. Marlin, a motel operator and professional wrestler, disclosed the moves in news releases and by letters to Gov. Swainson and State Central Committee chairman John J. Collins.

He said increasing pressures of business and travel were cutting into his duties as State Central Committee member from the 4th Congressional District. But he also noted many personal reasons for his action.

In a companion move, Marlin endorsed Assistant Berrien County Prosecutor Lee Boothby of Niles, a Republican, for a con-con seat.

# Ike Presents Lecture on Gettysburg Battle

GETTYSBURG, Pa. (AP)—Former President Dwight D. Eisenhower today shepherded 38 freshmen Republican congressmen through the historic Gettysburg battlefield and around his nearby farm.

Eisenhower gave an earnest and informed lecture on the actics and history of the battle. He talked to the group for more than half an hour in the shade of the Copse, a grove of trees commonly called the highwater mark of the Confederacy.

"By the way," Eisenhower said at one point, "you know I'm completely neutral. My father was raised in this state (Pennsylvania) and my mother was born in Virginia."

# Grosse Ile Alerts Reserve Air Unit

GROSSE ILE (UPI) — The Grosse Ile Naval Air Station today announced that it was alerting personnel of Naval Air Reserve Anti-submarine Squadron 732 to back up previously alerted units which were short on manpower.

The Grosse Ile station said 22 other naval air reserve squadrons across the country have also been alerted that they will have to provide personnel to fill gaps in previously alerted units.

MICHIGAN BLUE CROSS BLUE SHIELD

# *Man, 60, Burned by High-Voltage Electric Shock*

TOLEDO, Ohio (AP) — a 60-year-old Michigan man was in fair condition at St. Charles Hospital today after surviving a 138,000-volt shock.

**Washington J. Caldwell of Garden City, Mich. was flying a model airplane near Curtice Sunday when the plane hit a high-voltage, heavy transmission line strung between two Toledo Edison poles.**

A Toledo Edison spokesman said the plane's guide wire served as a conductor.

Caldwell, burned over much of his body, was reported in poor condition when admitted to the hospital Sunday, but he has improved considerably, a hospital spokesman said.

# Carla Slams Into Louisiana

## Floods and Tornadoes Plague Coastal Towns, Infant Killed

LAKE CHARLES, La. (AP) — Giant waves and high winds stirred up by brutal Hurricane Carla surged over Louisiana's deserted, marshy coast today.

* * *

The vicious hurricane spawned at least three tornadoes, which struck at south Louisiana communities Sunday night. Kaplan, where a baby was killed and more than 50 injured, was the worst hit.

* * *

Evacuations continued as rising waters spilled over protective levees and flooded coastal towns. More than 40,000 already had fled inland.

**REMEMBER CAMERON?**

From the second-story of the Cameron, La., courthouse, Sheriff O. B. Carter reported eight-foot tides and 65-mile winds. Carter said the highest points in the town of 5,000 were covered by nearly three feet of water.

* * *

Residents of Cameron—remembering the 590 left dead by Hurricane Audrey in 1957 — needed little prompting to evacuate. By Saturday only Carter and a few deputies remained in the town.

# *Miss America Wants to Set Good Example*

NEW YORK (AP)—Hazel-eyed Maria Beale Fletcher, Miss America of 1962, said today she would like to show the world that young America is not made up of juvenile delinquents.

Calm and poised, she told a news conference that she would like to travel abroad as an example of American youth.

"I feel that the American people must show an example of what our youth is like other than the juvenile delinquents they read about," the Asheville, N.C., girl said.

Miss Fletcher won the Miss America contest in Atlantic City, N.J., Saturday night. She is spending several days here being fitted for new clothes and making other preparations for her year-long reign as pageant queen.

## Make Way for the Living

MANCHESTER, England (AP)—City Treasurer H. R. Page says Manchester should offer cremation services free "so that valuable city land does not have to be used for cemeteries." The city is running short of land for housing developments.

# Hacks $670,000 Art From Four Frames

BEVERLY HILLS, Calif. (AP)—A man concealing a pistol in a bouquet locked a maid in a closet Sunday and robbed a millionaire's home of four paintings the owner valued at $670,000.

* * *

The thief hacked the paintings from frames hanging in a collection valued at upward of $2 million at the Bel-Air mansion of industrialist David E. Bright.

* * *

No one but the maid, Jeane Prosser, 24, was home. Mrs. Bright returned from New York to find the debris of mutilated frames.

* * *

The maid said the robber came to the door carrying two dozen gladioli. He held a pistol in the bouquet.

## Interplanetary Flight?

VIENNA, Austria (AP)—A Soviet astronaut will shortly make an interplanetary flight, the Bulgarian paper Otetschestwen Front received here today said. It gave no details.

## Mexico Detains 157 in 'Planned' Disturbance

MEXICO CITY (UPI) — The government held 157 persons in a camp outside the city today on suspicion they were planning anti-government disturbances.

* * *

Included in the group was Celestino Gasca, a retired Mexican Army general and former supporter of ex-President Gen. Lazaro Cardenas.

### What's a Few Billion Here and There

# 'U.S. Economy to Grow, Grow and Grow'

By SAM DAWSON
AP Business News Analyst

NEW YORK — How fast the economy should grow to attain the best of health may still be in dispute. But the estimates on how big it will be getting in the months ahead are growing for sure.

* * *

Today you can add a few more billions of dollars to an estimate without most persons questioning it—maybe without many understanding it, because the economy already has grown so large.

And the changing figures on the public share in that growth—that is the government spending sector of the economy—tend to bear out the higher predictions.

**DEBT RISING**

The federal debt is rising as the Treasury prepares to borrow more cash to meet the bills. That government spending will rise is undisputed, even if the final size of the Treasury deficit when the books for the fiscal year are closed next June 30 is still variously estimated.

* * *

The official figure now is $5 billion. Some pessimists say it may be as much as $10 billion. The difference lies in guesses as to how much actual cash the Treasury will lay out and how much business recovery will add to collections.

* * *

The federal debt now tops $293 billion, huge by standards of only a short time back. The Treasury plans to borrow $5 billion more new money in September and October.

Americans should by now be used to federal budgets in excess of $80 billion a year. But there is little surprise any more when someone talks of the day not so far off when it will be $100 billion a year.

* * *

Increased spending for defense will cause most of the rise, however big the total turns out to be, but there will be more spending in the civilian sectors, too.

All this will pump more money into the economy in general.

* * *

The rest of the total growth is expected to come: 1. from increased consumer spending (out of higher annual incomes, plus some digging into savings which also have been growing); 2. from increased business outlays for plants and inventories to support the greater activity that sanguine economists foresee as inevitable.

* * *

Some of the more conservative businessmen aren't buying the big jump in either the consumer or business spending until they see it.

**CONSUMERS FICKLE**

Consumers have been fickle before and upset predictions—either spending more or less than they were supposed to—and consumer spending is by far the biggest support of the economy. Businessmen also have swung from optimistic expansion plans to hand to mouth policies on short notice.

* * *

The cautious hold that spending habits may be influenced to an unpredictable degree by the lingering unemployment problem and rising world tensions.

* * *

But the optimists think the business recovery, further needled by rising government outlays, will quickly send the total dollar volume of the nation's output of goods and services to heights once thought years away.

Here is the time chart on recent estimates:

* * *

The total volume, known as the Gross National Product, is now put at $516 billion a year, $10 billion higher than a year ago.

**$550 BILLION**

Only two months ago administration economists were predicting the total output might hit an annual rate of $550 billion a year hence.

Now the chairman of the President's Council of Economic Advisers, Walter Heller, says the business recovery looks so buoyant that the Gross National Product should hit $570 billion next summer.

* * *

If you can comprehend that many billions, or if you are a collector of predictions, you might put that aside and see how this estimate looks a year from now—whether he's hit it on the nose, or whether he's missed—either on the upside or the down.

## Japan Will Protest Russian Rocket Tests

TOKYO (AP) — The Foreign Office said today Japan will protest the Soviet Union's designation of an impact area in the Central Pacific for a series of rocket tests beginning Wednesday.

A protest note will advise the Soviets that Japan reserves the right to demand compensations for any losses or damages incurred by Japanese as a result of the closing of the region and the tests. The Central Pacific is a major Japanese fishing area.

# Carla Hurls 173-M.P.H. Wind at Texas

From Our News Wires

GALVESTON, Tex.— Hurricane Carla, the most intense storm aimed at the Texas coast this century, lashed Louisiana and Texas with estimated 173-mile winds and battering 11-foot tides today while the center still was miles at sea.

"People left Corpus Christi who never left before," said John Stallings of the Corpus Christi Caller-Times.

More than 400,000 persons fled the coast in Texas and Louisiana in one of history's major flights, the Red Cross said.

Carla halted its forward progress toward shore about 7 a.m. (Pontiac time) and remained almost stationary for at least three hours, 65 miles due east of Corpus Christi.

The Weather Bureau warned earlier that Carla's hurricane winds and tides as much as 15 feet above normal would be of long duration.

The 173-m.p.h. wind at Port Aransas, near Corpus Christi, was estimated by the Corpus Christi Weather Bureau office.

At a late hour the 30-mile-wide eye was expected to strike land during the afternoon between Aransas Pass in the Corpus Christi area, and Matagorda Bay, 75 miles northeast.

A grain ship tossed about wildly by gigantic waves rammed a loaded oil tanker in normally busy Corpus Christi Harbor repeatedly, leading to a threat of fire.

Mayor Ben F. McDonald said the tanker was secured but that there was no way to keep the grain ship from banging against it. High winds and tides made control impossible.

There was a 75 per cent power failure in the city of 170,000 and natural gas service was curtailed. But the water supply was unscathed.

Farm losses will be close to $100 million, said John White, Texas agriculture commissioner.

Galveston, island city of 75,000 from which 15,000 fled, was completely isolated.

Debbie's Threat Eases, Page 8

At Port Aransas, on low-lying Mustang Island just off the Texas coast, 55 persons remained, including a few citizens and a detachment of Coast Guardsmen, 15 feet off the ground in an elevated house.

They had no choice except to ride out the wind and tides. All communications to them were cut.

Damage was extensive on the coast.

**Buildings and piers toppled and fell into the boiling sea, but Carla itself had caused no casualties directly, thanks to the record exodus of residents from the two-state coastal region.**

Two refugees died of heart attacks. An infant died and 37 persons were injured in Kaplan, La., when a Carla-spawned tornado struck the town Sunday.

* * *

One man was bitten by a snake in Galveston, but was recovering after treatment.

**Officials began evacuating remaining residents in downtown Corpus Christi, a city of 170,000 population. Only about 10,000 people had fled the city during the weekend.**

Winds in the city proper rose toward 100 miles an hour, ripping off many roofs and causing buildings to shake.

The 173-mile-an-hour blasts were outside the city, across Corpus Christi Bay.

**RUN OUT OF WATER**

Cities and towns began running out of drinking water. People who remained in badly-flooded Texas City after the storm hit were appealing desperately for water.

* * *

As far inland as Bay City, 20 miles from the coast Carla's slashing winds ripped out power service and telephone communications.

**At Port Lavaca, on Matagorda Bay, 9,200 of the city's 10,000 persons left for high ground and winds rachd 70 m.p.h.**

Shortly after daybreak, tides surged to 10.7 feet above normal at Port Aransas.

Sheet metal, poles, broken glass and trees flew through the air in Corpus Christi. National Guardsmen patrolled against looting.

Corpus Christi reported nearly

## Workers 'Hit the Bricks'

Pontiac Press Photo

**STRIKE**—A repeat of strikes over local issues that shut down General Motors Plants in 1958 after national economic contract agrements had been reached was a reality in Pontiac today. These Fisher Body employes began walking off at 10 a.m. They were joined by UAW workers at Pontiac Motor and GMC Truck & Coach Plants. Some 18,000 will be idled by nightfall.

### Walk Out at 3 GM Plants

# 10,000 Strike in City

By DICK SAUNDERS

Some 10,000 employes at Pontiac's three General Motors Corp. plants walked off their jobs and picket lines formed today as the 10 a. m. deadline passed without settlement of local issues being negotiated by the United Auto Workers Union and GM.

Pontiac workers joined some 265,000 UAW members who struck GM plants across the nation today. Marathon bargaining sessions failed to settle some 13,000 local issues at most GM plants.

**Lewis G. Seaton, GM vice president, said only about one-fifth of the 130 GM plants had settled their local problems. Few were key installations and employed only about 43,000 of GM's 310,000 UAW workers.**

In Pontiac, some 5,613 first shift workers went on strike at Pontiac Motor Division. Another 3,000 walked off at GMC Truck & Coach Division and about 1,650 at Fisher Body Division.

