

Dems Move Closer to Senate Control

United Fund Drive Extended One Week

\$102,840 Needed to Reach Goal in Pontiac Area

Reports to Date Show \$422,443 Now Pledged Toward \$525,823

The Pontiac Area United Fund campaign was extended to Nov. 10 today as workers were short \$102,840 of their \$525,823 goal.

The fund-raising drive for 55 community, state and national services had been slated to end here at midnight tonight. The Nov. 10 closing date is the same as that for other major Michigan cities.

"We're on the 20-yard line and driving for goal," said Campaign Manager Frank S. Lyndall, "but we can't quit until we've put the ball over."

He expressed hope that workers now can complete their job quickly.

"We're certain the money is there," he stated, "but a number of volunteer workers have not turned in reports, although they are hard at work."

The \$422,443 now has come into campaign coffers in the Hotel Pontiac this week brings the drive within shooting distance of the top. Tally sheets show collections of \$422,443, or 80 per cent of quota.

Optimism was expressed by leaders who know of many good

Were You Missed?

Although volunteer workers have been doing an excellent job, United Fund leaders feel many persons wishing to give have not been contacted because of the wide area included in the drive. All those who wish to contribute and have not been contacted are urged to phone Mrs. A. W. Gault at FE 5-5088 and a solicitor will be sent to their home.

reports still on volunteers' desks. They also reported calls from would-be donors who have not been contacted by solicitors.

The Commercial Division has reported \$68,015 in contributions totaling 48 per cent of their \$140,500 quota.

Geographical Division returns through Thursday brought the door-to-door canvassing total to \$6,326, or 36 per cent of quota. The total includes \$1,288 from the Waterford Township area.

Industries and their employees have contributed an additional \$44,735 since the last report luncheon Oct. 27.

"We expect to go over the top soon, perhaps before the weekend," said Hazen S. Atkins, Industrial Division chairman.

"Workers in all divisions are urged to complete the job this week," Lyndall stated, "so the final reports luncheon Nov. 10 will be a victory luncheon."

Weather to Continue Damp, Snowy Here

More damp, snowy weather is the forecast for Pontiac and vicinity, according to the U.S. Weather Bureau.

Cloudy skies and rain or snow will continue tonight, changing to snow flurries today. Low tonight will be 32 to 34 with more cloudy skies and rain or snow ending tomorrow. High Friday is expected to be 38 to 42.

Yesterday's temperatures in downtown Pontiac registered between 32 and 46, with bright sunny skies all day.

This morning at 8 o'clock the mercury stood at 35 degrees, remaining almost constant and reaching only 36 by 1 p.m.

VOTERS TAKE HART—Philip A. Hart, Democratic Lieutenant-Governor-elect, and his wife hold hands in their Birmingham home and smile over election returns which spell victory for Hart along with other Democratic state candidates who also won their contests Tuesday.

Employment Shift

Democrats Off to Lansing as Republicans Hunt Jobs

By UNITED PRESS

The tremendous Democratic sweep in Tuesday's off-year elections left many of Michigan's top Republicans looking for jobs today.

In addition to their smashing victories in the governor and senatorial races, the Democrats elected a full slate of state administrative officials, gained two seats in the U. S. House of Representatives and nearly won a majority in the state House of Representatives.

President Says He'll Cooperate With Democrats

Ike Shows Forgiving, Compromising Mood After Elections

From Our Wire Services

WASHINGTON — At his news conference Wednesday, President Eisenhower was in a forgiving, compromising mood, referring to his "friends" among the Democrats and his plans to confer with that party's leaders during the next two years when the Congress will be in enemy hands.

The President evidently has in mind seeking a peaceful middle-of-the-road course.

He said the returns did not change his plans in any way, which raised again the question of a second term. Eisenhower has told friends he would not run.

But he has made firm political pronouncements before and they have frequently failed to stand up. His latest was just more than a year ago when he said he would not get mixed up in this year's congressional campaign.

The immediate past promises small comfort for Eisenhower. When Herbert Hoover was President for two years with a Democratic House he had trouble almost beyond his capacity to bear, some of it from pure politicking in Congress.

Former President Truman feuded with the Republican 80th Congress, but made its record his own political asset.

But as of today, Eisenhower is looking for no fight, only sweetness and light. He told news conference questioners he regretted his campaign remark that Democratic control of Congress would bring a "cold war" to American politics.

There was genuine grief at the White House over the defeat of Sen. John Sherman Cooper in Kentucky by former Vice President Alben W. Barkley. (Continued on Page 29, Col. 2)

Bulletin

PHILADELPHIA (AP)—The Philadelphia Athletics today were sold to Arnold Johnson, Chicago businessman, for transfer to Kansas City.

Earle Mack, who with his father, Connie, and his brother, Roy, own all the stock of the Philadelphia franchise, came out of a conference with Johnson and said, "we lost out."

Cost Higher by Older Method

Voting Machines Give Fast Results as Workers Toil Over Paper Ballots

The antiquated system of voting by paper ballots is costing taxpayers more in the city of Pontiac every time there is an election.

This was vividly brought to light yesterday when it was noted that the Pontiac Press was able to tabulate election results from some machine precincts in Oakland County two hours after the polls closed.

Some election boards in the city however worked for 14 hours counting the results from the paper ballots.

Only six townships and the City of Pontiac in Oakland County are now without voting machines. These areas included 54 precincts, of which 44 are in Pontiac City.

Actually, the Press tabulation of the county was not complete until 17 hours after the polls closed but this was due to a misunderstanding by some precinct workers.

The longer the boards worked, the more the election cost the taxpayers.

According to Pontiac City Clerk Ada Evans, election precinct workers are paid \$1 an hour and the precinct chairman is paid an extra dollar.

Mrs. Evans said that election boards in the city worked an average of seven hours after the polls closed. She estimated that boards

in machine precincts worked an average of two hours after closing time.

With these figures as a basis, the election in the city cost taxpayers an estimated \$6,204. The cost to taxpayers in the same number of machine precincts was \$4,664, a saving of \$1,540.

According to Oakland County

Clerk Lynn D. Allen, voting machines cost \$1,250 each.

Mrs. Evans said that returns from city precincts were fast considering the use of paper ballots and the record number of votes cast. She said 22,350 votes had to be counted from the city's 44 precincts. Previous high for an off-year election was 19,211 in 1950.

