Argentine Leader Claims General's Coup Is Crushed

BUENOS AIRES (P) — Two retired army generals proclaimed a revolt in Argentina today.

78 Predicted for Tomorrow

Up and up the temperatures go. The weatherman predicts partly sunny skies and a high of 78 for tomorrow. The low will be a mild 57 tonight.

Morning winds southerly at 2 miles per hour will become 10 to 15 m.p.h. southwesterly tonight and tomorrow.

Thursday's forecast is scattered showers and thunderstorms with cooler temperatures.

The low reading in downtown Pontiac preceding 8 a.m. was 57. The mercury had climbed to 78 at 1 p.m.

Four hours later, President Jose Maria Guido announced that his government had crushed the effort to oust him.

Navy forces that surrounded Guido's executive palace in downtown Buenos Aires began to withdraw just after the government communique announcing the crushing of the revolt.

The Navy forces, answering a call from the rebel generals, had set up machine-gun emplacements throughout the city and roadblocks.

But shortly before noon they dismantled their fortifications and marched away.

The rebels had announced their revolt was aimed at blocking elections in which they believed followers of ex-dictator Juan D. Peron would win control.

Guido, struggling to achieve a

Russians Fire 4th Unmanned Moon Rocket

Start of 3½-Day Trip Reported Normal by Soviet News Agency

From Our News Wires
MOSCOW — The Soviet Union launched its fourth unmanned space rocket towards the moon today.

The official Soviet Tass news agency said the automatic space research station is known as "Moon 4."

Tass added that everything on board was functioning normally and said another report on its progress would be made tomorrow.

It is expected to reach the vicinity of the moon in 3½ days. Tass said the launching was part of the Soviet program for exploration of outer space and planets of the solar system.

The report said the interplanetary station was shot from an orbiting space platform.

The use of such unmanned devices is a preliminary to attempts to land men on the moon, a goal of both Soviet and U.S. governments.

It was the second unmanned space launch from the Soviet Union this year.

Last month, Soviet scientists sent up Cosmos 13, an unmanned Sputnik which went into an earth orbit.

Moscow Radio said the last stage of the rocket was put into an intermediate orbit and from there was sent toward the moon.

Romney Hears Encouraging News

Governor 'Delighted' at New-Con Triumph

LANSING (P) — "I'm delighted," beamed Gov. George Romney. "This was more important than anything that happened last fall."

Romney was talking about approval of the new state constitution. He was terming the vote more vital than his own election as governor.

"This is a result in the very best interests of the state," Romney said. "It finally gives us the

Ex-GMC Man Gets Top Post

Will Head Up Dayton Appliance Group

Former manager of GMC Truck & Coach Division Philip J. Monaghan has been appointed group executive in charge of the GM's Dayton Household, Appliance and Electro-Motive Group.

Monaghan, a vice president since 1953 and head of the GM Manufacturing Staff since 1960, replaces Nelson C. Denendorf, who retires May 1.

Edwin C. Klotzburger, of 1090 N. Glenbrook Drive, Birmingham, has been appointed group executive in charge of the Body and Assembly Group. He has been a GM vice president and general manager of Fisher Body Division since 1958.

OTHER CHANGES

In other organizational changes, Grosse Pointe Farms resident Robert H. Gathman was elected a vice president and appointed to succeed Klotzburger; Wallace E. Wilson, general manager of the Rochester, N. Y. Products Division, was named to succeed Monaghan; and Harry Hawkins, sales director of the Saginaw Steering Gear Division, was promoted to fill the vacancy at the Rochester Division.

Monaghan, who lives at 940 Cranbrook Road, Bloomfield Hills, joined General Motors at the Fisher Body Division, Detroit, in 1936. He was appointed manufacturing manager of GMC Truck & Coach in 1951, and was

4 School Jobs Taken by Dems

DETROIT (P) — A record turnout of voters gave Republican Gov. George Romney his first vote of confidence in office Monday by adopting a new constitution by a narrow margin.