The strike here will affect a total of 18,100 hourly rated UAW workers on both shifts. About 9,000 will be out at Pontiac Motor, 6,000 at GMTC and 3,100 at Fisher Body.

Pontiac Motor Local 653 President Cecil C. Mullinix said negotiators had made "little headway" over the weekend.

**100 LOCAL ISSUES**

There are more than 100 local issues on the negotiating table at Pontiac Motor. The major issues concern seniority agreements and relief time, or what labor leaders call "the robot system."

* * *

At Fisher Body Local 596, Gerald W. Kehoe, president, said "not a thing has been settled. We've been in meetings all weekend. We're getting nowhere."

**There were some 66 issues being negotiated there.**

Truck and Coach Local 594 broke off negotiations at 8:10 this morning to allow negotiators time to sleep.

Jack Hodges, vice president, said the negotiations would continue either later today or tomorrow.

Although GM and the union reached a national agreement last week on economic issues, the local problems threatened today to force a shutdown at the giant industry by tonight.

Meanwhile, the International Un-

# Once-in-Lifetime Election Awaits Oakland Voters

The men and women who will write Michigan's fourth constitution will be elected in Oakland County and the rest of the state in a once-in-a-lifetime election tomorrow.

Oakland voters will elect seven delegates to the convention starting Oct. 3 in Lansing. Choice will be made between seven Republicans and seven Democrats.

Voters throughout the county will vote twice — once for a delegate from the county's 12th Senatorial District and once from the respective legislative district where the voter lives.

**Among the more important special issues — there are five communities voting on propositions — is the vote in Waterford Township on whether the charter township issue.**

Polls will be open for 13 hours beginning at 7 a.m. and closing at 8 p.m. The usual assurance that voters in line at the close won't lose their right to vote came today from County Clerk-Register Daniel T. Murphy Jr.

Most Candidates Back Open Sessions, Pg. 7

* * *

"But we urge them to cast their vote earlier," he said.

The weather man said showers forecast for tonight will be over by tomorrow morning and that election day — the third for the state this year — will be cooler.

**HOPES FOR BETTER TURNOUT**

Murphy was hopeful that tomorrow's voter turnout will at least double the meager 49,200 or 14 per cent of the county's 334,529 registered voters, that voted in the July 25 primary. This prediction would mean that about 25 per cent or 83,632 will vote tomorrow.

**Biggest interest among the con-con balloting will be in the two-way race for the county's at-large senatorial seat. Bidding for the post are Republican George**

(Continued on Page 2, Col. 1)

## Pigskin Special!

**The Pontiac Press will provide a 50-yard line seat for King Football tomorrow with the publication of its third annual pigskin special.**

**A 40-page tabloid section previewing the 1961 grid campaign. Prepared by The Press sports and photographic staff, will run the gamut of the American football scene.**

## The Race With Ruth

**The magic number is 10 games for Roger Maris and Mickey Mantle in their attempt to equal or crack Babe Ruth's home run mark. Mantle hit his 53rd Sunday against Cleveland and Maris picked up No. 56 Saturday**

| | Homers | Games | Date |
|---|---|---|---|
| Maris | 56 | 144 | Sept. 8 |
| Mantle | 53 | 144 | Sept. 10 |
| Ruth | 56 | 148 | Sept. 22 |

## They Sleep in Schools, Tents . . .

HOUSTON, Tex. (UPI) — There was cause to complain, but few did.

In some places evacuees from Hurricane Carla were crowded together like sardines. They slept in pup tents by the side of the road, boarded down in basements, catnapped under chairs in school lunchrooms and slept on pews in churches.

**One little 4-year-old girl, blonde and blue-eyed, used her sister's back for a pillow at the Roy Miller High School in Corpus Christi. The floor was hard but she did not whimper.**

There were bizarre incidents. One middle-aged family from Lamarque, Tex., went to Bryan for shelter. They found sheler with Ollie Kennedy, a Bryan painter. Kennedy is a brother to the hurricane refugee. They had not seen each other for 18 years.

Adam Fontenant, 57, of Orange, faltered under the strain of moving to safer ground. He died of a heart attack in his sleep in the Orange National Guard Armory as he slept among hundreds of other refugees.

**There were dangers. Deadly cottonmouth moccasins and diamondback rattlesnakes slithered through the streets. In Galveston, highway patrolman Weldon Parson, a crack pistol shot, killed 40 of the snakes. The reptiles were driven from the swamps by floodwaters.**

There were light moments. One man from Port Arthur wanted to know where he could do some cooking.

It turned out he had brought 40 pounds of meat to feed his wife and seven children. He was accommodated in a cafeteria kitchen.

* * *

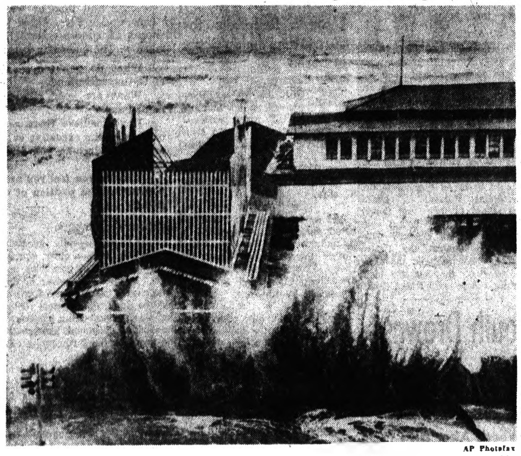
The Red Cross called it the greatest mass exodus of humanity in history in the face of a natural calamity. There were estimates that 500,000 persons fled inland from the Texas coast.

There was no way to tell just how many did head inland from the lethal hurricane.

### Arrives in Moscow

MOSCOW (UPI) — Cuban President Osvaldo Dorticos arrived today by plane for a visit, Moscow radio said. The broadcast said President Leonid Brezhnev greeted the Cuban president and accompanied him during an hour guard review.

## This Is Just the Beginning



AP Photofax

**CARLA'S FURY**—Waves throw a high spray up over a resort pier at Galveston, Tex., as high tides lead Carla into the Texas Coast today. The hurricane is being called the worst of the century. It was battering coastal cities this morning with winds up to 173 miles an hour and 11-foot tides while still miles out at sea.

# New Atomic Tests Add Spice to Russia's Words of Peace

By United Press International

The Soviet Union sought to assure the world today that its intentions were peaceful, but the words were salted with two more nuclear explosions and announcement of a new series of rocket tests.

Foreign diplomats in Moscow said they detected a milder tone on the part of Premier Nikita S. Khrushchev in a weekend speech in Stalingrad in which he said there were "hopeful signs" for peace negotiations with the West.

**But hours after Khrushchev spoke, the Soviet Union yesterday detonated the 5th and 6th nuclear explosions of its current series.**

The U. S. Atomic Energy Commission said the 5th test had an explosive yield equivalent to several million tons of TNT — the largest since Russia resumed testing a week ago Friday.

It was so big that five Japanese monitoring stations detected it although they did not pick up the other explosions. Both of yesterday's blasts occurred near Russia's Arctic testing area of Novaya Zemlya.

**PREDICTS SUMMIT**

Indian Prime Minister Jawaharlal Nehru, returning home from four days of talks with Khrushchev, said he was "sure" there eventually would be a meeting between the Soviet leader and President Kennedy, although he did not predict when.

West Lays Groundwork for Ministers' Talks, P. 18

Khrushchev himself repeated in his Stalingrad speech that the Soviet Union was ready for negotiations, but again he made it clear he intended to bargain on his own terms. He gave no hint that Russia was ready to give in on any points.

**President Kennedy planned to stretch his Cape Cod weekend through most of today but he kept in close touch with the simmering developments.**

Tomorrow he will receive two emissaries from the Belgrade Conference of nonaligned nations who will try to persuade him to meet face-to-face with Khrushchev.

The increased power of yesterday's first explosion supported the U. S. government's belief that the Soviet Union is trying to explode a weapon of sufficient power to buttress Soviet claims of being able to build a 100-megaton bomb.

At the same time, the Russians announced they would conduct a series of tests of "more powerful and improved versions of the multistage carrier rockets of space vehicles," firing them into the Central Pacific from Sept. 13 to Oct. 15.

The announcement served as a propaganda forecast of new Soviet space achievements and as an implication of improved Soviet capabilities in the field of military rocketry.

### Here's to Mr. Taxpayer!

# Courthouse Dedication Festive

By GEORGE T. TRUMBULL JR.

Everybody but the all important taxpayer, who was nearly overlooked, was the recipient of praise heaped six stories high at dedication ceremonies for the county's elegant new courthouse Saturday.

As one judge put it: "They ought to have a plaque put over that jury box 'To the forgotten taxpayer.'"

* * *

It was a festive occasion full of smiles by county supervisors and officials who had all but forgotten that county taxpayers more than once rejected the new building.

The supervisors went ahead with a "pay-as-you-go" financing plan.

**Standing among the colorful floral arrangements which dotted the terrazo front lobby, Springfield Township Supervisor John L. Carey, said, "It's paid for and we don't have to go to them for money. Whether they like it or not, it's paid for."**

Saturday's throng looked like a reunion of Oakland County government leaders. Many former supervisors, who once had qualms about going ahead with the $3.5-million project in the light of voter disapproval, came back and mixed cordially with those who have been for it all along.

* * *

Maybe it was the suffocating 87-degree heat which kept many of the taxpayers away. Some 450 persons attended the ceremonies.

**Thanking those leaders responsible for the courthouse in behalf of the judges who will hold court there, senior Circuit Judge H. Russel Holland said "let us not forget the often forgotten taxpayer. They also serve."**

Chief Justice John R. Dethmers of the State Supreme Court was the main speaker.

* * *

D. B. Varner, chancellor of Michigan State University Oakland, spoke in behalf of the "Citizens of Tomorrow."

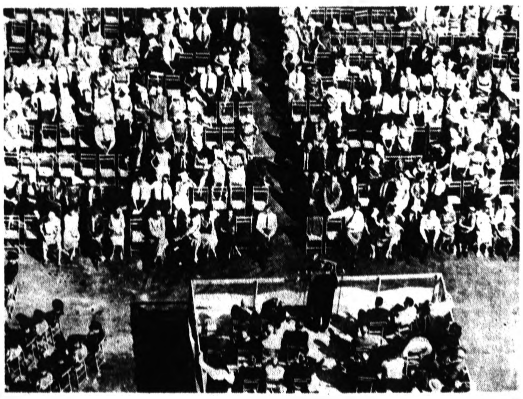
**ACCEPTS BUILDING**

Varner accepted the six-story structure "as a commitment to the future."

* * *

It was Justice Dethmers' court, by a 4-3 decision in February of 1959, that gave the green light to construction of the new courthouse. The court reversed a lower court decision and upheld the coun-

(Continued on Page 2, Col. 6)



Pontiac Press Photo

**DEDICATED TO JUSTICE**—This photo from the top of the new county courthouse shows a portion of the 450 persons that attended the Saturday dedication of the $3.5-million building in the Telegraph Road County Service Center. Secretary of State James M. Hare is at the microphone.

## Thunderstorms, Cooler Weather Forecast Today

Pontiac residents can expect scattered thundershowers this evening and cooler temperatures, according to the weatherman. A low of 65 is expected.

**Tuesday will be partly cloudy, with showers ending in the morning and a high of 75.**

Morning southwesterly to westerly winds at 12 miles per hour will be southwesterly 10 to 20 miles tonight.

For the next five days temperatures will average about three degrees below a normal high of 75 and a normal low of 55. Tuesday and Wednesday will be cooler with temperatures expected for Friday and Saturday.

**Precipitation will total near one inch in scattered showers early Tuesday, rain late Wednesday and Thursday and scattered showers Friday night or Saturday.**

The lowest temperature recorded in downtown Pontiac preceding 8 a.m. was 73 degrees. At 1 p.m. the temperature stood at 88.

## News Flash

**UNITED NATIONS, N.Y. (UPI) — Secretary General Dag Hammarskjold disclosed today he will leave by plane Tuesday on a visit to the Congo**

# *Catholics Battle Castro's Militia*

By JOSE MARIA ORLANDO

HAVANA (AP) — Roman Catholic demonstrators shouting "Cuba yes, Russia no" fought police Sunday night in an unusual show of defiance of the Castro regime.

* * *

Shots were fired as the police and militia broke up a march on the Presidential Palace. One man was killed, three wounded and scores suffered bruises from police clubs.

**4,000 DEMONSTRATE**

The anti-communist outburst erupted after about 4,000 Cubans massed in downtown Havana for the annual procession of Our Lady of Charity, patron saint of Cuba.

* * *

For five hours as they gathered in front of the Church of Charity shouts rang out denouncing the Soviets. Many shouted "Long live Jesus Christ."