Rayburn Promises Dems Will Probe Security Issue

WASHINGTON (UP)—Speaker-designate Sam Rayburn said today that when the Democrats take control of the House they will demand that the Republicans "put up or shut up" on their claims of mass dismissal of federal security risks.

Obviously irritated by Republican campaign charges that scores of holdovers from past Democratic administrations have been found questionable security risks, Rayburn said in a telephone interview from his home in Bonham, Tex., that the Democrats will "make them (the Republicans) lay it on the line on who they've fired and for what."

The Texas Democrat, whose election to a new term as speaker was assured when Democrats captured House control in Tuesday's election, made clear that investigations will rank along with important legislation on the agenda of the new 84th Congress.

The new Congress will face such controversial legislative issues as taxes and renewal of the flexible price support farm program.

Democrats, with a 232 to 203 House majority, will be obliged to take the responsibility for what the House does on these issues.

On taxes, Rayburn said the Democrats will consider renewing their proposal to boost personal income tax exemptions which President Eisenhower successfully blocked this summer.

A move may also develop among some Democrats to try to repeal the Republican-sponsored plan giving tax relief to persons who receive income from dividends.

He indicated that the Democrats might use the device of holding back on funds when they disapprove of some GOP-sponsored project that they otherwise have no control over. This might be the case in the Dixon-Yates controversy.

In the general legislative field, Rayburn said the Democrats would take a new look at the farm and tax laws pushed through the last Congress by the Republicans.

Democrats lined up almost solidly against President Eisenhower's proposal for flexible price supports for basic farm commodities, as well as against his tax program.

3rd Courthouse Vote Is Possible

Special Election May Be Held Here Sometime Next Year

Oakland County's special courthouse building committee today generally agreed that a third vote should be obtained sometime next year on raising the tax limit a half mill to finance a \$4,500,000 bond issue to construct the proposed building.

They ruled out possibility of an immediate revenue bond issue in place of the twice-voted-down general obligation bond proposal.

County property owners in the August primary election approved issuance of the general obligation bonds, but the half mill needed to support them was vetoed.

The tax raise, on which all county voters are eligible to rule, was defeated again Tuesday by a wider majority than in August, 55,180 to 68,189.

The committee showed no inclination to change the proposed (Continued on Page 2, Col. 2)

Outcome Awaits Final Tabulation in Two States

Republicans Will Lose Chairmanship of Vital Standing Committees

WASHINGTON (INS)—Control of the Senate in the 84th Congress appeared today to have been won by the Democrats in a close election whose outcome still faces recounts and contest challenges in at least two states.

If there is an off-year shift in control, just 22 months after the first Republican administration in 20 years took office, it will throw to the Democrats chairmanship of vital committees, including investigating groups which could shape the issues for the 1956 presidential campaign.

The Democrats appeared to have won 48 seats on the basis of virtually complete returns but only by a very narrow margin in Oregon.

Republicans were expected to challenge the Oregon result which showed Richard L. Neuberger, state senator, magazine writer and author, 2,100 votes ahead of Sen. Guy Cordon (R).

But Democrats were just as ready to contest the razor-thin margin of victory scored by Rep. Clifford Case (R) in New Jersey over Rep. Charles R. Howell (D).

See Stories on Page 61.

and the squeak-through GOP victory in Ohio, where Rep. George Bender (R) had a 10,000-vote margin over Sen. Thomas A. Burke (D).

Tuesday's election spelled a return to Washington of former vice president Alben W. Barkley, who overran Sen. John Sherman Cooper (R), and of former Sen. Joseph C. O'Mahoney (D-Wyo.), who reclaimed a Senate seat for his state from Republicans.

Democratic newcomers will be Neuberger, if his apparent narrow victory is finally confirmed; Patrick McNamara of Michigan, steamfitter and AFL union official; Alan Bible of Nevada, protégé of the late Sen. Pat McCarran (D), and J. Strom Thurmond of South Carolina, who was the States' Rights presidential candidate in 1948. Thurmond won as a write-in candidate against the regular Democratic nominee in his state.

Missing from the Republican ranks will be Sen. Homer Ferguson (Mich.), chairman of the GOP Senate Policy Committee, Cooper and Cordon—if the unofficial Oregon tally is confirmed.

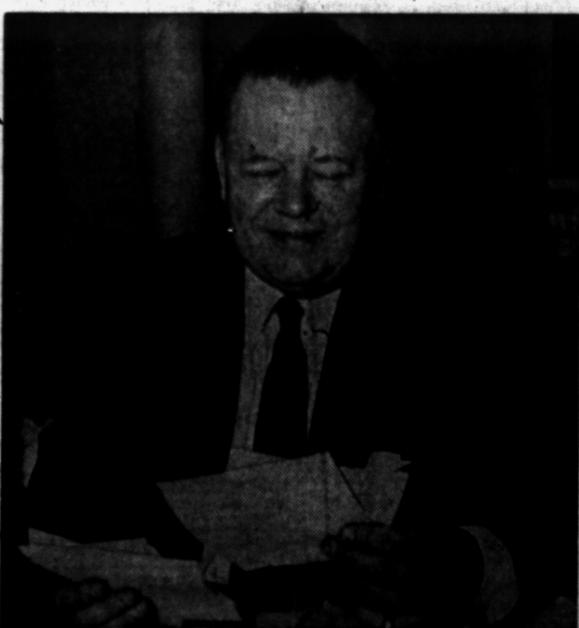

Freshmen Republicans will be Gordon Allott, Colo.; Rep. Thomas E. Martin, Iowa; Carl T. Curtis and Roman Hruska, Nebraska, and Bender.

Committee-wise, the changeover to Democratic control will knock Sen. Joseph R. McCarthy (R-Wis.) from his chairmanship of the investigations subcommittee and give the post to Sen. John L. McClellan (D).

Smiles of Victory Accompany Returns From Tuesday's Election

THE VICTOR—Smiles tell the story as Averell Harriman and his wife pose for photographers after the Democrat was conceded New York's governorship. Harriman beat Sen. Irving Ives.

WINNER—Rep. George Bender (R.), will sit in the Senate for the two years remaining of the term of the late Robert Taft. The Republican defeated Thomas A. Burke, Democrat.

THE "VEEP" COMES BACK—Former Vice President Alben Barkley and his wife show their happiness at election returns in Kentucky which placed the "Veep" back in the Senate.

Bootleg 'Scotch' Whisky
Produced in Hong Kong
HONG KONG (INS)—War-time drinkers of what passed for Scotch whisky in the U. S. may be interested to know that the distillers of that brew are hard at work in Hong Kong.

