Space Walk Follows Eclipse Photograph

By HOWARD BENEDICT
AP Aerospace Writer

CAPE KENNEDY, Fla. — The Gemini 12 astronauts, space-age astronomers seeking secrets of the universe, photographed a solar eclipse today, then opened a hatch for Edwin Aldrin Jr. to shoot clear pictures of the stars.

Aldrin thrust the upper half of his body into the vacuum of space at 11:15 a.m. for a planned 2-hour, 20-minute session outside, a prelude to a two-hour space walk tomororw.

Aldrin reported at the outset that he had a slight tendency to float up when the hatch was first opened, probably because of the escape of residual air and gases in the cabin.

The moon, sun and stars occupied Aldrin and James A. Lovell Jr. during their second day in orbit. They were busy shutterbugs as they zipped around the globe at 17,500 miles an hour.

They woke up early to chase the moon across South America, snapping the first photos ever taken of a solar eclipse from above the distorting influence of the earth's atmosphere.

For 10 minutes they aimed three cameras as the new moon slipped steadily across the face of the sun, briefly blotting it out in a rare total eclipse that lasted seven or eight seconds.

After capturing the solar spectacular on film, the astronauts turned to the star photography.

First, and before standing up, Aldrin performed calesthenics for about 30 seconds, moving his hands back and forth from his lap to his helmet at the rate of about once a second.

★ ★ ★

Heart, respiration and other readings were to be compared with those obtained from similar exercise on the ground.

A major goal of the Gemini 12 flight—and Aldrin's three excursions outside—is to learn how effectively man can work in space, a problem that has buffaloed scientists.

A LITTLE LEVITY—Astronauts James Lovell Jr. (left) and Edwin E. Aldrin wore tags as they entered Gemini 12 prior to their successful launch at Cape Kennedy yesterday afternoon. They wore the tags spelling out "The" and "End" until they entered the capsule. It was only the beginning for them, however, and today the pair are continuing complicated maneuvers.

Five Persons Fatally Shot; Teen Is Held

Arizona Police Say Youth Shot at Heads of 7 Female Victims

MESA, Ariz. (AP) — Five persons, including a mother and her daughter, were shot to death today.

Police are holding a 16-year-old boy who, they said, forced seven women and girls to lie on the floor of a beauty school as he shot them in the heads with a pistol.

Police Capt. E. L. Cockrell identified the youth as Robert E. Smith of Mesa. He was arrested at the scene, and witnesses said he was laughing as he was taken away in a police car.

Authorities identified the victims as Joyce Sellers, 27, Mesa; her 3½-year-old daughter, Debra; Mary Margaret Olsen, Mesa; Glenda Carter, Mesa; and Carol Farmer, Williams Air Force Base.

Mrs. Sellers' three-month-old daughter, Tammy Lynn, was in critical condition at Mesa Southside District Hospital.

★ ★ ★

An employe of the school, Bonita Sue Harris, was reported in serious condition.

Two of the victims died on the floor, and the others died later at the hospital.

Alaska Vote in Doubt for Governor

JUNEAU, Alaska (AP) — Gov. William A. Egan, saying the "picture has taken a dramatic turn," last night ordered the state patrol to guard all ballots from Tuesday's general election in Alaska.

"There is more than a hope that the present administration will remain in Juneau," said Egan, who last Wednesday conceded defeat to his Republican opponent, Walter J. Hickel, millionaire Anchorage hotelman.

Egan, Democratic chief executive since Alaska gained statehood in 1959, called for the police guard as unofficial returns from remote districts continued to close the gap between the two men.

With 383 of Alaska's 398 precincts reported, Hickel led Egan 30,996 to 29,771 today.

Egan said he understood there are about 3,750 absentee ballots that will be counted Wednesday at the state's four district election offices in Nome, Fairbanks, Anchorage and Juneau.

★ ★ ★

The official state canvass of other ballots starts the same day.

"I am confident we will pick up several hundred votes," Egan said, "and I am hopeful that the work of the bipartisan canvassing board will put us over the top."

The governor said the police guard would be maintained until the official ballot count is completed.

He said he has invited Republicans to provide watchers at district election offices when the ballots are counted by official canvassing board members.

Hickel, long active in Republican party affairs, made his first bid for office this year. He was out of the state today and could not be reached immediately for comment.

May Drop Try to Rap U.S.

VC Gas Stymies Reds

UNITED NATIONS, N.Y. (AP) — Word that the Communists have used nonlethal gas in Viet Nam may scuttle Soviet bloc efforts in the United Nations to condemn the United States for chemical warfare.

The Reds made no mention of a report the Viet Cong had lobbed tear-gas type grenades at U. S. troops when they brought up the issue of bacteriological warfare yesterday in the General Assembly's main political committee.

Hungary's Ambassador Karoly Csatorday, who introduced the resolution, charged that U.S. use of gases and chemicals in Viet Nam was "on the fringe of genocide."

William C. Foster, chief U. S. disarmament negotiator, said Red allegations that the United States was using any kind of poison gas in Viet Nam were "absolutely without foundation."

★ ★ ★

Foster did not mention the reported Viet Cong gas attack either, but he emphasized that he would deal with the Communist charges in detail later in the debate.

This roused speculation that the United States would give a full airing to the reported Communist switch to gas warfare.

A U.S. spokesman said American troops had also found a cache of gas grenades among enemy arms and ammunition spotted in abandoned tunnels Thursday. He said they were not of U.S. manufacture.

The gas in the grenades was described as nonpoisonous, but the disclosure could ruin the propaganda effect of the Soviet bloc resolution.

★ ★ ★

Csatorday claimed that nonlethal gases can also take lives by increasing the incidence of disease.

He added that the chemical effects of nonlethal gases aggravate eye and stomach disorders, cause bronchitis and increase the effect of tropical diseases.

Sentencing Set for Supervisor

Convicted of Perjury Before Grand Juror

Royal Oak Township Supervisor Edward L. Kennedy will be sentenced Nov. 22 for committing perjury before Oakland County's Juror Philip Pratt.

Kennedy, convicted by an Oakland County Circuit Court jury yesterday, could receive up to 15 years in prison for the offense.

The jury deliberated less than one hour after hearing eight days of testimony.

Kennedy had been accused of lying when he testified in June 1965 and last January that he had not accepted a bribe or that any other township officials had received an illegal payoff.

★ ★ ★

Judge Frederick C. Ziem released Kennedy on a $1,000 bond pending his sentence.

Kennedy's term of office as supervisor expires in April. He did not seek reelection in the August primary election.

N. Viet Downs 5 Yank Planes

SAIGON, South Viet Nam (AP) — Communist antiaircraft fire shot down five U.S. planes during raids over North Viet Nam yesterday in one of the heaviest days of American losses of the war.

U. S. headquarters, reporting this today, said the pilot of one plane was rescued, but the six fliers aboard the other four aircraft are missing.

Headquarters also announced that three American helicopters were shot down yesterday while supporting ground operations near the Plei Djereng Special Forces camp in the highlands close to the Cambodian border.

In ground action, the Viet Cong unleashed heavy mortar attacks last night and today on three American command posts in the Tay Ninh sector, where fighting has flared for the last nine days.

★ ★ ★

In two attacks, the Communists sent 75 to 80 rounds of mortar fire into the adjoining camps of the U. S. 25th Infantry Division and the 196th Light Infantry Brigade, located four miles west of Tay Ninh City.

COMMAND POST

In another attack early today, the Viet Cong unloaded another mortar bombardment on the 1st Infantry Division command post 17 miles east of Tay Ninh near Dau Tieng.

AF Probes 2nd Crash of Radar Picket Plane

OTIS AIR FORCE BASE, Mass. (AP)—A crack team of Air Force investigators began a probe today of the second crash in 16 months of a radar picket plane in the Atlantic.

The search resumed at dawn for the 19 men who were aboard the giant Constellation when it went down early yesterday 125 miles southeast of Nantucket Island.

Col. James Lyle, commander of the 551st Early Warning and Control Wing to which the plane was attached, said of the search, "I have hope. Until I receive word that there is no hope, I won't give up."

All but one of the men aboard were married and their families included 40 children.

The plane was an EC121H, one of the fleet of modified Lockheed Constellations that have been on picket patrols for over 10 years high over the Atlantic. They are part of the nation's radar defense network.

★ ★ ★

The aircraft commander was Maj. Robert A. Baird, 44, of Payson, Utah, father of eight children and a Mormon Church leader in the Cape Cod area in his offduty hours.

The New Bedford fishing boat Stephen R reported seeing the plane flying low in fog and rain squalls, bank steeply to the right, and plunge cartwheeling into the water with a fiery explosion at 1:30 a.m. The boat reported seeing no parachutes.

No distress call was received from the aircraft.

The Stephen R and another New Bedford fishing boat, Terra Nova, picked up some of the debris.

Merit System's Trial Is Over

Program to Continue With Voters' Blessing

One of the two proposals approved Tuesday by Oakland County voters already was in effect on a trial basis while the other won't be activated fully until next year.

The merit system, or civil service program for county employes, was approved by nearly a 2 to 1 margin in the election.

In effect on a trial basis since last April when it was approved by the County Board of Supervisors, the merit system will be continued as a formal county personnel program that has the blessings of the voters.

Purpose of the merit system is to assure that selection, remuneration and treatment of county employes is based on merit.

Specified in the system are competitive examinations for employe prospects and an appeals procedure for county personnel who feel they were disciplined or discharged without sufficient reason.

SEEN AS ASSET

County personnel director John Witherup views the merit system, drafted by the personnel policies committee of the County Board of Supervisors, as a definite asset in employe recruitment, due to the job protection factor.

The other county-wide election issue was for establishment of a network of some 15 to 20 county parks through a five-year tax levy of a quarter-mill.

This proposal was authorized by a narrow margin, 92,223 to 87,739.

The 10-member parks and recreation commission, established by the board of supervisors, is expected to meet before the end of this month to begin planning the park development program.

Though tax funds will not be available until next year, work can proceed immediately on a search for suitable park sites.

S. Viet Rangers Attack Green Beret Club

SAIGON, South Viet Nam (AP) — South Vietnamese rangers today assaulted a U.S. Special Forces building at Hon Quan, 70 miles north of Saigon, and two Americans were wounded, reliable sources said.

Tempers flared, informants said, after trouble had been building up between allied military men in the area over several days.

These sources said the rangers used two armored personnel carriers to knock down part of a wall at the recreation club used by the members of the Green Beret team stationed at Hon Quan, then fired into the building with automatic weapons.

No other details were immediately available. The U.S. military command in Saigon said it had no information on the incident.

About 70 Americans are stationed in the Hon Quan rubber plantation country north of Saigon.

There are some 35 Special Forces men, 35 U.S. Air Force men personnel and about eight civilians.

Troops of the U.S. 1st Division normally are based in the area, but were moved a few days ago to join Operation Attleboro in Tay Ninh Province.

★ ★ ★

There have been reports of friction between some Vietnamese rangers and American troops in the region in the past few weeks.

★ ★ ★

One account said an American soldier had been killed in a club there recently, and that a Vietnamese soldier had been beaten up in retaliation.

U.S. Eying Red China's Inner Struggle

WASHINGTON (AP) — U.S. officials are watching closely for the outcome of what now appears to be a bitter struggle within Communist China's hierarchy.

State Department authorities say it is evident that strong opposition has developed to the policies of Chairman Mao Tse-tung.

★ ★ ★

For months there has been an internal questioning of Mao's foreign policy, a debate on military policy and disagreements on basic economic policy.

Debate within the Chinese Communist party is not new, experts here say. The leadership, drawn from persons who have been comrades in arms for 30 years, has permitted this relationship.

But these experts add that party leaders always had been able to reach a consensus — until last spring. At that time the issues became so varied and extensive, and there was not much disagreement, that the party Central Committee was unable to reach a consensus.

★ ★ ★

According to this view, Mao then created the Red Guard to stir up the so-called great cultural revolution and at the same time provide a shakedown in the leadership.

★ ★ ★

Official sources here take the view that opposition elements within the Chinese Communist party have been strong enough to resist Mao, even with the added impact of the Red Guard. What now has developed, it appears here, is an impasse in which the party has been able to counter every blow dealt by Mao and the more extremist segment of the leadership.

★ ★ ★

Mao has been telling visitors for some years that he was worried that the next generation was drifting away from Maoism. He said he felt revolutionary zeal could come only from revolutionary warfare, and when the situation did not provide such warfare, some means of inducing it had to be found.

★ ★ ★

The Red Guard consequently has been used as a weapon to revive revolutionary zeal.

Among the leaders of the resistance to Mao, informed sources here consider Liu Shao-chi, chief of state and former heir apparent to Mao, as one of the most prominent.

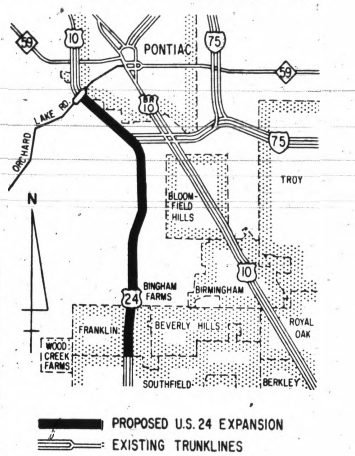
PROPOSED EXPANSION OF TELEGRAPH RD. (U.S. 24) S. CITY LIMITS OF BINGHAM FARMS N. TO ORCHARD LAKE RD., OAKLAND CO.



Birmingham Area News

Maple-Telegraph Plan Protested at Hearing

BLOOMFIELD TOWNSHIP — Plans to narrow the intersection at Maple and Telegraph drew several protests from persons attending a State Highway Department hearing at Bloomfield Hills School Thursday night.

★ ★ ★

The hearing was held to explain plans to widen Telegraph from the southern limits of Bingham Farms north to Orchard Lake Road, a distance of about 8.4 miles.

Engineering plans call for increasing the width of Telegraph right-of-way from 150 to 204 feet, with the exception of the Maple intersection, which would be increased to only 169 feet.

Highway Department officials said the Maple and Long Lake intersections were scheduled for work in 1968 but that no timetable had been set for the remainder.

At the hearing, Township Supervisor Homer Case pointed out the Maple - Telegraph intersection is a dangerous one and that it should be made wider rather than narrower.

FUNDS SAVED

"We have saved more than $1½ million in the past few months for the State Highway Department in requiring commercial, office and multiple developers to maintain the 204-foot-width right of way," he said.

The only explanation given for reducing the right of way, he said, is that it would save nearly a half million dollars.

"What is money compared to saving a life," he asked?

He pointed out that the intersection is recognized as "one of the most dangerous in the state."

Case said he and other members of the community will continue to fight the proposed plan as it stands.

LBJ Settles Down for Quiet Weekend

SAN ANTONIO, Tex. (AP) — President Johnson promised to have a quiet weekend at his Texas ranch after a flurry of conferences with key advisers on topics ranging from the new budget and his State of the Union message to reports on possible peace moves.

His latest visitor Friday was roving Ambassador W. Averell Harriman, back from an 11-nation tour with hopes "something may come" of forthcoming British-Soviet talks on Viet Nam.

★ ★ ★

Harriman termed a scheduled Nov. 21-23 meeting of British Foreign Secretary George Brown and Soviet leaders "the most promising" of initiatives many nations are undertaking in an effort to launch peace moves.

The British and Russians are cochairmen of the 1954 Geneva Conference that partitioned Viet Nam.

IMPORTANT EVENTS

Harriman said: "The meeting of these two governments is a very important event. We are hopeful that something may come of it. It is impossible to predict, but at least the Soviet Union has considerable influence in Hanoi."

Johnson joined Harriman in another of a series of front lawn news conferences at his ranch. It was his sixth meeting with reporters since he came here last Friday to rest before surgery to remove a throat polyp and repair an incision hernia. A date for the surgery has not been announced.

Dealing Covers Rejected Pact

MOUNT CLEMENS (AP) — A Communications Workers of America Union representative said here yesterday that negotiations have gotten under way between the union and Michigan Bell Telephone Co. on the contract CWA members rejected last month.

The International CWA agreed to the contract in New York, but the CWA in Michigan, which has 17,000 members turned it down in local ratification votes.

The member, who asked that he not be identified, said that negotiations began Monday, with the union asking for four primary contract changes.