Word that the Interior Ministry had banned the procession sent the demonstrators into a fit of anger and they started to march on the Presidential Palace.

**FIGHTING ERUPTS**

The fighting erupted as the police and supporters of Prime Minister Fidel Castro pitched in to break up the crowd. An announcement that the authorities had granted permission for the procession failed to quiet the crowd.

Church authorities stepped in and called off the procession. A priest pleaded with the demonstrators to go home.

**IGNORE APPEALS**

The crowd ignored the appeals.

Shots — apparently fired by police and militia — sent hundreds in a wild scramble for cover. Others tangled with the police and militia for more than an hour before order was restored in the narrow streets around the church.

Many of the wounded were taken into the church for first aid.

About 300 of the demonstrators managed to break through to the Presidential Palace. A guard there talked to them and finally persuaded them to go home.

It was the first outward show of violence against the Castro regime's close ties with the Communists since the abortive invasion by Cuban exiles last April.

# County to Elect 7 for Con-Con Confab

(Continued From Page One)

**W. Romney, American Motors Corp president, and Democrat William A. O'Brien, Clawson attorney and city councilman.**

Should he be elected, Romney, of Bloomfield Hills, will be in the running for convention chairman.

* * *

Other nominees by districts are:

District 1 — John S. Coleman (D) and Richard D. Kuhn (R).

District 2 (Pontiac) — Leslie H. Hudson (D) and Raymond L. King (R).

District 3 — Asher N. Tilchin (D) and Henry L. Woolfenden (R).

District 4 — Thomas G. Kavanagh (D) and Richard C. Van Dusen (R).

District 5 — Avern L. Cohn (D) and Arthur G. Elliott Jr. (R).

District 6 — Lee Walker (D) and Dale Edwards (R).

* * *

Campaigning has been below that experienced at usual elections.

Murphy warned that those favoring a split ticket among the two delegates they'll chose should be sure to familiarize themselves with the procedure before entering the voting machine. Precinct election workers will assist, he said.

**At the state level, elections director Robert M. Montgomery guessed that about a million voters would cast votes tomorrow.**

Among the 286 major party candidates and 73 minor party nominees on tomorrow's ballot were a host of former legislators, judges, political party officials, educators, farmers, lawyers and businessmen.

* * *

Republican spokesmen held high hopes for gaining control of the convention. The GOP holds a 78-66 edge in the legislature.

Democrats, however, counted on at least narrowing the margin in the convention to consider revisions to the 1908 constitution. One party spokesman said the Democrats would produce an "effective minority" regardless of the margin.

## Europeans Riot in Oran; Moslems Are Wounded

ALGIERS, Algeria (UPI) — A crowd of Europeans went on a rampage in Oran today, looting and burning shops and wounding a number of Moslems.

The rioting began after a Moslem terrorist stabbed and seriously wounded a Jewish barber. When news of the attack spread, many Jewish residents left their homes where they were observing the Jewish new year.

# Youth Drowns in Avon Twp.

## Boy Became Tangled in Weeds After Dive From Raft

Oakland Drowning Toll in '61

25

Last Year to Date: 13

A 14-year-old Shelby Township boy drowned yesterday while swimming in Walker's Gravel Pit near John R and Avon Roads in Avon Township.

The victim, a raft. A compan- 53205 Brookfield Court, became tangled in weeds after diving from a raft. A companion, Michael Lucas, 14, of 1675 John R, went for help when his friend failed to surface.

**Edward Biroth and Harold Spangler of the Brookland Fire Department recovered the body from 10 feet of water about 25 feet off shore.**

Efforts to revive the boy failed. He had been underwater approximately 10 minutes. Oakland County deputy coroner Dr. Isaac Prevette pronounced him dead at the scene.

## Adenauer Now Says Nikita Betting on Him

MINDEN, Germany (AP) — Chancellor Konrad Adenauer did an about face today and declared Soviet Premier Khrushchev is betting on him to win next Sunday's West German election.

Until now, he has insisted the Kremlin was pulling for his Socialist opponent, West Berlin Mayor Willy Brandt.

NATIONAL WEATHER — Rain and winds from hurricane Carla will dominate the Texas and Louisiana costal areas tonight. Showers are forecast for the Northern and Central Plateau, the Middle and Lower Mississippi Valley and the Great Lakes area.

# Paar Denies Army Helped

## Blames Reporters for Fuss Over Filming Show in Berlin

NEW YORK (AP)—Jack Paar says he received no undue cooperation from U.S. Army personnel in his recent filming of a TV show on Berlin's tense East-West border.

Reporters were to blame for the furor stirred up over the incident, he says.

* * *

And as for Congress: "It could better spend its time on some of its unfinished business with James Hoffa" than worrying about TV shows. Hoffa is president of the Teamsters Union and has been questioned by senators.

* * *

Paar wouldn't talk with newspapermen about the incident, but he discussed it in Berlin with Eleanor Harris, who is traveling with him for Look Magazine. The interview was published by the New York Herald Tribune.

He told the writer that he wasn't surprised that reporters "make up news, but I am surprised to hear that senators spent 30 minutes discussing this matter."

* * *

"Why? Perhaps an answer is that senators like publicity just like anyone else—and nothing would please them more than conducting a headlining investigation of me," he said.

**OFFICER REMOVED**

The Army removed one officer—Lt. Col. Dallas Hoadley of Baltimore—from his post for "improper performance of duty." It admonished a second—Col. J. R. Deane Jr. of San Francisco—for "exercising poor judgment" in providing troops filmed by Paar.

Paar said the Army had been working in cooperation with many other television shows in the past few months in Berlin.

* * *

"Not one thing that we did or that the Army did was improper. No pull was used, political or any other kind, to get Army cooperation," he said.

# 10,000 in Walkout at 3 GM City Plants

(Continued From Page One)

ion of Electrical Workers and GM announced they were extending their contract deadline from 10 a.m. today until midnight Thursday. The IUE represents some 25,000 GM hourly rated workers.

**As the strikes erupted, the United Auto Workers announced in a statement that a stalemate had developed in negotiations on noneconomic national level issues with General Motors.**

The UAW said "the question of adequate relief is a matter of dispute in a large number of plants, especially Fisher Body assembly plants and the Buick-Oldsmobile-Pontiac assembly plants."

* * *

In Grand Rapids, some 1,300 employes of General Motors diesel equipment division remained on the job but another 4,100 workers at two GM Fisher Body factories did strike at 10 a.m.

Walkouts were also reported at the Chevrolet plant and two Fisher Body plants in the Cleveland area where some 10,700 employes went on strike, and at three Southern California assembly plants employing some 5,700 union members.

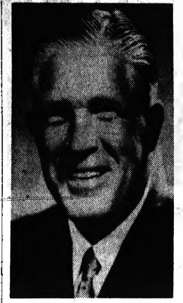
# Explosion Injures Engineer at MSU

EAST LANSING (AP) — An electrical engineer at Michigan State University was injured today in an explosion of an electrical transformer in the university chemistry building.

Three other men were blown through a doorway by the force of the blast, but escaped injury.

**Admitted to the University Hospital with first degree burns on his face, neck, shoulders and arms was Joseph Kavanagh, 32. Doctors said he was in satisfactory condition.**

Kavanagh was working on the transformer in the basement of the building when the explosion occurred in the vicinity of the disconnect switch. Damage was minor and there was no fire.



GEORGE W. ROMNEY

# Eyes of Michigan Focused on Romney-O'Brien Battle

(EDITOR'S NOTE: Besides electing a delegate from their individual state representative districts, all Oakland County voters tomorrow will also elect a delegate to represent the county's 12th Senatorial District).

**All the state will be looking toward Oakland County tomorrow to see how political novice George W. Romney, considered by many as "Mr. Con-Con," fares in the balloting for convention delegate against lesser known Clawson attorney William A. O'Brien Jr.**

**REPUBLICAN: George W. Romney, 54, 1830 E. Valley Road, Bloomfield Hills, president American Motors Corp., chairman Citizens for Michigan, attended University of Utah and George Washington University two years, holder of three honorary degrees, managing director Automotive Council for War Production, chairman of study committee on Detroit school needs.**

**DEMOCRAT: William A. O'Brien Jr., 31, 1351 N. Selfridge St., Clawson, city councilman, Holy Cross College graduate, attorney, Yale University Law School graduate 1957, nominee for state representative 1960, county member Democratic State Central Committee.**

O'Brien and Romney were asked the identical questions by The Pontiac Press which publishes their answers verbatim in hopes of a more enlightened electorate going to the polls tomorrow. The questions were:

**What do you see as the greatest need in revision of the constitution?**

**What are your views on the legislative apportionment issues?**

**If you believe there are changes necessary in either or both of the executive or judicial branches of state government, what do you feel then are the most pressing issues?**

**Why do you feel you are more qualified than your opponent for the position of constitutional convention delegate?**

**ROMNEY'S ANSWERS:**

1. Michigan urgently needs a constitution that is a clear, simple, basic statement of principles and rules by which the people of this state choose to be governed, avoiding the kind of statutory detail that has perverted the purpose of the existing document, and created the need for the forthcoming convention.

* * *

To produce such a document, I believe our greatest need is for informed delegates of good conscience, representative of all the citizens of the state, uncommitted to special area, group or organization interests, who will keep an open mind on basic issues until there is an opportunity to consider them against the background of complete discussion and review within the convention itself.

2. I believe the legislature should be reapportioned in accordance with the two principles of representation on the basis of population, and adequate representation of less populous areas for the protection of minority rights.

3. The executive and legislative departments should have authority commensurate with their responsibility, and clearcut accountability for their acts.

**I favor reduction in the number of elected officials, as one step in this direction.**

And I favor improvement in the procedure for securing Supreme Court justices and other aspects of the judicial system.

4. Rather than undertake a discussion of my qualifications, I would prefer to let them speak for themselves.

**O'BRIEN'S REPLIES:**

1. Greatest need in the revision of the present constitution is to restore representative government to the state of Michigan, and thus to restore the confidence of the people in their State Legislature.

**This can only be accomplished through a meaningful reapportionment of both the State Senate and the State House of Representatives.**

Every citizen in this state should have one vote, no more and no less, for their state representatives and senators.

* * *

Any system which permits one representative for Oakland County's 3rd District with 130,000 people, and also permits one representative for a House district in Wayne County with only about 30,000 people is iniquitous.

2. I savor reapportionment on a strict population basis. Any other scheme will deprive the people of Oakland County of the representation that should be theirs. We are the second most populous county. We are the second richest county in the terms of taxes contributed to the state.

**Our taxes demand that we be represented. Additionally, the ultimate minority is the individual citizen. That system which protects the largest number of minorities, or citizens, is the fairest and the most popular representation.**

To return to popular representation is to return to the constitutions of 1837, 1852 and 1909. It is to return to the system of our forefathers, devised long before the rise of partisan parties. It is to return to the system that has made Michigan great and will again.

3. I favor reducing the number of elected officials, and reducing the number of state elections, and thus to eliminate the excessive preoccupation with constant politicking that harasses our state.

**The governor and lieutenant governor should be elected for four-year terms. The auditor general should be appointed by the State Legislature. The remainder of the administrative board should be appointed by the governor.**

I favor the continued direct election of judges. The only two suggested alternatives, appointment by the governor, or appointment by a commission, are basically devices to thwart a hard-won historical right of the people.

4. I have respect for my opponent as a successful businessman, although I disagree fundamentally with some of the views he has expressed which I am convinced are not in the best interest of the people of Michigan, although they may be good for certain special interest groups.

**I hold the earned degrees of A.B. Holy Cross, L.L.B. Yale University. I was a law school lecturer.**

I am a practicing attorney, and a Clawson councilman.

I served 7 years in the Navy, and hold the rank of lieutenant commander. Government is my business and I know it.

Compare my qualifications with those of my opponent and remember that you want honest representation.

# Hurricane Winds Reach 173 M. P. H.

(Continued From Page One)

five inches of rain since midnight and the deluge continued. Thousands of telephones went out of operation there.

* * *

**Surging waves tossed a large shrimp boat atop a 15-foot seawall. All of North Beach at Corpus Christi flooded. It is crowded with beach houses and motels.**

The 173-mile winds struck Port Aransas about daybreak.

**MOST INTENSE**

The Weather Bureau office in Chicago, labelling Carla the most intense hurricane to strike the Texas coast this century, said perhaps it may be the worst in Texas history.

* * *

The coast gave the appearance of a swampland dotted with flooded buildings.

**Communications began to falter in the storm area from Houston and Galveston, south to Corpus Christi as telephone poles snapped like match sticks.**

Telephone and electric power lines lay like tangled spaghetti on the ground in many areas. Six cities were without long distance telephone service.

