

New Bulgarian Note Fails to Melt U.S.

Ends 5-Day Visit Eden Advises Americans Not to Fear Soviet Talks

WASHINGTON (AP)—British Prime Minister Eden winds up his five-day Washington visit today with this advice to the American people: Never be afraid to meet and argue with the Russians.

Eden made this suggestion in a 15-minute radio-television report to the nation last night on his three-day conference with President Eisenhower.

He emphasized Anglo-American unity, just as he had in his midday talks to the Senate and House.

Calling his conversations with Eisenhower and Secretary of State Dulles "the most encouraging conference I have ever attended," he said the real accomplishment was hard to describe. He termed it "a spirit of unity" and said holding to it "can mean peace for the world forever."

"I know of nothing like it in the world today," he said. Then he said he wanted to talk to those Americans who might object to any more talks with the Russians:

MUST HAVE CONFIDENCE

"If you have confidence in yourself, if you believe in your own convictions, if you trust to your own faith, you needn't be afraid, you shouldn't be afraid, to meet and to argue with others."

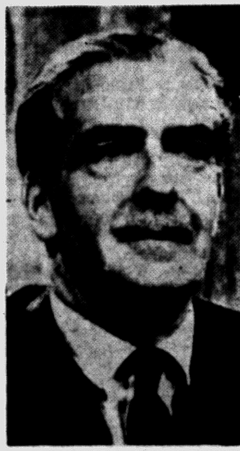

He said the United States and Britain should continue their no-strings-attached program of economic aid to less developed nations.

"Self government and economic stability are the strongest antidotes to communism," he declared.

In referring to his talks with Eisenhower, Eden made no specific mention of differences which developed over such Far East questions as the West's trade embargo on Red China. Britain sought a relaxation but won only a U. S. agreement to review the situation.

But Eden did acknowledge that some differences exist. He pleaded that these should not be ballooned out of proportion into big headlines because, he said, essential Anglo-American unity is genuine and "so much more important."

He flies to Ottawa, Canada, this afternoon.

SIR ANTHONY EDEN

Airport Site OK Goes to Detroit

Macomb Jurors Defeat Warren Move to Block Acquisition of Land

MOUNT CLEMENS (AP)—The city of Detroit had won what a spokesman called "a great victory" today in its battle to acquire an airport site in Warren Township.

A Macomb Circuit Court jury of eight men and four women returned a verdict yesterday against the township's first move to block the airport.

The township had sought to condemn for a public park 74 acres acquired by Detroit at Dequindre and Fourteen Mile Road. This admittedly was a township move to thwart the proposed airport.

Bert R. Sogge, assistant Detroit corporation counsel, described the verdict as "a great victory," although he conceded others might be necessary before a northeast airport is started.

Edward J. Gallagher, representing Warren Township, said an appeal to the State Supreme Court would depend on action of the Township Board.

To build the airport Mayor Albert E. Cobo has envisioned will cost more than 20 million dollars and two square miles of land yet are to be acquired.

The city currently has a \$3,000,000 fund to start land acquisition.

Pledge to Back Park Lot Drive

Chamber of Commerce, Jaycees, Lend Support to Municipal Effort

The Chamber of Commerce and the Junior Chamber of Commerce today gave notice of their support of a campaign to provide increased municipal parking within the city.

Dr. George N. Petroff, president of the Chamber, and James R. Wilkinson, secretary of the Junior Chamber, signed resolutions circulated by a "Committee For 5 Cent Parking" made up of interested citizens seeking additional municipal lots.

The resolution reads: "Whereas, there is a serious shortage of space for short-time parking in downtown Pontiac, thus increasing traffic congestion and otherwise inconveniencing the public, the City Commission unanimously passed an ordinance to create 624 new 5-cent parking spaces to be paid for entirely out of meter revenue."

"Therefore, we the undersigned, hereby officially support the action of the City Commission and urge all Pontiac citizens to vote for this much-needed parking Monday, March 5."

The Chamber of Commerce is an organization established to promote the civic progress of Pontiac. Among its many civic projects are a traffic safety committee, supporting Fire Prevention Week and sponsoring a Business, Industry and Education Day in Pontiac.

The Junior Chamber, another civic-minded organization, annually sponsors a strong get-out-and-vote campaign, an April builders show and a paint-up and clean-up crusade.

Three Billion Urged for Postal Service

WASHINGTON (AP)—The House Appropriations Committee today recommended \$2,973,900,000 in new funds for the Post Office Department. At the same time, it demanded that something be done to curb the growing postal deficit.

The new money allotted subject to approval by the House next week and later by the Senate is for use during the fiscal year starting July 1. It is \$26,100,000 less than President Eisenhower requested.

Where Was Grandpa?

UPTON, England (AP)—Alan Cann, 16, went up to the attic last night to thaw out some frozen water pipes and found the body of his grandfather, 75-year-old William Cann, missing since last September.

To Teach Evils of Drink

OKLAHOMA CITY (AP)—Formal instruction on the evils of liquor will be added to the Oklahoma public school curriculum by fall, Gov. Raymond Gary told the State United Dry Assn. in convention here.

Matches Bitter U. S. Weather Century's Worst Cold Wave Hits Europe

LONDON (AP)—Western Europe's worst cold wave of the 20th century pushed its toll to nearly 100 lives today and property damage ran into the millions of dollars. Government forecasters said little relief could be expected for the next few days.

Sub-zero gales blasted the coasts and endangered at least two ships.

South Greece, just out of the cold belt, was staggered by a disastrous rainstorm. Floods swept away roads and bridges. Hundreds of families spent the night on rooftops or clinging to trees.

France was worst hit with 30 known dead. Britain had 17, Turkey 10, West and East Germany 9, Italy 9, Britain had 17, the Netherlands 4, and Switzerland 1.

Four more, including a woman and a 2-year-old child, were believed dead aboard a tiny fishing boat trapped by ice off the Dutch coast.

ICY RIVIERA

Even the French Riviera, normally a balmy winter spot, reported sub-freezing temperatures. The frost killed an estimated million and a half dollars worth of spring flowers.

The frigid blasts from Siberia had sheeted most rivers of the Continent with ice, halting boats carrying badly needed fuel and food. The cold ruptured water and gas mains, and electric power stations broke down under abnormal demands for heat in homes and factories.

The crew of the Swedish ship

Roasting took to boats in the storm-swept Mediterranean near Crete after radioing the ship was going down.

Helicopters, braving fierce gales which kept rescue ships away, plucked 41 men from the 9,862-ton Norwegian tanker Dofvefjell, aground on a reef off the Scottish coast.

Across the Mediterranean, Bone, Algeria, reported its first snow-fall in 10 years.

CHILLED TRIESTE

Wind gusts of more than 95 miles per hour added to the misery.

Weather Forecast Shows Little Change

The weatherman foresees cloudy skies with little change in temperature for tonight and tomorrow.

The low tonight will range from 14 to 18. Tomorrow's high will be near 30.

The five day Michigan weather forecast says temperatures will average from 2 to 3 degrees above normal. It will be somewhat warmer about Monday, then turn colder Tuesday and Wednesday.

There will be a light snow or snow flurries about Tuesday or Wednesday.

Another half inch of snow blanketed the area yesterday. The lowest temperature preceding 8 a.m. was 29 degrees. The thermometer registered 29 at 1 p.m.

Police Tighten Vigilance, 55-65 Limits Become Law

Michigan's new speed limit law, which went into effect at midnight last night, has yet to be officially violated in the Pontiac area.

Local police and sheriff's deputies have issued no tickets for violations of the 55-mile-an-hour nighttime limit and the 65-mile-an-hour daylight maximum.

But Oakland County Sheriff Frank Irons today repeated that his deputies have been instructed to watch for violators of the new law.

Sheriff Irons also emphasized the new limits do not replace posted limits before the law went into effect.

"The new law is effective only

where there were no posted limits before," Sheriff Irons said.

"It is not an excuse to drive at 55 where the speed signs say 45."

One of the first tickets to be issued under the new law went to Russell B. Fulk Jr., 25, of Redford Township, stopped by State Police at 2 a.m. for traveling 75 miles per hour on Grand River near Farmington.

"The new law is effective only

SOMETHING NEW IN ALBUQUERQUE—Hundreds of New Mexico motorists, accustomed to high, dry weather, got an unexpected workout Thursday when the worst storm of the winter hit the state. Reuben Buss digs his car out of drift in northeast Albuquerque, where 34 persons were marooned in a school overnight by the drifts. About 100 cars were temporarily abandoned in Albuquerque streets during the storm.

Boy's Deception About Age Nearly Brings Conviction

A Pontiac youth, whose insistence that he was 17 years old nearly caused his sentencing as an adult criminal, was turned over to Juvenile Court yesterday after his mother proved his age to be 15.

The teenager pleaded guilty to car theft Monday in Oakland County Circuit Court. The boy produced a birth certificate showing him to be 17, just old enough for adult prosecution.

Yesterday his mother brought another birth certificate to Prosecutor Frederick C. Ziern indicating his age as 15. He had been using his older brother's name and birth certificate, she explained. The brother died in 1938.

Investigation proved her correct, said Ziern. He had been impersonating his brother, the youth said, so he could get a job or possibly join the Army.

Bet Bargain Day

LEXINGTON, Ky. (AP)—A hand-book operator in this thoroughbred capital went along with Blue Grass Day. A sign in his place of business informed customers that \$1 bets were 95 cents and 50-cent bets were going at 45 cents. Blue Grass Day is an annual bargain day here.

2 Die Shoveling Snow

DETROIT (AP)—Two Detroiters collapsed and died yesterday while shoveling snow from a new 3-inch fall. They were Joseph Gryglewski, 59, and Jay B. Fraser, 70.

Fire Rages in Snow

FRIONA, Tex. (AP)—Friona's volunteer fire department, hampered by a heavy snow and numbing temperatures in the worst blizzard of the season, battled for four hours a fire which destroyed the Friona frozen food locker plant.

Bandits Hold Up Township Store

Armed Pair, Companion Get \$1,000 in Cash in Night Raid

Two armed men and a companion forced Cranbrook Drug Store manager James Sheridan to hand over \$1,000 to them last night, as two clerks and two customers in the Bloomfield Township store looked on.

A rise of asking help for "something wrong with my face" was used by one man, holding a handkerchief over his face, Sheridan said. He suddenly kicked open the swing door through the counter and drew his gun, announcing the hold-up.

Sheridan surrendered rolled change and bills to the armed pair, as the third man watched the door.

Bloomfield Township police are investigating today, with descriptions of the three men, whom witnesses said were all about 30 years old, being distributed to adjacent law enforcement agencies.

Keating Stands Mute Before Federal Judge

Former local Teamsters Union official Daniel J. Keating stood mute upon his arraignment in Detroit Federal Court yesterday on charges of income tax evasion.

Keating, 53, was released under \$10,000 personal bond by U.S. District Judge Frank A. Picard. No trial date was set.

Former business agent and president of Pontiac Local 614, AFL Teamsters, Keating is accused of concealing approximately \$29,000 in income received as payoffs from local contractors for favorable union contracts.

Sticker Says: Watch 65

LANSING (AP)—The Michigan Petroleum Industries Committee said today it will distribute 800,000 stickers which motorists can put on their speedometers to remind them of the state's new speed law. The stickers will be available at all gas stations.

European Champs Get Edge Over Canadians; Americans Third

CORTINA D'AMPEZZO, Italy (AP)—Elizabeth (Sissy) Schwartz, 19, and Kurt Oppelt—on the basis of unofficial scoring—appeared today to have won the Olympic pairs figure skating title for Austria.

The Austrian pair seemed to have edged out the Canadian team of Frances Dafoe, 26, and Norris Bowden, 29. The Canadians had been world champions for the last two years. The Schwarz-Oppelt team was in second place at the last world competition.

The Austrians recently won the European championships.

Six of the nine judges favored the Austrian pair, while three put the Canadian team in first place—again, according to unofficial scoring.

Carole Ann Ormaca, 19, and Rob Greiner, 23, of Fresno, Calif., rated the best among United States figure skaters, was awarded an excellent score from the judges, despite a fall by Carole on an axel maneuver.

Physician Says Ike's Not Ready

Dr. Snyder Says Health Status Requires Time for President's Decision

WASHINGTON (AP)—President Eisenhower's personal physician said Thursday "no man who is just 4½ months past a heart attack is in a position yet" to decide whether to seek a second term.

The White House doctor, Maj. Gen. Howard M. Snyder, told newsmen with respect to Eisenhower and a decision regarding a second term:

"He should have more time—all the time he needs. He is not at a point yet to know whether he can go ahead and hit the ball."

Asked how much more time the President should have before he will be in a position to decide on a basis of physical fitness, Snyder replied:

"I would prefer not to say." Snyder's statement that the President should have more time for a decision was bound to be disappointing the Republican supporters who have been hoping that Eisenhower would announce his political plans very shortly.

Despite Snyder's views, however, there was no indication whether Eisenhower actually might decide to put off announcement of a decision for a while.