The department of commerce reports the seizure of 54 illicit stills during September including one in a cave with several escape exits. It was not known whether the exits were provided for quick flight from the law or the disillusioned customers.

NON-FLYING AIRBOAT—Jim Hath, of Leavenworth, Kan., paddles the airboat he built out into the Missouri River for a test run, as Manuel Kuchda looks on. The 18-foot, flat-bottom craft is powered by a 75-hp. airplane engine which turns a five-foot propeller. Called the "Rushin' Henry," the craft weighs 800 pounds and is guided by air rudder at stern.

Hot Rodders Get Blame for Acts of Shot Rodders

By MARGARET LATROBE
If you were going on a long automobile trip, which kind of driver would you prefer to ride with—a youngster full of enthusiasm behind the wheel or a middle-aged worrier?

I would take the youngster, provided he had read a certain little book, "Driving Today and Tomorrow" by Margaret O. Hyde. Although insurance rates are stiff for teenage drivers, it seems to me that once our young drivers belong to the fast-growing cult of courteous and skillful driving art, it will be a different story.

There is a good deal of criticism and disparagement of the Hot Rod cult by those who confuse it with "shot rod." Shot rodgers are those who soup up their jalopies, the better to ignore all traffic rules, make the emergency rooms of hospitals work overtime, and give gray hairs to parents and pedestrians.

These immature folk are characterized by con-tailed car hoods, baby boots dangling between steering wheel and windshield, and as many garish stickers and motes as can be pasted or painted onto the reluctant buggy.

Although they have horns a-horn, these excess equipment. The sound of screeching

tires and unmuffled mufflers scatter the citizenry without blowing the beep-beep.

The hot rod club is an entirely different story, as the author of this well-illustrated book points out. Members young and old are true auto enthusiasts with a definite code of driving technique. And it would be a very good thing if more of us had their rules firmly in mind, before dashing out of our driveways muttering, "I'm late, I'm late for a very important date," like Alice's rabbit in Wonderland.

First, hot rodgers agree to observe motor vehicle laws wherever they travel, and to show courtesy and consideration to fellow drivers, and pedestrians. They further strive to "conduct themselves at all times so as not to direct criticism to themselves as individuals or to the clubs of which they are members."

And most important, they are on the qui vive at all times to keep their cars checked to standard safety measures.

Yep, I'll ride with Junior any time. Somehow I have great faith in young reflexes and young courtesy. These develop into mature judgment mighty fast.

Deteriorating Frescos Transferred to Canvas

ASSISI, Italy, (AP)—Time's slow ravages threaten to destroy Giotto's famous frescos, for centuries one of the great attractions for pilgrims and tourists in the

Basilica of St. Francis, of Assisi. In an effort to save them and companion masterpieces by other 13th century painters, Italy's Central Institute for Restorations has undertaken one of its most imposing and meticulous tasks. It consists in lifting the beautiful old frescos, particle by particle,

from their decomposing plaster backing and transferring them to canvas.

Natural gas in reality is not one gas but four, which are known as ethane, methane, propane and butane.

One Armed Builder Has No Trouble Hitting Nails

DAVENPORT, Ida. (UP)—Harry Klindt, now building his second house, is one carpenter who never worries about hitting his finger with the hammer. He has only

one arm. Klindt, a World War I veteran who lost his left arm in a threatening accident after he was out of service, said he has no trouble hammering nails. "I just stick the nail in the wood with my hand, then pick up my hammer and pound."

Port of Detroit Grows

NEW YORK (INS)—Detroit is growing steadily as a port of entry. The 1954 Encyclopedia Americana Annual says the 1952 value of exports and imports passing through the Michigan Customs District exceeded \$1.5 billion.

Outcome of Senate Vote Waits Recounts

(Continued From Page One)

Clellan (D-Ark.), who was reelected for a six-year term Tuesday.

McCarthy remains in the forefront of the news, however, because the present Senate reconvenes Monday to take up the censure resolution against him.

The actual composition of the Senate for the McCarthy censure session will be little affected by the election—except in the case of Wyoming. O'Mahoney may be able to take his seat before the McCarthy session ends.

Other short-term candidates were elected in North Carolina and Nebraska, but in each case they were of the same party which now holds these states' seats.

The Wyoming seat is now held by Sen. E. Y. Crippa (R), who was appointed to the vacancy created by the death of Sen. Lester C. Hunt (D). Senate Secretary Mark Trice said he believes it will be necessary for the senate itself to decide who sits when the Monday session opens because Wyoming's election certification board does not meet until late this month.

Democratic organization of the new Senate in January will mean other significant changes in investigating committees. Besides McClellan taking over from McCarthy, Sen. James O. Eastland (D-Miss.), a vigorous anti-Communist, will replace Sen. William Jenner (R-Ind.), as head of the Internal Security Subcommittee.

The probe into housing scandals will find Sen. J. William Fulbright (D-Ark.), who headed the Reconstruction Finance Corporation investigation, replacing Sen. Homer Capehart (R-Ind.), as chairman. This inquiry is being conducted by the Banking Committee, on which Fulbright is ranking Democrat.

A new investigation is certain to be launched by Sen. Olin Johnston (D-Me.), who, with Democratic control, will take over the Post-office and Civil Service Committee. Johnston wants hearings on government firing and hiring practices and will also be concerned with the administration's postal hike request and pay raises for federal workers.

Another significant change would be that on the Rules Committee, where Sen. Theodore F. Green (D-R.I.), is in line to replace Jenner. This group has before it proposals to change the rules for all Senate investigating units.

Here is the probable line-up of standing Senate committee chairmanships for the 84th Congress, if the apparent Democratic victory is confirmed:

Finance—Sen. Harry F. Byrd (D-Va.), replacing Sen. Eugene Millikin (R-Colo.).

Appropriations—Sen. Carl Hayden (D-Ariz.), for Sen. Styles Bridges (R-N.H.).

Foreign Relations—Sen. Walter F. George (D-Ga.), in place of Sen. Alexander Wiley (R-Wis.).

Agriculture—Sen. Allen J. Ellender (D-La.), for Sen. George D. Aiken (R-Vt.).

Armed Services—Sen. Richard Russell (D-Ga.), in place of Sen. Leverett Saltonstall (R-Mass.).

Sen. James E. Murray (D-Mont.), reelected, is expected to take over the Interior Committee; Sen. Harley M. Kilgore (D-W.Va.), the Judiciary Committee; Sen. Lister Hill (D-Ala.), Labor, and Sen. Warren G. Magnuson (D-Wash.), Commerce.

