Congress Eyes Late Quitting Hour

Counting the Days

AP Photofax

DOWN BUT SMILING—Vice President Richard Nixon poses in his Walter Reed Hospital bed Tuesday. The Republican presidential candidate was admitted to the hospital Monday for treatment of an infected left knee. During his two-week stay in the hospital, Nixon's running mate, Henry Cabot Lodge will help take up the slack in the Republican campaign.

Nixon Doing Just Fine; Lodge in Pinch-Hit Role

WASHINGTON (UPI)—Vice President Richard M. Nixon was reported making "good progress" today in his recovery from a knee infection which will keep him off the presidential campaign circuit for the next 10 days.

Nixon's office said that swelling has decreased and that the injured left knee was less painful than it was Tuesday.

Nixon continued to feel well and busied himself with work on campaign speech drafts and memos to his staff.

The vice president was counting on his running mate Henry Cabot Lodge to help take up the slack in the GOP campaign while the presidential nominee recovers.

Lodge will not replace Nixon in any of the three out-of-town campaign appearances the GOP presidential nominee had planned for the next week in Jackson, Miss., Charleston, W. Va., and New York City.

But Lodge, who will quit Saturday as United Nations ambassador, will hit the road Tuesday for four consecutive days of campaigning. Lodge's bookings for Tuesday and Wednesday may be announced today.

He will appear in Worcester and Lowell, Mass. on Thursday and in Boston on Friday.

With Lodge ready for the campaign circuit, Nixon was making the best of his hospitalization by dictating drafts of future speeches and having long telephone consultations with his staff members.

President Eisenhower visited Nixon for 45 minutes late Tuesday and discussed politics, legislation and foreign affairs. Eisenhower also compared his old "football knee" injury of West Point days with Nixon's ailment.

Nixon's infection, medically diagnosed as hemolytic staphylococcus aureus, was being treated with combinations of five antibiotics, primarily erythomycin.

Lodge originally was booked for appearances Tuesday at Springfield, Mass., and Wednesday in New Bedford and Fall River, Mass. With Nixon hospitalized, these were postponed to make way for new engagements in other areas.

Nixon's wife Pat has no present plans to step up her own political schedule while her husband is in the hospital.

Look Up, It's Echo

Here's the Echo satellite viewing schedule for the Pontiac area tonight: 7:19 p.m. high north, northeast; 9:24 p.m., high north, southeast; 11:30 p.m., high south, southeast; 1:40 a.m., low south, southeast.

News Flashes

The son of Leaun Harrelson, president of Pontiac Teamster Local 614, today pleaded guilty in Municipal Court to forging signatures on nominating petitions of David Kaufman, unsuccessful candidate for probate judge in the Aug. 2 primary. Judge Maurice E. Finnegan placed Leaun Harrelson Jr., 24, of 570 Desota Place, on 90 days probation and ordered him to pay $100 court costs.

—NEWS FLASH PG ONE

Eleventh-hour negotiations between the Grand Trunk Western Railroad and the Brotherhood Trainmen broke off at 1 p.m. today, less than 24 hours before the Union's strike deadline. The company said an hour later that no new talks had been scheduled yet.

NEW YORK (AP)—**Vice President Richard M. Nixon and Sen. John F. Kennedy will appear jointly on all television and radio networks Sept. 26, Oct. 13 and Oct. 21 under arrangements made today.**

Ask Say at Pontiac Picnic

Union Cool to GOP Bid for Equal Time

By MAX E. SIMON

The Oakland AFL-CIO quickly turned a cold shoulder Tuesday to an invitation by county Republicans to furnish speakers for the Labor Day picnic in Pontiac.

The offer was made by GOP County Chairman Arthur G. Elliott Jr., who proposed that Republican candidates be given equal time with U.S. Sen. John F. Kennedy on the speaker's platform at the Oakland Park affair.

His politely-worded letter drew an equally polite verbal reply from Fred V. Haggard, president of the Oakland AFL-CIO Council.

"Our commitments for the program have been made," Haggard explained.

Elliott hadn't expected success, he said before learning of Haggard's reply.

Elliott's letter said:

"In keeping with the bipartisan spirit of the AFL-CIO political education program and your avowed efforts to use Union funds to keep Union members informed of the views of both major political parties, we know that you are quite anxious to balance Sen. John F. Kennedy's appearance at your Labor Day picnic with appearances of some of our local Republican candidates.

"At your request, we would gladly arrange for candidates from our organization to speak at the picnic.

"Candidates for county office would be of particular interest, since their views so immediately affect your members.

★ ★ ★

"We would be most happy to cooperate in any way we can."

Haggard was in no rush to reply.

"I'll probably answer him, it might be after Labor Day," the Union official said. "I'm very busy right now."

Haggard expressed bewilderment at the letter's contents.

"I don't get the drift of it," he stated.

"Our picnic is open to the public — Republicans as well as Democrats. We've publicized the fact."

Haggard said that any local GOP candidates who came up to the speaker's platform would be introduced along with Democrats.

★ ★ ★

"None of them can speak, however," he said. "After all, our time is limited."

GOP candidates last night de-

Nieder Cracks Shot-Put Mark

2 Other Americans Are Right Behind for Sweep at Olympics

ROME (AP)—**Bill Nieder, the world record holder who almost stayed home, won the shot-put gold medal for the United States today at the Olympic Games. Two-time defending champion Parry O'Brien was second and Dallas Long third for an American sweep.**

ROME (AP) — Dallas Long of Phoenix, Ariz., set an Olympic record with a toss of 61 feet, 11¼ inches and led the field at the halfway mark of the Olympic shot-put finals today.

★ ★ ★

Vera Krepkina of Russia smashed the Olympic record with a leap of 20 feet, 10⅞ inches and won the women's broad jump.

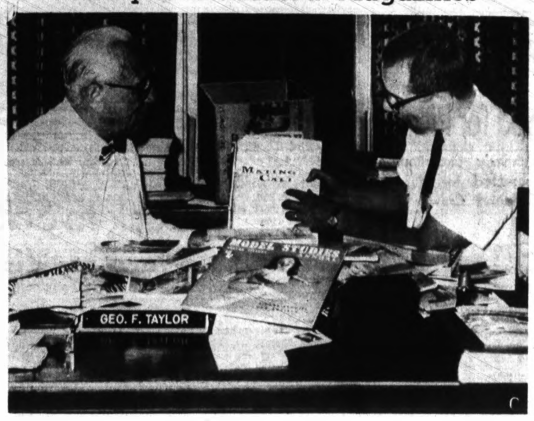

Germany's Armin Hary, who earlier in the day smashed Jesse Owens, smashed the Olympic record with 10.2 seconds today as he led 12 sprinters—including all three Americans—into the semifinals of the 100-meter dash.

★ ★ ★

The strong men's track and field team pushed ahead in today's qualifying heats of competition but the American bid for an unexpected gold medal in the modern pentathlon failed and its eight-man crew was beaten.

Russia began to pile up its gold medals as anticipated in Greco-Roman wrestling when heavyweight Ivan Bodgan was declared the winner. It was the sixth first place for the Russians who boosted their lead in the unofficial scoring race.

Study Confiscated Magazines

Pontiac Press Photo

PORNOGRAPHY?—Prosecutor George F. Taylor (left) examines a large haul of suspect reading materials Pontiac vice squad officers confiscated in the county's defensive war against smut. With Taylor is Anthony F. Steil, his chief investigator, who led the initial roundup yesterday. The Detroit distributor of the publications is to be questioned today.

Rayburn Hopes to Wind Up Session Tonight

May Compromise on Foreign Aid; Trouble Looms on Sugar

WASHINGTON (AP) —The House today voted an extra 65 million dollars in foreign aid funds but refused to approve any larger amount.

From Our News Wires

WASHINGTON — Speaker Sam Rayburn said today he hoped the 86th Congress could wind up its shirt-tail session and adjourn sine die tonight—probably at a late hour.

Having spurned key points in the legislative program of Democratic Presidential Nominee John F. Kennedy, the lawmakers were in a mood to quit. Remaining roadblocks were falling.

The Senate helped break the jam by shouting its approval of stopgap housing legislation to extend the home loan improvement program for another year and provide millions of dollars in federal aid for college dormitories and community facilities.

The measure was tacked on to a minor resolution already passed by the House in a last-minute effort to ram a housing bill through Congress before it adjourns.

"I hope we can adjourn tonight," Rayburn said as the House began what it hoped would be a final session at noon. "I am willing to stay here very late."

Compromises appeared to be shaping up on such remaining issues as foreign aid.

★ ★ ★

Rayburn predicted the House would go part way with the Senate's last-minute addition of $190 million to the President's foreign aid funds.

Sugar legislation seemed the main threat to the speaker's adjournment hopes.

The House has voted to give President Eisenhower, under certain conditions, authority to block an impending "windfall" sugar sale to the United States by the Dominican Republic.

★ ★ ★

The Senate still has to act on this, and some key members were reported anxious to kick out the House bill's conditions, in line with administration requests.

This could throw the sugar issue into a House-Senate Conference Committee with resulting delay in adjournment plans.

Artificial Lake Planned for Bald Mountain Area

Development of an artificial lake in the Bald Mountain Recreation Area is a highlight of the $3 million state park expansion program proposed for 1961.

The 100-acre body of water would be created by empoundment of Trout Creek on land to be purchased between the park and Lapeer Road (M24), said Arthur C. Elmer, chief of the Michigan Conservation Department's parks division.

Land acquisition towards creation of another artificial lake in the Proud Lake Recreation Area is also proposed for next year, said Elmer, although the lake itself is not scheduled until later.

Elmer divulged these details about major Oakland County facets of the $3-million bond issue plan conservation authorities proposed yesterday to launch a new expansion and improvement program:

1. Acquisition of 100 acres for the Bald Mountain lake.

2. A $60,000 dam on Trout Creek.

3. Acquisition of 75 acres for the Proud Lake body of water. (Elmer said funds will probably be sought next year for a dam there.)

4. Acquisition of private properties within the boundaries of the Pontiac Lake and Holly recreation areas.

5. A $20,000 bathhouse and concession stand on the Wildwood Lakes in the Holly park.

ON HURON RIVER

The Proud Lake body of water would be located on the Huron River west of Wixom road and the present park bboundary.

The programs for Oakland County and the rest of the state will go to the State Conservation Commission for approval Sept. 8-9. The plans also require legislative approval.

The program for Michigan calls for a $1 million outlay next year to expand 15 existing parks and to create a 500-acre park along Lake Michigan near the Ottawa-Muskegon County Line.

Another $2 million would be spent for construction and other im-

Overdue From Canada Trip

Hunt Bloomfield Hills Pair

A prominent Bloomfield Hills couple was the object of an international search today.

Perry A. Vaughan, 43, and his wife, Annabelle, 42, of 75 W. Long Lake Rd., have not returned home since leaving Aug. 7 for a fishing trip in Northern Canada. They were due back Aug. 18.

Vaughan, owner of an area building company, is the son of former Bloomfield Township Supervisor Perry A. Vaughan who died last June.

The couple had planned to camp near Oba, Ont., some 450 miles north of the Canadian Soo. On

Ontario Provincial police informed Bloomfield Hills police this afternoon that Mr. and Mrs. Perry Vaughan, missing since Aug. 12, were seen and talked to in Horne Payne, Ont., Aug. 24.

Police said a resident of that city told the Bloomfield Hills couple told him fishing was poor and they planned to drive some 140 miles North to Nakina, near Lake Nipigon, indicating they may not be victims of foul play as police had first feared.

Aug. 12 his sister, Mrs. Walter Guthrie of 750 Oakleigh St., Bloomfield Hills, received a post card from them.

★ ★ ★

They wrote that they would be home Aug. 18, she told Bloomfield Hills police.

Capt. Walter Sluiter said the card was sent from Horne Payne, Ont.

"We were notified by relatives last week and began checking with police in Horne Payne," said Sluiter.

The couple was driving a grey 1957 Buick station wagon.

"They were to travel Route 11 to Hearst and then take a train into Oba, an isolated fishing area. No one in Hearst, Horne Payne or Oba remembers seeing them," Sluiter said.

★ ★ ★

Ontario Provincial Police have issued an all-points bulletin throughout Canada, and the Michigan State Police have been alerted.

A check is being made of all Imperial Oil gas stations along their intended route.

"Vaughan had a credit card and most likely used it during the trip," Sluiter explained.

★ ★ ★

"As yet, we have no evidence they actually reached Oba. We fear they may have had an accident or met with foul play."

Weekend Will Be Hot, Maybe Wet

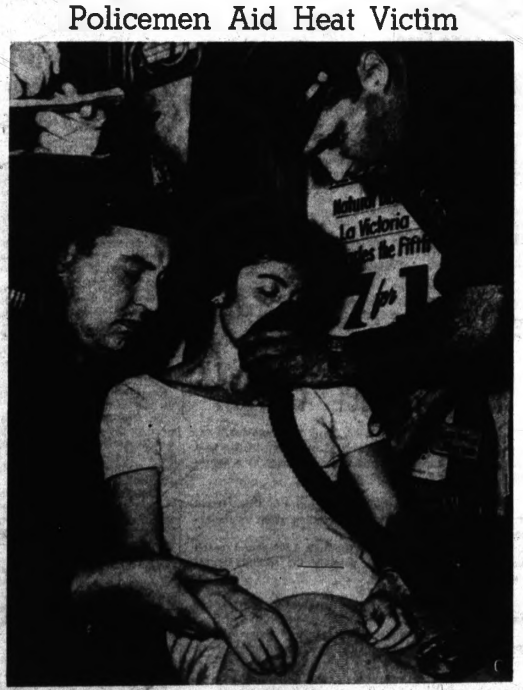

4 a.m.	68	10 a.m.	82
6 a.m.	66	Noon	84
8 a.m.	71	2 p.m.	88

The Labor Day weekend will be hot, the weatherman says, with possible scattered showers Sunday or Monday.

★ ★ ★

The lowest temperature reading in downtown Pontiac preceding 8 a.m. was 66 degrees. At 2 p.m. it was 87.

Policemen Aid Heat Victim

AP Photofax

SUBWAY CASUALTY—New York City policemen administer oxygen to Margoline Oestreicher of Forest Hills, Queens, after she was trapped for over an hour in a stalled subway train. A sudden storm Tuesday disrupted the daily exodus from New York as highways were blocked and subways flooded. Miss Oestreicher was one of many overcome by heat on the train.

Sunk by Olympic Break

Young Swimmer Sobs

By HAROLD A. FITZGERALD
Publisher, The Pontiac Press

ROME—We won two more gold medals last night. Bill Mulliken took the 200-meter breaststroke although he was as far back as fourth at one time. He finally caught Ohsaki of Japan a few meters from the finish with a tremendous surge.

★ ★ ★

But the drama of the Olympics to date came in the finals of the women's 100-meter butterfly. Our own Carolyn Schuler won and it was a stirring victory.

But the sentimental heroine of the Olympics thus far is Oregon's little Caroline Wood. Caroline's 14 years old, you know.

Yesterday Dawn Fraser refused to swim in her semi-final heat of the butterfly event to save herself for the battle with Chris Von Saltza at night in the 100-meter freestyle. Well, Caroline went ahead bravely and swam in her heat—and the little Titan won it.

★ ★ ★

That night she toed the mark in the freestyle finals and finished a wonderful fourth against those incredible fish, Fraser and Von Saltza.

Last night Caroline fought Schuler stroke for stroke to the turn and as the girls whirled for the dash to the finish, she was second with five closely bunched.

Then lightning struck. Little Caroline stopped swimming, grasped the lane markers and made a few ineffectual movements with one hand. The field swept on, leaving her crumpled into a tiny ball —and crying without control.

Finally a clothed official swam to her side to hold her briefly when she paddled slowly to the finish line.

Officials congregated but suddenly she broke free and ran alone into the darkened diving pool area.

WEPT ALL-OUT

As she reached the far barrier, she put her head in her arms and wept the all-out crying of a broken-hearted 14-year-old miss. Officials followed, and several minutes later she went to the dressing room, head down, the picture of utter despair.

Caroline had gulped a huge mouthful of water that went down the wrong way.

That happens. It has before. Later Von Saltza said when this pool is down a few inches, a dirty back slap develops at the turn.

★ ★ ★

There are other years ahead for this precious little mite from the West Coast. And Caroline, in case no one told you, there were other moist eyes around that Olympic swimming pool.

Union Cool to GOP Bid for Equal Picnic Time

(Continued From Page One)

cided that as many as possible will attend the holiday outing.

They'll take along the attractive "Oakland Girls" to pass out lollipops and balloons to the kiddies.

"And, by golly, they'll be Republican balloons," Elliott declared.

To make sure they're heard, they'll have a sound truck on hand.

Haggard said the invitation to Kennedy to appear here was made by the Michigan AFL-CIO. "And it's an honor to have the opportunity to hear him," he declared.

* * *

This isn't partisanship," he said. "It's the majority ruling — Kennedy has been endorsed by our Union for the presidency."

* * *

He added that he "might have" scheduled GOP speakers if the Union had received "advance notice."

* * *

"I don't know whether the Republicans are sincere or not," he said. "But if they were sincere, it seems they would have made their offer four or five weeks ago."

Haggard said no special invitations were being sent to GOP candidates. "We used to do it in past years, but most of them never showed up."

"It's wrong to present just one side of the story," Elliott contended.

"While we have no speakers of Kennedy's stature, there are many who are capable of espousing the Republican philosophy."

* * *

"Our candidates will at least be able to speak individually with people," he said.

County Democrats kept hands off the "equal time" issue.

"We're not involved — directly.

Fidel Stirs Up New Strife

Says U. S. Supported Plot to Shoot Down Roa's Plane

HAVANA (UPI)—Premier Fidel Castro whipped up a new international uproar today with charges of a U.S.-supported plot to shoot down an airliner carrying Cuban Foreign Minister Raul Roa home from San Jose, Costa Rica.

* * *

The charge — sprung by the bearded revolutionary leader in a speech from his palace balcony last night—was spread throughout the island by the government controlled press and radio to give impetus to a mass rally set for this Friday in Havana.

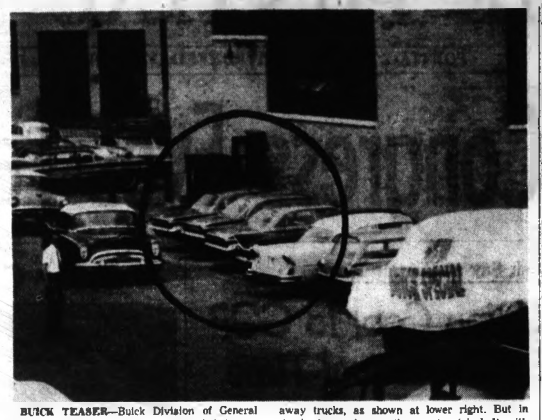

In Washington, the White House denounced Castro's charge as ridiculous and untrue.

Castro called the demonstration to show Cuba's contempt for the anti-Communist declaration issued last Moday by 19 hemisphere foreign ministers in San Jose and its determination to stick by its new Soviet and Red Chinese "friends."

'ALERTED TO ATTACK'

The premier claimed that "two airplanes of war based in Guatemala" had been alerted to attack Roa's Cuban airliner over the Caribbean on its return from San Jose.

He said the aerial ambush was to have been carried out "by international gangsters who are supported by the United States" but that the plot was foiled when Roa left five hours earlier than scheduled on a secret flight arranged by the Costa Rican government.

BUICK TEASER—Buick Division of General Motors sent out a "teaser" picture of their new smaller 1961 Buick Special, slated for introduction this fall. The cars were covered, and on hand-away trucks, as shown at lower right. But in the background were three autos (circled) with unfamiliar rear ends. Is this the new Buick?

Up to 10,000 Eyed for Picnic

Kennedy and Reuther Expected to Beef Up Oakland Crowd

Anywhere from 2,000 to 10,000-plus persons are expected at the Oakland County AFL-CIO Labor Day picnic Monday in Oakland Park.

* * *

Pontiac Police today weren't planning for any special traffic problems, conservatively estimating attendance will range from 2,000 to 3,000.

But labor officials, anticipating the appearance of Sen. John F. Kennedy as a big drawing card, were looking for crowds three to four times as large.

Sen. Kennedy, Democratic presidential nominee, and Walter A. Reuther, UAW president, will fill one-two positions on the speaker's platform in the afternoon.

* * *

A full day's activities are planned by the picnic committee, comprised of the presidents of Pontiac area AFL-CIO unions, with Fred V. Haggard, president of the Oakland County AFL-CIO Council, as chairman.

* * *

There'll be free barbecue in the afternoon after the speeches are over. Free coffee will be available all day.

* * *

Children's games and contests will kick off the picnic at 10:30 a.m. A waterfight by firemen and an Indian pow-wow will follow.

Red Threat to Berlin Fizzling

BERLIN (UPI)—Vital traffic to West Berlin proceeded normally by road, rail and air today despite Communist threats to interfere with it.

* * *

The East Germans made no moves to cut off traffic to prevent West Germans from traveling here for a four-day rally of persons expelled from territory now under Communist control.

The rally opens Thursday.

They confined their restrictions to barring West Germans from entering East Berlin, but West Berliners traveled freely as usual.

This led Western officials to believe that last night's Communist threats might have been just so much talk.

They said they would keep their fingers crossed until the refugee rally ends at midnight Sunday.

* * *

Western commercial airlines ignored the Communist warnings against flying West Germans into Berlin.

Unusually heavy concentrations of Communist aircraft were reported today at Soviet airfields astride the air corridors leading to Berlin.

Two airliners, one from Hannover and the other from Frankfurt, landed safely at Berlin's Tempelhof Airport with more than 60 West Germans aboard.

FIRST TO ARRIVE

They were the first to arrive since the East German Communist regime announced last night it was closing Berlin to West Germans for five days.

Asks Suspension of State Inspector

LANSING (UPI) — A Civil Service Hearing Board today recommended a six-month suspension instead of dismissal for a state inspector who went to the May 14 Republican State Convention as a delegate.

* * *

The $104-a-week Highway Department employe, Ellsworth St. Germain, 56, of Baraga, was fired by Highway Commissioner John C. Mackie on May 20.

The inspector was accused of violating Rule 9 of the commission which among other things expressly forbids a classified employe from serving as a delegate to a political party state convention.

Fire Damage Heavy for Ann Arbor Store

ANN ARBOR (UPI)—A stubborn fire swept through the two-story Montgomery Ward department store in downtown Ann Arbor Tuesday night, causing an estimated $300,000 in damages.

The blaze, which burned nearly three hours before being brought under control, destroyed most of the top floor stock of furniture but damage to the first floor and basement was mainly from smoke and water.

Unofficially, fire department observers believed the damage would total some $300,000. Company officials declined to make a damage estimate.

Sen. Kennedy's Labor Day Swing Through State:

Here is the itinerary of Sen. John F. Kennedy's Labor Day swing through Michigan:

* * *

Sunday — 11 p.m.: Arrives at Detroit Metropolitan Airport.

Monday — 11:30 a.m.: Addresses Labor Day rally in Detroit's Cadillac Square.

* * *

1:45 p.m.: Speaks at Michigan State Fair bandshell.

2 p.m.: Addresses Labor Day Picnic at Oakland Park, Pontiac.

* * *

Following his Pontiac speech, the Massachusetts senator departs for speeches in Flint and Muskegon.

Vassar Woman Picked Queen of State Fair

DETROIT (UPI) — Mrs. Jean MacGregor of Vassar in Tuscola County is this year's Mrs. Michigan State Fair.

The attractive brunette mother of three daughters was announced Tuesday as the choice of the State Fair Commission to reign over the 1960 fair opening Thursday night.

Prof Now With Reds

WASHINGTON (UPI) — A State Department document showed today that a former Boston University professor and wartime intelligence officer, Dr. Maurice H. Halperin, is now behind the Iron Curtain "working for the Soviet government."

That Olympic Spirit— Ideals Put Into Motion

By HAROLD A. FITZGERALD
Publisher, The Pontiac Press

ROME — The modern revival of the Olympic Games really rests on the shoulders of a Baron Pierre de Coubertin who resurrected this glorious pageant more than 60 years ago after a lapse of many centuries.

* * *

The comparatively young French baron wasn't interested solely in the athletic contests. He believed it would augur well for the whole world to meet in a global conclave in which contestants and spectators from all continents could mingle freely, exchange ideas and form new friendships.

This idealism was underlying and the Frenchman moved toward the first struggles with these lofty motives.

What would this idealist think today when we find a world gripped and steeped in materialism and with chauvinistic principles poking through too many international utterances?

* * *

The world emerges from one titanic brawl just in time to gird for the ensuing fray in which new and more diabolical techniques are nurtured to bring about more horrible forms of death and destruction.

* * *

Baron Pierre de Coubertin would probably stand as a confused and befuddled disbeliever. But ultimately his ideal will prevail. These games are scheduled in a spirit of amity and concord.

Everyone wants peace — with the exception of a comparatively small number of power-mad Russians who are drunk with lust and greed.

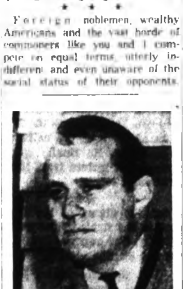

And while the Big Games always produce a few arguments, by and large they are contested on a friendly basis of world understanding and peace.

The spirit is caught in the motto which has always been carved over the main entrance:

The important thing in the Olympic Games is not the winning, but in having taken part. The essential thing in life is not conquering, but fighting well."

* * *

Foreign noblemen, wealthy Americans and the vast horde of commoners like you and I compete on equal terms, utterly indifferent and even unaware of the social status of their opponents.

AP Photofax

TELLS OFFER—Robert Berlin, 28, vice president of a sales company, said the Central Intelligence Agency asked him to spy during a tour of Russia in 1958. Berlin said he refused because of the risk and because he did not think it right for a tourist to spy.

Back-to-School Time; Here're Vital Dates

It'll be back to school for pupils of Pontiac public and parochial schools next week.

Classes resume for all schools Sept. 7 to 9.

* * *

At both St. Frederick's and St. Michael's Schools, students will report for enrollment and orientation on Tuesday.

* * *

The first full day of regular classes at the two major parochial schools in Pontiac will be Sept. 8.

Emmanuel Christian School will also have its first full day of classes Sept. 8 with enrollment and orientation taking place Sept. 7.

By the end of the week all classes in public schools will be meeting with the exception of kindergarten.

Kindergarteners will register Sept. 8 and 9 and begin classes Sept. 12.

Registration for new and transfer students is now taking place.

Schools will be open for registration of these students through Sept. 8.

Students who are transferring from one school to another must notify both their former school and the new school.

All public elementary schools will begin regular classes Sept. 8.

Children do not have to report to their schools before that date unless they are new students.

All 7th and 10th-grade students will report for their first full day of regular classes on Sept. 8.

At the same time, new students in all other grades should report to their school buildings but will not begin regular classes until Sept. 9.

On Sept. 9 grades 8, 9, 11 and 12 will start regular classes.

Boy, 3, Struck by Car, Reported in Fair Condition

A 3½-year-old boy who was struck by a car near his home yesterday afternoon is in satisfactory condition today in William Beaumont Hospital, Royal Oak.

* * *

Gregory Hudock, son of Mr. and Mrs. Nicole M. Hudock, 3248 Cumerland road, suffered a skull fracture.

Berkley police said that the boy was standing with his brother Dennis, 12, in the center of 12 Mile Road waiting for traffic to clear when he darted in front of a car.

The driver was Lawrence J. Schroeder, 16, of 1990 Kipling Road, Berkley. He was not held.

Congress Rushing to Adjourn Soon

(Continued From Page One)

Eisenhower protested that Congress had cut too sharply in reducing his foreign aid money bill to $3,722,350,000 last week.

He appeared likely to win on another foreign affairs front, however.

The House agreed to take up a bill to authorize an extensive development program for Latin America. The Senate already has approved the bill, asked only this month.

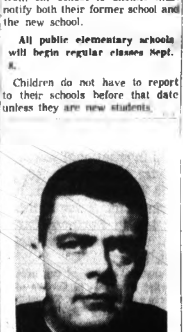

Studio Suspends Film's Anne Frank

HOLLYWOOD (AP) — Actress Millie Perkins has been placed on suspension by 20th Century-Fox Studio for refusing a role.

The job: The lead in "Tess of the Storm Country." Miss Perkins' last film role was the lead in "The Diary of Anne Frank."

The studio said Tuesday the former New York model, now 22, had declined other roles in the two years since "The Diary of Anne Frank" was made.

The battlefield at Gettysburg was dedicated as a national cemetery on Nov. 19, 1863, only 4½ months after the battle was fought.

REV. GERALD B. O'GRADY

Will Be Rector at Christ Church

Rev. G. B. O'Grady Jr. Coming to Cranbrook in January

The Rev. Gerald B. O'Grady Jr. will become rector of Christ Church Cranbrook, Bloomfield Hills.

* * *

For the past five years he has served as rector of the American Church in Geneva, Switzerland.

The Rev. Mr. O'Grady succeeds the Rev. Robert L. De Witt who was elected a suffragan bishop of the Diocese of Michigan in May. The Rev. Mr. O'Grady, his wife and four children will return to this country later in the year. He will begin his ministry at Christ Church in January.

The new rector comes to the area as a musician as well as a preacher. He was a boy soprano at St. Bartholomew Episcopal Church in New York City. While attending Williams College he was president of the glee club. He also plays the organ.

* * *

A graduate of Williams College and Episcopal Theological School in Cambridge, Mass., the Rev. Mr. O'Grady has served as chaplain and assistant professor of religion at Trinity College.

Set New Rail Strike Deadline

Thursday Walkout Seen if All Issues Are Not Settled Today

A new strike ultimatum—effective at 11 a.m. Thursday — has been issued in the prolonged dispute between the Grand Trunk Western Railroad and the Brotherhood of Railroad Trainmen.

* * *

The union said that all issues had to be settled today or the strike call would be reinstated, according to Francis A. Gaffney, Grand Trunk vice president and general manager.

The union withdrew a strike threat last Friday to continue negotiations over working conditions. Gaffney said that some of the differences have been settled since then, but not all.

The union has proposed changes in 20 rules involving working conditions.

* * *

Gaffney said the company would order a shutdown if the strike occurs. Such a shutdown was contemplated last week.

He said it would affect nearly all of the company's 6,400 employes, including the 1,000 yardmen, switchmen, switchtenders, brakemen and baggagemen of the union.

Gaffney said embargoes were being issued on all freight traffic in order to avoid inconvenience and loss to shippers.

Approximately 1,500 Pontiac and Oakland County commuters would be affected by a strike, as well as hundreds of travelers between Detroit and Chicago, said Gaffney.

* * *

The shutdown — the first in 40 years — would affect all Grand Trunk operations in Michigan and three neighboring states, Indiana, Illinois and Wisconsin.

Wonders If 'Spy' Pair Tied to U2

WASHINGTON (AP) — Rep. Francis E. Walter (D-Pa) said today two missing U.S. security agents may be linked to the downing of the U2 spy flight and the RB47 reconnaissance plane by the Soviet Union.

The missing agents, Bernon F. Mitchell and William H. Martin, disappeared last June and are presumed to have defected.

* * *

Walter, chairman of the House Committee on Un-American Activities, said he is convinced the Soviet Union had advance knowledge of the May 1 flight of the U2 and the July flight of the RB47, shot down by a Soviet fighter over the Barents Sea off the Soviet coast.

Spotted During Past 3 Months

'Sea Monster' Caught

REVERE, Mass. (UPI) — A giant "sea monster," apparently the one spotted by several fishermen in the past three months, has been harpooned and landed by a sport-fishing skipper, it was reported today.

* * *

The appearance of the creature landed by Capt. David T. Dionne tallied closely with descriptions given by fishermen.

Experts determined that Dionne's 1,800-pound catch was a huge ocean sunfish, possibly the second largest ever caught.

* * *

Sunfish are very rare, especially in waters off the New England coast.

Witnesses had described the "monster" as having two big eyes, giant fins and looking somewhat like an overturned whaleboat.

It usually remained still in the water "watching" those who saw it.

* * *

The sunfish looks like a huge head with large eyes and fins. The one taken by Dionne was 7 feet long, 3 feet thick and 8 feet wide. Its color was gray with a white belly.

The Day in Birmingham

Church School Course Ready for 3-Year-Olds

BIRMINGHAM — The Board of Christian Education of the Congregational Church here will introduce a new church school course for 3-year-olds Sept. 13, it was announced today.

* * *

The course, "3's in the Christian Community," is the first unit of the United Church curriculum, which is being developed by the educational agencies of the Congregational Christian Churches and the Evangelical and Reformed Church.

Many pastors, teachers, parents and children, as well as Christian education leaders and experts in related fields, have made valuable contributions to the preparation of the curriculum.

The nursery course was written by Phoebe M. Anderson of Chicago, mother of three children and an authority in the field of nursery education.

* * *

The art work was prepared under the direction of James F. Pfeufer of the Rhode Island School of Design, and marks a significant advance in the use of contemporary art forms in church school materials, according to the church board.

* * *

The United Church curriculum is the result of eight years of planning, involving over a million dollars in research and preparation, to provide effective, up-to-date church school material.

Mrs. Richard Doughton Jr.

Service for Mrs. Richard (Bernice) Doughton, 60, of 1955 Knox St., will be 3:30 p.m. Thursday at the Bell Chapel of the William R. Hamilton Co. Burial will be in Acacia Park Cemetery.

Mrs. Doughton died Tuesday in William Beaumont Hospital, Royal Oak, after a long illness.

* * *

She was a past president of the American Legion Auxiliary Department of California, member of the San Diego Unit No. 6 of the American Legion Auxiliary, and a member of OES Upland Chapter, Upland, Calif.

* * *

Her husband is an executive of the Jones and Laughlin Steel Corp. in Detroit.

Survivors include her husband, two sisters and two brothers.

Mrs. Albert E. Carlson

A Requiem Mass will be sung for Mrs. Albert E. (Frances) Carlson, 45, of 2652 Warwick Road, Bloomfield Hills, at 10 a.m. tomorrow at St. Hugo of the Hills Catholic Church.

A Rosary will be recited at 8 p.m. today at the William Vasu Funeral Home. Burial will be in Holy Sepulchre Cemetery.

Mrs. Carlson died unexpectedly of a heart attack Monday at William Beaumont Hospital, Royal Oak.

Surviving besides her husband are a daughter, Barbara Ann Carlson at home; a son, Thomas Patrick at home; a brother; and a sister.

Mrs. George Toomey

Service for Mrs. George (Cora) Toomey, 82, of 18151 Buckingham Road will be 1 p.m. Thursday at Bell Chapel of the William R. Hamilton Co. Burial will be in Acacia Park Cemetery.

Mrs. Toomey died Tuesday after a long illness.

* * *

She is survived by a son, John C. of Birmingham, and a grandson.

Theodore P. Christman

Service for Theodore P. Christman, 81, of 18175 Riverside Road, Beverly Hills, will be at 1 p.m. Friday at the Bell Chapel of the William R. Hamilton Co. Burial will be in Woodlawn Cemetery.

Mr. Christman died Tuesday in William Beaumont Hospital after a long illness.

He was vice president and a director of the O. W. Burke Co., general contractors. He had been with the firm since it organized in 1924.

Christman was a life member of the Red Run Golf Club and the Harmonie Society.

He is survived by his wife Bertha and a brother, Julius of South Bend, Ind.

Says Belgians Fail on Deadline

Dag Claims Withdrawal of Troops Is Still Not Completed in Congo

UNITED NATIONS, N. Y. (UPI)—Dag Hammarskjold today accused Belgium of failing to meet its troop withdrawal deadline in the Congo and of giving him an inaccurate report on the situation.

* * *

The U.N. secretary-general advised the Security Council he had demanded that nearly 600 Belgian troops remaining in the Congo be withdrawn immediately.

Belgium, he said, had assured him it would have all its combat forces out of the troubled African country by last Monday midnight.

In the Congo, Albert Kalonji, president of his self-styled mineral state in southern Kasai province declared today his troops have recaptured his capital, Bakwanga.

Bakwanga, an industrial diamond center, fell to the Congolese troops of Premier Patrice Lumumba's central government last Saturday.

* * *

Kalonji based his claim on radio reports received from "known and friendly voices" broadcasting over the Bakwanga radio station.

He said that his capital was recaptured at 2 p.m.

Kennedy, Nixon Agree on Rules for TV Debates

WASHINGTON (UPI) — Democratic Presidential Candidate John F. Kennedy and his GOP rival, Vice President Richard M. Nixon, have agreed on the ground rules of their television debates, it was announced today.

* * *

Pierre Salinger, Kennedy's press secretary, told newsmen that the schedule of the TV debates probably will be announced later today or Thursday.

* * *

Salinger said "general agreement" has been reached between Republicans and Democrats. Final details are being worked out by the three networks, he said.

This Session of Congress Bad for Dems

By JACK BELL

WASHINGTON (AP) — Opposing party spokesmen agreed today the dog-days session of Congress now drawing to a close has been politically damaging to the Democrats.

Senate Republican Leader Everett M. Dirksen of Illinois said the session had demonstrated that the Democrats "could develop no cohesive party spirit."

For that reason, he said Sen. John F. Kennedy of Massachusetts, the party presidential nominee, failed to get passage of several bills he wanted and didn't make good on promises to introduce others.

Kennedy has promised to carry his fight to the country.

Sen. Mike Mansfield of Montana, assistant Democratic leader, said in a separate interview that the session "has hurt Congress as a whole, but has hurt the Democrats the most."

Mansfield indicated he thinks President Eisenhower made some political gains by resubmitting his 21-point legislative program and demanding quick action on it—which he didn't get.

"But the President should tell the American people that what he advocated in that program not only unbalanced the budget for this fiscal year but for many years to come," Mansfield said.

'Must Fly Panama Flag'

PANAMA CITY (UPI)—Foreign Minister Miguel Moreno told a nationalist rally last night the United States must agree quickly to fly the Panamanian flag in the Canal Zone "if it wishes to avoid new violence."

Artificial Lake Eyed for Bald Mountain

(Continued From Page One)

provements at 38 state parks and recreation areas.

* * *

Bonds would be retired with proceeds from a parks admissions fee which will go into effect next year.

The conservation department was once contemplating a $5-million program next year with a number of other developments in Oakland County.

The legislature has approved a bond issue of up to $5 million a year.

But planned spending the first year was trimmed on the advice of bonding attorneys, said Elmer.

* * *

"They said we should limit the first bond issue since we don't know yet how much revenue we will realize from the admission fees," he explained.

The fees are $2 a car per year or 50 cents a day for admission to major parks, including almost all Oakland County parks.

Ike Won't Hold Press Parley This Week

WASHINGTON (AP) — President Eisenhower will not hold a news conference this week.

Announcing this Tuesday White House Press Secretary James C. Hagerty said Eisenhower expects to be too busy because of the approaching adjournment of Congress.

This week will be the first week the President has passed up a news conference during the postconvention session of Congress. He held conferences the last three weeks in a row.

37 Countries Will Meet at Geneva

Nations Hoping to Slash Trade Bars

GENEVA (UPI) — The 37 contracting nations to the General Agreement on Tariffs and Trade (GATT) meet here Thursday in an attempt to slash trade barriers around the world.

The conference is scheduled to last until the end of June 1961 and is the fifth Tariff-cutting conference held by GATT since its creation in 1948.

GATT is an organization of 37 states — including Brazil, Canada, Cuba, France, West Germany, India, Japan and the United States — dedicated to expanding international trade. Altogether the 37 nations control an estimated 80 per cent of world trade.

The GATT nations, along with Israel, Switzerland, Tunisia, Cambodia, Portugal, Spain and Yugoslavia — who are also participating in the conference — hope to reduce tariff barriers by three types of negotiations. These are:

—Negotiations between the six countries of the European Economic Community (the Common Market) and other GATT countries. The Common Market was formed by the Rome Treaty of 1958. The six member nations form a European customs union and are all members of GATT. They now renegotiate their previous GATT tariff limits to make them conform with the limits set by their customs union.

* * *

—Negotiations by the contracting countries on the limits of their individual customs duties. Under the last GATT conference here in 1956, the contracting countries agreed to freeze their tariffs on certain goods at certain levels. They now renegotiate those levels with the intention of lowering them.

—Negotiations by the contracting nations for new concessions.

These will include negotiations with the Common Market countries for concessions in their unified customs walls. By the most favored nation clause of the GATT framework, any concessions obtained by one country must be extended to all other GATT countries.

The organizers of the conference have divided the discussion into two phases. The first: From Sept. 1 until the end of the year. The second: From Jan. 2 until June 30, 1961. Except for the opening meeting at the Palais Des Nations, all meetings will be secret.

The proposal for the conference was made by the United States. Observers have said the United States is particularly interested in negotiating for reductions in the tariffs of the six European Common Market countries.

GATT circles said Canada also was concerned about assuring low tariffs with the Common Market countries, as Canadian trade is based on a policy of non-discrimination and multilateralism.

In general, the Asian, African and Latin American members of GATT hope to obtain concessions from both the Common Market countries and the seven members of the European Free Trade Association.

RELIEF FOR HAY FEVER—A "torture chamber" designed, and built by allergy specialists, meteorologists and engineers at the University of Michigan Hospital in Ann Arbor is expected to help speed relief for millions of hay fever and asthma victims. Dr. Cory E. Cookingham explains a measuring device to Mrs. Carol Kline inside the 10-by-10-foot chamber which offers scientific control of temperature, humidity and pollen count . . . all factors which influence hay fever.

Search for Girl Ends Tragically

Brother Finds Body in Yard; Motive Thought to Be Theft

PALM SPRINGS, Calif. (AP)— A widespread search for a missing girl ended tragically in her own front yard.

* * *

Her brother Ruben, 2, found the body of Juanita Zapeda, 10, Tuesday in a sandy grave a few yards from her bedroom.

A bloody two-by-four was found nearby. Investigators said she may have surprised a burglar in the Zapeda home.

"We believe she was murdered to keep her from identifying the intruder," said Roland Wilson, district attorney's chief trial deputy.

A strongbox containing $200 was stolen early Monday from the Zapeda home. Detectives believe Juanita was taken from her bed in a thin cotton nightgown.

* * *

Sheriff's officers put out a broadcast for Steve Stager, 21, a former boarder at the Zapeda home, who was evicted two weeks ago.

The navy's 14 and 16-inch guns throw shells 20 miles.

Deaths in Pontiac and Nearby Areas

MALON T. DUNN

Malon T. Dunn, 53, of 100 W. Longfellow Ave., died yesterday at Henry Ford Hospital, Detroit. He had been ill nearly a year.

An employe of Fisher Body Division, he was a member of the Fleet Reserve 27 in Detroit.

Surviving are his wife, Dorothy; a stepson, Roger McQueen of Pontiac; three grandchildren; two brothers and four sisters.

Service will be held at 1:30 p.m. Friday at Sparks-Griffin Chapel. A military graveside service will follow at Perry Mount Park Cemetery.

MRS. WILLIAM WATTLES

Mrs. William (Nora) Wattles of Hilladale, a former resident of Pontiac and Auburn Heights, died there yesterday of a cerebral hemorrhage after a 10-day illness. She was 87.

Mrs. Wattles was a member of the Pentecostal Church.

Surviving besides her husband are a daughter, Mrs. Neva Robinson of Auburn Heights, and two sons, Edward V. Myers and Virgil Myers, both of Pontiac.

Service will be held at 11 a.m. Friday at the Van Horn Funeral Home in Hilladale with burial in the Riddle Cemetery, Osceola Township.

