8 Believed Dead
as Navy Plane
Hits in HawaiiJapan-Based 'Neptune'
Crashes in Flames Near
Pearl Harbor

From AP and UP Dispatches

HONOLULU — A Navy P2V Neptune patrol bomber with eight men aboard crashed in flames on a cloud-covered mountainside last night and rescue teams found no survivors, the Navy said today.

The plane, part of a Japan-based squadron returning from patrol duty in the Western Pacific, was en route from Kwajalein in the Marshall Islands when it got off its course for Barbers Point Naval Air Station, a few miles south of the crash.

It had been cleared for a landing at Barbers Point when it slammed into a peak of the Waianae range about five miles northwest of Pearl Harbor, the Navy said.

A six-man army rescue team reached the scene about midnight and reported that the severely burning wreckage was too hot to approach—but it looked as though there were bodies inside.

A spokesman said the plane apparently hit the mountain head-on.

A marine helicopter, searching for the wreckage, crashed a short time after the accident, but none of the four persons aboard was injured.

The helicopter was 1 of 3 Marine 'copters sent to search for the wreckage of the downed Neptune.

The Navy plane was in radio contact with the Honolulu control approach center, but the center lost radio contact as it was turning over control to the Barbers Point tower.

Hazel Park Track
Will Be Given
Racing Dates

LANSING (INS) — Gov. G. Mennen Williams today indicated the Hazel Park Racetrack will have nearly the same racing dates this year it had a year ago.

The governor's announcement appeared to settle a controversy between the track and Racing Commissioner James H. Inglis.

Williams declared: "The dates are substantially the same for all tracks as last year. There are some minor changes but they have no punitive implication whatsoever. They never have had."

Twins, 38, Try to Arrest
U.S. Attorney in California

LOS ANGELES (AP)—The embattled Irish twins, George and Charles Finn, are back in jail today after another flamboyant brush with the federal government during which they handcuffed the United States attorney and threw officialdom into an uproar.

The "Flying Finns," former Air Force pilots, have been having legal trouble with the government for more than a year in connection with their claims to ownership of a \$70,000 war surplus C46 transport plane.

The unpredictable 38-year-old twins yesterday handcuffed U. S. Atty. Laughlin E. Waters in an attempted "citizen's arrest" as he came out of the Biltmore Hotel, where he had addressed the Los Angeles Bar Ass'n.

They accused him of "conspiracy against the rights of citizens and deprivation of rights under cover of the law." They said he had been giving them the "brushoff" and refused to discuss with them the government's seizure of the plane they purchased a year ago from the Bakersfield, Calif., school district, which had used it for a mechanical training course.

Events that followed read like the script of a comic opera.

Nominated in Primary Vote

RICHARD C. VAN DUSEN
Republican Van Dusen and Democrat Westerdale won nominations to the state legislature in Thursday's Third District primary.

JOHN C. WESTERDALE

Van Dusen and Westerdale
Nominated for Legislature

Republican Richard C. Van Dusen of Birmingham and Democrat John C. Westerdale of Commerce Township easily won nomination over their opponents yesterday in the Oakland Third District primary election, which was marked by a light vote.

Van Dusen, 28, a Detroit lawyer, and Westerdale, 40, owner of a secretarial service, will oppose each other in the Feb. 11 special election for the seat in the Michigan House of Representatives vacated by the resignation of Howard R. Estes.

In unofficial returns from the district's 37 precincts, Van Dusen drew 1,318 votes.

His nearest competitor was Allen C. Ingle, Farmington attorney, with 423. Lawrence McKay Jr., Birmingham insurance agent, polled 318 votes, and Stanley M. Brown, of Bloomfield Township, tallied 208.

Westerdale led the Democratic race with 252 votes. Trailing were Fred Wilkinson, retired Farmington accountant, with 149 votes, and Marvin Kuschinsky, a machinist from Troy Township, with 52.

Heaviest balloting was recorded in Birmingham, a strong Republican area, where Van Dusen polled 235 votes.

Out of the district's approximately 33,000 registered voters, only 2,714 cast ballots.

Winner of the Feb. 11 election will serve until Dec. 31, the date when Estes' term would have expired.

Estes, a Birmingham Republican, resigned in November to become manager of the Oakland County Infirmary.

1 Killed, 2 Injured
in Florida Accident

OCALA, Fla. (UP)—A Michigan man was killed and his wife was seriously hurt in a head-on auto collision on US-441, two miles north of Ocala, yesterday.

Earl Peterson of Elsie, Mich., died on the way to a hospital. His wife suffered head and internal injuries.

Dahl Alton Darrell of Atlanta, driver of the other car, suffered a chest injury and a lacerated arm.

out on my right wrist," Waters said. George Finn then snapped the other handcuff to his own right wrist, while Charles called police.

"We're not going to have any part of this," police officers said when they arrived and recognized Waters. But the U. S. attorney for southern California demanded that he be taken to the central police station and the police agreed to furnish transportation.

Once at the station things really began to happen. Police Inspector James Lawrence demanded that the Finns release Waters.

"We know our rights," the Finns answered. "We've been (Continued on Page 2, Col. 2)

Pro-Reds to 'Sit'
as Indian Guards
Quit PW CampCommies Refuse Last
Request to Take Them,
Protest Action

PANMUNJOM (A P) — Twenty-one Americans and 328 other pro-Red prisoners said tonight they will sit tight in their compound in Korea's neutral zone when Indian guards leave them on their own at midnight.

The prisoners told Indian Lt. Gen. K. S. Thimayya of their intention after the Red authorities turned down a last minute Indian request to take back the POWs.

"The prisoners said they would stay in the camp," an Indian spokesman said.

The Indian Command had warned again that the POWs would be abandoned by their guards at midnight.

The same hour was set by the U. N. Command for liberating as civilians the 21,509 anti-Red prisoners released to it Wednesday by the Indians.

In a letter tonight to Indian Lt. Gen. K. S. Thimayya, the Reds said they would submit the POW dispute to two bodies — the Military Armistice Commission and the proposed Korean peace conference.

The letter was in reply to Thimayya's second warning that if the Reds did not accept the 349 pro-Communist captives, Indian guards will pull out.

Although Thimayya had said the guards would unlock the compound gates and let the captives go as they pleased, an Indian spokesman said withdrawal of the guards does not mean the gates will be unlocked.

"After all, they are still prisoners," he said. The remark was not further clarified.

The prisoners probably would have little trouble leaving the unguarded compound, however, since it is surrounded by only two strands of wire.

The Reds also bitterly accused the Indian command of "complete" wrecking the truce terms on POWs and warned they must be responsible for seeing that there is no "abduction and dispersal" of the pro-Communist POWs.

While the Reds were protesting, Gen. John E. Hull, U. N. Far East commander, wrote Thimayya praising the "humane, efficient and expeditious manner in which anti-Communist Korean and Chinese personnel were transferred."

High Court OKs
Bridge BondsState Supreme Jurists
Deny Attempt to Block
Mackinac Project

LANSING (AP)—The State Supreme Court today upheld the legality of a \$99,800,000 bond issue to finance the Straits of Mackinac Bridge.