They are:

- An agency shop, which would require all Michigan Bell employes to pay sums equal to union dues even if the employe is not a union member.
- A clause change to allow reopening of the contract for negotiations after 12 months, instead of the present 18 months.
- Improved hospitalization benefits, with larger company contributions to the hospitalization program.
- Working condition changes, particularly in raising the Pontiac workers from Class II to Class I status.

'NO PROGRESS'

A company spokesman, not a member of the bargaining team, said no progress had been made in the negotiations.

Robber Indicted in 2nd Holdup

A Pontiac man, now serving a 15-year prison term for a bank robbery in Bloomfield Township, was one of two men indicted yesterday by a federal grand jury for a holdup in Warren, Ohio.

Charged by a grand jury in Cleveland with the $68,621 robbery of the Union Savings Trust Co. were Rentz Nicholson, 32, formerly of 175 Victory, and Ernest Holt, 33, of Cleveland.

Nicholson is in the federal penitentiary at Terre Haute, Ind., on a conviction of robbing the Pontiac State Bank branch at 970 W. Long Lake on Dec. 17, 1965.

He and Holt are accused of robbing the Warren savings company on Sept. 2, 1965.

Nicholson was captured within five minutes after the Pontiac State Bank robbery. Police found $21,258 taken in the robbery in his car.

Residents Back

Gas Threat Ends in Homer

HOMER (AP)—The residents of this little community were back in their homes today, assured by experts that the threat of deadly phosgene gas had ended.

★ ★ ★

But at least a few still glanced nervously at two black railroad tank cars sticking out of the charred, block-long heap of what used to be part of a New York Central train.

A train wreck Friday morning, which caused a spectacular explosion and fire and threatened to convert two carloads of vinyl chloride into nauseating and potentially fatal phosgene brought evacuation of most of Homer's 1,600 residents. No injuries were reported.

HALT IS CALLED

Col. Fredrick Davids, State Police director, called an end to the evacuation at 5:30 p.m. Friday after being assured by NYC General Manager William Salter and Homer Fire Chief Bruce Gregg that the danger to the community had passed.

★ ★ ★

Salter said he could not estimate the cost of the damage, and he declined to speculate on the cause of the wreck. "We have some ideas," he said, "but we'd rather clear some of the wreckage away and take a closer look."

★ ★ ★

Twenty-five cars of a train bound from Elkhart, Ind., to Detroit plunged off the track and piled up in an incredible tangle beside four elevated storage tanks, two filled with gasoline and two with diesel fuel.

EXPLOSION

The wreck caused an explosion which split open one of the gasoline tanks and set the gasoline and most of the cars ablaze in a roaring fire which sent twin columns of black and white smoke high above the south-central Michigan town.

★ ★ ★

Railroad technical men recommended evacuation of the area, fearing the fire's heat might convert the chemicals in the tank cars to phosgene.

★ ★ ★

State officials led by Lt. Gov. William Milliken, slogged through the muddy danger area and talked with Salter and others while standing near the still-burning cars.

City Woman Is Swindled Out of $500

A 54-year-old Pontiac woman told city police yesterday she was swindled out of $500 which she gave to two other women to invest for her.

Myrtle Gordon of 510 Arthur said she was paying a bill in a store when she became engaged in conversation with a woman who told her she had $2,800 in her purse.

Another woman offered to invest the $2,800. The Gordon woman was told she too could invest her money and get much more in return. She agreed.

The women then took a taxicab to the victim's house where she got $375 and a $125 check.

★ ★ ★

After returning to the bank building, the victim gave the money and check to the pair to invest for her and took a taxicab home.

Road Mishaps in City Fewer Last Month

Traffic accidents in Pontiac showed a decline last month compared to September, according to Pontiac Police Department figures.

A total of 110 mishaps was reported for October, nine less than the September count of 119.

The city's first traffic fatality since July, however, boosted the death toll for 1966 to nine. With no deaths recorded yet this month, the 1966 count is six short of the 15 reported last year.

The number of injuries in October dropped along with the accident figure. A total of 187 persons were injured last month as against 203 in October 1965.

A breakdown of the injury figures showed that 80, or about 42 per cent of the total 187 were incurred by drivers, passengers and pedestrians between 15 and 24 years old.

The worst accident corner in the city for October was the intersection of East Boulevard and Auburn Avenue.

Seven mishaps occurred there, compared to six at the corner of Joslyn Avenue and Montcalm Street.

NATIONAL WEATHER — Snow will fall tonight in the lower Great Lakes region, northern Plateau and northern Rockies. Showers are forecast in much of the eastern half of the nation, central Pacific Coast and Great Basin.

Plastic Eyed for Pipes

The Waterford Township Board Monday night will consider an amendment to the township water supply system ordinance which would allow the use of a money-saving polyethylene plastic tubing for connections from water mains to households.

The amendment was previously introduced by the board at its Sept. 26 meeting.

Use of the plastic tubing in communities was okayed by the state health department and state plumbing board last June.

Township Utilities Manager Kenneth Squiers said plastic tubing is about one-third less expensive than copper piping, which often is difficult to obtain.

★ ★ ★

Squiers estimates the township will use 15,000 to 20,000 feet of plastic tubing next year.

In other business Monday, the board will discuss suggested traffic regulations for Oakland Community College's Highland Lakes Campus district.

College officials and nearby residents reportedly are anxious to make driving safer in the immediate area.

BABY MISSING—Police and hospital officials confer in the nursery today at Colorado General Hospital in Denver where a 1-day-old baby was reported missing. Officers said the nurse had stepped out of the nursery for supplies. A hospital spokesman said she was gone only five minutes.

Day-Old Baby Taken at Denver Hospital

DENVER, Colo. (AP) — A one-day-old baby boy was reported missing early today from a nursery at Colorado General Hospital.

Police said the child was taken from a room on the fourth floor of the hospital, a unit of the University of Colorado Medical Center, between 1:25 and 1:30 a.m.

The boy was wearing a white hospital shirt and was wrapped in a white hospital blanket bearing a "U-C Med Center" marking.

Officers said the nurse had stepped out of the nursery to go across the hall to get supplies. A hospital spokesman said she was gone only five minutes.

Police and hospital authorities withheld the name of the mother.

The baby was described as 22 inches long and weighing nine pounds, 13 ounces. He has brown hair and blue eyes and had a blue hospital band on his wrist.

Denver police combed the hospital for clues and also checked cab companies, bus terminals, the train station and airport on whether anyone had been seen with the baby.

Sheppard Trial Told of Bloody Print

CLEVELAND, Ohio (AP) — A former suburban police sergeant testified at Samuel H. Sheppard's murder trial today that he saw what appeared to be a bloody fingerprint on a stairway banister near the bedroom where Marilyn Sheppard was slain.

Jay H. Hubach, who was a Bay Village police sergeant at the time of Marilyn's bludgeoning July 4, 1954.

Proposals Get Farm Unit OK

EAST LANSING (AP)—Trade with Communist bloc nations, food for the world's hungry, more migrant labor, and keeping the U.S. Supreme Court out of the legislative areas were among resolutions approved—some with reservations — by the Michigan Farm Bureau Friday.

At its annual convention, the 55,000-member organization passed state resolutions calling for amendments to the Workmen's Compensation Act — or passage of a new one — that would make such insurance practical for farmers; for property tax exemptions on seasonal labor housing that is used rent-free and which serves no other purpose; and commending the Legislature for postponing the effect of the state minimum wage law.

The Legislature delayed its effect on piecework harvest laborers until it could determine the relationship between piecework pay scales and the hourly minimum required in the law.

National-issue resolutions will be passed on to the national Farm Bureau for action at its convention in Las Vegas next month.

The Underachiever—12

Finding Goal for Student Isn't Easy

(EDITOR'S NOTE — This is the last in a 12-part series on a severe problem in today's schools — the underachiever — by Dr. Leslie J. Nason.)

By LESLIE J. NASON, Ed.D.

Although students with goals do better than others, the mere selection of a goal does not insure scholastic success.

It is useless to urge the underachieving student to select a goal, with the expectation that his will make him an achiever. Selecion of a goal more often is the result of achievement than the cause.

DR. NASON

Goal planning is an important element in the thinking of a successful student, and it is important that he feel that his parents approve of his goal, think he can succeed at it and want him to work toward it.

Eve though the goal may be temporary it should be appropriate to his own abilities and he must, at the same time, be planning an educational program in line with his aims.

* * *

When a student lacks goals something is wrong!

Bug it is usually impossible to talk a student into setting life time goals while he is not succeeding well enough in schoo to have a reasonable chance of reaching them.

If his grades are not satisfactory, start by helping him replan his learning procedures.

Help him set, and reach, day-to-day goals and week-to-week goals.

Make sure that there is communication between the student and his parents about his long range goals.

NO ENTHUSIASM

One of the most frequent reasons for not adopting long range goals is a feeling of inadequacy. The student may be working hard even though his grades are not adequate; consequently, he has no enthusiasm for a long range educational program.

The sequence I have seen many times is more efficient study procedures followed by better grades, more selfconfidence and finally a more optimistic outlook.

At this point a student often begins to think about long-range goals without any outside encouragement.

He is no longer an unhappy drifter.

* * *

With so many elements entering into the thinking of a happy, successful student, a person must look fo rthe missing element in the individual case.

NO PATTERN

There is no one set pattern that works for everyone.

Sometimes, although very rarely, the only thing lacking work toward entrance into a when he suddenly decided to college his father had attended. Up to this point Bob's grades had been good but not outstanding.

He was a fortunate boy; although his family could have supplied his needs easily, they taught him to work for what he wanted.

* * *

When he asked for an automobile they had said, "Earn the money for the car and the insurance and you may have it."

A job in a service station brought him the desired results.

Debtor Nations Take U.S. Gold

WASHINGTON (AP) — Many of the nations which received gifts and loans from the United States in two world wars and the postwar period now are helping themselves to this country's gold supply.

In fact, the 26 nations which drained gold from the U.S. Treasury during fiscal 1966 also owed the United States money. And in the case of their World War I debts, they had made no payments in almost 35 years.

* * *

France has drawn more gold from the Treasury since 1962 than any other nation. During the fiscal year which ended June 30 — the latest figures available — she drained more gold than all other nations combined.

Since most nations are indebted to this country it's the exception rather than the rule for nondebtors to drain gold from the U.S. Treasury.

FOUR SUPPLIERS

Only four debtor nations — the United Kingdom, Greece, Colombia and Morocco — added to Uncle Sam's gold supply during the year, the British by about $170 million.

The Treasury Department also listed three nondebtor nations which sold gold to the United States during the fiscal year — Canada, Switzerland and the Vatican.

* * *

Countries normally sell gold to this country to obtain the dollars they need to carry on foreign business.

This can be done simply for the asking. The United States guarantees conversion into gold at $35 an ounce of the dollar holdings of foreign central banks.

RECEIVED GOLD

France converted $577.7 million into gold during the last fiscal year and has converted at least $223.7 million since June 30.

* * *

Her policy of buying at least $34 million in U.S. gold monthly came to a halt during October, however, because of her falling reserves. U.S. officials saw this as only temporary but expressed hope that the worst of the French gold drain may be over.

* * *

The French, although still in debt to this country, are ahead in their payments on their World War II and postwar era debt. The latest payment, in September, left a balance of less than $400 million of the approximately $2.5 billion borrowed.

* * *

But France still owes $6.7 billion, including interest, on her World War I debt and no payments have been made on that since 1932. In 1953, this country agreed that no further World War I payments need be made until German reparations were settled, an unlikely event unless and until Germany is reunified.

STILL IN DEBT

Of the 95 countries still in debt to the United States, the United Kingdom owes the most from both World War I — about $9.6 billion including interest — and from World War II and postwar — almost $4 billion principal.

* * *

But the British, despite gold purchases totaling $26.2 million from January through June of this year, had net sales to the United States during the last fiscal year of $169.9 million.

The total drain on U.S. gold during the same fiscal year was $519.7 million, including $378.4 net sales to foreign countries. The government also sells gold for domestic industrial and artistic use.

Ex-GI Arrested in Flag Attack

FORT WALTON BEACH, Fla. (AP) — A former U.S. serviceman was jailed in lieu of $1,500 bond Friday after he tore down three American flags during a Veterans Day parade.

George R. Smith, about 30 was charged with mutilation and disrespect for the American flag and with disorderly conduct.

Police said Smith, a constructionworker, tore down the flags, stamped them on the ground and bent the metal flagpoles. An angry crowd had surrounded him when he was arrested.

Chief Deputy Sheriff Cecil Donaldson said Smith had been discharged from the merchant marine and had a discharge "under other than honorable conditions" from the U.S. Army at Ft. Campbell, Ky., dated May 19, 1966.

Fateful Blow Dealt Area Family

A fire that struck a Farmington Township home early Thursday morning inflicted excruciating tragedy on a family of 10.

Suffocated in the flames that were quickly extinguished were seven of eight children. Spared were the mother and one of two daughters who rushed from the house to summon help, and the father who was at work. One of the daughters that fled the blaze gave her life in a heroic but vain attempt at rescue.

The fate that decrees horrors such as that experienced by the Polmateer family can never be divined by mortal mind. It is beyond human understanding, and we can but accept humbly the ordeals to which humankind is subject.

A sorrowing and sympathetic community shares the grief of Mr. and Mrs. POLMATEER and their daughter in the disaster that claimed their kin.

Coin Collectors Give The Mint a Hard Time

A pocketful of change used to jingle. Now it sort of clanks.

Silver dimes and quarters are a thing of the past, and half-dollars contain only 40 per cent silver as against the former 90 per cent. The original, undebased KENNEDY half-dollars, dated 1964, have been collectors' items since their appearance. Surprisingly, the newer KENNEDY halves, with less intrinsic value, also are hard to come by. And although Treasury officials are silent on the question, silver dimes and quarters seem to be disappearing, too.

That leaves the new copper-nickel "sandwich" dimes and quarters as the principal coins in circulation. (The metallic content of pennies and nickels is unchanged.) During the past year, 2.2 billion debased dimes and 2.1 debased quarters have been minted. In the same period, 104.5 million debased Kennedy halves were put into — and largely taken out of — circulation.

But KENNEDY halves are not the only ones that have vanished. The older Franklin and Liberty half-dollars are almost as scarce. Thus, it appears that a good deal of speculative fever is intermixed with the sentiment of silver-coin hoarders.

★ ★ ★

The price of silver sold by the Treasury now stands at $1.29 a troy ounce. If it rose to $1.39 an ounce, the intrinsic value of 90 per cent silver coins would equal the face value. Any additional price increase would make the coins worth melting down.

The POWER of FAITH

By WOODI ISHMAEL

As an Irish colleen of 20, Margaret Galligan had a full life ahead of her when she boarded the ill-fated Lusitania in 1915. Her future was quickly decided by a German torpedo which tore into the hull of the British liner, killing 1,195 people.

Margaret spent five hours in the choppy waters off the coast of Ireland, clinging to a deck chair. During these hours in the water, she prayed constantly for guidance and promised God that if she were spared, she would devote her life to the service of others. A British destroyer rescued her.

A woman of her word, Margaret entered the Dominican Sisters of the Sick Poor and took the name of Sister Amata, which means "love." For almost half a century she has given her love to the poor and unfortunate regardless of race, creed or color. Presently she is serving at Calvary Hospital in New York City, a hospital for advanced cancer patients, where she sits with the patients during their last hours.

While she keeps night-long vigils at bedsides, she busies herself making Raggedy-Ann dolls. Income from the sale of these dolls goes to a Sunshine Fund which buys those little extras such as cigarettes, candy, cards and games for the poorest patients.

18-Year-Old Vote Failure Causes Disappointment

I am appalled at the Americans who voted down the proposal for 18 year olds to vote. If you think a boy of 18 is too young to vote, don't send a child to Viet Nam to die for you.

The solution to peace is simple. All those in favor of war and willing to send our physically and mentally fit young men to be slaughtered, stand up and be counted. If you think you are worthy of having these young men dying for you, go to that battlefield yourself.

Question and Answer

How does the food value of freeze-dried fruit in cereals compare with frozen, canned or fresh fruit?

MRS. L. K. U.