LEWIS JOHN CHARLICK

HIGHLAND — Service for Lewis J. Charlick, 86, of 1385 Clyde Road, will be at 2 p.m. Friday at the Richardson-Bird Funeral Home, Milford. Burial will be in West Highland Cemetery.

Mr. Charlick, a member of the Hickory Ridge Baptist Church, died yesterday after an illness of one month.

Surviving besides his wife Aletha are four sons, J. Willard, Ray and Lee, all of Holly, and Arthur of Highland; two daughters, Mrs. Lillian Daschke of Detroit and Mrs. Marguerite Gill of Hastings; a stepson Robert Musselman of Indiana; and a stepdaughter, Mrs. Geraldine Crister of Indiana.

Also surviving are five sisters, Mrs. Louise Brown of Arizona, Mrs. Emma Judson and Mrs. Jane Lemnon, both of Holly, Mae Charlick and Mrs. Anna Glendening, both of Highland; 15 grandchildren; and 17 great-grandchildren.

MRS. RIAL CRANDALL

LAPEER — Service for Mrs. Rial (Bernice) Crandall, 65, of 61 N. Saginaw St., will be at 3 p.m. tomorrow at Muir Brothers Funeral Home. Burial will be in Mt. Hope Cemetery.

Mrs. Crandall, a member of the Monroe Street Methodist Church and OES Chap. 146, died unexpectedly Monday at her home of a heart attack.

Surviving besides her husband are a son, Earl of Detroit; two daughters, Mrs. Nan Stone of Trenton and Mrs. Ernestine Paylor of Allen Park; a brother; a sister; and six grandchildren.

CARL H. FREESE

LAPEER — Service for Carl H. Freese, 58, of 7 W. Nepessing St., will be at 1:30 p.m. Saturday at Muir Brothers Funeral Home. Burial will be in Mt. Hope Cemetery.

Mr. Freese died yesterday in Lapeer County General Hospital.

Surviving are a daughter, Mrs. Thomas Hunter of Flint; three sisters; two brothers; three grandchildren and one great-grandchild.

MRS. FREDERICK FURGERSON

DRYDEN—Service for Mrs. Frederick (Erma) Furgerson, 78, of 4294 Rochester Road, will be at 2 p.m. tomorrow at the Dryden Methodist Church. Burial will be in Mt. Pleasant Cemetery, Dryden.

Mrs. Furgerson died Monday after a long illness at Flint Osteopathic Hospital.

Her body will be at her residence.

Surviving are four sons, Ward of Dryden, Grant of Pontiac and Ralph and Paul, both of Illinois; a daughter, Mrs. Irene Dernberger of Dryden; five grandchildren; and six great-grandchildren.

MRS. HERMAN HEINIG

LAPEER — Service for Mrs. Herman (Mary) Heinig, 85, of 239 S. Main St., were to be held today at Muir Brothers Funeral Home with burial in Attica Cemetery, Attica.

Mrs. Heinig died Monday after a long illness.

Surviving are a daughter, Mrs. Frances Crozier of Hamilton, Ont.; one sister; a grandson; and three great-grandchildren.

MRS. RICHARD LAMBERT

NORTH BRANCH—Service for Mrs. Richard (Margaret L.) Lambert, 66, of 2736 North Branch Road, will be held at 2 p.m. Saturday at the Oregon Evangelical Church. Burial will be in Columbiaville Cemetery.

Mrs. Lambert died unexpectedly at her home yesterday of a respiratory ailment.

Her body will be at Baird Funeral Home, Lapeer, until noon Saturday.

Surviving are a son, Melvin Burkitt of North Branch; a stepdaughter, Velma Lambert of Lapeer, two grandchildren and one great-granddaughter. Four brothers and a sister also survive.

MELBORNE ROSE

LAPEER—Service for Melborne Rose, 75, formerly of Elba Township, will be held at 1 p.m. tomorrow at the Baird Funeral Home. Burial will be in Oak Hill Cemetery, Owosso.

Mr. Rose died yesterday after a three-year illness.

Surviving are his wife Jennie, a sister and several nieces and nephews.

ARTHUR F. TULL

Service for Arthur F. Tull, president of the Pontiac Business Institute and founder of the Business Institute in Detroit will be at 1:30 p.m. Thursday at Kirk-in-the-Hills, Bloomfield Township. Mr. Tull of 8916 Gale Rd., White Lake Township, died Monday after an illness of several months. He was 80.

SUN-POWERED—A solar furnace with meticulously finished reflecting mirror turns sunshine into 7,000 degrees F. in Wilmington, Mass., at the Avco Co. The furnace tests new materials developed for missile nose cones, rocket engine nozzles and space craft that must withstand enormous heat.

Capehart Corp. Head Dies at His Desk at 53

NEW YORK (UPI) — Jack M. Winer, 53, president of Capehart Corp., died Tuesday at his desk at the Capehart plant in Richmond Hill, N. Y.

Winer, a well-known figure in the appliance and electronics field, was believed to have died from a heart attack.

Automobile Dealer Sues

MONTGOMERY, Ala. (UPI) — Car dealer Ralph Smith went to court Tuesday to demand that state alcoholic beverage control agents return a car whose driver was accused of carrying 25 gallons of illegal whisky.

Smith said the driver told him he merely wanted to try out the car before deciding whether to buy it.

2 Hitchhikers Attack Boy and Steal Car

A Pontiac youth told city police he was attacked by two hitchhikers last night who stole his father's car which he was driving.

* * *

Jerry E. Runyan, 19, of 441 First St. said he picked up the two male hitchhikers at Joslyn and Viaduct streets and drove them as far as the railroad tracks on Walton Boulevard, when one of them pulled a knife and said, "We want your car."

* * *

The youth told police he was hit on the head with a hard object as the men pushed him from the car.

He was treated and released at Pontiac General Hospital.

Police are seeking the stolen car.

Chemical Explosion Injures 2 Workmen

BUFFALO, N.Y. (UPI) — A chemical explosion which was seen and felt 15 miles away demolished a three-story brick building Tuesday night at the National Aniline plant here. Two workmen were injured, one critically.

The blast occurred shortly before midnight, apparently from methyl (wood) alcohol in a steel distillation column in building 315 of the Allied Chemical and Dye Corp.

Twisted pieces of pipe, chunks of masonry, wood and a five-foot gear wheel were strewn over a nearby street.

* * *

A two-alarm fire followed the explosion which awakened hundreds of South Buffalo residents. Firemen quickly subdued the flames which were fed by the released methyl alcohol.

Kennedy Seeks Votes Among Citizens Abroad

WASHINGTON (UPI) — Democratic presidential nominee Sen. John F. Kennedy is seeking votes of Americans in London, Algiers, and other overseas capitals.

Yesterday Kennedy named John A. Ryan of Frankfurt, Germany, to organize a register-and-vote committee to win the ballots of about 1.5 million overseas Americans. Ryan is a native of Morristown, N. J.

Adams Defends Property Rule

Contends Real Estate Law Fair, Will Take It to Circuit Court

LANSING (AP)—The state rule forbidding discrimination in real estate dealings because of race, creed or color is legal, Atty. Gen. Paul L. Adams contended today.

★ ★ ★

Adams also indicated he would fight for the ruling through Circuit Court, State Supreme Court and U. S. Supreme Court if necessary.

The attorney general filed a formal answer in reply to a Circuit Court suit, brought by three Lansing real estate brokers, asking that the law be declared invalid.

Adams described their case as "a curious mumbo-jumbo of loaded questions."

★ ★ ★

The case will be argued Friday at Lansing Circuit Court.

"What this rules does," Adams said, "is to regulate the activities of real estate brokers and salesmen and require them to extend their services to any person regardless of his race, color, national origin or religion, just as any other business which serves the public is required to do."

Adams denied that the rule would force anyone to sell his property to anyone.

★ ★ ★

"This is not true," the attorney general contended. "Under the rule, an individual may sell or refuse to sell his property to anyone he pleases."

Say: 'Come'... Then Get Highhat

Russians Not Too Nice to Africans in Soviet

BONN, Germany (AP)—"The Russians say we are monkeys and not human," an African student told a news conference Monday after two years in Moscow.

★ ★ ★

The attitude of the Russian man in the street toward African Negroes is one of arrogant paternalism, Michel Ayih, 28, of Togo said. "They say 'You have much trouble. Just come to us and we get rid of the colonialists for you. We will machine gun them.'"

The young Negro first went to Moscow in 1957 to attend a Communist youth festival. He went back in 1958 to study the Russian language for one year and take courses in diplomacy.

He said university officials told him he could not study diplomacy but must study medicine, which was what he had studied for three years at Rouen University in France.

★ ★ ★

"I wanted to switch to diplomacy because my country can always get European doctors but diplomats we must produce ourselves," Ayih explained. "I guess the Russians want to handle our diplomacy."

Discussing racial discrimination in the Soviet Union, Ayih told of a Somali student, Omar Khalif, who asked a Russian girl to dance with him at a party last spring. She refused.

"Khalif asked why she refused and a Russian boy asked him to come with him for a walk," Ayih said.

"He took Khalif to the cellar where four Russians beat the African so badly that he spent 15 days in a hospital."

"Once I was in an elevator with about 30 Russian students. I was standing in the back and asked one of them to push the button of the floor I wanted to get off. They ignored me and when I managed to push the button myself, a Russian girl pushed another to make the elevator pass my stop.

"When I asked why she had done this, the Russians began to shout at me: 'What right do you have to protest? You are just a monkey, not a man.'"

"I went to the authorities on July 3 to get an exit visa and leave on July 11. They gave me a visa at once—it usually takes a week—and told me I had to get out in three days."

★ ★ ★

Ayih came to West Germany to study German at Bonn University on a government scholarship.

Second Successful Titan Missile Fired

CAPE CANAVERAL, Fla. (AP)—The Air Force has fired its second successful operational prototype of the Titan intercontinental range missile, but again has failed to recover a data capsule from the rocket's nose cone.

★ ★ ★

A powerful "J" series Titan, propelled by modified engines, flew a 5,000-mile course down the Atlantic missile range Tuesday. The 30-inch cylindrical capsule ejected from the cone and parachuted into the water, but recovery ships and planes were unable to find it.

MM's Illness Gives Producer the Hollywoes

HOLLYWOOD (AP) — Marilyn Monroe rested in a hospital today while film folk speculated over financial repercussions of her illness.

★ ★ ★

Shooting on her current movie, "The Misfits," has been all but halted. One co-star, Clark Gable, reportedly has a contract calling for his work on the film to be completed by Oct. 1. After that, sources close to the film said, he will go on overtime at $40,000 a week.

Miss Monroe's physician said the blonde actress is suffering from acute exhaustion as a result of several weeks' filming in 100-degree heat near Reno, Nev.

Avenges Gen. Custer

MILWAUKEE (UPI)—A 30-year-old man said he savagely beat a Sioux Indian Tuesday because he wanted to "avenge the massacre of Gen. Custer at the Little Big Horn."

Blames Riots on Reds

CARACAS, Venezuela (AP) — Interior Minister Luis Augusto Dubuc Tuesday blamed Communists for rioting Monday that left one woman dead and 16 persons injured. Dubuc said 268 persons had been arrested in connection with the rioting.

New Hampshire's spectacular fall foliage season arrives about Sept. 23 in the northern areas and extends through Oct. 15 in the southern sections.

Mississippi Holds on to Die-Hard Traditions

In his television appearance on Sunday, Gov. Ross Barnett of Mississippi, a die-hard segregationist, states righter and orator with "Sen. Claghorn" overtones, defended his position of urging his state's voters to ignore both presidential candidates and to vote in November for unpledged electors.

★ ★ ★

Both major parties have rebuffed the South with strong civil rights planks. The governor hopes for a presidential tie vote when the election would be thrown into the House of Representatives and Mississippi's 20 electors could then bargain with the two candidates. So far he has not been successful in getting any other state to join the independent elector scheme.

★ ★ ★

Gov. Barnett is chairman, and a former sheriff is director of the private Citizens Council Forum, a propaganda arm of the violently anti-integrationist Citizens Council, according to Southern School News. Recently $20,000 in state funds were turned over to this agency "to defend Southern custom and tradition" from the Supreme Court's school desegregation order.

This generosity with tax funds hasn't gone unchallenged. Among others, the Rev. RICHARD ELLERDUKE of St. Paul's Evangelical Church of Biloxi called the donation "a flagrant violation of the democratic principle that public funds are to be used only for what is in the best public interest. . . . Many white citizens see in it only continued foment of discord and group hatred."

★ ★ ★

Vice President NIXON is planning to campaign in every Southern state and was well received in his initial foray into South Carolina. He contends that the Democrats have promised "far more than they can produce" while the more moderate Republican platform can be carried out. Neither party alone can make good on platform pledges in the field of civil rights unless liberals of both parties unite.

★ ★ ★

Understandably, Mississippi is not one of the states where tensions are easing but there are signs in many parts of the South that common sense and respect for U.S. law are slowly bringing about desirable economic and social changes.

Dems 'Pressing' Bills No Longer Important

It now would appear that the rump session of Congress so cleverly arranged by the Democrats to take up what they called "pressing" bills is about through.

To date at least the "liberal" bills have either been stopped or set aside for the time being.

★ ★ ★

At the offset of this session the cynics howled that it was just a political pow-wow aimed at discrediting the Republicans. In theory it looked like it could be pointed out that Republicans were against liberal aid.

Some figured it was a shoo in for the Dems and that they couldn't lose. If the money give away bills were approved they could take the credit and conversely if the Republicans vetoed the measures they would suffer Nov. 8.

The cards just did not turn out as planned. Somehow or other the shuffle backfired. Messrs. Johnson and Kennedy had their well laid plans upset.

★ ★ ★

As it turned out the Republicans sponsored a Civil Rights bill which the Democrats decided to turn down. Next, the Republicans and some conservative Democrats locked arms to vote down old age medical benefits under Social Security.

★ ★ ★

Other free spending bills like Federal aid to housing and Federal aid for education have as yet not made the floor. And at this writing it looks like it is too late at this shirt tail session.

Now it appears like the KENNEDY-JOHNSON team are for ending the session and going home in a hurry. The so called urgency of these measures is not as "pressing" as was first indicated.

The Man About Town

3-Day Holidays

Fourth of Tremy in 1960 With Us This Weekend

Bullseye: What some people think they can hit by shooting the bull.

This year has an extra supply of three-day holiday week ends. We had them in February, May and July, and another now impends.

They usually are field-day slaughter occasions for the step-on-it fiends whose principal mission in life seems to be to increase the casualty lists.

However, ample notice is being given by Sheriff

Frank W. Irons

that he will have on duty more men than ever before to watch for such offenders.

He suggests an early start, sane driving and strict conformity with all speed limits and traffic rules. And you know where drunk drivers go.

A phone call just received from

Peter Smithson

of Commerce states that he has completed his third 1960 cutting of alfalfa, and expects to get another. He asks, "Who said this isn't a good growing year"

Largest peach received thus far comes from

Perry Springsteen

of Waterford, weighing 11 ounces.

Local travelers back from Europe say that England, Ireland, Scotland, Germany, Belgium, Holland and Italy are OK, but France is peanuts. One globetrotter tells me that Paris is the world's only big city where you are accosted on the street in broad daylight by characters who are not selling peanuts.

Asserting that good wine can be made out of anything that will ferment,

Arthur Rossworth

of Rochester reports that he has concocted a very commendable mixture from cornstalks.

Crossing the International Date Line on a globe circling tour by plane,

Everson Bartwick

of Bloomfield Hills cabled home: "Left Fiji today. Arrive Hawaii yesterday."

After reading our story about Oakland County's champion big trees,

Elwood Burrington

of Birmingham sends word that his father felled a white oak in Waterford Township 70 odd years ago that was considered to be the largest in Michigan. It was seven feet in diameter, and from it over one thousand railroad ties were made, besides over 20 cords of stove wood from its limbs.

This column is getting the rhubarb a plenty. Now

Charles Pylman

of Davisburg reports some rhubarb over two feet across. And it makes good pie. I had some of it.

Mrs. Ollie Jarrard

of Drayton Plains; 82nd birthday.

Mr. and Mrs. C. H. Alden

of Waterford; 52nd wedding anniversary.

One That Got Away

David Lawrence Says:

Stumping Is Not Key to Election

WASHINGTON — Maybe the age of chivalry in national politics has passed. Time was when a presidential candidate canceled speaking engagements when his opponent was incapacitated.

LAWRENCE

A dramatic example occurred 48 years ago when Gov. Woodrow Wilson of New Jersey was running for the presidency on the Democratic ticket against Theodore Roosevelt, Progressive Republican, and President William Howard Taft, regular Republican.

An assassin's bullet wounded Roosevelt on the right side of his body, and he was hospitalized for a brief period. Wilson promptly announced that he would cancel all speaking engagements.

★ ★ ★

The shooting episode occurred in Milwaukee on Monday, Oct. 14, and on Tuesday Gov. Wilson said that he would keep only the speaking engagements that had already been arranged for Wednesday and Friday of that week and that he would not speak again afterwards until Roosevelt was able to take an active part in the campaign.

Big meetings in New York and Brooklyn for that weekend were given up by Wilson. Roosevelt appreciated the action but insisted that Wilson continue speaking. Actually, TR resumed campaigning on Oct. 30 with a speech at Madison Square Garden.

So the recess lasted about 13 days—very important days, too, since they were in the latter part of the campaign, with the election taking place on Nov. 5.

Wilson's attitude was regarded as sportsmanlike and gallant.

★ ★ ★

There has always been, however, some question as to whether lengthy and continuous campaigning is ever as important as the candidates and their managers think it is.

President Franklin D. Roosevelt, in 1936 and 1940 and 1944, followed the strategy of letting his opponent in each campaign do the bulk of the stumping while he himself concentrated on rebuttals in the last two or three weeks before election day.

★ ★ ★

Doubts as to the value of stump-speaking have arisen from time to time. Thus, for instance, in 1920 Gov. James M. Cox of Ohio, Democrat, toured the country from coast to coast while his opponent, Sen. Warren G. Harding, stayed almost the entire time on the front porch of his home in Marion, Ohio, making a few speeches there.

Sen. Harding won the presidency by the biggest electoral vote anybody had ever attained up to that time. The people voted primarily against the party in power, regardless of the eloquent and thoughtful speeches of Gov. Cox.

★ ★ ★

ORATORY FAILED

Looking back still further, it will be noted that William Jennings Bryan, Democrat, was one of the most colorful orators in American politics. He was defeated for the presidency three times—in 1896, 1900 and 1908. In each campaign his opponent made fewer speeches than he did and took fewer trips, but won anyhow.

Maybe Vice President Nixon, now hospitalized with an injured knee, will benefit by a two-week recess in the stumping excursion. Maybe Sen. Kennedy would also benefit if he took a rest for the next fortnight, though he has just announced that he will begin on Friday an 18-day speaking tour in 17 states.

In these days of television and radio, there isn't as much need for the candidates to take extensive campaign trips in person. The political managers, however, do not agree with this.

They want their candidate to put in personal appearances so as to attract local attention and to afford an opportunity for street demonstrations and parades, all of which presumably stirs up voter enthusiasms.

DECIDE IN ADVANCE

The way a candidate looks and his speaking manner may seem to be important, but nobody has ever proved that they really are.

★ ★ ★

It is rather the impression created by the party in power during the previous four or eight years which causes many voters to make up their minds, either affirmatively or negatively, long before election day.

Campaign speeches may clarify the basic issues for many citizens, but a decisive influence one way or the other doubtless has already affected a majority of the voters. The speeches of the next two months may not materially affect the result at all.

(Copyright 1960)

Dr. William Brady Says:

Go Ahead, Call It Arthritis, This Is a Free Country

This, in some respects, is still a free country. Any poor soul may believe if he wishes that his chronic joint disability is rheumatism, or if he can afford a more exclusive name, arthritis.

★ ★ ★

Moreover he can attribute his complaint to exposure to foul weather, cold, dampness and this dreadful climate and corroborate the notion by citing eminent medical authorities.

DR. BRADY

Without discussing the subject in detail (for that, send me a stamped, self-addressed envelope and ask for the pamphlet Calcium and Rheumatic) I'll say here that a great many readers who have had personal experience with joint disability of long duration (over a year) have obtained great benefit from the practice of supplementing their ordinary diet with a suitable daily ration of calcium and D.

This is not medicine and it does not cure anything. It is simply essential food—food which every one should get every day. Every one would get enough calcium and vitamin D to prevent such trouble if he consumed enough milk, cheese, eggs, green leafy vegetables, peas, beans, nuts and peanuts and exposed as much skin as possible to sunlight or diffuse skylight daily, to manufacture the daily requirement of vitamin D.

★ ★ ★

Besides the foods mentioned, these foods are good sources of calcium for a high calcium or health diet: asparagus, lettuce, cabbage raw or only slightly cooked, celery, cauliflower, broccoli, beet greens, dandelion greens, turnip greens, mustard greens and oatmeal.

A quart of milk contains approximately 15 grains of calcium.

A healthy person excretes 10 to 12 grains of calcium through the intestine and 2 or 3 grains through the kidneys daily.

Signed letters not more than one page of 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

(Copyright 1960)

The Country Parson

"Public opinion, like a flood, can sweep everything before it and leave nothing behind but destruction."

Voice of the People

'Kennedy Doesn't Tell Us We Will Pay for Benefits'

The political platform on which Mr. Kennedy hopes to be elected is filled with socialistic ideologies offensive to citizens of our country. This platform was concocted, in important measure, by men with autocratic ambitions to gain control of our country through further regimentation of our economy by the Federal Government.

★ ★ ★

We are told of all the wonderful benefits in store for us if only we will vote Mr. Kennedy into office. He deliberately avoids telling us that we, the taxpayers, must foot the bill for his ridiculous "something for nothing" give away program. We should remember that a substantial portion of every dollar that goes to Washington is wasted by incompetent bureaucrats, so that the so-called benefits become a mere pittance of little value.

★ ★ ★

The Kremlin wants control of this country and they know the best way to obtain it is to encourage the politicians to spend us into bankruptcy. Our real Federal debt in the form of fixed obligations now amounts to $750 billion and our slide toward insolvency is being hastened by reckless appropriation bills being passed by Mr. Kennedy's party.

The greatest tragedy in the life of our nation will befall us if our citizens can be duped into voting Mr. Kennedy into the presidency.

Another Kennedy

Says Reds Have Right to Intervene in Cuba

MOSCOW (UPI)—Soviet Foreign Minister Andrei Gromyko said Tuesday the Soviet Union has the right to intervene "in the affairs of the Latin American countries — including Cuba," Tass reported.

Gromyko's claim came in an answer to a speech before the recent Organization of American States meeting by Secretary of State Christian Herter, the Soviet news agency said.

Gromyko quoted Herter as saying that affairs between Western Hemisphere nations "must not concern states beyond the boundaries of the American continent."

"If this is so," he said, "the secretary of state should draw the conclusion that the United States has nothing to do in Europe or to take an interest in European affairs.

"No one has reasons to speak of any Soviet intervention in the affairs of the Latin American countries — including Cuba — without contradicting the facts."

The Soviet foreign secretary added that his country has no military bases, banks, factories or plantations either in Cuba or in any other Latin American nation.

But he said that "no concoctions concerning Soviet-Cuban relations can change the friendly nature of these relations. They will continue to grow and strengthen in the interests of the peoples of both countries."

The Almanac

By United Press International

Today is Wednesday, Aug. 31, the 244th day of the year, with 122 more in 1960.

The moon is approaching its full phase.

The morning star is Mars.

The evening stars are Jupiter, Saturn and Venus.

★ ★ ★

On this day in history:

In 1886, an earthquake jolted Charleston, S.C., killing 41 persons.

In 1887, Thomas Edison received a patent for the kinetoscope, forerunner of the motion picture projector.

In 1903, radio and TV entertainer Arthur Godfrey was born.

In 1939, Adolf Hitler promised peace if Poland would accept 16 conditions. Poland refused.

In 1947, the U.N. Investigating Committee recommended that Great Britain give up control of Palestine and that Arab and Jewish states be established within that country.

★ ★ ★

Thought for today: American inventor Thomas Edison said: "Genius is one per cent inspiration and ninety nine per cent perspiration."

THOUGHTS FOR TODAY

Thou dost keep him in perfect peace, whose mind is stayed on thee, because he trusts in thee. — Isaiah 26:3.

★ ★ ★

All I have seen teaches me to trust the Creator for all I have not seen. — Ralph Waldo Emerson.

Case Records of a Psychologist:

Knowledge Gives Self-Confidence

Louise was a timid teenager. She felt petrified with fear when asked to speak in public. So she organized a psychology "Study Club," using this column as the textbook. See what happened.

By DR. GEORGE W. CRANE

CASE F - 457: Louise R., aged 20, works in a South Carolina textile mill.

"Dr. Crane, how can I gain confidence in myself?" she asked, after my address in Greenwood, South Carolina.

DR. CRANE

"I know what I want to say, but I can't express my thoughts. That's why I'd like to gain a better education.

"But I cannot quit work and go to college. So would it be possible for me to study here at home?

"I read your psychology column every day and am making a scrapbook of it. But what else can I do?"

★ ★ ★

If you cannot swim and are in a canoe that is tipping dangerously, you will lack self-confidence. Why? Because you know you haven't learned how to keep afloat in the water!

The good swimmer who finds himself in that same canoe, has much more confidence. So it is with all the various social situations in life.

If you don't know how to meet them successfully, then you feel shy, timid or fearful. You will lack confidence.

To gain social poise and confidence, therefore, simply learn the specific techniques for getting along with people, making speeches, carrying on an interesting conversation, etc.

Remember, moreover, you can never learn to swim simply by studying books on that subject.

The latter may help you a great deal, but in the final analysis you must get into the water and try out those techniques until you find yourself afloat and progressing toward shore.

GAIN CONFIDENCE

This daily psychology column shows you readers the methods to follow in winning friends, overcoming stuttering, learning how to carry on an interesting conversation, or attracting a boy friend.

It gives you the specific techniques to follow in closing a sale or even getting your sweetheart to say "Yes."

It shows you how to run your home on a budget and thus overcome fear of bill collectors.

It demonstrates the proper procedure to follow in solving thousands of other social problems and sexual difficulties.

★ ★ ★

BUT - you must not stop with reading these techniques; you must get into the water and try them out!

You can memorize this column and still be a stutterer or friendless or without a sweetheart, unless you get into the actual situations which you wish to solve, and then try to apply your memorized techniques.

HOW TO WIN FRIENDS

The best memorized sales talk will never win you a boy friend until you go where men are to be found and then apply it.

So look on life as a psychology laboratory. Experiment as you go along. Don't make the mistake of thinking that education is restricted to the school room or college campus.

Knowledge is where you find it. This newspaper will be the daily textbook for the adults in your area during the last 40 years of their lives.

Many readers have already organized "Study Clubs," using this psychology column as the reading assignment.

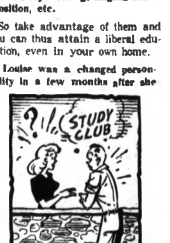

The members then enter upon the various experiments which we recommend, such as the "Compliment Club."

They also memorize the "Formula for an Interesting Conversationalist" and rehearse on each other, after which they try it out on members of the opposite sex.

In many large cities you can also enroll in evening college classes. And there are many valuable correspondence courses in short story writing, English composition, etc.

So take advantage of them and you can thus attain a liberal education, even in your own home.

Louise was a changed personality in a few months after she

organized a "Study Club" in practical psychology.

Send for the "Study Club" bulletin, enclosing a stamped, return envelope, plus 20 cents (non-profit). It's very useful to church groups and personnel classes.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

(Copyright 1960)

The Associated Press is entitled exclusively to the use for republication of all local news printed in this newspaper as well as all AP news dispatches.

The Pontiac Press is delivered by carrier for 45 cents a week; where mailed in Oakland, Genesee, Livingston, Macomb, Lapeer and Washtenaw Counties it is $18.00 a year; elsewhere in Michigan and all other places in the United States $20.00 a year. All subscriptions payable in advance. Postage has been paid at the post office at Pontiac, Michigan. Number of ABC.

Trying to Steal Men's Thunder

Woman Sport Fans Not Sports

By HAL BOYLE

NEW YORK (AP)—Hardly a man today would deny women the right to vote.

But many thoughtful American men would avidly support—that is, if they didn't have to stand up and be counted—a constitutional amendment banning the mingling of sexes at sporting events.

BOYLE

There is a growing male feeling, if women insist on being interested in sports, they should have their own baseball and football major leagues, their own ice hockey teams, perhaps even their own fishing and hunting preserves — and certainly their own golf courses.

No men would be admitted as spectators to the ladies' league games, and—naturally—no women would be allowed at the men's league contests.

* * *

What has spurred this silent masculine demand for sex segregation in sports? The rise of the lady sports fan. She is the most dubious product of the modern equal rights movement.

Here is how she is viewed by some masculine sports addicts who, for reasons of their own—they're married—choose to remain anonymous:

"It was kind of cute thirty years ago to take a girl to a football or baseball game. She asked so many dumb questions it made a man feel superior," one recalled.

"But in a single generation the lady sports fan has graduated from a know-nothing to a know-it-all. She is an authority on everything—from Mickey Mantle's emotional weaknesses as a batter to Casey Stengel's psychological defects as a manager. She brings Freud to baseball.

* * *

"And she insists on giving her views out loud. Anybody who sits within shouting distance of two dames at a ball game has numb ears by the third inning."

TOO BLOODTHIRSTY?

Another man objected to lady sports fans on the ground they are too bloodthirsty.

"Actually, they are manhaters at heart," he said. "Sometime earlier in life they figure some man gave them a raw deal, and they want to see all mankind punished. They want to see men hurt.

"At home they screech at the sight of a mouse. But they don't enjoy a boxing match until somebody gets a nose busted, or a football game unless the halfback breaks his leg.

* * *

"I got the real tipoff on women sports fans when I took one to a bull fight in Mexico. Who do you think she rooted for? The matador? Not her. She kept yelling, 'Come on, bull! Get him, bull! Get him, get him, get him!'

"When the bull finally lost, she broke out crying, and said the whole thing was unfair."

A third gentleman blamed the foundering of his marriage a number of years ago on his wife's pursuit of family togetherness in the sports realm.

"I could stand her being possessive in her house, but not at Ebbets Field," he explained. "She started by referring to the Brooklyn Dodgers as 'Our Team'. But soon she started saying, 'My team did this and my team did that.'

"That's when I divorced her. The Brooklyn Dodgers had been my team since I was a tadpole. Why couldn't she find a team of her own to root for?

"Not her. She had to have what was mine."

TOO COMPETITIVE?

A fourth man denounced women sports enthusiasts for being too competitive.

"My wife took up golf just to show me she was as good as I was at anything," he said. "It took her five years, but finally one day she beat me. That's the day I gave up golf.

"Now astronomy is my hobby—and, boy, is she frothing! The wonderful thing about astronomy is that only one person can look through a telescope at a time."

* * *

What about it, lady sports fans? Are you really dogmatic, manhating, possessive, and wildly obsessed with the determination you can beat a man at any game he chooses?

* * *

Is there really no chivalry left in the feminine bosom? Or are these men just cry babies?

K's Plans for Visit Surprise Finland

HELSINKI, Finland (UPI) — A surprise Soviet announcement that Premier Nikita Khrushchev plans to visit Finland Friday had officials scurrying around today whipping up preparations for the Russian leader's arrival.

* * *

The visit coincided with the national celebration of President Urho Kekkonen's 60th birthday on Saturday.

Extra police have been diverted to Helsinki to assist in the preparations for Khrushchev's visit.

Cuban Women in China

TOKYO (UPI) — Mrs. Yolanda Perez, leader of the Cuban peace movement, accompanied by two other Cuban women leaders, arrived in Peiping Tuesday at the invitation of the China Peace Committee, the New China news agency reported today.

Central Journalists Back Home

Five Attend Workshop

Five Pontiac Central High School journalists have returned from a recent journalism workshop at Ohio University, Athens, Ohio.

* * *

Attending the Annual Workshop on High School Journalism were Sue A. Dorman, Deanna L. Relyea, Robert E. Sherman, Mary J. Stoehr, and Sydney D. Swindells.

* * *

The students studied new ideas in journalism. They were among a record-breaking group of 1,442 which prepared and published three newspapers and a model yearbook supplement during the six-day session.

"We were pleased to have Pontiac Central High School at our workshop," said Dr. L. J. Hortin, director of the school of journalism and publications workshop.

"We are sure that they will be able to do effective work with their publication this year."

World War I Shell Kills 8-Year-Old, Injures Two

HUTCHINING, Pa. (UPI) — An 8-year-old boy, who was playing with a World War I artillery shell discarded by his family, was killed late Tuesday when the shell exploded.

Two other persons were injured in the blast.

State police said James Caresani of Yatesboro found the shell after his parents had thrown it away. The child was handling it on the sidewalk near his home, police said.

Salt is called the world's most plentiful mineral.

He Took Jordan Office During Baghdad Pact Rift

Majali End May Have Begun in '55

By PHIL NEWSOM
UPI Foreign Editor

The fuse of the bomb that blew Jordanian Premier Hazza Majali to kingdom-come and led to his replacement with Bahjat El Talhouni may well have been lit in December 1955.

It was on Dec. 14 of that year that young King Hussein of Jordan brought the round-faced, mustached, Damascus-education lawyer in to form a cabinet which

BAHJAT EL TALHOUNI

would make Jordan a member of the western-backed, anti-Communist Baghdad Pact.

Eighty hours after he took office, Majali was a man without a job, forced out of office by street mobs which terrorized Jordanian cities and in the course of events attacked U.S. offices and desecrated the United States flag.

Stirring the mobs to action were the Communists and Damascus and Baghdad radios.

★ ★ ★

Jordan never joined the Baghdad Pact but Majali's feet were on the road to the destiny which befell him on Monday, Aug. 29, 1960.

★ ★ ★

For in May 1959, another era of vacillating friendliness toward the West, Hussein called him back once more to the Premier's post.

U.S. aid was flowing into Jordan and the propaganda forces of Jordan and Egypt were at each other's throats over the issue of Palestine.

Last March, UAR President Gamal Abdel Nasser charged that Jordan had yielded "to American and British Imperialism to work against the Arab nation."

Last week, at a meeting of Arab states foreign ministers in Lebanon, Jordan stood firm against Nasser's pet scheme to set up a new Palestinian state which would deprive Jordan of the more than 2,100 square miles of Palestinian territory it gained in the Arab war with Israel and which Jordan formally annexed in 1950.

It also would deprive Jordan of much of its cultivable land and a third to a half of its population.

EXISTS THROUGH FEAR

Jordan, about the size of Indiana, is a country which exists only through the fear and caution of its neighbors and financial help from abroad.

Of its 37,500 miles of territory, only about 10 per cent may be used for agriculture. Most of the remainder is arid grazing land owned by wandering Bedouin tribes.

The Bedouins are those loyal to Hussein. Of most of the half million Palestinians in Jordan, it may be said they have no loyalties except that fhich will be given to the power strong enough to recover for them the lands lost to Israel.

In 1957, the Palestinians pressed for federation with Syria and Egypt — a move which would have gone far toward giving Nasser the land link he needs between the two nations which now form the United Arab Republic. Hussein thwarted that move by a purge of pro-Egyptian elements in the army and his government.

Majali, like Hussein, was bitterly anti-Communist. But in the present state of mid-eastern affairs it would seem the communists would have little to gain from his departure.

Rather, it would seem those who planted the bomb already were in residence in Jordan or at least were neighbors.

'No Sale' About All Cell Seller Hears

DETROIT (UP)—What does a guy do with jail cells if he doesn't happen to be in the police business?

A suburban Inkster businessman would like to find out—it may help him get rid of two 5-by-6 cells.

Ray Sepell bought the old Inkster police station and justice court a month ago for expansion of his wholesale meat and locker business. With the deal came the two cells.

Seeing "no practical use for them in my business," Sepell tried to give them back to the city. No sale—the authorities said they had modern built-in cells in their new building.

Neighboring communities had no use for them, either. The Detroit Zoo said all their cages had to be built to certain specifications.

An ad in a Detroit newspaper told readers Sepell had "two cells, good for a large dog, pet bear, unruly child or even a bad husband."

★ ★ ★

A rabbit breeder thought the openings between the bars too wide. Sepell turned down an offer by a woman who wondered if it were strong enough to hold her five-year-old child. One live one—a Great Dane dog breeder—promised to drop by but didn't.

Sepell is confident he will get rid of his cells.

"Certainly someone somewhere—maybe an ex-convict who misses that confined feeling—will be interested," he said.

July Traffic Deaths 6 Pct. Above 1959

CHICAGO (UPI) — Traffic fatalities during July were 6 per cent higher than the same month last year and brought total traffic deaths for the year to 20,540, the National Safety Council reported today.

★ ★ ★

The July toll of 3,450 dead on the nation's highways was the second highest July mark on record, topped only by 3,555 deaths in July 1956, the council said.

★ ★ ★

Last year's fatalities through July totaled 20,350.

Sweden and Norway were united under the same ruler, Magnus VII, from 1319 to 1343.

How To Hold FALSE TEETH More Firmly in Place
Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at drug counters everywhere.

Lincoln Park Purps Facing Lonely Days

DETROIT (UPI) — Dogs are going to find it tough to raise a family in suburban Lincoln Park.

Puppy dogs may be taken away from their mothers and adult dogs may have to divorce their mates.

The City Council, after a year-long hassle over the problem, voted 6-1 Monday to adopt an ordinance banning more than one dog per home.

More than one dog can be kept only if a special $5 fee is paid and only if neighbors do not object.

The council chambers were filled to overflowing with protesting dog lovers. But they lost out and had to go home to break the bad news to their pets.

The ordinance was adopted, according to Councilman Joseph Knowles, because of a continuing problem with noise and "offensive odors" created by dogs.

★ ★ ★

Broken down, Lincoln Park has 2,976 pet owners with one dog, 153 with two dogs, 19 with three dogs, three with four dogs, two with five dogs and one with six dogs.

★ ★ ★

The dogs did get one break in the ordinance. When a dog produces a litter of pups, the owner has a four-month grace period to get rid of them or pay the extra $5 fee and get the neighbors to accept them.

Health Plan Will Cover Most Aged, but States Will Decide Degree of Aid

WASHINGTON (AP)—The medical care plan for needy persons over 65, which now has cleared Congress is designed to aid 12,400,000 Americans with their health costs.

This is 78 per cent of the 16 million persons over 65 in the nation. Sponsors concede, however, that the degree of help may vary widely, and there is no way of knowing how many actually will be helped.

★ ★ ★

That is because, while the federal government stands ready to put up hundreds of millions of dollars for the program, it is entirely up to the states to set up details of the operations.

Thus an elderly individual wanting to know how he might benefit must look to his statehouse for the answers—particularly to those who now administer the public assistance welfare programs in his state.

IKE SURE TO SIGN

The plan is contained in a compromise Social Security bill sent to President Eisenhower by Congress Monday. He is considered sure to sign it.

The medical care provisions could take effect Oct. 1. But this will depend on how fast the states move.

The states must obtain the general approval of the secretary of health, education and welfare of the way in which they intend to operate the new program.

Based on experience with the present public assistance program, they will have wide latitude in setting eligibility standards and in determining the type and amount of payments.

Under the medical care plan, the federal government will do two things:

1. It will increase substantially the amount of grants it makes to the states to help with medical expenses of the 2,400,000 persons now on the old age assistance relief rolls.

2. It will join the states with a liberal matching formula in paying for a new program of meeting medical bills of an estimated 10 million persons who are not on relief but whose incomes are inadequate to take care of all of their health expenses.

AP Photofax

WHICH ONE IS MOM?—If you picked the one in the middle you picked wrong. Mrs. Dorothy Fesko, 37, is at the left and she has entered a beauty contest with her daughters Roberta, 17, center, and Joyce, 16. Why did she do it? She wanted to show her husband she "still has what it takes."

Rail Strike Due Midnight Tonigh

Negotiators Make Last Stab With Pennsy Men to Prevent Walkout

PHILADELPHIA (AP) — Negotiators make a last stab today—with apparently faint hope of success—at preventing a strike which will shut down the entire Pennsylvania Railroad.

★ ★ ★

More than 20,000 nonoperating employes were prepared to strike the nation's largest railroad at one minute past midnight. The railroad notified most of its remaining 54,000 employes they will be furloughed so long as a strike might last.

Five-man negotiating committees from the railroad and the Transport Workers Union met until 1 a.m. today.

★ ★ ★

"Progress is painfully slow," said Frank Sheehan, the TWU's director of organization.

"We are going ahead with our plans to strike," Sheehan added. "There is no hope of a settlement."

However, Francis A. O'Neill, chairman of the National (Railway) Mediation Board, said, "We are making progress."

Wacky Joke Grows and Grows

Ol' Mel Off to Visit the Marines

PEORIA, Ill. (AP) — Melvin Miller, a quiet, home-loving man, flies west today, straight into the welcoming arms of what he thinks is the wackiest bunch of Marines in the Corps.

Miller, 40, a tractor factory foreman, is the puzzled, but willing, victim of a practical joke that has assumed gigantic proportions.

★ ★ ★

It started a year ago in a Marine hangout called the Sandpiper Bar in Laguna Beach, Calif.

★ ★ ★

Capt. Joe Gestson, now a major, was at the Sandpiper one night and mislaid his car. A buddy suggested "try Peoria" and he did.

Pulling a name out of the air, he asked the telephone operator to get him Melvin Miller in Peoria.

Good ol' Mel, as he's known now, answered the phone and—well, today he's going to California, all expenses paid by Maj. Gestson and scores of his buddies who in Marine hangouts the world over learned the saga of good ol' Mel in Peoria.

They've lined up a seven-day schedule fit for a king—the race track, the Sandpiper, movie stars, the Sandpiper, bull fights, the Sandpiper.

But Mel is keeping both feet on the ground.

★ ★ ★

Lunch with actress Jayne Mansfield?

"What's so special about that?" he asked, "If I was home I'd have lunch with my wife."

★ ★ ★

Mrs. Miller, Mel's partner for 19 years on a quiet Peoria street, isn't going. But she's not worried about all those fast-moving Marines leading her husband around for a week.

"Mel has a pretty level head," she said, "and I'm sure there won't be any funny stuff. He just doesn't drink."

So, Melvin Miller, an elder in his church and who believes in eight to four at the shop and then home, will board an airliner carrying a key to Peoria and a miniature tractor for Laguna Beach's mayor.

★ ★ ★

A motorcade and band will meet him at Los Angeles International Airport. His busy program calls for civic dinners, a visit to a race track for the "Melvin Miller Stakes," a luncheon with Miss Mansfield, a tour of Los Angeles, bullfights in Tijuana, Mexico, and an appearance in a television show.

★ ★ ★

The windup of a hectic week next Tuesday calls for Mel to attend a full-dress review of Marines at El Toro Marine Air Station and then to the Los Angeles Coliseum where he'll throw out the first ball for the Dodgers-San Francisco baseball game.

Just one thing worries Mel: "I got to be back in Peoria Wednesday in time for work at 8 in the morning. And I can't be late."

Van Firm Estimates 41 Million to Move in '60

CHICAGO (UPI)—"Moving fever" will affect an estimated 41 million Americans in 1960, according to one firm of movers.

★ ★ ★

It says chances are one in five that the average American family will come down with the disease and change its address sometime this year.

AP Photofax

SWORN IN — Robert J. Danhof takes the oath of office as acting United States district attorney for Western Michigan in Grand Rapids Tuesday. He succeeds Wendell A. Niles, who resigned to run on the state GOP ticket for the office of attorney general.

