Discussing State Highway Plans

EXPLAINS EXPRESSWAY ROUTE — State Highway Commissioner John C. Mackie (center) explains to Pontiac Rotary Club President William Dean (left) and Willis M. Brewer, coordinator of Oakland County roads, where the proposed Pontiac expressway (new U. S. 10) will be located. Mackie outlined to Pontiac Rotarians yesterday future road building in the county.

Pontiac Expressway to Be Most-Traveled in Michigan---Mackie

By GEORGE T. TRUMBULL JR.

The proposed six-lane Pontiac expressway "will become the most traveled road in Michigan and one of the most traveled in America," predicted State Highway Commissioner John C. Mackie yesterday.

"It will carry over 130,000 vehicles per day in 1970," Mackie told a jam-packed meeting of the Pontiac Rotary Club at its weekly noon luncheon at the Waldron Hotel.

The 37-year-old Mackie, who will complete his first year as boss of Michigan's highways July 1 told Rotarians and guests why this limited-access expressway construction has been given priority over the proposed extension of Northwestern Highway across western Oakland County.

He said to go ahead with the $45,000,000 improvement of Northwestern would be "financial madness."

However, he assured many that insist this project should come first, that it has not been dropped.

He said the bond money, roughly now $22,000,000, would be spent to bring Northwestern up "to expressway standards from the vicinity of Eight Mile road north to Telegraph."

Mackie said he could see "no legal conflict" in using money from the $25,000,000 bond issue originally for work on Northwestern.

The Democratic commissioner, whose refusal to proceed with the extension of Northwestern has drawn the ire of a protest group, said he discovered "an interesting paradox" in Oakland County highway planning when he took over from his Republican predecessor, Charles M. Ziegler.

★ ★ ★

He then went on to say why he gave the green light to the Pontiac expressway (new U.S. 10) project over the Northwestern job.

NEEDED MOST

"I chose to program the road that was needed the most . . . first," he said.

The expressway, which will run to the east of Pontiac, will be the middle link between the Walter P. Chrysler expressway and downtown Detroit on the south, with the Fenton-Clio expressway at the southwest limits of Flint on the north.

It will be part of a huge interstate route which will eventually provide a modern four-lane, divided, limited-access route from Detroit north to Mackinac and Sault Ste. Marie.

USED BY MORE

Mackie said that traffic volumes indicate nearly four times as many

GM, UAW Meet Today in City

To Discuss Closing of Die Room at Fisher Body Plant Here

General Motors executives and officials of United Auto Workers Local 596 were scheduled to meet today to discuss closing the die room in the local Fisher Body plant.

Union officials charged yesterday that the GM division was going to close the die room, and put some 500 workers out of jobs.

There was no comment from Fisher Body officials, other than they would attend the meeting today.

★ ★ ★

"The union is trying to keep General Motors from throwing these people into idleness, insecurity and a greatly reduced standard of living," said E. S. Patterson, administrative assistant to UAW vice president Leonard Woodcock.

"GM has no moral right to scrap workers just because it decides to scrap one of its operations," he added.

Patterson continued, "It will create a staggering economic burden and intense psychological hardship for workers, their families and their community. It will spread the question among other workers and communities of who will be next."

★ ★ ★

"Neither the nation nor the people can afford the loss of confidence this would bring," he added.

Rescue 24 Men After 13 Hours Trapped in Mine

West Virginia Crew Prays, Sings as Team Opens Old Passage

SHARPLES, W. Va. (AP)—Twenty-four men, trapped more than 13 hours in a flooded coal mine, were brought to the surface unharmed and in good condition at dawn today.

They came out through an abandoned air shaft of the Boone County Coal Corp No. 2-A mine.

Trucks picked them up and carried them to the mine bathhouse where they were met by their families and friends, who had waited anxiously through the night.

A four-man rescue party reached the trapped miners by threading through the honeycombed passages of a section which had not been worked since the 1920s.

Contact was made about 2:15 a.m., but it was not until two hours later that a runner reached the surface with news that the men were safe.

The first man up the air shaft, Orville Kitchen, emerged at 4:50 a.m. The last man came out an hour later. He was Robert Turner, 48, assistant general foreman. The air shaft is more than a mile from the place where the men were found.

OVERJOYED AT RESCUE

James Bradley, 35, was overjoyed at being rescued so soon.

"We had planned on being there four or five days, or maybe longer," Bradley said. He said they had no food and only a little water.

Another of the rescued men, Don Hamilton, 42, said: "We spent our time just resting. We were singing and praying."

The 24 were the entire work force on the day shift yesterday. The water, which flooded part of the mine and cut them off, broke through about 1 p.m., jamming passageways with debris.

It came from a pond above the workings. The pond was swollen by recent rains.

★ ★ ★

Crawford L. Wilson, chief of the West Virginia Department of Mines, estimated it was only 50 to 75 feet from the bottom of the pond to the nearest mine passageway.

The breakthrough was at a point about half a mile inside the main entrance. Twenty-two of the men were working nearly a mile farther inside.

SLOPE SAVED THEM

The trapped men probably owed their lives to a slope away from them, so that water did not reach the place they were working.

When the break came, two men were on a mine motor hauling a load of coal cars toward the main entrance. They saw the water, and turned back to join the others.

8 Area Residents Unhurt as Plane Skids to Landing

Eight Birmingham area persons escaped possible injury or death yesterday when a crippled airliner skidded safely to a landing at Charlotte, N.C.

Fifty-eight passengers, including at least 14 from Michigan, plus seven crew members were trapped in the air three hours as the Miami-bound Eastern Air Lines Super-Constellation circled the field with a broken nose wheel. No one was hurt in the landing.

The list of passengers includes:

Richard J. Egger, of 955 Canterbury Rd., Birmingham, a Burroughs Corp. engineer.

Mr. and Mrs. Robert L. Biggers, of 305 Lakewood Dr., Bloomfield Hills. Biggers is president of the Chrysler Corp. Fargo Division.

T. Curtis McKenzie, of 32300 Lahser Rd., Bloomfield Township, president of the Klem Chemical Co., Dearborn.

Wesley S. Rigby, of 381 Glengary Rd., Birmingham, assistant manager of automotive sales for Wagner Electric Co., St. Louis.

Mr. and Mrs. Tim C. Meulenberg, 477 Lake Park Rd., Birmingham. Meulenberg is with the Automotive Rubber Co., Detroit.

Kenneth P. Martin, of 4250 W. Orchard Hill Dr., Bloomfield Township, general manager of LeMaire Tool Co., Birmingham.

A defective nose wheel, which could not be raised or lowered from its half-down position, caused the emergency.

Capt. J. J. Randall, of Miami, discovered the faulty wheel just after he took off from Charlotte airport for Atlanta.

While the plane circled, burning fuel, stewardesses served lunch and prepared for an emergency landing, anchoring down heavy objects, opening doors and windows, storing loose gear.

"Nobody seemed really worried," said Meulenberger afterwards. "The crew took off the escape hatches about 30 minutes before we landed. It was windy and cold and noisy, but no one seemed to mind it too much."

Ground crews had prepared the field by spreading a four-inch coating of fire-preventative foam over the runway. Fire trucks and ambulances stood by.

When all efforts to raise or lower the wheel failed, Randall ordered all passengers to the rear of the

150 Die in 2nd Train Wreck; Brazilians Rioting in Anger

RIO DE JANEIRO (AP)—President Juscelino Kubitschek today ordered an investigation into the crash of two commuter trains in which an estimated 150 persons were killed.

It was the second disaster in as many months on the government's Central do Brasil line and the worst train wreck in Brazil's history.

Some 300 more passengers were injured last night when one electric commuter train plowed into the rear of another.

Rescue workers toiled through the misty night to pull the dead, dying and injured from the twisted metal cars piled along embankments 10 miles north of Rio de Janeiro.

Thousands ringed the scene of the wreck. At nearby stations other angry commuters rioted in protest.

★ ★ ★

Sixty-seven passengers were killed March 7 when three Central do Brasil trains rammed together.

Until yesterday the highest death toll in a Brazilian rail wreck had been 119, in 1952.

Kubitschek, who went to view the wreckage at midnight, said the investigation would get under way at once and he would take "necessary measures no matter who is hurt."

Officials said one train of five cars was stopped about 100 yards north of Manguiera station when an eight-car train came down the same track at about 45 miles an hour.

The engine of the speeding train sliced through three quarters of the rear car of the stopped train.

Police Believe Youth, 17, Killed Father of Six

Shows Officers Where Man's Body Buried in Belding Yard

BELDING (AP) — Sgt. James Kiomento of the Ionia State Police Post said today new evidence indicates Larry Fisher, 17, committed the slaying of Robert McNinch, 52.

Kiomento said questioning of McNinch's wife, Marian, 26, indicated she had been covering up for Fisher by admitting she shot her husband April 12.

Fisher had been living at the McNinch family home in Belding. He has not yet been questioned by State Police.

Ionia County Prosecutor Ronald Van Buren said Mrs. McNinch told him yesterday that she shot her husband with a .22 caliber rifle following an argument.

Van Buren said: "There is evidence that Fisher is a principal and not an accessory. We have a statement from the woman that he did it. We don't know if she is trying to shift the blame but she did change her story."

McNinch's body was found buried in the backyard of his home yesterday after Van Buren received a telephone tip.

Van Buren said he went to the McNinch home accompanied by Ionia County Sheriff Peter Van Vleck and Belding Police Chief William Crystler and Mrs. McNinch admitted the shooting to them.

BOTH HELD

Both the youth and Mrs. McNinch were held on open charges.

Under questioning today, Mrs. McNinch said she had been friendly and inimate with Fisher, Piomento declared.

Mrs. Lydia Fisher, the boy's mother, said her son spent Monday and Tuesday at her Midland home.

"He appeared to be extremely nervous and in an ugly mood, but I didn't pay too much attention to it as he has those spells every now and then," she told newsmen. "I guess I should have had his father talk with him."

Mrs. Fisher said Larry had been in poor health all his life. He had an attack of polio in 1950 and was injured severly in an auto accident in 1955.

SHALLOW GRAVE

The Fisher youth showed police where McNinch was buried. The body was found in a shallow grave

Bring In Flowers, Frost Due Tonight

If the few April showers we had brought May flowers, they may be in for a shock tonight when temperatures are expected to drop to 34 to 38 degrees.

It will be fair and cooler with scattered frost likely tonight, with a high of 56 to 60 tomorrow. Northerly winds will be at 15-25 miles an hour.

According to the weather bureau, little if any rain is expected for the next five days. During that time temperatures will continue to average about five degrees below the normal high of 67 and the normal low of 46.

This morning the lowest temperature in downtown Pontiac was 35 with the mercury rising to 54 at 2 p.m.

OKs Car Price-Tag Bill

WASHINGTON (AP)—The Senate Commerce Committee today approved the automobile price tagging bill. It would require manufacturers to put on every new automobile a tag listing the suggested retail price for the car and for each accessory.

It's No Problem to Solve This Local 'Theft'

James Burgdorf, of 3126 Waukegan St., Auburn Heights, got faster service from the Pontiac police than he bargained for.

★ ★ ★

Burgdorf rushed into the police station yesterday afternoon to report his car stolen from a parking lot on N. Perry street.

While he poured out his tale to the officers, another man, equally breathless, hurried up to report that he had another man's car.

The second man, who identified himself only as an employe of an auto repair garage told the officers he drove off in a car from a parking lot convinced it was his, only to later find it was not his at all.

★ ★ ★

A description of the car fitted the one Burgdorf had just given and the mystery was solved on the spot.

Mrs. Nixon Proud of Husband's Action

LIMA, Peru (INS) — Mrs. Pat Nixon today saw her husband walk calmly through a mob of students who spat at him and threw loaves of bread, oranges and lemons.

"I was so proud of Dick I could have busted," Mrs. Nixon told a friend later.

★ ★ ★

Mrs. Nixon was not with the Vice President when he was stoned and jeered at San Marcos University. But she was standing anxiously at a third-floor window in the Hotel Bolivar as Nixon walked unhurriedly through the anti-American crowd.

★ ★ ★

Mrs. Nixon herself has followed a separate schedule from that of her husband. No incidents involving her have marred her visit to Lima.

Wayne Marriages Dip

DETROIT (AP)—Applications for marriage licenses here dropped from 1,821 in April, 1957, to 1,687 last month, Wayne County Clerk Edgar Branigan reports. A drop also was noted in divorces. During January and February of this year 796 divorces were granted against 1,079 for the first two months of last year.

Expecting a Warmer Welcome for Nixon at Ecuador After Peru Capital 'Infamy'

LIMA, Peru (INS)—Vice President Richard M. Nixon, who was stoned and spat upon by bitter Peruvians, flies to Ecuador today where he is expected to get a much warmer welcome.

The attack on Nixon by Communist-led mobs, who also desecrated the U. S. flag, sparked the deepest soul searching in Lima's proud 400-year history.

★ ★ ★

A deeply ashamed capital asked why it happened? Why a minority of Communists were able to take over San Marcos University and make a travesty of its vaunted respect for freedom and in the process destroy Lima's reputation for Latin politeness.

Nixon branded the attacks on himself and the destruction of the flag as "a day that will live in infamy."

He became the target of a barrage of invective, stones and garbage when he decided at the last minute to defy the Red-inspired demonstrators who massed in front of the university.

DEPLORE OUTRAGE

The Communist-led students later rampaged downtown, destroying an American flag on a wreath he had laid on a Lima memorial. They then gathered in front of the vice president's hotel and spat and hurled fruit at him as he returned.

Limenos were quick to point out that they deplored the outrage and that it did not represent the sentiment of the majority of the Peruvian people.

But when the chips were down virtually nobody rushed to the defense of their guest.

★ ★ ★

A facile interpretation of the attacks is that Peruvians are angry and bitter over U. S. economic policies—especially those dealing with lead and zinc.

But the Uruguayans, Argentinians and Bolivians also are bitter and they did not mistreat Nixon.

Ecuador, in contrast, is enjoying comparatively good economic conditions. But the Quito government wants more U. S. assistance.

Lying deep beneath the surface is the basic illness of a society which consists of 400 rich, proud Peruvian families on one side and millions living on the verge of starvation on the other.

NOT 'HIGH' ENOUGH

The haughtiness of this society is exemplified by the fact that many will not attend American embassy functions because such functions are not "high society" enough.

This society still does not care much for the welfare of the poverty-stricken millions even though a social revolution has hit the world and the millions are demanding better living conditions.

In such circumstances it is always easier to foster the belief among the people that their lot would be better if not for the policies of the United States — thus throwing the blame on the neighbor to the north.

★ ★ ★

Yesterday's attacks, regarded as the most serious ever made on a top U. S. official in Latin America, may force a revision and "agonizing reappraisal" of this attitude.

Peru quickly apologized for the outrages both to the vice president and, through the Peruvian

7,200 Vehicles Inspected in City's Safety Check

A total of 7,200 vehicles passed through the five safety check lanes in Pontiac last night, Capt. Joseph Koren, police traffic bureau, disclosed today.

Of these, 6,687 passed the inspection with flying colors, while 513 had one or more defects.

Capt. Koren said that a preliminary tally showed burned out license plate lights to be the most common violation discovered.

Next most frequent were burned out tail lights, with defective headlights in third place.

★ ★ ★

Other items being checked include, brakes, steering, exhaust system, windshield wipers, tires and horn.

The five street lanes will remain open until 8:30 p.m. tonight for those who still lack their check. Stickers are being pasted on the windows of cars that successfully pass all inspections.

When the program is completed tonight, it will not mean the last opportunity for a safety check is gone.

Authorized service stations will continue to offer the complete check and the stickers for the rest of this month, the captain said.

Prominently displayed posters will indicate which stations are authorized.

Truant Policy Change Tried

School Board Receives Report on Guidance Program for Students

A new policy on truancy and a report on a guidance program for students were the main items of business before the Pontiac Board of Education last night.

The truancy policy, which will be tried out for the remainder of the current school year, sets up six steps which could lead to expulsion from school.

It gives the student under 16 years of age three chances before court action is taken against parents and six chances before final expulsion from school.

A third truancy for those 16 or older leads to suspension for three to five days and a fourth truancy is cause for expulsion.

The guidance report, presented by Dr. Russell Curtis, coordinator of secondary education, represented a study of more than 18 months by scores of teachers and administrators.

It outlined a comprehensive program to strengthen the guidance services in the junior and senior high schools.

Some of the recommendations will go into effect next fall, while others await larger appropriations by the board and additional manpower.

The board also made several appointments. Robert Boyce, a Central High teacher, was named assistant principal at Washington Junior High.

Mrs. Vida Walker, principal of Whittier School, will also head the Franklin Road School now under construction.

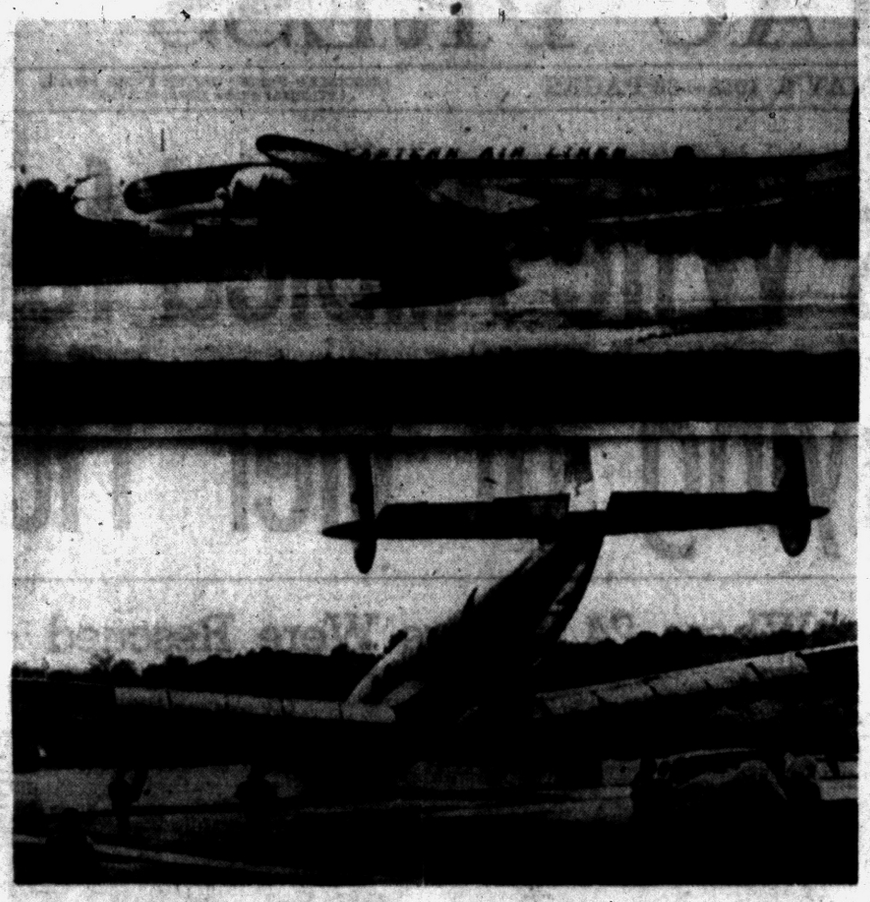

Effie Mitchell was named principal of the Herrington School.

The board adopted a school calendar for next year as presented by Victor Lindquist on behalf of the teachers' certified personnel committee.

The calendar for the first time allows a longer Easter vacation of four school days plus a weekend as the teachers previously requested. The Easter Holiday will run from March 26 to April 1.

Christmas vacation will extend from Dec. 24 to Jan. 5.

Inspectors for the June 9 school board election were also named.

Crank Warns of Bombs Again

Calls 3rd-Straight Day Claiming Explosives at Emmanuel School

For the third straight day, a crank has called the Emmanuel Baptist Church School, 645 S. Telegraph Rd., to say he planted bombs in the building.

★ ★ ★

The man who called today said he had planted three bombs to go off at 11:55 a.m., noon and 12:05.

"You better vacate the building because I mean business this time," the voice said.

The school was evacuted for 15 minutes until the times given by caller passed, then the children returned to classes.

The same person first called Wednesday morning and said he had planted a bomb to go off any time between 9 a.m. and 6 p.m.

★ ★ ★

The 250 students were sent home and police and firemen searched the building. No bomb was found.

About 45 minutes later a second call came in repeating the threat.

Yesterday, at 8:45 a.m., the crank called again and said he had visited the school during the night and repaired the bomb so it would go off that day.

★ ★ ★

The children were again sent home and a second search made, but again nothing was found.

14 Teen Traffic Violators Attend 2nd Clinic Session

BIRMINGHAM — Sentenced by the Teenage Traffic Court, 14 young violators attended the second session of Birmingham's Traffic Clinic last night at City Hall.

Police Lt. Robert Schaule, youth director, said four two-hour sessions make up the "sentence."

★ ★ ★

Teenagers ticketed by police are referred to the Teen Traffic Court, made up of Birmingham High School civics class seniors. Trials are conducted just like in a regular court.

The clinic sessions include talks by driver training instructors and safety films shown by the Police Department. They are aimed at the particular types of violations committed, such as speeding, running red lights and stop signs and leaving parking places improperly.

Benefits of the court and clinic are already being felt, Schaule said. "There is a noticeable improvement in the driving habits among high school students, he said.

Fire losses continued high in Birmingham with a $7,235 April damage estimate issued yesterday by Fire Chief Park Smith.

Together, the 24 then made their way to a spot near an underground electric power substation to wait it out.

For warmth they made an enclosure with plastic curtains, used in ventilation control, and covered themselves with burlap.

Turner said the men heard rescuers tapping about 1 o'clock last night on a pipe containing electric lines. The trapped men pounded on the pipe in reply, but the rescue party apparently did not hear them.

It was 2:15 a.m. before there was any more contact with the rescuers. The trapped miners heard knocking on a cinderblock partition separating their location from the abandoned passages through which the rescue party approached.

They helped break through the partition to the rescuers.

embassy in Washington, to the U. S. State Department. A government spokesman expressed "deep regret" over the insults.

Nixon was grazed on the neck, but not injured, by a stone. One of his aides, Secret Serviceman John T. Sherwood, suffered a chipped tooth.

The vice president was said to be most angry over the insult to the U. S. flag and by the fact that the capital's police did nothing to prevent the destruction of the Stars and Stripes.

At a news conference he declared angrily:

"This day will live in infamy in the history of Peru.

"This day will live in infamy in the history of San Marcos (University) not because of what the students did, but because a violent and vocal minority denied freedom of expression without which no university can ever merit the badge of greatness."

The demonstrators, whose leaders Nixon wryly described as "very old students," massed in front of the university to prevent the vice president from debating with student leaders on political and economic issues.

After his hostile reception at San Marcos, the oldest university in the Western Hemisphere, Nixon went to the neighboring Catholic University where he was cheered when he complimented the students on holding free elections.

Mrs. McNinch reported her husband missing about four days after the shooting. Van Buren said she told him at the time she thought her husband had run off with another woman.

Bloomfield Boy Critically Hurt

Rams Motor Scooter Into Rear of Car When Attempting to Pass

A West Bloomfield Township boy, Joseph Mills, 16, is reported in critical condition today at Pontiac General Hospital after being thrown from his motor scooter at Middlebelt and Orchard Lake Roads last night.

★ ★ ★

A witness told West Bloomfield Township Police that the boy struck the rear of an auto while attempting to pass it.

Mills, son of Mrs. Raymond Keros, of 2637 Littlefield Rd., was traveling south on Middlebelt Rd. As he attempted to pass a car driven by Ralph D. Clingaman, 39, of 2792 Pine Heights Dr., West Bloomfield Township, he hit the vehicle and was thrown about 13 feet to the side of the road, said police.

The accident occurred at approximately 10 p.m. Mills suffered lacerations of the chest and possible internal injuries, according to the hospital.

Call Witnesses in Death Trial of Starkweather

LINCOLN, Neb. (AP)—The prosecution began calling witnesses today before a jury of four men and eight women in the murder trial of Charles Starkweather, 19, who has admitted involvement in 11 slayings last January.

The defense entered a plea of innocent by reason of insanity.

County Atty. Elmer Scheele told the jury yesterday that Robert Jensen, 17, of Bennet, for whose murder Starkweather is on trial, was shot six times from behind. The bullets were clustered, indicating short-range firing, Scheele said.

★ ★ ★

Then defense attorney F. Clement Gaughan told the jury that Starkweather was suffering from delusions when he killed Jensen.

Gaughan said Starkweather claims he fired after Jensen launched an attack.

"That's his version. The defense is insanity," said Gaughan.