REPLY

Because the product is so new, research reports on this have not been completed. Mrs. Kurth of Oakland County Co-Op Extension Office says experts don't feel that food value is drastically reduced by freeze-drying, but until all research information is evaluated, no definite statement can be made. Final reports are expected within the next few months.

Pollution Is a Stealthy Foe of Society

In a recent address on the subject of preserving the purity and beauty of nature's elements, the head of a major timber company seemingly touched all the bases.

Pollution, he said, is in the minds of many, "what the other fellow does."

Communities vote down adequate sewage treatment facilities. Individuals think nothing of driving cars with smoking exhausts or leaving a trail of refuse behind them in national parks and forests. "Finally," said the speaker, "it takes bigger industries to meet the needs of more people. Growth and progress have created problems."

★ ★ ★

It took many years for people, autos and industry to build up to a condition of overuse of air and water. It will take years to solve the problems of restoring their purity.

Some industries tackled these problems long before people and communities were aware they existed. The timber executive's own company has spent over $100 million in air and water protection measures since World War II. It has devoted more than $7 million exclusively to research and study to combat pollution.

But in the final analysis, laws, regulations and huge capital investments by industry can only do so much in the problem of preserving air and water against contamination. The rest depends upon an awareness by the individual that pollution is not wholly "what the other guy does," and his own initiative in aligning himself against the creeping menace.

Confident Living:

Seek Internal Causes of Failure

By NORMAN VINCENT PEALE

"I've got all the know-how for my job, but after a while I'm in trouble with my associates and pretty soon I'm out. It seems to happen everywhere I work." So said this discouraged man.

Dr. PEALE

We were sitting on the terrace of a North Carolina motel. "I'm very unlucky," he continued. "I haven't had a single job where I got any cooperation. In every case the men on the work team didn't play it straight.

He related several incidents describing how associates had treated him, using such words as obstructed, hamstrung, undermined, double-crossed. "And when it comes to a showdown," he continued, "I always find bosses unreasonable.

"Maybe I'm oversensitive — I don't know. What am I going to do?" he asked.

"Even if I were sure I already knew the answer — which I'm not," I replied, "it would never do to blueprint it just like that. Unconsciously you'd think of it as just MY answer to your problem. That's why it's important that we discuss the problem until YOU see the answer for yourself."

★ ★ ★

"Well, in what I've told you, do you see any clues to my trouble?"

"Yes, I do see one clue. You've told me about several jobs you've had. It sound to me like these jobs have differed one from another quite a bit. And you've been thrown with men of various types and temperaments. These situations had little in common except that you were involved and in every case you failed. So maybe you better take a look at yourself.

"You say your associates and employers have been 'terrible' people. But if your own attitudes are altogether right, how come you never hit it off right with the men you try to work with? Maybe that's something we ought to explore."

The man heaved a great sigh. "I was afraid you'd say that."

★ ★ ★

"O.K. Can you see any specific thing in your personality that would make for trouble?"

"Well, like I said, I guess I'm oversensitive."

"Anything else?"

★ ★ ★

He was silent. Then after a long moment's struggle with himself he blurted out, "I have a tendency to gripe. You see, I'm so sensitive if anybody does the slightest thing that rubs me wrong I begin to hate him."

"Go right on," I said. "You are doing fine."

★ ★ ★

Slowly he came up with a number of other wrong conditions in himself. I recommended he go home and start working on his conflicts, his touchiness and general insecurity. I warned him that no effort to make over oneself is ever easy but he just had to do it or experience continuing failure.

Later I learned from him that he consulted his pastor, a man known to be an expert counsellor. He said it proved anything but easy, this spiritual work, for it meant overcoming long-established habits of thought. But he came up with an interesting statement: "I'm praying and thinking the error out of me." That's quite a formula. And he happily informed me, "I now have a job where things are working out just great. I've never been with finer people."

The late Albert Schweitzer observed that the man who succeeds consistently is the one who in all experiences "looks for the ultimate cause of things in himself." Edgar A. Guest expressed much the same insight in these verses:

For failure comes from the inside first,
It's there if we only knew it,
And you can win, though you face the worst,
If you feel that you're going to do it.

★ ★ ★

If you have been living in the misery of repeated failure, the cure of the condition is to achieve understanding and then get help in eliminating the error that controls you.

LBJ Sees Tough Road Ahead

By JAMES MARLOW
Associated Press News Anaylst

WASHINGTON — President Johnson kept mum a while about Tuesday's election, as if to digest the result in which Republicans were the gainers, but finally admitted things would be a little tougher for him now.

MARLOW

This doesn't mean he has become a reticent politician. In this year's election campaigns, he was rather more absent than reticent. It was the absence which saved him from some possible embarrassment later.

His decision to go to Asia in mid-October as the campaigns heated up, instead of spinning around the country to plug for Democrats in trouble, raised the two obvious questions:

Was the trip necessary then or couldn't it have waited until after the elections? Or was he afraid that, if he did campaign for those who lost, some or much or all of the blame would be dumped on him?

★ ★ ★

In fact, Sen. Wayne Morse, Oregon Democrat, warned Johnson to keep his nose out of Oregon politics. Morse's warning came while the President was still in Asia and there was the possibility that when he returned a week before elections, he might campaign.

Johnson removed himself from any campaigning when he did come back and announced he needed surgery.

In effect, Morse, constant critic of Johnson on the war in Viet Nam, told the President he would be a potential disaster for Oregon's Democratic candidates if he went there.

This was ironic since Morse himself refused to support the Democratic candidate for the Senate, Rep. Robert B. Duncan, a Johnson supporter on Viet Nam, who was running against Oregon's Gov. Mark O. Hatfield.

Morse said that if Johnson visited Oregon "He would probably help elect Hatfield." Hatfield won anyway, although Johnson never went near Oregon. But New York Sen. Robert F. Kennedy did and pitched for Duncan.

HUMPHREY VISIT

But, for that matter, so did Johnson's vice president, Hubert H. Humphrey.

Before Johnson went to Asia, it was pretty well known a number of Democrats might lose.

Take three of the most prominent:

California's Gov. Edmund G. Brown, running for reelection against movie star Ronald Reagan; Illinois, Sen. Paul N. Douglas, running for reelection against a businessman, Charles H. Percy; and, in New York, a New York City councilman, Frank D. O'Connor, running against Gov. Nelson A. Rockefeller who was seeking reelection.

★ ★ ★

Except for a brief visit to New York in support of O'Connor, Johnson visited none of the three states. But Kennedy did. And so did Humphrey.

Spanish Made Easy for Kennedy

By WASHINGTON STAFF

WASHINGTON (NEA) — When Sen. Robert Kennedy of New York was speaking in a Mexican-American sector of Los Angeles in an effort to help Gov. Edmund G. (Pat) Brown, he tried a little Spanish.

His message was written out for him phonetically, so that he could not miss. As he was winding it up, he came to the "vivas":

"Viva Pat Brown! Viva Ca-li-for-ni-a!"

Here he paused and looked around, as if searching for the aide who had done the Spanish for him. He chided him with a smile:

"You didn't have to spell THAT one out phonetically! I could have handled it myself!"

★ ★ ★

Some candidates new to the political trail do not find it easy to gain the poise that sees them through all difficulties. A nominee for governor in a western state lapsed into confusion when he tried to assure voters they would always be welcome if he were elected:

"The office to my door will always be open!"

★ ★ ★

At the height of his campaign, Democratic Gov. Edmund G. (Pat) Brown stole headlines for a day in his home state by proposing that California launch into space a

satellite of its own—to hang up there and relay statewide educational programs.

Some of the doubters thought this was a bit much. Said one:

"I suppose the next thing we'll hear is Pat suggesting that California launch its own submarine to ward off the pesky Russian fishing fleet."

★ ★ ★

Campaigning one day near Modesto in the San Joaquin Valley, Brown turned onto a small road toward a dairy farm he was scheduled to visit.

There, lined up along the side of the road, were dozens of children from a nearby school, holding aloft signs of welcome. Their signs had to be read in sequence, like the old roadside Burma Shave ads, to get the message:

"The Entire . . . Student Body (113) . . . Of Our School . . . Welcomes . . . Governor Brown . . . To Modesto."

As the governor's party stopped to greet the young-

sters, one man approached a lad and asked:

"Is this the entire student body?"

The boy's quick reply:

"All except for Eugene . . . He's absent."

★ ★ ★

Arriving at a valley town called Los Banos, Republican gubernatorial nominee Ronald Reagan, his staff and accompanying newsmen piled aboard what was undoubtedly the most decrepit bus ever pressed into campaign service.

It looked like a migrant workers' bus that had long outlived its usefulness. The actor-nominee accepted the rickety ride as if he were gliding along in a transcontinental luxury liner. The bus was promptly dubbed "the tomato pickers' special."

As a matter of fact, Reagan's chartered plane was no gleaming giant of the jet age. It was a poky DC-3 labeled "The Turkey," since the word was it had once been used by a busy farmer to transport turkeys to market.

Flood Victims Due More Woe

FLORENCE (AP) — Standing in a food line a Florentine looked at the others waiting with him and said:

"The worst is yet to come. The hunger, the real misery will start at the end of the month, when no paycheck comes in for most people and we begin to feel the cold."

As Giulio Ceva-Grimaldi, 40, waited for his evening package of vegetables, bread and tinned meat, a chill wind swept Florence's Plazzo Vecchio.

In Italy's mountainous northeast, snow and rain already hampered rescue workers trying to reach villages still isolated by the disastrous floods and landslides eight days ago and more stormy weather was reported today.

SHARE ORANGE

Ceva-Grimaldi and his wife, Giuliana, who lost everything when the floods hit, shared an orange for breakfast this morning and ate soup for lunch at one of the public kitchens set up by the Florence City Council.

"We're lucky we have no children to see and feel this," said Ceva-Grimaldi a dealer in second-hand items whose ground floor shop and apartment were ruined when the floodwaters surged almost to second-floor windows.

* * *

He and his wife have been living since in a boarding house, on credit. He pulled 600 lire (96 cents) from his pocket and said that was all he had left.

He used to earn about 100,000 lire ($200) a month from his tiny business." I'll get a peddler's cart as soon as I can and go around selling from that," he said. "It's not so bad for me because I'm used to working for myself. It's worse and will get worse for those who work for others."

The floods came a few days after employes got their October paychecks. Those whose places of work were wiped out cannot count on another check for a long time.

SEA OF MUD

Two-thirds of this city of 450,000 was stricken by the flood and the sea of oil-coated mud it left behind. About 150,000 lost their homes and an estimated 200 persons were killed.

The flood also wreaked incalculable and irreparable damage to Florence's art treasures.

A Vatican expert said 20 per cent of all ancient manuscripts and 50 per cent of the old, illuminated books in Florence were destroyed.

* * *

The Rev. Mario Pinzuti, director of the Vatican institute made that report after a visit here. He estimated it would take three to six months to recover items still worth saving from Florence's archives and libraries and said complete restoration work could take from 10 to 15 years.

Elsewhere, rain pelted much of the peninsula, causing some cases of new flooding. Whistling winds and high tides hit sea coasts from Sicily to the northern Adriatic.

NEW PERIL

Although the Po River continued to fall, high tides in the Adriatic and a strong wind threatened to bring new floods to its delta south of Venice.

Authorities ordered evacuation of several villages near dikes whose stability was in doubt.

Waves and high winds sank a 19-ton fishing boat at Chioggia, across the lagoon from Venice. Its five crew members swam to safety.

* * *

Fog hung over the Alpine province of Belluno, and the Fiorentina torrent flooded lowlying sections of the town of Caprile, with 500 inhabitants.

A tributary of the Arno River rose menacingly after six hours of rain, causing fears of another flood in Montevarchi, a city of 11,000 inhabitants south of Florence.

New Faces In D.C.

WASHINGTON (AP) — Pick a new congressman-elect any new congressman-elect, and the chances are you will be looking at a middle-aged lawyer, married and a joiner of organizations.

That's the statistical average of the 59 Republicans and 14 Democrats who will start House service in January — or resume it after an interruption.

* * *

But the 73 new faces show plenty of variety when looked at individually.

The Republicans, for example, have an Alaska homesteader, Rep.-elect Howard W. Pollock, who now practices law but relaxes by pursuing octopus and a big game. Another new GOP member is former Olympic decathlon champion Robert Bruce Mathias of California, who now operates a boys' camp.

NEW DEMS

Among the incoming Democrats is a former newspaper publisher, David Pryor of Arkansas, who switched private careers after starting his public one. Pryor went to law school while serving in the state legislature and was a practicing attorney when he was elected to Congress.

Another two-career Democrat is Peter Kyros of Maine, an Annapolis graduate who switched to law after 10 years' naval service.

* * *

The age of the newcomers averages out a bit under 44. The Republicans run slightly older, while the Democratic average is 41. But the Republicans have the youngest member, as well as the oldest — William A. Steiger of Wisconsin, 28, and William Henry Harrison of Wyoming, 70 who is resuming a congressional career that began in 1951 and was twice interrupted.

NO EXCEPTION

The class of 1967 is no exception to the rule that the law is the preferred route to public office in the United States.

Of the 73 new members, 30 are attorneys, including 10 of the 14 Democrats. Businessmen make up the next largest category, 17, and there are nine farmers, including several businessmen who list themselves also as farmers.

The new class also offers four bankers, two college professors, an ordained clergyman, a retired state police officer, a nurseryman and an editor.

A widow's mite was a mighty help, indeed.

In the 1930's, an educational organization in western New York was saved by an elderly widow's five dollars. The news of her gift, one she could ill afford, spurred a philanthropic fellow-townsman to say, "I'm not sure I've done my share." He then increased his already generous gift by $35,000.

Few of us can save a college. But almost everyone of us, by doing his share, can help keep one going.

Give to the college of your choice.

Junior Editors Quiz on SEEING EYE DOGS

QUESTION: If dogs are color blind, how can a Seeing Eye dog understand traffic signals?

★ ★ ★

ANSWER: It seems remarkable that an animal could be trained to guide a blind person through busy city streets.

Seeing Eye dogs, which are mostly of the German Shepherd breed, have a special training center devoted to them near Morristown, N.J. Here they learn to obey their blind owners and to watch out constantly for their welfare.

They act, literally, as their master's eyes. Such dogs wear a harness with a hoop extending to their master's hand. The master is guided by the pressure the dog makes against the harness, which he can feel through the hoop.

The dogs do not watch traffic signals to know when to cross streets. They watch the flow of traffic and are intelligent enough to know when it is safe to conduct the master across. Such a dog will stop when he reaches a curbstone and will wait for his master to find its height and give the command to go ahead.

The dog will determine how to get around any barriers in the way. A great attachment grows between the dog and his master, whose life becomes enriched because of the presence of such a devoted and faithful friend.

★ ★ ★

FOR YOU TO DO: We do not have to be blind to enjoy the devotion of our domestic animals. Be kind to them. They will show you how much they appreciate it.

Funerals Meeting Topic

Area funeral directors and clergymen will gather at Oakland University Tuesday to discuss how they can better meet the psychological needs of the bereaved.

Dr. Edgar N. Jackson of Corinth, Vt., will deliver the main address. As a pastor, author and lecturer, Jackson has specialized in the study of grief and bereavement.

His eight books include "For the Living," "You and Your Grief," "Understanding Grief" and "Telling a Child About Death."

Moderator for the program will be Robert C. Slater, professor and director of mortuary science at the University of Minnesota.

The meeting will be cosponsored by district six of the Michigan Funeral Directors Association and the National Funeral Directors Association.

Women Find Selves in New Center

By JEANNE NELSON

Oakland University's Continuum Center for Women, now a year old, is a refreshing change in a world filled with fanatical-like emphasis on youthfulness.

Streamlined, both functionally and structurally, it can take its place with justifiable pride in the ranks of the few other such programs in the nation.

The element that seems to set it apart is its flexibility.

This is confirmed by its success in combining the enthusiasm of youth and the disenchantment of age and still managing to come up with some rather exciting answers to maturity.

★ ★ ★

If fact and truth about maturity would be yours, you will find realistic answers in the Center's testing and counseling program, "Investigation Into Identity."

But there are a few questions you should ask yourself before your enthusiasm for this quest wanes.

CAN YOU CHANGE?

Are you, for instance, ready to let loose of familiar and comfortable fantasies about yourself and others? Are you willing to chip away at an elaborate facade that has taken years to build?

