Governor Calls for Nuisance-Taxes Extension

Spaceman Promises Progress

U.S. Won't Rest in Space

From Our News Wires

WASHINGTON — The shouting is over and the nation's homage is his, but astronaut Alan B. Shepard Jr., isn't resting on his space laurels.

Shepard, America's first man in space, promised "we plan to press ahead with the best possible speed."

He told a nationally televised and broadcast news conference that this country could have beaten Russia in putting a man in space if it had chosen to "rush" its Mercury program.

The 37-year-old astronaut said "everything worked fine" on his space voyage and added, "We could have gone a lot earlier."

★ ★ ★

Shepard conceded that U.S. space planners were tempted at times to revise their schedule. But each time, he said, everyone involved decided the U.S. timetable was "well laid out — reliable."

The next major mission is rocketing one of the seven astronauts into orbit around the earth.

The orbit flight is scheduled for sometime this year. But space agency chief James E. Webb cautioned:

LANGLEY AIR FORCE BASE., Va. (AP)—America's first spaceman Cmdr. Alan B. Shepard Jr. and his backup pilot Marine Lt. Col. John H. Glenn have been granted a week's leave, National Aeronautics and Space Administration officials reported today.

"If we are to have our spectacular successes — with even larger and ever more complex rockets, the early test flights, unmanned of course, will involve some spectacular failures."

But the applause and accolades Monday were for a "spectacular success"—Navy Cmdr. Shephard's 115-mile voyage into space.

It was a day of pride and sentiment, tribute and humor for the calm man who—as one of his superiors put it—"really broke the ice for all of us."

He was decorated by the President, lauded by Congress, cheered by thousands as he was driven through the capital and—probably as important as any of the hon-

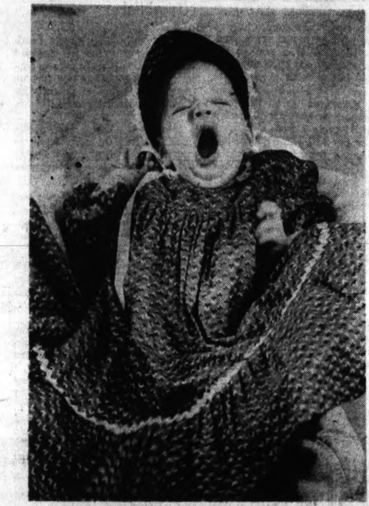
Too Much Centennial



Pontiac Press Photo

SHE'S HAD A BUSY DAY—Centennial time is fun but sometimes a little too much for a girl just 2 months old last week. A big yawn envelopes Rae Marie Tiltman, daughter of Mr. and Mrs. Joseph Tiltman, 212 W. Cornell St., as she poses in her Centennial dress and bonnet.

Press Starts Contest on Pontiac's Future

The years ahead should be exciting ones, especially for today's youth and tomorrow's leaders.

The Pontiac Press has chosen Centennial time to launch an essay contest to spur junior and senior high school pupils in the Greater Pontiac Area in their thoughts about the future. The subject is, "Pontiac . . . The Challenge of its Future."

What are the problems ahead for our community and how will we master them to reach our common goals? What broad policies will help us achieve community fulfillment?

Some youngster, puzzling over questions such as these, will win a $100 U.S. Savings Bond as first prize, a $75 or $50 bond as second or third prize, or one of ten $25 bonds for runners-up.

Typewritten entries up to 1,500 words may be submitted by youngsters age 13 through 18 from now until the June 3 deadline.

Winners of the contest will be announced by The Pontiac Press on Youth Day, June 22, during the Greater Pontiac Centennial.

For further details, see the essay contest coupon on Page 2.

Court Refuses Drain Complaint

Madison Heights' Plea for Hearing on 12-Town Nixed in Washington

The highest court in the land has said no to Madison Heights' request that it listen to the city's complaint on its apportionment for the 12-town storm drain for South Oakland County.

★ ★ ★

Drain Commissioner Daniel W. Barry said today that the county's bond counsel, Claude H. Stevens of Detroit, has received a telegram from the U.S. Supreme Court rejecting the city's application for leave to appeal a State Supreme Court decision.

With fingers crossed, Barry announced the news and at the same time said the next step for the court-stymied drain would be a public hearing next month on apportionments for the participating communities.

"It seems to be the end of a legal obstacle course," Barry said.

Madison Heights officials could not be reached for comment.

The city sought relief in Washington of a ruling Dec. 1 by the state court that it had no grievance against its $2,848,803 apportionment for the $47,717,000 storm drain.

SOUGHT COMPROMISE

Barry countered that there was no federal question involved.

The city had gone ahead with its appeal to the U.S. Supreme

Equalization OK Given County

State Tax Commission Approves $2.09 Billion Figure for 1961

Oakland County's recommended 1961 equalization of $2.09 billion received the approval of the State Tax Commission yesterday.

★ ★ ★

The $2,094,683,200 figure now awaits a May 22 hearing in Lansing, where county equalization officials are expected to lodge no complaints with the State Board of Equalization.

Acceptance then makes it almost a certainty that the county will be able to meet its tax portion of its tentative 1962 operating budget of $14,775,941 by levying a 5.39 per $1,000 of state equalized valuation tax rate.

This would mean a decrease of .23 of a mill less than the 1960 rate of 5.62, and a decrease of .09 of a mill over an anticipated 5.48 rate.

Increasing the valuation by $86 million over the 1960 figure of $2,008,619,100 has allowed for the reduction, officials say.

ROUND OUT FIGURES

All the tax commission did to the county total prepared by the equalization department was round out the final three figures from $2,094,683,180 to $2,094,683,200, according to William B. Grabendike, department director.

At the same time it was announced that state equalized valuations will edge up only 1.33 per cent this year, if the state board of equalization goes along with the recommendations of the tax commission.

The commission proposed a $331 million increase in valuation, raising the total for the state to $25,202,011,000. It would be one of the smallest percentage increases in recent years.

The modest change reflects "a stable economy with no significant increase in property values," said Robert A. Eckhardt, commission chairman.

★ ★ ★

Still standing in the way of the acceptance of Oakland County's recommended valuation — up 4.28 per cent over 1960—is an appeal to the State Tax Commission by Pleasant Ridge. It is protesting the method the department appraised some of its property.

Flashes

OSLO (AP) — The United States offered today to assign five Polaris-carrying nuclear submarines for the defense of the NATO area.

PARIS (AP)—Young fashion designer Yves Saint-Laurent today brought a 600,000 franc ($120,000) suit against the famed Dior fashion house for declining to take him back after his army discharge.

Scores of Issues to Be Decided by Lawmakers

Tonight Is Deadline for Certain Bills Such as Dairy Prices, 19th Seat

LANSING (UPI)—Michigan lawmakers today faced decisions on a score of major issues that must be voted on by midnight or die.

Bills before lawmakers ranged from a controversial bill that would allow price-fixing on dairy products to a plan for apportioning Michigan's 19th seat in Congress.

Forced consolidation of school districts, changes in property taxing procedures, elections changes, a measure that would in effect repeal the rule banning discrimination by real estate dealers and a measure to regulate placing of billboards on interstate highways were also pending.

While today's action will tell what bills can pass the 1961 regular session, the rest of the week will settle the final form of all legislation.

★ ★ ★

All measures now pending have passed at least one house and must be acted upon by the other in order to become law.

★ ★ ★

The remaining three days of this week will be taken up by conference committee meetings as members of the House and Senate attempt to iron out differences on key legislation.

If attempts are to be made to fatten the tight budgets, now all but finalized, they have to come today.

★ ★ ★

Only points of difference between the two houses may be considered by conference committees, and as the appropriations measures stand they would require a major change in procedural rules to permit any changes in budgets.

Skies to Clear but Wednesday to Stay Cloudy

Partial clearing is expected this evening, but the weather will remain cool with the mercury falling to 40.

★ ★ ★

Wednesday will be partly cloudy and cool with a high near 60.

Morning north to northeasterly winds at 10 miles per hour will slowly diminish tonight.

★ ★ ★

The lowest temperature in downtown Pontiac preceding 8 a.m. was 48. The temperature stood at 53 degrees at 2 p.m.

Turkey Dems Nabbed

ISTANBUL, Turkey (AP)—An undisclosed number of Ex-premier Adnan Menderes' disbanded Democrat party sympathizers were arrested here today on charges that they attempted "an armed action" against President Cemal Gursel's regime.

Peace Mission Sendoff

AP Photofax

A PARTING HUG — Vice President Lyndon Johnson is hugged on the flight ramp by Dr. Guillermo Sevilla-Sacasa, dean of the Washington diplomatic corps, just before Johnson left Andrews Air Force Base for Southeast Asia. The two-week trip will take Johnson to South Viet Nam, the Philippines, Formosa, Thailand, India and Pakistan.

Johnson Flying Toward Troubled Southeast Asia

WASHINGTON (AP)—Vice President Lyndon B. Johnson took off for Southeast Asia today voicing U.S. concern over "the threat of armed aggression there."

Johnson carried personal letters from President Kennedy pledging U.S. support to Red-pressed allies in the critical area.

On his two-week trip Johnson will visit South Viet Nam, the Philippines, Formosa, Thailand, India and Pakistan. He may also make a stop in Greece.

"I believe that by timing and by itinerary this trip speaks for itself," Johnson said in a departure statement at Andrews Air Force Base.

"The United States is vitally concerned with the peace, security and independence of the free peoples in Asia. We are disturbed by the threat of armed aggression there."

Johnson's first stop will be at Hawaii where he gives a speech late today.

The vice president took off at 8:09 a.m. aboard a U.S. military jet transport plane with new markings designed to emphasize the peaceful purposes of American VIP trips abroad.

The Boeing 707 jet, which formerly had "Air Force" in large letters across its side, now shows "United States of America" and has an American flag painted on the tail assembly.

About 30 aides accompanied Johnson on the official plane, including Stephen B. Smith and Smith's wife, a sister of President Kennedy. Smith has a State Department job connected with Southeast Asian affairs.

Also in the party was Lady Bird Johnson, the vice president's wife.

Authoritative sources said Johnson would take to South Viet Nam President Ngo Dinh Diem a Kennedy offer of bigger U.S. military aid but not American troops.

Kennedy was said to be deeply concerned about the strategic Indochina republic where, according to U.S. intelligence, Soviet and Chinese-supported guerrillas are waging a bigger campaign than they have next door in tottering Laos.

Diplomatic informants said Johnson will tell Diem the United States is ready to step up its arms aid by about $40 million, which would involve weapons and training and would about double the present U.S. military assistance.

This would enable Diem to boost his 150,000-man army by another 20,000 in his campaign against Red terrorist guerrillas. Washington would also like to see Diem increase his own outlay to match the U.S. rise.

★ ★ ★

While the use of U.S. armed forces is being considered to help South Viet Nam if necessary, they will not be offered without a Diem request—and Diem does not intend to ask Johnson for them.

★ ★ ★

American aid to South Viet Nam since her 1954 independence has already topped $2 billion, about one-fourth of that military. Red guerrillas, infiltrating from Communist North Viet Nam directly or through Laos and Cambodia, have climbed in strength from an estimated 3,000 to 15,000.

Nixon Slaps at Kennedy; 'Public Entitled to Know'

DETROIT (UPI) —Former Vice President Richard M. Nixon today criticized President Kennedy's recent appeal for "self-censorship" by the press and said "the plea of security could well become a cloak" for errors and failures by the administration.

Nixon said "the kindest judgment that can be made about this scheme" is that it was obviously "not thought through by the White House staff."

He charged that the whole idea of a return to secrecy in peacetime "demonstrates a profound misunderstanding of the role of a free press as opposed to that of a controlled press."

The former vice president, who lost to Kennedy by an eyelash in last November's presidential election, also criticized administration officials for contradicting themselves about the causes of the unsuccessful Cuban invasion.

He said that Kennedy, in calling for self-restraint by the press, "appeared to blame the press for recent Cuban events.

"But would the results have been very much different had the press failed to perform its traditional role?" he asked.

Nixon made his remarks at a luncheon at the Detroit Press Club which he called "an appropriate forum for me to comment on President Kennedy's recent appeal for self-restraint or self-censorship of the news."

He is to speak tonight at a Republican fund-raising program in Detroit.

Monday night in Flint, before more than 5,000 persons, Arizona Sen. Barry Goldwater kicked off the series of Republican shows called a "Go-party," aimed at netting $400,000 for the party's coffers in Michigan.

Following a two-hour show by such Hollywood luminaries as Gordon MacRae, Jane Powell and Edgar Bergen, the leader of the GOP conservative movement condemned what he called "false crusades by professional reformers."

AP Photofax

GOP HEADLINER — Arizona Sen. Barry M. Goldwater (center) looks over the list of stars appearing in the Republican Party's "Star-Spangled Spectacular" which had its premiere in Flint Monday night. He was the principal speaker. With Goldwater are Arthur E. Summerfield (left), former postmaster general, and Rep. Charles E. Chamberlain, 6th District.

Changes Mind, Sees Need for That $19 Million

Swainson, Very Grim, Hopes GOP Will Vote for Compromise

LANSING (AP)—With obvious reluctance, Gov. Swainson called today for a two-year extension of part of the so-called nuisance tax package enacted in 1959.

Swainson, departing from a firm stand against continuing the emergency levies, recommended continuing the 4 per cent tax on telephone and telegraph bills and a penny-per-pack tax on cigarettes.

Together, they yield about $19 million a year.

★ ★ ★

Senate Democrats will introduce amendments today to carry out his recommendations, the governor said.

Swainson said that if the present budget as approved by the Republican - controlled legislature stands, it would cripple the state government operations.

★ ★ ★

He said he hoped for adequate support from Senate Republicans to put his recommendations through.

HE WASN'T SMILING

Grm and unsmiling, the governor told a news conference he reached his decision only after it became apparent that majority Republicans intended to stick by their $462.4-million operating budget for 1961-62.

"It is unrealistic and totally inadequate," Swainson declared.

From the additional tax money, the governor recommended appropriating $3.5 million for state colleges and universities; $5.4 million for salary increases for state employes; $1.5 million for the state mental health program and nearly $9 million for a three per cent improvement in state aid for public schools.

★ ★ ★

The nuisance levies, enacted as an emergency measure to carry the state through a cash crisis, are scheduled to expire June 30.

★ ★ ★

Rep. Allison Green, R-Kingston, House GOP floor leader, said Republicans in the lower chamber would "take a good look" at Swainson's proposal.

"If we decide to go for it, however, we may have to extend the session," he said. Lawmakers are scheduled to wind up their 1961 meeting Friday.

Throughout the budget battle, Republicans have maintained that it was up to Swainson and Democratic legislators to take the first step toward extension of the nuisance taxes.

★ ★ ★

"If the governor gets his people lined up on this, we will deal with them," Green said.

UNTIL TODAY . . .

Until today, Swainson had steadfastly opposed any extension of the temporary levies, saying the legislature should live up to its pledge to let them expire on schedule.

★ ★ ★

"I still don't want to extend them, and I don't think it is at all necessary," he said, "but I could not look at an emotionally disturbed or a mentally disturbed child, for example, and say that I didn't do anything about improving our mental health program."

★ ★ ★

A disagreement over state revenues is at the seat of the conflict between the governor and Republican legislators.

Cyclone Strikes East Pakistan Coastal District

DACCA, East Pakistan (AP)—A cyclone struck the East Pakistan coastal district early today and an official report here said "three big steamers were sunk and two ships were in danger" at Khulna.

★ ★ ★

The cyclone was the third major weather disaster reported in seven months on the East Pakistan coast of the Bay of Bengal.

★ ★ ★

Nearly 14,000 persons were killed or swept out to sea during a series of hurricanes last October. At least 180 persons perished in a tornado in March.

U.N. Delegates Sad Over Shelving Enslaved Nations

By PIERRE J. HUSS

UNITED NATIONS, N.Y.—In the final rush of the 15th annual U.N. Assembly to close shop two weeks ago, such great tragedies as Hungary and Tibet had to be shelved for lack of debating time.

This was grievously disappointing to those from free nations who value liberty and respect for human rights most of all.

The Soviet bloc was delighted, obviously because Moscow's unbroken suppression by terror of the Hungarian people's rights is not a helpful propaganda subject to air before the whole world.

★ ★ ★

Thus it was all the more disappointing that Ambassador Adlai E. Stevenson was unable to take the assembly floor to voice the hard-hitting statement prepared by him on Hungary, aimed in a sense at alerting the sometimes weak-hearted neutrals and gullible Africans to the ugly menace of Communist subjugation.

★ ★ ★

All authentic reports compiled at U.N. on the imprisoned nation of Hungary testify to absolute Communist control of every phase of official, civil and private life.

Soviet tanks and guns make sure of that.

Although the spirit of resistance and defiance of the Red conqueror still burns in the hearts of the older generation, Communist teachings and discipline have taken over the young mind with some exceptions.

And despite all pretense and clamor by the Communists to the contrary, the iron rule of Moscow has virtually broken the back of the Catholic Church, which has dominated in the Danubian nation for centuries.

The ruling "bench of bishops" has been reduced to a handcuffed body carefully watched and commanded by the minions of Janos Kadar.

Now and then the bright flame of courage and devotion almost beyond the call of duty is evident, as when Archbishop Groez protested the arrest of several priests on charges of treason by stating openly:

★ ★ ★

"These men have been associated with me for several years and I personally stand for everything they have done. If these arrested priests are guilty, then I must be guilty also.

"Please take me into custody too and put me in jail together with my friends."

Hungarian exile leaders in the United States and abroad keep an amazingly close tab on developments inside their lost country. The most powerful of the exile groups in the United States is "the Hungarian Committee," of which Monsignor Bela Varga is chairman.

He was the last president of the free Hungarian parliament, and as such has scores of channels into and out of his native land.

CLOSE TO CHURCH

He is particularly close to developments affecting the Catholic Church in Budapest, where he was a one-time close coworker of the unforgotten Cardinal Mindszenty.

He has written for this column a summary of the latest situation of the Catholic Church in Hungary, with the intent of refuting the standard lie of the Communists that they do not interfere with the freedom of religion. Thus Monsignor Varga writes:

"The struggle between the Catholic Church and the Kadar regime began December 1960.

"This was after numbers of students refused to attend a conference of 'peace priests'—our name for collaborators in black cassock—which led to many expulsions from the Transdanubian Seminary.

★ ★ ★

"During this initial phase, some 50 to 60 priests were arrested to put pressure on the Hungarian bishops.

"Most were released after several were made examples of by being transferred or retired from active parishes.

★ ★ ★

"The second phase of the anti-Catholic drive began with two conferences in early February of 1961 between the bishops and Communist state office for church affairs.

"Kadar's spokesmen demanded church support for the party's political objectives and curbing of much of religious instruction for the children. The bishops refused to capitulate and as a result, about 60 priests were arrested.

"The third phase took off the gloves and within days last March the black police arrested 700 Jesuits and regular priests, plus 500 laymen known to be prominent in church activities."

West Germany Becoming Melting Pot of Refugees

FRANKFURT, Germany (UPI)—Each month an average 1,600 Germans cross from the Communist East to freedom in West Germany. The nation has a special refugee ministry in Bonn to look after their welfare.

But they are just a drop in the vast flood of refugees which Germany has absorbed since World War II. The nation which Hitler once tried to make "ethnically pure" is now a melting pot for almost every race in Europe.

Romanians, Hungarians, Czechs, Poles, Russians and a dozen brands of Germans from former German territories now under Red satellite rule in Eastern Europe fill the country.

For many of them, wasting away in refugee camps maintained by the federal government and the United Nations, there is little hope.

Some of the inhabitants of the camps have been there for years. When a camp in South Germany was formally declared a township in September, 150 of the inhabitants declared that they had been living there since it was founded in June, 1945. For all of them, there was no place else to go.

★ ★ ★

Most of the inhabitants of the refugee camps are stateless former East Europeans. But a far larger group of non-camp-dwelling refugees is of German nationality — even though most of them never saw their homeland before the end of World War II.

They are the Germans who made up important ethnic majorities in East European states before and during the war.

Silesians — 2,100,000 of them — are the most numerous. But in addition theer are 1,900,000 Sudesten Germans, 1,300,000 from East Prussia, 819,000 Germans from Pomerania and 410,000 from Poland.

MANY GROUPS

Other groups are refugees from Danzig, Hungary, Russia, the Baltic states and Yugoslavia. Together they make up a formidable total of more than 9 million in West Germany's population of 55 million. In other words, one in six Germans is likely to be a refugee from outside the country's current frontiers.

Although they have been largely absorbed into the nation's economy, the refugees remain a powerful problem for Chancellor Konrad Adenauer's government.

Their leaders still demand — often forcefully — the right of "self determination," or in other words, the right to return to their former homelands. The political problems posed if these demands should get too vocal loom large in the government's mind.

★ ★ ★

Fortunately, the problem decreases each year. The younger refugees, profiting from the nation's "economic miracle" are really not interested in returning to the often harsh life of their former homelands, although they pay lip-service to the idea.

The government's hope is that as the older leaders retire, the refugees will become completely absorbed in the West German economy and the problem will disappear.

But will it? Seasoned observers point out that cities like Danzig, Breslau and Konigsberg, which have been German for hundreds of years, cannot lose all vestiges of German culture in a few years.

Until they do, the refugee problem remains a remainder of the days when World Warr II shrank Germany almost to half its former size.

Dude Ranch Authentic in Colorado

DOLORES, Colo. (AP)—Guests of the dude ranch in Southwestern Colorado operated by the three Roscio brothers get more than the usual dose of Old West local color.

★ ★ ★

Ten of the 25 guest units at the ranch are buildings used as dwellings or saloons at Dunton, once a lively mining settlement that became a ghost village more than 40 years ago.

Two of the old saloons have been converted into cabins and a third is now a tavern complete with bar stools. Near by is an old dance hall, still intact, that is used for public dances occasionally. It has a bullet hole in the floor from wilder and freer days.

★ ★ ★

The brothers, Emilio, Charles and Joe Jr., are the sons of the late Joe Roscio, who came to Dunton the year it opened, 1885.

A dairy cow drinks up to 120 pounds of water a day.

Vacuum Gets the Bird, Keeps Tail Feathers

DRUMRIGHT, Okla. (AP)—Richard Soliday, 12, was giving his bird cage an extra good cleaning with a vacuum sweeper when—swoosh, Tweedy Pie, the parakeet, disappeared.

Quick action with a knife freed Tweedy Pie from the sweeper bag. He emerged unhurt in a cloud of dust, minus tail feathers.

In Nigeria, rainfall rather than temperature distinguishes the seasons and this varies from 25 inches in the north to 150 inches on the Atlantic Coast.

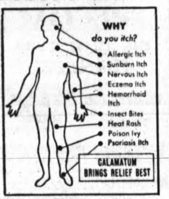
Stop all 9 kinds of ITCH the way doctors do!

New formula contains 6 anti-itch ingredients to soothe pain, speed healing, stop itch fast!

Science has developed a remarkable new formula that combines 6 anti-itch ingredients to relieve all 9 kinds of itch in seconds! Called CALAMATUM® Ointment, this new medicated cream actually stops itching and burning on contact—whenever they occur . . . soothes pain, aids healing. Effective even on spreading itch like poison ivy, because it helps dry weeping lesions, prevents spreading. Prevents risk of infection from scratching, too, because CALAMATUM *turns into its own pink bandage* — won't rub off 'til you wash it off! There's nothing like cooling, soothing CALAMATUM Ointment.



CALAMATUM is available without prescription in convenient tubes at 69¢ and $1.35 or economical aerosol dispenser. Get it today.

Now a new gasoline with an exclusive combination of additives that makes your car run better, farther

PURE Firebird Super
with Tri-tane

1. Cuts down on engine wear!
2. Saves you money on repairs!
3. Keeps your engine at the peak of its power!

You may feel these benefits are a little hard to believe since there's a general feeling that all gasolines are "pretty much alike." But new PURE Firebird Super contains something found in no other gasoline—Tri-tane.

This exclusive combination of additives was developed after five years of research and over 4½ million miles of tests. What it does is reduce piston ring wear, pre-ignition and compression loss, increase spark plug life, virtually eliminate the need for carburetor cleaning and adjustment.

Try some—see if it doesn't do everything we say it will do.

New PURE Firebird Regular—If your car runs good on regular, chances are it will run even better, farther, on PURE Firebird Regular. And you'll enjoy greater economy. PURE Firebird Super or Regular are yours at no extra cost.

Governor Calls for Nuisance-Taxes Extension

Spaceman Promises Progress

U.S. Won't Rest in Space

From Our News Wires

WASHINGTON — The shouting is over and the nation's homage is his, but astronaut Alan B. Shepard Jr., isn't resting on his space laurels.

Shepard, America's first man in space, promised "we plan to press ahead with the best possible speed."

He told a nationally televised and broadcast news conference that this country could have beaten Russia in putting a man in space if it had chosen to "rush" its Mercury program.

The 37-year-old astronaut said "everything worked fine" on his space voyage and added, "We could have gone a lot earlier."

★ ★ ★

Shepard conceded that U.S. space planners were tempted at times to revise their schedule. But each time, he said, everyone involved decided the U.S. timetable was "well laid out — reliable."

The next major mission is rocketing one of the seven astronauts into orbit around the earth.

The orbit flight is scheduled for sometime this year. But space agency chief James E. Webb cautioned:

LANGLEY AIR FORCE BASE., Va. (AP)—America's first spaceman Cmdr. Alan B. Shepard Jr. and his backup pilot Marine Lt. Col. John H. Glenn have been granted a week's leave, National Aeronautics and Space Administration officials reported today.

"If we are to have our spectacular successes — with even larger and ever more complex rockets, the early test flights, unmanned of course, will involve some spectacular failures."

But the applause and accolades Monday were for a "spectacular success"—Navy Cmdr. Shephard's 115-mile voyage into space.

It was a day of pride and sentiment, tribute and humor for the calm man who—as one of his superiors put it—"really broke the ice for all of us."

He was decorated by the President, lauded by Congress, cheered by thousands as he was driven through the capital and—probably as important as any of the hon-

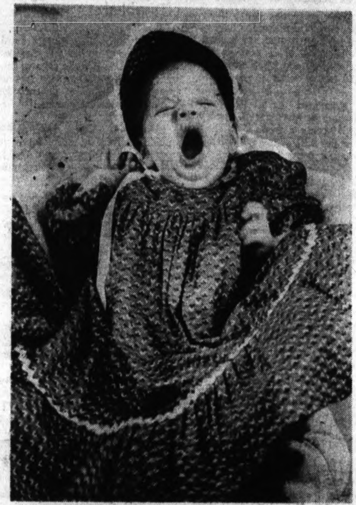
Too Much Centennial



Pontiac Press Photo

SHE'S HAD A BUSY DAY—Centennial time is fun but sometimes a little too much for a girl just 2 months old last week. A big yawn envelopes Rae Marie Tiltman, daughter of Mr. and Mrs. Joseph Tiltman, 212 W. Cornell St., as she poses in her Centennial dress and bonnet.

Press Starts Contest on Pontiac's Future

The years ahead should be exciting ones, especially for today's youth and tomorrow's leaders.

The Pontiac Press has chosen Centennial time to launch an essay contest to spur junior and senior high school pupils in the Greater Pontiac Area in their thoughts about the future. The subject is, "Pontiac . . . The Challenge of its Future."

What are the problems ahead for our community and how will we master them to reach our common goals? What broad policies will help us achieve community fulfillment?

Some youngster, puzzling over questions such as these, will win a $100 U.S. Savings Bond as first prize, a $75 or $50 bond as second or third prize, or one of ten $25 bonds for runners-up.

Typewritten entries up to 1,500 words may be submitted by youngsters age 13 through 18 from now until the June 3 deadline.

Winners of the contest will be announced by The Pontiac Press on Youth Day, June 22, during the Greater Pontiac Centennial.

For further details, see the essay contest coupon on Page 2.

Court Refuses Drain Complaint

Madison Heights' Plea for Hearing on 12-Town Nixed in Washington

The highest court in the land has said no to Madison Heights' request that it listen to the city's complaint on its apportionment for the 12-town storm drain for South Oakland County.

★ ★ ★

Drain Commissioner Daniel W. Barry said today that the county's bond counsel, Claude H. Stevens of Detroit, has received a telegram from the U.S. Supreme Court rejecting the city's application for leave to appeal a State Supreme Court decision.

With fingers crossed, Barry announced the news and at the same time said the next step for the court-stymied drain would be a public hearing next month on apportionments for the participating communities.

"It seems to be the end of a legal obstacle course," Barry said.

Madison Heights officials could not be reached for comment.

The city sought relief in Washington of a ruling Dec. 1 by the state court that it had no grievance against its $2,848,803 apportionment for the $47,717,000 storm drain.

SOUGHT COMPROMISE

Barry countered that there was no federal question involved.

The city had gone ahead with its appeal to the U.S. Supreme

Equalization OK Given County

State Tax Commission Approves $2.09 Billion Figure for 1961

Oakland County's recommended 1961 equalization of $2.09 billion received the approval of the State Tax Commission yesterday.

★ ★ ★

The $2,094,683,200 figure now awaits a May 22 hearing in Lansing, where county equalization officials are expected to lodge no complaints with the State Board of Equalization.

Acceptance then makes it almost a certainty that the county will be able to meet its tax portion of its tentative 1962 operating budget of $14,775,941 by levying a 5.39 per $1,000 of state equalized valuation tax rate.

This would mean a decrease of .23 of a mill less than the 1960 rate of 5.62, and a decrease of .09 of a mill over an anticipated 5.48 rate.

Increasing the valuation by $86 million over the 1960 figure of $2,008,619,100 has allowed for the reduction, officials say.

ROUND OUT FIGURES

All the tax commission did to the county total prepared by the equalization department was round out the final three figures from $2,094,683,180 to $2,094,683,200, according to William B. Grabendike, department director.

At the same time it was announced that state equalized valuations will edge up only 1.33 per cent this year, if the state board of equalization goes along with the recommendations of the tax commission.

The commission proposed a $331 million increase in valuation, raising the total for the state to $25,202,011,000. It would be one of the smallest percentage increases in recent years.

The modest change reflects "a stable economy with no significant increase in property values," said Robert A. Eckhardt, commission chairman.

★ ★ ★

Still standing in the way of the acceptance of Oakland County's recommended valuation — up 4.28 per cent over 1960—is an appeal to the State Tax Commission by Pleasant Ridge. It is protesting the method the department appraised some of its property.

Flashes

OSLO (AP) — The United States offered today to assign five Polaris-carrying nuclear submarines for the defense of the NATO area.

PARIS (AP)—Young fashion designer Yves Saint-Laurent today brought a 600,000 franc ($120,000) suit against the famed Dior fashion house for declining to take him back after his army discharge.

Scores of Issues to Be Decided by Lawmakers

Tonight Is Deadline for Certain Bills Such as Dairy Prices, 19th Seat

LANSING (UPI)—Michigan lawmakers today faced decisions on a score of major issues that must be voted on by midnight or die.

Bills before lawmakers ranged from a controversial bill that would allow price-fixing on dairy products to a plan for apportioning Michigan's 19th seat in Congress.

Forced consolidation of school districts, changes in property taxing procedures, elections changes, a measure that would in effect repeal the rule banning discrimination by real estate dealers and a measure to regulate placing of billboards on interstate highways were also pending.

While today's action will tell what bills can pass the 1961 regular session, the rest of the week will settle the final form of all legislation.

★ ★ ★

All measures now pending have passed at least one house and must be acted upon by the other in order to become law.

★ ★ ★

The remaining three days of this week will be taken up by conference committee meetings as members of the House and Senate attempt to iron out differences on key legislation.

If attempts are to be made to fatten the tight budgets, now all but finalized, they have to come today.

★ ★ ★

Only points of difference between the two houses may be considered by conference committees, and as the appropriations measures stand they would require a major change in procedural rules to permit any changes in budgets.

Skies to Clear but Wednesday to Stay Cloudy

Partial clearing is expected this evening, but the weather will remain cool with the mercury falling to 40.

★ ★ ★

Wednesday will be partly cloudy and cool with a high near 60.

Morning north to northeasterly winds at 10 miles per hour will slowly diminish tonight.

★ ★ ★

The lowest temperature in downtown Pontiac preceding 8 a.m. was 48. The temperature stood at 53 degrees at 2 p.m.

Turkey Dems Nabbed

ISTANBUL, Turkey (UPI)—An undisclosed number of Ex-premier Adnan Menderes' disbanded Democrat party sympathizers were arrested here today on charges that they attempted "an armed action" against President Cemal Gursel's regime.

Peace Mission Sendoff

AP Photofax

A PARTING HUG — Vice President Lyndon Johnson is hugged on the flight ramp by Dr. Guillermo Sevilla-Sacasa, dean of the Washington diplomatic corps, just before Johnson left Andrews Air Force Base for Southeast Asia. The two-week trip will take Johnson to South Viet Nam, the Philippines, Formosa, Thailand, India and Pakistan.

Johnson Flying Toward Troubled Southeast Asia

WASHINGTON (AP)—Vice President Lyndon B. Johnson took off for Southeast Asia today voicing U.S. concern over "the threat of armed aggression there."

Johnson carried personal letters from President Kennedy pledging U.S. support to Red-pressed allies in the critical area.

On his two-week trip Johnson will visit South Viet Nam, the Philippines, Formosa, Thailand, India and Pakistan. He may also make a stop in Greece.

"I believe that by timing and by itinerary this trip speaks for itself," Johnson said in a departure statement at Andrews Air Force Base.

"The United States is vitally concerned with the peace, security and independence of the free peoples in Asia. We are disturbed by the threat of armed aggression there."

Johnson's first stop will be at Hawaii where he gives a speech late today.

The vice president took off at 8:09 a.m. aboard a U.S. military jet transport plane with new markings designed to emphasize the peaceful purposes of American VIP trips abroad.

The Boeing 707 jet, which formerly had "Air Force" in large letters across its side, now shows "United States of America" and has an American flag painted on the tail assembly.

About 30 aides accompanied Johnson on the official plane, including Stephen B. Smith and Smith's wife, a sister of President Kennedy. Smith has a State Department job connected with Southeast Asian affairs.

Also in the party was Lady Bird Johnson, the vice president's wife.

Authoritative sources said Johnson would take to South Viet Nam President Ngo Dinh Diem a Kennedy offer of bigger U.S. military aid but not American troops.

Kennedy was said to be deeply concerned about the strategic Indochina republic where, according to U.S. intelligence, Soviet and Chinese-supported guerrillas are waging a bigger campaign than they have next door in tottering Laos.

Diplomatic informants said Johnson will tell Diem the United States is ready to step up its arms aid by about $40 million, which would involve weapons and training and would about double the present U.S. military assistance.

This would enable Diem to boost his 150,000-man army by another 20,000 in his campaign against Red terrorist guerrillas. Washington would also like to see Diem increase his own outlay to match the U.S. rise.

★ ★ ★

While the use of U.S. armed forces is being considered to help South Viet Nam if necessary, they will not be offered without a Diem request—and Diem does not intend to ask Johnson for them.

★ ★ ★

American aid to South Viet Nam since her 1954 independence has already topped $2 billion, about one-fourth of that military. Red guerrillas, infiltrating from Communist North Viet Nam directly or through Laos and Cambodia, have climbed in strength from an estimated 3,000 to 15,000.

Nixon Slaps at Kennedy; 'Public Entitled to Know'

DETROIT (UPI) —Former Vice President Richard M. Nixon today criticized President Kennedy's recent appeal for "self-censorship" by the press and said "the plea of security could well become a cloak" for errors and failures by the administration.

Nixon said "the kindest judgment that can be made about this scheme" is that it was obviously "not thought through by the White House staff."

He charged that the whole idea of a return to secrecy in peacetime "demonstrates a profound misunderstanding of the role of a free press as opposed to that of a controlled press."

The former vice president, who lost to Kennedy by an eyelash in last November's presidential election, also criticized administration officials for contradicting themselves about the causes of the unsuccessful Cuban invasion.

He said that Kennedy, in calling for self-restraint by the press, "appeared to blame the press for recent Cuban events.

"But would the results have been very much different had the press failed to perform its traditional role?" he asked.

Nixon made his remarks at a luncheon at the Detroit Press Club which he called "an appropriate forum for me to comment on President Kennedy's recent appeal for self-restraint or self-censorship of the news."

He is to speak tonight at a Republican fund-raising program in Detroit.

Monday night in Flint, before more than 5,000 persons, Arizona Sen. Barry Goldwater kicked off the series of Republican shows called a "Go-party," aimed at netting $400,000 for the party's coffers in Michigan.

Following a two-hour show by such Hollywood luminaries as Gordon MacRae, Jane Powell, and Edgar Bergen, the leader of the GOP conservative movement condemned what he called "false crusades by professional reformers."

AP Photofax

GOP HEADLINER — Arizona Sen. Barry M. Goldwater (center) looks over the list of stars appearing in the Republican Party's "Star-Spangled Spectacular" which had its premiere in Flint Monday night. He was the principal speaker. With Goldwater are Arthur E. Summerfield (left), former postmaster general, and Rep. Charles E. Chamberlain, 6th District.

Changes Mind, Sees Need for That $19 Million

Swainson, Very Grim, Hopes GOP Will Vote for Compromise

LANSING (AP)—With obvious reluctance, Gov. Swainson called today for a two-year extension of part of the so-called nuisance tax package enacted in 1959.

Swainson, departing from a firm stand against continuing the emergency levies, recommended continuing the 4 per cent tax on telephone and telegraph bills and a penny-per-pack tax on cigarettes.

Together, they yield about $19 million a year.

★ ★ ★

Senate Democrats will introduce amendments today to carry out his recommendations, the governor said.

Swainson said that if the present budget as approved by the Republican - controlled legislature stands, it would cripple the state government operations.

★ ★ ★

He said he hoped for adequate support from Senate Republicans to put his recommendations through.

HE WASN'T SMILING

Grm and unsmiling, the governor told a news conference he reached his decision only after it became apparent that majority Republicans intended to stick by their $462.4-million operating budget for 1961-62.

"It is unrealistic and totally inadequate," Swainson declared.