As Gaughan referred to delusions and subnormal intelligence, Starkweather drummed his fingers nervously on a desk. At times his face grew red and he would frown.

Billy Graham Likes Unsexy Sack Dress

SAN FRANCISCO (AP) — Billy Graham says he likes the sack style because "it takes the sex out of dress."

The evangelist told a largely teen-aged audience at last night's youth meeting at the Cow Palace that the sack is "healthy for the morals of the country. I'm going to get my wife one."

A crowd of 18,100 crammed into the 16,500-seat hall, with roughly a mile of cars turned away because free parking space was exhausted.

Graham departed from his sermon to advise his audience not to blame South Americans for the stoning of Vice President Richard Nixon yesterday in Lima, Peru. He said this sort of thing was engineered by a well-organized minority and that most South Americans are not against the United States.

(Continued From Page One)

motorists would use the proposed north-south road than would use Northwestern if it were extended.

"A forecast for 1977 indicated an estimated traffic volume of 34,000 for the Northwestern extension compared to 160,000 for an expressway along the U. S. 10 axis, which would serve the populous communities of southern Oakland County as well as the city of Pontiac," Mackie stated.

Construction of the Pontiac expressway, which will be on a interstate system of defense highways, could qualify for 90 per cent federal funds, Mackie said.

★ ★ ★

"The Northwestern extension was on the federal primary system and entitled to only 50 per cent federal funds," he added.

If the Northwestern project had gone ahead, this would have exhausted "almost all" of Michigan's 1958-59 allocation of federal primary funds, Mackie emphasized.

"And this would have deprived the remaining 6,500 miles on the Michigan primary trunkline system of any federal aid whatsoever," he added.

RIGHT DECISION

"I remain convinced it was the right decision and also that actual construction of the Pontiac expressway will prove the logic of my position in the years ahead," Mackie told the audience.

The first section of the road, from Flint south to an intersection with M24 (Lapeer road), will be under contract in 1960, Mackie outlined. This section will cost an estimated $32.8 million.

The portion from Pontiac south to a connection in the vicinity of 11 Mile road and Stephenson Highway will be contracted for in 1961. This will cost an estimated $22,000,000, according to the schedule.

★ ★ ★

Mackie said his department is negotiating with areas to be affected by the development, including Michigan State University officials as it relates to the new MSUO Branch.

Development of the Pontiac expressway will mean a million dollars a mile in new commercial and industrial investment along the right-of-way, the highway commissioner forecast.

"It will lead to an unprecedented boom in residential building, especially in northern Oakland County. Few, very few people, realize the economic impact this project will have in terms of accelerating growth in this area," he said.

★ ★ ★

Another economic effect that trunkline construction totaling 100 million dollars in Oakland County through 1961 will have, will be that it will create about $35,000,000 in direct payrolls, Mackie said.

Without naming Ziegler by name, Mackie said, "We are spending more than four times as much money during the current five-year highway construction program in this county as has been spent in the previous five years."

He denied that his department was not taking advantage of all available federal funds. This was a charge leveled last month by Oakland County Congressman William S. Broomfield.

★ ★ ★

"The truth is that all of our 1958 federal allocations of 90 per cent interstate funds have been obligated, and all of our 50 per cent primary funds for 1958 obligated.

"The unobligated balance of some 120 million dollars represents the 1959 allocation which cannot be collected by Michigan until after July of this year.

"At that time, or shortly thereafter, the entire amount will be obligated," declared the speaker.

★ ★ ★

He went on to say: "It is regrettable to me that partisan politics have been injected into the highway picture in Oakland County. For my part, I want none of it."

★ ★ ★

"We are building a modern highway system in Michigan today second to none in the nation. We are not building it for Democrats or for Republicans—for local politicians or vested interests—we are building it for the motorist."

Evacuate 300 Families in Kentucky

North Sunny, South Wet

By THE ASSOCIATED PRESS

Skies cleared in most of the rain-soaked sections of the Northeast today after nearly a week of downpours. But stormy weather hit areas from the southern Plains into sections of the Southeast.

The most serious flooding in the four Southeast states hit by overflows was in eastern Kentucky. At Catlettsburg, some 300 families were evacuated and many business establishments and schools closed as muddy waters spilled through about half the town of 4,000. However, Mayor Charles Gibbs said, "The situation is under control and there is no panic."

★ ★ ★

Both the Big Sandy and the Ohio River were expected to crest at Catlettsburg today. The Big Sandy, which overflowed at Pikeville, Prestonsburg and Paintsville yesterday, forcing evacuation of several families, flows into the Ohio at Catlettsburg. The crest was predicted at more than 58 feet, more than 6 feet above flood stage.

★ ★ ★

Easing of flood dangers was indicated in southwestern Virginia, western West Virginia and parts of Louisiana. Hundreds of families in the flood-stricken regions have been forced from their homes this week by floodwaters from rain-swollen rivers and streams. Damage to crops and property was estimated at more than 10 million dollars.

Violent spring storms hammered the Oklahoma-Texas Panhandle area during the night, with rain, hail and strong winds.

Vote on Moving College

DEARBORN (AP) — Property owners vote Tuesday on a $4,950,000 tax increase proposal by the Board of Education to move the Henry Ford Community College to a 75-acre site adjoining the branch of the University of Michigan.

Pontiac Teamsters to Vote on Contracts

Pontiac Teamsters Local 614 will vote Sunday on an offer by about 30 county sand and gravel firms to renew hauling contracts for three years.

Leaun Harrelson, local president, and Floyd B. Harmon, business agent said they agreed at a negotiating session in Detroit last night to put the offer to a vote. It features about 35 cents in raises, including 10 cents an hour retroactive to April 1; seven cents netx year and seven the third year plus health, welfare and pension plan benefits.

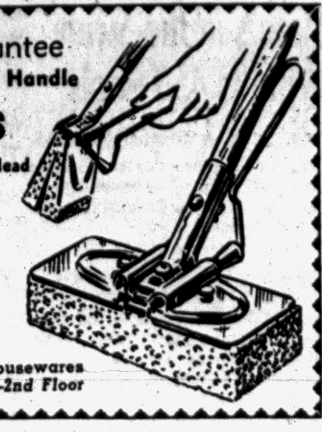

★ ★ ★

The contract would affect about 800 to 1,000 sand and gravel haulers, Harrelson said.

Proposal by Ike Facing Overhaul

Civilian Space Agency Might Threaten Control of Defense Projects

WASHINGTON (AP) — President Eisenhower's proposal for a civilian space agency today faced probable overhaul to make sure it does not encroach on military projects.

★ ★ ★

Key members of the Senate Space Committee indicated this after hearing spokesmen for the Navy, Army and Air Force voice misgivings that the Eisenhower proposal, as now worded, might threaten control of space projects related to defense.

★ ★ ★

Their testimony was reinforced by Secretary of Defense McElroy, who told a Pentagon news conference that "the military aspect (of space research) should continue to have funding and direction from the Department of Defense."

★ ★ ★

Like the service witnesses, McElroy said, "we are favorable to the formation of some civilian agency that will give direction to nonmilitary aspects of national space programs."

Chairman Lyndon B. Johnson (D-Tex) of the Space Committee said all witnesses agree that the intentions of the Eisenhower bill are good.

Settle for $7,500 in Malpractice Suit

A settlement of $7,500 was reached out-of court yesterday in the two-year-old suit charging two Pontiac doctors with malpractice.

The payment was made to Harold Pilgrim, husband of the late Yvonne Pilgrim, 20, of 13 Crawford St., who died in 1953 after Drs. Wilfred M. Green and A. J. Zujko removed her one kidney, allegedly believing it to be a tumor.

The retrial of the suit, which had asked $158,210 in damages, began Wednesday before Circuit Judge George B. Hartrick. The first trial ended in June of 1956 when the jury could not reach a verdict.

Says Military Draft to Stay Indefinitely

COLUMBUS, Ohio (AP) — Maj. Gen. Lewis B. Hershey says the military draft will continue indefinitely, "as long as there is danger in the world."

★ ★ ★

Asked if that meant the draft would remain for the rest of our lives, Hershey quipped: "Well I'll say the rest of mine. I'll not fiddle with yours."

The selective service chief in Columbus visiting Col. Harold L. Hays, state selective service director, told newsmen:

★ ★ ★

"We're not going to build our standing with NATO (North Atlantic Treaty Organization) by doing away with the draft. Without the draft, it would lok to them (other nations) that the U.S. is getting ready to leave (NATO)."

State's in the Swim With Its 450 Pools

LANSING (AP) — Michigan is enjoying a Hollywood-type boom in the construction of swimming pools the State Health Department reported today.

★ ★ ★

The department reported that as of May 1 there were 450 public and semi-public pools in the state compared with 283 in 1948, an increase of about 60 per cent.

Resorts and motels, together with schools, accounted for most of the increase.

★ ★ ★

So far this year, the department said, permits have been issued for nine new resort and motel pools. There were five applications at this time a year ago and a dozen new resort and motel pools were built last year.

Minnesota, Scandinavia Tighten Historic Bonds

MINNEAPOLIS (AP) —Minnesota and Scandinavia tightened their historic bonds last night with toasts of good fellowship and trays of filet mignon. It was one of the fanciest banquets the state has ever held.

At the table sat Princess Astrid of Norway, Prince Bertil of Sweden, heads of state, ambassadors and other diplomats.

The state dinner opened a four-day celebration of Minnesota's 100th birthday. More than 1,000 persons attended.

A member of the First Methodist Church in Pontiac, Mrs. Miller leaves a daughter, Mrs. Everett Grubb of Clarkston and two sons, Charles of Drayton Plains and George of Auburn Heights.

Two sisters and one brother also survive.

Ex-Deputy Clerk Mary Cobb Dies

Mary W. Cobb, a former Chief Deputy County Clerk of Oakland County for 26 years, died yesterday at her home, 372 W. Huron St. She had been ill several months.

A native of Newport, Ky., she came to Pontiac more than 50 years ago from Ohio.

Miss Cobb, 67, had served as a secretary of the First Presbyterian Church where she was a member and was a charter member of the Zonta Club and WCTU.

She leaves three brothers, Robert S. Cobb of Ohio, Otto B. of Pontiac and Gary M. Cobb of Los Angeles, Calif.; and four sisters, Mrs. Martha Allen, Mrs. Lily Savedge, Laura M. and Ida M. Cobb, all of Pontiac.

Service will be at 10:30 a.m. Saturday from the Sparks-Griffin Chapel with burial following in Park Mt. Park Cemetery. The family suggests memorial contributions be made to the American Cancer Society.

Popular Baseball Priest Dies at 62 in New York

CANTON, N.Y. (AP)—The Rt. Rev. Msgr. Harold J. Martin, who considered baseball second only to religion as a force for good, is dead at 62.

The popular, baseball-pitching Roman Catholic priest died yesterday in the rectory of St. Mary's Church here.

Noted for his wit and wisdom, he had served parishes in northern New York for 40 years.

A Look Back on Mother's Day

Time has changed many things. Oddly enough, even American mothers fall in this category. In the 45 years since Congress made Mothers Day nationwide, considerable changes have taken place.

★ ★ ★

For the most part these changes are all for the best. None of us would want to switch the role today's mother plays in the family. When the going is tough, and things look the bleakest, Mother is often the backbone that keeps the family together.

Looking back a bit we note Mother has discarded corsets. She now uses lipstick, liquor and cigarettes are accepted and she is not excluded from male conversations.

★ ★ ★

Also on the plus side she has entered into wide and expert participation in golf, tennis and swimming (in a costume that is sensible even though it might have raised an eyebrow or two back in 1913).

On the other hand, statistics point out that mothers do not consider marriage quite as permanent — there was one divorce for about every ten marriages in 1913; there's almost one for every four marriages today. In almost half of these, children are involved and out of every six marriages today, one is a divorcee.

★ ★ ★

Mothers live longer today. In 1913 the life expectancy of a woman of 45 was 25 years; today it's 32 years. Their children are more likely to survive infancy — the death rate under one year of age was four times higher in 1913 than it is in 1958.

★ ★ ★

Mothers of 1913 would be aghast to find their counterparts of today figure quite prominently in our 1958 tax laws. Imagine their disbelief if told that today's tax laws would grant a deduction for the expense of a "baby sitter."

And what would she have thought of the bulge-waisted, knee-length "chemise" dresses of 1958 — well, maybe it would have been just about what the 1958 Father thinks of them.

New Bill Would Ease Refugee Parole Law

The House Judiciary Committee has approved a bill which would admit for permanent residence any Hungarian refugee who has been in this country for two years. Another provision would let refugees become citizens five years after actual date of arrival.

Some 32,000 Hungarians fled to this country in 1956 after the anti-Communist revolution. They were admitted under emergency parole provisions of our immigration law but were ineligible for permanent status and citizenship.

★ ★ ★

Last year the committee rejected an amendment to the McCarran-Walter Immigration Act which would have eased restrictions for these victims of Communism. Now, under the new measure with its retroactive clauses, refugees would lose no time in qualifying for citizenship as the result of delay in legislation.

Early House passage of the bill is likely. This is welcome news for both the refugees and an America concerned with their plight.

State Lucky Recipient of Milder Weather

Violent storms in various sectors of the United States during the past fortnight have emphasized again that Michigan rarely experiences nature in her wildest moods.

★ ★ ★

We have strong winds and severe rains, but we never see the tremendous extremes that are visited upon all other sections of the country in one form or another. A dark cloud scudding near the ground often sends out highly false radio "tornado alarms." Occasionally these materialize, but the sum total of all the damage done by a tornado in Michigan the last half centhry will average out to a tiny sum per year.

★ ★ ★

Our rivers are well behaved, in comparison with many rivers elsewhere. The snows are never deep, the summers are never parched periods of agony and the cold of the winter is never very challenging.

Michigan is fortunate.

David Lawrence Says:

Reds Stepping Up Their Infiltration

WASHINGTON — The Communists are stepping up their infiltration in all the countries of the free world. They feel cocky about their successes inside France, inside Italy and inside Great Britain. They are still hopeful that they can force a change in American policy, drive out their arhfoe, Secretary Dulles, and give themselves also a mastery of the whole military situation by stopping our nuclear tests.

LAWRENCE

To conquer or dominate the world without firing a shot — this is the objective which the Communists are confident they can attain because of various weaknesses in the free world countries.

STILL UNCONVINCED

Many Americans are still unconvinced that there is any communist menace, and they are prone to believe that to stop nuclear testing, for instance, is merely a logical way to avoid a nuclear war. But the amount of organized propaganda behind this and other communist drives indicates clearly that the agents and auxiliaries of the Moscow government are provocatively busy everywhere improving their own military position.

The demonstrations by Communist sympathizers against Vice President Nixon in the various Latin-American countries he has been visiting are dramatic examples of how the Soviets operate in the "Cold War."

To them the fight is on in earnest, and lately it has been going the Communists' way almost by default. This is largely because there is a tendency, principally in the United States, to pooh-pooh the communist conspiracy.

PROGRESSES RAPIDLY

Meanwhile, internal subversion in America is progressing rapidly, and any efforts by congressional committees to expose what's happening are reported to have been effectively squelched by the Democratic leadership, which evidently must be theorizing that the public will not mind if the Democratic party is again accused of becoming "soft on communism."

For it is apparently assumed by the Democratic leaders that there is no need for incisive investigations of the ways by which the communist apparatus is today making headway in the United States, particularly in the field of science.

Yet, while the background of some of the men who are in the forefront of the movement to disarm America and weaken her position on nuclear weapons cries out for exposure, the congressional committees have been told to keep their hands off.

For they have done nothing about exposing the phony petitions and the devious methods by which organized propaganda against nuclear testing has been thriving lately, not only in this country but among our allies.

The communist success in paralyzing the government of France and an almost parallel achievement in breaking up the political parties in Italy is cause for genuine concern. The inroads made by the communist viewpoint in British socialist circles is the gravest threat to allied solidarity yet to appear. What would happen to world policies in the North Atlantic Treaty Organization if the Conservative government in Britain is ousted is a matter of grave worry everywhere.

Then there is the situation about "surprise attack," which the Russians have been publicizing lately because of American maneuvers in the Arctic. A new drive is on to compel our Strategic Air Command to stop training for interception of a surprise attack. This, plus a ban on further testing of nuclear weapons, would give a military advantage of tremendous value to the Soviets.

Small wonder the Communists think they can conquer or dominate the world without firing a shot — they still think Americans are gullible and naive. And, judging by the current attitude here toward Soviet infiltration in the United States, the communist planners may feel they have some basis for their theories, though it would prove to be a tragic miscalculation if they ever forced the issue to a climax.

THOUGHTS FOR TODAY

And shalt return unto the Lord thy God, and shalt obey his voice according to all that I command thee this day, thou and thy children, with all thine heart, and with all thy soul;—Deut. 30:2.

★ ★ ★

Obedience to God is the most infallible evidence of sincere and supreme love to him. — Nathaniel Emmons.

Dr. William Brady Says:

Don't Blame Misbehavior of Men on Change of Life

Today two readers ask the same question: Do middle-aged men have to go through a "change of life" comparable to the menopause of middle-aged women.

DR. BRADY

First, let us stipulate that middle age, for a man, is from 45 to 50, and for a woman, well what do you say?

All women who reach middle age undergo complete loss of reproductive function. The germ-cells (ova) are no longer given off by the ovaries after menstruation stops, and therefore pregnancy and childbirth is no longer possible.

No such loss of reproductive function occurs in men. Men 60 or 70 years old or older may become fathers. The germ-cells (spermatazoa) continues to be produced through life, and the interstitial cells of the testicles are still alive although they produce less and less internal secretion, sex hormone, as age advances.

The interstitial cells of the ovaries, which produce female sex hormone, normally decline in activity when the ovaries lose their capacity to produce germ-cells, ova, egg-cells.

But in some instances the ovaries continue to produce sex hormones for many years after the menopause. When they do so the woman not only suffers little or no disturbance of health or comfort from "change of life" but she remains as lovely and attractive as ever.

The attempt to cover the patient's misbehavior or the doctor's diagnostic incompetence by saying the poor fellow is going through the change of life is hokum.

Lest readers assume that this or that sex hormone would be good for what they think ails them, I beg to say here that I can give no further information or advice on that. The only person who can give you such information or advice is your own physician.

Women who harbor morbid notions about the "change" or attribute whatever ails them to it may learn something to their advantage from the pamphlet The Menopause, available on written signed request if you provide a stamped, self-addressed envelope.

★ ★ ★

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

City Manager Commends Editorial on Tornado Rules

Your recent editorial entitled "Tornado Rules Save Lives" and the news article several days ago on the same subject have done much to alert citizens to what they can do to protect themselves in case a tornado strikes in this area. City officials appreciate your interest and cooperation.

★ ★ ★

In the event a tornado should occur in or near the city, we intend to sound our air raid sirens as a warning. Our Municipal Civil Defense and Disaster Control Plan, adopted by the City Commission last September, gives us a detailed program to prepare for and deal with disasters.

We have a supply of printed material on tornadoes and safety rules which we will be glad to send to people on request.

'Fluoridation an Aid to General Health?'

Current statistics show residents of Grand Rapids are living longer than other resident of Michigan, of the United States and of Kent County.

★ ★ ★

This is the city which has been using fluoridated water for years and according to fluoridation opponents, the people should be dropping like flies because of "all the poison" in their systems. Can it be that aside from the great benefit teeth obtain, health in general is improved by this small amount of fluoridation? It would seem so.

★ ★ ★

Perhaps health services in the U.S. should investigate this and we may have fluoridation urged as a preserver of life itself and a proven way of living longer. It's a shame that young people of this city were denied the wonderful benefits of fluoridation because of the battle against progress that some of our misguided citizens waged so earnestly.

★ ★ ★

Proven facts are continually adding to fluoridation's standing in general and perhaps the City of Pontiac should vote again and creep into the modern living column. Or maybe we should abolish vaccination, too, which die-hards fought tooth and nail when it first came out.

School Treasurer Corrects Error

An article appearing in the May 1 issue of The Pontiac Press relating to local versus state support of Pontiac schools made reference to North Oxford as an example of a "low valuation district." This was an unfortunate choice since North Oxford has one of, if not the highest, per school pupil valuations in the county according to 1956-57 statistics. The error was not the fault of The Press, since it was based on faulty information given to the reporter.

The union isn't trying to run company business. It's just what you and I and other fellow members make it. Case Records of a Psychologist:

Crane Tells Wives to 'Feign Ardor'

"Mental cruelty" is usually just a symptom of erotic maladjustment in the bedroom. Yet many ignorant married folks think it is a basic cause of their divorce. All married couples can profit from the booklet named below, for America has too long adopted the proverbial ostrich behavior and refused to face the simple facts.

By DR. GEORGE W. CRANE

Case Y-305: Paul G., aged 28, is the husband of Nancy who was reported yesterday as seeking a divorce on grounds of mental cruelty.

★ ★ ★

"Dr. Crane," Paul began, "Nancy wouldn't read your column most of the time because she said you always picked on the wives.

DR. CRANE

"And she said you were all wrong about sex matters in marriage, for her mother had given her the correct advice long ago.

"So Nancy and I were jittery most of the time. For how can any red-blooded man be otherwise when he is on starvation rations in the erotic realm?

"Naturally, I was brittle tempered and snapped at her. Meanwhile, she was irritable and unstrung.

"But after her interview with you, and our return to a more normal pattern of married life, my irritable temper vanished. And Nancy became calm and happy.

★ ★ ★

"So I can see why marriage counselors agree with you that most divorces start in the bedroom."

DIVORCE IN BEDROOM

The usual complaint of divorce litigants is "Mental Cruelty" or "Incompatibility."

But those terms refer to symptoms, not causes! They are evidences, far out on the periphery of marriage, of fundamental maladjustment at the core.

And the core of most marriages is sexual. Alas, many wives have been biased in their outlook by misguided mothers or spinster aunts and divorced relatives.

God Almighty created man and woman differently. Man, for example, requires about 3,500 calories at the dinner table per day to remain happy and cooperative.

But the average wife may not need more than 2,500 gastric calories.

And the usual wife admits the difference. Furthermore, she delights in her husband's greater gastric hunger, for she studies cook books and attends newspaper Cooking Schools just so she can even tempt her mate to exceed his 3,500 calorie quota.

But God Almighty also made a husband to crave far more "erotic calories" than does the wife.

Patriarchal Jacob thus married Rachel and Leah, and also had two common-law mates.

In ancient days, such polygamy was the rule. But modern monogamy has decreed that one man shall have but one wife.

However, that one wife must then get hep to reality and recognize that she must function as a one-wife harem, or trouble will soon develop.

She dares not try to ration her husband to her own limited erotic needs, or he will be half starved in the erotic realm. Then he will snarl and criticize her, as well as the children, or develop a secret "affair."

BE AN ACTRESS

Successful modern wives soon learn to feign more ardor than they feel in order to placate their husband's greater erotic ego.

If a wife feeds her husband fully, both of gastric and erotic

calories, he will purr like a contented housecat and think she is wonderful.

★ ★ ★

He will also be more generous with his money and a far less critical father. When a husband "bawls" out the kids unmercifully, that is often a misplaced ire due to anger at his wife for short rations in the erotic realm!

So send for my booklet "Sex Differences Between Men & Women," enclosing a stamped return envelope, plus 20 cents (non-profit).

Keep your husband purring and save your children from caustic reprimands by learning how to be a successful modern wife.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

Circus Menagerie to Serve as Zoo for Most of Year

PAWTUCKET, R.I. (AP) —Under a lease-lend agreement, the Ringling Bros. and Barnum and Bailey Circus menagerie will become part of this city zoo 10½ months a year for a $1 token fee.

The animals, valued by the circus at more than $100,000, are due to arrive from New York next Tuesday morning aboard four flat cars. They will be exhibited from the middle of May each year to the following April 1.

The animals will be shipped each April to Madison Square Garden in New York City for the annual performances there. While they are in Pawtucket, the city will have the responsibility of feeding and housing the animals.

Given Contract for Work on Orion-Oxford M24

The Denton Construction Co. of Grosse Pointe Woods has been awarded a $647,747 contract for grading, providing drainage and a dual concrete roadway for 2.7 miles on M24 (Lapeer road) between Lake Orion north to the south village limits of Oxford.

The contract was one of many State Highway Department awarded for work on 290 miles of state trunklines.

May Liberalize Tax Writeoffs

Administration Believes Industry Would Receive 'Shot in Arm'

HOT SPRINGS, Va. (AP)—Word that the Eisenhower administration may ask Congress to liberalize tax writeoffs for all industry circulated today at a conference of Secretary of Commerce Weeks and his Business Advisory Council.