Will you be able to face the death of certain ideologies carried over from childhood? In fact, can you bear the knowledge of discovering YOU?

★ ★ ★

The program, now in its second year, consists of a battery of tests in the areas of academics, personality, values, aptitudes, and interests, both academically and vocationally.

The tests are taken twice weekly for four consecutive weeks. Following this, there is an on campus group discussion period lasting two hours.

Next comes consultation with a psychologist who explains the meaning of the test evaluations individually and makes recommendations.

From these, the advisers in employment, volunteering and education are able to assist in a realistic and practical manner.

For the center which helps women discover their talents, interests and aptitudes completes the cycle with real solutions.

Naturally, there are some women who come with unrealistic notions about themselves and their abilities. But even this kind of disappointment is tempered by the proof that there are certain areas in which they can qualify, even excel.

Most of the women entering the program approach it with at least some degree of anxiety. The thing they must remember here is that they are "not on trial."

★ ★ ★

The center, a bustling area most of the time, has somehow managed to keep the feeling of informality always present. Perhaps the always filled coffee pot has something to do with it or the willingness of the staff to talk, advise and just listen, has much to do with it.

Will you look at that! Another success story unfolds at the Continuum Center for Women, Oakland University. Looking mighty pleased with the follow up report on one registrant's record are from left, Mrs. Priscilla Jackson, director of the center; Helen Zdeba, employment adviser; Elizabeth Wright, volunteer adviser; and Mrs. Eleanor Driver, orientation interviewer.

Washington Honeymoon Follows Rite

Vows were taken by Lorae Yvonne Bonneau and Airman Basic Robert James Hempton, today in St. Benedict's Catholic Church. Reception followed in Rotunda Country Inn.

★ ★ ★

The Raymond J. Bonneaus, Cass-Elizabeth Lake Road and the Doyle O. Hemptons, Allen Lake Drive, White Lake Township, are parents of the couple.

★ ★ ★

Imported candlelight English lace over satin fashioned an Empire gown and cathedral train for the bride who also chose a bouffant veil of silk illusion.

★ ★ ★

Her cascade bouquet held Phalaenopsis orchids and Stephanotis.

★ ★ ★

With Sherry Leach, maid of honor, were bridesmaids Margaret Longe, Janice Abel and Helen Sloat. Mary Bonneau attended her cousin as junior maid and Debbie Liske was flower girl.

★ ★ ★

Attending their brother were Bruce A. Hempton, best man, and Laurence Hempton who seated guests along with Michael Dunkel and Dale Alsup. Randy Bonneau was junior usher.

★ ★ ★

The newlyweds' eastern honeymoon will include a visit to Washington.

★ ★ ★

White chiffon velvet fashioned the bride's floor-length gown with velvet roses accenting the oval neckline. Velvet petals formed a cap for her elbow-length illusion veil.

★ ★ ★

For the morning rite, she carried miniature white Fuji chrysanthemums encircling a white orchid.

★ ★ ★

Matron of honor was Mrs. Clifton Patton with Sara Rix and the bridegroom's sister Jane, as bridesmaids.

Test Score on Hostess Know-How

By ELIZABETH L. POST

Many of us are not sure just exactly what is the right thing to do when we are entertaining. Test your score as a charming hostess by giving yourself five points for each question to which you answer "yes."

Sixty to 75 rates you as an expert entertainer; 40 to 45 as average, and if you score below 40, run right to the nearest bookstore for a copy of "Etiquette."

★ ★ ★

- When you have a dinner party, do you try to invite couples who are not all in the same "group"?
- Do you urge your guests to start eating before everyone is served?
- Do you and your husband go to the door to greet every guest?
- Do you offer caffein-free coffee as well as regular coffee after dinner?
- When you hire a waitress for the evening, do you insist that she serve the lady guest of honor first?
- Do you refuse to allow your guests to wash the dishes?
- When you invite friends by telephone, do you tell them what sort of an occasion it will be so that they will know how formally to dress?
- If you have no help, do you plan your menu so that most of the meal can be prepared in advance?
- When giving a buffet dinner, do you have a seat available for every guest?
- Whether you smoke or not, do you have plenty of ash trays and cigarettes in evidence?
- Do you make sure that none of your guests is ever left without someone to talk to?
- Do you urge your guests to stay a little longer when they mention that it's getting late?
- Do you have plenty of guest towels, fresh soap, and tissues in the bathroom that the guests will use?
- Do you empty ash trays and remove used glasses from the living room (or see that a maid does it) while your guests are dining?

Others Profit by Your Knack of Sympathetic Listening

By ABIGAIL VAN BUREN

DEAR ABBY: My problem is people who tell me their troubles and ask for advice. Everyone I know has confided some sort of mess to me—money troubles, neighbor troubles, children troubles, husband, sex, household, and every other kind of trouble, until I've had it to the teeth.

ABBY

These people are my friends and relatives, so I can't very well avoid them or they'd be hurt. I am glad if I can help, but it's gotten to the point where my husband comes home, takes one look at me and says, "Well, what happened now — and to whom?"

I have my problems, too, but I don't burden anyone else with them. Well, I guess it's gone full-circle and now I'm telling YOU my troubles. What is your advice?

TIRED OF TROUBLES

DEAR TIRED: Look at it this way, most people who tell their troubles to others don't want advice—they just want someone to listen to them.

A sympathetic ear provides therapy for the troubled one, so consider yourself blessed to be able to perform that useful service.

★ ★ ★

DEAR ABBY: I told this lady that I wasn't the marrying kind on our first date, but she said she didn't have anything going for her at the moment and was only out for a good time, so I could hardly run her off.

Well, one thing led to another and now I can't get rid of her. She hangs around where I work, bringing me hot lunches every day. And when the quitting-time whistle blows, there she is out in front with her car all shined up, waiting to give me a lift home.

★ ★ ★

But she doesn't take me to MY home, she takes me to HERS, where she has supper all cooked and waiting. Then she lets me relax while she just plays the guitar and sings love songs in my ear. Should I weaken? OVER FORTY

DEAR OVER: How old is the car?

★ ★ ★

DEAR ABBY: Every once in a while you permit a reader to air his pet peeve in your column. May I?

Nothing makes me angrier than to pay good money for a sitter to care for our children, so that my husband and I may go out without them, only to find that we are pestered for a whole evening by the children of parents who are too tight to hire a sitter. Thank you.

Honor Week for Nurses

Nov. 14 through 18 has been designated as Michigan Nurses' Week.

★ ★ ★

Hostesses for the 2-5 p.m. event will be Mesdames: Fred Fuller; Charles Crawford; William J. Dean, Merrell Petrie; Floyd Compton and Charles Barrett.

★ ★ ★

General chairman, Mrs. Glenn Sanford, will be assisted by Mrs. Charles Galloway.

LUNCHEON

A second event during this week is the annual awards luncheon for adult volunteers Wednesday noon at the Elks Temple.

★ ★ ★

Five volunteers will receive awards for 2000 hours or more of service. Ninety-three individuals will be recognized for over 52,000 hours of volunteering.

Aleck Capsalis, chairman of the board of trustees will speak.

Their Donation Is Commended

A letter thanking the Rho Chapter of Alpha Delta Kappa Sorority was read during the Thursday evening meeting of the group. In the letter, Mrs. Dorothy Wood, directors of Community Relations and Volunteer Services thanked the chapter for furnishing a room at Pontiac General Hospital.

★ ★ ★

A discussion of the Alpha Teacher Education Program was led by Mrs. E. Cleo Wiley and Mrs. Melvin Boersma.

Nicki Ross models "Squaws," a lime crepe beret with Hiawatha plait in turquoise pom-poms during London's Mayfair milliner Edward Mann's spring of 1967 collection showing. Mann called his collection "Oddballs."

Secretaries are Advised

The Pontioak Chapter of the National Secretaries Association, International gathered at Sylvan Glen in Troy Wednesday. Hostesses for the evening were Mrs. Garland Woody and Mrs. Laverne Adair.

A talk was given by Wayne Yeager on insurance and the types available today. A discussion period followed in which the women learned what type insurance suits their careers the best.

★ ★ ★

The chapter which will be the Host Chapter for the GIMAC CPS Awards dinner at the Statler Hotel in Detroit made plans for the event.

Rose Mary King was the guest of the evening.

By EDDY GILMORE

LONDON (AP) — Are Princess Margaret's royal ears cold?

If they aren't, why has she been wearing a series of kooky, head-hugging hats?

With no explanations — royalty doesn't explain — she has made a series of public appearances in the oddest looking hats of her hat-wearing career.

★ ★ ★

They had one thing in common — they sheltered her ears.

Early in October, she attended a London art exhibition in a Spanish style lid that covered the ears.

★ ★ ★

A week later, she appeared in Poole, County Dorset, in a black and white head-hugger; starers could not see so much as a tip of the royal ear.

WITH EAR MUFFS

Nov. 1, she generated comment by fashion writers in London when she appeared in public with a fur-trimmed hat that supported ear muffs and tied with ribbons under her pretty chin.

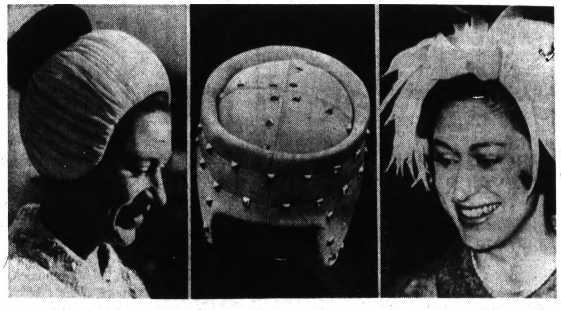
Last wesday, on her way to bleak Scotland, she wore the strangest looking lid yet — a hat that resembled a football players helmet studded with nails.

One fashion writer commented: "The nailheads give the effect of the whole thing having been hammered together and result in the sort of hard and uncompromising line most women would probably not favor."

It could be the weather. It's fairly nippy, but not so nippy that thousands of other English women have clapped on earmuffs.

ODDBALL OF YEAR?

In any case, hatmaker Edward Mann has named Princess Margaret the winner of the title "Best hatted Oddball for 1966." He said he took this action because of the princess' original personality and sense of humor toward fashion.



Of late, Princess Margaret of Britain has been keeping her ears tightly under wraps in a series of the oddest-looking hats of her hat-wearing career. Among them are a yellow and black pixie-style hat worn at London Airport last month, left; a white leather helmet with gold studs center worn in Edinburgh, Scotland this week and a white feathered creation worn last July at St. James' Palace.

LEARN STORY OF CREATION—Mrs. Richard Reynolds of 250 E. Rundell shows Angie Kleino of 59 Oliver (left) and David Clever of 45 Chamberlain rocks, flowers and plants as she tells the story of God creating the world to children of St. Michael's Catholic Church.

For Preschool Children

Initiate Religious Classes

A religious program entitled "Preschool Child's Encounter With God" was initiated Sunday for four and five year old children at St. Michael's Catholic Church.

Classes are conducted each Sunday morning during the 10:30 Mass.

★ ★ ★

Children whose parents are of the Catholic faith previously received all early religious training in the home. Those attending Catholic schools received training in the class room daily.

The preschool religious program in the Archdiocese of Detroit was started by Mr. and Mrs. Charles Pillon of Allen Park using the manual "All for Jesus" by Sister M. Agnes Therese I.H.M.

Three years ago in view of the renewed liturgical and ecumenical movement in the Catholic church, Archbishop John F. Dearden appointed Sister Therese to the office of supervisor of preschool religion for the Diocese of Detroit.

She works with Msgr. Edward Burkhardt, director of Detroit Confraternity of Christian Doctrine.

★ ★ ★

Sister Therese incorporated the French program, translated "Religious Education for the Very Young," and adapted it to the needs of American children, adding songs and activities.

"The object of the program is to develop the faith of the child through personal encounter with God, said Sister Therese.

★ ★ ★

"The children learn through the beauties of creation, progressing from nonliving things, such as water, rocks, sun, moon and stars through the creation of living plants, animals and people.

Sense perception is emphasized. For example, listening to a shell, smelling a flower, feeling a rock leads to a deeper awareness of the wonders of creation.

Simple liturgical activities from the "Book of the Word of God" introduce the child at an early age to the liturgy.

PRAY IN SONGS

No formal prayers are taught until the lessons are studied in which the prayers are explained. The child learns to offer spontaneous prayers in song, in chant and in gestures.

Other activities include drawing, pasting, cutting, learning to share, and use audio-visual aids, felt boards and pictures.

★ ★ ★

There are 80 children enrolled at St. Michael's with classes divided into five groups according to age. Each class has a teacher, substitute teacher and an older grade school girl helper.

The volunteer teachers include Mrs. Stuart C. Cappell, Mrs. Richard Reynolds, Mrs. Michael Clever, Mrs. Richard Doll, and Mrs. Dean Kleino.

According to the Rev. Charles F. Rooney, an assistant pastor, parents play an important part in the program. Each week the child gets a take-home sheet describing what was taught and suggesting ways for parents to help their children grow in understanding during the week.

★ ★ ★

Parents can share and learn how to instruct their children without worry of not knowing the right answer.

"Our aim is not to teach a lot of material," said Sister Therese, "but to build these children into real Christians who are known by their love."

BIBLE STORIES—St. Michael's Catholic Church is holding religious classes for children 4 and 5 years of age every Sunday during the 10:30 a.m. Mass. More than 80 children are enrolled in the five classes. The boys and girls learn Bible stories, paste pictures concerning the story in books; sing; and offer their own individual prayers. Shown are (from left) Teresa Doll of 123 Oliver, John Reynolds of 250 E. Rundell, Mrs. Stuart Cappell and daughter Joanne of 100 Vernon Drive.

Two U.S. Churches Merge

CHICAGO (AP) — The merger of two churches into the largest Protestant sect in the United States, the Unied Methodist Church, with 11,081,000 members, has been approved by delegates of the two churches.

In separate meetings in the same hotel Friday, delegates to the general conferences of the Methodist Church and the Evangelical United Brethren Church voted overwhelming approval of the merger.

The Methodist Church, with 10,331,000 members, is now second in size to the Southern Baptist Convention with 10,393,000 members. Merger with the 750,000-member EUB would make the new church the nation's largest.

The merger, which must be ratified by regional conferences of the two churches, carried 749-40 among Methodist delegates. EUB delegates approved by a 325-88 vote.

Policy differences that threatened to stymie the merger were resolved by a joint committee just before the vote. Most issues were resolved in favor of current Methodist practice. Both churches agreed on the proposed name.

Among the issues were election of bishops for life, district superintendents to be appointed by the bishops, and acceptance of a 1972 target to eliminate racially segregated conferences. There had been sentiment for an earlier date.

Two-thirds of each church's regional conferences, which usually convene February through August, must ratify the merger. Leaders of both churches said ratification appeared likely.

Milwaukee Terror Over?

Man Charged With Stabbing

MILWAUKEE, Wis. (AP) — "Everybody can sleep a little easier," said Police Chief Harold Breier after police charged a factory worker in a series of stabbings that had terrorized residential areas in Milwaukee.

* * *

Michael J. Herrington, 23, accompanied to Milwaukee County Court by his pregnant wife, was charged Friday night with slaying a 10-year-old girl Sept. 4, an 18-year-old waitress Oct. 17 and with attempted murder of an 11-year-old girl Friday morning.

Breier said Herrington, identified as a parolee from Leavenworth Federal Penitentiary, had admitted two slayings for which he was charged with first-degree murder, and the latest assault whose victim was reported in satisfactory condition.

Herrington accompanied police to the sites of the attacks on the city's near West Side.

The series of assaults had resulted in demands for increased police protection, a campaign to have porch lights burning all night, and a request by the city that youngsters make Halloween trick-or-treat rounds before dark.

A candidate in the Nov. 8 election said he could not get responses at front doors during a door-to-door campaign.

* * *

Gordon Beckwith, 43, father of one of the victims, said after the arrest that his "family is much relieved tonight, even though there is no positive proof. For the first time since our daughter's death, we let one of our other girls out visiting after dark."

Mrs. Gerald Dreyer, 35, mother of the latest victim, said she would continue to be fearful when any of her five children leave home, but added that "now perhaps people can sleep nights."

Herrington had been questioned in the beating and stabbing of Julia Beckwith, 10, whose body was found Sept. 4 in a vacant lot near her home after she had gone on an errand for a sister.