There was something to cheer about in the Democratic camp, too—capture of at least four of eight educational posts and two "non-partisan" seats in the State Supreme Court bench.

Some 1.6 million voters turned up at the polls for Michigan's last spring election. Under the revised constitution, such elections will no longer be held.

The new constitution doesn't take effect until Jan. 1, 1964. That's when it will become "the supreme law of the state."

The first governor and other state officials to be granted extended four-year terms under its provisions won't be elected until November 1966.

Romney, Michigan's first GOP governor in 14 years and a dark horse for the 1964 Republican presidential nomination, had staked his leadership prestige on

Related Stories, Page 8

adoption of the new constitution which he helped draft as a delegate to last year's constitutional convention.

Declaring that the election was of great national significance, Romney insisted that defeat of the constitution would have meant "a great setback for the fundamental process of democratic society."

In fighting for adoption of the document, Romney was facing two familiar foes created last November — the Democratic party and labor union leaders. The former automaker also had campaigned in behalf of candidates on the GOP ticket.

The election of incumbent Justice Eugene Black, 60, of Port Huron and former Justice Paul Adams, 54, of Sault Ste. Marie swung the balance of the count from a 4-4 split to 5-3 in favor of candidates nominated by the Democratic state convention.

Here is the way the other races went:

Two-time incumbent, 58, of Grosse Pointe Woods was re-elected state superintendent of public instruction over Republican Raymond Hatch, 52, of Okemos.

Republican James O'Neil, 32, of Livonia defeated Gerald T. Tuck, 33, of Detroit for State Board of Education.

For University of Michigan rector, (Continued on Page 2, Col. 3)

Incumbent treasurer Mrs. Dorothy Olson registered the largest victory margin in any of the local races, defeating Fred L. Morningstar, 5,811 to 4,745.

TRUSTEE RACE

In the township trustee race, incumbent Republican Loren D. Anderson garnered 5,089 votes to elect Democrat John H. Verhey, who had 5,086 for the fourth trusteeship.

Incumbent Democrat John S. Coleman led the field of eight trustee candidates with 5,382.

He and Kenneth (Gene) Preston, who had the second high total of 5,146, won four-year terms.

The third high vote-getter, Democrat Charles E. Evans, and

(Continued on Page 2, Col. 3)

Black, Adams Win Election to High Court

Incumbent, 2nd Dem Beat Out Republican Rivals at Polls

DETROIT (P) — Incumbent Justice Eugene F. Black and former Justice Paul L. Adams, both non-partisan nominees of the Democratic party, won election yesterday to the Michigan Supreme Court.

The record turnout of Michigan voters in a spring election gave Black and Adams margins of 150,000 to 200,000 over their two Republican-backed opponents, Donald E. Holbrook and Richard G. Smith.

The outcome restored to the high court the 5-3 margin held by Democratic-nominated justices before Adams was defeated last November by Michael D. O'Hara of Menominee.

Black, 60, a Port Huron resident who once served as a Republican attorney general and is regarded as a political maverick for his blasts at both parties, won election to a second six-year term.

The 54-year-old Adams, a former Democratic attorney general, University of Michigan regent and one-time mayor of Sault Ste. Marie, was elected to fill the vacancy created by the impending retirement of Chief Justice Leonard W. Carr.

Unofficial returns from 5,113 of the state's 5,209 precincts gave Black 751,272 votes and Adams 660,869 to Smith's 507,777 and Holbrook's 501,630.

Holbrook, 54, is a circuit judge in Clare County. Smith, 40, is a circuit judge in Bay County — a post to which he was appointed six years ago by former Gov. G. Mennen Williams — and a former Republican member of the legislature.

The new constitution played a role in the campaign, with Adams asserting he would vote against it, Black refusing to discuss it, and Holbrook and Smith actively supporting it on grounds it was a "nonpartisan issue."

News Flash

CHICAGO (P) — The nation's railroads announced today that one minute after midnight Monday they will make work rules changes that eventually will eliminate 65,000 jobs.

