

## Birmingham Sets June 7 for Special Assessment Hearing on Parking Lot

From Our Birmingham Bureau  
BIRMINGHAM—The city commission set a June 7 preliminary hearing last night to develop plans for a special assessment district providing for an approximate 200 car parking lot in the southwest section of the city.

As presented in an outline by city assessor Elmer Haack, costs totaled \$227,000, with \$200,000 for acquisition of the land, which is bounded by the Detroit Edison Co., Merrill, Pierce, and Brown streets.

The other \$27,000 would be used to prepare the lots for parking use.

Haack said meetings have been held with the parking committee, headed by Victor Koch, and with affected property owners, headed by Edward Rothman. The method of assessment has been approved by these groups, but there was some question as to the spread of assessment.

As set up, 50 per cent of the cost would be paid for from parking meter revenues, and the other half by special assessment.

The assessment was spread on a basis of 15 per cent each for land on a frontage basis and land on an area basis, and the other 20 per cent on existing commercial buildings, on a floor area basis.

The area the assessment district covers includes Maple from Woodward to Chester, south on Chester to Martin, east to Henrietta, south to a point south of Brown, east and south to the north line of Ann, over to Woodward, and north to Maple.

At the recent annual meeting of Rotary Anns, Mrs. Fred Rollins was elected to wield the gavel for the coming year, assisted by Mrs. Glenn Waggoner Sr., first vice president, and Mrs. Arthur Blakeslee, second vice president.

Others who will take over duties in the fall are Mrs. R. C. Nordstrom, secretary, and Mrs. Dwight B. Ireland, treasurer. Committee chairmen are: Mrs. John Maynard and Mrs. John Waikevalinen, programs; Mrs. J. P. Neff, house; Mrs. Matthew Cammareri, courtesy and Mrs. Edwin F. Kirbert, crippled children.

"Before you invest, investigate," was the advice offered today by Charles Mortenson, Chamber of Commerce manager, in a warning to residents to use care before purchasing from door-to-door salesmen.

The top soil, peat moss, rugs, magazine subscriptions or services they offer usually can be obtained from a local merchant, he said, "in a good or better quality for the same or less money."

Board of Education members will attend tonight's Torrey School PTA meeting to discuss the proposed \$3.5 million bond issue, which would provide a new junior high school and an addition to Birmingham High School with no increase in taxes.

In addition, officers for next year will be elected at the meeting at 8 p.m.

Degrees will be awarded to 29 Cranbrook Academy of Art students in exercises to be held at 3 p.m. Friday at the academy museum, Zoltan Sepesdy, director has announced. The principal speaker will be Harry D. Hoey, headmaster of Cranbrook School.

An awards dinner of the entire student body will be held Wednesday, followed by a preview of the annual student exhibition in the museum which will open Thursday. The display will continue daily from 2 to 5 p.m., except Mondays, for six weeks.

Past Matrons met for a pot luck luncheon this afternoon at the home of Mrs. Melvin Uppliger.

The 66 building permits issued in April almost doubled the number for the previous month, but Building Inspector T. C. Brien's quarterly report shows a total of 162 permits this year, as against the 200 for the first four months last year.

Brien estimated \$470,585 as the valuation for the 66 permits, which included 23 new garages, 16 single family residences and 13 single family home alterations.

A 15-game schedule is in prospect for each of the six teams in the YMCA Softball League, with the season opening June 1. The first round will end June 15, the second July 1, and the third July 20 with play-offs starting July 27. Each team will sign 15 players. Those interested may contact the Y.

Team managers are: Charles Sneed, Michigan Bell; Jesse Pearce, Detroit Edison; Tom Roth, Birmingham Merchants; Robert Folin, Electronics Service; Hap Rosborough, Sam Reeves Service, and Ed Murphy, Fabricators, Inc.

will be presented by the 83-voice choir of Birmingham High School at the school gym at 8 p.m. today.

Directed by Victor Ulrich, the concert will feature the Madrigal group of eight boys and girls, and will include sacred and secular music.

Julia Ellen Zoller

Funeral service for Julia Ellen Zoller, 2-year-old daughter of Mr. and Mrs. Jacob J. Zoller Jr., 1186 Chapin St., will be at 10:30 a.m. tomorrow at Our Lady Queen of Martyrs Church, with burial in Holy Sepulchre Cemetery. The body is at the Manley Bailey Funeral Home.

The child died yesterday after a short illness. Besides her parents, she is survived by a twin sister, Judith Elaine, another sister Rosemary, a brother Mickey, and her grandparents, Mr. and Mrs. Walter High of Birmingham and Mr. and Mrs. Jacob J. Zoller, of Milwaukee, Wis.

John R. Smith

Funeral service for John R. Smith, 68, of 1829 Norfolk, will be held at 8:30 tonight at the Sullivan and Son Funeral Home, Royal Oak. Requiem Mass will be sung at 9:30 a.m. Wednesday at Our Lady Queen of Martyrs Church, with burial in Holy Sepulchre Cemetery. He died Sunday in a Detroit hospital.

Surviving are his widow, Melie, a daughter, Mrs. C. E. De Marois, of Detroit, a son, John R. Jr., and a stepson, Edward J. Sarnowski, both of Royal Oak, one brother, and two sisters.

## Two Latin Nations Get U. S. Arms Aid

(Continued From Page One)  
Gringa (Xankee) to North American women.

Developments have piled one upon another since the State Department last week announced the arrival of a freighter-load of arms at a Guatemalan port. The department said they were loaded at Stettin in Communist Poland.

That shipment reportedly was the equivalent of 70 freight cars and worth 10 million dollars. More arms were said to be on the high seas bound for Guatemala, which this country has charged with following the Communist line. Guatemala's foreign minister denied this emphatically.

Of the original shipment, Toriello said: "The equipment Guatemala has bought will never be used for anything else than to maintain internal peace."

Toriello said he had had friendly talks on many questions with Ambassador Paurifoy in the course of a conference yesterday. And Toriello left the impression he was optimistic that Guatemala's relations with the United States might improve.

State Department officials made it plain the double-quick movement of military equipment to Nicaragua and Honduras is a special effort prompted by Guatemala's arms acquisition. It is being done under the authority of recently signed mutual defense agreements.

Officials said the first American shipments were ticketed for air movement, with further cargoes going by sea.

Details of the actual movement were cloaked in military secrecy. It was understood the equipment had been assembled somewhere in Georgia. The exact amounts were not disclosed.

Officials said two big Globemaster transport planes were loaded for the high-priority delivery.

## June 4 Deadline for Registration

(Continued From Page One)

tax at about 13.45 mills for the next 10 years — about 4.25 mills higher than this year's tax, costing the average home owner another \$14 or \$15 a year.

School men say the tax would raise enough to build \$9,000,000 worth of new buildings and let the school district keep its present full-day school program without cutting corners.

School officials say they can't keep full days of school unless voters okay a higher tax to help pay day-to-day costs like lights, heat, salaries, textbooks and other supplies.

The school district will be \$685,000 in the red on this day-to-day costs by July 1, 1955, school officials say.

MRS. KATHERINE G. HOWARD

## CD Leader to Speak at Kingswood School

BLOOMFIELD HILLS — Mrs. Katherine G. Howard, deputy administrator of the Federal Civil Defense Administration, will be the commencement speaker at the June 12 Kingswood School exercises, Marion Goodale, headmistress, has announced.

A graduate of Smith College, Mrs. Howard is the first woman to hold a delegate position in the North Atlantic Treaty Organization, and is currently attending the NATO Civil Defense conference in Paris as the U.S. representative. Mrs. Howard was secretary of the Republican National Convention in 1952.

## Pontiac Deaths

Mrs. James Baylor

Mrs. James (Estelle) Baylor, 58, of 411 Harvey St., died in Pontiac General Hospital at 3 a.m. Monday.

Born at Lafayette, Ala., July 23, 1895, she was the daughter of Dave and Noma Whitlow Clark. She married Mr. Baylor at Birmingham, Ala., in 1915, and came to Pontiac from Culp, Ill., 17 years ago.

Mrs. Baylor was a member of the Newman A. M. E. Church and Rose of Sharon Court 471 Knights of Pythias. Besides her husband she is survived by three sons and two daughters, Paul and Mrs. Jennie Hicks, of Pontiac, and Henry, Noma and Louis at home.

Also surviving are three brothers and two sisters, Arthur Clark, of Danville, Ill., Walter, of Chicago, Dave Jr. and Mrs. Leslie Pruitt, of Cleveland, and Mrs. Hattie Mae Keith, of Detroit.

The body will be taken to the Newman A. M. E. Church Friday from the Frank Carruthers Funeral Home for service at 2 p.m. The Rev. J. Allen Parker, her pastor, will officiate. Burial will be in Oak Hill Cemetery.