In addition, Democrats—who apparently must count on the vote of Sen. Wayne Morse (Ind-Rep.), if they are to take over Senate organization, are expected to offer Morse more important committee assignments than he has held since he bolted the GOP in 1952.

Auto Rams Embankment; Three Persons Injured

Three persons were injured yesterday when the driver of their auto attempted to miss an oncoming car and hit an abutment on Big Beaver road, according to Troy Township Police.

Reported in good condition at St. Joseph Hospital, Leonard Leffel, 2, of G-3227 Kleenbell, Flint, suffered head injuries. His father, Merle, 25, driver, and Bernard Harthun, 63, of 2600 E. Big Beaver, Birmingham, were treated for face cuts.

Leffel told police if he hadn't hit the abutment, a head-on collision would have resulted with the oncoming car traveling in the wrong lane. The other auto did not stop, police said.

Man Waives Hearing on Stolen Car Charge

John R. McIntyre, 17, of 533 W. Kalamia, Royal Oak, waived examination on a stolen car charge yesterday before Royal Oak Judge John E. Brondige, and was bound over to Oakland County Circuit Court for arraignment Nov. 8. McIntyre, unable to furnish \$5,000 bond, was returned to Oakland County Jail.

Waives Examination on Breaking, Entering

Robert P. North, 20, of 1594 W. Blvd., waived examination on a breaking and entering charge yesterday before West Bloomfield Township Justice Elmer C. Dietrich. North was bound over to Oakland County Circuit Court for arraignment Nov. 8.

North was unable to furnish a \$100 bond and is being held in Oakland County Jail.

He is accused of breaking into the Home and Garden Hardware at 381 N. Pontiac Trail, Commerce Township, Oct. 27.

REDS ON THE MARCH IN JAPAN—For Tokyo's May Day, Communist paraders carry paper caricatures of President Eisenhower and a pro-American member of the Japanese cabinet as they demonstrate against United States influence in Japan's affairs.

President Promises Dem Cooperation

(Continued From Page One)

Cooper stood high with Eisenhower.

No White House tears were evident, however, over the defeat of Republican Joseph T. Meek in Illinois by Democratic Sen. Paul H. Douglas. Eisenhower appeared during the campaign to be a reluctant supporter of Meek.

Vice President Richard M. Nixon carried much of the campaign load. The vice president gained stature in his party by his vigorous efforts. Eisenhower's late campaign efforts probably pulled New Jersey and Ohio out of the fire.

But in New York, Kentucky, Delaware and Michigan, where the President made special efforts, the returns were against him.

Associated Press returns at 9:50 a.m. EST, Thursday, showed Republicans elected to the Senate 13, leading 1 (Case-N.J.), holdovers 33, total 47. Gains 3. Democrats elected 24, holdovers 24, total 48. Gains 5. Independent holdover 1. Present Senate: Republicans 49, Democrats 46, Independent 1. Needed for majority, 49.

Senate overturns: Democrats

gained in Kentucky, Michigan, Nevada, Oregon and Wyoming. Republicans in Colorado, Iowa and Ohio.

House: Republicans elected 203. Democrats elected 232. Present House: Republicans 218, vacancy 1. Democrats 212, vacancies 3. Independent 1. Needed for majority 218.

House overturns: Democrats gained 22 seats, lost 5, for a net gain of 17. Republicans gained 5, lost 21, for a net loss of 16. Independents lost 1.

Governors: Republicans elected 15, holdovers 6. Total 21. Democrats elected 19, holdovers 8. Total 27. Present Senate: Republicans 29, Democrats 19.

Governor overturns: Republicans none; Democrats gained in Arizona, Colorado, Connecticut, Maine, Minnesota, New Mexico, New York and Pennsylvania.

Local Infantry Unit Plans Reunion Banquet

The annual reunion of former Co. E, 3rd Mich. Infantry will be held Sunday at Cook-Nelson Post on Auburn Ave., opening with a banquet at two o'clock. Election of officers will also take place.

This is the company which later became Co. A of the 120th Machine Gun Battalion of the Red Arrow 32nd Division.

Elections Stir Up Interest in 1956 Ike-Adlai Rematch

WASHINGTON (AP)—The outcome of Tuesday's stubbornly contested elections served to whet interest today in a possible "rematch" between Dwight D. Eisenhower and Adlai E. Stevenson in the 1956 presidential race.

The prospect was emphasized by the fact that the mid-term battle catapulted only a bare handful of new personalities into the spotlight as potential entries in the '56 sweepstakes.

The immediate reaction, at least, was that the elections failed to produce anything that would quite match the spark kindled by Franklin D. Roosevelt's election as governor of New York in 1928 and his re-election in 1930, paving the way to 12 years in the White House.

As returns rolled in, President Eisenhower told his news conference that so far as he could see, the elections would have no effect one way or another on whether he will seek a second term in 1956.

All the President would say was there's plenty of time for the decision. He suggested newsmen wait and see what develops.

At Libertyville, Ill., Stevenson hailed the outcome as "a portent of things to come"—an obvious allusion to 1956—but with a twinkle he added quickly that it had "nothing whatever to do with whether I'll run again for the presidency."

In some respects, the results appeared to enhance Stevenson's chances of heading the Democratic ticket two years hence. The party's 1952 standard bearer stumped vigorously throughout the country in a drive to put Democrats back in control of Congress, and carried the brunt of the fight on the national level.

In another sense, however, the Democratic upsurge could make it harder for Stevenson. Democratic hopefuls may now figure the party's chances for a presidential victory in 1956 are bright, and that could touch off a free-for-all scramble for the nomination.

Among "new faces" thrust into the national spotlight were 36-year-old George M. Leader, who won the governorship of Pennsylvania by 250,000 votes to end 16 years of Republican rule, and Michigan's newly elected Democratic Sen. Patrick V. McNamara.

Meanwhile, Michigan's 43-year-old Gov. G. Mennen (Soapy) Williams, heir to soap millions, gained in prestige by winning a landslide victory for re-election. A Democrat, Williams won a fourth term in the governor's mansion—the first four-term winner in Michigan's history.

Another first-in-history was chalked up in South Carolina by

Employment Up During October

State Reports Increase in Jobs for First Time in a Year

DETROIT (AP)—The Michigan Employment Security Commission (MESC) said today in its October report that Michigan employment "is on the upgrade" for the first time in more than a year.