Incumbent Supervisor Ousted

JAMES E. SEETERLIN

By JOE MULLEN

Democrats scored a significant victory in yesterday's Waterford Township election as the party boosted its present 43 Township Board margin to 6-1.

A record spring vote of 11,330 was cast as Democrats won the top three administrative posts and three trustee posts.

They lost the fourth by only three votes.

James E. Seeterlin, township clerk for the past six years, defeated Republican incumbent supervisor Elmer R. Fongbner. Seeterlin polled 5,557 votes to 4,979 for Fongbner.

In a tight race for clerk, Elmer R. Fongbner edged his Republican opponent, Joe F. Kampen, 5,180 to 5,145.

Incumbent treasurer Mrs. Dorothy Olson registered the largest victory margin in any of the local races, defeating Fred L. Morningstar, 5,811 to 4,745.

Kennedy Asks Slash in Aid of \$420 Million

WASHINGTON (AP) — President Kennedy asked Congress today for \$4.5 billion in new foreign aid money, slashing \$420 million from the total he proposed before Gen. Lucius D. Clay's aid advisory committee reported the current program is much too big.

The President won praise in Congress for his efforts to tighten up the aid program but also received notice that the lawmakers aren't likely to give him the \$4.5 billion he asked.

Last year Congress cut the President's \$4.9-billion foreign aid request to \$3.9 billion, and opponents want to pare even deeper this year.

In a special message to Capitol Hill, Kennedy outlined a six-point program aimed at improving the big overseas assistance program. He drew heavily on findings of the aid committee with which he agrees.

"AID WILL HELP" — "Our world is near the climax of an historic convulsion," Kennedy said. He declared that U.S. aid will help determine whether large segments of the world choose "consent or coercion" as a way of life.

"Despite noisy opposition from the very first days," Kennedy added, U.S. military and economic help has advanced freedom and the U.S. national interest around the world.

Past Democratic and Republican presidents, a bipartisan majority in Congress and among the people and the aid committee all agree on this, he said.

The presidential message launched the annual legislative battle over the politically unpopular aid bill.

First reaction in Congress to Kennedy's proposal was applause for his action in trimming his original estimates by \$420 million.

BUT NOT ENOUGH — In the same breath, however, many congressional leaders were saying this cut wasn't deep enough.

GOP leaders contended Kennedy was giving in to protests of the taxpayers.

A preliminary skirmish has already been set off by the recent message of the aid committee, a group of 10 prominent citizens appointed by Kennedy to take a look at the aid program.

The Clay report said a "properly conceived and implemented" effort is essential to U.S. security — words which Kennedy quoted.

But the group concluded the current program is a half-billion dollars too big. It passed no judgment on Kennedy's request for fiscal year.

Kennedy's new money request for the fiscal year starting next July 1 is now \$4,525,000,000, or \$420 million below the \$4,945,000,000 he called for in his fiscal 1964 budget submitted in January before he got the Clay report.

In his new money request, \$1,055,000,000 would go for arms aid—a \$75-million reduction from the January figure—and \$3.12 billion for economic assistance, a \$345-million cutback.

Retired Gen. Benjamin Menendez, 75, and Gen. Federico Toranzo Montero broadcast their protest over Radio Argentina.

Their forces apparently had seized the central telephone exchange, a block from the presidential palace in downtown Buenos Aires.

The exchange has a master switchboard controlling the government radio network.

The navy had been reported from the beginning to be in support of the rebel generals who came on the air with their revolution proclamation about 8 a.m.

Dems Gain in Record Waterford Turnout

(Continued on Page 2, Col. 1)

Anders were elected to two-year terms.

Republican Eugene Frank Richardson polled 5,060 votes in the trustee race.

Other Republican candidates for the office, Richard D. Kuhn and Lloyd E. Gidley, polled 4,843 and 4,662 votes respectively.

BUCKS DEM TREND — Republican incumbent Justice of the Peace John E. McGrath bucked the Democratic trend and was re-elected to a four-year term by a margin of 5,506 to 4,588 for Democrat Leonard A. Peres.

