

150 Birmingham Youths Will Try Out at Road-E-O for Safe Driver's Plaque

From Our Birmingham Bureau
BIRMINGHAM — Some 150 youthful drivers will vie for honors in Saturday's Teenage Road-E-O to determine the city's safest young person behind the wheel of a car.

The contest is the second annual one sponsored by the Junior Chamber of Commerce.

Six cars will be in constant operation, with the youngsters being

Additional Birmingham social news on page 31.

put through a precision-timed obstacle course, starting at 9 a. m. at the Birmingham High School parking lot.

Point earnings will be based on skill and a written test taken last week. Judging will be by the local insurance agents' association.

Selection of a boy and girl, each to receive a plaque, will be followed by a run-off to select the teenager who will compete in the state contest in Lansing on June 5. A rotating trophy is inscribed with the local winner's name. National competition will take place Aug. 10-14 in Washington.

Officer Timm of the Police Department has helped to supervise the contest, which is under the general chairmanship of Claude K. K.

With extra attraction, a sound truck has been provided for on-lookers and several new car models will be on display. Jaycee Auxiliary will sell refreshments.

This year's annual Baldwin School fair will get under way tomorrow immediately after school, with activities to include a make-up room, fortune telling booths, a bake sale and other attractions for all ages.

In the food line there will be refreshments, a coffee room and light lunches. A nursery will be provided for small children.

Carl F. Ingraham, Baldwin PTA president, has announced that 35 per cent of the proceeds will be awarded to the PTA of the new Beverly School, with the balance for the purchase of audio-visual equipment for Baldwin.

The City Commission this week asked City Planning Director Robert Boatman to prepare a resolution stating the city's objections to extending West Lincoln straight through the Mercer Farm property. The acreage is bounded by Lahser, West Maple, Cranbrook and the extension of Lincoln.

The letter is expected to be presented at next Monday's meeting, then forwarded to the Oakland County Planning Commission.

May meeting of the Business Women's Club will be held tonight at the Community House. Dinner will be served at 6:30 p. m., followed by the business meeting.

About 24 Boy Scout Troop B-5 Explorers, Scouts and dads camped out in scout tents last weekend, at Camp Howell near Brighton. Fathers in charge with Scoutmaster Thomas Austin were Robert Reid, Joseph Cook, James McCracken and Frye Ayers.

A dozen First Class Scouts will be on a canoe trip to the Huron River this weekend.

Pierce School's spring concert will begin at 8 p. m. tomorrow. Songs will be sung by the glee club and ensembles, with the orchestra presenting several numbers.

"Hand in Hand — With Our God, Our Family and Our Friends" is to be the theme of the Spring Retreat at Huron Methodist Camp Friday through Sunday, to be attended by intermediate youth of the First Methodist Church.

Police Chief Ralph Moxley will address the Barnum School PTA on "Youth in Our Community" at 8 tonight. There will be election of officers and inspection of the addition. Refreshments will be served in the new cafeteria.

Dr. Robert T. Hatt, director of the Cranbrook Institute of Science, has announced that the first plane

Keel Boys' Friends Silent in Memory

his teacher, Mrs. Mary Sadler. Both of the lads brought May Day baskets of flowers to their teachers.

Norman also was above average in his studies and was described by Alex Kish of Avondale Junior High as being outstanding at spelling.

More than 12 hours after the 3 a. m. fire, the charred ruins still smoldered.

That the boys loved animals was shown by the blackened remains of rabbit hutches. The only animals left alive were chickens. The Keels' dog died in the flames.

A bicycle with the tires burned off lay at the rear of the blackened debris. A piece of a bike was seen in the wreckage.

Mr. Keel made three attempts to rescue his sons trapped upstairs in the 1½-story house. Each time flames drove him back.

Both Mr. and Mrs. Keel suffered severe shock from the ordeal and were permitted to see only relatives yesterday.

Funeral for the brothers will be at 1 p. m. Saturday from the Stone Baptist Church and burial will be in Perry Mount Park Cemetery.

The Rev. Lawrence Dickens of Stone Baptist Church and the Rev. Tom Malone of Emmanuel Baptist Church will officiate.

The bodies are at the Dudley H. Moore Funeral Home.

Besides the parents, the boys also are survived by their grandparents, Mr. and Mrs. Herman Keel of Pontiac and Clarence Keith of Buncomb, Ill.

Phone Workers Strike Continues

Muskegon Employees Acting Against General Telephone Co.