The monthly report, made public two days after the election, said claims for unemployment compensation showed the "first important downturn" in four months.

Democrats made unemployment a major issue of the political campaign.

The MESC report placed the benefit claims at 162,000 as of Oct. 14, or the "lowest level in two months." This compared to 209,000 claims as of Sept. 23.

The employment increase accompanied the start on new 1955 car model production, MESC said. "So far, the employment gains reflect a recovery from temporary losses typical of model change periods," the report said.

A factor pointing to "improved stability" in the labor market has been a tapering off in the decline of defense production, the MESC said.

"Following a reduction of about 60 per cent since March 1953, defense employment showed little change within the past three months," the report said.

Davisburg Man Injured in Two-Car Collision

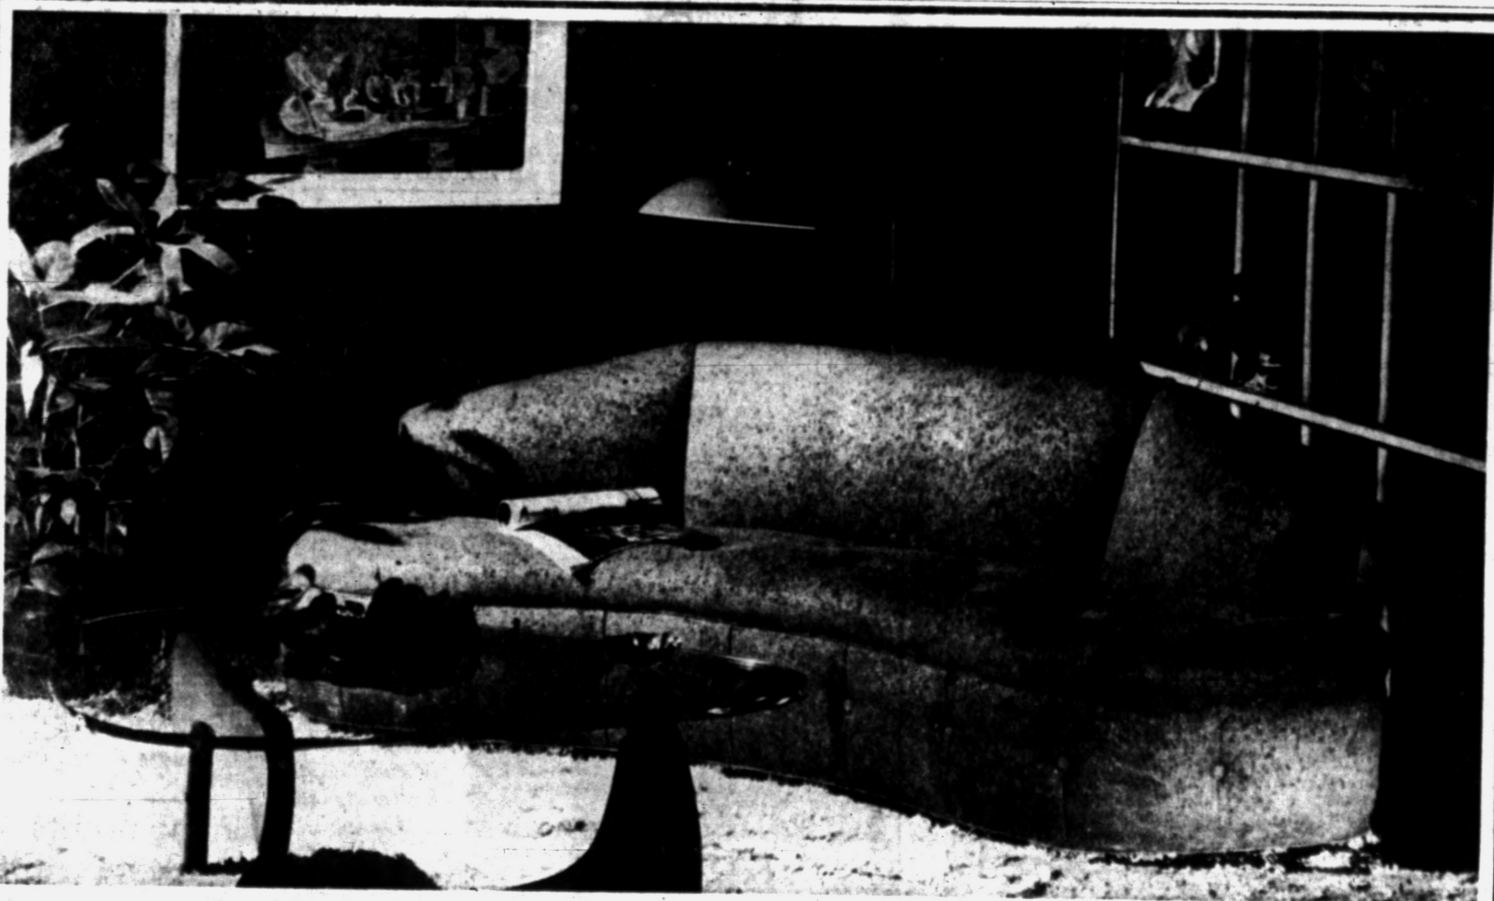

Perry L. Dean, 76, of 16206 Dixie Hwy., Davisburg, was treated at Goodrich Hospital in Goodrich for injuries to his right side, following an auto collision near his home Wednesday.

Dean had stopped to pick up mail from a roadside box and then seeing no traffic, turned left to cross Dixie highway and his car was struck by a northbound auto driven by Arthur S. McNie of Linden. McNie was not injured.

Copter Saves Milkmen Marooned on Island

NEW DELHI (INS)—Milk drinkers in New Delhi were saved from a dry day by timely intervention of an Indian air force helicopter.

The "whirly-bird" dropped down to an island in the middle of the Jumna River, rescued 15 milkmen stranded by strong currents as they tried to ford the stream and brought them to the capital in time for morning delivery.

Townships Meet to Consider Joint Sewer System

PUPPET PREVUE—Stringham School kindergarten students Joanne Field and Dickie Meyer give themselves an early prelude of the puppet show scheduled for the Stringham School Carnival, to be held from 6-10 p. m. Saturday. Besides the puppet show, given by Mr. and Mrs. Veri Kline, there will be a student talent show, baked goods, and many booths offering needlework, doll clothes, and potted plants.