McGrath's new term will begin July 4. All other successful candidates will take office following the official vote canvass.

Only other Republicans to win were Ben T. Lovel and David S. Smith, both elected as constables. Smith polled 5,096 votes and Lovel 5,032.

Democratic candidates for constable Gerald C. Carter and Roy J. Wegman received 4,949 and 4,820 votes respectively.

BOARD OF REVIEW — In the board of review race, Carlos Richardson, a Democrat, defeated his Republican opponent Roy A. Dorris 5,200 to 4,932.

Democrat Walter Brinkman polled 5,549 votes for highway commissioner. He was unopposed.

Waterford Township voters cast 4,875 votes for the new constitution and 5,243 against it.

Seeterlin, 36, of 4597 W. Walton Blvd., said last night that he planned no immediate "drastic" changes.

"I will exert my greatest efforts toward the progress of the township, especially in the area of water and sewer problems," he said.

The newly elected supervisor theorized that the constitution issue was mainly responsible for attracting an approximate 50 per cent voter turnout in the township.

"About 40 per cent is the normal spring election participation," he said.

Fangbomer, who is presently the township fire chief, will resign from this post when the election results are declared official.

term by a margin of 5,506 to 4,588 for Democrat Leonard A. Peres.

"About 40 per cent is the normal spring election participation," he said.

Fangbomer, who is presently the township fire chief, will resign from this post when the election results are declared official.

Democracy insisted the legislature should be apportioned on a population basis for both houses in line with the "one-man-one-vote" principle.

The new constitution would apportion the House on a basis close to straight population, but the Senate would follow a formula based 80 per cent on population and 20 per cent on area.

Suburbs Top State OK of Constitution

(Continued From Page One)

man, as the most significant factor in the victory.

"That Oakland County is what turned this over," Millman said. "Certainly this margin provided more than the margin of apparent victory."

Many observers considered as equally significant the fact that the constitution won 45 per cent of the Wayne County vote despite all-out efforts of Democrats and the AFL-CIO to defeat it.

Romney managed only 40 per cent in Wayne County last fall. Oakland County voters heavily favored Republican candidates on the statewide partisan ballot but had comfortable margins for two State Supreme Court candidates nominated by Democrats.

They gave Raymond N. Hatch 82,008 votes for state superintendent of public instruction, the smallest margin given a GOP nominee on the partisan ballot. His Democratic opponent, incumbent Lynn M. Bartlett, received 61,153 votes in Oakland.

Republican James F. O'Neill outpolled Democrat Gerald T. Towp, 86,178 to 54,690, in county balloting for a State Board of Education post.

County voters gave State Supreme Court Justice Eugene F. Black 58,073 votes in his successful bid for re-election, and former high court Justice Paul L. Adams won 58,592 votes to help return him to the bench. Both were nominated by the Democratic party.

GOP-nominated Donald E. Holbrook and Richard G. Smith polled 46,490 and 45,738, respectively, on the partisan ballot for two seats on the State Supreme Court.

In the county's vote on the constitution, Pontiac and Waterford Township voted against it.

Unofficial Pontiac totals showed 6,001 "no" to 4,546 "yes." Waterford results had 5,243 "no" to 4,825 "yes."

Pontiac Township also went against the document, 1,006 to 691. Others with majorities against the new constitution were Oak Park (3,727 to 3,949), Madison Heights (2,895 to 2,164) and Hazel Park (2,484 to 1,064).

Areas voting overwhelmingly in favor of the document were Birmingham, 7,459 to 890, Bloomfield Township, 7,421 to 789, Bloomfield Hills, 868 to 55, West Bloomfield Township, 2,881 to 926; Avon Township, 2,467 to 1,537; Southfield Township, 3,730 to 415; Troy, 2,411 to 1,395; Southfield, 5,236 to 2,813; Royal Oak, 12,057 to 5,325.

The constitution also won in Berkley (2,779 to 3,016) and Ferndale (2,469 to 2,440).