MUSKEGON (U. S. — Long-distance operators and plant maintenance and construction workers continued a strike against the General Telephone Co. in Muskegon today. It left the city with only emergency long distance service.

Some 250 members of the AFL International Brotherhood of Electrical Workers left their jobs yesterday to support their objections to the company's vacation schedule.

Vacation differences were being processed under formal grievance procedure at the time, and M. A. Brash, General personnel manager, and William McCann, union business agent, issued a statement, saying:

"The company and union have joined in attempting to induce employees to return to their jobs pending a settlement of the dispute."

Supervisory personnel manned long distance switchboards and frequent overloads caused the company to restrict calls to those of an emergency nature. Citywide automatic dial telephone service was not interrupted.

John H. Piercy, Muskegon member of the Michigan Labor Mediation Board, sought a meeting of strikers and company representatives.

Pontiac Deaths

David Black

David Black, 91, of 69 Osmun St., died at the home of his daughter Mrs. Bernice Spencer Wednesday, after an illness of four weeks.

He was born in Scotland Nov. 1, 1862, the son of Alexander and June Cowe Black. He married Mille Belle Scheck.

Last employed as a watchman at General Motors, Mr. Black had been a Pontiac resident since 1926. Surviving are four daughters and three sons, Mrs. Jean Youngs and Myrl Black, both of Brown City, Mrs. Bernice Spencer and Mrs. Marjorie Clayton, both of Pontiac, Burton, of Davisburg, Gordon, of Clarkston, and Floyd, of Detroit.

Also surviving are 15 grandchildren, four great-grandchildren and one great-great-grandchild.

Prayer service will be held at noon, Saturday at the Farmer-Snover Funeral Home with funeral service at 2 p. m. from the West Goodland Church north of Imlay City. Burial will be in the West Goodland Cemetery. The Rev. Andrew S. Creswell of the United Presbyterian Church will officiate.

William D. Johnson

Funeral service will be held Friday at 2:30 p. m. from the Farmer-Snover Funeral Home for William David Johnson, 84, of 36 Oak Hill St., who died suddenly Tuesday. Burial will be in Oak Hill Cemetery.

Mr. Johnson, a retired farmer, had been a Pontiac resident for 72 years, coming here from Canada.

Richard H. Johnson

Richard H. Johnson, 69, of Chasell, formerly of Pontiac, died Wednesday at St. Joseph Hospital, Hancock, after a nine day illness. He was born in Calumet Nov. 7, 1864, the son of Peter and Bertha Johnson. He married Anna A. Ruokola in 1908. She died last year.

Surviving are two sons and two daughters, Mrs. Michael McSkulin and Doris Marie, both of Pontiac, Edwin L., of Fort Lauderdale, Fla., and Harry P., of Auburn Heights.

Other survivors include two brothers and two sisters, Mrs. Andrew Pyykonen, of Chasell, Mrs. Julia Mattson and Edward, both of Calumet, and Frank Johnson, of Laurium. Six grandchildren also survive.

Funeral service will be held Saturday at 1 p. m. from the Voorhees-Siple Chapel with burial in Oakland Hills Memorial Cemetery. The Rev. W. Howard Schoof of the First Baptist Church will officiate.

John T. Kennedy

John Thomas Kennedy, 74, of 362 Oakland Ave., died at the Pontiac General Hospital, yesterday after a three-year illness.

He was born in Barnsville, Miss., on July 4, 1879, the son of Thomas and Mary Jane Kennedy. He married Mattie Van Cleave in Caruthersville, Mo., on Dec. 1, 1922.

Mr. Kennedy, a city resident for 27 years, was a retired farmer.

Surviving besides the widow are a daughter Mrs. Pearl McNairnie of Ferndale, nine grandchildren, nine great-grandchildren and a sister Mrs. Emma Jones of Caruthersville, Mo.

Funeral will be Saturday at 3 p. m. from the Kirby Funeral Home. Burial will be in White Chapel with the Rev. Kenneth Hutchinson of the First Church of the Nazarene officiating.

Sybil Smith

Miss Sybil Smith, of 102 E. Walled Lake Dr., formerly of Pontiac, died at St. Joseph Mercy Hospital, Wednesday.

She was born in Novi, the daughter of Hyde and Louise Smith.

Miss Smith was a member of the All Saints Episcopal Church, and belonged to Guild 10 there. She also was active in the Walled Lake Civic Welfare Club and the Walled Lake Inter-Lake Garden Club.