From the additional tax money, the governor recommended appropriating $3.5 million for state colleges and universities; $5.4 million for salary increases for state employes; $1.5 million for the state mental health program and nearly $9 million for a three per cent improvement in state aid for public schools.

★ ★ ★

The nuisance levies, enacted as an emergency measure to carry the state through a cash crisis, are scheduled to expire June 30.

★ ★ ★

Rep. Allison Green, R-Kingston, House GOP floor leader, said Republicans in the lower chamber would "take a good look" at Swainson's proposal.

"If we decide to go for it, however, we may have to extend the session," he said. Lawmakers are scheduled to wind up their 1961 meeting Friday.

Throughout the budget battle, Republicans have maintained that it was up to Swainson and Democratic legislators to take the first step toward extension of the nuisance taxes.

★ ★ ★

"If the governor gets his people lined up on this, we will deal with them," Green said.

UNTIL TODAY . . .

Until today, Swainson had steadfastly opposed any extension of the temporary levies, saying the legislature should live up to its pledge to let them expire on schedule.

★ ★ ★

"I still don't want to extend them, and I don't think it is at all necessary," he said, "but I could not look at an emotionally disturbed or a mentally disturbed child, for example, and say that I didn't do anything about improving our mental health program."

★ ★ ★

A disagreement over state revenues is at the seat of the conflict between the governor and Republican legislators.

Cyclone Strikes East Pakistan Coastal District

DACCA, East Pakistan (AP)—A cyclone struck the East Pakistan coastal district early today and an official report here said "three big steamers were sunk and two ships were in danger" at Khulna.

★ ★ ★

The cyclone was the third major weather disaster reported in seven months on the East Pakistan coast of the Bay of Bengal.

★ ★ ★

Nearly 14,000 persons were killed or swept out to sea during a series of hurricanes last October. At least 180 persons perished in a tornado in March.

Mau Mau Again Threat to Kenya

Populace Is Grim and Armed After Wife of Farmer Is Hacked Up

NAIROBI, Kenya (AP)—White settlers warned today they expect a revival of the Mau Mau terrorism that swept this British East African colony in 1952-60.

After attending the funeral for a farmer's wife who was hacked to death by Africans, 500 grim-faced settlers and their wives, many carrying pistols, decided to send a delegation to Gov. Sir Patrick Renison.

* * *

"We are going to tell the governor in plain, simple language . . . what evidence we have about the developing Mau Mau attack," one settler said.

"The buildup has been going on for months and it is now only a matter of time before the gangs erupt from the forests and attack."

* * *

The settlers gathered at Nakuru, 100 miles north of Nairobi, for the funeral of Mrs. Norah Osborne who was tied to a chair by an African gang and hacked to death Friday night. Her husband David was beaten unconscious.

Pontiac Press Photo

WELCOME TO MICHIGAN — Pontiac and state High Twelve Club officials welcomed their international president, Columbus J. Hyde (center) of Louisville, Ky., to the city last night. He addressed 110 local club members, their wives and representatives from 10 other High Twelve Clubs in Michigan at the Pontiac Elks Temple, urging them to keep abreast of the times "so that we as a nation can hold our place in world affairs." Occasion was the Pontiac club's 14th annual Charter and Ladies' night. Shown with Hyde, from left, are Bryan F. French, cochairman of the event; Dr. Selmer Sands, local club president; Michigan High Twelve President P. Archer Brown of Lansing; and Roy M. Gallipo, program chairman.

Rae-Vens Will Appear Again at Tulip Festival

The Rae-vens all girl drill team and color guard, official hostesses for the Greater Pontiac Centennial parade, will again appear at the Holland Tulip Festival on May 20.

* * *

This is the third year the group has been invited to participate, but instead of appearing in the annual Tulip Parade, the group will be featured at the Tulip Spectacular night show which will be held in the Civic Auditorium, Holland.

The color guard will put on its exhibition drill under colored lights, and then the drill team will put on the same exhibition that it will be using in state competition at Lansing and national competition at Miami Beach, Fla.

* * *

The team, under the direction of Miss "Jackie Rae" Voorhees, is now comprised of 20 girls in the drill section and 10 in the color guard.

Lakeland Optimists to Sponsor Benefit

The Lakeland Optimist Club of Waterford Township will sponsor a boys' fund benefit dance and smorgasbord from 6:30 to 10:30 tonight at the Gungaden Inn, 10197 Dixie Highway at Rattalee Lake Road.

The public is invited to enjoy the food and dancing to a live band, according to President Frederick P. Pankey.

Americans Said Delayed in Cuba

Have Trouble Getting Exit Permits; 20-30 May Be Under Arrest

WASHINGTON (UPI) — Many Americans are being detained in Cuba and some 300 are having trouble getting exit permits to leave the island, the State Department said today.

One official said possibly about 20 or 30 Americans rounded up in mass arrests following the recent invasion attempt may still be under arrest.

But he said this is a very rough estimate.

State Department press officer Joseph Reap told a press conference he could not estimate the number of Americans being detained.

"We do know," Reap said, "that an undetermined number of Americans were detained in the widespread operation which followed the invasion attempt. Some have been released after questioning but an undetermined number are still detained."

* * *

Reap said some 300 Americans are awaiting Cuban exit permits following a State Department advisory a week ago for all Americans to leave the island.

Foundation Work Falls

BEVERLY HILLS, Calif. (AP) — Foundation work for a $13.5-million bank building on Wilshire Boulevard collapsed with a roar last night, leaving tangled scaffolding and debris in a hole four stories deep. No one was injured.

Both sea and lake sturgeon live in the fresh waters of the St. Lawrence River all year round.

Laos Rebels Refuse to Talk About Truce

VIENTIANE, Laos (AP) — Rebel officials refused to deal with members of the International Commission for Laos at an initial meeting at Hin Heup today, a Laotian military authority said. This further confused the outlook for the 14-nation conference on Laos due to open in Geneva Friday.

"The other side (the rebels) said they could not recognize the ICC," said Lt. Col. Udon Sananikone, spokesman of the royal government's military delegation to the cease-fire talks. "They said they had no instructions."

Indian, Canadian and Polish military officers of the three-nation commission, which is seeking to certify the cease fire proclaimed last Wednesday, declined comment on their return by helicopter from Hin Heup, the negotiating site 55 miles north of Vientiane.

WASHINGTON (AP) — The State Department said today that U.S. participation in the upcoming Geneva conference on the Laotion crisis "is contingent upon" the establishment of an effective, verified cease fire in Laos.

At the same time, however, the State Department announced that a supporting delegation of 60 advisers, secretaries and other personnel would begin leaving for Geneva tonight.

* * *

They said they would make their report to the commission's Indian chairman, Samar Sen.

The possibility that the Geneva conference might be postponed was raised by rebel objections to the arrival of the truce commission Monday. The United States, Britain and France have said they will not take part in the conference until the commission guarantees the armistice is in effect.

Sananikone said representatives of the Communist Pathet Lao and neutralist Prince Souvanna Phouma even refused a letter from the ICC group in Vientiane to its ICC counterpart in rebel-held Xieng Khouang.

The colonel said the government requested another meeting for Wednesday and expected an answer later.

The initial refusal of the Pathet Lao-neutralist group to deal with ICC was not seen as a crisis. But it did add further delay and confusion to the situation that continues to fluctuate under the touchy de facto cease fire.

Waterford Safe, $1,000 Inside, Found on Street

Waterford Township police last night recovered a stolen safe containing $1,000. It had been left in the middle of Tilden Street at Elizabeth Lake Road.

The safe had been stolen from the Liberty Loan Co. at 920 W. Huron St. sometime before midnight, according to office manager Frederick Shealy.

He added that a back door of the firm had been jimmied open, through which the three-by-three foot safe was removed. No other damage was evident in the office.

Plan to Open Bids on Sewage Project

First construction bids in the $3.35-million sewage treatment plant expansion program were to be opened at City Hall at 2 p. m. today.

They involve installation of sewers and pipelines, including the 66-inch interceptor line, between the existing plant and the new one to be constructed at Auburn Avenue and Opdyke Road.

Bids covering general construction of new buildings at the new site are scheduled to be opened next Tuesday.

It was expected that Jones, Henry & Williams, the city's consulting engineers, would hold onto today's bids for study, submitting them and the construction bids to the City Commission in one package later in the month.

Damaging Storms Tapering Off

By The Associated Press

Damaging thunderstorms which for four days have drenched broad areas of the mid-continent, causing widespread flooding, tapered off in most sections today.

As the wet belt moved eastward floods in the Missouri, Mississippi and Ohio River basins posed a major problem.

* * *

The overflows from rain-fed rivers and streams in at least eight states left hundreds homeless, spilled over scores of major highways and secondary roads and across thousands of acres of farm lands. Rainfall in some parts of the spring storm belt since last Friday was more than a foot.

The floods, which have caused at least nine deaths, menaced areas in Ohio, Kentucky, Illinois, Missouri, Arkansas, Oklahoma, Indiana and Kansas.

The storm-related deaths totaled 33. The weekend storms and floods have caused millions of dollars damage to property and crops.

Most severe weather Monday and during the night was in a belt from eastern Ohio to western Tennessee. A tornado that struck near Memphis injured five persons and demolished or damaged several homes. Two twisters in eastern Ohio caused heavy property damage, but no injuries were reported.

Workers piled sandbags on soft levees along the surging rivers and streams. Volunteers and National Guardsmen helped in the sandbagging operations in some of the flood-stricken sections in southern Illinois. The overflows were reported from East St. Louis on the Mississippi across Illinois to the Wabash river on the Indiana border.

NATIONAL WEATHER—It will be warmer tonight in the Plains States and in the Southern and Central Plateau area while cooler weather is expected for most of the nation east of the Plains. A possibility of some showers exists in the far Northwest.

Cabbie Reports Rider Owes Him $26 Fare

"I hope he enjoyed the ride," Detroit cabbie Claude Hughes told sheriff's deputies last night.

He was referring to the unidentified man he picked up as a fare in Detroit last night and, after riding around the area, drove to an address on Livernois Road in Avon Township.

When they pulled up at the darkened house, the passenger got out, saying "Wait for me." He then stepped into a car parked in the driveway at 2975 Livernois Road and sped off without paying the Checker Cab Co. driver his $26 fare.

OK Emergency Plans for Berlin

NATO Ministers Agree on Need for Measures to Meet Red Crisis

From Our News Wires

OSLO — The foreign ministers of the 15 North Atlantic Treaty Organization (NATO) powers including the United States agreed today on the need for strengthened emergency plans to deal with any sudden crisis with Russia over Berlin.

* * *

A warning that Soviet Russia may be building up to new demands on Berlin and may sign a separate peace treaty with East Germany was given the conference at its opening Monday by Secretary of State Dean Rusk.

* * *

Acknowledging the seriousness of the situation, Norwegian Foreign Minister Halvard Lange proposed that the "big four" of the conference — the U. S., Britain, West Germany and France — review possible countermeasures.

The conference spokesman told newsmen that Lange had urged the big four to "consider whether their contingency plans for the Berlin problem are adequate to the present and foreseeable situation."

It was agreed that the United States, West Germany, France and Britain would take a look at present plans and take what action was deemed necessary.

STATEMENT BACKED

The conference fully backed Rusk's statement Monday that any attempt by the Soviets to act unilaterally in Berlin would be resisted by the Western allies.

Some of Portugal's allies urged her to revise her African colonial policy, one of the issues cracking NATO unity.

The NATO ministers revealed their concern at the bloodshed in Angola, a Portuguese territory that could become another Congo.

Portuguese Foreign Minister Franco Noguera was told that his country could not expect to have the other NATO powers blindly support Portuguese actions in Africa in the United Nations.

High Court Refuses Drain Complaint

(Continued From Page One)

Court while Barry sought approval of a compromise plan which would have cut its apportionment nearly in half and, Barry hoped, get Madison Heights to approve the plan.

The city wouldn't. Officials there had to file the necessary papers with the court within a required time limit.

The plan is dead now, Barry said. "There's no need for that now," he said. "We're right back to the original apportionments."

* * *

This puts Madison Heights' at $2,542,898.

A public hearing, at which Barry's office will review the drain's route, the area to be served and the estimate of costs—"for the sake of continuity"—will be advertised giving 30 days notice.

No date has been set.

To Unveil War Marker

DETROIT (AP) — Gov. Swainson will unveil a Civil War centennial marker in Cadillac Square Saturday honoring the First Michigan Infantry Regiment. The regiment was the first western unit to respond to President Lincoln's call for Union troops.

It is estimated that in the United States the annual damage amounts to more than $2 billion from rat damage alone.

CHARLES S. TOY

Attorney Wants Con-Con Post

Charles S. Toy, Who Owns Highland Farm; to Defend Townships

Nomination in two months to the constitutional convention from Oakland County's 1st District is the immediate goal of Charles S. Toy, attorney and farmer from Highland Township.

Toy, who began practicing with his uncle, the late Justice of the Supreme Court Harry S. Toy, announced that he was campaigning for election as delegate on the Republican ticket.

The 40-year-old Toy is president of the Highland Township Republican Club.

Toy said he is "greatly concerned" over efforts of some of the prospective delegates "to limit or even eliminate township government."

The candidate listed this threat, as well as distribution of representation in the legislature, assessing of taxes, and the allocation of funds to various governmental units, as the major problems confronting the forthcoming convention.

* * *

When Toy isn't taken up with his law practice, he is farming 300 acres of corn, oats, clover and other crops in the township.

* * *

An interest in township government came quickly for Toy. After his graduation from Grove City College in Pennsylvania in 1942, he was chosen as one of 10 college graduates in that state for a scholarship to study local and state government.

He left his Navy uniform behind, which he wore as a pilot in the Atlantic and Pacific theaters, to return to Detroit to earn his law degree.

He immediately joined the former justice, who was appointed to the high bench in 1935, in the practice of law in 1949.

* * *

The candidate is secretary of the towning zoning board, a member of the board of directors of the Hi-White Boys Athletic Association, and the Michigan Farm Bureau.

Paul D. Bagwell Main Speaker for Foundation

The Oakland County Chapter of the National Foundation held its annual meeting last night at the Lutheran Church of the Redeemer in Birmingham.

Paul D. Bagwell, honorary state chairman, was the main speaker.

No new members were named to the chapter's board of directors. Richard E. Speese, chapter administrator, spoke briefly on the work now being done by the March of Dimes in the field of birth defects and arthritis.

In his speech, Bagwell traced the 25-year history of the March of Dimes and discussed plans for the future.

The Day in Birmingham

City Awards Contract for Sidewalk Replacement

BIRMINGHAM — A contract for the 1961 sidewalk replacement project was awarded a Detroit firm last night by the City Commission.

* * *

Padula and Mattioli Cement Co. received the contract for its bid of $11,726. It was the lowest of 10 bids submitted.

Faulty sidewalks to be replaced are in an area bounded by 14-Mile Road, Woodward Avenue, Emmons and Grant streets.

Also to be included in the replacement program are sidewalks damaged by the city during the installation of sewer and water lines.

* * *

William T. Killeen, city engineer, in recommending the low bidder, said the firm had indicated that work could begin immediately with completion due well in advance of the July 29 deadline.

Commissioners also approved the necessity of the proposed 1961 road oiling program and scheduled a second public hearing on individual assessments for May 22.

Two separate programs are planned. They are the application of light oil to nine roads; and the application of a seal coat, (asphaltic oil and stone chips), to 40,500 feet of roads.

* * *

Estimated cost to property owners for the light oil application is 15 cents a front foot. The cost for the seal coat application is 22 cents a front foot.

A panel of seven teachers will discuss "Reading, Testing and Arithmetic" at the 8 p.m. meeting of the Hickory Grove Parent-Teacher Association Thursday.

Recently elected officers of the PTA will be installed at the meeting, with John McBride of the Bloomfield Hills Council presiding.

The PTA will sponsor a chicken barbecue and fair May 20 from 4 to 8 p.m. at the school grounds. Proceeds for the fair will be used to purchase new books for the school library.

The Franklin Cemetery Auxiliary will meet 1 p.m. Thursday at the home of Mrs. Herbert Masters of 888 Ann St. for a potluck luncheon.

There will be a plant and white elephant sale following the meeting.

Mrs. Joseph Beninson of 4743 Burnley Drive, Bloomfield Township, was elected secretary yesterday of the Michigan Council of Cooperative Nurseries.

Officers of the organization were named at their 10th annual conference held at Michigan State University in East Lansing.

Elected president was Mrs. Richard Hackley of Flint.

Some 3,100 families and 115 Michigan nurseries are represented in the organization.

Rescue Signals Are Available

Offered to Invalids and Other Persons Who Are Disabled

The Pontiac Firefighters Association today urged all disabled persons in the Pontiac area to contact the association for rescue markers—a signal of urgency for fireman answering alarms.

* * *

Sidney J. Miller, association president, said the special seal in an invalid's window will enable rescue units to give faster, safer emergency service.

The program is designed to help firemen rescue disabled persons who might otherwise be helpless if fire should strike their homes.

The luminescent markers which the association is providing free to applicants can readily be seen in the spotlight of fire equipment, and easily seen in daylight.

Miller urged area persons who are aged, sick, crippled, blind, arthritic or bedridden to contact the association for markers.

"The time they save in locating a person may be the time that saves a life," Miller said.

An up-to-date record of disabled persons will be maintained at the Fire Department so that even before the fire fighters leave the station they will know special action is required, Miller said.

Association members will install the markers.

Requests for the seals should be mailed to the Pontiac Firefighters Association, P. O. Box 526, Pontiac.

$10,400 in Contents Vanishes With Safe

Burglars who failed in efforts to crack a safe at the Farmington Country Club, 27670 Haggerty Road, last night, stole the safe and its $10,400 contents.

* * *

State police from the Redford post were investigating at the scene in Farmington Township today.

Officers said there obviously was more than one burglar involved to have been able to roll the safe out the front door after kicking in a rear window to force entry.

Tire marks outside showed where the thieves loaded the 810-pound safe into a light truck and sped off undetected.

A futile effort had been made to force open the safe on the premises first, troopers said. It contained an estimated $400 in cash and $10,000 in negotiable checks, they said.

Woman Envoy in Ceylon

COLOMBO, Ceylon (AP) — Miss Frances E. Willis arrived today to represent the United States as ambassador to this Indian Ocean island nation headed by the world's first woman premier, Mrs. Sirimavo Bandaranaike.

About 30 million acres of woodlands are burned annually in the U.S., according to forestry estimates.

U.S. Won't Accept Inactive Space Role

(Continued From Page One)

ors to him—was kissed by his family.

Flanked on the news conference platform by his fellow astronauts and directors of the nation's space program, Shepard told his story with composure and wit.

As he unfolded the details of his flight in response to questions, Shepard repeatedly drew applause from newsmen—an unusual tribute.

The applause was not so much for the events of the flight, which he showed a tendency to underdramatize, but for his forthright way of handling queries.

When he was asked if after he was picked to make the first ride into space he wished he was "in something else other than Project Mercury," Shepard replied: "That is the easiest qusstion I have heard today. No."

Newsmen warmed at his repeated references to what "we" had done — that is, his six fellow astronauts and the hundreds of scientists and other workers who contributed to the man-in-space program.

Nelle's Daughter Tells of Her Mother's Anxiety

DETROIT (UPI) — The pretty daughter of Mrs. Nelle Lassiter testified under cross-examination today her mother made several frantic telephone calls to police after the April 6, 1959, disappearance of Royal Oak used car dealer Parvin (Bill) Lassiter.

The daughter, Mrs. Zonya Stankov, 19, threatened with impeachment Monday after she had been called as a witness for the prosecution, said her mother was "very upset" when Lassiter failed to come home after calling her from Willow Run Airport.

Mrs. Lassiter, of 19690 Beverly Road, Beverly Hills, and Gordon Watson, a former business partner of Lassiter, are on trial for murder and conspiracy to commit murdder in the two-year-old slaying.

* * *

Under cross-examination by Joseph W. Louisell, her mother's attorney, Mrs. Stankov said her mother called several police departments when Lassiter failed to come home the night of April 6.

Mrs. Stankov said she stayed home from school to be with her mother the next morning.

* * *

Lassiter's body was found a short time later near the airport.

MRS. ZONYA STANKOV

Three Tennessee men confessed the slaying and are serving life terms. But the state charged Mrs. Lassiter and Watson of plotting the slaying.

A move to impeach Mrs. Stankov was started Monday by Assistant Prosecutor George D. Kent who claimed the young woman's testimony contradicted a statement she previously made to state police.

In the statement, according to Kent, Mrs. Stankov said that on the day following the crime, Watson told her "There's a good chance your father has been killed." Lassiter's body was not found until two days after the shooting.

To Delay Rights Action for Filibuster Rule Revision

WASHINGTON (AP) — The Kennedy administration appears ready to postpone action on major civil rights bills in exchange for a rules revision in this session making it easier to curb Senate filibusters.

Senate Democratic Leader Mike Mansfield of Montana said today efforts to revise the rule requiring approval of two-thirds of those voting to limit Senate debate will precede action on an administration package of civil rights measures introduced Monday.

* * *

Mansfield made it clear that even before the rule change is brought up, he hopes to have most of President Kennedy's general legislative program out of the way.

"Otherwise," he said, "we might have a long, drawn-out struggle in the Senate that might endanger the unfinished aspects of the President's program."

WAIT 'TIL '62

Mansfield left little doubt that any real attempt to enact the six bills offered in the Senate and House by Sen. Joseph S. Clark, D-Pa., and Rep. Emanuel Celler, D-N.Y., will have to wait until 1962.

* * *

The Democratic leader said he had no advance knowledge that the bills were going to be introduced by Clark and Celler, designated by Kennedy last fall to draft civil rights proposals for the administration.

Senate Republican Leader Everett M. Dirksen of Illinois said in a separate interview he plans to join with Mansfield in offering a measure to permit 60 per cent of the Senators voting to curb debate.

Assets of State to Be Praised in Area Talk

"The Other Side of the Coin"—about the assets and not the liabilities of the state—will be the subject of a talk tomorrow night in Birmingham at the annual meeting of the Oakland County Citizens League.

* * *

It will be presented by tax expert Louis H. Schimmel, veteran member and president of the Pontiac Board of Education before his retirement recently. He will be introduced by former Gov. Murray D. Van Wagoner of Bloomfield Township.

The 8 p.m. meeting at the Birmingham Community House will also see the election of officers for the coming year. The public is invited.

No News From JFK

WASHINGTON (AP) — President Kennedy will not hold a news conference this week. The White House said Monday the next news conference may be held either May 18 or May 19.

Rules France Is Not Liable at Texas City

HOUSTON, Tex. (AP)—France is not liable for the United States' worst industrial disaster, the U.S. 5th Circuit Court of Appeals has ruled 14 years after the series of explosions at Texas City, Tex., that killed 570 persons.

* * *

The New Orleans court, in an opinion received here Monday by mail, reversed a decision by U.S. Dist. Judge Ben C. Connally.

The U.S. government filed a $70-million damage suit against France and the French Line because the first of the series of fires an explosions started on the French ship SS Grandcamp at Texas City, Tex., April 16, 1947.

* * *

Connally ruled in 1959 that the French were negligent in not taking proper fire precautions. The appellate court told him to rule that France and the French Line were not liable for any claim from the disaster.

Says Nazi Bormann Was in Argentina

TEL AVIV, Israel (AP)—Argentina's former ambassador to Israel today said Martin Bormann—Hitler's deputy whose fate has been a mystery since the war—was in Argentina when Adolf Eichmann was captured last year.

* * *

Dr. Gregorio Topolevsky, now retired from the Argentine foreign service, said in a Tel Aviv news conference that Bormann had been living under an alias and disappeared into Brazil when he heard of Eichmann's capture by Israeli agents in May 1960.

PHYSICIAN IN COUNTRY

Topolevsky said that if Israel had requested Eichmann's extradition through official channels, he would have vanished "two hours later." Eichmann was spirited out of the country by Israeli agents.

* * *

The former ambassador said Dr. Joseph Mengele, Nazi physician at Auschwitz who selected vast numbers of victims for the gas chamber, was also known by Argentine security services to be in that country.

Soviet Planting Behind

MOSCOW (AP)—The newspaper Soviet Russia said today that despite Premier Khrushchev's prodding, spring crop planting is behind schedule.

California's 18 national forests cover about one-fifth of the state.

'Copter Just Drops In to Rescue Ohio Family

LOUISVILLE, Ky. (AP) — A Fort Knox soldier helping with flood rescue work spotted the C. A. Woosley family stranded on a porch Monday.

Sgt. William W. Heiden of Toledo, Ohio, came down by helicopter to the roof and chopped a hole in it.

"I just thought I'd drop in on you folks," he announced to the startled family.

MAY 5, 1961
FIRST U.S. manned space flight project MERCURY capsule—boosted by REDSTONE

Chrysler Corporation extends congratulations to all the people who cooperated in the first U. S. manned space flight, particularly astronaut Navy Commander Alan B. Shepard, Jr.

This flight was boosted by the reliable Redstone—a member of the first team of missiles in America's conquest of space.

This team has established an unequalled record fulfilling missions with reliability and accuracy.

The record is the product of a philosophy of building on proven principles and hardware. The carry-over of experience from the phenomenally reliable Redstone is largely responsible for the equally impressive performance of Jupiter. This inherent integrity is transferred to the succeeding generations of missiles.

There is something else behind this record. Teamwork—a government-military-industry team working unselfishly in the best interests of the country

Redstone is operational with U. S. Army forces. Jupiter is deployed by the Air Force. Redstone, Jupiter, Jupiter "C" and Juno II have served the missions of the department of Defense and the National Aeronautics and Space Administration.

Chrysler Corporation is proud to have been a member of this most successful team since 1952. As prime contractor for the Redstone and Jupiter systems, we have worked closely with military and government scientists in taking these missiles from initial concept to the launching pad . . . and beyond. Broad Chrysler Corporation capability and experience in research, development, engineering, production and logistic support is supplemented by Chrysler operation of the Michigan Ordnance Missile Plant.

Today these missiles mean military strength to keep the peace. They are also the key to the door of a vastly expanded new world of knowledge which will contribute much to peace and a better way of life.

Market Burglary Sends Man to Jail

Burglary of a Troy market, in which he made off with 51 cartons of cigarettes and a jig saw, has resulted in a prison sentence of 3 to 15 years for Jac Crampton, 33, of 1977 Maddy Lane, Keego Harbor.

Circuit Judge Frederick C. Ziem yesterday sentenced Crampton, formerly of Lansing. He was convicted by a jury of 12 women last month of breaking and entering during the nighttime.

Crampton was arrested Jan. 14 in connection with the burglary of Paul and Irma's Market, 6975 Livernois Road.

U.S. Envoy Arrives

BELGRADE (AP) — George Kennan, new U. S. ambassador to Yugoslavia, arrived early today to take up his new post. He was welcomtd by representatives of the Yugoslav Foreign Ministry and U. S. Embassy at the railroad station.

Warren G. Harding was the first President-elect to ride to his inauguration in an automobile. His was the first ceremony broadcast on the radio.

Presents Credentials

MEXICO CITY (AP) — U. S. Ambassador Thomas C. Mann Monday presented his credentials to Mexican President Adolfo Lopez Mateos at the National Palace.

Ex-President Tells His Plans: to Discuss Public Problems

NEW YORK (AP) — Former President Dwight D. Eisenhower served notice today that as a private citizen he will "discuss and argue" public questions as long as he has the strength and opportunity.

He announced his intention in an article in the Saturday Evening Post—the first he has written since leaving the White House Jan. 20.

* * *

He also disclosed that he was not sure he would not have sought a third term—if the Constitution had permitted and if he could have foreseen the Republican defeat in the presidential election.

Eisenhower said his decision to continue to play an active role in public affairs was reached as he and his wife were driving from Washington to their Gettysburg, Pa., farm after President Kennedy's inauguration.

"Suddenly, it seemed to me, this new life of mine promised a new kind of personal adventure," he wrote.

He said he long had believed the long-term health and vigor of the nation's free government depended on the level of each citizen's interest in America's basic problems "and his readiness to discuss and argue with his fellows."

WOULD DISCUSS, ARGUE

And, he continued, "I then and there determined to be a participant in such discussions and arguments as long as I might retain the strength and find the opportunity to do so."

Telling of the sights as well as his thoughts on the countryside journey, he said his wife and he were given a heart-warming welcome by students and nuns of St. Joseph College near Emmitsburg, Md.

* * *

"And so we approached the farm," he resumed. "But I was still thinking, what next? What, if anything, can I do to stir up the public interest in important public issues?

"Before we arrived at our front door I reached one simple conclusion:

"There is little reason for me or anyone else to think and talk of or to live in the past, smugly hugging to himself memories of successes or futilely bewailing setbacks.

* * *

"The task is to use the past and its experiences to help us peer more clearly into the future and to do our best to make it better.

"This, in my own way, I shall try to do . . . I think it will be fun; I hope it will be useful."

Eisenhower left no doubt he was upset at the defeat of Vice President Richard M. Nixon for the presidency and that this conceivably could have changed his thinking about the hypothetical possibility of a third term.

Red Doctor Takes Own Appendix Out

MOSCOW (AP) — A young Soviet physician, marooned by a blizzard at the Novo-Lazev research station in the Antarctic, removed his own appendix in surgery lasting almost two hours, Tass said Monday. He was reported recovering and able to walk again.

The Soviet news agency said Dr. Leonid Rogozov, 26, was struck by acute appendicitis April 30 and realized an operation was urgent. Using a mirror, he cut into his own abdomen that night, Tass said.

The dispatch made no mention of anesthesia and said Rogozov performed the operation, "in spite of severe pain," with the help of a mechanic and a meteorologist from the station's 12-man complement.

Convicted Price Fixer Named Head of Firm

PEORIA, Ill. (UPI)—One of a group of electrical company executives fined and jailed for price fixing has been named president of the Letourneau - Westinghouse Co., builder of earth-moving machinery.

* * *

He is Lewis J. Burger, 48, a former General Electric Co. division chief who served 25 days in jail and was fined $2,000 by a U. S. District Court in Philadelphia.

Drive More Carefully During Spring Months

In spite of the horrible spring up to now, there are better days ahead and school age children will be skipping across the streets without a thing on their minds.

Watch out!

Help them live.

★ ★ ★

Statistics show that the three spring months are the most hazardous for these young people. July and August have fewer accidents involving these ages than May and June.

Let's all help.

We can exercise extra care.

★ ★ ★

Even then, there will be a certain number of unfortunate fatalities but automobile drivers can hold down the total by watching beyond the call of duty during the weeks directly ahead.

World Too Complicated for Political Politeness

Republicans in the House of Representatives and Senate have begun more active opposition to President KENNEDY's administration, now that the "100 days" are over.

★ ★ ★

Traditionally, the opposition party gives a new president his first 100 days in office without full scale opposition. This parliamentary political politeness has perished, and the GOP boys are beginning to open up now.

★ ★ ★

However fair this waiting period may seem to the new chief executive, the tradition bothers us. Are mistakes made after the first 100 days more serious than earlier ones?

Is it good government to pass obvious situations which call for explanation and challenge, simply because a new man is at the national reins?

★ ★ ★

Giving this peaceful period to new presidents may not have been dangerous years ago, but with the international situation as complicated and dangerous as it is now, we feel the policy should have been abandoned.

Highway Finance Plan Will Unbalance Budget

The pay-as-we-go highway financing plan has had a severe setback.

In rejecting President KENNEDY's request for a rise to seven cents a gallon in the diesel fuel tax, the House Ways and Means Committee yielded to the trucking lobby. It did, however, renew the four cents a gallon tax on gasoline and diesel oil instead of letting the rate revert to three cents on July 1.

★ ★ ★

The committee increased the highway use tax for trucks and buses over 26,000 pounds but not nearly as much as the President thought necessary. These are the heavy vehicles that need good highways.

To meet the 1972 deadline for construction of the 41,000 mile interstate system, the Ways and Means Committee plans to use $150 million a year from the Treasury's general fund. Diverting this money, as President Kennedy said, is to deliberately unbalance the budget.

★ ★ ★

The diesel fuel tax increase would have brought in $108 million. A larger truck-use tax than the committee approved would have added millions. Apparently Teamster Union complaints of the "monopolistic power" of the railroads influenced the lawmakers.

"These same 'monopolistic' railroads," says the New York *Times*, ". . . are having to be saved by Government from bankruptcy partly because of competition of tax subsidized highways and airports."

When the matter comes up in Congress something should be done to restore the highway program to a sound financial basis without unbalancing the budget.

The Man About Town

The Cat's Meow

A Kitten Is Born Quite Equipped for Centennial

Popularity: What comes to a person who knows how to yawn with his mouth shut.

Surely a Centennial booster is a kitten recently born to the family cat of

Mrs. J. Emmerth

of 89 Chamberlain St. It has a white face with a perfect mustache and goatee of grey.

With only one game scheduled, there was no change in the standings of the top ten batters in the American League Monday.

There's a Pontiac area echo in the Kentucky Derby. The mother of Bass Clef, the long-shot third place winner, is on the farm of

Dr. D. J. Loewith,

just north of Oxford. The owner of Bass Clef is

Mrs. George Smith

of Lapeer, whose farm is on Davison Road.

Two booklets that give the inside dope on the 1960 census in Michigan may be secured free of charge by our readers by writing

U. S. Department of Commerce

at its office at 438 Federal Building, Detroit 26. They're mighty interesting.

This column is in absolute accord with the sentiments in a letter from

Mrs. Lydia Murch

of Birmingham. She asserts that a long time popular Saturday night program is following the general TV trend, and what's left of the talent that made it famous are forced to contend with a mixture of panaceas for tired blood, insomnia, bowel irregularity, alternators, after-shave stinkum and other handicaps.

Over one thousand mammoth Red Emperor tulips now are in bloom at

201 Grant Street, Holly

in a 16x16-foot bed. Come and see them, and if you know of a shut-in, accept a bouquet for them. Please come in the afternoon.

With the official name of "shadbush," a wild shrub that is common in the Pontiac area, has over 80 other names, according to

Edward G. Voss,

Curator at the University of Michigan. I believe its local name is "shadberry." Am I right?

Congratulations to the great State of Michigan on the selection of my friend,

Harry H. Whiteley,

Rogers City publisher, on its Conservation Commission. At 41, he is the youngest man ever to be a member of that commission. He is a nephew and namesake of

Harry H. Whiteley,

Dowagiac publisher, who was chairman of the first such commission.

From Rochester comes a facetious note from

Ben Coyner,

who wants to know if the Centennial committee will scrub Pontiac's streets, as he expects to have whiskers that drag on the pavement.

Not returning to the Oakland County Board of Supervisors is

Mrs. Genevieve Schock

of Berkley. She has served in that capacity for 13 years, and revived its flower fund from the doldrums to a very active project, and has been known as the board's flower girl.

Verbal Orchids to—

Mr. and Mrs. William Martyn

of 39 Waldo St.; 62nd wedding anniversary.

Frederick L. Gregson

of Rochester; 83rd birthday.

Mr. and Mrs. George Requa

of Waterford; 51st wedding anniversary.

Franklin Mortimore

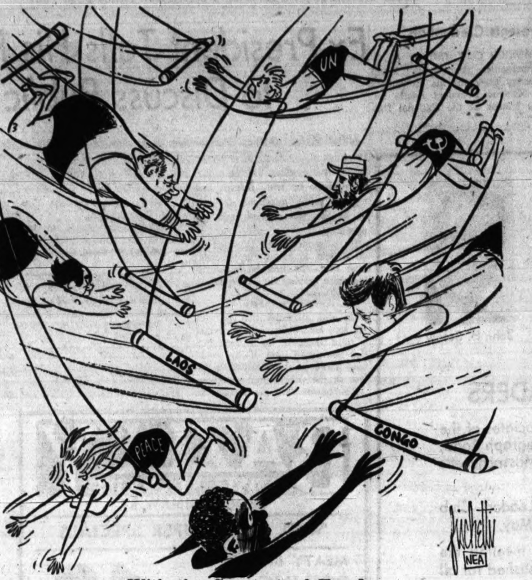
of Birmingham; 82nd birthday.

Arnold Westcombe

of Drayton Plains; 82nd birthday.

Mr. and Mrs. Benjamin Schlaud

of North Branch; golden wedding.



With the Greatest of Ease?

David Lawrence Says:

U.S. Can Hold Head High on Space

WASHINGTON — For the first time in the history of the world a man has gone up into outer space who was watched by millions of people both before he ascended and when he came down to earth.

LAWRENCE

This, however, is only one of a series of "firsts." For the first time, a man in a capsule was able to control and guide his flight while in the air. The Soviet astronaut who orbited the earth was just an inanimate passenger.

★ ★ ★

For the first time, a man who flew into space was photographed as he entered the capsule before he ascended and immediately after he came down. The Soviet astronaut, on the other hand, was not photographed by anyone except government representatives.

For the first time, a nation sent a man into outer space and paid for the project out of a small fraction of its tax receipts.

No class of human society was deprived of anything by reason of that expense—and no hardship was imposed upon the people.

The enormous sums spent to send Soviet satellites aloft have been taken from a people deprived of the necessities of life.

All this was ordered merely to advance the propaganda of totalitarian rulers.

NOTHING HIDDEN

America is rightfully emphasizing to the world that its achievement was in the open where nothing was hidden.

To this day the true facts about the flight of Maj. Gagarin of Russia are still unavailable either to the press or to the international scientific organization which eventually must pass judgment on the validity of the claims.

Cmdr. Alan B. Shepard Jr., who made the great flight for the United States, captivated Washington.

He is a credit to his country in general and to the United States Navy in particular. He handled himself with modesty, tact and skill not only in his public appearances at the White House and at the Capitol but in the press conference that was televised to the nation.

Here was an example of a naval officer trained, of course, for the physical hardships he might have to endure. But where did the training come from that enabled him to take in his stride the adulation and applause that were showered upon him?

American manhood—the product of a free environment and the heritage of sturdy American parents—can be given the real credit.

Undoubtedly there has been a spirit of competition aroused ever since the Russian Sputnik circled the earth. The Soviet press and radio played up the Gagarin flight, and there was a big celebration in Moscow, too, as Premier Khrushchev made speeches and bestowed the accolade on the Russian astronaut.