Birmingham Area News

Bloomfield Hills Defeats 2 City Commissioners

BLOOMFIELD HILLS — A major upset occurred in Bloomfield Hills with the defeat of two incumbent city commissioners.

Mayor John S. Bugas and Commissioner Robert A. Frye were unseated by David W. Lee and Louis J. Colombo Jr.

Only Bloomfield Hills Commissioner Lyman J. Craig was re-elected.

Lee polled the most votes with 611, followed by Colombo, 559, Craig, 547, Bugas, 535 and Frye, 523.

A proposed zoning ordinance that would increase commercially zoned acreage in the city became an issue in the commission race.

Craig and Frye were strongly opposed to this proposed change, favoring retention of the city's present status.

Because one of them was re-elected and the other defeated, the issue remains a moot point.

Unopposed incumbent constable Homer J. Murphy received 494 votes.

BIRMINGHAM — Voters here retained two incumbents seeking re-election to the City Commission and added a new member.

Incumbent Commissioners William E. Roberts and William

President-Will Honor Son of Blind Vendor

WASHINGTON (AP) — Ignacio (Lefty) Chavez of El Paso, Tex., tried to get into the White House Monday as a tourist and found the doors closed. Today they will be wide open, for Lefty has a date with President Kennedy.

Kennedy will install the 17-year-old Texan, son of a blind broom seller, as the "Boy of the year" of the Boys' Clubs of America. He is what the club calls the nation's finest example of "juvenile decency." He has the credentials to prove it.

The high school senior is an honor student and varsity baseball player and is active in a half-hundred community activities, including acting as a volunteer guide at the Lighthouse for the Blind where the brooms his father sells are made.

When he was younger, he used

to guide his father through the streets as he sold his wares. He pitched in to help the family purse by working as a vendor at sports events and during the summer labors in a bottling plant. The money is turned over to his mother to help feed the family of five which is of Mexican-Spanish descent.

The award is more than an honor and a handshake from the President. It also means a \$1,000 scholarship from the Reader's Digest Foundation — one big step along the way to becoming a law student or a midshipman at Annapolis.

The United States consumes about 16 pounds of coffee per person per year as compared with six pounds in coffee-producing Brazil.

Insurance Rate Hike Authorized by State

LANSING (AP) — The State Insurance Department reports it has approved an increase in rates for bodily injury and property damage liability coverage by the Detroit Automobile Inter-Insurance Exchange.

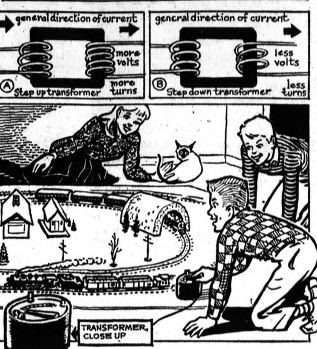

The average increase will be an approximate 12.5 per cent but will vary with the location and use of the car and age of the driver. The increase was approved effective April 1 and will apply only to policies written on or after that date.

There is no increase involved for comprehensive or collision coverage, the department said.

Geyser Kills Livestock

AREQUIPA, Peru (UPI) — A geyser erupted last week in Callima Province, killing livestock and causing some crop damage, it was reported today. No persons were reported killed or injured.

Junior Editors Quiz on ELECTRICITY

QUESTION: How does a transformer work and what is it used for?

ANSWER: "Transform" means to change. A transformer is a device which is generally used to change the voltage, or force, carried by an electric current, making this voltage either greater or less.

How transformers work is shown in upper picture. Alternating current (the kind generally used in houses) comes from the left (A) and makes several turns around an iron core inside a transformer. This creates a magnetic field which sends out lines of force, and these jump across to another wire coiled around the core to the right to produce in this coil another current.

But since there are more turns in the right hand coil, the current leading out of it will be stronger in voltage. In picture (B) the right hand coil has fewer turns, and so the current going out to the right has less voltage.

This "step-down" transformer is the kind used by the young folks in the big picture to operate their electric train, which works on less voltage than is carried by the house wiring system.