* * *

Many of the towns and cities on the coast were ghost towns, only a handful of persons, mostly disaster crews, remaining.

* * *

**Boats cruised the downtown streets of Galveston, where water rose 5 to 6 feet deep in a 120-block area. Tides were 10 feet above normal and still rising at the island city.**

Ninety per cent of the 35-by-2-mile island was under water, but at a late hour only about 10 per cent of homes were awash.

* * *

A 17-foot seawall offers major protection from the battering of high tides and waves from the Gulf side of the island, but tides push water through the unprotected back and sides of the city and surrounding area.

## Sees No New Taxes Despite Large Deficit

WASHINGTON (AP) — The government may go $6 billion in the red for the current fiscal year but administration will not ask new taxes unless world conditions grow worse, says Secretary of the Treasury Douglas Dillon.

Earlier administration estimates were for a deficit of about $5.3 billion for the fiscal year ending next June 30.

The United States Information Service now has 31 offices in Africa.

WILLIAM A. O'BRIEN JR.

# Carla Slams Into Louisiana

## Floods and Tornadoes Plague Coastal Towns, Infant Killed

LAKE CHARLES, La. (AP) — Giant waves and high winds stirred up by brutal Hurricane Carla surged over Louisiana's deserted, marshy coast today.

* * *

The vicious hurricane spawned at least three tornadoes, which struck at south Louisiana communities Sunday night. Kaplan, where a baby was killed and more than 50 injured, was the worst hit.

* * *

Evacuations continued as rising waters spilled over protective levees and flooded coastal towns. More than 40,000 already had fled inland.

**REMEMBER CAMERON?**

From the second-story of the Cameron, La., courthouse, Sheriff O. B. Carter reported eight-foot tides and 65-mile winds. Carter said the highest points in the town of 5,000 were covered by nearly three feet of water.

* * *

Residents of Cameron—remembering the 500 left dead by Hurricane Audrey in 1957 — needed little prompting to evacuate. By Saturday only Carter and a few deputies remained in the town.

Between Lafitte and Cameron,

**The Day in Birmingham**

# *To Request Amendment of Planning Application*

BIRMINGHAM — The City Commission tonight will be asked to consider amending the city's 701 urban planning application to include the purchase of aerial photographs and contour maps.

City Manager L. R. Gare said that he recently has been advised that it is possible to include the cost of the photos and maps in the application since it has not been forwarded to the federal government by the state.

**Gare explained that the cost of the mapping would not increase the city's share of the 701 program because its financial participation has been decreased since funds were first budgeted.**

Because of a change in classification the city's share of the program now is only 25 per cent as against the original one-third participation.

* * *

The combined budget for the aerial photography and the 701 program is $10,200.

**The city's cash contribution toward the 701 plan, if the aerial photos and contour maps were included, would now total $5,135 or approximately $3,665 less than the budgeted amount.**

Gare noted in his recommendation the high cost of the contour maps alone but said that once they are received they would not have to be acquired again.

"They would be very valuable to the city, particularly in its study of relief sewers and flood plan control," Gare said.

Birmingham Chapter 220, Order of the Eastern Star, will hold its advanced officers night Sept. 20 at 7:45 p.m. at the Birmingham Masonic Temple.

The Birmingham Recreation Board will meet 8 p.m. Thursday in the Municipal Building to discuss the joint meeting of the group with the Birmingham Board of Education and the City Commission Oct. 4.

**William H. Clemons**

Service for William H. Clemons of 24035 W. 13 Mile Road, Beverly Hills, will be 2 p.m. Thursday at the Manley-Bailey Funeral Home. Burial will be in the Franklin Cemetery.

Mr. Clemons died Sunday following a short illness.

He was a member of the Franklin Community Church.

Surviving are a daughter, Mrs. Harry Rayner of Farmington; a son Willie B. of Southfield; a sister Mrs. Andrew Bawden of Franklin; three grandchildren and four great-grandchildren.

**Avery Ann Guething**

Service for Avery Ann Guething, 14, daughter of Mr. and Mrs. Theodore H. Guething, 581 Lake Park Drive, will be 3 p.m. tomorrow at the First Methodist Church.

Avery Ann died Saturday in Boston, Mass., following an illness of several months.

She was a ninth grade student at Kingswood School in Bloomfield Hills.

Surviving besides her parents are a sister, Stephanie; two brothers, Theodore III and Carl; and grandparents, Mr. and Mrs. Carl T. Guething and J. Avery Guyton.

# *Family Is Safe After Day Adrift on Saginaw Bay*

A desperate, lost weekend found a happy ending for a Drayton Plains couple and their three children yesterday when they were rescued after drifting 25 hours in a 16-foot outboard boat on Saginaw Bay.

* * *

A fishing boat from Caseville, Mich., found the family apparently in good condition. They are Lawrence Dunwoodie, 36, of 3621 Warringham Drive; his wife, Marie, 35, and their children, Erin, 10; Brian, 9; and Lauren, 2.

* * *

**The five became victims of winds and currents after their propeller shaft snapped and they lost an anchor Saturday. They sustained themselves with food from a picnic basket.**

Coast Guard aircraft and Huron County sheriff's boats began a search when Dunwoodie's brother, John, of Detroit, reported his relatives missing late Saturday night. John has a cottage on the bay.

## Opens Talks on Berlin

OTTAWA (UPI) — Newly-appointed NATO Secretary General Dirk Stikker today opened a round of talks with Canadian leaders on the North Atlantic alliance's role in the Berlin crisis.

# Dedicate Oakland Courthouse

(Continued From Page One)

ty's controversial accumulation of funds.

* * *

Justice Dethmers ruled in favor of the county.

The Oakland County Taxpayers' League had protested how these funds had been acquired.

**The legal battle was a thing of the past as Birmingham Supervisor David Levinson, chairman of the Board of Supervisors' Ways and Means committee, with the aid of Mrs. Levinson, unveiled a 4-by-6-foot white bronze dedication plaque in the lobby of the courthouse.**

It took five minutes for County Clerk Register Daniel T. Murphy Jr. to read off the 154 names on it. These were the supervisors who had served or are serving on the board during the ups and downs of courthouse plans.

* * *

Both Justice Dethmers and Secretary of State James M. Hare, who accepted the building in behalf of the state, said it stood as a challenge to the longevity of local government, something, they said, might come in for a test in the forthcoming constitutional convention.

* * *

"This is evidence that you people in Oakland County want to maintain local government close to home where it will be responsive to the will and wishes of the people," Justice Dethmers said.

* * *

Supervisors, officials, their wives, some county employes and others sat beneath the traditional bunting-trimmed stand erected on the east parking lot. Music was provided by the Pontiac Central and Northern High School Bands.

**Maintenance crews directed by Ken Vanmatta worked during the last week approximately 16 hours a day in order to finish the sodding and planting of shrubs where the program took place. Colorful gladiolas were placed around a spot in a shrub-filled bank where "Oakland County Service Center" has been spelled in rocks.**

"Before us," said Congressman William S. Broomfield, R-Oakland County, "we have a decade of work, of planning, of saving to build this structure from an idea in the minds of a few dedicated men into the living reality we have before us."

* * *

Broomfield said everybody in the county must strive "to see to it that this marble, this glass and this steel remain true to these precepts upon which we base our law."

**'VISION CLEAR'**

"We must see to it, through our votes, that our integrity remains as firm as the rock from which these walls were fashioned; our strength to fight and strive for what is right and just is as strong as the steel which holds this building upright; and our vision is as clear and unclouded as the view through these spacious glass windows."

**One of the many who toured the building after the ceremony was former Circuit Judge Frank L. Doty, for whom a special plaque from the Oakland County Bar Association has been placed on the third floor.**

"I'd like to hold court here for a day at least," said Judge Doty who spent 32 years on the bench in the old downtown courthouse.

Bernard Girard, president of the 356-member bar association, thanked the county in behalf of all the attorneys who will practice in it.

**MR. HAAS WAVES**

Waving from the six-story law library office window when he was introduced was Joe Haas, county historian. He remembers placing a copy of his former newspaper in the cornerstone of the old courthouse at dedication ceremonies held in 1905.

**"We accept this building and pledge our support in the continuing progress of Oakland County," said Mayor Philip E. Rowston for the city of Pontiac.**

Hare said: "This building is an example of the kind of belief of doing things for yourselves, of being self-reliant, of reaching and finally realizing and doing something about your own problems."

This, Hare said, contrasts with the state government doing the job.

* * *

"We applaud Oakland County for what it has done here and wish all counties could take the same initiative," the secretary of state said.

* * *

More accolades will come to the county 18 months hence when the judicial building's west administrative wing is dedicated.

Ground was broken for it before Saturday's dedication.

# Curb Period of Tension

By JOSEPHINE LOWMAN

Most women experience some premenstrual tension. This varies in degree with the individual woman.

**This tension usually takes the form of extreme nervousness, irritability, fatigue, or sensitiveness and weeping. Some women just feel tense and tired for a few days before the arrival of their periods.**

* * *

A few women do not have any of these symptoms, but most of them have at least one. It is important to consider these seriously because of the unhappy effect they may have on your human relationships. Even the best adjusted woman may react in ways not natural for her during these few days each month.

It is wise for the woman and her family, especially her husband, to recognize this fact. For her part, she can be aware of the danger of her moods, laugh at herself and exert as much control as possible. Her husband and family will be more tolerant if she should "blow up," when they understand the reason behind the irritable temper.

**Also, at this time, a woman should give herself a little break with a bit more rest and with less confusion. This is not a time to treat yourself like an invalid, but it is a time when you are under a little strain.**

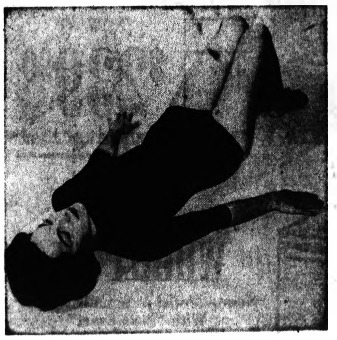
Do not take yourself or your problems seriously at this time. If you do, you will see, in a few days, that you have exaggerated these problems out of all proportion. It is absolutely mad to make any important decision, or to discuss important matters during these few days.

**EXERCISE HELPFUL**

Some women suffer with menstrual cramps. The following exercise is helpful: Lie on the floor on your back with your arms resting on the floor at your sides. Bend both knees and place the feet flat on the floor. Push up toward the ceiling with your abdominal muscles. Pull the muscles down toward your backbone. Continue. Do this entirely with your muscles. Your back and hips remain on the floor. The exercise should be executed slowly.

* * *

If you would like to have my leaflet, "Menstrual Period," send a stamped, self-addressed envelope with your request for leaflet No. 31. Address Josephine Lowman in care of The Pontiac Press.



*In this position, push up toward the ceiling with your abdominal muscles. Pull muscles down toward your backbone. Your back and hips remain on the floor. If you suffer from menstrual cramps, this is a good exercise for you.*

# Couple's Vows Given by Candlelight

MRS. ALLEN E. FARNER

Candlelight vows of Betty Crowley to Allen E. Farner were pledged before Rev. G. J. Bersche Saturday evening in the Christian Missionary Alliance Church.

Receiving in the parsonage following the ceremony were the Lyle Crowleys of Waterford Township and the Troy Farners of South East Boulevard, parents of the bridal couple.

**Preceding the bride to the flower-banked chancel were Charlene French, maid of honor, and bridesmaids Judith Rickard and the bridegroom's sister Carol.**

They wore topaz taffeta with bouffant overskirts and carried miniature chrysanthemums in fall shades entwined in a raffia chain. Matching flowers formed their headpieces.

* * *

Fashioned of embroidered white organza over taffeta, the bride's floor-length gown featured a scalloped V neckine and fitted bodice. Her bouffant veil of tulle fell from a seed pearl crown. She carried a white orchid and chrysanthemums on a white prayer book.

**Charles Brattain performed the duties of best man. Guests were seated by Larry Mulcaster of Ferndale, George Mertz of Detroit, Edward Broadway and Peter Stavraikas.**

The couple will live on Thorpe Street after a honeymoon in the Great Smoky Mountain area.

* * *

For the wedding Mrs. Crowley chose a two-piece beige silk organza dress with emerald green accessories and waistline corsage of gardenias. The mother of the bridegroom also wore gardenias in complement to her dress of champagne lace organza.

# Altar Society Meets

Fifty members of St. Michael Altar Society attended a meeting Tuesday evening in the parish hall. Mrs. Blanche Blust of St. Rose Unit was refreshment chairman.

Rev. James L. Hayes gave a pastor's viewpoint on how an altar society helps parish functions.

A fish and chips dinner is planned for this evening and a "Luncheon Is Served" party for Tuesday at 12:30 p.m. in the parish hall.