The body of waitress Sherryl Thompson was found Oct. 17. She had been stabbed 22 times, Breier said Herrington had admitted both slayings.

Breier did not comment on the death Nov. 4 of Diane Olkwitz, 19, of Menomonee Falls who was stabbed more than 100 times. Menomonee Falls Police Chief Charles Kuhn said he planned to question Herrington.

Breier said Herrington admitted attacking Kathleen Dreyer, 11, as she walked to school Friday. The child, stabbed in the back, told police her assailant fled when she screamed.

Police said Herrington, employed by a tool and die manufacturing firm, had been given a job at Milwaukee Children's Hospital at the suggestion of a social worker after his parole from prison.

Charles Hurst, acting detective inspector, said the car seen leaving the alley where the Dreyer girl was attacked contained "various instruments which are found in hospitals."

* * *

Herrington was seized after witnesses, including schoolchildren, provided police with a description of a man seen in the alley where the Dreyer girl was attacked.

Police said the Dreyer girl's assailant reportedly leaped from a car, clapped a hand over the child's mouth and forced her into the alley behind garages and dwellings.

Herrington was named in warrants signed by County Judge Christ T. Seraphim who set bonds totaling $65,000.

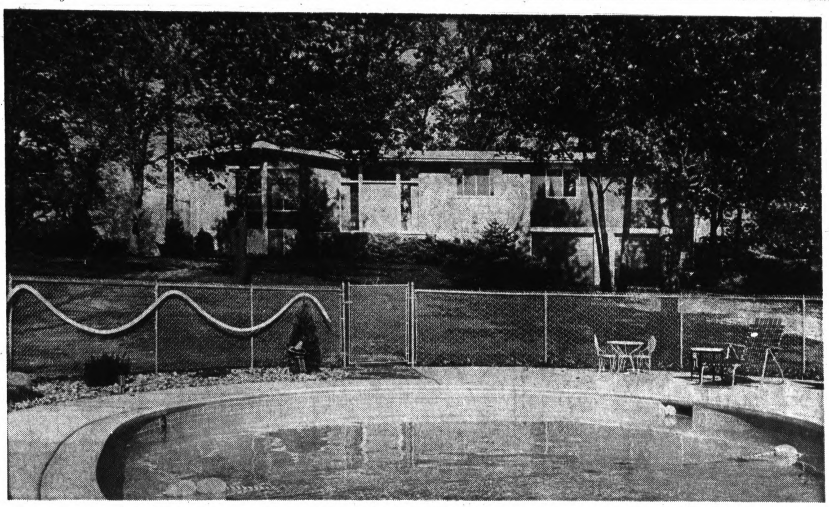
Patio Garden Overlooks Picturesque Paint Creek Valley



Pontiac Press Photos by Ed Vanderwarp

Bilevel Brick Of The Bernard Grassers In Oakland Township Built By Robert Smitha Of Rochester

Family Transforms Site on Paint Creek

By JODY HEADLEE
Home Editor, The Pontiac Press

Eight years and many back-breaking hours later, the Bernard Grassers of Oakland Township have reclaimed from tangled brush their four-acre site bordering the meandering Paint Creek.

From a terraced patio garden held in place by strategically placed boulders and railroad ties, one looks over a steep incline at the grassy valley floor edged on the east by the busy stream.

A kaleidoscope of colorful annuals and fall blooming perennials punctuated the rock garden before last week's snowfall nipped their vitality.

Sitting in the contemporary living room during the warmer days of fall, visitors are conscious of the fountain's symphony of running water, the calls of wild birds and the sporadic chirp of a cricket or two.

★ ★ ★

The brick bilevel is truly an idyllic retreat from the rush and bustle of the work-a-day world for the whole Grasser family.

LIVING ROOM

Setting the monochromatic background of the living room are beige walls, looped carpeting and loosely woven linen draperies.

A pair of walnut-framed occasional chairs, covered in a brown and white striped fabric are grouped about a walnut table before one of the room's two facing picture windows.

Serving the black and brown sofa and the terra-cotta chair arrangement in front of the handmade brick fireplace is a long low walnut table.

★ ★ ★

Unfilled travertine marble tops the built-in china cabinet under the orginal black and white woodcut in the adjoining dining room.

In the bedroom wing, the master bedroom features a private screened porch.

"If you'll notice," said Mrs. Grasser, "there are no outside doors to the porch. The only entrance is through the bedroom itself.

★ ★ ★

"It was designed as a place to relax and get away from it all and it is just that."

In decorating the bedroom, Mrs. Grasser chose an iridescent blue, green, gray and pastel striped spread and blue linen draperies to accent the off-white walls.

Furniture pieces in the room are birch.

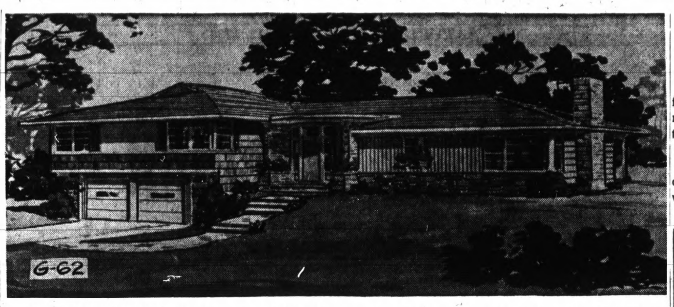
HIGGINBOTHAM ROOFING & SIDING

Clarkston, Mich. 625-2779



PLEASANT SPLITLEVEL—There's a world of "curb appeal" to this multilevel, three-bedroom house. The architect has tastefully combined redwood, cedar and stone veneer under interesting roof lines to produce the kind of residence with an inviting appearance.

Design Gives Crisp, Contemporary Look

There's a crisp, contemporary look to the splitlevel created for the latest House of the Week. It's a pleasing combination of vertical V-joint redwood siding, red cedar shingles and ledge stone veneer with trim hipped roofs.

Planter boxes on both sides of the entrance platform are among the exterior features.

Owning a house that has a pleasant appearance is, of course, important to a family.

Yet, in the early days of the splitlevel, the popularity of this type of residence was due principally to the fact that it fitted so well on sloping land.

★ ★ ★

Its popularity increased when people discovered its other advantages: it eliminated much of the waste space in basements by utilizing this area for habitable rooms and a garage.

FEW STEPS

It separated the living and sleeping areas with only a few steps rather than a long stairway to climb, as in a two-story house.

And it required less land than a ranch with the same amount of square footage on the inside.

As a result, prospective home purchasers began to ask for splitlevels even on flat land.

These days — as in the case of this house — architects are using ingenuity to design attractive, distinctive exteriors for the multi-level structures.

Here we have a home that's nice to look at and nice to live in, with eight rooms, 2½ baths and some bonus features ordinarily found in very high-priced homes.

Yet, it's actually a medium-sized house — 1,893 square feet

Design Gives Contemporary Look

on the living and bedroom levels and 972 square feet, not including the garage, on the recreation room level. Its over-all dimensions are 67'8" by 34'4".

Since the garage has a front entrance and is within those dimensions, only enough space is required at the sides to conform with local ordinances.

IMPRESSIVE

A most impressive feature of architect William Chirgotis' design is the 1½-story circular entrance foyer, with ceiling-high windows and a large, open, winding wrought iron stairway leading up to the bedroom hall and down to the recreation room and garage.

The living room, directly to the rear of the foyer, has a distinctive three-sided glass wall at its own rear.

At one side, sliding glass doors lead from the living room to the terrace and garden.

* * *

Adjacent to the living room is the dining room, which has a separate and convenient entrance to the kitchen. With its full complement of cabinets and appliances, the kitchen is completely open on the family-room side, to accommodate informal family living.

The family room is dominated by a decorative fireplace and wood-paneled walls.

Both the dining room and the family room have sliding glass doors to the rear terrace.

* * *

The bedroom level has three sleeping rooms, each with cross ventilation and plenty of wall and closet space.

STUDY

Should only two of the bedrooms be needed, the smallest of the three could be used as a den or study room.

The master bedroom has a private bath with a tiled stall shower. The hall bath is compartmentalized — a full-wall mirrored vanity in the outer section, a bathtub and water closet in the other.

A lavatory and a laundry room are located seven steps below the main foyer, adjacent to the wood-paneled recreation room and a few steps from the garage and full basement.

For those who prefer a split-level to a ranch or a two-story, and who have the land which can handle this house, the design provides everything for modern, comfortable living.

G-62 STATISTICS

Design G-62, a splitlevel, has a foyer, living room, dining room, kitchen and family room on one level, three bedrooms and two baths on a second level, and a lavatory, laundry, recreation room and garage on the third. There are 1893 square feet of habitable area on the living and bedroom levels, with 972 square feet on the lowest level, not including the garage. Overall dimensions are 67' 6" by 34' 4".

New Product Repairs Foundation Cracks

That old bugaboo — how to repair leaky cracks in foundation walls — has been solved with a new product, Crak-Stop, that makes sealing such openings an easy job.

No chipping, widening or roughing preparation are necessary, and the mend is lasting.

Most cracks leak only during a rainstorm or after a winter thaw, and the seepage stops shortly after the weather clears.

The ingredients of this new product can be applied as soon as the surface is dry.

★ ★ ★

The package consists of a liquid, cement compound and a strip of glass fabric material.

INGREDIENTS PAINTED

The compound and liquid are mixed and painted over the cracked surface, then a strip of the fabric is applied and a second coat finishes the job.

The mixture adheres and bonds perfectly to cement, concrete blocks or masonry walls, and the glass fabric, covered with the liquid mixture, provides a more permanent waterproofing that stays in place.

Further expansion, contraction or other wall movement will not harm the resiliency of the fibred seal.

Crak-Stop is available at building supply dealers, hardware and paint stores and lumber dealer. It is manufactured by the Camp Company, 9300 Sangamon Street, Chicago, Illinois, 60620.

Wall Coverings Set New Trend

The trend in wall coverings is toward surfaces of a permanent carefree nature rather than those needing refinishing every six or 12 months.

Paneling and ceramic tile are two of the most popular forms of permanent surfaces.

Shrine Marks Ross' Home

Will your home, your castle, still be standing 189 years from now and will it be of such sturdy construction that it will withstand the traffic of 300,000 people a year?

★ ★ ★

Chances are such thoughts never entered your mind. Nor did they probably ever concern Betsy Ross, the seamstress who in 1777 put together this country's first flag.

Old Glory's maker undoubtedly would be as amazed as gratified to see her home, now a national shrine at 239 Arch St., Philadelphia, so little changed from the way it was in 1777.

The Flag Room, with its fireplace still decorated with the original ceramic tiles she saw every day, is just as she knew it when she stitched the 13-star flag — in spite of the fact that her home was converted into a tavern in the late 1800's.

★ ★ ★

Some things have been added. Mrs. Ross would be shocked at the restrooms of domestically made ceramic tiles that have been built onto the back of her home. Bathrooms were unknown in her day. And ceramic tile was valued then less for its durable and more for its decorative assets, a cyclic trend that is recurring today.

Many well-to-do homes of the colonial era had entire rooms set aside for the display of pictured ceramic tiles.

Betsy Ross would have been surprised, too, at the souvenir shop, lecture room, and electrical and air-conditioning systems that have been added.

★ ★ ★

Quality materials and building methods, plus a carefully engineered restoration job and recently a coat of protective silicone spray, have all played a role in preserving the past for the present and the future.

In a match point duplicate game the chances are that every South player of today's hand will get to three no-trump and go after the diamond suit by playing the king and then leading toward dummy for a finesse. West would show out and eventually declarer would go down one or two tricks depending on whether or not he would try the club finesse.

JACOBY

The average rubber bridge player would probably go down but an expert duplicate game would probably make four no-trump.

He would win the first heart in his own hand, lead a diamond to dummy's ace and a second diamond back toward his king-nine. He would plan to rise with the king in the event that East showed out or played the queen or ten.

Assuming East did play low expert South would play his nine. Then he would cash his king; return to dummy with the ace of spades and give East his queen of diamonds.

This line of play would guarantee four diamond tricks against anything except a 5-0 diamond break. Four diamonds plus two spades, two hearts and a club adds to nine tricks.

How wuold expert South make an overtrick? East would probably lead a second heart when he got in with the queen of diamonds. South would have discarded a spade on the fourth diamond.

He would discard another spade on the fifth. He then would cash his ace of spades and be left with the nine of hearts and ace-queen-small of clubs. Assuming West had held two clubs, South just might end play him by leading the nine of hearts.

Shots in Vain

DETROIT (UPI) — Several hundred schoolchildren received injections of plain water instead of measles vaccine during a recent mass immunization drive, health officials said today. The incidents reportedly occurred only at Wayne County centers.

His Case Freed 1,500; Now He's Robbery Victim

FORT LAUDERDALE, Fla. (AP) — The man whose case freed 1,500 convicts across the country has again become news — this time as a robbery victim.

★ ★ ★

Clarence Earl Gideon was an inmate of a Florida prison in 1963 when he sent a hand-written appeal to the U.S. Supreme Court, telling that body he had been convicted without legal counsel. He was serving a five-year sentence for breaking and entering at the time.

★ ★ ★

The Supreme Court handed down a historic decision requiring counsel in felony trials which freed prisoners in every state.

★ ★ ★

Gideon made headlines here Thursday when the gasoline station where he works was robbed of about $75 while he was on duty. No arrests have been made.

Talks Near OK

WASHINGTON (AP) — Negotiators have reached a tentative agreement on national issues affecting a Westinghouse Electric Corp. labor dispute that threatens to extend a 30-plant strike to a third major defense facility.

U.S. Opposes Draft Draw

WASHINGTON (AP) — Most Americans oppose substitution of a lottery for the present draft system, a polling organization told a national conference on the draft today.

"The vast majority of Americans favor drafting young men for military service," Louis Harris & Associates said in a report presented at a luncheon session.

The memorandum to Gus Tyler, director of special projects for the American Veterans Committee, which is sponsoring the conference, added:

"This support is expressed almost equally by those who have relatives in the armed forces, those who say they have a family member eligible to be drafted, and those who are not personally involved in the Viet Nam war."

Representatives of educational, professional, youth women's, labor, business, veteran, church, farm and other national organizations are attending the conference, which ends today. It was called to provide a national forum for discussion of the present draft system and of possible alternatives.

LEARN TO BE TACTFUL

J. L. VOORHEES

For success in life tact is more important than talent, but it is not easily acquired by those to whom it does not come naturally. Start by considering the person you are with. Never lose a chance of giving pleasure. It costs nothing and buys everything. In fact, it buys what money cannot purchase.

Tact often succeeds where force fails. Always remember that men are more easily led than driven, and in any case it is much better to guide than to force.

Dow Answers Protesters on Making Napalm

BERKELEY, Calif. (AP) —A demonstration by 300 persons on the University of California campus against the manufacturer of napalm for the Viet Nam war drew a Dow Chemical reply Friday that it doesn't decide military policy.

"We will do our best, as we always have, to try to produce what our Defense Department and our soldiers need in any war situation," the statement said.

It endorsed "the right of any American to legally and peacefully protest an action with an action with which he does not agree."

The demonstrators moved on campus Thursday, protesting the presence there of work recruiters for Dow Chemical.

'Enemy May Start N-War'

BIRMINGHAM, Ala. (UPI) — Air Force Chief of Staff Gen. J. O. McDonnell said yesterday it would be a "fatal mistake" for the United States and its allies to assume the destructive force of nuclear weapons would prevent aggressors from using their arsenals.

"A major technological breakthrough, such as development of an effective antimissile system, could conceivably induce an aggressor to wage nuclear war. . ." he told a Veterans Day audience.

McConnell said the preservation of nuclear superiority by the United States is "by no means a foregone conclusion."

Reuther to Skip AFL-CIO Talks

DETROIT (AP) — President Walter Reuther of the United Auto Workers will be absent from the AFL-CIO executive council meeting in Washington next week.

★ ★ ★

An aide said Friday Reuther felt it preferable to attend a Detroit meeting of the UAW international executive board which will discuss the union's 1967 collective bargaining program.

The aide declined comment on public reports that Reuther's absence from the AFL-CIO session meant a further rift between him and AFL-CIO President George Meany.