"Step-up" transformers, as shown in (A), are used to send alternating current from power plants over long distances.

FOR YOU TO DO: Memorize these three words and you will understand your electric equipment better and have more fun: volt, a unit of electric force; ohm, unit of resistance to current; ampere, unit of electric current received. One volt meeting one ohm of resistance delivers one ampere of current.

Explorer 17 Fires Tonight

CAPE CANAVERAL, Fla. (AP) — The Space Agency planned to launch the Explorer 17 satellite tonight to make the most extensive study yet of the earth's atmosphere.

If all goes well, the satellite will make exploratory sweeps through the atmosphere at altitudes ranging from 155 to 580 miles.

Eight measuring devices are to gather information on composition, density, pressures and temperatures.

Doyle's Daughter Leads

LONDON (AP) — Air Commandant Jean Conan Doyle, daughter of the late Sir Arthur Conan Doyle — creator of Sherlock Holmes — took over as director of the Women's Royal Air Force Monday. She succeeded Air Commandant Dame Anne Stephens, retired.

Laborite Will Visit Kennedy

WASHINGTON (AP) — Harold Wilson, Britain's Labor party leader, calls on President Kennedy today to tell him what the United States can expect from the United Kingdom if his party wins the next general elections.

Whatever the Briton will say cannot surprise the President. Since his arrival Saturday Wilson has had a series of conferences with Kennedy's top aides and has addressed the National Press Club.

However controversial some of Wilson's other views sound—his suggestion to recognize the East German Communist regime, or to accept as a fact the present German-Polish boundary—he may find a sympathetic listener in Kennedy when he explains his position on conventional versus nuclear weapons.

WILSON'S BELIEFS
Wilson strongly believes that (1) Britain should build up its conventional forces under the North Atlantic Treaty Organization, and (2) that the Conservative government's ambition to have an independent nuclear force is unnecessary.

The two questions are closely linked, Wilson maintains, as Britain could afford to strengthen its conventional forces only if it gave up its nuclear dreams.

The Labor party would favor, Wilson has said, putting more emphasis on conventional military strength—particularly within NATO—and de-emphasizing the idea of an independent nuclear deterrent force.

These views go along with Washington's.

State C. of C. Reveals Three Staff Additions

LANSING (AP) — Three staff additions have been announced by the Michigan State Chamber of Commerce.

Ernest Teachout will be manager of membership relations, concentrating on new memberships and financial support in out-state Michigan.

Martin Kingsbill will promote membership and finances in the Detroit area. William Wickham will be general legislative counsel.

Vice President at GM Will Retire on May 1

DETROIT (AP) — Nelson C. Dezen-dorf, 65, a vice president and director of General Motors Corp., will retire May 1, GM announced yesterday.

Dezen-dorf is a native of Portland, Ore. He became a vice president in 1952 while general manager of Electro-Motive Division at La Grange, Ill.

DO YOU TAKE VITAMINS AND STILL FEEL TIRED?

If you take vitamins and still feel tired, your trouble may be due to iron-poor blood. Vitamins alone can't build up iron-poor blood. But GERTROL can! Because just two GERTROL tablets, or two tablespoons of liquid, contain 7 vitamins plus twice the iron in 1-lb. of calves' liver. In only one day GERTROL iron is in your bloodstream carrying strength and energy to every part of your body. Check with your doctor. And if you've been feeling tired because of iron-poor blood, take GERTROL, liquid or tablets, every day. You'll feel stronger fast in just seven days or money back from the GERTROL folks.

Bowling Fans Await Stars With Pencils

Bowling fans with photographic and autograph collecting hobbies will have a chance to exercise these interests Wednesday, April 10, when numerous professional bowling stars will practice at 300 Bowl.

The warm-up session prior to the Pontiac Pro-Am and Professional Bowlers' Association tournaments is scheduled for 2:45 o'clock that afternoon.

Such stars as Don Carter, Thern Gibson, Dick Weber, Billy Golembiewski, Buzz Fazio, Andy Marzich and Steve Nagy have entered the \$23,400 PBA meet and are expected to test the lanes in the practice session.