Walter A. Fisher

Funeral service for Walter A. Fisher, 59, of 841 1/2 Baldwin Ave., a retired druggist, will be held Wednesday at 2 p.m. from the Donelson-Johns Funeral Home. The Rev. Herbert E. Ryan, of the Baldwin Avenue Evangelical United Brethren Church, will officiate. Grave service at Perry Mount Park Cemetery will be under the auspices of Pontiac Lodge 21, F&AM, of which he was a member.

Born Aug. 8, 1894, he was the son of John and Jennie Long Fisher.

Surviving are his mother in Butler, Ohio, and a sister, Mrs. Edna Oswalt, of Toledo.

William L. Leach

After a prolonged illness, William L. Leach, 86, of 35 Dwight St., died at his home at 5 p.m. Monday.

Born at Pillen, Que., May 25, 1867, he was the son of Wolcott L. and Martha Ann Collis Leach. He came to Pontiac 39 years ago from St. Louis, Mich., where he married Eva C. Merrill in 1919.

He was a member of Pontiac Lodge 810 BPOE and a past exalted ruler of that lodge and Pontiac Lodge 19, Knights of Pythias. Besides his widow he is survived by two sons and a daughter, the Rev. Harold G. Merrill, of Roseville, and Robert R. Merrill and Mrs. Harold Mock, both of Pontiac, and six grandchildren.

The Rosary will be said Thursday at 8 p.m. in the DeWitt C. Davis Funeral Home. The Elks will hold a lodge of sorrow at 8:30 p.m. Wednesday.

The funeral will be held Friday at 9:30 a.m. from the St. Vincent de Paul Church. Burial will be in Ottawa Park Cemetery.

Mrs. John D. Ward

Mrs. John D. (Cynthia Alice) Ward, 73, of 208 W. Howard St., died at 3:30 p.m. Monday after a prolonged illness.

Born March 27, 1881, she was the daughter of William and Anna Bailey Evans. She married Mr. Ward in Tennessee in 1900 and came to Pontiac 13 years ago from Farmington.

Besides her husband she is survived by a daughter and two sons, Mrs. Mary Gjurinovic, of Royal Oak, Harold W., of Louisville, Ky., and John D. Jr., of Baltimore, Md. Also surviving are 12 grandchildren and two great-grandchildren.

The funeral will be held Thursday at 2 p.m. from the Pursey Funeral Home. The Rev. Mrs. Lola P. Marion, of the Christian Temple, will officiate. Burial will be in White Chapel Memorial Cemetery.

## Nurse Sees Courage Among the Dying

(Continued From Page One)

for the increasing numbers of wounded was in itself a miracle.

"I think we saved the maximum number of lives. We had not enough blood plasma."

Lt. Terraube said as the defense situation of the fortress worsened and strongpoint after strongpoint fell under the Vietminh attacks there were many officers in the fortress who wanted to try to counterattack en masse to "break out of that hell."

"But the physical state of the men after so many days and nights of constant battle and their extreme fatigue forced the abandonment of the idea," she said.

The nurse admitted she wrote a letter containing "birthday greetings" to Vietminh leader Ho Chi Minh, who was 54 May 19, from one of the tents where she tended French Union wounded.

In reply Ho Chi Minh ordered her "immediate liberation."

The Peiping Radio told the world of that exchange.

A Vietminh officer notified the nurse Friday she would be released.

Asked why she had written to Ho, the nurse said: "I have nothing to say, I am afraid that why I wrote to him would be misunderstood."

She spoke of the French commander of the fortress, Brig. Gen. Christian de Castries, declaring he was "very calm and confident" right up to the time the Vietminh stormed into his own command post.

"I know that he is a prisoner of the Vietminh, but I do not know where he is," she said.

Lt. Terraube was smiling broadly last night when she first landed in Luang Prabang. Sister nurses crowded about, weeping with excitement, to embrace her. Comforting them, she said:

"All right. Don't cry. It was not that bad at all. Everything is quite all right."

She embraced the nurses and kissed the top French officers in charge of the Luang Prabang airstrip.

Her arrival at Hanoi caused a near clash between French airport guards who ringed her plane as it stopped and newsmen and photographers. As the correspondents rushed in, the guards suddenly fixed bayonets and prodded at them.

The nurse saved the day by agreeing with a smile to talk to the newsmen and pose for pictures. The brave young nurse already has received high honors for her heroism at Dien Bien Phu. Gen. De Castries planned two of France's most cherished medals on her during the height of the battle. Other countries also bestowed their honors.

At the meeting of the League of Red Cross Societies at Oslo, Norway, Greece proposed yesterday that the board of governors send "warmest congratulations" to the nurse. A Greek delegate said she had "shown herself worthy of the example set by Florence Nightingale."

The French have airlifted 572 of the wounded from Dien Bien Phu. This left 313 yet to be removed.

Helicopters and light single-

engined planes are landing every 20 to 30 minutes at Luang Prabang, each with up to six wounded men. These are transferred to large hospital planes for the flight to Hanoi.

## Bloomfield High School Bids Received Monday

BLOOMFIELD HILLS — Bids were received Monday night for the \$1,500,000 high school. Contracts will be awarded next Tuesday.

Supt. of Schools Eugene L. Johnson said the bids were slightly in excess of the estimated costs, but the Board of Education felt no reduction of the building will be necessary.

## McQuaid to Seek 9th Term as Register

Orrin McQuaid will seek his ninth term as Oakland County Register of Deeds. He filed nominating petitions Monday in the County Clerk's office. He is a Republican.

McQuaid, 50, of 225 N. Berkshire, was elected president of the Michigan Assn. of Registers of Deeds at its convention in Charlevoix last year and was first vice president of the group the preceding year.

He is a registered land surveyor and was national treasurer of the Young Republicans from 1940 to 1944. He attended Ferris Institute and the University of Detroit and is a veteran of World War II.

## Frankfort Woman Injured in Auto Accident Monday

Mrs. Dorothy Smeltzer, 46, of Frankfort, was treated at Pontiac General Hospital for minor injuries suffered in an auto accident Monday night at Auburn and Adams Rds. in Avon Township, according to Oakland County Sheriff's deputies.

She was a passenger in a car driven by George E. Gentges, 48, of 3139 Martell, Auburn Heights, Alvin Eckert, 28, 527 W. Auburn Rd., Rochester, driver of the other car, was quoted by police as saying his brakes failed as he reached the intersection.

LESLIE H. HUDSON

## Pontiac Man to Run for State Legislature

His candidacy for the post of state representative on the Democratic ticket was announced yesterday by Leslie H. Hudson, 32, when he filed nominating petitions with the county clerk's office.

Hudson, of 69 W. Colgate Ave., is a past member of the Oakland County Board of Supervisors and was Waterford Township Clerk from 1947 to 1951.

Married and the father of three children, he is also past president of the Waterford Lions Club, is a World War II veteran and attended University of Michigan.

Hudson is a graduate of Pontiac High School and has lived in this area 22 years.

The Will Rogers memorial near Claremore, Okla., cost \$200,000.

## Ryan Says Stevens Didn't Ask for Photo

(Continued From Page One)

ing when drafted into the Army last fall.

Denying favors were sought for Schine, the McCarthy camp has counter-charged that the Army used Schine as a "hostage" to try to "blackmail" the subcommittee into dropping its investigation of alleged communism in the Army.

Relating the occasion of the picture taking, Ryan said an aide to Stevens telephoned him to say Stevens and McCarthy were coming to McGuire Field and that Schine was to be present for the purpose of conferring with the senator.

He was instructed also to have a plane ready to take McCarthy to Boston, Ryan added.

The general said Stevens was only at the field for about five minutes and, during this time, he was with him.

Asked whether the army secretary asked Schine to pose with him, Ryan said, "in my presence he did not."

Ryan was called before the Senate Investigations subcommittee primarily to tell of what treatment Schine received at Ft. Dix.

He said no preferential treatment was given the draftee except on representations from the McCarthy subcommittee that Schine was needed to help with subcommittee work.

On such representations, Ryan said, Schine got many more passes than the average draftee. Ryan declared firmly he did not consider requests for the passes for Schine to be improper attempts to obtain preferential treatment.

Ryan noted he had orders from

Stevens to make Schine available to the McCarthy committee.

"I felt the secretary was in a better position to judge than I was," he told the committee, saying he accepted the secretary's instructions "wholeheartedly."

But Ryan said he finally barred week night passes for Schine because the draftee was out so late he was in questionable condition to handle weapons the next day.

Ryan said it was his duty to see that draftees were trained for combat and that the training was intentionally "rigorous" and "tough."

He said he didn't think a soldier could stay off the post until 11 o'clock or midnight in the evening and be ready for the training schedule.

He said he felt it was "his duty" to Schine and to other soldiers to cancel the week night passes, after Schine was absent from the post during six of seven evenings.