★ ★ ★

A government source reported privately the plan is getting serious consideration in Washington. Weeks said last week it would provide "the greatest shot in the arm of business," but he did not forecast any administration action.

The idea was expected to get a strong bost from the closed two-day sessions at which Weeks, Secretary of Defense McElroy and other top government officials are meeting with about 100 members of the BAC.

★ ★ ★

Sen. Homer Capehart (R-Ind) has introduced a bill which would permit companies to write off in depreciation for tax purposes larger percentages of the cost of new plants and equipment in the first years of their life.

The device was used in the Korean War to stimulate expansion of defense-essential industries. Its advocates today contend that its revial would create jobs by encouraging plant modernization, the replacement of obsolete machinery, and the toling up for new and improved products.

The council's membership includes scores of the biggest names in American industry, and a discussion of possible anti-recession moves is high on its agenda.

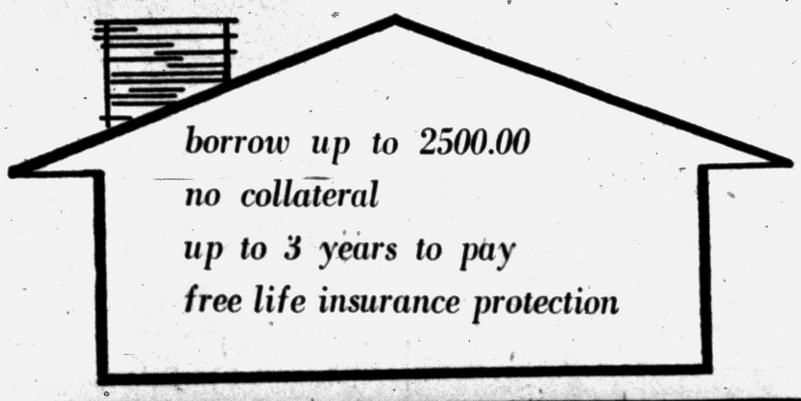

Finds Tiny Diamonds Suitable for Industries

JERSEYVILLE, Ill. (AP) —Discovery of tiny diamonds suitable for industrial use has been reported by a quarry operator.

George Hofstetter, owner of the Jersey Quarry Co., said tests show the sparkling specks in soapstone strata 155 feet beneath the surface are diamonds.

Tests verifying the diamond discovery, Hofstetter said, were made at the Central Illinois Testing Laboratories in Springfield.

Company Has Right to All Profits Which Improve Workers' Lot

By MERRYLE S. RUKEYSER
INS Economic Writer

America in recession is like a slumbering giant whose arms and legs are tied down with ropes.

★ ★ ★

Release from the impediments for a resumption of growth, which is the norm in this dynamic country, will come when the causes of imbalances and maladjustments are corrected. Meantime, diagnosis and cure of the focus of infection are delayed by confusion of counsel. There are paradoxical advances of prices and labor costs at a time when millions are without gainful employment.

The whole nation is looking to Detroit for a new pattern in connection with collective bargaining between Walter P. Reuther's Auto Workers Union and the Big Three automobile manufacturers.

★ ★ ★

It takes the passage of time to record in precise bookkeeping terms the impact of economic ideas and formulae put forth. Thus shortly after the end of World War II, Reuther, in a desire to raise workers' living standards spectacularly, recommended to the automobile executives that they increase wage rates while holding down the price tags on automobiles. The industry refused to take Reuther's advice, and in the 11 years from 1947 through 1957 had their golden era of high earnings, high production and peak employment.

It is now feasible to set forth factually how the industrial history of those 11 years would have been rewritten if the industry had literally followed Reuther's counsel to raise labor costs while freezing selling prices. For this purpose a study has been prepared based on published figures in annual reports of the biggest company in the industry — the General Motors Corporation.

★ ★ ★

For purposes of testing the economic consequences of having adopted, instead of, as was the case, rejecting Reuther's post-war thesis, it was assumed that General Motors absorbed the higher costs of labor and material and taxes, which it actually confronted, but that the corporation froze the price of cars at the 1946 level.

Instead of the resultant profits, GM under such circumstances would have lost $7,733,903,864. This would have wiped out the stockholders' equity and destroyed the job opportunities of the employees. On this basis, the industry's strongest company would have unhappily entered the economic graveyard, which includes scores of unsuccessful pioneers, including Pierce Arrow, Reo, Jordan, Peerless and numerous others.

In addition, under such proposed divorce of costs and selling prices, the adverse financial results would have deprived the government of $8,939,780,446 in tax revenue from GM over this period.

This computation, it seems to me, has enormous current practical significance.

It clarifies the fact that spokesmen for job seekers are perhaps unwittingly committing their followers to economic suicide through sniping at business profits. For the spark plug for making jobs available for an expanding work force is the appraisal by enterprisers and investors of current profit prospects and the outlook for future profits.

★ ★ ★

The ordering of new capital facilities, on which some 4,000,000 workers depend, hinges on confidence by management and shareowners that investment in new capital goods will be profitable.

If is a misconception for politicians and critics of business to qualify their acceptance of the profit motive in our type of economic society. The reasonableness or adequacy of profits is not a matter for bureaucratic determination, but is worked out in actual competition.

Frequently the slender profit maker — the marginal producer — is the least desirable employer. His relative inefficiency makes it necessary for him to scrimp on wage rates and fringe benefits. On the other hand, the efficient producer, with the biggest profit margin, is able to continue the American dream of giving the worker more and better things in exchange for a week's work, while providing the customer with improving values.

Recession is needlessly lengthened when fundamentals are not understood.

★ ★ ★

Instead of couching these problems in terms of Marxian conflict and class warfare, it is essential to recognize that all factors in business are mutually concerned with keeping costs at a level which customers are able and willing to absorb.

Thus management should be envisioned as the star salesman of the hours of labor of the workers. Management assures employment by getting orders from customers, and it is frustrating for spokesmen for the employee to put road blocks in the way of the salesman.

Similarly capital is a creative force. According to the National Industrial Board, it takes $16,000 of investment to make a job available for a prolduction worker. Thus, instead of being the foe or the enslaver of the worker, the supplier of capital is really a benefactor.

Chemicals May Be Killer of Cancer

EAST LANSING (AP)—A family of chemicals known as tetrazoles has a potential for killing cancer, a Michigan State University professor of organic chemistry has declared.

Dr. Robert M. Herbst held out the hope as he was presented with the MSU Sigma Xi chapter's annual award for outstanding research by a senior member.

★ ★ ★

Tetrazole, he said, is a simple chemical structure of one carbon and four nitrogen atoms to which a variety of other chemical groups can be attached to form various compounds.

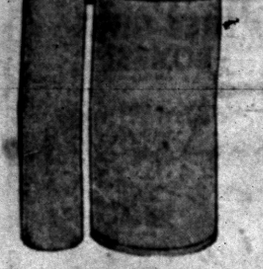

By varying the structure of these compounds, Herbst has produced chemicals that can serve various medical purposes.

One group of tetrazoles, he said, mimics the action of several of the acids necessary to the normal life of all cells. It is possible, he said that cancerous cells could be "poisoned" by "tricking" them into accepting the imitation acid for the real one.

★ ★ ★

"Biological evaluation of these compounds," Herbst said, "has only recently been started, but a few very tentative results make us enthusiastic about the potentialities."

Pick Arbitrators for Unemployed

Waterford Names 7 to Assist in Problems of Creditors, Debtors

Members of Waterford Township's new Unemployment Arbitration board have been appointed by Supervisor Elmer Johnson, and all have accepted the volunteer position.

The purpose of the 7-member committee will be to aid persons unemployed through no fault of their own, and to adjust problems between creditor and debtor during temporary unemployment.

The board includes Township Attorney Paul Mandell, Mark Stewart, manager of Pontiac State Bank, Donald Giroux, real estate representative and Delwin Richardson for small business.

★ ★ ★

Also included are Charles Curry, representing labor and Ray Jewell of the unemployment office who is a United Fund official and a member of Veteran's Affairs.

A Waterford Township minister will also be named.

Applications for persons in need of the committee's services will be available at the town hall, and careful consideration of each applicant will be given before any action is taken, Johnson said.

One School Ballot Filed for Waterford Election

Only one nominating petition has been filed for a place on the ballot in the June 9 Waterford Township School District board of education election.

Incumbent Frederick J. Poole is seeking re-election for a three-year term. The deadline for the petitions is Saturday.

Suspect's House Contains Arsenic, Voodoo Items

MACON, Ga. (AP)—Police discovered an assortment of voodoo equipment and recipes for love potions in the home of a widow charged with the arsenic poison deaths of four persons.

★ ★ ★

Sheriff James I. Wood said four bottles which had contained ant poison with an arsenic base also were found in Mrs. Anjette Lyles' home.

Mrs. Lyles, 33, was arrested Tuesday at a hospital where she had been undergoing treatment for circulatory trouble in a leg.

★ ★ ★

She was charged with murder in the deaths of her mother-in-law, two husbands and a 9-year-old daughter. The daughter died last month, the first husband in 1952, the second in 1955 and the mother-in-law last year. Autopsies showed the presence of arsenic.

The sheriff said packages found in the home were labeled good luck powder, lucky witchcraft, Egyptian love powder incense, and Adam and Eve root and oil.

A recipe for a love potion called for the use of dragon blood and myrrh to be mixed with spirits of nitre and heated.

Maurice Chevalier Rings Bell for Freedom

By PHYLLIS BATTELLE

NEW YORK (INS) — The last time Maurice Chevalier fell in love "wildly and passionately" was seven years ago. It happened in France, of course. The name of the woman is withheld, of course. The chivalrous are not dead.

BADLY CAUGHT

But this one might have been. "A severe danger for a man of my age to fall in love like that. I was really very bady caught," he says soberly.

"When I got out of it—I was so lucky to get out of it alive—I started ringing the bell for freedom." Chevalier shakes his head. "There are as many kinds of love as there are omelets, you see? And a lot of these dishes—the affections, the gentle, the tenderness—are not so hot as a passion.

"Maybe I'm the coward. There are some men who want to fall in love until they are 125. But I think it is marvelous to be 70—I am 70 next September—and to feel off-danger. I am through with love falling, madame. I am finished."

★ ★ ★

In repose, in his suite in the Waldorf Towers, the legendary Bing of French musical comedy looks the pink-cheeked businessman in a gray suit.

He appears to be in his 50s. Smiles readily but does not put his charm into overdrive. He claims to be happier than he has ever been.

"The most important thing about being old is you've got to be wiser or it's just too bad. So many people are sad when they get old, because they wish they can change their life. It is too late. You can't change anything. The reason I am so happy is I wouldn't want to change anything—and at the same time I wouldn't want to live it again . . . going through the emotions I've gone through, and maybe even worse."

★ ★ ★

Chevalier smiled, without real amusement. "If God sits me in a corner and says when you die you have to live all over again, I will have no choice. But I will not relish the idea. The next time, I could not possibly be so lucky as this time."

The singer "owns" as many songs as maybe Elvis Presley, yet, is currently a sell out act in the Waldorf's "Empire Room." His newest movie, "Gigi," will be released with much fanfare next week. He has commitments for a year of one-man shows, TV and movies, and it is his contention that "I'm having now the biggest success I have ever had."

He has been interviewed by newspapers for 50 years, and was asked whether such sessions bore him.

"It depends," he replies, "on the questions. There are three questions that are always the same, and do not provoke me to great enthusiasm. They are dealing with how long I am in show business, when am I going to marry, and what have I eat for breakfast.

"However, in many interviews, I learn things I have never realize before. Like in this interview . . ," he paused to think, then leaned forward animatedly . . . "In this interview, I realize for the first time that in many interviews I learn things I never realize before."

Families on Welfare Get Surplus Food

LANSING (AP) — More than one half million Michigan persons currently are sharing in surplus food distributions carried on by county welfare agencies.

★ ★ ★

Gov. Williams reported that in Detroit alone the number rose from 125,000 to 160,000 in April, and in Genesee County, from 25,000 to 40,000.

For the first time, butter was included last month in the list of commodities for welfare recipients, and nearly 700,000 pounds were issued in Detroit and 61 outstate counties, the Governor said.

Overall Detroit-Wayne County food distributions in April totaled more than one million pounds.

★ ★ ★

Williams said all except 22 outstate counties now are taking part in the surplus food program for welfare recipients and unemployed persons with limited means.

Of the participating counties, only Muskegon limits welfare issues to welfare recipients only.

Welfare distribution is separate from the school lunch, old age assistance and charitable institutions programs.

List Night Meetings of Recovery Group

Recovery, Inc., a group devoted to aiding people with problems through self-help and willpower, holds meetings three nights a week in the Pontiac area.

Avowed purpose of the organization is "To train post-psychotic and psychoneurotic persons in the practice of psychiartci self-help."

Groups meet at 7:30 p.m. Mondays at the Bethany Baptist Church and at 8 p.m. Tuesday at the First Congregational Church and Christ Church Cranbrook.

On Thursdays, groups meet at Bethany Baptist Church at 7:30 and the Birmingham Community House at 8 p.m.

GLASS BUILDING — This is an architect's drawing of a 14-story, glass-skinned building Libbey-Owens-Ford Glass Co. plans to build in downtown Toledo. It will be the first major office structure built in the downtown area in 30 years.

First For Area in 30 Years

Downtown Toledo to Get 14-Story Office Building

TOLEDO, Ohio (AP)—Plans for a 14-story, glass-skinned office building in downtown Toledo are moving ahead today as Libbey-Owens-Ford Glass Co. announced its directors have authorized architects to prepare detailed specifications for contractors' bids.

To be known as the Libbey-Owens-Ford building, the free-standing structure will be the first major office building constructed in the downtown area in 30 years.

★ ★ ★

John D. Biggers, chairman, and George P. MacNichol Jr., said they are rushing plans in hope construction can be started by early fall with completion scheduled for February, 1960.

The two executives said their company has more than doubled manufacturing operations in the last 10 years and urgently need additional administrative and sales space. The firm's executive officers presently are located in three downtown buildings.

With a base 120 feet square, the building will rise from a landscaped plaza on a block-long site on Madison Avenue between Ontario and Michigan Streets.

★ ★ ★

It will be framed with structural steel and rest on caissons supporting columns with 30-foot spacing. Spaandrels will be of black vitrolux, a glass product of the firm. The spandrels will be framed by extruded aluminum mullions on 6-foot modules.

The core of the building will have masonry walls. Glass will be dramatized in movable interior partitions, permitting flexibility for departmental expansion and relocation.

Other features will include motorized window washing equipment, luminous ceilings and a snow-melting system at main entrances.

★ ★ ★

The ground floor, to be inset from the superstructure, will be used for lobby and service areas with six high-speed elevators. Six of the 12 office floors and part of the basement will be occupied by the company. There will be a maximum of six floors available for tenants.

'Miss Pontiac' Title Path to 'Universe'

If you are a good-looking woman between 18 and 28 years old, unmarried, and a resident of the Pontiac area, you can qualify for the title of "Miss Pontiac," which might lead you on to the famous Miss Universe Beauty Pageant.

The Arthur Murray Studios in Pontiac, at 25 E. Lawrence St., announced they will stage a "Miss Pontiac" contest sometime this month.

The winner will go on to Detroit to compete June 13 for the title of "Miss Michigan," the state's entry in the Long Beach, Calif. contest.

Robert Derek, manager of the Pontiac studios, said application forms are now available. The Arthur Murray Studios of Michigan are serving as state sponsor of the event.

'Sweet Adelines' Will Visit Pontiac

The Detroit chapter of "Sweet Adelines" will visit with the Pontiac chapter of S.P.E.B.S.Q.S.A. (Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America) Saturday for a "Ladies Night" program to be held at the Gingellville Community Club, 3575 Baldwin Ave.

Several members of the "Sweet Adelines" are from the Pontiac area. They are Mrs. Evelyn Pascher, Mrs. Gladys Ryden and Mrs. Gunvor Ryden.

The public is invited to attend the evening program which will begin at 8:30 p.m.

Ex-Ambassador to Russia Dies

Joseph E. Davies, 81, Built U. S. Sympathy for Soviets in World War II

WASHINGTON (AP) — Joseph E. Davies, former ambassador to the Soviet Union and a diplomat under three presidents, died early today after a lengthy illness. He was 81.

Death came a short time after midnight at his family home here.

Davies, a wealthy Washington lawyer, was named ambassador to the Soviet Union in 1936 by President Franklin D. Roosevelt.

★ ★ ★

Out of his two years as U. S. envoy to the Kremlin he wrote "Mission to Moscow," a best seller that appeared in 1942, the year after Hitler attacked the Soviet Union.

The book was credited widely with galvanizing U. S. sympathy for the Soviets, who Davies predicted would withstand the German onslaught.

★ ★ ★

Davies served as ambassador to Belgium and minister to Luxembourg for two years after leaving Moscow in 1938. He also held a number of special assignments under Roosevelt and later President Truman.

Davies, a native of Watertown, Wis., first entered government under President Wilson, whom he served as campaign manager in Wilson's first try for the White House in 1912.

★ ★ ★

The former diplomat was 81.

Last December, Davies asked the Federal District Court to name a Washington bank as conservator of his property.

In a petition filed with the court, Davies said he was unable to care for his property himself because of his physical incapacity and age.

★ ★ ★

Although an avowed capitalist, Davies got along well with the late Soviet dictator Josef Stalin during his service as ambassador and was the first foreign envoy to have a personal interview with the Soviet leader in 1938.

Davies first became active in national politics as a Western campaign manager for Woodrow Wilson in the 1912 election. He served under Wilson as U. S. commissioner of corporations and was the first chairman of the Federal Trade Commission, serving from 1913 to 1918.

★ ★ ★

He left that post to run as a Democrat for senator in Wisconsin, but was defeated. In 1919, he was an economic adviser to Wilson at the Versailles conference.

Between public assignments, Davies practiced law in the Washington firm of Davies, Richberg, Tydings and Landa, and was identified with the firm until his death. He specialized in international and corporaton law.

Thrown From 'Cycle, Waterford Man Injured

Edward T. Graham, 23, of 1120 Airway St., Waterford Township, was injured yesterday when he was thrown from his motorcycle while riding east on Elizabeth Lake road.

Graham told township police that when he applied his brakes to make a left turn onto Hospital road, his motorcycle skidded, throwing him into the ditch.

He was taken to Pontiac General Hospital by a passing motorist. He was treated for abrasions and bruises and released.

Walled Lake Teens Review Traffic Laws

Preparing for Road-E-O

WALLED LAKE — Teenagers in the Walled Lake School District will be reviewing Michigan traffic laws in the coming weeks in preparation for the Teenage Road-E-O.

The Road-E-O is a civic project, sponsored by the Walled Lake Junior Chamber of Commerce to give teenagers an opportunity to prove their driving ability both in written examinations and driving tests.

★ ★ ★

The written exam will be on common sense driving knowledge and the performance test will consist of four obstacle-type exercises.

All teenagers under 20 years of age, with drivers' license or permit, who have not received a moving violation within the past six months are eligible.

The winners will receive a big gold trophy, a $50 savings bond, donated by the Walled Lake Shopping Center, and an all-expense trip to the state finals at Detroit. Winners there will get a free trip to Washington, D. C., for national competition.

★ ★ ★

Engraved plaques will be awarded second and third place winners at Walled Lake.

The Road-E-O is scheduled for Sunday afternoon, May 18, at noon at the Walled Lake Shopping Center parking lot. Cars for the obstacle test will be furnished by J. L. Taylor and Sons.

For State Department

House Unit Cuts Funds

WASHINGTON (AP) — The House Appropriations Committee today cut $15,412,798 from new funds President Eisenhower had requested to finance the State Department and the U. S. Information Agency.

★ ★ ★

In a bill sent to the House for debate next week, it recommended that the State Department get along on $192,859,353 and the USIA on $101,750,000 in new funds during the year starting July 1. The President had requested $199,990,151 for the State Department and $110,032,000 for the USIA.

The committee allotment is $10,417,953 less than current year appropriations for the State Department and $5,550,000 more than the USIA received this year.

★ ★ ★

The committee trimmed $1,600,000 from the $7,600,000 the President had sought for his special international cultural, artistic and athletic program which finances overseas good will tours of American entertainers.

It cut a token $780,000 from the $230,190,000 requested for the Justice Department and $699,600 from the $41,402,860 sought for the federal judiciary.

A formal report accompanying the committee's recommendations was devoid of the caustic criticism directed at the State Department and USIA in past years.

Ford Sees Car Prices Jumping

More Than $300 Boost if Current Demands of UAW to Be Met

DETROIT (AP)—Henry Ford II, president of Ford Motor Co., said today the current demands of the United Auto Workers on the auto industry would raise new car costs more than $300.

★ ★ ★

Ford, in a letter to Sen. Estes Kefauver (D-Tenn), said the union demands on the auto industry "amount to more than 70 cents an hour, exclusive of profit sharing. The 70 cents an hour demand alone, if granted by us and our suppliers generally, would raise the cost of an automobile more than $300. No automobile company could grant such a demand and expect to stay in business.

★ ★ ★

"As a matter of fact, any increases above present labor costs—even of a few cents per hour—would have to be reflected in immediate price increases on cars and trucks, if the present losses of some automotive companies are to be curtailed and the declining profit margins of others corrected."

Kefauver wrote Ford for his opinion on a proposed cut in the present 10 per cent federal excise tax on autos in return for price reductions by the auto builders.

★ ★ ★

A flareup of tension in contract negotiations between General Motors and the UAW was eased today by agreement to discuss a union charge that the company is threatening to scrap the jobs of 500 skilled workers.

The UAW claimed at the bargaining table that General Motors is shutting down the die room of its Fisher Body Division plant in Pontiac, Mich.

★ ★ ★

UAW headquarters issued a statement saying, "The shutdown threat proves just what the UAW has been saying all along — that industry overexpanded productive capacity without any similar effort to expand consumer buying power."

GM issued no statement in reply. The company said that a meeting had been set up on the local level to discuss the problem.

The UAW had bargaining talks scheduled today at Ford and Chrysler as well as GM.

Delays Sentencing of Lapeer Forger

LAPEER — The sentencing of George Fernea, 53, convicted of forgery in the $50,000 embezzlement from the Bostick Foundry Co. in Lapeer, has been postponed.

Circuit Judge Stephen Roth of Flint, who heard the caste is expected to hand down the sentence early next week. Sentencing originally was scheduled today.

Fernea, former bookkeeper for the firm, admitted converting about $50,000 of Bostick funds to his own use.

Drop Assault Charge Against Warren Teen

The charge of assault with intent to do great bodily harm less than murder has been dropped against 17-year-old Lloyd D. Jaynes, of Warren.

Jaynes is charged with tossing dynamite at an Avon Township home in March. He said he "just wanted to scare them."

The Oakland County Prosecutor's office said Jaynes pleaded guilty to a lesser charge of malicious destruction of property. He is to be sentenced May 19 on this charge by Circuit Judge H. Russel Holland.

Jaynes said he was carrying on a running feud with the Ronald MacDonald family at 3389 Eastwood St. When he moved out as a tenant, they refused to give him his clothing, he said. The dynamiting occurred shortly afterwards.

Negotiations at Standstill in Detroit Beer Dispute

DETROIT (INS) — Negotiations between striking workers and the Michigan Brewers Assn. were at a standstill today.

Conferences, called by state and federal negotiators Wednesday ended in stalemate.

Frank Parker, president and executive director of the association said its offer still stands. The offer was rejected at a meeting last Sunday by a 3 to 1 vote and the drivers, bottlers and brewers continued their strike begun April 2.

May Have to Amputate Football Coach's Leg

BANNING, Calif. (AP) — Physicians say they will probably have to amputate the leg of Arthur Linden, high school football coach shot in the thigh by one of his students.

The boy, James Johnson, 15, is in Riverside Juvenile Hall, charged with assault with a deadly weapon. Before the shooting, Linden had reprimanded him for fighting.

Ed Board Accepts Bid

ORION TOWNSHIP — The Orion Township School Board accepted the low bid of $33,682 by Frank Stewart and Sons, Inc., for construction of the two-room special education addition at Webber School on Clarkston road.

Totals 73 Cents an Hour per Employe

GM Releases Breakdown on Cost of UAW Demand

DETROIT (INS) — General Motors today released a breakdown on its estimate that the United Auto Workers' new contract demands would cost the company more than 73 cents an hour per employe.

Total annual cost of the demands, according to GM, would be more than $500 million.

The UAW has called GM's estimate "fantastic," but so far has not released a breakdown of its own. The parties have compared figures on only one item — pensions. GM lists the cost at 13 cents an hour while the union contends it would be only 4.1 cents.