While doubts persist as to what Gagarin really did—perhaps he also only went up and down at a given place in the air—the disposition of officialdom here is to credit him with his claim.

But at the same time there is a natural pride here that America did everything in the open and made all facts available immediately to the public. Meanwhile, the Soviet people have been given skimpy accounts of Shepard's feat, which is being deliberately played down inside the Soviet Union by orders of the Moscow government.

It is important to the Communists to make the Soviet people feel that their sacrifices must be continued.

Dr. William Brady Says:

Moderate Exercise Best to Prevent Heart Attack

In an investigation of thousands of cases of coronary thrombosis or occlusion in England, Drs. Morris and Crawford found that physical activity is actually a protection against coronary heart disease.

Men in physically active occupations suffer from it less than men in professional, managerial, business or other sedentary occupations. When it does occur in men who get considerable exercise every day, it is less severe, and they develop it later in life than men with sedentary occupations do.

DR. BRADY

Habitually physical activity, the British doctors concluded, is a general factor of cardiovasular (heart-artery) health in middle age. The hearts of sedentary workers or light workers showed lesions comparable with the lesions in the hearts of heavy workers 10 to 15 years older.

The management of coronary thrombosis in recent years has changed considerably from the general practice of the twenties and thirties. Indeed the most competent physicians now favor "arm chair" treatment in the first weeks after the attack, rather than absolute bed rest.

TOLD TO SIT UP

That is to say, the patient sits up in a chair for perhaps half an hour morning and evening, from the first or second day, and the periods are increased to an hour each morning and an hour each evening after a week; to two hours each morning and evening in the third week; to three hours the fourth week; then the patient sits up all day, and begins walking a few steps the first few days, to the bathroom and back or up and down the hall or corridor, and thereafter, week by week, a little longer walk from day to day.

The idea being gradually increasing exercise. This management has proved a great deal more effective than the older management which kept the patient in bed for at least six weeks before he was permitted even to walk on eggs.

As recorded here recently, coronary episodes are most likely to occur when persons are at rest, least likely when persons are exercising, working or playing.

★ ★ ★

A reasonable amount of work, play or exercise daily is better for the "weak" or diseased heart than extreme inactivity or always "taking easy." Makes no difference whether the heart trouble is valvular, myocardial (heart muscle degeneration or lesion) or coronary (narrowing or occlusion of a branch of the artery that supplies blood to the heart wall), carefully graduated exercise is the most essential factor in good treatment.

★ ★ ★

Victims of iatrogenic heart disease—the poor souls have been made to believe thay must have a dose of digitalis every day to keep the heart beating—and characters who use the "weak heart" obsession to live (on the bounty of others) without working will reject indignantly the truth and complain piteously about my hard-boiled manner — and probably some of them will find eminent, that is, well advertised, specialists who will be only too happy, seeing that I am concerned, to tell them or the world that they DO most desperately need their daily dose or that for them any kind of physical activity if fraught with grave peril.

★ ★ ★

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

(Copyright 1961)

The Country Parson

"Life is getting so complicated that even if you're inclined to worry, it's hard to pick out the right things to worry about."

Voice of the People:

'Oakland's Representatives Fail Those Who Elect Them'

Due to the failure of the Michigan Legislature to grant a further increase in its budget allocation for higher education, we in Oakland County should be fully cognizant of the fact that in the particular case of MSUO, our state government has been tragically inconsistent.

★ ★ ★

They accepted the magnificent gift of Mr. and Mrs. Wilson because there was a demonstrated need. By not planning ahead for the necessary growth of such an institution, they have grossly mismanaged the funds and actually have created a loss of the education tax dollar that was originally put into this project.

★ ★ ★

Our Oakland County representatives have been deluged by mail and personal contact from their constituents demanding that funds be made available for the MSUO program. A letter from Henry Hogan Jr. states he "personally believes in the need for a further increase in the allocation." But, he could not vote for it as "previous promises had been made to expire nuisance taxes after two years."

★ ★ ★

His vote and those of the other representatives who caused this failure last week, show a pitiful misunderstanding of the needs of the people and the expressed desire of those who voted them into office.

Mrs. Noel A. Buckner

Orchard Lake

Disliked Photo of Dying Man

The Press' use of the AP photo showing Lt. Cmdr. Prather dying (in Friday's issue) is very regrettable when one considers the number of relatives the Commander had in the Pontiac area. The article itself was sufficient.

C. L. Herring

Waterford

(Editor's Note: The Press prints less than one - tenth the photos generally used of deaths. You may feel even one-tenth is too many, but many other readers share the opposite view.)

'Commoners Suffer During War'

Fools have often been the perpetrators of war. But the common masses bear the greatest brunt. They shed the greatest amount of blood and suffer the horrors of destruction and poverty. Since 1776, America has been involved in six great wars. That amounts to over two wars during the life span of the average individual.

The great humanitarian minds of America must unite and determine the maturity and capability of those who are now sounding the call to arms and wishing to plunge America into what may well prove to be the bloodiest and costliest battle the world has ever known.

J

Asks Critical Writer Several Questions

As a reader of The Pontiac Press and a booster for a better Pontiac, I am interested in the objections of "Strictly Anonymous."

★ ★ ★

Could he give me in detail what he wants The Press to do? He speaks of a "Do Nothing Attitude." May I ask what his own attitude is? Has he told anyone anything good about Pontiac?

★ ★ ★

Will he join me in helping to move our beloved City of Pontiac forward?

Louie Bush

86 Cottage St.

'Child Isn't Learning? Don't Blame Schools'

If Johnny can't read — or write —or spell — or figure — don't blame the schools. Blame the homes as that's where the fault lies. Parents don't take enough interest in what goes on and they don't encourage good work and home study, but they let everything slide and then yell at the school system. It bothers me to hear the system criticized when the fault lies with pa and ma.

Former Teacher

'We Should Care for Children First'

It may be great to send men into space, but it would be more worthwhile to put some of the millions to feed and clothe more of our children who may grow to be useful men and women. I have five wonderful grandchildren ages 12 years to 3 weeks who are living on welfare. Their father is a young man who has searched for a job since August, 1960. He was laid off from the missile plant at Warren, Michigan.

Grandmother

Portraits

By JOHN C. METCALFE

I'd like to go around the world . . . See distant lands across the sea . . . And have the time to stay a while . . . At places that appeal to me . . . I'd like to spend some lazy days . . . Along a golden island shore . . . And follow ancient pirate maps . . . That secret treasures have in store . . . I'd like to climb to mountain tops . . . And look down on the earth below . . . And ride upon a sunbeam sled . . . Across the graceful slopes of snow . . . I'd like to take a satellite . . . Through space to Venus or to Mars . . . And maybe visit on the way . . . A half a dozen little stars . . . All of these things I'd like to do . . . Before I get too weak and old . . . But now while I am strong and young . . . Your heart I would prefer to hold.

Smiles

When a city is wide open, why give celebrities a key to it?

Case Records of a Psychologist:

Bold Front Is Basis of Courage

By DR. GEORGE W. CRANE

CASE H - 480: Don O., aged 34, is a nice looking auto salesman.

"But, Dr. Crane, I'm afraid we're heading for a divorce," his talented wife informed me.

DR. CRANE

"Don is a likeable Irishman, but he always runs away from his problems. When the chips are down, Don reaches for his whisky flask.

"We've been married 12 years, but he has never held a good job very long. For sooner or later, the pressure gets heavy and Don then runs away into a drunken weekend.

"He usually sobers up without a job. This further deflates his ego. So he has finally become a chronic drunkard.

"I've had to work to support us. And I have been given several fine promotions. But the more successful I grow, the more Don takes to the bottle.

"But somebody must bring home the bacon and Don is still childlike in his emotions. He has never matured, despite his 6 foot height and 190-pound weight."

FIGHT OR FLEE

In a crisis, do you readers fight or flee? Are you a lion or a panicky sheep?

Even if you don't feel brave, at least stand pat and act courageous! Then you will really be courageous.

For the brave man is timid and frightened at heart, but he forces himself to put up a bold front.

The coward simply runs away but the courageous man at least acts bold until he fools the public. And this "acting" soon can become a habit. Then he is a brave man by nature.

"Act the way you'd like to be and soon you'll be the way you act," runs an axiom of Applied Psychology. Follow that rule at all costs!

★ ★ ★

Alcoholics have acquired the habit of fleeing from their problems. They run away. But this does not solve those difficulties. For the problems still face them, in even greater degree, the moment they sober up.

But alcohol is not the only escape device used by mankind. Some people flee from fearful social contacts by being hermits. They desert mankind.

Others become "floaters" who always think the grass on the other side of the fence is greener. So they drift from one job or city to another as "rolling stones."

Gambling is another flight from reality into a make-believe world where its victims cherish a childlike belief in "Lady Luck." They never grow up emotionally, for they think somehow, somewhere Luck will defeat the laws of mathematics.

INSANITY

The dope habit is another way of trying to run away from reality. And people who use sleeping tablets show the same early tendency to seek an outside medicinal escape mechanism.

Suicide is another evidence of a one-way final flight. In the stock market crash of 1929, many business men couldn't face their reduction from wealth to poverty, so they fled via suicide.

Jilted lovers, as well as others who become overwhelmed with failure and refuse to keep fighting, also flee via suicide.

Insanity is another very widespread form of flight from reality. Here the flight is psychological. The victims withdraw from the world into a mental turtle-shell existence.

So teach your children to stand pat and battle their problems. Praise them for finishing their chores.

For quitters in adult life are those who failed to finish their childish tasks.

So learn to finish your jobs! And argue with yourself if you are fearful.

Don simply started running away from his tasks even as a child until now it is a habit.

★ ★ ★

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

Pontiac, Nearby Area Deaths

LEONARD ALVAREZ

Leonard Alvarez, 82, of 1065 Vinewood St., died Monday following a short illness.

He was a member of the Assembly of God Church in Imlay City.

Survivors include his wife Petra; seven daughters, Mrs. Phyllis Gonzalez and Mrs. Sarah Kesler, both of Brown City, Ann, Rebecca, Betty, and Esther, all of Pontiac, and Mrs. Mary Porritt of North Branch; and three sons, Savas, Stephen and Frank, all of Pontiac.

Also surviving are two brothers and one sister.

Service will be held Thursday at 2 p.m. from the Pursley Funeral Home with burial in Perry Mount Park Cemetery.

G. CHARLES HAWKINS

G. Charles Hawkins, 70, of 41 Oneida Road, died Monday at Pontiac General Hospital following a short illness.

He attended Orchard Lake Community Church and was a retired passenger conductor for Grand Trunk Railroad. A member of Owosso American Legion, he was also a life member of Durand Masonic Lodge.

Survivors include his wife, Marybell, and a brother.

Service will be held Friday at 2 p.m. from the Sparks-Griffin Chapel with burial in Avondale Cemetery, Flint.

WILLIS E. HILL

Willis E. Hill, 86, died Monday following a long illness.

Survivors include two sons, Dail of Bloomfield, Mo., and Vern of Fenton; two daughters, Mrs. Jessie Sisen of Bloomfield, Mo., and Mrs. Robert Zuck of Pontiac. Also surviving are 12 grandchildren and 12 great-grandchildren.

Service will be held Wednesday at 3:30 p.m. from the Bowles and Sons Funeral Home in Linden. Burial will be in Fairview Cemetery, Linden.

LUELLEN D. LARKINS

Service for Luellen D. Larkins, 70, of 416 N. Saginaw St., will be held Wednesday at 3 p.m. from the Huntoon Funeral Home.

Mr. Larkins died Saturday at Pontiac General Hospital following a brief illness.

Burial will be in Perry Mount Park Cemetery.

HARRY W. MEGGITT

Service was held today from the Voorhees-Siple Chapel for Harry W. Meggitt, 79, of 365 Fourth St. He died Saturday at Pontiac General Hospital following a long illness.

Mr. Meggitt was a retired custodian of the Bloomfield Theater in Birmingham.

Survivors include his wife, Pearl; two daughters, Mrs. Robert Penfold of LaFountaine, Ind., and Mrs. Nolan Davis of Pontiac; and a son, Rae E., also of Pontiac. Also surviving are four grandchildren; a brother, and a sister.

Burial was in White Chapel Cemetery.

EARNEST E. SNYDER

Earnest E. Snyder, 55, of 100 Newark St., died today at his residence following a short illness.

He was employed at Pontiac Motors in Plant 9.

Survivors include his wife, Helen; a son, Charles Brown of Pontiac; and a daughter, Mrs. Betty Phillips of Auburn Heights.

Also surviving are two brothers, Earl of California and Howard of Illinois; and two sisters, Mrs. Lucile Liddy and Mrs. Anna Sebastian, both of Pontiac.

Arrangements are being made by Huntoon Funeral Home.

WINFRED J. STIMSON

Winfred J. Stimson, 62, of 4216 Seden Drive, Drayton Plains, died Monday at Veterans Hospital, Dearborn, following a short illness.

He was self-employed as a carpenter.

Survivors include his wife, Joyce; stepmother, Mrs. Blanche Stimson of Lapeer; and a son, Richard of Pontiac.

Also surviving are two sisters, Mrs. John Major of Lapeer and Mrs. Joseph Grezaffi of North Carolina; and five brothers, Clifford and Gerald of Detroit, Hugh of Pontiac, Welden of Lapeer, Frank of California; and a stepbrother, Kenneth Bice of Hadley.

Service will be held Thursday at 1:30 p.m. from the Sparks-Griffin Chapel. Burial will be in Ottawa Park Cemetery.

Walkout Stalls France

PARIS (UPI)—Subway and bus service in Paris was crippled today by a 24-hour strike called in defiance of President Charles de Gaulle's appeal for a national drive to boost French living standards.

Defiant for Cuba

KEY WEST, Fla. (AP)—Valdemar Tolbichek, Czechoslovakian ambassador to Cuba, told a television audience in Havana Monday night that his country will support the Cuban revolution, "economically and, if need be, by direct military assistance to the end."

Ann Arbor Gets Firm

ANN ARBOR (UPI) — Conductron Corp. says it will build an $800,000 research and development facility northeast of Ann Arbor. The firm is a subsidiary of Paramount Pictures, Inc., specializing in electronics.

New Officers for PTAs Take Over With Pep

Installations of officers will highlight Parent-Teacher Association meetings in 10 Pontiac schools this week.

REVIEW AT WHITTIER

Whittier School will install its officers at the final meeting of the season at 7 p. m. Wednesday.

* * *

The new leaders are Ronald Brown, president; Mrs. Emile Guy, first vice president; Rufus Taylor, second vice president; Warren Stephens, teacher vice president; Mrs. James Christy, secretary; and Mrs. Henry Stewart, treasurer.

* * *

Highlighting the meeting will be pictures of this season's PTA activities from the historian's book, shown on the school's opaque projector by Mrs. Joe Singleton, historian.

A social hour will follow the business meeting.

FILM AT McCONNELL

A business meeting will follow the Greater Pontiac Centennial film "The Pontiac Story of Progress and Promise" at Thursday's 2 p. m. McConnell School PTA meeting.

Installation of 1961-62 officers, usually held at this meeting, will be conducted instead at the spring luncheon May 23.

SPEECH AT WILSON

Featured speaker at Wilson PTA's 2:30 p. m. Thursday meeting will be Mrs. Glenn Davis, district supervisor of Family Service.

Mrs. Davis, who has worked with Family Service agencies throughout the United States, also has been associated with the Oakland Child Guidance Clinic and the Veterans Administration. Her subject will be "How Can We Benefit From Family Service?"

Sixth graders will entertain following the talk.

REPORTS AT WHITFIELD

Daniel Whitfield PTA's final meeting of the school year is slated at 7:30 Wednesday.

Mrs. Charles Coppersmith, former PTA president, will install new officers who include Mrs. William Coffing, president; Mrs. Robert Mehlberg, vice president; William Smith, father vice president; Mrs. Howard Caldwell, teacher vice president; Mrs. Raymond Heipe, recording secretary; and Mrs. Bruce Martyn, corresponding secretary.

* * *

Others are Mrs. Frank Webster, treasurer; Mrs. William Walter, historian; Mrs. Benjamin Wilton; Mrs. William Bramble and Mrs. Thomas Hillsey, council delegates.

* * *

Following reports by delegates to the recent Michigan Congress of Parent and Teachers convention in Detroit, the evening's guest speakers will be presented. They are Mrs. Ferne Perrin, visiting teacher for Pontiac Schools, and William Robertson, psychologist in the city's school system.

The fifth grade rooms of Mrs. Ralph Mason, Mrs. Omer Petti and Mrs. Howard Caldwell will serve refreshments.

FILM AT HERRINGTON

The film "The Pontiac Story of Progress and Promise" will precede installation of officers at the 7:30 p.m. Wednesday meeting of Herrington PTA.

Mrs. Ronald Black, president, will lead the association next year, along with Mrs. Roy Parker, mother vice president; James Timmons, father vice president; Mrs. Jorj Hildebrand, teacher vice president; Mrs. Robert Auer, recording secretary; Mrs. William Geeck, corresponding secretary; Mrs. Robert Fitch, treasurer; and Mrs. Leonard Buzz, member at large.

Another special feature of the meeting will be Kenneth Godell's demonstration of his "House of Hazards."

The school's glee club will entertain.

BAND AT WEBSTER

Webster School's band and orchestra will present a concert Thursday evening preceding installation of PTA officers.

The band will perform under the direction of Gerald Irish. Robert Peterson directs the orchestra.

* * *

Mrs. George Watters, president, will install the following officers: Mrs. Andrew Gulacsik, president; Mrs. Donald MacMillen, mother vice president; Truman Autry, father vice president; Al Stolzman, teacher vice president; Mrs. Ralph Merkowitz, recording secretary; Mrs. Mike Andonian, corresponding secretary; Robert Pote, treasurer; Mrs. Watters, parliamentarian; Mrs. James Graybiel, historian; and Dr. Burton Ross, auditor.

* * *

Council delegates are Mrs. Jay Gray, Mrs. Vern Reimenschneider and Mrs. Herbert Ketchum.

Refreshments, under chairmanship of Mrs. Chalmer Robinette, will be served following the meeting.

SPEAKER AT McCARROLL

Jerome J. Breen, principal of the Pontiac State Hospital's Fairlawn School for Emotionally Disturbed Children, will be guest speaker at Wednesday's 1:15 McCarroll school PTA meeting.

* * *

A program of songs and dances will be presented by the school's Honor Choir under direction of Mrs. Rosemary Northon.

Newly elected officers will be installed by Mrs. Homer Hight, a past president of the school's PTA.

* * *

Assuming duties will be Mrs. Sidney Olson, president; Mrs. William Killen, vice president; Albert Henning, father vice president; Mrs. Milton McEachern, secretary; and Mrs. Raymond Pardee, treasurer.

Mrs. Hubert Hensley, Mrs. Ray Meggitt and Mrs. Daniel Hutchens are council delegates.

Refreshments will conclude the meeting.

PICTURES AT EMERSON

Mrs. Donald Smith will be installed as president of Emerson's PTA at a meeting Wednesday evening.

* * *

Also assuming office will be Mrs. John Ferrell, mother vice president; Mrs. Charles Brown, teacher vice president; Clayton Lee, father vice president; Mrs. Lawrence Curtis, secretary; Mrs. Clayton Lee, historian; Mrs. Delbert Burnett, treasurer; and Mrs. Albert Martin, Mrs. Stephen Kives Jr. and Mrs. Robert Hoffman, council delegates, with Mrs. Gaston McCurdy as alternate.

* * *

Mrs. Gordon Rice, past PTA president and a past president of the Pontiac PTA Council, will install the group.

Committee chairmen will reveal plans for a teen dance slated at 7:30 May 12. A cup cake sale at the school May 19 and a cartoon film for kindergarten through fourth grade children as money making projects also will be discussed.

Elsie Weber, third grade teacher at Mark Twain School, will show slides of Africa filmed during her service as a missionary.

* * *

The PTA's annual school picnic is slated at 6 p.m. June 8 in Oakland Park. Mrs. Lloyd Clancy has been appointed refreshments chairman for sixth grade graduation on June 13.

The group is selling Centennial bonnets. Mrs. William McConnell, PTA member, is a Centennial queen candidate.

SCOUT TALK AT HAWTHORNE

Hawthorne's final PTA meeting is scheduled for 7:30 p.m. Thursday in the school multipurpose room.

The Wever - Hawthorne Boy Scout Troop No. 29, whose scout master is Leon Lackey, will give the presentation of colors and pledge of allegiance to the flag. Dr. Kenneth Sands, Cub Scout master, will talk to the group.

* * *

Blue Birds and Oyusci Camp Fire Girls from Hawthorne School will give demonstrations and explain the organization's ranks and honors system. Barbara Battin, field director for the Pontiac Council of Camp Fire Girls, will moderate the discussion.

Mrs. George Gray, president of the Pontiac PTA Council, will install new officers who include Mrs. Norbert Hoffman, president; Mrs. Fred Sartell, vice president; Arnold Thomas, father vice president; Luther Wilson, teacher vice president; and Mrs. Harry Winkley, recording secretary.

* * *

Others are Mrs. Daniel McGeen, corresponding secretary; Mrs. Donald Humphries, treasurer. Mrs. Robert Miller, historian; Mrs. Earl Rinker and Mrs. Pete Mihay, auditors.

Mrs. Raymond Hayes, Mrs. Lester Stanley and Mrs. Sidney Jones are council delegates.

Room mothers from Mrs. Curtis Cheek's class will serve refreshments.

REPORTS AT BAGLEY

Parents of Bagley School youngsters have been urged to attend the PTA's final meeting of the school year at 7:30 p.m. Thursday.

A business meeting highlighted by reports regarding the state PTA convention will follow installation of officers.

Refreshments will be served at the close of the meeting.

Capt. and Mrs. William A. Hickey, USN Retired, of Grosse Pointe, announce the engagement of their daughter Sharon to James L. Cox, son of Mr. and Mrs. Olan Cox of East Princeton Avenue. Both will be graduated in June from the University of Michigan dental school.

SHARON HICKEY

Personal News

The General Motors Girls Club of Michigan which are on their annual trip to Hawaii spent the weekend in Los Angeles before leaving by plane for Honolulu.

After 10 days on the islands, the girls will return by way of San Francisco.

Pontiac members of the GM Girls Club and relatives on the trip are the William Millers, the G. F. Allens, Florence Landry and her nieces Susan and Elaine Landry, Betty Lou DeGroot, Patricia Phelps, Gail Hopper, Nancy Smith, Hazel Pace, Athelia Kiman, Janice Sears, Charlotte Carpenter, Sharon Walters and Joan Passmore.

* * *

The Rev. and Mrs. Robert Davis (Suzanne Zimmerman) of Augusta announce the birth of a son, Mark Stanton, May 3 at Bronson Hospital, Kalamazoo.

Grandparents of the infant are the Robert J. Zimmermans of Maddy Lane, Keego Harbor and Mrs. Robert Davis Sr. of Auburn Heights.

May 3 is the birthday of the baby's mother, formerly of Pontiac and his maternal grandfather.

* * *

The Christopher Wrights, who have been wintering for three months at Bradenton and Hollywood, Fla., are at home again on Thorpe Street.

* * *

Mr. and Mrs. Dean Plake (Wanda Patrick) of East Howard Street are parents of a daughter, Deena Bess, born May 2, at St. Joseph Mercy Hospital.

Grandparents are Mr. and Mrs. Lovell McIntyre of Parkhurst Street and the Manford Plakes of Auburn Heights.

* * *

Returned from a six-week vacation in Tulsa, Okla., and Shamrock, Tex., is Mrs. David L. Brown of Oneida Road.

* * *

The birth of a daughter (Tracey Ann) April 29 is announced by Mr. and Mrs. Paul E. Moros (Joan Frazier) of Alma.

The grandparents are the George Fraziers of Ferndale and Mr. and Mrs. Lee E. Moros of Motorway Drive, Waterford Township.

* * *

Carolyn Klender is attending the 22nd national convention of the Young Women's Christian Association at Denver, Colo., this week, as an alternate in lieu of Joyce Dodds of Lake Orion.

She is a Waterford High School senior and daughter of the Eldore Klenders of Williams Lake Road.

* * *

The Frederic S. Youngs (Margaret Silk), of Taylor, are announcing the birth of a daughter, Lisa Dawn, on May 5.

Grandparents are the Albert Silks of Sylvan Village and the Richard B. Youngs of Clarkston.

* * *

A son, Sean Clancy, was born April 30 to the Richard C. Thompsons (Shirley Clancy) of Gardena, Calif.

The James P. Clancys of Ruth Avenue are the baby's maternal grandparents.

Guild Sets Benefit to Aid Home

The Seton Guild will sponsor a luncheon fashion show in the Birmingham Country Club at 1 p.m. Wednesday.

Demery's new branch store in Birmingham will provide apparel for the show. A limited number of tickets is available for the public event which will offer numerous prizes.

* * *

The latest in hair fashions and make-up also will be shown at the benefit affair.

Proceeds will go to the St. Vincent and Sarah Fisher Home for Children for nursery equipment, paving of the play yard, parties, toys, floor covering and other household needs.

Honor guests at the luncheon will be Mother Rose Marie, administrator of the home; Sister Julia, nursery administrator; and Sister Anita, school supervisor.

* * *

Committee chairmen working under Mrs. John Malpeli Jr., president, include Mrs. David Comeau and Mrs. Richard Mrowczynski of Southfield, cochairmen; Mrs. Leo Weber and Mrs. Paul O'Connor, tickets; Mrs. Faye Baldwin, decorations; and Mrs. Jerry T. Flanagan, raffle.

Others are Mrs. Anthony Genna, door prize; Mrs. Peter Rizzo, prizes; and Mrs. Austin Sansone, publicity.

Mrs. Comeau and Mrs. Sansone will model in the style parade.

Crisis in U.N. Topic of Talk

"Crisis in the U. N." will be the subject of the evening when Dr. Orlie Pell addresses an 8 p. m. Wednesday meeting sponsored by the Women's International League for Peace and Freedom. The group will meet in the Oak Park Community Center.

* * *

Dr. Pell, national president of the league, is an accredited observer at the United Nations and an authority on charter revision. The meeting is open to the public with no admission charge.

* * *

Members of the executive board of the Oakland County branch of the league and their husbands will meet with Dr. Pell for dinner at Carrie Lee's Restaurant in Birmingham before the talk.

Angora Swim Suit; Well, What Next?

(AP) Wonder what they will think of next? One answer is angora bathing suits for '61—brightly colored and maillot in style.

Just remember there's a trick to keeping an angora suit looking its best: Wash it after every wearing in cool soap or detergent suds and rinse to restore its shape, to remove sharp grains of sand, and to wash away damaging salts and chlorine. Shake it several times during drying to prevent matting and to restore the fluffy, feminine nap.

Retired Teachers to Eat, Then Meet

The annual meeting for the Retired Teachers' Club of Pontiac and vicinity will follow cooperative dinner at 6 p.m. Wednesday in the social room of Adah Shelly Library.

Retired teachers and their friends are invited. Please bring table service and a dish to pass.

Guild to Back Annual Benefit

The Brownson Guild will sponsor the annual benefit card party, tea and baked goods sale at the Convent of the Sacred Heart on Kensington Road, Bloomfield Hills, at 2 p.m., Saturday.

* * *

School principals and teachers from the metropolitan Detroit area, who comprise the guild, meet at the convent on the third Sunday of each month.

Have You Tried This?

Pumpkin Muffins Add Spicy Flavor to Meal

By JANET ODELL
Pontiac Press Home Editor

If you're looking for an entirely different hot bread to serve, try these Pumpkin Muffins. If you do not wish to open a can of pumpkin just for this recipe, you can substitute thawed frozen squash with very little change in flavor.

Mrs. Harold Ball of Ortonville is our cook today. When we talked with her recently, she was feeding 8 Brittany puppies around the clock. Gardening and sewing are two of her hobbies.

PUMPKIN MUFFINS
By Mrs. Harold Ball

1½ cups sifted flour
2 teaspoons baking powder
½ teaspoon cinnamon
¼ teaspoon nutmeg
½ teaspoon salt
¼ cup sugar
½ cup cooked pumpkin
1 egg, beaten
½ cup milk
2 tablespoons melted butter or margarine

Sift dry ingredients together. Mix pumpkin, egg, milk and butter. Combine with dry ingredients. Blend just until flour has disappeared.

Pour into well greased muffin cups. Bake in 400-degree oven 25 minutes. Makes 12 muffins.

If you prefer, you may bake this in a greased 8x8x2 pan. It will take 30-35 minutes. Mrs. Ball says the "bread" keeps well when baked in one pan.

Livingston-Scutt Vows

Family Attends Wedding

MRS. ROBERT E. LIVINGSTON

Wedding vows were exchanged by Connie Eileen Scutt and Robert E. Livingston in a small family ceremony Saturday evening in Oakland Avenue United Presbyterian Church.

The Rev. Theodore R. Allebach performed the service before an altar adorned with white gladioli and pompons.

Parents of the newlweds are the Gerald Scutts of Russell Street and the Louis Livingstons of Woodbine Drive, Waterford Township.

* * *

The bride chose street-length white satin trimmed with lace and styled with scoop neck and cap sleeves. She wore white gloves, veiled hat and red accessories. White carnations and roses comprised her shoulder corsage.

A corsage of red carnations accented the black and white checked wool sheath dress and jacket for Mrs. Gary Jackson, honor matron.

The bridegroom had Gary Jackson for best man.

The newlyweds, who are at home on Dwight Avenue, will be honored at a reception Sunday at the home of the bride's parents.

For the wedding, Mrs. Scutt wore blue satin and white veiled hat. The mother of the bridegroom appeared in navy blue silk with white accents. Both wore blue-tipped white carnations.

Churchwomen Attend Breakfast, Hear Speaker

Some 350 women from 14 area churches attended the annual May Day breakfast sponsored by First Baptist Church's Wayside Gleaners group.

Dr. Hyman Appelman who is conducting the Appelman Crusade in Pontiac was the group's guest speaker on the topic, "What It Is to Be a Christian."

Ellis Zehr, who is in charge of music for the evangelistic crusade, sang two selections, accompanied at the piano by Mrs. Bruce Rea.

Invocation for the Friday affair was offered by the Rev. O. P. Eastman, pastor of First United Missionary Church.

A committee, under chairmanship of Mrs. George Cook, prepared the breakfast. Sunday school classes of First Baptist Church served.

Scouts on Move

NEW YORK (UPI) — Since Juliette Low formed the first Girl Scout troop of 12 in Savannah, Ga., in 1912, more than 17 million girls and adults have been members of the movement in America.

Presbyterians See Skit on Freedom

A skit "Freedom to Believe" was staged by the Women's Association of First Presbyterian Church at Friday's luncheon meeting in the church.

Mrs. George Beauchamp was chairman and moderator for the program. Participating in the skit were Mrs. Robert Irwin, Mrs. Edwin O'Jay, Mrs. John Ward and Mrs. Robert Anderson.

Mrs. Robert Sigler offered devotions.

The July-August Group was hostess for the luncheon.

Sorority Planning Charity Projects

Beta Chapter of Beta Theta Phi Sorority planned future charity projects at a meeting in the Berkshire Road home of Mrs. Ward Ross.

Arrangements for the annual banquet June 1 also were outlined at the Thursday meeting.

Election of officers will be May 18 at the home of Mrs. Donald Kaiser.

Learn to Ride at Oak Knoll Farm

Equitation, Dressage and Show Riding Taught by Instructors of Champions

Oak Knoll Farm, adjacent to Kensington Park near Milford, is one of Michigan's most modern and best equipped horse farms dedicated to breeding, training and boarding show horses and teaching riders, young and old alike, the fundamentals of riding and horsemanship.

Instruction in equitation and show riding is under the direction of Miss Dawn Atlas, formerly of Fantasy Farm Stables, Michigan City, Ind. Her students have won many championships in various age groups. Frank Nuccio, Oak Knoll Farm manager, has trained and presented champion horses in many Eastern and Midwestern Shows.

Oak Knoll Farm is a 44-acre training ground. School horses are three-gaited, five-gaited and fine harness. *For further information, write or telephone . . .*

Abby Says She's a Trouble Maker

STOP Seeing This 'Friend'; Find Yourself a Better One

By ABIGAIL VAN BUREN

DEAR ABBY: One of my best friends just left after spending an afternoon over coffee. She told me several "stories" about me which she said she had heard from friends, relatives and neighbors.

ABBY

One was that I was getting a divorce. Another was that my husband was running around with a girl who works with him.

Also that I am a woman with a terrible past, and I don't know what else. How does a person go about proving to people that stories like these are not true? I am sick inside.

SICK INSIDE

DEAR SICK: Your "best friend" is a queen-sized trouble-maker. People who peddle "stories" like these to their friends are not above making up the stories.

If you are wise, you will foregt everything she told you. STOP seeing her. LOOK for a better "best friend," and LISTEN to none of these tales about yourself or others.

* * *

DEAR ABBY: When my wife goes to the supermarket she puts on a pair of faded old blue jeans, but she wears plenty of eye make-up, green eye shadow, the black liner and the works! She looks like she's been to an all-night party and hasn't had time to wash her face. I think it looks terrible, but she says it's the style. Is it really

RIP VAN WINKLE

DEAR RIP: A hausfrau should not get herself painted up like a super-duper movie queen to go to the supermarket. But if you want to raise a protest about her appearance start from the bottom up. Old faded blue jeans are far more offensive than green eye shadow.

* * *

DEAR ABBY: I am a secretary in a small office and I am reasonably certain that my employer is running around on his wife. His wife is a good woman who sits unknowingly at home. Should I go to her with this information? Just what is the right thing to do?

SAD SECRETARY

DEAR SAD: Share this "information with your employer's wife only if you are prepared to back it up with proof, testify in her behalf if she wants you to and, of course, find another job.

Sorority Hears Student

Elks Temple was the setting for the annual May breakfast for members of Omega Alpha Sorority Sunday morning.

Mrs. George Morrow, toastmistress, presented Graziella Massi from Rome, Italy, who spoke of her experience as an exchange student sponsored by the American Field Service.

bringing up baby. hints

COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

It's the rare and unusual toddler who doesn't have a temper tantrum from time to time. It's the wise mother who controls her own anger before disciplining the child. A few antidotes for toddler tantrums:

- Plenty of rest. Do not let baby get over-tired or over-stimulated before bedtime.
- Plenty of freedom. Outdoors or indoors, a toddler should have a chance to play without over-strict supervision.
- Try to avoid situations that are likely to produce tantrums. Use distraction when storm signals do appear.
- When the tempest is over, let your child know you love him.

•

Toddlers, creepers or babes-in-arms all benefit from fruits and vegetables for the vitamins and minerals they supply. Gerber Strained and Junior Fruits and Vegetables are specially made to make your tykes like to eat these important foods. What's more, they're cooked in the absence of air to preserve the utmost in flavor and nutritive goodness.

•

If your baby or toddler is going through an anti-milk stage, you can get extra milk into a reluctant drinker by serving Gerber Custard Puddings, Cottage Cheese with Pineapple and putting extra milk on Gerber Cereals.

•

Cute "train of thought". To make a cost-nothing train for your toddler, just string several empty Gerber Cereal boxes together, leaving a good length for pulling. Makes a swell "choo-choo" worth hours of fun.

•

Cover story for cherubs. Gerber Baby Pants are made of soft, soft, polyvinyl film that won't stiffen for the life of the pants. Amply cut to allow for wiggle room and growth. Machine washable; medium, large, extra-large. Gerber Products Company, Fremont, Michigan.

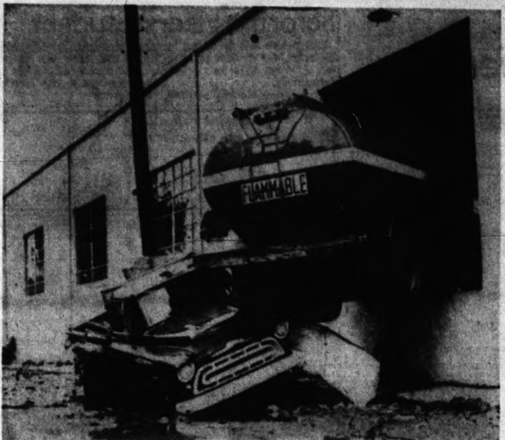
For sale at all good drug stores everywhere.



NO PLACE TO LINGER — Sunday's flash flooding in Harrison, Ark., swept this gasoline transport truck up onto a loading dock and propped it up with the pickup. About 5 inches of rain fell in a three-hour period.

U.S. Assailed by Red China

America Accused in Bitter Attack of Trying to Sabotage Laos Peace

TOKYO (UPI)—Red China's official radio today launched one of its bitterest propaganda attacks at the United States, calling President Kennedy a "nefarious imperialist robber" and accusing his government of seeking to sabotage peace in Laos.

Peiping broadcasts quoted Red Premier Chou En-Lai and the official Communist People's Daily as the source of its principal attacks.

The radio reported also that the Red foreign ministry, for the 146th time in recent months, had accused the United States of violating Communist China's airspace.

* * *

Chou was quoted as charging that the United States was working to wreck the scheduled May 12 Geneva conference on Laos and challenging Washington to make clear its stand on the international conference.

"The U.S. government glibly professed that it does not object to the convocation of an enlarged Geneva conference, but no one knows whether the United States will in fact participate . . ." Chou said.

"These double dealing tactics by the U.S. cannot but make people skeptical as to the extent of the U.S. sincerity for peaceful settlement of the Laotian question."

* * *

In issuing its 146th "serious warning" about alleged air trespassing, the Red Chinese foreign ministry charged that an American military plane intruded into China's territory off the coast of Kwan-Tung Province.

Moscow Denies Secrecy Charge About Gagarin

LONDON (AP) — Moscow radio said today that Soviet scientists, before Yuri A. Gagarin's space flight, had "made it quite clear that the Soviet Union was on the threshold of sending a manned space ship on its maiden voyage."

* * *

"The actual flight, too, was announced to the world long before its successful completion was absolutely certain," said the broadcast, which termed U.S.-British criticism of the secrecy surrounding the Soviet space program "childish talk indeed."