Ryan noted that the soldiers were learning how to handle munitions, hand grenades and other weapons and they needed "complete possession of their faculties."

He said he called Schine to his office and told him there would be no more evening passes during the week and it would do no good for the McCarthy subcommittee staff to ask for them.

Under questioning, Ryan said he did not feel that Schine's activities had interfered with his training. He said Schine "applied himself very well" and won a "superior" rating in his training, which put him in the upper 20 per cent of his class.

## Dies in Saginaw Crash

SAGINAW (UP) — Mrs. Notre Dame Jackson, 29, Saginaw, was killed Monday in a two-car collision three miles southeast of here. George J. Sanders, 39, Detroit, was injured seriously.

## Capital Ponders School Shakeup

### Washington Decisions May Provide Pattern for Ending Segregation

WASHINGTON (AP)—A blueprint for integrating white and Negro schools in the nation's capital, which may provide a pattern for action elsewhere, goes before the District of Columbia Board of Education for approval today.

The board must decide how and when it may be next September—to end separate schools for the two races in the light of the Supreme Court's decision last week that racial segregation in public schools violates the constitutional guarantee of equal protection of the law.

In a series of follow-up decisions yesterday, the court issued orders aimed at giving Negroes admittance to publicly supported colleges and universities, theaters, golf courses and housing projects.

In some instances the rulings were final. In others, lower courts were told to do some reconsidering on the basis of the May 17 decision striking down segregation in public schools.

The District of Columbia commissioners quoted Eisenhower as expressing great interest a week ago in plans for ending school segregation here in Washington and asking them to keep him posted on progress.

There are more Negro than white children here, and aides said the President feels a successful plan to end segregation in the capital would ease the way for the change in the 17 Southern and border states where school segregation has been practiced.

While some Southerners have expressed a willingness to comply with the Supreme Court decision, others are declaring angrily there never will be combined white and Negro schools.

Appearing on a recorded MBS radio program last night, Gov. Herman Talmadge of Georgia said Eisenhower will be hurt politically in the South by the fact that the May 17 decision was written by Chief Justice Warren, Eisenhower's only appointee on the high court. The decision was unanimous.

"It's guilt by association if you want to call it that," the Georgia governor said, and added, "After all, I'm pretty much responsible for what my appointees do."

The Supreme Court decision ap-

DUAL DELIVERY—Mrs. Virginia Pulman, rural mail carrier in Fairfax County, Va., bought this dual-control car from drivers' school to speed delivery at roadside mail boxes.

## Chinese Claim Russians Live at Red Naval Base

TAIPEH, Formosa, (AP)—The Interior Ministry's Ta Tao News Agency said today at least 20,000 Russians now live in Tsingtao, an important naval station on the north China coast.

The News Agency, which claims reliable underground contacts on the China mainland, said 70 per cent of the Russians are advisers to the Chinese Reds.

Rather, it yesterday instructed lower courts to reconsider, in view of "conditions that now prevail" cases involving admissions of Negroes to the University of Florida, Louisiana State University and a city-owned amphitheater at Louisville, Ky.

The court gave no reason in refusing to review a Circuit Court decision that six Negroes must be admitted to Midwestern University of Wichita Falls, Tex., formerly Hardin Junior College.

Also without explanation, the court let stand a decision that Houston, Tex., must allow Negroes to play on municipal golf courses, although on a segregated basis. It turned down an appeal for segregation in public low-rent housing projects in the city and county of San Francisco.

A new-born bear cub averages eight to nine inches in length and weighs about 12 to 15 ounces; in relation to the mother a cub may weigh less than 1/300th her weight.

## Ike Aide Blasts Congress Dems

### Attack Indicates That President May Remove Kid Gloves

WASHINGTON (AP)—A White House aide's criticism of Democrats in Congress raised a question today whether President Eisenhower himself may be getting ready to toss a few political bricks.

If he does, it will be a sharp departure from the be-kind-to-Democrats role he has played consistently since taking office 16 months ago.

Criticism of the opposition party voiced yesterday by Bernard M. Shanley, one of the President's key aides, was something quite new. Speaking off the cuff to a meeting of the Wine and Spirits Wholesalers Assn., Shanley accused Democrats in Congress of throwing "important roadblocks" in the path of the administration's legislative program.

It was the first time anybody high on the White House staff has sounded off so bluntly against the Democrats.

In doing so, Presidential Special

Counsel Shanley reportedly had Eisenhower's approval. And that touched off speculation that the President may be getting set to speak out himself, perhaps with an eye to the coming congressional elections.

Eisenhower has said that unless the Republicans enact what he terms a dynamic and progressive program, they won't deserve to win in the November elections. But so far he has refrained from cutting loose at the Democrats.

One obvious reason is that his program can't be put across without their cooperation, so closely is Congress divided.

The President also has said he plans no barnstorming campaigning in behalf of individual Republicans, but indications are he will travel around the country to plug for a workable Republican majority in the next Congress.

## Local Man Given Term for Restaurant Brekin

Booker T. Newcomb, 28, of 340 Arthur St., was sentenced to two to five years in prison today by Circuit Judge Frank L. Doty for breaking into Devon Gables in Bloomfield Township April 30.

Newcomb was arrested as he left the building and pleaded guilty to breaking and entering in the daytime May 10. He will serve his term in Southern Michigan Prison at Jackson.

INDIANAPOLIS: New Blue Sunoco was tested here against 16 "premiums".

IMPARTIAL OBSERVERS accurately checked all measurements.

# PROVED AGAIN AT INDIANAPOLIS THE NEW BLUE SUNOCO

WINS AGAINST 16 PREMIUM-PRICED GASOLINES  
DELIVERS UP TO 14.9% MORE MILES PER DOLLAR

NEW high anti-knock power  
NEW high all-around performance  
NEW high value for your money

THE TEST: New High-Test Blue Sunoco was tested against 16 premium-priced gasolines at famous Indianapolis Track. Each day of test, 16 cars (including cars with highest compression engines) were fueled with \$3 worth of gas, driven around track 'til tanks ran dry. Number of miles each car went was accurately recorded by impartial observers. The fleet of cars was run on New Blue Sunoco and on all 16 premium-priced gasolines.

THE RESULTS: New High-Test Blue Sunoco—at regular gas price—beat them all! It delivered up to 14.9% more miles per dollar (average: 10.4%) than the premium-priced brands tested. Ask your Sunoco dealer for the names of these premium-priced brands.

Wilbur Shaw, President of Indianapolis Motor Speedway Corporation and 3-time winner of the 500-mile Memorial Day auto race, supervised this test of gasoline. He says: "With all cars using \$3 worth of fuel, I saw how much farther those using New High-Test Blue Sunoco went than those fueled with the sixteen premium-priced gasolines tested."

How Sun's one-grade policy gives you highest performance at regular gas price

Sun Oil Company produces only one grade of gasoline—the New High-Test Blue Sunoco. This one-grade policy results in savings on storage tanks, trucks and pumps. These savings are invested in research and new, improved refining processes to give you New High-Test Blue Sunoco—premium quality at regular gasoline price.

You save every mile you drive with New Blue Sunoco

We save on tanks

We save on trucks

We save on pumps

NOTICE: If you have been instructed by your Car Dealer or Owner's Manual to use a "premium" (or "high-test") gasoline, get New High-Test Blue Sunoco, the premium quality gasoline still at regular gas price.

All the claims of other gasolines can't change results of this test

## Highland Park Likes It

From neighboring Highland Park comes proof that four years of fluoride treatments have greatly improved the dental health of school children.

Back in 1951 direct applications of fluoride solution to children's teeth began and since August of last year the city's water supply has been fluoridated.

Statistics show that the health of school children's teeth has improved an average of 35 per cent. Among older children results have been far better than expected—25 per cent reduction in tooth decay among 16 year olds.

In commenting on the success of the program, Highland Park's Health Officer, Dr. JAMES W. NUNN, left no doubt about its safety and public approval.

"There have been no signs of allergies," he said. "There has been no contention that anybody was harmed physically. There have been no complaints about taste and no protests from industrial or commercial users of the water."

Incidentally the cost to taxpayers has been only 10 cents per capita per year.

## Imports Make Cars Go

Probably very few automobile owners realize how many imported materials are required to make their cars beautiful, smooth running and durable.

The truth is that car manufacturers last year contributed considerably to the economies of 26 foreign countries from which materials essential to modern automobiles were purchased.

These countries, located on every continent except Australia, supplied \$180,000,000 worth of five basic metals—lead, copper, nickel, tin and zinc. In addition the industry used substantial amounts of imported aluminum, antimony, asbestos, chromium, industrial diamonds, manganese, mica and tungsten.