* * *

Mrs. Robert Schmude needs leaders for two girl scout troops, it was reported, and Rev. Francis O'Donnell asked members to cooperate with family members involved in athletic programs.

Tentative plans were made for a bazaar and festival dinner Oct. 14 and 15.

New members present were Mrs. Myron Raymond and Mrs. Ernest Coster Jr.

# Co-Op Luncheon Is Held by Church Group

The Mayflower Group of the First Congregational Church gathered for a cooperative luncheon Thursday at the home of Mrs. Thomas Sherwood on De Sota Place.

Mrs. Edgar Thomas who was elected to the nominating committee of the Women's Fellowship presented devotions on "Faith".

Excerpts from a new book "Voices from the Wilderness" by Oakland County Circuit Court Commissioner Maurice F. Cole of Ferndale were given by Mrs. Arno Hulet. It concerns early missionaries in Michigan.

Serving on the group's nominating committee will be Mrs. Dexter Craig, Mrs. John Kiltie and Mrs. Harold Schram.

## To Open Season

Welcome Rebekah Lodge No. 246, IOOF will open the fall season at 8 p.m. Thursday in Malta Temple.

District officers and various lodges from district 6 will be guests and all officers are requested to wear formal dress. The evening will close with refreshments.

AP Photofax

**PIERSALL IN ACTION**—This sequence of events shows fiery Jimmy Piersall in fistic action at New York Sunday. He downed one attacking fan with a left hook and gave another a good kick after getting in a good right. Teammate Johnny Temple (16) and police are shown on the way to help.

## Piersall Gives Warning to Centerfield Nomads

NEW YORK (AP) — Jimmy (K.O.) Piersall is giving fair warning to spectators with an urge to invade his centerfield territory intent on doing him bodily harm . . . with his fists!

"I'll swing at anybody that comes at me," the fiery Cleveland Indian player promises. "I won't ask any question. Who knows? The next guy may have a knife with him."

* * *

Piersall gave his warning between games of the doubleheader between the Indians and New York Yankees at Yankee Stadium Sunday after two young spectators had rushed onto the field and attacked him.

Piersall felled one of them with a left and booted the other before his teammates and police thoroughly subdued the pair. They gave their names as James McInerney Jr., 18 of Bayport, N.Y., and Robert Mendez, 17, of Ronkonkoma, N.Y. Both were charged with disorderly conduct.

* * *

"They came at me like madmen, hurling insults," Piersall related. "I could see fire in their eyes. One of them yelled, 'We'll get you, you nut,' and cocked his right hand to hit me.

"I didn't wait to hear any more. I got in the first punch. I got the first guy with a left hook and he went down. I hit the other with a right but the punch landed a little high and he stayed up. He tried to get away but I connected with a kick in his rear before the cops grabbed him."

Piersall said he had no regrets over the stormy incident which occurred before nearly 58,000 stadium fans and a vast television audience.

* * *

"I'm glad I did it," the explosive Jimmy said. "My dad (who died last week) would have been proud of me. You've got to prove to those lunatics the field belongs to the players."

Piersall had one source of satisfaction.

"First fight I ever won," he said. "I've had 117 fights and this is my first victory."

The fight wasn't the only bit of rhubarb that fiery Jimmy took part in Sunday. As a matter of fact, the stormy interlude was just a preliminary to the spectacle that took place in the sixth inning of the second game—described by some as the wildest mass demonstration ever staged in 38-year-old Yankee Stadium.

* * *

There were two Yankees on base with none out when Cletis Boyer hit a long drive which bounced off or over the left field bullpen railing and came back on the field. Umpire Frank Umont at third base indicated a home run. Boyer, after rounding second, slowed up and was tagged out by third baseman Mike de Lahoz.

Piersall, who did not play in the second game, charged out of the bullpen protesting the "home run." Cleveland Manager Jimmie Dykes demanded the out be called and the umpires, after a huddle, permitted the out on Boyer. Yankee Manager Ralph Houk argued in vain.

* * *

The huge crowd then unloosed the wildest booing ever witnessed at Yankee Stadium. For 17 minutes, the din was so great, it was impossible to hear anything else.

Afterwards, senior umpire Charlie Berry, stationed at second base, took the blame for the Boyer call.

"It was my fault," he said. "I waved the ball in play but I didn't make a clear signal and Umont misinterpreted it."

Apparently so did 57,824 persons in the stands.

## Duffy Irked by Spartans

### Raimey Stars as Blues Post 28-21 Triumph in 'M' Scrimmage

By The Associated Press

The University of Michigan and Michigan State football squads were back to more routine exercises today after discovering over the weekend that their first strings can win — against the second strings.

* * *

In full scale scrimmages Saturday, MSU's first two elevens clobbered the second two teams 40-0. At Michigan it was closer, 28-21.

MSU coach Duffy Daugherty, however, was unhappy with Saturday's scrimmage. There was the incident where a blocker took out his own ball carrier. Then a quarterback tried to sneak with 38 yards to go. And a play was started with only three men in the backfield.

The first squad's first touchdown was the result of a bad pass from center.

**"The funny thing about the whole thing," said Daugherty, "is that the plays that we didn't plan went off the best. The young sophomores showed some great initiative. They just made up the plays as they went along."**

At Michigan, half Dave Raimey also showed he could make up plays. He ran back the opening kickoff 86 yards for a touchdown.

The first team played without top quarterback Dave Glinka, still sidelined with a bruised shoulder from an earlier practice, and fullback Ken Tureaud, also nursing injuries.

John Stamps of Chicago, normally a defensive quarterback, handled most of the signal-calling for the blue team.

A standout was Doug Bickle, sophomore end from Traverse City, who handled kicking chores for both sides. Bickle kicked a 23-yard field goal and an extra point for the first stringers and three extra points for the reserves.

## Record Discus Throw Can't Be Recognized

LOS ANGELES (AP) — A prodigious discus throw of 210 feet-2½ inches by Jay Silvester was made on a field that sloped down 27 inches from the spot he heaved the discus to its destination.

Therefore, the longest discuss throw ever cannot be submitted for a world's record.

* * *

AAU official Emil Breitkreutz surveyed the field Sunday outside Los Angeles City College Stadium and came to the conclusions above.

Officials said the field was recently graded and has not been surveyed since.

A slope of more than 2½ inches is enough to disallow a throw from being considered for a world's record.

* * *

Silvester—on his way to Disneyland with his family when he decided to stop and compete—made three other tosses over the listed world mark of 199-6½. Two of them bettered his own pending mark of [illegible].

## Fans Welcome Bengals After 1-10 Road Trip

### Detroit Back From East 11½ Behind; Bosox Take Series Finale, 8-7

DETROIT (AP)—Home sweet home never looked sweeter for the Detroit Tigers.

They came home from their sour road trip last night no longer pennant contenders and in dire jeopardy of falling from second place.

**But Willow Run airport was jammed with fans welcoming the Tigers home and saying—"It was a nice job while it lasted." The Tigers descended from their chartered plane to cheers.**

Their descent hardly rivaled the one they went through the last 10 days in the American League, however.

* * *

The Tigers departed Sept. 1 to open a crucial series with the New York Yankees, just 1½ games out of the lead. Today they were 11½ games out, still in second place, but with Baltimore breathing on their necks two games behind.

**Detroit lost nine of 10 games on the trip and all of their frustration seemed to be wrapped up in yesterday's 8-7 loss to the Red Sox at Boston.**

The Sox jumped to a 4-0 lead in the first inning and the Tigers couldn't do anything right.

* * *

Chuck Schilling's leadoff single fell among three Tigers. Frank Malzone hit a double that flicked Rocky Colavito's glove. Jackie Jensen hit a ground ball single that had hopped past Jake Wood. Pumpsie Green hit a fly that Billy Bruton lost in the sun for a double.

**The horrors over, the Tigers came back to make a game of it.**

They had a chance to win it in the ninth after Colavito had narrowed the Boston lead to one run with his 41st home run, a two-run shot.

* * *

But Arnie Earley, a rookie from suburban Lincoln Park, struck out Norm Cash and got Dick McAuliffe on a fly ball to end Detroit hopes.

**Bruton also redeemed himself with a homer in the fourth for Detroit's first run. The Tigers got another in the same inning on Steve Boros' sacrifice fly.**

Boros drove in the Tigers' next run in the sixth with a double. Charlie Maxwell's triple provided a Detroit run in the seventh and a bases-loaded walk to Larry Osborne got in the other run in the eighth.

* * *

Don Mossie, who lost 1-0 in his last two outings, was the victim of Boston's weird attack in the first. Mossie left in the second after Cart Yastrzemski belted a two-run homer for a 6-0 Boston lead.

While the Tigers floundered through the East, the Yankees were winning 12 straight on a homestand to gain 10 games on their nearest rivals.

The Tigers took today off and open a nine-game home stand tomorrow night against the Kansas City Athletics.

## Chippewas No Match for Northern, 35-0

SAGINAW (AP)—Northern Michigan held Central Michigan to 99 yards total offense Saturday night as it crushed the Chippewas 35-0 in the season's opening game for both teams.

* * *

Northern's quarterback, Frank Novak, passed for three touchdowns and fullback Gene Vallesano ran for two more.

* * *

Novak, passing to ends Wayne Sickler and Mike Mileski, completed 8 of 14 passes for 113 yards. Vallesano gained a total of 121 yards rushing. His two touchdown runs were from seven and three yards out.

## Must Increase Pace or Miss Homer Mark

By The Associated Press

Memo to Roger Maris:

If you're going to break Babe Ruth's 1927 home run record, you'll have to step up the pace. The one you've set so far won't get the job done.

* * *

So far, you've played in 144 New York Yankee team decisions. You've been at bat officially 527 times. With 56 homers, this means you've hit on the average of one every 9.41 times at bats.

Commissioner Ford Frick has ruled that he'll consider the record broken "officially" only if you come up with 61 in 154 team decisions, the same that Ruth required for his 60 homers. You've got 10 games to go and approximately 40 times at bats.

It's fairly safe to say they'll walk you at least once every four times, leaving only 30 times you'll get to aim for the fence. Needing five more homers, you've thus got to come up with one on an average of every six official appearances.

It was downright rude of those Cleveland Indians Sunday not to give up at least one more homer toward your goal especially since you and your Yankee teammates swept both ends of a doubleheader from the Tribe 7-6 and 9-3.

As for that roommate of yours, Mickey Mantle—the Mick, did manage a homer Sunday, his 53rd. He has been at bat 483 times for a 9.11 average per home run. He's eight shy of the Babe and would have to stroke one every 3.75 times at bats if he only comes up to the plate 30 times officially in the next 10 games.

Mantle's blast came in the second game of the doubleheader, punctuated by fist fights and arguments that both involved Cleveland center fielder Jimmy Piersall. The twin victories and Detroit's 8-7 loss to Boston left the Yankees 11½ games ahead of the runnerup Tigers and reduced the magic number to eight, any combination of eight New York victories or Detroit defeats giving the AL pennant to the Bronx Bombers.

Other AL games saw Baltimore nip Washington 3-2, the Los Angeles Angels edge Chicago's White Sox 4-3 and Kansas City and Minnesota divide a pair, the A's splurging 13-1 in the opener and bowing 7-0 in the nightcap.

After Sunday's activity, Maris, who settled for two singles, is four games ahead of Ruth's home run pace. Mantle is two games behind.

* * *

The Yankees' double victory extended their two-season chain of victories over Cleveland at Yankee Stadium to 18 games. It also gave New York a sweep of its 12-game home stand. The Yankees open a 13-game road trip Tuesday night in Chicago.

* * *

New York's three homers by Mantle, Elston Howard and Johnny Blanchard brought to 219 the number the Yankees have hit this year and left them two shy of the record set by the New York Giants in 1947 and tied by Cincinnati in 1956.

The Angels and the White Sox each picked up three home runs and brought to 222 the number of homers hit in LA's Wrigley Field this season, a major league record.

* * *

Baltimore's Chuck Estrada had a shutout until the ninth when Billy Klaus hit a two-run pinch single with two out, Hoyt Wilhelm preserved the Oriole victory.

Kansas City got 17 hits, including a triple, double and three singles by Billy Howser, in its first game triumph over the Twins. Harmon Killebrew got his 42nd and 43rd home runs for Minnesota. Pedro Ramos won the second game.

## Lions Get Tough on Defense

CLEVELAND (AP) — "You've got the defense."

That's what Pittsburgh's Buddy Parker and Cleveland's Paul Brown — both victims of Detroit's most successful National Football League exhibition season since 1954 —have been telling Lions coach George Wilson.