Here is how GM arrives at the other 60 cents of its price tag:

—General wage increase, 10 cents or more an hour.

—Wage inequities, 12 cents.

—Holidays, vacations and overtime, 9 cents.

—Indirect cost of wage demands, 3 cents.

—Non-wage demands involving cost, 24 cents.

—Insurance, 2 cents.

Meanwhile, the UAW replied to a statement by Ford President Henry Ford II that no auto company could grant the union its 1958 demands and expect to stay in business.

★ ★ ★

In answer to Ford's assertion that the demands would raise the cost of cars more than $300, a union spokesman declared:

"None of our demands would require a price increase. If Ford, or any other corporation, contends they would, we have offered, if they can prove this, to lower our demands to the point where they will not."

Ford said the UAW proposals would cost more than 70 cents an hour — exclusive of profit sharing.

★ ★ ★

GM, Ford and Chrysler all met with the union today as the pace of bargaining picked up markedly.

Both federal and state conciliation services assigned teams of mediators to follow progress of the talks.

★ ★ ★

Allan B. Chisholm, chairman of the Michigan Labor Mediation Board, emphasized the mediators have no intention of entering the negotiations but will be standing by in case they are needed.

The auto companies and the union traditionally prefer to reach agreement without the help of mediators.

Asks $200,000 in Plane Crash

Pontiac Airport Collision Killed Drayton Man in 1956; Wife Sues

The wife of a Drayton Plains man, one of three men killed in an aerial collision of two planes in 1956 over Pontiac Municipal Airport, is seeking $200,000 damages in Oakland County Circuit Court.

A jury of six men and six women is hearing testimony in the case of Virginia B. Pickett, wife of the late James G. Pickett Jr., versus Larry Trott, son of one of the three men killed.

★ ★ ★

Mrs. Pickett, administrator of her husband's estate, charges in the suit that Trott's pilot, Winston D. Mathews, 25, of Charlevoix, was flying the Trott plane in a "careless, grossly negligent and unlawful manner."

Mathews, along with Pickett and Trott's father, Jess, 60, owner of the Almont Airport, were killed instantly June 23, 1956.

★ ★ ★

The suit contends that Pickett, 42, was about to land his plane at the Pontiac field, in a traffic pattern established by the airport, when the Ttrott plane, in a formation of three, crashed into the Pickett aircraft.

The Trott plane should have yielded the right-of-way to a landing airplane, the suit says. It also says it was flying below the established 1,000-foot minimum altitude planes must maintain when flying over airports.

★ ★ ★

The three-plane formation was flying from Defiance, Ohio to Almont, the Trott home. The elder Trott was a passenger in his son's plane being flown by Mathews. The accident occured at about 800 feet, witnesses said.

Inattentive Driver, Hurts Four in City

Four persons suffered minor injuries yesterday when a driver took her eyes off the road for a moment.

Judith Kay James, 16, of 155 Elizabeth Lake Ave., told Pontiac police she was driving along W. Huron near Murphy, looking at the sidewalk.

When she looked ahead she saw a car had stopped in front of her to make a turn, but she was unable to brake in time to avoid hitting it.

Injured were Miss James, a passenger, Joan Humphrey, 17, of 86 E. Longfellow Ave.; the other driver, Kenneth Miracle, 31, of Hazelmary St., Pontiac Township, and his wife, Geraldine, 30.

★ ★ ★

All four were treated at Pontiac General Hospital for bruises and sprains.

Westacres Club to Hold Card Party at Northland

WESTACRES — The Westacres Women's Club will hold a card party from 7 to 11 p.m. Wednesday at Northland Hospitality House.

Mrs. William Devers of Bucknorn street, Westacres, is chairman of the party, assisted by Mrs. Joseph Fox of Elder road, Westacres.

Mrs. Mary Ellen Gladden of the Michigan Bell Telephone Co. will present a program, entitled "Color Comes Calling."

Reservations may be made with Mrs. Devers or Mrs. Fox.

New York Firm Wants Arizona's Grasshoppers

PHOENIX, Ariz. (AP) — A New York firm apparently believes one man's plague may be another's delicacy.

Reece Finer Foods wrote Asst. State Entomologist James A. Brown and said it would like to set up a fried grasshopper plant in Phoenix. Central Arizona farmers currently are fighting a grasshopper infestation. The New York firm imports fried grasshoppers, a rare delicacy, from Japan.

Brown suggested the firm continue to import its fried grasshoppers. He noted the Arizona variety are being poisoned and would not be edible.

Veteran Announcer Found Dead in Auto

PALM SPRINGS, Calif. (INS) — Bill Goodwin, veteran radio and television announcer, was found dead today in his car on the outskirts of Palm Springs.

Death apparently was caused by a heart attack, Goodwin, 48, had pulled his car to the side of the road.

Officer J. R. Wahlberg found the body slumped over the steering wheel with the car's motor still running and the lights turned on, indicating Goodwin suffered a sudden seizure.

Goodwin had been an announcer on some of the nation's most popular radio shows, including programs starring Bob Hope, George Burns and Gracie Allen, Frank Sinatra and Edgar Bergen.

For Walled Lake Schools

Plan to Borrow $100,000

WALLED LAKE — The Walled Lake Board of Education has decided to borrow $100,000 against future state aid payments, instead of $200,000 as previously planned.

★ ★ ★

This action was taken, board members said, after it was learned that a part of the state aid owed the school district will be paid prior to the close of the schools for the summer.

In other business the board approved the plans and specifications for the renovation of the present Junior High School building and will open bids on the project at the regular meeting May 12.

It also discussed with Walter T. Anica, school architect, final revisions for the proposed Junior High School on Commerce road and approved the changes recommended so that bids may be received on June 3.

★ ★ ★

The board approved the issuing of contracts to teachers under tenure, to those who have probationary contracts and to others for one year.

Ruling Party's Head Slain in Pakistan

LAHORE, West Pakistan (AP) — The head of Pakistan's governing Republican party, Dr. Khan Saheb, was assassinated today in this capital of West Pakistan.

He was stabbed by a man identified as Ata Mohammed. The motive was not immediately determined and it could not be learned if the assassin had been captured.

A veteran Indian and Pakistani politician, Khan Saheb, 85, was the first chief minister of West Pakistan. He later resigned to devote full attention to running the party.

In New Delhi, Indian Prime Minister Nehru said "I hardly ever came across a greater gentleman" and the Indian Parliament stood in silence for two minutes in Khan Saheb's honor.

Jury Rules for Railroad in Big Damage Suit

PHOENIX, Ariz. (AP)—A Maricopa County Superior Court jury decided in favor of the Southern Pacific Railroad Co. last night in a $520,000 damage suit stemming from the nation's worst car-train collision.

The suit was filed by Cecilia B. Alires, administratrix of the estates of 9 of the 12 persons killed when a car collided with the Southern Pacific's Golden State Limited Dec. 16, 1956, at a southwest Phoenix crossing.

All 12 killed were car occupants. The only survivor in the jam-packed 1937-model car was Crucita Alires, 3, Cecilia's niece. Nine members of the Alires family were killed in the crash.

Discriminating Male Can Always Spot a Winner

Come Sack, Chemise, Trapeze ...Beauty, Like Truth, Can't Be Hid

By HAROLD COHEN

For any male to step boldly forward and raise his voice or pen in defense of the newest "new look" in women's fashions — the sack, chemise, trapeze or what have you — takes a lot of doing.

The mere hint that he approves could lead to social ostracism or violent arguments with his fellow men.

MADE A WILL

But bound by the journalist's pledge that "truth shall prevail," this reporter, having drawn up his will and made a down payment on a burial plot, will do just that.

COHEN

In all candor, we don't see much wrong with women's attire. Years of intensive research into the matter—all in the interests of art and science of course—have convinced us that, like truth, beauty too will prevail.

★ ★ ★

In other words, dressed in a sack, a trapeze or Christmas tree ornaments, the body beautiful cannot be denied.

The gal who has got it where it counts can no more conceal it, than a camel can be packaged to be passed off as an elephant.

FACTS ARE FACTS

In a bikini or a Mother Hubbard, the basic facts of feminine pulchritude remain unchanged and are as apparent to the male's observations as is a scarlet flamingo to a dedicated birdwatcher.

For the gal who bulges a bit overmuch or is straight where she should be curved, the sack or chemise or trapeze has real advantages.

★ ★ ★

And to the man of discriminating taste, to whom the sight of a feminine shape that zigs where it should zag is as painful as a new Pontiac with dented fenders, the new fashions are a boon. They conceal the worst.

Any man who has the least knowledge of the fair sex, knows that women generally are enamoured of new fashions for newness' sake alone.

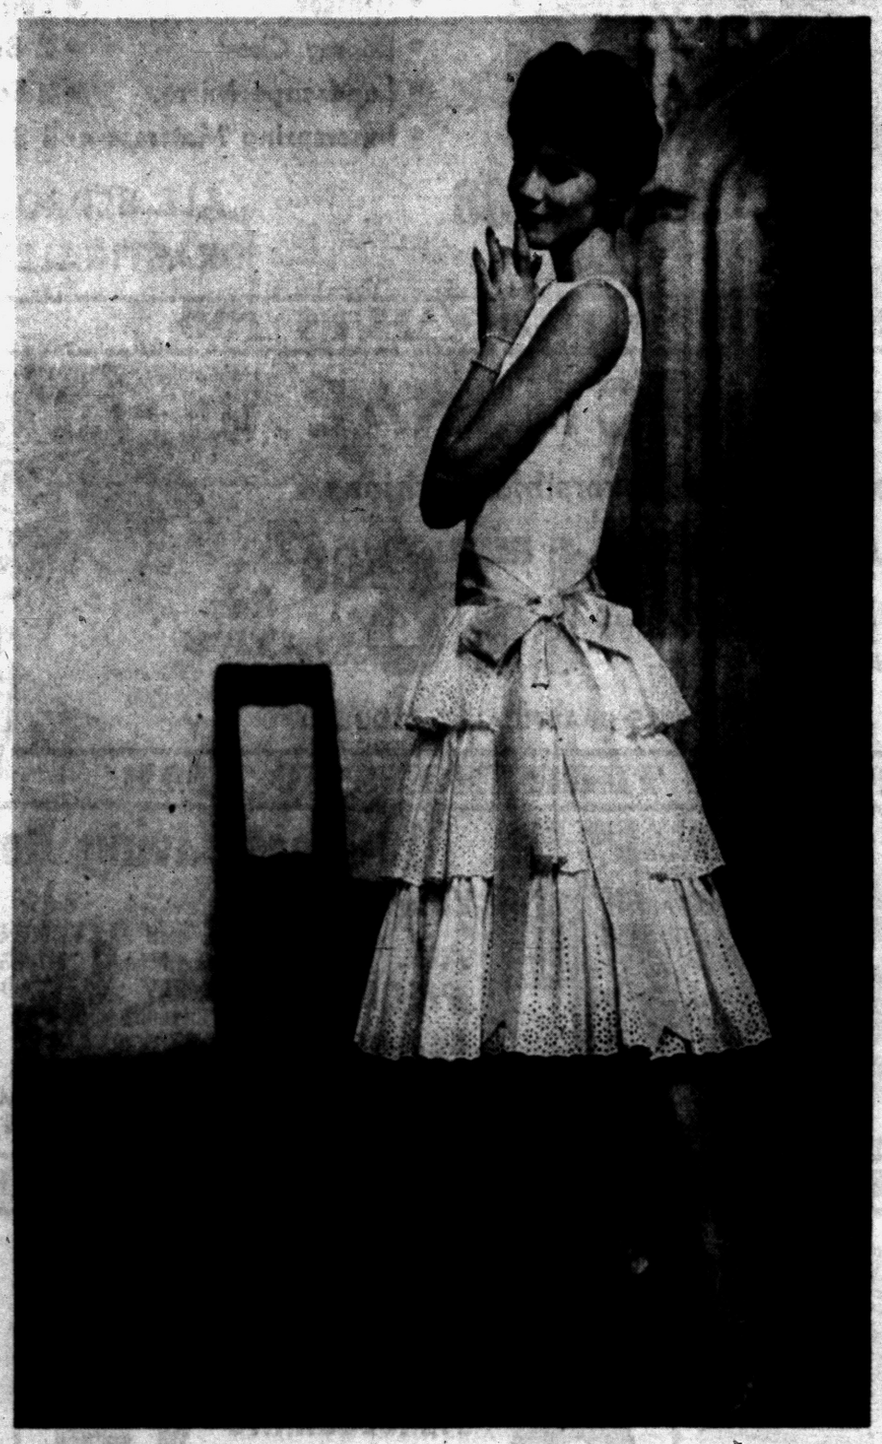

HE GOES ALONG

They buy and they wear them because they are new. They tire easily of last year's "old junk." The cogent husband or fiance rides along with the swell, knowing that it too will pass away.

And if he is not so far gone that he thinks a young lady's legs are something that just hold her up, he will find that while the latest fashions might offer slightly more of a challenge to the imagination, they still give ample data on which to draw conclusions.

The ladies, bless 'em, would be far less attractive, far less the aesthetic attraction they now are, were the dull sameness of fashion to prevail year after year.

Let them undulate down the streets in their sacks. We accept the challenge. And if a single delightful young thing escapes our eye, we'll buy her a trunk full of Dior originals —sack-type of course.

"Now what's wrong with this dress?" reporter Cohen asks as he defends the chemise dress. This "baby doll" skirt and chemise bodice is as appealing as summer itself. Read Cohen's story on why he believes in fashion's latest dictates.

Named to Zonta Parley

Mrs. Chadd Mellinger was named to represent Pontiac Zonta Club at the International convention in New York on June 22. Dr. Pauline Spring is alternate delegate.

Mary Lou Gharrity of Milford was a guest when Zonta Club met Thursday evening for dinner at Kingsley Inn.

Chairmen for the year were announced as Mrs. L. Raymond Sampson, attendance; Mrs. T. W. Jackson, public affairs; Maude Chambers, inter-city; Mrs. Earl R. Floyd, status of women; Mrs. Thomas Horwitz, international relations and Phyllis Pope, historian.

★ ★ ★

Others were Dr. Anne Becker, program; Mrs. L. Harvey Lodge, house; Mrs. S. B. Wattles, service; Lola Parkins, telephone; Margaret Stark, membership; Mary Kelly, finance; Mrs. Adrian Ish, publicity and Harriett Ratliff, fellowship.

VFW Event Set

Ladies Auxiliary to VFW of Fifth District will meet May 18 at Royal Oak Post for the annual spring encampment. Delegates from VFW auxiliaries in Oakland and Macomb Counties will begin the all-day session with a membership breakfast.

Rebekahs Plan May 23 Dinner

It was announced at a Thursday evening meeting of Welcome Rebekah Lodge in Malta Temple that Mrs. Lester Bell is general chairman of a May 23 mother, daughter and son banquet.

Mrs. Ferman Huston is in charge of tickets; Mrs. Russell Hetzer and Mrs. Gene Elkins, dining room, and Mrs. Woodrow Sutton, program. Mrs. Clarence Cavalier, Mrs. Ethel Covey and Mrs. Mary McFarland were in charge of the Thursday evening social hour.

Four Pages Today in Women's Section

Blueprints for the proposed Village Woman's Club building in Bloomfield Hills are checked here by enthusiastic club members (left to right) Mrs. Malcolm Welty of Birmingham; Mrs. E. Wright Yount of Bloomfield Hills, Mrs. Robert W. Budd of Bloomfield Hills and Mrs. Martin Butzel of West Bloomfield Township.

Hospital Auxiliary Plans May 12 Membership Tea

Mrs. Forest Wood and Mrs. Curtis E. Patton are in charge of arrangements for a May 12 membership tea of Women's Auxiliary to Pontiac General Hospital.

Mrs. Helen Reese will have charge of decorations for the fourth annual event in the main lobby of Pontiac General Hospital.

★ ★ ★

Other chairmen for the 2 to 5 p.m. tea are Mrs. Clifford Steffey and Mrs. R. A. Shapler, guest book; Mrs. William Bedard, hospitality; Mrs. Leo H. Heenan and Mrs. L. Raymond Sampson, hostesses; Mrs. Willard E. Beebe, invitations; and Mrs. Charles Barrett, membership.

Concluding the list of chairmen are the names of Mrs. Robert Segula, name tags; Mrs. Walter Fred Fuller, publicity; Mrs. William B. Dean and Mrs. John H. Vanderlind, refreshments; Mrs. Mac T. Whitfield and Mrs. Dexter J. Kennedy, social; Mrs. Guy Bevington, tours, and Mrs. Howard O. Powers and Mrs. Thurley Allen, transporation.

★ ★ ★

Highlight of the afternoon will be tours of the new addition to the hospital to acquaint prospective auxiliary members with the work done and what is anticipated. A chart depicting the projects of the auxiliary will be displayed and explained.

Just Say 'Thanks' Nicely

By EMILY POST

"Dear Mrs. Post: The other day I met a friend for lunch and when it came time to pay the check, she said, 'It's been taken care of.' As she had not invited me to lunch, I saw no reason why she should pay for me so I took the price of my lunch out of my purse and put it beside her plate saying that it was my share of the bill.

"She said, 'Oh, all right if you insist,' and took the money but she seemed rather annoyed. Will you please tell me if I was wrong to do this, or should I have said, 'Thank you' and let it go at that?"

Answer: Under the circumstances you describe, you should have thanked her for lunch and added that the next time you lunch together she must, of course, be your guest.

"Dear Mrs. Post: A popular bachelor in our town recently married a young woman from another part of the country. They will live in this city when they return from their honeymoon.

"We received an announcement from the bride's parents. Enclosed with the announcement was an At Home card. Is this an invitation to call on the bride? The bride is a total stranger to me."

Answer: Why don't you telephone to the groom saying that you would like to meet his bride and ask him when would be the most convenient time for you to call on her?

"Dear Mrs. Post: My mother seems to think it is not proper to call a boy friend on the telephone. She insists that girls who call boys give the impression they are running after them. Isn't it proper for a girl to call a boy on the telephone?"

Answer: It would be proper for a girl to call a boy if she has a message to give him or something of importance to ask him. But I don't think she should call him just to have idle conversation — unless she knows him very well and he frequently calls her.

Sorority Hears Report, Plans May 24 Dance

Mrs. Elmer Johnson, treasurer of Michigan State Executive Council of Epsilon Sigma Alpha Sorority, gave a report on the state convention when members met at the YMCA Thursday evening.

Mrs. Fred Baumgartner, dance chairman, announced final plans for the May 24 annual summer sorority ball being held at Westacres Country Club. Mrs. Harry Rhodes, Mrs. Jack Andress and Mrs. Jack D. Holler presided at the refreshment table.

Child Culture Club Plans Installation

Mrs. Murray Osborn spoke on "Speech Problems in Young Children" when Child Culture Club met in the South Marshall street home of Mrs. Neil Nelson Thursday evening.

Installation of officers will be conducted at the May 22 meeting in the Birmingham home of Mrs. Dale Swanson.

To Name Officers

Louise and Dorothy Ward of Farmington will entertain Southern Oakland County members of Siena Heights College Alumnae Association Monday. Election of officers will be held.

ELLEN M. LAFAYETTE

Mr. and Mrs. Louis C. Lafayette of Grosse Ile announce the engagement of their daughter, Ellen Mary, to Wallace J. Barber, son of Mr. and Mrs. Wally J. Barber of Beachcrest drive. No wedding date has been set.

Musicale to Present Grass Roots Opera

Pontiac Tuesday Musicale will hold its annual spring luncheon and program Tuesday at Devon Gables.

The program will consist of a light grass roots opera presented by members of Tuesday Musicale's workshop.

This type of opera, which is opera for everyone, was begun in North Carolina in 1948 by the Federation of Music Clubs of that state. Thus began a movement of short operas or excerpts from operas presented to various clubs.

NOT OPERETTAS

Works in the classification of grass roots opera are not operettas. Many of them are by contemporary composers such as Menotti, Bernstein, Wilder or Weil. While not grand opera, it is music of high quality.

Throughout the country the movement is achieving its original purpose — to give young singers operatic experience and to provide the audience with an operatic experience they can understand and enjoy.

The opera Tuesday is entitled "Sunday Excursion" by Alec Wilder.

Taking part will be Alice Helvey, Mary Buck, Annabelle Marshbanks, Christine Gaensbauer, Jean Putnam, Yvonne Smith and Audrey Stimpert with Margaret Heidenbrand at the piano.

Mrs. Robert Rice and Mrs. A. F. Buehre Jr. are designing the back drop.

Talk on Wills Heard by PTA

Thursday evening's topic of discussion at Willis School PTA meeting was "Taking the Guesswork Out of Wills." Paul M. Mandel, assistant prosecutor for Oakland County, conducted a question-and-answer period following his speech.

June 11 has been set for sixth grade graduation, and on June 12, the teaching staff will be luncheon guests of PTA Executive Board. Mrs. Orville Foster, Mrs. Gerald Smith and Mrs. Willis Schnekenburger served refreshments.

Alumnae Ball Set for May 24

Dance to Feature Circus Theme

BIRMINGHAM — Orchard Lake Country Club will be transformed into a circus Big Top the evening of May 24 when the North Woodward Alumnae Association of Kappa Kappa Gamma Sorority gives its annual Spring Ball.

Many vari-colored balloons will form a false ceiling in the ballroom which will have all the circus attractions represented. The orchestra will wear red uniforms, and murals will depict all manner of circus animals.

★ ★ ★

Mr. and Mrs. Donald Hurst have invited friends for cocktails that evening and their guests will include the William E. Ludwigs, Mr. and Mrs. H. William Butler, Mr. and Mrs. Andrew Henderson, the William Meanwells, the Clayton Andersons, Mr. and Mrs. Robert Insley, Mr. and Mrs. Edward Murphy and the Kenneth Thorntons.

DINNER PLANNED

Mr. and Mrs. Richard Hennes will have four couples for dinner. (Mrs. Hennes is chairman of this branch of Kappa alumnae.)

Mr. and Mrs. Peter F. Grylls will entertain their potluck supper group at dinner. Members of the club are the Edward B. Emerys, the William K. Downeys, Mr. and Mrs. Joseph L. Hardig and Mr. and Mrs. Bernard Fuchs.

★ ★ ★

Mr. and Mrs. John Siegesmund will give a breakfast after the dance. Mrs. Siegesmund is chairman for the dance. Her assistants are Mrs. Alexander Riker, Mrs. Donald R. Hibbert, Mrs. C. R. Colville and Mrs. Richard Craig.

★ ★ ★

Assisting Mrs. Craig with decorations are Mrs. John Nelson and Mrs. William A. Mara Jr.

Mrs. Donald Hurst is being assisted with table decorations by Mrs. Hibbert, Mrs. Richard Groves, Mrs. Carl Waldrop, Mrs. H. V. Potter, Mrs. David Manley and Mrs. F. C. Huft.

The foot-high handpainted clown-heads which will decorate each table will be donated to the Oakland County Children's Home after the party.

Mrs. David Sutherland, Mrs. Charles Storm and Mrs. Gordon C. Bolling comprise the organizational committee. In charge of publicity are Mrs. James R. Temple, Mrs. Alice Kitts, Mrs. William E. Ludwig and Mrs. Walter H. Teninga.

Mrs. Frank W. Allen, in charge of the hundreds of balloon decorations, is assisted by Mrs. David C. Sebring, Mrs. Robert M. Sinclair, Mrs. Harold L. Walters, Mrs. M. G. Wicks, Mrs. W. R. Moore, Mrs. George Randolph and Mrs. John Wasylik.

RETURN FROM EUROPE

Mr. and Mrs. Robert H. Taylor and Mr. and Mrs. Frederick Colombo returned early this week from a six-week visit in Europe. In Rome, where they spent Easter Sunday, they met Mr. and Mrs. Richard C. Oglesby of Westwood drive who will be home this weekend.

★ ★ ★

Recent Birmingham guests at The Homestead, Hot Springs, Va. have been Mr. and Mrs. John C. Kinsel who returned home Monday, Mr. and Mrs. Robert Vanderkloot, the Guy S. Warrens, Mr. and Mrs. Ari Begole, Mr. and Mrs. Kenneth D. McGregor and Mr. and Mrs. George E. Tischer.

★ ★ ★

Captain and Mrs. Stanley E. Reinhart (Sally Kemp) announce the arrival of a daughter, Mary Elizabeth, April 29 in Kitzingen, Germany.

Mrs. Walter O. Briggs III and Mrs. Rocco de Marco have returned from New York where they visited Mrs. Briggs' mother, Mrs. Harvey G. Luce.