Surviving are five sisters and

a brother, Clyde, of Canada, Mrs. Agnes Harmon, of Pontiac, Mrs. Russell Jackson, of California, Mrs. G. O. Wiley, of Detroit, Mrs. Celinda Beckman and Mrs. Neelie Carnes, both of Walled Lake.

Funeral service will be held Saturday at 2 p. m. from the Richardson-Bird Chapel, Walled Lake, with burial in Walled Lake Cemetery. The Rev. C. George Widdfield of All Saints Episcopal Church will officiate.

Local 600 Officer Tells of Red Tieup

(Continued From Page One)
The party directive which he called "the most important evidence this committee has come across."

The document called on all party members to concentrate on infiltrating the auto industry, particularly General Motors and Ford plants. It called a "drastic improvement in the work among General Motors workers" a "pre-condition" to advancing the party's foothold in the industry.

It called the Saginaw Valley-Flint, Saginaw and Pontiac—the "heart of the GM empire" and referred to Flint as "the key to striking a powerful blow against social democracy." (At another point the document referred to Walter Reuther, CIO and UAW president, as leader of the social democrats.)

The document said the Ford Rouge plant, because of its concentration of Negro and foreign-born workers, is the "greatest potential force for peace, democracy and socialism in Wayne County."

High-pitched sounds, can extinguish a flame.

Pontiac Votes in June on School Tax Hike

(Continued From Page One)
\$7.75 mill part of the new program would begin. The last tax levy in the new program would come in July 1964.

Both J. C. Cox, assistant superintendent of schools, and board member Louis H. Schimmel said there will be more than 23,000 children in Pontiac schools 10 years from now. Enrollment now is nearing 17,000.

At Cox's estimates, the 48-room high school would cost some \$2,000,000; the 48 junior high classrooms, \$2,000,000; the 115 grade school rooms, \$4,500,000 and the 10 multi-purpose rooms, \$1,000,000.

"You can't plan to build grade school classrooms and put desks and equipment in them, over the next 10 years, for less than \$35,000 per room," he said.

"And you can't plan for junior and senior high classrooms for less than \$40,000 each. The rooms are larger; and the schools have to have gym and auditorium facilities."

All of the new facilities mean additional teachers, board members point out, and salaries are coming to rise, which accounts for the need for substantially more money each year to meet operating costs.

Bad Weather Hits Italy

ROME (U. S. — Bad weather, ranging from wintry snowstorms in the Alps to torrential rain in the south, covered Italy today. Drifts up to six feet deep were measured in the Dolomite mountain regions near Trent.

Before printing began in Europe handwritten and found by the in the 15th century, books were monks.

Woman Studies Mail Transport

Technical Study by 1st
Female on Policy Level
Aimed to Cut Cost

WASHINGTON (UP)—One of Uncle Sam's officials trying to save money for the post office department is a woman whose appointment broke a tradition in the mail service.

Dr. Beatrice Aitchison is the first woman ever named to a policy-level position in the department. Appointed last summer, she was chosen because of her experience as a transportation specialist for several other government agencies.

Dr. Aitchison's job is to help postal officials do a better job of buying mail transportation, which now costs nearly \$600,000,000 a year.

She believes the technical study she's directing "can save a lot of money."

One of her projects is to find where mail is being carried at a loss—by railroad, truck or other means—so it can be shifted to a more economical method. Another is to find ways to reduce the number of times mail is handled on a cross-country trip to cut both costs and travel time.

Dr. Aitchison plans several experiments. One, already being tried, is testing lightweight

orange nylon mail bags as a possible replacement for heavy canvas sacks for air mail, where the department is charged by weight.

Dr. Aitchison, brown-haired, brown-eyed and vivacious, got into transportation work "through the back door" as a statistician. Her title stems from her doctor of philosophy degree in mathematics from Johns Hopkins University, Baltimore.

Dr. Aitchison said she always had a general interest in transportation because her father, Clyde B. Aitchison, served on the Interstate Commerce Commission for many years. The ICC regulates the trucking, railroad and inter-coastal shipping industries.

However, she started her career as a teacher at the University of Oregon, after a temporary job as statistician for the ICC. Her first ICC task, to measure the demand for passenger service, awakened her interest in transportation itself.

The next summer—1938—she joined the ICC as a transportation economist. In 1951, she was named director of the Commerce department's transport economics division.

Dr. Aitchison also has served as consultant to the Defense Department on military traffic service and to the World War II Office of Defense Transportation.