Cuban Police Arrest Priest With Money

HAVANA (AP) — Cuban police Tuesday night arrested a Roman Catholic chaplain of a Spanish freighter and accused him of helping two Havana businessmen attempt to smuggle jewels and money out of the country.

★ ★ ★

Police said they arrested Father Juan Bautista Ferrer as he boarded the freighter Satrustegui with a valise containing $50,000 worth of pesetas and almost $3,000 in American money.

The businessmen, Juan and Manuel Garcia, brothers, also were arrested.

Birthday Accounting

CAVENDISH, Vt. (UPI)—James E. Gay, celebrating his 101st birthday wrote relatives, "I'm neither drunk, crazy or incapable of feeding myself. I can watch my current accounts and get there just the same though I've slowed up a little."

'Sound of Music' Plans Spring Tour Company

NEW YORK (UPI) — A national touring company of the Broadway hit, "The Sound of Music," the last show with a score by Richard Rodgers and the late Oscar Hammerstein II, will open next February, the management announced Tuesday.

A star for the role played here by Mary Martin has not yet been obtained, nor has the premiere city been designated.

However, the company will work its way to the West Coast, then play back to Chicago where it will begin an indefinite run in November 1961. Miss Martin is committed to the Broadway production for another year.

No Time for Overtime

NEW YORK (UPI)—In the 1840's, a work week of 72 hours was customary in England and the United States, while 80 hours and more was usual in continental Europe, according to the Twentieth Century Fund.

Bright Colors Spur Youngsters On to School

BACK TO SCHOOL WITH FLYING COLORS

Red or Blue Corduroy Well Liked

"Bright, clear and hot" colors keynote back-to-school fashions for beginner students through high schoolers this year. Jumpers, jackets, coordinated separates — yes, even the controversial culottes — appear on the scene, worn over spanking white or vibrant colored blouses and shirts.

Corduroy, durable cotton that always has taken well to color and — to Mother's delight — the washing machine, is a favored fabric for the youngsters' fall wardrobes.

For older sister, left, the jumper is revived in a style that will appeal to the teenagers. Bright blue corduroy is cut into a button-front jumper and teamed with a cotton blouse in pale blue.

Sporting brilliant gold corduroy culottes, the elementary schooler, center, wears a tailored white shirt and complementary gold knee socks. Loafers, according to fashion experts, are correct for wear with culottes.

★ ★ ★

Small brother will enter the classroom in what's called the English look. Over smart black cotton twill trousers he wears a three-button jacket of flaming red corduroy, set off by white shirt and black bow tie.

Pontiac Press Photo

Rehearsing a scene from "A Comedy of Errors" to be presented by the Omnibus Players at The Village Players Playhouse in Birmingham this evening at 8:30 p.m. are left, Linda Fisher of Brooklyn, N. Y., Susan Tabor of Birmingham and Gail Ryan of Mountain Lakes, N. J.

Omnibus Players Travel by School Bus

Women's Section

Group Project Is to Adopt Indian Girl

The Society of the Crown and Gavel, Inc., has adopted a seven-year-old Indian girl as one of its projects for the year.

Details of the program were outlined this week when members gathered for a picnic at the summer home of Mr. and Mrs. Harvey Whetzel on Riverbank Drive, Mt. Clemens.

★ ★

The little girl, Angeline Moyah, daughter of an Apache father and a Pima Pagago mother, was born on the Gila River Reservation in Southern Arizona. With the adoption arranged through the Christian Children's Fund, Inc., the group will provide funds for her support and education.

Crown and Gavel also works to sponsor the University of Michigan Eye Bank.

A breakfast is planned for Sept. 18 at the Atkinson Street home of Marquis Sartel to further both projects.

Bring Theater to Many

By MADELEINE DOEREN

Sipping tall frosty ginger ale floats to the splash of a small fountain on a shady patio is just what the editor ordered for a rugged assignment on a sultry August afternoon.

But how else could we listen in on the patter of the theater direct from the Omnibus Players themselves, coming in from Denver to play a one-night stand at the Birmingham Village Players?

With the exception of Susan Tabor, daughter of the Lawton C. Tabors of Birmingham, who transferred to New York University last fall to be near the theatrical hub on Broadway, the eight players are drama students at Skidmore College, Saratoga Springs, N.Y.

Known as the Omnibus Players because of their mode of travel, they have brought theater to mining towns, factory areas, military bases and civic organizations on 25 stages in 23 States since leaving campus on June 15.

Relaxing yesterday at the home of Mrs. George W. McCormick Jr. in Bloomfield Hills, while the caramel-color French poodle wagged approval of our Press photographer, the girls told of buying a second-hand school bus. This solved both transportation and housing problems.

STATION WAGON TOO

A quick glimpse of its 'innards' reveals a little icebox, costumes neatly arranged on hangers, sleep equipment and a tidy chest with drawer space for the six occupants. They take turns sleeping in a hammock. The other two travel by station wagon right along with the bus.

A tight budget for this nonprofit organization does not allow for royalties, hence, their choice of Shakespearean material.

★ ★ ★

Jay B. Keene, technical director and drama instructor at Skidmore, designed the early Italian street scene sets which fold like a screen for easy storage en route.

Records provide mood music. No special lighting or sound effects are needed.

With ages ranging from 19 to 24, the girls shrug off any objection to the 'togetherness' of living in close quarters in their home away from home.

It is an enriching experience to add to their previous training in summer stock or apprentice theater. Last year on their first circuit, they brought Moliere's "Doctor in Spite of Himself" to some 5,000 persons who could not otherwise have theater.

★ ★ ★

Other members of the cast appearing in the adapted version of "A Comedy of Errors" are Janet Cranmer of Sea Girt, N.J., Ann Tarlow of New York City, Lana Larson of Worcester, Mass., Abby Ewert of Boston and Linda Speer of Flushing, L.I.

ANN BARRIE MacDONALD

Ann Barrie MacDonald, daughter of Charles L. MacDonald of Oriole Road and the late Mrs. MacDonald, and Larry R. Timm, son of the Rev. and Mrs. Harold Timm of Chicago, plan fall vows. She is a graduate of Michigan State University and her fiance, of Greenville (Ill.) College.

Service at Congregational Church

Reception Follows Evening Vows

The Rev. Malcolm K. Burton officiated at the marriage of Carol Ann Van Horn to Gale L. Wigner Saturday evening in the First Congregational Church.

A reception in the VFW Hall on Orchard Lake Road followed the double-ring candlelight nuptials.

★ ★ ★

Mr. and Mrs. Francis R. Van Horn of Elizabeth Lake Road, Waterford Township, are parents of the bride. The bridegroom is the son of Mrs. Glenn S. Coffey of Filer Street and Max Wigner of Lounsbury Avenue.

★ ★ ★

The bridal gown of imported French Chantilly lace with the four-tiered skirt edged with seed pearls and iridescent sequins extended into a cathedral train ending in a V point. Long hand-tapered sleeves were features of the basque waist styled with sabrina neckline.

An imported crown of cut crystals secured the fingertip veiling of pure silk French illusion. Resting on the bridegroom's gift Bible of white lace were white orchids, stephanotis and ivy.

Donna Van Horn was her sister's maid of honor and Susan Kuhn and Mrs. Terrence A. Kaines of Drayton Plains, bridesmaids. Jo Ann Legge of Drayton Plains was her cousin's junior attendant.

Gowned alike in ballerina-length orchid nylon sheer over taffeta, with matching lace jackets, they wore pixie caps of organza petals. They held

MRS. GALE L. WIGNER

cascades of orchid carnations.

Debra Garrison, flower girl at her cousin's wedding, appeared in floor-length white nylon sheer over orchid taffeta. She wore a wreath of white feathered carnations and held a basket of orchid and white rose petals.

★ ★ ★

Edwin Adler attended the bridegroom as best man. Gordon and Larry Wigner ushered at their brother's wedding with Robert Ward of Waterford. Dennis Wigner, a nephew, carried the rings.

A pink orchid topped the clutch purse carried by Mrs. Van Horn, wearing royal blue chiffon over taffeta. The bridegroom's mother, who appeared in light blue nylon brocade with white accessories, wore a pink orchid shoulder corsage.

★ ★ ★

To begin the honeymoon trip to the Great Smoky Mountains, the new Mrs. Wigner donned a white sharkskin suit with red accessories. Returning to a home on Elizabeth Lake Road, the couple will attend evening classes at Flint Junior College.

Mark 80 Years for Wihelmina

APELDOORN, Holland (UPI)—Wilhelmina, the grand old lady who ruled The Netherlands as queen for 50 years, observes her 80th birthday today.

She is likely to pass the day quietly, with visits from her family, and possibly working part of the day on a chapter of a history of her reign which is not expected to be published until 40 years after her death.

★ ★ ★

Apart from infirmities of age—she has some difficulty walking now—her health is believed to be good.

When Wilhelmina left the throne Sept. 5, 1948, in favor of her daughter Juliana, she rejected the offer of the title "Queen - Mother," indicating she would henceforth be "a private person." Since then she has been known as "Princess Wilhelmina." Though still active, she lives in almost complete seclusion at the small palace of "Het Loo" near Apeldoorn in Central Holland.

Born in 1880, Wilhelmina Helena Paulina Maria of Orange became queen-designate at the age of 10 when her father King William the Third died.

After a regency period by her mother, Queen Emma, lasting until 1898, Wilhelmina was officially crowned on Sept. 6, six days after her 18th birthday.

★ ★ ★

Later she married the German prince, Hendrik of Mecklenburg, who died in the 30s. Juliana, born in 1909, was their only child.

★ ★ ★

Today Wilhelmina, in addition to writing the history of her reign, also is active on behalf of countless religious and charitable interests, and she continues her life-long hobby of painting and collecting gifts from all over the world.

The powers of her mind are as strong as ever, according to the few who still come in contact with her. Her strong face is deeply etched with the lines of age and her hair is gray. But the eyes are clear and "when she looks at you, you see kindness, strength and great intelligence."

Couple Off on Honeymoon in Maine

Life-Bennett Rites at Flowered Altar

After their marriage Saturday evening in Central Methodist Church, Jeffry S. Life and his bride, the former Margaret Loy Bennett, left for a honeymoon in Kennebunkport, Maine.

The Rev. John W. Mulder of Walled Lake Methodist Church read the nuptial ceremony against a background of palms and lighted candelabra. Altar flowers were white gladioli, snapdragons and pompons.

★ ★ ★

Joining the bride's parents, the Loy C. Bennetts of Irwindale Drive, Waterford Township, at the church reception, were Mr. and Mrs. C. Ray Life of Brookfield, Wis., parents of the bridegroom.

Fashioned of white Schiffli embroidery, the bouffant intermission-length bridal gown fell into a chapel sweep. The molded bodice, styled with sabrina neckline and cap sleeves, extended into a Basque waistline.

★ ★ ★

Fingertip veiling of pure silk illusion was caught by a Swedish crown of seed pearls and iridescent sequins. A white orchid centered the bride's chapel bouquet of butterfly roses and feathered carnations.

Ivy green satin at the waistline accented dresses of white nylon sheer over net and taffeta for the attendants. The scoop-neck bodice were embroidered in an ivy motif. Matching caplets with chin veils were worn.

Maid of honor Susan Hundley of Detroit held a cutting basket of yellow snapdragons and white daisies. Flower colors were reversed for bridesmaids Patricia Eberhardt of Madison, Wis., Ellen Taylor of Pontiac and the bridegroom's sister Linda.

★ ★ ★

Richard Giles of Birmingham was best man. Seating some 250 guests were Robert Bolio, Detroit, William McFarlen, Birmingham, and George Owen of Indianapolis, Ind. Michael Bennett was candlelighter at his sister's wedding.

MRS. JEFFRY S. LIFE

Leaving for the East, the new Mrs. Life wore a suit of green and white checked cotton with matching cape, white accessories and the orchid from her bouquet.

She will be an elementary education senior at Albion College, and her husband is in predentistry. His fraternity is Delta Tau Delta.

★ ★ ★

Green cymbidium orchids accented Mrs. Bennett's beige and green silk printed sheath dress, worn with beige accessories. Mrs. Life's dress of light blue peau de soie featured a cummerbund of royal blue, repeated in the ribbons of her corsage of white cymbidium orchids.

★ ★ ★

Out-of-town wedding guests included the bride's aunt Mrs. Mattie Larcom of St. Louis, Mo., the C. V. McKinneys of Jonesboro, Ark. and the Vernon Schwaningers of Charleston, W. Va. The bridegroom's aunts Mrs. Henry Schnitzius of Indianapolis and Mrs. B. Hipskind of Fort Wayne, Ind., attended the wedding as did Gary Barnes of Brookfield, Wis., Steve Johnson of St. Louis, Mo., David Arbuckle, Indianapolis, and the N. J. Orns of Fort Wayne.

Payne-LaBarge Vows Given at St. Michael

Honeymooning in the Straits of Mackinaw area are the Earl Eugene Paynes who repeated their wedding vows to the Rev. Francis J. O'Donnell

MRS. EARL E. PAYNE

Saturday morning in St. Michael Church.

The former Kay Ann Isabelle LaBarge is the daughter of Mrs. Lauren S. Miller of Joslyn Avenue and the late John LaBarge. The Walter H. Paynes of Foster Street are the bridegroom's parents.

★ ★ ★

The floor-length bridal gown of white nylon Chantilly-type lace over slipper satin, styled with sweetheart neckline, was worn with matching gauntlets. A double crown of seed pearls caught the fingertip veil of silk illusion.

Pearls, gift of the bridegroom were worn and the bride held a cascade of white carnations and jillies of the valley centered by an orchid corsage.

Betty LaBarge attended her sister as honor maid, attired in orchid organza over taffeta. Long purple velvet streamers held by a neckline bow matched the trim on her organza gauntlets. Her flowers were pink carnations.

★ ★ ★

LeRoy Mirovsky, cousin of the bride, was best man. Guests were seated by the bride's brothers, Dean and Charles LaBarge.

★ ★ ★

At the reception in Amvets Hall on Oakland Avenue, Mrs. Miller appeared in royal blue silk, with matching hat and clear plastic shoes and purse. Her corsage included pink and white carnations. Mrs. Payne, in a sheath dress of mint green silk, wore pink carnations at her shoulder.

The newlyweds will make their home on West Cornell Avenue.

Auxiliary in Election

Mrs. Lee Millican of Plataka, Fla., was elected president of the Ladies Auxiliary to the Veterans of Foreign Wars at the Aug. 21-26 national convention in Detroit.

★ ★ ★

Other national officers are Beulah Adamson of Denver, Colo., senior vice-president; Mrs. Merton Tice of Mitchell, S. Dak., junior vice-president; Mrs. Alex Miller of Des Moines, Iowa, secretary; Marie Kluge of Tracy, Calif., chaplain; and Sophia Goldstein of Skokie, Ill., guard.

Attending from the local post and auxiliary were Mrs. Lucie Wright, president; Mrs. Archie Tryon, delegate; Mrs. Otto Zander, alternate; Commander and Mrs. Frank Peeples, Mr. and Mrs. Loren Beach and Ayres Miller.

★ ★ ★

A 6½-hour parade of 10,000 VFW and auxiliary members wound through downtown Detroit Aug. 23, followed the next evening by the colorful Pageant of Drums, at which $10,000 in cash awards went to winning drill teams. An award was won by the Drum and Bugle team of Post 1370 VFW of Pontiac.

Sept. 28 Rally Set

The League of Women Voters of Pontiac has set Sept. 28 for its 6th biennial bi-partisan candidates rally at Pontiac Central High School.

Mrs. Jack Enaroth, Lillian Davidson and Mrs. John Treacy are in charge of the event.

Birmingham and West Bloomfield leagues are co-operating with the Pontiac group in planning the program.

Wilma Mae Davis Wed in Farmer City, Ill. Rite

In Farmer City Church of the Nazarene, Farmer City, Ill., Wilma Mae Davis of Champaign, Ill., became the bride of Gerald W. Collins of Mansfield, Ill., Saturday evening.

A garden reception in the home of the bridegroom's parents, Mr. and Mrs. Gerald M. Collins of Mansfield followed the nuptials read by the Rev. Bryan Beatty. Receiving with them were Mr. and Mrs. Brant C. Davis of West Newport Avenue, parents of the bride.

Fingertip veiling of silk tulle, held by a crown of sequins and seed pearls, billowed over the bride's waltz-length dress of white Chantilly lace over taffeta. A row of tiny covered buttons closed the traditional long pointed sleeves.

The bride held a cascade of white roses, carnations and ivy.

* * *

Wearing yellow nylon chiffon over taffeta were honor maid Elouise Mae Miller, carrying white carnations and ivy and Donna Lee Osborn, both of Chicago. Sharon Ruth Collins of Mansfield was junior attendant. They wore yellow petal headpieces with scalloped veils in complement to their hand-cascades of white carnations with yellow veiling.

Larry Collins of Mansfield was best man. Groomsmen were Elmire Wright of Triway, Ohio, and DuWayne Miller of Chicago. Jack Bays of Noblesville, Ind., and Allen Ellis of Pittsfield, Ill., ushered.

The newlyweds who attended Olivet Nazarene College in Kankakee, Ill., will make their home in Champaign. The new Mrs. Collins is employed at the University of Illinois at Urbana, where her husband is studying electrical engineering.

* * *

For her son's wedding, Mrs. Collins chose a blue paisley print silk jersey dress with white accessories and a corsage of white carnations.

American railroads in 1959 had their best passenger and employe safety performance on record, up to that time.

MRS. GERALD W. COLLINS

Shower Given for Mrs. Rompa

Mrs. Richard Rompa, the former Jeanette Ball, was honored with a miscellaneous shower Monday evening by Mrs. Duane Peters and Mrs. Glen Morey at Mrs. Peter's Sylvan court home.

Attending were Mrs. Rompa, the bridegroom's mother of Jackson and Mrs. Morey, Mrs. Dorothy Wonders, Mrs. Richard Sutherland, Mrs. Carl Churchill, Beulah Phillips, Mrs. LeRoy Cramer, Mrs. Don Hall, Caroly Ball, Mrs. Marvin Ball, Mrs. Mervin Ball, Mrs. James Bolin, Mrs. Kendall Ball, Mrs. Stanley Barker, Mrs. Vinton Ball and Elinor Ball.

* * *

Others were Mrs. Ed Vanderworp, Mrs. Ivan Koyl, Mrs. Gary Ball and Mrs. Frank Uden.

Refreshments were served buffet style from a linen embroidered table cloth.

To Prevent Slam

(AP) — Tack 1½ inch pieces of sponge moulded weather stripping to the top and bottom of a screen door jamb to stop slamming doors.

Pictures in Church Now OK

By EMILY POST

Dear Mrs. Post: Recently I attended two weddings at which the brides had photographers at the church taking pictures of them. Even while the clergyman was reading the marriage ceremony, the photographer was up on the altar snapping pictures.

Flash bulbs were going off one after the other. It was most distracting and certainly took away from the solemnity of the service.

After the ceremony, I remarked about this to a friend and said that I thought picture taking in church was out of order and in my opinion, in very bad taste. She said that it was perfectly proper and done all the time at weddings. I would like to know what you think about this.

Answer: I feel as you do about picture-taking during a church ceremony, but your friend is right that today many churches including Westminster Abbey in London and St. Peter's in Rome, allow their ceremonies to be photographed with still and motion picture cameras and televised as well.

* * *

Dear Mrs. Post: Since my mother is not living, is it essential that the groom's mother be seated last, or is it correct that the one whom I have chosen to take my mother's place be seated last?

Answer: The one you have chosen to take your mother's place would be seated last. The reason being that the woman who enters last and is given the aisle seat on the bride's side, is the announcement that the bride has arrived and the processional is about to start.

* * *

Dear Mrs. Post: I have a friend I would like very much to invite to my daughter's wedding. This woman is a widow and has very little money, but I know that if she is invited to the wedding she will send my daughter a wedding present even though she cannot afford it.

How can I tell her that she will be most welcome at the wedding, but not to send a present? Could this be done without embarrassing her?

Answer: She shouldn't be embarrassed if you say to her, "I really mean it seriously, Mary. I don't want you to buy Jane a wedding present. She has more presents than she knows what to do with now. But we do want you to be with us on that day."

Abby Says: Air Conditioning

Give In! Majority Rules

By ABIGAIL VAN BUREN

DEAR ABBY: I work in a 3-girl office. There are no outside windows, and we are having the battle of the fan, door and transom. The score is 2 to 1 in favor of the door and transom.

ABBY

I like the fan on but the other two say the fan gives them stiff necks and colds that last all summer. So they open the door and transom. This creates a draft.

When I complain about the draft, they say the only draft in the office comes from one loud mouth. (Mine.) It is like watching a bunch of kids.

When one leaves the office the other turns off the fan and opens the transom. I am sick and tired of this. Can you offer a solution?

READY TO SCREAM

DEAR READY: The majority rules and you are outnumbered. Isn't there some kind of unit your boss can buy to bring fresh air into the office? Ask him.

* * *

DEAR ABBY: My husband has a tool shed full of tools and is very handy when it comes to fixing things — for friends and neighbors. But when I ask him to fix something in his own house he tells me he worked 8 hours today.

A window fell out and I had to get up on a ladder and fix it myself. Right now the door of my refrigerator won't stay shut so I have to keep a chair in front of it. When he does get big-hearted and decides to fix something (like my vacuum cleaner) he takes it apart and it just lays in pieces. Tell me what to do before I lose my mind.

RUTH

DEAR RUTH: It is foolish (and dangerous) for an inexperienced woman to try to "fix things" that require the skill of an electrician, carpenter or mechanic. If your husband refuses to do it—hire someone and hand hubby the bill.

* * *

DEAR ABBY: What is a 14-year-old girl supposed to do when she has strict, old-fashioned parents who don't trust her? That's me.

I have a 12 o'clock curfew on all my dates. I put up an argument and my father said if I don't come in by midnight I can just sit home altogether. They act like I am going to turn into a pumpkin or something. How old do I have to be before I can disobey them?

FEELS LIKE CINDERELLA

DEAR FEELS: Midnight is late enough for a 14-year-old. And girls who wait for the day when they can "disobey" their parents usually turn into something less appetizing than pumpkins.

Former Lois Kidd Weds in Christ Lutheran Rite

The Robert L. Kierseys who were married Saturday evening in Christ Lutheran Church, Waterford Township, left for a honeymoon in Denver and Yellowstone National Park following a church reception.

Rings were exchanged during candlelight nuptials performed by the Rev. Arvid Anderson in the chancel adorned with white gladioli and palms.

The former Lois Ann Kidd, daughter of the Earl R. Kidds of Lyford street, Waterford Township, chose a gown of white silk organza and Chantilly lace over satin. Styled with chapel sweep, the gown was highlighted by lace appliques, re-embroidered with seed pearls and sequins.

Silk illusion veiling fell from a crown of sequins and pearls. The bride held an arm cascade of white roses and ivy centered with a white orchid.

Matron of honor, Mrs. Robert Knauf of Oxford, and bridesmaids, Mrs. Thomas Gallo and Mrs. James Sasser, appeared in aqua silk organza over taffeta. They held cascades of white daisies.

Barbara Doyle was flower girl and Michael Doyle ringbearer.

Denver Kiersey assisted his brother as best man. They are the sons of the Donald Kierseys of Omena. Darwin Mork and Stanley Hooker were groomsmen. Airman 2. C. David R. Kidd, brother of the bride seated some 200 guests with James Sasser.

For her daughter's wedding, Mrs. Kidd selected ashes of roses imported silk lace, while Mrs. Kiersey appeared in light blue silk crepe. Both mothers wore orchids.

MRS. ROBERT L. KIERSEY

Bridge Club Meets

Members of the Pontiac Duplicate Bridge Club met Monday evening at the Elks Temple with 12 tables in play.

Winners of the event were Mrs. Wade Hood and Mrs. Melvin Small, Allen Rososky and Donald Stephenson, Mr. and Mrs. Ericson Lewis, Dr. Charles Patrick and Richard McCarius, Frank Ferryman and Earl Waterman, Donald Bowen and Ronald Fiscus, and Dr. and Mrs. W. H. Barron.

Club Plans Pictures

Members of the Bloomfield Hills Camera Club will gather Thursday at Cranbrook Institute of Science.

* * *

Black and white prints and color slides will be shown at this time. The group will also announce the Sept. 15 meeting program and complete annual banquet plans for Oct. 20.

* * *

A picture-shooting session and cooperative dinner is scheduled for 11 a. m.-3 p. m. Oct. 9 at the Great Oakes stock farm on the Pontiac-Rochester Road. Members will bring their own lunches and cameras.

Good Room Light Must for Make-Up

Good lighting is essential to good make-up. The place, be it bedroom or bathroom, where you apply your make-up should be well lighted. If it is not, you may apply make-up with far too generous a hand, then walk into the dazzling sunlight of daytime with a clown-like appearance.

Good lighting also reveals complexion flaws (enlarged pores or blackheads) in time for you to do something about them. So don't be tempted to give yourself flattering, insincere light when you're applying make-up.

There were times during the Revolutionary War when the American colonists had only 2,000 to 3,000 soldiers in the field.

Pound Foolishness

Don't Gobble De Gook

By JOSEPHINE LOWMAN

Today all of us should be weight watchers! The correlation between the mortality rates and overweight are irrefutable. It is plain for all to see that we do not have nearly so good a chance to live a long life if we have too many pounds.

Therefore, it is surprising that many remain indifferent to the danger. A survey conducted by a leading manufacturer of low-calorie foods showed that almost half of the overweight men in the country pay no attention to their diets.

This same survey revealed that women tend to forget about dieting until bathing suit weather approaches, or after extra-indulgent winter holiday seasons. In between times they are apt to eat up some of the leftovers on Junior's plate and/or indulge in sweets and fattening foods.

It even has suggested that children's early eating habits may be contributing factors to heart and artery disease. Dr. Stanley M. Garn, anthropologist of Antioch College, reported at the White House Conference on Children and Youth, that our young folks may be eating their way to premature graves.

Certainly then, one of the homemakers' most important jobs is to feed her family well but wisely, and also pleasantly. Low-calorie foods are one of woman's greatest aids. I do not think that nearly enough women take advantage of them.

You can get powdered, fat free milk. You can buy water-packed fruits. The usual salad dressing and oils zoom the day's calorie count.

Today you can buy delicious ones, some of which have as few as two calories to the teaspoon or even one calorie to the tablespoon. These are delightful on salad greens and can be used for everything from barbecue to marinade for meat or fowl.

Substitutions in a few low-calories foods which we use constantly will give you a bit more leeway in other heavier calories items.

If you would like to have my calorie chart, send a stamped, self-addressed envelope with your request for leaflet No. 36. Address Josephine Lowman in care of The Pontiac Press.

A survey has revealed that women tend to forget about dieting until bathing suite weather approaches, or after extra-indulgent winter holiday seasons.

Betcha You Waste Hours Each Week

By RUTH MILLETT

So you never seem to be able to find time for yourself, time to do the things you tell yourself you would be doing if there were only more hours in the day?

Come now, how many hours do you waste consistently week after week?

How much time do you waste each morning puttering around before you tackle the day's work?

How much time do you waste gossiping on the telephone every day?

How much time do you spend in doing things for your children that they could and should be doing for themselves?

How much time do you spend running to the grocery store because you rarely plan more than one meal at a time?

How much time do you spend chauffering your children on trips which aren't necessary to their welfare?

How much time do you spend watching TV westerns, private eye and variety shows that contribute absolutely nothing to your life outside of helping you "kill" an evening?

How much time do you spend going to meetings of clubs and organizations that give you nothing and are actually boring?

How much time do you spend running errands that could be handled over the telephone?

How much time do you spend "shopping around" for things that you really could buy in a few minutes?

How much time do you spend going places you don't really want to go and seeing people you don't really enjoy because you have never learned how to say "No?"

If you don't have a minute for yourself chances are it's because you are wasting hours every week.

For happy solutions to some of the problems in husband-wife relationships order your copy of Ruth Millett's new booklet, "How to Have a Happy Husband." Just send 25 cents to Ruth Millett Reader Service, care of The Pontiac Press, P. O. Box 489, Dept. A, Radio City Station, New York

GERALD M. VALLAD

Scared of Weakness in Yourself?

By MURIEL LAWRENCE

Dear Mrs. Lawrence:

"Our six-year-old girl won't go to sleep at night unless we leave her bedroom door open. Isn't she old enough to outgrown this babyish habit?

"It means that we have to keep our TV sound turned down until around nine o'clock every night. She'll promise not to insist that her door be left open; but as soon as I start to close it, the same old thing begins again and she says, 'Don't Mommy. Don't shut my door, please, please . . .'"

Answer: How are you on self-indulgence?

If you have a headache, do you lie down until it subsides — or go on about your work with a stiff upper lip?

If you have a cold in the head, do you prepare the same kind of meal you prepare when you feel well? Do you worry a lot if you can't pay a bill on time? Do you always rise at the same time every morning — or do you sometimes just laze in bed?

Because if you are a person who treats his own weaknesses contemptuously, you can't help feeling contempt for your child's. And there's no point in asking you to give tenderness to her need to feel connected with you in the lonely dark at night because you just can't do it. Not until you can give some to yourself.

The usual answer to this question you have put to me is a long dissertation on the psychology of children's fears.

It is not mine. For, though with your brains you may understand a little daughter's need for an open bedroom door at night, your emotions will remain resistive to her demand for continuing connection with you.

So, though you leave her door open, no true connection is made. All that is made is despair at your secret resentment — and your indulgent action is worse than useless because it belies your feeling.

It may, therefore, be important for you to look at your own fear of indulging yourself. Many of us suffer from it. By being very "good" and stoically producing the same kind of meal when we have a headache that we produce when we haven't one, our conscience permits us to regard ourselves as worthy and respectable.

We might consider that this kind of "goodness" is obedience not to true morality at all but to the severe people who shaped our merciless conscience. There is no love in it — and we are as scared of any weakness in ourselves as the child in the lonely room is scared of the dark.

Barbara Walker Wed in Candlelight

MRS. RICHARD G. STIMSON

Candlelight nuptials of Barbara Chloe Walker of Davisburg and Richard G. Stimson of Drayton Plains were solemnized by Dr. Tom Malone Saturday evening in Emmanuel Baptist Church.

* * *

Parents of the newlyweds, the John C. Walkers of Davisburg and the Winfred J. Stimsons of Seden Street, Drayton Plains, received friends in Fellowship Hall of the church following the ceremony.

Preceding the bride to the chancel decked with palms and white gladioli, were Mrs. James Dahl of Chicago, matron of honor, with Margaret Sevets and Kathy Stewart, bridesmaids. Brenda Walker was her sister's junior attendant.

They wore aqua silk organza over taffeta and headbands of white rosebuds. Pink and white rosebuds rested on their white lace fans.

* * *

Also in their sister's wedding party were Rebecca Walker, flower girl in white silk organza trimmed with aqua, and Bruce Walker, ring bearer.

The bouffant bridal gown of white nylon sheer over taffeta featured a soft scooped neckline, long tapered sleeves and basque waistline. Tiny ruffles of self-fabric in the back were appliqued with lace medallions, re-embroidered with iridescent sequins.

Fingertip illusion veiling fell from a crown of iridescent sequins and pearls. A large white orchid and lilies of the valley rested on the bride's white satin Bible.

* * *

The bridegroom had Robert Schoenhals of Davisburg for his best man. The usher list included Terry Walker of Clarkston, Robert Dean, Jerry Beck, Robert and William Walker of Davisburg.

Leaving for Northern Michigan, the new Mrs. Stimson changed to a dress of pink nylon sheer with matching hat. The couple, who will attend Midwestern Baptist Seminary, will live on Summit Street.

Pink and white carnations complemented Mrs. Walker's sheath dress of Royal blue silk crepe. Mrs. Stimson wore American Beauty roses with a two-tone dress of beige brocade.

Mr. and Mrs. Fred Bargert of St. Petersburg, Fla., attended their nephew's wedding.

Scrub Screens for Healthful Air

Window screens are wonderful devices — when kept clean. If soil deposited by wind and storm is permitted to clog the fine mesh, protective screening will cut off the light and air so important to a comfortable and healthful home.

The remedy, of course, is to scrub screens often, using a brush and plenty of hot soap or detergent suds. Then rinse with a garden hose.

Regal Chill Prevails in Japan

New Princess, Old One Think Each Is Overplaying Role

TOKYO (UPI) — Michiko, the commoner who became princess by marrying Crown Prince Akihito and Suga, the princess who became a commoner by marrying a bank clerk, have discovered they have very little in common, imperial palace sources said today.

The sources said a real "chill" has developed between the sisters-in-law, mainly because each thinks the other is overplaying her new role.

Ex-princess Suga rips around Tokyo in her new car, does her own cooking, works part time as a radio disc jockey and generally acts like plain Mrs. Takako Shimazu, wife of a man who brings home a $56 monthly paycheck.

Crown Princess Michiko, daughter of a mill owner, is the very picture of aloof, staid and secluded royalty. She thinks Suga is a little too wild, and Suga accuses her of being "too regal," according to palace insiders.

* * *

Sources close to Princess Suga say she thinks Michiko tries to be too dignified and now acts as if she were born a crown princess, instead of becoming one a year and one-half ago by marriage.

A passage in a recently published book written by Suga tends to confirm this.

"Recently," wrote Princess Suga "my sister (Michiko) has changed much from what she was before. My sister looked very fresh at the time of her marriage. But it may be natural that she is changed after giving birth to a child."

* * *

Suga also had some comments on the "romance" between Michiko and her brother, Crown Prince Akihito.

"When people make a big story of their 'romance' I feel very sorry for my brother," she wrote.

Princess Suga recently told this correspondent that the public was "mistaken" when it expected her sister-in-law to "democratize" the imperial family.

* * *

"My sister-in-law is trying very hard to become assimilated into the imperial tradition," she said.

Membership in 4-H Clubs on the Nationalist Chinese island of Formosa has reached 60,000 — with marked increases in farm production.

CLOSE SET EYES
The few people who feel that their eyes would appear more glamorous if not set so close together might like to try the following:
Try plucking brows further apart, carefully weeding out any center hairs. Use a light eye liner (even white) from the center to the outside of the lid. Don't use any dark make up around the eyes.
Try using a beauty dot to draw attention to the outside of your eyes. Part your hair in the middle to divide your features. The success of this will be dependent upon the shape of your face.

Finds Himself in Strike Mess

Prince Philip in Trouble?

LONDON (UPI) — Prince Philip touched off a rumpus today by getting mixed up in a strike involving 30 pretty girls.

Philip happens to be president of the automobile association, which fired girl clerks who went on strike for more pay and less work two weeks ago.

The handsome husband of Queen Elizabeth accepted the honorary post some time ago, but until now had served in figure head fashion.

The position lent prestige, and sticky issues were usually avoided.

But Tuesday, Ann Godwin, general secretary of the Clerical and Administrative Workers Union, disclosed she had received a letter from Philip replying to her appeal for assistance.

★ ★ ★

She said the gist of the letter was that Philip was in touch with the chairman of the association and the labor ministry.

"It's completely in line with what I hoped for," Miss Godwin said.

★ ★ ★

This was when the fur began to fly. Buckingham Palace sources denied the prince was intervening, but that he was merely "interested."

Union workers were nevertheless jubilant and association officials met with Union leaders for the first negotiations since the dispute began Aug. 15.

Association Secretary General K. L. Kelly, after first refusing to meet with Miss Godwin, relented and invited her to a round-table discussion.

London newspapers splashed stories depicting Philip today as a peacemaker who may have put his foot in his mouth.

★ ★ ★

The Mirror editorialized: "How could the queen's husband conceivably be expected to take sides in a public blarney between management and workers?"

★ ★ ★

The News-Chronicle suggested Philip was on safer ground when he merely presided over association meetings and came up with "a few bright schemes, as for example, diesel exhausts should be directed upwards instead of sidewards."

But the Daily Mail reminded that Philip did not ask to be appointed president of the association. The newspaper said, "They asked him. And parliamentary democracy always firmly accepts. Why shouldn't he interfere? Think what it might mean to all other organizations who have politely shanghaied him into office if he suddenly took a real interest."

The average January temperature in Montreal is 13 degrees.

Have You Tried This?

Fudge Square Recipe Comes From Mrs. Irwin

By JANET ODELL
Pontiac Press Home Editor

Brownies or fudge squares are to us a typically American cookie and universally appealing. It is always good to have a tested recipe for a stand-by treat.

★ ★ ★

Mrs. Richard Irwin is today's cook. The mother of two small children, she is interested in antiques and china painting. She belongs to the Marbach group of her church.

FUDGE SQUARES
By Mrs. Richard Irwin

½ cup butter or margarine
2 squares chocolate
2 eggs
1 cup sugar
dash of salt
1 teaspoon vanilla
½ cup sifted flour
½ cup nutmeats if desired

Melt butter or margarine and chocolate together in pan. Add sugar and stir to mix. Add eggs, salt and vanilla. Mix well. Add flour and nuts if used. Pour into greased 8x8 pan. Bake 30 minutes at 350 degrees. When cool, frost and cut into small fingers. These are very rich.

★ ★ ★

For a fancy touch at holiday time crush pistachio nuts and sprinkle over frosting.

Frosting

½ stick butter or margarine melted
1½ cups confectioners sugar
3 cup cocoa
½ teaspoon vanilla
cream or evaporated milk

Melt butter or margarine. Add sugar and cocoa and enough cream or milk to make a smooth thick frosting. Add vanilla.

Put On Shower for Bride-Elect

September bride-elect Sharleen Ann Peters was honored Saturday evening by Mrs. Richard C. Eriksen of East Lansing at a miscellaneous shower in the home of Mrs. Lee H. Pike of Oriole Road.

★ ★ ★

Among the 28 guests present were Mrs. Leo F. Hooper and Joan Hooper of Drayton Plains, mother and sister of Miss Peters' fiance Leo D. Hooper, Maureen Peters of Waterford Township, Mrs. Oscar Hooper of Pontiac and Mrs. George Wright of Birmingham.

★ ★ ★

Others at the party were Mrs. Paul Coleman, Mrs. Robert Klingman, Mrs. Richard Surre, and Libby Everett of Waterford; Mrs. Phillip McCulla, Patricia and Marie Brackett of Milford; Mrs. Roy Hewett, Mrs. George Roth and daughter Joan, Lucretia Creighton of Drayton Plains, and Rosalie Pollina of Detroit.

Hardwood forests cover more than half of eastern Paraguay.

Conserve Perfume

(NEA)—One way to conserve perfume that you don't use often is to blow hard on the stopper before putting it back on the bottle, and quickly clamp the stopper into place. This helps reseal the bottle and lessens the amount of evaporation.

The people of Belgium speak two different languages, Flemish in the northern part of the country and French in the southern region.

Nikki Says Hopefuls 'Make Pair'

MOSCOW (UPI) — Soviet Premier Nikita Khrushchev Tuesday night described Vice President Richard M. Nixon and Sen. John F. Kennedy as capitalist "lackeys" who "make a pair" in the U.S. presidential contest.

★ ★ ★

"We have no choice," Khrushchev told an amused audience at a Hungarian exhibition here.

The premier, however, was especially critical of Nixon, whom he called a "man who wants to be the first genius of the capitalist world who shows how communism can be destroyed."

★ ★ ★

"We have more than once ridiculed such theoreticians and we shall laugh again," he said.

100th Great-Grandchild Born to Kansan, 85

EMPORIA, Kan. (UPI) — Mrs. C. C. Gooch, 85, became a great-grandmother for the 100th time Tuesday. The latest arrival, Kimberly Don Griffith, was born in Wichita, Kan.

★ ★ ★

Mrs. Gooch had 11 children, nine of whom are living, and 53 grandchildren.

RICHARD CHUNG

Another N.J. Bather Bitten

Korean Medical Student Will Not Lose His Limb, Says Foe Was Shark

OCEAN CITY, N.J. (AP) — A terror-stricken man was hauled aboard a rescue boat Tuesday night screaming, "I've been bitten. I've been bitten by a shark."

★ ★ ★

Richard Chung, 25, a medical student, was swimming about a quarter mile off shore when the attack occurred.

Although his leg was bitten to the bone, doctors at Shore Memorial Hospital in nearby Somers Point listed Chung's condition as satisfactory and said he would not lose the limb.

Less than two weeks ago, John Brodeur, 24, of Jersey City was attacked by a shark just 25 yards off a Sea Girt beach. Brodeur's right leg was amputated Monday.

★ ★ ★

Chung, a native of Seoul, South Korea, is a student at Taylor Hospital in Ridley Park, Pa.

A boardwalk patrolman saw Chung in the water, thought he was in trouble, and called for lifeguards.

Lifeguards Richard Clune and Lawrence Stedem got into a boat and headed for Chung. When they pulled him aboard, they found his right leg was badly ripped.

One lifeguard applied a tourniquet in the boat. Later Chung underwent emergency surgery.

★ ★ ★

Hospital officials said Chung appeared to have been bitten by a fish but they did not say specifically that it was a shark.

Offer Africans Land

NAIROBI, Kenya (AP)—Offers of land in Argentina, Brazil, Paraguay and British Honduras have been made to European settlers who want to quit Kenya for political reasons, a farmers meeting at Kitale was told Tuesday.

Country Is Optimistic, Yet Concerned

Columbia Strong OAS Supporter

(Editor's Note: Marquez is a noted Cuban newspaper publisher whose paper has been seized by the Castro government. Now residing in Mexico, he comments from vast experience on the vital Latin American scene.)

By G. MARTINEZ MARQUEZ

BOGOTA, Colombia — President Alberto Lleras Camargo, in his recent message to Congress, said "in general we are optimistic about the future of Colombia.

MARQUEZ

That precisely, is the impression a visitor gets on arriving in this rejuvenated capital city.

Colombia is fortunate to be governed by a statesman with a clear awareness of national realities and an intimate knowledge of the workings of the inter-American system.

The Colombians, divided between liberals and conservatives, seem to have unanimous faith in their president, Alberto Lleras Camargo. They seek his guidance when faced with unsettled internal politics or with issues that disturb the nations of this continent.

The international situation has Lleras Camargo worried. "I am deeply disturbed," he has said, "over the immediate future in Latin America."

During the last 30 years we have progressed in our effort to make the hemisphere subject to international law, to outlaw war, to condemn any form of imperialism, to give life to our association of nations, to forbid intervention and to preserve solidarity against external threats.

This progress reached its peak in Bogota, among the ashes and rubble of the Bogota riots, with the signing of the Charter of the Organization of American States.

Today the success of that effort is threatened. . . . I have the uneasy feeling that troubles await the countries of this hemisphere—as a theater of the great struggle that has been going on on distant shores, somewhat removed from our daily lives."

President Lleras believes — and he so told his Congress—that it is incredible that Latin America's unstable conditions have not yet been exploited by the Communists. By making this area a center of agitation and disorder they could deflect the Western World from its chief objectives.

LATINS SEEK JUSTICE

In Latin America there is widespread popular feeling against underdevelopment, misery and economic injustice. Working with this easily inflammable material, a simple totalitarian economic theory is working into the public mind. The ground is being prepared for irrational actions. The prerevolutionary state in which Latin Americans live gives agitators more and better openings for their activities.

What needs to be done?

To meet these threats, the Colombian president believes the Americas must strengthen the solidarity of the New World and the Organization of American States.

The intrigues and constant conspiracies of certain dictatorships (such as those of the Dominican Republic) or of certain ousted dictators (we can point to Peron), caused an atmosphere of uncertainty for democratic regimes.

A recent revolution (Castro's), which had been supported by hemispheric public opinion, adopted an international policy marked by systematic attacks against the government and later against the political and social system of another American state (the U.S.).