Driver Escapes Injury as Car Strikes Train

John Colson, 24, of 492 Lowell St., escaped serious injury yesterday but his car was demolished when he drove into the side of a moving train at the Grand Trunk Western Railroad crossing and Indianwood road in Orion Township, according to Oakland County Sheriff's deputies.

Thomas Emerson of 67 Cherryland Ave., the engineer, said the train was traveling north at 30 miles per hour when Colson's car struck the engine, according to Deputies James Stone and Stephen Hubbell.

Colson was treated at Pontiac General Hospital for bruises to his right leg and hip and left shoulder.

MORTON J. SOBEL

Clubwomen to Hear the Rumor Clinic

Regional director of the Anti-Defamation League of B'nai B'rith Morton J. Sobel will speak at the November meeting of the Oakland County Federation of Women's Clubs, to be held at St. John's Episcopal Church, Pleasant Ridge, Friday.

He will present "The Rumor Clinic" at 2 p. m. following a morning business session of the organization presided over by Mrs. Willard Stephen of Lake Orion.

Sobel is a member of the Board of Directors of the Michigan Committee on Civil Rights, a member of the Human Relations Committee of the State Association of the YMCA, and chairman of the Research Committee and member of the Board of Directors of the Adult Education Association of Michigan.

Seymour Lake Circle Plans 2-Day Bake Sale

SEYMOUR LAKE — The Crusaders Class of the Seymour Lake Methodist Church will hold a rummage and bake sale in the church house Friday and Saturday. Doors will be open from 9 a. m. to 9 p. m.

The bake sale will be sponsored by the Belle Sherwood Circle.

Change Election Day

ROCHESTER — The Board of Education at its regular meeting last night changed the annual election date and annual meeting, from the second Monday in July to the second Monday in June.

Plan Bazaar, Supper

HADLEY — The Hadley Federated Church Missionary Aid will hold its annual bazaar, chicken dinner and ham supper Friday at the town hall.

Hear Proposal for Interceptor

Waterford, Avon, Troy, Pontiac, W. Bloomfield Study New Plan

By WILMA GREENWAY

A move to create a network of sanitary sewers in Waterford, West Bloomfield, Pontiac, Avon and Troy Townships gained new ground last night when officials of those townships heard a proposal to build an interceptor sewer to hook into the Detroit system.

Johnson and Anderson, Pontiac engineering firm, presented the tentative plan to some 45 area officials, including representatives from the city of Sylvan Lake, Keego Harbor, Rochester and Clarkston at a meeting in the CAI Building in Waterford Twp.

Attending in an advisory capacity were County Drain Commissioner Ralph Main, County Corporation Counsel Harry Merritt, Sanitarian Russell Coulton and members of the Board of Supervisors drain committee.

Rough plans of the proposed interceptor throw into discard a former suggestion that a sewage treatment plant be built, possibly in Avon Township.

Instead, the proposed sewer lines would extend from Waterford Township and possibly as far west as Clarkston, southeast through Keego Harbor and Sylvan Lake city, through Pontiac past the Dawson Mill Pond and then parallel the Clinton River east through Auburn Heights to a pumping station at Rochester.

From Rochester the lines would run south along the east end of the county possibly paralleling John R road to Seven Mile road in Detroit, where the interceptor would be linked to the Detroit system.

Officials at the meeting were generally agreed that, should further study indicate a need for combined action, such action might best be accomplished by the formation of a joint governing body, or authority, composed of representatives from each of the participating communities and headed by the county drain commissioner.

Before setting up an authority, it was suggested that the officials consider forming an advisory committee of engineers from the various area governments, to work out preliminary plans.

The lawmakers appeared agreed upon the fact that combined action and the formation of a joint authority might well be the solution to sewage problems and pollution of lakes and streams.

"One thing is certain," Drain Commissioner Main said, "Septic tanks are not the answer in a built-up subdivision."

"This idea of going into Detroit is, I think, the best one. I believe Troy Township would welcome the plan as a solution to its sewage problem."

Avon Township officials, present in a body, expressed themselves as in favor of working out a joint plan.

Avon Supervisor Cyril Miller however, demanded that a previous suggestion to build a sewage treatment plant in Avon Township be "struck out of the proposals." The Township had bitterly opposed the tentative plan for a plant on Crooks road near Auburn.

A "very rough estimate" of the cost of a pumping station at Rochester with gravity flow trunk lines from Rochester to Seven Mile road was set at \$3,000,000 by engineers C. L. Johnson and Felix A. Anderson.

Johnson stressed that it was impossible to estimate costs on sewer lines linking the townships and communities without further research as to population growth, capacity maximums and location of mains.

Main estimated that cost of the pumping station and interceptor from Rochester to Seven Mile road would be less than the previously proposed treatment plant, and possibly more economical to operate.

A booster station in Royal Oak might save additional money by forcing the sewage through a smaller, more economical main," he added.

An open meeting of the group will be held early in December.

COME TO THE FAIR!—Annual Parent Teacher Association Fall Fair for the Jayno Adams School, Waterford Township, will be held Nov. 6 from 3 to 9 p. m. Preparing for the event which will feature handwork and homemade baked goods booths are, left to right; Henry Karwas, Jayno Adams School principal; Mrs. Joseph Duran, Mrs. Carl Van Scholck and Mrs. Charles Springer. Special movies and games will be provided for the children and a cafeteria-style supper will be served in the large kindergarten room of the school.

OES at Attica Meets to Install New Officers

METAMORA—Officers were installed by Attica Chapter OES at a recent meeting in the Masonic Temple at Attica.

Helen Olds is the new worthy matron, and George Olds is worthy patron.

Others are: Irene Spencer, associate matron; Roy Spencer, associate patron; Thelma Hamilton, secretary; Emily Foot, treasurer; Noreen Irish, conductress; and Doris Walker, associate conductress.

J. D. Norton Named Farm Bureau Head

ARMADA — John D. Norton was elected chairman of the new High Banks Farm Bureau at a recent organizational meeting of the club.

Howard Cruik was named vice chairman and Mrs. Dean Parker is secretary and treasurer.

The group will meet on the third Thursday of each month, with the next meeting set for the night of Nov. 18 in the home of Ross Goodar, 26661 33-Mile Rd.

Only \$129 Not Paid as Tax Roll Closes

DRYDEN — Village treasurer Gladys Harrington has reported that the tax roll for the year has been closed, with all but \$129 of the tax levy collected.

Total collections were \$3,321, of which \$3,510 has been used for general village purposes, and \$1,811 placed in the debt retirement fund.