The court dismissed the petition of Sen. Haskell L. Nichols, (R-Jackson) for a writ to block the sale of the bonds to a New York and Chicago bond house syndicate.

Nichols based his opposition largely on the theory that the bond issue is prohibited by a constitutional provision forbidding the state to contract itself for a debt larger than \$250,000 without a vote of the people.

The court said the bond issue "clearly and unequivocally" states that the bonds are revenue issues and do not constitute an indebtedness of the state.

On the same reasoning, the court dismissed Nichols' argument that the Mackinac Bridge Authority is a state agency and that the state is liable for its debts.

The court rejected Nichols' argument the Legislature could not guarantee an annual appropriation of \$417,000 toward maintenance of the bridge.

Fight for Bigger
Income Tax CutWill Buck President's
Plea Against Any More
Slashes at Present

WASHINGTON (UP) — President Eisenhower's plea to Congress to hold the line against any further cuts in major tax rates slammed into strong opposition today.

Several key Democrats planned a floor fight in the almost evenly divided House for a plan to slice

2½ billion dollars a year off personal income taxes, relieving seven million taxpayers from any payment at all.

And some Republicans and Democrats alike predicted Congress would permit at least slight reductions in both corporation income and excise tax rates.

Eisenhower, in his annual budget message yesterday, strongly endorsed a project for revamping almost all the nation's tax laws.

His proposals would reduce revenue two billion dollars annually when they reach full effect, but this would be done through many changes in various deductions, allowances and other technical points—not through major rate changes.

Republicans generally applauded this program, but Rep. McCormack of Massachusetts, the assistant Democratic leader, accused the President of "political insincerity."

"Instead of appealing to the people to make sacrifices for greater national defense," McCormack said, "the President is appealing to their hopes for tax reductions."

"But apparently the only ones being considered in the President's program are corporations and large stockholders. If President Eisenhower thinks we can have tax reductions, the people generally should benefit."

Eisenhower said the program he proposed, in its first year, would relieve individuals of 585 million dollars in taxes and corporations of 630 millions.

McCormack added his "present inclination" is not to vote to extend present rates on corporations and excises. Eisenhower urged Congress to cancel three billion dollars in cuts in these fields, now set automatically for April 1, and to prevent losses in revenue from other excises not involved in the April 1 changes.

Four Pontiac Dairies
Cutting Price of Milk

Pontiac dairies will cut the price of milk one half cent a quart starting Sunday.

They are Borden, Detroit Creamery, Maple Leaf Dairy Co. and Shamrock Creamery. Other firms also were expected to follow the lead.

Howard Simmons of the Michigan Milk Producers Association said he expected the price to rise again when farmers begin receiving more money for milk "in a couple of months."

Five Detroit creameries announced similar price cuts today.

Expansion Program

In connection with the General Motors one billion dollar expansion program recently announced by GM President Harlow H. Curd, Pontiac Motor Division has undertaken a sizeable expansion and modernization program which will increase the division's plant area more than 1,300,000 square feet to a total of 6,700,000, it was revealed today by R. M. Critchfield, Vice President of General Motors and General Manager of the Pontiac Motor Division.

In making the announcement Mr. Critchfield said, "Our program is already under way and involves, besides plant expansion, the expenditure of many millions of dollars for the modernization of our facilities, including new machine tools and other equipment of the most modern design."

"Included in this large expansion program are:

1. The construction of a new sheet metal and press plant.
2. The construction of a new addition to the foundry with new core making and molding facilities and modernization of the charging floor.
3. A new building to handle factory delivery of dealer customer cars.
4. A new car finish building with the most modern equipment obtainable.
5. A new addition which will expand facilities for shipping service parts.
6. A three-story addition to the personnel and purchasing building with a reception room constructed especially as a terminal for the Pontiac popular plant tour train.
7. The construction of a new service parts machine building.
8. Installation of a second automatic bumper plating system for additional capacity. Pontiac pioneered this type system, installing its first one several years ago.

"Pontiac is looking forward to a banner year, equal or better than 1953 when we produced 418,000 cars. In addition to our commercial production we are meeting military requirements on four defense contracts. Our present employment is slightly over 18,000, or approximately 10% higher than a year ago."

Dulles Urging
German VoteCalls Red OK Chance
for Russians to Back
Words With Deeds

BERLIN (UP) — Secretary of State John Foster Dulles challenged Russia today to back up her "words of peace" with "deeds of peace" by giving divided Germany a chance to be united again through free elections.

Dulles was the first of the top western diplomats to arrive for the first Big Four conference with Russia in five years. He landed at West Berlin's sprawling Tempelhof Airport this morning.

In a statement to correspondents as he stepped from the plane, Dulles said the "whole world would take new hope" if the conference, which opens Monday, could agree on free elections as the first step toward German reunification.

"For it will then be apparent that the words of peace are being translated into deeds of peace," Dulles said.

British Foreign Secretary Anthony Eden and French Foreign Minister Georges Bidault were due later today.

Russia's Foreign Minister V. M. Molotov is scheduled to check in Saturday, rounding out the roster for the conference which may determine whether a "negotiated peace" is possible in the cold war.

Race Horses Aren't Alone
in Their Queer Behavior

MUSKEGON (AP)—A lonely, embittered horse roamed the Arnold Race-Farm today, mute evidence that there are some things beyond the ken of the law.

Legally the case of the no-name, once friendly horse with the Dr. Jekyll-Mr. Hyde disposition has been settled. But what happened to turn the gentle pal of children into an outlaw remains a mystery.

There are some who think it is just plain homesickness. Race bought the animal last May at the Ravenna Livestock Auction from John De Mull of Cedar Springs.

Race didn't have to take just De Mull's word that children as young as three years old had ridden the horse safely and with pleasure. He saw a demonstration before the sale. He bought the horse for his 12-year-old daughter.

Back at his Maple Island Farm Race saddled the horse and boosted his daughter to the saddle. She was quickly thrown. Then Race tried. He was thrown, too.

For days the horse roamed the farm. Five men and a boy once spent an hour and a half before capturing it.

In a resulting civil suit to determine whether Race should

pay the \$125 for the horse, docile at Cedar Springs, wild and erratic at Maple Island, Municipal Judge William T. Coughlin ruled in favor of De Mull.

Said the judge in an opinion announced Thursday:

"For some reason not known to the court, the animal in question had a complete reversal of behavior."

To the crazily mixed up animal the decision of the judge and the \$125 at stake had no meaning.

It is still moody, unfriendly, without a name—and perhaps terribly homesick. But nobody knows and nobody has ridden it.

Summerfield Sees Expanding Market

NEW YORK (U)—Postmaster General Arthur E. Summerfield says a huge and ever-expanding market exists in America "for businessmen who go after it."

In a speech last night before the National Industrial Conference Board, a private organization, Summerfield said "there is no cause for alarm" over business conditions.

"There are big markets here in the United States still to be tapped," he said.

He cited the nation's growing birth rate and pointed out that one out of every three American families still is without an automobile, 8 out of every 100 lack home-freezing units, and 98 out of 100 do not have air-conditioning.