Disappoints GOP

Frigid Weather Clutches Most of U. S. and Kills 12

By THE ASSOCIATED PRESS

Wintry weather held a tight grip on most of the country today from the Midwest and plains states westward to the Pacific Coast.

The blast of icy air dipped southward across Texas into western Mexico. It was below freezing this morning in most of Texas, with the cold weather areas in the Rio Grande Valley.

More snow fell in western Texas and freezing rain pelted central sections.

Many schools were closed.

Six deaths were attributed to the stormy weather in Texas. At least six other persons died in causes attributed to the weather, two each in New Mexico, New York and Michigan.

New Mexico, hit by the season's heaviest snowstorm, got more snow during the night and morning, with an additional inch in the southern section. The white blanket measured 11 inches at Carlsbad and 14 inches at Zuni.

Arkansas also was hit hard by snow, sleet, rain and cold. Many rivers were near flood stage.

As the cold air moved southward into the lower Mississippi Valley it brought rain and thunderstorms in many places. More than 1½ inches fell in parts of Louisiana while Tennessee reported locally heavy downpours. The rain belt extended northeastward into Virginia, but falls were generally light.

New York state also got more snow but not as heavy as yesterday's 4-inch fall at Syracuse, which reported 12 inches on the ground.

Most severe cold was in western Midwest areas, eastern parts of the Dakotas, Nebraska, and the northern and central Rockies, all reporting near zero or below-zero temperatures. It was -25 at Big Piney, Wyo., and -11 at Bemidji and Alexandria, Minn.

Austrian Pair Figure Titlists

The Austrian pair seemed to have edged out the Canadian team of Frances Dafoe, 26, and Norris Bowden, 29. The Canadians had been world champions for the last two years. The Schwarz-Oppelt team was in second place at the last world competition.

The Austrians recently won the European championships.

Soviet Premier Again Asks Ike for Peace Pact

Appeal Called Rehash of Message Rejected by President Saturday

From Our Wire Services

WASHINGTON—A new appeal from Premier Bulganin failed today to melt U. S. opposition to a Soviet-American "friendship treaty" which this government holds to be needless and perhaps risky.

In a 2,800-word message made public by the State Department late last night, Bulganin urged President Eisenhower to reconsider the 20-year pact proposed by the Russian Premier last week and promptly turned down by Eisenhower.

U. S. officials said Bulganin's new message was mainly a rehash of previous arguments for the treaty and that he had not advanced persuasive new ideas.

Eisenhower, in a letter Saturday, told Bulganin a treaty between Russia and the United States, merely reiterating peaceful behavior pledges already in the United Nations Charter, "might indeed work against the cause of peace."

The Bulgarian statement was assured of careful and detailed study.

Authorities said there always is a chance that Soviet moves of this kind may be truly aimed at bringing about better relations.

No such design was detected, however, in initial studies of the message.

AT GETTYSBURG

President Eisenhower is studying this newest note at his Gettysburg, Pa., farm home over the weekend.

The Kremlin leader, answering Eisenhower's earlier criticism of the proposed bilateral treaty, said the Soviet Union is also willing to sign similar pacts with Britain, France and other nations.

In London, Britain was expected today to reject an offer from Bulganin to conclude a friendship treaty.

Here are the highlights of Bulganin's latest letter to President Eisenhower:

"We may hold different positions, we may defend different views, but if we also have goodwill and a desire to understand each other, then such discussions contribute to the strengthening of trust and the promotion of friendly relations."

"As far as I am able to judge, certain doubts arise in your mind because of the fact that we propose to your excellency the conclusion (Continued on Page 2, Col. 2)

Reach Accord on Water Plan

Solon Reports 'Meeting of Minds' on Proposed State Aid Bill

Agreement was apparently reached yesterday in Lansing, between the Republican sponsor of legislation to help solve local water problems and Democratic leaders who had advanced a proposal which threatened the bill's passage.

State Sen. William S. Broomfield (R-Royal Oak) said he reached "a meeting of minds" with Democratic Atty. Gen. Thomas M. Kavanagh.

Broomfield's bill would set up a \$200,000,000 revolving fund from which local units could borrow water-financing money.

The Oakland lawmaker would have the Water Resources Commission expanded to administer the program. A committee, headed by Kavanagh, advocated setting up a separate commission.

Many legislators are against forming new commissions at extra expense, Broomfield explained, "and such a proposal could have placed the entire measure in jeopardy."

Kavanagh agreed, Broomfield said, to go along with expanding the Water Resources Commission. The bill is seen by local officials as helping Pontiac get a long-range water program under way much sooner than otherwise possible.

Famous Comic Succumbs at 64

'Bazooka' Bob Burns Defeated by Cancer in California Hospital

HOLLYWOOD (INS)—Bob Burns, famed hillbilly comic of the films of the '30s, died in West Valley Community Hospital yesterday. He was 64. The comedian had been in a coma for six days.

Dr. David Hertz, Burns' family physician, said the homespun humorist died of cancer.

Hertz said Burns was stricken with cancer of the left kidney about three years ago and it was removed by surgery. However, the ailment spread and he was bedridden the past few weeks.

He was admitted to the hospital in Encino last Saturday, but treatment could not save him.

INACTIVE SINCE '45

Burns had been inactive in show business since 1945. During the past ten years he invested heavily in San Fernando Valley real estate and amassed another fortune.

Burns told hillbilly tales and acted a weird home-made musical instrument which he dubbed a bazooka. The anti-tank weapon of World War II was named after Burns' frog-toned musical gadget.

Burns is survived by his second wife, Harriet Foster, and four children—Robert Jr., 33; Barbara, 17; Robin, 16 and Stephen, 15.

Burns, born in Van Buren, Ark., entered the movies after a brief stint in vaudeville. His screen hits included "Singing Vagabond," "Rhythm on the Range," "Big Broadcast of 1937," "Mountain Music," "Wells Fargo," "Arkansas Traveler," "I'm from Missouri," "Our Leading Citizen," "Alias the Deacon," "Coming Around the Mountain," and "Belle of the Yukon."

Wild Golf Cart

REDWOOD CITY, Calif. (INS)—Talk about bucking bracos—William Urbanski has filed suit against the Green Hills Golf and Country Club because he was thrown and run over by an electric golf cart. Urbanski, a police officer at Millbrae where the club is located, asked \$10,000 for personal damage.

The Weather

PONTIAC AND VICINITY—Mostly fair today, somewhat colder with a high from 54-58. Partly cloudy tonight and tomorrow. Little change in temperature. Low tonight 14-18, high tomorrow near 58. Northwesterly winds 5-10 m.p.h. becoming light and variable tonight.

ENGINEER HONORED—Wilbert E. Chope, 32, has been named the "outstanding young electrical engineer of 1955" by Eta Kappa Nu, electrical engineering honorary fraternity. Chope is cofounder and president of Industrial Nu-clone Corporation of Columbus, Ohio. The company pioneered in developing a nuclear device that measures thickness of materials. The award is given annually to an electrical engineer, under 35 and out of college less than 10 years, in recognition of meritorious technical and social accomplishments.

New Bulgananin Note Fails to Melt U.S.

(Continued From Page One)

of a (friendship) treaty 'on a bilateral basis,' whereas the U. N. Charter is a 'treaty between many states.'

"But you will agree that the conclusion of a treaty of friendship and cooperation between the two strongest powers in the world would contribute enormously to a healthier international situation."

"On the other hand, we are willing to conclude similar treaties with other states as well, including the United Kingdom and France."

"Lastly, the proposal to conclude a treaty between the two groups of states—those parties to NATO and those parties to the Warsaw treaty—is still open."

"For its part, the Soviet government has already taken a series of steps designed to relax international tension and strengthen confidence among states."

"... To be frank, ... it must be said that not only have certain great powers failed to take similar action, but on the contrary much is being done to increase international tension."

"It seems to us that in the present international situation and, moreover, under conditions of a completely unrestricted armaments race, the carrying out of such flights (Eisenhower's aerial inspection plan) would not only fail to free the peoples from the fear of a new war, but on the contrary would intensify that fear and mutual suspicion."

"... I am convinced that the normalization of Soviet-American relations and, in particular, such a step as the conclusion of a treaty of friendship and cooperation between the U. S. S. R. and the U. S. A. would be of great positive significance also in establishing the necessary prerequisites for the solution of the German problem."

"With regard to your remark concerning the right of the nations to choose the form of government under which they wish to live, it is necessary to say that the Soviet Union has always maintained, and maintains at the present time, the principle that the internal system in any state is the domestic concern of its own people. We expect that other powers will also be guided by it ..."

"I believe that by joint effort we shall succeed in liquidating the so-called Iron Curtain and in creating conditions for a wide development of personal contacts between the citizens of our countries."

Planning Group Gives 6 Road Proposals

Would Help End Highway Mess

Push Widening Jobs, Prepare Detailed Plans Are Suggestions

Editor's Note: This is the last in a series on the highway situation condensed from the booklet, "Wagon Roads to Expressways," to be published by the Oakland County Road Commission.

Six proposals are advanced by the planning commission which it feels would help solve the highway muddle, if followed.

They include:
1. Continuation of present highway-agency programs of widening, resurfacing, reconstruction and maintaining the present highway system. This would save valuable existing road mileage.

(The Oakland County Road Commission has partially completed a long-range plan to resurface and widen 110 miles of country roads. The program reduces annual maintenance costs.)

2. Preparation of detailed plans for the Pontiac-Detroit area must continue. This could be done through a regional highway-planning agency.

3. A regional group is being formed. Active cooperation of present agencies is needed to make this "Inter-County Highway Commission" function properly.

4. A \$25,000,000 fund to purchase right-of-way in advance of need is proposed.

(Right-of-way costs have been about 20 per cent of total road-building costs. The Legislature, by setting up a revolving fund, would allow land needed in the future to be bought now at lower costs.)

5. In many cities and villages study should be given to providing off-street parking facilities and greater effort in the traffic engineering field.

(More space for traffic flow is automatically provided by banning on-street parking. Good traffic engineering can plan traffic patterns which allow the least possible congestion.)

6. A study of federal-aid distribution is urged. The state now is returned only 11 per cent of federal highway-user taxes paid in Michigan. The study would outline an increased and revised distribution to states.

MEETING THE DEADLINE—Answering City Clerk Ada R. Evans' (right) plea to get out and register for the March 5 primary and the April 2 general election, are Percy G. Newman, of 181 Navajo and Mrs. Elmer Brinker of 508 Omar. Mrs.

Evans warns Pontiac voters that if they haven't registered by 8 Monday night, they cannot vote in either the primary or general election due to a 1952 state ruling.

Monday Deadline Nearing for Registration of Voters

Pontiac voters have been urged to get out and register today and Monday for the coming March 5 primary and April 2 general city election.

Due to a 1952 state law, Monday, constitutes the last possible day to register if you expect to vote in the two elections.

City Clerk Ada R. Evans yesterday made a strong plea to voters to get out and register. "I cannot stress enough how very, very slow registrations have been going," she said.

"I urge people to register now before it is too late, and also for those who have moved since the last election, to come in and change their voting residence."

To aid day workers in registering, the city clerk's office in the City Hall will be open tonight until 8 and Monday until the same time. The office opens at 8 a.m.

Other places to register within the city are: General Motors Truck and Coach Division Local 594; Pontiac Motor Division Local 633; Fisher Body Division Local 596; and at the Oakland County CIO Council at 21 1/2 E. Lawrence St.

For those registering at the City Hall, free parking is available behind the hall.

sisters, Mrs. Harold Bramham and Mrs. Nettie Saunders, both of Massachusetts.

Service will be at 1:30 p.m. Monday from the Hutton Funeral Home with the Rev. John Mulder, associate pastor of his church officiating.

Benaiah Lee

Benaiah Lee, 87, of 3754 Brookdale Ave., Lincoln Heights, died yesterday morning at the Lakeview Convalescent Home after an illness of seven months. He was living at the home of his niece, Mrs. Jack Hodges.

He was born Nov. 12, 1868 in England, the son of Richard and Mary Jane Perryman Lee. His wife was the former Sarah Benda.

A farmer, he had lived in this area 45 years and was a member of the First Baptist Church.

He is survived by one brother, and two sisters, Sydney Lee and Emily Jenkins of England and Mrs. Gertrude Williams of Pontiac.

Mr. Lee is at the Purley Funeral Home where service will be held at 1 p.m. Saturday with Dr. H. H. Savage, his pastor, officiating. Burial will be in Oak Hill Cemetery.

Jean, 16, died of polio Tuesday in Sparrow Hospital, Lansing.

Pontiac Deaths

Jean Margaret Barry
The Rosary will be recited at 9 p.m. Friday in the Gorsline Funeral Home, Williamston for Jean Margaret Barry. The funeral will be held at 10 Saturday morning from St. Mary's Catholic Church with burial in Mount Calvary Cemetery.

Edward John Lewis, 79, of 637 N. Perry St., died yesterday in Pontiac General Hospital. He had been ill a month.

Born in Wales Jan. 4, 1877, his parents were Mr. and Mrs. John Lewis. In January 1914, he was married to Nellie A. Prentice in Detroit.