She believes transportation is a "very nice field for women," but added: "You can't be a mouse in that field. You have to have ideas."

Tours of the clinic offices at 113 Franklin Blvd., discussions of children's problems and a special film, "Roots of Happiness," will

highlight the clinic program. Free refreshments will be served.

Gagster Piques Warden

WETHERSFIELD, Conn. (UP)—Persons telephoning a number given in a "rooms for rent" advertisement were told by Ralph H. Walker that the ad was placed by a prankster. Walker is warden at the state prison.

WINS SUIT—Donald Burke, right, of Chicago, Ill., and his brother, Patrick, manage big smiles after Don was awarded \$105,000 damages by a railroad company to settle a damage suit. In the accident, Donald lost part of his left leg. He and his brother were walking beside the railroad tracks on a public path, when one of the freight cars swayed, struck the boy and pulled him beneath the car. Pat pulled his brother out and saved his life.

New Salk Test Employs Color

**Method Gives Quicker
Check of Effectiveness
of Polio Vaccine**

PITTSBURGH (UP)—A new test will make possible a quicker check on the effectiveness of the Salk polio vaccine.

Dr. Jonas E. Salk, who developed the vaccine, and Dr. J. S. Younger, both of the University of Pittsburgh, explained the new test at a session yesterday of the Society of American Bacteriologists.

They said the test employs color changes to show whether the blood of an inoculated child has developed sufficient antibodies to kill live polio viruses.

Dr. Salk said the new testing techniques have already been made available to laboratories cooperating in the current nationwide field

trials of his vaccine.

Briefly, the test consists of placing blood sample from a vaccinated child in a test tube with polio virus and other substances. The test tube is then placed in an incubator for seven days. If the mixture turns from red to yellow, it means the child, theoretically at least, has developed sufficient antibodies in his blood to kill the polio virus.

The test, says Dr. Salk, will help in determining the number of inoculations needed and the best spacing of the shots for maximum effect.

Sound travels four and one-half times faster in water than in air.

You've never dreamed that french-fried foods could taste so good or prove so healthy until you cook or fry in the new DORMMEYER. It's quicker too, because it heats all around as well as the bottom. It's healthier because more of the rich vitamins are retained and not absorbed. And no guess-work. Automatic control assures perfect results every time. A-C only. 1200 watts, 120 volts. Best of all, it's priced \$10.00 below comparable quality during this friend-winning sale. Order one for yourself or as a gift on pin-money credit terms.

The New Dormeyer is round—for easier cleaning. Gleaming white polished aluminum for a lifetime service. Big, 10-inch, 4 quart capacity for large, family requirements. Heat-proof, cool handles—tight-fitting lid—extra non-stick wire fry basket—6 foot cord—Underwriters Laboratory approved and factory guaranteed.

The 3-piece, Lifetime, Imported English, Sheffield Steel Carving Set—is yours, as an extra measure of value. Carving Fork—Ham Slicer and Carving Knife with serrated edge that never needs sharpening—all with simulated Brazilian Horn handles.

MAKE OVER PAGE

How long has it been since you felt like dancing with your wash?

You'll love *all*'s controlled suds in your automatic. Everything you wash will have a brand new brightness and freshness that thick suds can never match. That's why washer makers prescribe this modern detergent!

NO SOAP or detergent that foams into thick suds can possibly match the washing job that *all*'s controlled suds will do for you.

all is such a blessing in your automatic, because it doesn't waste its washing energy by lathering into lazy suds that joy-ride on top of the water.

Every ounce of *all* stays down in the water where it goes after the dirt in your clothes. Your wash comes out *all*-clean instead of half-clean.

Thick suds choke your washer

You can't expect your automatic to do A-1 washing and rinsing if you jam it up with suds.

Your machine was made to swish and swirl clothes around freely. This *action* is what helps slosh out stubborn dirt. When you load up your automatic with thick suds, you *smother* its washing action. When you use *all*'s controlled suds, you *step it up*.

all coaxes the dirt out of clothes—then has a special way of swallowing every loosened particle of dirt until it rinses down the drain.

You'll see a glorious new whiteness in your sheets and pillow cases—a welcome new fluffiness in your bath towels—a clear new brightness in your dresses and aprons when you use *all* in your automatic washer.

Rinsing is easy, quick, complete

Unless your machine rinses away every trace of suds, white clothes soon turn grey. Colored clothes soon cloud up with film.

That's another reason why thick suds are trouble-makers. They glue themselves to fabrics and won't budge, no matter how often the rinse water is changed.