Tank Fails to Cooperate on Short Trip Downtown

NEW YORK (U)—There was no cry of "Get a horse" or "Put a nickel in it" when the battered, homemade tank broke down and couldn't make it from the Bronx to lower Manhattan.

That same clattering, lurching contraption had crashed the Iron Curtain six months ago and carried a Czech family to freedom. So there was no bantering, only friendly concern over the plight of the five-ton monster.

An ungainly sight, yet. But consider how it was made: From stolen scraps of metal and a war-wrecked gun carrier.

With its builder, 33-year-old Václav Uhlik, and Walter Hora, 26, another Czech escapee at the helm, the tank set out on its trip yesterday as part of the Crusade for Freedom campaign.

Just as the 15-mile trip was about to begin, the tank's radiator started to leak. That was fixed. Then the retractable wheels wouldn't lower because of a broken clutch. Since this meant the old battlewagon had to be run on its caterpillar tracks a special official okay had to be obtained before it could run that way along city streets. More delay.

Finally, with a motorcade escort of police, newsmen and photographers, the tank clattered off at a 10-mile-an-hour clip. It rumbled over a Harlem River bridge and reached 88th St. before the engine quit.

Uhlik, who had chauffeured himself and seven fellow Czechs through a 40-mile cordon of Communist police and border guards, again went to work on it.

The ignition system was fouled and the carburetor began flooding. More work, more crowds, and plenty of friendly advice. A taxicab driver stopped to lend Uhlik some tools.

It was no go. So police got a tow car and pulled the tank to Times Square. There was no time left to get to its planned destination—City Hall—because it was nearly dark.

So the stouthearted vehicle hulked temporarily on the Great White Way, broken in mechanical spirit but radiating a pathetic heroism.

Doctor to Speak at Clinic Meet

Pontiac Child Guidance Unit Holds Gathering in Mt. Clemens

Dr. Joseph Fischhoff, staff psychiatrist at the Children's Center of Metropolitan Detroit, will speak at Pontiac Child Guidance Clinic's annual meeting Feb. 11.

Dr. Fischhoff's talk, titled "Relationship of the Child Guidance Center to the Community," will highlight a dinner and program scheduled for 6:30 p.m. at Hollywood Hotel in Mt. Clemens.

The public is invited to attend.

Child Guidance Clinic offices, Federal 2-0002, will take reservations.

Miss Madeleine Half, clinic director, will summarize the year's work. New members will be named to the board of directors.

The Child Guidance clinic, with R. A. Ambrose, superintendent of Oxford schools, as chairman, helps Oakland and Macomb counties' emotionally disturbed children.

The checks were issued in two series, one to the Whyte Co. and the other to the Ideal Display Fixtures at the same address. To date

a total of \$800 in payroll checks, stolen Dec. 6, from these two companies has been cashed in Oakland County.

Birmingham Investigating Artificial Skating Rinks as Possibility for Future

From Our Birmingham Bureau
BIRMINGHAM — Artificial ice skating rinks may become a reality for Birmingham's skating enthusiasts in the not too distant future.

Discussing long-range plans last night, the recreation board assigned City Recreation Director Frank Whitney and board member Roland Reese to investigate the possibilities for such rinks and come up with a report to be presented at next month's meeting.

Winter recreation is more important than summer activities, the board agreed.

Detroit's artificial rinks received favorable comment and the fact that most small Canadian towns

will be added to the school payroll for the next year, Bloomfield Hills school board members decided this week.

Because of increased student population, three elementary school teachers and five junior and senior high school teachers will be added next September.

City commissioners have approved the advancing of \$1,366.75 to the Southeastern Oakland County Water Authority, of which Birmingham is a member, to allow the authority to purchase certain rights-of-way and pay engineering costs.

The funds will be returned out of the proceeds of the proposed bond sale.

Telephone reservations are still being taken at the YMCA for tomorrow's monthly Y square dance, which will be held from 8 p. m. to midnight.

Mr. and Mrs. Walter Allison will serve as hosts and Mark Smith will do the calling and instructing.

Franklin's Boy Scout Troop B-11 entertained six Cub Scouts soon to be eligible for their troop this week.

With a campout planned for this weekend at the D-Bar-A Ranch at Metamora, the boys brought their packs for inspection and gave the Cub some idea of what they can look forward to.

Mrs. Ellen O'Neal Benner, service for Mrs. Ellen O'Neal Benner of 583 Madison will be at 3 p. m. tomorrow from the Manley-Bailey Funeral Home, with burial at Roseland Park Cemetery.

Mrs. Benner, the widow of John Benner, died at her residence this morning after a long illness. Born in Lansing, Ont., she had lived here seven years.

She was a member of the United Church of Canada, Richmond, Ont., and the Women's Association of the First Methodist Church here.

Survivors include three daughters, Mrs. Kenneth Mowat of North Street, Mrs. Carmen Butler of Croswell, and Marguerite Hendra of Birmingham; two sons, Symons Hendra of Applegate, and Wellington Hendra of Carsonville and a brother, Edwin O'Neal of Birmingham.

Twins, 38, Attempt to Arrest Attorney

(Continued From Page One)

Police Chief William H. Parker, who said "I don't know what it's all about."

"People can't go around arresting the U. S. attorney in our city," said Jack Irwin, acting mayor.

The Firms and Waters, trailed by officials, reporters and photographers, went to the offices of Dist. Atty. S. Ernest Roll and discussed the situation in detail. Waters went free, of course, and the twins were taken before the U. S. commissioner and arraigned on a charge of assaulting a federal officer, then jailed in lieu of \$10,000 felony bail.

The Firms' difficulties with the government began when federal authorities told them they had no right to purchase the transport plane, which had been condemned for future flying service. The twins ignored the government and a year ago flew the plane to an isolated field near Death Valley. They were arrested but the case against them collapsed because the government couldn't prove which of the brothers actually had flown the plane from Bakersfield.

The plane since has been impounded at Nellis Air Force Base, Nevada, and the twins have been trying fruitfully to regain it.

The Finn brothers, who spend much of their time reading law books, are still confident. "We've done nothing wrong," they told newsmen.

Said Waters: "I must admit I was a bit scared of what they might do."

Warner Recovering After Bullet Surgery

Donald Warner, 29, charged with the first degree murder of his wife, is recovering today after doctors removed a bullet from his head at Pontiac General Hospital yesterday afternoon. His condition is listed as satisfactory.

Warner shot himself about three hours after he allegedly shot his wife, Barbara, 21, as she lay asleep at their Brooklands subdivision home, 2645 Emmons, on Jan. 13.

Warner, brought to the hospital about noon the day after the shooting, admitted to Oakland County Sheriff's Detective Mahlon France and Under Sheriff Donald O. Menzies that he shot his wife about 11 p. m. the previous night.

6 Report Thefts of Accessories

Value of Car Equipment Taken Last Night Hits \$188, Police Say

Six persons reported thefts of auto accessories last night to Pontiac Police, according to Detective Charles Hewitt, of the auto theft bureau. Total value of equipment was estimated at \$188.