Mr. Lewis had been a resident of Pontiac 35 years, coming here from Detroit. He had attended school in England, was a member of the Pattern Makers' Union more than 50 years. He had retired from Pontiac Motor Division as a wood pattern maker.

Surviving are two daughters, Mrs. Harold Franks of Pontiac and Mrs. Marquis Peabody with whom he made his home.

Service will be at 3 p.m. Saturday from the Hutton Funeral Home with the Rev. Lewis Towler curate of All Saints Episcopal Church officiating. Burial will be in South Lyons.

David Weaver

David Weaver, 55, of 46 Lull St. died this morning in the Oakland County Contagious Hospital.

Born in Smith Station, Ala. March 13, 1900, he was the son of Mr. and Mrs. Jim Weaver and married to Bettie M. Pollard in 1916 at Phenix City, Ala.

He had been a resident of Pontiac 12 years and was a member of Brade Temple, C. M. E. Church, 320 Rockwell St.

Mr. Weaver was employed at the Vern Hauling Service. Besides his wife, he is survived by a daughter, Mrs. Davell (Weaver) Bargo of Pontiac.

Service will be at 2 p.m. Monday from Brade Temple, C. M. E. Church with the Rev. R. A. Britton, his pastor, officiating. Burial will be in Oak Hill Cemetery. Friends may call after 1 p.m. Sunday at the Frank Carruthers Funeral Home.

A member of Central Methodist Church, Mr. Lake attended school in Lowell, Mass. and came to Pontiac 31 years ago. He was employed as a barber.

Surviving are his wife and two daughters.

Phillip L. Lake

Phillip L. Lake, 77, of A-3 Arcadia Ct. died this morning in St. Joseph Mercy Hospital. He had been ill eight weeks.

Born in Augusta, Me. Sept. 21, 1878, he was the son of Mr. and Mrs. Joseph Lake. In 1904, he was married to Mary Stanton in New Hampshire.

Surviving are his wife and two daughters.

The Day in Birmingham Ceremony to Open Rink at Eton Park Saturday

BIRMINGHAM—Though snow and slush have certainly not helped workmen toward completion of the Eton Park Ice Skating Rink, and though the manager of the park is leaving just before it opens Saturday, officials expect the opening ceremony to proceed as planned.

In charge of the rink will be Dale Rolph, taking the place of Robert Fautek, who resigned this week to take another job. Rolph, 22, worked with Fautek at Springdale Park, and now with this job has a year around job in city recreation spots.

Rolph and one other worker coaxed the ice along last night, with the result that though they lost a night's sleep over the project, literally, the flooding and scraping finally are coming close to a clean sweep of ice for skaters tomorrow.

The program is set for 2 p.m. with the mayor and several other city officials speaking, according to plans of William Spence, a member of both recreation and education boards.

A tribute to Rolph Reese, postmaster and rec board member who instigated the Eton Park idea a year ago, will probably be given, Spence says. Listed on his agenda are brief talks by Mayor Charles Renfrew, Mrs. William Jackson, recreation board chairman, and Ernest Seahorn, chairman of the board of education.

Sally Wells, a proficient figure skater who belongs to the Detroit Skating Club and is a junior at Birmingham High School, will skate to records on the public address system. There might be a clown-on-skates act from the Detroit Skating Club, according to Spence.

City Engineer Richard Gare was dismayed as he looked at Monday morning's snow. It all had to be shoveled carefully from the yet-unflooded rink, where intricate webs of black plastic hose had been laid for the refrigeration system.

After flooding was done on Tuesday, another snow hit before the freeze-up. Such problems will not occur in an ordinary year, for the ice will be created artificially long before snow comes.

Staff problems are nothing to the problem of getting ice ready for the kids, according to William Spence, who brushed aside worries about the recreation director and the rink manager both quitting during the past two weeks.

The program tomorrow afternoon at the park will be bringing many youngsters, and adult skaters as well, to the corner of Eton and Lincoln, and activities will continue there with strong ice even through the spring thaw season.

The Rev. Tage Adolfsen of Portuguese East Africa is guest this weekend of the First Methodist Church, sent here by the Swedish Methodist Church to tell of the hospital-school center at Gilukki to which the Birmingham church sent a medical missionary.

Supper and square dancing are set for 6:45 p.m. tonight at the Congregational Church, with the

Robert Gerity's in charge. Sidney Harris will talk next Wednesday to the American Association of University Women, rather than this week as this column stated earlier. Luncheon will be at 12:45 at the Community House.

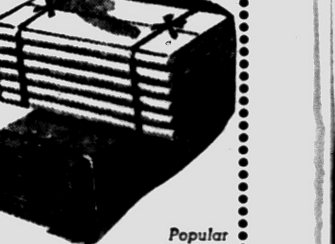

Seeks OK to Build A-Plant in Michigan

BIG RAPIDS (AP)—The Wolverine Electric Cooperative said it has asked the Atomic Energy Commission in Washington for permission to build a small atomic reactor electric generating plant at nearby Hersey. Hersey is 15 miles northeast of Big Rapids in Osceola County.

John Keen, Wolverine manager, said the proposed reactor is of the type the Atomic Energy Commission and the government is interested in as a demonstrator to further progress in atomic electrical energy.

However, Keen declined to give further information, saying there had been some speculation of the proposal that was inaccurate. He said a full statement would be released giving accurate details in Washington next Tuesday.

Formosa 'Not Bound' by Ike, Eden Plans

TAIPEI (U)—Nationalist Chinese Premier O. K. Yui said today the Chinese Reds are capable of attacking Formosa and the offshore islands at any moment, but whenever they attack "they will find us prepared."

The Premier at a news conference also declared:

1. Nationalist China will not be bound by any decision at the Eisenhower-Eden talks that affects her rights and interests.
2. Whatever the outcome of the British-U. S. talks, "our national policy of recovering the mainland through counterattack will remain unchanged, come what may."
3. Nothing will affect Nationalist determination to defend the offshore islands.
4. Review of the embargo against strategic materials to Red China should be conducted only with a view to intensifying—not relaxing—controls, "otherwise the crisis now existing in the Far East can only be aggravated."

Mexico has completed the Matamoros-Reynosa highway.

Hint Future H-Bomb Equal to 50 Million Tons of TNT

WASHINGTON (U)—Congress has far above that level in tests. A megaton is a million tons of TNT, so a 50-megaton weapon would have 50 million times the power of the Hiroshima bomb.

Confirmation that something is going on in that field came yesterday from Dr. A. G. Hill, professor at Massachusetts Institute of Technology, and scientific director of the weapons evaluation group of the Joint Chiefs of Staff.

The scientist was a witness before a House Government Operations subcommittee in a hearing aimed at strengthening civil defense.

Chairman Holifield (D-Calif.) commented that he believed a study in which Hill participated had mentioned a hydrogen bomb that would "go up as high as 50 megaton."

Hill nodded agreement. The matter was dropped without any elaboration.

The atom bomb which flattened Hiroshima was estimated to have the energy equivalent of 20,000 tons of TNT, and American A-bombs are understood to have gone

Connolly's
JEWELERS

Jim covered the recent release from a federal pen at Alderson, W. Va., of Mrs. Kikuko Toguri D'Aquino, better known to millions of her admirers among GIs, Marines and Sailors in the Pacific during World War II as Tokyo Rose.

Rose, who tried to subvert lonesome American fighting men by playing Bing Crosby and Dinah Shore records — which made them pine for home even more — was being sprung after serving 10 years (minus good behavior time) for treason.

Kilgallen has outlived and outworked a couple of generations of "the opposition" as he will always call it. Lord knows how many reporters this fellow has driven into public relations or foundation work! Maybe another, less than half Jim's age, is headed that way right now. I wouldn't blame him.

COULDN'T SEE ROSE
Here's the story: Jim arrived in Alderson about 6 o'clock the night before Rose's release. He went to the prison to case the joint, naturally, and though he showed all his John

All he got was the assurance that he could stand in line with the rest of the reporters when Rose was sprung shortly after 6 a.m. the next day.

With some misgiving (Al Capone once double-crossed Jim and left by a federal pen's backdoor) the great INS reporter prospected for the nearest telephone. He knew from immense experience that there would be a mad scramble for the nearest phone as soon as Rose went her way.

Many schemes must have crossed his mind. Should he canvas the neighborhood and stick straight pins or hairpins into all coin phone slots except one — as Walter Howey once did to insure a beat?

Should he print up signs reading "out of order" and stick them on all nearby phones? He wondered. The movies and TV had ruined such old rackets. The journalism school kids were wise.

LODGING FOR NIGHT
Now he was at the site of the nearest phone to the prison gate, the phone in the tourist home of Mrs. Essie Russell. He'd take a room there for the night, Jim decided, let down by the banal simplicity of it all.

But, hold! Madame Russell was sorry. Her place was filled. This was cruel news, but the news got crueler, Madame Russell being one to amplify fact.

The place was filled, she said, by relatives of Tokyo Rose and by three newspapermen.

She proudly named them. One was "the opposition." (Ed. note: When old fighters are nailed with a solid punch to the jaw they tend to roll up their eyeballs much in the matter of a man seeking divine aid. A careful questioning of witnesses of this meeting between Madame R. and Kilgallen indicates that his restraint was such that the only change in his handsome face was that he added several dimples, including one, charm-

Ground Stations to Have A-Arms

General States Future Storage of Weapons for Air Defenses Nears

WASHINGTON — The commander of the nation's air defenses said today atomic weapons soon will be stored at Air Force ground stations and carried on defense aircraft.

"The day is not far off when we shall have atomic weapons at the various stations in storage and on the planes in flight," Gen. Earle E. Partridge said in an address prepared for a jet age conference of the Air Force Assn.

"This contributes to our determination to remove military flying from municipal or civil airports as soon as possible," he said, but added that will come only "over a period of years" and at a cost of more than three billion dollars.

Partridge, commander in chief of the Continental Air Defense Command, said that while defense aircraft are always loaded when on missions, the Air Force has installed "all manner of control sequences" as guards against accidents.

"We are putting more safety features into the controls for the future," he said. "The reason is that the present weapons are only midgets in comparison to what we are going to have."

He said 18 of his command's bases—about a third of its total—are on civil airports, many of them with runways too short for good jet operations.

"We are paying in manpower and busted airplanes because of the short fields from which we operate," he said.

Mudders Lose Out

LOUISVILLE, Ky., (AP)—Louisville firemen answered a call to rescue two youngsters bogged down in the mud. The 6-year-olds, going home from school, decided to try a rain-filled ditch when they became stuck.

Car No. 1 Killer as 38,300 Die in '55 Traffic Accidents

CHICAGO (AP)—Traffic accidents killed 38,300 Americans in 1955—one of the heaviest tolls in history.

The motor vehicle held its perilous place as the No. 1 killer in accidents.

The National Safety Council today reported that last year:

Accidents of all types brought death to 92,000 persons, injured 9,200,000 and resulted in \$10,300,000,000 in financial setbacks—such as equipment and property dam-

age, lost wages and medical expenses.

Traffic accidents alone cost 38,300 lives, approximately 1,350,000 nonfatal injuries and \$4,700,000,000 in terms of cash.

Last year's motor vehicle death toll tied with the 1953 toll for the third highest on record. It was 1,669 under the all-time high of 39,969 reached in 1941 and approached closer to the 39,643 1941.

registered in 1937, the runner-up year.

PER CENT GAIN

The 1955 traffic toll showed an 8 per cent gain over the 35,586 total of 1954.

Traffic deaths rode a steady upward trend last year, and zoomed to record holiday heights during the Christmas period. The December toll of 3,960 was the largest for any month since December 1941.

The growth of population and the increase in travel also figure in comparisons. The 1955 death rate per 100 million vehicle miles was estimated at 6.4. That was 2 per cent higher than in 1954—which had the lowest rate on record.

The number of deaths from all kinds of accidents—2,000—showed an increase of 3 per cent over the 89,432 recorded in 1954.

Motor vehicle fatalities were responsible for the increase. Home accident deaths numbered 27,000,

a slight decrease. Accidental deaths at work added up to 14,200, a slight increase. Deaths in public but not involving motor vehicles made a small gain.

The all-accident death toll was substantially under the levels attained in some earlier years. It has topped 100,000 four times since 1934.

And the 1955 all-accident death rate of 56 per 100,000 population was the lowest on record except for the 55.5 mark attained in 1954.

1 OF 18 DISABLED

But 1 of each 18 persons in the United States suffered a disabling injury in 1955.

Falls last year cost 19,800 lives,

burns 6,100, drownings 6,400, fire-arms 2,300—each total showing little change from the previous year.

States' showing reductions in traffic death tolls were listed as Idaho, 23 per cent; Arizona, 11; Minnesota, 10; North Dakota, 4; Kansas, Oregon; Nebraska; New Mexico, Utah and Wyoming 3 per cent each; New Jersey 2 per cent, and Iowa and Maryland 1 per cent each.

At least 207 cities reported reductions. The largest decreases were credited to Syracuse, N.Y., with 37 per cent, Tampa, Fla., with 34 and Seattle and Dallas with 28 per cent each.