WOMAN'S CLUB MEETS

The annual business meeting of Birmingham Woman's Club was held Thursday morning at Forest Lake Country Club. Following the noon luncheon a fashion show was presented by Alvin's.

Officers installed were Mrs. Ralph Main, president; Mrs. William Grabendike, first vice president; Mrs. Matthew Cammareri, second vice president; Mrs. Howard Reed, corresponding secretary; Mrs. Carl Binkle, recording secretary; Mrs. J. Renwick Bell, treasurer; Mrs. E. J. Kemp, program chairman, assisted by Mrs. Glenn Coley, Mrs. John Dufty and Mrs. John E. Wilson Jr.

As these Village Woman's Club members (left to right) Mrs. Edward Rothman of Birmingham, Mrs. George McCormick of Birmingham and Mrs. H. Gray Muzzy of Bloomfield Hills dream of the time when their club building will be a reality, they look at the architect's sketch of the end result.

Club Plans Go Forward for Building

Some time in the future, Village Woman's Club will be housed in a modern glass and brick clubhouse in Bloomfield Hills. Early in May the club voted to begin building plans for the proposed structure.

Mrs. Edward Wellock, chairman of the ways and means committee and Mrs. A. Bruce Knight, chairman of the finance committee, now are meeting jointly with their boards to determine the exact time to start a fund-raising drive for the undertaking.

Mrs. Robert W. Budd is chairman of the building committee, and Mrs. James J. Nance is president of the Village Woman's Club.

County Nurses to Stage Style Show Wednesday

"The Nurse Takes a Holiday" will be the theme of a fashion show to be given at 7:30 p.m. Wednesday evening by the Oakland County District Nurses Association. The show will be in conjunction with Professional Nurse Week which will be observed Sunday through Saturday.

The affair will be held at St. Joseph Mercy Hospital Nurses Home and will feature costumes by Arthur's.

Mrs. George Gillette is general chairman for the event. Vice chairman is Mrs. Ralph Sherrod. Mrs. Howard McIntyre is handling program and publicity arrangements.

Members of the Auxiliary to the Oakland County Medical Society, under the chairmanship of Mrs. Charles P. Barker, will serve on the hospitality committee. A tribute to Florence Nightingale will be offered by Mrs. Arthur Selden. Mrs. Michael Siano will be soloist.

Models will include Mrs. Gillette, Mrs. C. W. Salton, Mrs. J. A. Varion, Mrs. Rudy Giglio, Mrs. Neil Hunter, and Mrs. James Greene.

Mrs. Madeleine Frantz, Bernice Janowicz, Mary Powers, and Marge Brokhoff also will show the latest in fashions. Mrs. McIntyre will comment on the styles.

Girl Scout Cookie Sale Evaluated

Northern Oakland Girl Scout Council cookie committee hostessed a coffee and dessert evaluation session Wednesday afternoon at the home of Mrs. Ivan LaCore.

Conducting the discussion of proposed improvements for next year's sale was Mrs. Richard Williams, council cookie chairman, assisted by Mrs. W. C. Miller and Mrs. LaCore.

Participating in the discussion were representatives from the council districts Mrs. Benn Norriss, Mrs. Clifford Neville, Mrs. Joe Bridges, Mrs. Charles Springer and Mrs. W. E. Johnson. Also represented were many of the council neighborhood chairmen.

Cookie committee members extended thanks to those helping to attain their cookie sale total of approximately 84,000 boxes. Special guests at the meeting were Mrs. Lyle Gately, council treasurer; Mrs. Alfred Dacey, finance chairman; and Mary Selway, field director. Major recipients of the sale are Camp Sherwood, the established camp for Girl Scouts in the council, and the day camps conducted throughout the county.

Swedish Meat Balls Are Good for Buffet Party

By JANET ODELL
Pontiac Press Home Editor

Today's recipe is for an excellent buffet dinner recipe. Everyone likes Swedish Meat Balls. They can be made and cooked the day before you want to serve them and heated at mealtime. This recipe calls for beef and pork combined.

★ ★ ★

Mrs. Donald Johnson is our cook. She lives in a new subdivision near Walled Lake. Sewing and collecting antique jewelry are two of her hobbies. The whole family adores their French poodle, Pandora.

SWEDISH MEAT BALLS
By Mrs. Donald Johnson

1 pound ground beef
½ pound ground lean pork
½ cup chopped onions
½ cup bread crumbs
2 teaspoons salt
2 tablespoons butter or margarine
1 cup milk or water
2 eggs
¼ teaspoon pepper

Mix pork and beef together Melt butter or margarine, saute onions. Add to meat with rest of ingredients, mixing well. Place in refrigerator to chill.

Roll into small balls and brown in hot fat. Gravy may be made in the same pan and served with the meat balls. If there is not enough liquid to make gravy, canned gravy goes well with this recipe.

When ready to serve (if dish has been made the day before), heat in the oven or in a chafing dish.

The Lawrence Vaillancourt family of Trinity street will be bound for Europe by plane Saturday afternoon, where Mrs. Vaillancourt will visit her family in southern France. Mr. Vaillancourt holds 16-month-old Paul. Three-year-old Annete stands near her mother, displaying a photograph of the yacht her father will pilot to this country on his return trip while Mrs. Vaillancourt and the children remain in France for several months.

Family Looks Forward to Long European Visit

Mr. and Mrs. Lawrence Vaillancourt and their children, Annete, and, Paul, of Trinity street are eagerly awaiting Saturday afternoon, when they will leave Willow Run by plane for an extended visit to Europe on a combination pleasure and business trip.

★ ★ ★

The pleasurable aspect of their jaunt abroad will include stopovers in London and Paris where they will visit friends. The most anticipated visit, however, will be in Beziers, a small French town near the Spanish border, where Mrs. Vaillancourt, a native of France, will visit with her family. A trek across the border into Spain to capture bull fights on film is an adventure the family is awaiting.

After several weeks in Beziers Mr. Vaillancourt will leave his wife and two youngsters, who will remain in France for several months, to return to Paris where the "business" nature of the trip will begin.

In the exciting city he will interview a number of students who will return with him as crew members aboard a 105-foot-Diesel powered yacht he will pilot to this country.

The group then will depart for Oslo, Norway to begin their cruise home by way of Shetland Islands, Iceland, Greenland, Nova Scotia, Canada, the St. Lawrence Seaway, and across the Great Lakes into Detroit.

★ ★ ★

Mr. Vaillancourt is well qualified to embark on such a voyage, having served in the Merchant Marine during World War II and also having sailed a commercial tuna fishing boat on the West Coast. This will be Mr. Vaillancourt's fourth trip to Europe where he met Mrs. Vaillancourt in 1951.

Dinner Fetes Phyllis Duke

The Stockholm was the setting for a pre-nuptial dinner given by James Duke of Detroit in honor of his granddaughter, Phyllis Marie Duke. The event also marked the arrival of Miss Duke's fiance, Gregory T. Walker, of Melbourne, Australia.

The bride-elect is the daughter of Mr. and Mrs. John Duke of Glenwood avenue, and Mr. Gregory is the son of the Henry Walkers of Melbourne. The couple will be married at a Nuptial Mass in St. Michael Catholic Church Saturday.

Hold May Breakfast

Annual May breakfast was held at Pontiac Country Club by Niblick Club. After a short business meeting, members left the spring-blossom decorated tables for golf or bridge. In the afternoon members played cards to end the Tuesday opening day.

Church Women to Meet

When United Church Women meet Monday for the annual nationwide observance of May Fellowship Day in All Saints Episcopal Church, their study theme will be "A Place to Live."

Mrs. Homer B. Harbage, chairman, is being assisted by Mrs. John Walser of Bethany Baptist Church in making arrangements for the noon luncheon.

Mrs. Charles Dengler of Jackson will speak on increased population, minority groups, public housing and what churches and individuals can do to better the community.

Active in civic and musical circles, Mrs. Dengler has served as president of the Michigan Episcopal Diocese Women's Auxiliary and of Michigan Music Clubs.

Following the invocation by the Rev. L. R. Miner of Macedonia Baptist Church, Mrs. Brady Adams will preside.

★ ★ ★

Mrs. Frank Gray will present "The Church Woman." Others participating in the afternoon program will be Mrs. Paul Cotton, Mrs. Ralph Osborn, Mrs. Freemont Alden and Mrs. V. R. DeVore.

Committee chairmen include Mrs. Ralph Clara, registration; Mrs. Luther Strickland, publicity; and Mrs. Benjamin Bohn, decorations.

Blue Star Mothers Plan Card Party

Members of the Blue Star Mothers, Chapter Four, are planning a card party to be held Wednesday at the home of Mrs. Alma Cowley on Seneca street. Mrs. Herman Dennis will be cohostess for the affair.

Mrs. Florence McCrae, president of the group, Mrs. Wilbert Fitz-Thomas, Mrs. John Yungk and Mrs. Florence Brown attended an open house at the Veterans Administration Hospital in Battle Creek this week.

About 68 per cent of all the officers in the United States army have completed one or more years of college.

Couple Back in College

Residing in State College, Ark., after their April 6 wedding are Mr. and Mrs. Howard Taylor. Before her marriage at the home of her parents, the bride was Gretchen Horton. The Rev. Denver Moore of Clarenceville Baptist Church performed the ceremony.

Mr. and Mrs. Clarence Horton of South Anderson street are the parents of the bride, and the bridegroom is the son of Mrs. John W. Taylor of Blytheville, Ark., and the late Mr. Taylor.

The bride was gowned in a ballerina-length taffeta gown with rosepoint lace. A tiara of iridescent flowers and seed-pearls held her silk illusion veil and she carried a white rose corrsage centered on a Bible, with streamers of ribbons and lily of the valley.

Sister of the bridegroom, Mary Taylor of Blytheville, Ark., acted as maid of honor, and a brother of the bridegroom, William Taylor of Blytheville, was best man.

The couple attends Arkansas State College where both are seniors.

The Rockefeller Foundation had its origin in 1913 and it began with an original endowment of about $182 million.

Try Exercise for Reducing Legs

By JOSEPHINE LOWMAN
(The Friday Question Box)

Q. "I have suffered for years because of my fat legs. Some tell me that I should have massages to reduce them but these are expensive. Will they reduce my legs?"

A. I do not think that massage will reduce the legs. There are some exercises which help, and of course if you are overweight, a loss in pounds will make a big difference.

Q. "I have wrinkles on the joints of my hands. Why do I have these? Is there anything I can do for them?"

A. If your skin did not have a little leeway over the knuckles, you would not be able to bend your fingers. However, it is a good idea to massage cream into the skin over the joints at night.

Q. "Can you tell me what kind of cream to use for little broken veins on the face and neck? I have used all sorts and none seems to help."

A. Creams will not help this condition. These capillaries can be removed by a dermatologist who is trained in this specialty.

Q. "I am 18 years old. I have light brown hair but would like to lighten it about three shades more. I have heard that peroxide will do this. Am I right?"

A. Please, I beg of you, do not try to bleach your hair. At your age your hair probably has its own lovely highlights and is so much more attractive than anything you could do to it. However, if you are determined to do something, have an expert do it for you.

Q. "I have heard that a few tablets of brewer's yeast a day will prevent the hair from turning grey. Is this right?"

A. I do not think there is any known preventative for grey hair. This idea probably arose because there has been some indication that vitamin B has this effect and brewer's yeast is a good source. This is a fine health habit anyway.

Q. "I am 15 years old and have wrinkles on my forehead. How can I remove them? I do not use creams since I have very oily skin."

A. I am sure that the lines on your forehead come from the habit of lifting your eyebrows. Break yourself of the habit.

Dear Abby....

Please, Another Chance

By ABIGAIL VAN BUREN

ABBY

"DEAR ABBY: You ran a letter from a lady who found a box of love letters in the trunk of her husband's car. They were from a married woman and told everything. The lady who found them asked you if she should turn the letters over to the husband of this married woman. You told her not to.

"I pray every night that she will take your advice because I am that woman. I have three children who could be hurt, and he has two. If this woman who found my letters will destroy the letters, without telling my husband I promise never to see her husband again."

ASKING FOR ANOTHER CHANCE

★ ★ ★

"DEAR ABBY: Please ask that woman who found the box of love letters in her husband's car how much she will take for them. I am sure this concerns me."

WILLING TO BUY

★ ★ ★

"DEAR ABBY: If that wife who found the love letters to her husband will contact me, I can straighten out a few things for her. I also have a lot of letters from HER husband begging me to let him divorce her so he can marry me, but I wouldn't let him break up his home or mine.

"So if she wants to break up MY home after I tried to protect HERS, let her go ahead and show my husband those letters."

NO HOME WRECKER

★ ★ ★

"DEAR ABBY: Please inform that lady who found my letters to her husband that if sheturns them over to my husband it won't do her any good because I already have confessed everything and he has forgiven me. Thanks loads."

FORGIVEN

★ ★ ★

"DEAR ABBY: Please give your opinion of a mother who has three small children (ages 6, 9 and 12) who lays in bed all morning sleeping and lets the children get their own breakfast and clean up the kitchen. Then she brags to all her friends how independent her children are and makes everyone else feel like dopes because they get up and do the things for their children that mothers are supposed to do."

CURIOUS

DEAR CURIOUS: No one can tell another what she SHOULD do for her children. Maybe this is her way of teaching her children to do for themselves. What's one man's medicine is another man's poison.

★ ★ ★

"DEAR ABBY: I am going steady with a very nice boy. But there are a few things I wish he would do. First of all he wears a silk scarf around his neck that went out with high button shoes. His hair cut looks like his mother put the bowl on his head and cut around it. How can I tell him these things without hurting his feelings?"

HIS GIRL

DEAR HIS: If you are "his girl" you should be able to suggest tactfully that he change barbers and give up the scarf.

★ ★ ★

"DEAR ABBY: A friend of mine advised me to go ahead and marry this girl who was my first love, although I don't think she would make a very good wife for reasons I don't care to have you put in the paper. He says that if I don't marry my first love she will pop up in my dreams and spoil any other marriage I have. Is this friend of mine talking through his hat or do you think there is sense in what he is advising me to do?

J.C.D.

DEAR J.C.D.: Your friend is talking through his hat. If you feel that your "first love" will not make a good wife, don't marry her.

CONFIDENTIAL TO VIOLA: Two might be able to live as cheap as one — but when they live together as man and wife, there is always a possibility of a "third" to consider. Think

WATERFORD CONCERT — Four Waterford Township High School seniors practice for the annual spring concert to be presented May 22 at 8 p.m. Seated left to right are: Fred Ebey, 4125 Lanette St., and Sharon Overstreet, 113 Riviera St., band members. Standing is Dick Heltsley, 473 Scott Lake Rd., and Phyllis Morse, 2890 Lake Angelus Rd., members of the A Cappella choir.

Slate Spring Concert

By SANDY CLEMENCE

The Spring Concert, an annual event of the Waterford Township High School A Cappela choir and band, will be presented at the high school Thursday, May 22, at 8 p.m.

Also participating in the concert will be the boys' and girls' ensembles and the girls' trio, which consists of Connie Barron, Sharon Smith, and Judy Harnack.

Special soloists will be Gene Peters, Diane Elliott, and Kenneth Roth. The concert will be under the direction of Richard B. Meier and Donald J. Perrin. Approximately 175 students will take part in the concert.

JUNIORS TREAT SENIORS

Tonight, from 8 to 11, the senior class of WTHS will be honored at a special assembly, buffet dinner, and dance sponsored by the junior class. The event, which is a substitute for the Junior-Senior Banquet, will begin with an assembly featuring senior talent and the reading of the Senior Will and Junior Prophecy.

★ ★ ★

Take-offs on the recent senior mock election are also planned. After the assembly, a buffet dinner will be served in the cafeteria, followed by dancing in the gym.

A total of 95 members of the chemistry classes went on a field trip Friday to the Science Fair in Detroit.

★ ★ ★

The joint banquet of the student councils of WTHS and Isaac E. Crary Junior High School will be held tomorrow night at 6:30 p.m. at the high school. Speaker will be Congressman William S. Broomfield.

Waterford was host Wednesday for a student council meeting of all the Inter-Lakes League schools.

Elections for next year's student council officers will take place Wednesday in a special assembly

To Hold Thespian Initiation at Central Wednesday

By WILLIAM BANK

Pontiac Central High School's National Thespian Society, troop 499, will conduct the annual initiation ceremonies following a dinner Wednesday.

Sixteen students will be eligible to become a member of the drama group. They are: Leah Berg, William Bank, Dorita Carlisle, Marjorie Crowder, Terri Fortino, Dimtra Govenis and Ann Hamilton.

Others are: Kay Hamilton, Maria Hickey, Alan Higgins, Alvin Lambert, Carol Olson, Sandra Sommerville, Levy Williams, Barbara Wolfe and Joanne Wood.

Students become eligible for membership by acquiring 20 or more points which are given to those who work on plays.

IN FLINT TODAY

The PCH student, Richard Serwin, who won first place in the Metropolitan Detroit Science Fair, last week is participating in the Nation Science Fair in Flint today.

Recently the PCH Dolphins Club entered two of their numbers from the water show, "Dolphins in Disneyland," in the Synchronized Swimming Festival at Ann Arbor,

See Page 36 for More School News

Sponsored by the Michigan Board of the Division for Girls' and Womens' Sports.

The girls participating in "Marsian Maidens" were Gail Blamy, Barbara Patterson, Nancy Donaldson, Judy Baker, and Darlene Gould. Those in "The Bears" were Joanne Wood, Gail Gibson, Ann Donaldson, Patricia Huntwork, Kathy Hunter, and Barbara Strang.

The seniors are busy making preparations for the senior prom. The theme of the prom is "I-Aquatis" and it will be held June 12 from 9 to midnight.

Co-chairmen of the prom are Gail Sedrick and Sharon Daniels. They are to be assisted by Charles Syers, publicity; Phyllis Peters, music; Rhoda Goldberk and Emmanuel Williams, decorations; Julie Blank, tickets; Robert Thompson, refreshments; Marcia Galbreth, patrons; and Nick Sekles, post-dance.

Results of the first Michigan mathematics prize competitions test held several months ago at Central have been released.

Top students in order of rank are Victor Rigotti, David Davies, Alan Higgins, Donald Lucas, Karen Bowman, and Emmanuel Williams.

Wednesday the annual Sports Banquet for PCH athletes and their parents will be held at Madison Junior High School cafeteria.

Avondale Musicians Slate Concert Soon

The Avondale Instrumental Department will present their sixth annual Spring Concert Wednesday, beginning at 8 p.m. in the Avondale High School Auditorium.

The bands included in the program will be the Avondale High School Concert Band, Junior High Band, Fourth Grade and Fifth Grade Bands. They will be under the direction of John Neztek and Richard Longfield.

Disc Data and Chatter

Music in the Round

by Dick Saunders

FIVE ACES: Tose in Pontiac this week are the following: "Dream" by The Everly Brothers; "Witch Doctor" by David Seville; "Twilight Time" by The Platters; "Chanson D'Amour" by Art & Dotty Todd; and "Wear My Ring Around Your Neck" by Elvis.

Also doing well in sales is Dean Martin's "Return To Me."

Pat Boone's "Sugar Moon" continues a slow creep toward the top five with "Big Man" by The Four Preps also coming close.

A cute new Eydie Gorme item—"You Need Hands" — seems good enough to raise some eyebrows too.

THE JAZZ NEST: A great new LP is "Mel Torme at the Crescendo" (Bethlehem BCP-6020). Mr. Torme, a genius in his own quiet way, does a great job on this swingin' set of 12 selections.

Recorded at the Crescendo in Hollywood last year, the Torme voice blows some great stuff with the Marty Paich Sextette.

This is an LP that should be on all shelves. Torme does a wonderful "One More For My Baby." Also terrific versions of "The Tender Trap," "I'm Beginning To See The Light," and "The Boy Next Door."

Clarkston Senior Chorus Plans 'Minstrel Musical'

The big entertainment event at Clarkston High School this spring will be "Minstrel Musical", a minstrel show presented by the Senior Chorus Wednesday.

The performance, which begins at 8:15 in the high school gymnasium, will feature solos by Danny Althouse, and Barbara Powell. The boys' quartet, including Joe Jennings, Danny Althouse, Ron Porritt, and Jim Miner, will sing and Diane and Kathy Taylor will dance a southern medley of songs.

Members of the Future Nurses Club will tour Harper Hospital in Detroit today.

The newly elected officers of the Hi-Y Club are: John Tisch, president; Bob Price, vice president; Larry Stelmach, treasurer; Fred Turek, secretary, and Chuck Hancock, chaplain.

The Junior and Senior Prom will be held May 17.

2 Orion Bandsmen Win Interlochen Scholarships

Two Lake Orion Community High School students, Julia Frederico, clarinetist, and Jerry Exline, tubaist, have received Interlochen Scholarships.

The announcement of the scholarships to the summer music camp was made last night at the Band Boosters banquet.

The first installation of the National Honor Society formed last year, was held Friday.

The new members are: Tenth grade: Janice Ballagh, Janice Carney, Inis McClard, and Beverly O'Tyson; eleventh grade: Bonnie Bailey, Sally Bailey, Mary Hurtik, Ken Robinson, Elaine Urban, Beth Woodward and 12th grade: Sheri Allen, David Carlson, Walter Cudnohufsky, John Dombrowski, Edward Fry, Karen Kennedy, Sharon LaMothe, [illegible]k Schaeffer, Nancy Wickman.

In celebration of Michigan Week students prepared an impressive service for "Spiritual Education Day" Sunday, with an interdenominational service at the Junior high school. Monday the home economics students made a key for the school from several pounds of fudge which Carl Baber, student council president, presented to Council and Mrs. Henry Webb.

Tuesday, "Hospitality Day" was celebrated by capturing the occupants of the 400th car passing through Orion after 12 noon, and treating the occupants. Wednesday, "Our Heritage Day" found displays from the Indian Days at the Youth Center in the student lobby, and Thursday was open house in all Orion schools.

Plant Vines to Landscape

Have you often wished you had a lawn which was green throughout the winter?

Some vines do just this. Some do well in shady areas and most will tolerate snow covers and are hard to kill. They do have their faults though. They grow rather slowly and occasionally need weeding and fertilizing.

Periwinkle or Myrtle is a very popular choice. It is so well adopted to shady areas that it occasionally grows wild. It is less than 12 inches high, has blue flowers and produces a vine which readily roots to form new plants. It is an ideal plant for banks beneath flowering shrubs where erosion is often a problem although is is not a good competitor in sunny locations.

Baltic Ivy has also proven an excellent choice. This is a thick growing broad leafed vine that has very good winter color.

In urban areas, where winter killing is not so likely, this vine produces such a dense growth it is truly a leafy carpet. It does have a tendency to climb walls and does well climbing chimneys and is best used near foundations in shady locations.

Japanese pachysandra is a relatively new plant and has proven very useful for certain locations. These aren't vine-type plants but as a group of individual plants they spread sufficiently to produce a fine carpet-like cover. They will not tolerate much trampling, but in patio situations in shady areas they have much to offer.

USE JUNIPERS

As a creeping evergreen, Junipers are really tops. It has it's faults, but in the right location, is a good investment. It does poorly in shady locations. It has a more natural appearance if it is not confined by walks and driveways.

The Juniper plant is extremely low growing, usually not more than 12 inches high, and eventually attains a spread of six feet or more. As a ground cover for open slopes it is hard to beat. A number of selections are offered by nurserymen including a variety of shades of green and blue.

Trailing roses aren't green all year and are not noted for their flowers, but are rugged and easy to grow. They are a type of trailing rose with the vines so limp they effectively cover steep slopes and unsightly walls. They respond remarkably to fertilizer and care.

Pruning avoids the brushy effect often found with older plants. Remove the old vines in July after they finish blooming. A variety of colors are offered by nurserymen, including yellow, apricot, pink and white.

Many homes have stone, brick or cement terrace walls, and one always has trouble growing plants near the edge. These areas always dry out.

★ ★ ★

Have you thought of a droughth surviving creeping plant to fill in this area and give some much needed color?

Moss Phlox is a perennial creeping plant which is very hardy and blooms heavily in early May. It can be easily divided and transplanted and does not become a run-away pest. It needs an open location.

★ ★ ★

Sedums are another of these dry weather plants. They come in a variety of sizes from very low blanket-like types to rather tall growing types. They are tough and good looking. They also bloom usually in mid-summer and will tolerate very poor soils.

★ ★ ★

There are known cases where they become run-away pests but this is uncommon. They are easily divided and transplanted.