Joining them and other pros from all over the country will be local stalwarts Monroe Moore, Mike Samardzija Jr., George Chivovsky, Paul George and Al Pietz.

ADDED FEATURE

An admission charge of \$1 will admit bowling fans to witness the practice session with picture taking and autograph signing an added privilege for the afternoon.

Tickets are now on sale at the 300 Bowl. Spectators will not be permitted to shoot posed shots during the tournament itself.

The Pro-Am is slated for Wednesday beginning at 6 p.m. The PBA Open will be bowled Thursday and Friday afternoons and nights and Saturday morning and afternoon.

Ticket prices range from \$1.50 for the early afternoon sessions (actually beginning at 11 a.m.) to the \$3.50 charge for the finals on Saturday afternoon (beginning at 3:30).

National television will carry the finals.

The semifinal round is slated for 9 a.m. beginning Saturday. Approximately 500 seats will be available on a first-come, first-serve basis.

Royals Change Owners, Again, During Playoffs

CINCINNATI (AP)—The Cincinnati Royals have changed hands again—while the team still was in the middle of the Eastern Division National Basketball Association playoffs.

Warren Hensel, wealthy Cincinnati businessman and minority stockholder, said Monday night he had completed a deal to buy 50 percent of the club's stock from Empire Corp. of Buffalo, N.Y.

Nelson came to the Augusta National course after two weeks of intensive practice. On his first practice round, he had a 76. Then he had a 73. The third time it was 70, two under par.

"I was real pleased with that improvement," he said. "Now, I don't have any delusions about my chances of winning. But if I do well, then I may play in a few more tournaments, and then next year—"

At this point, Nelson may have

Byron Nelson, 50, after 20 years of semi-retirement and a casual, token tournament appearance, Byron Nelson is flirting with ideas of a comeback.

He won the U.S. Open in 1930. He captured the Masters in 1937 and again in 1942, beat Ben Hogan in a playoff for the latter. During 1944 and 1945, he won 19 of 31 PGA tour tournaments, including a record 11 in a row, and set scoring records that never have been duplicated.

He averaged 68.3 strokes in 1944 and 69.5 in 1945. Then suddenly he retired, limiting himself to the Masters and the Fort Worth Colonial tournaments.

The Pontiac Rolladium has been selected as the site of the 1963 Great Lakes Regional Roller Skating Championship July 3-7.

The board of control for the Roller Skating Rink Operators Association of America has put its stamp of approval on the Rolladium and eight other sites in the country for the regional competition.

Winners from Pontiac and the other regionals will gather in Portland, Ore., July 27-Aug. 3 for the American championships.

The Michigan State Roller Skating Championships are scheduled for June 22-25 at the Mt. Morris Skateland Skating Arena.

Also swimming for the prep will be Carl Hiller, Mike Staab, and medley relay team of Staab, Joe McMillan, Chuck Porritt, and Dick Boyce.

In the Junior division, Ed Tuttle, Frank Yedlin, Barry Whaley, and Garry Rosenthal will swim the medley relay with Ross Copperrsmith a strong choice in the individual medley and the breaststroke. Chuck Powers will swim the 50 backstroke.

The Midget division qualified both medley and freestyle relay teams. The free relay will be made up of Jordie Rosenthal, Jim Bloch, Jim Gauthier and Dave Hardenberg and the medley will be comprised of Ralph Ashmead, Gary Mayer, Greg Mayer and Rick Jenkins.

Jim Bloch and Jeff Klann will be in the backstroke.

Golf Winnings Put
Player, Palmer 1-2

DUNEDIN, Fla. (AP)—Gary Player still leads the list of top ten money winners, but only by a slim margin over Arnold Palmer. Player has won \$23,500 this year, as compared to Palmer's \$23,225.

Number three man on the list released by the Professional Golfers' Association Monday is Jack Nicklaus with \$18,715.

Tommy Lennie is fourth with \$14,831 and Bill Casper Jr., fifth with \$13,928.