Another interesting and important fact is that our near neighbors, Canada, Mexico and Cuba, supply many vital minerals. Canada produces mica and 99 per cent of all the nickel used. Mexico is a principal supplier of antimony. Both Nations are major sources of copper, lead and zinc. Cuba supplies manganese. The industry's dependence on these materials ranges from 35 to 95 per cent.

Many automotive parts are plated with chromium, nickel, tin, copper or zinc to build up mirror smooth working surfaces, protect against corrosion or improve appearance.

A small percentage of the right alloying material improves the hardenability of steel, or cuts annealing time in half. Springs, bearings, camshafts, pistons, valves and gears are improved with imported materials.

Dependence in the industry is far from a one way street however. The goods of many foreign nations roll in substantial part on American wheels. Last year more than 325,000 cars, trucks and buses were exported, adding to a grand total of well over \$8 billion worth in the past 50 years.

## New Guinea's Utopia

After a long search two globe travelers have found and settled in what they regard as the nearest thing on earth to Utopia.

It is the high valley known as Bulolo near Wau in New Guinea. There, according to *Pacific Islands Monthly*, the

retired British theatrical producer, DICK GREATRIX, and the retired French banker, PIERRE HURET, have established an idyllic home on 20 acres of leased land at an altitude of 3,000 feet.

Their first concern was modernization of the house on the property. This they furnished with articles picked up in all parts of the world. Much of the property has been landscaped with terraces and rock gardens leading to a fresh water swimming pool. Back of the house are vegetable gardens, orchards and a small coffee plantation.

GREATRIX and HURET discovered their Shangri La by accident during a holiday trip. Because it meets so fully their ideas of home "far from the madding crowd," they have decided to spend the rest of their lives in this enchanting valley.

For years the experts said it was impossible for a man to run a mile in four minutes. But like the bumblebee that flies, although it is aerodynamically impossible for him to do so, ROGER BANNISTER ran a mile in less than four minutes.

Let's be fair enough not to blame McCARTHY for conditions under which many people are afraid to say what they think. There were bosses, including wives, long before McCARTHY.

Now the Army is accused of coddling athletes. From the viewpoint of veterans of World War I, the Army has been coddling everybody in it ever since it began issuing sheets to soldiers.

## The Man About Town

**Pass Up Honolulu**  
**Veteran Traveler Says It**  
**Resembles Miami Beach**

**Daffynition**  
 Television comedian: A person who usually is better off.

That inveterate world traveler, W. Walter Smith, finally has found the ideal spot. A letter from him, mailed at Maui, Hawaii, says: "This is the place I have been dreaming for 10 these many years, and had to be a ripe old egg before I found it. Am on a coconut tree lined beach on a Pacific island with the cool trade winds fanning my brow, and brown maidens tending my every want. But pass up Honolulu, which will soon be another Miami Beach or Miami."

My Florida scout sends word that Arthur Handren, former Pontiac resident, but for the past several years living at Pompano Beach, Fla., will soon be moving back to this area, as he has just taken a position with Packard.

Some pioneer local materials went into the recent expansion at Wiggs, according to George Richmond, including home grown timber and bricks kilned in Pontiac more than 100 years ago, which were salvaged from the home of the late George S. Hodges on the shore of Pine Lake.

A General Motors public relations man confides to me that a person's initials can cause unexpected reactions. Some years ago when he was employed in General Motors Acceptance Corporation he approved many papers by initialing them "GMC." Eventually a batch came back from his supervisor asking, "Why don't you put your initials on these, like you are supposed to?" To which the startled young man answered, "Those are my initials." His name is Gaylord M. Coffin.

"If McCarthy, Cohn and Schine are protecting us from Communists, who will protect us from McCarthy, Cohn and Schine?" asks a reader of the New York Post.

My Monroe scout sends word that Dr. Otto O. Beck of Birmingham will be the speaker at the dinner of the Michigan Historical Society at the Monroe Country Club on June 11.

That expression, "takes to water like a duck," isn't so valid, according to Jim Clarke, who recently was presented with a flock of mallards. He tried to teach them to swim in his lake near Holly, but they like his home company so well that they hang around the house, as far from the lake as possible.

An amaryllis plant with eight blooms is reported by Mrs. Theodore Marchbanks of 751 Crescent Lake Road. Its blossoms range up to nine inches across.

Latest Oakland County farm to qualify for a centennial marker is that of Nora Lessiter of Orion Township, in her family for over a century.

Past Events Cast Their Shadows After

## Voice of the People

### Mrs. Robert Copeman Declares Congress Should Support Ike in His Program

(Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests, unless the letter is critical to its nature.)

In the May 14 issue of the Pontiac Press Sen. Neely (W. Va.) said, and I quote, Ike is a "useless President." He further stated that in all his 32 years in Washington he had never seen a more useless President, and that we all should go against the Eisenhower administration before it entirely ruins the country.

Does not Sen. Neely feel that he is part of the great team in Washington? Therefore, if Eisenhower is useless he helped him become that way.

As any child knows, the President cannot run the country alone. It takes the help of Congress which consists of individuals, who, we the voters have sent there. So you see the voters are an important part of the team.

I hope on Aug. 3, we can all say that we are behind Dwight D. Eisenhower and give him our support.

Mrs. Robert R. Copeman  
 Clarkston

## Reader Urges Death for Killers in State

I agree with Mrs. George McClain that we need capital punish-

ment for killers. liquor causes most murders. If all liquor places were closed at 9 p.m. maybe some of these tragedies could be averted.

Clarence Utley  
 Farmington

## Thanks Fire Department for Fast, Efficient Aid

I would like to let the people of this community know about the wonderful service of the Pontiac Fire Dept. Inhalator Squad.

Recently, my husband suffered a heart attack. I tried in vain to get a doctor and finally called the Fire Dept. Inhalator Squad. I did not even actually call them, the operator must have done that, because a man asked for name and address which I gave and then hung up. They must've been already on the way, for almost before I turned around, I heard the siren rushing toward us. Four blue clad men came in carrying equipment which was put into use immediately to help my husband breathe.

In minutes a stretcher was in the room and an ambulance outside, when we realized hospital care was needed.

From the time the firemen arrived until my husband was under the oxygen tent in the hospital, a fireman held the face piece over his face constantly.

I never witnessed such speed

and thorough efficiency. They must save many lives. I had no idea Pontiac had such service. This certainly is a fine area in which to live.

Mrs. Louis S. Smith  
 59 Monroe St.

## Jo Clement Asks How Antos Boys Are Doing

What has happened to the Antos brothers? We haven't heard about their careers for quite a while. Could you run an article on them?

I am sure all of Pontiac would be interested to hear of them. The Antos brothers have many fans here. We received word, recently, that they returned from Florida May 11.

Hree's hoping you will oblige us with some information.

Jo Clement

## THOUGHTS FOR TODAY

How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him. — Acts 10:38.

If Christ is the wisdom of God and the power of God in the experience of those who trust and love Him, there needs no further argument of His divinity.—H. W. Beecher.

## Geneva Hangs On Molotov's Final Word; Will He 'Force' Western World to Unite?

By DAVID LAWRENCE

GENEVA—Nobody knows when this conference will end but almost everybody, except perhaps Molotov, is convinced that it will end in failure. The reason he is a possible exception is that he alone knows the answer to whether there is to be a settlement here.

Curiously enough, a basis for a settlement—satisfactory to both sides but not exactly relished by either—does exist. Both sides know what it could embrace.

But the Soviets give the impression that the Red Chinese wouldn't like it, and the Red Chinese hint that their partners—the Vietnam faction in Viet Nam—wouldn't go along.

It's truly a tragic lineup, and it seems incredible that sensible men, aware of the dangers and implications of failure, will not see the straight course that lies ahead. Here is what could be done:

First, withdraw all invading troops from Cambodia and Laos, as these two countries have been the victims of an aggression by the Vietnamese Communist troops.

Second, reassemble the various

fighting groups inside Viet Nam and form a line for an armistice so that all Communist troops will be north of the line.

Third, turn over to the United Nations the task of selecting a commission of countries to supervise the armistice.

Fourth, inaugurate steps through the United Nations to establish unity inside Viet Nam and withdraw all foreign troops when conditions of peace and tranquility have been established and when the independence of Viet Nam can be a realistic fact instead of a paper setup.

A somewhat analogous settlement is logical for Korea. Neither side within Korea will at first have trust in the plan but unity cannot ever be established until the Communist control has been withdrawn.

So it amounts to a simple proposition: Do the Communist regimes at Moscow and Peking really want to see peace restored in Indochina and Korea?

They can bring it about if they wish, or they can do those things which will make the world situation worse because of these two problems and ultimately bring on another world war.

Molotov at times gives the impression that he would like to, come out of this conference with a peace plan that both sides will take, but at other times he seems as intransigent as ever.

Under the circumstances, the Allies now are taking the only course open to them here. They are drawing together.

This means they are removing those differences which gave hope to the Communists that they could play on a divided alliance in the West.

