Reuther Achieves All Major Goals

Manager Willman Reports

Finances Sound as City Faces New Problems

By GEORGE T. TRUMBULL

"Pontiac is in a sound fiscal position to take on any project within reason."

This was the encouraging picture painted yesterday noon by City Manager Walter K. Willman in his annual "state-of-the-city" report before the Rotary Club.

TRUMBULL

Willman stated that Pontiac's bonded debt, assuming a $4,550,000 issue passed May 20, would still be only $7,450,000, considerably less than a $20,000,000 "ceiling" of eight per cent of the city's assessed valuation permitted by the City Charter.

"The future for this community is very bright," he added. "The city's cash position is good and our debt position is also good."

He cited figures showing the city's tax rate dropped two per cent since 1951, the county rate jumped 29 per cent and the school 93 per cent for the same time. But he praised school officials for engineering a necessary and large building program, which, he said, was the reason for the tax boost.

★ ★ ★

In a list of 14 Michigan cities, Pontiac's ratio of assessed valuation to state equalized values was ranked eleventh. This indicates, the manager said, that Pontiac is assessing on a proportionate lower rate and still able to maintain comparable lower taxes.

He outlined that the city was undertaking some $3,312,000 in "cash" capital improvement jobs this year. He then listed certain problems facing the city.

Willman said the additional money needed to complete Pontiac General Hospital was the result of being "caught in the rising escalator of prices."

He urged that "a progressive forward look be made to pass the bond issue" May 20. "It is unthinkable that this city should permit an unoccupied and unused skeleton to exist in the face of this terrific need," the official said of the need for hospital beds.

★ ★ ★

At present the city's bonded debt includes a $75,000 airport hangar issue, a $645,000 sewage treatment plant issuance, and the original $2,900,000 hospital package. The first two involve revenue bonds and are paying for themselves, while the last would be included in the city's general obligation bond debts.

City Cutting Down Hospital Debt

The manager declared that the city would begin this year "whittling" away in payment of the hospital debt.

He listed 1957 "bond jobs" as the old hospital debt, a new $1,850,000 hospital issue, a $3,091,000 treatment plant, and the completion of the $600,000 parking lot package approved by voters last year.

During his discussion of city taxes, Willman noted that the growth of Pontiac was evident in increasing assessed valuations, budgets, and tax portions of budgets from 1951 to this year.

Assessed values leaped 65 per cent from $153,216,160 in 1951 to approximately $254,000,000 this year. A 50 per cent climb from a 1951 $3,407,000 budget to a present $5,381,779 plan was experienced.

The portions of the budgets derived from taxes jumped 61 per cent in the six year period, Willman said.

★ ★ ★

Outlining the 1957 capital improvement program, Willman listed the following:

Paving projects totaling $1,900,000 — This includes the city's share of the Orchard Lake-Telegraph underpass, the widening of Orchard Lake avenue and Perry street from Huron to the city limits, and all other yearly paving jobs.

"We pave eight to 10 miles per year," the manager told the Rotarians.

He continued by saying $630,000 would go toward sanitary, storm and combined sewer construction this year.

Sidewalk construction in the city would total $110,000.

At this point, Willman stressed that the city "is doing a lot of work that should have been done 20 years ago. We are carving our way out of a position and we must continue to do so."

★ ★ ★

The Public Safety Building—Willman promised completion of this building to house police, fire headquarters, and municipal courts by no later than fall. He emphasized that it would be all paid for when the city moved in. A $200,000 appropriation this year will complete the $875,000 structure, the manager said.

Fifth Fire Station Almost Ready

Fifth Fire Station—"This station is about ready to move into if we get more men," he explained.

Payment toward Pontiac General Hospital—The city will pay $167,000 out of the half million dollars allocated to allow for the acceptance of bids on the new wing.

Civic Center — $100,000 toward property acquisition to expand proposed center around City Hall and Public Safety Building.

Airport — $50,000 for the continuation of the field's expansion.

UAW President Now Receives $22,000 Salary

Other Raises Granted as Union Prepares to Close Convention

ATLANTIC CITY, N.J. (AP) — Walter P. Reuther achieved all the major objectives he sought at the constitutional convention of the United Auto Workers.

The 3,200 delegates were ready to return home after filling in unfinished details at today's session.

The convention last night voted almost unanimously to give Reuther a $4,000 salary increase. He has been getting $18,000. Salaries of other union officials also were increased.

In their weeklong convention, the Auto Workers re-elected Reuther to a seventh term and overwhelmingly adopted his key proposals:

1. A public review board of seven private citizens to act as a watchdog on union affairs.

2. Revision of the big industrial union's bargaining procedure to permit skilled workers to negotiate supplemental contracts.

Sees Public Control

ATLANTIC CITY, N.J. (INS) —Walter P. Reuther said today he believes that the finances and other affairs of the American labor movement will be under public supervision within 25 years.

3. Provision for a special convention next January, probably in Detroit, to shape demands for 1958 contract talks with the auto, aircraft and farm-machinery companies.

BLOCKED MINORITY

In authorizing self-determination in bargaining for large groups of engineers, mechanics and office workers, the convention overrode the opposition of a small minority

Hussein Seeks Socialist's Help

Jordanian King Asks Abdul Halim Miner to Form Government

AMMAN (INS)—King Hussein called today on a Socialist member of the cabinet he fired two days ago to form a new government for beleaguered Jordan.

★ ★ ★

The new premier-designate, Abdul Halim Miner, immediately won a promise of cooperation from the four leftist parties that forced the young King's first choice for premier, Hussein Khalidi, to abandon his attempt to pick a cabinet.

King Hussein conferred this morning with former Premier Suleiman Nabulsi, who was forced to resign reportedly because his anti-Western stand conflicted with the King's favorable attitude toward President Eisenhower's Middle East doctrine.

Miner, interior minister in the Nabulsi government, also attended the conference.

Miner was appointed acting premier earlier this year when Hussein and Nabulsi visited Cairo. He later accompanied them on a second Cairo trip for talks with other Arab leaders.

★ ★ ★

Nabulsi's National Socialist Party, the Communists, Nationalists and the Baath Party agreed to participate in Miner's cabinet without prior conditions.

The refusal of those four parties, comprising a majority of the Chamber of Deputies, blocked any change Khalidi had of forming a government. Khalidi agreed with the King that Jordan should continue her ties with the West.

Waterford Eyes Tax Boost Vote for Police Force

Needs New Revenue to Replace Funds From Traffic Violations Costs

The possibility of a referendum on a tax boost looms in Waterford Township if the 16-man police force is to be maintained.

Newly-elected supervisor Elmer Johnson last night warned that additional source of income was sought by saying, "that if the allocation board approves the budget in its entirety, they will have to take funds from the school budget since the township is taxed to its 15 mill limitation."

Board members met last night and approved a 1957-58 budget of $430,810. In the plan $120,140 has been earmarked for police operations.

In the past, the department has relied almost entirely upon revenue from traffic violation costs paid to justices.

Expected monies from this source are estimated at $18,200 for next year.

A ruling from Atty. Gen. Thomas M. Kavanagh has placed a barrier in front of this practice. Kavanagh said justice costs should be limited to statutory fees and minor charges.

★ ★ ★

This would practically leave the local till empty, officials point out.

Faced with the problem of how to support the force, board members concluded that it would be necessary to operate on borrowed money. This could only be obtained if property owners approved additional taxes at a special election, they said.

How this problem is to be solved is expected to come forth at the board's regular Monday evening session.

The budget, which now goes to the county Allocation Board for approval, included a five per cent salary increase for all township employes.

★ ★ ★

With these increases, the budget remains almost equal to last year's $480,111, due to four election expenditures to balance this year's pay boosts.

Other business taken up last night included the appointment of Johnson and James Seeterlin, newly-elected clerk, to the recreation board. It meets tonight to study its proposed budget.

Units Still Must Act

Township UF Choices Not Yet Determined

Final decision as to how many of the 15 units of the Oakland County Townships United Fund will merge with the United Foundation of Metropolitan Detroit will be made by the directors of each township unit, it became apparent today.

Directors of the Townships United Fund Monday voted to merge with the Detroit Fund, according to Vern Willard, Farmington, president of the Township UF.

However, only seven townships of the 15 were represented at the meeting.

It became apparent today that at least a number of the townships do not plan to go along with the decision of the board.

The townships may: Be independent, join the United Foundation in Detroit, or the Pontiac Area United Fund.

Previous to Monday's vote, two townships have already rejected the Detroit offer to consolidate. They were Independence and West Bloomfield Townships. Independence has voted definitely to join the Pontiac UF.

Clifford Metty, West Bloomfield Township delegate to the Oakland County Townships United Fund, said his group voted to "remain independent but requested to negotiate with the Pontiac Area United Fund for possible association."

The township organization represents 15 Oakland County Townships with a total population of 90,000.

Included in the townships drive are Groveland, Brandon, Oxford, Addison, Rose, Springfield, Independence, Highland, White Lake, Milford, Commerce, West Bloomfield, Lyon, Novi and Farmington townships.

Townships which have decided to join the Detroit organization, if certain conditions can be met, include Farmington, Novi, Lyon, Milford, Highland and White Lake.

Sun's a Deceiver— It's Topcoat Weather

In spite of the sunshine, temperatures remained at a sub-freezing level through the forenoon and were expected to reach a high of only 35 to 38 today. Tonight the mercury will hover in a frosty 24 to 28 degree range.

Partly cloudy and somewhat warmer with a high near 40 is the outlook for tomorrow.

This morning the U. S. Weather Bureau reported temperatures will average 10 to 12 degrees below the normal high of 56 and normal low of 37 for the next five days.

Downtown Pontiac's lowest temperature preceding 8 a.m. was 22. At 2 p. m. the mercury read 35.

Pontiac, Area Offices to Close Despite Action

House Is Adjourned Until Tuesday, Ending Possibility of Change

It seems final there will be no mail delivery tomorrow despite capitulation today by the House Appropriations Committee to the demands of Postmaster General Arthur Summerfield for an emergency appropriation.

The committee voted 37-10 to grant $41 million to operate the Post Office until July. Summerfield had earlier asked $47 and had been offered only $17 million.

Acting Pontiac Postmaster Leslie Dean said today plans are complete for tomorrow's closing and no mail will be delivered except special delivery.

Dean added the new restrictive schedule will not result in layoffs at the Pontiac Post Office, but will reduce the number of hours worked by temporary and extra help.

"If we should get a telegram tonight saying to open tomorrow, we could do it," he stressed, "but we don't think it's likely to happen."

★ ★ ★

The new rules for postal service stemmed from the feud between the postmaster general and the House Appropriations Committee.

DEMANDS $47 MILLION

The House has adjourned until Tuesday, so although the Appropriations Committee acted today, Summerfield cannot get his money.

Summerfield's new rules, pending the additional money, call for no mail deliveries on Saturdays (except special delivery) and the limitation of window hours during the week to 8½ a day. Pontiac presently keeps windows open 10 hours a day.

TO STOP MONEY ORDERS

They also call for the end of postal money order service in first and second class post offices starting April 29. The new regulations affect Pontiac, Auburn Heights, Drayton Plains, Keego Harbor, Lakeville, Orchard Lake, Leonard, Rochester and Walled Lake.

The money order ban will not apply to Leonard and Lakeville, which are third class post offices.

On April 29, too, the rules will prohibit handling of third class mail, except for certain medical items.

Education Board Adopts Budget

Record $8.8 Million Receives Approval; Teachers Seek Raise

Adoption of a record 1957-58 budget, discussion of teachers' salaries and acquisition of a new school site were the major orders of business before the Pontiac Board of Education last night.

★ ★ ★

The board approved its tentative budget of $7,578,519 for operating costs plus $1,278,974 for new construction.

An income to equal this amount was premised on the State Legislature approving aid of $185 per pupil and the county allocating 10.233 mills for school use.

The budget also levies the full 8.75 voted increase which the voters approved three years ago.

★ ★ ★

The board was told that the new school tax rate would work out to $27.45 per $1,000 of assessed valuation for Pontiac property.

A long discussion with teacher representatives over wages ended without any decision by the board. The teachers are asking boosts otaling $448,000 while the board has set aside in the budget $250,000 for all wage increases.

The main lines of argument were these: The board said it did not have the money to pay more, while the teachers said the money could be found by

MEMO TO CAESAR

Peter Denies His Lord

Junius' notes on events preceding the trial continued. . . .

The mob swirled up the hillside and between the trunks of the olive trees with Judas Iscariot in the lead. When he saw the apostles, Judas spurted ahead and threw his arms around Jesus as if to embrace him.

★ ★ ★

The Nazarene pushed Judas away.

"Judas," he said, "betrayest thou the Son of man with a kiss?"

The apostles saw quickly that Judas' gesture was meant to identify their leader to the crowd. Simon Peter snatched up one of the swords; others armed themselves with sticks. They leaped forward to defend Jesus.

With a swift blow, Simon Peter slashed the ear of a man named Malchus, servant of one of the local officials.

Jesus ordered Simon Peter to sheath his sword.

★ ★ ★

Then the mob closed in. They bound the Nazarene's arms to his body.

He asked why they had come to seize him like a thief in the darkness, armed with swords and staves, when he had been so often openly in the temple and no move had been made to harm him.

They gave him no decent answer, but, pushing and jostling, led him away to the home of an officer named Caiaphas. They took Jesus inside for questioning, leaving a guard by the door.

Simon Peter had followed the crowd and now came up to join the soldiers who were building a fire to ward off the chill.

A maid, talking with one of the guards, noticed Simon Peter. She studied his face carefully and then said:

★ ★ ★

"This man was also with Jesus."

"Woman," Simon Peter replied, "I know him not."

Shortly afterwards someone else in the crowd recognized the apostle. Again he denied being with Jesus. And despite their suspicion he stayed on for nearly an hour longer.

However, when he was accosted a third time by a man who identified him as a Galilean, Simon Peter seemed to become disturbed.

He said: "Man, I know not what thou sayest."

At that instant the cock crowed, for the first light of morning was beginning to show in the eastern sky, and Simon turned quickly and walked away. There were tears in his eyes.

Plainly he had remembered the prophecy that he would deny his master thrice, and he was bitterly ashamed.

Willman Reports on City Affairs

(Continued From Page One)

Willman told club members that the field is the third largest in the state in the amount of traffic.

★ ★ ★

Parks — Appropriation of $20,000 here. He thanked the club for contributions toward Rotary Park.

Voting Machines — The city will complete the payment for 88 machines this year, Willman said. "The machines are here to stay," he added.

Miscellaneous — $50,000 for unexpected departmental needs.

Future Problems Listed

Switching from the present to the future, the city manager outlined the following problems which the city faces in the immediate future:

Water — He spoke briefly of the recommendation of the National Sanitation Foundation that Pontiac, and Oakland and five other southeastern Michigan counties, look to Detroit for supplies through the year 2000.

He emphasized industry's role in the plan and its necessary approval. "If we get this, we might have a supply of soft water by 1965," he said.

He warned that under the plan, Pontiac residents would pay increased rates.

The city official pointed out that the foundation had recommended against costly divided and competing agencies to supply water to the six-county area.

★ ★ ★

Pontiac's need for more water was based on the fact, Willman said, that the city's water was becoming "harder," containing more iron, and that the water "table" was sinking.

The manager continued by saying the city would soon need a headquarters fire station and a new library. "These are the things that can be handled by the present 3½ mills approved for capital improvements," he stressed.

Slum Clearance, Highways

He mentioned the city's new urban renewal program, under which the federal government carries two-thirds, and the city one-third of the cost to rehabilitate sub-standard homes and areas of Pontiac.

He warned of a proposed move in Washington to cut federal aid to the program which might hinder plans here.

Proposed Interstate Highway — The manager said authorities in Lansing were presently considering several proposed routes all in the vicinity of Pontiac.

★ ★ ★

He emphasized that before any route is approved, all parties, the city, county, state, and Bureau of Public Roads, would have their say.

"We are maintaining an open mind here as far as the city administration is concerned," Willman said.

On this, and all other proposals of the city, he urged public participation and discussion. "Action always follows wholesome discussion," he stated.

Civic Auditorium — Willman spoke of plans for the auditorium, but added a note of pessimism by saying, "time is a little short to realize it by 1961."

(A Pontiac Area Chamber of Commerce committee is shooting for completion of the building by the city's 100th anniversary in March 1961.)

Fringe Problems — "We know very well we can't build a fence around the city," Willman said, "but at the same time we can't afford to give away services."

Japanese Boat Rams on Rocks

29 Reported Dead, 73 Missing, 120 Safe From Overloaded Ferry

HIROSHIMA (AP)—A small ferryboat carrying more than twice its registered passenger capacity rammed a rocky obstruction in Japan's picturesque inland sea today and sank quickly. More than 100 persons were feared lost.

The coast guard reported 222 persons were aboard the small vessel. It said 29 bodies had been recovered, 73 persons were missing and 120 had been rescued.

★ ★ ★

The national police, reporting 219 aboard, said there were 27 dead, 97 missing and 95 rescued.

There was no indication that any Americans were aboard.

Twelve patrol boats crisscrossed the area, 27 miles east of Hiroshima, as darkness fell. Hope of finding more survivors faded rapidly.

★ ★ ★

Hiroshima police said a 16-year-old boy was at the helm and the captain was collecting tickets when the 40-ton vessel slammed into Toramaru Rock at 1:15 p.m.

The boat capsized and sank.

★ ★ ★

The Ministry of Transportation said the ferry, the No. 5 Kitagawa Maru, had a registered capacity of 82 passengers. It was carrying 4 crewmen and 218 passengers, the coast guard reported.

Booster Seeks Pontiac Support for Jack Harris

Local support is being sought for Pontiac's own singing star Jack Harris as he prepares for his first coast - to - coast television appearance on Sunday's Ed Sullivan show.

Ralph T. Norvell, Pontiac insurance man, has asked that anybody wishing to be included on a "good luck" telegram to Harris can do so for 10 cents through the courtesy of Western Union.

Dimes and names should be left at either Norvell's office, 70 W. Lawrence St., or at the Western Union office, 11 S. Perry St. The deadline is 5 p.m. tomorrow. Norvell's office will be open until 3 p.m. tomorrow to take names.

Harris, whose voice is often confused with that of Bing Crosby, lives at 944 Argyle Ave.

"I got a little tired of Detroit groups always claiming Harris as a Detroiter," Norvell said. "Let's show him where his backing comes from."

Reuther Achieves All Major Goals

(Continued From Page One)

that charged the UAW was abandoning the principle of industrial unionism.

Some delegates charged the union leadership was "appeasing" skilled workers.

But the delegates cheered Reuther's statement that production line and while collar workers, "both have got to get more—a h— of a lot more—in 1958."

Reuther called the UAW's bargaining program "a very vital matter" to keep craft unions from raiding the UAW. He said it gave the union "better tools to organize the unorganized" in the age of automation.

★ ★ ★

Technological advances, he said, are increasing the proportion of white-collar workers — engineers, technicians and mechanics—in the three basic industries where the UAW represents workers.

It is asked: Which is the nation's biggest labor union? Take your pick between the Teamsters and the Auto Workers.

Per capita payments to the AFL-CIO indicate the Teamsters have an edge, but both unions seem to be in the 1½-million-membership category.

★ ★ ★

One Teamsters official said privately 1,350,000 was "a good round figure" for his union. Dave Beck, Teamsters president, used the figure 1,400,000 in a press release. Beck also claimed 1½ million members at various times.

This week the United Auto Workers has been using 1½ million as a membership total at its convention in Atlantic City.

HARD TO DETERMINE

Accurate union membership is hard to pin down. Some unions overstate, others understate. Many play coy. Membership changes from month to month among members with seasonal work.

★ ★ ★

U. S. Labor Department figures, though based on the best data available, are mostly approximations.

For the Teamsters, the average per capita paid the AFL-CIO during the last six months of 1956 was on an American membership of 1,354,000. For the month of March alone it was paid on $1,485,000.

For the UAW, the average per capita for the last half of 1956 was on a membership of 1,173,804. The UAW paid per capita on 1,442,787 in January and on 1,224,000 in February, its latest return.

Beck apparently is headed for another session with Senate rackets investigators.

NEW EVIDENCE

Sen. McClellan (D-Ark) told newsmen yesterday that in the light of newly uncovered evidence, "it is highly probable Beck will be called back at some future time."

★ ★ ★

The committee, which is charged with searching out evidence of corruption in labor and management, has said Beck used $32,000 in Teamsters Union funds for his own purposes.

Beck already is in trouble with the AFL-CIO for invoking the Fifth Amendment in refusing to answer the committee's questions. He contended his answers might tend to incriminate him and noted that the Internal Revenue Service has been investigating him.

The Day in Birmingham

Annual Welfare Program Set by Firemen's Assn.

BIRMINGHAM — The annual family welfare and recreational benefit show sponsored by the Birmingham Uniform Firemen's Assn. has been set for April 25. The 10 a.m. program will be in the Birmingham Theater. Given each year, the firemen's program sees the department playing host to children from area orphan homes.

This year the Greyhound Lines will provide transportation for the guests. Tickets may be purchased from any member of the organization either for the buyers attendance or to be turned over to one of the youngsters.

The program will present Tab Hunter and George Montgomery in "Gun Belt" plus an hour of cartoons.

★ ★ ★

Organization of the senior men's group sponsored jointly by the Birmingham Community House and Recreation Dept. has progressed to the point that the group has selected its own officers. Leo Steir has been named president, Edward Clark is vice president, Truscott Henshaw will be secretary. Additional members have been named to membership hospitality and program committees.

The group has increased to an average attendance of more than 40. Men over 65 or those retired from active business are welcome. Officers stress that the senior group meets from 10 a.m. to 3 p.m. at the Community House each Friday.

There is a short business meeting, program, luncheon and social afternoon.

★ ★ ★

Hickory Grove School seventh and eighth graders hold the second in their series of spring dances from 8 to 10 tonight. Called "Hickory Hop" the affairs are sponsored by the parents of these two groups.

★ ★ ★

A sacred concert at 4 p.m. will be presented Palm Sunday by Ascension Lutheran Choir. They will sing Dubois' Cantata, "The Seven Last Words." Guest soloists will be Marvin Wilson tenor, and Donald Cross bass, Mrs. Malvin Rygh soprano and member of the church choir completes the soloists. For the convenience of parents with young children nursery service will be provided. The evening will end with a potluck supper.

John I. Irwin, real estate agent, told the board that the two appraisals it had on lots along Fern and Harvey, near Franklin, were completely unrealistic.

"Appraisals of $200 on lots where it cost the owners $115 to put in water," he said, "are ridiculous He was supported by Rev. Joseph Parker, a board member.

Superintendent Whitmer said that since the appraisals were so low compared with the asking prices, the whole matter should be settled by condemnation.

This was opposed by Rev. Parker and Irwin.

COMPROMISE REACHED

The matter was compromised by a resolution authorizing the purchase by negotiation of about half of the lots in question, including both sides of Fern.

Among the communications read was one from the Neopolitan Club of Pontiac requesting the board to "act in compliance with its own adopted policy of fair personnel placement and in acord wfth... laws covering Fair Employment Practices."

Straits Traffic Rises

LANSING (AP) — Ferry traffic across the Straits of Mackinac for the first quarter of the year showed a slight increase over the same period a year ago, the State Highway Department reported today.

Army Calls Off Derby Day Congress Junket

WASHINGTON (INS)—The Army today called off its scheduled Fort Knox-Kentucky Derby congressional junket with an explanation that the "serious purpose" of the trip had been "distorted."

Members of Congress had denounced the May 3-4 expedition as a "bobble" and an "insult to the taxpayers." One irate legislator, Rep. George Mahon (D-Tex.) had warned that the project might cost the Army a 100 million dollar budget cut.

The Army had planned to fly the Congressional group to Fort Knox, house them there, and bring them back to Washington May 5, the day after the Derby.

Eden to Undergo Surgery Tomorrow

BOSTON (AP)— A hospital bulletin said today an operation will be performed tomorrow on Sir Anthony Eden to remove a tube placed in the bile duct in 1953 for relief of a duct obstruction.

Dr. Richard B. Cattell of the famed Lahey Clinic, who performed the operation four years ago, will be the surgeon tomorrow also.

Eden's personal physician, Sir Horace Evans, is flying from London to be present at the surgery.

The 59-year-old diplomat's condition is good, today's bulletin said. There is no evidence of inflammation of the colon at this time in the opinion of Dr. Sara M. Jordan, head of the Lahey Clinic's department of gastroenterology.