'Senior Citizens Day' Proposed in Congress

WASHINGTON (INS)—Sen. Norris Cotton (R-NH), has introduced a bill to authorize the President to proclaim the fourth Sunday in September as Senior Citizens Day.

Cotton said he sponsored the legislation to focus national attention on the problem of older persons and recognize their contribution "to the growth and development of our nation."

High Time Frequencies

NEW YORK—Columbia University researchers have developed an atomic clock that accurately measures time at frequencies of 24 billion cycles a second.

The device utilizes the energy of ammonia molecules to generate high-frequency radio waves without vacuum tubes.

British Prelate Chides Graham

Evangelist Accused of Distorting the Gospel by Archbishop of York

DURHAM, England (AP)—The Archbishop of York accused American evangelist Billy Graham today of giving "a very distorted view of the apostolic Gospel."

Describing Graham as "a man of utter humility and simplicity," the Church of England's new No. 2 prelate, Dr. A. M. Ramsey, wrote in the Durham Diocesan Quarterly magazine:

"There is evidence he has genuinely claimed to preach only the first steps of Christianity and directed his hearers to churches for the rest."

"There is also evidence (notably from his recent mission in Cambridge) he has taught the grossest doctrines and flung his formula 'The Bible says' over teaching which is emphatically not that of the Bible."

Dr. Ramsey's article was titled "The Menace of Fundamentalism." It attacked the Protestant movement which insists on the infallibility of the Scriptures and such Biblical miracles as the virgin birth and the physical resurrection of Christ.

He quoted Graham as saying the Bible "is a book written by God through 30 secretaries" and commented that this "is an error analogous to the error of the doctrine of transubstantiation where the supernatural part supplants the natural part thereby overthrowing the notion of sacrament."

"The theology of 'Christ bore your punishment; believe and be saved,' when accompanied by the fundamentalist's pulp cliché 'The Bible says,' is a very 'distorted view of the apostolic Gospel,'" the archbishop concluded.

Graham at present is conducting a revival tour through India. Attendance at his meetings there has been reported as the largest he has ever had.

Three Prowlers Startled, Wild Auto Chase Ensues

MESICK (AP)—A 55-year-old janitor at the Mesick Consolidated School gave chase to three would-be burglars yesterday but failed to catch them following a wild chase into the country.

Police said Merle Beidler told them this story:

He surprised the trio trying to open the vault in the school superintendent's office with crowbars. The three fled with Beidler giving chase in his car. After a wild three-mile chase on slippery country roads, the trio's car went into a ditch and Beidler's followed.

The men then jumped Beidler, threatening him with crowbars, and told him if he tried anything they would "bash" his head in. They dug their car out of the snow and left.

Beidler trudged back to Mesick and reported the incident to police. Police said the three, described

as in their early 20s, entered the school through an unlocked window. Officers said they were within one layer of brick from reaching the vault through a wall. The vault contained between \$200 and \$300.

Two other school robberies within a 20-mile radius of this Wexford County town also were reported.

Police said burglars robbed the Norman Dickson rural school at Brethren Tuesday night, taking \$200 from a 1,000-pound safe after prying it open with a chisel.

The Copemish School in Manistee County also was robbed of \$3 last night when burglars tore open a safe with crowbars.

Officers said they did not know whether the burglaries were related.

GM Motorama Attracts Area Residents to Miami

Couples to Attend Party Hosted by Pontiac Motor

Mr. and Mrs. Harold A. Fitzgerald of Ottawa drive left Thursday for Miami, Fla., to attend General Motors Motorama.

Saturday evening they will attend the Pontiac Motor Division party to be held at the Surf Club. On Sunday they will return home with Mr. and Mrs. Robert Critchfield and Mr. and Mrs. Robert Emerick.

Mr. and Mrs. Frank V. Bridge and Mr. and Mrs. Elmer E. Pettengill are also attending and will be present at the Saturday evening affair.

Another group in Miami attending General Motors Motorama includes Mr. and Mrs. Philip J. Monaghan, Mr. and Mrs. Barney W. Crandell, Mr. and Mrs. E. P. Crenshaw, Mr. and Mrs. R. C. Woodhouse, G. W. Sheldon, Charles W. Buck, H. T. DeHart, B. W. Wilton, R. Q. Tuuk and Ralph G. DeGraff.

Mr. and Mrs. Fotis Takis of Bloomfield Hills are vacationing for several weeks in Haiti.

Mr. and Mrs. Eldon Decker of Birmingham left today for their cottage at Lake near Clare. Upon their return Monday they will stop in Millington at the home of Mrs. Isaac P. Decker, who will return with them to Pontiac.

While in Pontiac Mrs. Decker will be the guest of Mr. and Mrs. C. J. Woodruff of Liberty street.

The Southland is beckoning to several more families from this area who are departing during the coming week for the warmer climate.

On Tuesday Mr. and Mrs. Turris McCully of St. Joseph street and Mr. and Mrs. Thomas Newell of Detroit are leaving for Fort Lauderdale and Clearwater, Fla.

Mr. and Mrs. Harold Owens of Watkins Lake and Mrs. Charles Hayner of Oneida road are leaving on Friday for Florida. Mr. Hayner will join them at a later date.

Also leaving during the coming week are Mr. and Mrs. Clifford Mossey of Mark avenue. They will

spend several weeks in Bradenton, Fla.

Barbara Barker of Martel drive, Bloomfield Hills, Ann Ward of Ottawa drive and Elaine Darden of Rochester are among the ski enthusiasts who will spend the weekend at Otsego Ski Club.

Pontiac Shrine was host to 1,000 students from Pontiac area schools Wednesday. The students were entertained at the Shrine Circus on the State Fairgrounds.

Mrs. Robert Scott and son, Robert Jr., of Chincoteague, Va., are visiting at the home of her parents, Mr. and Mrs. E. J. Waterbury of Mark avenue while her husband, Lt. Robert Scott, is in Puerto Rico with the U. S. Navy. They plan on remaining in the city until April.

Mr. and Mrs. Gordon Davis (nee Hazel Wheeler) of West Longfellow avenue are receiving congratulations on the birth of twin sons, Leslie Francis and Wesley Brian, Jan. 30 at Pontiac General Hospital.

Maternal grandparents are Mr. and Mrs. Fred Wheeler of Green street, Mr. and Mrs. George M. Davis of Romeo are the paternal grandparents.

SOCIAL ANVETS TO 2-18m
A semi-formal dance is being planned by Jimmy Dey Amvets Post. Peter Metes, chairman of the dance being held at Glen Oaks Country Club Feb. 25, has announced committee chairman.

Keith Biggers and Fred Olson are co-chairmen of the decorations committee, Stewart Houghton and Vic Maiden are handling ticket arrangements. Dan Murphy is engaging an orchestra for the affair and Ray Williams is in charge of dance publicity.

Jaycee Group Plans Showing of Spring Hats
A discussion of landscaping was conducted and movies were shown by William Aho and Don Nagle at the Wednesday dinner meeting of Junior Chamber of Commerce Auxiliary.

Plans were completed for the fashion show that will be held March 8 at Pontiac Federal Savings and Loan Building.

Modeling the hats from Waite's, Inc., at the hat fashion show will be Mrs. Jerry DuBois, Mrs. Robert Weddle, Mrs. Norman Harrison, Mrs. James Schell, Mrs. Don Anderson, Mrs. Leslie Hotchkiss and Mrs. L. H. Cole Jr.

A Valentine party will be held at the home of Mr. and Mrs. James Martin on Coleman drive on Feb. 11.

Guests for the evening included Mrs. Clyde Haskell, Mrs. Mel Eller and Mrs. William Kennerly.

The Women's Missionary Society of the United Methodist Church recently received word of an urgent need for bandages for the hospital operated by the society in Tungan Magajiva, Nigeria, West Africa. Photographed were the officers of the group (left to right) Mrs. Orville Todd of North Roselawn avenue, treasurer; Mrs. Harold

Leal Emes Group Conducts Meeting

Mrs. Edward Markham of Josephine avenue was hostess to the Leal Emes Group of the First Presbyterian Church Wednesday evening.

Mrs. Wayne Bigler and Mrs. Horton Southworth were guests. Devotions were given by Ethel Graham, and June Schlessner gave a talk on "The American Indian."

The group will hold a sewing meeting with Mrs. Paul Blystone on Auburn avenue Feb. 15. The March 7 meeting of the group will be a 6:30 p.m. dinner at Hotel Waldron.

Mrs. Brooks Heads Group Chapter Installs Officers

Officers were installed at the Wednesday dinner meeting of Tipacoon Chapter, American Business Women's Association.

Mrs. Dorothy Brooks was installed president and will be assisted by Mrs. Walter Asher, vice president; Mrs. Ruby Brusha, corresponding secretary; Mrs. Carroll Welch, recording secretary, and Mrs. Stephen Gibbs, treasurer.

Committee chairmen named by the president are Mrs. Charles Cook, service; Mary Ann Chif-

were shown by Albert Barnett, a former post commander of the American Legion.

Kathryn Sumpter was appointed general chairman of the Bosses Night dinner. Report on the City Federation of Women's Clubs meeting was given by Mrs. Ossie Gates.

Coming Events

Mom's and Dad's Club of St. Frederick School is sponsoring a buffet dinner at St. Vincent de Paul Parish Hall Saturday from 5 until 8 p.m.

The 1956-57 Proficiency Club will gather Monday at 7:30 p.m. with Mrs. Kenneth Anthony of 184 Mount Clemens St. for a business and social meeting.

Women's Literary Club meets Monday at 2 p.m. with Mrs. William Conrad, 22 Lorraine Ct., for a Valentine silver tea. Guests are welcome.

Glove Color Tips

Glove colors in the neutral group are pale beige, silver grey and ivory. Other colors are pastel pink, pastel blue, mimosa yellow and the spice tones of curry and cinnamon. All colors are keyed to ready-to-wear. A few suggestions—

pink, grey or ivory gloves with new reds and pinks; spice color gloves with orange; mimosa yellow or ivory with blue into lilac; pastel blue, grey or spice colors with new yellows.

Pakistan expects to boost its timber exports to India.

Group Honored at Dinner Held by Sisterhood

Forty members of the Corinne Sisterhood met Wednesday evening at the Malta Temple to honor protectors and charter members.

Charter members attending the dinner were Mrs. Betsy Shoults, Mrs. Don Bussard and Mrs. Albert Clark.

Protectors attending were Mrs. Elmer Beardsley, Mrs. Herbert Nelson, Mrs. Louise Ely, Mrs. Edith Levely and Mrs. Ella Hilliker. Others were Mrs. Glen Mason, Mrs. Bertram Barber, James Cross, Mrs. Ona Bixler and Mrs. William Daugherty.

Elmer Beardsley and Herbert Nelson, sir knights, also attended. Roll call was taken by Mrs. Beardsley and the history of Malta was read by Mrs. Albert Clark. Gifts were presented to protectors and charter members by Mrs. Daugherty, queen.

The dinner committee consisted of Mrs. James Schram, Mrs. Mary Kayga, Mrs. Fay Schram and Mrs. Florence Lange.

Newcomer's Sweater Upsets Other Girls

By ELIZABETH WOODWARD

"Dear Miss Woodward: Recently I moved here from another state, and last week I wore a sweater to school which was quite loose, had three-quarter sleeves and showed very little of my figure.

"However, the girls were very upset over my sweater. They disapproved strongly and said that if I continued to wear sweaters I would have no girl friends.

"Of course, the boys had the opposite reaction. My boy friend says I should ignore it all. I'd like to, but I'd also like to keep the girls as friends. What should I do?"

Answer: Ever social group, every neighborhood, every school has its own little quirks and foibles. The overall pattern of all of them may be quite similar. But they vary in details. And in most cases the rules and regulations on details are pretty strict.

It behooves a newcomer to case the situation before strutting around as a flamboyant individualist. It's smart to try to live

as the Romans do while you're in Rome, before playing any variations on the main issue.

The experience you've had in your new school is a case in point. Obviously, the wearing of sweaters has a deeper meaning than you suspect. Equally obviously, the girls who disapproved so vocally didn't let you in on the whole story—a story that concerns only the school you're now attending.

Something must have happened once to turn you're particular

group of girls against what is high fashion in other schools. And made them adopt a different costume as standard routine. But what? And why?

Why not gracefully follow their lead while you try to find out? Why not conform to the pattern the old-timers have set while you get on your feet and become thoroughly conversant with all their other rules and regulations?

Such conformity won't hurt while you're getting adjusted to

a new town, a new school, a new group of friends. It won't hurt you while this new group is getting acquainted with you.

But once you've taken your place among them, it's rather silly to let them make all the rules for you. Being no different from all the others is so dull.

Hide your impatience and bide your time. The boys seem to be all set to undermine the self-assumed authority of the girls who turn thumbs up or down. You

won't have long to wait before you subtly and quietly begin to show your own individuality and personality.

By that time the girls will trust you not to upset the old order. They'll like you for being not too different from the rest of them.