But *all*'s controlled suds cure that headache quickly and completely. Rinsing is easy because there's no blockade of bubbles to get in the way.

You're never plagued by that sour, dingy suds deposit that's so irritating to sensitive skin. If there's a baby in your family, it's nice to know that *all* gets his diapers hygienically clean as well as fluffy-soft!

all is what the doctor ordered

Years ago men who make automatic washers found that suds are excess baggage in their machines. They asked for a detergent that wouldn't puff up into useless froth. *all* was the answer.

Today leading washer manufacturers not only *approve*, but actually *prescribe*, this new controlled suds detergent for cleanest possible washing and rinsing.

They don't try to force you to use *all*—but *all* is the detergent they use when they demonstrate their washers. And most of them even pack a free gift box of *all* in their machines at the factory—just to get you off to the cleanest possible start.

You'll save money and bother

all contains all you need for perfect, carefree washing. You don't have to bother buying a bleach, bluing or water softener.

In *all* there is a special whitening agent that's better than a bleach, because it's milder—and a water softener in just the right amount. You know your automatic washer is too valuable to mistreat.

So take care of it with *all*, the *prescribed* detergent that's not only best for washing, but best for your washer, too.

Read *all*'s special guarantee

Try *all* next time you wash. It's wonderful for the grimmest work clothes, for dainty lingerie, for baby's things. It's unconditionally recommended for the new miracle fabrics like Acrilan, Orlon, Dynel and nylon.

If *all* isn't the finest detergent you have ever used, your dealer has been instructed to refund your money. Monsanto Chemical Company, St. Louis, Missouri.

APPETIZING

Extra Seasoning Adds Sparkle to Tomato Juice

Wondering what to season that tomato juice with so it will be especially delicious? Try onion, green pepper, Worcestershire sauce, celery seed, lemon juice, salt and pepper, sugar.

Allow the juice and seasonings to stand in the refrigerator for a couple of hours, then strain and serve.

When you have some extra chicken stock, try cooking rice in it.

MOLDED BROCCOLI SALAD—No need to stick to the traditional with nutritious fresh broccoli. This broccoli salad mold with eggs will add a new treat to your menu. Perfect for party luncheons or any other time you want a light, one-dish meal. Serve it on a bed of chicory or lettuce.

Fresh Broccoli and Eggs Make an Interesting Mold

Thirty years ago it was next to impossible to buy a pound of broccoli in the United States. Today, this comparative newcomer to our vegetable scene is available in most parts of the country every month of the year.

Fortunate for our winter diets, broccoli is in its best season fall through spring. Nutritionists call broccoli one of our best protective foods, since it is so rich in vitamins and minerals.

A one-half cup serving of this green vegetable contains 70 per

cent of the entire adult daily requirements of vitamin C and half the required vitamin A, in addition to other important nutrients.

From the menu standpoint, broccoli is a versatile vegetable—much more so than is often realized. Proof of this is found in the delicious gelatine salad mold that can be made with fresh broccoli.

Made extra hearty with eggs, this mold will serve as a main dish of a luncheon or a good accompaniment to any other meal.

Fresh Broccoli and Egg Aspic
1 envelope unflavored gelatine
1 can (10 1/2 ounces) undiluted consommé
Salt and ground black pepper to taste
2 slices hard-boiled egg
4 cooked fresh broccoli flowerets
1/4 cup mayonnaise
2 hard-boiled eggs, sliced
2 cups cooked sliced fresh broccoli
Chicory or lettuce

Soften gelatine in 1/4 cup of the cold consommé. Heat the remaining consommé and add to softened gelatine. Add salt and pepper to taste. Rinse a 5-cup gelatine mold in cold water. Cut the 2 slices of hard-boiled egg into 6 wedges and place in bottom of the mold with the clear gelatine- consommé mixture. Chill until firm.

In the meantime, chill the remaining gelatine mixture until consistency of unbeaten egg white. Fold in the mayonnaise, sieved eggs and chopped broccoli. Turn into the gelatine mold over the egg and broccoli garnish. Chill until ready to serve. Unmold onto a bed of chicory or lettuce. Yields 8 to 10 servings.

Tablet Prevents Fruit From Turning Brown

New products containing ascorbic and citric acids, available at your grocery, drug store, or locker plant, will prevent freshly peeled fruits from browning when exposed to air. The powder or crushed ascorbic acid tablets can be mixed with sugar and sprinkled over freshly cut fruit. Or dissolve the powder in a little water and thoroughly mix this with the fruit. Sugar can then be added if desired.