Meany and Reuther split sharply recently on AFL-CIO actions bearing on foreign policy and the executive council tool stands in support of Meany.

★ ★ ★

The UAW board is to convene all week to work on the negotiating program it will take before the auto manufacturers next year when present three-year contracts expire.

Reuther's aide said Reuther notified Meany of his plans to remain in Detroit.

Message for Vets in a Blank Space

SEATTLE, Wash. (UPI) — The front page of Saturday morning's Seattle Post - Intelligencer carried a blank space three columns wide and six inches deep with the following explanatory note:

"With this blank epitaph, the Post — Intelligencer apologizes to the memory of the thousands of men in American history, from the Revolutionary War to Vite Nam, who gave their lives for this great country."

Italian Film Lover Raves Over New U.S. Fem Lead

By EARL WILSON

ROME — The great Italian screen lover Marcello Mastroianni lounged back on the divan in the living room of his villa on the Via Antica and said that the shapely new beauty Raquel Welch from San Diego and Chicago is "molto simpatico."

WILSON

"Very nice, very understanding."

They appear together in a film called "Shoot Louder, Louder, I Don't Understand You . . ." He plays sort of an Italian Walter Mitty. Marcello after all this time has had many screen heroines including Sophia Loren about five times, and he is fond of all of them, but occasionally one was over-serious.

"I like to work with girls who don't worry too much," he said, "I don't like actresses who are too tormented."

Marcello had invited me for coffee, and three dogs were playing around his feet. One was called "Bacon." I said in surprise, "Bacon? The meat you eat?" His interpreter smiled. "Bacon — the philosopher . . . Francis Bacon."

"Some actresses are not tranquille," Marcello said. Once he appeared with Maria Schell, "a very great actress and a very intelligent woman."

"At a dinner she turned and said, 'Whom do you prefer? Brahms or Beethoven?"

"I said, 'Who cares? Let's have some fun.' "

This Raquel Welch, now, she is "ben messa, ben carozzato," well-stacked, well-bodied, and good at comedy, and not tormented, and "simpatico," and so perhaps Joseph E. Levine and Embassy Pictures have something very nice going for them in this film.

THE WEEKEND WINDUP . . .

Joan Crawford complained in London about British steaks, so **Stuart Levin** of Sherry's air-expressed 37 filet mignons to her, packed in champagne coolers . . . A Paris gangster told pretty **Francoise Hardy** — coming here to plug "Grand Prix" — to be sure to stay at a certain "plush" N.Y. hotel—which is a $1.65-a-night Village place, for men only.

Claudette Colbert visited the Ground Floor, left with the recipe for cream of pheasant soup . . . **Melina Mercouri** (now in "10:30 P.M. Summer") says she picks all her husband's clothes—and his cigars, too . . . United Artists, which made a bundle with the Beatles, will next promote The Gurus, who play "rock 'n' roll with an East Indian beat."

High Court Orders SupeRx License

LANSING (UPI) — The Michigan Supreme Court yesterday washed its hands of the tangled, four-year-old SupeRx Drug Co. case by ordering the State Board of Pharmacy to issue a license to the company's Battle Creek store.

★ ★ ★

The court's decision, though split 3-2-2-1, may pave the way for a chain of economy Drug Stores throughout the state operated by the Kroger Food Co.

★ ★ ★

It was the third time around for the state's highest court on the complex case that has bounced around the courts since 1962.

This time, there was no clear majority. But five justices reasoned their ways of different routes to the conclusion the troubled company should be licensed.

There are 520,000 elected officials in about 91,000 governmental units in this nation, Rep. Donald Rumsfield of Illinois revealed in a recent report.

Milk Recalled

WASHINGTON (UPI) — The Kroger supermarket chain — with some 1,400 stores in the East and Midwest — is withdrawing its brand of instant dry milk from the market. Some of it is contaminated.

There are about 34,000 computers now in operation over the country.

Astronauts in Nursemaid Role

CAPE KENNEDY, Fla. (AP) — America's men in space are mothering frog eggs to find out how a tadpole learns which end is up.

Twice Friday the experiment, testing the effect of gravity on embryology, called for attention from astronauts James A. Lovell Jr. and Edwin E. Aldrin Jr.

On their first pass over the United States, they were ordered to put a thermal cover on the egg box because instruments on the ground said the eggs were too hot.

★ ★ ★

Later, mission control asked the astronauts to "jiggle the electrical connector to the box," and the spacemen checked this out.

The fertilized eggs came from female leopard frogs which ovulated on a frog farm here in tune with the Gemini countdown.

Nuclear power, which today accounts for one-seventeenth of one per cent of the U.S. output of electricity, is expected to reach 20 per cent in 10 years.

Captains Outrank Skippers; PCH Loses; Rice Downs Seaholm

Kettering Eleven Closes with Unbeaten Campaign

By FLETCHER SPEARS

Kettering's Captains rode smoothly into port last night carrying with them their finest record in the school's short football history.

And the team's latest venture was one of its biggest and most successful.

Playing on its newly-lighted field before some 3,000 fans, the Captains turned back township rival Waterford, 20-6 for their seventh victory in a row.

Not only was it the team's seventh win in succession, it also enabled the Captains to post an 8-0-1 season, their first unbeaten campaign in six seasons of football.

★ ★ ★

And with the victory went the Naval Reserve Trophy, that piece of hardware that goes to the winner of the game each year.

WIDEN LEAD

The triumph, along with sewing up an unbeaten season, helped the Captains widen their lead in the six-game series with the Skippers to 5-1. Waterford's only win came by a 19-13 score in 1962.

★ ★ ★

Kettering rolled up a 13-0 lead at intermission and battled the Skippers on almost even terms through the final two periods.

Senior Mike Lyon came up with his third touchdown of the season midway in the first period when he slipped off the right side for the final three yards. Quarterback Dick Miceli kicked the point and Kettering led, 7-0.

Ken McLean, the Captains star guard-linebacker, set up the second touchdown as he broke through on fourth down and blocked Dennis Galbraith's punt to give Kettering the ball on the Waterford 30-yard line.

★ ★ ★

Four plays later, senior end Bob Von Bargan slipped away from a defensive halfback and hauled in a 13-yard toss from Miceli for a touchdown.

CLICKS AGAIN

That same combination clicked again in the third quarter shortly after the Captain defense stopped a Waterford drive that reached the Kettering 16-yard line.

★ ★ ★

The Captains took over and two plays later, Miceli stepped back from his own 25 and heaved the ball downfield.

VonBargan ran under the ball at the Waterford 40, slipped away from a defender and romped the rest of the way to complete a 75-yard touchdown play. A Miceli to Vince Griffin pass produced the 20th point.

Waterford, managing only 35 yards on offense in the first half, came up with 112 in the second half and made a couple of marches that died deep in Kettering territory.

The lone Waterford score came in the final minutes after the Skippers recovered a fumble at the Kettering 15-yard line.

On fourth down at the Kettering eight-yard marker, Paul Thomas ripped up the middle for the touchdown with 29 seconds remaining.

The loss left the Waterford crew with a 3-6 record.

REASON TO SMILE—Coach Jim Larkin of Kettering and end Bob VonBargan were all smiles after their game last night against Waterford. The smiles are understandable. Kettering won, 20-6, and VonBargan caught two touch down passes to spark the victory.

Chiefs Battle Bay City 11 Down to Wire

Wolves Stop Central's Late Bid by Strong Defensive Play

(Special to The Press)

BAY CITY — A huge 278 pound middle guard, Jerry Billmeier, was Bay City Central's immovable force in the final minutes as the Wolves handed Pontiac Central a 20-14 defeat in a Saginaw Valley Conference game last night.

The Chiefs led 7-6, fought back twice and then late in the game had the potential winning or at least tying drive going but Billmeier and his teammates on the defensive line put a stop to the threat.

With five minutes left to play, BCC was forced to punt. Mike Shorter blocked the punt, caught it in midair and PCH had the ball on the BC 49.

The Chiefs pounded yardage to the 34 and Hardiman Jones picked up eight to the 26.

Bennie Williams got one yard to the 25 and this gave PCH a third down with one yard to go. Williams tried for it and was stoped one foot short.

LOSE YARDAGE

Jones then tried the right side, but the entire Bay City line led by Billmeier converged on him for a three yard loss and the Wolves took over and controlled the ball for the final three minutes.

Bay City scored first after a bad punt of only 10 yards gave the Wolves the ball on the Pontiac 20. On the 4th play Mike Smith went two yards. Smith tried to run the point and failed.

PCH stopped a Bay City drive on the 23 and pounding out short yardage, the Chiefs moved to the Wolves' 25. A 4th down pass failed but a roughing the passer penalty gave Pontiac the ball on the BC 15.

★ ★ ★

On the first play Williams went the distance and Mike Prince made it 7-6.

With a good kick return to the PCH 48, Bay City came back to score. The key play was a 13-yard pass from Rod Parrott to Harry Cowen to the Pontiac 27. A few plays later Parrott drove over from the two and Bill Maxwell ran the point to make it 13-7.

BCC had a 61-yard run by fullback Dan Owczareak for a tally called back in the third quarter.

ON WARPATH — Brother Rice halfback Greg Pilette scampers into the open on one of the numerous runs that saw him gain 136 yards and score three times Friday night against Birmingham Seaholm.

Warriors Dominate Birmingham Play

By JERE CRAIG

Brother Rice confirmed its role as Birmingham's No. 1 high school football power by holding off Seaholm's late-starting Maples, 27-20, Friday night at Groves' field.

Victorious over Groves in 1964 and 1965, the Warriors surprised Southeastern Michigan Association member Seaholm with two early touchdowns in their initial grid meeting.

Adding importance to their victory is the fact that although the Warriors didn't meet Groves this year, Seaholm blanked the Falcons in the public school's annual opener.

Elusive workhorse halfback Greg Pilette burst over from the four with less than three and a half minutes gone in the first period to cap a Brother Rice 71-yard drive in seven plays during which the 170-pound senior gained 56 of the yards.

Pilette lost a fumble at the Seaholm six-yard-line the next time Brother Rice had the ball; then he caught a pass from Bill Rose in the left flat and dashed 44 yards to score, aided by a crunching block from tight end Lee Hart on the last defender.

Hart, incidentally, is the 6-6, 245-pound son of former Notre Dame and Detroit Lion star Leon Hart. A junior, he played an outstanding game blocking and tackling for the Warriors last night.

UPHILL FIGHT

Pilette' s two quick strikes put Seaholm's Maples at a disadvantage they never quite over came, though the running antics of Chris Charlton did bring them into a tie.

Charlton, a duplicate of Pilette at 5-10 and 170 pounds, matched the Brother Rice star's off-tackle bursts with a 16-yard scoring jaunt with only a minute and a half to go in the half.

★ ★ ★

Trailing 14-7 as the second half began, Seaholm — who was forced to delay the start of the game because it had to change jerseys — took a 15-yard delay-of-game penalty for returning to the field late after the intermission.

But the first scrimmage play saw Charlton spring loose around right end, break a couple tackles, hurdle the defensive halfback and outrun the safetyman for an 8-yard touchdown. Art Kale's kick tied the score.

The host Brother Rice squad promptly marched 65 yards on 12 attempts with Dan Parks cracking the final three yards as it went ahead, 20-14.

An exchange of fumbles, with Hart recovering the second one at the Warriors' 33, preceded the winners' clinching score. They drove 67 yards with Pilette posting his third six-pointer by going 16 yards off tackle.

Charlton wasn't through, either. He registered his third touch down on a dramatic 70-yard dash down the left sidelines as the clock ran out in the final period.

Sparky Renault hit the Maple co-captain with a pass in the left flat and no blocking downfield. Charlton headed for the sideline, broke at least three tackles and again outran the final defender.

The classic duel between the two star halfbacks found Pilette notching 136 yards on 18 rushes and catching one pass for 44 yards. Charlton garnered 137 yards on 16 runs and snared the one aerial for 70 yards.

Brother Rice completed its best grid season with a 6-2 log; Seaholm finished 6-3.

CHOPPING A MAPLE—Blockers Don Kacy (77) and Dan Parks double-team a Birmingham Seaholm defensive player on one of the many blocks they threw in springing Warrior halfback Greg Pilette loose last night. Brother Rice surprised the Maples, 27-20, in the first grid meeting between the two Birmingham schools.

Groves Not in Groove

Occasionally, those points after touchdowns come in handy.

Southfield picked up a pair of the PATs last night and used them in taking a 14-12 decision from Birmingham Groves in the 1966 finale for both teams.

The triumph left the Blue Jays with a 6-3 record Groves wound up with a 5-4 mark.

The Falcons led twice in the game, 6-0 and 12-7, but Southfield came from behind on both occasions, the last time in the dying moments of the third period to take the win.

Early in the opening period, quarterback Mike Rafferty ended a long drive with a two-yard dive. Halfback Greg Wood but a penalty nullified the play and the next try for the point went awry.

SOUTHFIELD'S TURN

Then it was Southfield's turn.

Halfback Dave Weiland knotted the score later in the first frame on a 10-yard burst and Tom Osterman, who had kicked 16 extra points going into the game, booted the point for a 7-6 Southfield lead.

Midway in the second, Wood peeled off a 10-yard scoring run and, again Southfield halted the run for the point.

A 92-yard drive that started late in the third ended with the Blue Jays' Greg Anderson running into the endzone from five yards out for the winning touchdown. Osterman added the point.

Vikings Finish 6-2

Walled Lake Ends on Flat Note

The Vikings of Walled Lake came up with a flat performance last night and wound up saddled with their second loss of the season.

★ ★ ★

The Vikings held a brief lead early in the game, but they couldn't keep pace and finished on the short end of a 25-7 score at East Lansing.

"They were up and we weren't," said coach Dave Smith, who was disappointed last week when the game against Plymouth was canceled because of snow.

Smith wasn't alibing, but that layoff coupled with bad weather this week that prevented the team from drilling regularly, no doubt contributd to their efforts on the East Lansing field.

★ ★ ★

The Vikings fumbled four times, losing three of them and had one pass intercepted.

Th biggest headache for the Vikings' defensive unit was halfback Jay Breslin, who scored three times to spark the East Lansing attack.

★ ★ ★

On the second play of the game, Breslin took a handoff and sped 60 yards for a touchdown.

The Vikings stormed back, moving the kickoff 70 yards with Steve Fogle getting the touchdown on a 38-yard run. Fogle booted the point and Walled Lake led, 7-6.

It didn't last long.

★ ★ ★

Breslin bulled his way five yards for a six-pointer in the second quarter and the winners took a 13-7 lead at intermission.

Shortly after Breslin's second TD, the Vikings moved the ball to a first down on the East Lansing one-yard line but they couldn't take it in.

★ ★ ★

Two plays went for no gain and a fumble on third down wound up in East Lansing's possession.

Breslin ripped off his third score on a three-yard slant in the fourth and Bob Stewart closed the scoring with a 36-yard run late in the game.

The setback left Walled Lake with an over-all record of 6-2.

WOLL Ends 2nd Perfect Season

SAGINAW — Waterford Our Lady of Lakes coach Mike Boyd has the undisputed No. 1 ranking among Oakland County prep football mentors today after the Lakers routed Saginaw Arthur Hill Tech, 47-13, last night.

The victory completed an unbeaten campaign for Waterford OLL and gives Boyd two straight perfect seasons after taking the job last year.

Boyd thus is the only current county grid coach to have an unblemished record for his career, standing 14-0 following last night's easy victory.

The Lakers' Vic Tersigni sped into the end zone to climax their first two series with the pigskin. Hitting rapidly, WOLL drove 79 yards in six plays after the opening kickoff.

Tersigni covered the final 22 yards. Following an Arthur Hill Tech punt, he dashed 45 yards, then six yards to paydirt in a 65-yard drive that took only three plays.

FROSH SCORES

Freshman Mike Webster game WOLL a 20-0 halftime lead by plunging one yard late in the second period. Roy Lilly tallied the first two times the Lakers had the ball in the third period. His runs covered 35 and 26 yards.

In all, Lilly gained 172 yards in 10 carries for the game and added his third six-pointer on a 31-yard pass from Tom Sirbaug. Lilly posted one PAT and Tersigni (who ran for 119 yards in 10 tries) scored two conversions.

Don Guibord the limping Waterford ace runner, posted the other touchdown on a six-yard spurt.