Truce Team Member Murdered in Indochina

SAIGON, South Viet Nam (AP)— Albert Edward Lucien Cannon, 39, Canadian member of the International Truce Supervisory teams in Indochina, was found stabbed to death in his bed today. He was stabbed in the chest.

President Ngo Dinh Diehm has ordered a top level investigation, an official source said.

There was no official statement on details surrounding Cannon's death. He was believed to have been attached to one of the commission's mobile teams.

At recent fur auctions in Oslo, Norway, 77,353 mink furs were sold.

Hit-Run Driver Spurns Call for Aid to Victim

LANSDALE, Pa. (AP)—An 11-year old girl told state police yesterday the driver of a car that killed her 7-year-old brother jumped back in the vehicle and sped away when she called to him for help.

★ ★ ★

Police say the two, Betty Jean and Richard Kerns, were walking along a road to a Bible class at a neighbor's home. Betty Jean said she saw the car coming, shouted to her brother and jumped into a ditch. The auto hit Richard and hurled him off the road.

★ ★ ★

The driver stopped for a few moments, then fled, Betty Jean said, when she called for his aid. She ran home for help.

Moscow Woman, Aged 154, Recalls Napoleon Defeat

MOSCOW (INS) — A little old Russian woman told newsmen today her fondest memories were Napoleon's retreat from Moscow when she was a child, the abolition of serfdom and the first Russian railway.

Officials in the Moscow suburb where Loubov Valentinovna Poujak lives in a tiny room said she is 154 years old and the oldest living person in the Soviet Union.

Miss Poujak, a former nun, said she was born in the Ukraine in 1803 and that she has a sister aged 112 and two brothers, aged 118 and 101.

She still takes a long walk daily, her hair which never turned gray is abundant, and her eyes good enough to thread a needle without spectacles.

Miss Poujak said she has no formula for long-life although she noted that she has always avoided eating meat.

Gas Station High Class

NEW YORK (AP) — Edward D. Stone, an internationally noted architect, has been hired to build a new gas station for automobiles at Idlewild Airport. The Port of New York Authority says it wants to make certain the gas station won't clash architecturally with the rest of the ultramodern buildings.

Reduce Sentence of PW Turncoat

SAN ANTONIO, Tex. (AP) — The prison term given former Cpl. Claude Batchelor for collaborating with the Chinese Communists while a prisoner of war in Korea has been reduced to 10 years, his attorney's office disclosed yesterday.

★ ★ ★

Batchelor, 25, a native of Kermit, Tex., originally was sentenced to life imprisonment but the term later was reduced to 20 years. He was one of 23 American soldiers who refused repatriation and stayed with the Chinese Communists. He was the second to later change his mind.

He is serving the sentence at the federal penitentiary at Leavenworth, Kan.

The office of Atty. Joel Westbrook, who defended Batchelor at his court-martial at Ft. Sam Houston, Tex., in 1954, announced it had been notified of the reduction. The action makes Batchelor eligible for parole in January 1958.

An instrument that reveals how much earth has been disturbed, at various depths, through the centuries is being used by archeologists in studies near Reading, England.

River's Name Confusing

COLUMBUS, Miss. (AP)—A new sign at the east end of the bridge identifies the river as the Luxapalilla. The new sign at the west end says it's the Luxapalillia. The State Highway Department's own maps agree with other authorities that it's really the Luxapalila.

Australia plans a campaign in England to recruit 1,000 British veterans for its navy, according to Navy Minister J. Francis, in Sydney.

Doctors to Consider Operation for Eden

BOSTON (AP)—Doctors examining Sir Anthony Eden said that a decision relative to the advisability of an operation will "be reached shortly."

A bulletin on the 59-year-old former British prime minister who flew here from New Zealand Sunday for a medical checkup, said final consultations are being arranged for today.

The bulletin, signed by Dr. Richard B. Cattell who operated on Eden four years ago for a gall bladder condition, said: "There is no present evidence of inflammation of the colon nor is there evidence of any source of fever other than from the bile duct."

★ ★ ★

Eden is a patient in the New England Baptist Hospital.

Guilty in Traffic Death

GRAND RAPIDS (AP)—Irwin D. Bruxvoort, 17, was ordered to jail to wait sentencing Wednesday after he was found guilty by Superior Court jury of negligent homicide in the Feb. 2 traffic death of Henry D. Dykstra, 34. Dykstra suffered fatal injuries as a passenger with Lewis Beyer, 27, when an auto driven by Bruxvoort collided with the Beyer car.

Instructors Don Basketball Togs for Evening Tilt

CAMBRIDGE, Mass. (AP)—A basketball will replace the atom, and other such esoteric subjects, at Massachusetts Institute of Technology Saturday night.

No less a personage than Dr. James R. Killian, president of the august institution, will toss up the ball for the opening tapoff and then referee a game between teams composed of dignified and learned faculty and administrative personnel.

One team will represent the science and humanities groups and the other administration and engineering.

Proceeds from this game of unspecified duration, will go toward purchase of chemicals and electrical equipment for MIT students who teach science in Boston settlement houses.

Suffer Food Poisoning

GRAND RAPIDS (AP)—The City County Health Department Wednesday reported cream-filled products from a neighborhood bakery were traced as the source of food poisoning involving seven Grand Rapids families. Edward L. Stockton, chief sanitarian, said the members of the families suffered violent nausea as a result of the poisoning.

Christmas Tree Sale Not a Joke After All

McALESTER, Okla. (AP)—Grocer Ike Hutchison finally got around to clearing his storehouse of old Christmas trees and he placed them in front of his place to be hauled off.

★ ★ ★

As a joke, Thelma Drumb playfully tacked up a "For Sale" sign.

Along came a man who offered $4 for the lot and Hutchison, shaken by the surprise sale, finally was able to ask what they would be used for.

★ ★ ★

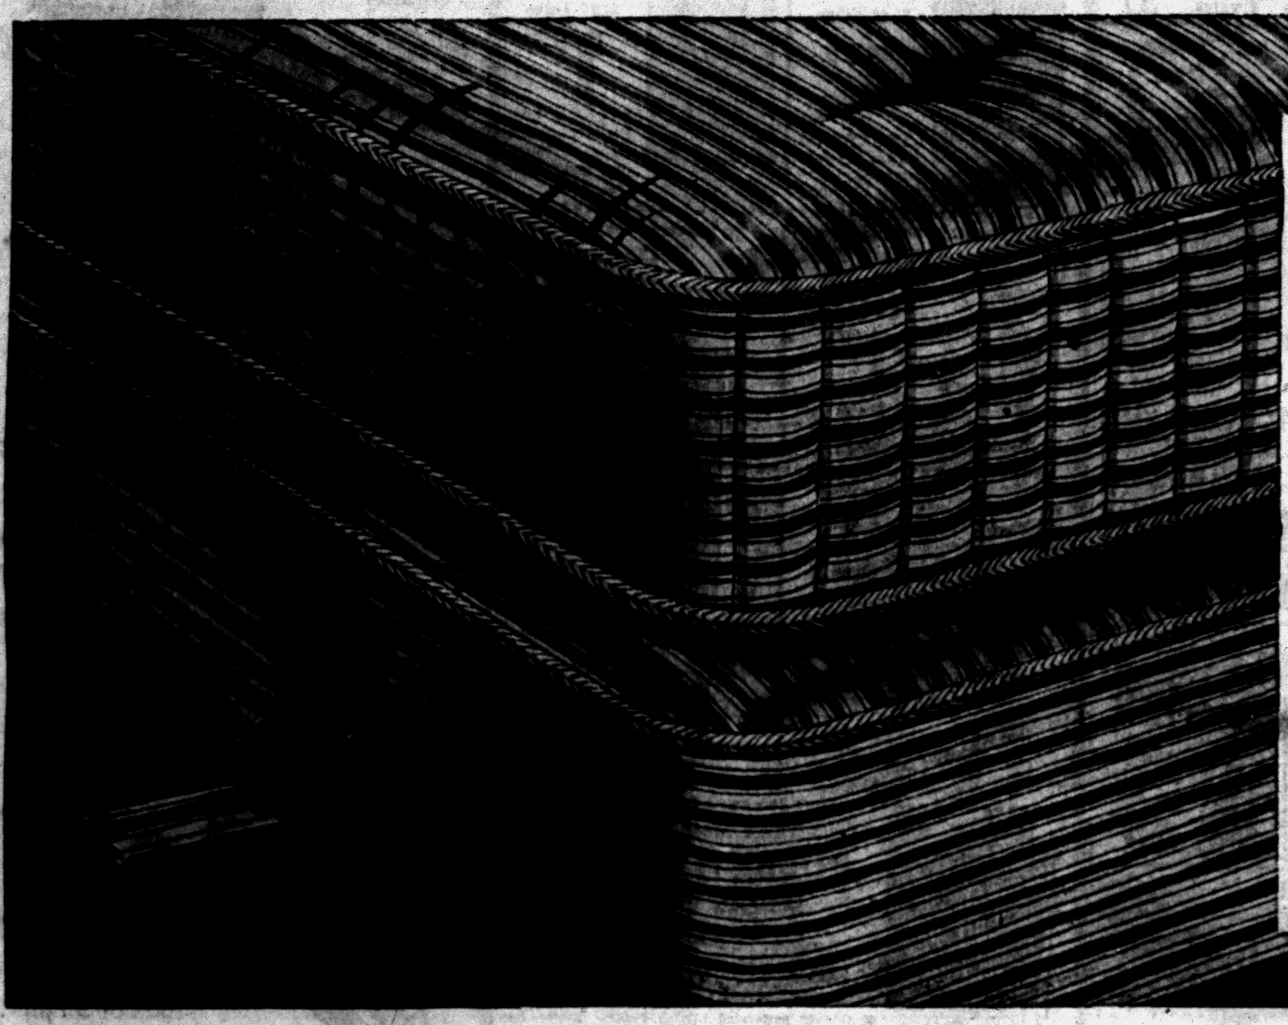

The man said he would dump them in his lake as fish cover.

MICHAEL E. VACKARO

Market Owner Dies at Age 68

Heart Ailment Takes M. E. Vackaro, Grocer Here Since 1919

Michael E. Vackaro, 68, owner of the Vackaro supermarket on Baldwin avenue, died yesterday in St. Joseph Mercy Hospital of a heart ailment. He had been ill three months.

He was born in Italy on April 23, 1888, to James V. and Kathrine Vackaro, and married here on May 25, 1922. His home was at 2310 W. Walton Blvd.

Mr. Vackaro came to Pontiac from Pennsylvania in 1919 and went into the grocery business at that time. He was a member of Roosevelt Lodge No. 510 F&AM and a veteran of World War I.

Surviving besides his wife, the former Maude B. Nye, are two daughters, Mrs. Patrick Borer and Mrs. Frank Harper, both of Pontiac.

Other survivors include two sisters and four brothers, Mrs. Clair Geister of Royal Oak; Mrs. Rudolph Larson; John, Joe, Samuel and Nick Vackaro, all of Pontiac.

Service will be at 1:30 p.m. Monday from the Sparks-Griffin Chapel, with the Rev. C. George Widdifield of All Saints Episcopal Church officiating. The Roosevelt Lodge will conduct a graveside service at White Chapel Memorial Cemetery.

Judge Grants Temporary Halt

White Chapel Officials Protest Assessment of Taxes by Troy

Circuit Judge George B. Hartrick yesterday issued a temporary injunction to the White Chapel Memorial Assn., refraining the City of Troy from collecting $895.41 in personal property taxes at the association's cemetery, 621 E. Long Lake Rd.

The injunction was ordered after the association deposited $931.25 with the court until outcome of an as yet unscheduled hearing.

The sum represents the tax levied by Troy on machinery, equipment, furniture and furnishings and the cemetery plus a tax collection fee.

The association is asking a permanent injunction against the tax, claiming it is the "settled policy" in Michigan not to levy against the lands, funds and personal property of burial grounds.

The tax was levied in February by the newly-created city. The association claims that previously, when located in Troy Township, it was not taxed.

The city did not levy a land tax against the cemetery.

About 125 million acres of forested land in Alaska are under the administration of the U. S. land management bureau.

Mansfield Steals Show From Lindy in 'Circus Act'

HOLLYWOOD (AP) — Warner Brothers premiered "The Spirit of St. Louis" last night, but Charles Lindbergh would have had to land his plane in the theater lobby to steal the show from Jayne Mansfield.

★ ★ ★

The voluptuous actress, wearing a far from plain gown that had fans and photographers in a spin, put on a show seldom seen in the dignified Hollywood of today.

Assisted by her boy friend, muscleman Mickey Hargitay, onetime Mr. Universe, Jayne even autographed programs for the fans in top row of the bleachers.

Hargitay, in a performance that resembled a circus act, lifted his blonde girl friend high in the air so that she could reach bobby soxers in the back rows.

★ ★ ★

Jayne explained that she and Hargitay had practiced the pose at home because it resembled an airplane in flight.

★ ★ ★

"And isn't this what this picture is all about?" she asked.

Six major television networks shows, both live and film, quickly switched their cameras away from such sedate stars as Greer Garson, James Stewart and Gary Cooper.

★ ★ ★

As Miss Garson explained philosophically:

"Who can follow that?"

The Egyptian Theater premiere of the movie, depicting Lindbergh's famous 1927 nonstop flight to Paris, attracted one of the biggest tournouts of stars in recent memory. More than 300 attended. But as far as the fans were concerned it was a Mansfield show.

Now! Amazing Reducing Agent helps you—

Reduce Without Dieting

Proved Safer and more effective by Doctors in Clinical Tests...NOW—Sold WITHOUT Prescription.

Wonderful News! The amazingly safe, tested way to reduce, you've heard spoken about in whispers, at last approved for sale without prescription!

Yes, the same kind of safe, effective, reducing agent used successfully by thousands of doctors . . . tested successfully on thousands of patients . . . yours at last in **Prescription 812.**

Weight losses recorded show pounds the first week, pounds and pounds more the first month, actually up to 25 pounds or more in a reasonable length of time, *without exercise, without doing a single unpleasant thing!*

HERE'S DRAMATIC PROOF!

In Clinical tests conducted with the wonder ingredient contained in Prescription 812, these amazing weight losses were reported, in a reasonably short time:

Case History 1
Mrs. G. J. lost 25 Pounds!

Case History 2
Mrs. J. B. lost 20 Pounds!

Case History 3
Mrs. M. L. lost 18½ Pounds!

Imagine! Many overweight people have lost as much weight as they wanted to lose, safely, easily, without dieting, without consciously making an effort to restrict their food.

You'll still eat luscious steaks and chops, fried chicken, potatoes, desserts and pastries, but with **Prescription 812,** in place of iron will power, you'll actually be eating less, and you won't overeat as you did before, and gone will be those ugly, stubborn clinging pounds of fat!

YOU'LL HARDLY BELIEVE YOUR SCALE!

You'll look better, feel better, have so much more pep and energy as ugly pounds disappear! What a wonderful feeling! Your friends will be amazed as pound after pound of ugly fat vanishes. It's all so easy . . . all so delightfully simple, you'll bless the day you first tried this marvelous reducing tablet!

HOW PRESCRIPTION 812 WORKS TWO WAYS AT ONCE!

Before each meal, simply take one tiny tablet, hardly larger than an aspirin. You eat, sleep, work, play just like any of your thin friends. And all the while, the amazing ingredients in new **Prescription 812** go to work for you.

Prescription 812 is not an old-fashioned expanding pill that fills your stomach, not a sickening-sweet wafer! The tested, proven ingredients in **Prescription 812** work two ways at once to help rid you of ugly fat.

1. **Prescription 812** appeases your appetite more effectively than anything sold direct to the public. You still enjoy your food, but automatically you eat less and down comes ugly overweight.
2. **Prescription 812** helps overcome gnawing hunger-pangs. Food stays in your stomach longer, thus helping to eliminate the major cause of those empty-stomach blues that make you overeat.

You lose ugly pounds and inches, safely, quickly, easily and you feel well, too, while those pounds are coming off!

The amazing principal ingredient in **Prescription 812** has been tested in hospitals and clinics all over the United States. It has been used successfully on vast numbers of overweight patients, and now for the first time ever, it is available to you without prescription!

So if you sincerely want to reduce, here is our offer!

GUARANTEE!
TRY AT OUR EXPENSE
DURING 10 DAY FREE TRIAL

The miracle reducing ingredient in PRESCRIPTION 812 was proven remarkably effective in one of the most dramatic tests in Medical History! Now you too can use PRESCRIPTION 812 for ten full days—at our expense! Almost immediately, you must start seeing amazing results—without suffering any discomfort, ill-effects or hunger pangs. Day by day you must lose weight, and as a result, look years younger . . . feel better and have more pep and energy than you've had in years! Britain's Cutting Taxes; What About Our Own?

Great Britain has cut taxes.

She's economizing.

Old Austerity herself is easing the burdens on her people and while some of the steps are relatively minor, they indicate the trend of the times. At least they indicate the trend of the times in the British Isles.

★ ★ ★

The additional fourteen cents a gallon gas tax because of the Suez Canal is dropped. "Why shouldn't it be?" you ask with no surprise. Certainly, it should. But so should some of the "emergency" tax measures which this nation imposed five, six and ten years ago and which it still collects in spite of the fact the "emergencies" for which they were passed have long since ceased to exist.

★ ★ ★

Congressmen in all divisions are "hearing from the folks back home" in unprecedented numbers on the current budget. The voters are sick of additional costs. And just to speak out plainly in meeting, this includes foreign aid.

★ ★ ★

The Administration seems to have proceeded on the theory that there is something sacred and holy about "foreign aid." Well, it isn't bound up in tinsel and tied with blue ribbons in the minds of most of the voters. Perhaps they're wrong and perhaps the Administration is right, but at the moment they're perfectly ready to let their own judgment stand ahead of Washington's. Then, if they're wrong and the top brass is right, the people will have to assume the responsibility for the mistakes.

★ ★ ★

Isn't that the way a Republic and a Democracy are supposed to function? Isn't that the main idea? The people speak and when they make a wrong decision, they'll have to abide by their own finding. Right now, we believe the vast majority of the common folk (and that includes us all) wants less taxes.

The people want a smaller budget.

And they don't want a token cut, cut.

They want a heavy ax.

★ ★ ★

The people want a major slash and that means a slash that runs at least five billion dollars. If anyone asks "how," we respectfully refer them to a great patriot and statesman from Virginia named United States Senator Harry Byrd. He's an exceedingly practical and hard headed citizen of long experience, and he has the answers on paper in black and white in plain, legible terms.

U.S. Economic Growth Boosting Steel Demand

Due to the demand for steel in our economy, experts think that this year is likely to set a new record for ore imports.

Last year 34 million tons from foreign countries was nearly 30 per cent greater than the 1955 record of 26.6 million net tons. Such gains are the result of exploration and development programs by American steel and ore companies, particularly in Canada and Latin America.

★ ★ ★

During 1956 more than 45 per cent of total iron ore imports came from Canada and nearly 47 per cent from seven Latin American countries. In these instances backing from U. S. companies was a major factor in developing mining facilities. Of the 141 million tons used in this country last year 24 per cent came from foreign sources, as compared to 18 per cent in 1955.

★ ★ ★

In our own State taconite, the very hard low grade ore abundant in the Lake Superior region is being used in increasing quantities. Processed into pellets containing more than 60 per cent iron, it is found to be excellent for blast furnaces. The first shipment of another low grade ore, jasper, left the Michigan processing plant late in 1956.

★ ★ ★

A steel executive recently estimated that in the next 25 years the world's steel industries may nearly double their capacities. This will be due in part to the demands of plants using nuclear power and the need for steel in mining and processing uranium and thorium ores. New industries based on nuclear power all over the world, the official pointed out, will create further demands for steel.

★ ★ ★

The outlook for our basic steel industry is better than good. Domestic demand for all goods and services will continue to rise with the prospective population gain of 30 million to 200 million in the next ten years.

The Man About Town

It's the Last Call

Your Contest Entry Must Be in By Tomorrow Noon

Sorry: What you'll be if you let somebody else get that $250.

Yes, this is absolutely the last call. Saturday at NOON is the final hour and minute that your baseball contest entry is acceptable at The Pontiac Press Office —and that's TOMORROW NOON. You have less than 24 hours to qualify for the prize.

At this late hour you'd better not take a chance on the mails. Better make personal delivery. If you cannot come during business hours, drop your entries into the box at the office entrance, which is at your service 24 hours every day.

This box is in the cement post on the west side of the outside front entrance. Just lift up the lid and drop them in. All entries deposited there by noon will be counted.

The $250 goes to the entry making the nearest correct answer to:

What player who has been at bat at least 25 times will be leading the American League on the night of Friday, April 26, and what will be his batting average?

Every member of your family is eligible to compete, but each entry must be on a separate piece of paper.

Don't let that $250 get away from you. Your favorite player will make every effort to do his part. Will you do yours?

The Last Mile

David Lawrence Says:

Newsmen Should Stay Out of China

WASHINGTON — Partisanship has been carried to extremes before in America, but it may be doubted whether anything has ever paralleled the spectacle of the Democrats in the Senate Foreign Relations Committee giving an avowed Communist, the editor of "The Daily Worker" in New York, an opportunity to lambast the government of the United States for its refusal to allow a group of American newsmen to go to Red China.

LAWRENCE

Simon Gerson, editor of the Communist Daily, was born in this country. He said under questioning that he is and has been a Communist and that normally he would not answer the question if he were subpoenaed. But he and the other witnesses were not under oath because they were merely "invited" to testify.

Gerson was also asked about the restrictions on travel imposed by the Soviet government, and he naively said he was not an authority on the restrictions imposed in Russia and that, if the Soviet Union doesn't advocate complete freedom of travel for newsmen, they should do so.

Everybody in the news business knows that only a handful of American correspondents are permitted regularly to report the "news" in Moscow and that only brief visits by other newsmen restricted to certain areas are permitted.

RED INVITATIONS

What the Peiping government did recently was to invite a few American newsmen to go to Red China for 30-day visits. The Communist government will, of course, select the places they can visit and the persons they can interview. This is not "freedom of the press" but a governmentally regulated scheme for getting propaganda into American publications. It's part of a program of "exchanging" missions on the so-called "cultural" side. If the American government assents to a press mission, it means that the Peiping government will follow with requests for other "missions" of Americans to visit Red China.

The argument that in 1949 our State Department criticized Red China when the latter banned non-Communist newsmen was offered by one witness as an example of inconsistency on the part of the State Department today. This happened, of course, before the Korean war — the third largest foreign war in our history. It has not yet been terminated. The situation today, growing out of that Korean War, is far different than it was in 1949 or in the days prior to "recognition" of the Soviet Government in 1933.

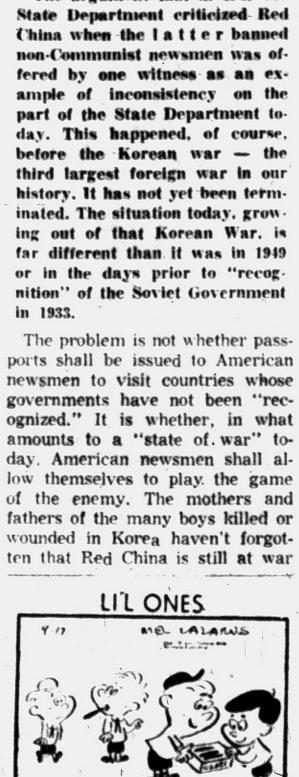

The problem is not whether passports shall be issued to American newsmen to visit countries whose governments have not been "recognized." It is whether, in what amounts to a "state of war" today, American newsmen shall allow themselves to play the game of the enemy. The mothers and fathers of the many boys killed or wounded in Korea haven't forgotten that Red China is still at war with us. They feel that the Panmunjom armistice didn't bring peace — indeed the Communists have refused to attend a peace conference, and there are many violations of the armistice on record. Thousands of American troops are right now on guard at the armistice line.

The Red China government, moreover, is still holding American citizens as hostages. It seems to be all right in the eyes of some editors in this country for the Red Chinese to attempt to use the American newsmen as an instrument of their foreign policy, but it isn't all right for the United States to ask the American newsmen patriotically to co-operate by turning down Red China's "invitations."

COMMUNISTS WATCH

The pressure to get the State Department to relax its ban on travel to Red China of American business people, including the press, is being watched all over the Communist world as an entering wedge for admission of Red China into the U. N.