It's convenient to be able to peel fresh fruits in advance and yet have them look freshly peeled when served. These acids are also used when freezing fruits to prevent "darkening."

Report Revolt in Paraguay

Unofficial Accounts Say Army Faction Pulled Unsuccessful Coup

BUENOS AIRES, Argentina (U-P)—Paraguay was blanketed under official silence today, but unofficial reports trickled out that army elements had staged a revolt against President Federico Chaves' regime. It was unclear who held control.

Government radio stations in Asuncion, the Paraguayan capital, remained off the air, but private sources gave varying accounts of the revolt which apparently broke out yesterday.

A private radio station said loyal government forces succeeded in quelling the revolt. It added that Police Chief L. Petit was killed in the fighting.

An account from Corinda, on the Argentine side of the Paraguayan border across from Asuncion, said the insurgents held the capital. It said Chaves and his ministers had taken refuge in Asuncion's military academy after the rebels seized control of communications.

The Corinda report said the rebels had set up a three-man government in the capital. Other reports said several government leaders were killed in fighting yesterday including Gen. Alfredo Stroessner, commander of Paraguay's armed forces.

These reports said a cavalry division, about 500 men, had sparked the revolt and that loyal troops and police had rallied to Chaves' defense.

Paraguay had enjoyed relative calm since 1950. There have been reports of harsh government measures against political opponents.

Chaves, 74, took over as provisional president in September 1949 after toppling Felipe Molas Lopez in a bloodless coup. Chaves' rise stemmed from discord in the ruling Colorado party, Paraguay's only legal party, in which he led the democratic faction.

Chaves was confirmed in office in 1950 elections in which he was the only candidate. His 1949 takeover had been the sixth administration change through revolt or bloodless coup in 17 months.

LAKE 1-MINUTE WAFFLES

Wheat Germ Spikes
Spice-Top Muffins

Here's a really fluffy and delicious muffin made with nutritious wheat germ.

Spice-Top Health Muffins

1 1/2 cups sifted flour
1/4 cup sugar
2 teaspoons baking powder
1/2 teaspoon salt
1/2 cup wheat germ
1 egg
1 cup milk
1/4 cup butter or margarine (melted)
2 tablespoons sugar
1/4 teaspoon cinnamon
1/4 teaspoon nutmeg

Sift flour, 1/4 cup sugar, baking powder and salt together. Stir in wheat germ well. Beat egg until thick and ivory color; beat in milk and melted butter; add dry ingredients; stir only until dry ingredients are moistened. Spoon into 12 greased muffin cups (1-3 cup size). Mix 3 tablespoons sugar, cinnamon and nutmeg; sprinkle mixture over entire top of batter. Bake in hot (400F) oven 20 to 25 minutes—until cake tester inserted in center comes out clean.

Press Pie Shell Gently to Avoid Air Bubbles

Puffing of pie shells can be avoided if you gently press pastry into the plate so that it fits snugly, with no trace of air bubbles.

Be sure to prick with fork around crease, bottom and sides of pastry, making certain that the tines pierce the pastry.

Make Meals Colorful

Meals are more appetizing when they are colorful. For instance, dull brown pot roasts look well when set off by carrots and spinach or another green vegetable.

Red Army Man Visits Germany

Gen. Grechko, Escorted by U.S. Forces, Calls on Gen. Hege

HERSFELD, Germany (U)—Escorted by U. S. Air Force helicopters and jet fighters and a covey of military police jeeps, a high Soviet army officer crossed into West Germany today and headed for U. S. Army headquarters at Heidelberg.

The officer was believed to be

Col. Gen. A. A. Grechko, commander in chief of Soviet armed forces in East Germany, en route to pay a courtesy call on Gen. William M. Hoge, commander of the U. S. Army in Europe.

Hoge paid a "formal courtesy visit" — lasting 15 minutes — to Grechko at his headquarters in East Berlin last November.

Two U. S. helicopters escorted the three big black Soviet limousines across the East-West border here. Shortly after, two American jet fighters joined the convoy. Six MP jeeps fell in line, fore and aft, as the party sped down the express highway toward Heidelberg.

U. S. Army and Air Force officials refused to say who was in the Russian party.

Precinct Goes Voteless in New Mexico Primary

RATON, N. M. (U)—Officially, the New Mexico primary vote in Vermojo Park precinct of Colfax County will be zero for all candidates.