This Week Is Tulip Time at Cranbrook

This week will be tulip time in the Gardens and Park of Cranbrook House, Bloomfield Hills, if jack frost doesn't interfere.

★ ★ ★

Some three thousand tulips will fill the interior of a formal sunken garden adjoining Cranbrook House. Each row of these stately flowers is terminated by manicured box trees and gravel walks.

★ ★ ★

Visitors may see the Gardens every afternon from 2 to 5 p.m. except Mondays.

The minerals of the earth's crust are now estimated as 47 per cent by weight of oxygen, 27 per cent of silicon, and about 8 per cent of aluminum as the major components.

THREE ON ONE — Cindy Ann Schraw, 3½, daughter of Mr. and Mrs. Gerald T. Schraw, 2511 Litchfield St., Drayton Plains, shows the photographer the freak tulips which grew in the garden. There are three yellow tulips on one stem. Something different, don't you think? The red one in the back of the trio is also pretty, says Cindy.

Bring Weeds to MSU Now

Michigan's largest weed pile will be accumulated at Michigan State University during Michigan Week which is this week.

It's all part of a weed control assistance program of MSU. There will be dead weeds and live ones. Anyone who is troubled with a weed problem is urged to pull the pesky thing and bring it to the campus. There it can be compared with growing weeds, identified and the proper treatment recommended.

The growing weeds are in the Beal-Garfield Gardens which are one of the points of interest in guided tours of the campus during Michigan Week.

And for Michigan residents who are bothered by pesky yard weeds, Dr. Parmelee suggests a visit to Michigan State for a solution to this perennial problem. "Bring any weed from your yard or garden," he states, "and you'll find its counterpart in the Beal-Garfield Gardens." He emphasized that accurate identification is necessary so that suitable weed killers can be determined.

The guided campus tours will be available throughout the week.

Gingellville Gardener Tells Best Way to Grow Iris

By MRS. ARTHUR BURGESS
Gingellville Branch of the Woman's National Farm and Garden Assn., Inc.

Iris are one of the easiest perennials to grow. They survive with less care and reward you with fine bloom with a minimum of attention.

Treat yourself to some of the finer Iris that have been developed recently. They are very beautiful.

For best results plant July to September. Early planting establishes the new plants before winter. This is the time to reset clumps of Iris that are crowded, usually three to four years old.

★ ★ ★

The ideal location for Iris is a well-drained position and plenty of sunshine. Iris will not do well in deep shade and no water should stand on your Iris beds.

USE SAND

Work the soil well to a depth of 10 to 12 inches. If it is heavy, incorporate sand so moisture percolates out quickly.

In preparation of a new Iris bed, spade in a good application of compost below the roots. An application of well balanced fertilizer in early spring or late fall is desirable. Steamed bone meal and super-sulphate are fine top dresing materials. the compost furnishes humus and valuable soil organisms.

★ ★ ★

Cultivate shallowly as Iris feeding roots are very near the surface. Keep Iris free of weeds and do not allow neighboring plants to encroach upon them.

★ ★ ★

Remember, they should have sunlight right down to the rhizome at all times. Keep litter, old Iris leaves and grasses, away from rhizomes. Clean cultivation is the finest precaution for Iris troubles.

The one I dread most is the Iris Borer, unquestionably the most dreaded trouble of the Iris lover. The moth lays her yellow flattish eggs about one fifteenth inch in diameter in clusters in the folds of the leaves at the base of the plant, apparently preferring the dried outer leaves to the growing ones.

I have found Black Leaf 40 is very good for spraying my Iris. I use this spray one tablespoon to a gallon of water, and a little laundry soap. I spray several times a season.

(Next week, Mrs. Donald C. Somers, member of the Foxcroft branch, will discuss rock gardens.)

Wood chips reclaimed from seven sawmills in Maine and New Hampshire annually are commercially used in place of trees that would occupy about 20,000 acres of woodland per year. Formerly the chips were discarded as waste.

Bengals Home After Dismal Road Trip

Detroit Falls 6 Times in 8 Eastern Tilts

Tigers Face Athletics Tonight Following 4-1 Loss to Washington

DETROIT (AP) — The Detroit Tigers return home today after a disastrous road trip similar to the one early last year that weakened the club's pennant hopes.

One fatal swing along the seaboard last June when the Tigers won only three times in 13 games was all but enough to wreck the Detroiters' chances last year. The club was lucky to scramble into the first division on the last day of the season.

This year the Tigers are faced with a similar situation—a month earlier.

When Detroit dropped its contest, 4-1, to Washington yesterday, it marked the sixth game out of eight they lost in the East. Altogether, in 13 games since leaving home April 23, the Bengals won only four and now stand at 8-12 for the season and in seventh place in the standings —4½ games behind the front-running New York Yankees.

The defeat was the second setback without a victory in three starts for young Bob Shaw who is fighting for a permanent job with Detroit.

Shaw, widely heralded in the spring season after a sparkling performance in the Cuban Winter League, had a no-hitter going until the fifth inning when the Senators found the range.

Shaw had the Senators eating out of his hand at the start, retiring 13 straight batters before Jim Lemon broke the spell with a single in the fifth. Then in quick succession, Norm Zauchin singled, Rocky Bridges doubled and the Nats ended the frame with a 2-0 lead.

The Senators, in advancing to within a half-game of the Yankees, knocked Shaw out in the sixth when Albie Pearson singled and Ron Sievers doubled.

That brought in George Spencer and the Nats cashed in the safeties with a sacrifice fly and Lemon's second straight single.

Vito Valentinetti, who took over for Detroit in the seventh, held Washington the rest of the way.

Rookie Ralph Lumenti, a 22-year-old lefthander also trying to win a permanent berth in the big leagues, held off the Tigers until the sixth when two passes and a single by Reno Bertoia gave Detroit its only run.

Lumenti, who was credited with his first victory against two defeats, gave up four of Detroit's seven hits before he was relieved in the sixth by submariner Dick Hyde.

Paul Foytack, who has won two and lost two this season, faces Ralph Terry (2-1) in tonight's opening three-game series against Kansas City at Briggs Stadium.

St. Fred Golf Clinches SCL West Side Title

The St. Frederick golfers clinched the Suburban Catholic West Side title and gained the right to meet the still undetermined East Side winner for the league championship by blanking Royal Oak St. Mary 5-0 at the Pontiac Municipal course yesterday.

Ram Chuck Deschaine was medalist with 41. Gary Novak topped the losers with 42. St. Fred is 3-0 in loop play and 6-2 all season.

A big Pontiac Central-Birmingham match was postponed because of rain.

Clarkston Is Host at Triangular Meet

A switch in teams and site for a triangular track meet, originally set for University of Detroit field, today has moved the event to Clarkston, St. Bernard of Detroit, originally one of the teams, has dropped out.

Meet now includes Clarkston, OL St. Mary and Pontiac St. Michael. Clarkston replaced St. Bernard.

Pontiac's Oertel Hitting .240 at Louisville

Area Boys Shine in Minors

The time is rapidly approaching when the Detroit Tigers must decide whether to reach into their minor league farm clubs for possible help in the American League race.

Several of the top farmhands are drawing a lot of attention with sparkling early-season performances.

The two top farm clubs, Charleston in the American Assn. and Birmingham in the Southern Assn., are running well up in the first divisions of their respective leagues.

Through last week, Charleston had Larry Osborne hitting .297, veteran Jim Delsing hitting .302, Ben Mateosky hitting .285. Among the Senators' pitchers, Don Lee was 3-1, Ron Rozman and Bob Bruce 2-0, Art Houtteman, Chuck Daniel and Jerry Davie 1-0 and Bob Miller 2-2.

★ ★ ★

Some of the Birmingham players are excelling, too. A pair of Michigan boys, Phil Regan of Wayland and Dave Reed of Battle Creek, are leading the pitching staff. Regan was 3-1 last week and Reed 2-0.

Steve Boros, the bonus youngster from Flint and the University of Michigan, was up among the hitting leaders. He carried a .322 batting average into this week's play and had collected 4 home runs and 11 runs batted in.

Among Michigan boys with other Major League teams, Clem Koshorek, with Topeka of the Western League, is batting .389. He is in the Braves' system and hails from Royal Oak.

★ ★ ★

Chuck Oertel of Pontiac is batting .240 in the Oriole system at Louisville in the American Association. He has collected 12 hits in 50 trips including two doubles, a homer and eight runs batted in.

Berkley's Herb Duncan has an 0-1 record with Montgomery in the Alabam-Florida D league. He has pitched 18 innings, giving up 16 hits, 16 walks and striking out 11.

Dick Sheldon of Birmingham pitched three innings in the first week of play at Durham in the Carolina B league. He had a bad start giving up 6 runs, 6 hits and 3 walks.

★ ★ ★

Ken Rowe of Northville is with the Dodger system at Macon, Ga. where he has pitched in four games winning one and losing one.

SMOKEY LIT FUSE—Cincinnati pinch hitter Smokey Burgess (center) is congratulated on his three-run homer which highlighted the 8-run rally in the 9th inning to beat the Chicago Cubs, 10-8. At left is Gus Bell and at right is Harvey Haddix who scored ahead of Burgess. The Cubs led 8-2 going into the last frame when the Redlegs broke lose.

He Laughs Off Such Suggestions

Will Stan Hit .400?

ST LOUIS (AP)—Stan Musial, batting an incredible .529 in the fastest start of his career, Thursday laughed off suggestions that he may hit .400 this season.

"There's a long way to go," said the seven-time batting champion after St. Louis Cardinal Manager Fred Hutchinson and members of the Milwaukee Braves termed him a .400 threat.

Stan The Man, a young 37, is just seven hits shy of the 3,000-hit milestone reached by only seven players in baseball history.

Once he attains this mark, a .400 average would be one of the few goals left. Boston's Ted Williams, with .406 in 1941, is the only major leaguer to reach it in the past 28 years.

★ ★ ★

With the Cardinals off to a dismal start, Musial's flying start has captured the imagination of the fans.

The Braves, who came to St. Louis to bury the Cards and praised Musial, offered some theories Wednesday night after sweeping three games.

★ ★ ★

Warren Spahn, the dean of National League pitchers, thinks Musial is better now than he ever was.

"He's smarter," Spahn said.

"He's just going for hits, not homers." Stan banged two doubles to left Wednesday night against Lew Burdette and had two left field doubles off Spahn Sunday.

★ ★ ★

But Musial said he hasn't changed his hitting any, that he's been hitting to the opposite field because "they've been pitching me that way there."

Dick Littlefield, Milwaukee's well-traveled left-hander, suggested Musial couldn't have lost any power—"not when he hits a 370-foot double off the left field wall."

Musial batted over .500 down the stretch last season with an injured shoulder which prevented him from taking a full swing. He fully recovered from the injury but some think this spray hitting was habit-forming.

★ ★ ★

Whatever the reason for Stan's fast start, both Hutchinson and Burdette think he has a chance, whether or not he gets leg hits. Hutch noted that Williams did it without many leg hits.

Byng Trophy Given Rangers Camille Henry

MONTREAL (AP) — Camille Henry of the New York Rangers, lightest player in the National Hockey League, got a prize today as the most sportsmanlike.

★ ★ ★

The 135-pound leftwinger, who has spent only 36 minutes in the penalty box in 318 games as a professional player, was voted the league's Lady Byng Trophy and its attendant $1,000.

★ ★ ★

Henry, assessed only one two-minute minor penalty throughout the 1957-58 campaign, was a runaway winner for the trophy given to the player adjudged the best sportsman.

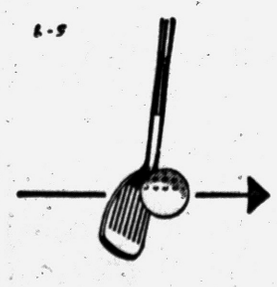

Doctoring Your Golf

By DR. CARY MIDDLECOFF

Patient's Complaint: Shanking

Diagnosis: Falling Forward

TREATMENT: The best way to avoid the shank is to keep the weight largely on the heels throughout your swing. The shank results, you see, when you hit the ball in the neck of the club, where the shaft and clubface meet.

Shanking is principally caused by a forward movement of the body during the downswing. The swing itself creates a centrifugal force which, if not counteracted, will pull the body forward. The force is small and so is the forward movement that results, but even a forward movement of no more than an inch will produce the disastrous shank.

If you find yourself shanking while playing a round, you can guard against it by addressing the ball well out on the toe of the club. But bear in mind that this is only an emergency measure.

The place to really cure the shank is on the practice tee. But before you do anything else, get used to the idea of starting the swing with most of your weight back through the heels.

Waterford Loop Begins Monday

Two Leagues Involving 11 Teams Will Compete in Softball Program

The Waterford Township Recreation Department's 1958 softball program for men starts Monday night with two games scheduled at the Drayton Plains park.

Two leagues will compete in the expanded Waterford program this year with games on tap Monday through Thursday evenings at the Drayton park.

Four teams are entered in the American League (advanced division) — Drayton Drug, managed by Carl Shell; Nonnes' Restaurant, managed by Allen Striebeik; Lakeland Pharmacy, managed by Gordon Nelson, and Snobowl, managed by Harold Keith.

The seven teams in the National League (intermediate division) and their managers are: Drayton Merchants, Bob Prunty; Spencer Floor Coverings, Joe Spencer; Waterford Eagles, Norman Wagner; Pontiac Lake Merchants, Robert Pickett; Walls Service, Don Bowen, and an unnamed sponsor, Dick Stafford.

NEXT WEEK'S SCHEDULE

May 12 — Spencer vs. Eagles, 7; Drayton Drug vs. Snobowl, 8:30.

May 13 — Drayton Merchants vs. Unnamed, 7; Lakeland vs. Nonnes, 8:30.

May 14 — Spencer vs. Unnamed, 7; Drayton Merchants vs. Walls Service, 8:30.

May 15 — Drayton Drugs vs. Lakeland, 7; Pontiac Lake Merchants vs. Drayton Merchants, 8:30.

Fires 66 in 1st Round at Hot Springs

'Cool' Bolt Leads Tourney

HOT SPRINGS, Ark. (AP)—Tommy Bolt, self-styled coolest man on the course, from Paradise Beach, Fla., shot a 6-under par 66 yesterday to take the first round lead in the Hot Springs Open golf tournament.

★ ★ ★

The 39-year-old golfing veteran, whose name has long been associated with fits of temper, was a composed competitor as he racked up six birdies to grab a one-stroke lead over veteran Bob Rosburg of Palo Alto, Calif., and youngsters Gary Player of Johannesburg, South Africa, and Bert Weaver of Beaumont, Tex., who were in a 3-way jumble at 67.

"I've graduated from the temperamental stage," Bolt said. "I wasn't cool just because I made a 66 or didn't have a bogey. Certainly some of my shots were bad enough to get me aroused."

★ ★ ★

One of these was a flubbed chip shot on the final hole when Bolt needed three strokes to get down from 10 feet off the green.

Al Bessilink, Grossingers, N.Y. scored an eagle three on the final hole to pull into fifth place at 68.

Arnold Palmer, of Latrobe, Pa. the current Master's champion, had a 69, which landed him in an 8-way tie for sixth with Doug Sanders of Miami, Fla., Paul O'Leary of Chattanooga, Tenn., Toe Conrad of San Antonio, Tex.; Ken Venturi of San Francisco, Mike Souchak of Grossingers, N.Y.; Johnny Pott of Shreveport, La., and an amateur, Bud Wysong of Dallas, Tex.

Rosburg burned up the course on the front nine with 31 but he slipped back to par 36 on the back side. Both Player and Weaver got their 67s by the 33-34 route.

In all, 31 players bettered and 18 matched par 72 on the rolling Hot Springs Country Club layout. However, the going will get tougher each day as the tees are moved back until the course plays a whopping 7,011 yards.

The leaders:

Tommy Bolt	34-32—66
Gary Player	33-34—67
Bob Rosburg	31-36—67
Bert Weaver	33-34—67
Al Besselink	35-33—68

Fangio Passes Test for '500' Qualifying

INDIANAPOLIS (AP)—Juan Manuel Fangio, five-times world road racing champion from Argentina, completed Thursday the driver's test required of all newcomers to the Indianapolis Motor Speedway.

He passed the final 130-mile-an-hour phase of the four-section test with ease. Now he will be eligible to attempt to qualify for the 500-mile race May 30 in time trials starting May 17.

Completing the drivers' test also means that Fangio can begin practicing at competitive speed. Before, he was limited to no more than 4 miles an hour over the speed at which he was being tested.

Trout Fishing Improves

By JERRY CHIAPPETTA

ALL OUTDOORS, Mich. (INS)—Head north this weekend in Michigan for some fast trout fishing.

Fishing conditions are good in northern lakes and streams, according to the conservation department, but Upper Peninsula waters are high and roily.

Some unexpected, but welcomed, early season fishing has been paying off in southeastern Michigan waters. Conservation workers say streams in these areas are well stocked and fishing is usually good in the early season—tapering off after the first month.

This reporter took some of his own advice last weekend and netted a fat 12-inch rainbow in Union Lake near Pontiac. Companions took three other rainbows within a 90-minute span.

The bows were biting on nightcrawlers on a small harness with a pearl spinner. The trick was to cast out over a drop-off and reel in very slowly.

Surface baits should be in demand by bluegills within a week or two. Too early yet for walleye fishing in the Great Lakes connecting waters.

Driver Averages 116 MPH in Rebel '300' Qualifying

DARLINGTON, S. C. (AP)—Fireball Roberts whipped around the huge Darlington International Raceway oval at an average speed of 116.299 miles per hour Thursday to set a new qualifying record and win the pole position for Saturday's $22,000 Rebel 300 mile auto race.

★ ★ ★

Roberts, driving a Chevrolet, broke the record of 115.317 m.p.h. set last year by Paul Goldsmith of St. Clair Shores, Mich.

The veteran Fireball, of Daytona Beach, Fla., set the pace among other qualifiers who blistered the mile and three-eighths paved oval at dazzling speeds in late model stock cars.

Earlier, Marvin Panch of Charlotte had shattered the previous qualifying mark with a speed of 116.204 m.p.h.

the pole in a 1958 Pontiac, broke the lap record of 116.690 m.p.h., and finished four fourlap qualifying heats with an average of 116.040 to win the outside position in the starting row. Panch will be in between Roberts and Owens.

Five others posted qualifying marks, including Bob Welborn of Greensboro, the national convertible champion, whose mark was 108.731 in a Chevrolet.

The other qualifiers were Frank Schneider of Lambertsville, N. J., 114.318 in a Chevrolet; Tiny Lund, Harlan, Iowa, 108.510 in a Mercury; Emanuel Zervekis, Richmond, Va., 108.173 in a Chevrolet; and Ken Rush of High Point, N. C., 107.486 in a Chevrolet.

Braves Try to Hold First Place

World Champs Take NL Lead for 3rd Time

Cincinnati's Win Puts Idle Milwaukee on Top by Percentage point

By THE ASSOCIATED PRESS

The world champion Milwaukee Braves, leading the National League for only the third time this season, see what they can do about staying there tonight against Cincinnati—the club that put 'em in first place for keeps last season.

★ ★ ★

The Braves, who haven't held first for two consecutive days thus far, were handed a percentage-point lead by Cincinnati yesterday when the Redlegs rammed home eight runs in the ninth for a 10-8 victory over the Cubs in the only game scheduled.

It was a 5-4 victory over the Redlegs at Milwaukee that hoisted the Braves into the National League lead on August 6 last season and they stayed there.

★ ★ ★

Warren Spahn was the winner in that August game and he's Milwaukee's starter tonight with a chance at becoming the first to win five in the majors this season. Spahnie hasn't lost yet.

Bob Purkey (3-0), the only pitcher to shut out the Braves this season, is the Redleg choice.

★ ★ ★

Smoky Burgess was the Redlegs' choice in the ninth inning yesterday and he couldn't have been choicer—slamming a pinch-hit three-run homer that capped the comeback spurt. Joe Nuxhall, fourth of five Redleg pitchers, was the winner. He worked the seventh and eighth, and paired with Hal Jeffcoat for three innings of perfect relief by the Cincy staff.

The big blow was Burgess' first homer of the year and it came on the first pitch by reliever Fernando Rodriguez.

★ ★ ★

Twelve men went to the plate for Cincinnati in the ninth and the Redlegs, using five pinch-hitters and a pinch-runner in the game, wound up with first baseman Dee Fondy playing left field, left fielder Frank Robinson playing third, third baseman Don Hoak playing short and right-fielder Pete Whisenant playing second base.

GAME PREPSTER—Bill Spetrino, a Mayfield High School, O., junior, was told this his athletic career was finished due to a fracture of three vertebrae suffered in football. He has been wearing a neck brace and in track competition he hasn't been beat in the 440 dash which he does in 52.8.

Houston Is Favored for MVC Track Title

DES MOINES (AP)—After 17 long years the Missouri Valley Conference is going to have a new outdor track champion.

This is an absolute certainty in the conference meet here tomorrow because Oklahoma State, which has won the last 17 Valley meets, is now competing in Big Eight Conference track circles.

★ ★ ★

Houston, which came within three points of tying Oklahoma State for the 1957 title, is the favorite to succeed the Cowboys. But the Cougars are expected to get a stiff challenge from North Texas State whose sprinters are likely to score heavily.

★ ★ ★

Only St. Louis will not have a team in the meet.

Preliminaries will be in the morning and the finals will start at 6 p.m. CST.

City Softball Loops Begin 1958 Season Monday Night

The largest Pontiac Parks and Recreation Department softball program since 1936 gets under way Monday night with a four-game card at Beaudette and North Side parks.

Twenty-four teams equally divided amoung three divisions are entered in this year's City League softball organization, an increase of six over last season in the men's program.

Competition will be broken into the same divisions as a year ago —American, National and International leagues. The league breakdown is as follows:

★ ★ ★

American — Shaw's Jewelers, Stadium Inn, Birmingham, Elks No. 810, CIO Local 594, Blue Star Drive-In, VFW No. 1370 and Cavern Bar.

National — Pontiac Police, Spence Rambler, Deni's Corner, O'Neil Realty, American Legion Post 20, Moose, Pontiac Merchants and Pontiac Post Office.

International — Franklin Products, Lakeside Royals, State Hospital Employes, International Autos, Borden's, Griff's Grill, Dostal Foundry and Sports Shop.

★ ★ ★

A dozen of this season's sponsors are new to the City League scene. Games will be played under lights Monday through Thursday.

Shaw's meets Stadium at 8:30 and Birmingham faces the Elks at 7 in Monday's opening games on the Beaudette diamond. The North Side doubleheader matches Deni's and O'Neil at 7 and the Police and Spence in the 8:30 nightcap.

NEXT WEEK'S SCHEDULE

May 12 — At Beaudette: Birmingham vs. Elks, 7, and Shaw's vs. Stadium, 8:30; at North Side: Deni's vs. O'Neil, 7, and Police vs. Spence, 8:30.

May 13 — At Beaudette: Legion vs. Moose, 7, and Merchants vs. Post Office, 8:30; at North Side: State Hospital vs. International, 7, and Franklin vs. Royals, 8:30.

May 14 — At Beaudette: Local 594 vs. Blue Star, 7, and VFW vs. Cavern Bar, 8:30; at North Side: Borden's vs. Griff's, 7, and Shaw's vs. Elks, 8:30.

May 15 — At Beaudette: Police vs. Moose, 7, and Deni's vs. Legion, 8:30; at North Side: Dostal vs. Sports Shop, 7, and Franklin vs. International, 8:30.

Name Jr. Legion Baseball Coaches

Tony Steil, Chief Investigator for the Oakland County Prosecutor's office, Southfield coach Ed Bryant and former Birmingham star Kirk Flack will be among the coaches in the eight-team American Junior Legion baseball league here this summer.

★ ★ ★

Other loop coaches will be Jerry Blakely (Milford), Al Szczensy (Rochester), Powell St. Onge (Berkley), Walter Mosner (Clawson) and Ray Rourke (Royal Oak).

David L. Holmes holds the WSU basketball season, an 18-1 effort in record for coaching the best the 1927-28 campaign.

PCH and Avon Split, Eaglets Win

Pontiac split a Saginaw Valley League doubleheader, Avondale became the 1st Oakland B school to defeat Clawson and Orchard Lake St. Mary moved into a three-way deadlock for 1st place in the Suburban Catholic loop by walloping St. Frederick to highlight the area baseball action Thursday.

Clarkston gained a tie for the Wayne-Oakland northern division lead with Bloomfield Hills by downing West Bloomfield while Holly was whipping the Barons. Romeo slammed Rochester 15-2, Lake Orion won and Oxford downed North Branch in other games.