★ ★ ★

The revolutionary government charged that the United States planned to intervene in its internal affairs. The facts were obscured by the atmosphere of intense emotional agitation in which the charges were made.

"I do not believe," President Lleras said, "that there is a single American nation which thinks its sovereignty can be better defended by the repressors of Hungary than by the Organization of American States.

"No one can doubt the organization's effectiveness in maintaining hemispheric peace and in defending the freedom of the nations it represents.

"Colombia believes it has the duty of coming to the defense of the continental system. Colombia will reject all efforts to replace the laboriously built inter-American system with a dangerous and unstable balance of power.

"This would lead to the interference in hemispheric controversies by alien Communist States."

(Copyright 1960)

Jordan Blasts U.A.R. on Death

Tells Nasser to Give Up 2 Suspects in Killing of Premier Majali

AMMAN, Jordan (AP) — The Jordan radio continued bitter attacks against the United Arab Republic today, accusing President Gamal Abdel Nasser's regime of responsibility for the bomb death of Jordanian Premier Hazza Majali.

King Hussein demanded that the U.A.R. extradite two employes of the Jordan Press Bureau suspected of planting the bomb that killed Majali and 10 other persons and wounded 41 Monday.

If there is no response from Cairo, Hussein told a news conference, "We will place our demand through the Arab League and, if necessary, through the U. N. Security Council."

The two suspects were messengers, and one was formerly employed in the U.A.R. Investigators said they disappeared shortly before the bombs went off and were believed to have escaped to the Syrian region of the U.A.R.

The Jordan radio accused the U.A.R. government radio, the voice of the Arabs, of boasting about the deed and said it should be called "the Voice of Cowardice and Criminal Killers."

A Jordan government source said the assassins were paid off by Jordanian political refugees in Syria who hoped to create chaos and to undermine Hussein's regime.

U.S. Math Teachers Plan to Wipe Out Lag

MSUO Prof to Head Crash Project

A Michigan State University Oakland professor has been named executive director of a crash program to help wipe out a one- to four-century lag in most American mathematics teaching.

* * *

He is Robert J. Wisner, associate professor of mathematics at MSUO.

The program will be launched with the aid of a $350,000 grant from the National Science Foundation to the Mathematical Association of America (MAA).

Announcement of the program was made today by Dr. R. Creighton Buck of the University of Wisconsin and chairman of the MAA's Committee on the undergraduate program in mathematics.

* * *

The committee will direct the project for the 10,000-member professional society comprised of most of the nation's mathematicians in both education and industry.

The committee met in St. Louis during the past weekend.

Buck declared that a crisis of both quantity and quality in mathematics education demands immediate program.

The program will be aimed at setting standards and providing materials for training future teachers, and modernizing and strengthening obsolete college math programs.

TOP MEN

Sixteen outstanding mathematicians — 10 department heads of major universities — will head the program.

Wisner will coordinate the work of committee members from MSUO.

Dr. Buck declared that mathematical knowledge, like that in the other sciences, has grown enormously, particularly in the last 30 years.

In this period, he said, America has established itself as the world leader in almost all areas of mathematics.

But, he added, "by and large, undergraduate college mathematics programs stopped short with the year 1850, and most secondary schools with the year 1550."

* * *

Furthermore, he said, the central and expanding role of mathematics in shaping our culture is attracting increasing numbers of students, but the supply of teachers, already inadequate, is either static or decreasing.

There are only about 3,000 mathematics professors with doctorates in the nation's 2,000 colleges, and only one-half of the tiny annual crop of 300 doctorates enters college teaching.

The committee will attack the problem with four principal programs which will require an estimated two years.

They are developed of special curricula for:

1. Future mathematics teachers, from the elementary through the four-year college level.
2. Students in engineering and the physical sciences.
3. The biological and social sciences.
4. Undergraduates planning to go on to graduate study in mathematics.

Asks Governor to Halt Mixing

Houston Wants State to Use Old Doctrine of Interposition

By The Associated Press

Fighting a last-ditch battle against integration, Houston has asked the state of Texas to invoke the ancient doctrine of interposition to prevent racial mixing in its public school classrooms.

* * *

The Houston School Board, under federal court order to integrate the first grades when school opens Sept. 7, appealed to Gov. Price Daniel to interpose himself between the district and the federal government.

The board said Daniel is the district's last hope for keeping schools segregated.

Integration of first graders of New Orleans public schools was delayed at least until Nov. 14 by one of the federal judges who recently enjoined Louisiana Gov. Jimmie Davis from interfering with the Orleans Parish School Board. U.S. Dist. Judge J. Skelly Wright said the board informed him it would be impossible to comply with the Sept. 7 integration date because of Davis' seizure of the schools Aug. 17.

In Darlington, S.C., four young Negroes bearing antisegration placards were arrested as schools opened on their traditional segregated pattern.

Nashville, Tenn., quietly began the fourth year of its grade-a-year integration program and several Negroes were expected to register today in previously all-white Knoxville schools in the first year of a similar plan.

In Dunn, S.C., 10 Indians unsuccessfully sought to enter the all-white high school, and in St. Louis, the 8th U.S. Circuit Court of Appeals ruled that the Dollarway, Ark., school district had applied the state school placement law illegally.

Questioned About Love, Carole Sobs

LOS ANGELES (UPI)—Carole Tregoff today undergoes cross examination concerning her love affair with Dr. R. Bernard Finch and the death of Barbara Jean Finch, the wealthy physician's socialite wife.

Miss Tregoff, sometimes composed, sometimes in tears, admitted Tuesday that she and Finch rented an apartment in nearby Monterey Park to have lunch, talk, listen to records and make love.

The 23-year-old auburn-haired ex-model sobbed as prosecutor Clifford Crail asked her time and time again what they did at the apartment.

Students Will Probe Value of Education

MINNEAPOLIS (UPI) — Delegates to the National Student Association (NSA) Congress have voted to set up a committee to bring about a re-evaluation of the aims of education.

Student delegates from 365 colleges and universities meeting here voted to set up a postconvention executive committee to wrestle with the question.

The students also voiced approval for the Center for Cultural and Technical Interchange Between East and West which recently was established by the U.S. Congress. They voted to support a similar center for inter-American exchange which has been proposed for Puerto Rico.

Earlier, the students passed a resolution giving strong support for the "sit-in" movement, but stressed nonviolent participation and left specific action up to the individual student and college.

Cubans Grab Press Unit

HAVANA (AP) — Government militiamen Tuesday took over the Havana Reporters Association, claiming the ruling council had resigned. A new ruling junta immediately decreed expulsion of any newsman who goes abroad without the association's permission.

Said to Carry Their Own Antidotes

Bugs Seem Immune to Much Disease

STILLWATER, Okla. (AP) — Strangely, insects seem to be immune to many potent germs—perhaps nature's secret protection.

A Northwestern University scientist told Tuesday of extracts from the adult moth that can kill many bacteria.

* * *

But these extracts are potent as germ killers only in laboratory tests. They have no apparent capabilities as germ fighters in human beings.

Still they have scientific interest.

They were first found in crude extracts of juvenile hormone—that chemical entity that acts as a youth factor, helping regulate growth in insect larvae, and gradually diminishing as insects grow older.

Extract of this hormone from the abdomens of adult moths first showed antibacterial action, Dr. Lawrence L. Gilbert told a meeting of American Institute of Biological Sciences.

* * *

In the arena of the laboratory dish or vessel, this substance destroyed such potent germs as staphylococcus aureus.

This is a germ—looking under the microscope much like a cluster of golden beads—that has evolved resistance to antibiotics and plagues hospitals.

* * *

Later, Dr. Gilbert and his fellow researcher, Ralph A. Slepecky, found that the bacterial killing action was not in the juvenile hormone. It was, in fact, due to another chemical.

* * *

They suggest this chemical may be a fatty acid. If so, it is a material which would probably be used for food or energy in the human body before it could exhibit a germ killing effect.

Royal jelly—that substance by which bees nourish growing queen bees—exhibits a similar, but not identical, germ killing efect against some bacteria, the scientists said.

Highway Office's Face Red Over Bad Spelling

LANSING (AP) — The State Highway Department says "excuse it please."

A sign at Interstate 94 and M40 north of Decatur read "Dowagaic 22 miles." The correct spelling, of course is "Dowagiac." The department promises to correct it.

The word Nevada is Spanish and means "snow-clad."

Anonymous Record Slams at Ike, Dick

NEW YORK (UPI) — An anonymous Chicago group which made money with a phonograph record attacking the late Sen. Joseph McCarthy jumped on the Republicans Tuesday in an election-year LP record.

Herman Gimbel, president of the New York firm (L.P. Sales Corp.) handling the distribution of the admittedly political platter, predicted it might sell a half-million copies before the presidential election.

It is called "The Republican Record?" and it attacks President Eisenhower, GOP Presidential Nominee Richard Nixon, their Party and its record.

It is subtitled "a slightly irreverent, mostly musical view of Dicky, dad and all the gang." Gimbel described it as a "wildly humorous, satirical bit."

Gimbel refused to identify the Chicago group which calls itself "the grand old partygoers" but said one was a "fairly prominent" Republican. Other members are "independents" or Democrats.

The record label does not identify the artists or the sponsors of the record.

Their work consists of parodies on old tunes including "My Country 'Tis of Thee" ("Goodbye to Mr. Clean," a sarcastic thinly-veiled reference to Eisenhower); "Bring Back My Bonnie to Me," ("Bring Back My Checkers to Me," about Nixon's pet dog which figured in the 1952 campaign); and various folk songs.

The Chicago group financed the production of the record. Gimbel said the same group sponsored "The Investigator" which ripped into the Communist hunting career of Sen. McCarthy. This one sold nearly 500,000 copies.

Water is considered a good conductor of sound.

Bagwell Says Dems 'Buy Votes'; Williams Lashes Back on Industry

LANSING (AP) — Republican Paul D. Bagwell says Lt. Gov. John B. Swainson, his rival for governor, gave "the poorest example of leadership I have ever seen" when he took over as Michigan's Democratic Party head last weekend.

★ ★ ★

Bagwell said the 35-year-old lieutenant governor was chiefly responsible for decisions at the Democratic State Convention to "duck" the issues of constitutional reform and new taxes.

★ ★ ★

In one of the sharpest blasts of the campaign, Bagwell also accused Democrats of painting a false picture of Michigan's economic climate, continuing a feud that raged through the 1958 campaign when he ran against Gov. Williams.

Bagwell talked with newsmen Tuesday midway in a two-day series of discussions with members of the GOP state ticket on issues, strategy and tactics for the campaign. Republican legislative candidates join the talks today.

'BUYING VOTES'

Bagwell said Swainson would "do anything to buy votes" and demonstrated it by "selling out on principle" on the constitutional convention.

The Democratic candidate backed a constitutional convention in 1958 but fought it during the recent primary. He won Party backing for a neutrality stand in the platform framed at the convention.

To win the primary, he said, Swainson had to "buy the support of August Scholle, AFL-CIO president, who is opposed to constitutional convention.

Bagwell also assailed Swainson's refusal to recommend a new revenue program with the state treasury 73 million dollars in the red and headed toward 88 millions on June 30, 1961, when 55 million dollars a year in temporary tax will expire.

At the Democratic convention, Swainson said only that he would campaign against a proposed one cent increase in the three-cent sales tax ceiling that will go before the voters Nov. 8.

Swainson, campaigning in Eaton and Jackson counties, was not available for comment.

PICTURE BLACK

As far as employment goes, Bagwell said, Michigan's economic picture is blacker than it was two years ago when Republicans contended that Williams administration was driving industry out of Michigan.

The attitude persists among industrialists across the country that "it takes a lot of guts to move into Michigan," he said.

"The governor has constantly clubbed the job-makers of Michigan," he declared. "He has made profits a nasty word."

He called "the negative image" of Michigan its top problem.

Williams, in turn, told a news conference that the state's unfavorable reputation was "almost wholly due to the pernicious and unwarranted attack by Republicans on the good name of Michigan.

"The 1958 election was a repudiation of that charge," he said.

"Bagwell," he said, "is not only wrong on his facts, but he's wrong if he thinks the people of Michigan are going to buy this kind of political falsification."

★ ★ ★

Bagwell also made these points:

1. Regardless of who wins the race for governor or whether the sales tax proposition carries, the legislature should be called into special session in November for emergency on taxes.

2. The constitutional provision on partisan nomination and nonpartisan election of state Supreme Court justices is "a mockery." He said it was undecided whether Circuit Judge James R. Breakey Jr. of Ann Arbor, GOP nominee for the high court, would campaign with the party's other nominees.

Korea Asks Rent Pay

SEOUL, Korea (UPI)—The Republic of Korea will press the United States for payment of $4.3 billion in rentals of land and buildings used by U.S. forces since the Korean War, official sources said today.

AP Photofax

NO. 5 WILL WED LANA—Actress Lana Turner and sportsman Fred May, shown here at a Los Angeles party in December, got a marriage license Tuesday in Santa Ana, Calif. She gave her age as 39, his as 43. May did so well in business that he was able to retire to ranching at 38. Friends wonder whether Lana's upcoming marriage to May will restore custody of her teen-age daughter Cheryl, who is a ward of Superior Court after stabbing an old Turner boy friend, Johnny Stompanato, in 1958. No date has been announced for Lana's fifth marriage. She previously has been wed to actor Lex Barker, to millionaire Henry J. (Bob) Topping, to Cheryl's father, who is restauranteur Steve Crane, and to bandleader Artie Shaw.

The Caspian Sea is not a sea at all, but a land-locked lake. Located in Russia and Iran, it covers an area of 169,300 square miles.

Chevy Previews '61 Models

Rear-Engine Wagons, Pickups Bow in Fall

By BEN PHLEGAR
AP Automotive Writer

DETROIT (AP) — Chevrolet confirmed today it will expand its compact Corvair line this fall to include two types of station wagons, two pickup trucks and a panel delivery truck.

Like the Corvair coupe and sedan, all will have engines in the rear.

One of the station wagons, the Lakewood, has conventional exterior styling. Its engine is located under the luggage compartment. The other station wagon is along the lines of the Volkswagen bus. Chevrolet calls its version the Greenbier Sports Wagon.

The sports wagon, using an optional third seat, can carry nine passengers and 250 pounds of cargo.

★ ★ ★

One of the pickups loads from the rear, the other has a swing down ramp for side loading.

All five models represent the first such commercial units to be built in this country using rear engine power.

The new Corvair units along with the standard Chevrolet cars and trucks were shown today at a news preview. They will go on sale early in October.

★ ★ ★

Edward N. Cole, Chevrolet general manager, in prepared remarks, forecast industry passenger car sales next year will increase, possibly as high as seven million."

Cole and other General Motors' executives have estimated 1960 sales at 6,800,000.

expects import sales next year to run around 450,000 units and truck sales to reach one million. This is about the same as that indicated for this year; the truck figure is slightly higher.

★ ★ ★

For Chevrolet itself Cole predicted all time record sales this year of about 2,085,000 cars and trucks. Chevrolet set an industry record in 1955 when it sold 2,066,337 cars and trucks.

Cole said the regular Chevrolet for next year will be shorten narrower and slightly lower while retaining approximately the same interior dimensions.

To Open Interchange at U.S. 112 and M60

LANSING (AP) — One of Michigan's most hazardous trunkline intersections will be eliminated Friday, the State Highway Department reported.

A $326,204 interchange will be opened at the grade level crossing of U.S. 112 and the M60 bypass about two miles southeast of Niles, Cass County.

The interchange won the department tag of "Public Enemy No. 1" in 1957 when two persons were killed there and 53 injured in 25 accidents. Although the intersection was redesigned, it still accounted for one fatality and 37 injuries last year.

Today...every day... big things happen at Kroger

7 Missing in Ecuador

QUITO, Ecuador (AP)—The Defense Ministry disclosed Tuesday that seven men on an engineering trip have been missing 40 days in the jungles of eastern Ecuador. The men were en route to a frontier post on the Putumayo River. Air patrols have failed to sight the party.

Firemen Turn Tables

PHOENIX, N.Y. (UPI) — The tables were somewhat turned when volunteer firemen and village police rescued a dog from the icy waters of the Oneida River. The dog was a St. Bernard.

The "Big Three Conference" between Roosevelt, Churchill and Stalin took place at Yalta, in Russia in February, 1945.

No Vacation Plans

WASHINGTON (AP) — President Eisenhower has no plans for another long vacation after Congress adjourns, the White House announced Tuesday. Eisenhower spent a month at Newport, R.I., in July and August.

Wedding Demonstration

AUSTIN, Tex. (UPI) — At a recent seminar for justices of the peace, Frank McBee of Austin demonstrated his style of JP weddings. McBee married Toni Faye and Edward Joseph Smith while the other justices at the seminar served as witnesses.

Studies at New York University show that when a person is extremely preoccupied with his clothing and general grooming, it indicates emotional maladjustment.

'Secured 2 Red Spies'

MOSCOW (AP) — Komsomolskaya Pravda, paper of the Young Communist League, charged today that Richard Lane of Los Angeles recruited two Russian youths for an American spy network when he attended the youth festival here in 1957.

The German army during World War II advanced to within 25 miles of the Kremlin, located in the center of Moscow, before it was stopped.

Fingerprint Files Aid State Police in July

LANSING (UPI) — Identification played a major role in the work of state police during July, the department said today.

Of 10,454 sets of fingerprints received by the identification bureau, 6,713 were identified as criminal and 3,741 as noncriminal. There were 48 wanted persons identified during the month.

* * *

A check of 1,232 applications for permits to carry concealed weapons resulted in the identification of 108 applicants who had criminal records.

7 Killed in Collision

SANTIAGO, Chile (AP)—Seven persons were killed and 30 injured Tuesday in the collision of a bus and a truck 30 miles north of here.

Will Become Shrine

LACLEDE, Mo. (AP) — The restored frame house where Gen. John J. Pershing spent his boyhood will be dedicated as a shrine Sept. 13, the 100th anniversary of his birth.

The 11-room home of rural Gothic architecture was acquired by the Missouri Park Board in 1952.

The western-most point of the United States is not in the new state of Hawaii, but in Alaska, Attu Island.

Farm Losses Costly From Flies in Vermont

BURLINGTON, Vt. (UPI)—Dr. George MacCollom of the University of Vermont says flies cost Vermont farmers about $700,000 a year.

He said persistent switching and stamping among cows from the pain and irritation of fly bites cause loss of weight and milk production.

There are about 255,000 miles of roads in India to serve 565,000 villages and 350,000 motor vehicles

Davila Gets Davila Fine

SAN ANTONIO, Tex. (UPI) — Frank Davila prosecuted a liquor violation in which Frank Davila paid a $100 fine. Davila number one is an assistant district attorney, and Davila number two is a bartender—no relation.

SUSPECT CAUGHT — Charles Trischler, in white shirt, is led toward a currency firm office in New York's Rockefeller Center Tuesday a short while after it was robbed of $10,000. Patrolman John Vacchiano, left, captured Trischler as a suspect after a chase started by a broadcasting company's employe, Richard Jennings, right, and pursued him on foot and by cab to the Lincoln Tunnel under the Hudson River. Man second from right is unidentified.

'I'll Hammer for More Jobs'

Bagwell Promises He'll Hunt for New Industry for the State

LANSING (UPI) — A "bring 'em back alive" hunt for new industry to provide jobs in Michigan was promised Tuesday by Paul D. Bagwell, Republican candidate for governor, if he is elected.

The former Michigan State University professor said he would personally lead "raids" on business in other states to try and influence them to locate in Michigan.

Democratic Gov. G. Mennen Williams could have "turned the trend around" and prevented jobs from leaving Michigan if he had taken action to do so during his 12 years in office, Bagwell charged.

He left no doubt his 1960 campaign will hammer at Michigan's fiscal problems and job picture.

Bagwell called for "VIP tours" of Michigan to show the nation's business writers and the men who influence industry to move or not to move from one state to another that the state is a good place to locate.

In a press conference that lasted more than an hour, Bagwell seldom let the subject stray from Michigan's economic climate.

Athlete to Be Mortician

SYRACUSE, N.Y. (UPI)—Al Beniller, of Hanover, Pa., starting center for Syracuse University's 1959 football team, wants to be a mortician when he graduates in the spring of 1961.

Space Monkey in Training at Texas University

SAN ANTONIO, Tex. (AP)—One of five monkeys being trained at the University of Texas will be used in the first U.S. attempt to put an animal into orbit, the Air Force said Tuesday.

A tiny Rhesus monkey is scheduled to take the trip when the Air Force attempts to put the Discoverer No. 16 satellite into orbit from Vandenberg, Calif., Air Force Base in October.

In Daring New York Holdup

One Killed, Two Injured

NEW YORK (AP)—A gunman was shot to death and two policemen were wounded in a running gun fight in the heart of Manhattan Tuesday after a daring $10,000 holdup in crowded Rockefeller Center.

Hundreds of terrified bystanders witnessed the spectacular afternoon gun duel on the Avenue of Americas above 50th Street. Traffic was snarled for blocks. A radio network employe joined the chase and proved himself a hero.

* * *

The battle erupted when three bandits, clutching bags of stolen money, dashed from a currency exchange firm opposite Radio City Music Hall and commandeered a taxi.

* * *

Shouts of alarm brought patrolmen rushing to the scene, trading fire as the holdup men blazed away through the back window of the cab.

Patrolman Peter Gallagher was grazed on the right ear. Patrolman Donald Baezler caught a bullet in the chest and fell seriously wounded.

Three blocks away, the bandits jumped from the cab.

* * *

One of the men disappeared in the crowd, but patrolmen Gallagher and George Maine gunned down the other, and a National Broadcasting Co. employe, Dick Jennings, 40, doggedly tracked the third man for a mile until he was nabbed.

Killed was Thomas Byrnes, 19, described as the leader of a West Side holdup gang.

Kenny Foundation Has Reorganized

MINNEAPOLIS, Minn. (UPI)—Businessman R. C. Gamble, president of the Sister Kenny Foundation, said Tuesday the administrative structure of the polio-fighting organization has been completely reorganized.

* * *

Gamble said all resignations from former members of the board have been accepted. A grand jury in Minneapolis had recommended all former board members resign.

* * *

The foundation has been undergoing a reorganization following a report by the Minnesota attorney general that millions of dollars in foundation funds may have been misused.

* * *

French is the official language of Haiti, but French Creole, a dialect, is spoken by the majority.

PET DOCTOR

By A. W. Meller, D.V.M.

Q. We have a three-month-old cat. How do we go about leash-training him? Mrs. C. F. of New York City.

A. To anyone who has never owned a cat, the seemingly simple procedure of putting a collar around its neck, attaching a leash, and taking a stroll certainly wouldn't seem to warrant advice.

* * *

Only the cat-fancier knows how zealously this pet guards any infringement of his rights or individuality. Unlike the dog, most cats resent scolding and punishment: they easily take offense and quickly show it. Familiarizing yourself with the animal's little peculiarities will aid you in controlling and training him.

* * *

The first time you put a collar on your cat, reward him immediately with a bite of his favorite dish. Repeat the procedure within three to five minutes. Then attach the leash and attempt to walk him a few steps.

This accomplishment should also be rewarded. Walk him a little farther each time and repeat in intervals about an hour apart as long as your patience endures. The longer you work with your cat, the more insight you'll have into his mental make-up, and this knowledge will be invaluable in training him.

Otsego GI Stabbed to Death in Germany

FRANKFURT, Germany (AP) — U.S. Army authorities disclosed Tuesday Pfc. Duane R. Penny of Otsego, Mich., was fatally stabbed in a fight and that another soldier has been charged with murder in the case.

* * *

Officials said Penny, a member of an engineer battalion, died of multiple stab wounds suffered in the fight near a bar in the town of Hanau Friday.

* * *

A charge of premeditated murder was filed against Pct. Bennie Williams of Tampa, Fla. Williams also was accused of illegally carrying a switchblade knife.

No trial date has been set.

Oklahoma University OKs Campus Oil Drill

NORMAN, Okla. (UPI)—The board of regents of the University of Oklahoma announced they had given Anderson-Prichard Oil Corp. permission to drill a well on university property south of Norman.

Officials of the oil firm said they would name the drilling site "No. 1 OU Board of Regents."

Create a Sensation With Boneless Veal

Variety is the spice of life, and an ingredient that should never be forgotten when grocery shopping. All too often we are tempted to reach for the same familiar items as the grocery cart glides down the aisle. But we should be willing to try the new, the different, and expand the family's horizons of eating enjoyment.

Among the newer items in the frozen meat case is the boneless veal leg. Choose it for dinner one day soon and see if this newcomer doesn't please everyone. The cook will love it because it's so simple to roast. It will please the man who wields the carving knife because the absence of bone makes slicing easy. The final test is in the eating, and the delicate, appealing flavor of veal wins approval all around the table.

Veal roast will not only add variety to the family's meals, it will create a sensation long to be remembered and repeated by popular request. If you serve it with the special Orange Sauce below.

Veal Roast with Orange Sauce

1- to 4-pound boneless veal leg roast
½ cup butter or margarine
2 cups orange juice
½ teaspoon salt
½ teaspoon marjoram
½ teaspoon thyme
2 teaspoons finely chopped parsley
Dash of pepper

Melt butter in a saucepan. Stir in remaining ingredients and simmer gently for about 5 minutes. Place roast, fat side up in an open lowsided pan. Do not add water. Do not cover. Insert a roast low-thermometer. Pour sauce over veal roast.

Roast in a slow oven (325 degrees F.) about 2½ to 3 hours or until thermometer indicates 180 F. Baste frequently with sauce during roasting. Pour sauce from pan and serve with roast. 8 servings.

* * *

Veal Skillet Supper

2 cups cooked veal, diced
2 tablespoons butter or margarine
¼ cup chopped onion
½ cup chopped green pepper
1 cup precooked rice
10½-ounce can condensed cream of mushroom soup
1 cup water
1 teaspoon salt
¼ teaspoon leaf tarragon
¼ teaspoon pepper
2 tablespoons chopped pimiento

Melt butter in skillet. Pan-fry onion and green pepper for about 5 minutes. Add veal and pan-fry for another 5 minutes. Add remaining ingredients. Cover and cook over low heat about 10 minutes or until the rice is tender. 4 servings.

To Cook Pork Tenderloin

When you are cooking pork tenderloin slice the meat crosswise, flatten the slices, then roll them in seasoned flour. Fry in butter, browning first then covering the pan to finish cooking the meat.

Measuring Dairy Products Is Easy

For easy and quick measurement of some of the most commonly used dairy products in recipes, Beatrice Cooke, Meadow Gold's home economics director offers these equivalents: Clip and paste them on one of your recipe file cards:

¼ pound butter or 1 stick equals ½ cup.

½ pint heavy cream equals 2 cups whipped.

8-ounce carton cottage cheese equals 1 cup.

12-ounce carton cottage cheese equals 1½ cups.

8-ounce package American cheese equals ½ pound or 2 cups grated cheese.

Dagwood Type Sandwich Is Baked

A liver sausage sandwich is actually not new, however, prepared in the fashion described in this Liver Sausage-Tomato Special, it's a bonanza to the sandwich field.

This new suggestion will become a specialty of the house when served hot. It takes very little time to prepare this slick new sandwich.

Liver Sausage-Tomato Special

¼ pound liver sausage
2 slices bread
2 slices tomato, cut ½ inch thick
½ cup Parmesan cheese
½ cup salad dressing

Toast bread on one side. Spread the untoasted side with liver sausage, using about 3 to 4 tablespoons per sandwich. Place a tomato slice on top. Mix together Parmesan cheese and salad dressing. Spread cheese mixture on sandwiches, using about 3 tablespoon for each.

* * *

Bake in a very hot oven (450 degrees) for 6 to 8 minutes, or until cheese topping is bubbly. Yield: 8 sandwiches.

Relishes Are Welcome

Ever notice how relish trays are welcomed when they are offered in restaurants? You can duplicate this pleasant practice at home. Fill the compartments of a lazy-susan with creamstyle cottage cheese, sweet gherkins, pickled beets, marinated onion rings.

Spanish Hash Blends Meat, Vegetables

Leftover roast beef takes on new character in this hash of Spanish inspiration. Put the cooked meat through the food grinder enough to make 2 cups. Then put 2 carrots through grinder and 2 medium onions, as well. Peel and chop 2 medium tomatoes.

Now heat 3 tablespoons of Spanish olive oil in a heavy skillet, add the ground meat, stir until it starts to brown. Push the meat to one side, add the ground carrots and onions, sauté about 1 minute. Add the tomatoes, cook until mushy, then blend in 2 tablespoons flour and ½ teaspoon salt.

Slowly add 2½ cups water. Simmer covered over low heat 15 to 20 minutes. Makes six scrumptious servings.

Tuna Becomes Italian Centers Antipasto Tray

Those delicious antipasto trays that are featured in Italian restaurants are not so difficult to make. You can prepare them at home with ease, it's the perfect menu for a Sunday night supper.

Prepare a simple canned tuna salad and deviled eggs. Chill these and an additional can of tuna, pickled beets, canned artichoke hearts, stuffed olives, radishes and your favorite Italian vegetables and cheeses. At serving time, all you need do is arrange them attractively and serve with oil, vinegar and bread sticks.

Tuna Antipasto

1 7-ounce can tuna, drained
Capers
Diced pickled beets
recipe Tuna Antipasto Salad
Escarole or other crisp salad greens
Canned artichoke hearts
Scallions
Ricotta or cottage cheese
Radish slices
Pickled green tomato slices
Pimientos
Deviled eggs
Mixed pimiento-stuffed green olives
Cauliflowerets dipped in paprika
Italian green peppers
Italian tomatoes

Turn tuna out on antipasto tray. Garnish with capers and pickled beets. Arrange tuna antipasto salad on escarole or salad greens in another section of tray. Arrange remaining ingredients on tray. Serves 4. **TO MAKE TUNA ANTIPASTO SALAD,** drain 1 6½-ounce can tuna. Combine 1 clove garlic, finely chopped, 1 tablespoon vinegar, 1 tablespoon olive or salad oil, 2 tablespoons mayonnaise and ⅛ teaspoon pepper. Blend well. Combine vinegar mixture, tuna, ¾ cup chopped pimiento and ¼ cup finely chopped celery. Mix lightly, but thoroughly.

French Tuna Loaf

2 7-ounce cans tuna, drained
6 hard-cooked eggs, finely chopped
1 medium-sized cucumber, diced
¾ cup jar prepared hollandaise sauce
8 10-inch loaves French bread

Combine tuna, eggs, cucumber and hollandaise sauce; mix well. Cut bread lengthwise and scoop out center, leaving ½ inch wall. Fill center of bread with tuna mixture. Wrap in aluminum foil. Bake in hot oven (400 degrees), or heat on outdoor grill 15-20 minutes. Serves 8.

Deviled Ham Dip for Vegetables

No matter what else you serve at a party, dips seem to prove the most popular. Here's an herb-flavored deviled ham dip that enhances the flavor of fresh vegetables. Spicy deviled ham is combined with smooth sour cream, nippy chopped chives and colorful parsley with just a touch of marjoram — that distinctive-tasting herb of the mint family — to bring out all the flavors of the seasonal vegetable.

Cool, fresh cucumber, crisp carrot sticks and scallions, as well as cauliflowerettes and broccoli bunches — take on new taste and texture when dunked in this "delicious" dip. Serve it as tempting first-course or as an exciting finger salad, too, with any summer meal.

HERB-FLAVORED DEVILED HAM DIP
(for fresh vegetables)

1 4½-ounce can deviled ham
1 cup sour cream
¼ cup chopped chives
¼ cup chopped parsley
½ teaspoon marjoram
Crisp fresh vegetables

Blend deviled ham with sour cream and herbs. Chill. On a large platter, place your choice of carrot or cucumber sticks, cherry tomatoes, tiny cauliflower or broccoli flowerettes or radishes. Serve well-chilled with deviled ham dip in center. Makes about 1⅓ cups dip.

Start Your Chutney Sauce With Tomato Soup Base

Outdoor eating has become one of the favorite American pastimes. No wonder . . . it's so relaxing. After a long hot summer day, supper on the porch or patio does "something" to heat-bedraggled spirits.

Keep the menu simple . . . and if you like, do the cooking outdoors, too. Broiled or grilled lamburgers in tomato chutney sauce will delight all. During the cooking time, baste ground lamb patties with "easy-do" sauce . . . canned condensed tomato soup is the secret base . . . that imparts a real delicious flavor. Serve the "burgers" in toasted buns and accompany with a mug of crunchy relishes . . . scallions, cucumber, and carrot sticks.

Hot coffee . . . or an iced beverage . . . completes the outdoor menu.

TOMATO CHUTNEY SAUCE

½ cup chopped onion
1 teaspoon curry powder
2 tablespoons butter or margarine
1 can (10½ ounces) condensed tomato soup
¼ cup water
¼ cup chutney, chopped

In saucepan, cook onion and curry powder in butter until onion is tender. Stir in soup, water, and chutney. Cook over low heat for 10 minutes, stirring often. Makes 1¾ cups sauce.

* * *

LAMBURGERS
(Broiled Method)

Prepare sauce. Shape 1½ pounds ground lamb, seasoned with salt and pepper, into 6 patties. Place on broiler pan; brush with sauce. Broil, about 3 inches from heat, until done, turning and brushing with sauce often. Serve on toasted buns. Makes 6 servings.

* * *

LAMBURGERS
(Outdoor Method)

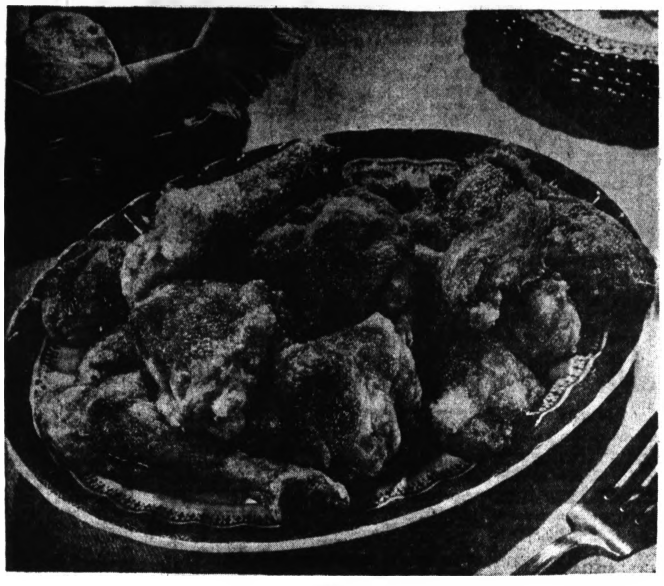

Prepare sauce. Shape 1½ pounds ground lamb, seasoned with salt and peper, into 6 patties. Place on grill about 6 inches above glowing coals. Cook, basting with sauce and turning now and then.

MORE 'GOLD' FOR U.S. — Young Carolyn Schuler, right of Orinda, Calif., rests on buoy ropes with Janet Andrews of Australia after winning the 100-meter Olympic butterfly swim crown last night. Her time of 1:09.5 bettered a new record she had set in the preliminaries.

SPORTS

Tigers Play 25 Innings for Naught

Nearly 5 Hours Needed to Drop 2 at Beantown

Red Sox Win Opener in 15 Innings, 5-4; Take 'Cap, 3-2

BOSTON (UPI) — If the umpires had called the Detroit-Boston twi-night double-header on account of light, the Tigers couldn't have been happier.

* * *

The action went on for 25 innings and lasted four hours and 56 minutes, but the Tigers couldn't come through and dropped both contests to the Red Sox.

Boston took the first game 5-4 after 15 innings, then added another win in the "morning-cap," 3-2, after 10 innings.

It was long after 1 a.m. this morning before the players finished up at Fenway Park.

* * *

Red Sox shortstop Don Buddin was struck by a pitched ball in the seventh inning of the second game and had to be carried from the field on a stretcher.

He was taken to Sancta Maria Hospital where team physician Dr. Ralph McCarthy said the sprained shortstop may have suffered a fractured skull, but x-rays disclosed no broken bone.

A specialist was immediately called in.

* * *

Jim Bunning's pitch caught Buddin on the left temple, just below his protective batting helmet.

Both teams poured out onto the field immediately after the incident when Red Sox rookie pitcher Earl Wilson exchanged words with Bunning.

Quick action by the umpires prevented any punches from being thrown, however, and the teams retired to continue the contest.

* * *

The Red Sox won the opener when Pete Runnels came through with his sixth hit of the game, a double to centerfield, to score Frank Malzone from first base.

The Red Sox blew a chance to win the game in the 11th inning when Carroll Hardy walked and raced around to third on Pumpsie Green's single to right.

Rocky Colavito's throw from the outfield hit Green in the back and the ball bounded onto the outfield grass again, between first and second base.

* * *

Third base coach Billy Herman neglected to send the speedy Hardy home, however.

Norm Cash sent the game into overtime with a ninth inning double, which scored Al Kaline who had walked.

Lefthander Ted Wills, the fourth Boston pitcher, got the win, his first decision of the year. Paul Foytack, the sixth Tiger hurler, took the loss, his eighth against two wins.

The two teams used 37 players in the contest.

Boston scored the winning run in the nightcap when Tiger shortstop Chico Fernandez made a wild throw to first on Frank Malzone's grounder.

As the ball bounded into foul territory, pinch runner Tom Brewer dashed to the plate from second base. Rocky Colavito sent the contest into extra innings with his 27th home run of the year in the ninth inning.

DEATH CRASH—Jim Gilchrist, Gardena, Calif., top car, was killed yesterday when his car collided with one driven by Rick Jackson of Los Angeles during races at Minnesota State Fair. Gilchrist's car overturned and caught fire after he skidded on the rain-soaked track and slid into the barrier. Jackson had minor injuries.

3rd Place Yanks Trail Top Foes by 26 Points

Two Swim Victories Boost the Americans; Wrestlers Fail

ROME (AP) — America's husky shotput aces, favored to make a sweep of the medals, led the way today into the opening of the Olympic track and field competition, where the United States hopes to overhaul Russia in the unofficial team point standings.

* * *

Bill Nieder, Dallas Long and two-time champion Parry O'Brien didn't even bother to pull off their sweat suits as they qualified for this afternoon's shotput final.

Nieder, the former University of Kansas ace who holds the world record at 65 feet, 7 inches, and the other two Yanks easily tossed the shot past the 64-11½ qualifying minimum.

The United States, trailing Russia by 26 points, also got rolling in its pursuit of points as Dave Sime, Ray Norton and Frank Budd eased into the second round of the 100-meter dash along with co-world record holder Armin Harry of Germany and Harry Jerome of Canada.

* * *

The only other track and field event to be decided today, however, was the women's broad jump —where only one U.S. gal, the 1956 silver medal winner, Willye White of Greenwood, Miss., qualified.

But while the U.S. swimming squad also advanced two for tonight's finals in the men's 100-meter backstroke event—Bob Bennett of Encino, Calif., and Frank McKinney of Indianapolis —all was not the best for Uncle Sam.

Brian Phelps of Britain, the 16-year-old European champion, shocked U.S. hopes by leading 19 qualifiers into tonight's semifinals of the men's high diving event.

* * *

Gary Tobian of Glendale, Calif., the favorite in this event after pulling a surprise by winning the springboard gold medal, was fourth, and Bob Webster of Santa Ana, Calif., was ninth.

The United States also suffered a setback in rowing, when the pair with coxswain from the Lake Washington (Seattle) Rowing Club was beaten by four lengths by Russia. America, defending champion in this event, gets a second chance to make Saturday's final tomorrow.

The American hoped to gain on the Russians in the race for the unofficial team title as the track and field competition opened.

Great performances in swimming yesterday that won two gold medals gave the U.S. team 72 points, only one behind Germany and 26 points behind the Russians who were capitalizing in field; they were expected to dominate.

The swimming duels electrified a crowd of 10,000. And there were offbeat incidents to magnify the interest. Carolyn Schuler of Orinda, Calif., broke her own Olympic record in winning the finals of the 100-meter butterfly race. Bill Mulliken of Champaign, Ill., triumphed in the 200-meter breaststroke finals.

The swimming produced another strange sidelight. Russia's L. Kolesnichen took off with six others in the men's 400-meter free-style qualifying and clowned around so much that the others were finished by the time he was paddling around the halfway 200-meter mark.

* * *

Officials talked him into getting out of the pool at last but whatever he had in mind, the the Soviets were buttoning up about it. He was just having fun, the officials decided, but the next question was whether the Russian team managers appreciate it.

Germany, pushing in the team battle, got a great boost in the aquatics from Dresden's diving doll, Ingrid Kramer. She copped the 10-meter (33 feet) platform title from Paula Jean Pope, Santa Ana, Calif., America's veteran of three Olympics. She got a gold medal and the praises. Paula burst into tears, knowing this was her last crack at Olympic competition.

The Russians sprung two surprises. Viktor Kapitonov won the 175.3 kilometer (108.6 miles) cycling road race, beating out Italy's Livio Trape, in a sport Moscow never has bothered much with before.

* * *

And in fencing, the Soviet Viktor Jdanovich captured Russia's first fencing gold medal, the men's individual foils. The U.S. Arthur Axelrod, of New York, at 39, won the third place, bronze-first time since 1932 that the Americans had done so well at fencing.

* * *

One of the great disappointments for the American team came in the wrestling. The last three U.S. entries were eliminated as Russia and her satellite Red European comrades completely dominated the Greco-Roman division.

AL Approves Boost to 10 Clubs by '62

NEW YORK (AP)—The American League decided Tuesday to expand to 10 teams by 1962 but came to no decision on what cities would be added to the fold.

The league brass heard a report from its realignment and expansion committee and after a session that lasted more than four hours passed two resolutions:

"That the American League shall enlarge to 10 members and each of the two additional members shall provide and conduct a professional baseball club in such a city as shall be approved by three-fourths of the present membership of the league.

* * *

"That the proposed expansion to 10 members shall be effected no later than Dec. 1, 1961."

Del Webb, co-owner of the New York Yankees and chairman of the realignment committee, said after the meeting that he hopes to talk things over with Walter O'Malley of the Los Angeles Dodgers who holds a similar position in the National League.

He indicated, however, that there was little hope of getting the two additional teams on the field next year.

"Ball parks might be a problem in 1961," he observed.

* * *

A league spokesman also pointed out that the wording of the resolution did not force the new teams to start operations by 1962. It merely set a date for bringing them into the league.

Both resolutions were passed unanimously.

The moguls will meet again after the World Series and hear another report from Webb's committee which by that time will have decided what cities are to be considered.

Besides Webb, the realignment committee consists of Joseph A. W. Iglehart, chairman of the board of the Baltimore Orioles; George Medinger, vice-president of the Cleveland Indians, and Hank Greenberg, vice-president of the Chicago White Sox. All were on hand at the meeting.

* * *

Another fact-finding committee will be appointed to work in conjunction with the realignment committee and also will report at the post World Series meeting. The job of the fact-finding committee will be to iron out details on the problems of player pensions, the draft and related matters.

The meeting also failed to mention the Continental League. At a meeting in Chicago on Aug. 2, the majors agreed to take in four Continental cities and ever since there has been speculation on which ones would be invited.

* * *

President Joe Cronin of the American League presided at the meeting, but a spokesman said he merely acted as chairman, giving the floor to each speaker. However, it was known that he was against trying to put any more teams on the field by next year.

Likewise Commissioner Ford Frick has made his views well known to the owners — that 1961 was too soon to try to iron out all the details of adding new teams.

Frick didn't attend the meeting. "I preferred to have the owners act on their own," he said.