The action of the British cabinet in telling Foreign Minister Eden that the time was up for dillydallying and that the Communists must expect Britain to stand alongside the United States

I don't like Jim's kind of piety. He's one of the big-headed kind that years to serve all mankind except his own wife and young-uns.

## Case Records of a Psychologist

### Control Nervous Tremor by Applying Pressure

Do your hands shake in public? Do they tremble until you rattle your speech notes or music when you sing? At banquets, do you spill your coffee? Are you unable to sign your name in public because of the excessive quiver of your fingers? Then take heart, for the advice below will help you a lot.

By DR. GEORGE W. CRANE  
 Case L-314: Morris H., aged 58, has a rather common type of problem.

"Dr. Crane, I am a sales executive," he began, "but I am greatly embarrassed by a marked tremor of my hands."

"They will shake so obviously that it makes me look like a rank amateur afflicted with stagefright."

"Yet it isn't stagefright, for I have been selling and speaking to people for 30 years."

"I've tried to take medicine to reduce my tremor, but nothing has cured it entirely. What would you prescribe?"

Many older people are troubled by a very definite tremor of the hands.

This quivering becomes intensified when they try to use their fingers, as in writing. We call it "intention" tremor, for it is greater when they intend to do something with their hands.

Paralysis Agitans is another ail-

ment of elderly people in which they indulge in what is called "pill rolling" movements with the fingers.

But most of the hand trembling of people of all ages is simply due to excessive self-consciousness and stagefright.

## Baering Down

By ARTHUR "BUGS" BAER  
 International News Service

Let's see what we learned from the McCarthy-Stevens embroilment during the ego-rolling contest on capitol lawn.

The half-truth has been superseded by the quarter-photograph.

The soft answer does not turn away raps.

Let he who is without sinure cast the first ballot.

Carbon copies of letters should not change the subject.

Marginal notations on a tattooed lady should be considered confidential.

Why stop a dog fight to give the fleas loyalty tests?

Before washing your linen in public remove the monograms, laundry marks and cuff links.

If you are asked an embarrassing question give 'em an embarrassing answer.

During the Q. and A. solstices stay in the senate cloak room with your legal adviser. Two hat checks are better than one.

Any office-holder carrying water on both shoulders, and making waves, shall be considered a poor security risk.

You can borrow a homburg and striped trousers and claim diplomatic immunity. If they play back a monitored telephone record ask 'em what's on the other side. The possession of secret plans, micro-film and bomb formulas is not treason if you haven't spent the bribe yet.

Better yet, if the investigations aren't over by June, ask for a summer replacement.

## Just A Smile

The Reason

The outraged farmer stormed into the living-room. "Who chopped down that cherry tree?" His son hung his head and admitted, "I did, father. I cannot tell a lie. I chopped it down with this little hatchet." Whereupon the farmer gave the boy a thrashing. "But, father," cried the son, "George Washington cut down a cherry tree when he was a boy, too, and when he was brave enough to admit it, his father didn't beat him."

"That's right," said the father grimly. "But when George Washington chopped down the tree, his father wasn't up in it."

## Dr. Brady Tells What to Do, Not to Do When Child Swallows Foreign Body

By WILLIAM BRADY, M.D.

When child or adult accidentally swallows a foreign body, blunt or sharp, these are good rules to follow:

1) Do not give laxative or cathartic.

2) Do not try to induce vomiting.

3) Wait at least two or three days to see whether the foreign body will pass through the intestine, and have X-ray examination only if it

fails to pass naturally within 80 hours.

4) Let the child or adult eat a good size bowl of mixed vegetables—such as cabbage, celery, green beans—or twice a day a large salad of leafy vegetables, root vegetables cooked soft and fruit, especially ripe banana. A baby or young child should be given all the banana he will eat.

5) Cut rawelling threads into pieces 1 1/2 to 2 inches long and feed the patient enough of them to make a ball the size of a horse

chestnut, in jelly, apple sauce or custard.

The threads enwrap the foreign body like a cocoon, more smoothly wound than it could be done by hand, and in this form the foreign body easily passes out of the body, but it may escape notice unless all the dejecta are carefully flushed through a sieve for four days.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. Brady if a stamped, self-addressed envelope is enclosed.

**Medical Science Now  
Stops Bleeding Piles  
Without Surgery**

New York, N. Y.—(Special)—Medical research has developed a harmless, pleasant, quick-acting powder drug called **RECTORAL**, that is taken internally and goes right to the seat of the trouble. It does away with the old-fashioned messy, disagreeable-to-use ointments, suppositories, etc., that give little or no relief. Usually in just a few days, bleeding with any accompanying irritation and soreness begins to disappear and in a few days more is completely gone. It has been tested in thousands of cases without any return of bleeding, even years afterwards.

**RECTORAL** can now be obtained without prescription at **HUNTOON**, 1-Y: Hallman Drug; Luntrell Pharmacy; Walgreen's; Thriftly; Blankner & Jones; Dunsmuir; Color; Partner's; Rule; Quality; Keego Drug; Keego Harbor; Drayton Plains; Auburn Heights.

## Dr. Bisgeier to Head Jewish Federation

Dr. Benjamin Bisgeier was elected president of the Jewish Welfare Federation and Council last night at Congregation B'nai Israel at the annual meeting. Other officers include Meyer Simon, vice president; H. Malcolm Kahn, secretary; and Sidney Barnett, treasurer.

Three members were added to the board of directors, Dr. Bisgeier, Mrs. Herman Stenbuck and Sol Newhouse.

Plans for the 1954 United Jewish Appeal are being formulated.

## Stolen Bag Offers Thief Chance for Religion

SACRAMENTO, Calif. (AP)—A thief who snatched a small overnight bag from the car of Eva Duncan of Winters may have felt some pang of conscience when he opened the bag.

In it — among other things — were a Bible and a prayer book.

Oysters were among the first foods to be successfully canned in the U. S.

**IN ERROR**—For two hours this U. S. flag flew upside down over a courthouse in Atlanta, Ga. It was just a mistake made by the maintenance man who got the stars mixed with the stripes while hooking the flag to the lanyard. The American flag flying in this position is a distress signal.

## Wilson in Manila Works on Pact

President Magsaysay Agrees to Pushing the Mutual Defense Plan

MANILLA (AP)—U. S. Defense Secretary Charles E. Wilson and Philippine President Ramon Magsaysay today announced plans for a joint council to implement the U. S.-Philippines mutual defense pact.

The two issued a statement saying "developments in the international situation, especially in the Far East, obviously call for this step."

Wilson and Magsaysay, who conferred privately for an hour, did not say what will be done to put the 1951 defense pact into operation.

They said, however, that they "are in complete agreement that the time has now come for formal consultations" provided for in the treaty.

The council of American and Philippine representatives will serve as a continuing body in charge of implementing the pact.

The defense secretary came here after visits to Japan, Korea, Okinawa, Formosa and Hong Kong. He leaves Thursday for Guam.

## Editor Stresses Good Reporting

Says People See TV, Want Rounded-Out Newspaper Stories

CHICAGO (AP)—Louis B. Seltzer, editor of the Cleveland (Ohio) Press, called Monday night for more "investigative reporting" because, he said, so much government action is being shaped "behind closed doors."

In an address to the 70th spring meeting of the Inland Daily Press Assn., Seltzer declared the "hand-out" has become a "fetish of government in all its branches."

In another talk, prepared by F. Van Konyenburg of Minneapolis but read for him in his absence due to illness, it was stated newspaper circulations have risen 7 per cent since television arrived.

Van Konyenburg is on the staff of WCCO and WCCO-TV in Minneapolis. He said newspaper ads continue to get as much attention as before and that they have an advantage over television that they should exploit.

"TV inescapably gives less attention to news," he said. "The Army-McCarthy hearings are getting people's attention, but I suggest most people are like me—I still read the digested version of the day's happenings on my newspaper. People want a well rounded story."

He added that TV networks are unable to compete directly with newspapers in the local advertising field.

## Gary Crosby Hurt in Fatal Accident

SAN JOSE, Calif. (AP)—Gary Crosby, 20, singing son of crooner Bing Crosby, was slightly injured yesterday in a two-car crash that killed a Mexican national and injured six other persons.

Bing rushed to San José from a mountain fishing trip.

After visiting Gary in a hospital, he reported, "The accident won't interfere with plans for Gary's radio show this summer. The boy is pretty good — he's a pretty healthy fella."

Young Crosby suffered nose and leg injuries but hospital attendants said he wasn't badly hurt. Felix Oliveras, 24, a farm laborer, was killed.

Highway patrolmen said neither driver was to blame. Crosby was driving one car; Jesus Hernandez, the other.

Nails were first manufactured from wire in 1875.