Pontiac Central and Saginaw remained tied for 3rd after their Wisner Stadium twin-bill. The Chiefs won 6-4 after bowing 3-1.

Bob Garrett lost the opener despite a triple and single by Dan Kimmell. Dave Jones won the nightcap when PCH came up with three in the 6th featuring Jim Skinner's three bagger, a squeeze bunt that went for a single by Bob Robaja and Jerry Williams' single.

★ ★ ★

Avondale almost took Clawson twice. The Jackets lost the 1st game of two 6-5 despite having an 8-3 edge on hits. Dick Roy was the loser in relief. Dennis Evans hurled a 5-1 win in the 2nd contest aided by a homer and single by Roy. The Yellowjackets are now 4-2 in the loop. Orion nipped Troy for the 2nd time 3-1 with Ralph Beach besting Wayne Figley. Jess Snarey squeezed Nick Neira home to break a 1-1 tie in the 6th.

Orchard Lake coasted to its 12-1 verdict over St. Fred after a fast start led by Tony Chojnowski's home run. Stan Krogulecki was winner although he had to leave the game when he was hit by a pitch.

Clarkston clinched its 4th W-O triumph in the 1st frame when star hurler Dave Gaddis tripled across one run and scored on Jerry Wilmont's double. Gaddis and John Lucadam matched four-hitters. Holly led all the way to down Bloomfield Hills 8-5. Amos Bradsher paced the attack with a two-run homer and a run-scoring single. Five pitchers worked with Mel Reid gaining the win and Bruce Withers the loser.

★ ★ ★

The Romeo ballpark looked like the LA Coliseum with a total of six homers, four by the home club. Bob Galan garnered his 6th triumph and slammed his 3rd circuit of the season. Ray Ritter had two and Warren Cahoon one in the HR department. Carl Montross and Ted Hummell swatted successive home runs for Rochester. Romeo is 9-0 now.

Oxford tripped North Branch 6-3 for its 4th South Central victory. A three-run triple by Wes Douglas decided the issue for freshman pitcher Mike Dodge.

Spartans, Wolverines Face Trouble With Northwestern

By THE ASSOCIATED PRESS

Northwestern's defending champions are in a spot to scramble the Big Ten baseball race this weekend.

The current co-leaders, Michigan State and Michigan, are home foes of the Wildcats, who are in eighth place with a 2-3 record.

★ ★ ★

Michigan State (4-2) is at Northwestern for a single game today before invading Wisconsin (2-4) for a doubleheader tomorrow.

Michigan (4-2) faces Wisconsin today and goes to Northwestern for a twin bill tomorrow.

Other single games today: Iowa (1-5) at Illinois (3-2), Minnesota (3-2) at Purdue (3-2) and Indiana (3-3) at Ohio State (3-3). Rounding out tomorrow's doubleheader slate, Minnesota is at Illinois, Iowa at Purdue and Indiana at Ohio State.

★ ★ ★

Michigan State tops the Big Ten in hitting with .312 and fielding with .962. Minnesota is second in both departments with .303 at the plate and .957 afield.

Michigan State dropped a 7-0 non-conference game to Notre Dame Wednesday. The Irish, now with a 12-2 record, are almost certain to get a bid as an independent team in the NCAA baseball playoffs.

The Spartans went into a hitting slump against Notre Dame after collecting 40 hits while winning three conference games over the last weekend.

Ron Perranoski is the likely choice to pitch in the single game this afternoon at Evanston. Dick Radatz and Larry Foster are the probable selections for the doubleheader Saturday against Wisconsin at Madison.

Mainstays in the MSU hitting department have been outfielders Dean Look (.333 and 19 RBI's) and John Fleser (.348 and 18 RBI's), infielders Frank Palamara (.338) and Dick Golden (.319), and catcher Don Gilbert (.338).

3 More Guests Added to List for PCH Fete

Three more outstanding sports names were added to the guest list for Pontiac Central's all-sports banquet next Wednesday evening.

Teeing Off

By BILL CORNWELL

Gene Bone, Pontiac's contribution to the professional golf ranks, is back at Tam O'Shanter Country Club as an assistant to Warren Orlick and no one could be happier about it than Gene.

Bone, re-hired by Orlick for Tam's 1958 season, has just returned from a most unprofitable winter tour and there's no place like home when the billfold starts crying for cash.

Gene is a family man at heart and he really missed his wife and son during those strenuous months on the tournament trail. To illustrate this, his game improved noticeably after they joined him for the final three weeks of the tour.

It was a mightly lean winter for Bone in his first serious attempt to make a name for himself on the pro circuit.

He competed in 14 tournaments, but only twice did he manage to replenish his dwindling pocketbook. Gene won $140 in the Lafayette (La.) event and another $180 in the Tucson (Ariz.) Open for his two financial successes.

BONE

Bone picked up enought additional prize money in pro-am events to near the $1,000 mark, but since pro-am competition is not recognized by the PGA in financial totals, his official earnings will be listed as $320.

What was his greatest thrill? He met Sam Snead for the first time and played with the Slammer for the final 36 holes of the Greensboro Open.

"He's the greatest," commented Gene, "the finest swinger in golf today and I think all the pros will agree with me."

Gene's future plans are indefinite. He would like to take another crack at the winter tour, but he'd also enjoy staying home with his wife and Gene Jr., who was born last Nov. 5. The Bones live in Drayton Plains.

Yes, it was a long winter for Bone, but he has a couple of big things in his favor — a sound game and youth. He reaches his 27th birthday next August.

SHORT PUTTS

How unlucky can you get? Mrs. W. L. Mosher of Orchard Lake CC seemed headed for victory Tuesday at Forest Lake in the first WDGA tourney of the season after completing her 18-hole round in 85 strokes.

Then she discovered an extra 2-iron in her golf bag and penalized herself 18 strokes to drop out of contention. Mrs. Mosher, incidentally, is chairman of the WDGA rules committee.

Professor William Kelly Joyce, University of Detroit golf coach for more than a quarter of a century, is recuperating from a mild heart attack. Bob Calihan, U. of D. basketball coach, is running the squad during his absence.

Joyce has seen many standout golfers perform for the Titans over the years, such as Tommy Watrous, Mike Andonian and Roy Iceberg.

Lopes Fights Easterner

HOLLYWOOD (AP) — Lightweight Joey Lopes of Sacramento, Calif., goes into the ring at the Hollywood Legion Stadium tonight a slight favorite to whip Carlos Ortiz of New York and snap the Easterner's string of 26 victories.

The 10-round match will be televised by the National Broadcasting Co., starting at 10 p.m., Eastern Daylight Time.

WLYA Plans Racing Schedule for Year

Preparations for the 1958 summer racing season will be made tonight at the annual meeting of the Watkins Lake Yachting association at the home of Commodore Sheldon Covert.

Schedule for the full season on sail racing will be set up, and a date for the formal launching will be set. Date for the annual breakfast will also be fixed at this time.

WLYA named its 1958 officers at the final meeting for 1957. Besides Covert they include Frank Fleck, secretary, and Guy Duffield, fleet captain. The association now has a membership between 35-40, with about 30 boats in the lightning, snipe and thistle classes. Last years' champions were Glen Fries (L), Duffield (S) and Don Zannoth (T).

THURSDAY'S FIGHTS

LOS ANGELES — Tiger Al Williams, 158, Los Angeles, stopped Eloy Tellez, 163, San Antonio, 6.

STOCKTON, Calif.—Ross Padilla, 118½, Stockton, outpointed Natcho Escalante, 119, Mexico City, 10.

MARSEILLE, France — Gracieux Lamperti, Marseille, outpointed Bobby Bell, Youngstown, Ohio, 10. (lightweights).

3-Way Battle for SVC Track Crown

Chiefs, Vikings, Indians Collide in Tonight's Test

Pontiac Also Favored in Saturday's Monroe Relays

By H. GUY MOATS

There's going to be a red-hot three-way track and field championship battle on the Arthur Hill Field, tonight, with the Saginaw Valley title the takes.

Pontiac's state champions and Flint Northern's 1958 SVC titleholders are the favorites, with Flint Central's improving Indians rated close behind as top contenders.

Valley meet, starting at 6 p.m. with field events, will mark the renewal of a long-time rivalry between Chiefs and Vikings, extending particularly over the last four years.

Coach Dean Wilson's squad (30-35) for today's meet was runner-up in last year's SVC test. The squad, some 20-25 strong Saturday goes against a classy field at Monroe in the Dick Waters 2nd annual relays. More than 600 athletes from 33 schools are expected to take part, with Chiefs favored.

Scanning today's field at the Valley meet, here are some of the points of possible hottest competition:

Hurdles — Sowell, Hawkins (P), Reg Gillard (FN), Thompson and Thomas (Sag).

Dashes — Manning and Keller, Hill (P), Williams (N) and Kokaly (BC), Young and Watkins (FC).

Broad jump—Gillard (N), Muddy (N), Latham (FC), Sowell and Keller, Hawkins (P).

High jump—Brooks, Barge, (P), Nelson (N), Thomas (Sag).

Mile—Beamer (P), Darby (AH), Milum (N).

Half mile — Coats (P), Rogers (FC), Martin (N), Fredericksen (FC).

All three teams, PCH, Northern and Central, have strong relay teams and some tight races are anticipated in this division. Vikings are particularly strong in the vault with Muddy and Nelson both near 12 feet, and in the quarter-mile with Phil Gaines and Dennis Wright.

Easy for Skipper, Farmington Teams

Waterford and Farmington track teams chalked up easy wins in area meets yesterday afternoon.

The Skippers crushed a Van Dyke squad 88-21 on the latter's field. Farmington swamped Berkley 77-32, at Farmington in an I-L meet, hampered by rain and wind.

Al Cuthrell's crew took 11 firsts and a tie, six seconds and a tie. Jerry Nelson and Bill Cole were double winners, and Skippers swept the hurdles, hot, dashes and mile.

Gene Freed's team took all firsts, except the medley relay and mile, with Berkley's Jerry Young winning the latter in 4:49.2, Warren Cawley did not run the hurdles, but won a fast (52.9) 440 from teammate Mike Agee. Tom Grimshaw won the low hurdles and 100; Cawley the high jump and quarter.

From Prep to College

DUE WEST, S.C. (AP)—W. C. Red Myers, a highly successful prep school coach, was named head football coach and athletic director at Erskine College Friday.

PONTIAC RACER — Russ Jacobson of Pontiac got into state racing scene last week at Flint's Auto City Speedway with a couple victories with the J-2 Midget which belongs to his father, Jake, also a veteran of the auto tracks.

Blasts Award to O'Malley

Jackie Robinson Calls Ex-Mates 'Deteriorated'

NEW YORK (AP)—Jackie Robinson stuck to his guns in calling his old Dodger mates a "deteriorated team" today although a new light was thrown on the apparent reason for the blast—an award to Walter O'Malley for introducing Negroes into the major leagues.

O'Malley, president of the Los Angeles Dodgers, declined to comment but the Executive Director of the Urban League, who made the award, said:

"The award was presented to O'Malley for the entire Dodger organization and not to O'Malley individually for a single accomplishment."

It was this award which provoked a broadside from Robinson, the first Negro to play in the major leagues and now retired.

★ ★ ★

"That's preposterous," fumed Robinson, now an executive of a restaurant chain. "O'Malley has nothing to do with it. It was all Mr. Rickey's (Branch Rickey, former president of the Dodgers) idea and I don't believe O'Malley knew anything about it. In fact, he wasn't too keen about it in the first place."

Robinson said he planned to protest to the Urban League but, 3,000 miles away, the Urban League director, Wesley Brazier, said it wouldn't be necessary.

★ ★ ★

"I've written Jackie and explained the situation," he said, adding that Robinson apparently got some wrong information.

In Pittsburgh, Rickey, chairman of the board of directors of the Pittsburgh Pirates, sought to so the troubled waters.

"Jackie is right in that O'Malley had nothing to do with introducing Negroes into the major leagues," Rickey said, "but Walter wouldn't claim he did. He might have accepted the award to avoid embarrassment."

★ ★ ★

Exclusive of the Urban League controversy, Robinson, who retired shortly after being sold to the Giants in December, 1957, was bitter in his attack of the Dodgers' present president.

"The Dodgers have deteriorated" he said, "and O'Malley must take the responsibility for that. Our team—the team that won so many penants—was a Rickey team.

★ ★ ★

The once-powerful Dodgers, are next-to-last in the National League standings with a 9-13 record.

Questioned about Robinson's statements in Los Angeles, O'Malley had no comment. But his right-hand bower, Vice President Buzzi Bavasi, said:

"I'm sorry he said Hodges, Furillo and Snider are deteriorating, because I just don't happen to think they are."

Player Optioned Out

WASHINGTON (INS)—The Washington Senators today optioned out ex-bonus boy Harmon Killebrew to the Indianapolis Indians in the American Association.

Killibrew, the first bonus player ever signed by the Washington club, has been tried as a third baseman, outfielder and first baseman in his four seasons with the Senators.

Everything Fine--Bucs Are Home Again

PITTSBURGH (AP) — The sun broke through the skies here for the first time in a week Thursday and a Pittsburgh Pirate fan said it was not just coincidental. He declared:

"The Pirates are back in town and everything's wonderful." That fellow was typical of all Pirate fans, the dyed in the wool folk who see nothing buf grandeur in the spring and gloom in the fall.

The Pirates haven't won a pennant since 1927 and they've been perennial tailenders for years. Except, of course, in 1948 when they finished fourth.

★ ★ ★

In 1956, for a few glorious days, former Manager Bobby Bragan had the club in first place. Bragan was ousted last year and is now managing Cleveland in the American League. His successor, Danny Murtaugh is riding high with the Pirates.

True, the Pirates are not in first place at the moment. But Murtaugh — the dapper little Irishman who took over in mid-season last year — is hopeful of the future. And that's enough for the Pirate fans.

"Why we won 9 out of 14 on that road trip we just finished," said Mr. Typical Fan. "And, for sure Mr. Murtaugh will have us right up there. Why, mebbe even the pennant! We're in fourth place with a 11-9 record and only two games out of first."

★ ★ ★

Wednesday the Pirates were clipped 8-6 by the Giants at San Francisco but they were within a whisker of winning. Frank Thomas, who had belted a homer earlier, came within inches of a ninth inning circuit clout which went foul. And with the bases loaded, too.

"Thomas has hit 9 homers already this season," said Mr. Typical Pirate Fan. "He didn't hit his 9th until his 75th game last year. And look at what the Pirates have done. We hit 18 in our last 12 games and 25 in the 20 played thus far."

Friday night the Pirates open a home series with the Philadelphia Phillies. Good weather is forecast and Mr. Pirate Fan and at least 29,999 of his friends are expected to be on hand.

Yes, it's spring, and everything is wonderful. Just ask any Pirate fan.

Sports Show May 14-18

DETROIT (AP) — The National Sports and Travel Show will be presented at the Light Guard Armory in Detroit May 14-18.

The double-level Armory will be filled with attractions for sports and travel enthusiasts. A live trout fishing pond, rifle and pistol gallery, sports films, archery range and the latest in sports equipment will be among the features.

There will be exhibitions by the Detroit Bait and Fly Casting Club, the Detroit Judo Club and the Michigan Skin Divers Council. Members of the Michigan United Conservation clubs will pass along information on conservation matters and more than 100 exhibitors will show off newest sports and travel attractions.

Bob Considine Says:

Gerhart Eisler Advises East German Reds

NEW YORK (INS) — To assist and advise him when he recently faced the Hearst panel of reporters in East Berlin, German Communist Boss Walter Ulbricht chose, among others, Gerhart Eisler. Eisler is officially the radio commissar of Red Germany but he is also considered an expert on American affairs in that shabby shadow government.

He shook our hands as if we were long-lost friends. "It's wonderful for one American to see and talk with other Americans," he said as we were leaving. He is not an American, of course. He is a grinning, read-headed little guy who looks like a slightly sinister version of a jockey, or the little fellow in those delightful Bert and Harry TV commercials.

★ ★ ★

Here's the background on Ulbricht's adviser, as uncovered years ago by Robert Stripling, chief investigator of the old House Un-American Activities Committee:

He was the autocratic secret boss of such window-dressing Reds as Earl Browder, and he came and went as he pleased . . . Trained in Moscow for his startling American task of operating in the U.S. an absolutely super-government of sedition . . . Came here first in the late 1920's with the first of three wives and, among other things, engaged in counterfeiting activities in Houston.

"Once escaped death when Andrei Vishinsky, then the U.S.S.R.'s death-dealing prosecutor, suspected him of being part of a conspiracy to assassinate Stalin . . . returned to America June, 1941, just after Hitler invaded Russia. Was accompanied by 29-year old Brunhilda Rotstein, his Polish mistress and eventually his third wife. Identified himself as stateless journalist and merchant, and 'lifelong bachelor.'

★ ★ ★

"Conferred frequently with one Otto Katz, Communist agent who conferred frequently with at least one Canadian involved in the theft of the A-bomb . . . In the columns of The Daily Worker, where he set down each twist and turn of the party line, he was Hans Berger. On the payroll of the joint Anti-Fascist Refugee Committee he was Julius Eisman . . . Told Ellis Island Board he had never been in U.S. before, and was not a Communist."

Louis Budenz resigned as editor of the Worker in October, 1946, and said that the real head of communism in the U.S. was a "shadowy figure" unknown to himself.

Shortly after, Frederick Woltman and Howard Rushmore, New York reporters, unearthed Eisler. He denied the charge indignantly on 'Meet The Press.' It was a blunder to show his face in that manner. The State Department Passport Office, F.B.I., and the Committee closed in on him. Eisler tried twice to leave the country, and when he appeared before the committee bawled, "I am a political prisoner of the United States."

His sister, Elfriede, testified against him, called him a terroristic GPU agent who had effected a "ruthless" purge of Chinese Reds and had turned over to Russian executioners two of his best friends.

Eisler had asked permission to return to Germany quietly. His sister said, "Eisler's presence in Germany will help to build up another Nazi system which will differ from the old one only by the fact that the Fuehrer's name will be Stalin."

He was sentenced from one to three years for falsifying an exit visa application, jumped bail, stowed away on the Polish liner Batory and made good his escape.

Tough Monkeys Keep Robbers, Police Away

NEW YORK (AP)—Two monkeys, Rose and Coco, got into a donnybrook yesterday while chained to a banister on the top floor landing of a six-story apartment house. Neighbors called police.

★ ★ ★

Patrolman John Marsh, trying to separate the battling pair, got slapped in the face by Rose. Patrolman Frank Schimmer absorbed a couple of stiff jabs by Coco. Joseph Schlesinger, an ASPCA agent, got a clipboard knocked out of his hands.

★ ★ ★

Rose and Coco quited down when their master, Ling Yau, 58, returned home. He said the monkeys were chained to the banister because it was too wet outside to put them on the roof for their daily airing.

★ ★ ★

Served with a summons on violating health regulations, Yau said he was robbed three times while having a dog in his top-floor flat.

"Since I had Coco and Rose. I haven't been robbed once," he said.

Set Up Partnership for Marriage License

LOS ANGELES (AP) — Actress Kate Manx and Leslie Stevens each own 50 per cent of a marriage license today.

Stevens, 34, tendered a $2 check for the license yesterday, but a clerk explained that cash is required. So he dug into his pocket —and came up with only $1.

Kate, 26, opened her purse and pulled out the other $1.

They plan to be married Sunday.

Truman Ordered to Reduce Activities

INDEPENDENCE, Mo. (AP)—Former President Harry S. Truman says his doctor has asked him to reduce his activities but, he says, "I can still outwalk any of them."

★ ★ ★

Truman made the statement in explaining why he won't attend the Israel Independence Festival at Chicago Sunday. He was scheduled to speak at the festival.

"There's nothing wrong with me," he said, but added that his doctor had urged him for six months to cut down on his activities.

Jacob Arvey, honorary chairman of the Israel Bond Committee of Chicago, said the celebration would pay tribute to Truman because as president he gave immediate recognition to the new state of Israel in 1948.

Truman celebrated his 74th birthday yesterday at a luncheon given by about 70 friends.

Luck May Desert Horse Shu Town for Cactus Pete

ELKO, Nev. (AP)—A town called Horse Shu was born in Nevada yesterday, but it may die before it's a month old.

Some folks just don't like its name.

The new town, located north of here on the Nevada-Idaho border, has a population of about 65. Almost the entire population works in four gambling clubs.

The Horse Shu Club likes the town's name.

Cactus Pete's Club doesn't.

Elko County commissioners, who approved formation of the unincorporated town, decided to wait until next month's meeting to consider Cactus Pete's protest.

The two other casinos — Club 93 and Pair o' Dice — haven't said how they feel about the issue.

Refuses Raise of $500; 'Times Are Too Hard'

CHARLOTTE, N.C. (AP) — Mecklenburg County Auditor Walker H. Busby says he won't take a $500 a year raise.

★ ★ ★

"There are to many people out of work and times are too hard for me to be getting a $500 raise just because I work for a government with a lot of money," Busby said.

★ ★ ★

He was hired last year at a salary of $6,500 a year with a $500 raise at the end of six months and consideration for another $500 raise at the end of a year.

Neighbors Pitch In to Do Stricken Farmer's Work

KISMET, Kan. (AP) — Farmer Carl Campbell is in a hospital at Amarillo, Tex., to undergo brain surgery but he has no worries about spring planting.

Twenty-six neighbors, using 16 tractors, plowed 400 acres on Campbell's farm south of here yesterday. They started at 7 a.m. and finished shortly after 3 p.m. Fifteen women of the community served lunch to the men.

Who's Side Is She On?

INDEPENDENCE, Mo. (AP) — Police headquarters received in the mail an envelope which contained a dollar bill, a parking ticket and a note saying: "I just found this in my husband's pocket."

Hal Boyle Says:

Once in New York, It's Difficult to Leave

NEW YORK (AP) — It has been said that one out of every three newcomers to New York City first tries to settle in Greenwich Village.

I was one of the three.

★ ★ ★

Those who came here from out of town do so not to vote, but to gamble. They gamble on the idea that, while this is a great town to visit, it is the best town to live in.

They feel that, with whatever talents they have, the odds are more in their favor here than where they come from.

This is the city of the big pitch. It isn't the nation's capital. But it is the city that stares at Washington with the most collected capital and the most collective culture.

★ ★ ★

When I was a young newspaperman in the hinterland, it was hard to count on a future by the side of your father's river. Your idea of opportunity bordered the Potomac or the Hudson, and I ended up in Greenwich Village. The rent was $30 a month, half what it takes to garage a car properly today on the upper East Side.

A transplanted man is not quite like a transplanted tree. The roots of a tree are in its foot. The roots of a man spring from his heart but cannot flourish in a new soil until his mind approves.

★ ★ ★

Many and many a tiresome month in good weather and bad, I walked these foreign concrete caverns and felt myself alone and the next man a stranger. So many a man still walks and feels as I felt then.

But there came a time when I realized that here I was a foreigner among other foreigners and that, while I could never own this town no one else could either, and the buildings held a granite warmth. A kinship grew between blood and stone.

★ ★ ★

The true glamor of New York City is that, once you've been here, you can't leave it without missing something. It has the imperial stamp of recognition.

New York examples the powered city at its peak—relentless and purposeful as the Empire State building's rock-based thrust against the sky, as wide and simple and open and confident as Central Park.

★ ★ ★

It is younger than London, uglier than Paris, and unlike Rome doesn't worry what it was because it still hasn't found out what it still can be. It has little interest in its past, because its eye is altogether forward.

Paramount Lot Booming With Plans, Contracts

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — The long production snooze on the Paramount lot is over and the place is booming with plans and new contracts, I'm happy to say.

One of the most important deals is with the producing team of Martin Jurow and Richard Shepherd who will make 12 (and I mean TWELVE!) features for Para starting in January of '59.

★ ★ ★

Reason for the contract not go into effect sooner is that the boys are starting "The Hanging Tree" with Gary Cooper and Maria Schell, at Warner Bros. and "Orpheus Descending" with Anna Magnani for United Artists.

Meanwhile, there's considerable more activity. For the first time in ages three pictures will be in operation at the Marathon Street studio: "Guns Up," starring Marlon Brando; the Perlberg-Seaton comedy with Clark Gable, "But Not for Me," and "Geisha Boy" with Jerry Lewis, all coming at the same time.

I honestly believe Hollywood production is looking up.

Bette Davis' trip to Europe is paying off in a big way even if she did drop her bracelet overboard waving goodbye from the SS Constitution.

She has signed to co-star with Alec Guinness in Daphane du Maurier's novel "The Scapegoat," a best seller of last year. It will be filmed in London just a plane ride away from Spain where Bette is heading to play Catherine the Great in "John Paul Jones."