And likely as not they'll be ready for any little bit of variety you can offer them. Try it, and see.

Discussing plans for the Michigan State University Club dance are (left to right) Mr. and Mrs. William Kish of James K terrace and cochairman William Page of Oak Park. An out-of-town orchestra will play for the dance this evening from 9 to 1 o'clock at the Birmingham Country Club. Also assisting with the dance have been Richard Ernst of Birmingham, club president; Mr. and Mrs. Gar Meadowcroft, also of Birmingham, and Mrs. Joseph Perron of Royal Oak.

It's 2 for 1 in Recipes This Time

Mrs. Wiznerowicz Shares Her Ways of Making Frosting

By JANET ODELL
 Pontiac Press Home Editor

There are a number of frosting mixes on the market now, and many people will be thankful for them. But there are always cooks, and there are always times that demand a good home made frosting. Mrs. Richard Wiznerowicz gives us two recipes, one for white and one for chocolate frosting.

Mrs. Wiznerowicz is first and foremost a homemaker. She has four children, ranging in age from a first-grader to a senior in high school.

The New Sylvanites include her in their membership. She enjoys painting, both the number kind and the kind you do when the walls look shabby.

CHOCOLATE FROSTING

By Mrs. Richard Wiznerowicz
 Place a bowl in hot water and add:

2 squares unsweetened chocolate
 1 stick butter or margarine
 When melted, put bowl in a pan of cold water and add:

1 egg
 1/4 teaspoon cream of tartar
 2 tablespoons cream
 3 tablespoons cold water
 Let stand until bowl is cool. Beat until creamy. Frosts one cake.

WHITE FROSTING

1 cup sugar
 2 egg whites
 1/4 teaspoon cream of tartar
 3 tablespoons cold water
 1 teaspoon vanilla
 6 or 8 marshmallows

Mix all ingredients except marshmallows in pan and place over boiling water. Beat until frosting stands in peaks. Add marshmallows and stir in. Frosts one cake.

Before putting cold glasses into hot suds, run cool water over them first. This tempers the glass and prevents cracking due to a sudden change in temperature.

Central WSCS Gathers

The Woman's Society of Christian Service of the Central Methodist Church met in the church parlors Thursday.

Mrs. Percy Jones gave the opening prayer and read an article, "A Letter to Myself From Myself." Mrs. Arthur Sweet spoke on the place of women in the church and told how women have carried the religion of their peoples through the ages.

Colored slides were shown by Mrs. George Fiesler who told about Pittman Center, a project supported by the Women's Society of Christian Service.

Mrs. Richard Balmer, president, appointed Mrs. Henry Sink to the nominating committee and announced that Mrs. Colin Houston, WSCS conference secretary of spiritual life, would be the speaker at the March meeting.

Luncheon was served by the Martha Sheldon Unit, with Mrs. Earl Decker as chairman. Assisting were Mrs. Lena DeLong, Mrs. Frank Davis, Mrs. Cora Sherwood, Mrs. Mamie Tittsworth, Mrs. Harry Yeager and Mrs. Roy Kibbey.

WHAT'S THAT NEXT LINE? — In this scene from "Cradle Troubadour," three-act comedy to be staged at St. Michael High School Sunday and Monday nights, Fred West as a baby psychiatrist-to-be clutches his head in despair as he tries to remember the lines of a jingle that will win him \$15,000. At his right, Gerald Kucera, the

"Wandering Voice" who controls the award, counts off the fateful minutes. Joanne Allen (left) and Mary Singles urge Fred on in his effort to claim the prize. With the added attraction of a six-month-old baby and a live, bloodthirsty hound, the comedy-mystery promises a suspense-packed evening for both students and adults.

'Cradle Troubadour' to Be Staged

By JANET ENGLISH

Something new and different is in store for audiences of "Cradle Troubadour," St. Michael High School's senior play to be shown at 8 p.m. Sunday and Monday.

As part of the cast, six-month-old Peggy Sears will play the role of a kidnapped baby, and a live, ferocious bloodhound will aid in the ensuing search.

In the complicated plot, Bill Markeley (Gerald Steinhelper) and his wife (Pat Hayden) leave their baby with Touchy Williams (Fred West), who seems to be the best possible "sitter" since he is aspiring to be a baby psychiatrist. But in spite of foresight and care, events occur which upset his carefully laid plans and the baby completely disappears.

Police Sergeant McClosky (Janice Sears) ably handles the situation with her husband, Joe McClosky, played by James Daugherty.

Others in the cast are Judy Marquette, Larry Mason, Jack Erb, Frances Hayes, Ronald Mead, Margaret Bateman, James Ebert, Mary Singles and Joanne Allen.

Alternate parts will be played by John Adams and John Keller, Colleen McEnery and Pat Sears, Elizabeth Taylor and Rebecca Vitassinsky, Daniel Stark and Scott Schneider, Shirley Fox and Mary Heitjan.

The Senior Chorus will complete the evening's entertainment.

Emmanuel Christian Working on Yearbook
The Emmanuel Christian School yearbook staff has been busy this week preparing copy for the 1956 Conqueror. Working on the yearbook are Sharon Rollison, Mrs. Marie Stallcup, Connie Barron, Ronnie Thomas, Phil Wood, Fred Groves, Floyd Osburn, Pat Black, Robert Ferguson, Fred Kinzer, Jack Clarno, Barbara Vaughn and Anita Simoneau.

with two vocal numbers, a service medley and "On Moonlight Bay."

The behind-the-stage angle will be handled by Elaine Neussendorfer as stage manager. She will be assisted by Kerry Crobeau, Hugh Walker, Janet English, Maryann Lane, Richard Soucy, Pat Lane, Roberta Wright and Mary Hubarth. Jean Shaw, Joan Wiegand, Mary Lee Tunny, Rose Weishaar are in charge of make-up.

TICKETS AT DOOR
Miss Natalie Sayers of Detroit is directing the production. Tickets will be available at the door at 75 cents each.

Last Wednesday Father Frederick Gehrin, C.M., was the honored speaker at a general high

school assembly. His stirring message on China and the missions moved the students to a realization of how extremely fortunate we in America are. We enjoy freedoms almost unknown in countries such as China.

"An American Road" was viewed by the American history classes Monday. The advances of industry since the Model T Ford made up the historical background of this film.

WINS SCHOLARSHIP
Jim Barnowsky, a junior, has been named as one of the winners of the Dale Carnegie Scholarships offered by Junior Achievement. He attended the first session in Highland Park last Friday.

Along with report cards on Monday came the announcement that

6 seniors, 4 juniors, 18 sophomores and 8 freshmen had earned a place on the roll of honor for their efforts last quarter.

St. Fred Holds Book Program

Talk by Bishop, Skits, Panel Talks Highlight Parent-Student Night

By ANN SCHACHERN

Big event at St. Frederick High School this week was the program for parents and students which took place last night. On arrival at the hall, students were given their report cards. The program to stimulate the reading of good books followed.

Girls of the Dramatic Club had charge of decorations, skit direction, clerical work and ushering. There was a panel of book discussion and skits dramatizing parts from Silas Marner and The Merchant of Venice, as well as student originals.

Highlight of the evening was a talk by the Most Rev. Alexander Zaleski, Pontiac auxiliary bishop, who discussed reading in the educational program. A book display set up in one end of the gym attracted its share of attention.

SFHS students have been selling tickets and baking donations for the Benefit Dinner which will take place in the parish hall from 5 to 8 p.m. tomorrow. Proceeds will go to the school lunch program.

Senior girls' Dramatic Club elected officers recently. They are: President, Elaine Hahnfeld; vice-president, Irene Zoulek; secretary, Mary Ann Saghy; and treasurer, Niceta DeConick.

Physics class with instructor Mr. Gene Wright visited the Ford Rotunda yesterday.

Girls' basketball team beat St. James, Ferndale, Sunday. The score was 22 to 16.

WINS EDISON AWARD — Jane Hoffman of 2760 Sylvan Shores, a graduate of St. Frederick High School, is one of 35 Michigan winners of one-year college grants given by the Detroit Edison Co. Now in her first year at Aquinas College, Jane is shown here with Hugh Watson of Edison's Pontiac branch at a recent Scholarship Day program in Detroit. She was picked from among January and June 1955 high school graduates to receive the award on the basis of scholarship, character, citizenship and extracurricular activities.

Sports, Style Show, J-Hop Spark Area School Interest

Sports, a style show, preparations for a J-hop and a banquet sparked student interest in Pontiac area schools this week.

With the new semester almost a week old, students were in the groove when it came to planning new activities.

STYLE SHOW HELD
Rochester High School Home Economics Classes launched off the school's new semester with a style show last night in the school gymnasium.

Students modeled garments they had completed in the course of the previous semester. Emceeing the show was Geneva Murray, instructor of the classes sponsoring the affair is Mrs. Earnestine Miles.

Rochester played Milford on the Rochester court Tuesday night. The game ended in defeat for Rochester's Falcons, however, with a score of 44-35.

RHS cagers will play Romeo on

the home court tonight. An afternoon pep assembly was given to boost the players on to victory. Along with tonight's game will be a dance, sponsored by the sophomore class.

J-HOP AT AVONDALE
Ton row night's J-hop is the big event at Avondale High this week. With Pete Bentz furnishing the music, the junior class is expecting a large turnout, with many alumni included in the group.

The boys on the basketball teams have their first free Friday night since New Year's. They will be back in action at Waterford next Tuesday. Meanwhile, the girls team is playing a decisive game at Royal Oak Madison this afternoon.

Avondale's annual athletic banquet next Wednesday will feature Michigan State University's former All-American and present backfield coach Lou Zarza a master of cere-

er, and former Wayne University coach Lou Zarza as master of ceremonies. Special football awards will be given out at the banquet, tickets for which can be purchased from any Avondale athlete.

Thursday night will find students cheering their faculty team in a basketball match with the Clawson faculty. Athletic director Frank Crowell claims to have the greatest aggregation of basketball talent in Michigan, but some of the students are skeptical.

PLAN DRIVER TRAINING
Because of a new state law, driver education program at Walled Lake High as well as other schools is undergoing a change. The new law, effective in February, 1957, will require persons under 18 to have completed a course in driver training before getting a driver's license.

Each student must have an opportunity to take driver education, and next semester the Walled Lake

course will be offered to juniors and seniors who have not previously completed the training.

The course will call for six hours behind the wheel and 30 hours of classroom work, and the state will pay the school \$25 for each student taking the instruction.

Under the new system, each group of drivers will receive behind the wheel training for 3½ weeks. Classroom instruction for all will commence the beginning of May. Two driver training instructors, Don Smith and Miles Freeland, will alternate giving road tests and classroom instruction.

Two types of transmissions are being used in the driver training cars this year, the standard shift and the automatic, to allow practice with both types of transmissions.

For the past seven years, driver training has been available to most Walled Lake sophomores.

Over 2,400 Enroll at PHS

By VICKY MICU

With 245 fledglings from the city's five junior high school attending first classes at Pontiac High School this week, the spring semester opened with over 2,400 students enrolled.

Besides new students, a number of new teachers have come to Pontiac High School. Two new driver training instructors, Elmer E. Lee and George H. Stewart, have been added to the drivers training staff, bringing the number to four.

Herbert Stewart is a new history teacher, and beginning next week instructor Prueter will be

with the art department. Mike Adoniam will instruct in the science and math department.

New students are being offered a special student union activity plan costing \$4 in return for the yearbook, the Quiver; a number of basketball games, four assemblies, and the school paper, the Tomahawk for the remainder of the school semester. The cost of these benefits, is only a dollar more than the cost of the yearbook itself.

GET ACQUAINTED

Most of the week students spent becoming acquainted with classes and teachers and obtaining minor adjustments in schedules.

There are some classes this semester which are first.

Prominent are the reading improvement classes. Journalism classes are being held in French (which began in the fall) is in its second semester. Also new is the forensics class.

Club elections and activities have also started off with the new semester. The PHS Biology Club, the Linnear Society, chose Emanuel Williams as president. Other officers are Bill Hanson, vice president; Patricia McAllister, secretary; James Livingston, treasurer; and Bob Tenny, historian.

The Future Nurses Club installed its officers after school Wednesday. The glee clubs also are electing officers. Sharon Holland was chosen president of the Selective Girls' Glee Club, Julie Blank assists her

as vice president; Barbara Berg is secretary and librarians are Maria Cosmos and Mary Alice Williams.

Both the PHS basketball team and the swimming team will travel to meet Saginaw Valley competition.

The basketball team will meet Arthur Hill at Saginaw tonight, while the Naturs take on Flint Central.

Varsity cheerleaders are proud of their new black skirts with the vivid orange lining, widely flared so that the contrasting shades make a colorful spectacle when the girls step or turn. Junior cheerleaders have orange skirts with black lining. The new costumes were a Christmas gift of the student body.

Focus on Future at Waterford

Students Plan New Play, Talent Show Entries, Senior Prom

By JEAN LIUMATTA

After the pressure of mid-term exams and report card markings, Waterford Township High School students swung into the new semester with plans for future plays, talent show entries and parties.