"They're licorice. Jimmy has a new sister."

Dr. William Brady Says:

Mixed Up on Metabolism but Smart About Clothes

A reader would like to learn about the relationship of eating and the amount of exercise to the rate of metabolism. During the summer the reader (Mrs. K. E.) spends 2 or 3 hours outdoors every day and feels wonderful. In the winter she is out only 10 or 15 minutes a day and feels dull and heavy when she overeats just a little. Why?

DR. BRADY

What kind of physical activity would I suggest for the winter? She has two small children and finds it impossible to take a brisk walk; they are limited to a slow saunter.

In parentheses after the word metabolism Mrs. K. E. writes (Dirty Word?)

When I was a boy on Chapel Street in Canandaigua we didn't have a dictionary either—that is, not a regular 18-pounder. We had a ragged 4-pounder—I remember mother consulting it as she worked at a crossword puzzle.

If Mrs. E.'s daily walk is limited to a saunter she may find some of the movements of the "Last Brady Symphony" suited to her metabolic requirements. For the symphony, send 35c and stamped, self-addressed envelope. At the same time ask for instructions for the Belly Breathing exercise.

★ ★ ★

Mrs. E. says her two children are the scandal of the neighborhood. Every other mother in the block thinks she is heartless because her children wear only half as many clothes outdoors as theirs. But her children are rarely ill.

SELDOM SICK

One respiratory infection (Mrs. E.'s words) lasting perhaps a week is par for the year, while their little friends, all bundled up all the time, seem to be sniffling most of the time. So far Mrs. E.'s children have escaped epidemics of measles, mumps and chicken pox.

Measles, mumps and chicken pox are respiratory infections, spread via cough, sneeze and conversation spray, just as scarlet fever, diphtheria, whooping cough, epidemic meningitis and poliomyelitis are.

A child exposed to any respiratory infection is as likely to catch it when he is wearing excessive clothing as he is when he is wearing just what he finds confortable or even what the other mothers on the block would probably consider insufficient clothing.

★ ★ ★

There's no evidence, clinical or scientific, that the clothing any one wears or leaves off has anything to do with susceptibility to respiratory or other infection.

Mrs. E. concludes: "My feeling is that if a child doesn't know how many wraps he needs to keep warm, he's mentally defective and shouldn't be allowed out alone."

Leonard Hill English Physiologist and world authority on fresh air and ventilation says:

"It is absurd to put on an overcoat when going out for a walk. It is good to go out and be braced by feeling cold and so be impelled to take vigorous exercise."

★ ★ ★

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

Are You Another Fat Man? Then Share Your Woes

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

I'm a fat man in trouble, evidently headed for more. How I love to eat, but if I can find a few men willing to suffer with me, perhaps I could walk instead of waddle.

We have been offered use of the union hall at East Pike and Tasmania for a meeting tonight at 7 p.m. Bring along a euchre or pinnocle deck and we'll have a few friendly hands while discussing our woes. Speakers will be arranged as the club progresses. Wives who'd like their husbands wearing suits from ten years ago should shoo them over.

Incidentally, I'm 5'11", 240 pounds, 44 years old, headed for 190 and 88 years. For further information call FE 2-4694 after 5 p.m.

Your readers always like to be "in on the know." O.K. I'll wise you up. G. Mennen Williams will not run against Senator Potter two years from now as all you people think. Reader Discusses Adoption Problem

No woman should have the right to give up her baby and then decide years later she has changed her mind. I can understand that such a decision is made under great emotional stress and that the circumstances may have come about by an unfortunate mistake early in her life, but it is inhumanly cruel to take a child out of a home it loves and where it is loved to place it with a mother it doesn't even know.

All mistakes have unhappy consequences, some more than others. But no mother's conscience and maternal instinct should be assuaged at the expense of three other persons, especially when the three include an innocent, vulnerable child and two adults who have given more than their share of kindness and love.

One Who Knows

'Let's Quit Kidding About the Tigers'

I'm sick of excuses for Detroit's one-run defeats. If the score's tied and the other side can repeatedly bring in that winning run and your side repeatedly fails, why, it simply means that you haven't got what it takes.

Coming through in the clutch is a necessary part of a winner. That's the main difference between the winner and loser. One has the intestinal fortitude and the ability to go all out when it counts. The other side fails and folds in the stretch. Let's quit kidding each other.

In answer to the reader who answered "Hillbilly," the southerners had to come to Michigan to do the work provided because the Michiganders didn't do their own work. If the hillbillies weren't here, I'm afraid there would be a lot of Michigan business going out of business. Cheer up, reader, you don't have to put up with us, we have to put up with you.

'It's Hospital Duty to Protect Public'

I certainly hope the staff of the Pontiac General Hospital establishes rules and regulations that protect the general public against operations that are not performed by the most skillful. That's the only defense the public has. This duty devolves directly upon the doctors in charge. If they fail in this duty to the public, they are guilty of a moral and perhaps a legal offense.

Hospital Addition Cost Questioned

Mr. Kern wasn't fooling. He didn't go far enough. We voted three million dollars for an addition to the hospital and we get a skeleton. The City added $500,000 and the governor another $80,000. With the $1.5 million, it adds up to $5,080,000. What is wrong?

Just a few miles south they have a complete new hospital, not an addition, on 100 acres and it has all the most modern equipment. The cost was just $4 million. Again I say, what's wrong? Read the March 28 editorial and back up the newspaper, outstanding in protecting our interests.

Case Records of a Psychologist:

Crane Tells How to Catch a Man

Rita's problem should be of special concern to jewelers. For they can't sell engagement rings and wedding bands till girls of Rita's type get wise to the facts about male psychology. You jewelers would perk up your ring sales if you'd offer young folks the scientific rating scales named below.

By DR. GEORGE W. CRANE

Case U-353: Rita G., aged 24, is a conscientious oldest child.

★ ★ ★

"Dr. Crane, at times I feel as if I could scream," she admitted. "For I am the dutiful oldest child. My parents seem to think I will be an old maid and always live at home with them.

CRANE

"Meanwhile my younger sister, who is 21, has boyfriends galore. Two of them are asking her to marry them right now.

"But I seldom get a date. And I don't know why, for you can see from these photographs of my sister and myself that we look much alike.

★ ★ ★

"So why do boys avoid me and chase after my sister like flies after honey?"

GIRLS, BEWARE

Girls, please study Rita's comments carefully. For many of you think you would be overwhelmed with suitors if only you could eliminate some minor physical condition, such as freckles or a snub nose or thick ankles or straight hair, etc.

It isn't primarily your chassis and its adornments which produce popularity, or Rita would have as many romances as her younger sister.

For Rita is just as pretty: But Rita lacks something which her sister possesses.

Rita is too efficient and prim and proper. She vaguely makes men feel ill at ease around her by her "executive" personality.

Oh, she doesn't bark orders and boss them around. But she creates the aura of a school marm or efficient female who is superior to the usual male.

So men feel ill at ease around her. They are afraid she will correct their grammar or outsmart them in her logic or overbid them in her pay check.

WHAT BOYS LIKE

Boys want to feel superior! The reason they start using cigarets and drinking liquor is to try to convince bystanders that they are "big shots."

★ ★ ★

"I WANT TO FEEL IMPORTANT!" is a headline that is figuratively tattooed on every masculine chest.

Oh, it's on the chests of the

female sex, too, though probably in much smaller type!

So you girls who fail to be deluged with boy friends, need to analyze your personality. Cosmetics and a new hairdo are not enough, though they help.

A pretty face and figure may assist you in attracting attention, but it is your psychological technique which holds that attention.

So join my "Compliment Club." Don't lazily sit back and wait for Cupid to arrive. You must go find him!

Life insurance salesmen don't sit at home waiting for prospects to ring their telephone or knock on the door.

Of course not! They must dig up their prospects and go where they can meet them in person.

NEW HOBBIES

If you potential old maids would devote half as much attention to the psychological strategy for winning males that you now place on your parakeet or gold fish, house cat or geraniums, you'd soon have a wedding ring.

★ ★ ★

So extrovert your attention and learn the art of speaking first. Smile gaily and act dumb so your male escort can feel superior.

Affect a helplessness. This is easy for younger sisters, for they have usually depended on mamma or older sister to look after them all their lives, anyway.

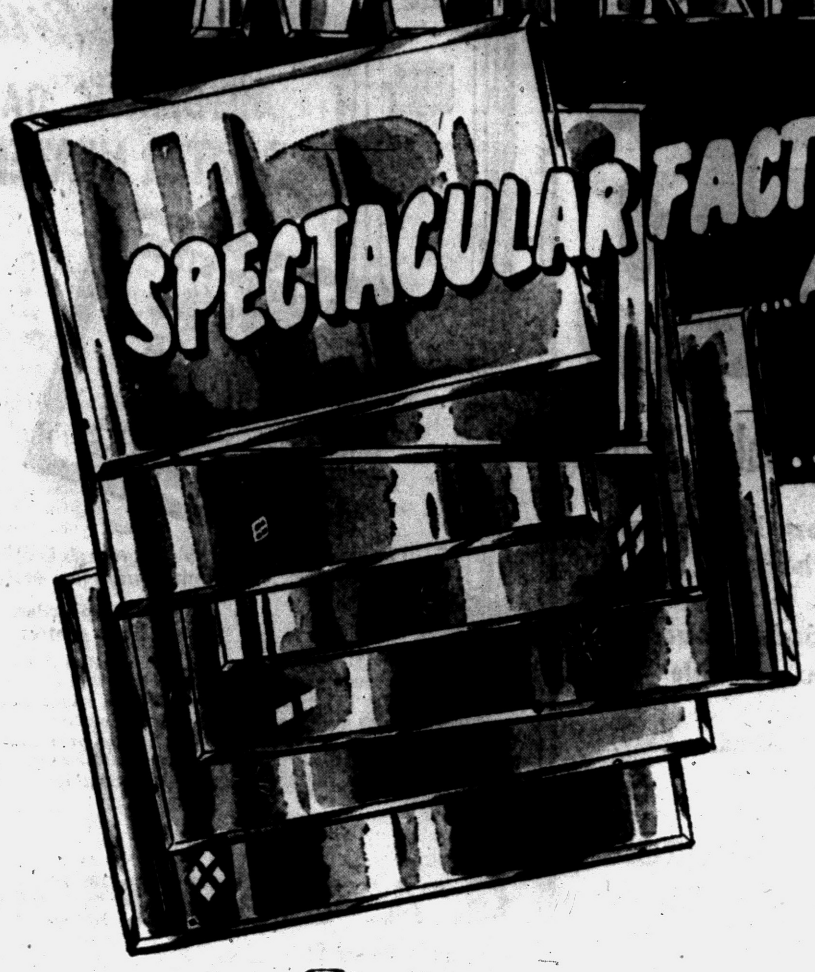

But you efficient oldest children are introverts and more independent, so here is one time to consciously cultivate helplessness.

Send for my 200-point "Tests for Sweethearts," enclosing a stamped, return envelope, plus 20 cents. It's a big help in getting wedding rings.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

Bob Considine Says:

Kids of All Ages Await 'Play Ball'

NEW YORK (INS)—"You gotta be a man to play baseball for a living," Brooklyn's Roy Campanella once said, "but you gotta have a lot of little boy in you, too."

★ ★ ★

Millions of little boys up to the age of 109 will open their 1957 baseball season Saturday night—instead of next Monday when Ike throws out the ball that starts Washington's first losing season since 1956.

The Saturday night ball will be thrown out for the second straight year by NBC's "Salute to Baseball" spectacular (9-10:30 P.M. EST). Last year's show was as good as a Yankee opening. This one should be as fine or better.

Gene Kelly, making a rare TV appearance, is host to a cast that will include Ted Williams—who'll make a statement—Mickey Mantle, Stan Musial, Don Larsen, Peewee Reese, the aforementioned Campanella, Don Newcombe and a host of others you seldom see close up.

★ ★ ★

In addition, NBC, working closely with Ford Frick's office, has put together some film that must enchant any person who ever thrilled to the old game whose roots, incidentally, go back so far that Mencken found a baseball quatrain written in 1744:

"The ball once struck off,
Away flies the boy
To the next destined post
And then home with joy."

★ ★ ★

The film shows such titans as Christy Mathewson, Walter Johnson, Hans Wagner, Ty Cobb and Tris Speaker in action...young men in their incredible prime. There is special footage on Ruth, and it comes right down to Larsen's incomparble no-hitter in the 1956 series.

REFUTES LEGEND

Friend of mine who worked on the show was telling us a story that strikes at the hardy legend that big league ballplayers are tighter than wet jeans.

When the question arose about paying the players for appearing in this tribute to baseball, this friend went to Mannie Sacks, vice president of both RCA and NBC, and asked if the company would pay off in color TV sets if the players turned same over to children's wards in hospitals. Sacks agreed, though the sets cost more than the players had bargained for.

Then my friend went to the players, an unnerving afterthought.

"I must confess that some of them raised questions," he said. "One fellow wanted to know why he couldn't give his set to an orphanage. Another felt he would rather give his to an old folks home.

"Outside of that, every ballplayer—let me repeat, every—went along with the idea of giving his set to kids. I kind of think that a big moonfaced guy who came out of a Baltimore orphanage to baseball and immortality must have nodded approval over that."

★ ★ ★

The players on the show will have to move as fast to make it as they'll move in a mid-season rundown Musial, for example, plays an exhibition game in Memphis Friday, flies in here Saturday for the show, then must be in St. Louis in time for a Sunday afternoon game.

BOOK OF MEMOIRS

Arthur William Brown, one of the most gifted men in the history of American illustrating, is writing a book of memoirs that makes fascinating reading.

★ ★ ★

It is a most uncommon look at New York in the days before World War I, at the 20's, the Hollywood that once was, and of those who helped make those ages memorable.

His account of a party at John Gilbert's estate during which Greta Garbo became fascinated with James Montgomery Flagg is as sharply drawn as one of Brownie's favorite girl models, or Flagg's "I Want You!" enlistment poster.

"Take me back and let me be your model," Garbo begged, after Flagg had made a brilliant sketch of her face in a few minutes. "I am so hungry for the world of art..." Gilbert, angered, said he was going to take her home immediately.

★ ★ ★

"I am not ready to go," the young actress said cool and slow

"Then to hell with you," he raged, and stormed out.

Soviet Children to Go Hiking With Geiger Counters

MOSCOW (AP) — The newspaper Komsomol Pravda today called for recruitment of armies of school children to scour the countryside with geiger counters in a vast search for uranium ore.

★ ★ ★

The Communist Youth League organ, casting an eye in the direction of the United States, declared that "the feverish hunt for uranium in Amrica is succeeding even though it is based on the profit motive."

★ ★ ★

Komsomol Pravda declared that as things are Soviet school children have to break their heads to find good reasons for hikes in the country.

"What better way is there for them to put their idle time to use than for the glory of their motherland?" the paper asked.

The article may be an indication that the U.S.S.R. is short of its own supplies of uranium ore. There has never been any indication of the volume of production from Soviet mines. But it is also known that the Soviet Union is vigorously exploiting uranium mines in Czechoslovakia, East Germany, Hungary and Bulgaria.

Bombay, India, has sent a 15-woman hockey team to Australia's International Hockey Festival.

Private Savings Confiscated

Canceling of Soviet Debt Shrugged Off in Russia

By THOMAS P. WHITNEY
AP Foreign News Analyst

The announcement that the Soviet government, with a snap of its fingers, is canceling over three fourths of its national debt shows what a strange thing the soviet Socialist economy really is.

Try to imagine the furor if the U.S. government were casually to reveal that within a few days time it would wipe out the value of most outstanding U. S. government bonds. Banks would close. Insurance companies would shut their doors. The entire economy would shake and the government would totter.

The Soviet press yesterday carried the news, made public by Nikita Khrushchev in a speech Monday, that the Kremlin for the next 20 or 25 years will pay no interest and repay none of the principal on 260 billion rubles worth of state bonds the Soviet citizenry bought involuntarily.

That amount—officially 65 billion dollars—represents the largest portion by far of the private savings of Soviet citizens. It was taken out of their pay envelopes over the last two decades and longer, an average of from 6 to more than 8 per cent of their wages every month.

The long postponement of bond redemptions is equivalent to their confiscation, if the Communist timetable for Russia works out. In 20 to 25 years, the Soviet Union is supposed to be enjoying a state of "communism"—as distinct from the present "socialism"—and Communist citizens won't own such private property as bonds.

Yet the move probably will cause hardly a murmur from the Soviet people.

The average Russian is probably happy—because he's been promised that beginning next year there won't be any more annual loan drives to tap his pay envelope for bonds on which he'll never collect.

Blame Explosion on Sonic Boom

Blast Breaks Windows in Utah Community; No Serious Injuries

CEDAR CITY, Utah (AP)—A sonic boom was blamed today by residents of this southwestern Utah community for an explosion which shattered an estimated 100 windows.

One man was knocked down; a woman was cut in the face when a storm door shattered; a boy was hit by flying debris. There were no serious injuries.

There was no official explanation for the blast, in late afternoon Wednesday. Most speculation was, however, that it was caused by a jet plane breaking the sound barrier. Many residents said they saw a jet plane in the area during the afternoon.

★ ★ ★

Nearest Air Force base to Cedar City is Nellis at Las Vegas, Nev., about 150 airline miles to the southwest. A spokesman at the base would not comment on the possibility that it was a Nellis plane that caused the blast but he said a team of investigators would be sent to the scene.

Ralph Thomas, utility company manager, said he saw a jet plane fly in from the southwest "at a low altitude and doing acrobatics." He said the craft climbed over the town, dived and climbed again sharply.

Home Building Rate Lowest in 9 Years

WASHINGTON (AP)—The Labor Department is expected to announce shortly a further slump in home construction—down to the lowest rate in nine years.

The rate of new housing starts reportedly slipped to about 880,000 a year in March, after seasonal adjustment.

Reports of the continued sag were heard in both government and industry circles, together with predictions that there will be intensified pressure on Congress to ease mortgage credit.

The reported rate compares with 910,000 annually in February and an actual total of 1,100,000 in 1956. The latter figure, in turn, was substantially below the 1,300,000 recorded in 1955.

District Court Clerk's Car Hits Three Parked Autos

CHARLESTON, W. Va. (AP)—A car driven by Homer Hanna, clerk of the U. S. District Court for Southern West Virginia and a prominent Democratic party figure, crashed into three parked cars in front of a church, causing more than $3,000 damage.

Hanna, who wasn't hurt, said "There is no question that I was at fault. I was driving past the church and became preoccupied listening to the music of the choir. One of the car's wheels locked and I attempted to step on the brake. I hit the accelerator instead."

Zoo Exchanges Flock of Animals for Apes

SAN FRANCISCO (AP) — Fleishhacker Zoo's directors wanted two orangutans.

For trading purposes, Director Carey Baldwin offered 3 Japanese sika deer, 4 European fallow deer, 3 Borneo muntjac deer, 4 South American llamas and 2 young tigers, all born here in captivity.

Louis Goebel, proprietor of an animal farm at Thousand Oaks, Calif., accepted—all of them.

Merry-Go-Round Stolen

LOS ANGELES (AP) — Somebody stole a 15-seat merry-go-round weighing half a ton from Bernard Pudlow's kiddie amusement park.

IF YOU'RE ONE *who goes for spirited performance,* you'll find the vivacious 1957 Buick CENTURY speaks a language all your own.

Because, this year, we wanted to bring you even finer performance. Engineered a brand-new V8 engine with the "power-pack" built right in, at no extra cost—and teamed it up with a new version of Variable Pitch Dynaflow* that's *instant* in response.

Get behind the wheel and you'll understand why we say this 1957 Buick is the dream car *to drive.*

You sit there with 300 horses at your beck and call, complete control at your finger tips, and the surety of powerful new brakes at your toe touch.

You smooth your way over hills that seem to lose their tops.

You ride relaxed and composed—in creature comfort and supreme command.

But the CENTURY—like *all* 1957 Buicks—speaks also of fresh, new styling—the look you like, the longer you look. And of new luxury—inside and out. New stretch-out roominess—new solid torque-tube steadiness of travel. New buoyancy of ride, and a glorious new ease of handling.

Come *let this magnificent new Buick* do its own talking. You'll find it sweet listening—right down to the price-talk.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

House Passes Measure 218-167

Britons Receive Tax Cut While U. S. Puts Off Debt

WASHINGTON (AP) —The British government, hoping for congressional approval of its bid to postpone payments on a big debt to this country, could hardly have picked a worse moment to announce a tax cut at home.

★ ★ ★

The ink was barely dry on newspaper stories about the 280-million-dollar British tax cut when House members began debate yesterday on a bill to allow Britain to postpone up to seven annual payments on her $4,372,000,000 loan, made in 1946.

The House finally passed the bill 218-167 and sent it to President Eisenhower—but not before plenty of talk about enriching Britain at the expense of U. S. taxpayers.

★ ★ ★

In Ottawa, the Canadian House of Commons took a similar action on repayment terms of Britain's $1,185,000,000 postwar loan from Canada.

The margin of passage was surprisingly small considering that both Speaker of the House Rayburn (Tex) and Republican Leader Martin (Mass.,) took the floor to plead for the bill. The legislation earlier had whisked through the Senate and come out of the House Foreign Affairs Committee with only two "no" votes.

Opposition came from members of both parties.

★ ★ ★

Reps. Sheehan (R-I) and Rooney (D-NY) joined in pointing to the tax cut. Rep. Gross (R-Iowa) said the British are buying swank residences for their diplomats, and that Queen Elizabeth took along a two-ton wardrobe for a four-day visit to Paris.

Supporters portrayed the measures as a good business deal for the United States, possibly saving this country up to two billion dollars, as well as a booster in Anglo-American relations.

★ ★ ★

Under the bill, Britain, which hard-pressed economically, could put off annual interest-and-principal repayments for up to seven years. These could total around a billion dollars. But Britain would still have to pay it all back, starting in the year 2001.

Kentucky Choir Slated

GRAND RAPIDS (AP)—The 50-voice a cappella boys and girls choir from Barbourville, Ky. High School performed yesterday at Shawmut Mills School prior to a Detroit appearance today.

Gas Shortage Eases, Britain Cuts Price

LONDON (AP)—Britain's major petroleum distributors reduced gasoline prices by a penny a gallon yesterday amid indications that the end of rationing may be at hand.

The reduction, reflecting an improved supply situation, was the second time prices have fallen since Tuesday. The government lifted a "Suez surtax" of a shilling a gallon two days ago.

Together, the two reductions dropped the price from 6 shillings 1½ pence to 5 shillings-½ pence (86 to 71 cents an imperial gallon —about a fifth larger than an an American gallon).

Rationing originally went into effect Dec. 17, with private motorists allocated the equivalent of 200 miles a month. The present plan calls for a 50 per cent increase to private motorists in the period beginning April 17.

Right Numbers Can Make You $300 Richer

Now that you're getting accustomed to the new Pot-O-Gold set-up, the judges are expecting you to come up with more and more winning solutions. If you pick the right numbers for this one, it will be worth $300 providing there isn't a winner for last week's puzzle. Just remember to write in the numbers, not the words, and get the answers in on time and on a postcard.

The new puzzle contains a series of squares which are alphabetically lettered and a corresponding list of sentences with two clue words. Each of the words is numbered. The object is to select the word which you think best fits the clue sentence. You then place the number of that word in the square which has the same letter as the clue sentence.

In other words, you will read the clue labeled A and decide which of the two words makes the most sense in the sentence. You then write the number of that word in the puzzle square marked A.

Do the same with all other squares. Read all the clues carefully and be sure the right numbers are in the right squares.

OFFICIAL CONTEST RULES

1. Anyone is elegible to enter the POT-O-GOLD contest with the exception of Pontiac Press employes or their immediate families.

2. A contestant may submit as many entries as he or she wishes but they must be on official entry blanks printed in this newspaper.

3. To submit an entry the contestant must print his answers in the proper spaces, cut out the area enclosed by dotted lines and attach it securely to a 2-cent postcard. No entries will be accepted if they are in envelopes. Entries for Puzzle No. 45 must bear a Tuesday, April 16 postmark (or before). No entries received after that time whether mailed or delivered by hand, will be declared eligible. The Press is not responsible for entries lost or delayed in the mail.