**And Wilson is the first to admit that, "boy, that defense is really tough."**

The Lions proved it Saturday night in Cleveland with a 35-17 victory over the Browns. It was their fourth victory in five exhibitions.

* * *

They held off Cleveland's most dangerous runners without a yard in the first half. And then, with two 60-yard returns on intercepted passes and a 30-yard dash with a fumble, they zoomed to victory—their second over the Browns in an exhibition game this year.

**Nick Pietrosante bulled into the end zone for the first Detroit score after Earl Morrall completed a 45-yard pass to Gail Codill.**

With Detroit leading 7-3 at halftime, Gary Lowe and Dick Lebeau each picked off short passes by Brown quarterback Milt Plum and each ran 60 yards for a touchdown.

* * *

On the final play of the third quarter, Wayne Walker scooped up a fumble by Len Dawson and scampered 30 yards for a touchdown. The Lions added another seven pointer in the third period on a nine-yard pass from Jim Ninowski to Cogdill.

**The Browns touchdowns came late in the third quarter on a five-yard run by rookie Tom Watkins after Bobby Mitchell had set up the score on a 65-yard run, and then again in the final quarter on Plum's 23-yard touchdown pass to rookie Bob Crespino.**

Cleveland opened the scoring on a 47-yard field goal by Lou Groza in the second quarter.

* * *

The Lions now turn their sights on the Green Bay Packers — their foes in their opening NFL contest at Milwaukee next Sunday.

"If we win that one," Wilson says, "there's no telling how high this team can go."

* * *

Only two teams escaped unscathed during the long pre-season schedule — the league champion Philadelphia Eagles and Green Bay, the Western Conference champions last year.

* * *

Green Bay won its fourth in a row — and 12th straight in 2½ years — Saturday night, exploding for 17 points in the third quarter to defeat the Washington Redskins 31-24. The Eagles romped over the St. Louis Cardinals the same night 27-0.

* * *

**It was the Redskins' fifth straight loss, matching the preseason record of the new Minnesota Vikings. The Minnesota entry was a victim of its own mistakes in dropping a 21-17 verdict to the Los Angeles Rams Sunday.**

* * *

The most impressive individual showing in the final games is that of Johnny Unitas of Baltimore, who fired five touchdown passes—four in the opening period—as the Colts overwhelmed the New York Giants in Yale Bowl at New Haven, Conn. Sunday. The score was 49-20. Jimmy Orr scored on three of Unitas' passes. Adding to the Giant's woes was the possibility their veteran quarterback, Charlie Conerly, may have suffered a fractured nose early in the game. Veteran end Kyle Rote of the Giants hurt his hand and may miss next Sunday's opener with St. Louis.

The Chicago Bears eked out a 24-21 victory over the Pittsburgh Steelers Friday night to bring their pre-season record to 3-2. It was Pittsburgh's third loss in five starts

AP Photofax

**COOL RED**—Red hot Bob Purkey gets doused by mate Wally Post after hurling two-hitter to keep Cincinnati three games ahead in the National League race. Post provided the winning margin with a three-run homer in a 5-2 game.

### Redlegs Increase NL Lead

## Close Victories Important

By The Associated Press

Sprinkle a little pitching they can't hit and win more than your share of the close ones . . . this has been philosophy of baseball experts for carving pennant winners for, lo, these many years.

It's true the Cincinnati Reds haven't nailed down the National League flag yet, but today they've got an awfully big foot in the door, boasting a four-game lead. And there's every indication that somewhere along the line Manager Fred Hutchinson has soundly convinced his troops of this age-old philosophy.

* * *

The Reds completed the sweep of a three-game set with the St. Louis Cardinals Sunday and threw a little pitching at 'em. Bob Purkey held the Red Birds to two singles, and Wally Post contributed a three-run homer, his 18th, and the Reds had a 5-2 victory.

During the Reds' first two tilts with the Cards, Cincinnati won extra-inning thrillers, both by a single run. These were the 30th and 31st one-run triumphs scored by the Reds. They've lost only 14 by the same margin. And nine extra-inning games have produced six Cincinnati decisions.

The Reds' weekend mastery over St. Louis, coupled with San sweep over second-place Los Angeles, opened up the commanding gap between Cincinnati and the Dodgers.

* * *

For San Francisco, the weekend, topped off by Sunday's 7-1 victory, brought sweet revenge. Two years ago, the Giants appeared headed for the NL pennant. The Dodgers struck them down in the season's dying days and went on to win the title and the World Series.

The Giants won the last eight games with the Dodgers at San Francisco's Candlestick Park this year and took the season series, 12-10.

Elsewhere, third-place Milwaukee kept its faint pennant hopes alive by edging the Pittsburgh Pirates 4-3 on Warren Spahn's pitching, and the Philadelphia Phillies exploded for 13 runs in two innings to conquer the Chicago Cubs 14-6.

Purkey won his 16th game against 10 defeats in conquering the Cardinals. He didn't allow a hit until the sixth when Julian Javier and Bill White both singled. After the Cards tied the count at 2-2 that inning, the Reds came right back in the bottom of the frame for the three tallies that proved the clincher. Vada Pinson doubled and Frank Robinson singled and Post drove them in with his big blast.

Orlando Cepeda and Willie Mays furnished the power and Billy Loes and Stu Miller the pitching in the Giants' rout of the Dodgers. Cepeda got his 40th homer and Mays his 37th. Mays scored three times, the third the 1,000th run of his NL career. Loes and Miller held the Dodgers to three hits. Miller was the winner, making his record 11-4. Stan Williams lost his 11th to go with 12 victories.

## From The Press Box

Detroit and Port Huron won American Football Conference games Sunday. Detroit beat Cincinnati 20-7 and Port Huron rallied to take Ohio by the same score. John Henry Jackson passed for three scores as Sarnia took Toledo, 23-20. Grand Rapids walloped Battle Creek 57-0 in the United loop featuring four TDs by Leon Burton.

* * *

**Tom Payne of Ann Arbor and Ed Fuchs, Franklin, won the Class F modified event yesterday at the sports car races at Road America in Elkhart, Wis.**

* * *

Michigan State student Jim Neumann was the only Michigan player scheduled to compete in the National Amateur opening round today at Pebble Beach, Calif. Orchard Lake's Pete Green, Chuck Kocsis and Tom Draper of Royal Oak and C. A. Smith, III of Jackson go at it tomorrow.

* * *

**Old pro Willie Hartack won the Michigan Derby aboard Endsville Saturday at Hazel Park.**

* * *

Paul Boel won the Cass Lake Invitational Ski Jumping tournament Sunday for the 4th straight year.

## Houston Sets Scoring Mark

### Oakland Routed, 55-0; NAACP Pickets on Hand at Texas Stadium

By The Associated Press

The American Football League got its championship race going last weekend and there were no surprises in who won, but there was one big one in how.

* * *

Houston beat Oakland 55-0 for a new league scoring record with some racial agitation failing to dislodge their equanimity. The NCAAP asked Negro players on the Oakland team not to cross picket lines that protested segregated seating at Houston but the players didn't heed the request.

* * *

San Diego whipped Dallas 26-10 on the blazing runs of Paul Lowe and the passing of Jack Kemp.

Denver clipped Buffalo 22-10 to join San Diego at the head of the Western Division. Frank Tripucka engineered the scoring.

* * *

New York's Titans nosed out Boston 21-20 with Al Dorow passing for two touchdowns and scoring one and deadlocked with Houston for the lead.

## Estimated 8,500 Greet the Tigers at Willow Run

DETROIT (UPI)—An estimated 8,500 persons were at Willow Run Airport last night to welcome home the Detroit Tigers from a disastrous road trip.

State police called the crowd one of the largest it had ever been called out to handle. Extra troopers were called in to help direct traffic on the Edsel Ford Expressway which runs out to the airport from downtown Detroit.

Manager Bob Scheffing, pitcher Jim Bunning and left fielder Rocky Colavito all addressed the huge throng of Tiger enthusiasts.

Colavito promised the crowd that "things will be better next year." And both Scheffing and Bunning expressed their appreciation to the fans on behalf of the club.

## Jay Law Wins Publinx Event

Veteran Jay Law of Harper Woods rifled a four-under-par 68 Sunday at Rochester Country Club for a four-stroke victory margin in the Michigan Publinx Golf Association's 4th and final handicap tournament of the year.

The 43-year-old wood pattern maker carded 33-35—68 over the par 36-36—72 course. Law, three-time State Publinx champ, hit 15 greens and birdied six holes. He chipped into the cup for a birdie at No. 7.

Hazel Park's Sam Lima and Jack Floch of Detroit tied for runner-up honors with 72 while Pontiac's Wally Smith and Roy Cullenbine of Detroit shared 3rd place with 73.

There were 223 entries. Leading scores:

| | |
|---|---|
| Jay Law | 33-35—68 |
| Sam Lima | 36-36—72 |
| Jack Floch | 37-35—72 |

## After 7 Misses, Katona Takes State Fair '250'

DETROIT (AP)—Iggy Katona, who tried seven previous times and failed, won the annual 250 mile race for new stock cars yesterday at the State Fair Grounds.

The Willis, Mich., driver took over the lead on the 180th lap and never yielded it. He finished five laps ahead of Keith Pilloghe of Indianapolis with a clocking of three hours, 34 minutes and 6 seconds for an average speed of 70.58 m.p.h.

Paul Parks of Columbus, Ohio, was third.

## Dave Hill Wins Denver Tourney by Six Strokes

DENVER (AP) — Haunted by home-town magic, the touring golf pros headed today for Seattle after Denver's Dave Hill pocketed top prize of $3,500 Sunday with a 21-under par performance in the $30,000 Denver Open.

Hill duplicated the feat the previous week at Dallas by Earl Stewart, first home pro ever to win a PGA tourney. Hill, a touring pro the past two years, owns a Denver home but is not attached to a local club.

But the 24-year-old swinger acted like he was born and reared on the par 71, 6,843-yard Meadow Hills course. His final round 69 for a 263 total was six strokes better than Art Wall Jr. and Bob Goalby, who each collected $2,050 for runnerup honors.

## Local Golfers Keep Title Behind Bada

With city champion Paul Bada showing the way, Pontiac's five-man golf team retained its Recreation Association of Michigan state title Saturday at Pontiac Municipal golf course.

* * *

Bada, the sharp-shooting redhead who won this year's city crown in August at Municipal, fired a 36-33—69 to equal par over the par 34-35—69 layout to capture medal honors in the 18-hole medal play event.

* * *

Pontiac totaled 366 to run away with the team championship. The city golfers' nearest rival was Dearborn, which had a score of 381.

**There was excellent balance on the Pontiac squad. Harold Daniels, Charley Barker and Jim Brafford each shot 74 and Butler Cooper posted 75 for the 2nd straight year.**

Two eagles were made. Lansing's Otto Schubel, former MSU player, eagled the 10th hole and Willard Boggs of Grand Rapids eagled No. 4.

Nine teams competed. Final team scores:

Pontiac 366, Dearborn 381, Grand Rapids 382, Lansing 383, Livonia 394, Ypsilanti 409, Trenton 413, Garden City 443, Riverview 445.

# Business and Finance

## Race Flare-Up Hits UP Town

### Negro Group Seeks Whites Who Injured Sawyer Airman

NEGAUNEE (UPI)—A group of between 75 and 100 Negroes, by police estimate, roamed the streets of this small iron range community early Sunday seeking the white men that injured a Negro airman from a nearby base.

* * *

Police reported half a dozen arrests, both white and Negro, and said that for a time the matter threatened to flare into a major incident.

**The incident apparently started as a result of a fight between a car load of Negro airmen from nearby K. I. Sawyer AFB and some groups of white men. Police said the identity of the white men was known but none of them were among those arrested.**

A short time later a group of Negro airmen from the base entered the police station and asked for protection. When the men were escorted back to their car they found Airman 3.C. Lynwood G. Grant, another Negro, had been attacked by several white men.

* * *

Grant was hospitalized with a broken nose and other facial injuries. He told authorities he had been struck with a chain across the face.

* * *

Police said that a short time later groups of Negro airmen from the base began to gather in the streets of the city.

Soon local authorities called for aid and firemen set up high-pressure hoses to help control the mob but they weren't needed.

## Kenya Chief Claims Land for Africans

NAIROBI, Kenya (UPI)—Kenya Nationalist leader Jomo Kenyatta Sunday claimed all Kenya land for Africans and said if Kenya did not get freedom at once, "we are going to take it."

**Kenyatta, freed in mid-August after nearly nine years imprisonment and detention on charges of leading the bloody Mau Mau uprising of the early 1950s, told 70,000 cheering Africans at a rally here:**

"God gave us this country and we are keeping it. Foreigners can go, and we will shut the doors to new ones."

* * *

Kenyatta's speech was his most outspoken since his release.