* * *

With both Cronin and Frick against any expansion by next year, the league brass went along.

Presumably, although it was not mentioned in the official communique, the problem of Los Angeles was straightened out to the satisfaction of Yank co-owner Dan Topping. He had been campaigning to force an American League team into Los Angeles if the National League was given a franchise in New York.

"The Los Angeles matter was discussed," was all a league official would admit.

14-Year-Old Can't Go On

'Muggie,' Then Tears for Olympic Swimmer

ROME (AP)—A "muggie" almost broke a young girl's heart at the 1960 Olympic Games Tuesday night.

A "muggie" is what kids get, a mouthful of water when they are just learning to swim. But it happened to Carolyn Wood of Portland, Ore. who though only 14 was in the final of the Olympic women's 100-meter butterfly.

She was even with the world's best at the turn of the 50-meter pool but suddenly she seemed to get the staggers. She bumped into the lane buoy, grabbed the chain, clung to it in such a way that a fully clothed official leaped into the pool to help.

The youngster climbed out, ran into hiding, her face in her hands and just about in hysterics. She was crying for her roommate, about the same as crying for mama.

Carolyn would talk only to her roommate, Lynn Burke of New York.

"Go away, leave me alone," she yelled at those who surrounded her.

Finally led to the dressing room Carolyn calmed down and explained.

"I got too big a mouthful of water. As I made the turn I got a big wave in my mouth and choked. I could not go on. I'm really sorry about it because I think I could have given the United State another medal."

Teammate Chris von Saltza said it wasn't all Miss Wood's fault.

"They refused to fill the pool completely," said Chris. "The result is that you get a big wave off the bank just before the turn it happened to me. It happened to Carolyn."

U.S. Wins Loom in Pentathlon

ROME (AP)—In mid-afternoon sun today, 58 competitors will run 4,000 meters cross-country to close the Olympic modern pentathlon.

An almost totally unexpected gold medal may come to the United States—its first ever in this event.

* * *

Wiry Bob Beck—a 6-foot-2, 168-pound Navy lieutenant from San Diego, Calif.—holds the individual lead after four events with 3,966 points.

His closest challenges are Lt. Antonio Almada of Mexico, who has 3,875, and two Hungarians, Ferenc Nementh and Ermo Nagy. Their current totals are 3,856 and 3,823 points.

* * *

The United States also has an outside chance for another gold medal in the team event. The Americans are a strong second to Hungary, trailing, 11,314 to 11,210.

The pentathlon is called by some authorities the finest all-around test of the Olympic Games.

Doctoring Your Golf

By DR. CARY MIDDLECOFF

PATIENT'S COMPLAINT: "Can't get a consistent shot pattern."

DIAGNOSIS: Uncertain hand position at the top.

TREATMENT: As has been said many times — and logically enough — the central idea in golf is to get a good swing, one that can be counted on to repeat itself time after time.

With that in mind, it is clearly necessary that the hands always be in as nearly the same position as possible when the top of the backswing is reached, that being one of the crucial points in the swing. The correct position of the hands at this point finds the left thumb directly under the shaft. This provides a good check on your hand position.

B-24

Now I am not suggesting that you pause at the top of each backswing to see if the left thumb is under the shaft. You couldn't do that and still hit decent shots.

What I am suggesting is that you check on this point during a practice session or two. Get the feel and the habit of having the left thumb under the shaft at the top of the backswing. Then you will be more consistent.

Mickey Sets Course Mark

DILLSBURG, Pa. (AP)—Long-hitting Mickey Wright fired a course record 5-under-par 67 Tuesday for a three-stroke lead after the first 18 holes of the Eastern Women's Open Golf Tournament.

Picnic, Program Ends Summer's Archery Season

Members of the Parks and Recreation department's summer archery leagues will climax their season's activities, Thursday night, with an outing and program at Oakland Park.

Between 70 and 80 youngsters have taken part in the highly successful bow-and-arrow program. League participants and members of their families will enjoy a picnic at 5:30 - 8:30 p.m.

Grimes Archery Co. will give a demonstration from 6:30 to 7 p.m. and then awards won during the season will be presented to winners along with honors taken in tourney play.

A motion picture on archery will be shown through courtesy of Giles Archers.

The public is invited.

Olympic Facts and Figures

POINTS

ROME (AP)—The unofficial point score of the 1960 Olympics at the end of five day's events (First places in parentheses with points on a 10-5-4-3-2-1 basis):

Russia (3) 90; Germany (3) 73; United States (3) 72; Italy (3) 60; Hungary (1) 25.

Australia (2) 30, Netherlands 26, Great Britain (1) 24, Denmark (2) 23, Sweden (1) 20, Poland 17, Romania 12, Belgium 9, Mexico 7, Brazil 5, Japan 5, Czechoslovakia 5, Canada 4, France 4, Bulgaria 1, Norway 1.

MEDALS

ROME (AP)—Medal score in the 1960 Olympics after five days of competition:

	Gold	Silver	Bronze
Russia	7	7	5
Italy	3	2	1
Germany	2	3	5
United States	3	5	1
Australia	2	1	1
Hungary	1	3	2
Great Britain	1	0	2
Denmark	1	0	1
Sweden	1	0	1
Belgium	0	1	1
Netherlands	0	1	1
Japan	0	1	0
Poland	0	0	2
Romania	0	0	2
Brazil	0	0	1
Mexico	0	0	1

ROME (AP)—Gold medal winners Thursday on the fifth day of Olympic competition:

CYCLING

Individual road race—Viktor Kapitonov, Russia.

FENCING

Men's individual foils—Viktor Zdanovich, Russia.

SWIMMING

Women's 10-meter high diving—Ingrid Kramer, Germany.

Women's 100-meter butterfly — Carolyn Schuler, Orinda, Calif.

SCHEDULE

ROME (AP)—The schedule of events at the Olympic Games for Thursday, Sept. 1 (Time is Eastern Standard):

THURSDAY

2:30 a.m.—Diving: Men's 10-meter semifinals.

2:30 a.m.—Fencing: Women's individual foils.

3 a.m.—Track and field: Men's high jump qualifying (Charlie Dumas, Los Angeles, Joseph Faust, Los Angeles, John —Thomas, Cambridge, Mass.).

3 a.m.—Track and field: Woman's javelin qualifying (Karen Anderson Oldham—, San Diego, Calif.).

3 a.m.—Track and field: Woman's 100-meter heats (Martha Hudson, McRae, Ga., Barbara Jones, Nashville, Tenn., Wilma Rudolph, Clarksville, Tenn., Lucinda Williams, Nashville, Tenn.).

3 a.m.—Freestyle wrestling.

4 a.m.—Hockey: Pakistan vs. Japan.

4 a.m.—Rowing: Single sculls repechage (Harry Parker, Philadelphia).

5:15 a.m.—Rowing: Pair oars with coxswain finals.

9 a.m.—Track and field: Women's javelin final.

9 a.m.—Track and field: Women's 100-meter heats, second round.

9 a.m.—Rowing: Four oars without coxswain repechage.

9 a.m.—Diving: Quarter-finals.

9 a.m.—Fencing: Women's individual foils, finals.

9 a.m.—Hockey: Australia vs. Poland.

9:15 a.m.—Track and field: Men's high jump final.

9:30 a.m.—Track and field: Men's 100-meter semifinals.

9:45 a.m.—Rowing: Double sculls repechage.

10 a.m.—Basketball: Semifinals.

10:15 a.m.—Track and field: Men's 400-meter hurdles semifinal.

10:30 a.m.—Hockey: Italy vs. Kenya.

10:40 a.m.—Track and field: Men's 200-meter semifinal.

11 a.m.—Rowing: Eight oars repechage.

11:10 a.m.—Track and field: Ladies 80-meter hurdles final.

11:30 a.m.—Basketball: Semifinals.

11:50 a.m.—Track and field: Men's 200-meter preliminary heats (Philip Coleman, Champaign, Ill., Charles Jones, Ivory City, N.M.; Iowa City, Iowa, George Young, Bill Jones, Calif., backstroke, Paul Hall, San Jose Calif., backstroke, Lance Larson, San Diego, Calif., butterfly, Jeff Farrell, Wichita, Kan., freestyle).

2:35 p.m.—Swimming: Ladies 100-meter backstroke heats (Lynn Burke, Flushing, N.Y., Nina Harmer, Philadelphia).

3 p.m.—Boxing: Quarter-finals.

3 p.m.—Basketball: Semifinals.

4:15 p.m.—Swimming: Women's 400-meter freestyle final.

4:30 p.m.—Swimming: Men's 400-meter freestyle heats (George Harrison, Berkeley, Calif., William Damron, Flint, Mich., Jeff Farrell, Wichita, Kan., Richard Hines, Los Angeles).

4:10 p.m.—Water Polo.

4:30 p.m.—Basketball: Semifinals.

VICTORY WAVE—Bill Mulliken of Champaign, Ill., gives out with big wave at Rome after winning the men's 200-meter breaststroke championship in Olympic swimming competition Tuesday. He had to come from behind to win, falling just short of matching the Olympic record. Mulliken and Carolyn Schuler gave the Yanks two gold medals within 30 minutes.

Horseshoe Play Set Labor Day

Today is the last chance for area residents to enter the annual Pontiac Parks & Recreation Department Labor Day Horseshoe Tournament scheduled for Monday at Oakland Park.

All persons who reside in Oakland County are eligible to compete for title trophies.

Singles play will start at 9 a.m. and doubles at 2 p.m.

The city horseshoe league recently concluded its season with playoffs between the Tuesday and Thursday divisions.

Floyd Bartley, who has been named loop president for 1961, won Class A singles and Milt Swigert took "B" singles. Joe Kiley-George Lidgey and Bob Hanna-Harry Reilly were doubles victors in that order.

Bartley had finished 2nd in singles and combined with Lloyd Bartley to win doubles in Tuesday play. He was also state Class B runnerup. Hanna was Michigan "C" runnerup.

Tom Pearsall was Tuesday singles champions. Herb Steffey won the division in Thursday play and teamed with Len Skaggs to take doubles.

Andonian, Green Qualifiers

Conroy, Caplin Also Pass Test at Washtenaw

Draper Leads 7 State Golfers Into National Amateur Tourney

By BILL CORNWELL

YPSILANTI — Veteran Tom Draper won medal honors but four other Michigan golfers, three of them collegians, stole the headlines here Tuesday at Washtenaw Country Club in 36-hole qualifying rounds for the U.S. Amateur Golf Championship.

Altogether, seven state golfers earned berths in the annual National Amateur tournament and among them were Mike Andonian of Pontiac, Pete Green of Orchard Lake, Ty Caplin of Plymouth and Mike Conroy of Oakland Hills.

Andonian, registering from Sylvan Glen, and Caplin, the MSU graduate who played golf for the Spartans, became eligible for the U.S. Amateur trials for the first time in their golfing careers and they really made the most of it.

Green, 20-year-old University of North Carolina student, and Conroy, 21-year-old pre-law student at the University of Detroit, qualified yesterday for the first time following earlier failures.

* * *

Conroy had to win his spot the hard way, sinking a two-foot putt for a birdie three on the 1st extra hole of a sudden-death playoff after six players wound up in a deadlock at 147 for the 7th position.

Completing the list of qualifiers are beefy Gene Woodard of Lakepointe C.C. and Fred Kammer Jr. of the Country Club of Detroit.

Draper, 45-year-old Red Run belter, and Woodard were the only players to better par over the 6,500-yard Washtenaw course which has a par of 36-36—72.

Draper, qualifying for the 15th time in his illustrious career, collected 10 birdies on his way to rounds of 69 and 70 for a 36-hole total of 139, five under par. Draper went to the 5th round of last year's U.S. Amateur.

* * *

Big Tom's score was four strokes better than Woodard, who took runnerup honors with 71-72—143 as he carried seven "birds."

Caplin and Andonian, who became eligible for the qualifiers by virtue of their final and semi-final advances in this year's National Public Links tourney, made 2nd-round rallies to succeed.

The 23-year-old Caplin notched six "birds" during rounds of 73-71—144, even par, while Andonian picked up three birdie deuces and an eagle three, all on the 2nd round, as he shot 76-70—146.

Andonian, 34, who teaches mathematics at Pontiac Central High School and sells insurance on the side, was forced to come back strong in the afternoon after bogeying four of the last six holes in the morning.

Green, club champion at Orchard Lake, listed seven birdies on a 73-73—146 scorecard. Kammer birdied four holes as he also had five "birds" in a 74-73—147 effort before collecting another birdie in the playoff.

Losers to Conroy in the playoff were Bud Stevens of Western, Bill Pettibone of Red Run, Vic Culas of Jackson, John Miles of Oakland Hills and Tony Ruddy of Toledo, O. Miles is the No. 1 alternate.

The National Amateur is scheduled Sept. 12-17 at St. Louis C.C. in Clayton, Mo.

Tennessee 9 Moves

WICHITA, Kan. (AP) — Greenville, Tenn., edged into the semifinals of the winners' bracket in the National Non-Pro Baseball Tournament by beating Elgin, Ill., 3-1 last night.

Teen-Ager Surprises Sally

The 1960 edition of the annual Women's District Golf Association match play championship was a brief one for Sally Sharp of Forest Lake.

Miss Sharp, winner of the WDGA triple crown two years ago and among the favorites to win this tournament, was bounced to the sidelines Tuesday at Pine Lake Country Club in the 1st round of match play.

Her conqueror was an up-and-coming newcomer to WDGA ranks, 19-year-old Nancy Smith of Beach Grove. Miss Smith was 4-up on Sally at the turn and won the 17th hole to close out their duel with a stunning 3-1 upset victory.

* * *

Mrs. Keith (Susie) LeClair of Barton Hills, the defending champion, was never pressed in her opening match as she routed Mrs. Joseph Stapchinskas of Oakland Hills, 7-6, after turning with a 6-up advantage.

In today's 2nd round of match play, Mrs. LeClair met Mrs. Harold Marquardt of Gowanie, who ousted Pine Lake's Mrs. C. F. Mohas, 2-1. Mrs. LeClair, the prime favorite, is also the reigning Michigan Amateur champ.

Another promising 19-year-old swinger, Linda Ellstrom of Dearborn, gave a good account of herself before bowing to Mrs. John Hume Jr. of Essex C.C., 4-3.

One of the feature 2nd-round matches this morning pitted Mrs. Hume against Mrs. E. L. Goddard of Indianwood, the 1959 State Amateur queen. Mrs. Goddard moved along with a 3-2 victory over Mrs. Robert Vinton of Oakland Hills.

CHAMPIONSHIP FLIGHT

Tuesday's 1st-Round Results

Mrs. Keith LeClair, Barton Hills, def. Mrs. Joseph Stapchinskas, Oakland Hills, 7-6.

Mrs. Harold Marquardt, Gowanie, def. Mrs. C. F. Mohas, Pine Lake, 2-1.

Mrs. John Hume Jr., Essex, def. Miss Linda Ellstrom, Dearborn, 4-3.

Mrs. E. L. Goddard, Indianwood, def. Mrs. Robert Vinton, Oakland Hills, 3-2.

Mrs. Robert Gamble, Lochmoor, def. Mrs. D. D. Weiss, Flint G.C., 2-1.

Mrs. Samuel Gawpe, Bloomfield Hills, def. Mrs. J. O. Israel, Knollwood, 1 up.

Mrs. Bruce Milkens, Indianwood, def. Mrs. D. D. MacPherson, C.C. of Detroit, 4-3.

Miss Nancy Smith, Beach Grove, def. Miss Sally Sharp, Forest Lake, 3-1.

Wednesday's 2nd-Round Pairings

Mrs. LeClair vs. Mrs. Marquardt; Mrs. Hume vs. Mrs. Goddard.

Mrs. Gamble vs. Mrs. Gawpe; Mrs. Milkens vs. Miss Smith.

Rams Call It Quits in Cannon Lawsuit

LOS ANGELES (AP)—The Los Angeles Rams Tuesday threw in the legal sponge in the celebrated Billy Cannon lawsuit.

★ ★ ★

The National Football League team announced it is dropping its right to appeal a federal court decision which, in effect, awarded the former Louisiana State All-America to Houston of the American League.

Becerra Decides to Quit After Losing His Crown

JUAREZ, Mexico (AP) — Jose Becerra of Mexico retired as world bantamweight boxing champion Tuesday night after being knocked out by Elroy Sanchez of Mexico City in the eighth round of a scheduled 10-round non-title bout.

The knockout, at 2:31 of the eighth, was the third time Sanchez had put the champ on the mat.

Chisox, Nats Have Whacky Game

Pale Hose Win Wild 11-10 Tilt at Washington

Floods Strand Yankee Fans as New Yorkers Nip A's, 3-2

By The Associated Press

It will be a long time before American League fans forget Tuesday night.

In Washington, 10,979 watched a wild, whacky 10-inning spectacular in which the Chicago White Sox and Senators scored one run between them in the first seven innings—and 20 runs in the next three. The White Sox won 11-10.

★ ★ ★

In New York, a torrential rain and flash floods stranded would-be Yankee Stadium customers, but the 15,936 persons who made it saw the Yankees rally in the ninth to defeat Kansas City 3-2 and maintain their 1½ game lead over Baltimore.

Only in Baltimore was there no untoward incident — despite the presence of Cleveland's Jimmy Piersall — as the Orioles whipped the Indians 4-1.

★ ★ ★

For seven innings in Washington, the fans saw a pitching duel between the White Sox' Frank Baumann and the Senators' Pedro Ramos. Washington led 1-0 at the end of seven.

Chicago took a 2-1 lead in the eighth on a pair of walks and singles by pinch-hitter Ted Kluszewski, Roy Sievers and Minnie Minoso. Washington bounced back with four runs in its half, three on Jim Lemon's 31st home run.

The White Sox roared back with five runs in the top of the ninth, Minoso's three-run homer giving them a 7-5 lead. Washington tied it in the last of the ninth on Billy Gardner's two-run blow. In the top of the 10th, Nellie Fox doubled home two runs and Gardner's wild throw gave Chicago two more for an 11-7 lead. The Senators bounced back with three runs on a double by Bob Allison, a triple by pinch-hitter Julio Becquer and a home run by Lennie Green.

★ ★ ★

Three ex-Kansas City players starred in the Yankee victory. With the score tied 2-2 in the ninth, Joe DeMaestri, traded by the A's to the Yankees last winter, singled and was sacrificed to second. Hector Lopez, another ex-Athletic, singled DeMaestri home with the winning run. Cletis Boyer, still another old KC player, drove in the first two Yankee runs with a home run, his 12th.

Rookie Chuck Estrada, Baltimore's 22-year-old right-hander, handcuffed the Indians with our hits for his 15th victory. Home runs by Jim Gentile and Gene Stephens, off loser Jim Perry, accounted for all but one of the Orioles' runs.

TUESDAY'S FIGHTS

JUAREZ, Mexico—Elroy Sanchez, 121, Mexico City, knocked out Jose Becerra, 122, Guadalajara, Mexico, 8 (scheduled 10).

MIAMI BEACH, Fla.—Alan Hudson, 160½, Jamaica, knocked out Sal Pupetes, 157, Cuba, 4.

MCKEESPORT, Pa.—Freddy Martinez, 136, Pittsburgh, outpointed Tony Christy, 137, Pittsburgh, 8.

LOS ANGELES—Bobby Brewer, 115, Los Angeles, outpointed Billy Collins, 116½, Cincinnati, 10.

Spahn Hurls 3rd Shutout of Year

By The Associated Press

If Milwaukee fails to overtake the front running Pittsburgh Pirates in the National League pennant race, it won't be Warren Spahn's fault.

The brilliant Braves' southpaw, pitching as well as at any time in his illustrious career, fired his third shutout of the season and the 50th of his career Tuesday night as he defeated the St. Louis Cardinals 10-0.

It was Spahn's sixth straight victory and ninth in 10 decisions since the All-Star break. His season record is 17-7.

★ ★ ★

The victory enabled the Braves to snap a three-game losing streak and move back into second place, a fraction of a point in front of the Cards. Milwaukee and St. Louis are 6½ games behind the Pirates, who defeated Los Angeles 5-2. San Francisco nipped Philadelphia 2-1, and Chicago defeated Cincinnati 5-4.

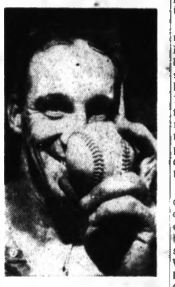

Spahn, nearing his 40th birthday, shackled the Cards with five hits for the 284th victory of his 15-year career. In 10 of these, he's won 20 or more. The Oklahoman's 50 life-time shutouts tied him for eighth spot with Rube Waddell and Vic Willis among the all-time whitewash kings. One more victory will tie Spahn with Tony Mullane for 13th place among the game's biggest winners.

Hank Aaron and Joe Adcock each drove in four runs as the Braves hung a seventh defeat upon Ernie Broglio, St. Louis' 16-game winning right-hander. Aaron got three RBI with a home run in the eighth, his 34th.

Home runs by Roberto Clemente and Dick Groat helped Pittsburgh's Bob Friend register his first victory over the Dodgers since July 23, 1958. The right-hander, however, failed for the 16th straight time to go the distance against Los Angeles. He needed help from Elroy Face in the eighth. A turnout of 40,143 pushed the Dodger home attendance over the 2-million mark for the second straight year.

Sam Jones struck out 14 and drove in the winning run in a duel with the Phillies' Robin Roberts. Neither issued a base on balls. Jones won his 15th with a single in the fifth that scored Willie Kirkland, who had tripled home Orlando Cepeda with the Giants' first run.

Ernie Banks hammered a home run off Joe Nuxhall in the last of the ninth to break up a 4-4 deadlock and give the Cubs their fifth victory in the last six games with the Reds. Joe Schaffernoth, in relief, gained the victory.

AP Photofax

50TH SHUTOUT—Lefty Warren Spahn of Milwaukee is a happy guy after beating St. Louis for his 50th shutout in the Major Leagues. He is 17-7 for the season.

Waterford Title Baseball Games Set for Today

Two games today will decide playoff champions in a pair of junior baseball leagues sponsored by the Waterford Recreation Department this summer.

Loop champion Lakeland Pharmacy met Land-O-Lakes, which tied for 2nd with CWA Local 4012, for 13 and under honors. Pankey's Hangar Grill won the league for boys 15 years old and under and was favored to add the playoff crown.

Tom Campbell manages Lakeland, Walt Honchell handles the reins of Land-O-Lakes and Fred Pankey bosses the Grillers. Floyd Austin coached CWA and Thrifty Drug, which bowed to Pankey's in a playoff for league honors, was managed by Pete Blasi.

Where, Oh Where, Is Backfield Talent at 'M'?

Bump Has Problems

ANN ARBOR (AP)—Chalmers (Bump) Elliott is packing a lot of problems under that thatch of blond hair.

Chief among them is concern over where to find the backfield talent necessary to keep his Michigan gridders in a dignified position during the 1960 season just 3½ weeks away.

Some 75 players will answer the call when practice begins officially on Thursday, among them 29 returning lettermen and a gang of sophomores and juniors with what Elliott and his aides term potential.

To make up for the shortage of first class talent, Elliott said, Michigan will again rely on the platform system as in 1959.

★ ★

After a slow start in his first coaching season at the campus where he won his own fame over a decade ago, the 35-year-old Elliott finished with a 4-5 record. Michigan used an average of 35 players per game and awarded 44 letters.

"The success we had last year was mostly due to our use of many players," Elliott said, "and we'll do it again this year because we don't have any boys that you know, without questioning, are going to be great.

"There's a general lack of experience in the backfield and at guard. But I don't think there is any question but that quarterback will be our biggest problem."

★ ★ ★

Missing from this year's crew is Stan Noskin, who did most of the passing in the Wolverine Wing-T in 1959.

On the basis of experience alone, the top candidate to replace him is John Stamos, 20-year-old Chicago junior. He played 118 minutes last year, more than any other returning signal-caller, but most of it was on defense.

The man who could emerge as the answer to Elliott's number one problem is Dave Glinka, a Toledo, Ohio, sophomore with an excellent throwing arm. But he and two others, Don Hannah, a Gary, Ind., senior and Robert Chandler, a tall sophomore from LaGrange, Ill., are short on experience.

★ ★ ★

Elliott figures Michigan to be strongest at the ends, where a veteran crew is headed by Robert Johnson, 22-year-old Chicago senior who led the team in 1959 with 20 receptions good for 264 yards.

Michigan received its first bad news today on the eve of the opening of fall practice.

Ken Mike, 190-pound sophomore halfback from Redford, was told by doctors that he will be unable to play because of a knee injury suffered playing tennis during the summer.

Mike was a standout on last year's freshman team and was being counted upon to strengthen the Wolverine backfield.

Duffy Thinks His Gridders a Year Away

78 Spartans to Report for Opening Practice Thursday Morning

NEW YORK (UPI) The Michigan State University football squad is headed for the 1960 Big Ten championship, a prediction by a National Magazine said today.

The forecast said the Michigan State Spartans would nose out Iowa and Illinois for the Big Ten title although MSU coach Duffy Daugherty said his team is still a year away from the title.

Daugherty and his 78 prospects for the 1960-61 season open practice Thursday morning.

The coach's prediction about his team's chances this year stemmed from the fact that he expected 42 sophomores, 26 juniors and only 10 seniors among the squad reporting for twice-a-day drills.

★ ★ ★

Michigan State was ranked fifth nationally behind top-rated Syracuse, Mississippi, Texas and Washington. It was the only Big Ten team in the first 10 of the national rating.

The prediction set the University of Michigan in seventh place in the Big Ten, behind arch-rival MSU, a toss-up between Iowa and Illinois for second spot, Ohio State, Minnesota, Northwestern and Purdue.

The forecast said Michigan State would win all except one of its nine scheduled games. The loss was anticipated in the Iowa game Oct. 8 at East Lansing, Mich.

The Titans from the University of Detroit were ranked among the top four Midwest independents in the ratings. Others were Notre Dame, Marquette and Dayton.

Fred Raney, 6-foot-6 Washington junior oarsman, is the son of Bud Raney, former Columbia crew coach.

From The PRESS BOX

Chuck Oertel of Pontiac has been an amazing pinch-hitter in the Pacific Coast League. He recently won a game in the 9th with a bases-loaded single to raise his pinch-swinging mark to 364.

★ ★ ★

Bowlers are needed for the Pontiac Housewives League which will be staged each Thursday at 10 a.m. starting Sept. 8 at Pontiac Recreation. Call Marge Newby at FE 2-8071 for more information.

★ ★ ★

Cassius Clay of Louisville, Ky., considered America's top hope for a gold medal in boxing at the Olympics, scored a 4TKO Tuesday as three more Americans advanced to the tourney's third round. Willie McClure of Toledo and Harry Campbell of San Jose State also won.

★ ★ ★

The October pro basketball exhibition matching the Detroit Pistons and New York's Knickerbockers has been switched from the Pontiac Central gym to Pontiac Northern due to the new school's greater seating capacity.

★ ★ ★

Due to a delay in the construction of a plastic jump, a big ski jumping meet scheduled for Pontiac Township on Labor Day has been cancelled. The opening event is now planned for Jan. 22, 1961.

19 Trotters Go Today in Rich Hambletonian

DUQUOIN, Ill. (AP)—Nineteen of the world's fastest 3-year-old trotters, with Uncle Sam and Elaine Rodney the favorites, awaited the bugle call for today's running of the $144,580 Hambletonian—richest harness race in history.

Hot and humid was the race day forecast.

The field of four fillies and 15 colts was spotted with strong contenders for the record Winner's purse of $85,019 in this 35th renewal of the sulky classic—the Kentucky Derby of harness racing.

Nice Going, Sarge!

LOS ANGELES (UPI) — Undersheriff Sgt. Bobby Brown, 145, Los Angeles, made his first local bout a pleasant one last night, scoring a unanimous 10-round decision over Irish Billy Collins, 145½, Detroit, at the Olympic Auditorium.

'Bobo' Meets Jones in TV 10-Rounder

CHICAGO (AP) — Carl (Bobo) Olson, former middleweight champ turned light-heavyweight, clashes with undefeated Doug Jones in a 10-round bout in Chicago Stadium tonight.

This will be the first time Olson has appeared in Chicago since he lost his title here to Sugar Ray Robinson in 1955. Robinson knocked him out in the fourth round.

Laver Rated Biggest Threat

Fraser's Title Hope Dim

NEW YORK (AP)—Can Neale Fraser repeat as U.S. national singles tennis champion?

Most of the players—the top ones—in the tournament which opens Friday in Forest Hills privately think Fraser is a sitting duck.

"He could win it," said Adrian Quist, manager of the touring Australian team, today. "But Rod Laver has been playing awfully well."

Hardly an expression of confidence in Fraser, who last year not only won the U.S. title, but won two singles and shared in the doubles in leading Australia to victory over the Americans in the Davis Cup Challenge Round.

Since then, though, Fraser has been anything but impressive. He lost the Australian title to Laver, failed to come through at Wimbledon.

"And," pointed out ex-U.S. Davis Cup captain Bill Talbert, "he has been playing on clay instead of grass."

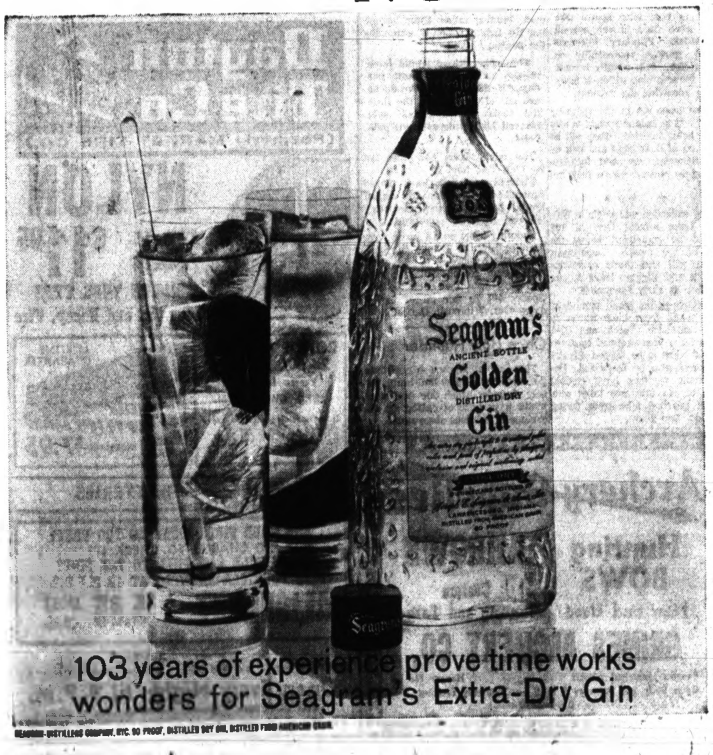

Fraser and Roy Emerson won the U.S. doubles title last week and it could be that Fraser is pulling his game up to a peak for the nationals.

The seedings were released Tuesday and Fraser, on the strength of being defending champion, was ranked No. 1. Laver, a red-haired southpaw who has won all four major U.S. grass court tournaments this season, was ranked No. 2.

Defending champion Maria Esther Bueno of Brazil is seeded No. 1 in the women's division, followed by Ann Haydon and Christine Truman of Britain.

Summer's Biggest Pike Grabs Press Derby Top

By The Press Outdoor Editor

With only five more days to go, Oakland County bass, pike and bluegill fishermen will have to hustle to get their big entries in the 1960 Pontiac Press "Big Fish Derby."

★ ★ ★

Hopeful anglers face a very tough job in their efforts to displace current leaders. But it can be accomplished. It has happened before in this venerable "derby", where a last-week, or a last-day, entry has taken the big prize.

After nearly a month at top of the northern pike division, a 8-pound, 3-ounce entry has been tumbled out of competition. The new leader is more than four pounds heavier, at 12-pounds, 6-ounces.

★ ★ ★

GIVES CAPTOR 20-MINUTE BATTLE

Daryl Larrance, 6067 Northrup, Pontiac (Waterford), an avid follower of Izaak Walton, who has taken some big ones this season, landed the current pike leader, oh a lake near Holly. Daryl and his pal, Pete Fleming, 278 Judson, Pontiac, were still-fishing, with minnow lures, when the lunker smashed Larrance's bait.

★ ★ ★

The fish was subdued after a 20-minute battle. It is the largest pike of the season reported for area waters. It is also the heftiest fish Larrance has captured. Two years ago, on Lake St. Clair, he lost a battle with a big muskie. Sunday, when he took his entry, he had already boated a 11-pound specimen. Last Saturday he landed a 9½-pounder.

★ ★ ★

Other current leaders are: bass, 7-pounds 12-ounces, taken July 12, by Robert Yonce, Pontiac; bluegill, one-pound, 5-ounces, taken by Dick Blom, Holly, June 21.

★ ★ ★

Derby closes Labor Day, Sept. 5, and final entry date is noon, Sept. 7. None will be accepted after the deadline. Only full-time county residents are eligible. Prizes are $50 U.S. Savings Bonds, one for heaviest fish in each division.

★ ★ ★

Robert Fay, Detroiter who spends a lot of summertime at his cottage 2516 Desmond, Walled Lake, likes to fish. A few days ago, flipping his 4-pound test line and small lure on a spinrig, near the shoreline at Williams Lake, he hooked himself into a hot piscatorial scrap. The 21-inch, 4-pound, 11-ounce largemouth bass "gave me a fine battle" Fay said.

★ ★ ★

Note to Horace Cohn, Orionville druggist: The wildfowl hunting directory you mentioned may be secured, on application from the publishers, The National Directory of Shooting Preserves, Sportsmen's Service Bureau, 250 E. 43rd street, New York 17, N.Y. Crammed with details of preserve shooting.

★ ★ ★

A friend of many years, a shipmate in World War I, an athlete, musician, veteran conservationist (active in MUCC many years) were facets of Lester R. (Les) Null's active and rewarding life. Les, former Benton Harbor boy, died during the late summer. He was from a musical family, including a brother Fred and his parents, Henry and Emma Null.

★ ★ ★

GETTING SET FOR A COLD WINTER

Like many other members of Michigan's wildlife family, the cheeky little chipmunk (see photo) is busy gathering stocks of food for the winter months ahead. His cheeks are jammed with nuts, berries and other foods, and he's fat as butter. The cheek pouches are great aids to hauling the food supplies to the underground storehouse. This little, striped, member of the squirrel family is a lively part of the outdoor picture in Michigan. Conservation department cameraman Bob Harrington made the appealing photo.

CHEEKY CHIPMUNK

★ ★ ★

Conservation department warnings concerning "get-rich-quick" nutria breeding stock sales, appear fully justified in the light of a recent U.S. indictment of a California corporation. The outfit was accused of fraudulent use of the mails in selling stock.

★ ★ ★

State men claim the market for wild nutria is just about nil in the United States. Michigan has favored a quarantine on the South American animal and says there are no known wild nutria colonies in Michigan.

★ ★ ★

GAME HAVEN PRESERVE ON ANNUAL BASIS

This observer pointed out several weeks ago that at least one area game preserve was moving into the "club bracket." That is now accomplished with announcement this week by Frank Babcock of Lapeer. Babcock operates the Game Haven Shooting Preserve on Morris road.

★ ★ ★

The change in status is effective with start of the state preserve shooting season, Sept. 15 and ending March 31, 1961. This fall's shooting will be on an annual plan only.

★ ★ ★

Fees, Babcock reports, will be $150 for the first five pheasants released and $5.50 for each additional bird with a minimum of four birds released per shooter. Mallards will cost $5 per duck. Members of the subscribers families are included in this plan.

★ ★ ★

There are 450 acres of top cover for pheasants at Game Haven, and pass shooting for mallards. The ducks are now flying over the trees, and within two weeks should be fast, strong flyers. Game Haven hunters also have unlimited use of facilities at Preston Mann's Metamora Shoot at Dryden.

Pontiac Press Photo

BIG LEADER — Here's the big leader in The Press "Big Fish Derby" as of the moment, a really big northern pike that took over at 12-pounds, 6-ounces. The fish was taken by Daryl Larrance, 6067 Northrup, after a 20-minute battle. The "derby" concludes Monday, Sept. 5, with final date for entries at noon, Sept. 7. Displaying the lunker is Pete Fleming, Larrance's fishing pal, who stood-in for the lucky angler, who couldn't make the picture date.

Action Pending on Three Areas

More National Parks for Michigan

LANSING (UPI) — Fourteen years ago Michigan increased its contribution to the national park system when the last bit of primitive north woods in the state — Isle Royale — was dedicated as part of the system.

This year the federal government is considering adding three shoreline tourist attractions to the jurisdiction of the National Park Service. The recommendation to change the status of the Huron Mountains, Sleeping Bear Sand Dunes and Pictured Rocks was made last year but action is still pending.

The change of jurisdiction, as in the case of many other changes, is a slow process.

It took more than 25 years of urging by the state Isle Royale National Park Commission to accomplish federal adoption of the isolated island on Lake Superior.

The lore of Isle Royale predates written history. It was believed to have been visited by some of Champlain's men early in the 1620's but it was first mentioned in the earliest histories of Canada, about 1660.

The 200-square mile island never quite caught up with civilization after copper mining and fur trading proved unprofitable.

The trickle of summer visitors from Copper Harbor to the island 50 miles away started as early as the 1890's. Since 1946 when the federal government took over the administration of the island and its some 200 satellite islands, it has become one of the nation's most prized and frequented possessions.

The three park areas now being considered for administration by the national system are not quite as primitive as Isle Royale. There aren't many areas in the country left in as natural a state.

All three have been decidedly more popular in recent years than Isle Royale was when it was established as a national park in 1946.

Better Year for Hunters

LANSING (AP)—Michigan pheasant hunters can look forward to a better season this year than last—a disappointment in nearly every area.

State conservation men report that hunters should take home more than one million birds in the 22 day season starting Oct. 20. That's the average for the 23 years that records have been kept and close to 100,000 more than last year.

The forecast is based on a mid-summer survey by rural mail carriers, which has proved a remarkably accurate guide for measuring the expected fall kill.

★ ★

Brood sightings per 10 carrier days still are slightly under the five year average in all but Southeastern Michigan counties, where a six per cent increase was reported.

The carriers spotted about 12 broods per 10 days in the Thumb district, the state's lushest pheasant hunting grounds. That's about a 25 per cent jump from last year and three per cent below the five-year average.

Ringneck production apparently jumped 23 per cent in Ottawa, Allegan, and Muskegon counties, 20 per cent in central Michigan and nine per cent in southeastern Michigan.

The count dipped 13 per cent in southwestern counties and 40 per cent in Gladwin, Mecosta, Lake, Newaygo and Oceana counties, but the latter area is of little importance to pheasant hunters.

Brood sizes averaged six chicks, the pattern for the past 10 years.

Kennel Club Outing Set for Sept. 17

Arrangements have been completed for the annual outing for members and guests of Oakland County Kennel Club. The picnic is scheduled for Saturday, Sept. 17. It will be held at the home of Gordon Parham, 7372 Salem Road at Salem.

Trout Get Pituitary Extracts

State Hopes to Step Up Production of Eggs

LANSING—Hypodermic needles and pituitary extracts figure in the Conservation Department's plans for collecting lake trout eggs from several Northern Michigan inland lakes this fall.

By injecting "green" lake trout with pituitary extracts from carp, department fisheries men hope to hike their spawn take and save time in the over-all operation. Pituitary injections have worked successfully on other fish. Fish usually become ripe for spawning within 24 hours after receiving the extracts.

Lake trout not in the spawning stage will be held overnight in nets after being injected. They will be stripped of their eggs and milt on the following day and then returned to waters where they are taken.

★ ★ ★

Egg collection will begin in Walloon Lake around Oct. 15 and should be completed before the end of the month. Department crews will shift their operations to Elk and Higgins lakes in late October or early November.

Because of the small number of eggs taken from their waters in 1958 and 1959, Torch and Glen lakes have been dropped from the list of lakes to be tapped. Crystal lake will also be by-passed. Department workers have stocked each of the first two lakes with 20,000 yearling lake trout during the last two years.

Federal Options Basis for State Waterfowl Bags

In setting Michigan's 1960 hunting regulations, the Conservation Commission has selected maximum bag limits offered on ducks, geese, and coots by federal options.

A daily bag limit of four and a possession limit of eight will be in effect during the state's 40-day duck season set for October 7-November 15. Hunters may have one wood duck and one hooded merganser in the bag and in possession.

In addition, bag limits on American and red-breasted mergansers will again be five per day and 10 in possession, singly or combined.

★ ★ ★

Last year's bag and possession limits of five will apply during Michigan's 70-day goose season to run from October 7 through December 15. Not more than two Canada geese, or two white-fronted geese, or one of each will be allowed under this limit.

★ ★ ★

Coot bag limits will be six and twelve and the season will run concurrently with the duck season.

★ ★ ★

Shooting hours on all migratory birds will be lengthened, running from one-half hour before sunrise to sunset, except in Wildfowl and Sebewaing bays where hunting will be illegal after 4 p.m. Seasons on ducks, geese, coots, gallinules, rails, and jacksnipe will be open at noon, October 7.

Cut Proposed in Trout Lakes

Fishing Rule Changes Recommended by State Experts

LANSING (AP) — Nine lakes will be added to the list of those closed to fishing except during the trout season if the conservation commission approves recommendations of state fish experts.

The commission also will be asked to remove 10 lakes from the specially designated category at its Sept. 8-9 meeting at Higgins Lake. Approval would drop the number of trout lakes to 127.

In many of the lakes, use of minnows for bait will be prohibited.

Lakes added to the category would include Lost Lake, Barage County; Howes Lake, Crawford County; Grass, Hilltop and Orchard Lakes, Gogebic counties; Bass and Lake-On-Three Lakes, Houghton County; Benny Lake, Luce County and Crescent Lake, Schoolcraft County.

Lakes set for removal are: Louis Lake, On The Hill, Trout and Wallington lakes, Gogebic County; Bailey's Pond, Keweenaw County; Davis Lake, Leelanau County; Clear Lake, Montmorency County, and Pickerel Lake, Otsego County.

Another recommendation would prohibit use of spears or bow and arrow on the inland waters of Bay County from April 1-15 for the next two years. The regulation would protect northern pike.

A number of other changes in fishing rules were also proposed, mostly affecting northern waters.

Tips for Labor Day Fishermen

Anglers with Labor Day (Monday, Sept. 5) weekend fishing plans would do well to remember these 10 tackle box tips suggested by angling expert Dick Wolff, of The Garcia Corporation.

"Time and tempers will be saved and more fish caught if September anglers take a minute to count down their tackle box equipment. Aside from being one of the most scenic months, September provides some of the best fishing of the year," Wolff says.

Besides general gear, he suggested anglers remember to pack:

★

1. Extra surface plugs—cooling waters bring fish to the top.
2. A flashlight—shorter days suggest extra precautions for lake fishermen.

★ ★ ★

3. A vacuum bottle—hot soup on cold, rainy September days can be a lifesaver.
4. A water repellent jacket.

★ ★ ★

5. Long-nosed pliers with a side cutter for dislodging hooks from fish and as a first aid measure.
6. 100 yards of extra monofilament.

★ ★ ★

7. Lubricant for reels and ferrules.
8. A hook hone.

★ ★ ★

9. A landing net—test net by lifting a 5-lb. box of sugar.
10. A fish stringer—for the optimists.

★ ★ ★

As an added precaution and convenience, he suggested taking a foam rubber pad for use as a seat cushion or an emergency bailing sponge.