4. Sorry, telephone calls or mail concerning details of the contest cannot be answered or acknowledged.

5. The Pontiac Press will award a cash prize of $100 a week to the winner of each weekly POT-O-GOLD contest. If more than one winning answer is received the prize will be divided equally among the winners. If any week or weeks should pass without any winners, the prize will be added weekly until a winning solution is submitted.

6. Winners will be awarded an extra cash bonus of $25 each if they are Pontiac Press subscribers of record on the day winners are announced. Only one such bonus can be awarded to each prize-winner no matter how many weekly prizes may accumulate.

7. Each week's puzzle will be published Monday Wednesday and Friday until the contest's end. Either or all will be considered as official entry blanks.

8. Winners and correct solutions will be announced each Friday of the week following individual contests. Official keeper of answers will be Frederick C. Ziem, prosecutor for Oakland County. Only the General Features Corp., originators of the puzzles, will know the solutions until after each contest is over. Answers will be delivered to the Press judges by Mr. Ziem after the final deadline.

9. There is only one correct solution to the POT-O-GOLD puzzle, and only that correct answer can win. The decision of the judges is final and all contestants agree to abide by the judges' decision. All entries becoming the property of The Pontiac Press and none can be returned.

10. Completed puzzles must be addressed to POT-O-GOLD, POST OFFICE BOX 58, Pontiac, Michigan. Winners will be notified either by telephone or in the mails.

Hal Boyle Says:

Astaire Prefers to Talk With Feet

NEW YORK (AP)—After 52 years in show business, Fred Astaire would still rather talk with his feet than his face.

* * *

One of the most conscious artists of his generation when it comes to his trade, which is dancing, Fred is merely self-conscious when it comes to conversation about himself.

Ask him a question, and immediately his foot begins to swing nervously, as though his sophisticated toes wanted to tap the answer in a Morse code of their own. The man distrusts speech because, unlike a dance step, he can't rehearse and polish it to the perfection he aspires to.

Astaire, who recently completed his 30th film, "Funny Face," in which he costars with Audrey Hepburn, will be 58 next month.

* * *

Here he is — unrehearsed:

"I have been called the greatest dancer in the world. That is unbelievably complimentary — and undeniably erroneous. It rocks me when someone says it.

"What I have done is stand the test of time in my field — musical comedy and movie dancing.

"People today are so age-conscious. It burns me up sometimes. I don't think of myself as being any older than I started in this business.

"I don't do anything particular to keep in shape. I don't have to. I play a little golf, and I keep a small racing breeding farm—three mares and four fillies.

* * *

"My stable has paid well over the years. I won a quarter of a million dollars with one horse — Triplicate.

"Can a professional dancer do well at ballroom dancing? Naturally he can—but he rarely finds the time. The cha cha is a great favorite step now, but over the years my own favorite has been the fox trot. It's very comfortable.

"In films I've had a dozen great actresses as dance partners —ranging from Ginger Rogers and Joan Crawford to Miss Hepburn. No, I won't say which was the best — or the worst. Would you?

"Men dancers last longer at the business than women generally. There are two reasons. They have more physical strength — and the girls get bored with professional dancing in time. It's too hard a life."

* * *

He goes on:

"Today show business is really frantic and more competitive than ever. Everybody's in show business.

"Television is all right for the youngsters, but I see no reason to hurry into it. I've reached the point where I don't have to grab all the money in sight.

"The amount of entertainment talent in America now is fabulous. But I think some performers are becoming stars too quickly.

"I got a letter from a performer recently who said he had been dancing for a year and a half and was discouraged because he still wasn't a star.

"I believe a slow and gradual rise will often win a more lasting recognition.

* * *

"My sister, Adele, and I were treated at the start as child prodigies, but then we both went into an awkward age when people wouldn't even point at us — let alone applaud us.

"It took us many years of hard work and great discouragement before we were recognized again.

"Success usually doesn't come easy, and I doubt if it often is a matter of merely getting a lucky break. Talent won't stay unrecognized forever if it will keep plugging away. But you do have to go through the hard things.

"Later, when you look back, even the hardships have a warmth, a real warmth. The years I danced with my sister in vaudeville and on the Broadway stage were happy years, the happiest of my life until I married in 1933.

* * *

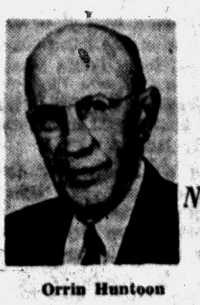

"Since my wife died two years ago I find again that work is my only real happiness. I try to think that the good old days are today and tomorrow—not all the yesterdays.

"I don't say you have to enjoy your work to win success, but I don't see how you can feel successful in life unless you are doing something you enjoy."

How Very Fortunate for Marriage!

Gals Seldom Wed Men They Dote On

By PHYLLIS BATTELLE

NEW YORK (INS)—Any woman who is still looking for her right combination of prince (in manners and finances) and poet (in everything else) will surely be interested in an article in Harper's Bazaar titled "Men Women Dote On—And Why."

However, although the magazine has described a total of 19 types, beginning with "the father figure" exemplified by a lady's psychiatrist and ending with "the mass phenomenon" type which is Elvis Presley, what else? I think there's something lacking.

In all its analysis of dote-worthy manhood, the editors don't get right down to the basic lover most women at one stupid time or another crave — "the rat."

They list "the rolling stone" type of man, to be sure, and he comes close. They also point out that many women go for "the injustice-collector" who demands constant sympathy.

★ ★ ★

But never, perhaps because a lady editor has known one too many of the breed, do they point out that the no-good, fickle, unstable, usually insolvent and eternally elusive fellow is the one who gets all the attention.

One reason is that women without husbands or dogs are interested in something to take care of.

PERSONAL APPEAL

Another reason is that men who are not saddled, either with a steady girl or with ambition, have plenty of time to cultivate their personal appeal. With the proper encouragement, emotional and financial, they are — well — more fascinating than Presley, for sure.

★ ★ ★

Another male type that intrigues a great many women, although not as many as the "rat" for obvious reasons, is "the shy one."

The shy man appeals to women for the afore-stated emotions of maternal need, but he has an even higher pitch. He makes girl feel like a combination Florence Nightingale and Queen of the May.

In her heart there's the tender comfort of knowing she's "bringing him out of himself," and in her mind there's the secure knowledge that she is strong, forceful, confident.

★ ★ ★

In accompanying a shy one, a woman becomes master of both their houses—the bold leading the blind. She develops, by shrewd comparison with her mate, a self-assurance and charm she never had.

It figures a girl would dote on a shy one.

Included in Harper's list of men to have and to hug are "the boy lover," "the graying dream man," "the great adventurer," "the international playboy" and "the beautiful primitive."

★ ★ ★

They insist that women also dote on "the literary lion" type, "the bullfighter," the "matinee idol" and even (take it away, boss) "the great newsman."

This undoubtedly is all very true. They dote on them probably. But not many women can, or will, marry these glamorous species, as they are pretty well taken—the literary lion by his typewriter, the international playboy by millionairesses, the primitive by Tahitian hussies, and so on.

It can logically be assumed, therefore, that only a small percentage of women are finally wed to the men all women dote on. How very fortunate!

★ ★ ★

For to dote is to be dotty. To be dotty is to be unsteady of gait.

And the marriage business is shaky enough without having a lot of tipsy women living with bullfighters.

Beaten, Slugged, Shot — Never Stopped

Reuther Sees Many Firsts

By INTERNATIONAL NEWS

Red-headed Walter P. Reuther has been brutally beaten, fired out of hand, slugged and nearly killed by a shotgun blast, but he has never really been stopped.

Wednesday he was elected unanimously to his seventh term as president of the United Auto Workers Union.

Only 49 years old, Reuther has been a major figure in the labor movement for 20 years. His career has included a number of union firsts.

When a vice president of the UAW, he led the fight that gained the first escalator clause contract, which ties wages to the cost of living plus an annual improvement factor.

In 1955, he gained another first when as president of the giant union he led the battle for a so-called guaranteed annual wage.

BEGAN AT 15

Reuther was born and brought up in the labor movement. His father, Valentine, was a power in the local organization in Wheeling, W. Va., and Reuther quit school at 15 to become an apprentice tool and die maker. He was soon fired for organizing workers.

He went to Detroit to work, completed high school and three years at Wayne University at night and again was fired for union organizing. He and his brother, Victor, then toured Europe and studied continental labor movements by working their way in factories.

Reuther returned to Detroit and at 28 organized nearly 30,000 UAW members in one year. He was elected to the UAW executive board.

He was beaten severely in the "battle of the overpass" at the Ford Rouge Plant in 1937, slugged in his home in 1938 by thugs and in 1946 became UAW president. Two years later a shot-gun blast through his kitchen window nearly tore his right arm off. The assailant never was found.

Reuther recuperated, but his arm always has been crippled.

★ ★ ★

Reuther made a successful tour of India just last year, preaching western-style unionism in contrast to Communism. He has spoken out forcefully recently against dishonest labor leaders.

Now, he plans to battle for another union first. He disclosed last Saturday that in next year's negotiations the union will demand a four-day week.

Internal Revenue Head Has Trouble Tipping

DENVER (AP) — Several weeks ago the Internal Revenue Service here was reported to be investigating the income received by restaurant waiters in tips.

George H. Allan, director of the Colorado office of the IRS, said that when he was lunching at a downtown restaurant yesterday, his waitress said to him: "I just found out you are the Internal Revenue Service director." She then handed him a slip of paper.

Allan unfolded it and read: "Don't you dare tip me. I'll have to give it back."

Death Penalty Near Extinction

U.S. Executions Drop as Worldwide Trend Favors Abolition

CHICAGO (AP)—The death penalty is headed in the direction of extinction.

It is being used less and less in the United States.

A worldwide trend has developed for its abolition.

A survey of current studies shows:

The number of persons in the United States condemned to death has dropped from 199 in 1935 to 76 in 1955.

The FBI's Uniform Crime Reports show that the decline in murders during the same period has been relatively small — from 7.1 per 100,000 population in 1933 to between 4.9 urban and 5 rural in 1955.

★ ★ ★

Six states — Michigan, Rhode Island, Wisconsin, Maine, Minnesota and North Dakota — and 38 foreign countries have abolished the death penalty. The foreign countries include all the Western democracies except Britain and France. Capital punishment also has been abolished in the Soviet Union, except for political crimes.

Several states in this country have restored capital punishment after abolishing it temporarily.

The death penalty provision for murder and other major crimes is designed to punish the guilty and deter others from committing such crimes.

Does it accomplish its objective?

Proponents of capital punishment say it does while opponents claim just as stoutly that it does not.

★ ★ ★

One of the most searching studies was made by the British Royal Commission on Capital Punishment. The group made a statistical study of the deterrent theory in the United States and foreign and commonwealth countries from 1949-53. The commission made this finding:

"The general conclusion we have reached is that there is no clear-cut evidence in any of the figures we have examined that the abolition of capital punishment has led to an increase in the homicide rate, or that reintroduction has led to a fall."

CONSCIENCE STRICKEN — Dan Lancaster, portraying "Inner Willy," in the Milford High School's Senior class play, is trying to convince Willie (Del Munson) to let his conscience be his guide. Mary Belle (Linda Duff), the ugly duckling from next door, sits and pouts during the procedure. The three-act play, "Inner Willy," will be presented tonight and tomorrow night beginning at 8 p. m. in the high school auditorium.

Blast to Remove Boats Sunk in Belle River

MARINE CITY (AP) — The Army Corps of Engineers has begun setting off small dynamite blasts to remove two boats which sank in the Belle River some 40 years ago.

The boats are said to be a 370-foot steamboat and a 225-foot steam barge. They are lying half a mile from where the Belle River flows into the St. Clair River in the heart of Marine City.

The steamboat, its top structure five feet underwater and the hull buried seven feet in mud, will be removed first.

Seek Cause of Death of Actor's Daughter

LOS ANGELES (AP)—Microscopic examinations have been ordered by the coroner's office to determine why the 20-year-old daughter of swimmer-actor Buster Crabbe died in her sleep yesterday.

★ ★ ★

An autopsy failed to fix the cause of death. A coroner's physician said the attractive coed, Caren Lynn (Sande) Crabbe, weighed only 60 pounds.

Miss Crabbe was a student last semester at the University of Southern California. She lived with her grandparents, Mr. and Mrs. Tom Held, where death occurred.

★ ★ ★

Dr. Carl D. Strouse, the girl's physician, said he declined to sign a death certificate because he was not present at the time of her death. He added, however, that she had been suffering from anorexia nervosa, an ailment characterized by an inability to eat.

"It's tied in with an emotional disturbance," said Strouse.

House Slashes Funds Sought

Hits State Department, USIA With Charges of Fiscal Irresponsibility

WASHINGTON (AP)—The House Appropriations Committee today slashed 23 per cent from new funds requested by the State Department and the United States Information Agency. It criticized them both for what it called "amazing and unprecedented" personnel practices.

★ ★ ★

It refused to approve any money for 2,123 new positions the two agencies requested and for continuance of 950 jobs established during the present fiscal year without prior consideration or appropriations by Congress.

In a sharply worded report written by Rep. Rooney (D-NY), the committee decried "fiscal irresponsibility on the part of the State Department" and "irresponsible handling of the taxpayers' money" in connection with foreign programs financed with funds appropriated to the President.

★ ★ ★

The report accompanied a bill recommending these appropriations for the fiscal year starting July 1:

State Department, $180,382,743, a cut of $47,331,809, or almost 21 per cent, from presidential requests and $41,317,329 less than was provided this year.

U. S. Information Agency, $106,100,000, a 26 per cent cut amounting to $37,900,000 and $6,900,00 less than was provided this year. The committee stipulated that Voice of America overseas broadcasts are not to be cut and cautioned against "propagandizing the American public."

★ ★ ★

The committee turned down by lopsided voice vote a move to give the USIA an extra 10 million. The motion to provide the additional funds was made by Rep. Coudert (R-NY).

Rep. Rooney (D-NY), chairman of the subcommittee that drafted the bill, read to the committee a letter from President Eisenhower requesting that appropriations for the USIA not be reduced but the committee still turned the proposal down.

★ ★ ★

Funds appropriated to the President for international cultural and trade fair programs, $10,900,000, a cut of $7,600,000 or 41 per cent, from requests and 7½ millions less than current year appropriations.

Justice Department, $227,855,000 a 3 per cent cut amounting to $6,800,000 but an increase of $11,811,350 over current year money. The FBI was allotted every dollar it requested, including a $5,940,000 boost over this year's funds.

Event for Teens to Build Club

Set Dance for Avon

AUBURN HEIGHTS—"The kids loved the 'Young at Heart' dance given here March 30 so much that we're going to give 'em another one on April 20," W. B. Neal, publicity director for the Auburn Heights Boys Club said today.

Neal added that if the second event is as successful as expected, the dance will be made a weekly event here.

Proceeds from the dance will go toward the $150,000 fund drive for the Boys' Club building.

The dance will be held at the American Legion Hall on Churchill road this time and "The Heartbeats," rock 'n' roll orchestra will play. Entertainers will be the "Playboys," who appeared at the first dance.

★ ★ ★

Area burinessmen are pledging certain amounts for tickets for the event, which will be given away to school students.

Tickets also may be procured at the hall when doors open at 7:30 p.m. a week from Saturday.

Revenue Office Helps Taxpayers Prepare Forms

It will be "Operation Income Tax" this weekend for thousands of taxpayers who have put off the inevitable task until the last minute.

For this reason, the Pontiac office of the Internal Revenue Service, 53½ W. Huron St., will open tomorrow from 8 a.m. until 2 to assist taxpayers still struggling with filing their returns.

Charles E. Coddington, supervisor of the office, warned persons that four office workers will assist only, and not make out returns.

The deadline for individual tax returns for 1956 is midnight Monday.

On that day the office will be open from 8 until 4:30 p.m. Telephone service is available also by calling FEderal 2-0208.

Facility Would Serve Troy, Avon, Rochester and Oakland Township

By MYRENE TAYLOR
Rochester Correspondent

ROCHESTER — The Rochester area Chamber of Commerce has become aware of the need for the establishment of an area hospital suitable in size to attract high caliber medical personnel and to render the finest possible treatment.

★ ★ ★

Their plans were made known Wednesday following a meeting of the local medical profession and Oakland County Medical Assn., together with other civic leaders to form a steering committee to work toward a hospital organization.

At this meeting a steering committee was named with Hilburn Carpenter as chairman; Mrs. Marie Sorenson, secretary; Mrs. Helen Allen, treasurer; Edward A. Potere, legal chairman; Earl Dean, assistant chairman; Dr. Eve Schiecte, medical advisor; Tilson Peabody, publicity chairman, and members, Dr. Sarah Van Hoosen Jones, Sydney Q. Ennis, Robert Warren, Mrs. George Gobel, Alice Serrell and Dr. Oscar Sorenson.

Members of the medical profession who were present agreed to cooperate with the committee in every way in order to further and eventually reach the objective.

Chairman Hilburn Carpenter has asked the steering committee to meet again Tuesday at 8 p.m., when further plans will be discussed.

★ ★ ★

An area hospital would serve Rochester, Avon Township, parts of Troy and Oakland Townships. Exact size, cost, location and method of financing will be determined by the committee.

Driver, 13, Steals Car, Rams Tree, Kills Pal

ALMONT (AP) — One 13-year-old Midland youth was killed and another critically injured early today when a car rammed into a tree during a high-speed pursuit.

Lapeer County Deputy Sheriff Ronald Baker, who was chasing the youths, said the car had been reported stolen at Bay City.

Dead was Alfred Shannon. David Vincent, also 13, of Rt. 1, Midland, was taken to Hurley Hospital in Flint with critical injuries.

Baker said Vincent was driving the car when it crashed into a tree on Main street here.

Postpone Rippe Trial

DETROIT (AP) — Trial of Harold Rippe, former Taylor Township supervisor, on charges of extortion and bribery was postponed yesterday until June 17.

Earth Satellite Test Satisfies Navy Lab Chief

WHITE SANDS PROVING GROUND, N. M. (AP)—The chief of the Naval Research Laboratory here says he is extremely pleased with the way "satellite" instruments performed on a rocket shoot yesterday.

A container about the size of a gallon can was sent 126 miles aloft in an Aerobee Hi rocket. In the aluminum can were instruments like those to be used in the coming earth satellite project.

★ ★ ★

John W. Townsend Jr., chief naval laboratory scientist, said he was well pleased with the results. Another laboratory spokesman said, "The initial indications are that the data is complete and quite valid."

He said the information was sent back to earth "on two distinct channels," one for instruments in the rocket, and the other for the satellite instruments.

The wreckage of the rocket hasn't been found. The Navy spokesman explained the missiles frequently disintegrate when they re-enter more dense atmosphere.

Court Hassle Rests 3 Weeks

4 Heirs to Most Farm Contest Property Sale for Shopping Center

Principals in a courtroom hassle over the Troy site of a proposed $5 million shopping center-residential community had three weeks to take a deep breath today.

The four heirs to the 70-acre Louise Most farm at Livernois and Maple roads are tentatively scheduled to return to Circuit Court May 2 as defendants in two suits for the contested property.

One Detroit company, Kaufman and Wolf Associates, a building and developing firm, claims the land was sold to them April 2, 1956 for $318,500.

One of the heirs, retired farmer John Most, maintains he didn't understand the nature of the agreement when he signed it.

A near settlement, reported last week, blew up after three days of trial before Judge Frank L. Doty.

Two other heirs are Most's sister and brother, Nelson and Cora, and a niece, Irene Fisher, of 1222 Irving, Royal Oak.

They face another action by a second Detroit firm, Tracy Land Co., which claims to hold a previous option in December, 1955, for $210,000. The court has scheduled this case to follow trying of the Kaufman and Wolfe dispute.

The farmland, now in the midst of a developing subdivision, has been in the Most family since 1885. Mrs. Louise Most, the defendants' mother, died in 1932, but her will was never completely probated.

Detroit Murders Rise

DETROIT (INS) — Inspector Thomas R. Cochill of the Detroit Police Homicide Bureau reported today there were nearly 40 per cent more murders in the city in the first quarter of 1957 than in the corresponding period last year.

Doctors Suggest Coronary Disease Follows

Probe High-Fat Ulcer Diet

BOSTON (AP) — A Cleveland doctor today urged "soul-searching investigation" by doctors into the "possibility" that high-fat diets usually prescribed for ulcer patients might contribute towards development of heart attacks.

Dr. Harvey J. Dworken of Western Reserve University said he had found that of 24 deaths among 135 ulcer patients "followed" for four years after a special ulcer research study, 11 came from heart attacks — a rate "higher than you'd expect."

Another speaker of the 38th annual meeting of the American College of Physicians, Dr. Ancel Keys of the University of Minnesota, said he had found new evidence consistent with, though not established proof of, an "hypothesis" that "dietary fat is a major factor in the development of coronary heart disease."

Saying that the incidence of heart disease is low in Japan where the diet is low in fat, Keys declared the study showed that when Japanese become Americanized in California, they show "conformity with our American pattern of excessive coronary disease."

Dr. Dworken said some ulcer patients drink three or four quarts of milk a day and eat two to four eggs. He said possibly doctors ought "to be thinking more of lower fat . . . possibly utilizing skim milk and avoiding eggs."

All Saints to Present Guest Artists Tonight

The final programs in a series being given this season at All Saints Episcopal Church will be presented this evening and Sunday evening under the direction of Phillip Steinhaus, organist and choirmaster of the church.

This evening's program will consist of sacred motets and solo chamber music, in addition to Bach's Cantata 106, "God's Time Is Best."

Soloists for this program will be Rebecca Gould, contralto; Mary Lewis, soprano; Donald Nelson, tenor, and Horace Rockwood, bass. Mr. Steinhaus will play "Three Sonatas for Klavier and Strings" by Mozart.

★ ★ ★

The Passion of Our Lord according to the Evangelist John, set to music by Johann Sebastian Bach, will be sung by the Schola Cantorum on Sunday evening.

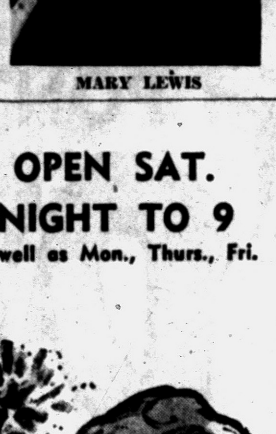

Guest soloists for the program will include Andrew Broekema, baritone, playing the roles of Peter and Pilate; Donald Nelson, tenor, as the Evangelist, and Miss Lewis, Mrs. Gould and Mr. Orr, who will sing the bass.

★ ★ ★

Choir soloists taking part in the narrative will be William Bower, Fern Erickson and Horace Rockwood.

Guest instrumentalists for the programs are Robert Jochman and Philip Mason, violins; Robert Peterson, viola; Flora Wager and Mary Lee Eliason, cellos; Howard Engard, double bass; Arthur Welton and Delores DePaw, flutes; Ronald Odemark and Janet Schich, oboes, and Harry Tibbs, organ.

There will be no evening song service in connection with the program. Both programs begin at 8 o'clock and an invitation is extended to the public to attend.

Exchange Ladies' Night Features Talk by Rabbi

Rabbi Eric Friedland of Chicago, was guest speaker Thursday when members of Pontiac Exchange Club entertained their wives at dinner at Rotunda Inn. The affair, arranged by Carl Donelson was the annual Ladies' Night held by the club.

Speaking of "The Failure of Immortality," Rabbi Friedland said that "America is failing to rise to its fullest potentialities in domestic and international affairs."

He cited as four areas of necessary activity for each citizen: involvement and commitment.

Rabbi Friedland called for each individual to start with himself and to move from indolence and indifference to active participation in public works.

Using the analogy of modern Israel, the speaker declared that it is a modern example of America in 1776.

Concluding, Rabbi Friedland said, "America should help extend the democratic idea by aiding experiments of this kind throughout the world. This is our most effective answer to communism."

DAV Auxiliary Holds Meeting at Legion Home

Disabled American Veterans Auxiliary, Unit 16, was host to Florence Nottke, commander of the DAV Auxiliary for the state of Michigan, Wednesday evening at the American Legion Home.

Also present were Mary Bruno of Detroit, past department commander, and Mary Taylor, past department commander of Pontiac.

Miss Nottke spoke of the pending federal and state legislation that will effect all disabled veterans and their dependents. She also presented a report on statewide hospital services to veterans.

Plans were made to send delegates to the DAV convention to be held at Traverse City June 14-16. An initiation was conducted following the meeting.