## *Expected to Ask Panel to Check 'Gag' on Military*

WASHINGTON (UPI) — The Senate Armed Services Committee is expected to ask its regular watchdog panel to check on any "muzzling" of military leaders instead of launching a proposed investigation.

Well informed sources said the Senate group would shelve the proposal by Sen. Strom Thurmond, D-S.C., for an investigation and ask the Senate Preparedness subcommittee to keep an eye on such activities.

* * *

Thurmond charged that strong anti-Communist statements by military leaders had been softened or suppressed by the Pentagon. He asked that a special investigating group conduct a $75,000 inquiry into what he called a conspiracy to gag the military men.

## Missile Base Strike Spreads in Denver

DENVER (UPI) — A wildcat strike at a Titan missile base near here spread to a second launching pad site Saturday.

About a dozen men walked off their jobs at site 2C, following Friday's walkout of 120 construction workers at site 1A. Only skeleton crews were working during the weekend, and it was not known whether more men would refuse to work today.

Officials of the Northern Colorado Building and Trades Council promised a meeting to try to get the workers back on the job. But the council expressed sympathy with its members' protest over erection of a fence at site 1A.

The President's National Missile Site Labor Relations Committee was expected to step into the dispute.

### Dies in Atlanta

ATLANTA, Ga. (AP)—Col. P. L. Debevoise, 69, national secretary of the Salvation Army from 1952 to 1957, died Friday. He was a native of Jamaica, N.Y.

Compared last week barrows and gilts steady to 25c lower, sows steady.

## *Judaism Marks Beginning of Year 5722*

NEW YORK (AP)—Observance of Rosh Hashana, marking the Jewish new year 5722, began at sundown Sunday.

Services were held in temples and synagogues around the world.

The Orthodox and Conservative branches of Judaism observe Rosh Hashana for two days, and the Reform branch for one day.

Rosh Hashana opens a 10-day period of penitence, prayer and regeneration that ends with Yom Kippur, the day of atonement and the most solemn day of the Jewish religious calendar. Yom Kippur starts at sundown Sept. 19.

## Market Lower in Early Trade

NEW YORK (AP) — The stock market was lower in early trading with blue chips prominent among the losers.

* * *

Declines ran from fractions to a point and more as some issues widened their opening losses. A scattering of small gainers helped prevent a steep slide.

**Trading moderated after an active opening. Brokers were looking for a relatively quiet day because of the Jewish holidays.**

Steels were among the casualties, reflecting further weakness stemming from President Kennedy's request last week not to raise prices. U.S. Steel and Republic were down more than a point. Bethlehem was slightly lower after it replied to the President that a profit squeeze was weakening the industry.

* * *

Losses also prevailed among rubbers, aircrafts, chemicals, oils and airlines. Motors were mixed with Ford nearly a point and drawing considerable trading activity. General Motors eased amid reports of a possible further extension of negotiations over a new contract.

**Moving higher were United Aircraft, International Nickel, Westinghouse Electric, American Motors and Johns-Manville.**

Avco opened off ⅜ at 22 on a block of 7,500 shares, which was quickly followed by a block of 7,000 at the same price. The issue later slid further. Raytheon was down nearly a point.

* * *

American Stock Exchange prices also were mostly lower, with losses running out to 1⅜ for Fairchild Camera. Also moving lower were hardeman, Hazeltine, Hollinger, New Jersey Zinc, Tampa Electric and Catalin. Small gains were shown by Syntex, Creole Petroleum, General Development and Anken Chemical.

## *Municipal Men to Study Con-Con at 3-Day Meeting*

MACKINAC ISLAND (UPI) — The Michigan Municipal League representing 423 of the state's cities and villages, will try to decide at its convention here this week what should be written into the new state constitution regarding the powers and functions of local government.

**The municipal league, with some 800 municipal officials expected, will meet from Thursday through Saturday. Six committees which have been studying the areas of city powers and problems will make reports to the convention.**

These reports concern city home rule, city and village taxation, condemnation procedures, local court, local government structure and the relation of state government to municipal government.

## Failures Don't Slow Missile Programs

POINT ARGUELLO, Cal. (UPI) — The development of two top-priority space systems designed to protect the United States against sneak attack from space didn't slow down today despite two spectacular weekend failures.

* * *

The disappointing launchings of a Samos picture-taking satellite and the Army's Nike Zeus anti-missile came Saturday — less than 75 miles and half an hour apart.

The 2-ton Samos satellite exploded on its launch pad here.

## News in Brief

**After a swimming party at his** home last night, Jack Hobby, of 3749 Percy King Road, Waterford Township discovered $160 missing from a wallet in his trousers which he left in the house.

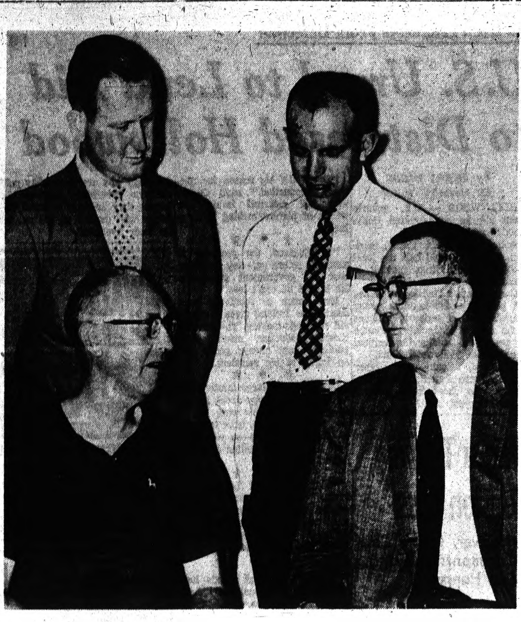
**A thief stole $63 worth of cloth**ing from a clothesline in the back yard at 724 Stanley St., owner Bill Warren reported to Pontiac police yesterday.

**A break-in at the Springfield** Service Station at 9203 Dixie Highway in Springfield Township Saturday night netted burglars $425 from a desk drawer, according to the owner, who reported his loss to sheriff's deputies.

**A portable 21-inch television set** was stolen during a break-in at the Liberty Tool Co., 2250 W. Maple Road, in West Bloomfield Township, it was reported yesterday to sheriff's deputies.

### Lodge Calendar

**Pontiac Shrine No. 22, White Shrine of Jerusalem, Wed., September 13. Pot Luck Dinner, 6:30. Bring own table service and dish to pass. Stated Meeting, 8:00 P.M.** Mary McCurdy, Scribe.



**DISCUSS RADIOLOGICAL DEFENSE** — Four civil defense officials talk over an education program of preparedness against thermo-nuclear attack at a meeting of the Northeast Oakland County Civil Defense Council Saturday in Rochester. They are (from left standing) Owen Birchman, chief radiological CD officer of Oakland County, and Paul A. York, Rochester's CD director. Seated are Allen E. Valentine, representing the Oxford Community Schools, and Lewis C. Jarrendt, county CD director. See story Page 15.

Pontiac Press Photo

# *Nixon to Run in California Predicted by Politicians*

SACRAMENTO, Cal. (UPI)—Almost all of the signs indicated today that Richard M. Nixon, reluctant or otherwise, will announce before the end of the month that he will run for governor of California in 1962.

* * *

There has been a growing buildup in recent weeks pointing toward an announcement of candidacy by the ex-vice president who narrowly lost his presidential bid to John F. Kennedy last year.

**Nixon has said he will disclose his plans before Oct. 1, probably in Los Angeles.**

Most politicians, Republican and Democratic alike, believe Nixon has come full cycle from his March declaration that he was not a candidate for governor, did not intend to be one and would do nothing to encourage a draft.

Among the most noteworthy estimates of Nixon's probable course were these statements, all made in the past few days:

* * *

—Sen. Barry Goldwater of Arizona: "I'm not a betting man but if I were, I would bet he is going to run. In fact, as I have told him and others have told him if he intends to remain a voice and a power in the Republican party he has to do it from an elected position."

—William E. Miller, Republican national chairman: "It is difficult for him to maintain a position of power in the party without a forum from which to speak . . . I think he will run. I would like to see Nixon run against Democratic Governor Pat Brown purely from a selfish point of view."

**—Former President Dwight D. Eisenhower: "If he decides to run and asks me to help him, I'll do everything I can to help him win."**

—Gov. Edmund G. Brown, who is expected to announce soon he will seek another four-year term: "He (Nixon) is the likeliest Republican candidate at the moment but whoever runs on the Republican ticket next year will have to live with the Republican record of this state . . . and it is a shameful record."

—Roger Kent, Democratic state chairman: "He will be forced to run or face the prospect of political oblivion." Kent added Republican leaders "want desperately to control California and they undoubtedly have told Nixon that unless he makes the race he is through, washed up politically."

### Michigan's Weekend Toll

## Seven Killed in Traffic

By The Associated Press

Traffic accidents took seven lives in Michigan over the weekend. All of the victims died in separate mishaps.

* * *

In addition, four persons drowned and two lost their lives in miscellaneous accidents.

* * *

The Associated Press death count began at 6 p.m. Friday and ended at midnight Sunday.

**TRAFFIC:**

Mrs. Iva Doutt, 54, Rockwood, injured fatally Sunday in a two-car collision on Huron Drive at Rockwood.

* * *

Ronald Asmus, 3, Flint, killed Sunday when the car in which he was riding ran off a street in Flint and struck a tree.

Ronald Frazier, 3, Detroit, struck and killed by a car as he crossed a street Saturday in Detroit.

**Peggy Jean Adema, 4, Southfield, killed Saturday in a driveway at her home when she fell beneath the wheels of a trailer being towed by a truck.**

Leo J. Morey, 18, Kalamazoo, killed Friday night when his motor scooter collided head-on with an automobile in Kalamazoo.

* * *

Raymond E. Helmer, 57, Sault Ste. Marie, killed Friday night when his car crashed into a tree just off M28, 13 miles east of Newberry.

* * *

Karen Lloyd, 2, Detroit, killed Sunday when she was struck by a car driven by her father, Frank, as she ran into the street to greet him and fell under a wheel.

WAYNE J. DENGATE

## Bank Manager Dies Suddenly

### Wayne J. Dengate, 42, Victim of Heart Attack; Lived in City 41 Years

Wayne J. Dengate, branch manager of the Community National Bank at Milford and a Pontiac resident for 41 years, died suddenly Sunday morning of a heart attack. He was 42.

Mr. Dengate, of 4161 Motorway, is survived by his wife, Margaret, and four children, Michael, Patrick, Kelly, and Martha Ann. He was bor in Elyria, O.

**He received his education at the University of Michigan's School of Banking and the University of Wisconsin. He was past president of three organizations: the Pontiac chapter of the American Institute of Banking, the Union Lake Business Men's Club and the Union Lake Civitan Club.**

Survivors include his mother, Mrs. Jeanette DeLongchamp, of Pontiac; a brother, Richard Dengate, of Clarkston; and two sisters, Mrs. Joyce LaBarge and Mrs. Sally Lewer, both of Pontiac.

A rosary will be said at 8 p.m. Tuesday at the Sparks-Griffin Funeral Home. Service will be held at 10 a.m. Wednesday from St. Benedict Catholic Church, followed by burial at Mt. Hope.

## Disillusioned Firm Returns to Detroit

DETROIT (AP) — The C. M. Hall Lamp Co., a major supplier of headlight assemblies and other hardware to the automotive industry, has closed its main plant in Clinton, N. C., and transferred all operations back to Detroit.

**Established here in 1909, the Hall company moved to North Carolina in 1958 in the belief that it could prosper more under that state's tax and wage rates.**

But Hall's president, Harry D. Hirsch, said inconveniences caused by the distance between the firm and its market brought on the decision to return.

### Only 1 of Our Services

TULSA, Okla. (AP) — Something has to be done at a downtown bank's auto drive-in. In its modernistic fountain, an elderly man was observed rinsing his false teeth and a woman was seen bathing her baby.

## Mishap Kills Southfield Girl

### Four-Year-Old Falls Under Truck Driven by Employe of Father

A 4-year-old Southfield girl was killed Saturday when she fell under the wheels of a truck being driven by an employe of her father.

* * *

Peggy Jean Adema, daughter of Mr. and Mrs. George Adema of 28337 Maltrott St., was dead on arrival at William Beaumont Hospital, Royal Oak. The accident occurred about 12:30 p.m.

The little girl was playing at her home when she ran into the side of the tandem truck and slipped under the rear wheels, according to Southfield police.

**Oakland Highway Toll in '61**

**61**

**Last Year to Date: 73**

* * *

Police said that Joseph Drexler of Detroit was backing the truck out of the Adema's driveway when the accident happened.