It was a frustrating night for defensive end Dennis Forster who three times grabbed Saginaw fumbles and rumbled for touchdowns only to have them called back. Lilly also lost a touchdown by having the play blown dead.

RO Dondero-Kimball in 14-14 Tie

The clock stopped any celebrations which more than 9,000 fans in Royal Oak had in mind last night.

With kicker Jack Runchey trying to get off a field goal on the Dondero 18-yard line, time ran out and highly rated Dondero and Kimball finished with a 14-14 deadlock.

It was one of the most exciting games, before the largest crowd in the 10-year series and it was the first tie. Kimball leads the series 5-4-1.

Dondero scored first after Chuck Larke recovered a Kimball fumble on the 14. Dave Charleton then hit Al Shepler with an 11-yard pass for the touchdown and Fred Heidemann kicked the point.

Kimball hit twice in the second period. The first drive went 51 yards and Mike Yankee went over left tackle 16 yards for the score. Runchey added the point.

FAST SCORE

Later in the quarter, a 52-yard drive took only two plays with Ken Dockett going off right tackle 46 yards for the score and Runchey's kick made it 14-7.

* * *

After a long kickoff return in the third quarter by Shepler and a penalty to the Kimball 37, Dondero needed only five plays to knot the score.

Charleton passed to Larke 20 yards and Heidemann tied the count at 14-14.

With eight minutes left in the game, Dondero had a sneak by Charleton called back for a pushing penalty.

There were 42 seconds left when Kimball started its drive.

The Knights hit on two pass plays to the Dondero 11. On the third play, Dan Molen was hit for an 8-yard loss trying to pass and with no time outs left, and the crowd in bedlam, Runchey lined up for the field goal but couldn't beat the clock.

* * *

Dondero finished the season **8-0-1 and Kimball, champions of the Southeastern Michigan League finished 6-2-1 overall.**

YEA, TEAM!—A few of the Kettering fans get into the mood of the game as they come through with the cheers while their team was coming through with the points in a 20-6 win over Waterford last night.

Rochester Trims Madison

Falcons Flying in '66 Finale

Victory Brings Team Share of 2nd in O-A

The season may have ended too soon for Rochester's Falcons.

They're at a point now where they could take on the Spartans of Warren Fitzgerald, Oakland A League champions.

Rochester tangled with Fitzgerald earlier in the season and came away on the short end of a 34-6 count. But that was long ago.

Lately, the Birds have been the hottest item in the league, with the exception of the champ.

* * *

A month ago, the Falcons blanked Avondale, 14-0. Two weeks ago, they trimmed Warren Cousino, 66-7, in one of the most potent local display of the season.

SLOWED BY SNOW

Last week's snow forced them to sit down a week but they came back last night to knock off Madison's Eagles, 19-6, to gain a share of second place in the league race.

* * *

Madison and Rochester wound up 5-2 in the league race, while the Falcons closed with an overall 6-2 record.

The Falcons went into last night's game a two touchdown undergod, but they choked off one of Madison's top offensive threats and turned a few key defensive gems in posting their sixth win.

Jerry Dash, who had scored 76 points going into the game for Madison, was held to eight yards in 10 carries by the stiff Falcon defense.

* * *

Rochester jumped into a 7-0 lead in the second quarter on a four-yard run by Mike Phillips and an extra point pass from Jim Ball to Don Golding, and opened the lead to 13-0 in the third on a 51-yard pass from Ball to Laurie Kesel.

CUTS LEAD

Madison sliced the deficit to seven points, 13-6, on a four-yard run by Greg Keller in the third, but the Falcons opened the gap again in the fourth when guard Dave Stoner intercepted a pass and raced 55 yards for a touchdown.

* * *

Rochester picked off four Madison passes and three foiled Madison drives. Along with Stoner's TD run with an interception, Bob Woodruff intercepted one in his endzone to kill a third-period drive and moments later Kesel picked off another in the endzone.

* * *

Madison made it into Rochester territory only once in the first half and that drive was halted at the 37.

Romeo Treats Dads to Win

The Bulldogs of Romeo were treated to steak dinner yesterday and after it was all over they went out onto the football field and reated a Dad's Day crowd to a 7-6 victory over old rival Utica.

The victory gave Romeo possession of the "Little Brown Jug" in the series with Utica for the first time since 1957 when they won 25-0.

The Bulldogs stopped the potent Utica running attack of Gordon Schwartz and Gary Leiber and finished the season with a 6-2 record, compared with Utica's 5-4 mark.

SAME LEAGUE

Next year the two teams will have more at stake when they play as members of the Oakland-A League.

The Chieftains scored first in the opening period with Lieber going 11 yards following a 50 yard march. Lieber's run for the extra point failed.

In the first quarter, John Thomas recovered a Utica fumble on the 32 yard line. Two key pass plays from quarterback Dick Hanley to Brad Cahaka and Greg Ganfield put the ball on the Utica six.

The quarter changed and after two rushing plays and a play failed to start the second period, Romeo had a 4th down and one to go on the one yard line.

Hanley sneaked over for the TD and Frank Praino added the all important point with a placement.

Romeo's defense stopped a couple Utica drives, and the Bulldogs drove to the Utica four yard line in the third quarter, but lost the ball back on the 20 with penalties.

Romeo played control ball with Hanley's play calling and Czhaka's running, outgaining Utica 162 yards to 91.

Armada Caps Memorable Campaign

Followers of Armada's Tigers are hoping they won't have to wait another 35 years for their football team to have a big season.

* * *

The Tigers put the led on an 8-1 campaign last night with a 25-12 triumph over Richmond, marking their best season since a 6-0 mark back in 1931.

The Tigers sewed up the the Southern Thumb League Championship a few games ago. The only blot on the squad's record was the season-opening 19-14 setback at St. Clair.

In another Thumb game, Imlay City ran its record to 7-3 with a 14-6 verdict over Almont.

* * *

Armada came up with touchdowns in the first two quarters for a 12-0 halftime lead and closed their offensive efforts with 13 points in the third stanza.

SPARKS WIN

Quarterback Lee Thompson sparked the Tiger victory. He scored one touchdown and passed for another in the easy triumph.

* * *

End Ron Rush hauled in a 30-yard Thompson pass for the first score and Thompson sneaked three yards for the second.

Jim Voelicker picked up the final Armada tallies on runs of 59 and 33 yards in the third stanza. Carl Reiter ran the point after Voelcker's first touchdown.

Jim Hollis ran 40 yards for a score and Larry Shue took a 50-yard pass from Dennis Bowman for the Richmond scores.

Imlay pushed across touchdowns in the first and fourth periods to down Almont.

Wayne Brinker sped 54 yards for six points for Imlay in the first and Jerry Stryker picked up an Almont fumble and romped 23 yards for the other Spartan six-pointer. Chet Marcol booted two extra points.

Frustrating Night in Oxford

Victory, Tie, Defeat for SEM Elevens

Berkley came up with a winner, Ferndale rallied for a tie and Hazel Park was blanked as those three wound up the 1966 football season last night.

The Bears of Berkley pinned a 37-0 setback on Oak Park, Ferndale and Port Huron battled to a 20-20 deadlock and Roseville's Wildcats turned back Hazel Park, 20-0.

Oak Park and Berkley, neither with anything to crow about this season, wound up with identical 2-7 records.

Berkley was nursing a 6-0 lead at halftime but pushed across a pair of touchdowns in the third quarter and broke it open with three more in the final frame.

Dean Henkel opened the scoring door for the Bears with a one-yard sneak in the first and it was all the Bears needed.

RETURNS KICKOFF

In the third, Ian Redpath took the kickoff at the start of the second half and raced 80 yards for a touchdown, and moments later, Jim Gillespie raced 12 yards to open up an 18-0 lead.

* * *

In the fourth, Dennis Cox ran 15 yards for a score, Larry Page took a 12-yard pass from Larry Duncan for another and Larry Israel raced 30 yards for the final tally.

Quarterback Monty Heclo flipped a 10-yard scoring pass to end Wayne Clapp with 6:15 left in the game and Jim Thomas ran the extra point to give Ferndale a tie with Port Huron.

Port Huron had moved in front 20-13 moments earlier on a two-yard plunge by Gerald Noble and a PAT kick by Bruce Christick.

Other Port Huron scores came on a four-yard dive by Bob Bales and a 40-yard run with an intercepted pass by Steve Jurk.

Heclo ran seven yards for the first Ferndale score and dived over from one-yard out for the second tally.

Ferndale finished the campaign with a 2-6-1 mark while Port Huron closed at 1-7-1.

Roseville (9-1) won its eighth in a row by blanking Hazel Park (1-7).

Wildcats, Orion Play 6-6 Game

Penalties Mar Tilt; Aerials Aid Dragons

By DON VOGEL

It was a frustrating night of football in Oxford Friday.

Lake Orion came within an extra point of snapping its 17-game losing streak. A stout Orion defense and a flock of penalties thwarted Oxford at almost every turn.

The final score was 6-6.

* * *

Oxford chalked up its touchdown the second time the Wildcats gained possession in the first quarter. Mickey Cummings sprinted over right tackle and raced 62 yards. Roger Miller's conversion kick was blocked.

Late in the first period, Lake Orion started a 65-yard march that was capped on the first play of the second quarter when halfback Tim O'Dea swept right end from the 22 with clearing blocks by Dave Leach and Jim Ross.

But Ross was stopped short on a plunge for the extra point.

Penalties totaling 130 yards hurt Oxford and two Wildcat touchdowns were nullified. After a 22-yard reverse by Garry Cummings was called back, the Wildcats drove to the Orion two only to be hurdled back to the four.

The Dragons, trying to play over 100 yards in penalties, drove to the Oxford 21, 34, 27, 16 and 30. Penalties bogged down two drives, an interception stopped another and the Wildcat defense took care of the rest.

LAST GAME

This was the closest Lake Orion had come to victory in the last two campaigns. They finished the season with an 0-8-1 record. Oxford completed play with a 4-3-1 mark.

Orion gained only 63 yards rushing against the Oxford defense led by lineman Rich Rowley, Paul Trask and Richard Krause and linebacker Dan Jones.

But quarterback Corky Groesbeck kept the Wildcats loose with his passing. The Dragons hit 12 of 31 aerials for 176 yards. End Roy Kibbie was the top receiver with six for 95 yards.

Mickey Cummings paved Oxford with 104 yards in 10 tries. He had a 27-yard TD run called back by a penalty.

* * *

Lake Orion almost handed Oxford the game on what would have been the last play. Tim Kelley raced 31 yards to the Dragons' 40 before being tripped up. But Orion was guilty of roughing and the ball moved to the 25.

Because a game can't end on a penalty, the Wildcats had one more chance. Miller's 41-yard field goal attempt was on target, but fell five yards short.

Scoreless Second Half Dooms Avondale, 41-20

Avondale's hopes for an upset faded with a letdown in the second half last night as the Yellow Jackets dropped a 41-20 thriller to Marysville.

In another game, Warren Fitzgerald capped a 9-0 season with a 40-7 triumph over Center Line.

Avondale, closing the '66 campaign with a 1-8 record, held a 20-14 lead at halftime, but Marysville came up with a touchdown in the third to take a 21-20 lead and wrapped it up with three six-pointers in the fourth.

Quarterback Bob Partridge turned out to be too much for the Yellow Jackets to handle.

* * *

Partridge scored three touchdowns and passed for another and it was his running under pressure in the second quarter that kept Avondale from breaking the game open.

EARLY LEAD

The Jackets jumped into a 7-0 lead on a one-yard sneak by Archie Anderson and a PAT run by Bob Burt, but Partridge, back to pass, was hemmed in but got away for a 65-yard touchdown run and Steve Plunkitt's PAT kick tied the game.

* * *

Burt flipped a 57-yard pass to Saunders moments later to push the Jackets back in front, but Partridge made it 14-13 Marysville with a 14-yard run and the second of Plunkitt's five PAT kicks.

Saunders regained the lead for Avondale by hauling in a 39-yard toss from Burt and the Jackets left the field at intermission with a 20-14 margin.

The second half belonged to Marysville.

* * *

Partridge passed 14 yards to Ron Goodin to put Marysville in front, 21-20, in the third, and in the fourth, C. J. Knuth ran 10 yards for a score, Partridge picked off a pass and ran 24 yards for a TD and Toby Hurst iced the game with a 35-yard scoring jaunt.

BIG MARGIN

Fitzgerald rolled up a 27-7 lead at halftime and coasted to victory.

* * *

Bill Kinnie sparked the Fitzgerald attack with scoring runs of 36 and one yards. Defensive tackle Dick Dobertsein recovered a lateral and sped 42 yards for the first Spartan score.

Other Fitzgerald tallies came on a three-yard run by Roy Rackham, a 20-yard pass from John Pahoski to Larry Gintner and a one-yard sneak by Jerry Cooper. Pahoski kicked four extra points.

* * *

Chet Olejniczak raced 82 yards for the Center Line touchdown and Dennis Pricucski kicked the point.

Vikings to Risk Strong Finish Hopes Against Lions

QB Tarkenton Fuels Offense at Minnesota

Thorough Test Looms for Bench Strength; Lions Eying Upset

MINNEAPOLIS — ST. PAUL (AP) — Fran Tarkenton and a proud defense have ignited the fuse on a Minnesota Vikings mid-season explosion which Coach Norm Van Brocklin hopes will carry them to eight straight victories in the National Football League season windup.

Biggest damper on such enthusiasm is the knee injury which has sidelined halfback Tommy Mason for the remainder of the season.

The Vikings learn Sunday how much his loss will be felt when they take on the Detroit Lions in Metropolitan Stadium.

Van Brocklin feels second-year man Dave Osborn, who will start in Mason's place Sunday, and rookie Jim Lindsey are ready to adequately fill the gap.

Osborn came off the bench against Green Bay last Sunday after Mason was hurt and rammed his way for 28 yards in nine carries when the going was toughest late in the Vikings' 20-17 upset of the Packers.

Lindsey filled in creditably earlier this year when knee troubles benched Mason.

LINEBACKER OUT

The Vikings also have regular outside linebacker John Kirby lost to a foot injury. Rookie Don Hansen replaces him.

And split end Paul Flatley is nursing a sore knee. We will not start, although he likely will play some if needed. Lance Rentzel replaces Flatley.

The Vikings will be shooting for their third straight victory, one which would even their 1966 record at 4-4-1.

Detroit brings the Western Division's last-place team to town but the always-rugged Lion defense is not to be taken lightly. Add to that Detroit's new quarterback, Karl Sweetan, who has found end Pat Studstill often enough to make opponents wary.

Lions Coach Harry Gilmer, a former Van Brocklin aide with the Vikings, has had a mountain of personnel problems to cope with this season.

Gilmer may not be long on the Detroit scene, despite another year to go on a contract and the verbal backing of owner William Clay Ford. Lions fans sang "goodbye Harry" to Gilmer and exhibited anti-Gilmer banners at the last Detroit home game.

SLIPS AWAY—The ball slips through the arms of Pittsburgh end Bob Longe (82) as Miami defender Hal Carew (23) grabs his helmet in the first half of last night's game in the Orange Bowl. The Hurricanes blew Pitt off the field, 38-14.

Brown Regulars Ailing for Clash With Eagles

CLEVELAND (AP) — Center John Morrow is sidlined and two other Cleveland Browns regulars are doubtful for the game with the Philadelphia Eagles here Sunday afternoon.

Kicking specialist Lou Groza and defensive back Erich Barnes were injured in practice Wednesday, but both remained hopeful of playing against the Eagles.

★ ★ ★

The 42-year-old Groza suffered a back injury while working out on a blocking machine and Barnes suffered a sprained left ankle while running on the rain-slick practice field.

HEALING TIME

Barnes seemed to have the better chance of healing in time for the kickoff Sunday as the Browns face the task of having to win the remainder of their games to remain in contention in the National Football League's Eastern Conference race.

★ ★ ★

The Browns created two openings on their roster Thursday by placing Morrow on the injured reserve list and Gary Lane, a rookie quarterback, on the tari squad. Waivers were asked on Lane but he was not claimed by any other team.

★ ★ ★

In other National Football League Sunday, St. Louis is at Pittsburgh, Baltimore plays Atlanta, Dallas meets Washington, Philadelphia is at Cleveland, New York travels to Los Angeles and San Francisco plays Chicago.