Perfect Score Wins Trap Title

Bill Harrington Hits 25x25 to Retain His GMC League Crown

When a shotgunner breaks 25 straight, on a trap-shooting range, that's perfect markmanship. But that "perfect" round was particularly timely and important to Bill Harrington, defending champion of the General Motors Coach & Truck Co. trap league during recent title shootoffs.

★

Bill, captain of the Grand American team was forced to break 25 straight to edge Harold Welch by a single target, 201-200. The high-over-all title is Harrington's 2nd in a row. The overall plant championship shoot takes place Sept. 15.

Close to the leaders was M. H. Ott with 198. More than 100 gunners took part in league shooting this season.

'Any Deer' Cards Available Shortly

LANSING—Application cards for 1960 "any deer" permits will be in the hands of Michigan license dealers sometime early in September the Conservation Department reports.

Applications must be postmarked by midnight, October 10, and mailed to the Department's Lansing office. Although the card has been changed to aid law enforcement, steps in applying for permits will be the same as last year.

Retain Metro Programs Over Labor Day Holiday

Facilities included as part of the 1960 night program will remain in effect at Metropolitan Beach on Lake St. Clair near Mt. Clemens through Labor Day (Monday, Sept. 5).

Three dance events are also offered for the Labor Day week-end: Friday, Sept. 2 — Record Hop Night with Paul Carnegie, disc jockey from radio station WBRB in Mt. Clemens, 8:30 p.m.-11 p.m.

Saturday, Sept. 3 — "Dancing under the Stars" from 8:30 p.m. to 12 midnight.

Monday, Sept. 5 — "Dancing under the Stars" will conclude the 1960 summer season, 8:30 p.m. to 12 midnight.

All dance events are held at the open-air dance pavilion and there is no charge except for the usual 50-cent parking fee per car.

Facilities open to 11 p.m. daily through Labor Day include the outdoor roller skating rink, shuffleboard courts, the 14-target archery range, the games area with basketball, volleyball, horseshoes, dance area, food bar, boardwalk and marina.

The water ski school is open from 9 a.m. to 5:30 p.m. daily through the Labor Day week-end.

Other facilities include swimming in Lake St. Clair, the 6,000 locker modern bath house, 18-hole "Par 3" golf course, Tot Lot, tennis courts and boat launching site (all close at dusk).

Duck Hunting Season Same

Michigan Sticks With 40 Days Rather Than 10-Day Extension

LANSING (AP) — Michigan duck hunters will have the same seasons and general bag limits this fall as in 1959, the state conservation department has announced.

The conservation commission will stick to a 40-day season for duck hunting rather than accepting the federal option of extending the season 10 days.

The longer season would have meant a lower bag limit per day. "Besides, most of the ducks are out of the state by the time the 40-day season ends," said Russell McKee, department publicist.

The duck season has been set for Oct. 7 to Nov. 15.

Federal regulations have placed canvasbacks and redheads on off limits, because of their seriously lowered wintering populations.

Shooting hours on all birds have been extended to include the half-hour before sunrise.

The coot season will run concurrently with the duck season. Geese will be fair game for 70 days—Oct. 7 through Dec. 15.

Once Holy Flounder

The halibut is none other than the medieval English hail-butte, the holy flounder which our ancesters made a practice of eating on occasions of religious observance.

COPE, of AFL-CIO, Politically Powerful

By LYLE C. WILSON

WASHINGTON (UPI) — The AFL-CIO endorsement of the Kennedy-Johnson presidential ticket represents a massive commitment of men, women and money to the Democratic cause.

This massive commitment could make for Sen. John F. Kennedy and Sen. Lyndon B. Johnson the margin of difference between victory and defeat on Nov. 8.

The men and women thus committed are not mere voters ordered by platoons, regiments and brigades to the polls to cast their ballots for the choices of labor leaders.

These men and women are more important than mere voters. They are campaign workers at the precinct level and higher. These workers are organized and largely financed by COPE, the AFL-CIO Committee on Political Education.

How COPE functions and with what results was well illustrated a few weeks ago when labor used its muscle to renominate Sen. Estes Kefauver, D-Tenn., in an angry primary.

Kefauver's opponent was Circuit Judge Andrew T. Taylor. Taylor entered the campaign on even terms or, perhaps, with some advantage. Kefauver overwhelmed him.

* * *

Gene Kelly, writing from Nashville, Tenn., for the AFL-CIO News, reported on the methods which obtained Kefauver's triumph. Taylor in 1958 had made a strong race for governor. Kelly wrote:

"Labor precincts in Chattanooga and Memphis voted for Taylor in 1958 and against him in 1960. What happened?

"COPE made 60,000 telephone calls, mailed 300,000 copies of Kefauver campaign material, distributed 160,000 leaflets and handbills, set up central files with the names of 65,000 Union members, got many of them registered and helped turn out the vote.

* * *

"The job was started in May of 1959, when the executive committee of the State AFL-CIO endorsed a broad education and registration program. It was agreed that full time COPE people would be assigned to four major cities, and that central card files would be set up in each. The card file was the key. Without it, there would have been no checking of union registration, no extensive mailings, no telephone campaign. It (the card file) kept 200 members of the COPE Women's Activities Division, (WAD) and some men, busy for weeks.

"In Nashville, WAD members typed 15,000 names on cards, checked with them with the city directory, telephone book and voter lists. A COPE precinct organization was set up. Lists of non-registered voters were sent to precinct captains and a registration drive conducted.

"In Chatanooga, the WAD produced a card file of 10,000 names. Fifty women volunteers addressed 60,000 mailings, made 15,000 phone calls on election day, loaned their services, also, to Volunteers for Kefauver."

Kelly ended his piece with a quote from a COPE report:

"The Tennessee campaign was a clear example of what COPE can achieve."

There is no doubt about that. Not much doubt, either, that COPE could elect the Kennedy-Johnson ticket if it goes all out nationally now as it did statewide for Kefauver.

Republican strategists must answer this question: How can we match massive political operations of big labor's men, women and money?

Break in Phone Call Brings Police Check

MILWAUKEE (AP)—A woman telephoned police that she feared a friend with whom she has been talking on the telephone had collapsed. She asked that a squad car be sent to investigate.

When officers arrived they found the woman talking again on the telephone.

Her explanation: She suddenly remembered she had forgotten to turn off her washing machine, and in the midst of her conversation had dropped the telephone and ran to the basement.

According to one estimate, more than 100 companies make fluids and gadgets to assist a backyard chef in lighting a charcoal fire.

Coventry Cathedral Gets Drama Head

COVENTRY, England (UPI)—Coventry Cathedral, a Church of England archbishopric, has appointed a full-time drama director.

* * *

Raymond Cox, who will occupy the post, plans to stage his first production at Christmas. His work will cover all aspects of church drama, from poetry readings to major productions.

* * *

Cox, a graduate of the Royal Academy of Dramatic Art, also will present short plays in the cathedral's great porch for lunch-time audiences and will commission plays for special festivals.

The ionosphere, which reflects radio waves back to earth, varies in height at different seasons.

Honor Early Graduate in College Rebuilding

CLINTON, N.Y. (UPI)—Hamilton College has received $300,000 to renovate a 146-year-old dormitory.

The grant, by Mrs. Alfred S. V. Carpenter, of Medford, Ore., and her sister, Mrs. John McC. Scott of Pasadena, Calif., was in honor of their father, Harlow E. Bundy, who lived in the building before his graduation in 1877.

Queen's Ball to Kick Off Romeo Festival Friday

TENSE MOMENT — Rehearsing a gripping scene for the Romeo Players' forthcoming production of "Fumed Oak" by Noel Coward are the four members of the cast. They are, from left, William Jackson, Mrs. Gordon F. Wilkinson, Mrs. Andrew Downey and Martha Newlin. Directed by J. Gerald McLean, the play will be presented during the Romeo Peach Festival Saturday evening at the junior high school. The Avon and Clawson players also will participate in the Theater Night program.

Pontiac Press Photo

Annual Event Features Parades, Dances, Plays

ROMEO — Colorful parades, dances, plays and an impressive coronation ceremony will be features of Romeo's 28th annual Peach Festival celebration this weekend.

The three-day program officially opens Friday night with the Queen's Ball at the Romeo Community Youth and Civic Center.

The dance begins at 9 p.m. and leading the grand march will be the 1960 Romeo Peach Queen, Jo Ellen Schafer, 17, of Rochester and her escort.

They will be followed by the queen's two maids of honor, Barbara Coe, 19, of Waterford Township, and Barbara Witzke, 17, of Utica, the other eight members of the court and their dates.

The carnival opens at noon Saturday at the Lions Community Field. free variety acts will be staged on the reviewing stand at 7 p.m.

* * *

Highlight of the first full day's program will be the presentation of three one-act plays in the Romeo Junior High School auditorium Saturday evening.

Participating will be the Avon, Clawson and Romeo players. Curtain time is 8:15 p.m.

Homecoming and special services will be held in local church Sunday morning. At 2 p.m. the free acts will be staged again at the Lions Field.

WATER FIGHT NEW

A new attraction this year will be a water battle between the Romeo, Washington and Oxford fire departments on W. St. Clair street. It will start at 3 p.m.

Beauty and pageantry will mark the coronation of the queen in Romeo's Memorial Stadium on Morton street Sunday evening.

Close to 1,000 spectators are expected to witness the ceremony, beginning at 8 p.m. Also taking part will be some 22 local youngsters, who will serve as attendants to the queen and her court.

* * *

U. S. Rep. James G. O'Hara, D-Macomb, will preside at the crowning. He will be introduced by Emcee Gary Corbin, local attorney.

Monday will be parade day in Romeo. The Children's Parade is slated for 10 a.m. and the giant Floral Parade at 2 p.m.

Some 30,000 visitors traditionally jam the roads to Romeo to be on hand for the afternoon parade, which promises to be "bigger and better than ever," according to Al Falk, parade chairman.

* * *

Included in the line of march will be some 30 gaily decorated floats, a number of beauty queens from both Macomb and Oakland counties, some 10 high school bands and marching units from all over Southern Michigan.

All three days there will be exhibits and displays open in business places in the heart of town, and churches and local organizations will be serving light refreshments.

The final event of the annual celebration will be a spectacular fireworks display at the Lions Field at 9:30 p.m. on Labor Day.

Suspect Arson as Flare Is Found

$20,000 Fire Guts Oxford Bar

By DON FERMOYLE

OXFORD — Arson is suspected as the cause of a $20,000 fire which gutted the interior of Jim's Bar at 13 S. Washington St. here early today.

No one was reported injured in the blaze. But three families, including a one-year-old boy, were evacuated from upstairs apartments by firemen.

The fire department arrived at the scene shortly before 4 a.m. to find the back of the building in flames. They fought the blaze for two hours.

An extra truck was called from the Lake Orion Fire Department with equipment to help remove smoke from the building.

The blaze was brought under control before it could spread to two adjoining businesses, the H. A. Fritz realty office and the Grove Dime Store.

Mr. and Mrs. William Perry, an elderly couple who live directly above the bar, were roused from sleep and taken from their smoke-filled apartment.

Also evacuated were Mr. and Mrs. Alton Smith and Mr. and Mrs. Martin Barr and their one-year-old son. The two families also lived upstairs.

Patrolman Ray Johns reported the fire at 3:48 a.m. while he was making his rounds on Washington Street.

The owner, Leo Reddy of 530 Indianwood Road, Lake Orion, told police that everything was all right when the bar was closed at 3 a.m.

Oxford Fire Chief Ellsworth Sage reported that a street flare was found at the rear door after the blaze was put out.

Workers from a village public works crew said that an oil-burning flare, which had been left across the street from the bar yesterday, was missing today.

Investigation of the arson motive is being continued, Sage said.

Sage estimated the damage to the building and bar equipment.

To Pave Way for Interceptor

Talks Slated on Drain

SOUTHFIELD—Negotiations now are under way between a 3-man committee, appointed by the City Council Monday night, and Detroit to pave the way for construction of the Eight Mile storm drain.

This would put into operation the completed Evergreen Interceptor, city officials said today.

Upon the recommendation of Mayor L. Swanson, the Council appointed City Administrator Robert J. McNutt, Council President C. Hugh Dohany and city attorney James C. Allen to work out an agreement on the storm drain.

They also will try to arrange to have Detroit accept and treat sewage from the $7-million Evergreen Interceptor.

Swanson pointed out that Detroit may share in the cost of drains from Oak Park and Southfield. These would catch storm water running over Eight Mile Road from Oak Park and Southfield and flooding basements in Detroit.

Swanson added that Glenn C. Richards, Detroit Department of Public Works director, told him and Allen Monday afternoon that he would recommend to Detroit's City Council that it approve paying a share of the cost of the proposed drain.

"I consider this offer a major breakthrough on the Eight Mile project because this is the first time Detroit has ever indicated it has responsibility in financing the cost of such a drain," said Swanson.

ELIZABETH ANN PENCE

Mr. and Mrs. Ira W. Pence of 9260 Ortonville Road, Independence Township, announce the engagement of their daughter Elizabeth Ann to Boyce Landon, son of Mr. and Mrs. John B. Landon of 7405 Bridge Lake Road, Independence Township. No wedding date has been set.

Area Exhibitors Ready for State Fair Showing

Over 135 Oakland County exhibitors will enter the 111th annual Michigan State Fair which gets under way following a giant hour-long parade tomorrow night.

Starting at 8 p.m. in downtown Detroit, the parade will move toward the fairgrounds where Gov. G. Mennen Williams will preside at traditional ribbon-cutting ceremonies.

A free band concert, grandstand show and crowning of Mrs. Michigan State Fair will be presented at 9:30 p.m.

A record-breaking crowd of 650,000 is expected for the fair's 10-day run by Donald L. Swanson, State Fair general manager and Southfield mayor.

"With a break in the weather, we should exceed all other years," Swanson predicted. The attendance mark of 821,666 was set in 1956.

A good share of Swanson's optimism is based on the fact that the opening parade, formerly held at noon Friday, is scheduled one night earlier than usual this year.

This will allow the turnstiles to start clicking at 8:30 a.m. Friday when exhibit buildings will be opened.

Friday has been designated as Children's Day with Saturday set aside as Veteran's Day.

The Rt. Rev. James A. Pike, bishop of the Episcopal Diocese of California, will deliver the 8 a.m. sermon at the 10th annual sunrise service Sunday.

The title of Miss Michigan State Fair will be bestowed by Gov. Williams next Wednesday.

Competing will be Romeo Peach Queen Jo Ellen Schafer, 17, of Rochester; Michigan Hothouse Rhubarb Queen Patricia Leidholdt, 17, of Utica; Barbara Coe, 19, Miss Waterford Township and other area title-holders.

Next week's highlights also include a 250-mile stock car race, fireworks displays, and a stage show headlined by singing star Pat Boone.

Days also have been set aside to honor labor organizations, fraternal clubs, agriculture and senior citizens.

Chipman-Moskow Wedding

Give Promises in Utica

ROMEO — **The First Baptist Church here was the setting for the recent wedding of Barbara Lynne Moskow and Clark Evans Chipman who repeated their vows before the Rev. Ralph D. Rhodes of Utica.**

The bride is the daughter of Mr. and Mrs. Arthur Moskow of 132 Sisson St. The bridegroom's parents are the Hobart A. Chipmans of Battle Creek.

For her wedding the bride chose a white Chantilly lace gown fashioned with a bateau neckline, long sleeves and a full skirt with pointed pearls mounted on soft tulle.

Her illusion veil was fingertip length, and she carried a bouquet of glamellias atop a white Bible.

Janet Jacob was matron of honor. Bridesmaids were Victoria Chipman of Battle Creek, sister of the bridegroom, and M. Diane Dorland of Albion.

Assisting his brother as best man was John Chipman of Milwaukee. Seating the guests were Murray Renfrew of Huntington Woods, Edward Scheidler of Pontiac, William E. Cooper of Ann Arbor and Charles Sprandel of Albion.

Sally Perry was flower girl, and John Sieweke carried the rings.

The Moskows' summer home on Cusic Lake was the scene of the lawn reception that followed the rite. The newlyweds then left on a honeymoon trip to Northern Michigan.

They will live in student housing on the campus of Albion College.

MRS. CLARK E. CHIPMAN

Opening Delayed for Union Lake Primary School

Students who will attend Union Lake Elementary School in the Walled Lake District do not have to return to classes until Sept. 12, two days later than originally scheduled, it was announced today.

* * *

The delay in beginning regular classes, according to school principal Robert Godsey, is caused by unfinished work in constructing eight new classrooms and remodeling within the building.

Classes had been planned to start Sept. 8 and 9, he said.

Cave-In Victim in Fair Shape

Sand Wall Gave Way Trapping Man for 15 Minutes at Troy

TROY — Frantic rescue efforts by fellow workers saved a 30-year old Detroit man who was trapped for 15 minutes in a cave-in here yesterday.

* * *

The victim, Woodrow Williams, an employe of the Motor City Excavating Co. of East Detroit, was feared to have suffered a crushed chest, according to police.

Nurses at St. Joseph Mercy Hospital said Williams was in fair condition today.

Williams was working in a 14-foot ditch on Lanergan Street near Adams Road when a wall of sand gave way, burying him chest deep.

While two men supported another wall that threatened to collapse, Williams' fellow workers hurriedly dug him out. He was rushed to the hospital by Troy police.

* * *

The men were installing a water pipe line in the ditch where the accident occurred.

Clifford School Adds Teacher for Fall Term

CLIFFORD — Mrs. Clara Gyomory of North Branch has been added to the faculty at Clifford School which opens for the year at 9 a.m. Tuesday.

Others on the staff are Clifford Lamie of Marlette and Burniece Moore of North Branch. Clifford resident James Teague is caretaker.

Pontiac Twp. Sets Registration Hours

PONTIAC TOWNSHIP — A special time schedule has been established for voters here who wish to register for the Nov. 8 election, according to Township Clerk Greta V. Block.

The township hall at 2060 Opdyke Road will be open from 9 a.m. to 8 p.m. on Mondays and from 9 a.m. to 5 p.m. on other weekdays.

In addition to these hours, Mrs. Block will accept registrations at her home, 734 S. Squirrel Road, until 9:30 p.m. daily, she said today.

Armada Wife Stabs Husband With Glass

ROMEO — An Armada Township man was stabbed in the chest by his wife with a piece of broken glass here yesterday afternoon when he attacked her with a board.

* * *

In Community Hospital near Almont for observation were Oscar Murdock, 61, and his wife, Katherine, 46, of 73855 Coon Creek Road.

The family fight began behind the Thrift Shop, 218 N. Main St. When Murdock came at his wife with a board.

His wife picked up the glass and stabbed her husband in the chest, puncturing his lung, Romeo police reported.

* * *

Mrs. Murdock suffered a slight concussion from the attack.

Both state and local police have records of trouble between the pair.

Luncheon to Welcome Baldwin School Faculty

ROCHESTER — A welcoming luncheon for Baldwin Elementary School employes and faculty members will be held at 1 p.m. Friday at Goodison Methodist Church.

The luncheon is sponsored by the executive board of the Baldwin PTA.

HOLLYWOOD REVISITED — Actress Gene Tierney enters a Hollywood studio where she is making a television film, her first acting effort in several years.

Wants a Child, Says Eartha Kitt on London Trip

LONDON (AP)—Eartha Kitt, in London for a two-month cabaret engagement, wants to become a mother.

The Negro singer arrived in Britain Tuesday with her white husband, California real estate man William McDonald.

★ ★ ★

She told a reporter: "My greatest wish is for us to have something I never had myself—a family life of our own.

★ ★ ★

"I've arranged for a play I'm to appear in on Broadway to be put back a year until next September so that I can have a baby."

"We'd like two or three," chimed in her husband.

To Black Broadway Out for Hammerstein

NEW YORK (AP) — Broadway will be blacked out for one minute Thursday at 9 p. m. in memory of famed lyricist Oscar Hammerstein II. Mayor Robert F. Wagner announced today.

Theaters, hotels, restaurants, motion picture houses, owners of display signs, and stores will cooperate. Traffic will be halted.

A signal fare will be set off at Duffy Square—north of Times Square — three minutes before blackout time. Taps will be played to signal the start of the blackout.

Hammerstein, 65, died of cancer a week ago Tuesday.

Call for Help in Congo

OSLO, Norway (AP)—The foreign ministers of Norway, Denmark, Finland, Sweden and Iceland called Tuesday for members of the United Nations to do their best individually to ease U.N. work in the Congo.

Anxious to Do Movie Depicting Background

Actress Dana Wynter Knows Africa

By BOB THOMAS

HOLLYWOOD (AP) — Usually when film stars talk about world problems, they speak more from emotion than knowledge. The exception is Dana Wynter, who knows the turmoil of today's Africa from having lived there.

★ ★ ★

THOMAS

The actress with the cameolike beauty was born in London and went to Southern Rhodesia at 17. Her father, Dr. Peter Wynter, took an assignment as a surgeon there, and Dana then Dartmar studied medicine at Rhodes University in South Africa for two years before returning to England to turn to an acting career.

★ ★ ★

Her father remained in Rhodesia but is now en route to Hollywood to visit his daughter and her new son. Dana is married to attorney Greg Bautzer.

★ ★ ★

"I hope to persuade my father to take a new assignment, perhaps in British Columbia," she said. "I don't think Africa is a good place for Europeans any longer. After the Africans proved in the Congo that they could put the colonists on the run, could make them flee in helicopters and airplanes, I think they will continue to drive them out."

Dana is intensely interested in the African situation and fears that most outsiders can't understand it.

★ ★ ★

"People in this country consider it in terms of relations with American Negroes," she said. "There's no similarity. Negroes here have the advantage of education. In Africa, they are still children. They don't understand what responsibility and loyalty are.

★ ★ ★

"They are learning, and some of the leaders have had good educations. But the vast majority of natives are not ready for self-government.

"I'm afraid there is going to be more and more trouble there. And the answers to the problems cannot come from the outside. They have to be found in Africa itself. Only those who live there understand what it is all about."

Dana is anxious to do a film about Africa today, and said that Leslie Stevens is writing one for her at 20th Century-Fox. She played in "Something of Value," which she felt made a good start at treating African problems, although it made some errors.

★ ★ ★

Dana is getting back in action after a year's absence from the stages; her last was "Sink the Bismark." Her studio has two other projects besides the African one, and she has two properties for her own company, including "The Seventh Veil." She plans to do it as a TV special or a movie.

Railroader, 70, Says Highways Boon to Trains

LOUISVILLE, Ky. (AP)—One way to boost railroad passenger traffic, James C. McCloy says, is to build better superhighways.

★ ★ ★

McCloy, a veteran of 52 years of railroading, says more and better highways mean more accidents. This tends to scare people off the roads and onto trains.

★ ★ ★

The 70-year-old Louisville man retires today as district passenger agent for the Louisville & Nashville Railroad.

Develops Plant Booster

MOSCOW (AP)—Tass, the Soviet news agency, reported Tuesday that a Soviet chemist has developed a new growth stimulator for plants and animals. Tass said Prof. Jebrail Guseinov treated oil waste with a solution of caustic alkali and produced a substance with properties similar to hormones and vitamins.

Focus on Health

Medical Frontiers Pushed Back

By The Associated Press

A new surgical approach to relieve a common cause of deafness in elderly folks is showing encouraging results, the U.S. Public Health Service reports.

The operation — developed by private researchers aided by government grants — involves implantation of a very thin plastic tube in the ear, to serve as a kind of channel for the passage of sound vibrations.

* * *

The method is aimed at restoring hearing in patients suffering from an ailment known as otosclerosis. That's a disorder in which the small bones of the inner ear — through which sounds are normally transmitted — become rigidly fixed in position and are no longer capable of transmitting sound vibrations.

Until about a year ago, the best surgical method for this condition involved a direct attack on the rigid structures. Government doctors say, however, that in the older type operation there's a possibility that scar tissue may once again lead to rigid fixation of these tiny bones.

* * *

In the new method, the plastic tubing is inserted in such a way as to "bypass" the rigid bones— thus serving as a channel for the transmission of the vibration directly to the sensitive internal ear.

Other news on the medical front this week ranges from a new use for boxing gloves to heart disease in animals.

KAYO FOR SCRATCHING

A Wilmington, Del., skin disease specialist reports he has found that boxing gloves offer a valuable new aid in preventing patients from scratching themselves during sleep.

Dr. Elmer R. Gross, writing in the Archives of Dermatology, says ordinary mittens and gloves — commonly used for skin-disease sufferers — can sometimes be removed by patients while they're sleeping. But boxing gloves, which are laced on at bedtime, work fine.

STAPH STOPPER

A new form of penicillin, described as "capable of destroying the resistant staphylococcus germs responsible for hospital epidemics" has been developed by the Bristol Laboratories of Syracuse, N.Y.

* * *

It's an outgrowth of the production last year of the first synthetic, or man-made, penicillin. Scientists forecast at that time that the development of synthetic penicillin would open the way to what might be termed "tailor-made" varieties — each especially designed to attack a specific disease problem. Bristol researchers etc. say their new product is an example of this concept.

COMBINATION PUNCH

The Parke, Davis & Company has announced development of a kind of double-barreled drug weapon against malaria. It's a two in-one combination of two preparations previously employed separately in the attack on the disease. One of the constituent drugs, amodiaquin, is designed to destroy the infective malarial agents in the blood; the other, called primaquine, is aimed at combatting the parasites in the tissue, and also certain other parasitic forms which, if unchecked, can transmit the disease from man back again to mosquitoes — and ultimately back to man again.

COWS AND HEART DISEASE

University of Pennsylvania veterinary researchers are studying heart disease in cows—for possible clues to the basic causes of human heart ailments.

Dr. David Detweiler, one of the probers, told a recent conference on diseases of farm animals that ordinarily "our food animals do not live long enough to die of heart disease," but that there's reason to believe that such ailments are almost as prevalent in certain animal populations as they are in man.

* * *

He says that because of the relatively short life span of animals, and because animals are not subject to the same environmental and other conditions as humans, a comparison of heart disease prevalence among various species may serve to isolate particular causative factors.

Officials Probe Death of Negro Shot in Head; 2 Attacks Reported

JACKSONVILLE, Fla. (AP)— Minor incidents plagued Jacksonville through a fourth night of racial tension.

Investigators began questioning more than half a dozen persons, including four patrolmen, after an autopsy disclosed a bullet wound in the head of Charlie Edward Davis, 27, a Negro.

Earlier it had been believed Davis was killed when his police-pursued car crashed into a utility pole.

* *

Two attacks on Negroes by white men were reported by police Tuesday night in the latest series of nightly incidents. Two white men were arrested.

A Negro postal worker on his way to work stopped a passing police cruiser and told patrolmen that two white men in a car had just threatened him with a shotgun.

* *

A short while later police booked two men on charges of disorderly conduct, displaying firearms and threatening the Negro with a deadly weapon.

In the other attack, a 35-year-old Negro told officers two unidentified white men jumped out of a car while he was walking along a street and cut him on the arm. He was released after emergency treatment.

* * *

Shots were fired into a closed liquor store in the downtown Negro section and the window was shot out of a fish market owned by a white man in another Negro section.

Sporadic reports of rock and bottle throwing at passing cars also came into headquarters. Police increased their mobile patrols. Nightly sniping and fire bombing have added tension to the simmering situation.

Two Husbands Killed at Same Intersection

TORONTO (AP) — Three years ago Alice Wilde's husband was killed when the fire truck he was driving crashed.

Monday, her second husband, also a fireman, died at the same suburban Scarborough intersection when a fire truck and a gravel truck collided.

* * *

Capt. John Wilde, 37, and fireman Joseph Kennedy, 31, were killed and two other firemen injured in Monday's crash. They were en route to a minor fire.

Alexander Budd, the Wilde's first husband, was also on the way to a minor fire when he was killed in November, 1957.

Of the 20 tallest buildings in the United States, 19 are located in New York City. The other, ranking 10th, is the 52-story, 708-foot Terminal Tower in Cleveland.

Special Stocks Swamp Market

NEW YORK (AP)—The stock market arrested an initial decline and showed a mixed pattern in moderate trading early this afternoon.

Dealings resumed in two stocks which have been swamped with orders, Telautograph and Computometer, both in tremendous demand because of their equipment for sending written messages via telephone.

Telautograph, in which trading was halted for two full days prior to an 80,000-block just before Tuesday's closing bell, was delayed again for an hour and 18 minutes after today's market opening. It finally opened at 21¾, off 2¾ on a block of 25,000 shares. It pared the loss to a fraction in later dealings.

Computometer, the most active stock Monday, could not be traded Tuesday because of a deluge of orders which exchange officials were unable to match.

In early trading, the market seemed headed for its fifth straight decline from the August top reached last week. As the session wore on, plus signs among a number of autos, aircrafts, utilities, rails, oils, nonferrous metals and selected issues helped balance gainers and losers pretty evenly. Price changes mostly ran from fractions to about a point.

Senate OKs School to Fight Communism

WASHINGTON (AP) — The Senate today passed by voice vote and sent to the House a bill to create a federal academy to teach anti-communism as a science.

The new institution would be known as the "Freedom Academy," its assigned task to develop and teach techniques for use in the Cold War, just as the service academies teach military techniques.

MARKETS

The following are top prices covering sales of locally grown produce brought to the Farmer's Market by growers and sold by them in wholesale package lots. Quotations are furnished by the Detroit Bureau of Markets, as of Tuesday.

Sheep—200; unchanged; not enough to set up quotations.

Three Warrants Out Over Jobless Pay

Warrants were issued Tuesday in Municipal Court for the arrest of three Pontiac men charged with obtaining a total of $381 from the local Michigan Employment Security Office under false pretenses.

* * *

Being sought by Pontiac police were Lee Perkins, 41, of 612 Alton St.; William Coggin, 32, of 209 Norton St.; and James Lewis, 24, of 438 Midway St.

* * *

Perkins was accused of falsely obtaining $173 as unemployment compensation, Coggin, of $120, and Lewis, $86.

Cadillac Plastic Firm Plans More Expansion

GRAND RAPIDS (AP)—Cadillac Plastic & Chemical Co. of Detroit Tuesday announced it will open a West Michigan warehouse and office Sept. 15 at Grand Rapids.

The branch will be the 17th established by Cadillac Plastic, a leader in distribution of plastic sheet rod, tube and film. The firm is a division of Dayco Corp., formerly Dayton Rubber Co., before the two firms merged in 1957. It operates facilities in nine states.

An average size tree takes in from three to five barrels of water daily during the growing season.

Prices Barely Move in Early Grain Trade

CHICAGO (AP) — Price changes in the grain futures market were small today in a mixed and moderately active trade.

* * *

During the first several minutes more than half the contracts were unchanged or within minimum fractions of previous closes.

However, most of the small changes were toward weakness with all corn a bit easier.

Wheat purchases by Italy and the United Kingdom steadied that grain somewhat. Italy was understood to have taken a million bushels and the United Kingdom about 700,000.

Grain Prices

CHICAGO, Aug. 31 (AP)—Opening grain:

Wheat		Dec	79
Dec	1.81	May	77½

Business Notes

Victor J. Stachler of 193 Dover St., has been appointed branch manager of the General Motors Acceptance Corporation office in Dearborn, effective tomorrow, it was announced today. He succeeds Howard W. Sanders who has been appointed manager of the Detroit (North Side) branch.

Stachler formerly was assistant manager in the Detroit office.

In 1945 he was appointed branch manager in Pontiac, and in 1949 branch manager in Toledo. He has been assistant manager in Detroit since 1957.

Coop Cuts Gain to Meet Threat of Supermarkets

The 280,000 members of London's South Suburban Cooperative Society have been told that their dividend is to stay at three cents on the pound ($2.80), the lowest in the society's history.

"We are doing everything in our power to combat the price-cutting of the new supermarkets in our area," said an official.

"That's why we have had to cut the dividend down to such a low level." Another spokesman for the society said, "The housewife has never had such a fight for her money. She's never had it so good."

* * *

A law requiring that public schools be established in every town of 50 families or more was passed in 1647 in the Massachusetts Bay Colony.

LARGEST FORK TRUCK MADE—Lifting six cars is easy for this fork truck in Battle Creek. That's less than half a full load for the truck, largest of its type. It will be used for heavy lifting operations at steel mills, lumber yards and the like.

Wall Street Chatter

Stock Buyers Slow Up for Labor Day Look-See

NEW YORK (UPI) — Martin Gilbert of Van Alstyne, Noel & Co. says that a certain amount of pre-Labor Day anxiety usually prevails because this is when most investors—and speculators—pause to review near term business conditions.

This usually resolves itself in some precautionary selling, he says, and this is apparently what is taking place here.

At the present time, Gilbert prefers to judge future stock market action solely on technical considerations and on this basis remains optimistic.

The Fitch Survey says there is nothing in sight to produce any sharp up or down movements in the market, but with a little more decisively optimistic business news a further sustained recovery trend could get under way.

Standard & Poor's believes the domestic oils to be in a buying range and favors Atlantic Refining, Cities Service, Continental Oil, Monterey, Phillips, Richfield, Shell), Indiana and Ohio Standard, Tidewater and Union Oil.

Shearson, Hammill & Co. has a list for "not only the best protection against fluctuations in business activity and technical market corrections, but also the most consistent opportunities for capital gains:" American Broadcasting-Paramount, American Greetings, American Optical, Armstrong Cork, Brown Co., DuBois Chemical, Gillette, Hertz, International Tel & Tel, Northrop, Plough, G. D. Searle, United Shoe Machinery, U. S. Borax & Chemical and U. S. Fidelity & Guaranty.

3 Boys Caught in Restaurant Having Party

Called to investigate a break-in at the Chicken and Biscuits Restaurant, 970 Auburn Road, in Avon Township last night, sheriff's deputies apprehended three youths inside.

The boys were enjoying self-made milkshakes and sandwiches in the restaurant when caught, deputies said. They said they knew nothing about a partly jimmied cigarette machine across the room.

Arrested were Roger McLintock, 20, of 3134 Eastwood St. and Raymond Fredericks, 17, of 3191 Bendelow St., Rochester.

The third youth, Leonard Dougherty, 16, of 3140 John R, Avon Township, was turned over to juvenile authorities.

Man Gets Mermaid in Long Island Sound

MADISON, Conn. (AP) — Fisherman George M. Smith caught a mermaid the other day.

He says he and a friend were casting into Long Island Sound from shore when Smith got a big strike.

He reeled in a female skin diver, who had swum out of range of her diver warning flag. The line had wound around her waist.

Smith let her go. Wrong species.

Boston Player Struck by Pitch Is Hospitalized

BOSTON (AP)—Don Buddin was in great pain today at Sancta Maria Hospital. The Boston Red Sox shortstop was hit over the left eyebrow by a pitched ball by Detroit's Jim Bunning in the second game of last night's doubleheader.

* * *

A first look at the wet X-ray plates indicated Buddin did not have a skull fracture, but attending doctors said they planned further checks today. They added he had suffered a severe concussion.

Buddin remained conscious throughout, from the moment he was hit, fell to the ground heavily and was carried from the field on a stretcher.

"It was a fast ball that got away," Bunning said afterward. "No, I didn't throw at the guy. Why should I throw at Buddin — a batter I never have trouble retiring?"

Naval Officer Honors Pontiac's Gary Sebaske

A certain young sailor from Pontiac has got it made in the Navy, so long as he keeps his nose clean. Ask any old salt.

Electrician's Mate Fireman Apprentice Gary J. Sebaske, 19, son of Mr. and Mrs. Joseph Sebaske, 191 E. Huron St., not only graduated first in his class from the U. S. Navy Service School at San Diego Training Base, Calif., but he was highly commended by both the school and base commanders.

The commendation cites Sebaske for his high scholastic standing and the help he gave unstintingly to others in his class during the course of study.

The base commander, Capt. R. J. Baum, added to the commendation: "Your performance of duty reflects credit upon yourself and is in keeping with the finest traditions of the naval service."

* * *

The written commendation will precede Sebaske aboard the USS Halibut where he is to report for duty Sept. 10. He is spending a few days here with his parents en route to the West Coast, after completing a submarine course at New London, Conn.

* * *

The USS Halibut is the Navy's submarines to be armed with guided missiles.

* * *

The others are armed with the Polaris missiles, which are zeroed in on a target but not guided in flight.

Sebaske graduated from St. Frederick High School last year.

GARY J. SEBASKE

Women Drivers Take Defeats to Heart

ROME (AP)—Diver Paula Jean Pope of Santa Ana, Calif., broke into tears Tuesday when she failed to win a gold medal for the United States.

"I wanted it so badly" she began.

But that was as far as she got.

A sob choked her words and the tears came down her pretty cheeks. Paula came close to winning. Her total was 88.94 to 91.28 for Germany's Ingrid Kramer.

"Those judges," fumed diving coach Dr. Sammy Lee. "They just plain underscored her on her first dive."

The United States' other diver, Juno Stover Irwin, of Glendale, Calif., was almost as sad as Paula.

Probe Bank Break-In at Miracle Mile

The FBI has been called to investigate a break-in at a branch of the Pontiac State Bank in the Miracle Mile Shopping Center, Bloomfield Township Police said today.

A check of the bank by manager Robert Terry shortly after the break-in was discovered by Bloomfield Township Police showed that nothing was taken.

The bank was entered through a back window sometime before 2 a.m., police said.

Olympic Results

ROME (AP)—Final summaries of major events Tuesday at the Olympic Games:

FENCING

Men's individual foil—1, Viktor Zdanevich, Russia. 2, Yuriy Sisikin, Russia. 3, Albert Axelrod, Scarsdale, N.Y. 4, Witold Woyda, Poland. 5, Mark Midler, Russia. 6, Robert Closset, France. Bill Hoskyns, Britain. 8, Christian Di Ornola, France.

SWIMMING

Women's high diving—1, Ingrid Kramer, Germany, 91.28 points. 2, Paula Jean Pope, Santa Ana, Calif., 88.94. 3, Nigul Kruteva, Russia, 88.39. 4, Juno Irwin, Glendale, Calif., 82.86. 5, R. Garakhovskaia, Russia, 82.62. 6, Norma Thomas, Great Britain, 82.21. 7, Nicole Harrigrand, France, 81.12. 8, Ann Long, Great Britain, 80.96. 9, Irene MacDonald, Canada, 80.49. 10, Kumiko Watanabe, Japan, 79.69. 11, Kenako Tsutsui, Japan, 77.99. 12, Birta Hanson, Sweden, 77.43.

Women's 100-meter butterfly—1, Carolyn Schuler, Orinda, Calif., 1:09.5. (Olympic record, old record 1:09.8 by Mimi Schuler, in trial heat). 2, Mary Ann Heemskerk, Netherlands, 1:12.2. 3, S. Wall, Andrew, Australia, 1:12.2. 4, S. Wall, Great Britain, 1:13.2. 5, A. Voorhij, Netherlands, 1:13.3. 6, Z. Seloverkaia, Russia, 1:13.3. 7, Kristina Larsson, Sweden, 1:13.8. 8, Carolyn Wood, Portland, Ore., did not complete race.

Men's 200-meter breaststroke — 1, Bill Mulliken, Champaign, Ill., 2:37.4. 2, Yoshihiko Ohsaki, Japan, 2:38. 3, W. Mevenkamp, Netherlands, 2:39.7. 4, Egon Henninger, Germany, 2:40.1. 5, N. Lassmart, Italy, 2:40.1. 6, Terry Gathercole, Australia, 2:40.5. 7, A. Klopotowski, Poland, 2:41.2. 8, Paul Hall, San Jose, Calif., 2:41.4.

News in Brief

Francis S. Gauthier, 152 N. Jessie St., reported to Pontiac police yesterday that someone entered his home and stole his pants containing $29 while he was asleep.

An undetermined amount of candy and cigarettes was stolen during a break-in at the West Acres Grocery Market, 7321 Commerce Rd., Commerce Township, store owner Camille Nicholas reported today to sheriff's deputies.

Organizations and troops, looking for some new fund raising projects? Call FE 2-4900. Adv.

City Firemen Save Kitchens, Not Steaks

City firemen rushing to two fires yesterday arrived in time to save the buildings, but too late to rescue a pot roast and steaks.

* * *

Mrs. Albert Amerson lost her pot roast to flames in her oven at 427 East Boulevard, and the Richard McGee family, at the Bel Air Manor, 973 Orchard Lake Ave., didn't get to eat their steaks.

* * *

They were done to a crisp.

There was no damage to either building and only minor smoke damage in the McGee apartment kitchen.

Politician Had Enough

FORT ORD, Calif. (UPI)—Pvt. Marv Owens was discharged from the Army on orders from Army Secretary Wilber E. Brucker Monday so he could begin his campaign for Democratic congressman from Oregon. Owens promised that if elected he would fight to abolish the draft.

Special Session for Medical Bill?

Williams Would Call Legislators Back if Necessary for Aged

LANSING (UP) — The medical-care-for-the-aged issue threatened today to interrupt fall campaigning of Michigan lawmakers for a special legislative session.

★ ★ ★

Gov. Williams said Tuesday he will call legislators back to Lansing if this proved necessary to avert loss of "substantial" benefits to aged persons — but was by no means sure state action is required.

★ ★ ★

The governor was asked about legislation approved earlier this week and routed to President Eisenhower for his expected signature in a few days, The bill is effective Oct. 1.

"We do not want to delay by a single day or forego a single dollar of medical help for our aged," the governor said.

★ ★ ★

In a subsequential discussion with newsmen Williams said a copy of the bill had not yet reached Lansing and that there were many unanswered questions.

★ ★ ★

One guess put the possible benefit potential for Michigan from the federal bill at-$4 million for 61,000 old age pensioners plus $3,700,000 for the medically indigent —provided the state agreed to bear one half the extra expense.

★ ★ ★

In order to clarify the picture, the governor set up a huddle Friday with Atty. Gen. Paul L. Adams, State Welfare Director W. S. Maxey, Prof. Wilbur J. Cohen, a University of Michigan expert, and Lt. Gov. John B. Swainson.

Allied to Merge With Dow but Stay Intact

KANSAS CITY (UP)—Allied Laboratories, Inc., a major producer of pharmaceutical and biological products, plans to merge with the Dow Chemical Co., the Kansas City Times said today.

The Times quoted J. L. McKee, president of Allied, as saying the merger is subject to approval of Allied stockholders at a meeting in Wilmington, Del., Nov. 30.

Each share of Allied common would receive two-thirds of a share of Dow under terms of the proposal. Allied common stock closed Tuesday at 84⅞; down ⅛; Dow closed 84, down ⅝.

Allied is one of the larger suppliers of polio vaccine.

Under the proposal assets and business of Allied would be transferred to Dow which would assume all of Allied's liabilities.

Allied would continue to operate under its present officers as a division of Dow, McKee announced.

Wants Trujillo Back in Power

President of Dominican Republic Ready to Step Down for Rafael

CIUDAD TRUJILLO, Dominican Republic (UPI) — President Joaquin Balaguer called today for a strong man Generalissimo Rafael L. Trujillo Molina to take over the reins of government again.

Balaguer said he agreed with Dominican public opinion that Trujillo is the man best qualified to defend the "sacred interests" of the nation "in view of the situation created by the rupture of diplomatic relations between the Dominican Republic and the other American states."

Balaguer, who assumed the presidency earlier this month when the strong man's brother Hector stepped down because of ill health, said he was prepared to resign immediately.