Unless your hair is thin, you should have it thinned out fairly often. Thick hair has a tendency to pull out waves so that your setting will not last.

Best scarf idea to come out of Paris in a long time is that of little ribbon ties that keep a scarf from popping up out of a neckline.

Exercise Can Build Up Chest Muscles

Woman Hopes to Restore Figure

By JOSEPHINE LOWMAN
Friday Question Box

Q. "After the birth of my three children my bust increased to an abnormally large size. The muscles gave way so that now I have an embarrassingly large bust that has no shape to speak of and which hangs flat against my chest.

"I am in my early 30s. Is there any exercise which could possibly help me? Is there anything I can do to decrease the size and give my breasts some shape again?"

A. I do not know how much improvement you can make in a condition as extreme as the one you describe, but I think you can make some improvement. If you are overweight, a loss will decrease the size of the bust. This is the only way I know to do so.

Exercise can build up the chest muscles and therefore give the bust more shape. Do not be impatient. It will take months to build up the pectoral muscles.

Today you have a great variety of brassiers and falsies to choose from. You can even purchase swim suits with built-in falsies. Outside of plastic surgery these measures are the best I can suggest.

★ ★ ★

Q. "I am 5 feet 8 inches tall and weigh 147 pounds. I am 14 years old. Will you please help me?"

A. You are at least 10 pounds overweight. You need a well-balanced and full diet because you are at the rapidly developing stage.

Eat three regular meals a day with all of the items you need—milk, bread and cereal, citrus fruit juice and fresh fruit, lean meats and fish and bowl, eggs, fresh vegetables, especially the green and yellow ones, and a certain amount of fat and starch and sugar.

BUT leave off in-between-meal snacks, unless you make it fresh fruit, and forget candy and rich desserts and soda fountain mixtures until you lose those extra pounds.

★ ★ ★

Q. "I am 15 years old, 5 feet 10½ inches tall and weigh 146 pounds. My bust measures 36, waist 28 and hips 37 inches. How many pounds am I overweight and what exercises do I need for a better figure?"

A. You probably should lose about 5 pounds unless you have a heavy frame. If you have a heavy frame, you are not overweight at all. Take waist-slimming exercises for a loss of an inch or two there.

★ ★ ★

Q. "This may seem funny to you but it is very embarrassing to me. The bones in my arms and my knees sometimes crack or pop. I don't think it is from nervousness. I am a young woman."

A. Try a regular routine of exercise. When I taught figure-molding classes knees popped all over the place when we did deep knee bends. After a few weeks there was none of this at all.

★ ★ ★

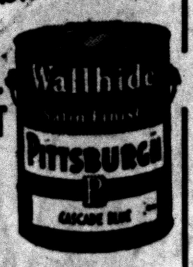

Tomorrow: "Here's Help if You Have Deepening Lines on Neck."

A careful study of the super-candid shots taken by your friends can yield tips on matters of posture, dress and makeup which might well be corrected.

Here is a good exercise for the waist: Bend over trying to touch the left for with the hands. Raise the trunk, stretching the arms toward the ceiling. Repeat. Then place the right foot in front of the left and do the same.

It's All Right to Change Your Mind

By MURIEL LAWRENCE

Rain had confined Steve and his younger brother to the house all morning.

★ ★ ★

Finally when the sun came out to make diamonds of still dripping raindrops, they were sure it meant permission to go out. But they we mistaken. Their mother said no.

Busy preparing their baby sister's formula, she said, "It's still too wet to go out. And I don't have time to start wrestling on your rubbers for you. You can go over Sonny's tomorrow."

Disconsolately, Steve was about to leave the kitchen when he suddenly asked, "If Buddy and I put on our shoes with the rubber soles, can we go over to Sonny's house?"

★ ★ ★

After a moment's thought, his mother allowed him to change her decision and said, "All right."

NO RESPECT LOST

This inconsistency of hers lost her not an atom of her boys' respect.

This was because her change of decision reflected a real change of opinion.

It is only when we let children change our decisions without first experiencing a change of thought within ourselves that we can be called "inconsistent" — and may lose their respect as unreliable.

For example, Tommy will feel contempt for us if we give him candy we don't really think he should have. He knows that though we hand him his lollipop we have not altered our opinion that it will spoil his lunch.

So he's aware that we've given it to him, not because we think it's good for him, but because we think it's good for us to be relieved of his bothersome teasing.

Losing his trust in our ability to protect him, he feels, "This creature doen't know what she thinks! All you have to do to make her change a decision is to insist on what you think. What a fool I'd be to listen to anything she says!"

DON'T BE AFRAID

Parent educators often condemn "inconsistency" as a chief cause of rebelliousness in children. We mustn't let them make us afraid of altering a no to yes whenever it seems reasonable to us to do so.

★ ★ ★

If we are growing people, we are continuously acquiring material for new opinion. The only "inconsistency" that damages children is pretending this isn't so—speaking the yes that we do not truly mean.

Fellowship Holds Clothing Ingathering

An ingathering of clothing for patients at Pontiac State Hospital was held at the Tuesday evening meeting of the Christian Women's Fellowship of First Christian Church.

The group also voted a monetary gift to be used for the education of missionary workers from foreign countries here in the United States.

Sharon Janter Marries in Mississippi

Mr. and Mrs. D. Charles Janter of Ogemaw road have returned to their home from Baxterville, Miss., where they attended the wedding of their daughter, Sharon Kay, and Otha D. Craven. He is the son of Mr. and Mrs. H. M. Craven of Baxterville.

★ ★ ★

The Rev. Robert Nelson performed the ceremony April 4 at Clear Creek Baptist Church in the presence of the immediate families.

★ ★ ★

Mrs. Alonze Rayborn, sister of the bridegroom, was Sharon's attendant. Otha asked his brother, Paul Craven, to serve as best man.

Following the ceremony, the newlyweds left for a short honeymoon trip to Biloxi, Miss. The new Mrs. Craven will make her home with her parents while her husband is serving with the U. S. Air Force.

★ ★ ★

The bridegroom is a graduate of Mississippi State College and Sharon attended Eastern Michigan College.

Crisscross Bologna, Then Broil

Mrs. Rogers Adds Barbecue Sauce to Scored Meat

By JANET ODELL
Pontiac Press Home Editor

How children can eat hot dogs and bologna day after day is something no mother will ever understand. But they will. Wise mothers just give in and look for new ways of serving the meat. Mrs. Bob Rogers of Lorraine Manor says Gingham Bologna is a favorite with her youngsters.

Three boys and one girl comprise the Rogers family. Naturally, Mrs. Rogers is active in PTA and a child study club.

Gardening is her hobby. She is president of the Farm and Garden Club in her subdivision.

GINGHAM BOLOGNA
By Mrs. Bob Rogers

1 slice large bologna, ¾ inch thick
2 tablespoons chili sauce or catsup
1 tablespoon brown sugar
1 tablespoon vinegar

Remove rind from bologna. Score surface of one side in criss-cross pattern, halfway through the slice.

Broil the unscored side for seven minutes. Turn and spread the scored side with mixed barbeque ingredients. Broil approximately 8 more minutes.

BPW Club Plans Party May First

Fashion Showing Will Be Presented in Civic Room

At the Tuesday evening dinner meeting of Pontiac Business and Professional Women's Club held in Hotel Waldron, Mrs. Janet Dow announced plans for a fashion show and bridge party.

★ ★ ★

Mrs. Dow is serving as general chairman of the affair assisted by Mrs. Eva Dyer, Harriet Gates, Josephine Seeley and Mrs. Margaret Long.

"Fashions for My Fair Lady" will be presented by De'Cor Shop at the May 1 event to be held in the Civic Room of Pontiac Federal Savings and Loan Building.

Serving on the social committee are Mrs. D. R. Wilson, Vera Bassett, Mrs. Fritzi Stoddard, Mrs. Charles Barrett, Mrs. George Pudduck and Mrs. Henry Beehler.

Mrs. R. Sanford Craft, Nora Day and Rebecca Gould are handling tickets.

Mrs. Edward Eickmeier, Mrs. Richard C. McBride and Mrs. Evelyn Rivard are planning decorations, while table favors are being handled by Mary Eleanor Lockman, Roberta Tobin and Mrs. William O. Coxen. Music for the show will be arranged by Helen Mercer.

Mrs. Hazel MacGirr was appointed to represent Pontiac Business and Professional Women's Club on the centennial committee of the city of Pontiac.

Members of District One, which includes the Pontiac club, will hold their spring meeting April 18 at Forest Lake Country Club.

★ ★ ★

Hostesses for the meeting were Miss Mercer, Mrs. Kenneth Cavender and Mrs. Dyer.

If you look "just awful" in the snapshots friends took during the holiday season, the amateur cameraman isn't necessarily to blame.

Compare Your Answers to These

Here are the correct answers and explanations to Pot-O-Gold Puzzle No. 44 which appeared in last week's Pontiac Press.

A. (2) **COLLAR.** The well-dressed man has very strong preferences as to the type of COLLAR which looks best on him (rounded, buttoned-down, pointed, etc.). Since, except for sports shirts, men's shirts are generally of a subdued color, almost anyone can wear them.

B. (3) **PAIRS.** In a poker game, for example, when a player is trying to improve his hand and draw better cards, it is usually considered more sensible to hold on to any PAIR of cards—two sixes or whatever—than to split them and have not even a PAIR to draw to. Though many people can't be bothered splitting hairs—arguing points of no importance—there's nothing foolish about it, for those who just like to argue.

C. (5) **ROAMING.** Roving includes moving about in a conveyance, as well as walking. A small boy is more likely just to be wandering around on foot, roaming.

D. (8) **LIKELIHOOD.** The probability of an engineering career would be appropriate for a brilliant mathematics student. At the college level, his thoughts would be more on what he planned to specialize in, than on his livelihood, or means of support as a result of his occupation.

E. (9) **PERIL.** When a convict turns state's evidence, he is always in danger from the gang or persons he has betrayed. He would be in PERIL of a revenge slaying whether he was on Parole or still in prison, and would need police protection.

F. (12) **SMILES.** "A pretty girl's SMILES" suggests a great deal of charm, which would naturally give her a wide choice of husbands — including, perhaps, a rich one. Wiles suggests slyness, and tricky scheming, usually unnecessary for a pretty and charming girl.

G. (14) **RISK.** Great success comes more often to the man with big ideas and the shrewd judgment to know when it is wise to take a RISK. A steady rise through the years often leads to success, but usually of the less spectacular, rather than the Great Success type.

H. (15) **STRANGER.** If a belligerent youth picks a fight with a STRANGER, he may well wind up in police court. Picking a fight with someone who is stronger is a mistake too, but the man who is STRONGER is quite likely to brush him off and refuse to fight, as good sportsmanship calls for.

I. (17) **ANGLES.** It is rather important for a stage producer to know all the ANGLES, every aspect or phase of the business of putting on plays. If he selects good plays, he can always get financial backing; it is not necessary that he personally know all the angels — in Broadway terms, those who put up money to produce plays.

J. (20) **FACES.** A trained detective has been taught to memorize FACES; it is most important that he be able to recognize a wanted man whom he sees casually in a crowd. Though he may remember highlights of some past cases, it is of minor importance, since he can always refer to police records to refresh his memory.

K. (21) **FACILITY.** Though the ability to teach certainly qualifies a professor, FACILITY suggests a special ease and dexterity that would make for a superior teacher, and insure advancement.

L. (24) **PLACE.** It's more than space that the harassed father needs to work in, undisturbed by the children. He really needs a PLACE or spot of his own, where the children can't get at him until he finishes his work.

M. (25) **SUSPICIOUS.** "May well have got his start" suggests that most millionaires did not get started through SUSPICIOUS beginnings, but some of them did—in bootlegging, fraudulent schemes, etc. The majority of them got started towards wealth through a combination of brains and extra energy, plus lucky breaks — auspicious circumstances.

N. (27) **TOUGH.** In a disreputable neighborhood after dark, a TOUGH is likely to jostle you deliberately, or make a grab for your money. So it is well to cross the street to avoid meeting him. A touch is usually from a whining type, begging for a handout; though it may be embarrassing to say no, it is hardly necessary to cross the street to avoid the man.

O. (30) **RESTIVE.** At a large family gathering on Thanksgiving there is usually much confusion and much adult gossip, with the children at loose ends in unfamiliar surroundings. Though they may feel festive at the idea of a "party" when they start out, for most of the day they are RESTIVE—impatient and irritable—ill-at-ease with so many people in a strange setting.

P. (32) **FOSSIL.** An exuberant young girl might rather enjoy a suitor who was docile, letting her have her own way. But she could hardly feel romantic about a man she regarded as a FOSSIL, outdated, and of course out-of-step with her age group.

Q. (33) **TITTERS.** Giggling of course would upset the dignity of a solemn procession. If someone totters, however, it is no loss of dignity, but a physical collapse calling for sympathy and help.

R. (36) **RATIFIED.** The hopes of the president of the firm would not be gratified until his plans for expansion have been carried out. At the board meeting, the plans are only in the hopeful stage, and the president is pleased that the board has RATIFIED, or given its approval of the idea.

S. (37) **BOILED.** A BOILED shirt—one with a stiffly starched bosom—was once obligatory for a man wearing full dress clothes. The average man certainly did not feel comfortable in one. Many men are not too fussy about their clothes, and would not then, or now, be too distressed at wearing a soiled shirt.

T. (39) **ROWING.** If you're ROWING a long way in a boat, it will take a long time to get there, and it's certainly best to be careful of sunburn. Merely going a long way could mean a very quick trip in a speedboat, with hardly time enough to worry about getting a burn.

THE PONTIAC PRESS

FRIDAY, APRIL 12, 1957 PONTIAC, MICHIGAN TWENTY-ONE

Pontiac High Opens 2-Day Annual Science Fair Today

By JACK HENDRICKSON

The third annual Pontiac High School Science Fair will be held today and tomorrow in the boys' gym. The fair is sponsored by the Linnean Society, and will be under the direction of John Youngpeter. Tomorrow it will be open to the public from 9:30 a.m. to 2 p.m.

Entries were accepted from any student in Oakland County regardless of age, school or grade level. Students did not have to be taking a science course in their curriculum.

Over 100 entries were registered by the deadline, April 8. Projects have been entered on subjects such as mathematics, chemistry, biology and physics. Some hobbies have been accepted also: photography, model airplanes and model cars.

An especially interesting chemistry project has been done by one of Forrest Brown's students, Janet Bolton. The project shows the absorption of water from the air by sulfuric acid, and the dehydrating properties of sulfuric acid, specifically of sugar and of paronitroacetanilide.

★ ★ ★

Brown said that this reaction will be used by one of his classes in preparing artificial oil of wintergreen.

Janet has spent nearly a month checking the ability of the acid to react in this way. Her chart shows changes in weight of the acid which may reach 200 per cent.

Three of the judges for the fair are biology professors from Bowling Green, Ohio. Thy are Dr. Charles H. Otis, author of "Michigan Trees," Miss E. E. Whiter, and Dr. Frank Meserne.

Dr. G. W. Prescott, fresh water algae authority from Michigan State University, is among the other judges. They include Paul Webster, biology teacher from Bryan, Ohio; Glen Griffin, of Sparks-Griffin Funeral Home, Dr. John Marra, pathologist at Pontiac General Hospital; and Dr. Richard Byers, dentist.

★ ★ ★

Judging will take place at 6 p.m. today and the awards will be presented at 1:30 p.m. tomorrow. Movies will be shown throughout the Science Fair in the audio-visual room.

Hi-fi, typewriter, radio and golf clubs, are only a few of the thousand dollars worth of prizes that will be given away in the PHS annual magazine dive which began this week with a riotous assembly.

The faculty gave their interpretation of the "Mouseketeers," and a few of the braver men teachers gave a parade of "beauties." Gina Lollobrigida with powerful muscular legs, Marilyn Monroe with a weight lifter's shoulders and arms to match, and a few other "ravishing dolls."

This year's quota has been set at $12,000 with the individual quota set at $10. Students must sell at least $5 worth of subscriptions in order to attend the talent assembly which will be held next week.

This year there is again a treasure chest. Each day a name will be drawn from the chest and if that person has sold his quota he will receive a money prize. Every PHS student is eligible for the treasure chest.

★ ★ ★

"Gimmie" cards will be given to all students that sell their quota. These "gimmie" cards entitle the student to free ice cream.

There are two mystery people in the city. If they are contacted by a student selling magazines, in the proper procedure, the salesman will receive a prize. The mystery persons will not reveal themselves to the student who contacts them; their identities will be announced after the campaign is over.

Joe Shields, publisher's representative, will take out to lunch each day the teacher whose third hour class turns in the largest amount of money.

The room that sells the most magazines will be treated to a Tiger baseball game on school time.

Several members of the Speech Department recently presented an assembly at Eastern Junior High School.

Calvin Mortenson, recent winner of the American Legion Oratory Contest in this zone, and third in the state, presented his selection given for the contest, "America's Gibraltar" on the U. S. Constitution.

"Arsenic and Old Lace" was given by Joyce Owens and another selection taken from a play, "Bad Seed," was given by Donna Chilvers. Jack Schatzley gave his speech from "Green Pastures."

Eighteen PHS students represented our high school Thursday in the Saginaw Valley Conference for spring forensics at Saginaw Arthur Hill High School.

Future Teachers of America played host to Milford, Waterford, Clarkston and Walled Lake PTA chapters early this week.

The coming activities which FTA members are planning include a Club Day, to be held May 2, at Eastern Michigan College. A few members of the club have been chosen to assist as counselors at various camps this year.

★ ★ ★

Glenn M. Husted from Wilson School has selected Ronald Miller and Eva McKee to assist the fifth grades April 22 through 27.

Next Tuesday the annual Spring Sports Banquet will be held in the cafeteria to present awards to the basketball, swimming, and wrestling teams. Cheerleaders also will be honored.

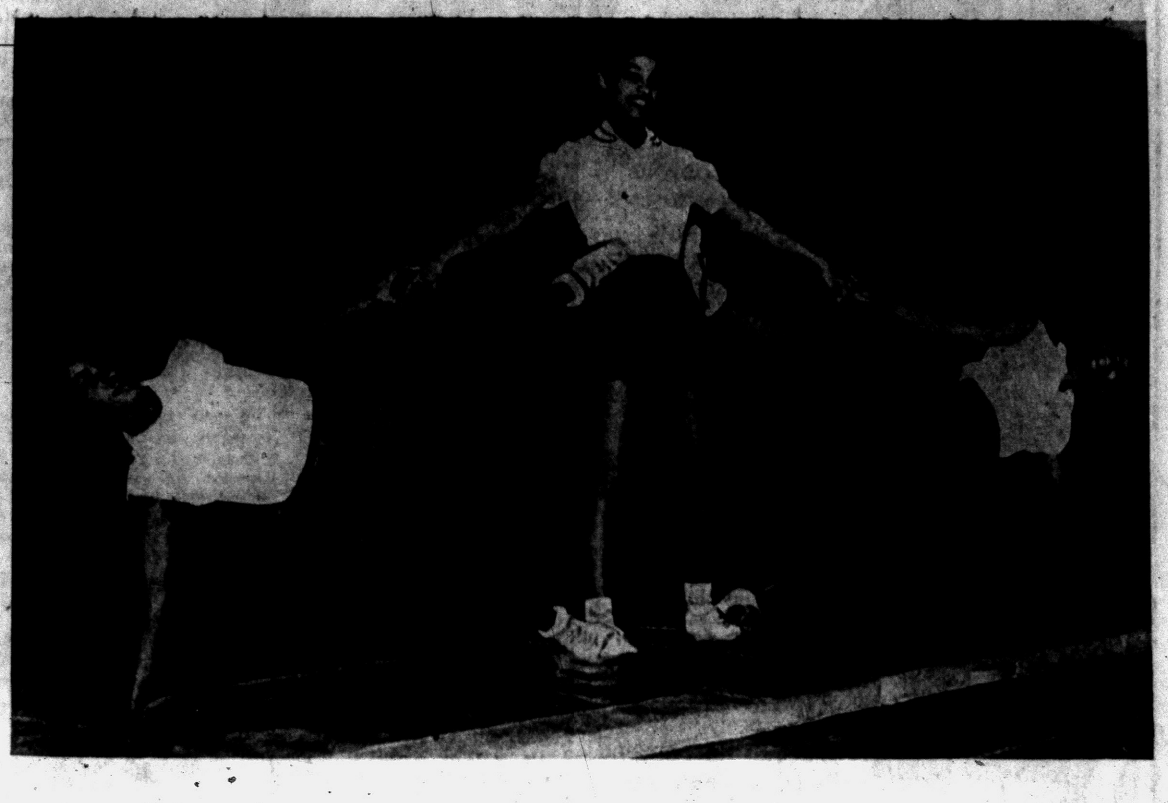

The Girls' Sports Club recently ended their series of badminton singles with Claudia Wasik winning the championship.

The Quiver staff met its final deadline yesterday, turning in the index, edited by Joyce Reynolds, National Honor Society, and other late entries. Issue date is expected to be early in June.

POWERFUL STUFF — Chemistry student Janet Bolton shows what happens to paper when it is immersed in sulphuric acid. Chemical experiments will be among the scores of exhibits at Pontiac High School's Science Fair today and tomorrow. More than 50 area schools will have exhibits at the fair together with PHS's chemistry, biology and physics classes.

GYM NIGHT REHEARSAL — Ninth grade students at Jefferson Junior High School rehearse their act for Gym Night to be presented for the PTA at 7:30 p. m. Wednesday, April 17. Pupils from all grades at the school will demonstrate sports and gymnastic skills they have been taught during the school year. Many types of folk dancing will be shown as well. Above, from left, are Lollie Shorter, Beverly Gracey and Jessica Ramsey.

Ivy League Sets Dance Theme

Waterford High Juniors Slate Disc Jockey at 'Twin Spin' Tonight

By SANDY WHITE

Couples dress alike in "ivy league style" for the Juniors "Ivy League Twin Spin" tonight in the Waterford Township High School gym. To spin the records from 8 p.m. to 11 will be disc jockey Marty McNeely.

★ ★ ★

Committee heads are John Cey, Charlene Gaffney and Janis Hirst.

Modeling fashions, compliments of Hilda's, will be Marlene Noe, Margie Neubeck, Barbara Tallerday, Joanne Doyle, Genieve Dovre and Barbara Hutchings for the style show to be featured in the gym on Tuesday evening at 8 p.m.

★ ★ ★

Creations in the line of sports and playtime, day and evening wear will be shown. The Quill and Scroll Honorary Journalism Society will sponsor the event. Tickets can be purchased at the door.

★ ★ ★

Last week, four foreign exchange students, who are now attending various Michigan high schools, presented an assembly in panel form.

Exchange students participating in the panel were: Harold Beivik, from Norway, now attending Holly High; Sevje Kalankaya, from Turkey, now attending West Bloomfield High; Bernard Macaigne, from France, now attending Fenton High; and Norma Sandoval, from the Philippines, now attending Waterford High.

★ ★ ★

Moderators of the panels were Rodney Evans, senior, and Lanny Younger, sophomore. Many interesting subjects were discussed, such as the exchange students' views on the differences in dating customs.

★ ★ ★

Sixty members of Waterford's Dramatics Club, Saturday will visit Central Michigan College. Some eight other Michigan schools will also participate in this play festival.

★ ★ ★

The third act of "The Barretts of Wimpole Street" will be presented by Waterford performers to receive comments and criticisms.

The scene for the next annual GAA Banquet will be the Old Mill on May 29. The committee consists of Char Panker, general chairman, and Carole Moore, Carol Tynan, Tish Fitzgerald, Mary Ann Murphy, Peggy Scruggs, Laura Terry, Carol Penn, Janet Delbridge, Janice Barnes, Georgia Kizer and Carol Kratt. Sharon Gaynor was chosen toastmistress.

★ ★ ★

Complete copy for the Waterlog, annual yearbook, went to the printers April 1. "The book will be ready for distribution on May 23," says Beth Rose, editor.

Area High Schools Schedule Plays, Concerts, Dances

School plays, concerts and dances highlight coming events at area high schools this week.

★ ★ ★

Avondale High School's Future Nurses Club attended an open house at Wayne State UKniversity, April 4. They plan to hold a mother and daughter tea on the first of May. A guest speaker will entertain and a film will be shown.

Avondale's Concert Band, All Grade Band, and Song Flute Band will present the largest Spring Band Concert ever to be presented at the school. The concert will be April 24 and more than 300 students will participate.