The 16 registered Democrats and seven registered Republicans either forgot or didn't care that Tuesday was election day.

Mrs. Tom Farmer, county clerk, says a resident of the tiny community in the wide ranchland of northern New Mexico reported no votes had been cast.

There are 50 islands, five inhabited, in the Virgin island group the U. S. bought from Denmark in 1917.

Fish Tale Brings Girl Fisherman 30 Dollar Fine

SPRINGFIELD, Colo. (U)—Game Warden Preston Steele, coming upon a family fishing at Two Buttes Reservoir, asked a girl in the party for her fishing license.

She said she was only 16 and was just holding the pole while her mother took care of her baby brother. She promised to buy a license the next day, so Steele took no action.

None, that is, until he learned

(1) the girl is 20; (2) is married and (3) the "baby brother" is really her son. She was fined \$30 for fishing without a license.

Two-fifths of the area of the U. S. comprising most of 19 states is drained by the Mississippi river system.

City on Lookout for Skinny Men to Fill Tight Spot

PHILADELPHIA (AP)—Can you crawl through a sewer only 18 inches in diameter?

If you can, the Philadelphia Water Department has a job for you at \$3.125 to start with yearly increases to a maximum of \$3,583.

The city's hunt for skinny people began when the Civil Service Commission approved a change of specifications to require that applicants for jobs as sewer crawlers must be able to crawl through a

sewer 18 inches in diameter. The job entails inspection and maintenance work. Milton Lavine, chief of classification for the commission, admits it's pretty difficult to fill the job.

Van Fleet Starts Tour

SEOUL (AP)—Gen. James A. Van Fleet arrived today on a tour to assess U. S. military aid to South Korea, Japan and Nationalist China.

The former U. S. 8th Army commander was greeted at the airport by scores of dignitaries, including President Syngman Rhee, and 150,000 cheering Koreans lined the road to Seoul.

YOUNG AT HEART—Looking remarkably young for 103, Silas S. Kuhn enjoys his weekly cigar while posing for his birthday picture. A resident of Harrisburg, Pa., Kuhn is a retired railroad worker.

Carney Says Probe Didn't Affect Navy

NEW YORK (AP)—Adm. Robert B. Carney, chief of naval operations, says Navy security checks were as tight as possible even before Sen. Joseph R. McCarthy's Army probe.

Carney, speaking yesterday before the Public Relations Society of America, was asked if the Navy made "any tightening of security checks" stemming from the Ft. Monmouth probe by the Wisconsin Republican senator's subcommittee.

"No, we have not," said Carney, adding: "They were as tight as we could make them. . . Within the limits of the investigative resources we had, we were doing the most we could to make damn sure we were locating and getting rid of the subversives."

California's New Law Hits Dope Substituting

LOS ANGELES (AP)—Selling narcotics without a prescription is unlawful almost everywhere. But in California, under a new law, it is also a felony to offer dope for sale and then deliver something else.

Conrado M. Fragozo was sentenced yesterday to serve six months in the county jail, reputedly the first person to be convicted under the new law.

Officers testified they paid Fragozo \$10 for three bindles of stuff or "junk" and he gave them headache powders.

Jury Ponders Kidnaping Case

Accused Face Possible Death Sentence Under Little Lindbergh Law

SAN FRANCISCO (AP)—Six men and six women today deliberate the case of two former private detectives charged with kidnaping a San Francisco real estate broker.

If Harold Jackson, 52, and Joseph Lear, 43, are found guilty, they face possible sentences of death or life imprisonment without possibility of parole.

The two former private investigators are charged with abducting Leonard Moskowitz last January.

Moskowitz was rescued 61 hours later by alert police who spotted a man making a post-midnight telephone call from a street-corner telephone booth. No ransom was paid. First \$500,000, then \$300,000 had been demanded. The telephoner was Jackson, who led police to Moskowitz, who was guarded by Lear in a rented house.

Jackson's defense was that there was no kidnaping—that Moskowitz, 36, dreamed it all up as a hoax to extort money from his father, Maurice Moskowitz.

Lear testified he was hired by Jackson as a private investigator, and that when he realized he was involved in a kidnaping he stayed with it in fear of his own life and those of his wife and stepson.

The jury got the case yesterday afternoon and deliberated until nearly midnight. Under California's Little Lindbergh Law, the lightest possible sentence upon conviction is life imprisonment without possibility of parole. Conviction of kidnaping with bodily harm could mean the death sentence.