* * *

Citing the advance western press coverage of the first U.S. space flight by Cmdr. Alan B. Shepard Jr., Moscow radio said: "True enough, no attempts were made in this country to give Maj. Gagarin's flight dramatic advance publicity.

"Newspapers and broadcasting stations did not work the country up into a state of nationwide countdown dragging on for weeks. But then we have no Wall Street to influence us, which may account for it, too."

James Fairfax Dies

HOLLYWOOD (AP)—Television and movie actor James Fairfax, 63, is dead of an apparent heart attack in Tahiti, Metro-Goldwyn-Mayer officials reported.

Gets Prison Term for Auburn Theft

Circuit Judge Frederick C. Ziem yesterday sentenced Vernon K. Moore, an ex-convict from Detroit, to 3 to 4 years in Jackson Prison for the Feb. 16 theft of $527 from an Auburn Heights hardware store.

Moore, 52, pleaded guilty April 11 to a second count of larceny from a building. He had faced trial on a charge of grand larceny.

He was on parole in Detroit for larceny when he was nabbed by the owner of the Keego Harbor store as he attempted to flee with the money stuffed in his pockets.

Industrialist Succumbs

ORANGE, N.J. (AP)—Robert Campbell Sr., 79, industrialist, died Sunday after a brief illness. He had been president of the Celluloid Corp. of American, senior partner in the New York investment banking house of Marshall, Campbell & Co., and a vice president of several other firms. He was born in Kircauldy, Scotland.

Sell Pictures of Gagarin

ADDIS ABABA, Ethiopia (AP)—Large portraits of Soviet astronaut Yuri Gagarin were sold by newsboys in downtown Addis Ababa Monday. Pictures of American spaceman Alan B. Shepard Jr., have not yet been published here.

Plane Lands Safely —45 Escape Harm

BALTIMORE (AP) — An Eastern Air Lines plane with 45 persons aboard landed safely on a foam-filled runway at Baltimore Friendship Airport early today after circling the field with landing gear trouble.

No one aboard the Lockheed Electra was injured. The landing was described by ground observers as "very smooth."

The front landing gear of the craft was jammed. Two tires blew out in the landing, but there apparently was no other damage.

Railway passenger cars average 72 feet in length.

Rochester Adopts Record $394,810 Budget

To Retain Same Millage for 11th Consecutive Year

By LEE WINBORN
Area News Editor

ROCHESTER — A record budget of $394,810 for the 1961-62 fiscal year was adopted by the Rochester Village Council last night.

Even though the budget is $18,290 above that of 1960-61, the tax levy of 17 mills on assessed valuation will remain the same for the 11th consecutive year.

This is the village's 13th year without a tax increase, according to Manager Paul A. York.

Included in the budget were pay raises for village employes, ranging from $100 to $250 a year, and a major increase of $129,100 for the water and sewer department.

York's salary was hiked from $9,500 to $9,750 and those of Clerk Maxine Ross and Treasurer Ila Mae Gray from $5,550 to $5,650. The retainer fee for new Village Attorney Arthur M. Cox was set at $2,000.

★ ★ ★

The increase in the water and sewer department budget was deemed necessary because of the new bond issue for sewage treatment plant improvements.

The bond issue, however, was reduced last night from $500,000 to $350,000 due to recent acceptance of a bid for construction $60,000 under the engineer's estimate for the project. The bid was $348,000.

Another reason for the revision in the bond issue ordinance adopted last Jan. 23 was that the village expects to receive a minimum of $73,000 in federal aid for the proposed sewer plant improvements.

The amount of the bond reserve also was reduced from $50,000 to $40,000.

★ ★ ★

Now with all costs and contingencies included, the project will cost $423,000, of which Parke, Davis and Co. has tentatively agreed to pay one-quarter.

Also in his budget message, York said plans are being made to construct a new water well and pump house at the well field this summer. It is necessary, he reported, because of the increased water consumption in the village.

The project will cost $15,000.

In addition, York proposed that a reserve fund be set up in the revolving equipment fund budget for a new department of public works garage. He said the fund could start with the $5,000 already in the budget.

By beginning now, the village could have enough in a few years to build the DPW garage on the Woodward Ave. property, according to the manager. Then the present garage could be used by the fire department.

★ ★ ★

York recommended a $20,000 appropriation for street paving and curbing next year. He was instructed to make revisions in his proposed projects to include the estimated cost of Rochester's participation with the State Highway Dept. on a Main Street improvement program.

Dillon Says Uncle Sam Cheated Out of Billions

WASHINGTON (AP) — Secretary of the Treasury Douglas Dillon said today Uncle Sam each year is cheated out of taxes on nearly $25 billion of income — more than enough to balance the federal budget.

Dillon told a Senate appropriations subcommittee that the Treasury believes $24.4 billion of taxable income was not reported in 1959 — the latest year for which an estimate is available.

R. A. AMBROSE

Con-Con Post Is His Goal

Oxford School Official R. A. Ambrose Says Local Rule Is Best

OXFORD—Local control of government is a major plank in the campaign platform of R. A. Ambrose, veteran Oxford school official who is seeking nomination as a delegate to the state constitutional convention.

★ ★ ★

Ambrose, 66, of 57 N. Washington St., retires July 1 after 19 years as superintendent of the Oxford Area Community School District.

He will be running on the Republican ticket as a candidate from the 1st District in the constitutional convention primary election July 25.

"With 40 years as a teacher and school administrator, I am cognizant of problems facing education in Michigan," stated Ambrose.

"I have been engaged in writing and revising state school support bills for the past 25 years," he said. "At present I am chairman of the legislative committee of the Michigan Congress of Parents and Teachers."

★ ★ ★

Ambrose is a member of the American Association of School Administrators and the National Education Association. He also is a member of the state units of both national organizations.

In addition, he is a former chairman of the Pontiac Child Guidance Clinic, past president of the Oakland County School Superintendents Association and legislative chairman of that organization.

"It has been my privilege to be closely associated with township and local government through the years, and I firmly believe in keeping the government close to the people," Ambrose said.

★ ★ ★

The Oxford school superintendent is a graduate of the University of Michigan. He has a master's degree in school administration.

Ambrose, the father of five children, also is active in church and civic organizations in Oxford.

Table Ginn's Confirmation as Attorney for Southfield

SOUTHFIELD — Confirmation of the appointment of County Democratic Chairman James M. Ginn as city attorney was tabled for a week at the request of Mayor S. James Clarkson at last night's City Council meeting.

No reason was given by Clarkson in requesting the postponement.

The mayor indicated at a special meeting of the council two weeks ago that he would like to have Ginn serve as the city's legal counsel, replacing James C. Allen who was ex-mayor Donald L. Swanson's choice.

In other business City Administrator Donald V. Smith asked the council to give the rubbish authority one more week to collect refuse. It had been pointed out by the council that the authority is two weeks behind in picking up rubbish.

Smith was instructed to consult attorney Allen with a view to terminating the contract if all rubbish was not collected by the end of the week.

BUDGET ACCEPTED

The 1961-62 budget of $2,024,238 was unanimously accepted by the council at the public hearing which followed the special meeting to discuss the attorney.

The budget is $98,142 more than expenditures in the current budget, which are $1,926,096.

It was explained by Mayor Clarkson that the city is now operating on a seven-mill basis which is the limit of the present charter.

He said necessary steps should be taken to re-evaluate the city to insure increased millage for next year's budget.

The 26½-square-mile city has a population of 35,000.

MEA to Install Officers for Walled Lake

WALLED LAKE — Officers of the Walled Lake District of the Michigan Education Association will be installed at ceremonies tomorrow at the Clifford H. Smart Junior High School.

Assuming new duties will be Victor Bouchaert, president; Rose MacPherson, secretary; Jerry Shelata, treasurer; Ronald Rentschler and Glenn Ruggles, delegates to Region 7.

Also taking office are Mrs. Evelyn Brown, delegate to the department of classroom teachers; Carmin Ginter, delegate to the representative assembly; and Fred Chamberlain, Wilbur Sinclair and Frank Richards, alternates one, two and three respectively, to the assembly.

A 6 p.m. dinner for all faculty members and their husband or wives will precede the program.

Radio personality Bud Guest will be the guest speaker at the program.

Seek Unit to Better Literature for Youth

A public meeting for all adults in the Lake Orion-Oxford area who are concerned with the morals of their children is called for tomorrow at 8:30 p.m. at the Youth Center, Lake Orion.

Purpose of the meeting is to organize a council for decent literature for youth.

The proposed council has the endorsement of the Lake Orion Village Council, Orion Township Board, board of education, parent-teacher organizations, Woman's Club, Child Guidance Association, Knights of Columbus and other civic and church groups.

Speaker of the evening will be Clarke Oldenburg of the Garden City Council for Decent Literature for Youth. Slides also will be shown.

Teens Racing on 8-Mile

Illegal Drag Strip Gets Police Attention

By JIM LONG

LYON TOWNSHIP — Illegal drag racing on Eight Mile Road here has drawn the attention of five police agencies in a tricounty area.

Police, so far unsuccessful in nabbing any of the speeding youths, know teen-agers are racing along the secluded stretch of road.

The dragsters have painted yellow "Start" and "Finish" lines at both ends of the measured quarter-mile raceway.

The "track" is located on the asphalt-paved boundary of Oakland and Washtenaw counties, between Napier and Chubb roads.

State police, from both the Brighton and Detroit posts, for the most part patrol the "no-man's land" since it's in Lyon Township, which hasn't its own police department.

Sheriff deputies from Oakland and Washtenaw counties patrol the area occasionally, but the area is too sparsely populated to keep a car in the neighborhood at all times.

Novi Village police have no jurisdiction over the area.

STRIP TOO FAR

"There's nothing we can do since the strip is just west of the village boundary," said Novi Police Chief Lee BeGole. "Napier Road is as far as we can go."

South Lyon Police Chief Grant Dale said he knows of the racing but adds it's too far from the city limits to do anything about it.

All the area police explain that it isn't easy to catch one of the cars racing since lookouts are stationed at strategic points to warn the crowds and drivers that line the area of approaching police cars.

Cpl. John Kushion of the Brighton State Police post said in recent weeks state cars have been concentrated in the area but to date only tickets for minor violations have been issued.

Most of the complaints, he said, come from residents living along the stretch of road who are annoyed by the roaring of motors and mufflers.

There are no set times for the races, said the corporal, and they only last 5 to 10 minutes.

"We get calls anywhere from 10 p.m. to one in the morning."

The most tickets issued at the scene occurred last week, Kusion said, but those were passed out to pedestrians for blocking the road.

Police Assn. to Convene

CHARLEVOIX (AP) — Up to 400 members of the Michigan Association of Chiefs of Police and their guests are expected June 25-28 at Charlevoix for the organization's annual convention. Charlevoix Police Chief Joseph L. Smith represents the host city.

Vandals Paint Patio at Pontiac Northern

Unwanted decorations appeared on the patio of Pontiac Northern High School yesterday, according to Pontiac police.

Splashed in orange and black paint in two places were the letters "PCH"—an abbreviation for Pontiac Central High.

Mort Neff to Speak at PTA Program

WEST BLOOMFIELD TOWNSHIP—Mort Neff, noted Michigan outdoorsman, will be the guest speaker tomorrow night at a program sponsored by the West Bloomfield High School Parent-Teacher Association.

Neff, in addition to his talk, will present a film entitled "Fishing For Fun In Michigan" at the 8 p.m. meeting in the high school gymnasium.

Proceeds foom the program will be used to send a graduating senior to Michigan State University Oakland for a year.

★ ★ ★

Mrs. Robert Hollister, program chairman, said the PTA scholarship fund was started three years ago.

Marries Army Officer

LAKE ORION—Nancy J. Collins became the bride of 2nd Lt. Theodore K. Barnhart Saturday in a double-ring ceremony performed by Rev. William T. Elliott at St. John's Episcopal Church, Midland.

The bridegroom is the son of Mrs. Ralph Meek of 212 Atwater St. and the late Theodore J. Barnhart. The bride's parents are Mr. and Mrs. Richard W. Anderson of Midland.

For her wedding the bride chose a waltz-length gown of silk organza and lace over taffeta styled with a fitted lace bodice, scoop neckline and elbow-length fitted sleeves.

★ ★ ★

A princess cap trimmed with sequins and seed pearls secured her shoulder-length veil of illusion. She carried a bridal bouquet of miniature white roses.

★ ★ ★

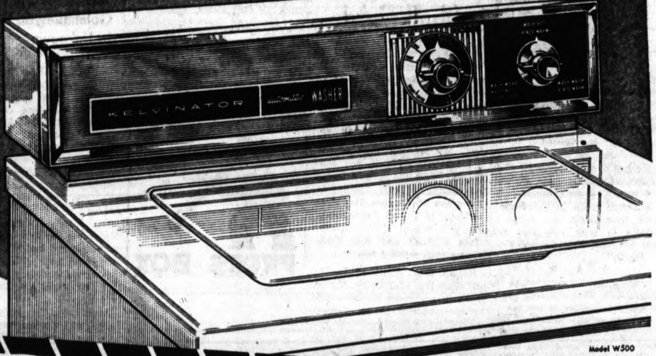
Maid of honor for her sister was Lois Anderson of Midland.

Donald E. Barnhart of Lake Orion assisted his brother as best man. Seating the guests were Larry Bradford of Pontiac and James Chandler of Lincoln Park.

Following a reception at the church hall, the newlyweds left for a honeymoon in Chicago, Ill.

The couple will live in Manhattan, Kan. The bridegroom, a graduate of Michigan State University, is stationed with the U. S. Army at Fort Riley, Kan.

MRS. THEODORE K. BARNHART



NOW! AN AUTOMATIC WASHER
SO TROUBLE-FREE...

KELVINATOR BACKS IT WITH A 5-YEAR PROTECTION PLAN!

In addition to the standard 1-Year Warranty, Kelvinator gives you 4 additional years of protection on drive mechanism parts!

Kelvinator has developed an entirely new kind of gearless washer to eliminate the possibility of costly gear repairs. Kelvinator is built with a simple trouble free drive mechanism. And if any part of this sturdy drive mechanism fails within five years from date of installation, due to defects in materials or workmanship, Kelvinator will provide a replacement part free of charge! Labor charges are free for a full year.

Here is another dramatic proof of the very real benefits Kelvinator brings the Housewife through its *Constant Basic Improvement* program. Instead of costly annual model changes . . . mere "change for change's sake" . . . Kelvinator concentrates on improving quality, dependability and economy, bringing you the newest advances just as soon as they are tested and approved! Come see the new trouble-free Kelvinator today!

Yes, You Get 5-Year Protection On All These Parts With Kelvinator!

The *agitator boot, drive and crankshaft, seal assembly, washer and pad assembly, boot seal, tube and seal assembly, pulley and bearing assembly, right or left hand spring, thrust washer, lower bearing, ball bearing and bottom housing assembly*, are specifically protected in Kelvinator's written warranty.

Scheffing Says Tigers Can Be Contender

SPORTS

ON THE BALL — Eddie Donovan (center), former St. Benaventure basketball coach, places his hand on the ball with John J. Bergen (left) and Ned Irish after being named new head coach of the New York Knickerbockers of the National Basketball Association at a press conference Monday in New York City's Madison Square Garden. Bergen is the Garden's chairman of the board and Irish is president of the Garden. Donovan replaces Carl Braun as Knick coach.

AP Photofax

Bonnie Coach Gets Pro Pact

Donovan Signs 2-Year Agreement to Direct Knickerbockers

NEW YORK (AP) — Eddie Donovan, a highly successful college coach at St. Bonaventure, will try to make the big jump into professional basketball next season with the New York Knickerbockers.

* * *

Coaching the Knicks has become a thankless job in recent years as the team's fortunes drooped. The last victim to get the axe was Carl Braun, former star player, who was given his release Monday to make way for Donovan.

* * *

"I am tickled to death to have him (Donovan)," said Ned Irish, president of Madison Square Garden which operates the Knicks in the National Basketball Association. "I don't think I could be happier with any other coach. I never thought we could get him away from his paradise in Olean (the upstate N.Y. city where St. Bonaventure is located.)

* * *

"We had to make a change. We couldn't start next year with a 21-58 record. I don't think there is a better coach in the United States than Eddie. We made a mistake to stick with our old team too long. Now we are paying for it."

* * *

Donovan said his contract at St. Bonaventure runs out this year. He led the Bonnies to the No. 3 position in college basketball this year with a 24-4 record. In eight years at St. Bonaventure, where he also was athletic director since 1958, his teams won 139 and lost 57. In the Holiday Tournament in the Garden the Bonnies lost to Ohio State by only two points and they participated in the NCAA championships.

Geoffrion Is Named NHL's Most Valuable

MONTREAL (AP) — Bernie (Boom Boom) Geoffrion, whose late-season surge carried him to a record-equaling 50 goals, was named the National Hockey League's most valuable player for the 1960-61 season today.

The 30-year-old Montreal right winger edged Johnny Bower, veteran Toronto goalie, and Gordie Howe of Detroit, a five-time MVP, in the split-season voting by Hockey writers and broadcasters in the six NHL cities.

Geoffrion drew 84 points, Bower 71 and Howe 66 in the final tabulation. In the first half balloting which included games of Dec. 29, Bower led with 48 points while Geoffrion was fourth with 29.

Geoffrion, after recovering from a leg injury that sidelined him for six games, rallied in the final six weeks of the campaign to win the scoring championship while tying Maurice Richard's record for goals in one season.

In winning the Hart Trophy, Geoffrion will also receive a $1,000 bonus from the league.

* * *

Frank Mahovlich of Toronto, who finished second in goal-scoring with 48, was fourth in the MVP voting with 41 points. He was followed by Glenn Hall of Chicago, 25; Red Kelly, Toronto, 18; Bert Olmstead, Toronto, and Jean Beliveau of Montreal, 5 each; Doug Harvey of Montreal and Gump Worsley, New York, 4 each and Andy Bathgate, New York 1.

Geoffrion is the first Canadien to win the Hart Trophy since Beliveau in 1955-56.

Rain Shortens Softball Card

Only one game went into the record book Monday night as the weatherman raised havoc with 1961 City Softball League openers at Beaudette and Northside park.

In the only completed contest, Metropolitan Club scored a 5-2 victory over Hi-Way Collision behind the steady three-hit pitching of Jerry Thomas in American loop action. The Mets collected 10 hits off Roger Reynolds with Wayne O'Shaughnessy, Tom Stillwell and Ken Armstrong each making two.

Harlan (Fat) Keith of Sno-Bol and Gary Boe of Elks No. 810 engaged in a stirring pitcher's duel for nine innings before showers stopped proceedings with the two teams tied at 2-2. Keith had allowed only two safeties and Boe four when rain halted the American division game.

Rain also postponed American circuit contests between Fisher Local 596-Smith Silo and Arro Realty-O'Neil Realty.

Professional wrestling will return to Tiger Stadium for the first time in more than 25 years June 23 when Dick the Bruiser puts his U. S. heavyweight championship on the line against Bobo Brazil.

* * *

The Cleveland Indians Monday assigned outfielder Walter Bond to their Salt Lake City farm club on 24-hour recall.

* * *

The Pittsburgh Pirates have optioned pitcher Jim Umbricht and outfielder Roman Mejias to the Columbus Jets of the International League. The Kansas City Athletics yesterday sent pitcher Ken Johnson to Toronto.

* * *

An initial list of 33 horses has been nominated for both the June 24 running of the $50,000 Michigan Mile and the July 15 running of the $50,000 Sweepstakes at Detroit Race Course. DRC's 63-day meeting opens May 18.

* * *

Drivers and car owners, only four days away from the start of qualifying runs for the 500-mile race at the Indianapolis Motor Speedway, pinned their hopes on a forecast of clearing weather today. Practice time has been curtailed sharply because of frequent and heavy rain.

Cerv, Clevenger Traded to New York for Duren

KANSAS CITY (AP)—The New York Yankees, who open a two-game series here tonight, have been bolstered in two departments by a trade with the Los Angeles Angles. It was a deal in which the Angels gambled on Ryne Duren and "youth."

The Bronx Bombers, hard up for late-inning relief pitching and right-handed pinch hitting, got pitcher Truman Clevenger and slugger Bob Cerv. In return they gave the Angels Duren, a hard-throwing but often erratic relief pitcher; pitcher Johnny James; outfielder Leroy Thomas, and an unnamed outfielder.

* * *

"We wanted Clevenger," said Yankee Manager Ralph Houk, "to be a finisher on our relief staff. (Luis) Arroyo has been doing all of the late-inning work and we needed someone to help him."

Clevenger, a 28-year-old right-hander, has pitched superbly in relief for the Angels, appearing in 12 games and permitting an average of less than two earned runs. He has a 2-1 record.

* * *

Duren, 31, one of the hardest throwing pitchers in the majors, was the Yankees' ace reliever in 1958 and 1959, when he posted ERA's of 2.01 and 1.87. He's been ineffective this year, but, said Angels General Manager Fred Haney in Los Angeles:

* * *

"I think Duren will be a better pitcher for us over the long haul than Clevenger. I didn't want to peddle Clevenger and tried two or three other guys in there, but I couldn't make a deal that way. I'll be panned on this deal, but I don't give a damn who wins the pennant this year if we can't."

* * *

This will be the veteran Cerv's third stretch with the Yankees, interspersed by tours with Kansas City and the Angels. He had his best season in 1958, when he hit .305 for Kansas City, driving in 104 runs and hitting 38 homers. He appeared in 18 games for Los Angeles, but was hitting only about .200.

TRADE FIGURES — These are five of the six players involved in Monday's two-for-four swap between the Los Angeles Angles and the New York Yankees. From left to right, the Yankees got outfielder Bob Cerv and pitcher Tex Clevenger for pitchers Johnny James and Ryne Duren and outfielder Leroy Thomas. Another Yankee outfielder, still unnamed, also will go to the Angels.

AP Photofax

Stopper Farrell Beats Phils in Relief

Angels Win 3rd Straight

By The Associated Press

If anyone had any doubts about just why Dick Farrell was the relief man all the big clubs wanted, give a look to what he's done for Los Angeles in that National League race since the Dodgers got him from Philadelphia last Thursday:

The Dodgers have won three of four in a move from fourth to third in that time, and the fast-balling right-hander has saved one of those victories and collected another with a string of seven scoreless innings.

* * *

Farrell picked up his third victory of the season, first for the Dodgers, with four innings of four-hit, shutout relief against his old mates for a 4-3, 10-inning decision at Philadelphia Monday night.

* * *

The only other game scheduled in the NL, San Francisco-Pittsburgh, was rained out.

In the only American League game scheduled, the Los Angeles Angels won their third in a row with a 6-5 decision over Boston despite a home run by Jackie Jensen, who once more returned to the Red Sox.

* * *

The Dodgers were shut out on four hits by Dallas Green for six innings, then tied it 3-all with two out in the seventh on a scoring single by Maury Wills and a two-run homer by Willie Davis. They finally put it away when losing reliever Chris Short (0-1) walked Wally Moon with two out in the 10th and Gil Hodges rapped a pinch double.

* * *

Farrell took over after starter Stan Williams was lifted for a pinch-hitter in the seventh. He walked two, struck out four and nailed the victory by throwing out Tony Taylor with two men on base in the 10th after two-out singles by pinch-hitters Clay Dalrymple and Tony Curry. Farrell, 27, in his other appearance with the Dogers, wrapped up a 10-0 victory for Johnny Podres at Pittsburgh last Friday night after the southpaw ace had to give way because of arm trouble.

* * *

The Angels, after trading top bullpen man Tex Clevenger to the New York Yankees in a six-player swap earlier today, barely saved their victory over the Red Sox, with a two-man relief job by Ted Bowsfield and Tom Morgan. Bowsfield followed starter Ken McBride, who was lifted for a pinch-hitter in the fifth inning, and was tagged for Jensen's first home run of the season in a two-run seventh. Morgan gave up an RBI double by pinch-hitter Carroll Hardy for the final run, but then retired seven of the last eight men he faced.

REJOINS BOSOX — Jackie Jensen (right), who quit the Boston Red Sox suddenly last week and went home, is welcomed by manager Mike Higgins as the star outfielder returned to the club at Los Angeles Monday night. Jensen said he regretted making "a very hasty decision" when he left the team. Jensen homered in Boston's 6-5 loss to LA.

Masters Has Eight Unbeaten

Top Stars Head Pack; Golembiewski Bows Out to Unknown

DETROIT (AP)—The American Bowling Congress Masters tournament set about the process of determining a new champion today with the 1960 defending titlist out of the running.

Defending champion Bill Golembiewski got his walking papers Monday night after losing two matches—one to his best friend and one to an unheralded stranger.

The spindly Detroit star was dumped in the first round by his teammate and buddy, Joe Joseph. Joseph cut loose with a 950 series, the second best-four-game set in the tournament, against Golembiewski's 800.

Roommates for several years, Joseph and Golembiewski have a pact whereby they split all tournament and television earnings.

Bill Gaume, a longshot from Canton, Ohio, was Golembiewski's final undoing. Gaume shot only 772 but Golembiewski got only 738.

* * *

Chief threats in the undefeated ranks, now down to eight include Don Carter, Ray Bluth, Bill Welu and Dick Hoover, all of St. Louis. Joseph and Joe Kristof of Chicago, Nick Longarzo of Lodi, N.J., and Stan Gifford of Abilene, Tex., are also untarnished.

The Masters ends Wednesday night.

MONDAY'S FIGHTS
By The Associated Press

SAN FRANCISCO—Monroe Ratliff, 191, Los Angeles, outpointed Roland Lastarza, 193, New York, 10.

NEW YORK (St. Nicholas Arena)—Vince Martinez, 152½, Patterson, N.J., outpointed Miguel Angelo Augero, 155½, Argentina, 10.

CHICAGO (Marigold Arena)—Bobby Stininato, 169, Cleveland, stopped Tom Caldwell, 165, Chicago, 5.

TAMPA, Fla.—Claude Williams, 161, Tampa, and Mel Collins, 160, Trenton, N.J., drew, 10.

NOTTINGHAM, England—Brian Curvis, 146, England, outpointed Wally Swift, 146½, England, 15, (Curvis retained British and British Empire welterweight titles).

TUCSON, Ariz.—Archie Moore, 186½, San Diego, boxed four-round exhibition with Dave Furch, 196, Phoenix. Charley Austin, Phoenix, knocked out Tuffy Carroll, San Diego.

It's 'Perfect' Return for Boston's Jensen

LOS ANGELES (AP) — Jackie Jensen has been retired twice now, and at least three Los Angeles pitchers would like to know how he did it.

They couldn't even retire him once Monday night, when the 34-year-old outfielder rejoined the Boston Red Sox and gave a dramatic demonstration of why they missed him.

The Angels beat the Red Sox 6-5, but it wasn't Jensen's fault. He walked his first two times up—scoring a run the second time—and hit his first homer of the season when he came up again in the seventh. He got a single in the next inning. Jensen also made a spectacular play on defense, sprinting to the right field fence in the fifth to grab a line drive by Albie Pearson.

"Too bad the club couldn't win," Jackie said, "but it felt good just to be back in there playing again."

Asked about his fine catch, Jensen said: "Oh, I make 'em all look like that—hard."

Jensen, who walked out on the Red Sox last week without telling anyone, wouldn't discuss his decision to return. Instead, he had a mimeographed statement distributed to reporters.

"I made a very hasty decision last week when I left the club in Cleveland," the statement said, "and, as I've already told (Manager) Mike Higgins . . . , I regret not only that decision but also the manner in which I left the team.

"I handled it badly and I've apologized to Mike and to the club.

"My greatest desire right now is to play baseball and help the Red Sox, so I hope this is a closed incident."

Higgins also wanted to drop the matter. "Everything's all right," Mike said. "I'm happy he's back and that's about all that will be said."

Dixie Five Wins Stroh Keg Meet; Church Hits 698

Dixie Recreation, captained by Bill Dedirch, won the Stroh Bowling tournament with 3050 at Motor Inn over the past weekend.

Barry Church had the high men's series with 698 while Esther Vitasinsky paced the women at 610. They won trophies along with the top team.

The contestants from throughout Oakland County attended a dinner-dance at the Knights of Columbus following the meet. The handicap event was sponsored by Archambeau Distributing Company.

All Over an Alligator

Star Gridders Disciplined

GAINESVILLE, Fla. (AP)—An impromptu alligator wrestling prank may have cost Florida's football team two top halfbacks and its placekicking star for next season.

Bob Hoover and Dick Skelly, halfbacks from Jacksonville, and Bill Cash, end from Tallahassee, were put on disciplinary probation Monday.

It is supposed to last a year, but Dr. J. Wayne Reitz, university president, indicated they can be reinstated if they do well in their studies and behave themselves.

"A probation is subject to review from time to time and may be modified in the light of the individuals' academic progress and personal conduct," Reitz said.

All three are key men in Florida's football plans. They lettered as sophomores last fall.

In spring practice Hoover was first string right halfback and Skelly second-string left half.

Cash's field goals provided decisive points in victories over Florida State, Georgia Tech and Louisiana State in 1960 and he was scheduled for a lot of duty at end this fall.

The prank that brought the probationary action by a faculty discipline committee involved Albert the Alligator, campus mascot.

Campus police found Skelly and Hoover inside the covered alligator pen on the campus the night of April 24. Cash was outside but implicated in the prank.

18-Game Trip May Determine Fate of Detroit

Mossi, Foytack Oppose Senators in Two Home Games Tonight

DETROIT (AP)—Are these astounding Detroit Tigers creating a dream world, or are they the real article?

Manager Bob Scheffing, a realist, admits he's as surprised as anyone at the Tigers' startling start—a 16-5 record and a 2½-game lead over the defending American League champion New York Yankees.

But Scheffing is careful to make no forecasts except that the Tigers can be a contender.

* * *

Some of his players, meanwhile, are talking quietly that it can be done.

And their wary fans, pennant hungry for 16 years, don't know what to think.

They've seen fast getaways and streaking Tigers before by teams that have finished in ruins.

There are 141 games left with the first big test for the Tigers coming up in the next three weeks before Memorial Day. Starting tonight with a twi-night doubleheader with Washington, the Tigers play four home games before embarking on an 18-game road swing.

* * *

The road trek will take the Tigers from coast to coast. It starts this weekend with a four-game series at New York against the always-menacing Yankees.

* * *

If the Tigers return home without folding, they may be genuine at that.

Scheffing doesn't fear the road trip.

The Tigers' spurt can be attributed to 10 ingredients.

* * *

1. Pitching. The starting big three of Jim Bunning, Frank Lary and Don Mossi have had exceptional help from occasional starters like Paul Foytack and a rebuilt bullpen. Of the 11 Tiger pitchers, 10 have been credited with at least one victory in the surprise start. Usually, when Scheffing's starters have faltered, the bullpen has come to the rescue.

2. Timely hitting. So far this season, the Tigers have forgotten their old habit of leaving runners on base. Countless times Jake Wood, Norm Cash, Steve Boros, Al Kaline, Billy Bruton, Dick Brown, Chico Fernandez and Rock Colavito have come through in the clutch. Cash has been the biggest surprise with 23 runs batted in—at least one in each of the Tigers' last five straight victories—and a .342 batting average.

* * *

3. Defense. With Bruton roaming far and wide in center field and Kaline moved to right, the outfield defense has been strengthened. The catching has been better with Brown. Boros and Fernandez have shown better than expected on the left side of the infield.

4. Speed. Scheffing has the Tigers stealing more bases than since Ty Cobb's day. Baserunners are fleeting from first to third on routine singles and twice Kaline has scored from first on singles.

5. Esprit de Corps. These are Scheffing's words. He believes the day of the Tiger individual is over and the team is now pulling together.

6. Bench strength. Few Tiger managers have had the luxury of depth. The Yankees may be deeper, but the Tigers have been making out with Charlie Maxwell, Bobo Osborne, Dick Gernert, Bubba Morton and Chuck Cottier among the benchwarmers.

7. Momentum. An important ingredient which creates confidence, which Scheffing says the Tigers have. It can be caused by an entire team of players having their best seasons at one time such as last year's Pittsburgh Pirates and the 1948 Cleveland Indians.

8. Astute managing. Scheffing may well be the unsung hero of the 1961 Tigers. His strategy has been nearly flawless so far and his maneuvers most always have worked. He apparently has done something to inspire the Tigers.

9. Newcomers. Much has been said about the brilliant play of the newcomers—Bruton and Brown and rookies Wood, Boros, Jim Donohue and Terry Fox.

10. Winning on the road. To be a pennant contender a team must do well on the road. So far the Tigers have won 6 of 8 games away from Tiger Stadium. But the 18 away games coming up this month could be the backbreaker.

* * *

Mossi and Foytack will be out to protect the Tigers' new five-game winning streak in tonight's twin bill with the new Senators. Joe McClain, who beat the Tigers last week in Washington, and Bennie Daniels will hurl for the Nats.

Stith's Roommate Stricken

Second Bonnie Cager Hospitalized With TB

OLEAN, N.Y. (AP)—Sophomore basketball star Freddie Crawford, who was counted on to fill all-America Tom Stith's shoes at St. Bonaventure next season, will join Stith instead in a tuberculosis sanatorium.

Crawford's physician said Monday night that the 20-yeor-old forward has the disease in both lungs.

Word of Crawford's illness came a week after it was discovered that Stith, the nation's third-ranked collegiate scorer last season, had tuberculosis in one lung. The two roomed together at St. Bonaventure.

The news was a double blow to the little school's chances of regaining its third spot in the national rankings next season. St. Bonaventure Coach Eddie Donovan left to coach the New York Knickerbockers of the National Basketball Association Monday.

Crawford, one of the top sophomores in the nation last season, scored a total of 614 points and pulled down 281 rebounds. He averaged almost 22 points a game second only on the squad to Stith, who averaged more than 29.

★ ★ ★

Crawford's physician said he would be transferred to Mt. Morris Sanatorium near Rochester late this week from St. Francis Hospital here. Stith has been in the sanatorium since Friday.

"We have strong hopes that Freddie will be able to return to school in September but basketball is out for this coming season," the doctor said.

"I think he has a good chance a year from now," he added.

Crawford has been in the hospital here since Saturday. He and other members of the school's athletic teams and the coaching staff were X-rayed last week after Stith's illness was confirmed.

★ ★ ★

The doctor said Crawford would probably be hospitalized about three or four months.

Stith's physicians say the earliest he could return to the game would be a year from this fall. A 22-year-old senior, he signed with the New York Knickerbockers three weeks before his illness was known.

New National League Team Called 'Mets'

NEW YORK (AP)—The new National League team that will play in New York in 1962 still hasn't got a ball player but it finally has a name—the Mets.

Mrs. Charles Shipman Payson, principal stockholder in the club, christened the new team Monday after sifting through 644 names and 9,613 suggestions.

★ ★ ★

One fellow suggested "Apple Throwers" and another the "Buffalo Chasers." There were "Astronauts", "Hatchetmen", "Spacemen", "Skyscrapers", "Continentals" and everything from "Able" to "Zorro."

As the newspapers had been calling the team the Mets for many weeks, the official christening actually merely followed the trend.

Prep Field Set for Press Golf Event

Walled Lake Is Back to Defend Its 1960 Crown

Kimball and Northville New Entries in Annual Test at Pontiac C.C.

By BILL CORNWELL

The starting field is complete for the 10th annual Pontiac Press Prep Invitational golf tournament May 22 at Pontiac Country Club.

Eighteen Oakland County area high schools, headed by defending champion Walled Lake, have accepted invitations to compete in the 18-hole medal play event for five-man teams.

There are two new entries in this year's tourney. Royal Oak Kimball and Northville have been added to the 1961 field as replacements for South Lyon and Clarkston, unable to return for another crack at the coveted traveling Pontiac Press award.

★ ★ ★

Walled Lake won last year's tournament in the most thrilling finish in the history of the event to at least temporarily break the stranglehold on The Press' rotating trophy by Birmingham Seaholm.

Seaholm, which will come back under new coach Bob Goldsmith for a renewed effort to lug home the giant trophy, has won The Press tourney six of the past nine years.

Pontiac Central won the inaugural event, then Birmingham took top honors for the next three years. Waterford smuggled in to wrest the title away from the Maples, then they bounced back to win the crown three more years in a row.

A year ago Walled Lake ended the monopoly as Jim Buck sank a five-foot putt on the 18th green to give the Vikings a one-stroke margin of victory over Seaholm. Bloomfield Hills finished 3rd only two strokes behind the champion Vikings.

★ ★ ★

Chances of a repeat by Walled Lake appear slim indeed. Buck, 1960 medalist Bill Dingel and all the rest of that talented Walled Lake squad have departed via graduation.

Bloomfield Hills, with virtually all of last year's team once again on hand, looks like an early favorite in The Press' golfing "derby."

The complete 18-team field follows:

Pontiac Central, Pontiac Northern, Waterford, St. Michael, St. Frederick, Birmingham Seaholm, Walled Lake, Royal Oak Dondero, Royal Oak Kimball, Royal Oak Shrine, Northville, Bloomfield Hills, West Bloomfield, Clawson, Lapeer, Oak Park, Rochester and Southfield.

All of these schools will be swinging into action this weekend in the state annual MHSAA regional tournaments as they attempt to earn spots in the state finals May 20. The Press tourney falls on the Monday following the state meet.

Regional sites for The Press tournament field are Burroughs Golf Club, Brighton; Farmington Country Club; and Swartz Creek Golf Club.

Tops 600 Again to Gain First in All-Events

FORT WAYNE, Ind. (AP) — Genevieve Page of Detroit, topping 600 twice for the first time it had been done in this season's Women's International Bowling Congress tournament, took the all-events lead Monday night.

Mrs. Page rolled 581 with the ace exterminator team, 618 in doubles and 619 in singles for a total of 1818. She was 32 pins ahead of the previous leader, Erma Kraft of Rochester, N.Y.

A Detroit city employe who bowls only once a week, Mrs. Page carries an average of 170.

★ ★ ★ ★ ★ ★ ★ ★ ★

Kroguleck, Craven Head Prep Stars

A dazzling pitching performance by Orchard Lake St. Mary hurler Stan Krogulecki and Clarkston's upset of Bloomfield Hills featured Monday action on the area prep baseball scene.