County Calendar

Auburn Heights
There will be modern and old time dancing at the Auburn Heights Community Clubhouse, 226 E. Squirrel Rd., beginning at 8 p. m. Saturday.

New Hudson
The Macabees of New Hudson are sponsoring a card party at their hall Friday evening, with the public invited.

Thomas
Installation of officers of Thomas Chapter OES will be held Friday at 8 p. m.

Troy Township
Mrs. Basil Bell, 682 Brinway, will be hostess for a card party of the Colebrook School PTA at 8 p. m. Friday.

The Bunko Club of Troy Township
will meet with Mrs. Glen Brokenshaw of Romeo, at 8 p. m. Friday.

Drayton Plains
St. Andrew's Episcopal Church, 4386 Dixie Hwy., will hold a bazaar and cafeteria supper from 3-10 p. m. Friday.

Dancing Classes for Young People to Open Nov. 15

WATERFORD TOWNSHIP—Ballroom dance instruction providing an opportunity for young people to learn popular dance steps will begin at the CAI building Nov. 15.

Mrs. Carol Wolfe will instruct during the twelve weeks of classes which drew more than 300 last year.

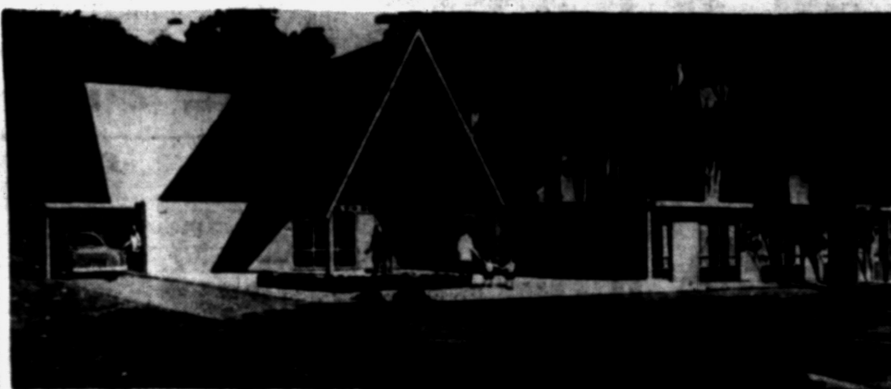

The program is sponsored by the township recreation department.

Class registrations prior to the starting date will be divided into the following grades: Grade 6, 7-8 p. m. Monday; grade 7, 8-9 p. m. Monday; and grade 8, 7-8 p. m. Tuesday.

Grade 9 will register 8-9 Tuesday; and grades 8-10 from 7-8 p. m. Wednesday. Wednesday from 8-9 p. m. is set for registration of grades 11 and 12.

PTA to See Films

AVON TOWNSHIP — The Stone School PTA will meet at the school at 7:30 p. m. today, where films of past classes will be shown, and a hobby exhibit displayed.

PLANNED CHURCH—A wooded eight-acre site between Eleven and Twelve Mile Roads east of Orchard Lake Road has been selected for a new \$100,000 Episcopal church. The congregation of Trinity Episcopal Church, Farmington, approved the move recently. Contemporary in design, the features of the new building include a central altar, a sharply pitched roof, and extensive use of glass.

Congregation Approves \$100,000 Church Plans

FARMINGTON — The congregation of Trinity Episcopal Church has approved plans for building a new \$100,000 church on a wooded eight-acre site between Eleven and Twelve Mile Roads, east of Orchard Lake Road.

The Rev. James B. Guinan, son of Mr. and Mrs. Gerald Guinan of Pontiac, is beginning his third year as minister in charge.

Contemporary in design, featuring a central altar, a sharply pitched roof, and the extensive use of glass, the church has already attracted wide architectural interest.

The initial worship unit will seat 200 people, using only eight rows from the altar. This first building will also provide offices, kitchen and lavatories, and an adjoining parish hall.

Set among towering trees and

New Well Provides Water for Dryden

DRYDEN — The Board of Water Commissioners of Dryden Village has reported to residents that an adequate supply of water is available.

A well which was begun late this summer has resulted in a flowing supply.

The new well house has been completed, and with the installation of electrical equipment the well is now in use.

WCTU Begins 2-Day Convention at Lapeer Church

LAPEER — The 74th annual convention of the Seventh District Woman's Christian Temperance Union opened its two-day program here this morning at the Free Methodist Church.

Devotions, prayer service, and talks on progress in the fields of radio and press publicity, and the youth temperance council, marked the afternoon session. Tonight the Rev. Carl Moses will give an illustrated address on "Missionaries to Indians of Guatemala," at a 7:30 p. m. program.

Friday morning the general officers and county presidents will hold meetings, followed by progress reports from presidents of Lapeer, Macomb, Sanilac, St. Clair and Tuscola-Huron county groups. Officers will be elected at this session.

Friday afternoon appointments will be confirmed and a consecration service held. A post board meeting of officers, county presidents and directors will follow.

Open House Planned by Rochester Board

ROCHESTER — The Board of Education of the Rochester Community Schools has planned a series of open house programs at two of the newly constructed grade schools.

The first school to be open to the public will be the Baldwin addition at Goodison, Monday evening.

Members of the Board of Education and the PTA will act as hosts and assist in the tour of inspection.

The new addition was completed prior to the opening of school in September, and is equipped to handle 200 children.

Open house at the Hamlin school is being planned for Nov. 13.

Frances Sheffler, Francis Paterson Wed at Milford

MILFORD — Milford Methodist Church was the setting for the recent wedding of Frances F. Sheffler and Francis M. Paterson. She is the daughter of Mrs. John Sheffler of 602 E. Commerce St., and he is the son of Mr. and Mrs. Graham Paterson Sr. of Grand Blanc.

The bride was dressed in a gown of Chantilly lace with fitted bodice. Her full floor-length skirt was fashioned with sequin panels. A crown of weep pearls secured the fingertip veil and she carried a cascade of white roses centered with a white orchid.

Mrs. Wendell Boring was her sister's matron of honor. Other attendants of the bride were her sisters, Mrs. Fred Caswell, Mrs. Sam Slaughter, Mrs. William Bakik, and her niece, Betty Jane Taylor.

Graham Paterson Jr. served as best man for his brother and ushers were Royce Hyde, Lawrence Van Alstine, and Clifford and Fred Sheffler, brothers of the bride.