The members of Avondale's FHA attended the state convention at Grand Rapids April 3, 4 and 5.

★ ★ ★

Jim Greenless, Linda Burt, Tim Mulholland and Jack Pyle will participate in the Passion Play, "Pilate," being put on at Avondale April 15, 16 and 17.

On the non-acting end of the play will be students Wilbert Janoschka, Tom Galloway, Bob Snyder and Don Davis. They will be in charge of lighting, sets, stageprops and ushers.

AT CLARKSTON

The "Ten O'Clock Scholar" is being presented by the Clarkston High School junior class tonight at 8. There are still seats left at 50 cents. There was a cast party at Marcia Klauser's apartment, Thursday.

The annual Clarkston Carnival will be held May 5. King and queen nominees were chosen from the freshman, sophomore and junior classes. The seniors haven't yet chosen their representatives.

Freshmen chose Richard Caverly and Shanna Stewart; sophomores, Jay Campbell and Carolyn Warrick; and juniors, Bill Noles and Louella Jacobs.

★ ★ ★

The king and queen will be chosen by the "penny-a-vote" system. The seventh grade chose Janet Spangler and Neil Keith and the eighth grade, Naomi Armstrong and Larry Crouch, for the prince and princess.

AT LAKE ORION

A special bulletin board in the lower hall of Lake Orion High that has proved of interest to all who pass is snapshots of students participating in school events. In view of its popularity a Teacher of the Week, and Senior of the Week will be chosen to have their picture there.

The bulletin board committee is also working with the art department in having a Crucifixion scene for Easter.

★ ★ ★

The student council's by-laws are going through changes necessitated by the physical separation of the school in the fall. They are also undertaking the job of helping the Junior High Student Council become established.

★ ★ ★

The day is set at last for the Sadie Hawkins Dance that has been gaining so much popularity. May 10 will be reserved on all the student calendars for the dance, which also will feature several carnival concessions.

The profit from the dance will go toward the electric scoreboard for the football field. Most clubs have voted to give their profits this year into the scoreboard fund too.

Seniors returned yesterday from their trip to New York City and are bubbling over with stories of its wonderful buildings and sights.

Juniors took the final intelligence test this week. The series started in the third grade, with tests in the seventh and ninth as well.

Juniors also took their 100 problem math test to determine whether they needed a refresher course open to all who need it.

HOTHOUSE — Two Rochester High School seniors tack a plastic covering over the hot-house beds which were constructed by members of the Agricultural Club. The hothouse is in one of the outdoor squares around which the new school is built. The project, under the direction of instructor Drew Middleton, gives the boys practice growing seedlings.

Gym Night Planned

Performances Pace Junior Highs

A Gym Night, plays, orations and other public performances are keeping junior high school students busy this week.

The Physical Education Dept. at Jefferson Junior High School will present, for the PTA, its second annual Gym Night on Wednesday, at 7:30 p.m. in the gymnasium.

Students from the seventh, eighth, and 9th grades will have an opportunity to demonstrate to their parents and interested friends the skills of the various activities that have been taught throughout the school year.

The program is under the direction of Dick and Catherine Craig. It will consist of mass exercises synchronized with music, championship relay team competing against one another, demonstration of wall soccer (a lead-up game to soccer), football, basketball, track skills, stunts, tumbling, pyramids, and many types of folk dances.

★ ★ ★

The costuming for the occasion was designed and made by Ann Dean, art teacher.

The track team is out each night training for the meets that start next Thursday afternoon with Madison Junior High.

AT LINCOLN

Another round of activity spurred Lincoln Junior High students into high gear this week.

Highlighting the week was the announcement by Bill Sturgeon, sponsor of the Hi-Y, of the winning candidates for the four-day, all-expense trip to Washington, D.C. Dolores Kasten and Earl Hewitt won this honor through their outstanding citizenship, scholarship, and character.

Dick Hall's thin-clads are practicing daily for the first meet at Wisner Field with Washington Junior High. With a whole flock of youngsters coming out for the first time, assistants have been made of some of the third year boys.

★ ★ ★

"A Do-it-Yourself Orchestra," with Gregory and Cheri, professional entertainers, presented a double assembly for all Lincolnites. They rollicked through their performance and delighted the audience with their skill in bringing music from odd bits of apparatus: A tire pump, rubber gloves, a saw, bagpipes and other weird instruments.

Lincoln's top printers really put their knowledge to good use by making 5,000 booklets entitled Pontiac Plan of Education, 500 covers for individual job sheets, and many programs and letterheads for the school.

The boys have just completed making themselves personalized stationery by the new silk screen method called mitography. George Gary directs the printing classes at Lincoln.

The metal shop is taking on that new spring look as James Bruno, shop instructor, his student assistant, Al Harris, and advanced shop students build a metal storage rack, five machine bases, tool holders, and a wire wheel.

★ ★ ★

Leather working has been added as a new work unit. Knowledge of tools and materials and use and care of equipment are the basic studies in this practical course.

★ ★ ★

AT ROCHESTER

For the fourth week in Rochester Junior High badminton, Jill Thomas and Marcia Seed remain in first place.

The G. A. A., sponsored by Miss Tweedie, is holding its annual activity on badminton. Next on the agenda is tennis, which Miss Tweedie expects to start as soon as weather permits.

The Junior High Drama Club will present three one-act plays on Drama Night April 26. The plays will be presented in the gymnasium and they are: "Broken Rehearsal," "Sob Stuff" and "Undertow." Admission will be 10 and 25 cents.

The Y-Teens extended their clothes drive. They collected clothing from the junior high students until Wednesday and will distribute them to the needy children of our community.

★ ★ ★

The Pep Club started its spring cleaning last week. Two committees were chosen to clean our school. One will clean the outside and the other the inside halls. Each week a new homeroom will be appointed to be on the committee.

AT EASTERN

Eastern Junior High's guidance counsellors are making plans to attend the national convention of the American Personnel and Guidance Assn. which will be held next week in Detroit.

Those attending from Eastern will be Rhea Jagoe, Ines Owen and Charles Bayette.

The convention will include topics of interest to counsellors, such as guidance information programs, vocation exploration, new directions in guidance, and standards and training of counsellors.

★ ★ ★

This week's assembly program was presented by the Speech Dept. of Pontiac High School. Walter Smith, with four of the contestants entering the Saginaw Valley Oratorical Contest Thursday in Saginaw, entertained with three selections from popular Broadway play productions and one original oration.

Eastern's band will journey to Lansing Saturday to participate in

AT MADISON

The Madison Junior High Dramatics Club, Friday, April 5 with their sponsor, Patricia Clark, attended the play at Pontiac High School, "You Can't Take It With You."

The group is now looking forward to April 24 when they will go to Detroit to see the Broadway stage production, "Damn Yankees."

AT WASHINGTON

Washington Junior High's first track meet is scheduled for April 18. Both the seventh grade team and the varsity will compete with Lincoln Junior High at Wisner Stadium, at 3 p.m.

Washington has about 45 boys out for track with three returning letter men. Prospects look good for a successful season.

★ ★ ★

A news film was greatly enjoyed by the students Wednesday. The film contained news of current events in the field of sports, science, history and government.

The speech classes have been entertaining the home rooms this past week with a series of short sketches which the students have prepared in their speech work. These were broadcast over the public address system.

For Needy Children

Plan Easter Baskets

By MARGARET DRAKE

Tuesday afternoon the St. Frederick High School Social Workers' Club met to plan for the distribution of Easter baskets to underprivileged children. Representatives from the club will attend a panel discussion April 29 at Pontiac State Hospital.

The topic for discussion is "Psychiatry and Religion." Among the panel members will be our own Fr. John Trese, assistant secretary of charities for the Archdiocese of Detroit.

Students are planning to attend one of the two performances of "The Seven Last Words of Christ" to take place in the parish hall Saturday and Sunday evenings at 8:15. Dominic J. Kline, organist and choir director, is directing the performances.

★ ★ ★

High school students enjoyed a holiday on Monday. Faculty members attended a Teachers Institute at Mercy College, Detroit.

Sophomore class presented a movie Wednesday entitled "Our Lady of Guadalupe." Proceeds will provide money for the annual senior breakfast.

★ ★ ★

Senior class is holding rehearsals almost daily to perfect its performance of "Quality Street" to take place following the Easter holidays.

Drill Is Successful

GRAND RAPIDS (AP) — Butterworth Hospital reported "great success" Wednesday evening in a surprise disaster drill for staff members, with National Guard personnel portraying residents "injured" by a tornado. The hospital reported emergency rooms set up within 20 minutes after the disaster signal to begin treatment of "disaster victims."

U-M Honors Student From Waterford

Three hundred students now attending the University of Michigan are winners of the Oregon E. Scott Freshman Prize.

★ ★ ★

This prize was presented for the second time to freshmen who ranged in the top 10 per cent of their class during their first semester on campus.

Nancy A. Newman, graduate of Waterford High in '56, placed in this 10 per cent.

A presentation of books from the university with gold inscriptions will be given to each of these ranking students on Friday, May 10 in a special convocation for award winners and their parents.

Weeks, Humphrey Balk After Shouting for Cuts

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — George Magoffin Humphrey, onetime businessman and now secretary of the Treasury, is not the only one in the Eisenhower administration who talked big about economy and got a bigger dose than he could stand.

Another is Sinclair Weeks, onetime businessman and now secretary of commerce.

★ ★ ★

Earlier this year, in the midst of the confusion within the administration whether the President's budget could or should be cut, Weeks took a strong position on the side of the President, who considers his budget fairly tight.

Weeks defended the budget. He said it was designed to carry out the Republican program of "peace, prosperity and progress." By March 17 he was taking a bold stand for slashing the budget. In a TV interview that day he said:

"The thing that scares me" about the handling of the record peacetime budget of 72 billion dollars, "is that . . . they will add to it instead of subtracting."

★ ★ ★

In a generous mood he suggested Congress could start cutting by whacking 50 million dollars off the money asked for his Commerce Department. But two days later Rep. Preston (D-Ga), a member of the House Appropriations Committee, had something to say.

He accused Weeks of double-talk. Said Preston:

"He's saying one thing to the TV audience for public consumption and another thing to the Appropriations Committee . . . (He) is supporting every handout . . . every subsidy. He said he couldn't find any places to cut his budget. We're going to show him how it can be done."

And the House did. It chopped $217,800,000 off the 871½ millions Weeks wanted for the Commerce Department. Now Weeks is appealing to the Senate to restore at least $78,892,940 of it.

The record of Weeks' testimony before the House committee shows he said: "I am just saying in a general way that I am for economy."

But it's Humphrey who made far and away the biggest noise about budget-cutting without ever getting around to saying where. Whatever it was he wanted, he got more than he wanted.

On Jan. 16 he said "we will have a depression that will make your hair curl" unless the federal government cuts its spending over the years ahead. That was the day Eisenhower sent his budget to Congress. And Humphrey added:

★ ★ ★

"I think there are lots of places in the budget that can be cut."

Humphrey's remarks on a depression got startled, nationwide attention. So he later explained he does not really anticipate a depression and saw no signs of one in the next 18 months.

But where could Congress make those budget cuts he mentioned?

He's never said. And on Jan. 24, one day after he testified before the House Appropriations Committee, its chairman, Rep. Cannon (D-Mo) told reporters of Humphrey's testimony.

★ ★ ★

Said Cannon: "We're just as much at sea as before we heard him. He didn't point out where we could cut the budget one cent."

One Democrat described Humphrey. The Senate now has to pass plete flipflop." Another said Humphrey had "just ducked and twisted and said he had no recommendations at all."

But the House took Humphrey at his word — just as it took Weeks at his — that there could be cuts. It knocked 22 million dollars off Humphrey's request for $691,457,000 to run the Treasury another year.

★ ★ ★

This was too much for Humphrey. The Senate now has to pass on Humphrey's money request for the Treasury. So he wrote the Senate, asking that eight million of the 22 million taken away from him be restored.

Even with the 22 million reduction, Humphrey would still be getting more money to spend than he had last year.

Soviet Union, Iran Sign Agreement on Borders

TEHRAN, Iran (AP)—The Soviet Union and Iran have signed an agreement aimed at ending disputes over just where their common borders are.

The disputes, dating back 150 years, concerned no fewer than 1,500 different points on the border which stretches for 1,240 miles. The protocol is the result of two years of negotiation.

West Germany now has commercial TV.

Nice Lawns Are Seldom Just Chance

Beautiful lawns in Oakland County seldom come about as a result of chance. Lawns give their owners lasting satisfaction and continue to improve if they receive constant care. The owner must supply plant food and water regularly, mow the grass intelligently, and remove the leaves, sticks, stones, and other debris.

The most worthwhile efforts in preparing a good lawn are during the early weeks of the spring. Most skillful lawn growers by this time have already given their spring application of fertilizer. Folks who have not already done this should get the fertilizer on as soon as possible because lawns have already made a considerable growth.

The plant food most needed by lawns, particularly at this time of the year when the soil is cold, is the element nitrogen, and nitrogen can be supplied more safely in the cool weather before growth gets well under way on lawns than it can later in the season. Later on the damage to the grass from burning by using nitrogen salts is much higher.

★ ★ ★

So, in selecting a fertilizer for lawns at this season of the year, be sure to select one which is high in nitrogen. Most standard lawn grass fertilizers contain about ten per cent nitrogen.

In applying this material, the average lawn should have at least ten pounds to each 1,000 square feet, which means that on a 1,000 square foot area one pound of actual nitrogen is being applied. The average lawn should have at least three such applications annually.

Problem lawns, where the land is shaded or where the grass is not thriving, may require more than the three applications — sometimes as often as once every month.

The kind of fertilizer that you use is not so important as the material that is in the fertilizer. It can go on as a solid or as a liquid. Either method will be successful.

DISSOLVE IN WATER

So far as the plants are concerned, all of the plant food elements must be dissolved in water before being brought into the plant So whether you put it on as a solid or as a liquid or as a gas, it must be dissolved in water and taken up into the plant roots in that manner.

★ ★ ★

Some lawn owners appreciate having their soil tested in order to reassure themselves that they are doing the right thing. In order to get a good sample of soil for testing, the soil should consist of samples taken from various parts of the lawn.

Mix these together thoroughly in a container and send a cupful of this mixture to the soil testing laboratory. This will give a true picture of the average condition of the soil in the lawn which might be quite different if the soil were all taken from a single place.

Questions are asked many times about getting a thicker turf to grow on the lawns and how it can be done. Should it be seeded or can it be done by fertilization? In most cases the way to get a more dense turf is to add fertilizer. In a few cases, the trouble is a lack of drainage or a too compact soil which needs aeration.

★ ★ ★

Occasionally it is desirable and successful to plant additional seed on the lawn to allow it to come in and thicken up the turf. If this seeding is to be done, however, it should be done immediately as the season for seeding lawns is rapidly getting to the point where seedings will be very unsuccessful. To repeat again, in general the best way to improve a turf is by adding plant food, not additional seed.

If you are one of the people who has to fight crabgrass in your lawn, you should be prepared very soon now for the first round to kill off that enemy of good lawns. Crabgrass seeds begin to germinate about the time the first blossoms appear on the Forsythia shrubs.

If your lawn is covered with a spray of chemicals at this time, the young seedlings will be killed as they emerge from the crabgrass seed. At this stage they are easy to kill. Later in the year it will be much more difficult. Several materials are available which can be used on crabgrass at this season of the year. Among them are the amine formulation of 2,4-D.

Another chemical goes under the name of Crag Herbicide-1 which is also a successful material to use in the control of crabgrass at this season of the year.

★ ★ ★

Folks who have a weed that is called chickweed can get more help at this time of the year than at any other season by using a chemical sold under the name of MCP. In all cases when using these chemicals, read the label on the container carefully and follow the directions of the manufacturer to the letter as a slight variation one way or another can mean a loss of control of these weeds.

Sugar Beets Can Be Planted to More Acres

EAST LANSING — Sugar beets, one of Michigan's best money making crops, can be planted to more acres this year.

Reason for this is due to increased allotment for the state's sugar beet crop.

This advantage, according to Milton H. Erdmann of Michigan State University's farm crops department, could be lost to Western growers in future years unless all allotment acres are contract planted.

About 8,000 acres still are not contracted, he said.

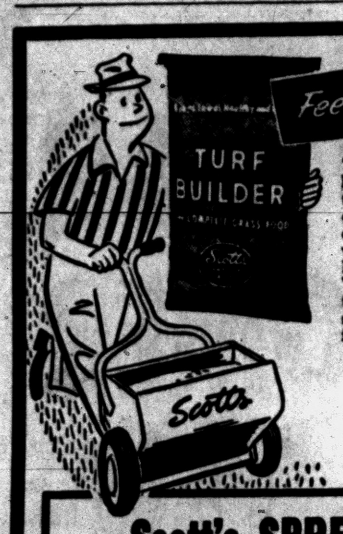

"Western sugar beet growers are clamoring for an increase in their states' allotments.

★ ★ ★

And, if Michigan farmers fail another year to plant the limit of allowable acres, they might in another year or two lose some of their allotment to Western growers.

Show Reason for Ineffective Sprays

By BARBARA JOHNSON
Garden Editor

Many complaints are made each season about the ineffectiveness of insecticides. This article is to relate some of the reasons why unsatisfactory results are sometimes the end when they can be avoided by merely following a few simple directions.

Specialists widely believe that in many cases, ineffective spraying can be attributed to faulty application. The reason for this belief is mainly because of the fact that the makers of insecticides are required by state law and federal regulations to certain contents in their products. They must contain basic chemicals in particular amounts. Therefore, we can conclude that application is the main reason for ineffectiveness.

As far as the application is concerned it must be determined whether the method or the equipment is at fault. Some ways make the liquid weak, others don't cover the necessary area and others get the mixture so strong that it kills plants.

CHECK SPRAYER

The best thing to do is to check the sprayer to be sure that it does the job claimed. By testing the spray we can find out if we are getting a uniform mist.

The important thing is that the chemicals be proportioned carefully in accordance with the manufacturers directions, that they be thoroughly mixed and then applied correctly to the plants.

Unless spraying is done thoroughly, chemicals are wasted, which means loss of time, effort, materials and money. Only if proper procedure is used can you be sure of getting effective spraying results.

Insect pests destroy an estimated three billion dollars in agricultural crops alone, annually. Continuing warfare is being carried on by large companies, who pride themselves in the development of new products and the improvement of existing ones.

Now you are probably asking "What is required for proper application?":

1.) The chemical which normally comes in concentrated form must be combined with water in the right proportion specified on labels.
2.) The chemical and water must be thoroughly mixed so as to produce a homogenized, uniform spray mixture.
3.) The spray mixture must be applied to the plants, and lawn in such a way that you get thorough coverage.

Symptoms Seen on Evergreens

Watch for Injuries From Winter Causes and Act Now

It's delayed action, but evergreens and deciduous trees now may be showing signs of Winter injury.

Chances are this year's symptoms in some sections may be more severe than previous years. The record-breaking heat wave that swept the Eastern half of the U. S. in mid-March will be responsible for more such damage than the sub-zero January weather.

M. W. Staples, field supervisor of the Davey Tree Expert Co., says Winter injury is likely to show on evergreens as seared and brown foliage. On deciduous trees, it is evidenced by large dead bark areas on the southwest side of trunks and heavy branches.

Strangely, most damage seems to be caused by warm weather. Winter sunshine and abnormally warm days in early Spring wreak the havoc. With evergreens particularly, chilled or frozen roots are largely inactive and unable to replenish the moisture a bright sun extracts.

Seemingly hard hit trees should not be removed too quickly. They have an amazing ability to recover when proper care is given. Pruning and feeding is the best remedy for evergreens. Removal of dead bark areas and waterproofing of wounds, plus feeding usually does the trick for deciduous trees. Severe sun scald or Winter injury on trunks may require the services of the professional tree man, but he may wish to delay judgment until healing has started. If new bark is being established, the tree is attempting to heal its wounds and may be on the way to good recovery.

Soil Improver aids moisture penetration, adds health-giving iron, offsets acidity. Apply any time.

Pirates Hit Tiger Rookie Hard

Will Don Lee Help Tigers?

CHARLOTTE, N. C. (AP) — Is young Don Lee going to provide the Detroit Tigers with much-needed pitching help?

★ ★ ★

The jury is still out on this puzzler and the decision will hinge directly on the handsome young Arizona righthander personally.

Lee, trying to make the jump from college campus to the Majors in less than a calendar year, was hit hard and often yesterday as the Tigers absorbed their 17th loss of the spring — this time 10-2 at the hands of the Pittsburgh Pirates.

Now the test will be whether Lee can come back strong and make good on his bid to stick with the parent club.

Things were mighty rough for Thornton Lee's son yesterday. Manager Jack Tighe picked him to pitch in Augusta, Ga., where he played his only professional baseball as a member of the Augusta Sally League team last summer.

The pesky Pirates, hottest thing around this spring, made it clear right from the start that they had no intention of making the youngster look good.

They pounded him for eight hits and seven runs in the five innings he worked. Five of the runs came on homers — a two run blast by Dale Long and a three-run poke by Paul Smith, a new Pittsburgh outfielder. Lee walked five and had a real miserable day.

★ ★ ★

In earlier appearances he had been the sensation of the Tiger camp with his confidence, his poise and his excellent assortment of pitches. He was charged with two of the numerous defeats but never had he been in serious trouble.

Will the pounding in front of the "home folks" help him or hurt him? That's something only Lee will be able to answer.

The Tigers were scheduled here today against Pittsburgh in the third of their five-game northbound series which winds up in Charleston, W. Va. on Sunday.

Montreal Trips Bruins for 3rd Straight Time

Geoffrion Scores Twice as Canadiens Take 4-2 Decision at Boston

BOSTON (AP)—Montreal's talent-rich hockey forces can sweep Boston in the Stanley Cup final Sunday now that Bernie Geoffrion and Jacques Plante have helped the Canadiens' to a prohibitive 3-0 bulge.

★ ★ ★

Geoffrion scored twice and goalie Plante foiled Boston's big bid as the third period began last night in Montreal's 4-2 triumph.

Les Canadiens are confident but not cocky about their three victories and chances to take the best-of-7 competition in four straight.

"It's a big one but the biggest one still has to come," said Coach Toe Blake after the latest triumph. "The clinching victory always is the hardest."

★ ★ ★

"I won't predict anything. They (the Bruins) still have a good team and don't forget it buf if we don't make it four straight it won't be because we didn't try."

Toronto in 1943 was the only team to drop the first three games in the finals and rally to win the cup.

★ ★ ★

Geoffrion's two goals as Montreal built up a 3-0 first period advantage put him within two of the individual record for single season Stanley Cup competition.

Teammates Rocket Richard and Jean Beliveau share the mark at 12 goals each. Richard got his in nine games in 1944 while Beliveau needed 10 contests a year ago. Boom Boom has 10 in eight games to date.

★ ★ ★

Plante, known as "the wanderer" for his tendencies to leave the net to chase loose pucks when he has a chance to beat an enemy skater, had shut out the Bruins 1-0 Tuesday and has allowed only three goals in as many games.

Don McKenney's tally for Boston in the second period last night was the first against him in 118 minutes, 39 seconds of play.

From the Press Box

BY BRUNO L. KEARNS
Sports Editor, Pontiac Press

The "Racquet Squad," with the heaviest artillery in tennis, Pancho Gonzales, pulls into Detroit tomorrow night for another in the cross country feud which includes Ken Rosewall, Pancho Segura and Dinny Pails.

Jack Kramer, captain of the rasqueteers, keeps trying to find a suitable competitor for Pancho, but each year Gonzales walks off with about a hundred grand and better than two-to-one margin in the pro tennis tour.

★ ★ ★

Frank Sedgman, a great Aussie with a beautiful backhand, jumped the amateur ranks with Ken McGregor three years ago only to be bounced back with Pancho's jet-propelled drives.

Tony Trabert, with a pretty good service of his own, saw the temptation of six figures, but his showing was even more disappointing than Sedgman's.

As for Rosewall, he's the little guy with the big heart, and while Pancho keeps winning, the matches keep getting tougher.

★ ★ ★

When Rosewall, instead of fellow-Aussie Lew Hoad, accepted Kramer's $65,000 offer to battle Gonzales, it was almost a foregone conclusion that the little 5-foot-7 Davis Cup ace would be swallowed alive.