Walter L. Burton of 184 E. Wood Ave. reported that four hub caps were stolen from his auto while it was parked in a factory parking lot. Keith Freil of 6705 Strong St., Detroit, told Pontiac Police that a wheel and tire were taken from his car while the auto was parked near downtown Pontiac. They were valued at \$50.

Four auto discs and hub caps were reported stolen by Rex Taylor of 583 Mt. Clemens St. The auto was parked at East Alley and Perry St. when the theft occurred.

Sam Christoff of 316 Wessen St. said a wheel and tire were taken from his auto while it was parked at Branch and Wessen Sts. Henry Nord of 327 Wessen St. said a tire and tube were taken from his car, also parked at Branch and Wessen Sts.

Mrs. Bruce Boyd of 2083 Pontiac Rd. told police her car was parked in the rear of 128 N. Perry St. when four hub caps were stolen.

"People can't go around arresting the U. S. attorney in our city," said Jack Irwin, acting mayor.

The Firms and Waters, trailed by officials, reporters and photographers, went to the offices of Dist. Atty. S. Ernest Roll and discussed the situation in detail. Waters went free, of course, and the twins were taken before the U. S. commissioner and arraigned on a charge of assaulting a federal officer, then jailed in lieu of \$10,000 felony bail.

The Firms' difficulties with the government began when federal authorities told them they had no right to purchase the transport plane, which had been condemned for future flying service. The twins ignored the government and a year ago flew the plane to an isolated field near Death Valley. They were arrested but the case against them collapsed because the government couldn't prove which of the brothers actually had flown the plane from Bakersfield.

The plane since has been impounded at Nellis Air Force Base, Nevada, and the twins have been trying fruitfully to regain it.

The Finn brothers, who spend much of their time reading law books, are still confident. "We've done nothing wrong," they told newsmen.

Said Waters: "I must admit I was a bit scared of what they might do."

Pontiac Deaths

John E. Adkinson

John Edward Adkinson, 75, of 7 Hartung Ct. died today at his residence.

He was born in Puxico, Mo., on Feb. 21, 1875. He married Mamie Latham there on May 7, 1921.

Mr. Adkinson was a constable for many years in Stoddard City, Mo., and was a life member of Odd Fellows Lodge of Puxico. He was last employed at GM Truck and Coach Division.

Surviving besides his widow are two sons and two daughters, Edward C. Chastain, Mrs. Eva Whittington and Mrs. Pauline Havill, all of Pontiac, and Stanley C. Adkinson of St. Louis, Mo. Also surviving are 10 grandchildren and a brother, James Adkinson of Missouri.

Funeral will be Saturday at 4 p. m. from Sparks-Griffin Chapel. The Rev. Wesley Whitley of the First Assembly of God Church will officiate. Following service here, the body will be sent to Puxico for service and burial there Tuesday.

Mrs. Hiram C. Colvin

After a prolonged illness, Mrs. Hiram C. (Carrie M.) Colvin, 83, of 4865 Motorway Dr., died at her residence at 1:30 p. m. Thursday.

Born April 10, 1870, she was the daughter of William and Eliza Beatty, and the widow of the late Rev. Hiram C. Colvin. She was a graduate of Pontiac High school.

Mrs. Colvin had resided 32 years in Detroit and was a retired personnel director for women for Detroit Lubricating Co. She was a member of Metropolitan Methodist Church in Detroit.

Her only survivors are nieces, Misses Mary and Bessie Carpenter of Pontiac, Mrs. Della C. Pearl of Brighton, Lillian and Myra Hodge of Highland Park and Grace Hodge of Daytona Beach, Fla.

The funeral will be Saturday at 2 p. m. from Donelson-Johns Funeral Home. Dr. Chester A. McPheeters, her pastor, will officiate and burial will be in Oak Hill Cemetery.

Mrs. Augustus R. Jasmund

Funeral for Mrs. Augustus R. (Mary E.) Jasmund, 79, will be Saturday at 1:30 p. m. from the Voorhees-Siple Chapel. The Rev. Robert Fischer, associate pastor at First Baptist Church, will officiate and burial will be in Perry Mount Park Cemetery.

Born in Port Jarvis, N. Y., Feb. 2, 1874, she was the daughter of Albert and Caroline Ostrander Halstead.

Mrs. Jasmund resided in Pontiac 57 years, going to live with her son, William J., at 23 S. Broadway in Lake Orion after the death of her husband April 7, 1946.

Besides the son, she is survived by two daughters, Mrs. Blanche Gilchrist of Gladwin and Mrs. Irene Russell of Lake Orion. Also surviving are three sisters, Mrs. Emily Phillips, Mrs. Libby McGillvery and Mrs. Helen Gilchrist; all of Pontiac; 7 grandchildren, 12 great-grandchildren and 1 great-great-grandchild.

Mrs. Jasmund died Wednesday at Pontiac General Hospital.

Bruno Lolli

Bruno Lolli, 41, of 28 S. Anderson St. died suddenly at Pontiac General Hospital Thursday.

Born in Belle Vernon, Pa., Oct. 1, 1912, he was the son of Dominick and Rita Lolli Salfi. He married Lillian Lolli Salfi.

Retiring officers recognized were L. Clare Utley, 1953 secretary and D. B. Eames, 1953 treasurer. Directors whose terms expired include James A. Corwin, Gerald Guinan, Robert B. Oliver, N. William Peterson (deceased) and Glenn H. Griffin.

Five newly elected directors presented were Floyd H. Baker, D. B. Eames, Homer C. Jackson, William H. Knudsen and John P. Nigge-man.

Retiring president Watson was honored with a gift. General chairman for the affair was George K. Zimmerman.

Police Holding Two for Theft of Bricks

A Hamtramck man charged with embezzling construction material from the company he worked for and a Troy Township man accused of receiving the stolen property both demanded examination on the separate charges against them yesterday.

Wilson Powell, 36, of 11483 Dyer, Hamtramck, is accused of delivering a load of bricks stolen from the Century Brick Co. of Detroit, Saturday to Kenneth Stone, 27, of 1750 N. Big Beaver Rd., according to Oak Park Detective Sgt. Steve Palk and Detective Paul Jones.

Both were unable to post \$1,000 bonds set by Oak Park Judge William F. Fern. They are being held in Oakland County Jail awaiting examination Feb. 3.

Powell first reported the truck load of bricks as stolen. But under questioning by Jones and Palk, he admitted the theft and involved Stone, who confessed to receiving the bricks, Jones said.

County Winner to Enter State Contest 4-H Cherry Pie Champion to Be Chosen Tomorrow

A champion cherry pie baker will be chosen tomorrow from among a record number of girls representing 4-H clubs and home-making classes throughout Oakland County.

Twenty-four contestants already have decided to enter their own specialties in the annual county cherry pie baking contest to be held in Consumers Power Company Auditorium at Wayne and Lawrence Sts. in Pontiac. More are expected to enter tomorrow.

Winning girl will be awarded an expense-paid trip to Grand Rapids, where she will compete with winners of other Michigan counties in the state contest Feb. 11.

The Michigan champion will be entered in the national pie baking contest.