# Pontiac AAUW Greet New Officers at Annual Spring Dinner Monday

Slated Wednesday, Thursday

## Eastern Concert Nears

Final rehearsals are being held for the annual Eastern Junior High School spring concert to be given by the Treble Clef Club and the Boys Glee Club.

"America Our Heritage" is the theme of the program which will be presented Wednesday and Thursday evenings in the school auditorium.

Solo parts will be sung by Kay

## U. of D. Sorority Attends Party for Bride-to-Be

Barbara Jean Mitchell, bride-elect of James F. Lanahan, was honored at a miscellaneous bridal shower Sunday evening.

Members of Sigma Delta sorority of the University of Detroit attended the shower and hostesses were Beth Carpenter and Louis Kish. It was held at the Carpenter home in Detroit.

Barbara and James will speak their vows on June 12. She is the daughter of Mr. and Mrs. James E. Mitchell of Murphy avenue, and the Thomas D. Lanahan of Detroit are his parents.

Guests were Audrey Mack, Mary Janosik, Mary Bernardi, Carol Higgins, Marian Kolevar, Evelyn Bates, Patricia Pauls, Helen Arnold, Lucille Cau, Barbara Oldani, Janet McKinnin and Caroline Labbe.

Others were Patricia Balint, Mary Ellen Cleary, Patricia Serocki, Patricia Tomczyk, Sara Holm and Virginia Gullo.

Jean Senkin, Judy Lindsay, Joyce Swartney, Ida Nemer and Virginia Janus completed the list.

Harry, Robert Burns, Judy Young, Ruth Ann Tower, David Mitchell, Joe Jennings, John Givens and Mary Shearer. Ruth Ann Tower and Frank Taylor will present a duet.

A Mexican dance will be given by Juanita Garcia and Raquel Molina. The Charleston will be danced by Judy Lacy and Bob Skinner. Pat Brown, Julie Blank, Mary Shearer and Joe Jennings are accompanists.

The clubs are directed by Connie Kolb and Henry Elling. They will be assisted backstage by Mrs. William Tompkins.

Wilma Webb will direct the dancing and Mrs. Harry Hammerbeck and the art department will provide the stage settings.

Members of the Girls Service Club will be ushers and Ellsworth Sturdy and the stage managers will set the scenes. Some tickets are still available and may be obtained from club members or at the door.

## Group Entertained at Circle 4 Meeting

Mrs. William Tompkins was hostess in her home on Starr avenue when Circle Four of First Christian Church entertained Circle One at a recent meeting.

The hostess was assisted by Mrs. Harold Brown and Mrs. Marvin Addis. Mrs. Lulu Buckler conducted the meeting, and devotions were given by Lorna Mac Kellar who used "He Gave Every Man His Work" as her theme. The program was planned by Mrs. John Radenbaugh.

Speaker for AAUW spring dinner Monday evening was Margaret Steward (left) of Washington street, who shows a doll souvenir of her Far Eastern travels to the new AAUW president, Mrs. Olive Burgess (right) of Hamilton court. The dinner was held at Oakland Avenue United Presbyterian Church.

Pontiac Press Photo

## Mrs. Olive Burgess Is President

## Miss Steward Describes Asian Tour

By MAUDE H. DONAHUE  
Mrs. Olive Burgess was introduced to members of Pontiac Branch, American Association of University Women, as their new president Monday evening at the

annual spring dinner in Oakland Avenue United Presbyterian Church.

Mrs. J. Thomas Peterson is first vice president; Vila Krueger, second vice president; Rosetta Wyse was re-elected secretary, and Faye Donelson is treasurer.

Speaker of the evening, Margaret Steward, told of her six-month tour of Japan, Australia, New Zealand, Thailand and the Philippine and Hawaiian Islands, from which she returned last month.

"College-trained women the world over have the same ideals and are working toward the same goals," she told the gathering.

"Although qualifications for membership in AAUW are different in various countries, still the college women are anxious to accept social responsibility and they work in many educational fields to improve child welfare. They strive for increased recognition of women in all levels of business and professional life," she added.

Miss Steward said she was impressed with the work which women of the Philippines are doing

in community service, citing examples of civic work done by Philippine Association of University Women.

Miss Steward found friends in the various countries she visited, including the Rev. Peter Van Lierop family in Japan and former University of Michigan student Charontasana Buckhamand in Bangkok, Thailand. Colored movies and slides of the Hawaiian Islands were also shown.

Committee chairmen to serve for the coming year were announced, with Mary Heitsch handling the arts program; Mrs. Richard Balmer, education; Mrs. Thomas Reese, fellowship; Mrs. Homer McVean, international relations; Mrs. Ray Allen, legislation, and Viola Krueger, membership.

Others on committees are Mary Gibbs, social studies; Mrs. Clinton Galbraith, status of women; Mrs. Clarence Huemiller, finance; Martha Horton, historian; Rosamond Hachert, music; Mrs. J. Thomas Peterson, program; Miss Steward, publicity; Marion Lehner, social, and Lillian Davidson, newsletter.

## Community Club Plans Program

An explanation and demonstration of psychodrama will be presented at the final meeting of the Washington Junior High Community Club Wednesday at 8 p. m. in the school.

Presenting the program will be Marguerite Parrish, director of the Social Service Department at Pontiac State Hospital, and members of her staff.

Advancement in our state mental health program will be outlined as the group shows the techniques used in the treatment of mentally ill patients.

A short business meeting and election of officers will precede the program.

Mrs. Paul Gorman will be in charge of refreshments for the meeting, which is open to the public.

## Voters to Hear Talk by Louis Schimmel

Louis Schimmel, Pontiac Board of Education member, will speak on the proposed school millage increase Wednesday when League of Women Voters meets at the YWCA. Mrs. Anna Lane will report on the league's national conference held last month in Denver, Colo., and Mrs. William Gordon and Elizabeth Halsey will summarize the state council meetings held recently in Kalamazoo.

MRS. FRANK RILEY

Chairman of Navy Mothers campaign is Mrs. Frank Riley of Drayton Plains. She and her committee have organized a five-week campaign to raise funds for veterans' family welfare. Navy Mothers Clubs also provide entertainment in veterans hospitals and help support the Detroit USO.

## Leaders Installed by Sorority Council

New officers were installed at Beta Sigma Phi City Council's final meeting of the year Monday evening with Marilyn Main on West Iroquois road.

Lois McIntyre is president, Hazel Vitt, vice president; Betty Paulos, recording secretary, and Olive Elsholz, treasurer, assisting the hostesses were Betty Leitch and Mrs. Ralph Elsworth.

# Royal Oak Puts Curb on Lawn Sprinkling

## Pressure Low in Three Cities

### Plan Alternates Homes Permitted to Use Water During Shortage

ROYAL OAK—A water shortage in three South Oakland County cities over the weekend brought a curb on lawn sprinkling by the Royal Oak City Commission last night, and a recommendation by the Detroit Water Board today that a similar plan be put into effect in Detroit.

The northwest area of this city, hardest hit by the shortage, reported only a trickling of water from faucets, Sunday.

Pressure at the 8-Mile-Livernois pumping station was reported to have dropped to 29 pounds from the normal 40 pounds Sunday. Water from two Royal Oak wells was turned on to relieve the emergency.

Huntington Woods reported pressure was down to 25 pounds at 3 p.m. yesterday. Oak Park and Ferndale registered no complaints but Clawson also was affected by low pressure.

Under the plan put into effect here last night, lawn sprinkling is prohibited between 7 and 9 p.m. daily.

Before and after these hours addresses may sprinkle on even-numbered days of the month. Those with odd-numbered houses will sprinkle on odd-numbered days.

A similar recommendation was made today by the Detroit Water Board. Its action followed complaints of low water pressure from the south Oakland cities.

However, Leo V. Garrity, deputy superintendent of the water board, which furnishes the bulk of the water supply to the south Oakland communities, charged that Royal Oak created its own low pressure problem.

"The trouble in Royal Oak Sunday was that they were hogging the load," he said.

"Instead of using water in their reservoirs to augment the water we were delivering, they held their reserve back and sucked the water out of our pumps as fast as they could."

Mayor Howard K. Kelley denied Garrity's charges and added that Royal Oak has only one reservoir for the entire city.

In addition to the lawn sprinkling ban, the City Commission also passed a regulation limiting mechanical air conditioning equipment using "city water not recirculated."

The equipment may not be used to maintain a temperature of less than 80 degrees when the outside temperature is 90 degrees or above. The ruling does not apply to hospitals or similar institutions.

More than 40,000,000 young Americans have come of age in the last 18 years; at the present rate of growth, our country will have more than 300,000,000 people in it by 1999.

**SHIRLEY LAVONNE VOLLETT**  
Mr. and Mrs. Roy M. Vollett of Bramble drive, Cass Lake, announce the engagement of their daughter, Shirley Lavonne, to Richard A. Morin, son of Mr. and Mrs. Alfred L. Morin of Fenmore street, Waterford Township. A fall wedding is planned.