However, many of the game's authorities were under the opinion that before the tour reached mid-point, Rosewall would not succumb to Pancho's drives as easy as Ken's predecessors. And it seems to be proving true.

Big Pancho is now being foreed to hammer away for five sets before driving the Aussie into the ground, and in the process he has complained about some blisters popping up on his hands.

Kramer who often gets to the scene in advance of his troupe analyzes the Gonzales-Rosewall series in comparison with some of the matches of the past seasons.

"Rosewall doesn't wilt like Trabert, he just keeps pumping that ball back no matter how hard Gonzales blasts it," said Kramer, "and Kenny is almost as good at returning Pancho's serve as Pancho Segura, who is probably the best.

"We all thought Gonzales would wear Rosewall down with power, but Kenny is one of the best retrievers in tennis and he almost drives Pancho whacky with some of the shots he returns," Kramer added.

★ ★ ★

When the tour got started in Australia, the Aussie fans naturally loved Rosewall's gameness against Pancho. It led to heckling, and a few tantrums by Pancho who has established himself as tennis' answer to Tommy Bolt, and finally it led to a smashed racquet when Kenny scored an upset in their second match.

But the fans love it, and they often urge little Rosewall to provoke a tantrum or two from his bigger opponent.

GREENSBORO, N.C. (AP)—Doug Ford, still displaying the touch that carried him to victory in the Masters tournament last Sunday, was front man by one shot going into today's second round of the $15,000 Greater Greensboro Open Golf Tournament.

★ ★ ★

The husky, 34-year-old professional playing out of Mahopac, N.Y., put together a pair of 34s yesterday to take the first-round lead with a 68, two under par for the 6,720-yard Sedgefield Country Club course that yielded only three sub-par rounds to a field of 135.

A stroke back of Ford at 69 were Marty Furgol of Lemonte, Ill., veteran campaigner, and a real darkhorse, 29 - year - old Greensboro amateur Willard Gourley.

★ ★ ★

Ford, already pocketing $23,000 in winnings to lead this year's PGA cash scramble, made only one slip over par, missing the 15th green to take a five.

Gourley, still shaking his head utterly fantastic round," hit only hours after what he called "an five greens, but his short game was superb.

★ ★ ★

Five men came in at par 70, among them Julius Boros of Southern Pines, N.C., who lost his birdie touch after a 33 start and took 37 coming in. The group included Gardner Dickinson of Panama City Beach, Fla.; Bobby Maxwell of Abilene, Tex., who put his tee shot on No. 15 out of bounds for a two-stroke penalty; Al Besselink of Grossinger's, N.Y., and Mike Souchak, also of Grossinger's, who had a closing 33.

★ ★ ★

Ten players had 71 and nine more 72, paving the way for a tight race before cutoff time tonight when the field will be shaved to 60 low pros and ties and 10 low amateurs for the final two days of play.

★ ★ ★

Three strong foreign threats were among the 71 shooters—Peter Thomson of Australia, winner of the last three British Opens, and the two South African youngsters, Gary Player and Trevor Wilkes.

★ ★ ★

Sam Snead, veteran White Sulphur Springs, W.Va., pro, who has won here six times, including the last two years, had a rocky 37 finish for a 72 after opening with nine pars.

Pontiac Nine Opens With 3-1 Win Over Skippers

Shortstop Bud Hayward accounted for all three runs and hurler Terry Zellhart spun a neat three-hitter as the Pontiac baseballers opened their season with a 3-1 victory at Waterford yesterday.

Zellhart fanned six and did not issue a walk over the 7-inning route. He had a one-hit shutout going until a hit batter and singles by Dean and Roth produced the lone Skipper run.

Loser Chuck Gillis was impressive in defeat despite the cool temperatures. He compiled 12 strikeouts and also failed to issue any free trips to 1st.

Hayward was Gillis' only real tormentor. He singled and went around to score on a double by Jim Skinner and a passed ball in the 2nd. In the 4th, the hustling infielder tallied the clinching marker after reaching safely on a fielder's choice.

★ ★ ★

Sixth inning singles by Stan Griffith, Charley McIlrath and Hayward concluded the Pontiac scoring.

Four errors hindered the WTHS cause. The Chiefs played flawless ball afield.

Plans European Trip

Tigers Give Ruel Leave

DETROIT (AP) — The Detroit Baseball Co. announced today that Herold D. (Muddy) Ruel, assistant to the president, had been granted a year's leave of absence.

The club said only that "the Ruels will vacation in Europe." Ruel declined further comment on his leave.

Ruel came to the Tigers in 1950 as farm director and rose to general manager. When the club was sold after the 1956 season, W. O. (Spike) Briggs, former president, became vice president and general manager.

A one-time big league catcher, Ruel was with the Cleveland Indians' front office before joining Detroit.

★ ★ ★

John Fetzer, Kalamazoo radio and television executive is chairman of the Tigers' new ownership. Fred Knorr, also a Michigan radio executive, is president.

Ruel will head for Italy and observers around Detroit feel that he won't come back to the club.

He was indefinite on his plans but it was understood he would assist in the growing Italian baseball program. His leave from the Tigers is effective June 1.

A "PETTIT" SHOT — Bob Pettit (8) of the St. Louis Hawks gets his shot away over the shoulder of Andy Phillip (17) of the Boston Celtics in the 6th game of the NBA playoffs yesterday. In the background is Cliff Hagan (6) of the Hawks who dropped in a basket with one second left to give St. Louis a 96-94 win.

50 Certain to Reach Bowlerama Finals

By CHUCK ABAIR

The final group from a total of 494 entries will square off tomorrow in the concluding day of qualifying for the championship round of the big 1st annual Pontiac Press Bowlerama.

A total of 233 contestants, 108 of them women, will be in action during the afternoon and evening shifts at three local alleys. The 261 other aspirants bowled last weekend. All were men.

These qualifying rounds will determine the 50 or more men and women who will be eligible to advance to the finals and a shot at the big prizes. At least 29 men and 11 women will compete for division title on April 20.

Finalists will be made up of those persons finishing in the top 10 per cent of the scorers for each division at each qualifying location.

All qualifiers will roll three games across six alleys at Huron Bowl next week gunning for those 1st place prizes of $400 and $200 plus handsome desk sets. Runners-up receive $200 and $100 respectively and there will be many other awards.

★ ★ ★

Actually, every qualifier is certain to finish in the money no matter how he or she goes on the crucial last day. Everyone who finishes in the select circle is certain of taking home at least $5 of the prize money.

The leading qualifying scores posted for the three days at each of the participating alleys will earn Press trophies for three men and three women.

Howard Compton of Clarkston, Lee Miller of Waterford Township and Frank Pavlinac of Pontiac currently lead the race for the top qualifying trophies with their opening week scores of 694, 687 and 683 in that order. Several others were not far behind.

Several more will go to the post Saturday. Some of the men will include Lou "700" Koprince, E. J. Croteau, W. Honchell, deadeye Paul George, Elk star Russ Dickman, Dick Shoun, Ben Maguire, who currently ranks 3rd in the Howes Lanes singles event, and Bill Rodgers of Ferndale.

The women's division is a wide open battle since all will be competing for the 1st time. Martha Foster, Anna Weimmer, Evelyn Prosser, Gen Bradley, Eleanor Baxter, Ann Carlson, Dorothy Selle, Peggy Bender, A. L. Zschering and Bette Reid are some of the top names among the female entries.

Tournament officials have made provisions for the settling of ties for the top qualifying and championship awards as well as the actual lists of qualifiers.

★ ★ ★

A deadlock for 1st place in either division in the finals next week will result in a one-game rolloff between those involved in order that one winner can be determined.

In the event that two or more persons finished deadlocked for the top qualifying award at any of three locations, the Press trophy would be presented the bowler in the tied group or pair, with the best actual score.

★ ★ ★

The rule of having the top 10 per cent of the qualifiers advance into the finals will be extended to include all persons who are involved in ties with the lowest eligible finalists. For example, if three men finished tied for 13th place when all the scores are compiled all three will be included in the championship round entries.

★ ★ ★

Saturday's busy Bowlerama day starts at 12 noon at Auburn and Land-O-Lakes and at 3:30 at Dixie Recreation in Drayton Plains. An 8 p.m. shift at Dixie will be the only night session. Both men and women will bowl at all three sites. The times and locations for all qualifiers were printed in the Press yesterday.

Deer Gets Warm Home

Viking Thinclads Triumph

Rochester won seven out of 13 events, but Walled Lake's better balance prevailed as the Vikings chalked up a 60-49 victory Thursday in a dual track meet at Walled Lake.

★ ★ ★

The Vikings took 10 runner-up positions to more than offset Rochester's 1st-place superiority. It was Walled Lake's 2nd win of the season.

Dave Peters, Rochester's great all-around athlete, was the individual star of the meet. He scored 19 points with victories in the 220, high jump and broad jump and a tie for 1st in the high hurdles with Walled Lake's Larry Hughes.

Individual winners for Walled Lake were Frank Fink in the 100-yard dash, Don Proulx in the low hurdles and Lowell Martin in the 880. Fred Weaver in the 440, shot putter Dave Eldred and miler Townsend were other Rochester victors.

Yesterday's scheduled dual meet at Birmingham between Birmingham and Thurston was postponed until today because of cold weather and poor track conditions.

250,000 Trout to Be Planted

LANSING (AP)—Fish hatchery workers will plant 250,000 legal sized trout in Michigan lakes and streams this month before the opening of the trout season April 27, the state conservation department said today.

Another 1¼ million trout, including brook, brown and rainbow, will be released through the spring, summer and autumn months.

Together with trout already planted, they'll be targets for the estimated 235,000 anglers who will go after trout this year.

The fish are being trucked in from most of the state's 20 hatcheries and rearing stations to hundreds of release points throughout the state.

Gonzales, Segura in Pro Net Final

CLEVELAND (AP)—For the third year in a row the Panchos—big Pancho Dick Gonzales and little Pancho Francisco Segura will battle it out in the final of the professional tennis tournament at the Arena tonight.

★ ★ ★

The two Los Angeles netters won semifinal matches last night. Segura disposed of Ken Rosewall of Australia 6-2, 6-3, and Gonzales came from behind to win a struggle with Tony Trabert of Cincinnati, 3-6, 11-9, 8-6.

★ ★ ★

Gonzales, who is shooting for his fifth championship here, lost to Segura in the 1952 final but beat the 36-year-old shotmaker from Ecuador in 1955 and 1956.

Skinner Set for 1957-58 Season as Wing Leader

DETROIT (AP)—If there ever was a question about it, it's solved now: Jimmy Skinner will remain as coach of the Detroit Red Wings.

Jack Adams, General Manager of the National Hockey League club, said last night: "He'll be back. We've already agreed to terms."

There had been speculation that the three-season coach might not be retained following Detroit's defeat by Boston in the Stanley Cup semi-final playoffs.

Saturday's Races Focus Eyes on Kentucky Derby

By THE ASSOCIATED PRESS

Three-year olds, with hopes of moving onto greater glory and riches, hold forth in the most important races on the American turf tomorrow.

With their trainers and owners thinking definitely in terms of the May 4 running of the Kentucky Derby at Churchill Downs, the 3-year-olds will get tests in $25,000-added mile and one - sixteenth events — the Gotham at Jamaica and the Biscayne Bay Handicap at Gulfstream Park. There also is the six furlongs of the $10,000 Chesapeake Trial at Laurel.

Most important, at least from a numerical standpoint, is the Gotham. It'll be a test for such promising colts as Ambehaving from Mrs. Richard DuPont's Bohemia Stable, Leo Edwards' speedy King Hairan, Mrs. A. L. Rand's Clem and Double X and John A. Morris' Missile.

The "big" horse in Gulfstream's feature is Clifford Lussky's Federal Holl, who like King Hairan is a speed demon. Federal Hill, a definite Kentucky Derby starter barring a mishap, picks up top weight of 126 pounds. It was the Kentucky - bred son of Cosmic Bomb who set a burning early pace as Gen. Duke matched the world record for 1⅛ miles in the Florida Derby.

Mrs. Walter M. Jeffords, Bakht, not eligible for the Derby but a candidate for the Preakness and Belmont Stakes, is the probable choice over such Derby nominees as Pro-Brandy, and Dark Trust in the Chesapeake Trial. Bakht is a full brother of One Count, who skipped the 1952 Derby, ran third in the Preakness and then won the Belmont.

Meanwhile, Gen. Duke, likely favorite for the Derby, was out for his first work since arriving at Keeneland from Florida. He went three furlongs handily in 35 3-5 seconds. Trainer Jimmy Jones is thinking of giving his star and stablemate Iron Liege their final Derby preps in the mine of the Derby Trial April 30.

Trotters Trim All-Stars for Tenth Time, 79-73

LOGAN, Utah (AP)—Dick Heise of DePaul University hit 21 points but it was not enough and the Harlem Globetrotters beat the College All-Stars 79-73 last night.

It was the Trotters 10th victory against two losses in the 19-game cross-country tour of the two teams. They will meet tonight in San Francisco.

Dane Keeps Singles Title

SPOKANE, Wash. (AP)—Finn Kobbero, the great Dane of the badminton court, retained his singles crown with smashing style in the U.S. open tournament here last night and then teamed up for wins in the men's and mixed doubles championships.

★ ★ ★

Kobbero defeated Eddie Choong of Malaya in the men's singles final, 15-10, 2-15, 15-4.

Red-haired Judy Devlin of Owings Mills, Md., also was a triple-title winner. She defended her singles crown by defeating Margaret Varner of Boston, 11-2, 11-0. She teamed with her sister, Susan, to win the women's doubles title from defending champions, Miss Varner and Dorothy O'Neil of Norwich, Conn., 7-15, 15-7, 15-5.

★ ★ ★

Then Miss Devlin and Kobbero combined talents to beat Ethel Marshall, Eggertsville, N.Y., and Bob Williams, Lewiston, N.Y., 15-0, 15-9, in mixed doubles.

Kobbero teamed with countryman Jorgen Hammergaard Hansen to win the men's doubles. They swept past Choong and Bert Fergus of Vancouver, B.C., 15-12, 15-2.

'M' Ready for Football Drills

Spartan Nine in Home Debut Against Titans

EAST LANSING (AP)—Coach John Kobs will be looking for a tame type of pitcher when his Michigan State baseball team opens its home season against the University of Detroit here Saturday.

The Spartans had a better than .500 average in their Florida training trip, winning six, losing five and tying one.

★ ★ ★

But Kobs was complaining that his pitchers were wild as March hares during the Florida warmup to the regular season.

Kobs planned to use three pitchers in three innings each during the game at old college field.

Ron Perranoski, who had a 3-1 record to lead the hurlers, will start.

Grid Practice Starts Monday at Ann Arbor

20 Days of Workouts to End With May 11th Scrimmage Game

ANN ARBOR — Spring football drills get underway at the University of Michigan Monday with much of the interest focused on new prospects to help replace graduation losses of such players as Tom Maentz, Ron Kramer, Al Sigman and Terry Barr.

★ ★ ★

The 20 practice sessions permitted under NCAA rules will conclude Saturday, May 11, with the annual game-length scrimmage in Michigan Stadium. This will be open to the public without charge.

As usual at Michigan, the spring session will be optional for lettermen, with emphasis on prospective sophomores and reserve players from last season.

Twenty-four of 36 lettermen from 1956 will be available in September but only a relatively small group is expected to participate regularly in spring drills.

★ ★ ★

Several lettermen are on the baseball squad, including John Herrnstein, fullback; Bob Ptacek, halfback; Gene Snider, center, and Jim Dickey, quarter or fullback. Jim Pace, regular tailback, will be a sprinter with the track squad. Several of last year's reserves also are on the diamnod squad.

Principal problems confronting Coach Bennie Oosterbaan and his staff, including Chalmers "Bump" Elliott, new backfield mentor, will be development of the right halfback and end positions along with reserve line power.

Among newcomers who will undergo close scrutiny by coaches this spring will be Darrell Harper of Royal Oak and Jim Vollmar of Wyandotte at the tailback post and Gerald Smith, Detroit, at fullback.

★ ★ ★

Quarterback prospects who will bear watching include Stanton Noskin of Chicago; Dave Brown, 185 pounder from Battle Creek and Jim McPhersen of Herrin, Ill.

Weekend Fishing Fever to Depend on Weather

ALL OUTDOORS, Mich. (INS)—Fishing fever reached a new high this weekend in southern Michigan waters.

Conservation department workers said that if spring weather conditions improve a little "boom fishing" can be expected this year. Encouraging reports have been coming in from angling hot-spots.

Pointe Pelee is beginning to buzz with smelt dipping activity. There are "beginning runs" of smelt coming in from Lake Erie.

Smelt on the Michigan side of the great lakes waters are moving in looking for cut-ins and inlets in which to spawn, but on Canadian shores smelt already are depositing their eggs on open banks.

For the peak runs, water must be around 42 degrees before these tasty little fish move en masse.

★ ★ ★

A few days of warm weather could trigger off the big spring movements.

A commercial fisherman said today that "literally thousands and thousands of smelt are sitting in two to four feet of water about 300 feet from the East Tawas shore." He said the water temperature is about 39 degrees and fish-eating birds are "living it up on the smelt."

★ ★ ★

Northern Pike are moving in the Huron River and anglers are beginning to show results. George Pfeiffer of Livonia said "some big Northerns" were caught this week in parts of the Rouge River and waters near Northville.

★ ★ ★

Winds are still too strong for top-notch perch fishing along lake Huron. High winds and roiled water are keeping the creel empty in most spots, but dock fishing along the Clinton river spillway to the mouth of the river is good.

LL Group Votes Today on Plan for Trust Fund

CHICAGO (AP) — Delegates to the second annual Congress of Little League Baseball today will vote on a master fund for a foundation which will have a million dollar working capital.

★ ★ ★

P. J. McGovern, national Little League president, disclosed at yesterday's opening session of the three-day congress plans for the "trust fund" to meet an approximate annual national level deficit of $50,000.

★ ★ ★

In the past a rubber company has met the deficit which is incurred in conducting the national program for some 700,000 Little Leaguers between eight and 12 years of age.

Who Said Golf Was Hard?

First Swing Produces Ace

You can't blame Howard Ingles for looking forward to the golfing season with great enthusiasm.

Ingles, a locker room attendant at Edgewood Country Club, fired a hole-in-one Wednesday at his employer's course on his 1st swing this year. And he did it with a ball, at that.

Wayne Bitel, Harvey Brown and Dick Hilt were on the 10th tee when Ingles decided he'd like to take a whack at the ball. He got the use of a 7-iron and sank his 1st shot of the spring on the 145-yard hole.

Ingles was so overjoyed with his ace that he promptly went into the locker room and got his own clubs. Then he joined the threesome and played an 18-hole round. He carded an 85.

Professional golfers, and amateurs with a handicap not exceeding five strokes are eligible to qualify for the United States Golf Assn's women's open championship. The entry fee is $10.

Top Sluggers Sharpen Batting Eyes

By THE ASSOCIATED PRESS

"Home runs — Ted Williams, Mickey Mantle, Willie Mays, Stan Musial."

Major league baseball fans will be seeing these entries in big league box scores once the season gets underway next week . . . not all in the same summary, of course, but very likely each will connect on the same day.

It happened yesterday.

Take these four and throw in Duke Snider of Brooklyn, Ed Mathews and Joe Adcock of Milwaukee, Frank Robinson and Ted Kluszewski of Cincinnati and Yogi Berra of the Yanks and you've got the game's leading home run hitters.

★ ★ ★

Williams has walloped 418 homers in 15 seasons with Boston. He's fifth on the all-time list topped by Babe Ruth's 714, Jimmy Foxx' 534, Mel Ott's 511 and Lou Gehrig's 494.

★ ★ ★

Mantle has 173 to show for sx seasons with the Yankees. Mays has 152 in five years with the New York Giants and Musial, who has won six National League batting championships, has slammed 352 homers in 15 campaigns with the Cardinals.

Only Musial's circuit blow did his team any good in yesterday's exhibition games. He stroked it off Billy Pierce as the Redbirds blanked the Chicago White Sox 5-0 behind the nifty pitching of Lindy McDaniel and Willard Schmidt. Hobie Landrith also homered for St. Louis.

★ ★ ★

The home run by Williams was only one of two hits collected by the Red Sox off the combined efforts of rookie pitchers Jack Sanford and Angelo LiPetri of the Philadelphia Phils. Philadelphia won 7-1 with help from four unearned runs.

Mantle and Hank Bauer connected for the Yankees, but the world champs dropped a 6-5 verdict to their Richmond, International League, farmhands. Richmond rallied for two runs in the last of the ninth to win.

★ ★ ★

Mays' homer spoiled an otherwise brilliant five-inning effort by Early Wynn, who made his first appearance of the spring. The Cleveland pitching mainstay had been bothered by a hip injury. The Indians came up with two runs in the ninth to break a tie and win 6-4. Hal Naragon's single scoring Jim Busby was the game-winner.

★ ★ ★

Home runs also played a major part in other games.

George Crowe blasted a three-run homer in the eighth inning to give Cincinnati a 7-4 victory over Washington. The triumph gave the Redlegs a 7-3 margin over the Senators in their training series.

LOS ANGELES—There are 5,358 golf courses of all types in the U.S., according to the National Golf Foundation. About 155 new courses were added during 1956, scattered throughout the country.

Ossie Bluege, former Washington third baseman, scouts for the Senators.

Hawks Nip Celtics, 96-94

ST. LOUIS (AP) — "There is no pressure on us," said the jubilant St. Louis Hawks as they headed for the seventh and deciding game against the Boston Celtics in the National Basketball Assn. playoffs.

Cliff Hagan's last-gasp tip-in beat the Celtics 96-94 last night and tied up the series at three games apiece.

★ ★ ★

The final is at Boston Saturday afternoon.

"We weren't supposed to be up here two months ago," declared Alex Hannum, player coach and chief cheer leader of the Hawks.

It was the third last-minute defeat for the Celtics, favored to win the final playoffs easily. In last place at mid-season the scrappy Hawks now are one game from the $10,000 prize.

★ ★ ★

The Celtics cancelled a victory party last night. They still were grimly determined and confident.

"We will be ready for them," said Coach Red Auerbach. "We should win — we definitely have the best club."

Hannum noted the Hawks have won the three games in which they out-rebounded Boston and lost each time they were beaten under the boards.

★ ★ ★

He switched his line-up last night, starting veteran Jack Coleman at center and sending Bob Pettit and Hagan to the forward posts.

Pettit snagged 23 rebounds, Hagan 20 and Coleman 17, giving St. Louis an 83-72 edge. Boston's 6-10 Bill Russell grabbed 23, giving him an NBA playoff record of 212 for nine games, five more than George Mikan of Minneapolis pulled down in 12 games in 1952.

★ ★ ★

"We have everything to gain and nothing to lose," Hannum said. "We know we can win in Boston."

The Hawks won the opener in Boston 125-123.

Pro Net Troupe Plays at U. of D.

Pancho Gonzales and Ken Rosewall, two of the greatest names in modern tennis, will meet in the feature attraction of a three-match program at the University of Detroit Memorial Building Saturday night at 8:15.

The powerful Gonzales currently holds a 32-15 edge over Rosewall in their international tour, but even when winning has had to go the limit to subdue the little Australian who last year won the United States singles title before turning pro.

This will be the only stop in the Motor City this season by the tennis nomads.

2 Women Tied for Golf Lead

DALLAS (AP)—A couple of pretty blondes—Ruth Jessen of Seattle, Wash., and Bonnie Randolph of Naples, Fla.—led the $7,500 Dallas women's open into the second round today in search of their first tournament victories.

★ ★ ★

Miss Jessen, fresh out of college where she played on the men's team, and Miss Randolph, 29-year-old veteran of the women's golf tour, each shot a 2-under-par 69 yesterday to tie for the lead after the first 18 holes.

★ ★ ★

They held only a one-stroke lead over Louise Suggs of Sea Island, Ga., one of the top players in women's golf for a decade, and Wiffi Smith of St. Clair, Mich., who won the British and French women's amateur titles before turning pro.

Jones Is Favored Over Chico Vejar

SYRACUSE, N.Y. (AP) — Fifth-ranked Ralph (Tiger) Jones ruled a 3-1 favorite over Chico Vejar for tonight's middleweight clash of television favorites.

Jones, a toe-to-toe slugger from Yonkers, N.Y., was expected to weigh in at 156, about three pounds more than the former drama student from Stamford, Conn.

It will be the 31st television appearance by Jones and the 26th for Vejar.