Gimeno Bidding
for Net Titles
in Two Events

CLEVELAND (AP)—Two tall, wiry-type players with different styles will meet tonight for the singles championships of the professional tennis tournament at Cleveland Arena.

Spain's Andres Gimeno will face defending champion Earl (Butch) Buchholz of St. Louis in the singles competition.

The 6-foot-4 Gimeno will team with Luis Ayala of Chile against Australia's Rod Laver and Ken Rosewall for the doubles title.

Gimeno is a young Spaniard whose strong serve, graceful ground strokes and powerful overhead play give him a classical appearance on the court. Buchholz, a 6-foot-2, 170-pounder, likes to hit the ball as hard as he can and rush the net.

Quits LaSalle—Coach Dadey Moore, one of the top cage mentors in the country, resigned suddenly at La Salle University. Moore went to La Salle from Duquesne in 1958 where he coached for 10 years and became recognized for his great teams.

QUITS LaSALLE—Coach Dadey Moore, one of the top cage mentors in the country, resigned suddenly at La Salle University. Moore went to La Salle from Duquesne in 1958 where he coached for 10 years and became recognized for his great teams.

He won the U.S. Open in 1930. He captured the Masters in 1937 and again in 1942, beat Ben Hogan in a playoff for the latter. During 1944 and 1945, he won 19 of 31 PGA tour tournaments, including a record 11 in a row, and set scoring records that never have been duplicated.

He averaged 68.3 strokes in 1944 and 69.5 in 1945. Then suddenly he retired, limiting himself to the Masters and the Fort Worth Colonial tournaments.

The Pontiac Rolladium has been selected as the site of the 1963 Great Lakes Regional Roller Skating Championship July 3-7.

The board of control for the Roller Skating Rink Operators Association of America has put its stamp of approval on the Rolladium and eight other sites in the country for the regional competition.

Winners from Pontiac and the other regionals will gather in Portland, Ore., July 27-Aug. 3 for the American championships.

The Michigan State Roller Skating Championships are scheduled for June 22-25 at the Mt. Morris Skateland Skating Arena.

Also swimming for the prep will be Carl Hiller, Mike Staab, and medley relay team of Staab, Joe McMillan, Chuck Porritt, and Dick Boyce.

In the Junior division, Ed Tuttle, Frank Yedlin, Barry Whaley, and Garry Rosenthal will swim the medley relay with Ross Copperrsmith a strong choice in the individual medley and the breaststroke. Chuck Powers will swim the 50 backstroke.

The Midget division qualified both medley and freestyle relay teams. The free relay will be made up of Jordie Rosenthal, Jim Bloch, Jim Gauthier and Dave Hardenberg and the medley will be comprised of Ralph Ashmead, Gary Mayer, Greg Mayer and Rick Jenkins.

Jim Bloch and Jeff Klann will be in the backstroke.

Golf Winnings Put
Player, Palmer 1-2

DUNEDIN, Fla. (AP)—Gary Player still leads the list of top ten money winners, but only by a slim margin over Arnold Palmer. Player has won \$23,500 this year, as compared to Palmer's \$23,225.

Number three man on the list released by the Professional Golfers' Association Monday is Jack Nicklaus with \$18,715.

Tommy Lennie is fourth with \$14,831 and Bill Casper Jr., fifth with \$13,928.

Gimeno Bidding
for Net Titles
in Two Events

CLEVELAND (AP)—Two tall, wiry-type players with different styles will meet tonight for the singles championships of the professional tennis tournament at Cleveland Arena.

Spain's Andres Gimeno will face defending champion Earl (Butch) Buchholz of St. Louis in the singles competition.

The 6-foot-4 Gimeno will team with Luis Ayala of Chile against Australia's Rod Laver and Ken Rosewall for the doubles title.

Gimeno is a young Spaniard whose strong serve, graceful ground strokes and powerful overhead play give him a classical appearance on the court. Buchholz, a 6-foot-2, 170-pounder, likes to hit the ball as hard as he can and rush the net.
