Summer internship opportunities for graduate students with disabilities

Emerging Leaders Summer Internship Program for college students with disabilities offers paid summer internships at many of America's leading corporations. These companies are members of the National Business & Disability Council (www.nbdc.com) and are proactive in recruiting qualified people with disabilities. To be considered for an internship, a student must be an enrolled graduate student with a disability, who is maintaining at least a 3.0 GPA. Learn more [here](#). Hurry, the application deadline for summer 2010 program is January 31, 2010!

SUMMARY

Emerging Leaders Summer Internship Program for college students with disabilities offers paid summer internships at many of America's leading corporations. Graduate students are eligible.