"I share the (popular) opinion that Trujillo should be called on to occupy the position of chief magistrate of the nation," Balaguer said

Housing Measure OK'd by Senate

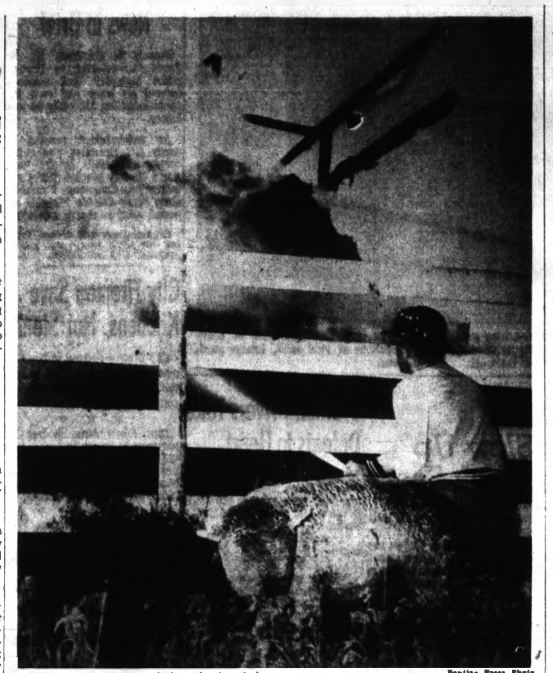

WASHINGTON (UPI)—The Senate today shouted approval of stopgap housing legislation to extend the home loan improvement program for another year and provide money to help build college dormitories and community facilities.

The measure was tacked on to a minor resolution already passed by the House in an eleventh hour effort to ram a housing bill through Congress before it adjourns.

★ ★ ★

Sen. John Sparkman, D-Ala., chairman of the Senate housing subcommittee, told the Senate the measure was "inadequate" but vitally needed.

An auto motor needing repair often generates an excess of carbon monoxide gas.

SINGED BY FIRE — A lone lamb calmly munches clover beside a fireman who extinguished its wooly covering as it emerged from a flaming barn in Waterford Township early today. Seven valuable Shetland ponies, owned by Frank Williamson of 1120 Bielby St. and a partner, were led to safety as the barn burned to the ground. Small children playing with matches were believed to have ignited the hay-filled barn. Total damage was not immediately known.

Pontiac Press Photo

Rush-Hour Storm Ties NYC Into Mammoth Knot

NEW YORK (UP)—A sudden summer storm trenched the New York metropolitan area Tuesday and turned the evening rush hours into a nightlong nightmare. Brief but violent downpours ushered in by thunder and lightning raked the region from Connecticut to New Jersey.

Flash floods sent water pouring into subway stations, inundated expressways with water and mud and tied traffic in tortured knots clogging streets from the East River halfway across Long Island.

★ ★ ★

An estimated 100,000 homes and bound New Yorkers were stranded.

NEW YORK (UPI) — A number of passengers stalled on a subway train during Tuesday's heavy rain had their dessert before they got home for dinner.

A passenger found a watermelon in the car, pulled out a pocket knife and played host as he passed slices to the sweltering commuters.

At least 20,000 subway riders were trapped in broiling heat as more than a dozen trains ground to a halt in steaming tunnels. Some 250 persons on a stalled train under the East River suffered heat exhaustion.

The storm hit in Connecticut, struck suburban Westchester and Rockland counties in New York and parts of Northern New Jersey.

In New York City, heavy rains fell in Manhattan, Brooklyn and Queens. But Queens and Long Island's Nassau County appeared hardest hit.

At least 18 fires were touched off in Nassau and burned several homes. Power failures left nearly 19,000 homes along the North Shore without electricity.

TWO DEATHS

A power blackout affecting 23,000 customers in Queens lasted up to three hours.

★ ★ ★

Queens reported two deaths. A boy drowned when he fell into a manhole that had been opened as an emergency drain, and a man drowned in the flooded cellar of an apartment building.

A monumental traffic jam burgeoned on Long Island, across the East River from Manhattan, when thousands of worried house-wives set out by car to meet commuting husbands stranded by the subway traps.

Subway service in Queens was restored before midnight, but the effects on auto traffic lasted long past that.

★ ★ ★

Scores of cars caught on the flood-swept roadways had been stalled by water rushing up to window level. Side roads off expressways clogged up solid as crowds of cars trying to escape the bigger jams congealed to a halt.

Throughout areas where traffic slowed, vehicles by the hundreds overheated in the humid air.

The U. S. Senate has sat as a court of impeachment 12 times. On nine occasions the impeachments were directed at federal judges, and once each at a President, a senator and a secretary of war.

Hails Pontiac Speed Watch

City Official Has Led Fight for Crackdown on Drivers

Commissioner Wesley J. Wood last night welcomed police plans to crack down on speeding in Pontiac with the help of a new mechanical device, called a "speed watch."

★ ★ ★

"I hope we catch a lot of these hotrodders who've been terrorizing our streets," said Wood, who has complained of speeding vehicles in his district for many months.

The device will be put into operation on residential streets soon after Labor Day, said City Manager Walter K. Willman.

Willman described it briefly, in advance of its first appearance:

The device is electrically and mechanically operated, consisting of two metal tubes laid on the pavement 22 feet apart, with a long cable attached to a mechanical stop watch-mileage indicator.

The cable allows police officers to operate the device 500 feet up the street from on-coming traffic.

When the device indicates an on-coming car is speeding, officers will flag it down and issue citations.

Manufactured in Marshall, the device is recognized by the courts and used by many police departments in the United States, said Willman.

Seafarers Beat Hoffa With Big Lake Fleet

DETROIT (UPI)—The Seafarers International Union (SIU) boasted today that it "scuttled" an attempt by Teamsters Union President James R. Hoffa to "gain a toehold on the Great Lakes."

SIU officials reported that a National Labor Relations Board (NLRB) election established their AFL-CIO union as bargaining representative for the 19-ship Boland & Cornelius lake fleet.

The vote was 277 for the SIU, 177 for the Teamsters, with 13 votes for no union and one ballot voided, the Union said.

'Good Mental Health Likely for Happy Child'

BURLINGTON, Vt. (UPI) — Dr. Dalton Vernon, University of Vermont human relations specialist, says "the foundation for mental health is laid in childhood."

He said, "the happy, healthy child is much less likely to fall prey to mental illness in later life than the unhappy, timid and fearful child. Everyone, no matter how strong, has a breaking point."

How Would . . .

YOU LIKE a picture book farm, away from the busy streets, yet only a 3 minute drive to paved highway? Retiring among beautiful trees, flowers, birds and breath-taking environment. No odor or noise. Just peace and the Elysian feeling you receive here!

Your future farm consists of a 7Bdrm. barn with 4 stalls, approximately ¾ mile of road frontage fenced and seeded to any owners needs.

Buildings consist of 8 room farm home with early American distinctive decorating. Has 1½ bath, carpeting, fireplace, and 6 bedrooms and loads of closet space.

Out buildings consist of 3 car garage with workshop beneath. Milk house, tool shed and corn crib. Large 3 compartment poultry house. Also a 2 compartment 30 head of dairy cattle with automatic water bowls. Another barn for those who would like to keep horses — room for approximately 6 with storage space for the necessary feed and winterizing.

Folks we would need a full page to describe this showy piece of property but we do not take the space when we have our time at your disposal. Give us a call, convenient salesmen on call and in just a few minutes, you too can see for yourself. Surely, you will be your future home. Don't delay call today. This PROPERTY LIES APPROXIMATELY 2 MILES NORTH OF CLARKSTON.

JACK PAAR SHOW, 11:30 p. m. (4). Hugh Downs, host. Guests: Marilyn Lovell, Hans Conried, Jim Moran and Marc Connelly.

Arrest 3 Men in Jewel Theft

New York Police Trail Pair, Find Cartier's Precious Stones

NEW YORK (AP)—Three men were arrested today in connection with the spectacular $30,000 theft of gems from a show window at Cartier's famed 5th Ave. jewelry house June 25.

Police said they found what they believe to be all the precious stones, stripped of their platinum settings, in a plain brown paper bag. They also recovered a bundle of valuable securities.

* * *

The arrests climaxing a joint investigation by city police and FBI agents, came after an elaborate trailing operation through the city Tuesday night.

* * *

About 30 men in seven cars, keeping in touch by radio and taking short turns to allay suspicion, shadowed two of the men as they drove meanderingly from Manhattan to Brooklyn and back.

Around midnight, the two men in the car, Kingdon deNormand, 51, of the Bronx, and Joseph Coffey, 23, of Manhattan, were finally stopped. A third man, Juan Pasquale Fuca, 27, was arrested at his Manhattan home.

* * *

A Cartier guard, Conrad Millson, caught a fleeting glimpse of a man diving through the window of a car and saw the car race away.

Millson gave investigators their lead by picking pictures from criminal files. These were checked and the list narrowed.

Coffey's trail was picked up in mid-July.

Sabin Polio Vaccine Called Near Perfect

SAN FRANCISCO (UPI) — The recently-approved Sabin oral vaccine for polio will provide 99 per cent immunization against the disease, according to the director of medical care of the National Foundation.

* * *

The director, Dr. William S. Clark, arrived here Tuesday for conferences to determine "a sensible approach" to distributing the newest weapon in the battle against the paralyzing disease.

* * *

Clark said the vaccine, an oral "live virus" preparation which can be taken in pill or liquid form, would probably be ready for national use by mid-1961.

Lift Emergency Rule Today in South Africa

JOHANNESBURG, South Africa (UPI)—The state of emergency decreed in South Africa more than five months ago at the height of the racial disorders ended today.

But Justice Minister Francois Erasmus warned the government would not hesitate to reimpose the restrictive measures if necessary.

LLOYDS COME HOME—Oldtime screen actor Harold Lloyd, his wife and their eight-year-old granddaughter Suzanne Gusati are shown aboard the liner United States on arriving in New York Monday from a four-month vacation in Europe.

McKay Gets a Show Family

'Paradise' Reshuffled for Fall

By VERNON SCOTT

HOLLYWOOD (UPI)—Most excoriated TV show of the past season was "Adventures in Paradise," and its star, Gardner McKay, the most blasted.

* * *

Nonetheless, McKay and his series will be back again this year. The show has been entirely reorganized—new producers, new directors and new cast. But the cause for major criticism—McKay, has been retained.

* * *

"There is a popular notion that I can't act, that I'm awful," said the handsome McKay.

That's not true. I'm a good actor and I'm getting better. Last year I retreated into myself because everything was trouble and problems. This year things are different.

"I can handle the role much better now. Everyone who has seen the new shows tells me I have improved. I'm more on top of the situation and I know the difference between a good script and a bad one. What's more, I now have a choice in the way I want to play various scenes."

* * *

Last year Gardner played the sober-faced skipper of the schooner "Tiki" which plied the South Pacific looking for adventure. There were girls aplenty, excitement and romance, but no humor.

We've added four new permanent characters to the cast to give us a sort of 'family'," the tall, tanned actor said.

"My new first mate is Jim Holden. George Tobias is a comic hotel owner on a little bay on Tahiti, which is now headquarters for the series. Two teen-agers, Sonde Sodsai and Lani Kai, provide humor and interest for younger viewers."

* * *

McKay says he will miss Weaver Levy, the Oriental actor who played his sidekick aboard ship.

The brass at 20th Century-Fox TV and ABC-TV decided to go ahead with the show, reshuffled though it may be, on the strength of McKay's popularity.

Critics may pan his performances, but he received more fan mail than any star on the Fox lot.

"I learned something important in my first year on the air," he concluded. "Acting is entertainment, not work.

"If I'm not enjoying myself in what I'm doing, the viewers can't be expected to enjoy themselves either."

Make Believe Meeting With Princess Meg

By EARL WILSON

PARIS — Princess Margaret Armstrong-Jones recently had a lively chat with another well-known bride, Mrs. Peter Townsend . . . and goodness, the things they said to each other!

They met at a party given by "mutual friends"—and it went like this?"

WILSON

MARGARET: "Townsend? Where have I heard that name?"

MRS. T.: "You already know my husband, I think."

MARGARET: "Oh yes, he was one of my father's employes. We were very satisfied with him."

MRS. T.: "You, particularly, so I've heard."

MARGARET: "If you mean to insinuate that Peter . . . pardon, that Mr. Townsend and I . . . I authorised him to carry my umbrella and walk my Pekingese."

MRS. T.: "Just until I put the collar and leash on him!"

MARGARET: "What! At 40, a man knows he must be in haste to take a bride, and can be pardoned for not being more careful in his choices."

I guess you know by now that the above meeting is make-believe. It's from the French humor magazine. "Le Rire," by Jean-Paul Lacroix, and demonstrates nicely how the French feel about the English snobbery.

But to proceed:

MRS. T.: "Gossips said you were mad on learning I married Peter, and married for spite."

MARGARET

MARGARET: "Ridiculous! I didn't even know. Bulletins about Palace servants who leave and get married are not my favorite reading."

* * *

MRS. T.: "When Peter and I have our first baby, I promise we are going to have your husband take the pictures. Not that he has a reputation of being a good photographer, but I feel I ought to help out the husband of one of Peter's old friends."

MARGARET: "Tony will do his best despite the physical handicaps the baby will inherit. Goodbye, Mrs. Townsend. Charming to have seen you. Watch out for poor Peter's rheumatism. I admire you—sacrificing your life for a war invalid old enough to be your father . . ."

MRS. T.: "Give my regards to Tony's old Chinese girl friend."

MARGARET: "Loved seeing you! 'Bye."

MRS. T.: "It was my privilege. 'Bye."

THE MIDNIGHT EARL IN N.Y. . . . .

The Artie Shaws bought a Kentucky farm . . . Eddie Cantor writes that his daughter Marilyn recently married Mike Baker and they headed for a Connecticut honeymoon. Eddie's grandson Brian told her, "Connecticut? Gee, you're lucky—you can get Channel 8 there!"

* * *

TODAY'S BEST LAUGH: There are many reasons for divorce. A fellow got one just because he wanted a phone of his own . . . **That's earl, brother.**

TV Quiz Fixers to Leave Field

Ask FCC for Authority to Sell Radio Station in Hollywood, Fla.

WASHINGTON (AP) — Jack Barry and Daniel Enright, once associated with the TV quiz shows "21" and "Tic-Tac-Dough" later exposed as fixed, have notified the communications commission they want to leave the broadcasting field.

* * *

They asked for authority to sell their Hollywood, Fla., radio station, WGMA, for $265,000 to Kingsley H. Murphy Jr. and Carroll E. Crawford, owners of station KOTE at Fergus Falls, Minn.

The applications said it appeared possible the WGMA license under the present ownership may be put into "a long, expensive and time-consuming hearing," which the station and its owners "can ill-afford."

Barry and Enright were at one time the principal owners of the "21" and "Tic-Tac-Dough." A house subcommittee was told last fall that contestants on those shows were briefed on questions in advance.

* * *

Barry was master of ceremonies on "21."

* * *

In November the FCC notified the Barry-Enright Hollywood Co., Melody Music, Inc., that testimony before the House committee that Enright had taken part in the briefing of contestants raised questions as to his qualifications for a broadcasting license which FCC would have to further examine.

Oscar Show to Quit NBC, Be on ABC

HOLLYWOOD (UPI)—The Academy of Motion Picture Arts and Sciences has announced agreement on a 5-year contract with ABC television and radio networks for broadcasting of the annual Oscar show, effective next spring.

* * *

The announcement was made by the Academy board of governors. The board said the agreement was subject to formalization.

* * *

The switch from NBC radio and television networks to rival ABC was decided upon by the board after receipt of sealed bids. The annual show had been aired over NBC for the past eight years.

Foreign TV Specialists to Learn U.S. Methods

WASHINGTON (UPI) — Seventeen radio and television specialists from foreign countries will arrive in the United States Sept. 8 to study American broadcasting under a State Department exchange program.

* * *

From Sept. 26 to Oct. 28 the group will attend a seminar at Syracuse University. Later they will spend a three-week period observing individual broadcasting stations.

TV News and Reviews

Hugh Downs Pulls Switch —Plays His Own Game

By FRED DANZIG

NEW YORK (UPI) — Hugh Downs is human, after all.

NBC-TV's celebrated announcer-emcee-actor-author-science buff — musicologist - psychologist - philosopher and vice president in charge of tranquilizing Jack Paar appeared as a contestant on his own daytime show Tuesday. He lost.

In order to properly mark the 2nd anniversary of his "Concentration" game show, Downs went out and got the best guest star available—himself.

He played a special round of the game against Art James, the show's announcer. James won in 20 minutes after matching 10 of the 36 squares on the board. Downs matched only six. I take this matter to be NBC-TV's answer to the Rome Olympics.

As a contestant, Downs was gabbier than most, a mail-chewing type, nervous-but-cheerful and a jolly good loser. He also was the busiest contestant ever to appear on a TV show, for besides playing "Concentration," he had to interrupt a number of times for commercials, which he delivered himself.

And he also kept up a running commentary on the contest, as an emcee does. So, if Hugh is seeking an alibi for his loss, he has several.

* * *

Before the game began, Downs asked James what he would do with his winnings "in the event that you should have the bad taste to win?"

James promised to donate his prizes to his alma mater, Wayne State University in Detroit. Downs thought that was a fine idea — turns out Downs went to Wayne, too — but announced that his prizes, if any, would go to a mental health hospital.

James, the winner, came out with a color TV set, a typewriter, tape recorder and camera. Downs piled up such prizes as chicken soup, noodles and a necktie.

After losing, Downs told his conqueror, "I'm really glad you won." And James told Downs, his boss, "it's an inspiration working with you."

Anyhow, it was a treat and I'm sorry they didn't play a best-of-five series. I've always wondered how some of our TV hosts on game shows would make out if they ran out of contestants and had to play the game.

Now let's sit back and wait for Bill Cullen to play "The Price Is Right." Ralph Edwards to honor himself on "This Is Your Life," and Jack Bailey to tell a sad story on "Queen for a Day."

THE CHANNEL SWIM: ABC-TV and the Academy of Motion Picture Arts and Sciences have entered into a five-year deal whereby ABC-TV gets exclusive rights to the annual "Oscar" presentations, beginning next spring. The popular TV special had been an NBC-TV feature for a number of years.

Charles Kuralt replaces Walter Cronkite as anchor man for "Eye-witness to History" when the series becomes a weekly feature on CBS-TV starting Friday, Sept. 30.

"And Freedom Sings," the "Bell Telephone Hour" special on NBC-TV for Friday, Nov. 11 (Veterans' Day) will star David Wayne as host, with Alfred Drake, Genevieve, Gisele MacKenzie, Barbara Cook and Mindy Carson.

In honor of the 1960 World Series, CBS-TV's "Have Gun, Will Travel" is scheduling an off-beat story about a frontier baseball game. "Circa 1870," as its episode for Saturday, Oct. 1.

AP Photofax

NEW OFFICIALS — Whitney North Seymour, top, of New York City, Tuesday was elected president of the American Bar Association in Washington. John C. Satterfield of Yazoo City, Miss., was named president-elect. Seymour takes office Friday and Satterfield a year hence.

Lady Spaceman Expects Manned Flight in 1961

PITTSBURGH (AP) — America's first woman astronaut believes this country will send manned flights into space by the fall of 1961.

Jerrie Cobb, 29, said Tuesday practice shots to the fringe of space will be followed by orbital flights around the earth.

A test pilot for the Rockwell-Standard Corp of nearby Coraopolis, Miss Cobb was here to confer with company officials and held a news conference.

Asks U.S. Point Four; Terms 20 Pct. Poor

WASHINGTON (UPI)—At least 20 per cent of all Americans "live close to the poverty line or below it" despite a continuing increase in average family income, the AFL-CIO contended today.

The labor federation called for "a major Point Four program concentrated on aiding the less affluent here at home" by raising educational levels and teaching trades needed in the present job market.

Pontiac City Affairs

Sidewalk Plan for Jessie Dropped

Objections from 11 property owners last night killed a proposal for a sidewalk on the west side of Jessie Street, Mechanic to Michigan.

City commissioners dropped the idea on motion of Commissioner Wesley J. Wood, who represents the area.

Wood sided with the objecting property owners, whose lots side on Jessie, rather than front on it.

Wood said they didn't think a sidewalk at the side of their lots was worth the money they'd have to pay in special assessments for it.

Four other sidewalk projects passed public hearings. Their locations: Both sides of Seward Street, Osmun to Murphy Park; the east side of East Boulevard, Mt. Clemens to Granada; north side of Featherstone Road, Kenilworth to Belt Line Railroad; and gaps on Fuller Street, Madison to First.

Hearings were scheduled Sept. 6 on two other sidewalk proposals: North side of Kennett Road in front of the Alcott School and both sides of Astor Street, between Michigan and Northway.

Another hearing Sept. 6 will be on the assessment roll covering the proposed sidewalk on both sides of Scottwood Avenue, Perry to Manhattan.

★ ★ ★

On recommendation of City Manager Walter K. Willman, a 125-foot-long sidewalk on Harvey Street in front of Franklin School was placed on the public improvement program.

★ ★ ★

Confirmed in three annual payments were assessment rolls for the blacktopping of Arlene Avenue, Madison to Second, and for curbs and gutters on Fourth Avenue, Joslyn to Highwood.

In a routine move, an annual contract was approved under which the State Highway Department agrees to pay all the costs for trunkline maintenance within the city.

Commissioner Winford E. Bottom asked the administration to prevent the spreading of rubbish along Kennett Road at the city dump.

He asked for weed inspection on the west side of Baldwin Avenue, Yale to Ypsilanti, and at the intersection of Baldwin and Columbia Avenue.

Commissioner Robert A. Landry asked for weed inspection on Elm Street and at the intersection of Anderson and Osmun streets.

Rustler Uses Cadillac in Hauling Stolen Hogs

DALLAS, Tex. (UPI) — Manzel Senters, 37, is serving 60 days in County Jail for stealing hogs and using his Cadillac to haul them off. Senters didn't actually put the hogs in his fancy car. He used a trailer and police caught him when the trailer got stuck in the sand. He pleaded guilty and District Judge J. Frank Wilson sent him to jail.

A regional food specialty of Diest, Belgium, is beer and sausages.

School Limits Parking to Honors List Seniors

EAST WINDSOR, Conn. (UPI) — The board of education has dropped an unusual lure for pupils to try for high grades.

The parking lot at the high school will be off limits for all cars except those of seniors listed on the honor roll.

Board chairman Robert J. Raber says it's an effort to make an added incentive for scholastic attainment.

About 400 persons in the U. S. are killed by lightning annually.

Penny in a Pumpkin

LIVERPOOL, N.Y. (UPI) — Susan Wood, 11, was scooping out a pumpkin for a Halloween jack-o-lantern when, along with the seeds, she found a blackened 1944 Lincoln penny.

Investigate Possible Trucking Corruption

WASHINGTON (AP) — House investigators are working on a case which Rep. Oren Harris, D-Ark., says already has turned up indications of possible corruption in government regulation of some truck operators.

★ ★ ★

Congressional sources hinted the investigation, based on Interstate Commerce Commission activities, would penetrate the New York underworld and garment industry. It also was learned the Justice Department has investigated the same area.

★ ★ ★

Harris said that "no deliberate act of the commission itself" is involved in the possible irregularities which he said have been occurring for years.

Apples, Carrots Should Not Mix in Storage Bins

GENEVA, N. Y. (UPI) — A team of Cornell University scientists has discovered that chemical changes which produce bitter-tasting carrots held in cold storage with apples are due to the action of a gas, probably ethylene, given off by the apples.

★ ★ ★

The theory developed from tests of four samples of carrots from eight different farms. The carrots were stored in 10 refrigerated storage bins to determine why the vegetables developed a bitter flavor.

★ ★ ★

All the carrots in three bins where there were no apples remained free of bitterness. In the other seven, apples were included and all the carrots involved became so bitter they could not be processed.

Cow Had Good View But Couldn't Eat That

LORIMOR, Iowa (AP)—Two women driving down the highway saw a cow peering out the second story window of a farm house.

When they had recovered from their shock, they reported the incident. The cow was restored to its owner.

The animal apparently had wandered into the abandoned house and climbed the stairs, then was afraid to descend. When rescued, it was hungry and thirsty from its two-day stay in the house, but otherwise unharmed.

Fair Features Delicacy

ANIAK, Alaska (UPI)—Feature attraction at the Aniak regional fair held at this Kuskokwim River town was pickled beaver's feet. It was said to equal pickled pig's feet in taste and flavor.

Keef Assails Fuss Against Catholic

WASHINGTON (UPI)—Sen. Estes Kefauver, D-Tenn., says voters are being flooded with "false and libelous anti-Catholic materials" in an apparent effort to defeat Democratic presidential candidate John F. Kennedy.

★

Kefauver told the Senate Tuesday that much of the hate literature now circulating smacked of the "dirty campaign" against Alfred E. Smith in 1928, the last previous Roman Catholic to run as Democratic presidential candidate.

"When America faced the test in 1928," he said, "she flunked. The question now is whether the ghost of 1928 has been laid to rest. All indications are that it has not—that it is riding high."

Kefauver said, "There is every likelihood that this hate campaign will get worse before it gets better. There is no telling what type of disgusting trash may be shoved under the doors or put in the mailboxes of decent Americans."

Congress Rushes to Wind Up Session

Policemen Aid Heat Victim

AP Photofax

SUBWAY CASUALTY—New York City policemen administer oxygen to Margoline Oestreicher of Forest Hills, Queens, after she was trapped for over an hour in a stalled subway train. A sudden storm Tuesday disrupted the daily exodus from New York as highways were blocked and subways flooded. Miss Oestreicher was one of many overcome by heat on the train.

Rush-Hour Storm Ties NYC Into Mammoth Knot

NEW YORK (AP)—A sudden summer storm drenched the New York metropolitan area Tuesday and turned the evening rush hours into a nightlong nightmare.

Brief but violent downpours ushered in by thunder and lightning raked the region from Connecticut to New Jersey.

Flash floods sent water pouring into subway stations, inundated expressways with water and mud and tied traffic in tortured knots clogging streets from the East River halfway across Long Island.

★ ★ ★

An estimated 400,000 homeward-bound New Yorkers were stranded. At least 20,000 subway riders were trapped in broiling heat as more than a dozen trains ground to a halt in steaming tunnels. Some 150 persons on a stalled train under the East River suffered heat exhaustion.

The storm hit in Connecticut, struck suburban Westchester and Rockland counties in New York and parts of Northern New Jersey.

In New York City, heavy rains fell in Manhattan, Brooklyn and Queens. But Queens and Long Island's Nassau County appeared hardest hit.

At least 18 fires were touched off in Nassau and burned several homes. Power failures left nearly 19,000 homes along the North Shore without electricity.

TWO DEATHS

A power blackout affecting 23,100 customers in Queens lasted up to three hours.

★ ★ ★

Queens reported two deaths. A

Weekend Will Be Hot, Maybe Wet

4 a.m.	68	10 a.m.	82
6 a.m.	66	Noon	84
8 a.m.	71	1 p.m.	88

The Labor Day weekend will be hot, the weatherman says with possible scattered showers Sunday or Monday.

The five-day forecast calls for temperatures averaging near 88 degrees in the Pontiac area.

Thursday's high may reach 90. Morning southwesterly winds at two m.p.h. will become southerly at 10 - 15 m.p.h.

The lowest temperature reading in downtown Pontiac preceding 8 a.m. was 66 degrees. At 1 p.m. it was 88.

Look Up, It's Echo

Here's the Echo satellite viewing schedule for the Pontiac area tonight: 7:19 p.m. high north, northeast; 9:21 p.m., high north, southeast; 11:50 p.m., high south, southeast; 1:40 a.m., low south, southeast.

Artificial Lake Is Planned for Bald Mountain

100-Acre Body of Wat Proposed for '61; 2nd Project Eyed

Development of an artificial lake in the Bald Mountain Recreation Area is a highlight of the state park expansion program proposed for 1961.

The 100-acre body of water would be created by empoundment of Trout Creek on land to be purchased between the park and Lapeer Road (M24), said Arthur C. Elmer, chief of the Michigan Conservation Department's parks division.

Land acquisition towards creation of another artificial lake in the Proud Lake Recreation Area is also proposed for next year, said Elmer, although the lake itself is not scheduled until later.

Elmer divulged these details about major Oakland County facets of the $3-million bond issue plan conservation authorities proposed yesterday to launch a new expansion and improvement program:

1. Acquisition of 100 acres for the Bald Mountain lake.

2. A $60,000 dam on Trout Creek.

3. Acquisition of 75 acres for the Proud Lake body of water. (Elmer said funds will probably be sought next year for a dam there.)

4. Acquisition of private properties within the boundaries of the Pontiac Lake and Holly recreation areas.

5. A $20,000 bathhouse and concession stand on the Wildwood Lakes in the Holly park.

OR HURON RIVER

The Proud Lake body of water would be located on the Huron River west of Wixom road and the present park boundary, Elmer said funds for a dam would probably be sought next year.

The programs for Oakland County and the rest of the state will go

(Continued on Page 2, Col. 8)

Bloomfield Hills Couple Hunted

Had Been Due Back From a Canadian Trip on Aug. 18; Not Seen

A prominent Bloomfield Hills couple was the object of an international search today.

Perry A. Vaughan, 43, and his wife, Annabelle, 42, of 75 W. Long Lake Rd., have not returned home since leaving Aug. 7 for a fishing trip in Northern Canada.

They were due back Aug. 18.

Vaughan, owner of an area building company, is the son of former Bloomfield Township Supervisor Perry A. Vaughan who died last June.

The couple had planned to camp near Oba, Ont., some 450 miles north of the Canadian Soo. On Aug. 12 his sister, Mrs. Walter Guthrie of 750 Oakleigh St., Bloomfield Hills, received a post card from them.

★ ★ ★

They wrote that they would be home Aug. 18, she told Bloomfield Hills police.

Capt. Walter Sluiter said the card was sent from Horne Payne, Ont.

"We were notified by relatives last week and began checking with police in Horne Payne," said Sluiter.

The couple was driving a grey 1957 Buick station wagon.

"They were to travel Route 11 to Hearst and then take a train into Oba, an isolated fishing area. No one in Hearst, Horne Payne or Oba remembers seeing them," Sluiter said.

Ontario Provincial Police have issued an all-points bulletin throughout Canada, and the Michigan State Police have been alerted.

A check is being made of all Imperial Oil gas stations along their intended route.

"Vaughan had a credit card and most likely used it during the trip," Sluiter explained.

"As yet, we have no evidence they actually reached Oba. We fear things may have had an accident or met with foul play."

Lodge to Pick Up Slack While Nixon's Disabled

WASHINGTON (UPI) — Vice President Richard M. Nixon counted today on his running mate, Henry Cabot Lodge, to help take up the slack in the Republican campaign while Nixon recovers from a knee infection.

★ ★ ★

Lodge will not replace Nixon in any of the three out-of-town campaign appearances the GOP presidential nominee had planned for the next week in Jackson, Miss., Charleston, W. Va., and New York City.

But Lodge, who will quit Saturday as United Nations ambassador, will hit the road Tuesday for four consecutive days of campaigning. Lodge's bookings for Tuesday and Wednesday may be announced today.

He will appear in Worcester and Lowell, Mass. on Thursday and in Boston on Friday.

Nixon was reported "progressing satisfactorily" from the knee infection which will keep him in Walter Reed Army Hospital for about two weeks.

★ ★ ★

Doctors said the vice president had no fever, a good appetite, and was in good general physical condition, except for "some pain in his left knee."

★ ★ ★

With Lodge ready for the campaign circuit, Nixon was making the best of his hospitalization by dictating drafts of future speeches and having long telephone consultations with his staff members.

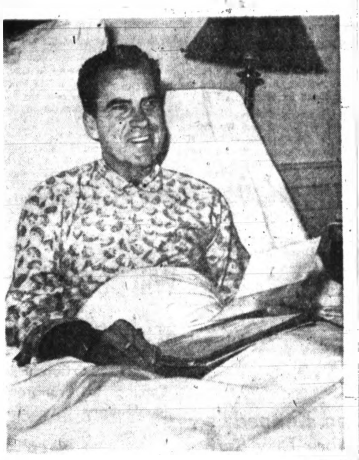

President Eisenhower visited Nixon for 45 minutes late Tuesday and discussed politics, legislation and foreign affairs. Eisenhower also compared his old "football knee" injury of West Point days with Nixon's ailment.

★ ★ ★

Nixon's infection, medically diagnosed as hemolytic staphylococcus aureus, was being treated with combinations of five antibiotics, primarily erythomycin.

Lodge originally was booked for off plans to step up her own polit appearances Tuesday at Springfield, Mass., and Wednesday in the hospital New Bedford and Fall River, Mass. With Nixon hospitalized, these were postponed to make way for new engagements in other area Nixon's wife Pat has no pres

Herbert G. Klein, Nixon's press secretary, said Mrs. Nixon was not expected to replace her hus band on the stump during the time he will be hospitalized.

AP Photofax

DOWN BUT SMILING—Vice President Richard Nixon poses in his Walter Reed Hospital bed Tuesday. The Republican presidential candidate was admitted to the hospital Monday for treatment of an infected left knee. During his two-week stay in the hospital, Nixon's running mate, Henry Cabot Lodge will help take up the slack in the Republican campaign.

News Flash

WASHINGTON (UPI) — The Houston, Tex., School District asked the Supreme Court today to stop the immediate integration of first grade classes in the city.

WASHINGTON (AP) — The Senate today quickly passed and sent to the House a stripped-down three-point bill to keep three housing programs alive until Congress comes back in January.

Ask Say at Pontiac Picnic

Union Cool to GOP Bid for Equal Time

By MAX E. SIMON

The Oakland AFL-CIO quickly turned a cold shoulder Tuesday to an invitation by county Republicans to furnish speakers for the Labor Day picnic in Pontiac.

The offer was made by GOP County Chairman Arthur G. Elliott Jr., who proposed that Republican candidates be given equal time with U.S. Sen. John F. Kennedy on the speaker's platform at the Oakland Park affair.

His politely-worded letter drew an equally polite reply from Fred V. Haggard president of the Oakland AFL-CIO Council.

"Our commitments for the program have been made," Haggard explained.

Elliott hadn't expected success, he said before learning of Haggard's reply.

Elliott's letter said:

"In keeping with the bipartisan spirit of the AFL-CIO political education program and your avowed efforts to use Union funds to keep Union members informed of the views of both major political parties, we know that you are quite anxious to balance Sen. John F. Kennedy's appearance at your Labor Day picnic with appearances of some of our local Republican candidates.

★ ★ ★

"At your request, we would gladly arrange for candidates from our organization to speak at the picnic.

"Candidates for county offices would be of particular interest

(Continued on Page Col. 1)

Sunk by Olympic Break

Young Swimmer Sobs

By HAROLD A. FITZGERALD
Publisher, The Pontiac Press

ROME—We won two more gold medals last night. Bill Mulliken took the 200-meter breaststroke although he was as far back as fourth at one time. He finally caught Ohsaki of Japan a few meters from the finish with a tremendous surge.

★ ★ ★

But the drama of the Olympics to date came in the finals of the women's 100-meter butterfly. Our own Carolyn Schuler won and it was a stirring victory.

But the sentimental heroine of the Olympics thus far is Oregon's little Caroline Wood. Caroline's 14 years old, you know.

Yesterday Dawn Fraser refused to swim in her semi-final heat of the butterfly event to save herself for the battle with Chris Von Saltza at night in the 100-meter freestyle. Well, Caroline went ahead bravely and swam in her heat—and the little Titan won it.

★ ★ ★

That night she toed the mark in the free-style finals and finished a wonderful fourth against those incredible fish, Fraser and Von Saltza.

Last night Caroline fought Schuler stroke for stroke to the turn and as the girls whirled for the dash to the finish, she was second with five closely bunched.

Then lightning struck. Little Caroline stopped swimming, grasped the lane markers and made a few ineffectual movements with one hand. The field swept on, leaving her crumpled into a tiny ball—and crying without control.

Finally a clothed official swam to her side to hold her briefly when she paddled slowly to the finish line.

Officials congregated but suddenly she broke free and ran alone into the darkened diving pool area.

WEPT ALL-OUT

As she reached the far barrier, she put her head in her arms and wept the all-out crying of a broken-hearted 14-year-old miss. Officials followed, and several minutes later she went to the dressing room, head down, the picture of utter despair.

Caroline had gulped a huge mouthful of water that went down the wrong way.

That happens. It has before. Later Von Saltza said when this pool is down a few inches, a dirty back slap develops at the turn.

★ ★ ★

There are other years ahead for this precious little mite from the West Coast. And Caroline, in case no one told you, there were other moist eyes around that Olympic swimming pool.

Study Confiscated Magazines

Pontiac Press Photo

PORNOGRAPHY?—Passeputor George F. Taylor (left) examines a large haul of suspect reading materials Pontiac vice squad officers confiscated in the county's defensive war against smut. With Taylor is Anthony F. Steil, his chief investigator, who led the initial roundup yesterday. The Detroit distributor of the publications is to be questioned today.

Another Slap Given Kennedy Legislation Plan

Minimum Wage Talks Fold; Hike in Foreign Aid Figure Doubtful

WASHINGTON (UPI) —Congress geared itself today for a possible post-midnight adjournment which hinged primarily on legislation to deny the Dominican Republic a "windfall" sugar quota.

From Our Wire Services

WASHINGTON — Congress, having spurned the legislative program of Democratic presidential nominee John F. Kennedy, moved today to wind up the rest of its business quickly and go home.

The most optimistic members hoped for adjournment late tonight. The more realistic ones talked about quitting Thursday night.

The drive for speedy adjournment began after a collapse in the efforts to work out a compromise bill to increase the minimum wage from $1 an hour to $1.15 and expand its coverage.

Conferees who balked at providing more foreign aid money this year sought a House vote of confidence in their stand today.

Their action cast doubt on President Eisenhower's chances of getting the extra 190 million dollars the Senate had voted in a final supplemental money bill.

★ ★ ★

Eisenhower protested that Congress had cut too sharply in reducing his foreign aid money bill to $3,722,350,000 last week.

He appeared likely to win on another foreign affairs front, however.

The House agreed to take up a bill to authorize an extensive development program for Latin America. The Senate already has approved the bill, asked only this month.

With hope all but abandoned for a minimum wage bill this year, the Senate-House dispute over the final money measure provided the last major hurdle to adjournment of the post-convention session.

★ ★ ★

The failure of Congress to produce any minimum wage legislation plunged the issue into the presidential election campaign.

Kennedy, leader of the Senate negotiators, said he would rather have no bill than accept the measure which conservative-controlled House conferees were willing to give him. So would leaders of organized labor.

Another big issue still to be resolved was

Will the lawmakers give Eisenhower the power he wants to stop the Dominican Republic from getting a "windfall" quota to market sugar in the United States?

The House approved compromise legislation Tuesday to grant this authority, but the measure ran into trouble in the Senate.

Wants Trujillo Back in Power

President of Dominican Republic Ready to Step Down for Rafael

CIUDAD TRUJILLO, Dominican Republic (UPI) — President Joaquin Balaguer called today for strong man Generalissimo Rafael L. Trujillo Molina to take over the reins of government again.

Balaguer said he agreed with Dominican public opinion that Trujillo is the man best qualified to defend the "sacred interests" of the nation "in view of the situation created by the rupture of diplomatic relations between the Dominican Republic and the other American states."

Balaguer, who assumed the presidency earlier this month when the strong man's brother Hector stepped down because of ill health, said he was prepared to resign immediately.

"I share the (popular) opinion that Trujillo should be called on to occupy the position of chief magistrate of the nation," Balaguer said.

MAKE OVER PAGE

Union Cool to GOP Bid for Equal Picnic Time

(Continued From Page One)

since their views so immediately affect your members.

"We would be most happy to cooperate in any way we can."

Haggard was in no rush to reply. "It'll probably answer him, but it might be after Labor Day," the Union official said. "I'm very busy right now."

Haggard expressed bewilderment at the letter's contents.

"I don't get the drift of it," he stated.

"Our picnic is open to the public — Republicans as well as Democrats. We've publicized the fact."

Haggard said that any local GOP candidates who came up to the speaker's platform would be introduced along with Democrats.

"None of them can speak, however," he said. "After all, our time is limited."

Haggard said the invitation to Kennedy to appear here was made by the Michigan AFL-CIO. "And it's an honor to have the opportunity to hear him," he declared.

"This isn't partisanship," he said. "It's the majority ruling. Kennedy has been endorsed by our Union for the presidency."

He added that he "might have" scheduled GOP speakers if the Union had received "advance notice."

"I don't know whether the Republicans are sincere or not," he said. "But if they were sincere, it seems they would have made their offer four or five weeks ago."

Haggard said no special invitations were being sent to GOP candidates. "We used to do it in past years, but most of them never showed up."

Elliott said today he was willing for Haggard's reply.

"It's wrong to present just one side of the story," he said.

"While we have no speakers of Kennedy's stature, there are many who are capable of espousing the Republican philosophy."

He said GOP candidates would be at Oakland Park for the picnic. "They'll at least be able to speak individually with people," he said.

County Democrats kept hands off the "equal time" issue.

"We're not involved — directly. It's a Union-sponsored appearance," one spokesman said.

Members of Kennedy's advance staff were amused by the whole affair.

"It's not a political rally — it's a family-day affair," one spokesman quipped.

Up to 10,000 Eyed for Picnic

Kennedy and Reuther Expected to Beef Up Oakland Crowd

Anywhere from 2,000 to 10,000-plus persons are expected at the Oakland County AFL-CIO Labor Day picnic Monday in Oakland Park.

Pontiac Police today weren't planning for any special traffic problems, conservatively estimating attendance will range from 2,000 to 3,000.

But labor officials, anticipating the appearance of Sen. John F. Kennedy as a big drawing card, were looking for crowds three to four times as large.

Sen. Kennedy, Democratic presidential nominee, and Walter A. Reuther, UAW president, will fill one-two positions on the speaker's platform in the afternoon.

A full day's activities are planned by the picnic committee, comprised of the presidents of Pontiac area AFL-CIO unions, with Fred V. Haggard, president of the Oakland County AFL-CIO Council, as chairman.

There'll be free barbecue in the afternoon after the speeches are over. Free coffee will be available all day.

Children's games and contests will kick off the picnic at 10:30 a.m. A waterfight by firemen and an Indian powwow will follow.

Sen. Kennedy's Labor Day Swing Through State:

Here is the itinerary of Sen. John F. Kennedy's Labor Day swing through Michigan:

Sunday — 11 p.m.: Arrives at Detroit Metropolitan Airport.

Monday — 11:30 a.m.: Addresses Labor Day rally in Detroit's Cadillac Square.

1:45 p.m.: Speaks at Michigan State Fair bandshell.

3 p.m.: Addresses Labor Day Picnic at Oakland Park, Pontiac.

Following his Pontiac speech, the Massachusetts senator departs for speeches in Flint and Muskegon.

Says Belgians Fail on Deadline

Dag Claims Withdrawal of Troops Is Still Not Completed in Congo

UNITED NATIONS, N. Y. (AP)—Dag Hammarskjold today accused Belgium of failing to meet its troop withdrawal deadline in the Congo and of giving him an inaccurate report on the situation.

The U.N. secretary-general advised the Security Council he had demanded that nearly 600 Belgian troops remaining in the Congo be withdrawn immediately.

Belgium, he said, had assured him it would have all its combat forces out of the troubled African country by last Monday midnight.

In the Congo, Albert Kalonji, president of his self-styled mineral state in southern Kasai province declared today his troops have recaptured his capital, Bakwanga.

Bakwanga, an industrial diamond center, fell to the Congolese troops of Premier Patrice Lumumba's central government last Saturday.

Kalonji based his claim on radio reports received from "known and friendly voices" broadcasting over the Bakwanga radio station.

He said that his capital was recaptured at 2 p.m.