Second and third place winners in the county contest will be presented with electrical appliances. Judges will be a 4-H club agent, a former home-making teacher and a home service adviser for a utility company.

The contestants, all between the ages of 14 and 21, will be judged on their method of preparing the pies, the quality of the pies and personal qualifications.

In addition, the girls will each be asked to tell "What the Cherry Pie Baking Contest Has Meant to Me."

Entered thus far in the county contest this year are: Valerie Murphy, Gillingville; Mildred Black, Milford; Jane Joslin, Holly; Suzanne Schulte, Walled Lake; Ester Graves, Ortonville; Jean Randall, Walled Lake; Ruth Alix, Birmingham; Dolores Markel, Milford; and Ada Mae Powell, Clarkston.

Others are Dolores Bailey, Clarkston; Nancy Howland, Walled Lake; Gail Williams, Milford; Mary Jane Bouckaert.

Local Teachers Tell of Their Experiences to FTA Members

ROCHESTER — Teaching as a lifetime profession was discussed this week at a Future Teachers of America conference held in Rochester.

Forty teaching candidates from the high schools of Troy, Oxford, Lake Orion, Clarkston, Avondale and Rochester participated in the meeting sponsored by the Alpha Gamma Chapter of Delta Kappa Gamma.

Co-chairmen for the meeting were Miss Jean Lilly and Miss Laura Figgels of Rochester.

A panel reviewed teaching from their first experience in the classroom on into their homelife.

Mrs. Grace Hinckley, Pontiac, served as moderator. Panel members were Mrs. Mary Shepard, Rochester teacher who told of preparation for the career; Miss Helen Hayward, Birmingham teacher discussed her work in the elementary grades and Mrs. Virginia Sedosky, physical education teacher from Lake Orion told of the rewards of the field.

Mrs. Marie Remer of Rochester discussed the carry-over benefits she had found in her homelife from teaching experience.

The working project for this organization has been to interest high school boys and girls in teaching careers.

During their high school years they are encouraged to belong to the FTA and are assigned to regular teachers to get actual classroom experience in order that they may determine whether or not they are interested in preparing for teaching.

Several Oakland county schools have active FTA organizations with more adopting this program each year.

Chem-Physics Club Seniors Are Honored

The Chem-Physics Club of Pontiac High School held a meeting-party recently, honoring graduating seniors Carl Theorin, Carl Mapley, and Dave Richards.

At the meeting members saw a demonstration of a jet engine.

Also discussed by the group was a December Newsletter from the Michigan Junior Academy of Science, Arts and Letters which was read in part to the students.

Experiments were planned for the next meeting to be held in early February. Clifford Wilcox, faculty supervisor, announced that membership is open to any student interested.

Spittin' Image Proves to Be Real McCoy

BISBEE, Ariz. (P)—Mr. and Mrs. Salin Dominguez were driving to town to hear Sen. Goldwater (R-Ariz.) speak when they saw a hitchhiker who was the "spittin' image" of the senator.

They stopped, and Goldwater climbed in. The senator explained he had landed his plane at the wrong airport, missing the reception committee.

Club to Hold Vote

Pontiac High School's Future Teachers Club will hold an election of officers at its next meeting. At their last conference, the club

members voted to form three groups, with each group planning a project for a future meeting. Mrs. Vera Adams invited the club to a teacher's sorority gathering where a discussion of teaching, both elementary and secondary will be presented.

Pontiac Students Cram as Final Exams Approach

Students the city over sharpened pencils and wits for final exams this week. Upperclassmen at Pontiac High eagerly awaited the arrival of the coveted caps and gowns, as St. Michaelites took advantage of the icy weather for some winter parties.

At St. Frederick High School students scurried for some last minute study, taking time out only to chalk up another basketball victory.

PONTIAC HIGH
Seniors at PHS purchased Class Day tickets and marked time until their cap and gown parade.

Vicky Micu, reports that excitement was not confined to the high ranks, however. Underclassmen this week received coveted school pins and rings.

Tuesday and Wednesday of next week are "E-Days" for wavy sophs and juniors. Examinations are scheduled on those dates.

Tribesmen will return on Friday to receive the final verdicts on their report cards.

ST. MICHAEL
St. Michael Catholic Youth Organization members gathered

Sunday at Holiday Park for an ice skating party, highlighting activities at the school this week.

Margaret Martin, St. Michael's pen pusher reports that junior classmen elected a new vice president to fill the position left vacant by the former

veep who entered the Marine Corps. Chosen as new assistant to the president was Robert Anderson.

Seniors found English classes becoming more and more interesting as they began study on a new novel.

ST. FREDERICK
The girls basketball team scored another victory Sunday, reports newswoman Mary Drake. The loser was St. Mike, downed 26-11.

While book pages flew and underclassmen bit their nails (exams, coming up), seniors took part in several varied activities including a speech department presentation.

Mrs. Eleanor Bischoff, clothing consultant for the parochial schools of the Archdiocese of Detroit visited the high school clothing department last week.

Future Nurses Name Officers

Connie Davis Elected President of PHS Club for Semester

At a semi-annual election held by PHS Future Nurses, officers were chosen for the coming semester.

Taking over presidential duties will be Connie Davis, assisted by vice president Barbara Kneale.

Recording secretary will be Kathy Armstrong, with the corresponding secretary position going to Mary Keavy.

Treasurer is Martha Dawson and historian is Lois Austin. Plans for a tea to be held on Feb. 29 were discussed at the meeting.

General chairman for the event is Audrey Tinkis with Gerry Locke, Lois Bartels and Martha Dawson assisting her.

The entertainment committee is headed by Roberta Johnston with Lois Austin, Connie Davis and Barbara Kneale completing the group.

Girls who have been members of the organization for three semesters are eligible for pins which they may order at the present time.

Mrs. Agnes Buckley supervises the group.

Projectionist Club Holds Party at Y

A semester party held at the YMCA highlighted activities of the Pontiac High Projectionist Club.

Chairmen for the affair were Gary Montgomery, Carl Borders and Genda Platt. Martha Machnauer also assisted the committees.

Thirty members and their dates attended the event which offered pool facilities, ping pong, shuffleboard and dancing.

Miss Marion Lehner supervises the organization.

First transcontinental telephone line was completed in 1915.

Terrier Goes Hungry While Rat Gets Fat

POTTSTOWN, Pa. — Joseph Kopcho's pet dog has been embarrassed since his master made a discovery in his home here. Kopcho dismantled an old organ in his home and found several pounds of dog food stored there by what he feels sure was a rat.

The food, Kopcho figures, was taken from the dog's plate after it had been put there at dinner time and represents about ten meals. The dog is a rat terrier.

Electricity Rings Cathedral Bells, Replaces Brawn

PARIS (INS) — The push-button age has come to the historical belfry of Notre Dame Cathedral in Paris.

Instead of human brawn, electric power is now being used to toll all the bells lodged in the classical Gothic towers flanking the famed landmark in the French capital.

Last to bow to the march of progress was "Emmanuel" the huge, deep-toned bell that was cast in 1686.