Knockout Spoils Debut

LOS ANGELES (AP) — Los Angeles' Jimmy Hornsby spoiled the local ring debut of Felix (Sapo) Ortega last night, knocking out the brother of welterweight contender Gaspar Ortega in 2:55 of the fourth round of a scheduled 10-rounder. Hornsby weighed 134, Ortega, of Tijuana, Mexico, 136.

Returns Home After 42 Years

GAINESVILLE, Ga. (AP)—After an absence of 42 years, a Gainesville man has returned to find his wife remarried and widowed while he was away.

Egbert B. Maxwell, 72, left his wife and 6-year-old son in 1915 to get a job in Montana. He wrote a letter to her a year later saying he would be home soon, but that was the last she heard from him.

The wife, now about 70, said she believed him dead and under state law was free to marry again after 1922. She married M. D. Singleton in 1925. He died in 1944.

Maxwell returned to Gainesville Monday and received a warm welcome from his wife, now Mrs. Singleton, and their son, Alvin, with whom she lives. However, Maxwell went to stay with a brother, D. C. Maxwell, in Dahlonega, 20 miles north of here.

The only plans for the long-separated family so far are to have dinner together later this week, probably Saturday.

Mrs. Singleton said her husband had received a head injury while away and "couldn't remember things too well."

New Program in Health Study

Welfare Department Asks 5-Year Grants to Medical, Dental Schools

WASHINGTON (AP)—The Welfare Department today proposed a 225-million-dollar program to help medical and dental schools build more research and teching facilities.

★ ★ ★

It announced it was asking Congress to authorize a five-year program of grants in place of a three-year, 90-million-dollar program approved by Congress last year for health research facilities alone.

★ ★ ★

Secretary of Welfare Folsom said that under the new proposal 195 million dollars would be earmarked for medical facilities and 30 million for dental facilities. Recipients of grants would have to match the federal aid 50-50.

★ ★ ★

Grants to other institutions could be used only for research facilities.

Folsom said the need for medical research scientists, physicians, dentists and other skilled personnel in the health fields is increasing faster than the capacity of medical schools to train them.

Enlisted Man Saves Jet After Pilot Blacks Out

SAN DIEGO, Calif. (AP)—Navy officials say an enlisted radar man with no experience as a pilot saved a jet plane from crashing after its pilot blacked out 40,000 feet above Los Angeles.

★ ★ ★

The unidentified pilot of the F3D Skyight interceptor became sick on the flight and vomited into his oxygen mask. Unconsciousness at that altitude comes in about 30 seconds without oxygen.

William Howard, 21, Big Pine, Mo., seized the controls and brought the plane to a lower altitude, where the pilot again took over.

Couple Remarry After Acquittal in Love Slaying

PHOENIX, Ariz. (AP) — "We've never really stopped loving each other."

That's how a young couple explained their remarriage last night—less than six hours after the husband was acquitted in the slaying of his ex-wife's lover.

★ ★ ★

After the ceremony in Orangewood Presbyterian Church, Robert Earl Sutton, 29, a Dallas oil promoter, and dark-haired Freddie Davis Sutton, 26, left for San Diego, Calif., where their three children have been staying during Sutton's five-day trial.

★ ★ ★

A Maricopa County Superior Court jury acquitted Sutton of first-dgree murder in the fatal shooting of a onetime friend, William K. Boone, who became a love rival after the Suttons separated.

Boone, 28, a former disc jockey, was shot Dec. 4 outside Mrs. Sutton's home, and died 32 days later.

Sutton admitted shooting Boone in trial testimony but said it was in self-defense.

Owner Breathes Air Into Nostrils of Pony

PASO ROBLES, Calif. (AP)—Midnight Miracle an aptly named Shetland pony, is alive today because her owner literally breathed life-giving air into her nostrils.

The colt was born limp, and with no sign of life, after the mother quit trying to deliver it after a 1½-hour struggle, Owner Vic Daley, who helped accomplish the delivery, tried artificial respiration, then blew his own breath into the baby's nostrils.

★ ★ ★

A few hours later, Daley reported proudly, "The little filly was nursing from her mother as normal as any other colt. It was a miracle."

Youthful Robin Hood Puzzled by Women

SALT LAKE CITY (AP)—Police Desk Sgt. E. N. Olson heard a quiet click in his ear after he explained to a young male phone caller that it is illegal to shoot arrows in the city.

The boy wanted Olson's opinion on whether arrows could be recovered from a neighbor woman's yard.

The voice explained the woman had been asked for the arrows and added: "She got mad when I told her one was in her cat!"

Nautilus Refueled

GROTON, Conn. (AP)—The atomic submarine Nautilus is at sea once more today — after her first refueling. The Nautilus, which started cruising Jan. 19, 1955, traveled 60,000 miles on her first charge of nuclear fuel — "about the size of a softball," the Navy says.

Ike OKs Reduction in Soil Bank Budget

WASHINGTON (AP) — President Eisenhower today told Congress it can cut 254 million dollars from the $1,254,000,000 he asked to operate the soil bank program in the 12 months beginning July 1.

This reduces his budget request for the program to an even billion dollars.

Presidential press secretary James C. Hagerty said that the change resulted from a detailed study of operations of the soil bank program which has just been completed.

This study showed, he said, that "the financial needs of the program in 1958 will be less than was contemplated at the time of the preparation of the 1958 budget."

Eisenhower notified Congress of the changed estimate in a letter to House Speaker Rayburn (D-Tex).

Hollywood Headlines

Audrey and Yul Wanted for 'Rapture in My Rags'

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — Andre Hakim's excitement was contagious even via the cablegram he sent me from Paris saying that he has beat out Hecht-Hill-Lancaster and Carol Reed for the rights to "Rapture in My Rags."

Andre says, "It's perfect for Audrey Hepburn and Yul Brynner and I'm going to move heaven and earth to get them."

"Rapture in My Rags" (a strange title) is a new novel by Phyllis Hastings and is a hot seller in England. It's the offbeat story of a farm girl with no one to love who falls in love with a scarecrow until a cynical farm laborer comes along and she transfers her affections to him. Has a mood of fantasy a la "Lili."

Hakim, who is married to Susan Zanuck, will make the picture for his independent company under the 20th Century-Fox banner.

When my good-looking young friend, Bob Kenaston, son of Billie Dove and Bob Kenaston, started talking about a movie career several years ago, I didn't take him too seriously. And, I don't think Billie (one of the great beauties of the silent screen) and his father did, either.

Well, he's fooled us all. After a training period playing small roles on both the screen and TV, he gets a top spot with Clark Gable and Doris Day in "Teacher's Pet" for Perlberg-Seaton at Paramount.

Bill Perlberg is particularly high on young Kenaston and he says he's giving him this chance to prove himself because of the excellent job he did with Tony Perkins in "Tin Star."

CONTRACT FOR JEFF

The reason for that big smile on Corinne Calvet's face these days is that her husband, Jeffrey Stone, has just signed a long-term contract with U-I where he has just finished "The Girl in the Kremlin"—and with a big boost in salary.

Jeff kicks off the new deal by co-starring with Keith Anders in "Damn Citizen!" for producer Herman Webber.

When you think of it, Jeff has had a strange career in Hollywood. "Damn Citizen!" will be just the second picture he has made in this country in five years.

When his career sagged in Hollywood five years ago, he went to Europe where he obtained steady work in movies and TV films. Until he married Corinne he had no intention of returning to Hollywood. Now look what's happened.

We'll know who gets the coveted "Marjorie Morningstar" role no later than next week. This comes straight from producer Milton Sperling who tells me that the field has narrowed down to three, Shirley MacLaine, Natalie Wood and Claire Bloom.

SUIT DROPPED

Snapshots of Hollywood collected at random: Jayne Mansfield's boy friend, Mickey Hargitay, tells me he's dropped the suit he brought last year in Washington, D.C., against Mae West and Chuck Krauser brought on when Krauser took a swat at him backstage. Mickey says he can't be bothered.

The girl seems to really like more mature dates—I mean Kathy Grant, who used to be Bing's big moment, is now dating John West, NBC executive, who has a couple of children approaching her age.

It's all quiet again on the Kim Novak - Mac Krim front. They took Mac's sister and brother-in-law to the premiere of "Designing Woman"—all very family style.

Hollywood's really jumping with premieres. Tonight, "The Spirit of St. Louis" makes it's bow at a black-tie event followed by a big party at the Mocambo (Frank Sinatra will put on an extra show) hosted by Jack Warner.

Tommy Sands is a teenage combo these days with Gigi Perreau.

Profit-Taking Lowers Grains

CHICAGO (AP) — Grain futures started out as though they might continue their rally on the board of trade today, but prices soon slipped a ibt under profit-taking sales.

May wheat held fairly firm on continued heavy shipments of wheat out of Chicago. Some early corn buying was influenced by lack of CCC sales and movement of corn from Chicago.

Some selling came into the soybean pit because of an increase in arrivals in Chicago, compared with movement of beans out of the market.

Near the end of the first hour wheat was ⅛ higher to ⅜ lower, May $2.25⅛, corn was ¼ higher to ½ lower, May $1.29½, oats were unchanged to ⅜ higher, May 72⅛, rye was ¼ to ⅝ lower, May $1.32¼, soybeans were ⅛ to ½ lower, May $2.43¼, and lard was unchanged to 5 cetns a hundred pounds lower, May $14.87.

GOP Readies for '58 Elections

Alcorn Tells Conference to Avoid Fancy Words, Fanciful Hopes

OMAHA (AP)—Midwest Republican leaders were told today to "get down to specifics" in the 1958 congressional campaign.

"We don't want fancy words or fanciful hopes; we want election victories," National GOP Chairman Meade Alcorn said in a prepared speech opening the first general session of a planning conference.

Represented are Minnesota, the Dakotas, Iowa, Nebraska, Kansas, Oklahoma and Colorado, states in which the GOP lost three congressional seats and one senatorship last year.

★ ★ ★

Alcorn told the Republican leaders not to congratulate themselves on past victories, not to indulge in unrealistic forecasts or predictions and not speak in "vague, general or equivocal terms about issues of the day. We are here to get things done."

★ ★ ★

He said they should talk about "farm problems, budget problems, foreign policy problems and all of the other issues of national, regional state or local interest, which will have any effective bearing upon the conduct of a successful campaign."

★ ★ ★

After today's general session highlighted by a telephoned message from President Eisenhower, the party leaders split into five committee groups to discuss how to increase Republican leadership in the Senate, House, state and local governments; how to strengthen party organization and structure at state levels; and the value of a unified plan to be carried out on a national basis.

Alcorn said yesterday in a news conference that the "most intensive campaign in our party's history' already is under way, at the earliest date either major party ever has started a campaign.

★ ★ ★

He said he isn't afraid of the size of the administration budget so long as it represents essential services. He praised Postmaster General Arthur Summerfield for "meeting the Democratic-controlled Congress head on" when, he said, the Congress attempted to "hack out' an essential service from the Post Office Department.

Order Autopsy in Gun Death

Pontiac Woman Admits Shooting Man as He Forced Way Into Home

An autopsy will be performed today on Dave Bowman, 34, of 40 Bagley St. who died in Pontiac General Hospital yesterday of shotgun wounds.

George F. Taylor, chief assistant prosecutor of Oakland County, said today "From all of the facts and circumstances of the case, the shooting appears to be in self-defense."

He said police would continue to hold Mrs. Mary Willie Burton, 39, of 494 Grant St., for investigation until tomorrow.

The autopsy was ordered by Dr. Harry L. Riggs, deputy coroner.

Bowman was found by police in an auto in front of the woman's home about 10:40 a.m. yesterday after the shooting was reported.

Detective Sgt. Allen Noble said Mrs. Burton had contacted him Wednesday seeking police protection and advice.

She admitted she shot the man with a .12 gauge shotgun as he attempted to enter her bedroom through a window after she refused to open the door, Noble said.

Ike's Brother to Be Good Will Ambassador

WASHINGTON (INS)—The White House has announced that Dr. Milton Eisenhower, the President's brother, will make a two-week good will visit to Mexico in June as the chief executive's personal representative.

Milton, president of Johns Hopkins University, will carry the personal rank of ambassador during the trip, which is being made at the invitation of Mexican President Ruiz Cortines.

Three Persons Hurt in Two-Car Collision

Three persons yesterday were injured in a two-car collision on U.S. 10 at White Lake road in Independence Township.

Taken to Pontiac General Hospital were Leroy Israel, 45, of 1808 Marlowe, Flint, and his wife, Mary, 48. Israel was treated for chest injuries and released. Mrs. Israel remains in satisfactory condition in the hospital with a fractured left arm.

Driver of the other car, George Harris, 104 N. Main St., Clarkston, was treated for a fractured rib and released. State Police said Harris has been issued a ticket for reckless driving.

AAA Keeps Account of License Sales

Automobile Club of Michigan offices in Pontiac and 13 other communities will henceforth do their own bookkeeping in the sale of license plates, Secretary of State James M. Hare announced today.

The move, saving $40,000 to $50,000 a year, Hare said, will have the offices reporting directly to Lansing instead of local fee offices.

Other offices affected are in Adrian, Bay City, East Dearborn, West Dearborn, Detroit (Mack avenue), Ferndale, Hamtramck, Lincoln Park, Monroe, Port Huron, Redford, Wayne and Ypsilanti.

Viet-Nam will have a scooter factory.

Court Hearing Set in Pontiac Shooting

Grady Lee Miller, 33, of 10237 Alton Ct., Ferndale, was scheduled to appear today in Municipal Court on a warrant charging felonious assault with intent to murder.

His victim, Pontiac State Hospital attendant Preston Bell, 25, of 15460 Winder St., Detroit, was in satisfactory condition at Pontiac General Hospital today.

Pontiac Police report Bell was shot three times in the right arm and once in the back yesterday afternoon on the grounds of the Pontiac State Hospital.

Miller told police he intended to shoot another man he believed to be a boy friend of his wife's. Bell was in the "friend's" auto when he was shot.

Sugars Lead Mixed Market

NEW YORK (AP)—Sugars and other selected issues made gains in an otherwise irregular stock market early this afternoon. Trading was moderately active.

★ ★ ★

There was a slight lift to the upside among industrial issues despite profit-taking which began yesterday following four straight days of advance.

But the general pattern among key stocks was patchy. Gains and losses ran from fractions to a point, generally. Specialities made wider moves.

★ ★ ★

Sugars continued their rise of buying. They were bolstered further today by reports Japan was in the market. The world sugar futures market was firm. Sugar shares, however, were not traded heavily.

★ ★ ★

In the steels, Lukens erased a loss of a point early in the session on profit - taking following this week's leap. U. S. Steel steadied. It was down 1 yesterday. Bethlehem and Republic Steel, however, were easy.

★ ★ ★

In the mixed motor group, Chrysler advanced about a point but General Motors took a small loss. Ford and Studebaker-Packard eased.

13 Teenagers Confess Burglaries, Car Thefts

DETROIT (AP) — Police Sgt. Tim Hutcherson said today that 60 burglaries and 100 car thefts have been confessed by 13 teen-aged Northeast Detroit boys.

★ ★ ★

Hutcherson said the boys, aged 14 to 17, admitted committing the crimes over a period stretching back to last August. He said they used the cars for joyrides and stole cash and merchandise worth $3,000 in Northeast Detroit and Southern Oakland (Pontiac) County.

Hutcherson said four of the boys were caught Sunday in a supermarket and implicated the others.

Groucho Marx Relates His Secret of Success

By EARL WILSON

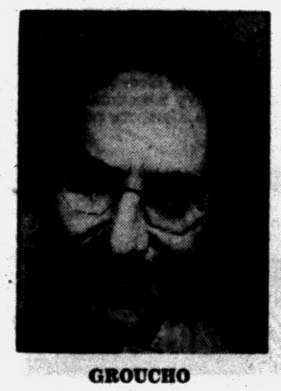

LAS VEGAS—I've been trying to give Groucho Marx a cocktail party, and he promised once he'd come—if I didn't.

★ ★ ★

But here he invited me to lunch. I looked more analytically at him.

Why is it that his TV show goes on and on, whereas Milton Berle, Sid Caesar, Jackie Gleason, Herb Shriner and other younger men are uncertain about what they'll be doing for you folks out there in Videoland next year?

It may be because he's a low-pressure entertainer, a man who shies away from crowds and cocktail rassles . . . and big variety shows.

GROUCHO

"The secret of success in TV"—and he was pouring salt and pepper on his poached eggs—"is not to have anybody watching you. I'm achieving perfection in that."

"What are you doing in Las Vegas anyway?"

★ ★ ★

"This morning I was reading Boswell's 'Life of Johnson.'"

"You shouldn't try to resurrect wit," he said, wagging his head. "In Boswell's book somebody says he comes out of Scotland. Somebody else says, 'Everybody should come out of Scotland.' Try to get by with that on television."

"You and Jack Benny have still never won an Emmy," I said.

"What's so funny about that? We never won an Oscar, either. But I'd rather have my sponsor pick up my option than get an Emmy."

Foreign Fans Prefer Action

Musicals and Comedies Are Least Popular in Other Lands

By CHARLES MERCER

NEW YORK (AP) — American television films are going global.

In Great Britain, 4 of the 10 top audience-rated programs during December were American packages. They were Dragnet, Assignment Foreign Legion, The 64,000 Question (with neither a dollar nor a pound sterling sign), and Robin Hood (though filmed in England this is American written and planned).

★ ★ ★

The export of American TV films is becoming a big business. The president of one of the most active exporting films, Milton A. Gordon of Television Programs of America, Inc., reported the other day that in one year TPA has grossed $2,700,000 on 12 different series in as many countries.

What sort of American television filmed programs do foreign viewers enjoy most?

Gordon and Manny Reiner, in charge of TPA foreign distribution, came up with these general conclusions:

★ ★ ★

In Europe action and costume adventure series rate as the most popular. The least popular are musicals. American comedies, especially if they have any pretensions to sophistication, also are not usually popular.

★ ★ ★

In Latin America the same general patterns prevail, with especially strong resistance to any form of "drawing room" drama. The most popular single TPA program in Latin America, by the way, is Lassie, who barks in nearly every country south of the border where there is television.

Gordon pointed out that there are basic economic factors involved in the sale of American television films abroad. Every country wants to develop its own TV industry to as great an extent as possible, but in no other country are there the economic resources of the American industry.

★ ★ ★

Thus, the general difficulty of selling a series of indoor drama is based on the fact that it is easily produced in any country. But only America can produce for one example, Western action dramas with panoramic backgrounds.

Ford Renews Offer of Free School Aid

GRAND RAPIDS (INS) — Ford Motor Co. has offered the nation's schools a "no strings attaced" offer of free aid from the company's business and administrative experts.

Thomas R. Reid, Ford's director of civic affairs, who announced the offer said this is the third time such a proposal has been made "with still no takers."

— — — —

Clair Taylor, State Superintendent of Public Instruction and others attending a meeting of the Michigan Association of School Business Officials, applauded Reid's plan, but made no request for aid.

The first Ford offer was made in 1952 at a National EducationAssociation meeting and it was repeated in February, 1955, at an Educator's Conference in Lansing.

Peggy Won't Retrieve the Missing Doughnuts

PHILADELPHIA (AP)— Peggy Camac had a total of 15 dozen doughnuts stolen from in front of her luncheonette on five different occasions. Police had watched for the early morning thief without success.

★ ★ ★

Yesterday a motorist saw what he described as a "beautiful" golden retriever trot up to the luncheonette. The dog picked up a bag containing the latest delivery of three dozen doughnuts and trotted off.

Some 30,000,000 tons of coal a year, or 9 per cent of Britain's annual coal production comes from mines under the sea.

Statutory Rape Suspect Demands Examination

A 47-year-old Pontiac man, charged with statutory rape demanded examinaton in Municipal Court yesterday when he was arraigned before Municipal Judge Cecil B. McCallum.

David Essee May, 3230 Pine Lake Dr., was ordered committed to the Oakland County Jail until examination Wednesday after he failed to furnish a $2,000 bond.

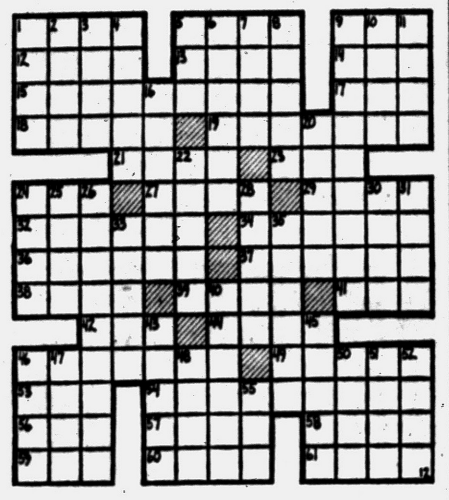

He was arrested by Pontiac detectives at 4:30 a.m. yesterday after a complaint by the mother of a 14-year-old girl.

An ice containing an antiseptic that kills baceteria as it melts has been developed experimentally for use in commercial food packing.

Answer to Previous Puzzle

Divined the Future?

HOUSTON, Tex. (AP)—George L. Noble, 88, of Uvalde, Tex., a retired vice president of the Texas Co., wrote a company official that this year's Old Timers awards dinner would be his last. Posing for photographs at the dinner last night, he was stricken ill and died 40 minutes later in a hospital.

Tomcat Causes Divorce

DENVER (AP)—Because her husband settled arguments by picking up their pet tomcat and throwing it at her, Mrs. Flossie Mae Martin won a divorce. She and her husband, Joseph, a butcher, were married in 1947 in Boise, Idaho.

Union Lets Barber Cut Haircut Price $1

DETROIT (AP) — John Mahunik dropped the price of haricuts by $1 yesterday and announced his be open six days a week henceforth.

What's more, Mahunik said, the Mt. Clemens local of the AFL-CIO Barbers and Beauticians Union has approved the 75-cent price for haircuts.

Mahunik said the cut was authorized to permit him to meet competition of a nearby shop offering $1 hair cuts except on Fridays and Saturday, when the price is $1.10. The shops are a block apart on Van Dyke.

The other shop is affiliated with the Tri-County Veterans' Barber Union Inc.

Other AFL-CIO shops are still getting $1.75 for adults and $1.50 for children on weekdays and a flat $2 rate on Saturdays.

Home Rule Sought for Washington, D.C.

WASHINGTON (AP)—The White House has expressed hope for "early consideration" by Congress of a new plan to grant home rule to the nation's capital.

★ ★ ★

The bill, submitted by the District of Columbia commissioners, would set up a territorial form of government with a governor appointed by the President and with the President having veto power over municipal legislative acts.

Washington residents now may not vote, and the city is governed by Congress. The three commissioners, appointed by the President, have only limited powers to manage city affairs.

★ ★ ★

The presidential press secretary James C. Hagerty, told reporters the Budget Bureau has advised the commissioners that "their bill is in conformity, in accord with the President's program, and that further, it follows the Republican party platform and the recommendations in the budget message that the President made concerning home rule for the district."

"We hope it has early consideration," Hagerty said.

Heads Charter Group

GRAND RAPIDS (AP)—Charles J. Lemery was named chairman Wednesday night of the newly elected Wyoming Township City Charter Commission. It was the first meeting of the group which must have its first charter drafted and placed before Gov. Williams within 90 days of the April 1 election when voters approved a proposal to incorporate the suburban township as a city.

BIRTHSTONES
5. Sapphire and Opal

There is a legend that says the sapphire, the birthstone for September, brings health and wealth to its owner and protects him from evil.

The best of these clear blue gems are found in Ceylon, where workers, like the boy shown here, wash some of them from the gravel of streams.

There is another type of sapphire called the star sapphire. This is a clouded stone with a white star-shaped mark across its face. An old superstition says a spirit is imprisoned in this gem.

The birthstone for October is the opal, a jewel which is polished smoothly and which comes in a variety of colors from milky white to a black streaked with bright colors. The latter are called fire opals and are plentiful in Mexico.

Mexicans sell fire opals to tourists. Here is a Mexican boy with a string of opals to sell.

Opals at one time were considered more valuable than they are today. They lost a lot of their value early in the 19th century when a superstition grew that they were unlucky. However, they regained some of their popularity late in that century thanks to the influence of Queen Victoria of England. The Queen liked opals very much and wore them frequently.

(Stephen Ketcham of Whiting, Vt., won $10 for this idea. Send your suggestions in care of this newspaper. Violet Moore Higgins, AP Newsfeatures.)