A reception for 150 guests was held in the church parlors. Following the honeymoon, the newlyweds will make their home in Grand Blanc.

The United States annually wastes 50 million tons of grain straw that might be used in valuable pulp for paper products.

French Painter Matisse Succumbs at 84 in Nice

NICE, France (U)—Henri Matisse, famed French painter, died in his Nice apartment early today.

He was 84. Though an invalid for several years, he continued his artistic pursuits, which extended to textile designs, etchings, sculpture and decorative cutouts as well as his world-famed paintings.

Matisse had lived on the Riviera since 1939, but long years before his brilliantly colored paintings of the sun-drenched Mediterranean scene had won him a worldwide following.

His long career covered a span from the Expressionist tendency of Cezanne, Gauguin and Van Gogh to the latter day abstract school. But he never departed essentially from the conceptions that brought him his first fame—vivid, earthy colors and orderly, concise designs.

He was born Dec. 31, 1869, at Cateau-Cambresis in northern France, the son of a grain dealer. He graduated from the local high school in 1890 and went to Paris to study law at his father's insistence. He fell ill and returned home. He took up painting during convalescence, with encouragement of his mother, an amateur painter.

He returned to Paris in 1892 to study art.

But he was 35 before he first attracted the attention of the critics—mostly unfavorable attention—at the historic 1905 autumn salon in Paris, which saw the emergence of the "Fauves" (wild beasts), who shocked the art world with their wild splashes of pure color.

After the "Fauve" debut, Matisse's rise was meteoric. By 1908

he was famous and financially independent.

In 1930 and 1931 he visited the United States to complete his famous murals for the Barnes Foundation and its eccentric founder, the late Dr. Albert Barnes of Merion, Pa.

Matisse's activity had been restricted since 1941, when, at 71 in the unoccupied zone of France, he underwent a serious intestinal operation.

In 1951 he completed what he termed his "master work"—the decoration of the tiny Roman Catholic Chapel of Notre Dame of the Dominicans, at Vence, in the mountains behind Nice.

In his latter years Matisse also showed an eagerness for recognition as a sculptor, an art he took up in 1899 but worked at only spasmodically.

The artist, he asserted, means nothing in relation to his art. "A painter exists only by his paintings," he said. "Work is paradise!"

Matisse was married in 1897 to Amelie Noellie Parayre, the model of many of his early paintings. The couple had three children—New York: art dealer Pierre Matisse, sculptor Jean Matisse and Marguerite Duthuit, married to a Paris art critic. He also has five grandchildren.

In later years he and his wife lived apart.

Yule Leaves Planned for Army Personnel

WASHINGTON (INS)—The Army announced today that all training—except basic and advanced individual training—will be suspended in the U. S. for the Christmas holiday period from 8 a.m., Dec. 18 to Jan. 3.

However, the two eight-week training phases for new soldiers, both basic and individual training, will be continued during the period.

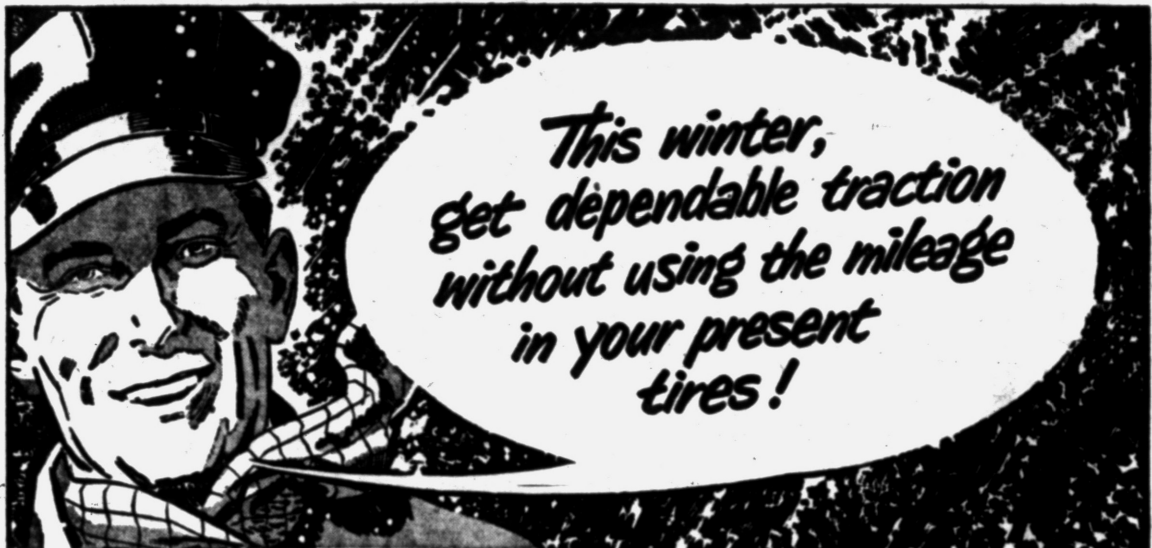

During the two weeks, the Army added, "leave will be granted to the maximum number of eligible personnel."

Members of the Army's anti-aircraft command will be excluded from provisions of the leave policy, officials said, and the nation's anti-aircraft defenses will continue to be manned on a 24-hour schedule.

Top Medical Award Given Illinois Doctor

CHICAGO (U)—An 87-year-old small town doctor who still makes night calls after more than 60 years of active practice has been named Illinois' outstanding general practitioner for 1954.

The honor was given Dr. Henry Orson Munson, of Rushville, by the Illinois State Medical Society last night.

...for safer winter driving get

GOOD YEAR WINTER TRACTION SUBURBANITES

Let your present tires "sit out" the winter... save their mileage for next spring and summer.

SUBURBANITES GIVE YOU...

- More starting traction — up to 91% more
- More stopping traction — up to 39% more
- More pull in snow, ice or mud
- Smoother quieter ride than other winter tires

Put an end to nerve-racking winter driving. This year get dependable traction! Drive on the world's finest winter tire — Suburbanite by Goodyear. 464 cleats with 1856 knife-like edges dig into snow—grip better on ice. Triple-grooved tread guards against side slipping. You get up to 91% more start-ability—39% more stop-ability. Don't be without this extra protection during the dangerous winter driving season! Remember Suburbanites are not an extra cost, since you save the mileage in your regular tires for next spring and summer.

'100 DOWN PER TIRE as low as \$1.25 a week for a PAIR!

If you prefer, trade your present tires. We'll give you top trade-in allowances!