Measuring more than eight feet in diameter, the 14-ton bell required eight men to work it. Now, two synchronized electric motors activate its 916-pound clapper.

"Emmanuel" was the sole fixture of Notre Dame to survive the storm of French Revolution. Other smaller bells were removed to be melted and turned into coins.

Removed in 1794, the huge bell was restored to the Notre Dame belfry at Easter in 1802 when France and the Holy See signed a "concordat."

HOUSTON (U)—Actress Hedy Lamarr and her new husband, oilman W. Howard Lee, have finished house shopping. The couple has leased a two-story brick mansion in Houston's exclusive River Oaks addition for \$600 a month, unfurnished. They expect to move in from a Shamrock Hotel apartment about Feb. 1.

Talks to See Russia Work for German Neutralization

(Editor's note: "Spotlight on Berlin" What Russia is expected to propose at the Berlin conference and the anticipated objectives of the Soviet's policy at that fateful meeting are described in the following article, last of a series of four on the Big Four foreign ministers meeting which is due to start Monday.

By KINGSBURY SMITH
BERLIN (INS) — Neutralizing Germany, splitting the Allies, and

ousting the United States militarily from Europe are expected to be three major objectives of Soviet Foreign Minister Vyacheslav Molotov at the Big Four conference which starts in Berlin next Monday.

Molotov, the man who negotiated the Non-Aggression Pact with Nazi Germany that helped plunge Europe into World War II, will be fighting one of the greatest battles of his diplomatic career when he confronts the American, British and French foreign ministers around the conference table and in the highly secret "informal" talks that will be held on the sidelines.

The possibility is foreseen in Western diplomatic circles that Molotov will bring to Berlin a sensational proposal for an all-European security scheme based on the inclusion of Russia and the Soviet satellite states in the council of Europe, the conclusion of multilateral defense guarantees and the military neutralization of a unified Germany.

In return for acceptance of such a plan, it is considered not inconceivable that Molotov may offer to pull Soviet military forces out of Eastern Europe and promise that political freedom would be restored gradually to the satellite states.

High-ranking American officials in Europe believe such a proposal would be a booby-trap plan since it would have the effect of reducing the defensive power of the West while leaving Russia's military strength virtually untouched.

Only if the Soviet government agreed to a drastic reduction in the size of its own armed forces and accepted an effective international system for the control of all types of armaments, including atomic weapons, would such a plan, in the opinion of American officials, warrant favorable consideration.

It is considered highly improbable that Molotov will agree to either step at Berlin, though he may talk a lot about the desirability of disarmament and international control of armaments.

Molotov is expected to concentrate his fire on the European Army treaty and the North Atlantic Treaty Organization. He will try to convince France that the EDC is bound to lead to a re-birth of dangerous German militarism. He will assail NATO as a threat to Soviet security and call for the withdrawal of foreign military forces and bases from all European countries. This would imply Russia's willingness to pull out of Eastern Europe militarily if the U. S. and Britain did likewise in Western Europe.

Whether he can frighten the French away from the European Army treaty remains to be seen, but he is not likely to make any headway in persuading Western Europe to abandon NATO.

The three Western foreign ministers are agreed that they will make it unmistakably clear to Molotov that they have no intention of abandoning this alliance no matter how much he may howl about it. He will be told emphatically that NATO remains the keystone of Western defense policy.

Allied diplomatic advisers from Moscow indicate that Molotov's most tempting bait for the military neutralization of Germany may be a plan providing for the division of strictly limited German defense forces into geographical areas and prohibiting the creation of a German general staff.

If Molotov coupled this with assurances to the French that acceptance of the plan would also mean an end to the Indo-Chinese conflict, it might prove extremely difficult for any French government to reject it.

As bait to the United States, Molotov might throw in Russia's willingness to participate in President Eisenhower's proposed atomic pool.

If Russia could secure the military neutralization of Germany, it is believed Molotov would then agree to conclude an Austrian peace treaty on almost any terms the West wished.