### Reverend Preaches Anniversary Sermon

IMLAY CITY — The Rev. John H. Balfour preached his 40th ordination anniversary sermon in the First Congregational Church Sunday. He was ordained May 27, 1914 in Louisville, Ky.

Rev. Balfour has been pastor here for the past 17 years, and was presented with a gift from the church.

### Wake Up To More Comfort Without Napping Backache

Napping backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer napping backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 million kidney tubes and filters flush out waste. Get Doan's Pills today!

### 31 to Get Diplomas Thursday Evening

ORTONVILLE — Commencement exercises for 31 graduating seniors will be held at 8 p.m. Thursday in Brundown Auditorium, with Dr. T. Luther Purdom, of the University of Michigan, as the speaker. Diplomas will be presented by R. D. Boschma, president of the Board of Education.

The valedictory and salutatory addresses will be made by Kathleen Smith and Janette Wolfe, respectively.

Music will be furnished by a trumpet quartet and the girls chorus of the high school.

### WCS Elects President at Recent Lum Meeting

LUM—Mrs. Sadie Guipman was elected president of WCS at a recent meeting.

Other officers are Mrs. Well Todd, vice president; Mrs. Cecil Ware, secretary, and Mrs. Jack Vincent, treasurer.

### 200 Attend Church Rally

DRYDEN — The Blue Water Zone rally at the Pilgrim Holiness Church Saturday, drew 200 persons.

### Marlette Seniors Win Big Share of Scholarships

MARLETTE — Graduating seniors of the class of 1954 of Marlette schools have captured more than their share of scholarships.

Scholarships to Michigan State College have been awarded to Bonita Clark, Lina Montgomery, Marilyn Willis, Richard Kraft and Gordon Pabst. Glenna Carol Shook received a scholarship to Central Michigan College of Education.

Tom Rudd will attend the University of Michigan and Robert Niebauer will journey to Michigan College of Mines and Technology, both with scholarships.

Other awards to seniors include state honors from the Future Farmers of America presented to James Boyne, Gordon Pabst, Duane Thompson, John Hager, Carl Volz and William Cumper.

The Future Homemakers of America has awarded Lina Montgomery a state degree, and area honors in sports have been won by Charles Smith, Ivan Davies and Dean Baumgartner.

### Discuss Bible School

LUM — Mr. and Mrs. Efrain Quenzade spoke on the Bible train-

ing school for Mexican workers when they attended the meeting of the Women's Missionary Society of the Free Methodist Church last week. The meeting was held at the home of Mrs. William Ryckman. The Quenzades are migrant workers.

### Sponsors Accompany Graduates on Class Trip

NORTH BRANCH — Class sponsors Elizabeth Banks and Charles Asbury are accompanying the North Branch Township Agricultural School graduates on their class trip which began today.

Plans call for the graduates to go to Chicago by train, to Mackinac by boat and to return to Detroit by boat.

### Three Flags DAR Unit Installs New Officers

SOUTHFIELD TOWNSHIP — Mrs. Richard Larges, a local resident and state registrar of the DAR, conducted the installation of officers ceremony during the recent annual meeting of the Three Flags Chapter, DAR, in Birmingham.

Newly appointed chairmen named at the affair were Mrs. Chuck Robitaille, Mrs. Lee Stowell, Mrs. Leroy Hooper, Mrs. Conrad T. Bloom, Mrs. Kay Hanson, Mrs. Frank Gouldburg, Mrs. Raymond Bodinus, Mrs. Carl Bush, Mrs. R. E. Ellas, Mrs. Harold Hill, Mrs. Robert Vint, Mrs. Robert Houser and Mrs. Larges.

# Bagley, Crofoot Lead 1st Olympic Test

Bagley and Crofoot schools' young athletes jumped off to early leads in the 1934 Pontiac Junior Olympics Monday afternoon at Wisner Field. They completed totals of 60 and 36.6 points respectively in the Group 1 and 2 divisions into which the big junior athletic event has been divided this year.

Monday's events were the jumps and football throw. Only one new mark was registered as a result of the activities.

Steady little Bob Robaja of McConnell School, in the football throw, passed the leather oval for 93 feet 5 inches, to erase the former mark. He competed in Group 1.

Closest competition for the elementary division early lead came in the Group 2 events, where Willis, with 28 points was pressing the leading Crofoot aggregation. Bagley, however, was away out front in its division, with Whittier's 30.5 points not posing much of a threat at this time.

The big meet moves into its

second phase on Thursday at 2:30 p. m. at Wisner Field where the first of the junior high events will be run off. They include the pole vault, high and broad jumps and shotput. Athletes will compete this time in three classes A-B-C, based on weight-age classifications.

Final round is set for June 2, at Wisner when the all-around title and the class championships will be decided.

In addition to setting the day's only record, Robaja also was one of two double winners.

He took the Class C, Group 1 broad jump with a leap of 12 feet, 7 1/2 inches, as well as his record football throw.

Other athlete winning two events was Bagley's Willie Pearson. He took the broad jump and high jump in Class A, Group 1. His winning high jump was 4 feet, 9 inches and his broad

jump effort was 14 feet, 2 1/2 inches.

Other Class A winners were Patterson of Crofoot (group 2 broad jump), David Cooper of Crofoot (group 2 high jump), L. Perkins of Bagley (group 1 football throw) and Arnold Thomas of Willis (group 2 football throw).

In Class B winners included R. Walker of Bagley and Eddie Baize of Crofoot in the broad jump. Jackson (Bagley) and Harvey Nevils (Whittier) tied, and Mike Fedynik of Hawthorne in the high jump. And Montgomery of Bagley and Ken Tysick of Willis in the football throw.

G. Cudnosky of Willis joined Robaja as a Class C broad jump winner, while Stanley Hertel of McConnell was the Class C, Group 2 football throw. Class C high jump victors were Jim Atkinson of McConnell and B. Osler of Whittier.

## Junior Olympics Opening Figures

| FIRST STANDINGS |                |

## Tribe, Tigers Hold Top Five Batting Spots

Bill Tuttle Gains on Leaders, Jumps to 3rd With .355 Mark

NEW YORK (U)—The pace-setting Cleveland Indians and fourth-place Detroit Tigers monopolize the top five positions in the American League batting race today with the Tribe's stars—Bobby Avila and Al Rosen—separated by only seven points at the top.

Avila picked up four points in games last week to move his average to .382. He had 10 hits in 25 times at bat. Meanwhile, Rosen batted loose with a rash of five home runs and six other safeties in 25 trips to bring his average up to .375. He leads the league in homers with 11 and in runs batted in with 44.

The Tigers' Bill Tuttle moved from fifth place to third with .355. He is followed by teammates Frank House and Ray Boone, with .346 and .343, respectively.

In the National League, the Cardinals' Ray Jablonski tallied off two points to .377, but holds a comfortable edge over runners-up Stan Musial of St. Louis and Don Mueller of the New York Giants. The latter pair show .359 marks.

Brooklyn's Duke Snider is in fourth place with .358 and Grady Hamner of Philadelphia with .354 round out the top five.

Musial is the Senior Circuit's home run leader with 14 and also is No. 1 in runs batted in with 46.

## Hipman Puzzled Over Absence of 1-2 Punch

PARIS (U)—Henry Hopman, the smiling coach of the Australian Davis Cup team, admitted today that he was puzzled about what happened to the most dangerous one-two punch in amateur tennis—Lewis Hoad and Ken Rosewall.

The two 19-year-olds who were good enough to defeat the United States in the Davis Cup Challenge Round last December have been eliminated in the French International Championships here before they got as far as the quarter-final round.

Ancient Gardner Mulloy whipped Hoad Sunday and Sven Davidson of Sweden gave Rosewall the same treatment yesterday, 6-3, 3-6, 6-3, 6-3.

That leaves the stern taskmaster from Down Under plenty of worries about what he can do to bring the boys around for the coming Wimbledon Tournament.

He said Hoad could be a little slow rounding into form.

"After all," he said, "this is his first tournament in five or six months. He had three months in military camp. But you can't say the same thing for Rosewall. He was complaining before we got here that he had had too many tournaments lately."

Meanwhile, the quarter-finals were scheduled for today with five Americans still in the running—Mulloy, Tony Trabert, Vic Seixas, Art Larsen and Budgie Patty, along with Davidson, Australia's Mervyn Rose and Argentina's Enrique Morea.

## 24 Wrestlers Gain Finals in Tokyo Test

TOKYO (U)—Three finalists survived in each of eight weight classes for tonight's round robin matches that will determine winners of the 1934 world amateur freestyle wrestling championships.

The 24 wrestlers won through to the finals on a point basis in four rounds of elimination matches starting last Saturday.