"Kroger" went 11 innings to beat St. James 5-3 allowing only four hits and striking out 24 batters. He now has fanned 52 in 38 innings. Stan slammed a two-run homer early in the contest.

Frank Rompel's two-out, two-run double decided the issue. It was his second double, and Larry Janiszewski singled twice in the 10-hit attack. The victory evened the record at 4-4 for the Eaglets. St. Clement continued its domination of the Suburban Catholic blanking St. Rita 7-0.

★ ★ ★

Bloomfield Hills bowed after seven straight Wayne-Oakland wins, bowing to Tom Gerbeck and Bill Powell 5-1. Bennett was the loser. Ron Lundy slammed a two-run triple in the third to clinch the verdict early. Bloomfield scored in the sixth and still had the bases loaded with one out but was set down by winner Gerbeck. Clarkston is now 4-2. Heidenfelder had 3-for-3 in defeat.

Milford boosted its stock in the W-O by combining five hits and 10 walks for a 7-2 conquest of West Bloomfield. Ernie Miller took over in the first with the Lakers ahead and gained his second win. Larry Chapel had two hits and three RBI's and Ernie Priestly tripled for Milford while Gae Montante stayed over .400 with a single and walks. Jim Lucadam got two of four West Bloomfield doubles. Merv Kreig took the loss. The Redskins are now 5-1.

Oxford stayed in contention for the South Central crown by downing North Branch 5-1 behind the three-hit pitching of Wayne Goss, who fanned 11. Goss, Howie Parker and Lowell Conner each had two safeties for the winners who are 3-1 in loop play and 3-3 over-all.

The home runs were even at two apiece but Romeo whipped Lapeer 9-2 for its second triumph. Gene Hennig shook off early blasts by loser Montgomery and Coulter to hurl the victory. Butch Peraino socked four straight hits and Bill Trieloff had a homer and triple for three runs batted in to pace the Bulldogs. Mark Johnson belted a homer and single, Paul Sapienza and Ron Mignot two singles each.

In other games, Utica downed Lakeview 4-2 and Farmington Our Lady of Sorrows shut out St. Agatha 3-0.

Bucky Craven won three first places and Doug Gawne set a pole vault record as Lake Orion's unbeaten track team downed host Rochester 65-45 Monday afternoon.

Orchard Lake St. Mary won its fourth dual meet in five starts by whipping Dearborn Sacred Heart 83⅔-25⅓.

★ ★ ★

Craven made off with one-third of Orion's firsts as the Dragons claimed their seventh dual meet triumph. The senior speedster won the 100- and 220-yard dashes and the broad jump.

Gawne cleared 12 feet 1 inch to set Lake Orion school and Rochester field records. He topped his own school mark of 11 feet 10 inches set two weeks ago. Orion's mile relay team also established a new field mark.

Dan Bird won two of Rochester's four firsts, the high and low hurdles. Rochester swept all places in the mile run and the Dragons did the same in the high jump.

★ ★ ★

Larry Sissen won the 440 and broad jump for St. Mary. He also ran on the winning 880 relay team. Glenn Hass was first in the 100 and on the same winning quartet.

The Eaglets took 10 first places.

Redford Union won a triangular meet over Romeo and Armada. The winners posted 85½ points to 29½ for Romeo and 22 for Armada.

Jerry Blake of Armada set a new Romeo field record by winning the 100 in 10.4 seconds. Dale Petitbone and Dick Ford, both of Romeo, were in a four-way tie for first in the high jump.

Armada's Dean Kellebeck won the low hurdles in 22.8.

Bloomfield Hills unbeaten golf team won its 13th dual meet this season, and 27th over the last two years, with a 168-177 decision over Milford Monday.

Medalist in the meet was the Barons' Joe Pulliam with a 41. Other scores for coach Don Dennis' winning team were Jim Hengel and Chuck West with 42s and Carl Becker with 43.

Isakov Nets Double Eagle 2

Briggs Team Wins Pro-Am

By BILL CORNWELL

Eldon Briggs of Detroit Golf Club, who found himself in the runnerup position much of the time last year, shook off the role of "bridesmaid" at Plum Hollow Golf Club Monday and won double honors in the Michigan PGA's second pro-am tournament of 1961.

The 50-year-old Briggs and husky Dick Massuch, former Michigan State athlete, combined golfing talents for a 10-under-par 62 to win the best-ball portion of the tourney by a two-stroke margin and Briggs personally shot a 71, featuring three birdies and an eagle three, to take individual honors among the 53 competing professionals.

Except for his conquest of the Michigan Seniors tilt a year ago, the veteran Briggs seemed destined to finish no better than 2nd place in his 1960 competitive tournament efforts.

Twice he was runnerup to big John Barnum — the Western Michigan Open at Owosso Country Club and the State Open at Lakepointe — and Herb Marcussen beat him for the State Assistant Pro crown in a sudden-death playoff at Pine Lake.

His lone success was winning the Michigan Seniors championship at Lansing Country Club in September on the first attempt after he had reached the qualifying age of 50.

The Briggs-Massuch victory almost obscured a spectacular double eagle deuce rifled by Lakelands pro Steve Isakov on Plum Hollow's 483-yard par five 18th hole.

Isakov, who could do no better than 76 with his own ball as he three-putted five greens, holed out his 2nd shot for a sensational finish. He fired a 2-iron shot from 200 yards away, the ball landed on the green, took one bounce and disappeared into the cup.

Briggs, now in his 4th year as Horton Smith's assistant at DGC, birdied the 1st, 6th and 7th holes with putts of 10, 10 and 5 feet and eagled the 18th with a 50-footer.

Massuch, a 6-foot-2 cement salesman from Lansing, gave Briggs seven-stroke support in a two-hole span by scoring an eagle deuce on No. 3 and a birdie three on No. 4 through the help of his handicap. Briggs bogied the 3rd hole and took a triple-bogey seven on the 4th after driving out of bounds.

★ ★ ★

Briggs and Massuch carded 30-32 over the par 36-36—72 course. Briggs and partner Gus Harrison joined forces for 32-32—64 to take 2nd spot and he and his other traveling companion, Tom Rex, posted 33-32—65 to share 3rd with three other teams. Briggs earned $102.50 as low pro.

Leading scores:	
Eldon Briggs-Dick Massbuch	30-32—62
Eldon Briggs-Gus Harrison	32-32—64
Eldon Briggs-Tom Rex	33-32—65
Stan Jawor-Carl Johnson	33-32—65

Tournament Trail Paying for Player

DUNEDIN, Fla. (AP) — Gary Player, a youthful South African playing out of Langhorne, Pa., boosted his lead in the Professional Golfers Association money race to $9,411 over Arnold Palmer in Sunday's Tournament of Champions at Las Vegas, Nev.

Official winnings announced from PGA headquarters Monday listed Player's total at $47,796. Palmer, 1960 leading money winner from Ligonier, Pa., has won $38,385. The latter has participated in 14 tournaments to 16 for Player.

Player has three tournament victories, including the Master's championship. Palmer has won four events.

MIDAS MUFFLERS
ARE GUARANTEED
FOR AS LONG AS YOU OWN YOUR CAR

Once a MIDAS Muffler is installed on your car, it is the last muffler you will ever pay for as long as you own that car. That's what the MIDAS guarantee means!

If ever replacement is needed you will pay nothing for the muffler itself, only a service charge.

Only MIDAS offers this guarantee, good at all MIDAS shops wherever you drive from coast to coast... and at no extra cost! Call MIDAS and end your costly muffler problems once and for all.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository* or *ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Chess Winners Given Trophies

William Lempke Takes Top Place in 1st Annual Oakland Tournament

The Pontiac Chess Club awarded trophies last night to winners in the first annual Oakland County Open Chess Tournament.

Champion chess player of the first tournament is William Lempke of 310 Gallogly Road, Pontiac Township.

Lempke took the championship with a last-round upset victory over Robert Wellever of 406 Riggs St., Fenton, who took second place honors.

Third-place winner was Donald Rofe of 64 Matthews St., president of the Pontiac Chess Club. The club sponsored the two-week tournament.

First-place winner in the amateur division was Heinz Liebner of 3040 Old Orchard Drive, Waterford Township.

* * *

Second place went to Ned Williams of 421 W. Second St., Rochester, who tied Liebner but lost in the tie-breaking system. Third-place amateur was Earle Frick of 5135 Sashabaw Road, Independence Township.

* * *

In the novice division, 13-year-old George Dunn of 3654 Aquarina Drive, Waterford Township, took the championship.

Second-place winner was John Krapohl of 2845 Marietta St., Waterford Township, and third-place novice honors went to John Watkins of 753 E. Walton Blvd.

* * *

Trophies were presented by Rofe and Fred Morningstar of 4465 Major St., Waterford Township, co-directors of the tournament.

The local club, which meets at the Adah Shelly Library, also plans to sponsor a club championship in the near future.

Cleric Among Four Injured Near Attica

A minister and three farm workers who were injured in a two-car collision just south of Attica were reported in satisfactory condition today at Lapeer County General Hospital, Lapeer.

* * *

Injured were Rev. Clyde Wheeland, 77, of 450 S. Lake Pleasant Road; Isais Florez, 19, of 2347 Fairgrounds Road; Julian Martinez, 35, of 2044 S. Lake Pleasant Road, all of Attica; and Manuel Atkinson, 17, of 209 Third St., Imlay City.

* * *

Lapeer County Sheriff's deputies said they have been unable to obtain statements from either driver.

Officers said Florez apparently was the driver of a car which crashed into the rear of one driven by Rev. Wheeland Saturday night.

Police said the mishap occurred on South Lake Pleasant Road about one block south of Attica.

Deer Killed in Collision With Car on Woodward

A small deer lost a bout with a car on Woodward Avenue last night when it darted into traffic in Bloomfield Township.

Township police said that the driver of car, Delores I. Snyder, 29, of 1283 Deslax Ave., Pontiac, was uninjured but the doe was killed on impact.

The accident, which damaged the front end of the car, occurred at 11:15 p.m., just north of Millington Road.

The dead doe was turned over to the State Conservation Department.

The letter "e" occurs most frequently in the English language and the least used is the letter "q."

Knudsen Was Right on Tempest

By BEN PHLEGAR
AP Automotive Writer

DETROIT — Auto production figures so far bear out at least one prophecy made before the 1961 model run started last fall.

* * *

The Pontiac Tempest is running No. 2 among the four General Motors entries in the compact field, although it was the last to hit the assembly lines.

This was exactly what Pontiac General Manager Semon Knudsen wanted.

In an interview last August Knudsen emphasized he was after a volume market with his smaller car, that he expected to price it below the compacts from the other medium-price divisions of GM Oldsmobile and Buick and that he expected to build and sell more Tempests than any of the other new smaller cars.

Knudsen also indicated he would have no qualms about chasing Chevrolet's Corvair.

The Corvair has picked up sharply in its second year so the Tempest has been no threat. But here's what the record shows so far about Knudsen's other aims:

The Tempest was priced $200 under the Buick Special and the Oldsmobile F85.

Although it went into production one month later, the Tempest is more than 9,000 units ahead of the F85 and is extending its lead each week. The Special is right behind the F85.

For the calendar year the lead is even more pronounced, with Tempest production through last week totaling more than 41,000 against 25,000 for the Special and about 23,000 for the F85.

The Tempest's success may account for the fact that Oldsmobile is outbuilding Pontiac in standard-size cars for the first time in several years.

At this stage a year ago, Pontiac held a 25,000-unit lead. This year it trails Olds by 3,600.

Despite the addition of compacts, all three GM medium price divisions are lagging behind 1960 in total production. Pontiac is down 60,000 units, Oldsmobile 50,000 and Buick 30,000.

Industry production last week was the highest of the year at 126,568 units compared with 114,529 in the preceding week.

Ex-Convict Fails as Own Lawyer; Gets 3-4 Years

A Pontiac Township ex-convict today failed in serving as his own attorney and was sentenced to 3 to 4 years in Jackson Prison for stealing $32 from an Avon Township gas station while the attendant was fixing a flat tire for him.

John F. Baize, 48, of 1055 Vinewood St., today questioned the validity of the jury panel which on April 20 convicted him of larceny in a building. Circuit Judge Frederick C. Ziem denied his motion for a new trial.

When the judge asked Baize if he had anything to say before passing sentence, the self-appointed jailhouse lawyer said: "I've been rooked."

Jurors convicted Baize of stealing the money from the cash register of the station at 399 Auburn Road on March 10. He told his two companions he was going to "clean the place out."

Plan $100,000 Store and Shop for North Perry

The newest commercial development on North Perry Street involves a proposed $100,000 store and doughnut shop at 792 and 804 N. Perry St.

* * *

Building permits for the venture have been issued by the city to Salfi, Inc., a family owned Pontiac enterprise.

Present plans indicate the two operations will be leased to separate businessmen.

The building permits list a 120-by-150 foot cement block store and a 49-by-49-foot shop next door. The store so far is described as a "variety store."

Site for the new buildings is on the southeast side of Perry between East Boulevard and Joslyn Avenue.

Haulaway-Truck Action Nixed in State House

LANSING (AP) — Legislation aimed at making auto haulaway trucks more competitive with the new railroad "piggyback" cars fell by the wayside in the House Monday night.

* * *

The proposal, attached as a rider on a secondary Senate measure, would legalize 60-foot haulaway trucks and permit a five-foot load overhang as well. Maximum length now is set at 55 feet.

Tshombe of Katanga Indicted for Treason

LEOPOLDVILLE, the Congo (UPI) — Katanga President Moise Tshombe was indicted today on eight counts of treason against the Congo Republic.

The official charges were signed by Interior Minister Cyrille Adoula a few hours after Security Chief Victor Nendeka and Public Prosecutor Remi Rom returned from Coquilhatville where they discussed the case with ministers attending a conference there.

The charges against Tshombe were that he:

—Abused power and usurped powers of a chief of state.

—Without being regularly invested, proceeded to declare Katanga independent.

—Arbitrarily forced his subordinates to commit crimes gravely threatening the peace of the country.

—By press and radio intimated he would continue this illegal action.

—Used illegal decision to force the secession of the Katanga forces from those of the national Congolese army, a move which threatened civil war, and hired mercenaries who killed and maimed citizens of the republic.

—Treasonably refused appeals by the president and members of the legal government to cease these activities.

—Dealt with foreign powers without referring to the central authorities.

—Created his own currency.

Adrian Firm to Build Plant in Arkansas City

ADRIAN (AP) — Floyd M. Murphy, president of the Simplex Paper Corp., said today that the company's board of directors had approved construction of a $1-million plant at Crossett, Ark.

Murphy said the plant was scheduled to be in operation by mid-1962 and would process paperboard for milk cartons. He did not reveal the number of workers to be employed.

No News Ban Planned by JFK

Assures Press That Government Will Not Impose Restrictions

WASHINGTON (AP) — President Kennedy today assured the nation's press that his administration contemplates no type of government restriction on access to news.

Kennedy took that position in a conference with eight newspaper executives who came to the White House to learn more about his plea for a form of self-censorship in view of the Communist threat to the nation's security.

Kennedy made his proposal in a speech before the American Newspaper Publishers Association 10 days ago, asking the press to "heed the duty of self-restraint" in a time of peril.

Today's conference was set up at the request of the editors.

After more than an hour with the Chief Executive, the group told White House newsmen that both the government and the press will continue to study Kennedy's proposal and meet again in several months.

Jail and Restitution Await Area Pair

First it will be 30 days in the county jail, then Larry G. Hill of Commerce Township and Frank Parsons Jr. of Walled Lake will have to pay $150 court costs each and make restitution for the property they stole from the Multi-Lakes Conservation Club in the township.

Circuit Judge Frederick C. Ziem imposed these sentences upon Hill, 20, of 3140 Fisher St., and Parsons, 18, of 1790 Sheifler St., as part of their three-year probation terms.

They pleaded guilty April 24 to breaking and entering during the nighttime in the theft of liquor, cigars and cigarettes from the clubhouse.

Two alleged companions await trial for the same offense.

5 Children Die in Fire

HALIFAX, N.S. (AP)—A flash fire swept a two-story tenement in North Halifax early today, killing all of Mr. and Mrs. John Wagerman's five children. The parents jumped from a second-floor window.

A storage battery does not actually store electricity.

New Seal of Quality Needs Shining

LANSING (AP) — Michigan — after 12 tries and 12 failures — is virtually assured of a seal of quality for its better agricultural products.

* * *

Now — what exactly to do with it?

The seal of quality bill, now on Gov. Swainson's desk, awaiting his signature, would allow state farmers to tag their high-quality produce — designating it as being much better than average.

Dale B. Ball, deputy director of the Michigan Department of Agriculture, says plans to put the seal into effect and on Michigan's better products have yet to be "firmed up." He said:

"The bill has died so often that we haven't spent too much time lately thinking how it would be administered." However, the broad outlines for putting it in operation are in the bill, he added.

The seal has been doomed for the last dozen years by the very fact that it was a favorite of former Gov. G. Mennen Williams.

Each year he was in office the bill could struggle only part of the way through the Republican-controlled legislature.

PASSES EASILY

It moved through both houses with comparative ease on its 13th try — the first time since the 1949 session that Williams, now assistant secretary of state, was not standing somewhere behind it.

The seal, which has not been designated yet, would be used to designate superior — though not necessarily the best — Michigan products.

"The important thing," Ball said, "is high quality produce. The integrity of the seal will have to be maintained. If it comes to denote high quality in one product, it will probably influence people to buy other products with the same seal."

* * *

Before the quality mark is stamped on, tied or wired to any product or container, the commodity group involved will have to request it, and submit to public hearings on the necessity of using the seal and outlining plans for its use, the agriculture chief said.

The program, he said, will be a voluntary one, and the absence of the seal necessarily would not designate an inferior product.

The bill requires that the inspection needed be done by or under supervisors trained by the state. Ball said it might be worked into the present inspection set-up run cooperatively by state and federal governments. Inspectors could range from full-time government employes to part-time help trained for this purpose.

It is still hard to tell who would use the program, he said. Considerable interest has been shown by poultry and potato groups.

Next Astronaut? Public Wonders

By BOB CONSIDINE

WASHINGTON — As the astronauts went on public display here for the first time, tens of thousands along the line of parade must have searched the lean tanned faces of the men and asked, "Who'll be next? And how will he fare?"

* * *

Lt. Col. John Glenn, the iron-nerved, steel-muscled elder statesman of the incredible group, was expected to be called upon to play the role which Cmdr. Alan Shepard performed so nobly Friday.

Those who figured Glenn would get the nod based their belief on several observations. The other astronauts seemed to defer to him, for example, looked up to him as a kind of "leader among equals."

When I interviewed six of them at once last December at their Langley Air Force (Va.) base, Glenn was almost always the man who answered — after a pause — the tougher questions.

When Shepard was chosen for the first Mercury-Redstone shot the reportorial cult that has gathered around this project said, "Ah, they're saving Glenn for the full orbit try."

TO BENCH SHEPARD

Robert Gilruth, head of the man-in-space program, knocked the stilts from under that contention after the successful flight of Shepard by telling us laconically that Shep had been chosen because recent tests showed him best fitted for the ordeal, mentally, physically and from an efficiency standpoint. Period.

Now, a man very close to the great adventure tells me that Shepard — the only one of them who really knows what space flight is like — will be benched for a time. And that Capt. Gus Grissom, USAF, will be the next astronaut to be lobbed into space — rather than Glenn.

"They've got to ground Shepard," my informant said. "He knows too much that the others need to know." He couldn't say why he felt that Glenn would be bypassed on the second shot, too. If he knew at all.

The one unspoken aspect of Monday's gala tribute to Shepard and the others was the sombre fact that it will take a miracle to complete Project Mercury without the loss of one of these brave fellows.

* * *

Thus Monday's happy and patriotic celebration differed from let's say, the homecoming parades of a Lindbergh, an Eisenhower, a MacArthur, a Gertrude Ederle. For all those, the battle was finished. They had triumphed. There would be no more worlds to conquer.

Saginaw Man Prexy of State Jaycees

GRAND RAPIDS (AP)—The State Junior Chamber of Commerce has elected William A. Pressprich of Saginaw its president at a convention here. Sam Reiter of Owosso was elected international director. Pressprich's brother, Robert C., was given the Spoke Award for outstanding participation.

* * *

Elected national directors were: Robert Horwood, Owosso; Frank Ghinelli, Lansing; Merlin Terrill, Grand Haven; Tom Crossman, Traverse City; Robert Mulligan, Highland Park; Millard Bush, Alma, and Merle Shook, Detroit.

New York City's annual budget is larger than that of many states.

Tells How Nazis Abused Youths

Israeli Court Hears Survivor of Auschwitz Recall Degradation

JERUSALEM (AP)—A French scientist who survived the Auschwitz death mill told the court trying Adolf Eichmann today how the Nazis degraded tiny Jewish children in France before shipping them to the gas chambers.

* * *

Prof. Georges Wellers, director of the French National Medical Research Laboratory and a professor at the Sorbonne, mesmerized the court and audience with his account.

Wellers did not mention Eichmann's name, but the Israeli prosecution preceded the testimony with documents showing Eichmann's Berlin office organized the French camps as part of "the final solution of the Jewish problem."

REUNITED FOR DEATH

As a medical man, Wellers could move about the Drancy camp in France. He said he saw 4,000 children—many as young as 2, 3, and 4 years old and their parents already at Auschwitz—abused and then deported to join their families only in death.

* * *

The tall, Russian-born professor became agitated as his testimony stirred his memory but did not falter as he reported:

The Germans, headed by Eichmann's representatives in Paris, brought the children to Drancy in buses, dumped them out hurriedly and put them 100 to 120 in a room in a bare barracks which had only burlap bags on the bug-ridden floors.

Neglected for weeks before that the children were ragged, filthy, starved and sometimes lacked shoes.

There was no soap.

Pregnant Women Not Sure They Want Babies

WASHINGTON (UPI) — The National Institutes of Health has reported that half the pregnant women who took part in a recent government survey were not sure they wanted their babies.

The tentative results were given in testimony published Sunday night by a House appropriations subcommittee. The study also indicated that between 66 and 75 per cent of the women feared labor pains.

Dr. Richard Masland, director of the National Institute of Neurological Diseases and Blindness, told the subcommittee that findings suggested "We are not properly preparing women psychologically to have children."

* * *

Masland also reported that an institute study in Baltimore showed premature babies were 64 per cent more common among pregnant women who smoked than among those who did not. But he cautioned that the findings were not conclusive.

Anthracite is hard coal and bituminous is soft coal.

I SEE MY DOG HAS GROWN TO LIKE YOU—
THE FEELING IS MUTUAL—
5-9
BEFORE I RETURN HIM, MAY I ASK YOU A QUESTION?
I HOPE I HAVE THE ANSWER
WHY WOULD HE RUN AWAY FROM ALL OF THIS?
MISS DUGAN— THIS DOG HAS NOTHING BUT THE BEST! COME WITH ME AND I'LL SHOW YOU
I'D LIKE TO— I'M A HARD LOSER

Wheat and Soybeans Weakened Further

CHICAGO (AP) — Wheat and soybean futures showed some further weakness today at the start of dealings on the board of trade, but dealers said there appeared to be a little more resistance to the selling of the past few days.

May wheat, off small fractions, sold at another season low in draggy transactions.

Brokers ascribed the weakness in part to continued circulation of offers to deliver the grain on contracts in the pit.

* * *

They said that apparently few tenders had been stopping either first or second hands, reflecting a general unwillingness to accept ownership of the actual grain.

OKs School Aid Bill

WASHINGTON (UPI)—A House Education subcommittee today approved a $3.3-billion public school aid bill carrying more money than President Kennedy asked and most of his proposed new educational program.

Scuppernong is a white wine made from grapes grown in southern United States.

STATE OF CONNECTICUT, Superior Court, County of Hartford, April 25, 1961.
ROSA WILLIAMS vs. LEON WILLIAMS
NOTICE TO LEON WILLIAMS

Upon the complaint of the plaintiff in the above entitled action praying, for reasons therein set forth, for a divorce on the ground of desertion and change of name, returnable before the above named Court on the first Tuesday of December A. D., 1960, and now pending therein, and upon an application in said action for a subsequent order of notice, it appearing that the residence of the defendant is Flint, Michigan, but the street address is unknown, and that all reasonable efforts have been made since the institution of said action to ascertain it, and have failed; and the plaintiff has contacted the defendant's family and that notice of the institution of said action was given as required by order of notice heretofore issued, as of record appears; that the defendant apparently has not received notice of the pendency of said action; that notice of the institution of this action most likely to come to his attention is that hereinafter ordered; it is ordered, that additional notice of the institution and pendency of said action be given the defendant by some proper officer or indifferent person by causing a true and attested copy of this order of notice to be published in The Pontiac Press, a newspaper circulated in Pontiac, Michigan, once a week for two successive weeks, two times consecutively, commencing on or before May 15, A.D. 1961, and that return of such service made to the above named Court.

By order of the Court
A true copy

Death Notice

MRS. EDGAR WIXSOM

UTICA — Graveside service for former Utica resident Mrs. Edgar (Cora) Wixsom, 86, of Hammondsport, N. Y., will be 1:30 p.m. Thursday at Utica Cemetery. Her body will lie in state at the Milliken Funeral Home after 7 p.m. tomorrow.

Mrs. Wixsom died Sunday at her home after a short illness.

Surviving besides her husband are two sons, Phillip Kinght of Detroit and Donald Knight of Dearborn; two sisters, Mrs. Frank Hill of Troy and Mrs. Grace Gordon of Royal Oak; five grandchildren and nine great-grandchildren.

BERNIE E. WINTERS

LAPEER—Service for Bennie E. Winters, 78, of 3935 Hunt Road, will be at 2 p.m. Thursday at Muir Brothers Funeral Home. Burial will be in Mount Hope Cemetery.

Mr. Winters died yesterday at Lapeer County Hospital after a short illness.

Surviving are his wife Josephine Mae and several nieces and nephews.

There are approximately 192,000 railroad bridges in the United States.

Space Stocks Register Gains

NEW YORK (AP) — Some electronic, missile and rocket stocks advanced in a mixed stock market early this afternoon. Trading was heavy.

* * *

Most key stocks showed minor gains or losses and many were unchanged. Trading interest focused on some but by no means all of the "science" stocks related to the space age. Some of these produced gains of around 2 points.

A notable casualty was Avnet Electronics, which sank 6¾ points to 59 on a delayed opening block of 30,000 shares, then recouped about 2 points of the loss.

Avnet has risen this year from a low of 17⅛. Selling orders accumulated overnight on news that the New York Stock Exchange had banned "stop orders" in Avnet.

These are orders to buy or sell at prices set in advance. Sometimes, when bunched, stop orders lead to chaotic market conditions.

* * *

Ling-Temco and Lear continued to meet brisk demand, both rising about 2 points. Thiokol, the rocket engine stock, picked up around 3. Republic Aviation started slowly but jumped about 2 as the session progressed.

Smith-Corona Marchant went to another new high as it advanced well over a point. The company is entering into a joint venture with Mexican interests to make the first typewriters in that country.

2 Detroit Banks Hike Interest on Savings

DETROIT (AP) — Two of Detroit's largest commercial banks announced today increases in the interest paid on individual savings accounts from 2 to 3 per cent.

The move signaled an aggressive effort to capture a larger share of the city's individual savings account customers.

Increases were announced by the National Bank of Detroit and the Detroit Bank & Trust Co. They said the boost would take effect June 1.

A third bank, Manufacturers National Bank of Detroit, said a similar increase in its interest rate awaited only final official action.

News in Brief

A break-in at Malkim Elementary School was reported to Pontiac police yesterday. Nothing was stolen.

A tennis net was reported stolen yesterday from the courts at Pontiac Northern High School, according to Pontiac police.

An adding machine and alarm clock were stolen in a break-in of his home, Harold C. Gaughner, 233 Whittemore St., reported to Pontiac police yesterday. The stolen items were valued at $69.50.

Charles E. Hodges, 201 W. Wilson Ave., reported to Pontiac police yesterday that $3 in change and various foodstuffs were stolen in a break-in of his apartment.

Burglars made off with an undetermined amount of change from a coke machine of Horn & Dixon Supply Co., 1097 Oakland Ave., it was reported to Pontiac police yesterday.

Willis M. Slater, 29, 1095 Collier Drive, pleaded guilty to drunken driving Monday before Municipal Judge Cecil McCallum. He was fined $100—or 15 days in the Oakland Jail if the fine is not paid.

Larry W. McCray, 21, 856 Stirling Ave., pleaded guilty to reckless driving Monday before Municipal Judge Cecil McCallum. He was fined $15, placed on six months probation and ordered to attend Municipal Court driving school.

Larceny of lumber worth $50 from vacant property at 5050 Duck Lake Road in Highland Township was reported to the sheriff's department yesterday by the owner, George Bjaland of Flint.

While on patrol last night, sheriff's deputies discovered Walters Hardware store at 3900 Joslyn Road, Orion Township, had been broken into earlier. Nothing was reported stolen.

Sheriff's deputies are investigating a break-in last night at Kwik Kleaners, 3896 Joslyn Road, in Orion Township, during which nothing was taken.

Rummage Sale, First Presbyterian Church, Birmingham, 1669 West Maple, Thursday, May 11, 9 a.m. to 8 p.m. Friday, May 12 9 a.m. to 5 p.m. —Adv.

Electrical Firm VIPs to Testify May 18-19

WASHINGTON (AP) — Senators investigating price fixing in the electrical equipment manufacturing industry announced today that Ralph J. Cordiner, chairman of the General Electric Co., will testify May 18.

Mark W. Cresap Jr., president of the Westinghouse Electric Corp., will testify the day before Cordiner, the Senate Antitrust and Monopoly subcommittee said.

The testimony of these top executives of the two largest companies in the industry is expected to conclude the subcommittee's inquiry, at least for the time being.

Willman Is Feted

City employes yesterday feted City Manager Walter K. Willman on his 65th birthday. An informal tea in Willman's honor was held at City Hall.

Pontiac Story to Be Televised

Detroit Showing Will Start Michigan Week on Sunday, May 21

A television showing of the Pontiac Area Chamber of Commerce Centennial film will help kick off Michigan Week at the end of the month.

* * *

WWJ-TV, Channel 4, in Detroit, plans to run the 26-minute sound-color film "The Pontiac Story of Progress and Promise" at 2:30 p.m. Sunday, May 21, according to John W. Hirlinger, chamber manager.

The televised showing, arranged by the station's news bureau, will be in color, Hirlinger said.

"We expect with this one showing to reach countless homes in this metropolitan area with our message about Pontiac," said Hirlinger.

* * *

With last night's showing of the film to Metropolitan Club Spirit 6 of Pontiac, "The Pontiac Story of Progress and Promise" has now been shown to 183 groups with a total audience of 22,156 persons, said Hirlinger.

The board of directors of the chamber responded enthusiastically to the United States Information Agency's (USIA) offer to send the film abroad for showings.

Hirlinger said the board voted to ask the City Commission tonight to help in the $1,300 cost for eight new copies of the film, six to go to the USIA and two to replace the copies that have been shown in the Pontiac area since the Feb. 1 premiere.

Kennedy Works on Stronger Plan for Civil Defense

WASHINGTON (AP)—President Kennedy told a group of governors today he hopes to have a strengthened Civil Defense program ready in a month.

* * *

The state officials, members of the Governors Conference Civil Defense Committee, said after a long meeting with Kennedy that they expect state legislatures and the people generally to support the administration plan.

* * *

Gov. Nelson A. Rockefeller of New York, chairman of the committee, said the governors meantime want Congress to approve the Civil Defense budget request for $105 million plus an additional $9 million for fallout shelters in government buildings.

$525 Million Added to Plane Requests

WASHINGTON (AP)—In a move to quickly expand the nation's long-range manned bomber forces, the Senate Armed Services Committee today added $525 million dollars to President Kennedy's military hardware requests.

* * *

Chairman Richard B. Russell, D-Ga., said the uananimous committee decision would limit spending of the additional half-billion dollars plus outlay "for procurement of manned long-range aircraft for the Strategic Air Command."

Dividend Declared at Pontiac State Bank

At its monthly meeting Monday, the Pontiac State Bank Board of Directors declared a 50-cent per share cash dividend to stockholders.

* * *

The dividend will be payable June 1 to all stockholders of May 8, according to Milo J. Cross, bank president.

This is the normal semiannual dividend declared by the directors.

Blue Scout Rocket Destroyed in Flight

CAPE CANAVERAL, Fla. (AP)—A Blue Scout rocket shot off course and was deliberately destroyed by the range safety officer today about a minute after it was launched to probe the lower region of the Van Allen radiation belt.

The destruct button was pushed when the second stage of the 72-foot vehicle wobbled off course, the trail of white smoke from its solid-fuel engine tracing a crazy zig-zag in the sky.

Two Men Stand Mute in Gas Station Burglary

Arraigned yesterday for the alleged burglary of money and tools from a Bloomfield Township gas station, a Southfield man and his companion from Detroit stood mute before Circuit Judge Stanton G. Dondero.

Judge Dondero entered pleas of innocent for Donovan F. Graves, 36, of 21692 Inkster Road, Southfield and Bernard J. O'Conner, 35, of 1174 Steel St., Detroit.

O'Conner was returned to the county jail under a $2,500 bond while Graves was released on a $500 bond.

Student Loan Plan

OUR school has made available to its students a plan for financing tuition payments with a national organization that is devoted exclusively to educational financing. Through The Student Loan Plan students may make reduced monthly payments that extend beyond the completion of their course.

There is no good reason why any worthy young man or woman should forego the admitted advantages of specialized training just because they might feel their present financial condition should delay this opportunity.

It is immaterial to the school which plan of payment you adopt. The Student Loan Plan will enable you to act NOW. Ask about details at the school.

The Day
PAYDAY
CAME ON
TUESDAY

Tuesday wasn't a real payday. But the money was. It was the first dividend check from an investment program this man started just a few months back.

The man isn't rich. He isn't a stock expert. But he *is* an investor, one of 12,000,000 who are sharing in the nation's industrial growth through investments.

Most of them are in the $5,000 to $10,000 income bracket, and many of them systematically set aside a portion of their regular paychecks to invest in income producing securities. The result: *extra* paydays . . . regularly throughout the year.

If you would like to know how to introduce extra paydays into your future, now is the time to discuss an investment program with a Watling, Lerchen & Co. representative. Call or visit us today.

TV Features

By United Press International

EXPEDITION, 7 p.m. (7). A British-American expedition among a colony of penguins in the Falkland Islands.

DOBIE GILLIS, 8:30 p.m. (2). Will Maynard (Bob Denver) overcome his terrible fear of girls? Dwayne Hickman stars as Dobie.

THRILLER, 9 p.m. (4). The guardians of Priscilla (Gina Gillespie) plan to murder her and inherit her estate. Boris Karloff is the host.

RED SKELTON, 9:30 p.m. (2). Guest stars Mary Beth Hughes and Henry Kulky join Skelton in a Cauliflower McPugg sketch.

CLOSE-UP, 10 p.m. (7). Part I. The story of the changing status of Kenya's white settlers, who until recently controlled the country.

THE RENEGADE, 10 p.m. (4). A one-hour dramatization of a behind-the-scenes aspect of the Civil War. The story centers around Rory O'Neil (Steve Cochran), a former leader of the Irish independence struggle, and Bertie Smythe (Richard Ney), a dashing Englishman. (color)

GARRY MOORE, 10 p.m. (2). Anna Maria Alberghetti and comedian Jack Carter visit Garry, Marion Lorne, Carol Burnett and Durward Kirby.

JACK PAAR, 11:30 p.m. (4). Jack's guests: Jack and Reiko Douglas, comedian Larry Storch, Dody Goodman, Betty Johnson and Stan Freberg. (color)

Ask Legislators to Back MSUO

C. of C. Urges County Delegation to Struggle Hard for Funds

Oakland County's delegation in the Legislature has been urged to give "strong support and leadership" in the battle to provide adequate funds for Michigan State University Oakland.

★ ★ ★

The call for the county's lawmakers to rally around MSUO came in a resolution adopted unanimously by the board of directors of the Pontiac Area Chamber of Commerce.

★ ★ ★

Copies of the resolution were en route to Oakland's state senator and six representatives.

The resolution noted that MSUO is scheduled to add a junior-year program to the freshman and sophomore programs now offered.

★ ★ ★

"This growth requires an increase in income in 1961-62 over the current year to accommodate the existing class," the resolution said.

★ ★ ★

"The proposed legislative appropriation for MSUO in 1961-62 is virtually the same as was made in the current year, thus making it impossible for the university to carry on its program," the resolution declared.

★ ★ ★

The board pointed out that the new university near Pontiac "promises to provide great benefits to all of our community."

Sees No Chance of Hike in College Appropriations

KALAMAZOO (UPI) — The Michigan Council of State College Presidents held a bimonthly meeting here Monday and studied budget problems.

★ ★ ★

Dr. James Miller, president of Western Michigan University, said he doesn't think there is much likelihood appropriations to the state's schools would be raised by the legislature.

But, he said, as long as the legislature remains in session there remains a bit of hope of obtaining more funds.

Court Shields Holland Youth

Police Prevented From Questioning Stephens in Deaths of 2 Girls

ALLEGAN (UPI)—Recessed action in Probate Court holds up police questioning of 16-year-old James Stephen in the slayings of schoolgirls Carol Gee and Margaret Chambers. The court has jurisdiction over juveniles between ages 15 and 17.

★ ★ ★

Young Stephen remained at Allegan County Jail today pending a psychiatric examination in connection with the April 29 gunfire deaths of Carol, 11, and Margaret, 12.

Prosecutor Ervin L. Andrews petitioned the youth into Probate Court as a juvenile delinquent — the first step toward seeking a waiver into Circuit Court jurisdiction. In Circuit Court, Stephens could be tried as an adult if a charge were brought against him.

"We have to decide what's best for the boy," Andrews said. "Perhaps he should remain in Probate Court jurisdiction. There's nothing of detail in his (police) statement.

"He says he stumbled and the gun went off."