Salesgirl Hits Smokers to Aid Coffee Drinkers

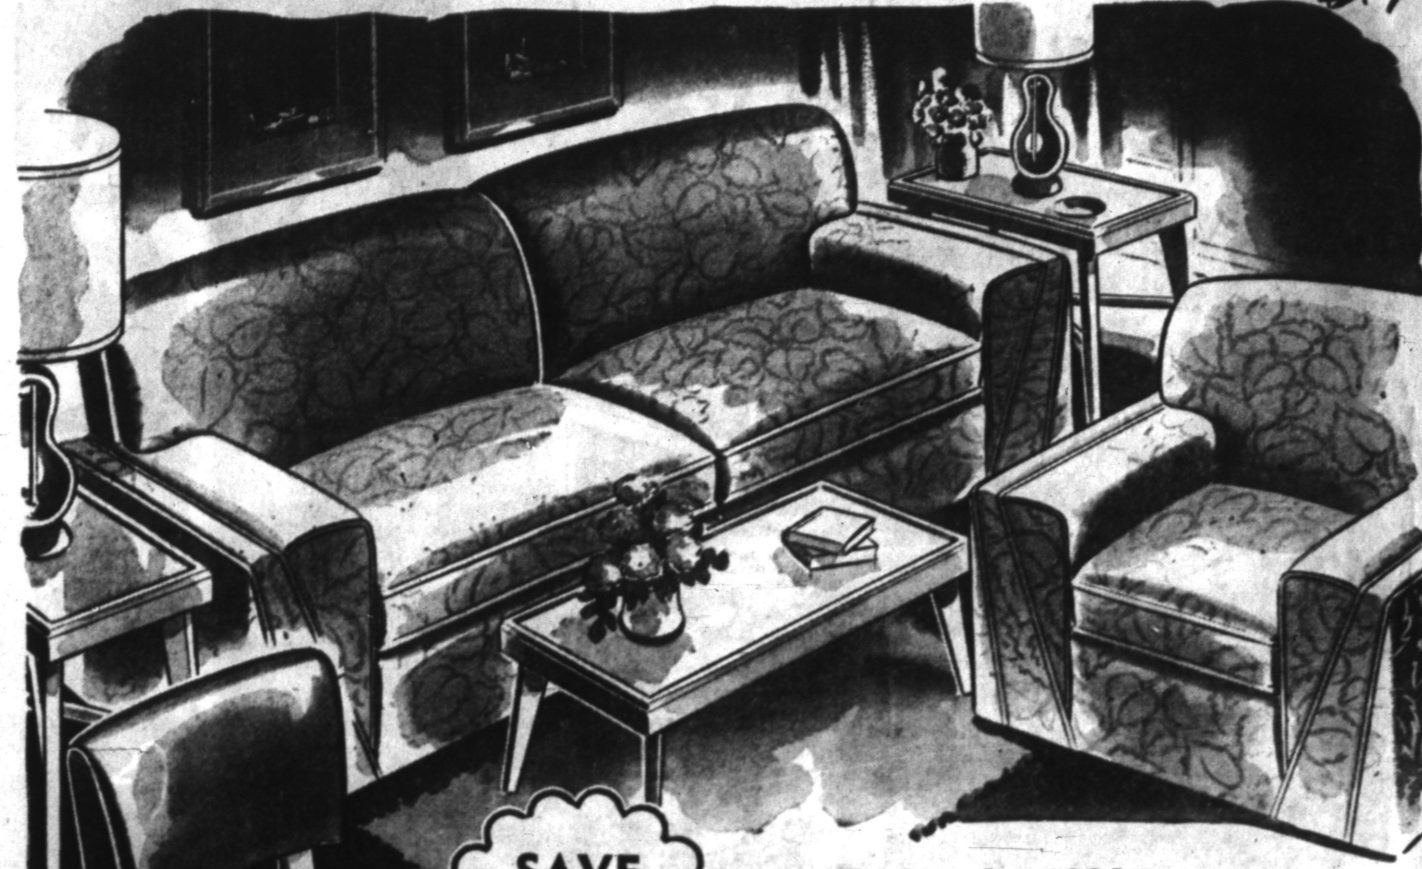

HOUSTON (U)—Ten-cent coffee is unfair to jurors, says the woman who operates the Criminal Courts Building cigar stand.

Mrs. Grace Taylor thinks she has worked out a plan to maintain her 5-cent coffee prices. "It looks like I will lose money on every cup at 5 cents. But I recently raised the price of cigarettes a penny a pack and think that will make up the coffee losses."

She said many of her customers lose wages while on juries and "it wouldn't be fair to stick them a dime for a cup of coffee."

Classes Stress Home Projects

Do-It-Yourself Skills to Be Taught Adults at Waterford

WATERFORD — Learning how to do-it-yourself will be given special emphasis in Waterford Township Tuesday when the spring term for the adult education courses begins.

George C. Tramontin, director of the adult education program, announces that classes will run for ten consecutive weeks from 7 to 9:30 p. m. on Tuesday evenings. The only Thursday class will be advanced sewing which meets on this day beginning Jan. 28. Registration will be at the Waterford High School on Tuesday starting at 6:30 p. m.

Classes offered in the do-it-yourself field are beginning sewing, advanced sewing, knitting and crocheting, woodworking and home wiring, blueprint reading and drawing.

Other courses offered will be in beginning typing, speech, practical English and a class for expectant parents.

Classes offered for the first time are in practical English and knitting and crocheting.

Any residents of the area are invited to enroll in these classes.

Organize Junior WSCS in Seymour Lake Area

SEYMOUR LAKE — A Junior Women's Society of Christian Service was organized last night at a meeting in the home of Mrs. Elroy Scott on Ramsey road.

Mrs. Nelson Cathcart of Davison, vice president of the Flint district, was present. Heading the society will be Millicent Solley, chairman; Mrs. Scott, vice-chairman; Betty Solley, secretary; and Mrs. Keith Cooper, treasurer.

Meetings will be held on the first Thursday evening of each month.

West Bloomfield Board Passes 2 Health Laws

WEST BLOOMFIELD TOWNSHIP — Two public health ordinances were passed by the Township Board at its meeting this week.

The regulations prohibit dumping garbage, refuse, and rubbish on or within township streets, highways, lakes and public places.

They carry penalties not to exceed 90 days or \$100 fine.

Clarenceville PTA Hears Talk on Conservation

CLARENCEVILLE — Helen Martin of the State Department of Conservation told "How Our Mineral Resources Created a High Standard of Living" at the Tuesday meeting of the PTA here.

It was announced that the organization is seeking donations of furniture, clothing, dishes, toys, and jewelry for an "Old Fashioned Country Auction" scheduled for Feb. 13.

Fred Vargo, Farmington 1036-W Arthur Mann, Farmington 1018-R, and Gayle Smelt, Farmington 2047-M, will handle pickup arrangements.

Hearing Set Thursday for Hazel Park Youth

ROYAL OAK TOWNSHIP — Paul D. Lane, 18, of Hazel Park stood mute before township Justice Hendrik J. Smilt yesterday on a negligent homicide charge. A plea of not guilty was entered by the court.

Smilt set Thursday as examination date.

Lane was driver of an auto which struck and killed Joseph Sarnofsky of 1653 E. 13-Mile Rd. Wednesday night.

Young Peoples Club Meets Sunday Evening

WALLED LAKE — Next meeting of the newly formed Young Peoples Club will be at 7:30 p. m. Sunday at St. Anne Episcopal Mission, Oakley Park.

Membership in the non-sectarian organization is open to persons 14 to 21 years old and interested persons are invited to attend the meeting.

Hunters Creek Church to Hold Revival Series

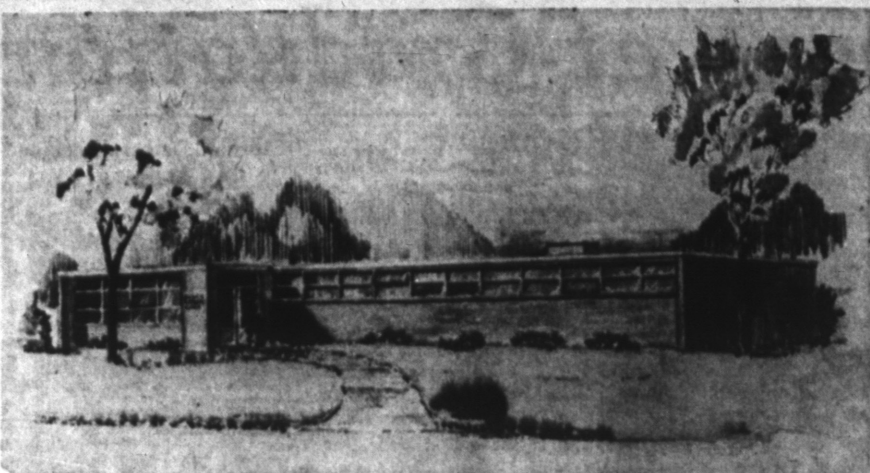

METAMORA — Beginning Sunday and continuing through Jan. 31, the Hunters Creek Community Church will hold its winter "Hour of Decision" revival services.

The meetings will be held at 8:30 p. m. each evening and will feature Evangelist Herbert Noe, director of Christian education at Emmanuel Baptist Church, Pontiac.

Extension Group Gets Broiler Meals Lesson

GINGELLVILLE — A lesson on broiler meals was given by Mrs. Odes Case at the Second Chance Extension Group meeting this week.

Next meeting will be held Feb. 16 at the home of Mrs. Robert Sanford, with the lesson on "Color in the Home."

DOCTOR'S CLINIC—Dr. O. R. MacKenzie, chairman of the Oakland County Medical Ass'n., and a Walled Lake practitioner, was making plans for a clinic in the area when he was killed in an auto accident. Walled Lake residents since have joined forces to raise funds for a clinic, to be constructed in his memory. Pictured above is the architect's sketch of the 80-by-36-foot building, drawn up by Charles Rogers and David Oeming.

Construction Date Looms for Mackenzie Memorial

WALLED LAKE — The board of directors of the O. R. MacKenzie Memorial Clinic may soon see its way clear to make arrangements for construction of the building.