**Drexler, employed by Adema, an excavating contractor, for eight years, was not held.**

* * *

Service for the girl will be 2 p.m. tomorrow at the Heeney Funeral Home in Farmington with burial in Oakland Hills Cemetery, Novi.

### Make Way for the Living

MANCHESTER, England (AP)—City Treasurer H. R. Page says Manchester should offer cremation services free "so that valuable city land does not have to be used for cemeteries." The city is running short of land for housing developments.

## *Bloomfield Man Appointed VP at Detroit Bank*

A Bloomfield Hills resident, Edward H. Lerchen, will assume a vice presidency with The Detroit Bank and Trust Co., Sept. 18, the bank's board of directors has announced.

LERCHEN

Lerchen lives with his wife Joan and four children, Ted, 17; Gray, 15; Katharine, 11, and Carol, 10, at 180 Lowell Court.

He was president, treasurer and a director of Technical Service Inc. and TSI Leasing Inc. of Livonia and Farmington. He founded the latter firm.

* * *

Chairman of the Cranbrook School Board of Directors and a member of the planning committee of the Episcopal Diocese of Michigan, Lerchen is also a member of the Orchard Lake Country Club, and the Otsego Ski Club.

### Jap Farmers Halt Marine Firing Drill

TOKYO (AP) — U.S. Marines canceled firing practice today on the north slope of Mt. Fuji when protesting farmers from nearby hamlets entrenched themselves in the 20,000-acre area.

* * *

A Marine Corps spokesman said the target shooting would be held up while the Japanese government negotiates with local officials.

## TV Features

By United Press International

**BRINGING UP BUDDY,** 8:30 p.m. (2). (Rerun) Buddy's aunts agree to endorse frozen cake mix and later regret decision.

**SPIKE JONES,** 9 p.m. (2). Singer Frank D'Rone and comedian Tommy Noonan help Jones and singer Helen Grayco offer songs from film musicals in one portion of show. Noonan joins in spoof of motion picture museum in Hollywood and delivers monologue about a father and do-it-yourself toy.

**CONCENTRATION,** 9:30 p.m. (4) Richard Welch of Staten Island, N. Y., defends championship in memory-rebus contest for prizes. (Color).

**ADVENTURES IN PARADISE,** 9:30 p.m. (7) (Rerun) Thomas Mitchell stars as bank teller seeking to enjoy fortune he amassed by swindling boss.

**GLENN MILLER TIME,** 10 p.m. (2). Ray McKinley and Miller orchestra, Johnny Desmond, Patty Clark and the Castle Sisters in program of familiar tunes.

**BEST OF PAAR,** 11:30 p.m. (4). July 10 rerun with Betty Johnson, Buddy Hackett, Cliff Arquette and Lou Holtz. (Color).

## Norwegian Communist Dead at Polls, He Says

SVOLVAER, Norway (AP)—A Communist member of Parliament for the northernmost province of Norway said today the Soviet nuclear test in the Barents Sea reported by the United States "bombed us right out of the Storting"—parliament.

* * *

Today is election day in Norway and the Communist Gotfred Hoelvold—a member of Parliament—said he does not havet a chance of winning his seat back.

## 'Tis a Feast for Irish at Oyster Festival

By EARL WILSON

GALWAY, Ireland — The erster season—in some sections of Ireland it's pronounced "eyester" — opened here on Galway Bay with a fanfare that should make New York and Hollywood ad men scared of Irish promotion geniuses.

WILSON

All we erster lovers rode out in a bus to Calenbridge Pier to the Oyster Festival where Mayor Fintan Coogan, in scarlet robes, opened and ate the first oyster of the season — after which everybody got more or less high on stout.

"It is to be hoped that everybody will enter into the spirit of the spirts," one of the speechmakers said.

**Then we adjourned — or is it adjoined? — to Paddy Burke's pub where we erster lovers had more or less stout—and where we had a scalding hot oyster soup though it was too late for some of the revelers.**

"Do you like it?" a Galgewian asked me.

"Lovely," I said, for men and women both say "Lovely" here.

"I don't," the native said. "The best oyster soup in the world is right in New York at Grand Central."

SOPHIA

**The erster promoters even had a pretty red-haired colleen, Kathleen Watkins, whom they called "Queen Neptune," ostensibly come up from the bottom of Galway Bay bearing the first fruits of the sea for the Mayor to taste.**

The point is that in Ireland, everybody knows ersters are back.

### The Midnight Earl in N. Y. . . .

**Broadway mystery:** Who swiped **David Merrick's** caricature from Sardi's and sent it to **Anna Maria Alberghetti?** (She's return it) . . . **Harry Truman** says he's rooting for the Babe Ruth record to stand: "I was there when he established it."

**Roger Maris'** asking price for a TV commercial: 25Gs . . . **Sophia Loren'll** play a comedy bit role in the Hope-Crosby-"Road to Hong Kong" film.

**Tony Bennett** turned down an offer to join **Frank Sinatra's** recording company, signed with Capitol . . . **James Cagney** may write a book on his favorite subject, forestry.

* * *

**EARL'S PEARLS:** A local teen-ager is driving the latest car out. Sometimes it's out as late as 5 a.m.

**TODAY'S BEST LAUGH:** "My neighbor's a real coward," writes Sig Sakowicz. "He even makes changes in his will when he goes to the dentist."

**WISH I'D SAID THAT:** Robert Morse says it in "How to Succeed": "A wife is one of those people who watch daytime television."

Dick Gregory said at his Blue Angel premiere, "People are very nervous nowadays. At the airport I heard a guy say to the clerk, 'Does this jet go to Havana?—and remember, I'm ASKING, you, not TELLING you.'" . . . **That's earl, brother.**

## Hacks $670,000 Art From Four Frames

BEVERLY HILLS, Calif. (AP)—A man concealing a pistol in a bouquet locked a maid in a closet Sunday and robbed a millionaire's home of four paintings the owner valued at $670,000.

* * *

The thief hacked the paintings from frames hanging in a collection valued at upward of $2 million at the Bel-Air mansion of industrialist David E. Bright.

* * *

No one but the maid, Jeane Prosser, 24, was home. Mrs. Bright returned from New York to find the debris of mutilated frames.

* * *

The maid said the robber came to the door carrying two dozen gladioli. He held a pistol in the bouquet.

## Interplanetary Flight?

VIENNA, Austria (AP)—A Soviet astronaut will shortly make an interplanetary flight, the Bulgarian paper Otetschestwen Front received here today said. It gave no details.

## Mexico Detains 157 in 'Planned' Disturbance

MEXICO CITY (UPI) — The government held 157 persons in a camp outside the city today on suspicion they were planning anti-government disturbances.

* * *

Included in the group was Celestino Gasca, a retired Mexican Army general and former supporter of ex-President Gen. Lazaro Cardenas.

## Con-Con Would Check State Cash

(Editor's Note—The convention to revise Michigan's 1908 Constitution meets in Lansing Oct. 3. This is the seventh in a series of articles dealing with possible changes in the state's basic law.)

By DON MYERS

LANSING (UPI) — Someone to watch over the spending of Michigan's money — and responsible directly to the legislature — is a plan likely to be submitted to the constitutional convention which meets in Lansing Oct. 3.

The aim would be a constitutional guarantee that lawmakers could find out how the money they appropriate is being used.

**This year, the legislature set up for the first time a Legislative Audit Commission to examine state spending independently of the administrative branch of government.**

A more sweeping plan has been advanced for consideration by con-con, however.

* * *

Under this scheme, the elected office of auditor general would be abolished, or its powers and duties changed to make it an arm of the legislature instead of the executive branch of government, with lawmakers taking full control of the state's post-audit function.

**MORE RESPONSIVE**

Those who favor the present system say an auditor general elected by the people is more responsive to their will.

* * *

Until the establishment of the Legislative Audit Commission this year, lawmakers relied on the auditor general, plus help from the department of administration for so-called "performance audits" to see how well the state's business was being handled.

**The complaint of some legislators was that the auditor general is tied too closely to the administration, by virtue of his membership on the State Administrative Board, among other things, to make a complete appraisal of performance.**

A legislative auditor, elected by the people or elected or appointed by the legislature, would correct this, advocates say.

Despite its vast lawmaking and budgetary powers, some government experts say the legislature has failed to grow in stature and power at the same rate as the executive branch of government.

This, they say, leaves the legislature, which is the real voice of the people in state government, with no real "teeth" to enforce its will.

**BALANCE OF POWER**

This argument is, of course, tied to the theoretical question of "balance of power" between government departments.

Most of the questions brought before the con-con will affect the legislature's power in one way or another.

**Other branches of government can be restricted, but many lawmakers feel that their branch, above the others, should be completely unfettered by restrictive provisions in the constitution.**

Complicated restrictions on taxing power, spending and other areas of legislative operations are in the present Constitution.

Not even lawmakers, most of them anyway, feel that these checks and balances and guidelines for legislative action should be completely removed, though many would insist on modifications.

* * *

But a hue-and-cry for more legislative follow-up power is expected.

* * *

Proposals to change the basis and method of legislative apportionment, that is, create a different system of saying from where the state senators and representatives should be elected, might keep lawmakers so occupied they won't have much time to devote to other questions at the con-con.

## Michigan Tool Firm Acquires Detroit Plant

DETROIT (AP) — National Tool & Die Inc., a Michigan corporation, has acquired the Mardigian Boulevard Plant in Detroit.

* * *

National Tool and two other firms — Detroit Kellering Co. and Automation Machine Division — will be operated under common management in the manufacturing of tooling equipment.

### What's a Few Billion Here and There

# 'U.S. Economy to Grow, Grow and Grow'

By SAM DAWSON
AP Business News Analyst

NEW YORK — How fast the economy should grow to attain the best of health may still be in dispute. But the estimates on how big it will be getting in the months ahead are growing for sure.

* * *

Today you can add a few more billions of dollars to an estimate without most persons questioning it—maybe without many understanding it, because the economy already has grown so large.

And the changing figures on the public share in that growth—that is the government spending sector of the economy—tend to bear out the higher predictions.

**DEBT RISING**

The federal debt is rising as the Treasury prepares to borrow more cash to meet the bills. That government spending will rise is undisputed, even if the final size of the Treasury deficit when the books for the fiscal year are closed next June 30 is still variously estimated.

* * *

The official figure now is $5 billion. Some pessimists say it may be as much as $10 billion. The difference lies in guesses as to how much actual cash the Treasury will lay out and how much business recovery will add to collections.

* * *

The federal debt now tops $293 billion, huge by standards of only a short time back. The Treasury plans to borrow $5 billion more new money in September and October.

Americans should by now be used to federal budgets in excess of $80 billion a year. But there is little surprise any more when someone talks of the day not so far off when it will be $100 billion a year.

* * *

Increased spending for defense will cause most of the rise, however big the total turns out to be, but there will be more spending in the civilian sectors, too.

All this will pump more money into the economy in general.

* * *

The rest of the total growth is expected to come: 1. from increased consumer spending (out of higher annual incomes, plus some digging into savings which also have been growing); 2. from increased business outlays for plants and inventories to support the greater activity that sanguine economists foresee as inevitable.

* * *

Some of the more conservative businessmen aren't buying the big jump in either the consumer or business spending until they see it.

**CONSUMERS FICKLE**

Consumers have been fickle before and upset predictions—either spending more or less than they were supposed to—and consumer spending is by far the biggest support of the economy. Businessmen also have swung from optimistic expansion plans to hand to mouth policies on short notice.

* * *

The cautious hold that spending habits may be influenced to an unpredictable degree by the lingering unemployment problem and rising world tensions.

* * *

But the optimists think the business recovery, further needled by rising government outlays, will quickly send the total dollar volume of the nation's output of goods and services to heights once thought years away.

Here is the time chart on recent estimates:

* * *

The total volume, known as the Gross National Product, is now put at $516 billion a year, $10 billion higher than a year ago.

**$550 BILLION**

Only two months ago administration economists were predicting the total output might hit an annual rate of $550 billion a year hence.

Now the chairman of the President's Council of Economic Advisers, Walter Heller, says the business recovery looks so buoyant that the Gross National Product should hit $570 billion next summer.

* * *

If you can comprehend that many billions, or if you are a collector of predictions, you might put that aside and see how this estimate looks a year from now—whether he's hit it on the nose, or whether he's missed—either on the upside or the down.

## Japan Will Protest Russian Rocket Tests

TOKYO (AP) — The Foreign Office said today Japan will protest the Soviet Union's designation of an impact area in the Central Pacific for a series of rocket tests beginning Wednesday.

A protest note will advise the Soviets that Japan reserves the right to demand compensations for any losses or damages incurred by Japanese as a result of the closing of the region and the tests. The Central Pacific is a major Japanese fishing area.