In some cases, wrestlers who technically were eliminated in previous matches were named to fill up the three-man round robin roster in each weight class. In such cases, the wrestler with the fewest "minus" points in the preliminary rounds was selected.

Bill Tuttle, rookie outfielder for the Detroit Tigers, attended Bradley University for three and a half years.

## Turks Complain Politics Swayed Mat Decisions

TOKYO (U)—Temper flared in closing rounds of the world amateur freestyle wrestling championships today and the Turks complained bitterly that politics swayed the decision of some judges.

"It's all politics," one enraged Turkish official declared. "The Hungarian or Russian always votes against our man—but you never find a Hungarian judge voting against the Russian wrestler on the split decisions."

In one bout which drew protests from both winner and loser, however, the Hungarian judge gave the nod to a Swede over a Russian.

Olympic lightweight champion Olle Anderberg of Sweden edged S. Gabaraev of Russia on a 2-1 split decision—the one vote for the Russian coming from an American judge.

Russia protested—that Gabaraev should have won. Sweden contended the decision should have been unanimous.

## Boudreau Says Yankees Have a 'Soft Spot'

Boston Red Sox Manager Lou Boudreau says he can't concede the American League pennant to the defending New York Yankees—"I think they have a pitching weakness."

"The Yankees have the best bench in baseball," he added, "and with it the best ball club. When your fifth or sixth pinch hitter is someone like Irv Noren, who can hit the ball out of the park, you must have a good club."

"But," said Boudreau, "I think the Yankees have a pitching weakness. Their pitching will have to hold up if they are to cope with Chicago, Cleveland and Boston."

Boudreau said that his cellar-dwelling Red Sox got a big lift out of winning two of three games recently in Yankee Stadium, adding:

"We showed that we can beat the club that has to be beaten."

He scoffed at reports that the trading of hard-hitting George Kell to Chicago might have served up the pennant for the White Sox and ruined New York's hopes.

"We're not interested in what the Yankees think. We're not giving the pennant to anyone. We're only interested in trying to help our own cause."

## Sportsmen to See Fine Disney Film

Wednesday's monthly gathering for Oakland County Sportsmen's Club members will be highlighted by a showing of the fine Walt Disney's film, "The Bear Country". Session begins at 8 o'clock.

The picture brought Disney his 3rd Academy Award in his series of true life nature films.

Report on the recent work bee and announcement of plans for the annual OCSC picnic, Aug. 1 will also be made at this time. Another work bee is planned for June 6.

## League Leaders

AMERICAN LEAGUE  
BATTING—Avila, Cleveland, .382; Rosen, Cleveland, .377; Tiedeman, Detroit, .375; House, Detroit, .346; Boone, Detroit, .343.

Pontiac Press Photo  
RECORDS GOING UP—Note football at top (arrow). It was on its way to a new grade school Olympic record Monday at Wisner Field. The impulse that sent it 93 feet 5 inches was given by Robaja, 277 Osmun street, of McConnell School, who also won the board jump at 12 feet 7 1/2 inches. He competed in "Group 1."

Pontiac Press Photo  
UPSIDE DOWN LANDING—Young James Atkinson, 32 South Roselawn street, was headed for an upside down landing Monday afternoon when the camera lens caught him on a high jump effort. James had just cleared 4 feet 3 inches in "Group 1." He was a member of McConnell's team in the first events of the 1934 Junior Olympics, the grade school field tests, on Wisner Field.

## Jets Whitewash Coach 9 in 'A' Season Opener

Williams, Beasley Stop GMC; 3-Run 3rd Inning Is Clincher

The 1934 Class A City League baseball season opened at Wisner Field Monday evening with the Pontiac Jets shutting out General Motors, 4-0, in a game called after six innings.

Jim Williams and Beasley teamed up to stop GMC with 7 hits, Williams going the 1st four innings and getting the victory. Don Ernst was the starter and loser for General Motors.

Jets tallied one run in the 1st inning on an infield error and Judge Booker's single. A 3-run rally in the 3rd inning chased Ernst and sewed up the game. Williams tripled, Don Russell singled, Fletcher Davis walked and Louie Seay singled to finish Ernst.

J. C. Jenkins greeted Zek Morris with a single, but the former St. Mike's athlete stopped the Jets without further scoring.

## Presidents' Win Creates 3-Way Title Race in W-O

COUNTY BASEBALL  
Avondale & Lake Orion 1  
Holly & Milford 2  
Keego Harbor & Brighton 2  
Northville & Clarkston 5

The Wayne - Oakland League baseball race was a three-team affair again today after Keego Harbor's 5-2 victory over Brighton Monday.

Clarenceville still holds the lead with a 7-3 record, but Keego and Brighton both have 7-4 marks. Clarkston fell by the wayside, an upset victim of Northville, 6-5, Sunday.

Three runs on singles by Lloyd Law, Jerry Larsen and Bob Hobson plus a throwing error in the 1st inning brought Keego its victory. Holly dumped Milford in the last of 6th on Wilbur Hillman's single, a sacrifice and Dave Huber's single.

Avondale whipped Lake Orion, 8-1, on the combined 5-hit hurling of John Engstrom and Lynn Wright. Engstrom and freshman Dick Gronski had three hits. Northville slipped by Clarkston despite Bill Dunstan's 2-run homer for the Wolves.

They will tangle in a nationally televised 10-rounder tomorrow night at Chicago Stadium, where Davey was defeated by Gavilan in a welterweight title match Feb. 11, 1933.

Since that 10th round TKO, Davey has beaten Sammy Gulliani, Sammy Mastrean and Gerald Dreyer while losing twice to Al Andrews and dropping a highly disputed decision to Art Aragon at Los Angeles last February.

In all, the one-time darling of television has 40 victories, 26 of them by knockouts mostly early in his career, two draws and four defeats.

Northwestern Drive-In has taken the early lead in the Southfield Softball League by winning its first two games. Paul's Painting, Fuller Tool, Federal, and Larro Farms each have a win and a loss and C. M. Lumber has lost two.

It's Time Out!

"He's the guy who has been screaming all season that I should get a basket!"

## House Awaits Report on Martin's 'Severe Treatment'

WASHINGTON (U)—House investigators are awaiting an Army report on Billy Martin, former New York Yankee second baseman who says that because of his athletic prowess he has received treatment "more severe than that of my fellow soldiers."

Chairman Hess (R-Ohio) of a House Armed Services subcommittee said yesterday he has asked Secretary of the Army

Stevens to check whether Martin has been subjected to discrimination.

The subcommittee earlier this month probed reports the Army was coddling star athletes. Martin was one of 10 sports stars involved in its investigation.

Replying to a subcommittee invitation to testify, Martin wrote Hess that he wanted "to make certain facts pertaining to my Army duty clear to you and the committee." He said he didn't want the letter "interpreted as a complaint or bellyaching" but contended that:

"Since my induction into the Army on March 8, 1934, I have received no preferential treatment whatsoever. Quite to the contrary my treatment has in fact on occasions seemed to be more severe than that of my fellow soldiers."

There were reports of discrimination against Martin during the subcommittee hearings. Brig. Gen. Herbert P. Powell, deputy chief of Army personnel, gave assurances there would be no discrimination for or against baseball players.

OCSC's Archers Hold First Roving Shoot

Second roving field shoot of the season was held Sunday by the Oakland County Sportsmen's Club archers.

Winners in the free style class included Wimp Harvey (746), Joe LaVire (582), E. D. Kinder (498), Frank Lawrence (458), Helen Orr (447) and Rena DeRousha (295).

Instinctive class winners included Morris Cascadian (685), Don Schnitzhofer (413) Wade Stallions (311) and Bill Marks (128).

Twenty plaque winners were Sid Stark at 45 yards, Jack Lowry at 40 yards, and Joe LaVire and Rusty DeRousha at 35 yards.

First hole-in-one of Bald Mountain Golf Club's season was recorded Saturday by Harry Bogison of Pontiac.

Bogison, who lives at 691 Second Avenue, Pontiac, aced the 155-yard 11th hole at Bald Mountain. The shot helped him to a 74 for the round. He was playing with Joe Brode, Bob Curtis and Fred Shrewsbury, all of Detroit.

MONDAY'S STARS  
By The Associated Press  
BATTING—Willie Mays, New York Giants, drove in four runs with two home runs and a single as New York beat Philadelphia 5-4.  
PITCHING—Jim Davis, Chicago Cubs, scattered seven singles in his first major league start, beating St. Louis 6-2.

## Low Hit Tilts in City League

Attwood Wins 1-Hitter From Louie's; Miller Stops Kaycees on 3

Low hit games marked Monday's action in the City Softball League.

Attwood tossed a one-hitter at Louie's Tavern as Birmingham Riteaway took an easy, 16-1 verdict. Lone hit came in the 6th inning.

Miller of Stadium Inn stopped