"With funds already pledged and the amounts which should be realized from the VFW dinner tomorrow and the Multi-Lakes Assn. dance, we should be able to start making arrangements soon," said Waldo Proctor, organization secretary.

To be constructed on Pontiac Trail, near the present Walled Lake High School, the modern, one-story clinic will house 10 examination rooms and a large waiting and reception room.

Plans call for professional people—two doctors and a dentist—to lease the space.

After the indebtedness on the building is paid, it is the board's aim to devote the funds to further health services in the district, a spokesman said.

The clinic will be constructed as a memorial to the late Dr. O. R. MacKenzie, a member of the staffs of Pontiac General and St. Joseph Mercy hospitals and chairman of the Oakland County Medical Assn. at the time of his death Sept. 17. He was killed in an auto accident.

On Aug. 1, he had taken a year's leave of absence from his Walled Lake practice to study internal medicine at the University of Pennsylvania. He had planned to construct a clinic at Walled Lake upon his return.

A group of citizens set up a non-profit corporation to see that his

plan would be realized. More than \$6,000 is already in the fund and tomorrow night members of VFW Post 3852, its auxiliary and Dads Post 51 will donate their services, clubhouse and food for a memorial banquet. All proceeds will go to the building fund.

Multi-Lakes Conservation Assn. will sponsor a dance Feb. 6, at its Newton road clubhouse for the fund.

Every other Tuesday a group of women sponsors a business men's lunch here, with all profits going toward the clinic. Tuesday evenings, the Optimist Club holds pancake suppers at Marley's Coffee shop also for the fund.

Amputee Given Civic Honor

Accident Victim Named Winner of Award for Community Service

LAPEER — William M. Swayze, a bedridden amputee since an accident in 1950, has been named winner of this year's "Austin Gwinn Award" for outstanding civic service in Lapeer County.

A committee consisting of Mayor Wellington Rowden, Curtis E. Bishop, past president of the Chamber of Commerce, Clarence B. Riedel, president of the Chamber of Commerce, and William A. and Robert Myers presented the award to Swayze this week.

The award, named after the late Austin Gwinn, outstanding civic leader, is presented annually by the Lapeer County Press.

A resident in Lapeer since 1930, Swayze was employed by the Co-op for 12 years and for Buick Division of General Motors for eight years before his accident.

Swayze, using a telephone as his source of communication, has helped secure workers for the Community Chest fund, headed a drive for a wheel chair for Helen Elischer, also an invalid, and now performs services for the Chamber of Commerce.

Last summer Lester J. Maitland, Civil Defense director for Michigan, cited Swayze for work in coordinating the Ground Observer Corps operations in the Lapeer Area.

Victim Recovering From Car Accident

ROYAL OAK TOWNSHIP — In satisfactory condition in St. Joseph Mercy Hospital, Pontiac today is Hubert Hodges, 44, of 1284 Merry Rd., Pontiac.

Hodges' auto was struck head-on Wednesday night on Stephenson highway by a car driven by Charles L. Poole of 55 W. Kenneth.

Poole told township police his car had gone onto the shoulder of the road and as he attempted to get back on the pavement the vehicle swerved into the on-coming traffic lane. He was not held.

Are You Wasting Money On "Expensive" Eyeglasses?

Just because glasses may have cost you a lot of money doesn't make them better and, (in many cases) not even as good. Stop paying for fancy locations and high overhead. Be thrifty. Buy direct from the manufacturer and save. Remember, ALL glasses at King complete with lenses you need are only \$8.98!

No Glasses Need Cost More Than \$8.98!

Why can King sell for only \$8.98? Because when you buy from King, you buy from the largest optical laboratory-to-you firm in the world. Our huge VOLUME purchases and our know-how for making glasses, plus our direct factory-to-you policy, saves middlemen's profit and many dollars, which saving is passed on to you—the customer.

Soybeans, Rye Out in Front

CHICAGO (AP)—Grains firmed slightly in quiet dealing with soybeans and rye out in front on the board of trade today.

Processors were credited with buying soybeans while it was said rye was helped by some unwinding of spreads, that is, traders who had been long on other grains and short rye were closing out their positions. That meant they had to be on the buying side of rye.

Wheat near the end of the first hour was unchanged to 1/4 cent higher, March \$2.13 1/2, corn unchanged to 1/4 higher, March \$1.54 1/2, oats unchanged to 1/4 lower, March 80 1/2, soybeans 1/4 to two cents higher, March \$3.16 1/2, rye 1/4 to one cent higher, March \$1.26, and lard 28 to 33 cents a hundred pounds higher, March \$16.50.

Business Briefs

After 35 years at Pontiac Motor Division, Elmer (Dutch) Goeing of 6800 Lakeview Dr., this week retired as assistant superintendent of the firm's assembly plant.

More than 100 of his fellow supervisors last week honored the ex-foreman at a dinner at Old Mill Tavern. Speakers were G. M. Watson, personnel director, and Buell Starr, general manufacturing manager.

The Small Business Administration office in Detroit today announced that copies of the agency's loan policy and procedures are available at the SBA office in Detroit.

The office, which provides small firms with advice and assistance on procurement, management and technical problems, is located in Room 620, Federal Building, 231 Lafayette Blvd.

A quarterly dividend of 50 cents a share payable March 10 was announced Wednesday in Detroit by Federal Mogul Corp. The dividend affects stockholders of record Feb. 28.

The Charles F. Durrant Agency, Pontiac branch of the Columbus Mutual Life Insurance Co., is ranked eighth nationally for agency-placed business for 1933. The Durrant Agency, organized in 1908, is located in the Community National Bank Building here.

Robert R. Eldred, senior vice president of Community National Bank of Pontiac, has been elected to the Board of Directors of Pontiac Coach Co., Drayton Plaines, announces Lee Hutchinson, president. The firm produces Pontiac Chief mobile homes and is starting production of a new 50-foot model in its new factory.

Hold Man in Probe of Stolen Checks

Michigan State Police are holding a Pontiac man for investigation of passing more than \$600 worth of stolen checks during the last six weeks.

Orville L. Brake, 26, of 378 Voorhees Rd. was arrested yesterday for investigation of breaking and entering by Detective Charles Leaf and Trooper Henry Delfort of the Pontiac State Police Post.

A sign painter, Brake is under investigation for the break-in and theft of 25 checks and a check protector at the Whyte Manufacturing Co. and the Ideal Display Fixtures Co., both at 284 Ortonville Rd., Ortonville, on Dec. 6 and again on Jan. 21.

Six of the checks, totaling about \$600, have been cashed on the Ortonville State Bank, Leaf said.

Girl Skipped School; Father Gets 30 Days

After pleading innocent to a charge of failing to send his 15-year-old daughter to school, Smile Munson, 42, of 321 Rockwell St., was found guilty and sentenced to 30 days in Oakland County Jail by Pontiac Judge Maurice E. Finnegan Thursday.

Paul C. Allison, director of child accounting and attendance for Pontiac schools, said the girl's absence had posed "a continuous problem" for approximately a year and a half.

A state law cites compulsory school attendance for children through the age of 18, Allison said.