Eighty dollars was contributed to the March of Dimes as a result of the Student Council's charity dance held last week. Nearly 300 students attended.

The Skippers chalked up a Waterford victory Friday when they defeated Van Dyke. Tonight Walled Lake will visit Waterford. Student Council is planning an after-game dance in the gym.

Tomorrow at 8 p.m. seniors will attend their second class party at the home of Barrett Harrison on Scott Lake. Skating, tobogganing, and dancing are the activities planned.

Don Barry's popular Detroit dance band has been tentatively contracted for the senior prom. Five seniors and their sponsor, Donald Arsen, visited a Detroit ballroom last Friday to hear Barry's band.

Waterford's honorary journalism society, Quill and Scroll, will initiate new members Feb. 22 at 7 p.m. Fifteen students who have done outstanding journalistic work and are in the upper third of their class are being considered for entrance.

With the help of Pontiac High's Society, the WTHS Ripley-Day Chapter was formed last year. Officers of the 14-member club are Karl Liewert, president; Barbara Graham, secretary; and Eleanor Passage, treasurer.

Dramatics club members will begin trying out for roles in the new play, "Harvey," next week. Mary Chase's story of an imaginary rabbit is sure to be a hilarious comedy.

Student Council is holding auditions for the Inter-Lakes talent assembly. Waterford will see the performers from the various Inter-Lakes schools Feb. 22.

List Honor Students at St. Michael High

Seniors on that honor roll at St. Michael High School are John Keller, Janice Sears, Pat Sears, Gerard Steinhelper, Rebecca Vitassinsky, and Janet English.

Top honors in the junior class are being held by Gary Sabourin, Mary Raymond, Loretta Lauinger and Pat Martin.

Ronald Andrews, George Budwit, Michael Buchanan, Tom Chapdelaine, William Fitzgerald, Rose-Marie Flanagan, Helen Franzel, Pat Harbert, Kathleen Heitjan, Jacqueline Hoover, Frances Goulet, Mary Ann Johnson, Elizabeth Klinck, Robert Mineweiser, Phyllis Raymond, Constance Shindorf, Joseph Tatham and James Wyzgoski make up the list of sophomore honor students.

Freshmen Jane Rindfuz, Roberta Schumacher, Mary Louise Taylor, Marlene Tadlock, Michael Moultrup, Delores Ardelan, John Fortier and Dominic Ginnell complete the roll of honor.

St. Fred Teacher Qualified to Give Driver Training

Although St. Frederick High School has no organized driver training course, the school has a qualified instructor ready in the event such a course is scheduled.

Eugene T. Wright, athletic coach and algebra and physics instructor, was graduated Friday from the 26th Driver Training Institute at the University of Michigan.

He attended the week-long Institute on an all expense scholarship from the Automobile Club of Michigan, receiving 40 hours, special training in classroom and behind-the-wheel driver education teaching methods.

V for Victory?

St. Michael High School's junior varsity cheerleaders are sporting new blue-grey V-neck sweaters, a diversion from the turtle-neck variety worn by the varsity squad.

LATEST MODE FOR CHEERLEADERS—Pontiac High School cheerleaders went feminine this semester when they abandoned slacks for smart felt-cloth skirts, flared in the latest mode. Here are Fran Glisky, left, and Judy Coffer, right, look

on while Captain Margaret Seivala, center, reads the latest cheer. The varsity cheerleaders have black skirts lined with orange, while juniors have the colors reversed. The new outfits were a Christmas gift from the student body.

Madison Looks Forward to Big Move Schedules Keep Junior Highs Busy

With the semester's new crop of pupils enrolled, both students to the school's spirits — Tuesday and teachers were busy with day's basketball victory over Isaac Crary Junior High. In their 15th consecutive win (the second over Crary), Washington's Braves chalked up a score of 57-28.

The introduction of new teachers, selection of clubs, choosing of hall guards and patrols and distribution of report cards were only a few of the matters that drew their quota of attention.

AT MADISON
Madison Junior High School's semester has been extended temporarily. Students and teachers, still in their old building at Weaver school, are eagerly waiting the transfer to the new building.

Clubs have adjourned until after moving day, and activities are generally at a standstill. However, some homerooms are making preparations for homeroom parties.

AT EASTERN
Eastern Junior High reports a busy week.

Cafeteria, noon and hall guards are newly organized. It is the job of these guards to keep order and prevent unnecessary disturbances in the hall between classes and in the cafeteria during lunch.

The outside patrol soon will have its boys stationed on corners near the school, to give needed traffic-type help.

There was much pondering and deciding Tuesday after school and Wednesday morning, when students joined clubs.

AT WASHINGTON
Washington Junior High started

the week with another big boost to the school's spirits — Tuesday and teachers were busy with day's basketball victory over Isaac Crary Junior High. In their 15th consecutive win (the second over Crary), Washington's Braves chalked up a score of 57-28.

Wednesday, Washington's seventh and eighth grade teams kept up the good work when they won both their matches against Crary, by big margins.

Students got report cards Monday, the first day of the semester, and also program cards listing classes and teachers.

The school has two new faculty members. Mrs. Eunice Thompson is the new physical education instructor and Ernie Watson has returned to Washington to teach math and geography.

AT LINCOLN
Lincoln Junior High's eighth and

LINCOLN OFFICERS—Tom O'Brien, president, and Judy Phipps, vice president, new school officers of Lincoln Junior High, are planning out their work ahead of time, so they'll have a headful of good ideas to start the new semester Monday.

U.S. Census Shows Oakland County Farms Worth More

Value \$301 Acre; Survey Shows

Average Price \$84.37 for Nation, According to Census Bureau

Special to the Pontiac Press
NEW YORK — Acre for acre, farms in Oakland County command higher prices than do those in most other parts of the nation. This is one of several encouraging aspects of the local farm problem revealed in the Census Bureau's new Census of Agriculture.

The results of the survey are being issued in preliminary form for each of the 3,067 counties in the United States. It is the first thorough study of the kind since 1950.

It shows that the average value of farms (land plus buildings only) in Oakland County is \$301.49 an acre, an increase over the 1950 figure, \$195.62 an acre.

This is more than farmers can get for their property in most parts of the country. The average price is \$84.37 an acre. The local figure is better, also than that for the northern states as a whole, \$107.49 an acre.

OVER-ALL TOTAL UP, TOO
In terms of total dollars per farm, values also rose locally since the last census. The average value in the county, excluding machinery and equipment but including land and buildings, has climbed to \$30,612 per farm, according to the current census. It had been \$17,267 per farm in 1950.

The downward drift of agricultural prices, which has become a matter of major concern to the entire nation, has meant an overall decline in net farm income.

In effect, according to the Agriculture Department, has been somewhat cushioned by the fact that there has been a large drop in farm population. The farm income, therefore, on a per capita basis, has declined to a smaller degree.

Some measure of relief is expected through enactment by Congress of the President's soil bank plan, which contemplates the retirement of roughly 10 per cent of farm land now planted to crops.

This would mean, according to the census data, the retirement of up to 10,588 acres in Oakland County where there were 105,876 acres normally planted to crops.

New Zealand will give \$2,800 toward the cost of a headquarters for the Boys' Brigade, in Wellington.

CHAMP WITH NOSE TROUBLE — Carl McKone, Jackson County farmer, blows the nose of his Hereford steer. The Hereford won grand champion honors at Michigan State University Farmers' Week at East Lansing yesterday.

Business Plans Open House

Stone Realty in Romeo Moves Office to New Location

ROMEO — The new home of a local business concern, Stone Realty will be the scene of an open house from 2 p.m. on Saturday.

The real estate offices have been moved from South Main Street to a one-story building recently completed at 67100 South Van Dyke.

Mr. and Mrs. Philip M. Stone, who managed the business with his mother, Mrs. Helen M. Stone, had spent two years planning and designing the structure. It is constructed of cement blocks and brick facing with maximum use of picture windows across the front.

The beam ceiling sales room private office and kitchen are on street level. The cedar paneled conference room is the main feature in the basement of the building.

Sales force personnel includes Mrs. James Lindsay, Paul Hillman, and Wayne Kasuri.

Lathrup Church Addition Gets New Furnishings

LATHRUP VILLAGE — The new lounge in addition to the Community Congregational Church on Southfield Road, will get new furniture in the near future. A committee has been chosen to purchase the furnishings.

Total cost is expected to be \$4,000, \$1,200 of which comes from the Women's Society and a \$2,800 loan from an anonymous member.

The entire addition is nearly completed, and will be ready for use soon.

Hazel Park 3 Face Murder Charges

HAZEL PARK — Three Hazel Park youths were indicted yesterday on first-degree murder charges for the Jan. 24 holdup slaying of a Wapakoneta, Ohio tavern keeper.

Arraignment of the trio, Bernard H. Harris, 19, James D. Thornton 20, and Pvt. Willie R. Thomas, 20, is scheduled for Wednesday, following the Auglaize County grand jury's indictment.

A plea of innocent has been made by the youths.

In six months, England met export orders for planes worth \$85,000,000.

County Scouts Schedule Birthday Celebrations

WATERFORD — Cub Scout pack 131 of Waterford will hold its Blue and Gold banquet Feb. 14 in the CAI Building. The event will honor the birthday of scouting.

There will be a potluck supper at 6 p.m. for the boys and their families.

Waterford Village PTA sponsors the troop and members have been invited to attend the banquet.

The public is invited to see the handicraft display presented by the scouts.

Four Towns
The Boy Scouts and Cub Scouts of Troop 67 have planned their Blue and Gold program for Friday, Feb. 10. The affair will be held at the Four Towns School at 7:30 p.m.

Wayne Wilcox is Boy Scout leader and Cecil Ries is Cub Scout leader. Refreshments will be served.

Bill May Permit Non-Resident to Serve City

LANSING — The Senate today received a house-approved bill allowing municipal courts to appoint clerks who are not residents of the city in which they serve.

Rep. Vernald E. Horn (R-Ey) would permit a Ferndale resident to continue serving as a clerk at the Royal Oak municipal court.

Residents of Royal Oak will vote this August on a proposed charter amendment extending the powers of the municipal court and allowing out-of-city residents to serve as clerks.

Royal Oak Builder Plans Russian Tour

ROYAL OAK — Edward W. Pratt, newly-elected chairman of Royal Oak's planning commission, is one of 10 U.S. builders who will tour Russia this summer.

The group is an exchange with a group of Russian builders who toured the United States last year.

Pratt Construction Company, Roy-Seminole, is president of the Wake-Pratt Construction Company, Royal Oak, former president of the Builders Assn. of Metropolitan Detroit, and director of the National Builders Group.

Church Group to Meet Thursday in Marlette

MARLETTE — The Women's Society of Christian Service will meet in the Methodist Church parlors Thursday, Feb. 9, at 2 p.m.

Mrs. Riley Ramsey will have the program "The World's Laborer-Worthy of His Hire." Mrs. Gene Miller will give the devotion, and Mrs. Ida Elliott will be hostess.

Utica Girl to Marry

UTICA — The engagement of Marie Gunnels has been announced by her parents, Mr. and Mrs. Gilbert Gunnels, 861 Grace St. Marie will marry Pte. Lawrence H. Fulkerth, son of Mr. and Mrs. Lawrence Fulkerth of Warren. No wedding date has been set.

Mental Health Topic at Lapeer

Schedule Feb. 10 Date for Teachers' Institute in County

LAPEER — Lapeer County Teachers' Institute will be held here on Friday, Feb. 10. The program will include a discussion on "Mental Health."

Paul T. Rankin, assistant superintendent for Detroit schools, will open the program with remarks about the Michigan School Mental Health project, followed by keynote speaker G. S. O'Sullivan, Detroit psychiatrist.

The team will visit only a few counties in the state, R. A. Gretenberger, Lapeer County Schools Superintendent said.

Michigan Mental Health Society is initiating a pilot project in the study of mental health, purpose of which is to help schools and teachers make the learning environment insure development of good mental health.

Frozen Vegetables to Be Slightly Higher

WASHINGTON (INS) — Until about July 1, consumers may expect to pay slightly more for canned, packaged and frozen vegetables than they did during the first six months of 1955.

In a summary of "the vegetable situation," including frozen vegetable stocks, the Agriculture Department said also today that supplies of canned and frozen vegetables available for distribution during the current marketing season are slightly smaller than a year ago.

It added that with the prospect of reduced stocks at the end of the marketing season, for the second straight year, vegetable processors are expected to seek a slightly larger pack this year than in 1955.

Officials say that prices received by growers for winter-season vegetables are expected to average about the same as a year earlier.

Organ Recital, Dedication Set at Orion

LAKE ORION — The Methodist Church here will present J. Warren Gregory of the Strathmore Methodist Church, Detroit, in an organ recital Sunday at 7:30 p.m.

Mr. Gregory, one of Detroit's outstanding organists, holds several degrees in music.

Neil Soper, tenor soloist, will assist in the musical program. Dr. Mont C. Oliver, minister, will dedicate the organ.