Children Found Playing With Sticks of Dynamite

BALTIMORE (AP)—A group of children at the Arbutus Elementary School were found yesterday playing with 4½ sticks of uncapped dynamite.

Police said the dynamite probably had been left under the foundation of the older part of the school. The children were playing near a hole in the foundation under the cafeteria.

SAM BENSON SAYS:

My Business Has Been Good... I Had to Go to New York City to Buy More Suits to Sell....

I Found Mfgs. With Loaded Racks

Old Soybeans Single Gainer

CHICAGO (AP)—Grains eased on the board of trade today with only old crop soybeans managing to forge ahead.

Old crop soybeans scored gains running to nearly five cents in early trading continuing the upward move they started late yesterday. As May approached \$4.00, crossed and beans backed down from their extreme gains.

Wheat near the end of the first hour was 1/2 to 1/4 lower, May \$2.03 1/2, corn 1/4 to 1/8 lower, May \$1.53, oats 1/4 to 1/8 lower, May 72 1/2, rye 1/4 to 1/8 lower, May 94 1/2, soybeans 1 cent lower to 3 cents higher, May \$3.96 1/2 and 1 1/2 cents lower to 5 cents a hundred pounds higher, May \$18.77.

- 12:45—(7)—Stars on Seven.
- 1:00—(2)—Double or Nothing.
- 1:30—(2)—Houseparty. (4)—Jean

Busy Bill Cullen to Run the Quiz

Show Features Scenes From Current Movies With Special Bonus

NEW YORK—Your Lucky Stars, a comedy-quiz program with Bill Cullen as emcee and featuring filmed highlights from current motion picture hits, will start on TV May 15.

Each Saturday three pairs of contestants will strive to win up to \$300 and a chance to try for the \$500 Bank Night bonus. After a brief interview, Cullen will ask two contestants, competing as a team, questions based on the high-light movie scene they have just viewed.

If one is correct and the other wrong, they win \$50 and can remain in the game. If both are correct, they win \$100. If neither answers correctly, they are eliminated.

The Bank Night bonus is a single question based on a brief filmed scene which the studio and viewing audience can both see and hear, but which the contestants can only hear.

The winners of the preliminary competition compete for this prize and are allowed only one answer to identify the voice of the star. If they are unsuccessful, the bonus will be carried over to the following week.

Bill Cullen is one of the most popular, and busiest, personalities in radio and television.

Your Lucky Stars was seen last summer on one network and received excellent reviews by television critics. Pictures from which highlights were used included such hits as "Shane," "Stalag 17," "High Noon," "From Here to Eternity" and "Moulin Rouge."

Your Lucky Stars will take the time spot now filled by the Spike Jones Show.

'Knock on Wood' Most Common of Superstitions

ST. LOUIS (AP)—"Knocking on wood" for luck is one of the most common of 80,000 superstitions, a psychiatrist said today, and here's why:

It can be a call on magic, a way of handling anxiety or worry, a defense against envy, a sign that emotionally you're pretty immature.

This analysis was presented to the American Psychiatric Assn. by Dr. Judd Marmor, University of California at Los Angeles.

Some people knock on wood very seriously, others do it with a wry smile, others say it while tapping their heads jokingly.

It apparently stems from a primitive belief of protective gods inside trees, Dr. Marmor said. Therefore touching wood when making any boasting statement would ward off evil consequences.

Touching or knocking on wood represents a fear of antagonizing some all-seeing higher authority. Along with this, we have many sayings—such as "Pride goeth before a fall"—indicating that we must be humble and submissive.

Dr. Marmor said we apparently assumed that pride, success or self-confidence will create envy or antagonism by some "authority." This apparently traces back to childish fears of offending such authorities as parents or brothers or sisters, and to the feeling you must be humble and compliant in order to be loved.

In our highly competitive society, "knocking on wood" takes on additional meanings, he said. We try to make light of our good fortunes to avoid envy by our fellows or rivals.

At present the bakers receive \$2.02 an hour and helpers \$1.85. They are members of Local 77 of the AFL-Bakery and Confectionery Workers Union.

Ice Fisherman's Body Recovered at Stony Point

MONROE (AP)—The body of 1 of 3 Detroit area ice fishermen presumed drowned in Lake Erie last Jan. 17 has been found on the beach at Stony Point, eight miles north of Monroe.

The body, found washed ashore Wednesday, was identified by police as that of Clarence Otis Nelson, 47, of Trenton.

Walter Riley, of Grosse Pointe, and Paul Nolan, of Gibraltar, still are missing.