★ ★ ★

Stephen, who fled the state but was captured at Kadoka, S.D., and returned last Sunday to Michigan, twice in statements has claimed the shootings with his 22-caliber semiautomatic rifle were accidental.

Black-Top Bids Ready for City Officials Tonight

The 1961 paving program, to cost an estimated $150,000, neared the construction stage today as construction bids were tabulated for the City Commission tonight.

★ ★ ★

A & A Asphalt Paving Co. of Birmingham was apparently the low bidder among five companies that competed for the job yesterday.

Involved are the black topping of neighborhood streets, plus resurfacing of three concrete streets and paving in four parks.

Black-topping bids included A&A Asphalt Paving Co., $105,629; Ann Arbor Construction Co., $106,363; Detroit Concrete Products Co., $109,297; Detroit Asphalt Paving Co., $115,899; and Cadillac Asphalt Paving Co., $117,366.

Bituminous concrete resurfacing and paving bids included A & A Paving Co., $35,324; Ann Arbor Construction Co., $35,950; Detroit Concrete Products Co., $37,261; Detroit Asphalt Paving Co., $39,273; and Cadillac Asphalt Paving Co., $39,380.

★ ★ ★

To be resurfaced are North Saginaw Street, Chamberlain to Rundell; Joslyn Road, Columbia to Walton; and Clinton Street, Williams to Wayne.

Tennis courts at Oakland Park are to be paved. Other paving will be in Rotary, Southwest Civic and Optimist parks.

County Big Brothers to Attend Convention

Two Big Brothers will participate on panels and about 20 others from the Oakland County chapter will attend the national convention of the Big Brothers of America opening tomorrow in Flint.

Taking part in panel discussions will be Dr. Andrew Yang, chief psychologist for the county Juvenile Court and the local chapter, and John Anderson, who will speak on public relations in the work of the Big Brothers.

The convention begins tomorrow and will run through Saturday.

Many members and their wives are expected to attend the banquet Friday night.

Youth Given 1-5 Years for Theft of Four Cars

Tillman Edwards, 18, of 102½ S. Marshall St., appeared before Circuit Judge Frederick C. Ziem yesterday after pleading guilty to car theft and was sentenced to 1 to 5 years in Jackson Prison.

★ ★ ★

Police said he stole a 1954 Ford on March 7 in the city, as well as three other autos at earlier times.

Brief Waterford Queen Hopefuls

5 Contestants Attend Banquet to Learn How CAI Event Is Judged

Five of Waterford Township's prettiest girls and their parents attended a queen contest kickoff banquet at the Community Center at 6 last night to learn how to win as the fairest, for the 17th annual CAI Fair set for June 17 and 18.

The contestants were told how to obtian votes by money collected in canisters—all of which will be donated to the operation of the big Community Activities building on Williams Lake Road.

Last year's winner, Judy Brown, picked up $389, and in all, the contestants garnered more than $1,100 to support one of Oakland County's most-used buildings.

Last night, each contestant was given five canisters to place in strategic places in the township. Each one also has a campaign manager who is responsible for getting those containers filled.

The winner will be announced June 18 on the stage at the Community Center.

★ ★ ★

"The one who works the hardest gets the most votes," contest chairman Mrs. George Dean said.

"She has been in charge of the queen contest for the fair for the past 10 years.

The winner will receive a one-week vacation for two at the Gay El Rancho in Gaylord. The second-place winner will receive a $50 U.S. Savings Bond and the third place winner, a $25 bond. Many other prizes will be given the top three, Mrs. Dean said.

Pontiac General Will Be Honored by Health Group

Pontiac General Hospital will be recognized for its contribution to the care of the mentally ill when the Oakland Chapter, Michigan Society for Mental Health, holds its annual meeting Friday at Devon Gables.

The hospital soon will open its new psychiatric unit, planned and equipped for the short-term care of mentally ill persons.

The speaker will be Dr. Herbert C. Modlin, senior psychiatrist at the famed Menninger Foundation, Topeka, Kan. He will discuss recent advances in psychiatry.

Elmer Hartwig, Royal Oak associate municipal judge and president of the chapter, will preside.

Costly Air Wrenches Stolen From 3 Firms

Thefts of expensive pneumatic air wrenches were reported to police by three Pontiac firms yesterday.

Four of the tools, with a combined value of $607, were taken from Matthews-Hargreaves, Inc., 631 Oakland Ave.; Carter Tire Co., 370 S. Sagianw St.; and Jerome Motor Sales Co., 280 S. Saginaw St.

Marketing Advisory Unit to Hold Annual Meeting

The advisory council for the Marketing Information for Consumers Program in Oakland County will hold its annual meeting Wednesday at Grace Lutheran Church, 114 S. Genesee, beginning at 6:30 p.m.

Paul Barrett, associate professor in resource development at Michigan State University, will present slides and commentary on Michigan scenery and wildlife.

Officers of the Marketing Information Council for the past year have been: chairman, James McCollum of the Michigan Department of Agriculture, Pontiac; vice chairman, Harold Schmidt, grocer, Ortonville; secretary, Mrs. Robert Runkle, homemaker, Clarkston.

Other council members include representatives of business, professional and civic groups, producers, consumers, food handlers and communications personnel.

Consumer Marketing Agent Mrs. Josephine Lawyer reports that the advisory council has been most helpful since the beginning of the county program in 1956.

During the past year the council has assisted with distribution of food marketing information via newspapers, radio, homemaking classes, union halls, grocery stores, libraries and other public sources. Council members have also helped with tours and food buying classes for homemakers.

Eighty-three marketing information leaders have reported monthly outlook information on food supply, quality and price for 80 women's clubs. Forty leaders have cooperated with the County Health and Social Welfare departments to provide information on better use of surplus commodities.

The advisory council welcomes membership of those interested in Michigan State University's Cooperative Extension Service in Oakland County. The aim of the marketing information phase of the total program is to help food shoppers obtain greater satisfaction from the expenditures of their food dollars.

★ ★ ★

More detail concerning the program may be obtained from Chairman McCollum, 1006 Northfield, Pontiac or Mrs. Lawyer, 1260 W. Blvd., Pontiac.

5 Pontiac Teachers Attend Convention

Five Pontiac teachers were delegates to the 27th annual convention of the Michigan Federation of Teachers held last weekend at the Sheraton-Cadillac Hotel in Detroit.

Among those attending were Mrs. Lawrence McIntosh, Crofoot School; Mrs. E. C. Carlson, LeBaron School; Richard Johnson and Jerome Midtgard, Wilson School.

Also a delegate was Rosamond Haeberle, president-elect of the Pontiac Federation of Teachers. She is an elementary vocal music instructor at LeBaron and Whitfield Schools.

Ben Hur Driving Auto? Heston's Buying Car

Waterford Police Dept. Gets Salary Increases

The Waterford Township Board approved a tentative police department budget for the 1961-62 fiscal year at a meeting that lasted until almost midnight yesterday.

Salary increases for police department personnel ranged from $8 to $484 annually.

Recruits will start at $4,800 and go to a maximum of $5,100; typist-secretaries, $3,500 to $4,300; patrolmen, $5,100 to $5,500; detectives, $5,500 to $5,800; sergeants, $5,600 to $6,000; lieutenants, $5,900 to $6,300; and captains, $6,100 to $6,500. The chief will have a flat annual salary of $7,000.

The salary classifications will be worked out according to number of years employment, title and experience before a total budget figure is determined.

Police Chief Millard J. Pender originally had presented a budget of $139,659, asking for two additional men.

However, the board approved several adjustments and Clerk James E. Seeterlin will work out the details of the budget.

In other business, the board approved the establishment of a special assessment district for black topping 3,422 feet of Seedum Glen Street. It will cost property owners $2.49 per front foot.

Township Attorney Paul Mandel still has to work out legal papers for a plumbers' ordinance and an amendment to the fire code, both of which will be sent to each board member this week for action at next Monday's regular meeting.

★ ★ ★

The board approved the purchase of $339 worth of playground equipment for the Drayton Ball Park, and the purchase of a $125 lawn mower for the parks and cemetery department.

Seeterlin was authorized to advertise for bids for a blanket insurance bond covering all township employes with the exception of the clerk and treasurer. Those positions must be bonded separately.

A street-light hearing for Sylvan Shores was set for May 29.

Alleged Car Thief Mute at Arraignment

Seventeen-year-old Daniel L. Geisner of Pontiac yesterday stood mute when arraigned in Circuit Court as an alleged member of a car-theft ring of four youths.

He was returned to the county jail to await trial after his appearance before Circuit Judge Stanton G. Dondero.

Sentencing of another of the youths, Robert Martin, 18, of 1557 Lone Pine Road, Commerce Township, was postponed a week for the second time by Circuit Judge Frederick C. Ziem. Martin pleaded guilty April 17.

Geisner, of 102 Henderson St., is suspected of being part of the gang which stole six cars in the vicinity of Pontiac General Hospital.

Execute Pair in the Bahamas

First White Men in 200 Years Go to Gallows for Skipper's Murder

NASSAU, Bahamas (UPI) — The "Pirates of Elbow Cay," first white men sentenced to be hanged in the Bahamas in more than 200 years, went to the gallows at Foxhill Prison today.

★ ★ ★

Alvin Table Jr., 25, of Bridgeton, N. J., the elder of the two convicted murderers, was picked to walk the last mile at 7 a. m. (Pontiac time) followed an hour later by Billy W. Sees, 23, of Etowah, Ark., actual killer of Florida fishing skipper Angus Boatwright.

Selected to be present at the execution were Warden Byron Pinder; Col. E. J. H. Colchester, police commissioner and provost marshal of the Bahamas; a chaplain, a doctor, various guards and the hangman.

Pinder told newsmen the two Americans faced death "as well as could be expected . . . they have given no trouble."

The laws of this British Atlantic colony exclude newsmen and other unofficial witnesses from executions.

As far as the available records show, no white men had been hanged in the Bahamas since 1719, when Gov. Woodes Rogers executed more than 100 pirates in bringing law and order to the colony.

Redstone Missile State's Honorary Product of Year

LANSING (AP) — The Freedom 7 Redstone missile which boosted America's first astronaut into space has been designated honorary Michigan product of the year.

Gov. Swainson announced the selection Monday, declaring that the missile will go down in history as one of the great accomplishments of all time.

"The Redstone is a dramatic demonstration of Michigan's scientific knowledge, skilled workers and industrial know-how," he said.

Dale Stafford, publisher of the Greenville News and product of the year chairman for Michigan Week said the 16 Michigan products which have won regional honors as product of the year in regular competition would be judged at Detroit with the state winner to be decided at that time.

Pilot Hopes to Push X15 to 3,400 M.P.H. Soon

EDWARDS AIR FORCE BASE, Calif. (AP)—Research pilot Joe Walker plans to fly the X15 rocket plane with throttle wide open in the next few days in an attempt to reach 3,400 miles an hour—almost a mile a second.

The National Aeronautics and Space Administration said Monday the purpose of the flight will be to obtain data on aerodynamic stability and control and heating.

Retired Editor Is Dead

NEW YORK (AP) — Carmel Snow, 73, a leading fashion authority for more than 25 years and retired editor of Harpers Bazaar magazine, died Sunday, apparently of a heart attack. She served as editor of Harpers from 1932 to 1957 and upon her retirement was named chairman of the magazine's editorial board. She was born in Dublin, Ireland.

Coming Ikeda Visit Important to Nation

By PHIL NEWSOM
UPI Foreign News Analyst

A friendly Japan is a keystone of United States foreign policy in Asia.

And as the Communists press to expand their influence among Asia's millions, the forthcoming visit of Japanese Premier Hayato Ikeda assumes more importance.

Ikeda and his advisers already are at work on the half dozen or more topics he hopes to take up with President Kennedy in Washington when he arrives in mid-June.

Topping the list is Red China. Other important subjects will include economic assistance to the underdeveloped Southeast Asian countries, relations between Japan and the Republic of Korea, Japanese defense, U.S.-Japan trade and continued United States occupation of Okinawa.

POLITICS, ECONOMICS

The Red China question is the most difficult because it deals both with politics and economics. Many Japanese businessmen look longingly at the Chinese mainland as a vast outlet for expanding Japanese industry, and therefore would like closer relations with Red China.

Working against them, however, is Red China's lack of foreign exchange.

On the political side, Ikeda's Liberal-Democratic party is firmly in control and has linked its foreign policy with the United States.

But, despite the huge majority rolled up by the Liberal-Democrats in last November's elections, there also was evidence that many of Japan's younger voters have been influenced by socialism and by Red Chinese demands that Japan declare itself neutral.

Regardless of these pressures, Ikeda is expected to assure Washington that Japan will follow the United States lead in dealing with Peiping.

TO PLEDGE MORE AID

On the question of Japanese aid to underdeveloped Southeast Asian countries, Ikeda will promise to step up that aid and probably will propose that it be financed through use of Japan's occupation debts to the United States.

The Japanese premier also is expected to ask U.S. aid in early establishment of good relations between Japan and the Republic of Korea.

For security reasons, Korea is especially important to Japan, and the removal of former Korean president Syngman Rhee should make it easier for the two nations to reach agreement.

* * *

Again United States dissatisfaction with the slow tempo of the Japanese defendse buildup, Ikeda will plead Japan's unique domestic situation. He will tell Kennedy that Japan will continue its effort to strengthen its 250,000-man defense force but also will ask continued U.S. military aid.

Japan's gross national product increased by 16 per cent last year and its industrial production jumped 29 per cent. But despite its booming economy, Japan still spends only 1.4 per cent of the national income for defense, one of the lowest rates in the world.

Ikeda will thank Kennedy for his recent effort toward stopping an attempted boycott of Japanese textiles by U.S. textile workers, and he will stress that Japan's export to the United States is necessary to a stable political condition in Japan.

He will renew Japan's bid for an early return of Okinawa to Japan, but is not expected to press this demand against the key U.S. defensive base in the Pacific.

1 Million Americans Cured of Cancer

NEW YORK (UPI) — The American Cancer Society (ACS) reports that there now are more than a million Americans who have been cured of cancer. By "cured" is meant the patients are alive without evidence of disease at least five years after diagnosis and treatment.

* * *

And the ACS adds a postscript—"An additional 600,000 cancer patients, diagnosed and treated within the last five years, will live to enter the ranks of those called cured."

This Theft Was Hot . . . More Ways Than One

DERBY, Conn. (AP)—A local motorist was surprised recently when his 1956 model auto began to steam.

He got a bigger surprise when he lifted the hood. The radiator was missing—stolen while the car was parked in front of his home during the night.

Fiber glass, the toughest form of glass, is stronger than any other material of the same weight, provided its surface is perfect.

"I RE-GREW HAIR"

Warren Feathers, Claysburg, Penna. (near Altoona), shows he regrew hair by the Lesley Home Treatment Method.

Hair Consultant Here Tomorrow; Learn If Your Hair Loss Can Be Stopped and Baldness Prevented

Mr. W. K. McMAHAN, representing the Lesley Hair and Scalp Consultants, will give hair and scalp consultation to hair worried men and women at the WALDRON Hotel in PONTIAC, MICHIGAN on WEDNESDAY only MAY 10, 1961, from 1:00 P.M. to 8:00 P.M.

FREE CONSULTATION

You incur absolutely no charge or obligation by coming in for consultation. We will tell you frankly and sincerely whether or not we believe you can be helped, how long it will take and how much it will cost.

WRITTEN GUARANTEE

You will be given a written guarantee for the length of time treatment is required on a pro-rated basis.

HOPELESS CASES REFUSED

Lesley Consultants have established a very high reputation in the field for refusing any case that does not fall under the scope of their work. As evidence of his sincerity in believing you may be helped, the Lesley consultant wishes you to understand that the majority of cases of baldness or excessive hair loss are of a type known as male pattern baldness. In such cases there is at present no known treatment which will prevent or overcome baldness or excessive hair loss or induce hair to grow or cause the hair to become thicker. You should beware of any claim to the contrary made by any hair specialist.

Fortunately there are thousands upon thousands of people who, while losing their hair, DO NOT SUFFER FROM MALE PATTERN BALDNESS. Mr. Warren Feathers and Miss Sandy Curren shown in photos were among those who did not suffer from male pattern baldness and as you can see responded to the Lesley Home Treatments which they applied in the privacy of their own homes.

Too Much Centennial

Pontiac Press Photo

SHE'S HAD A BUSY DAY—Centennial time is fun but sometimes a little too much for a girl just 2 months old last week. A big yawn envelopes Rae Marie Tiltman, daughter of Mr. and Mrs. Joseph Tiltman, 212 W. Cornell St., as she poses in her Centennial dress and bonnet.

Press Starts Contest on Pontiac's Future

The years ahead should be exciting ones, especially for today's youth and tomorrow's leaders.

The Pontiac Press has chosen Centennial time to launch an essay contest to spur junior and senior high school pupils in the Greater Pontiac Area in their thoughts about the future. The subject is, "Pontiac . . . The Challenge of its Future."

What are the problems ahead for our community and how will we master them to reach our common goals? What broad policies will help us achieve community fulfillment?

Some youngster, puzling over questions such as these, will win a $100 U.S. Savings Bond as first prize, a $75 or $50 bond as second or third prize, or one of ten $25 bonds for runners-up.

Typewritten entries up to 1,200 words may be submitted by youngsters age 13 through 18 from now until the June 3 deadline.

Winners of the contest will be announced by The Pontiac Press on Youth Day, June 22, during the Greater Pontiac Centennial.

For further details, see the essay contest coupon on Page 2.

Hold Meeting on Censorship

JFK, News Executives Confer on Appeal in Interest of Security

WASHINGTON (AP) — Newspaper executives went directly to the source today to learn more about President Kennedy's appeal for self-censorship in the interest of security.

The White House conference was arranged by a group of publishers and editors to follow up Kennedy's proposal that they "heed the duty of self-restraint" in a time of peril to the free world.

Kennedy issued that call in a speech to the American Newspaper Publishers Association 10 days ago. He said no hot war ever posed a greater threat than the cold war advances of communism.

The publishers' reaction was cautious. They said no one would knowingly give away information that would jeopardize the country's security, but questioned whether a vague type of censorship would not result in withholding information to which the public is entitled.

The conference with Kennedy was set at the news executives' request to explore problems that would confront both the government and the press. Kennedy had emphasized he had no thought of creating government censorship nor any new secrecy classifications for government material.

In recent days Kennedy has said a free society demands a free flow of information. He pointed to the advanced publicity of astronaut Alan Shepard's flight into space and contrasted this with the way the Soviet Union has handled its space experiments.

"The essence of free communication must be that our failures as well as our successes will be broadcast around the world," Kennedy told the National Association of Broadcasters Monday.

Flashes

LANSING (AP)—With obvious reluctance, Gov. Swainson called today for a two-year extension of part of the so-called nuisance tax package enacted in 1959.

CAPE CANAVERAL, Fla. (AP)—A Blue Scout rocket shot off course and was deliberately destroyed by the range safety officer today about a minute after it was launched to probe the lower region of the Van Allen radiation belt.

WASHINGTON (UPI)—A House Education subcommittee today approved a $3.3-billion public school aid bill carrying more money than President Kennedy asked and most of his proposed new educational program.

OKs Preparing of Plans for Berlin Crisis

Rusk Favors Proposal Calling for Readying of Contingency Action

From Our News Wires

OSLO, Norway — Secretary of State Dean Rusk has approved a proposal calling for preparation of "contingency plans" for any Berlin emergency, it was announced today.

A spokesman for the current NATO ministerial conference said the "contingency plans" would be worked out by the United States, Britain, France and West Germany.

The American move came in response to a proposal by Norway's foreign minister Halvard Lange that the four nations "consider whether their contingency plans for the Berlin problem are adequate to the present and foreseeable situation."

Lange raised the question at today's session of the 15-nation NATO council meeting in the face of mounting anxiety among alliance members that a new Berlin crisis may be near.

U.S. TO RESIST

Rusk told the opening session Monday that the United States is prepared to resist any Soviet encroachment on the Western position in Berlin.

Some of Portugal's allies urged her to revise her African colonial policy, one of the issues cracking NATO unity.

The NATO ministers revealed their concern at the bloodshed in Angola, a Portuguese territory that could become another Congo.

Portuguese Foreign Minister Franco Noguera was told that his country could not expect to have the other NATO powers blindly support Portuguese actions in Africa in the United Nations.

Foundation Work Falls

BEVERLY HILLS, Calif. (AP) — Foundation work for a $13.5-million bank building on Wilshire Boulevard collapsed with a roar last night, leaving tangled scaffolding and debris in a hole four stories deep. No one was injured.

Nixon Slaps at Kennedy; 'Public Entitled to Know'

DETROIT (UPI) —Former Vice President Richard M. Nixon today criticized President Kennedy's recent appeal for "self-censorship" by the press and said "the plea of security could well become a cloak" for errors and failures by the administration.

Nixon said "the kindest judgment that can be made about this scheme" is that it was obviously "not thought through by the White House staff."

He charged that the whole idea of a return to secrecy in peacetime "demonstrates a profound misunderstanding of the role of a free press as opposed to that of a controlled press."

The former vice president, who lost to Kennedy by an eyelash in last November's presidential election, also criticized administration officials for contradicting themselves about the causes of the unsuccessful Cuban invasion.

He said that Kennedy, in calling for self-restraint by the press, "appeared to blame the press for recent Cuban events.

"But would the results have been very much different had the press failed to perform its traditional role?" he asked.

Nixon made his remarks at a luncheon at the Detroit Press Club which he called "an appropriate forum for me to comment on President Kennedy's recent appeal for self-restraint or self-censorship of the news."

He is to speak tonight at a Republican fund-raising program in Detroit.

Monday night in Flint, before more than 5,000 persons, Arizona Sen. Barry Goldwater kicked off the series of Republican shows called a "Go-party," aimed at netting $400,000 for the party's coffers in Michigan.

Following a two-hour show by such Hollywood luminaries as Gordon Mac Rae, Jane Powell and Edgar Bergen, the leader of the GOP conservative movement condemned what he called "false crusades by professional reformers."

AP Photofax

GOP HEADLINER — Arizona Sen. Barry M. Goldwater (center) looks over the list of stars appearing in the Republican Party's "Star-Spangled Spectacular" which had its premiere in Flint Monday night. He was the principal speaker. With Goldwater are Arthur E. Summerfield (left), former postmaster general, and Rep. Charles E. Chamberlain, 6th District.

Skies to Clear but Wednesday to Stay Cloudy

Partial clearing is expected this evening, but the weather will remain cool with the mercury falling to 40.

Wednesday will be partly cloudy and cool with a high near 60.

Morning north to northeasterly winds at 10 miles per hour will slowly diminish tonight.

The lowest temperature in downtown Pontiac preceding 8 a.m. was 48. The temperature stood at 53 degrees at 1 p.m.

Equalization OK Given County

State Tax Commission Approves $2.09 Billion Figure for 1961

Oakland County's recommended 1961 equalization of $2.09 billion received the approval of the State Tax Commission yesterday.

The $2,094,683,200 figure now awaits a May 22 hearing in Lansing, where county equalization officials are expected to lodge no complaints with the State Board of Equalization.

Acceptance then makes it almost a certainty that the county will be able to meet its tax portion of its tentative 1962 operating budget of $14,775,941 by levying a 5.39 per $1,000 of state equalized valuation tax rate.

This would mean a decrease of .23 of a mill less than the 1960 rate of 5.62, and a decrease of .09 of a mill over an anticipated 5.48 rate.

Increasing the valuation by $86 million over the 1960 figure of $2,008,619,100 has allowed for the reduction, officials say.

ROUND OUT FIGURES

All the tax commission did to the county total prepared by the equalization department was round out the final three figures from $2,094,683,180 to $2,094,683,200, according to William B. Grabendike, department director.

At the same time it was announced that state equalized valuations will edge up only 1.33 per cent this year, if the state board of equalization goes along with the recommendations of the tax commission.

The commission proposed a $331 million increase in valuation, raising the total for the state to $25,202,011,000. It would be one of the smallest percentage increases in recent years.

The modest change reflects "a stable economy with no significant increase in property values," said Robert A. Eckhardt, commission chairman.

★ ★ ★

Still standing in the way of the acceptance of Oakland County's recommended valuation — up 4.28 per cent over 1960—is an appeal to the State Tax Commission by Pleasant Ridge. It is protesting the method the department appraised some of its property.

To Salute Shepard

DERRY, N.H. (AP) — A three-day "Salute to Alan Shepard" will be held this weekend in the astronaut's proud home town of Derry.

AP Photofax

A PARTING HUG — Vice President Lyndon Johnson is hugged on the flight ramp by Dr. Guillermo Sevilla-Sacasa, dean of the Washington diplomatic corps, just before Johnson left Andrews Air Force Base for Southeast Asia. The two-week trip will take Johnson to South Viet Nam, the Philippines, Formosa, Thailand, India and Pakistan.

Carries Letters Pledging Arms but Not Troops

707 Jet Repainted With Flag, U.S.A. on Side to Emphasize Peace

WASHINGTON (AP)—Vice President Lyndon B. Johnson took off for Southeast Asia today voicing U.S. concern over "the threat of armed aggression there."

Johnson carried personal letters from President Kennedy pledging U.S. support to Red-pressed allies in the critical area.

On his two-week trip Johnson will visit South Viet Nam, the Philippines, Formosa, Thailand, India and Pakistan. He may also make a stop in Greece.

"I believe that by timing and by itinerary this trip speaks for itself," Johnson said in a departure statement at Andrews Air Force Base.

"The United States is vitally concerned with the peace, security and independence of the free peoples in Asia. We are disturbed by the threat of armed aggression there."

TO SPEAK IN HAWAII

Johnson's first stop will be at Hawaii where he gives a speech late today.

The vice president took off at 8:09 a.m. aboard a U.S. military jet transport plane with new markings designed to emphasize the peaceful purposes of American VIP trips abroad.

The Boeing 707 jet, which formerly had "Air Force" in large letters across its side, now shows "United States of America" and has an American flag painted on the tail assembly.

About 30 aides accompanied Johnson on the official plane, including Stephen B. Smith and Smith's wife, a sister of President Kennedy. Smith has a State Department job connected with Southeast Asian affairs.

Also in the party was Lady Bird Johnson, the vice president's wife.

Authoritative sources said Johnson would take to South Viet Nam President Ngo Dinh Diem a Kennedy offer of bigger U.S. military aid but not American troops.

★ ★ ★

Kennedy was said to be deeply concerned about the strategic Indochina republic where, according to U.S. intelligence, Soviet and Chinese-supported guerrillas are waging a bigger campaign than they have next door in tottering Laos.

Diplomatic informants said Johnson will tell Diem the United States is ready to step up its arms aid by about $40 million, which would involve weapons and training and would about double the present U.S. military assistance.

This would enable Diem to boost his 150,000-man army by another 20,000 in his campaign against Red terrorist guerrillas. Washington would also like to see Diem increase his own outlay to match the U.S. rise.

While the use of U.S. armed forces is being considered to help South Viet Nam if necessary, they will not be offered without a Diem request—and Diem does not intend to ask Johnson for them.

★ ★ ★

American aid to South Viet Nam since her 1954 independence has already topped $2 billion, about one-fourth of that military. Red guerrillas, infiltrating from Communist North Viet Nam directly or through Laos and Cambodia, have climbed in strength from an estimated 3,000 to 15,000.

They control some areas, terrorize others, and last year assassinated some 3,000 South Vietnamese citizens and local officials.

U.S. authorities expect Communist China to set off a Quemoy-Matsu shelling protest display when Johnson stops off at Formosa.

Tight security precautions were reported under way for his visit with Generalissimo Chiang Kai-shek.

Turkey Dems Nabbed

ISTANBUL, Turkey (AP)—An undisclosed number of Ex-premier Adnan Menderes' disbanded Democrat party sympathizers were arrested here today on charges that they attempted "an armed action" against President Cemal Gursel's regime.

Spaceman Promises Progress

U.S. Won't Rest in Space

From Our News Wires

WASHINGTON — The shouting is over and the nation's homage is his, but astronaut Alan B. Shepard Jr., isn't resting on his space laurels.

Shepard, America's first man in space, promised "we plan to press ahead with the best possible speed."

He told a nationally televised and broadcast news conference that this country could have beaten Russia in putting a man in space if it had chosen to "rush" its Mercury program.

The 37-year-old astronaut said "everything worked fine" on his space voyage and added, "We could have gone a lot earlier."

★ ★ ★

Shepard conceded that U.S. space planners were tempted at times to revise their schedule. But each time, he said, everyone involved decided the U.S. timetable was "well laid out — reliable."

The next major mission is rocketing one of the seven astronauts into orbit around the earth.

The orbit flight is scheduled for sometime this year. But space agency chief James E. Webb cautioned:

"If we are to have our spectacular successes — with even larger and ever more complex rockets, the early test flights, unmanned of course, will involve some spectacular failures."

But the applause and accolades Monday were for a "spectacular success"—Navy Cmdr. Shephard's 115-mile voyage into space.

It was a day of pride and sentiment, tribute and humor for the calm man who—as one of his superiors put it—"really broke the ice for all of us."

He was decorated by the President, lauded by Congress, cheered by thousands as he was driven through the capital and—probably as important as any of the honors to him—was kissed by his family.

Flanked on the news conference platform by his fellow astronauts and directors of the nation's space program, Shepard told his story with composure and wit.

As he unfolded the details of his flight in response to questions, Shepard repeatedly drew applause from newsmen—an unusual tribute.

The applause was not so much for the events of the flight, which he showed a tendency to underdramatize, but for his forthright way of handling queries.

EASY QUESTION

When he was asked if after he was picked to make the first ride into space he wished he was "in something else other than Project Mercury," Shepard replied: "That is the easiest qusstion I have heard today. No."

Newsmen warmed at his repeated references to what "we" had done — that is, his six fellow astronauts and the hundreds of scientists and other workers who contributed to the man-in-space program.

Cyclone Strikes East Pakistan Coastal District

DACCA, East Pakistan (AP)—A cyclone struck the East Pakistan coastal district early today and an official report here said "three big steamers were sunk and two ships were in danger' at Khulna.

★ ★ ★

The cyclone was the third major weather disaster reported in seven months on the East Pakistan coast of the Bay of Bengal.

Nearly 14,000 persons were killed or swept out to sea during a series of hurricanes last October. At least 180 persons perished in a tornado in March.

★ ★ ★

Shepard Gets Time to Relax

First U.S. Astronaut and Family Return to Virginia Beach Cottage

LANGLEY AIR FORCE BASE, Va. (AP)—America's first spaceman, astronaut Alan B. Shepard Jr., returns today with his family to the cottage at Virginia Beach where his wife awaited the outcome of his historic venture.

Perhaps trying to spare Shepard the commotion that has attended him since his brief journey into space last Friday, the National Aeronautics and Space Administration (NASA) declined to say just when the astronaut and his family would leave here.

An Atlantic Ocean resort preparing for the summer tourist season, Virginia Beach is not the place a person normally goes to escape the limelight.

City officials, however, apparently were caught by surprise by the announcement Shepard was coming home.

RULE OUT CELEBRATION

That, plus the fact NASA would not say what time Shepard might arrive, ruled out the prospect of any planned celebration.

Shepard and his wife Louise spent Monday night at the visiting officer's quarters at Langley AFB, NASA headquarters.

They arrived late Monday from Washington after a day which left Shepard looking more tired than his trip in a space capsule from Cape Canaveral last week.

About 100 persons applauded as Shepard and his wife stepped from the two-engine plane that brought them to Langley Field from Washington. Shepard smiled once, waved once, then climbed with his family into a waiting station wagon that took them to their quarters.

Flights to Continue

IRONWOOD (AP) — An Air Force general has told residents of this northwestern Michigan area that because of the terrain, the Air Force must continue low-level training flights in the region.

Mau Mau Again Threat to Kenya

Populace Is Grim and Armed After Wife of Farmer Is Hacked Up

NAIROBI, Kenya (AP)—White settlers warned today they expect a revival of the Mau Mau terrorism that swept this British East African colony in 1952-60.

After attending the funeral for a farmer's wife who was hacked to death by Africans, 500 grim-faced settlers and their wives, many carrying pistols, decided to send a delegation to Gov. Sir Patrick Renison.

* * *

"We are going to tell the governor in plain, simple language . . . what evidence we have about the developing Mau Mau attack," one settler said.

"The buildup has been going on for months and it is now only a matter of time before the gangs erupt from the forests and attack."

* * *

The settlers gathered at Nakuru, 100 miles north of Nairobi, for the funeral of Mrs. Norah Osborne who was tied to a chair by an African gang and hacked to death Friday night. Her husband David was beaten unconscious.

Rae-Vens Will Appear Again at Tulip Festival

The Rae-vens all girl drill team and color guard, official hostesses for the Greater Pontiac Centennial parade, will again appear at the Holland Tulip Festival on May 20.

* * *

This is the third year the group has been invited to participate, but instead of appearing in the annual Tulip Parade, the group will be featured at the Tulip Spectacular night show which will be held in the Civic Auditorium, Holland.

The color guard will put on its exhibition drill under colored lights, and then the drill team will put on the same exhibition that it will be using in state competition at Lansing and national competition at Miami Beach, Fla.

* * *

The team, under the direction of Miss "Jackie Rae" Voorhees, is now comprised of 20 girls in the drill section and 10 in the color guard.

Police Assn. to Convene

CHARLEVOIX (AP) — Up to 400 members of the Michigan Association of Chiefs of Police and their guests are expected June 25-28 at Charlevoix for the organization's annual convention. Charlevoix Police Chief Joseph L. Smith represents the host city.

Pontiac Press Photo

WELCOME TO MICHIGAN — Pontiac and state High Twelve Club officials welcomed their international president, Columbus J. Hyde (center) of Louisville, Ky., to the city last night. He addressed 110 local club members, their wives and representatives from 10 other High Twelve Clubs in Michigan at the Pontiac Elks Temple, urging them to keep abreast of the times "so that we as a nation can hold our place in world affairs." Occasion was the Pontiac club's 14th annual Charter and Ladies' night. Shown with Hyde, from left, are Bryan F. French, cochairman of the event; Dr. Selmer Sands, local club president; Michigan High Twelve President P. Archer Brown of Lansing; and Roy M. Gallipo, program chairman.

Ask Legislators to Back MSUO

C. of C. Urges County Delegation to Struggle Hard for Funds

Oakland County's delegation in the Legislature has been urged to give "strong support and leadership" in the battle to provide adequate funds for Michigan State University Oakland.

* * *

The call for the county's lawmakers to rally around MSUO came in a resolution adopted unanimously by the board of directors of the Pontiac Area Chamber of Commerce.

* * *

Copies of the resolution were en route to Oakland's state senator and six representatives.

The resolution noted that MSUO is scheduled to add a junior-year program to the freshman and sophomore programs now offered.

* * *

"This growth requires an increase in income in 1961-62 over the current year to accommodate the existing class," the resolution said.

* * *

"The proposed legislative appropriation for MSUO in 1961-62 is virtually the same as was made in the current year, thus making it impossible for the university to carry on its program," the resolution declared.

* * *

The board pointed out that the new university near Pontiac "promises to provide great benefits to all of our community."

Laos Rebels Refuse to Talk About Truce

VIENTIANE, Laos (AP) — Rebel officials refused to deal with members of the International Commission for Laos at an initial meeting at Hin Heup today, a Laotian military authority said. This further confused the outlook for the 14-nation conference on Laos due to open in Geneva Friday.

"The other side (the rebels) said they could not recognize the ICC," said Lt. Col. Udon Sananikone, spokesman of the royal government's military delegation to the cease-fire talks. "They said they had no instructions."

Indian, Canadian and Polish military officers of the three-nation commission, which is seeking to certify the cease fire proclaimed last Wednesday, declined comment on their return by helicopter from Hin Heup, the negotiating site 55 miles north of Vientiane.

* * *

They said they would make their report to the commission's Indian chairman, Samar Sen.

* * *

The possibility that the Geneva conference might be postponed was raised by rebel objections to the arrival of the truce commission Monday. The United States, Britain and France have said they will not take part in the conference until the commission guarantees the armistice is in effect.

Sananikone said representatives of the Communist Pathet Lao and neutralist Prince Souvanna Phouma even refused a letter from the ICC group in Vientiane to its ICC counterpart in rebel-held Xieng Khouang.

The colonel said the government requested another meeting for Wednesday and expected an answer later.

* * *

The initial refusal of the Pathet Lao-neutralist group to deal with ICC was not seen as a crisis. But it did add further delay and confusion to the situation that continues to fluctuate under the touchy de facto cease fire.

Says U. S. Circles Backed Hitler Drive

MOSCOW (AP)—The commander of the Communist bloc's Warsaw Treaty forces said today Soviet military might smashed Nazi Germany and accused "aggressive" American circles of backing Hitler in his drive to conquer the Soviet Union.

* * *

Writing in the Communist party paper Pravda to mark the 16th anniversary of V-E Day, Marshal Andrei Grechko said the German armies tried to destroy the Soviet Union's Communist system "with direct encouragement and support of the aggressive circles in the United States, Britain and France."

U.S. Attempts to Enter Case of Closed Schools

RICHMOND, Va. (AP) — The Justice Department today drew heavily upon its actions in the Little Rock, Ark., and New Orleans, La., school segregation cases to back up its bid to enter the case of the Prince Edward County, Va., schools as a co-plaintiff.

* * *

A Justice Department attorney, St. John Barrett, said the government was seeking to enter the case because it felt "processes of a U.S. court are being frustrated and we should take action."

Barrett resumed arguments in Richmond Federal District Court on the government's attempt to enter the 10-year-old school racial case. Prince Edward schools have been shut for two years in the face of court-ordered desegregation.

Scores of Issues Faces Verdict

Lawmakers Have to Vote on Bills Tonight or They Will Die

LANSING (UPI)—Michigan lawmakers today faced decisions on a score of major issues that must be voted on by midnight or die.

Bills before lawmakers ranged from a controversial bill that would allow price-fixing on dairy products to a plan for apportioning Michigan's 19th seat in Congress.

Forced consolidation of school districts, changes in property taxing procedures, elections changes, a measure that would in effect repeal the rule banning discrimination by real estate dealers and a measure to regulate placing of billboards on interstate highways were also pending.