Fidel Stirs Up New Strife

Says U. S. Supported Plot to Shoot Down Roa's Plane

HAVANA (UPI)—Premier Fidel Castro whipped up a new international uproar today with charges of a U.S.-supported plot to shoot down an airliner carrying Cuban Foreign Minister Raul Roa home from San Jose, Costa Rica.

* * *

The charge — sprung by the bearded revolutionary leader in a speech from his palace balcony last night—was spread throughout the island by the government controlled press and radio to give impetus to a mass rally set for this Friday in Havana.

In Washington, the White House denounced Castro's charge as ridiculous and untrue.

* * *

Castro called the demonstration to show Cuba's contempt for the anti-Communist declaration issued last Moday by 19 hemisphere foreign ministers in San Jose and its determination to stick by its new Soviet and Red Chinese "friends."

'ALERTED TO ATTACK'

The premier claimed that "two airplanes of war based in Guatemala" had been alerted to attack Roa's Cuban airliner over the Caribbean on its return from San Jose.

* * *

He said the aerial ambush was to have been carried out "by international gangsters who are supported by the United States" but that the plot was foiled when Roa left five hours earlier than scheduled on a secret flight arranged by the Costa Rican government.

Will Be Rector at Christ Church

Rev. G. B. O'Grady Jr. Coming to Cranbrook in January

The Rev. Gerald B. O'Grady Jr. will become rector of Christ Church Cranbrook, Bloomfield Hills.

* * *

For the past five years he has served as rector of the American Church in Geneva, Switzerland.

The Rev. Mr. O'Grady succeeds the Rev. Robert L. De Witt who was elected a suffragan bishop of the Diocese of Michigan in May. The Rev. Mr. O'Grady, his wife and four children will return to this country later in the year. He will begin his ministry at Christ Church in January.

The new rector comes to the area as a musician as well as a preacher. He was a boy soprano at St. Bartholomew Episcopal Church in New York City. While attending Williams College he was president of the glee club. He also plays the organ.

* * *

A graduate of Williams College and Episcopal Theological School in Cambridge, Mass., the Rev. Mr. O'Grady has served as chaplain and assistant professor of religion at Trinity College.

'Must Fly Panama Flag'

PANAMA CITY (UPI)—Foreign Minister Miguel Moreno told a nationalist rally last night the United States must agree quickly to fly the Panamanian flag in the Canal Zone "if it wishes to avoid new violence."

That Olympic Spirit— Ideals Put Into Motion

By HAROLD A. FITZGERALD
Publisher, The Pontiac Press.

ROME — The modern revival of the Olympic Games really rests on the shoulders of a Baron Pierre de Coubertin who resurrected this glorious pageant more than 60 years ago after a lapse of many centuries.

* * *

The comparatively young French baron wasn't interested solely in the athletic contests. He believed it would augur well for the whole world to meet in a global conclave in which contestants and spectators from all continents could mingle freely, exchange ideas and form new friendships.

This idealism was underlying and the Frenchman moved toward the first struggles with these lofty motives.

What would this idealist think today when we find a world gripped and steeped in materialism and with chauvinistic principles pushing through too many international utterances?

* * *

The world emerges from one titanic brawl just in time to gird for the ensuing fray in which new and more diabolical techniques are nurtured to bring about more horrible forms of death and destruction.

* * *

Baron Pierre de Coubertin would probably stand as a confused and befuddled disbeliever. But ultimately his ideal will prevail. These games are scheduled in a spirit of amity and concord.

Everyone wants peace — with the exception of a comparatively small number of power-mad Russians who are drunk with lust and greed.

And while the Big Games always produce a few arguments, by and large they are contested on a friendly basis of world understanding and peace.

The spirit is caught in the motto which has always been carved over the main entrance:

"The important thing in the Olympic Games is not the winning, but in having taken part. The essential thing in life is not conquering, but fighting well."

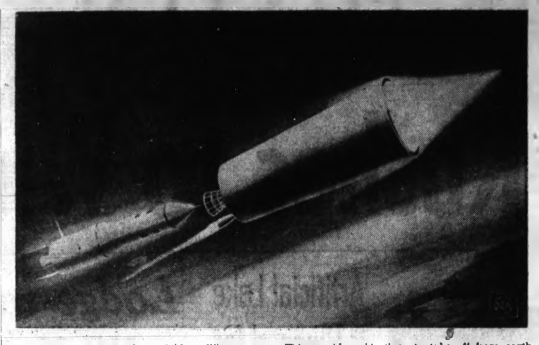

* * *

Foreign noblemen, wealthy Americans and the vast horde of commoners like you and I compete on equal terms, utterly indifferent and even unaware of the social status of their opponents.

AP Photofax

TELLS OFFER — Robert Berlin, 28, vice president of a sales company, said the Central Intelligence Agency asked him to spy during a tour of Russia in 1958. Berlin said, he refused because of the risk and because he did not think it right for a tourist to spy.

SERVICE STATION IN SPACE — When a vehicle runs out of gas on the Milky (express) Way, bud, it's the end of the ninth. Up until this idea came along, the filling station was way back on earth. The large vehicle shown in drawing above could change this by acting as a filling station in orbit. Spaceships operating on liquid oxygen would drop in, couple up and take on new fuel. This would enable them to take off from earth with heavier payloads. Called PROFAC (Propulsive Fluid Accumulator), the orbiting filling station would gather thin air at the top of the atmosphere, change it to a liquid and store it. As designed by Northrop Aircraft Corp., it would be 120 feet long and weigh 75,000 to 125,000 pounds.

Back-to-School Time; Here're Vital Dates

It'll be back to school for pupils of Pontiac public and parochial schools next week.

Classes resume for all schools Sept. 7 to 9.

* * *

At both St. Frederick's and St. Michael's Schools, students will report for enrollment and orientation on Tuesday.

* * *

The first full day of regular classes at the two major parochial schools in Pontiac will be Sept. 8.

Emmanuel Christian School will also have its first full day of classes Sept. 8 with enrollment and orientation taking place Sept. 7.

By the end of the week all classes in public schools will be meeting with the exception of kindergarten.

Kindergarteners will register Sept. 8 and 9 and begin classes Sept. 12.

* * *

Registration for new and transfer students is now taking place.

Schools will be open for registration of these students through Sept. 8.

Students who are transferring from one school to another must notify both their former school and the new school.

All public elementary schools will begin regular classes Sept. 8.

Children do not have to report to their schools before that date unless they are new students.

All 7th and 10th-grade students will report for their first full day of regular classes on Sept. 8.

At the same time, new students in all other grades should report to their school buildings but will not begin regular classes until Sept. 9.

On Sept. 9 grades 8, 9, 11 and 12 will start regular classes.

Rush-Hour Storm Ties Up New York

(Continued From Page One)

boy drowned when he fell into a manhole that had been opened as an emergency drain, and a man drowned in the flooded cellar of an apartment building.

A monumental traffic jam burgeoned on Long Island, across the East River from Manhattan, when thousands of worried housewives set out by car to meet commuting husbands stranded by the subway tieups.

Subway service in Queens was restored before midnight, but the effects on auto traffic lasted long past that.

* * *

Scores of cars caught on the flood-swept roadways had been stalled by water rushing up to window level. Side roads off expressways clogged up solid as crowds of cars trying to escape the bigger jams congealed to a halt.

* * *

Throughout areas where traffic slowed, vehicles by the hundreds overheated in the humid air.

Fire Damage Heavy for Ann Arbor Store

ANN ARBOR (AP)—Fire caused an estimated half a million dollars in damages to the two-story Montgomery Ward department store in downtown Ann Arbor Tuesday night.

The blaze burned nearly three hours before being brought under control at 8:45 p.m.

There were no serious injuries, although several firemen were overcome by smoke. They were treated at the scene.

The blaze was discovered about 6:30 p.m., an hour after closing time.

Vassar Woman Picked Queen of State Fair

DETROIT (UPI) — Mrs. Jean MacGregor of Vassar in Tuscola County is this year's Mrs. Michigan State Fair.

The attractive brunette mother of three daughters was announced Tuesday as the choice of the State Fair Commission to reign over the 1960 fair opening Thursday night.

Prof Now With Reds

WASHINGTON (UPI) — A State Department document showed today that a former Boston University professor and wartime intelligence officer, Dr. Maurice H. Halperin, is now behind the Iron Curtain "working for the Soviet government."

Set New Rail Strike Deadline

Thursday Walkout Seen if All Issues Are Not Settled Today

A new strike ultimatum—effective at 11 a. m. Thursday — has been issued in the prolonged dispute between the Grand Trunk Western Railroad and the Brotherhood of Railroad Trainmen.

* * *

The union said that all issues had to be settled today or the strike call would be reinstated, according to Francis A. Gaffney, Grand Trunk vice president and general manager.

The union withdrew a strike threat last Friday to continue negotiations over working conditions. Gaffney said that some of the differences have been settled since then, but not all.

The union has proposed changes in 20 rules involving working conditions.

* * *

Gaffney said the company would order a shutdown if the strike occurs. Such a shutdown was contemplated last week.

He said it would affect nearly all of the company's 6,400 employes, including the 1,000 yardmen, switchmen, switchtenders, brakemen and baggagemen of the union.

Gaffney said embargoes were being issued on all freight traffic in order to avoid inconvenience and loss to shippers.

Approximately 1,500 Pontiac and Oakland County commuters would be affected by a strike, as well as hundreds of travelers between Detroit and Chicago, said Gaffney.

The shutdown — the first in 40 years — would affect all Grand Trunk operations in Michigan and three neighboring states, Indiana, Illinois and Wisconsin.

This Session of Congress Bad for Dems

By JACK BELL

WASHINGTON (AP) — Opposing party spokesmen agreed today the dog-days session of Congress now drawing to a close has been politically damaging to the Democrats.

* * *

Senate Republican Leader Everett M. Dirksen of Illinois said the session had demonstrated that the Democrats "could develop no cohesive party spirit."

For that reason, he said Sen. John F. Kennedy of Massachusetts, the party presidential nominee, failed to get passage of several bills he wanted and didn't make good on promises to introduce others.

Kennedy has promised to carry his fight to the country.

Sen. Mike Mansfield of Montana, assistant Democratic leader, said in a separate interview that the session "has hurt Congress as a whole, but has hurt the Democrats the most."

* * *

Mansfield indicated he thinks President Eisenhower made some political gains by resubmitting his 21-point legislative program and demanding quick action on it—which he didn't get.

* * *

"But the President should tell the American people that what he advocated in that program not only unbalanced the budget for this fiscal year but for many years to come," Mansfield said.

Studio Suspends Film's Anne Frank

HOLLYWOOD (AP) — Actress Millie Perkins has been placed on suspension by 20th Century - Fox Studio for refusing a role.

The job: The lead in "Tess of the Storm Country." Miss Perkins' last film role was the lead in "The Diary of Anne Frank."

The studio said Tuesday the former New York model, now 22, had declined other roles in the two years since "The Diary of Anne Frank" was made.

Urges Campaign Truce

MIAMI (UPI)—The Miami Herald proposed editorially today that during Vice President Richard Nixon's hospital confinement, Democratic presidential hopeful Sen. John F. Kennedy declare a two-week campaign truce.

Spotted During Past 3 Months

'Sea Monster' Caught

REVERE, Mass. (UPI) — A giant "sea monster," apparently the one spotted by several fishermen in the past three months, has been harpooned and landed by a sport-fishing skipper, it was reported today.

* * *

The appearance of the creature landed by Capt. David T. Dionne tallied closely with descriptions given by fishermen.

Experts determined that Dionne's 1,800-pound catch was a huge ocean sunfish, possibly the second largest ever caught.

* * *

Sunfish are very rare, especially in waters off the New England coast.

Witnesses had described the "monster" as having two big eyes, giant fins and looking somewhat like an overturned whaleboat.

It usually remained still in the water "watching" those who saw it.

* * * *

The sunfish looks like a huge head with large eyes and fins. The one taken by Dionne was 7 feet long, 3 feet thick and 8 feet wide. Its color was gray with a white belly.

The Day in Birmingham

Church School Course Ready for 3-Year-Olds

BIRMINGHAM — The Board of Christian Education of the Congregational Church here will introduce a new church school course for 3-year-olds Sept. 11, it was announced today.

* * *

The course, "3's in the Christian Community," is the first unit of the United Church curriculum, which is being developed by the educational agencies of the Congregational Christian Churches and the Evangelical and Reformed Church.

Many pastors, teachers, parents and children, as well as Christian education leaders and experts in related fields, have made valuable contributions to the preparation of the curriculum.

The nursery course was written by Phoebe M. Anderson of Chicago, mother of three children and an authority in the field of nursery education.

* * *

The art work was prepared under the direction of James F. Wheufer of the Rhode Island School of Design, and marks a significant advance in the use of contemporary art forms in church school materials, according to the church board.

* * *

The United Church curriculum is the result of eight years of planning, involving over a million dollars in research and preparation, to provide effective, up-to-date church school material.

Mrs. Richard Doughton Jr.

Service for Mrs. Richard (Bernice) Doughton, 60, of 1055 Knox St., will be 3:30 p.m. Thursday at the Bell Chapel of the William R. Hamilton Co. Burial will be in Acacia Park Cemetery.

Mrs. Doughton died Tuesday in William Beaumont Hospital, Royal Oak, after a long illness.

* * *

She was a past president of the American Legion Auxiliary Department of California, member of the San Diego Unit No. 6 of the American Legion Auxiliary, and a member of OES Upland Chapter, Upland, Calif.

* * *

Her husband is an executive of the Jones and Laughlin Steel Corp. in Detroit.

Survivors include her husband, two sisters and two brothers.

Mrs. Albert E. Carlson

A Requiem Mass will be sung for Mrs. Albert E. (Frances) Carlson, 45, of 2652 Warwick Road, Bloomfield Hills, at 10 a.m. tomorrow at St. Hugo of the Hills Catholic Church.

A Rosary will be recited at 8 p.m. today at the William Vasu Funeral Home. Burial will be in Holy Sepulchre Cemetery.

Mrs. Carlson died unexpectedly of a heart attack Monday at William Beaumont Hospital, Royal Oak.

Surviving besides her husband are a daughter, Barbara Ann Carlson at home; a son, Thomas Patrick at home; a brother; and a sister.

Mrs. George Toomey

Service for Mrs. George (Cora) Toomey, 62, of 18151 Buckingham Road will be 1 p.m. Thursday at Bell Chapel of the William R. Hamilton Co. Burial will be in Acacia Park Cemetery.

Mrs. Toomey died Tuesday after a long illness.

* * *

She is survived by a son, John C. of Birmingham, and a grandson.

Theodore P. Christman

Service for Theodore P. Christman, 61, of 18175 Riverside Road, Beverly Hills, will be at 1 p.m. Friday at the Bell Chapel of the William R. Hamilton Co. Burial will be in Woodlawn Cemetery.

Mr. Christman died Tuesday in William Beaumont Hospital after a long illness.

* * *

He was vice president and a director of the C. W. Burke Co., general contractors. He had been with the firm since it organized in 1934.

Christman was a life member of the Red Run Golf Club and the Harmonie Society.

He is survived by his wife Bertha and a brother, Julius of South Bend, Ind.

Commies 'Seal Up' W. Berlin

BERLIN, Germany (UPI) — Western commercial airlines today ignored Communist warnings against flying West Germans into Berlin but the Reds made no attempt to interfere with traffic through the western air corridors.

Unusually heavy concentrations of Communist aircraft were reported today at Soviet airfields astride the air corridors leading to Berlin.

Two airliners, one from Hannover and the other from Frankfurt, landed safely at Berlin's Templehof Airport with more than 60 West Germans aboard.

FIRST TO ARRIVE

They were the first to arrive since the East German Communist regime announced last night it was closing Berlin to West Germans for five days.

The travel ban was aimed at breaking up a scheduled four-day rally here by refugees from the Communist zone.

The Reds charged the rally violated four-power agreements and set up special police checks on all road routes to the city.

Hails Pontiac Speed Watch

City Official Has Led Fight for Crackdown on Drivers

Commissioner Wesley J. Wood last night welcomed police plans to crack down on speeding in Pontiac with the help of a new mechanical device, called a "speed watch."

* * *

"I hope we catch a lot of these hotrodders who've been terrorizing our streets," said Wood, who has complained of speeding vehicles in his district for many months.

The device will be put into operation on residential streets soon after Labor Day, said City Manager Walter K. Willman.

Willman described it briefly. In advance of its first appearance:

The device is electrically and mechanically operated, consisting of two metal tubes laid on the pavement 22 feet apart, with a long cable attached to a mechanical stop watch-mileage indicator.

* * *

The cable allows police officers to operate the device 500 feet up the street from on-coming traffic.

When the device indicates an on-coming car is speeding, officers will flag it down and issue citations.

Manufactured in Marshall, the device is recognized by the courts and used by many police departments in the United States, said Willman.

Artificial Lake Eyed for Bald Mountain

(Continued From Page One)

to the State Conservation Commission for approval Sept. 8-9. The plans also require legislative approval.

The program for Michigan calls for a $1-million outlay next year to expand 15 existing parks and to create a 600-acre park along Lake Michigan near the Ottawa-Muskegon County line.

Another $2 million would be spent for construction and other improvements at 38 state parks and recreation areas.

* * *

Bonds would be retired with proceeds from a parks admission fee which will go into effect next year.

The conservation department was once contemplating a $5-million program next year with a number of other developments in Oakland County.

The legislature has approved a bond issue of up to $5 million a year.

But planned spending the first year was trimmed on the advice of bonding attorneys, said Elmer.

* * *

"They said we should limit the first bond issue since we don't know yet how much revenue we will realize from the admission fees," he explained.

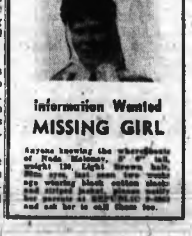

The fees are $2 a car per year or 50 cents a day for admission to major parks, including almost all Oakland County parks.

New Library to Be Ready by Mid-October

The city is planning an Oct. 15 opening date of the new Pontiac Public Library, according to City Manager Walter K. Willman.

He told city commissioners last night that the architectural firm of O'Dell, Hewlett & Luckenbach in Birmingham estimated the Civic Center structure will be completed about Sept. 30.

It may be possible to move in books, furniture and equipment within a two-week period, said Willman.

Pound Foolishness

Don't Gobble De Gook

By JOSEPHINE LOWMAN

Today all of us should be weight watchers! The correlation between the mortality rates and overweight are irrefutable. It is plain for all to see that we do not have nearly so good a chance to live a long life if we have too many pounds.

Therefore, it is surprising that many remain indifferent to the danger. A survey conducted by a leading manufacturer of low-calorie foods showed that almost half of the overweight men in the country pay no attention to their diets.

This same survey revealed that women tend to forget about dieting until bathing suit weather approaches, or after extra-indulgent winter holiday seasons. In between times they are apt to eat up some of the leftovers on Junior's plate and/or indulge in sweets and fattening foods.

It even has suggested that children's early eating habits may be contributing factors to heart and artery disease. Dr. Stanley M. Garn, anthropologist of Antioch College, reported at the White House Conference on Children and Youth, that our young folks may be eating their way to premature graves.

Certainly then, one of the homemakers' most important jobs is to feed her family well but wisely, and also pleasantly. Low-calorie foods are one of woman's greatest aids. I do not think that nearly enough women take advantage of them.

You can get powdered, fat free milk. You can buy water-packed fruits. The usual salad dressing and oils zoom the day's calorie count.

Today you can buy delicious ones, some of which have as few as two calories to the teaspoon or even one calorie to the tablespoon. These are delightful on salad greens and can be used for everything from barbecue to marinade for meat or fowl.

Substitutions in a few low-calories foods which we use constantly will give you a bit more leeway in other heavier caloried items.

If you would like to have my calorie chart, send a stamped, self-addressed envelope with your request for leaflet No. 36. Address Josephine Lowman in care of The Pontiac Press.

A survey has revealed that women tend to forget about dieting until bathing suite weather approaches, or after extra-indulgent winter holiday seasons.

Betcha You Waste Hours Each Week

By RUTH MILLETT

So you never seem to be able to find time for yourself, time to do the things you tell yourself you would be doing if there were only more hours in the day?

Come now, how many hours do you waste consistently week after week?

How much time do you waste each morning puttering around before you tackle the day's work?

How much time do you waste gossiping on the telephone every day?

How much time do you spend in doing things for your children that they could and should be doing for themselves?

How much time do you spend running to the grocery store because you rarely plan more than one meal at a time?

How much time do you spend chauffering your children on trips which aren't necessary to their welfare?

How much time do you spend watching TV westerns, private eye and variety shows that contribute absolutely nothing to your life outside of helping you "kill" an evening?

How much time do you spend going to meetings of clubs and organizations that give you nothing and are actually boring?

How much time do you spend running errands that could be handled over the telephone?

How much time do you spend "shopping around" for things that you really could buy in a few minutes?

How much time do you spend going places you don't really want to go and seeing people you don't really enjoy because you have never learned how to say "No?"

If you don't have a minute for yourself chances are it's because you are wasting hours every week.

For happy solutions to some of the problems in husband-wife relationships order your copy of Ruth Millett's new booklet, "How to Have a Happy Husband." Just send 25 cents to Ruth Millett Reader Service, care of The Pontiac Press, P. O. Box 489, Dept. A, Radio City Station, New York

Queen's Ball to Kick Off Romeo Festival Friday

Pontiac Press Photo

TENSE MOMENT — Rehearsing a gripping scene for the Romeo Players' forthcoming production of "Furned Oak" by Noel Coward are the four members of the cast. They are, from left, William Jackson, Mrs. Gordon F. Wilkinson, Mrs. Andrew Downey and Martha Newlin. Directed by J. Gerald McLean, the play will be presented during the Romeo Peach Festival Saturday evening at the junior high school. The Avon and Clawson players also will participate in the Theater Night program.

Annual Event Features Parades, Dances, Plays

ROMEO — Colorful parades, dances, plays and an impressive coronation ceremony will be features of Romeo's 28th annual Peach Festival celebration this weekend.

The three-day program officially opens Friday night with the Queen's Ball at the Romeo Community Youth and Civic Center.

The dance begins at 9 p. m. and leading the grand march will be the 1960 Romeo Peach Queen, Jo Ellen Schafer, 17, of Rochester and her escort.

They will be followed by the queen's two maids of honor, Barbara Coe, 19, of Waterford Township, and Barbara Wittke, 17, of Utica, the other eight members of the court and their dates.

The carnival opens at noon Saturday at the Lions Community Field, free variety acts will be staged on the reviewing stand at 7 p. m.

★ ★ ★

Highlight of the first full day's program will be the presentation of three one-act plays in the Romeo Junior High School auditorium Saturday evening.

Participating will be the Avon, Clawson and Romeo players. Curtain time is 8:15 p. m.

Homecoming and special services will be held in local church Sunday morning. At 2 p. m. the free acts will be staged again at the Lions Field.

WATER FIGHT NEW

A new attraction this year will be a water battle between the Romeo, Washington and Oxford fire departments on W. St. Clair street. It will start at 3 p. m.

Beauty and pageantry will mark the coronation of the queen in Romeo's Memorial Stadium on Morton street Sunday evening.

Close to 1,000 spectators are expected to witness the ceremony, beginning at 8 p. m. Also taking part will be some 22 local youngsters, who will serve as attendants to the queen and her court.

★ ★ ★

U. S. Rep. James G. O'Hara, D-Macomb, will preside at the crowning. He will be introduced by Emcee Gary Corbin, local attorney.

Monday will be parade day in Romeo. The Children's Parade is slated for 10 a. m. and the giant Floral Parade at 2 p. m.

Some 30,000 visitors traditionally jam the roads to Romeo to be on hand for the afternoon parade, which promises to be "bigger and better tha never," according to Al Falk, parade chairman.

★ ★ ★

Included in the line of march will be some 30 gaily decorated floats, a number of beauty queens from both Macomb and Oakland counties, some 10 high school bands and marching units from all over Southern Michigan.

All three days there will be exhibits and displays open in business places in the heart of town, and churches and local organizations will be serving light refreshments.

The final event of the annual celebration will be a spectacular fireworks display at the Lions Field at 9:30 p. m. on Labor Day.

Area Exhibitors Ready for State Fair Showing

Over 135 Oakland County exhibitors will enter the 111th annual Michigan State Fair which gets under way following a giant hour-long parade tomorrow night.

Starting at 8 p.m. in downtown Detroit, the parade will move toward the fairgrounds where Gov. G. Mennen Williams will preside at traditional ribbon-cutting ceremonies.

A free band concert, grandstand show and crowning of Mrs. Michigan State Fair will be presented at 9:30 p.m.

A record-breaking crowd of 850,000 is expected for the fair's 10-day run by Donald L. Swanson, State Fair general manager and Southfield mayor.

"With a break in the weather, we should exceed all other years," Swanson predicted. The attendance mark of 821,656 was set in 1956.

A good share of Swanson's optimism is based on the fact that the opening parade, formerly held at noon Friday, is scheduled one night earlier than usual this year.

This will allow the turnstiles to start clicking at 8:30 a.m. Friday when exhibit buildings will be opened.

Friday has been designated as Children's Day with Saturday set aside as Veteran's Day.

The Rt. Rev. James A. Pike, bishop of the Episcopal Diocese of California, will deliver the 8 a.m. sermon at the 10th annual sunrise service Sunday.

The title of Miss Michigan State Fair will be bestowed by Gov. Williams next Wednesday.

Competing will be Romeo Peach Queen Jo Ellen Schafer, 17, of Rochester; Michigan Hothouse Rhubarb Queen Patricia Leidhold, 17, of Utica; Barbara Coe, 19, Miss Waterford Township and other area title-holders.

Next week's highlights also include a 250-mile stock car race, fireworks displays, and a stage show headlined by singing star Pat Boone.

Days also have been set aside to honor labor organizations, fraternal clubs, agriculture and senior citizens.

Chipman-Moskow Wedding

Give Promises in Utica

ROMEO — The First Baptist Church here was the setting for the recent wedding of Barbara Lynne Moskow and Clark Evans Chipman who repeated their vows before the Rev. Ralph D. Rhodes of Utica.

The bride is the daughter of Mr. and Mrs. Arthur Moskow of 132 Sisson St. The bridegroom's parents are the Hobart A. Chipmans of Battle Creek.

For her wedding the bride chose a white Chantilly lace gown fashioned with a bateau neckline, long sleeves and a full skirt with pointed pearls mounted on soft tulle.

Her illusion veil was fingertip length, and she carried a bouquet of glamellias atop a white Bible.

Janet Jacob was matron of honor. Bridesmaids were Victoria Chipman of Battle Creek, sister of the bridegroom, and M. Diane Dorland of Albion.

MRS. CLARK E. CHIPMAN

Assisting his brother as best man was John Chipman of Milwaukee. Seating the guests were Murray Renfrew of Huntington Woods, Edward Scheidler of Pontiac, William E. Cooper of Ann Arbor and Charles Sprandel of Albion.

Sally Perry was flower girl, and John Sieweke carried the rings.

The Moskows' summer home on Cisic Lake was the scene of the lawn reception that followed the rite. The newlyweds then left on a honeymoon trip to Northern Michigan.

They will live in student housing on the campus of Albion College.

Clifford School Adds Teacher for Fall Term

CLIFFORD — Mrs. Clara Gyomory of North Branch has been added to the faculty at Clifford School which opens for the year at 9 a. m. Tuesday.

Others on the staff are Clifford Lamie of Marlette and Burniece Moore of North Branch. Clifford resident James Teague is caretaker.

Pontiac Twp. Sets Registration Hours

PONTIAC TOWNSHIP — A special time schedule has been established for voters here who wish to register for the Nov. 8 election, according to Township Clerk Greta V. Block.

The township hall at 2080 Opdyke Road will be open from 9 a. m. to 8 p. m. on Mondays and from 8 a. m. to 5 p. m. on other weekdays.

In addition to these hours, Mrs. Block will accept registrations at her home, 734 S. Squirrel Road, until 9:30 p. m. daily, she said today.

Opening Delayed for Union Lake Primary School

Students who will attend Union Lake Elementary School in the Walled Lake District do not have to return to classes until Sept. 12, two days later than originally scheduled, it was announced today.

★ ★ ★

The delay in beginning regular classes, according to school principal Robert Gotsey, is caused by unfinished work in constructing eight new classrooms and remodeling within the building.

Classes had been planned to start Sept. 8 and 9, he said.

Armada Wife Stabs Husband With Glass

ROMEO — An Armada Township man was stabbed in the chest by his wife with a piece of broken glass here yesterday afternoon when he attacked her with a board.

★ ★ ★

In Community Hospital near Alfmont for observation were Oscar Murdock, 61, and his wife, Katherine, 46, of 73855 Coon Creek Road.

The family fight began behind the Thrift Shop, 218 N. Main St. When Murdock came at his wife with a board.

His wife picked up the glass and stabbed her husband in the chest, puncturing his lung, Romeo police reported.

★ ★ ★

Mrs. Murdock suffered a slight concussion from the attack.

Both state and local police have records of trouble between the pair.

Cave-In Victim in Fair Shape

Sand Wall Gave Way Trapping Man for 15 Minutes at Troy

TROY — Frantic rescue efforts by fellow workers saved a 30-year old Detroit man who was trapped for 15 minutes in a cave-in here yesterday.

★ ★ ★

The victim, Woodrow Williams, an employe of the Motor City Excavating Co. of East Detroit, was feared to have suffered a crushed chest, according to police.

Nurses at St. Joseph Mercy Hospital said Williams was in fair condition today.

Williams was working in a 14-foot ditch on Lanergan Street near Adams Road when a wall of sand gave way, burying him chest deep.

While two men supported another wall that threatened to collapse, Williams' fellow workers hurriedly dug him out. He was rushed to the hospital by Troy police.

★ ★ ★

The men were installing a water pipe line in the ditch where the accident occurred.

Luncheon to Welcome Baldwin School Faculty

ROCHESTER — A welcoming luncheon for Baldwin Elementary School employes and faculty members will be held at 1 p.m. Friday at Goodison Methodist Church.

The luncheon is sponsored by the executive board of the Baldwin PTA.

Suspect Arson as Flare is Found

$20,000 Fire Guts Oxford Bar

By DON FERMOYLE

OXFORD — Arson is suspected as the cause of a $20,000 fire which gutted the interior of Jim's Bag at 13 S. Washington St. here early today.

No one was reported injured in the blaze. But three families, including a one-year-old boy, were evacuated from upstairs apartments by firemen.

The fire department arrived at the scene shortly before 4 a.m. to find the back of the building in flames. They fought the blaze for two hours.

An extra truck was called from the Lake Orion Fire Department with equipment to help remove smoke from the building.

The blaze was brought under control before it could spread to two adjoining businesses, the H. A. Fritz realty office and the Grove Dime Store.

Mr. and Mrs. William Perry, an elderly couple who live directly above the bar, were roused from sleep and taken from their smoke-filled apartment.

Also evacuated were Mr. and Mrs. Alton Smith and Mr. and Mrs. Martin Barr and their one-year-old son. The two families also lived upstairs.

Patrolman Ray Johns reported the fire at 3:48 a.m. while he was making his rounds on Washington Street.

The owner, Leo Reddy of 530 Indianwood Road, Lake Orion, told police that everything was all right when the bar was closed at 3 a.m.

Oxford Fire Chief Ellsworth Sage reported that a street flare was found at the rear door after the blaze was put out.

Workers from a village public works crew said that an oil-burning flare, which had been left across the street from the bar yesterday, was missing today.

Investigation of the arson motive is being continued, Sage said.

Sage estimated the damage to the building and bar equipment.

To Pave Way for Interceptor

Talks Slated on Drain

SOUTHFIELD—Negotiations now are under way between a 3-man committee, appointed by the City Council Monday night, and Detroit to pave the way for construction of the Eight Mile storm drain.

This would put into operation the completed Evergreen Interceptor, city officials said today.

Upon the recommendation of Mayor L. Swanson, the Council appointed City Administrator Robert J. McNutt, Council President C. Hugh Dohany and city attorney James C. Allen to work out an agreement on the storm drain.

They also will try to arrange to have Detroit accept and treat sewage from the $7-million Evergreen Interceptor.

Swanson pointed out that Detroit may share in the cost of drains from Oak Park and Southfield. These would catch storm water running over Eight Mile Road from Oak Park and Southfield and flooding basements in Detroit.

Swanson added that Glenn C. Richards, Detroit Department of Public Works director, told him and Allen Monday afternoon that he would recommend to Detroit's City Council that it approve paying a share of the cost of the proposed drain.

"I consider this offer a major breakthrough on the Eight Mile project because this is the first time Detroit has ever indicated it has responsibility in financing the cost of such a drain," said Swanson.

ELIZABETH ANN PENCE

Mr. and Mrs. Ira W. Pence of 9260 Ortonville Road, Independence Township, announce the engagement of their daughter Elizabeth Ann to Royce Landon, son of Mr. and Mrs. John R. Landon of 7405 Bridge Lake Road, Independence Township. No wedding date has been set.

Market Takes 5th Straight Fall

NEW YORK (AP)—The stock market headed lower early today in the fifth straight session of backtracking from its August top. Trading was moderate.

★ ★ ★

Most key stocks fell from fractions to about a point. A few specially situated issues advanced.

A jam-up of orders still delayed trading in Telautograph and comptometer.

Just before last night's close Telautograph was traded on a large block of 20,000 shares, up 6½ at 94 and in later trades on the Pacific Coast Exchange it closed at 93.

Comptometer, which was Monday's most active stock, remained held up.

★ ★ ★

Steels, autos, rubbers, aircrafts, utilities, chemicals, electrical equipments, rails and most oils declined.

Anderson-Prichard Oil gained about a point following news of arrangements to sell its assets to several companies at 80, less costs of the transaction. The stock closed yesterday at 44½.

Lionel sparred more than a point. Du Pont dropped more than 3, Ford more than a point.

★ ★ ★

Fractional losses were taken by General Motors, U. S. Steel, American Telephone, Kennecott, American Cyanamid and Southern Railway.

Air Reduction, Eastman Kodak and Union Carbide were off about a point each.

Congress Okays Ike's Requests

President Gets Nearly All Money Asked but Not as Specified

WASHINGTON (AP)—Congress has appropriated 99.6 per cent of the money total President Eisenhower asked this year—but not always for the programs he specified.

★ ★ ★

A net cut of about 300 million dollars in Eisenhower's requests compares with a reduction of about two billion dollars from the amounts he asked in appropriations last year.

★ ★ ★

With 18 of the 19 money bills out of the way, the President has been given only $301,544,748 less than the $73,773,683,759 he requested. The one remaining supplemental bill will not substantially alter the picture, since it does not involve a large sum.

★ ★ ★

Congress cut heavily on foreign aid, military construction and agriculture appropriations, but sharply increased allotments for national defense and public health programs.

Last year, during its first session, the present Congress cut about two billion dollars from the President's requests for new appropriations.

Named Assistant to Juvenile Court

Gov. G. Mennen Williams announced the appointment Tuesday of Nancy A. Izak, 21, as assistant county agent in the boarding home department of Oakland County Juvenile Court.

★ ★ ★

Miss Izak of 24654 Hill St., Warren, was recommended for the appointment by Probate Judge Arthur E. Moore last week.

★ ★ ★

She succeeds Alphonse Burter who resigned. The term expires when a successor is appointed.

★ ★ ★

The county worker graduated in June from Michigan State University. She studied psychology and sociology.

Predicts Dick Takes Most Southern States

RICHMOND, Va. (UPI)—Sen. Barry Goldwater, R-Ariz., predicted Tuesday Vice President Richard M. Nixon will carry all but two Southern States in November.

★ ★ ★

He said the ailing Nixon was "a better candidate lying on his back than Sen. Kennedy is waltzing all over the country."

★ ★ ★

Goldwater also told audiences in Norfolk, Charlottesville and Richmond the Republicans believe in "all the things the Democrats used to believe in."

Enough iron ore has been taken from the Lake Superior district to fill an ore train long enough to circle the earth almost 10 times.

AP Photofax

CROSBYS OFF FOR ROME—Bing Crosby and his wife Kathy board a jet airliner in Los Angeles Tuesday for a polar flight to Rome and a look at the Olympic games. They plan a short European vacation after the games and then a return to America in time for the World Series in which Crosby hopes to see the Pittsburgh Pirates, of which he is part owner, participate.

Boss of State Police Detectives to Retire

LANSING (AP)—After 25 years as a crime buster, Capt. Tom Grant is calling it quits.

The big, silver-haired chief of detectives for the Michigan State Police will retire in a few days as boss of 46 of the state's top crime solvers. At 49, he will head for Tucson, Ariz., and start a new career in private industry.

For publicity purposes, Grant's quarter-century career with the state police is pretty much a closed book.

"I've had my share of tense moments," he said, but balked at discussing his exploits as the man who coordinates and directs all state police investigations.

★ ★ ★

Last September, he called the shots in the search for the body and killer of Trooper Albert Souden.

After four days of questioning, Alvin W. Knight, an ex-convict, led police to the body, hidden in dense brush around Argentine near the Livingston-Shiawassee County Line. The discovery ended one of the most intensive searches in state police history.

Grant also helped unravel the threats in the love-triangle killing last year of Parvin (Bill) Lassiter, a wealthy Royal Oak used car dealer found murdered along U.S. 12 near Willow Run Airport.

If Grant won't talk about Grant, his boss, Police Commissioner Joseph A. Childs, is eager to oblige.

"Tom Grant is an unusually capable administrator and a dedicated policeman," said Childs, who was a trooper with Grant in East Lansing in 1937.

"He is aggressive and outspoken," said Childs, "and those who work with him always know where they stand."

Since promotion to chief of detectives two years ago, Grant has improved the use of scientific laboratory methods in crime detection and runs his department with sharp efficiency.

Special Session for Medical Bill?

Williams Would Call Legislators Back if Necessary for Aged

LANSING (AP) — The medical-care-for-the-aged issue threatened today to interrupt fall campaigning of Michigan lawmakers for a special legislative session.

★ ★ ★

Gov. Williams said Tuesday he will call legislators back to Lansing if this proved necessary to avert loss of "substantial" benefits to aged persons — but was by no means sure state action is required.

★ ★ ★

The governor was asked about legislation approved earlier this week and routed to President Eisenhower for his expected signature in a few days. The bill is effective Oct. 1.

"We do not want to delay by a single day or forego a single dollar of medical help for our aged," the governor said.

★ ★ ★

In a subsequential discussion with newsmen Williams said a copy of the bill had not yet reached Lansing and that there were many unanswered questions.

★ ★ ★

One guess put the possible benefit potential for Michigan from the federal bill at $4 million for 61,000 old age pensioners plus $3,000,000 for the medically indigent —provided the state agreed to bear one half the extra expense.

★ ★ ★

In order to clarify the picture, the governor set up a huddle Friday with Atty. Gen. Paul L. Adams, State Welfare Director W. J. Maxey, Prof. Wilbur J. Cohen, a University of Michigan expert, and Lt. Gov. John B. Swainson.

Marshall New Defenses Against Killer Storms

By JERRY BENNETT

WASHINGTON (NEA)—The U.S. Weather Bureau is marshaling new defenses against hurricanes. They promise to give greater protection this year from the killer storms than ever before.

Special storm tracking equipment, faster warning systems and improved disaster preparedness plans for coastal communities are being used for the five-month hurricane season which started June 15.

When the season ends in November, new high powered radar installations will have been established in 11 cities of the Atlantic and Gulf Coasts, if construction goes according to schedule. These cities are Miami, Washington, New York, Brownsville, Tex., Wilmington, N.C., Atlantic City, Charleston, S. C., Daytona Beach, Fla., Apalachicola, Fla., Key West, and Tampa.

The new radar is known as the WSR-57 and is the first unit designed exclusively for tracking storms. The initials stand for Weather Search Radar. The number "57" designates the year it was invented.

The Miami unit, which was completed the middle of June, is already in operation. Twenty-eight more will be installed throughout the country by next summer.

★ ★ ★

Until this year, weather forecasters have had to rely on converted aircraft detection radars to locate and track hurricanes from the ground. These units often proved too weak to do a thorough job.

The only ground radar sets considered powerful enough have been three Navy installations on the Atlantic Coast. This number, however, hasn't been sufficient to provide adequate coverage for the hundreds of communities extending from the Florida Keys to the top of Maine and along the Gulf Coast.

But by next summer, WSR-57s will be strategically placed the entire length of the Atlantic and Gulf Coasts so that meteorologists can constantly track all hurricanes in that area. Others will be erected in Western and Midwestern states to locate cyclones, tornadoes and other types of storms.

The WSR-57 has a range of about 250 miles. It is powerful enough to enable meteorologists to plot the exact size of a hurricane. It may cover from 25 to 500 square miles.

The new radar also reveals where, within the storm area, the heaviest rains are located. Forecasters are thus able to estimate which communities will be in danger of flooding rains when the storm reaches land.

★ ★ ★

Norman Matson, chief of the Weather Bureau's Emergency Warning Section, explains that WSR-57s will not eliminate the need for hurricane reconnaissance aircraft in tracking the deadly winds.

"You can't afford to put all your eggs in one basket," he declares. "A hurricane's danger to life and property is so great that we must use all available sources of observation to make the best possible forecast."

He explains that the major benefit of ground radar units is to enable meteorologists to keep a constant check on storms. Planes can't provide this steady check since they must return to their bases for refueling.

But Matson adds: "The aircraft obtain additional information that radar can't give. This includes the strength and distribution of the winds and the value of the low pressure in the center of the storm. This data is necessary for forecasting and warning."

Gathering information is just half the job of tracking hurricanes. A forecaster must also know how to use the data properly in order to predict accurately where the storm will strike.

To help insure that predictions are correct, forecasters will use three different mathematical systems this year to analyze the data. In past years, they have used only two. Matson says this triple cross-check will reduce the chances of error.

Another Weather Bureau advance in combating hurricane disasters is a geographic study now under way of Atlantic and Gulf Coast Communities. Purpose is to determine to what extent each town would be covered with water in case of tidal floods.

These catastrophies, caused by gigantic hurricane-driven waves and high tides, are considered a major storm hazard. Information gained from this study will help coastal towns map better emergency evacuation plans.

As a further aid, Weather Bureau officials recently completed a model hurricane emergency plan for communities to use as a guide in devising their own. It has been sent to local weather stations and civil defense units.

Seafarers Beat Hoffa With Big Lake Fleet

DETROIT (UPI)—The Seafarers International Union (SIU) boasted today that it "scuttled" an attempt by Teamsters Union President James R. Hoffa to "gain a toehold on the Great Lakes."

SIU officials reported that a National Labor Relations Board (NLRB) election established their AFL-CIO union as bargaining representative for the 19-ship Boland & Cornelius lake fleet.

The vote was 277 for the SIU, 177 for the Teamsters, with 13 votes for no union and one ballot voided, the Union said.

Adlai Will Sub for Ailing Nixon at Bar Dinner

WASHINGTON (UPI)—Adlai E. Stevenson will substitute for ailing Vice President Richard M. Nixon as principal speaker at the American Bar Association's annual dinner tonight.

Nixon had to cancel his engagement because of knee trouble that hospitalized him. The dinner will be held in two sections in downtown hotels.

Secretary of State Christian Herter will speak at one hotel, Stevenson at the other.

AP Photofax

CAUGHT IN RIVER—Dom Esposito, left, and Police Chief Jesse Walling, both of New Castle, Del., look over a 6½-foot shark caught by Esposito in the Delaware River south of New Castle Sunday. Chief Walling and two others were in the boat when Esposito took the 200-pound shark on light fishing gear. A Coast Guard patrol boat reported sighting another large shark nearby on Monday. Swimming in the area has been restricted.