The 49ers, victorious in four of their last five battles, were humiliated by Gale Sayers and the Bears last December when Sayers ripped off six touchdowns in a 61-20 Chicago triumph.

Sayers is not having as good a season as he did last year when he was the league's top rookie but he still ranks third among NFL rushers with 630 yards.

★ ★ ★

The Bears are rated one touchdown favorites, mainly because they will be home. They were tied 10-10 by Detroit last Sunday while San Francisco was downing rival Los Angeles 21-13 as quarterback John Brodie completed 21 of 31 passes for 277 yards and one touchdown and ran for the other two scores.

The Baltimore Colts are solid favorites to boost their record to 7-2 and claim a tie for the top spot in the division with the Green Bay Packers, who are idle.

SELLOUT GAME

The Falcons have lost all eight NFL games since joining the pro ranks, but the game has been a sellout for weks because many Southerners had adopted the Colts as their team before a franchise was placed in Dixie.

Most popular Colt is pass-catcher Jimmy Orr, former University of Georgia standout.

Coach Norb Hecker said he expects the Colts' John Unitas to aim most of his passes at Orr, although Raymond Berry is Baltimore's top receiver with 35 grabs for 497 yards.

★ ★ ★

The Pittsburgh Steelers activated defensive back Bob Hohn Friday to strengthen the defense. Jim Bradshaw, who has an injured ankle, won't play Sunday.

★ ★ ★

Bob Schmitz, a linebacker for six years in the National Football League, was put on waivers to make room for Hohn.

The Steelers also announced that flanker Gary Ballman, who was sidelined with a virus, is expected to play against the St. Louis Cardinals Sunday.

Madden Muscles Lead Fenton's Rout of Holly

Fenton's Tigers showed Holly why they are ranked among the state's Class B powers.

The Tigers, who hold down the No. 5 spot in the Associated Press prep grid poll, flexed its running muscles last night and romped past the Broncos 39-0.

The Madden brothers, Mike and Don, started the rout with touchdown runs in the opening period, and the winners added single touchdowns in the second and third quarters and closed with a pair of six-pointers in the final frame.

Mike opening the scoring door with a 58-yard scoring scamper and brother Don followed quickly with a five-yard burst.

Doug Walker took an 18 yard pass from Bob Niles in the second period, Vance Huff went over on an eight-yard run in the third, Niles ran 18 yards for a score in the fourth and Rick Rockman put the lid on the game with a 75-yard scoring run after intercepting a Holly pass.

Ken Wegner kicked three extra points.

The win gave Fenton a 9-0 record, while Holly wound up the campaign with a 2-7 mark.

Students Get Holiday for Hunting Day

NASHWAUK, Minn. (AP) —Faced with likely widespread hooky playing because of the opening of the state's deer hunting season this weekend, school officials at this far north Minnesota community have surrendered.

Pupils at Nashwauk High School and nearby Keewatin Junior High will get a holiday Monday to go hunting.

★ ★ ★

The district school board voted 5-1 for the holiday after a pair of high school seniors, Joe Simone and Kim Ross, presented a petition bearing more than 600 signatures of pupils seeking the time off.

The schools' principals supported the pupils, saying there probably would be a high rate of absenteeism anyway. The pupils volunteered to make up the time lost at a later date — if necessary, of course.

AFL Contenders Eye Miami Miracle at KC

By the Associated Press

San Diego will try to repeat, Oakland will try to go along with the trend and both will anxiously hope for a small miracle in Kansas City.

The Chargers and Raiders meet in San Diego Sunday and the team that loses can just about count itself out of the Western Division race in the American Football League.

Even the winner will not be in an enviable position. The Kansas City Chiefs are leading the division with a 7-2 record and test their three-game winning streak Sunday at home against Miami, last in the Eastern Division.

San Diego is in second place with the West with a 5-3-1 mark and Oakland is one-half game back at 5-4. Thus, somebody is going to have to knock off the Chiefs if the Chargers or Raiders are going to have a chance for the title.

San Diego beat Oakland 29-20 on Sept. 25 and Sunday will have the added advantage of its home field. But the Chargers will have to fight against something of a jinx as far as rematches in the league are concerned.

In the 11 repeat contests played so far this season, the team that won the first game was victorious in the second only three times. The only repeat winners have been Buffalo, Oakland and Kansas City.

★ ★ ★

The Chargers will be without Lance Alworth, their superior flanker, who hurt a hamstring muscle last week against the Chiefs. Clem Daniels leads the Raider attack — he's fourth in the league in rushing and tied for 10th in pass receiving — that has carried Oakland to victories in four of its last five games.

Kansas City figures to have an easy time of it with Miami, which has won just two games, while losing six. The Chiefs lead the league in total and rushing offense and are third in total defense.

★ ★ ★

The top game in the East is New York at Buffalo. Golf Raises Large Fund for Charity

AKRON, Ohio (AP) — The Professional Golfers Association Golden Anniversary Championship here last July raised $204,000 for Akron charities, Raymond C. Firestone, honorary chairman of the tournament, announced Friday.

Since big-time golf came to Akron with the 1960 PGA championship, professional golfers have earned more than $1,342,000 in tournaments and televised shows at the Firestone Country Club, the announcement said. Of this, more than $450,000 went to Akron charities.

Wilt Paces 76er Victory

By THE ASSOCIATED PRESS

Ready or not, here comes Wilt.

After surprising the National Basketball Association during the first month of the season by playing a low-scoring, passing-off kind of game, Philadelpha's Wilt Chamberlain poured in 37 points Friday night, leading the 76ers to a 126-113 home-court victory over Chicago.

★ ★ ★

Chamberlain, who has led the league in scoring ever since he joined it seven years ago, wasn't even among the league's top 20 scorers in the first set of statistics released last week.

Kickoff 1:15 Sunday at Wisner Stadium

MFL All-Stars Favored to End Arrows' Home Streak

Another championship season comes to an end for the Pontiac Arrows Sunday at Wisner Stadium, but a talented array of Midwest Football League All-Stars threaten to end it on a sour note.

The Arrows must take the role of underdogs against MFL squad coached by former Birmingham Seaholm and Detroit Lions' star Tom Tracy.

The kickoff at 1:15 p.m. is expected to draw 3,000 fans to Wisner.

★ ★ ★

A defeat for the Arrows would be the first of any kind on their "home" turf at Wisner Stadium in two years.

With placekicker Ed McQueen on the injured list, hampering Pontiac's field goal or extra point production, the All-Stars have been made five point favorites.

Dayton's Lando Steele, who has chalked up 42 points on placements, including three field goals, gives the All-Stars the big advantage in this department.

★ ★ ★

The big lineman will be on the offensive line for the All-stars. He was a solid choice on the All-League team the past two years.

PISTOL PETE

The All-Stars' strength lies in the passing of Pistol Pete Mikolajewski and an abundance of receivers headed by Jim Stewart of Lansing, Al Baldwin of Flint, Keith Smith, Dick Miller and Chuck McElligott of Dayton and Dave Johnson of Lansing.

Stewart, the top receiver in the league, is coming up from Miami, Fla. for the game. He has been talking to Miami Dolphin officials and has been promised a trial with the AFL team.

Other players in the game will also be given trials by AFL or NFL teams.

Pete Mikolajewski has been asked by the Lions to go into camp for a trial, as will Pontiac's Tony Odneal. Another Arrow, halfback Jim Johnson is awaiting word on his test also with Miami.

STINGY DEFENSE

If Pontiac's defense, the stingiest in the MFL this season, can contain Pistol Pete's passing and the bevy of receivers, it could prove the primary factor in the contest.

The front line of the Arrows led by All-League defensive end Don Quinn, has John Yersick, Chico Johnson and Dick Storms in the front four, with the best linebacker in the league Steve Szabo holding down the middle spot.

Jesse Parrish, Mike Pryor, Irv Ratazak and Gene Luppino will have their hands full in the secondary guarding the talented receivers of the All-Stars.

Coach Lyle Wells will start Ron Bishop, former Royal Oak Shrine and U. of D. quarterback against the MFL stars.

Flint coach Bob Suci and Ed McCracken of Dayton are assisting Tracy in workouts of the All-Stars today.

Tickets are available in advance today at Griff's Grill, Osmun's Men's Store, Bob-Ken's and VFW Post 1370. Gates will open at Wisner tomorrow at 11:30 a.m.

U.S. Pulls Ahead, Palmer Slips

Canadian Pro Opens Margin

Knudson Now Leads Arnie by 4 Strokes

TOKYO (AP) — George Knudson, the dapper Canadian, stretched his lead on Arnold Palmer to four strokes at the end of the third round of the Canada Cup international golf classic today as the United States took a strangle hold on the team championship.

Knudson shot 32-34-66 over the chilly, windy Yomiuri course giving him an eye-popping 64-68-66—198 for 54 holes, 18 under par. Palmer shot 34-35—69 for 66-67-69—202 as he saw his one-stroke deficit of Friday widen disastrously. Par for the 6,962 yard hilly course is 72.

★ ★ ★

Still in individual contention was Hideyo Sugimoto, the big Japanese professional who is playing his home course. He shot 32-36—68 for 66-69-68—203. And surging up was Jack Nicklaus of the United States, who had his best round yet, 34-33—67. This gave him 69-68-67—204.

The combination of Nicklaus' and Palmer's mighty sub-par golf resulted in a team score of only 406 for the United States, 26 under par. Next was Australia, 413, and South Africa, 415. Before the four day, tournament it was freely predicted that the team championship would go at 15 under par.

For Knudson, who cheerfully proclaimed himself "the world's worst golfer six months ago," there were two big holes in his six under par round. On the par 5 508-yard fourth his approach shot a four iron carried 180 yards and landed eight inches from the cup. He tapped it in for an eagle 3.

ABC Committee Holds Confab on Big Series

MILWAUKEE (AP)—A special American Bowling Congress committee will meet at ABC headquarters here Saturday to consider official recognition of the 876 series bowled Oct. 26 by Carl Wilsing of Sheboygan, Wis.

The total, which included games of 298, 300 and 278, ranks second nationally in all-time sanctioned ABC league competition to the 886 bowled by Allie Brandt of Lockport, N.Y. in 1939.

STATE RECORD

The 56-year-old Wilsing bowled the all-time Wisconsin sanctioned league record in the Root Major League at Sheboygan. It topped the previous state mark of 854 set by Frankie Benkovic of Milwaukee in 1938 but missed by two pins the state's open bowling record of 878 by Billy Sixty of Milwaukee in 1938 on games of 300, 300, 278.

The lanes and the pins used in Wilsing's record series were checked before noon the following day, said Al Matzelle, ABC assistant secretary-treasurer. But examination of the findings have been withheld for a special committee "because of the magnitude of the achievement," Matzell added.

Members of the committee are ABC president Matthew Bennie, Washington, D.C.; ABC vice president Harry Sherwood, Los Angeles; ABC high score awards committee chairman Joe Robelotto, Albany, N.Y., and Raymond V. Arnold, Jackson, Mich.

Miami Looses Scoring Punch

Hurricanes Swamp Pittsburgh, 38-14

MIAMI, Fla. (AP) — The Miami Hurricanes, who usually rely on a brawling defense, finally found a scoring punch Friday night against Pittsburgh, trampling a weak Panther team, 38-14.

Quarterback Bill Miller, sidelined two games back because his wild passing was giving Coach Charlie Tate a bad case of nerves, came off the bench and probably won his job back with a sterling performance.

★ ★ ★

Sent into action after David Olivo failed to move Miami, Miller hit 13 of 16 passes for 195 yards, threw for one touchdown, ran for another and allowed no interceptions in two quarters of work.

When he turned the job back to Olivo, the score was 31-0.

Rainstorm Stops Play

CARACAS, Venezuela (AP) — A tropical rainstorm washed out the second round of the Caracas Open Golf Tournament at the Valle Arriba Golf Club Friday, ruining another four-under-par 66 round by Jim Ferree.

★ ★ ★

Ferree, who was the first round leader with a 66, had finished play before the rain washed out all scores.

★ ★ ★

The second round will be played Saturday, and the field will be cut to the low 40 and ties for the 36-hole final on Sunday.

Dean Refram also had a second-round 66 wiped off the board.

Other State Powers Stunned

St. Ambrose Wins Crown in Upset

By the Associated Press

Pint-sized Detroit St. Ambrose, ranked fourth in the Associated Press Class C-D prep football poll, won the Detroit Catholic League title Friday with a 6-0 upset victory over eighth-ranked Class A power Harper Woods Notre Dame.

The victory earned the Cavaliers the right to meet the winner of today's Detroit Public School League championship game for the city title next Saturday.

★ ★ ★

Detroit Denby, ranked No. 3, met Detroit Southwestern this afternoon.

St. Ambrose carried the Irish right down to the wire before winning. Tony Carucci set up the lone TD when he recovered a Notre Dame fumble at the Cavalier 46-yard line. St. Ambrose marched 54 yards in 10 plays to score with Rich Bommarito punching over from the one.

TOP TEAM

Battle Creek Central, the state's top Class A power, rolled past intra city rival Lakeview 21-7 as Eugene Brown scored two touchdowns.

Top-ranked Buchanan and Middleville, sporting a combined record of 64 straight football victories, suffered stinging upsets Friday in their final games.

Buchanan, ranked first in The Associated Press Class B poll, fell to Dowagiac 14-7, and Middleville, No. 1 in Class C-D, was toppled by Comstock Park 31-7. Buchanan's loss ended a 33-game winning streak. Jim Boyd led the Dowagiac assault with 188 yards in 28 carries, scoring one TD. The winning score came on a 15-yard run by Curley Garrett with an intercepted pass.

The last time Buchanan lo was a 3-0 defeat at the hands of South Bend (Ind.) Clay in the 1963 opener.

Comstock Park, only 5-4 this year, made it four straight victories in ending Middleville's 31-game winning skein. Comstock Park jumped to a 19-0 halftime lead on a pair of TD passes by Skip Weatherford and Middleville never recovered. Tom Warner, Middleville's great halfback, with 1,538 yards and 171 points this season, was knocked unconscious in the second half and was withheld from the game.

Frankenmuth, rated second in Clss B, had a scare before edging Elkton-Pigeon-Bayport 20-19. Frankenmuth won after recover ing a Laker fumble at the 17 and marching 83 yards to score. Steve List scored the TD on a 34-yard run. Terry Weiss missed the extra point but a double penalty gave him a second try and he cashed in to provide the victory margin.

Chiefs Lose to Bay City

(Continued from Page D-1)

then intercepted a Bay City pass and ran it from his own 20 to the BC 35. A clipping penalty, lost yardage and finally a fumble by Williams stopped any Chief bid.

★ ★ ★

Bay City took over on its 35 and went the distance with Maxwell going 15 yards to pay dirt and Owczarcak running the point.

The Chiefs came back and after a big run by Jones of 43 yards to the Bay City one, Williams went over and Prince converted with 7:16 left to play.

It was after the ensuing kickoff that Bay City was forced to punt and when Shorter's block gained the ball for the Chiefs.

Pontiac Central and Pontiac Northern will go into their intra-city game next Friday night with identical 4-4 records.

Miami Huddle Nets Cookie Car Promise

MIAMI, Fla. (AP) — Cookie Gilchrist, The Miami Dolphins' 260-pound fullback who threatened to quit unless he got a $5,000 car, is getting it.

Cookie, one of the toughest backs in the American Football League for four years, huddled with Dolphins' executive Joe Robbie Thursday and emerged from the scrimmage with a promise of the car.

"Everything's fine," saidl Gilchrist. "I get to keep the car for a year and then have the option to buy it at the wholesale price."

He added: "I haven't decided on the color yet."

So Gilchrist will accompany his teammates to Kansas City to play the Chiefs Sunday.

He had argued that the car deal was in his contract.

Port Huron Sextet Coasts Past Rival

COLUMBUS, Ohio (AP)—Port Huron struck for two goals early in the first period and went on to an easy 5-3 victory over the last place Columbus Checkers in International League hockey Friday night.

The Flags led 5-1 on goals by Frank St. Marseille, Ron Vernette, Lloyd Maxfield, Marty Reynolds and Ken Saunders before Columbus came back with two goals in the last period.

Scoring for Columbus were Al White, Mike Rouleau and Roger Ouimet.