While today's action will tell what bills can pass the 1961 reglar session, the rest of the week will settle the final form of all legislation.

All measures now pending have passed at least one house and must be acted upon by the other in order to become law.

* * *

The remaining threee days of this week will be taken up by conference committee meetings as members of the House and Senate attempt to iron out differences on key legislation.

If attempts are to be made to fatten the tight budgets, now all but finalized, they have to come today.

Only points of difference between the two houses may be considered by conference committees, and as the appropriations measures stand they would require a major change in procedural rules to permit any changes in budgets.

CRUCIAL ITEMS

Crucial items facing a vote in the legislature today included:

—A bill which would define unfair trade practices in the dairy industry and tighten department of agriculture regulations.

Those for the bill say it would prevent cut-throat competition and block irregularities. Opponents maintain it would mean a hike in milk prices to consumers.

* * *

—A plan to re-align every congressional district in the state with the exception of Detroit's 14th District.

Sen. Carlton H. Morris, R-Kalamazoo, offered the plan as a substitute for a bill introduced by Rep. James N. Folks, R-Horton, which had been approved in the house.

Should the Senate agree to Morris' measure, it would then go back to the House for concurrence.

—The controversial kindergarten-through-12th grade measure which was killed last year after a vigorous battle, also faces opposition this year, although it has been modified.

Cabbie Reports Rider Owes Him $26 Fare

"I hope he enjoyed the ride," Detroit cabbie Claude Hughes told sheriff's deputies last night.

He was referring to the unidentified man he picked up as a fare in Detroit last night and, after riding around the area, drove to an address on Livernois Road in Avon Township.

When they pulled up at the darkened house, the passenger got out, saying "Wait for me." He then stepped into a car parked in the driveway at 2975 Livernois Road and sped off without paying the Checker Cab Co. driver his $26 fare.

CHARLES S. TOY

Attorney Wants Con-Con Post

Charles S. Toy, Who Owns Highland Farm; to Defend Townships

Nomination in two months to the constitutional convention from Oakland County's 1st District is the immediate goal of Charles S. Toy, attorney and farmer from Highland Township.

Toy, who began practicing with his uncle, the late Justice of the Supreme Court Harry S. Toy, announced that he was campaigning for election as delegate on the Republican ticket.

The 40-year-old Toy is president of the Highland Township Republican Club.

Toy said he is "greatly concerned" over efforts of some of the prospective delegates "to limit or even eliminate township government."

The candidate listed this threat, as well as distribution of representation in the legislature, assessing of taxes, and the allocation of funds to various governmental units, as the major problems confronting the forthcoming convention.

* * *

When Toy isn't taken up with his law practice, his is farming 300 acres of corn, oats, clover and other crops in the township.

* * *

An interest in township government came quickly for Toy. After his graduation from Grove City College in Pennsylvania in 1942, he was chosen as one of 10 college graduates in that state for a scholarship to study local and state government.

He left his Navy uniform behind, which he wore as a pilot in the Atlantic and Pacific theaters, to return to Detroit to earn his law degree.

He immediately joined the former justice, who was appointed to the high bench in 1935, in the practice of law in 1949.

The candidate is secretary of the towning zoning board, a member of the board of directors of the Hi-White Boys Athletic Association, and the Michigan Farm Bureau.

Haulaway-Truck Action Nixed in State House

LANSING (AP) — Legislation aimed at making auto haulaway trucks more competitive with the new railroad "piggyback" cars fell by the wayside in the House Monday night.

The proposal, attached as a rider on a secondary Senate measure, would legalize 60-foot haulaway trucks and permit a five-foot load overhang as well. Maximum length now is set at 55 feet.

The Day in Birmingham

City Awards Contract for Sidewalk Replacement

BIRMINGHAM — A contract for the 1961 sidewalk replacement project was awarded a Detroit firm last night by the City Commission.

* * *

Padula and Mattioli Cement Co. received the contract for its bid of $11,726. It was the lowest of 10 bids submitted.

Faulty sidewalks to be replaced are in an area bounded by 14-Mile Road, Woodward Avenue, Emmons and Grant streets.

Also to be included in the replacement program are sidewalks damaged by the city during the installation of sewer and water lines.

* * *

William T. Killeen, city engineer, in recommending the low bidder, said the firm had indicated that work could begin immediately with completion due well in advance of the July 29 deadline.

Commissioners also approved the necessity of the proposed 1961 road oiling program and scheduled a second public hearing on individual assessments for May 22.

Two separate programs are planned. They are the application of light oil to nine roads; and the application of a seal coat, (asphaltic oil and stone chips) to 40,500 feet of roads.

* * *

Estimated cost to property owners for the light oil application is 15 cents a front foot. The cost for the seal coat application is 22 cents a front foot.

A panel of seven teachers will discuss "Reading, Testing and Arithmetic" at the 8 p.m. meeting of the Hickory Grove Parent-Teacher Association Thursday.

Recently elected officers of the PTA will be installed at the meeting, with John McBride of the Bloomfield Hills Council presiding.

The PTA will sponsor a chicken barbecue and fair May 20 from 4 to 8 p.m. at the school grounds. Proceeds for the fair will be used to purchase new books for the school library.

The Franklin Cemetery Auxiliary will meet 1 p.m. Thursday at the home of Mrs. Herbert Masters of 888 Ann St. for a potluck luncheon.

There will be a plant and white elephant sale following the meeting.

Mrs. Joseph Beninson of 4743 Burnley Drive, Bloomfield Township, was elected secretary yesterday of the Michigan Council of Cooperative Nurseries.

Officers of the organization were named at their 10th annual conference held at Michigan State University in East Lansing.

Elected president was Mrs. Richard Hackley of Flint.

Some 3,100 families and 115 Michigan nurseries are represented in the organization.

Rescue Signals Are Available

Offered to Invalids and Other Persons Who Are Disabled

The Pontiac Firefighters Association today urged all disabled persons in the Pontiac area to contact the association for rescue markers—a signal of urgency for fireman answering alarms.

* * *

Sidney J. Miller, association president, said the special seal in an invalid's window will enable rescue units to give faster, safer emergency service.

The program is designed to help firemen rescue disabled persons who might otherwise be helpless if fire should strike their homes.

The luminescent markers which the association is providing free to applicants can readily be seen in the spotlight of fire equipment, and easily seen in daylight.

Miller urged area persons who are aged, sick, crippled, blind, arthritic or bedridden to contact the association for markers.

"The time they save in locating a person may be the time that saves a life," Miller said.

An up-to-date record of disabled persons will be maintained at the Fire Department so that even before the fire fighters leave the station they will know special action is required, Miller said.

Association members will install the markers.

Requests for the seals should be mailed to the Pontiac Firefighters Association, P. O. Box 526, Pontiac.

Black Top Bids Ready for City Officials Tonight

The 1961 paving program, to cost an estimated $150,000, neared the construction stage today as construction bids were tabulated for the City Commission tonight.

* * *

A & A Asphalt Paving Co. of Birmingham was apparently the low bidder among five companies that competed for the job yesterday.

Involved are the black topping of neighborhood streets, plus resurfacing of three concrete streets and paving in four parks.

Black-topping bids included A&A Asphalt Paving Co., $105,629; Ann Arbor Construction Co., $106,363; Detroit Concrete Products Co., $109,297; Detroit Asphalt Paving Co., $115,899; and Cadillac Asphalt Paving Co., $117,366.

Bituminous concrete resurfacing and paving bids included A & A Paving Co., $35,324; Ann Arbor Construction Co., $35,950; Detroit Concrete Products Co., $37,261; Detroit Asphalt Paving Co., $39,273; and Cadillac Asphalt Paving Co., $39,380.

* * *

To be resurfaced are North Saginaw Street, Chamberlain to Rundell; Joslyn Road, Columbia to Walton; and Clinton Street, Williams to Wayne.

Tennis courts at Oakland Park are to be paved. Other paving will be in Rotary, Southwest Civic and Optimist parks.

Kerr Sees Increase in Space Spending

WASHINGTON (AP) — Sen. Robert S. Kerr, D-Okla., predicted today a 25 per cent increase in space spending as an outgrowth of last week's successful manned flight.

Kerr, who heads the Senate Space Committee, told a group of Oklahoma members of the National Association of Broadcasters that he foresees a sharp increase in the $1,235,000,000 alloted to space activities in the new budget.

"I think this flight has given the President and Congress the green light to go into much higher gear on the space program," Kerr said.

Adrian Firm to Build Plant in Arkansas City

ADRIAN (AP) — Floyd M. Murphy, president of the Simplex Paper Corp., said today that the company's board of directors had approved construction of a $1-million plant at Crossett, Ark.

Murphy said the plant was scheduled to be in operation by mid-1962 and would process paperboard for milk cartons. He did not reveal the number of workers to be employed.

Damaging Storms Tapering Off

By The Associated Press

Damaging thunderstorms which for four days have drenched broad areas of the mid-continent, causing widespread flooding, tapered off in most sections today.

As the wet belt moved eastward floods in the Missouri, Mississippi and Ohio River basins posed a major problem.

* * *

The overflows from rain-fed rivers and streams in at least eight states left hundreds homeless, spilled over scores of major highways and secondary roads and across thousands of acres of farm lands. Rainfall in some parts of the spring storm belt since last Friday was more than a foot.

* * *

The floods, which have caused at least nine deaths, menaced areas in Ohio, Kentucky, Illinois, Missouri, Arkansas, Oklahoma, Indiana and Kansas.

The storm-related deaths totaled 33. The weekend storms and floods have caused millions of dollars damage to property and crops.

TORNADO STRIKES

Most severe weather Monday and during the night was in a belt from eastern Ohio to western Tennessee. A tornado that struck near Memphis injured five persons and demolished or damaged several homes. Two twisters in eastern Ohio caused heavy property damage, but no injuries were reported.

* * *

Workers piled sandbags on soft levees along the surging rivers and streams. Volunteers and National Guardsmen helped in the sandbagging operations in some of the flood-stricken sections in southern Illinois. The overflows were reported from East St. Louis on the Mississippi across Illinois to the Wabash river on the Indiana border.

* * *

Thunderstorms and showers were reported across the eastern third of the country. Heavy rainfall and damaging winds pounded some areas from the Great Lakes region southward to the Gulf and eastward into the Atlantic Coast states. Gusty winds and heavy rain hit Laurel, Miss.

The belt of thunderstorms and showers covered the southeast part of the middle Mississippi Valley, the Ohio Valley, parts of the Tennessee Valley, the central Gulf coast states and from Pennsylvania northward through New England.

NATIONAL WEATHER—It will be warmer tonight in the Plains States and in the Southern and Central Plateau area while cooler weather is expected for most of the nation east of the Plains. A possibility of some showers exists in the far Northwest.

Threatens Impeachment of Lassiter's Daughter

DETROIT (UPI)—The threat of impeachment hangs over the testimony of Mrs. Nelle Lassiter's attractive, 19-year-old daughter as she takes the witness stand today for another round of questioning in the murder trial of her mother and Gordon Watson.

* * *

A move to impeach Mrs. Zonyia Stankov, a state witness, was initiated Monday by Asst. Prosecutor George D. Kent who claimed the girl's testimony contradicted a statement she previously made to Michigan state police.

* * *

Mrs. Stankov is the daughter of Parvin Lassiter, the victim in the April 6, 1959, slaying for which three Tennessee men are currently serving life-prison terms.

Mrs. Lassiter, a shapely, 38-year-old grandmother of 19690 Beverly Road, Beverly Hills, and her former lover Watson, are charged with plotting the crime.

* * *

The impeachment threat arose when Kent asked Mrs. Stankov to confirm a statement she alledgedly gave to two state police officers.

In the statement, according to Kent, Mrs. Stankov said that on the day following the crime, Watson told her "There's a good chance your father has been killed." Lassiter's body was not found until two days after the shooting.

MRS. ZONYIA STANKOV

Monday, however, Mrs. Stankov denied she ever made such a statement and Kent immediately informed the court he was "laying the foundation for impeachment."

The impeachment, which would render Mrs. Stankov's testimony invalid, hinges upon the later testimony of State Police Capt. Howard Whaley who allegedly took the statement from Mrs. Lassiter's daughter.

* * *

Following Kent's maneuver, Mrs. Stankov was cross-examined by Joseph W. Louisell, Mrs. Lassiter's defense counsel, concerning her mother's actions the night of the slaying and the two days that elapsed before the body was discovered.

* * *

Louisell set out to prove that Mrs. Lassiter's state of mind during that period revealed no signs of a murder plot.

LEONARD ALVAREZ

Leonard Alvarez, 82, of 1065 Vinewood St., died Monday following a short illness.

He was a member of the Assembly of God Church in Imlay City.

Survivors include his wife Petra; seven daughters, Mrs. Phyllis Gonzalez and Mrs. Sarah Kesler, both of Brown City, Ann, Rebecca, Betty, and Esther, all of Pontiac, and Mrs. Mary Porritt of North Branch; and three sons, Savas, Stephen and Frank, all of Pontiac.

Also surviving are two brothers and one sister.

Service will be held Thursday at 2 p.m. from the Pursley Funeral Home with burial in Perry Mount Park Cemetery.

G. CHARLES HAWKINS

G. Charles Hawkins, 70, of 41 Oneida Road, died Monday at Pontiac General Hospital following a short illness.

He attended Orchard Lake Community Church and was a retired passenger conductor for Grand Trunk Railroad. A member of Owosso American Legion, he was also a life member of Durand Masonic Lodge.

Survivors include his wife, Marybell, and a brother.

Service will be held Friday at 2 p.m. from the Sparks-Griffin Chapel with burial in Avondale Cemetery, Flint.

WILLIS E. HILL

Willis E. Hill, 86, died Monday following a long illness.

of Bloomfield, Mo., and Vern of Fenton; two daughters, Mrs. Jessie Sisen of Bloomfield, Mo., and Mrs. Robert Zuck of Pontiac. Also surviving are 12 grandchildren and 12 great-crandchildren.

Service will be held Wednesday at 3:30 p.m. from the Bowles and Sons Funeral Home in Linden. Burial will be in Fairview Cemetery, Linden.

LUELLEN D. LARKINS

Service for Luellen D. Larkins, 70, of 416 N. Saginaw St., will be held Wednesday at 3 p.m. from the Huntoon Funeral Home.

Mr. Larkins died Saturday at Pontiac General Hospital following a brief illness.

Burial will be in Perry Mount Park Cemetery.

HARRY W. MEGGITT

Service was held today from the Voorhees-Siple Chapel for Harry W. Meggitt, 79, of 365 Fourth St. He died Saturday at Pontiac General Hospital following a long illness.

Mr. Meggitt was a retired custodian of the Bloomfield Theater in Birmingham.

Survivors include his wife, Pearl; two daughters, Mrs. Robert Penfold of LaFountaine, Ind., and Mrs. Nolan Davis of Pontiac; and a son, Rae E., also of Pontiac. Also surviving are four grandchildren; a brother, and a sister.

Burial was in White Chapel Cemetery.

EARNEST E. SNYDER

Earnest E. Snyder, 55, of 100 Newark St., died today at his residence following a short illness.

He was employed at Pontiac Motors in Plant 9.

Survivors include his wife, Helen; a son, Charles Brown of Pontiac; and a daughter, Mrs. Betty Phillips of Auburn Heights.

Also surviving are two brothers, Earl of California and Howard of Illinois; and two sisters, Mrs. Lucile Liddy and Mrs. Anna Sebastian, both of Pontiac.

Arrangements are being made by Huntoon Funeral Home.

WINFRED J. STIMSON

Winfred J. Stimson, 62, of 4216 Seden Drive, Drayton Plains, died Monday at Veterans Hospital, Dearborn, following a short illness.

He was self-employed as a carpenter.

Survivors include his wife, Joyce; stepmother Mrs. Blanche Stimson of Lapeer; and a son, Richard of Pontiac.

Also surviving are two sisters, Mrs. John Major of Lapeer and Mrs. Joseph Grezaffi of North Carolina; and five brothers, Clifford and Gerald of Detroit, Hugh of Pontiac, Welden of Lapeer, Frank of California; and a stepbrother, Kenneth Bice of Hadley.

Service will be held Thursday at 1:30 p.m. from the Sparks-Griffin Chapel. Burial will be in Ottawa Park Cemetery.

Walkout Stalls France

PARIS (UPI)—Subway and bus service in Paris was crippled today by a 24-hour strike called in defiance of President Charles de Gaulle's appeal for a national drive to boost French living standards.

Defiant for Cuba

KEY WEST, Fla. (AP)—Valdemar Tolbichek, Czechoslovakian ambassador to Cuba, told a television audience in Havana Monday night that his country will support the Cuban revolution, "economically and, if need be, by direct military assistance to the end."

Ann Arbor Gets Firm

ANN ARBOR (AP) — Conductron Corp. says it will build an $800,000 research and development facility northeast of Ann Arbor. The firm is a subsidiary of Paramount Pictures, Inc., specializing in electronics.

Pontiac's finest for facilities and service. Charges that are reasonable.

Beauty Digest
MATCH-UPS

It's difficult to tell which comes first in coiffure beauty . . . the color or the style, for they are more truly mated this season than ever before.

No longer is a style or a hair tone chosen separately . . . each pretty in its own way. They must compliment eauh other perfectly or the partnership is off. Snme of the coifs are purposely chosen in a very simple arrangement to accent the color tone.

No matter how attractive your current coif may be, it will be lacking if your complexion is not up to par. A professional facial is the answer. Take special care with your eyes, this season as they were never so important. Betty LeCornu Hair Fashions; 5799 Dixie Highway, Waterford, OR 4-1922 — 1062 W. Huron St., Pontiac, FE 2-5221. New Officers for PTAs Take Over With Pep

Installations of officers will highlight Parent-Teacher Association meetings in 10 Pontiac schools this week.

REVIEW AT WHITTIER

Whittier School will install its officers at the final meeting of the season at 7 p. m. Wednesday.

* * *

The new leaders are Ronald Brown, president; Mrs. Emile Guy, first vice president; Rufus Taylor, second vice president; Warren Stephens, teacher vice president; Mrs. James Christy, secretary; and Mrs. Henry Stewart, treasurer.

* * *

Highlighting the meeting will be pictures of this season's PTA activities from the historian's book, shown on the school's opaque projector by Mrs. Joe Singleton, historian.

A social hour will follow the business meeting.

FILM AT McCONNELL

A business meeting will follow the Greater Pontiac Centennial film "The Pontiac Story of Progress and Promise" at Thursday's 2 p. m. McConnell School PTA meeting.

Installation of 1961-62 officers, usually held at this meeting, will be conducted instead at the spring luncheon May 23.

SPEECH AT WILSON

Featured speaker at Wilson PTA's 2:30 p. m. Thursday meeting will be Mrs. Glenn Davis, district supervisor of Family Service.

Mrs. Davis, who has worked with Family Service agencies throughout the United States, also has been associated with the Oakland Child Guidance Clinic and the Veterans Administration. Her subject will be "How Can We Benefit From Family Service?"

Sixth graders will entertain following the talk.

REPORTS AT WHITFIELD

Daniel Whitfield PTA's final meeting of the school year is slated at 7:30 Wednesday.

Mrs. Charles Coppersmith, former PTA president, will install new officers who include Mrs. William Coffing, president; Mrs. Robert Mehlberg, vice president; William Smith, father vice president; Mrs. Howard Caldwell, teacher vice president; Mrs. Raymond Heipe, recording secretary; and Mrs. Bruce Martyn, corresponding secretary.

* * *

Others are Mrs. Frank Webster, treasurer; Mrs. William Walter, historian; Mrs. Benjamin Wilton, Mrs. William Bramble and Mrs. Thomas Hillsey, council delegates.

* * *

Following reports by delegates to the recent Michigan Congress of Parent and Teachers convention in Detroit, the evening's guest speakers will be presented. They are Mrs. Ferne Perrin, visiting teacher for Pontiac Schools, and William Robertson, psychologist in the city's school system.

The fifth grade rooms of Mrs. Ralph Mason, Mrs. Omer Petti and Mrs. Howard Caldwell will serve refreshments.

FILM AT HERRINGTON

The film "The Pontiac Story of Progress and Promise" will precede installation of officers at the 7:30 p.m. Wednesday meeting of Herrington PTA.

Mrs. Ronald Black, president, will lead the association next year, along with Mrs. Roy Parker, mother vice president; James Timmons, father vice president; Mrs. Jorj Hildebrand, teacher vice president; Mrs. Robert Auer, recording secretary; Mrs. William Geeck, corresponding secretary; Mrs. Robert Fitch, treasurer; and Mrs. Leonard Buzz, member at large.

Another special feature of the meeting will be Kenneth Godell's demonstration of his "House of Hazards."

The school's glee club will entertain.

BAND AT WEBSTER

Webster School's band and orchestra will present a concert Thursday evening preceding installation of PTA officers.

The band will perform under the direction of Gerald Irish. Robert Peterson directs the orchestra.

* * *

Mrs. George Watters, president, will install the following officers: Mrs. Andrew Gulacsik, president; Mrs. Donald MacMillen, mother vice president; Truman Autry, father vice president; Al Stolzman, teacher vice president; Mrs. Ralph Merkowitz, recording secretary; Mrs. Mike Andonian, corresponding secretary; Robert Pote, treasurer; Mrs. Watters, parliamentarian; Mrs. James Graybiel, historian; and Dr. Burton Ross, auditor.

* * *

Council delegates are Mrs. Jay Gray, Mrs. Vern Reimenschneider and Mrs. Herbert Ketchum.

Refreshments, under chairmanship of Mrs. Chalmer Robinette, will be served following the meeting.

SPEAKER AT McCARROLL

Jerome J. Breen, principal of the Pontiac State Hospital's Fairlawn School for Emotionally Disturbed Children, will be guest speaker at Wednesday's 1:15 McCarroll school PTA meeting.

* * *

A program of songs and dances will be presented by the school's Honor Choir under direction of Mrs. Rosemary Northon.

Newly elected officers will be installed by Mrs. Homer Hight, a past president of the school's PTA.

* * *

Assuming duties will be Mrs. Sidney Olson, president; Mrs. William Killen, vice president; Albert Henning, father vice president; Mrs. Milton McEachern, secretary; and Mrs. Raymond Pardee, treasurer.

Mrs. Hubert Hensley, Mrs. Ray Meggitt and Mrs. Daniel Hutchens are council delegates.

Refreshments will conclude the meeting.

PICTURES AT EMERSON

Mrs. Donald Smith will be installed as president of Emerson's PTA at a meeting Wednesday evening.

* * *

Also assuming office will be Mrs. John Ferrell, mother vice president; Mrs. Charles Brown, teacher vice president; Clayton Lee, father vice president; Mrs. Lawrence Curtis, secretary; Mrs. Clayton Lee, historian; Mrs. Delbert Burnett, treasurer; and Mrs. Albert Martin, Mrs. Stephen Kives Jr. and Mrs. Robert Hoffman, council delegates, with Mrs. Gaston McCurdy as alternate.

* * *

Mrs. Gordon Rice, past PTA president and a past president of the Pontiac PTA Council, will install the group.

Committee chairmen will reveal plans for a teen dance slated at 7:30 May 12. A cup cake sale at the school May 19 and a cartoon film for kindergarten through fourth grade children as money making projects also will be discussed.

Elsie Weber, third grade teacher at Mark Twain School, will show slides of Africa filmed during her service as a missionary.

* * *

The PTA's annual school picnic is slated at 6 p.m. June 8 in Oakland Park. Mrs. Lloyd Clancy has been appointed refreshments chairman for sixth grade graduation on June 13.

The group is selling Centennial bonnets. Mrs. William McConnell, PTA member, is a Centennial queen candidate.

SCOUT TALK AT HAWTHORNE

Hawthorne's final PTA meeting is scheduled for 7:30 p.m. Thursday in the school multipurpose room.

The Wever-Hawthorne Boy Scout Troop No. 29, whose scout master is Leon Lackey, will give the presentation of colors and pledge of allegiance to the flag. Dr. Kenneth Sands, Cub Scout master, will talk to the group.

* * *

Blue Birds and Oyusci Camp Fire Girls from Hawthorne School will give demonstrations and explain the organization's ranks and honors system. Barbara Battin, field director for the Pontiac Council of Camp Fire Girls, will moderate the discussion.

Mrs. George Gray, president of the Pontiac PTA Council, will install new officers who include Mrs. Norbert Hoffman, president; Mrs. Fred Sartell, vice president; Arnold Thomas, father vice president; Luther Wilson, teacher vice president; and Mrs. Harry Winkley, recording secretary.

* * *

Others are Mrs. Daniel McGeen, corresponding secretary; Mrs. Donald Humphries, treasurer. Mrs. Robert Miller, historian; Mrs. Earl Rinker and Mrs. Pete Mihay, auditors.

Mrs. Raymond Hayes, Mrs. Lester Stanley and Mrs. Sidney Jones are council delegates.

Room mothers from Mrs. Curtis Cheek's class will serve refreshments.

REPORTS AT BAGLEY

Parents of Bagley School youngsters have been urged to attend the PTA's final meeting of the school year at 7:30 p.m. Thursday.

A business meeting highlighted by reports regarding the state PTA convention will follow installation of officers.

Refreshments will be served at the close of the meeting.

Capt. and Mrs. William A. Hickey, USN Retired, of Grosse Pointe, announce the engagement of their daughter Sharon to James L. Cox, son of Mr. and Mrs. Olan Cox of East Princeton Avenue. Both will be graduated in June from the University of Michigan dental school.

* * *

The birth of a daughter (Tracey Ann) April 29 is announced by Mr. and Mrs. Paul E. Moros (Joan Frazier) of Alma.

The grandparents are the George Fraziers of Ferndale and Mr. and Mrs. Lee E. Moros of Motorway Drive, Waterford Township.

* * *

Carolyn Klender is attending the 22nd national convention of the Young Women's Christian Association at Denver, Colo., this week, as an alternate in lieu of Joyce Dodds of Lake Orion.

She is a Waterford High School senior and daughter of the Eldore Klenders of Williams Lake Road.

* * *

The Frederic S. Youngs (Margaret Silk), of Taylor, are announcing the birth of a daughter, Lisa Dawn, on May 5.

Grandparents are the Albert Silks of Sylvan Village and the Richard B. Youngs of Clarkston.

* * *

A son, Sean Clancy, was born April 30 to the Richard C. Thompsons (Shirley Clancy) of Gardena, Calif.

The James P. Clancys of Ruth Avenue are the baby's maternal grandparents.

Guild Sets Benefit to Aid Home

The Seton Guild will sponsor a luncheon fashion show in the Birmingham Country Club at 1 p.m. Wednesday.

Demery's new branch store in Birmingham will provide apparel for the show. A limited number of tickets is available for the public event which will offer numerous prizes.

* * *

The latest in hair fashions and make-up also will be shown at the benefit affair.

Proceeds will go to the St. Vincent and Sarah Fisher Home for Children for nursery equipment, paving of the play yard, parties, toys, floor covering and other household needs.

Honor guests at the luncheon will be Mother Rose Marie, administrator of the home; Sister Julia, nursery administrator; and Sister Anita, school supervisor.

* * *

Committee chairmen working under Mrs. John Malpeli Jr., president, include Mrs. David Comeau and Mrs. Richard Mrowczynski of Southfield, cochairmen; Mrs. Leo Weber and Mrs. Paul O'Connor, tickets; Mrs. Faye Baldwin, decorations; and Mrs. Jerry T. Flanagan, raffle.

Others are Mrs. Anthony Genna, door prize; Mrs. Peter Rizzo, prizes; and Mrs. Austin Sansone, publicity.

Mrs. Comeau and Mrs. Sansone will model in the style parade.

Crisis in U.N. Topic of Talk

"Crisis in the U. N." will be the subject of the evening when Dr. Orlie Pell addresses an 8 p. m. Wednesday meeting sponsored by the Women's International League for Peace and Freedom. The group will meet in the Oak Park Community Center.

* * *

Dr. Pell, national president of the league, is an accredited observer at the United Nations and an authority on charter revision. The meeting is open to the public with no admission charge.

* * *

Members of the executive board of the Oakland County branch of the league and their husbands will meet with Dr. Pell for dinner at Carrie Lee's Restaurant in Birmingham before the talk.

Angora Swim Suit; Well, What Next?

(AP) Wonder what they will think of next? One answer is angora bathing suits for '61—brightly colored and maillot in style.

Just remember there's a trick to keeping an angora suit looking its best: Wash it after every wearing in cool soap or detergent suds and rinse to restore its shape, to remove sharp grains of sand, and to wash away damaging salts and chlorine. Shake it several times during drying to prevent matting and to restore the fluffy, feminine nap.

Retired Teachers to Eat, Then Meet

The annual meeting for the Retired Teachers' Club of Pontiac and vicinity will follow cooperative dinner at 6 p.m. Wednesday in the social room of Adah Shelly Library.

Retired teachers and their friends are invited. Please bring table service and a dish to pass.

Guild to Back Annual Benefit

The Brownson Guild will sponsor the annual benefit card party, tea and baked goods sale at the Convent of the Sacred Heart on Kensington Road, Bloomfield Hills, at 2 p.m., Saturday.

* * *

School principals and teachers from the metropolitan Detroit area, who comprise the guild, meet at the convent on the third Sunday of each month.

Rochester Adopts Record $394,810 Budget

JAZZ AGE GREATS — Notable "show biz" headliners of the '20s will be portrayed Thursday, Friday and Saturday in a musical comedy production of the speak-easy, bathtub gin era by members of St. William's Parish in Walled Lake. "The Roaring Twenties" production will be staged all three days at 8:15 p.m. in the parish hall. Tuning up for eight bars of "June Night" are (left to right) Betty Boop (Mrs. Betty Snook), Charlie Chaplin (Jess Birchard), Sophie Tucker (Mrs. Anthony Matrise) and Mae (Come up and see me some time) West. She is Mrs. Lillian Birchard.

Pontiac Press Photo

Troy Advised to Accept $11-Million Sewer Plan

By DON FERMOYLE

TROY — A special citizens committee last night advised the City Commission to accept the Oakland County Department of Public Works' plan for construction of an $11-million sewer system in Troy.

The Troy sanitary sewer committee, formed last November by the commission, took exception to only two points in the report on the city's sewers compiled by the county DPW.

The committee recommended that capacity figures for the proposed sewer system be left "open to negotiation" and that the "tap in fee be set at $300."

R. J. Alexander, DPW director, suggested $250 tap-in fees and established capacity figures when he revealed the sewer report April 27 at a joint meeting of the sewer committee and the City Commission.

* * *

Alexander said at the time that a complete sewer system could be constructed throughout Troy by the county for $5,787,000. He said the cost would amount to over $11 million if financed on a 40-year bond issue.

RECOMMENDS CHARGE

In order to pay for the sewers, the DPW director recommended that the city charge each resident connecting into the system $250 plus an annual debt retirement charge of $1.25.

Alexander said the only tax necessary to bring sewers to Troy would be an ad valorem or citywide levy of about two mills for four years. It could be levied to pay off the debt on the city's existing Evergreen sewer system, he said.

No action was taken on the report last night since the commission wanted additional time to study the possibility of putting the matter before the public.

* * *

An informal poll of the commissioners showed that they unanimously favored asking Troy residents for approval of the issue although a popular vote is not necessary if the county installs the sewers.

Commissioner Robert J. Bargert suggested launching an intensive publicity program on the sewer issue before a public vote is taken.

PROPOSE POLL PLANS

It was not determined last night what type of poll should be taken. Bargert suggested sending out self-addressed cards to all residents asking whether they approved or disapproved of the city's tentative plan for sewer construction in Troy.

Commissioner Wallace B. Hudson proposed another method under which residents could vote on the question on the same day the state constitutional convention primary election is held.

City Clerk J. Lawson Lockhart and City Attorney Stanley E. Burke were instructed to study the legality and possibility of holding an advisory vote in conjunction with the con-con primary.

Under present plans, the county would construct the complete sewer system in Troy and the cost would be borne by the city.

Troy's sewer plans could be set back by the appeal of Madison Heights to the U. S. Supreme Court on the 12-Town Drain assessment.

* * *

"It is the intent of this recommendation that all sewer trunks be installed as quickly as possible," said the sanitary sewer committee in its statement to the commission.

The committee, which is composed of a cross section of about 30 Troy residents, added that its authorization was initially contingent on the appeal by Madison Heights.

An attempt by the city to construct its own sewer system in a three-stage program was defeated at the polls last August.

Although 53 per cent of residents who cast ballots in the election favored the city sewer program at that time, the bond issue which would have gotten the project under way was defeated because it failed to get the needed 60 per cent majority.

Elliott-Collins Rite

Marries Army Officer

LAKE ORION—Nancy J. Collins became the bride of 2nd Lt. Theodore K. Barnhart Saturday in a double-ring ceremony performed by Rev. William T. Elliott at St. John's Episcopal Church, Midland.

The bridegroom is the son of Mrs. Ralph Meek of 212 Atwater St. and the late Theodore J. Barnhart. The bride's parents are Mr. and Mrs. Richard W. Anderson of Midland.

For her wedding the bride chose a waltz-length gown of silk organza and lace over taffeta styled with a fitted lace bodice, scoop neckline and elbow-length fitted sleeves.

* * *

A princess cap trimmed with sequins and seed pearls secured her shoulder-length veil of illusion. She carried a bridal bouquet of miniature white roses.

* * *

Maid of honor for her sister was Lois Anderson of Midland.

Donald E. Barnhart of Lake Orion assisted his brother as best man. Seating the guests were Larry Bradford of Pontiac and James Chandler of Lincoln Park.

Following a reception at the church hall, the newlyweds left for a honeymoon in Chicago, Ill.

The couple will live in Manhattan, Kan. The bridegroom, a graduate of Michigan State University, is stationed with the U. S. Army at Fort Riley, Kan.

MRS. THEODORE K. BARNHART

Scout Troop to Take Part in Overnight Camp Out

CLARKSTON—Members of Boy Scout Troop No. 134 of Sashabaw Presbyterian Church will take part in an overnight camp out Friday and Saturday after winding up a candy sale here this week.

* * *

Proceeds from the door-to-door sale of candy will be used to buy camping equipment for the troop and to help provide funds for boys attending scout camp this summer.

Scouts attending the weekend camp out are to be present at the church at 5:30 p.m. Friday, according to William Cullen of 5640 Maybee Road, newly appointed scoutmaster of the troop.

Picnic Tables Out Early

LANSING (AP)—The State Highway Department is setting tables —4,000 of them—in advance of the summer travel season.

To Retain Same Millage for 11th Consecutive Year

By LEE WINBORN
Area News Editor

ROCHESTER — A record budget of $394,810 for the 1961-62 fiscal year was adopted by the Rochester Village Council last night.

Even though the budget is $18,290 above that of 1960-61, the tax levy of 17 mills on assessed valuation will remain the same for the 11th consecutive year.

This is the village's 13th year without a tax increase, according to Manager Paul A. York.

Included in the budget were pay raises for village employes, ranging from $100 to $250 a year, and a major increase of $129,100 for the water and sewer department.

York's salary was hiked from $9,500 to $9,750 and those of Clerk Maxine Ross and Treasurer Ila Mae Gray from $5,550 to $5,650. The retainer fee for new Village Attorney Arthur M. Cox was set at $2,000.

The increase in the water and sewer department budget was deemed necessary because of the new bond issue for sewage treatment plant improvements.

The bond issue, however, was reduced last night from $500,000 to $350,000 due to recent acceptance of a bid for construction $60,000 under the engineer's estimate for the project. The bid was $348,000.

Another reason for the revision in the bond issue ordinance adopted last Jan. 23 was that the village expects to receive a minimum of $73,000 in federal aid for the proposed sewer plant improvements.

The amount of the bond reserve also was reduced from $50,000 to $40,000.

TO TOTAL $423,000

Now with all costs and contingencies included, the project will cost $423,000, of which Parke, Davis and Co. has tentatively agreed to pay one-quarter.

Also in his budget message, York said plans are being made to construct a new water well and pump house at the well field this summer. It is necessary, he reported, because of the increased water consumption in the village.

The project will cost $15,000.

In addition, York proposed that a reserve fund be set up in the revolving equipment fund budget for a new department of public works garage. He said the fund could start with the $5,000 already in the budget.

By beginning now, the village could have enough in a few years to build the DPW garage on the Woodward Ave. property, according to the manager. Then the present garage could be used by the fire department.

York recommended a $20,000 appropriation for street paving and curbing next year. He was instructed to make revisions in his proposed projects to include the estimated cost of Rochester's participation with the State Highway Dept. on a Main Street improvement program.

The total assessed valuation in the village is $7,949,450 for 1961. This is $181,050 over 1960, which was $7,768,400.

AREA NEWS

School Addition May Cost Less

Bid on Rochester High Project $40,000 Under Expected Figure

ROCHESTER — A 16-room addition to Rochester High School may be constructed for some $40,000 less than was budgeted for the work by the Rochester Board of Education.

School Supt. Donald C. Baldwin said today the apparent low bid of $366,491 was submitted by Meyer-Weingarden & Sons Construction Co. of Detroit.

The board had estimated that work would cost approximately $400,000.

The bids for the high school addition received at last night's special board meeting were in sharp contrast to those opened a week ago for renovation of Central Junior High School.

* * *

Present plans for remodeling the junior high school may be revised since bids for this project were from $98,000 to $196,000 higher than were expected by the school board.

NO ACTION TAKEN

The low bid for renovation of the junior high school building was $398,000. No action was taken last night on the junior high school plans.

Baldwin indicated that the second lowest bidder for the construction job at the high school was the Schurrer Construction Co. of Pontiac at $367,740.

The Pontiac firm, which built the original high school building, said it could complete the addition in 190 days while the low bidder said it would take 270 days to finish the project.

Under present plans, three science rooms, a drafting room, language laboratory and 11 regular classrooms would be included in the high school addition.

The bids on the addition were turned over to the Birmingham architectural firm of O'Dell, Hewlett and Luckenbach Associates for study.