2 Marlette Students Honored by University

MARLETTE — David Boyne, son of Mr. and Mrs. Neil Boyne, and Gordon Pabst, son of Mr. and Mrs. Julius Pabst, all of Marlette, were recently honored for their scholastic standing at a dinner given by Dean Thomas K. Cowden of the Michigan State University's College of Agriculture.

Boyne and Pabst are among the top ten agriculture students of their classes. David is a junior, majoring in Dairy Production, and Gordon is a sophomore, majoring in Agriculture Education.

To Give Hobby Lesson

LAPEER — Mrs. Dorothy Pohl, Lapeer County Home Demonstration Agent, will present a lesson on "Hobbies," at 1 p.m. Monday in the County Center Building. The meeting will be for leaders of various local groups throughout the county. Several persons with interesting hobbies will be present to talk about them.

Reveal Engagement

UTICA — Mr. and Mrs. Bert Van Dyke, 55150 Van Dyke, Washington, announce the engagement of their daughter, Sally Joanne, to Angelo Diccico, son of Mr. and Mrs. Anthony Diccico, 52049 Mound Rd. No wedding plans have been made.

County Births

Troy
St. Ann's Guild meets at 12 p.m. Tuesday at the home of Mrs. Vincent McAvoy, 361 W. Big Beaver Rd. for a potluck lunch.

Mrs. Ray Probst, 450 W. Watline Rd. will entertain the Mulberry Bunko Club at 8 p.m. Monday.

Auburn Heights
Mrs. R. H. Lowery, 3102 Devondale Dr. will entertain the Mary Martha Society of the United Presbyterian Church of Auburn Heights at her home at 7:30 p.m. Tuesday.

WILMA JOAN MINER
Mr. and Mrs. Clifford Miner, 5420 Center, Clarkson, are announcing the engagement of their daughter, Wilma, to Norman Dell, son of Mr. and Mrs. Adrian Dell, 1790 Orchid, Waterford Township. The couple has chosen a Feb. 18 wedding date.

SHERLIE J. PEARSALL
Mr. and Mrs. R. Arthur Pearsall of Elkhorn, Wis., formerly of Crescent Lake, Waterford Township, are announcing the engagement of their daughter, Sherlie Joyce, to Dale E. Lium, son of Oscar Lium, of Barron, Wis. The couple plans a June wedding.

To Give Oath to Junior Police

ROMEO — Members of the newly organized Junior Police Unit will be sworn in at 2:30 p.m. tomorrow in ceremonies to be held in the village clerk's office.

Police Chief Gordon Osgood will administer the oath of office to 17 boys who have been meeting regularly every Saturday.

David Reynolds, captain of the unit, reports membership for boys between 12 and 16 is still open.

Tentative rules and regulations are now being studied by the junior policemen. They have selected their badge and elected their officers. A program of activities is also under consideration.

Cuba is expanding its nickel plant production facilities at Niquero.

Your PTA Is Planning

Men to Ready Program for Poppleton Meeting

TROY — The Poppleton PTA will meet at 8 p.m. Thursday. Fathers will take over the evening's program.

There will be refreshments, cafe style. Anthony Vurich, fifth grade teacher, will be master of ceremonies, and an all-male chorus plus pantomime skits will be featured in the show prepared by the men.

Frank Wilcox, Robert Bevier, Alex Tunstall, Lloyd Stage, Walter Kostich, Frank Medici, and Thomas Rector are in charge of the program.

Troy Colerain PTA will meet at 8 p.m. Wednesday. The nominating committee will present its slate.

Clarenceville Seeks Leaders for Girl Scouts

CLARENCEVILLE — The local Girl Scout Assn. is sending out a plea for additional volunteer adult leadership for the 86 Girl Scouts and Brownies of the district.

A waiting list, which grows weekly, could be discontinued with additional assistance from married or single women who would assist. Training will be provided.

Newly elected officers of the group include: Mrs. Charlotte Rice, president; Mrs. Stanley Fellows, vice president; Mrs. Pat Gould, secretary, and Mrs. Emilie Schulkins, treasurer.

Ask \$10 Million Increase in School Milk Program

WASHINGTON (INS) — The House has passed and sent to the Senate an emergency measure to increase by 10 million dollars federal funds for the special school milk program during the current school year.

The bill, approved unanimously by a voice vote Wednesday, provides that federal participation with state and local groups should amount to 60 million dollars in the current fiscal year.

Named Patrol Leader

FOUR TOWNS — Susie Gravelle has been chosen patrol leader for the round-up of Northern Oakland Council to be held in June at the Highland Recreation Center Area.

County Calendar

Utica
Mr. and Mrs. Ivy Ward, 4550 Joseph St., are parents of a daughter, Shirley Alma.
Mr. and Mrs. Robert Smith, 11509 Rhode Dr., are announcing the birth of a son, Glenn.
A daughter, Kim Agatha, was born to Mr. and Mrs. James Chowna, 47562 Frederick.
Mr. and Mrs. John Dobson, 41347 Ryan Rd., are announcing the arrival of a daughter, Terri Leigh.
A son, David Mark, was born to Mr. and Mrs. Stanley Brock, 13730 Southgate Dr.
Mr. and Mrs. James St. Amant, 47527 Winthrop, announce the birth of a son, James Roy.
A daughter, Renee Laura, was born to Mr. and Mrs. Gerald F. Koehls, 49233 W. Valley Circle.
Mr. and Mrs. Richard J. Heideberg, 8048 Janis St., are parents of a son, Fred James.
Mr. and Mrs. Roger R. Renuach, 7317 Greely St., announce the arrival of a son, Rodger Frank.

CONTAFLEX II

with built-in photo-electric exposure meter

Whether you are using black and white or colour film, the photo-electric meter built into the CONTAFLEX II always shows the correct exposure. The meter reading stays put as on a stop watch, so that you can read off the correct shutter speed for each lens aperture and vice versa. Even when using filters there is no need for calculation. The exposure meter has two measuring ranges and gives accurate readings even in the poorest light. You can be sure of successful pictures every time.

ZEISS IKON precision right down to the smallest component—that applies to both camera and exposure meter. Twenty years of experience in the manufacture of built-in exposure meters are your guarantee.

Hockey Champion - - - U.S. or USSR

CORTINA D'AMPEZZO, Italy (U. S. has a 13 goal difference on 17-4.

The United States' surprisingly strong hockey team and Russia, the only two unbeaten teams in the Olympic round-robin tournament, clash tonight (2:30 p. m. EST) in a game that could decide the championship. Each has a 3-0 record.

Canada, the pre-tournament favorite, found itself in the peculiar position of rooting for the Soviet against the U. S., its friendly southern neighbor.

Once-beaten Canada's only hope is that the Russians knock over Uncle Sam's sextet and that it can whip the Soviets on Saturday while Czechoslovakia downs the U. S.

Upset conquerors of Canada 4-1, the U. S. team showed no signs of letting up Thursday when they walloped Sweden 6-1 while Russia beat Czechoslovakia 7-4, and Canada overwhelmed Germany 10-0.

In the victory over Sweden, the big gun in the U. S. attack was Johnny Matchefts of Eveleth, Minn., just as his fellow townsman, Johnny Mayasich, was the star of Tuesday's ambush of Canada.

Matchefts rapped in a goal in each of the first two periods and earned an assist on the final Yank tally in the third period during which the U. S. scored three times.

Goals could be all-important in this tournament. If there is a tie for first, the championship will be decided on the difference in goals made and goals against. On the basis of the first three games, Russia leads the U. S. with a 14 point difference on 19 goals scored and five against. The

Swedish team, which has a 13 goal difference on 17-4.

In today's activity Toni Sailer, the dashing skiing plumber from Austria, completed an unpre-

cedented Alpine "triple slam" and America's veteran Art Tyler drove his four-man bobsled into championship contention.

The 21-year-old Sailer, already winner of the giant and special

slalom events, tore down Mt. Tofana's perilous, ice-crusted course in two minutes, 52.2 seconds to beat 85 rivals in the men's downhill race.

Americans made a poor showing

Ralph Miller of Hanover, N. H., tumbled on a sharp swerve and Marvin Melville of Salt Lake City, Utah, also fell during his descent. Wallace (Bud) Werner of Steamboat Springs, Colo., was far back in three minutes, 5.8 seconds.

Tyler, a 40-year-old Rochester, N. Y., physicist who has been risking his neck for years on the death-inviting bobsled runs of the world, shot his oak and steel machine down Tofana's lightning-fast chute in record-breaking time to finish third behind two Swiss sleds at the half-way point on the four-man competition.

The first two of four runs were staged today with the final two runs tomorrow.

U. S.-SWEDEN HOCKEY MATCH — Ken Purpur, right, of Grand Forks, N. D., and Vilgot Larsson of Sweden, race across the ice in the U. S.-Sweden Olympic hockey match at Cortina d'Am-

pezzo, Italy. The U. S. downed the Swedish team, 6-1, to continue its drive toward its first winter Olympic hockey championship.

Hebert Leads First Round at Phoenix

PHOENIX, Ariz. (U. S. The golfing scores under par. Jay was 1 over par at 72.

Such professionals as Cary Middlecott (72), two-time winners Jimmy Demaret (73) and Lloyd Mangrum (74), 1935 winner Gene Lister (74), and U. S. Open champ Jack Fleck (79) were taking a backseat to the lesser renowned Lionel Hebert. But the tournament picture was still uncertain.

Ten players were within three strokes of the leader. Most of them were dark horses, while a scattering, such as Bo Winger, at 69, Jack Burke and the nonrelated Palmers, Johnny and Arnold, at

70, could be regarded as definite threats.

So it was up to brother Lionel, who plays out of Erie, Pa., to produce another good round. Or for brother Jay to come through with one of his own. Oddly enough, the two generally wind up within a stroke of each other after 72 holes.

Jaw Reported Broken

DeMarco TKO'd in 5th

LOS ANGELES (U. S. — Don Jordan caught Brooklyn's Paddy DeMarco with a clean one-two last night to score a surprise 5th round technical knockout over the former world lightweight champion in a scheduled 10-rounder at the Olympic Auditorium. A State Athletic Commission doctor said DeMarco's jaw was broken.

DeMarco kept the fast-stepping California State Lightweight

McCoy, Ebben in Top Ten

By THE ASSOCIATED PRESS
Michigan State's Julius McCoy now stands 4th in the race for the major college basketball scoring title, with an average of 27.5 points per game.

University of Detroit's Bill Ebben is in a three-way tie for 7th with a 24.9 average.

Darrell Floyd of Furman still leads the pack with 476 points in 14 games on 176 field goals and 124 free throws for an average of 34.0. Robin Freeman of Ohio State, who got 46 against Michigan State last Saturday, is second with a 33.4 average.

Western Michigan's Roger Newman continues to lead in free throw accuracy with 56 of 63 for 89%, but is not among the top 10 in total scoring.

GMC Day Shift Quintet Winner in Union League

GMC's Local 594 day shift basketball team walloped Ford Local 898 of Milford, 77-44, in a UAW-CIO League game Thursday night at the Eastern Junior High gymnasium.

Mel Taylor poured in 28 points and teammate Dale Davis contributed 21 as the GMC union cagers rolled to their 4th triumph in six tries. Chuck Anderson and Al Theriault were high for last place Ford's with 14 and 11 points respectively.

Marquette Expects New Grid Mentor

MILWAUKEE (U. S. — It appeared today that Marquette University will announce, before the week is out, selection of a new football coach to succeed F. L. "Frosty" Ferzacca.

Marquette's newly appointed athletic director, Laurence "Moon" Mullins, said late yesterday he had made a decision on a replacement and sent his recommendation to the university's athletic board. He said at Manhattan, Kansas, "Ferzacca was not the man I recommended."

Cincinnati, St. Louis Out of Reach for NIT Spot

By THE ASSOCIATED PRESS
A classy Cincinnati club, with a powerhouse guy named Phil Wheeler, left the selection committee of the National Invitation Tournament crying in its beer today over what might have been.

The Bearcats looked great in beating St. John's of Brooklyn 93-78 at Madison Square Garden last night. Wheeler scored 37 points. But for all the raves, Cincy (14-3) is beyond reach of the NIT because of NCAA probation.

The NIT has decided to skip any teams not acceptable for the NCAA championship tourney.

St. Louis also left the NIT a bit gloomy last night, coming from 11 points back to edge Wichita 90-88 on two free throws in the last 5 seconds by Jim McLaughlin, who scored 36. That gave the Billikens a 3-0 record in the Missouri Valley Conference and a trump card in the title chase that leads to the NCAA Tournament.

The NIT would much rather have been assigned to Fort Worth in the Missouri Valley—and pay a return visit to its shindig.

St. Louis, which also defeated

GM Earnings Surpass \$1 Billion Mark

'55 Achievement All-Time Record

First Industrial Firm in History to Hit, Go Over Figure

MIAMI (U)—General Motors last year became the first industrial corporation in history to reach a billion dollars in net earnings for any one year.

On record-smashing dollar sales of \$12,443,000,000, the corporation had net income of \$1,189,000,000.