It's wonderful that Bette is looking so well again and so like her old self. What she'll do without perc Westmore I don't know because she's relied on him for her makeup and hairdos for years.

I had a long talk with Ross Hunter at Helen Rose's cocktail party, and later I had dinner with Ross, Margaret Ettinger and Jacques Mapes at Romanoff's.

Ross told me that he had talked with Lana Turner and was trying to get her to make a picture for him. "I think Lana ought to go to work as soon as possible," said Ross, "and I believe I have just the right story for her.

It's a story that I wanted to make for a long time — a drama, but I am superstitious, so I won't tell you the name of it."

I can never get used to calling Harold Lloyd Jr., "Duke," although his father called him that when he was a little boy, and he's now using this name in his professional work.

Duke telephoned me to say that he will be on Ed Sullivan's Las Vegas show July 6, and that his album is coming out July 16. "You know," Duke said, "I started as a ballad singer but in 'Frankenstein's Daughter' I sang rock 'n' roll.

"I am recording my song 'Daddy Bird' in an album which will be brought out by Surf Records."

Vandals Desecrate 68 Jewish Graves

LODZ, Poland (AP) — Sixty-eight Jewish graves were reported desecrated today in Poland's worst outbreak of anti-Semitism in more than a year.

Vandals upturned memorial stones and chalked slogans on others in the main Jewish cemetery in Lodz.

The desecration came just after the ashes of several hundred Jews had been brought to the cemetery for reburial. They had died in Stutthof, a World War II labor camp run by the Germans at Lublin, in eastern Poland.

More than 100,000 Jews once lived here. Wartime killings and postwar migration have reduced the Jewish community to a few thousand. More are leaving for Israel daily.

Anti-Semitic feeling, which long had smoldered in Poland, broke to the surface in 1956.

Poland before World War II had more than three million Jews. The present colony is estimated at around 50,000, most of whom have come as repatriates from the Soviet Union in the past two years.

Yellowknife in Canada's District of Mackenzie is a booming gold mine town with an increasing population.

Santos Dumont airport in Rio de Janeiro is one of the busiest in the world as Brazil is a country of great distances.

International Airport Planned for Tahiti

Planes to Fly South Pacific Route

PAPEETE, Tahiti (INS) — The South Pacific, once the peaceful, infrequently traveled province of bronzed yachtsmen and bearded skippers, may become a bustling air route within two years.

★ ★ ★

Chief reason is a projected international airport at Papeete, capital of the lush, French-administered island of Tahiti.

GET THERE FAST

When the airport is completed—1960 is the goal—Americans on the Pacific Coast will be able to reach tropical Tahiti faster than they can get to Paris.

Businessmen, anticipating a tourist boom from the U.S., South America and Southeast Asia, are pouring capital into the island paradise. Several hotels, a plush gambling casino and cabarets are already planned.

Construction on the airport is expected to get under way this September, when builders begin work on a 9,000-foot runway by filling in a two-foot-deep lagoon in Papeete Bay with coral rocks and granite. Several American firms have entered bids for the $4,760,000 air port job, but a contract has not yet been awarded.

AIRLINES BID

A number of major airlines also are bidding for landing rights at Papeete, but the French are holding out for a juicy trade.

If the Americans land at Papeete, the French want French airliners to land at Los Angeles; if the Australians land at Papeete, French airliners must be permitted to land at Sydney, a lucrative southwestern Pacific crossroads.

Even before Papeete Airport is completed, however, the South Seas will get their first major air link. South Pacific Airlines is beginning regular air service June 15 between Honolulu and Bora Bora, a neighboring island of Tahiti.

★ ★ ★ ★

By 1959, the airline will operate weekly flights, using a reconstructed runway at Bora Bora that was built in World War II by American soldiers. From the island, travellers can fly to Tahiti aboard flying boats.

In August another outfit, a private French company called Transports Aeriens Intercontinentaux, will begin weekly flights from Paris to Bora Bora.

Meanwhile, investors are launching dollar-attracting projects as rapidly as the French will permit them.

A firm called South Seas Enterprises, run by California business tycoon Carl Rehnborg, has purchased Tahiti's plushest hotel, "Les Tropiques."

A joint company backed by a major Paris bank and American investors is planning to build a palatial 120-room hotel with a gambling casino.

Until recently the French did not permit foreigners to buy land in French Polynesia, but special privileges are being granted to investors in anticipation of the tourist boom.

Disc Jockey Quits Job at Radio Station

NEW YORK (AP)—Indicted disc jockey Alan Freed has quit New York radio station WINS, saying it failed to give him any support after a riot which followed his rock 'n' roll show in Boston.

Freed said last night that the station's lack of support wss a "hard thing to swallow."

★ ★ ★

"Certainly they should have given me a little support after all the unproved publicity from Boston. But they ran all week refusing to say anything."

Freed was reached by phone after his manager Jack Hooke made public a letter of resignation that Freed sent to WINS.

★ ★ ★

Hooke said there was a "wishy-washy" attitude by WINS toward Freed since the violence in Boston last Saturday night.

★ ★ ★

Station officials could not be reached immediately for comment.

The Boston riot led to Freed's indictment by a grand jury on charges of inciting the unlawful destruction of property during the outbreak.

★ ★ ★

More than 6,000 young people attended the show at Boston Arena. In the aftermath, 15 persons were robbed or assaulted by roving gangs of teen-agers.

Freed has denied there was any trouble in or around the Arena.

City Burglar Suspect in Pittsburgh Arrest

The second man implicated in the May 3 safe robbery from Banner Linen Co., 366 N. Cass Ave., has been arrested in Pittsburgh.

★ ★ ★

Cecil B. Warren, 29, of 12 McKinley St., who left Pontiac the day after the robbery was picked up by Pittsburgh police acting on information supplied by Pontiac detectives.

He waived extradition and will be returned to face prosecution.

Police accuse Warren and Eugene F. Genest, 29, of the same address, of stealing the safe and attempting to hide it in a wooded area until they could return to open it.

★ ★ ★

Genest is awaiting examination on the same charge in municipal court.

Drayton Plains Girl, 12, Getting Over Accident

A Drayton Plains girl who reportedly ran into the path of a passing car yesterday was reported in satisfactory condition at Pontiac General Hospital today.

★ ★ ★

State Police said that Rita Jean Ihrke, 12, the daughter of Mr. and Mrs. Duane Ihrke, of 2301 Briggs St., was struck by a car driven by Charles A. Hayward, 84, of Ortonville.

★ ★ ★

The accident occurred at Crescent Lake and Universal roads, in Waterford Township, said police.

Cite Pontiac Doctor for Faithful Service

Dr. Charles A. Neafie, Pontiac public health consultant, was presented the Michigan Health Officers Assn's. Distinguished Health Service Award yesterday in Detroit.

"It cited his "many years of faithful, devoted and dedicated service to public health in Michigan."

Dr. Neafie worked for the city's health department from 1917 until his retirement as director in 1952. he has stayed on as consultant, however, and is also Deputy Director of the Oakland County Health Dept.

Dr. Neafie lives at 493 Orchard Lake avenue and has offices in City Hall.

Stock Market Inches Upward

NEW YORK (AP)—The Stock Market had a slight bulge to the upside in moderate early dealings today.

Fractional gains exceeded similar losses among key stocks. After an active opening, trading slowed.

American Motors continued higher and active, gaining a fraction. General Motors and Chrysler declined slightly while Ford was about unchanged.

Fairchild Engine also was a favorite, advancing a fraction in brisk dealings. United Aircraft was up about a point.

Gulf States Utilities was ahead a major fraction. Small gains were made also by Goodrich, Kennecott, American Smelting and Allied Chemical.

Slightly lower were Anaconda, Westinghouse Electric and Sinclair.

State Joblessness Rises to 565,000 in April

DETROIT (INS) — The Michigan Employment Security Commission reported today joblessness in the state totaled 565,000 as of April 15, a 49,000 jump over March 15.

★ ★ ★

The commission said Detroit unemployment at mid-April was 275,000, a 25,000 increase. The Detroit total represented 18 per cent of the total labor force while the state figure was 15.9 per cent of the work force.

★ ★ ★

The MESC said 19,548 Michigan workers exhausted their unemployment benefits last month.

Conduct School Census in Waterford to May 31

A school census is now under way in Waterford Township, and will continue through May 31, according to Supt. of Schools William Shunck.

★ ★ ★

Nineteen canvassers are covering the school district, and Shunck has asked that residents cooperate in giving information since the project is a state requirement necessary in determining state financial aid.

Business Notes

Carl E. Pfeiffer, former process engineer of the Michigan Seamless Tube Co. in South Lyon, has been elected a vice president of the firm. Formerly a Birmingham resident, Pfeiffer now lives in Rosenberg, Tex., where he is general manager of a subsidiary company, the Gulf State Tube Corp.

Karl W. Froling of 6620 Manson Rd., Waterford Township, recently completed a course in servicing and maintenance techniques at the General Motors Training Center in Detroit. He is employed at Haskins Chevrolet Inc., 6751 Dixie Highway.

Pontiac chiropractor Dr. James O. Whitmer has been re-elected to the post of treasurer of the Michigan Academy of Chiropractic, Inc. for his eighth term.

DR. WHITMER

He was elected at a symposium conducted in Detroit recently. The Academy plans a free back to school spinal X-ray checkup during the last two weeks of August, for children between the ages of 5 and 12.

More than 90 per cent of the nation's lemon crop is grown in California.

Evasion of Tax Charges Stick

Harlem's Congressman Convicted on 3 Counts in Federal Court

NEW YORK (AP)—Rep. Adam Clayton Powell Jr., Harlem Democrat and church leader, has been indicted on charges of federal income tax evasion and aiding in preparing a fraudulent tax return for his wife, Pianist Hazel Scott.

A special federal grand jury, impaneled 16 months ago, yesterday returned a three-count indictment against the 49-year-old Powell, Negro member of Congress from New York since 1945.

★ ★ ★

Powell supported President Eisenhower and the GOP in the 1956 election, assertedly over his displeasure with his own party's position on the racial segregation issue.

Shortly after Eisenhower's re-election, the jury was allowed to become dormant. Powell denied that this represented any deal with the administration.

★ ★ ★

The indictment was expected to bolster the position of six of seven Harlem district leaders who reportedly are out to drop Powell from the Democratic ticket this year. Powell has said he is going to run, regardless.

Of the counts against Powell, one charged tax evasion in a joint 1952 return with his wife. The Powells reported a net income of $5,252. The government charged that the true net was $8,952 and that they owed taxes of $1,663.

★ ★ ★

A second count states that Mrs. Scott, advised by her husband, set her net income for 1951 at $3,815, but that her net was really $9,101. A third count covers alleged violation of the federal criminal code against aiding and abetting the preparation of a fraudulent return for another person.

The three-count indictment carries a maximum penalty, if convicted, of 15 years in prison and $30,000 in fines.

No Mutual Love Between Tarzan and Animals

HOLLYWOOD, Calif. — Tarzan is a friend to all animals, but real life Tarzan Walter Klapper says this sentiment is not mutual. In four months spent in East Africa as Tarzan he was thrown, mauled or bitten by practically every kind of wild animal.

Klapper, a film sound engineer, got the job when an actor could not join the TV unit in Nairobi, Kenya. First he had to reach into a river and pick up a 12-foot python, just to show he really was friendly. The snake's jaws had been taped but water loosened the tape. When Tarzan lifted the reptile it coiled itself around him and took a bite out of his arm.

He rode about everything on four legs — buffaloes, rhinos, elephants — but a terrified giraffe was the toughest. It bucked, dived and finally rubbed him off against a thorn tree. "Tarzan" now is a sound engineer again.

One publishing company here prints and binds three million Bibles a year.

Board to Study Water Project

Venice of Lakes Has Trouble for Ten Years With Present System

A special meeting of the Waterford Township board will be held at 8 tonight to study a proposed ordinance to take control of the Venice of the Lakes water supply system.

★ ★ ★

The 100-property owners in the subdivision in the southeast corner of the township, have had trouble with their 40-year old water system for the last ten years, according to Clerk James Seeterlin.

Board members will meet with township engineers and Bonding Attorney Milton Thompson. A 13-page proposed ordinance has been studied by the board, and it is expected that only special details will need to be studied for approval.

The proposed ordinance requiries all residents now connected to their present water supply system, pay a charge to connect to the township's water supply line.

★ ★ ★

The benefit charge will be used to defray construction of the line, which will cost approximately $35,000. A bond would be payable over a seven-year period.

Should the township adopt the ordinance, it would then be subject for the approval by the Michigan Municipal Finance Committee, Seeterlin concluded.

Grocery Store Burns in Waterford Township

A grocery store located in the basement of a building at M59 and Airport road, Waterford Township, was gutted by fire at noon Thursday.

The $18,000 building owned by Floyd Kent, of 82½ N. Saginaw St., has a barber shop and a bar on the main floor which suffered slight smoke damage.

★ ★ ★

Waterford Township firemen said that the cause of the blaze was unknown. Damage to the building was estimated at $1,500.

Burglars Break Window to Enter Hardware Store

Burglars broke into the Travis Hardware, 456 Orchard Lake Ave., and stole a number of guns, the Pontiac police learned yesterday.

Missing were three shotguns and three rifles. Entry was gained by breaking out a side window.

Thieves also entered the Oakland Battery Co., 192 S. Saginaw St., and made off with four batteries valued at $41.

Seven counties in Michigan have more than 300 lakes of varying sizes.

BLIGHTY GOES WEST — British actor James Donald, who has appeared in American movies and television programs, reports that TV viewers in England are yipee-ing for U. S. Westerns. According to Donald, "Gunsmoke" and "Wyatt Earp" have completely captured the public's fancy in the land of Shakespeare and Shaw.

Palm Springs Is New 'Big Name' Preserve

By EARL WILSON

PALM SPRINGS — I must have been stupid. After traveling around the world hunting celebrities, I found the greatest big name preserve right here in the California desert.

WILSON

While we were at composer Jimmy Van Heusen's new home out here amid the sand and the cactus, I asked him, "Where does Bing Crosby live?"

"About 300 feet up thataway." He pointed to Bing's roof.

"Nobody else lives really close. It's just Bing and me and the coyotes," said Jimmy, a boy from Syracuse whose real name is Edwin Chester Babcock. But elsewhere there are as many celebrities as motels—and the suburbs have suburbs. They even have "Movie Star Maps" here as in Hollywood.

"That's Alan Ladd's hardware store there . . . That's one of Tony Martin's five houses . . . That's Desi Arnaz's hotel"—realtor John Haskell talked as he showed us around.

★ ★ ★

We sat down to dinner at one of the most beautiful restaurants anywhere — "Romanoff's On the Rocks"—with Mike himself bowing customers in.

JANET

And such customers—Frank Sinatra, Tony Curtis, Janet Leigh, Joan Collins, the Sammy Cahns, Mrs. Dean Martin. It was my birthday, which I must have mentioned casually, because Frank Sinatra sent both champagne and himself over.

Anyway, I wish in 1940 we'd had a few bucks to put in real estate here because this is booming like Phoenix and Miami.

Hostessing us was wealthy Mrs. Elsinore Machris, friend of Jack Dempsey.

"Jack told me he'd never marry me because people'd say he was marrying me for my money," she confessed.

Yep, there's money here. About 25 millionaires bring their trailers here yearly to live in the motor parks. One trailer can sleep seven. Mrs. Machris has three homes here but she says that's kind of a come-down for her. One time she had what she calls "a little hideway" outside Los Angeles.

The little hideway had a 12-car garage.

THE MIDNIGHT EARL IN NEW YORK . . .

Sugar Ray Robinson's taking singing lessons (and talking to **Richard Rodgers** about a B'way show) . . . **Gregg Sherwood Dodge** is trying to buy a Southampton home—anonymously, so the price won't zoom.

Union Slates Program on Job Rehabilitation

A program concerning the state's vocational rehabilitation activities has been scheduled for 7:30 p.m. Wednesday at GMC Truck & Coach Local 594, UAW Hall, 90 Mt. Clemens St.

Kenneth Lane and Ralph E. Cummins, two members of the Office of Vocational Rehabilitation, will speak, according to the community services committee of the Oakland County CIO Council, sponsor of the meeting. Lane is director of the Flint district office. Cummins is a field agent there.

In Belleville, Ont., city officials discovered that the favorite sleeping places for transient hitchhikers are the sand piles stored for use on ice covered streets. The sand piles are heated to keep the sand dry.

Actor Donald Tells of Trend

'You Can't Go Wrong With Something About Guns, Toughness'

By JOAN HANAUER

NEW YORK (INS)—British television fans are riding herd on their TV sets and yipee-ing along with American Westerns.

That is the report from English actor James Donald, who admits with a sheepish grin that he and his 14-year-old son never miss an adult Western epic if they can help it.

Donald, who recently played Sidney Carton in CBS-TV's adaptation of Charles Dickens' "A Tale of Two Cities," is probably best known to American audiences for his portrayal of the doctor in "The Bridge on the River Kwai."

"I can't get my son away from the television screen when 'Gunsmoke' or 'Wyatt Earp' are playing. Life is a constant battle to get him into the fresh air to do a little exercise.

★ ★ ★

"I can't say I blame him—that Hugh O'Brien (Earp) is a lovely actor."

IT'S A NATURAL

Donald gave some thought to why the land of Shakespeare and Shaw watches Dodge City sheriffs and loves it, and said:

"We really don't have anything like that over there. And the Western is a natural entertainment form. You can't go wrong with something about guns and toughness."

Donald said other American favorites in Britain include the Phil Silvers Show, to which the actor himself is devoted, as well as Bob Hope productions and "I Married Joan." He added:

"While I love some American shows, I prefer to watch British television generally. It depends what you are looking for, and personally my standards are very high."

The tall, slim, dark-haired Scotsman admires Americans tremendously, saying:

"Americans are much sweeter-tempered, sweeter-natured and more 'come-hither' than English people. My wife and I have almost as many friends in America as we do in England.

★ ★ ★

"It's much nicer doing television here than in England, where I do as little as possible. They pay so much better here."

2-Day Workshop for Waterford PTA

Next year's Waterford Township Parent-Teacher Assn. meetings promise to be filled with interesting and informative activities, following a two-day PTA Workshop Wednesday and Thursday.

More than 200 PTA officers, teachers and principals attended the meetings at the Community Activities Center on Williams Lake road.

How to introduce a guest speaker correctly, leadership in question and answer periods, and thirteen ways to avoid making people furious, were among the topics for group discussion.

Dr. Russell L. Jenkins, associate professor of communication skills, ducted the workshop.

To Try Carpenter in Stepson's Death

MARQUETTE (AP) — A Marquette carpenter accused of beating his 12-year-old stepson to death and dumping the boy's body in a snowbank will be tried on a first degree murder charge in June.

★ ★ ★

Judge Edward H. Dembowski bound Leo E. Mercure, 36, over to the Circuit Court June term yesterday after Mercure appeared in Municipal Court for preliminary examination.

★ ★ ★

Mercure is charged with the March 29 death of his stepson, David Luoma, whose body was found in a cardboard box dumped in a snowdrift near Marquette. A medical examiner's report said the boy had been beaten to death.

★ ★ ★

Mercure told police the boy was fatally injured in a fall down basement stairs at his home. The stepfather told officers he became frightened and decided to put the body in the box and abandon it.

Grocery Store Burns in Waterford Township

A grocery store located in the basement of a building at M59 and Airport road, Waterford Township, was gutted by fire at noon Thursday.

The $18,000 building owned by Floyd Kent, of 82½ N. Saginaw St., has a barber shop and a bar on the main floor which suffered slight smoke damage.

Waterford Township firemen said that the cause of the blaze was unknown. Damage to the building was estimated at $1,500.

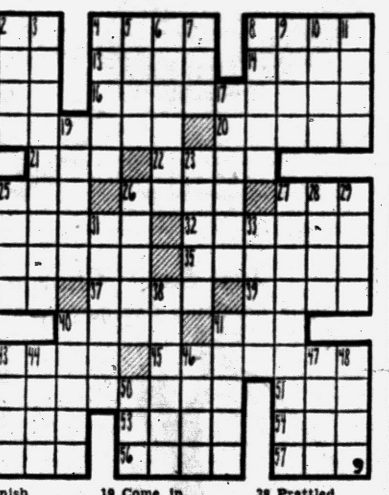

Burglars Break Window to Enter Hardware Store

Burglars broke into the Travis Hardware, 456 Orchard Lake Ave., and stole a number of guns, the Pontiac police learned yesterday.

Missing were three shotguns and three rifles. Entry was gained by breaking out a side window.

Thieves also entered the Oakland Battery Co., 192 S. Saginaw St., and made off with four batteries valued at $41.

Seven counties in Michigan have more than 300 lakes of varying sizes.

ART STUDENTS — These three Lincoln Junior High School students are among a group who are completing a unit of ceramics in art class this week. Left to right are: Carmen Weber, 817 Monticello St.; Judith Hoyt, 145 W. New York Ave., and Nancy Salvador, 778 Pensacola Ave., displaying some of their creations which will now be put to practical use.

Art Students at Lincoln Design, Make Ceramics

Lincoln Junior High School art students are completing a unit in ceramics this week. They are finding out they can make artistic as well as practical hand-designed items.

Instructor of the group is Margaret Burrette who along with the students have displayed their creations in a school showcase.

Members of the Fishing Club saw three films this week, "Fire" and "Smelt Fishing" and "Canoe Trails." In preparation for the opening of fishing season, the club spent time discussing fishing laws and regulations.

AT EASTERN

Twelve Eastern Junior High School students received all "A's" on their report cards which were distributed last week.

They include: Verna Bradley, Thomas Braun, James Colando, Lowell Ennis, Brenda Greer, Jean Huttula, Margaret Melzer, Pamela Pullis, Linda Spangler, Karen Strong, Muriel White and Lois Zimmer.

The girls' trio, including Loraine Baril, Pat Hanoute, and Sharlene Groves and the boys' quartet composed of Dan Henry, Ed Haroutunian, Malcolm Oswalt and Davie Brien, performed special numbers at the Spring Vocal Music Department Concert Wednesday and Thursday evenings.

AT MADISON

"Paul Wrecks the Car" was the name of the one act comedy the ninth grade speech class presented this week in Madison Junior High School's Little Theater.

The cast included: Arnold Johnston, Clara Dawson, Alan Olson, Bill Sallee, and Becky Bomsta.

Others were Pat Stoglin, Ben Carline, Sharon Bratt and Mary Lynn Mahn.

AT WASHINGTON

Sixteen Washington Junior High School students received all "A's" the latest marking period.

They were: Althea Bell, Sharon Bradshaw, Nancy Chapman, Judy Hillman, Ross Luther and Victor Schramm, all seventh graders and David Balnk, Donna Douglass, Nadine Morris and Mary Shadley, all ninth graders.

The eighth graders were: Karen Bronoel, Lorraine Gorman, John Kerns, Barbara McClure, Judy Prevette and Helen Ramsdell.

To Honor Mothers at 7:30 Mass

Members of the St. Michael High School Holy Name Society have been requested to attend 7:30 a.m. Mass Sunday in honor of their mothers on Mother's Day.

JOANN LANGDON

PHYLLIS YOUNG

Girls Head Class at Emmanuel High

Two Emmanuel Christian High School senior girls have taken top honors for their scholastic achievements.

JoAnn Langdon, of 704 S. Cass Lake Rd., has been named the valedictorian for the 1958 graduation class.

Phyllis Young, of 691 Fourth St., won the salutatorian spot.

Both students will speak at commencement exercises June 11.

Miss Langdon is secretary of the senior class and Miss Young is vice president.

Rochester Frosh to Clean Town Tomorrow

The Rochester High School freshman class will conduct a freshmen workday tomorrow between 8 a.m. and 5 p.m. in connection with the village's cleanup campaign.

Any one who would like to have the students do odd jobs such as raking, ironing, washing windows and taking down storm windows, should contact Jackie Sheehan at OL 1-4731 today or Dan Eskin, community problems teacher, tomorrow at OLive 2-6772.

Sophs Hold Dance

By PATRICIA FOSTER

Disc-jockey Bob Morrow and a singing group, the High-Tones, will be featured at a St. Frederick High School dance tonight from 9 to 11 p.m., sponsored by the sophomores.

Dance proceeds will be used to make the Sophomore-Senior breakfast possible.

Wally Fromhart, football coach at the University of Detroit, was the guest speaker Tuesday at the annual Athletic Banquet. The event was sponsored by the Mom's and Dad's Club.