Seek Unit to Better Literature for Youth

A public meeting for all adults in the Lake Orion-Oxford area who are concerned with the morals of their children is called for tomorrow at 8:30 p.m. at the Youth Center, Lake Orion.

* * *

Purpose of the meeting is to organize a council for decent literature for youth.

The proposed council has the endorsement of the Lake Orion Village Council, Orion Township Board, board of education, parent-teacher organizations, Woman's Club, Child Guidance Association, Knights of Columbus and other civic and church groups.

Speaker of the evening will be Clarke Oldenburg of the Garden City Council for Decent Literature for Youth. Slides also will be shown.

Dairy Salesman Fined for Short-Weighting Dip

A Detroit dairy salesman yesterday pleaded guilty to shortweight in his product and was fined $75 and $25 court cost and given a 10-day suspended jail sentence by West Bloomfield Justice of the Peace Elmer C. Ditterle.

* * *

The charge was brought against Milton Henning, a salesman for the White Star Dairy, by James McCollum, state food inspector for the department of agriculture.

McCollum said the Detroit firm had labeled its cheese dip at 8 ounces net weight when its gross weight was only 7½ ounces.

R. A. AMBROSE

Con-Con Post Is His Goal

Oxford School Official R. A. Ambrose Says Local Rule Is Best

OXFORD—Local control of government is a major plank in the campaign platform of R. A. Ambrose, veteran Oxford school official who is seeking nomination as a delegate to the state constitutional convention.

Ambrose, 66, of 57 N. Washington St., retires July 1 after 19 years as superintendent of the Oxford Area Community School District.

He will be running on the Republican ticket as a candidate from the 1st District in the constitutional convention primary election July 25.

"With 40 years as a teacher and school administrator, I am cognizant of problems facing education in Michigan," stated Ambrose.

"I have been engaged in writing and revising state school support bills for the past 25 years," he said. "At present I am chairman of the legislative committee of the Michigan Congress of Parents and Teachers."

* * *

Ambrose is a member of the American Association of School Administrators and the National Education Association. He also is a member of the state units of both national organizations.

In addition, he is a former chairman of the Pontiac Child Guidance Clinic, past president of the Oakland County School Superintendents Association and legislative chairman of that organization.

"It has been my privilege to be closely associated with township and local government through the years, and I firmly believe in keeping the government close to the people," Ambrose said.

* * *

Pointing out that he was born and raised on a farm, he stated that he also is familiar with the problems confronting agriculture.

* * *

The Oxford school superintendent is a graduate of the University of Michigan. He has a master's degree in school administration.

Ambrose, the father of five children, also is active in church and civic organizations in Oxford.

Table Ginn's Confirmation as Attorney for Southfield

SOUTHFIELD — Confirmation of the appointment of County Democratic Chairman James M. Ginn as city attorney was tabled for a week at the request of Mayor S. James Clarkson at last night's City Council meeting.

No reason was given by Clarkson in requesting the postponement.

The mayor indicated at a special meeting of the council two weeks ago that he would like to have Ginn serve as the city's legal counsel, replacing James C. Allen who was ex-mayor Donald L. Swanson's choice.

In other business City Administrator Donald V. Smith asked the council to give the rubbish authority one more week to collect refuse. It had been pointed out by the council that the authority is two weeks behind in picking up rubbish.

* * *

Smith was instructed to consult attorney Allen with a view to terminating the contract if all rubbish was not collected by the end of the week.

BUDGET ACCEPTED

The 1961-62 budget of $2,024,238 was unanimously accepted by the council at the public hearing which followed the special meeting to discuss the attorney.

The budget is $98,142 more than expenditures in the current budget, which are $1,926,096.

It was explained by Mayor Clarkson that the city is now operating on a seven-mill basis which is the limit of the present charter.

He said necessary steps should be taken to re-evaluate the city to insure increased millage for next year's budget.

The 26½-square-mile city has a population of 35,000.

Mort Neff to Speak at PTA Program

WEST BLOOMFIELD TOWNSHIP—Mort Neff, noted Michigan outdoorsman, will be the guest speaker tomorrow night at a program sponsored by the West Bloomfield High School Parent-Teacher Association.

Neff, in addition to his talk, will present a film entitled "Fishing For Fun In Michigan" at the 8 p.m. meeting in the high school gymnasium.

Proceeds foom the program will be used to send a graduating senior to Michigan State University Oakland for a year.

Mrs. Robert Hollister, program chairman, said the PTA scholarship fund was started three years ago.

Teens Racing on 8-Mile

Illegal Drag Strip Gets Police Attention

By JIM LONG

LYON TOWNSHIP — Illegal drag racing on Eight Mile Road here has drawn the attention of five police agencies in a tricounty area.

Police, so far unsuccessful in nabbing any of the speeding youths, know teen-agers are racing along the secluded stretch of road.

The dragsters have painted yellow "Start" and "Finish" lines at both ends of the measured quarter-mile raceway.

The "track" is located on the asphalt-paved boundary of Oakland and Washtenaw counties, between Napier and Chubb roads.

State police, from both the Brighton and Detroit posts, for the most part patrol the "no-man's land" since it's in Lyon Township, which hasn't its own police department.

Sheriff deputies from Oakland and Washtenaw counties patrol the area occasionally, but the area is too sparsely populated to keep a car in the neighborhood at all times.

Novi Village police have no jurisdiction over the area.

STRIP TOO FAR

"There's nothing we can do since the strip is just west of the village boundary," said Novi Police Chief Lee BeGole. "Napier Road is as far as we can go."

South Lyon Police Chief Grant Dale said he knows of the racing but adds it's too far from the city limits to do anything about it.

All the area police explain that it isn't easy to catch one of the cars racing since lookouts are stationed at strategic points to warn the crowds and drivers that line the area of approaching police cars.

Cpl. John Kushion of the Brighton State Police post said in recent weeks state cars have been concentrated in the area but to date only tickets for minor violations have been issued.

Most of the complaints, he said, come from residents living along the stretch of road who are annoyed by the roaring of motors and mufflers.

There are no set times for the races, said the corporal, and they only last 5 to 10 minutes.

"We get calls anywhere from 10 p.m. to one in the morning."

The most tickets issued at the scene occurred last week, Kusion said, but those were passed out to pedestrians for blocking the road.

MEA to Install Officers for Walled Lake

WALLED LAKE — Officers of the Walled Lake District of the Michigan Education Association will be installed at ceremonies tomorrow at the Clifford H. Smart Junior High School.

Assuming new duties will be Victor Bouchaert, president; Rose MacPherson, secretary; Jerry Shelata, treasurer; Ronald Rentschler and Glenn Ruggles, delegates to Region 7.

Also taking office are Mrs. Evelyn Brown, delegate to the department of classroom teachers; Carmin Ginter, delegate to the representative assembly; and Fred Chamberlain, Wilbur Sinclair and Frank Richards, alternates one, two and three respectively, to the assembly.

A 6 p.m. dinner for all faculty members and their husband or wives will precede the program.

Radio personality Bud Guest will be the guest speaker at the program.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Ponders Move on Space Labor

Report JFK Plans to Deal With Work Lags at Nation's Bases

WASHINGTON (AP) — President Kennedy was reported today planning to deal soon with labor troubles that allegedly have thrown space flight and missile programs six months behind schedule.

* * *

Sen. John L. McClellan, D-Ark., chairman of the Senate Investigations subcommittee, told reporters he understands the administration is giving immediate consideration to issuing an executive order dealing with strikes, slowdowns and work stoppages at space flight, missile and rocket bases.

"I can't say what the order will contain," McClellan told newsmen after discussing it with Secretary of Labor Arthur J. Goldberg.

MAY SET UP BOARD

He indicated the order might set up a new board armed with mediation and other powers to try to eliminate slowdowns and stoppages at bases. He said such a board could go into action long before Congress could enact new laws to deal with the situation.

Other sources said the administration definitely has decided to take action which would involve seeking a no-strike pledge from unions at missile bases and establishment of some sort of machinery to resolve any disputes that might arise.

Lifts Restrictions From U.N. Aircraft

UNITED NATIONS, N. Y. (AP) —A U. N. spokesman said Monday President Abbe Fulbert Youlou of the Congo Republic has assured Secretary-General Dag Hammarskjold that he had ordered restrictions removed from U. N. aircraft at Brazzaville Airport.

The Congo Republic closed the strategic airport just across the river from Leopoldville to U. N. traffic late last week. Hammarskjold protested to Youlou.

De Gaulle Firm About Algerian Self-Government

PARIS (AP)—President Charles de Gaulle says he is ready to discuss the future of Algeria with the rebel nationalist leaders, but he is determined to carry out his policy of Algerian self-government with or without their assent.

The president vowed in a nationwide radio-TV broadcast Monday night that the abortive army mutiny last month "will not retard the forward progress of France" and promised that leaders of the insurrection would be punished.

De Gaulle once again labeled the revolt "odious and stupid" and said the fate of its leader ex-Gen. Maurice Challe and six other former generals now in prison "is in the hands of the law."

The task now, he said, is to decide Algeria's future testiny.

Moscow Cracks Down on Any Home Brewing

MOSCOW (AP)—The Soviet Union is cracking down on home brewers.

Stiff penalties have been ordered in the Russian Federation—the largest of the Soviet republics —for anyone caught brewing alcoholic drinks at home or selling it.

Home brewing became widespread after the government boosted the price of legal vodka to discourage drunkenness.

AN UNINTERESTED SPECTATOR — Two-year-old Melissa Cavosie of Hurley, Wis., was only interested in the digging when she walked into the picture during ground-breaking ceremonies at Ironwood for twin bridges that will carry U.S. 2 over the Montreal River at Ironwood and Hurley, Wis. Doing honors at the ground breaking were (from left) Sharon Hautanen who is Miss Ironwood; Michigan State Highway Department assistant chief bridge engineer Joe Orvaec; Wisconsin State Highway Department Chairman Harvey J. Grasse and Jauneen Kessler who is Miss Hurley.

Knudsen Was Right on Tempest

By BEN PHLEGAR
AP Automotive Writer

DETROIT — Auto production figures so far bear out at least one prophecy made before the 1961 model run started last fall.

The Pontiac Tempest is running No. 2 among the four General Motors entries in the compact field, although it was the last to hit the assembly lines.

This was exactly what Pontiac General Manager Semon Knudsen wanted.

In an interview last August Knudsen emphasized he was after a volume market with his smaller car, that he expected to price it below the compacts from the other medium-price divisions of GM Oldsmobile and Buick and that he expected to build and sell more Tempests than any of the other new smaller cars.

* * *

Knudsen also indicated he would have no qualms about chasing Chevrolet's Corvair.

The Corvair has picked up sharply in its second year so the Tempest has been no threat. But here's what the record shows so far about Knudsen's other aims:

The Tempest was priced $200 under the Buick Special and the Oldsmobile F85.

Although it went into production one month later, the Tempest is more than 9,000 units ahead of the F85 and is extending its lead each week. The Special is right behind the F85.

MORE PRONOUNCED

For the calendar year the lead is even more pronounced, with Tempest production through last week totaling more than 41,000 against 25,000 for the Special and about 23,000 for the F85.

The Tempest's success may account for the fact that Oldsmobile is outbuilding Pontiac in standard-size cars for the first time in several years.

At this stage a year ago, Pontiac held a 25,000-unit lead. This year it trails Olds by 3,600.

Despite the addition of compacts, all three GM medium price divisions are lagging behind 1960 in total production. Pontiac is down 60,000 units, Oldsmobile 50,000 and Buick 30,000.

Industry production last week was the highest of the year at 126,568 units compared with 114,529 in the preceding week.

Jail and Restitution Await Area Pair

First it will be 30 days in the county jail, then Larry G. Hill of Commerce Township and Frank Parsons Jr. of Walled Lake will have to pay $150 court costs each and make restitution for the property they stole from the Multi-Lakes Conservation Club in the township.

Circuit Judge Frederick C. Ziem imposed these sentences upon Hill, 20, of 3140 Fisher St., and Parsons, 18, of 1790 Sheifler St., as part of their three-year probation terms.

They pleaded guilty April 24 to breaking and entering during the nighttime in the theft of liquor, cigars and cigarettes from the clubhouse.

Two alleged companions await trial for the same offense.

U.S. Must Expect Some Failures Before Orbit Trip

WASHINGTON (UPI) — Civilian space chief James E. Webb has warned that preliminary steps in America's efforts to send a manned satellite into orbit will involve some spectacular failures with unmanned rockets.

Webb said these test-flight failures will be taken into account in the manned attempt by providing an escape system for the astronaut.

The forthcoming test flights, with a certain percentage of failures, will provide the knowledge needed for the manned orbital flight, he said.

Second Grade Children Pay Tribute to Shepard

WASHINGTON (AP) — Twelve second graders paid their own tribute Monday to astronaut Alan B. Shepard Jr. and his wife.

They were at the White House early to wait for their big moment.

The second graders, who attend Brownie School in Alexandria, Va., a private school, were invited to the White House to present a scrapbook they had prepared for Shepard and some flowers for his wife.

"You are a brave man," one second grader wrote in the scrapbook.

5 Children Die in Fire

HALIFAX, N.S. (AP)—A flash fire swept a two-story tenement in North Halifax early today, killing all of Mr. and Mrs. John Wagerman's five children. The parents jumped from a second-floor window.

Wheat and Soybeans Weakened Further

CHICAGO (AP) — Wheat and soybean futures showed some further weakness today at the start of dealings on the board of trade, but dealers said there appeared to be a little more resistance to the selling of the past few days.

May wheat, off small fractions, sold at another season low in draggy transactions.

Brokers ascribed the weakness in part to continued circulation of offers to deliver the grain on contracts in the pit.

★ ★ ★

They said that apparently few tenders had been stopping either first or second hands, reflecting a general unwillingness to accept ownership of the actual grain.

Youth Given 1-5 Years for Theft of Four Cars

Tillman Edwards, 18, of 102½ S. Marshall St., appeared before Circuit Judge Frederick C. Ziem yesterday after pleading guilty to car theft and was sentenced to 1 to 5 years in Jackson Prison.

★ ★ ★

Police said he stole a 1954 Ford on March 7 in the city, as well as three other autos at earlier times.

STATE OF CONNECTICUT, SUPERIOR Court, County of Hartford, April 25, 1961.
ROSA WILLIAMS
vs.
LEON WILLIAMS
NOTICE TO LEON WILLIAMS

Upon the complaint of the plaintiff in the above entitled action praying, for reasons therein set forth, for a divorce on the ground of desertion and change of name, returnable before the above named Court on the first Tuesday of December A. D., 1960, and now pending therein, and upon an application in said action for a subsequent order of notice, it appearing that the residence of the defendant is Flint, Michigan, but the street address is unknown, and that all reasonable efforts have been made since the institution of said action to ascertain it, and have failed; and the plaintiff has contacted the defendant's family and that notice of the institution of said action was given as required by order of notice heretofore issued, as of record appears; that the defendant apparently has not received notice of the pendency of said action; that notice of the institution of this action most likely to come to his attention is that hereinafter ordered; it is ordered, that additional notice of the institution and pendency of said action be given the defendant by some proper officer or indifferent person by causing a true and attested copy of this order of notice to be published in The Pontiac Press, a newspaper circulated in Pontiac, Michigan, once a week for two successive weeks, two times consecutively, commencing on or before May 15, A.D. 1961, and that return of such service made to the above named Court.

By order of the Court
A true copy
Attest:
ISAAC HOWELSON,
Deputy Sheriff
HARRY BECKER,
Assistant Clerk

Vealers — Salable 150; opening fully steady prime 33.00-36.00; good and choice 26.00-33.00; standard 22.00-26.00; cull and utility 14.00-22.00.

Dividend Declared at Pontiac State Bank

At its monthly meeting Monday, the Pontiac State Bank Board of Directors declared a 50-cent per share cash dividend to stockholders.

★ ★ ★

The dividend will be payable June 1 to all stockholders of May 8, according to Milo J. Cross, bank president.

This is the normal semiannual dividend declared by the directors.

Death Notice

MRS. EDGAR WIXSOM

UTICA — Graveside service for former Utica resident Mrs. Edgar (Cora) Wixsom, 86, of Hammondsport, N. Y., will be 1:30 p.m. Thursday at Utica Cemetery. Her body will lie in state at the Milliken Funeral Home after 7 p.m. tomorrow.

Mrs. Wixsom died Sunday at her home after a short illness.

Surviving besides her husband are two sons, Phillip Kight of Detroit and Donald Knight of Dearborn; two sisters, Mrs. Frank Hill of Troy and Mrs. Grace Gordon of Royal Oak; five grandchildren and nine great-grandchildren.

BERNIE E. WINTERS

LAPEER—Service for Bennie E. Winters, 78, of 3935 Hunt Road, will be at 2 p.m. Thursday at Muir Brothers Funeral Home. Burial will be in Mount Hope Cemetery.

Mr. Winters died yesterday at Lapeer County Hospital after a short illness.

Surviving are his wife Josephine Mae and several nieces and nephews.

Selected Issues Gain on Market

NEW YORK (AP)—Electronics and other selected issues made gains in a mixed stock market early today. Trading was heavy.

Gains and losses of most key stocks were mainly fractional.

A degree of caution continued to be evident as some analysts believed another period of correction may be in the making before the market attempts to set new highs again.

Johns-Manville, which found renewed favor in some Wall Street quarters, continued to advance, adding 2 points at 69⅝.

Smith-Corona Marchant, which is entering into a joint venture with Mexican interests to make the first typewriters in that country, rose ⅞ to 29⅝ on a big opening block of 8,000 shares.

Among recently favored stocks in the electronics group, Ling-Temco was traded on the biggest block as it advanced a point to 40¾ on an opener of 15,700 shares.

Radio Corp. and Sperry Rand were fractionally higher. Thiokol rose more than a point.

Airlines, tobaccos, drugs and aircraft-missiles showed a slightly higher trend. Most chemicals took losses. Motors, steels, oils, and rubbers were mostly irregular, showing narrow price changes.

Phelps Dodge added about a point while other nonferrous metals did little or nothing. Many stocks in various groups were unchanged.

2 Detroit Banks Hike Interest on Savings

DETROIT (AP) — Two of Detroit's largest commercial banks announced today increases in the interest paid on individual savings accounts from 2 to 3 per cent.

The move signaled an aggressive effort to capture a larger share of the city's individual savings account customers.

Increases were announced by the National Bank of Detroit and the Detroit Bank & Trust Co. They said the boost would take effect June 1.

A third bank, Manufacturers National Bank of Detroit, said a similar increase in its interest rate awaited only final official action.

Chess Winners Given Trophies

William Lempke Takes Top Place in 1st Annual Oakland Tournament

The Pontiac Chess Club awarded trophies last night to winners in the first annual Oakland County Open Chess Tournament.

Champion chess player of the first tournament is William Lempke of 310 Gallogly Road, Pontiac Township.

Lempke took the championship with a last-round upset victory over Robert Wellever of 406 Riggs St., Fenton, who took second place honors.

Third-place winner was Donald Rofe of 64 Matthews St., president of the Pontiac Chess Club. The club sponsored the two-week tournament.

First-place winner in the amateur division was Heinz Liebner of 3040 Old Orchard Drive, Waterford Township.

★ ★ ★

Second place went to Ned Williams of 421 W. Second St., Rochester, who tied Liebner but lost in the tie-breaking system. Third-place amateur was Earle Frick of 5135 Sashabaw Road, Independence Township.

★ ★ ★

In the novice division, 13-year-old George Dunn of 3654 Aquarina Drive, Waterford Township, took the championship.

Second-place winner was John Krapohl of 2845 Marietta St., Waterford Township, and third-place novice honors went to John Watkins of 753 E. Walton Blvd.

★ ★ ★

Trophies were presented by Rofe and Fred Morningstar of 4465 Major St., Waterford Township, co-directors of the tournament.

The local club, which meets at the Adah Shelly Library, also plans to sponsor a club championship in the near future.

Cleric Among Four Injured Near Attica

A minister and three farm workers who were injured in a two-car collision just south of Attica were reported in satisfactory condition today at Lapeer County General Hospital, Lapeer.

Injured were Rev. Clyde Wheeland, 77, of 450 S. Lake Pleasant Road; Isais Florez, 19, of 2347 Fairgrounds Road; Julian Martinez, 35, of 2044 S. Lake Pleasant Road, all of Attica; and Manuel Atkinson, 17, of 209 Third St., Imlay City.

★ ★ ★

Lapeer County Sheriff's deputies said they have been unable to obtain statements from either driver.

Officers said Florez apparently was the driver of a car which crashed into the rear of one driven by Rev. Wheeland Saturday night.

Police said the mishap occurred on South Lake Pleasant Road about one block south of Attica.

There are approximately 192,000 railroad bridges in the United States.

Pontiac Story to Be Televised

Detroit Showing Will Start Michigan Week on Sunday, May 21

A television showing of the Pontiac Area Chamber of Commerce Centennial film will help kick off Michigan Week at the end of the month.

WWJ-TV, Channel 4, in Detroit, plans to run the 26-minute sound-color film "The Pontiac Story of Progress and Promise" at 2:30 p.m. Sunday, May 21, according to John W. Hirlinger, chamber manager.

The televised showing, arranged by the station's news bureau, will be in color, Hirlinger said.

"We expect with this one showing to reach countless homes in this metropolitan area with our message about Pontiac," said Hirlinger.

★ ★ ★

With last night's showing of the film to Metropolitan Club Spirit 6 of Pontiac, "The Pontiac Story of Progress and Promise" has now been shown to 183 groups with a total audience of 22,156 persons, said Hirlinger.

The board of directors of the chamber responded enthusiastically to the United States Information Agency's (USIA) offer to send the film abroad for showings.

Hirlinger said the board voted to ask the City Commission tonight to help in the $1,300 cost for eight new copies of the film, six to go to the USIA and two to replace the copies that have been shown in the Pontiac area since the Feb. 1 premiere.

News in Brief

Charles E. Hodges, 201 W. Wilson Ave., reported to Pontiac police yesterday that $3 in change and various foodstuffs were stolen in a break-in of his apartment.

Burglars made off with an undetermined amount of change from a coke machine of Horn & Dixon Supply Co., 1097 Oakland Ave., it was reported to Pontiac police yesterday.

Willis M. Slater, 29, 1095 Collier Drive, pleaded guilty to drunken driving Monday before Municipal Judge Cecil McCallum. He was fined $100—or 15 days in the Oakland Jail if the fine is not paid.

Larry W. McCray, 21, 856 Stirling Ave., pleaded guilty to reckless driving Monday before Municipal Judge Cecil McCallum. He was fined $15, placed on six months probation and ordered to attend Municipal Court driving school.

Larceny of lumber worth $50 from vacant property at 5050 Duck Lake Road in Highland Township was reported to the sheriff's department yesterday by the owner, George Bjaland of Flint.

While on patrol last night, sheriff's deputies discovered Walters Hardware store at 3900 Joslyn Road, Orion Township, had been broken into earlier. Nothing was reported stolen.

Sheriff's deputies are investigating a break-in last night at Kwik Kleaners, 3896 Joslyn Road, in Orion Township, during which nothing was taken.

Rummage Sale, First Presbyterian Church, Birmingham, 1669 West Maple, Thursday, May 11, 9 a.m. to 8 p.m. Friday, May 12 9 a.m. to 5 p.m. —Adv.

Ex-Convict Fails as Own Lawyer; Gets 3-4 Years

A Pontiac Township ex-convict today failed in serving as his own attorney and was sentenced to 3 to 4 years in Jackson Prison for stealing $32 from an Avon Township gas station while the attendant was fixing a flat tire for him.

John F. Baize, 48, of 1055 Vinewood St., today questioned the validity of the jury panel which on April 20 convicted him of larceny in a building. Circuit Judge Frederick C. Ziem denied his motion for a new trial.

When the judge asked Baize if he had anything to say before passing sentence, the self-appointed jailhouse lawyer said: "I've been rooked."

Jurors convicted Baize of stealing the money from the cash register of the station at 399 Auburn Road on March 10. He told his two companions he was going to "clean the place out."

Willman Is Feted

City employes yesterday feted City Manager Walter K. Willman on his 65th birthday. An informal tea in Willman's honor was held at City Hall.

Two Men Stand Mute in Gas Station Burglary

Arraigned yesterday for the alleged burglary of money and tools from a Bloomfield Township gas station, a Southfield man and his companion from Detroit stood mute before Circuit Judge Stanton G. Dondero.

Judge Dondero entered pleas of innocent for Donovan F. Graves, 36, of 21692 Inkster Road, Southfield and Bernard J. O'Conner, 35, of 1174 Steel St., Detroit.

O'Conner was returned to the county jail under a $2,500 bond while Graves was released on a $500 bond.

No trial date was set.

Student Loan Plan

OUR school has made available to its students a plan for financing tuition payments with a national organization that is devoted exclusively to educational financing. Through The Student Loan Plan students may make reduced monthly payments that extend beyond the completion of their course.

There is no good reason why any worthy young man or woman should forego the admitted advantages of specialized training just because they might feel their present financial condition should delay this opportunity.

It is immaterial to the school which plan of payment you adopt. The Student Loan Plan will enable you to act NOW. Ask about details at the school.

Tuesday wasn't a real payday. But the money was. It was the first dividend check from an investment program this man started just a few months back.

The man isn't rich. He isn't a stock expert. But he *is* an investor, one of 12,000,000 who are sharing in the nation's industrial growth through investments.

Most of them are in the $5,000 to $10,000 income bracket, and many of them systematically set aside a portion of their regular paychecks to invest in income producing securities. The result: *extra* paydays . . . regularly throughout the year.

The Day PAYDAY CAME ON TUESDAY

If you would like to know how to introduce extra paydays into your future, now is the time to discuss an investment program with a Watling, Lerchen & Co. representative. Call or visit us today.

Pontiac General Will Be Honored by Health Group

Pontiac General Hospital will be recognized for its contribution to the care of the mentally ill when the Oakland Chapter, Michigan Society for Mental Health, holds its annual meeting Friday at Devon Gables.

The hospital soon will open its new psychiatric unit, planned and equipped for the short-term care of mentally ill persons.

The speaker will be Dr. Herbert C. Modlin, senior psychiatrist at the famed Menninger Foundation, Topeka, Kan. He will discuss recent advances in psychiatry.

Elmer Hartwig, Royal Oak associate municipal judge and president of the chapter, will preside.

Northern City Officials to Study Plane Service

LANSING (AP) — City and county officials from Sault Ste. Marie, Marquette, Houghton and Ironwood, and Duluth, Minn., will meet in Ishpeming Wednesday to determine the steps necessary to retain airline service linking the cities, the State Department of Aeronautics has announced.

Demand for the service has failed to meet standards set by the Civil Aeronautics Board under its so-called "use it or lose it" plan, the department said.

To Unveil War Marker

DETROIT (AP) — Gov. Swainson will unveil a Civil War centennial marker in Cadillac Square Saturday honoring the First Michigan Infantry Regiment. The regiment was the first western unit to respond to President Lincoln's call for Union troops.

State Parties Work on Tax Deals

LANSING (AP) — Michigan's Republican-controlled legislature — which has adopted a $462-million budget for fiscal 1961-62—may be asked to change its mind and accept a Democratic tax-appropriation deal.

Gov. Swainson met in a closed-door caucus with Democratic senators Monday night and discussed the possibility of extending the so-called nuisance taxes on telephone and telegraph services and on cigarettes. The taxes bring in some $19 million yearly.

Swainson told newsmen that no conclusions were reached.

He said there was a discussion on whether a move should be made to continue the taxes in exchange for increased appropriations for higher education, mental health and school aid, plus a $5-million pay raise for the state's 30,000 civil service workers.

Some of those attending the caucus, however, said they gained the definite impression that the Senate would be asked to accept a compromise package in which the Democrats would sponsor an extension of the nuisance taxes.

AN EXCHANGE OFFER

The governor said that before he would be willing to accept the nuisance-tax extension, the budget would have to be restored close to his original recommendations, which he considered to be tight even before the legislature trimmed some $20 million from key departments.

Swainson stuck to his oft-repeated assertion that he was not in favor of extending any part of the $50 million in nuisance taxes, due to expire automatically June 30.

But he indicated that the primary problem was to meet the needs of the various state agencies, even if this meant giving in on the issue of taxes.

Appropriations for the 1960-61 fiscal year total some $418 million. Swainson asked for a $462-million budget, plus a $38-million capital outlay bonding program but the legislature adopted a budget of about $462 million, including building construction on a pay-as-you-go basis.

★ ★ ★

It also increased appropriations for public welfare by some $5 million, while slashing the governor's recommendations for other departments.

★ ★ ★

Republican leaders in the Senate were inclined to feel that any move on the part of the governor would come too late. They rushed through a quick vote on the $76-million mental health bill Monday night, in a deliberate move to outmaneuver the Democrats.

ROYAL GONDOLA—Britain's Queen Elizabeth II and her husband Prince Philip do as the Venetians do and ride in a gondola from the British consulate in Venice to the royal yacht Britannia. They had attended a dinner at the consulate.

Alleged Car Thief Mute at Arraignment

Seventeen-year-old Daniel L. Geisner of Pontiac yesterday stood mute when arraigned in Circuit Court as an alleged member of a car-theft ring of four youths.

He was returned to the county jail to await trial after his appearance before Circuit Judge Stanton G. Dondero.

Sentencing of another of the youths, Robert Martin, 18, of 1557 Lone Pine Road, Commerce Township, was postponed a week for the second time by Circuit Judge Frederick C. Ziem. Martin pleaded guilty April 17.

Geisner, of 102 Henderson St., is suspected of being part of the gang which stole six cars in the vicinity of Pontiac General Hospital.

Cooper Sleeps Well; Condition Still Poor

HOLLYWOOD (UPI) — Gary Cooper, suffering from cancer, slept most of today in his Bel-Air home but his condition remained unchanged, the 60-year-old star's doctor reported.

Cooper, who passed his 60th birthday Sunday, is fed intravaneously and under sedation much of the time to calm his pain.

Spaceman Shepard a Real Show Stealer

By FRED DANZIG

NEW YORK (UPI)—With Project Mercury dialogue rapidly attaching to our earthbound language, I guess the proper way to describe Monday's Television fare is to say, Alan Shepard is go.

★ ★ ★

All three networks displayed enthusiasm and brilliant technical efficiency as they zoomed in on Shepard and his flock of fellow astronauts jetting into Washington, coptering to the White House, motoring to the Capitol and walking into the conference hall.

Nothing that showed on the TV screen—not the First Lady's puzzling wardrobe, Caroline's balcony scene, or President Kennedy's disarming ad libs and famous rocking chair—nothing could divert attention from America's first space man, Cmdr. Shepard.

Despite a gruelling week and the strain of the whirlwind reception, Shepard, who looks like a stretched-out Mickey Rooney, conducted himself in magnificent fashion.

★ ★ ★

He was alert, modest, gracious, forthright and poised in each TV appearance. His warm sense of humor and brilliant smile illuminated the screen. If he ever decides to leave his personal "new frontier," I'm certain he could write his own ticket as a TV personality.

BUMP PREMIERE

Monday night, braced by its instant sponsor, Gulf, NBC-TV bumped the premiere of a new western series, "Whispering Smith," to present "The Man of Freedom 7." The half-hour summary captured the informality and espirit of the day's events.

Narrator Frank McGee noted that the reception was devoid of martial music, gaudy parades and rousing oratory but was, nevertheless, satisfying.

During the day, others explained the lack of pomp by saying that the government preferred to treat last Friday's space shoot, not as a final signal for uninhabited rejoicing, but as a modest beginning.

★ ★ ★

Certainly, the reception was satisfying. Still, I felt the informality was overemphasized.

As a nation, we love to celebrate our own pioneering "firsts" as we pass the hat for our "lasts." The restraint displayed in Shepard's case went hard against that tradition.

Ben Hur Driving Auto? Heston's Buying Car

By EARL WILSON

NEW YORK — Charlton Heston's picking up a new car in Detroit — driving home to Hollywood. (Imagine Ben Hur in an auto! Bill Dana says he's doing a religious movie, "The Life of Charlton Heston") . . . The Sound of Music" cast hopes Mary Martain doesn't leave Oct. 7 when her contract's up . . . Freedomland'll have a spectacular new live show with chariot races in the new arena (opening June 10) . . . Leggy Marianne Gaba (former Miss Illinois") has a gimmick in ABC's "Sunset Strip" segments — she gets knocked unconscious (three times in a row) . . . Groucho wrote the album notes for Milt Kamen saying "Buy this and charm your friends—assuming you have some."

WILSON

Comedian Alan Gale urges audiences at the International to "Enjoy, enjoy." He says "You don't know how many people go out not to have a good time." Alan claims he gave up owning nightclubs because employees stole from him. He alleges he caught a bartender sticking a $1 bill in his pocket. "It wasn't me, it was that crazy customer," the bartender said. "The guy gave me a $1 top and then walked out without paying his check!"

Pneumonia Puts Snake-Bitten Man in Hospital

SHREVEPORT, La. (UPI) — Don Darnell, 64, was dug out of his underground chamber Monday and rushed to a hospital.

He had buried himself with 69 snakes. There were rattlesnakes, cottonmouths and copperheads. And Darnel said he had been bitten 22 times.

But Darnell, an ex-carnival worker, claims he is immune to snake poison and the bites don't bother him in the least. He operates a roadside reptile garden near Shreveport, and makes a practice of burying himself with the vipers as part of the show.

The reason he was rushed to the hospital was not because of the snakebites . . . but because the ground was so damp and cold. Hospital authorities say he is recuperating and in good condition. He was suffering from a touch of pneumonia.

No commercial tin deposits have been found in the U.S.

Complain First to Lines — CAB

Then Plead With U.S., if Still Not Contented, Cities Are Advised

By ROBERT J. SERLING

WASHINGTON (UPI)—The Civil Aeronautics Board (CAB) asked the nation's cities today to take their air service gripes to the airlines first and Uncle Sam second.

CAB Chairman Alan S. Boyd made the request in a letter sent to hundreds of civic groups and organizations.

"It is our firm view that . . . problems relative to the quantity of service afforded a community can be best resolved through discussions among the communities and carriers," Boyd said.

If this doesn't work, he added, the CAB has set up a new "office of community relations" to handle adequacy of service matters. But he warned that the CAB would take a dim view of any formal complaints or demands by cities which have not tried to work out their problems first with the airlines involved.

Boyd pointed out that the airlines are in the process of shifting to jet operations and need time to adjust their own scheduling and service difficulties.

Boyd listed these possibilities for solving the adequate service complaints that have plagued the CAB in recent years, particularly demands for new jet service:

—Creation of regional airports, with all communities in a given area deciding jointly at what point an airport could be built to meet all their needs.

—Setting up convenient connecting services from major terminals to smaller cities which can't generate enough traffic to warrant jet service.

Damaged Ocean Ship Ready to Leave Soo

SAULT STE. MARIE (AP) — The damaged British freighter Crystal Jewel was to leave under her own power today for Toronto and Port Weller, Ont.

Sydney Broussard, Coast Guard commander at the Soo, said the vessel will leave under escort and stop at Toronto to discharge her cargo of flax seed before putting into drydock at Port Weller.

The motor vessel ripped her hull when she struck a submerged object in the upper St. Marys River Saturday. Tugs brought her into the Soo.

Handicapped Association Picks Kalamazoo in '62

SAGINAW (AP) — Michael Razzoot of Grand Rapids is new president of the Michigan Regional Association of the Handicapped and Kalamazoo has been chosen for the organization's 1962 May convention.

Other officers elected at the association's weekend convention here included: Jeanette Conrelisse, Grand Rapids; Shirley Luzak, Saginaw; Jack Howard, Kalamazoo; Leonard Bashow, Bay City, and Ruth Loyster, Ypsilanti.

Execute Pair in the Bahamas

First White Men in 200 Years Go to Gallows for Skipper's Murder

NASSAU, Bahamas (UPI) — The "Pirates of Elbow Cay," first white men sentenced to be hanged in the Bahamas in more than 200 years, went to the gallows at Foxhill Prison today.

★ ★ ★

Alvin Table Jr., 25, of Bridgeton, N. J., the elder of the two convicted murderers, was picked to walk the last mile at 7 a.m. (Pontiac time) followed an hour later by Billy W. Sees, 23, of Etowah, Ark., actual killer of Florida fishing skipper Angus Boatwright.

Selected to be present at the execution were Warden Byron Pinder; Col. E. J. H. Colchester, police commissioner and provost marshal of the Bahamas; a chaplain, a doctor, various guards and the hangman.

Pinder told newsmen the two Americans faced death "as well as could be expected . . . they have given no trouble."

The laws of this British Atlantic colony exclude newsmen and other unofficial witnesses from executions.

As far as the available records show, no white men had been hanged in the Bahamas since 1719, when Gov. Woodes Rogers executed more than 100 pirates in bringing law and order to the colony.

Redstone Missile State's Honorary Product of Year

LANSING (AP) — The Freedom 7 Redstone missile which boosted America's first astronaut into space has been designated honorary Michigan product of the year.

Gov. Swainson announced the selection Monday, declaring that the missile will go down in history as one of the great accomplishments of all time.

"The Redstone is a dramatic demonstration of Michigan's scientific knowledge, skilled workers and industrial know-how," he said.

Dale Stafford, publisher of the Greenville News and product of the year chairman for Michigan Week said the 16 Michigan products which have won regional honors as product of the year in regular competition would be judged at Detroit with the state winner to be decided at that time.

Pilot Hopes to Push X15 to 3,400 M.P.H. Soon

EDWARDS AIR FORCE BASE, Calif. (AP)—Research pilot Joe Walker plans to fly the X15 rocket plane with throttle wide open in the next few days in an attempt to reach 3,400 miles an hour—almost a mile a second.

The National Aeronautics and Space Administration said Monday the purpose of the flight will be to obtain data on aerodynamic stability and control and heating.

Retired Editor Is Dead

NEW YORK (AP) — Carmel Snow, 73, a leading fashion authority for more than 25 years and retired editor of Harpers Bazaar magazine, died Sunday, apparently of a heart attack. She served as editor of Harpers from 1932 to 1957 and upon her retirement was named chairman of the magazine's editorial board. She was born in Dublin, Ireland.