The net income compared with \$866,000,000 in 1954, and with the 1953 record high of \$834,044,039.

The dollar sales volume compared with \$9,824,000,000 in 1954, and the 1953 record high of \$10,028,000,000.

The figures, along with new records in employment and payrolls, were announced by Harlow H. Curcio, GM president, at a news conference preceding the opening here tomorrow of the Miami phase of the GM Motorama of 1956.

Curcio said the average number of salaried and hourly-rate employees on GM payroll throughout the world numbered 624,000 last year, compared with a 1954 average of 576,667 and a 1953 previous record total of 605,662.

These workers, the GM president said, received \$3,127,000,000 in salaries and wages, compared with \$2,510,000,000 in 1954, and a previous 1953 record of \$2,676,044,049.

In the United States alone, Curcio said, 410,000 hourly rate employees received more than \$2,180,000 in wages. In 1954 hourly employees numbered 367,000 who received \$1,747,000,000 in wages.

Curcio also told newsmen GM's 1955 tax bill, including provisions for state and local taxes, will be "in the area of \$1,600,000,000." The comparable 1954 figure was \$1,635,000,000.

Curcio previously has said approximately 85 per cent of GM's dollar volume comes from its automotive operations. In last year's record-smashing operations for the auto industry the corporation's various divisions built 3,989,987 passenger cars and 500,972 trucks and coaches in the United States.

In the previous record year of 1950 vehicle output by GM divisions included 3,048,357 cars and 609,512 trucks and coaches. Today's announcement of the newest series of records came as GM was preparing for the second presentation of its elaborate showing of corporation products, including a series of new "dream" cars, a motion picture showing the engineers' concept of electronically-controlled motoring 20 years from now and numerous non-automotive products. Among the latter are a variety of home appliances and a greatly improved "kitchen of tomorrow."

The kitchen includes such things as a stove that cooks without getting hot and a device that washes dishes with sound waves.

The "dream" cars include experimental models by each of the five GM car divisions and the Firebird II, the corporation's newest gas turbine model.

First showing of the glittering multi-million dollar presentation was given last month in New York. From Miami the motorama moves to Los Angeles for a March 3-11 showing. Thence it goes to San Francisco and later to Boston.

GMC Receives Order for 50 Diesel Trucks

McLean Trucking Co. of Winston-Salem, N. C., one of the top 10 motor freight carriers in the country, has ordered 50 heavy-duty GMC diesel tractors to augment its all-GMC road fleet and 34 medium-duty GMCs for its local pickup and delivery operations.

A. S. McEvey, truck fleet division manager for GMC Truck and Coach Division, said McLean placed the order following five years' experience with GMC tractors in its Eastern Seaboard trucking operation. At present, 32 GMCs are operating in various runs between Atlanta and Boston.

The trucking company, which is recognized as the largest motor freight carrier headquartered in the South, has ordered 50 cab-over-engine model DF662-47s and 34 model F372s. The 50 units are sleeper-cab tractors powered by GM 4-71 diesel engines developing 150 horsepower, and the others are dual-purpose tractors with 270 cubic-inch gasoline engines achieving 140 horsepower.

Earnings

PITTSBURGH (U)—Allegheny Ludlum Steel Corp. has announced net income for the year ended Dec. 31 of \$14,880,000, equal to \$25.54 a common share. This compared with \$24,000,000 or \$40.00 a common share in the preceding year. Sales increased to \$250,887,000 from \$170,056,405 in 1954.

NEW YORK (U)—Western Union Telegraph Co. reported net income for the year ended Dec. 31 of \$13,000,000, equal to \$2.10 a common share. This compared with \$9,364,966 or \$1.85 a common share in the preceding year. Revenues increased to \$242,097,250 from \$222,368,316 in 1954.

NEW YORK (U)—Eaton Manufacturing Co. reports annual records in sales and earnings for the 12 months ended Dec. 31, 1955. Net income was \$13,775,000, equal to \$7.40 a common share, compared with \$8,550,021, or \$4.78 a share, for the preceding period.

Japan is boosting its camera output.

REPORTS RECORD INCOME—Harlow H. Curcio, president of General Motors, announces at a news conference in Miami a record-smashing net income of \$1,189,000,000 for the corporation in 1955, highest in history.

GMC Truck Dealers to Attend Meetings

Forty-one meetings designed to acquaint GMC Truck dealers with mechanical improvements and other changes in GMC's line of "Blue Chip" trucks for 1956 will be conducted in 25 states February 13-24 by GMC Truck and Coach Division.

R. C. Woodhouse, general truck sales manager, said each session will include talks by home office representatives and the showing of motion pictures on new product developments and 1956 sales strategy.

The meetings will be held in GMC's 19 zones throughout the United States and each zone manager will preside over the program in his area.

All but two of the gatherings will take place in General Motors Training Centers. Dealers in the Detroit area will gather for their meeting Feb. 13 and 14 in Detroit.

New Ambulance Unveiled

A special ambulance model, designed for multi-purpose municipal use, has been unveiled by the Dodge Division of Chrysler Corp.

Equipped with a Super-Powered Super Red Ram 230-horsepower V-8 engine, the model is a factory-adapted Dodge Sierra four-door station wagon which Dodge officials describe as "ideal for many small communities as a combination police and emergency vehicle."

The elevation of John D. French, of 280 Northlawn Ave., Birmingham, to the post of manager of Burroughs' economic and financial analysis department was announced yesterday.

The promotion of Edward F. Rothman, of 508 Linden Rd., Birmingham, to director of the Ford Motor Co.'s product advertising and sales promotion office was announced today by Vice President Walker A. Williams.

Prior to joining Ford, Rothman was associated with several advertising agencies, and for three years was secretary of the E. & B. Brewing Co. After leaving the Campbell-Ewald Co., where he was general manager, director and senior vice president, he was associated with MacManis, John & Adams Inc., Bloomfield Hills advertising agency.

A native of Detroit, he attended Michigan State University and is a graduate of the University of Pennsylvania.

Nuevo Laredo, Mexico, will have a new airport.

Dividends

NEW YORK (AP)—Standard Oil Co. (N.J.) directors have declared a dividend of 50 cents on its stock recently split three-for-one.

This amount is equal to the \$1.50 paid in the final quarter of last year and compares with \$1.25 paid a year ago. Today's dividend declaration is payable March 10 to stock of record Feb. 16.

Dividends

NEW YORK (AP)—Eaton Manufacturing Co. reports annual records in sales and earnings for the 12 months ended Dec. 31, 1955. Net income was \$13,775,000, equal to \$7.40 a common share, compared with \$8,550,021, or \$4.78 a share, for the preceding period.

Oils, Aircrafts Make Progress

NEW YORK (U)—Oils and aircrafts helped the stock market make limited progress today in early dealings.

Most gains and losses were fractional, and trading was at a modest pace.

Oils and aircrafts were just about alone among major divisions moving higher. None, however, was definitely lower. In a mixed position were the steels, motors, coppers, chemicals, electrical equipment and utilities.

Chrysler was off between 1 and 2 points as the company announced it would be in production only four days next week.

General Motors, yesterday's most active issue up 2 1/2, opened unchanged today at 43 1/2 on a block of 5,000 shares.

Among stocks going up were North American Aviation, Glenn Martin, Gulf Oil, Texas Co., Bethlehem Steel, Goodyear, General Electric and Southern Pacific.

Going down were U. S. Steel, American Telephone, Anacosta Co., Southern Railway and Allied Chemical.

Ford Motor over the counter was quoted at 63 1/2 bid and 63 3/4 offered as compared with a closing quote of 63 3/4.

News in Brief

Two Fenton men who pleaded guilty to larceny from autos before Holly Township Justice Donald Bremer yesterday were fined \$25 with \$10 costs apiece. Harold Johnson, 21, and Richard Taylor, 19, paid the fines.

Charged with drunk driving, 37-year-old James Puckett of Walled Lake pleaded guilty yesterday before Walled Lake Justice Logan Sparks and was fined \$50 with \$15 costs.

Charged with reckless driving, Fred M. Konechis, 35, of Milford, pleaded guilty and was fined \$50 by Pontiac Municipal Judge Maurice E. Finnegan today.

Buffet dinner at St. Vincent Hall, 197 S. Parke St., Sat., Feb. 4, from 5 to 8 p.m. for adults, and 50c for children 12 and under.

Cake Decorating. New hobby classes for the housewife. Total cost \$20.00. Call FE 4-4009 or FE 2-8009.

Rummage sale, Fri. night, Feb. 3, 7:30 to 9 at Stevens Hall, Exchange St. entrance.

If your friend's in jail and needs bail, Ph. FE 5-9424 or MA 5-4031.

Rummage sale, Sat. 8 S. Saginaw.

George Jessel Says Motor City Is 'Too Clean'

DETROIT (U)—Entertainer George Jessel said in Detroit yesterday that the Motor City is "too clean."

Jessel, in Detroit to thank Henry Ford II for a Ford Foundation gift of \$200,000 to the City of Hope, a Los Angeles hospital, said:

"Why I remember when this city had five gambling spots, all wide open, three burlesque houses and a lot of legitimate theater. It was a better town in those days."

The 57-year-old showman also reminisced about the Sheraton-Cadillac Hotel. He said:

"It was in this hotel that I married my third and last wife, and there were 90 wedding guests and I think all but three were newspaper reporters."

Jessel, interested in the stock market, asked for the name of a local broker. The suggestion of Merrill, Lynch, Pierce, Fenner and Beane, brought his remark:

"Look, I haven't got all day. My plane leaves in a couple hours."

Hughes Introduces House Speaker Bill

LANSING (U)—A Republican legislator proposed a constitutional amendment today empowering the voters to nominate a full-time speaker of the State House of Representatives.

The proposal was seen as a Republican bid to create a position of strength in the House, where they have a slim majority of only nine.

The full-time speaker would be elected by the representatives themselves, although each party would choose nominees during the primary election for governor.

At present, the speaker is elected by members of the House with the help of the voters.

The proposal was introduced in the form of a joint resolution by Rep. Theodore F. Hughes (R-Berkley), a member of the House "Young Turk" element which frequently sides with Democrats.

Before the proposal takes effect, it would have to be approved by two thirds of both Houses and a majority of the voters.

"Pakistan's gold prices now are reported to be the highest in the world."

Health Official Warns of Toothpaste Claims

LANSING (U)—The Michigan Department of Health warned today against accepting "face value" claims for any toothpaste with fluoride added.

"There is as yet no accepted proof of the value of fluoride in toothpaste for preventing tooth decay," said Dr. Fred Wertheimer, head of the department's public health dentistry section.

He said effectiveness of fluoridation of water has been proven, but "It's when and how you brush your teeth that counts, not the brand of toothpaste you use."

To Hold Examinations for State Commissions

LANSING (U)—The State Civil Service Commission said today it will hold examinations for vacancies in the State Tax Commission, the Liquor Control Commission and the Civil Service Commission itself.

Applicants must possess bachelor's degrees by June 1956.

The commission seeks applicants for property appraiser trainees, liquor enforcement trainees and personnel technicians.

MARKETS Soybeans Gain in Firm Market

Produce

DETROIT (U)—Soybeans moved up for gains of about a cent while the rest of the grain market showed a firm tone on the Board of Trade today.

Buying in soybeans again was associated with strength in soybean oil, stimulated by prospective export business. Soybean meal again lagged although some traders claimed there was an improved tone in the cash bean meal market.

Wheat near the end of the first hour was unchanged to 1/2 higher, March \$2.14 1/2; corn unchanged to 1/4 higher, March \$1.30 1/2; oats unchanged to 1/4 lower, March 65 1/2; rye 1/2 to 3/4 higher, March \$1.24 1/2; soybeans 1 to 1 1/2 higher, March \$2.49 1/2, and hard 5 to 8 cents a hundred pounds higher, March \$1.11 1/2.

March wheat sold off in early dealings after having gone to new seasonal highs for three straight days. It quickly recovered, however, aided in part by some activity in export circles.

CHICAGO BUTTER AND EGGS

CHICAGO, Feb. 2 (AP)—Butter steady, receipts 1,700,000. Wholesale buying prices unchanged; 92 score AA 57, 92 A 57, 90 B 56 1/2, 88 C 55 1/2, 86 D 54 1/2, 84 E 53 1/2, 82 F 52 1/2, 80 G 51 1/2, 78 H 50 1/2, 76 I 49 1/2, 74 J 48 1/2, 72 K 47 1/2, 70 L 46 - a. Adorable little mimic of mother's French-inspired overblouse. Pleated skirt of famous Dan River cotton in exquisite plaids and blouse in solids. Pink or turquoise with gray in 3-6x. Washable, of course!
- b. Soft linen-like, rayon ensemble in French blue or coral. Jumper has wide, pleated skirt. Jacket has tiny, white Peter Pan collar and cuffs. Tots in sizes 1-3 wear for casual or dress-up times!
- c. Two bands and bows, centered by glittery buckles, give her a waistline both high and low! In blue or maize, washable nylon organdy with a flower and scroll pattern in flocking. Sizes 3-6x.
