Reds Offer New U.N. Plan

Ford and UAW Press to Head Off a Strike

Compromises Reported in Effort to Prevent New Auto Walkouts

DETROIT (AP) — Ford Motor Co. and the United Auto Workers resumed negotiations today amidst reports both sides have made compromises to head off a strike of 120,000 Ford production workers at 10 a.m. Tuesday.

An official news blackout covered the negotiations, but usually reliable sources reported that both Ford and the UAW had given a little on non-economic issues. These involve such things as production standards, workers seniority, and employes' desire for a say in new plant locations.

★ ★ ★

UAW President Walter Reuther led the union negotiators into today's session. His only comment to newsmen was that things "really should get rolling today." He forecast an all-day, all-night bargaining session.

Ford Vice President Malcolm Denide, head of the company team, said only that he thought the around the clock bargaining was "a fair prospect."

Reuther and Denise appeared relaxed and confident Sunday night when bargaining was recessed until today.

★ ★ ★

Leisurely negotiations between Ford and the UAW have been in wide contrast with those that went around-the-clock at American Motors Corp. and General Motors Corp., where the UAW won its first three-year contracts in 1961 bargaining. Ford and the UAW met for the first time after dark Sunday.

★ ★ ★

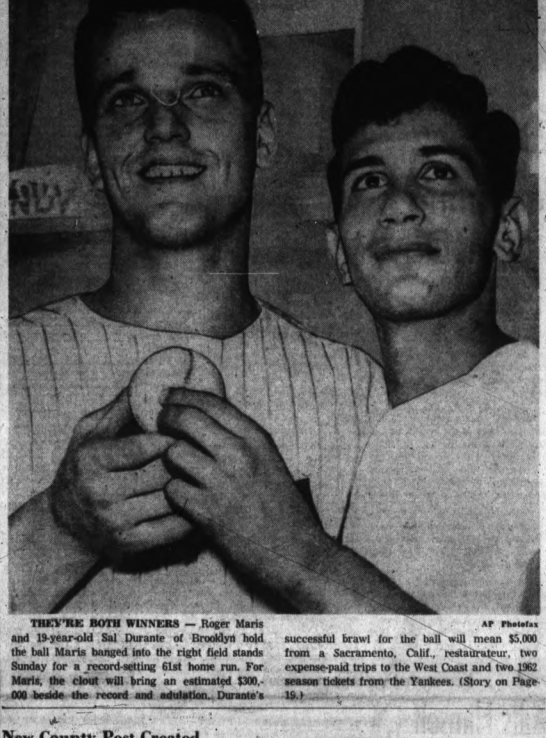
The major development that the two sides let slip under their news blackout curtain was the fact that at-the-plant working agreements had been reached by 26 of the UAW's 85 Ford bargaining units.

That left 46 local-level agreements, which supplement the national contract, still to go. Twelve units made no new contract demands.

★ ★ ★

At General Motors, where a three-package new contract finally was wrapped up only a week ago, local issues proved the knottiest of all and resulted in local strikes shutting 92 of GM's 129 plants and the idling of 260,000 of the company's 325,000 production workers from 10 days to two weeks.

A Swing of Bat Changes Lives



AP Photofax

THEY'RE BOTH WINNERS — Roger Maris and 19-year-old Sal Durante of Brooklyn hold the ball Maris banged into the right field stands Sunday for a record-setting 61st home run. For Maris, the clout will bring an estimated $300,000 beside the record and adulation. Durante's successful brawl for the ball will mean $5,000 from a Sacramento, Calif., restaurateur, two expense-paid trips to the West Coast and two 1962 season tickets from the Yankees. (Story on Page 19.)

Interim Chief, Aided by Panel, Asked by Soviets

Russians Appear to Retreat on Demands for Veto in Setup

UNITED NATIONS, N.Y., (AP) — The United States today rejected a Soviet proposal to name a stopgap U.N. secretary general. It declared the plan would "seriously undermine the integrity of the U.N. Secretariat."

UNITED NATIONS, N.Y. (UPI) — The Soviet Union today formally announced a "conciliatory proposal" calling for appointment of a temporary veto-free United Nations chief executive who would operate with the aid of a panel of three deputies until April 1963.

The proposal, presented by the Soviet U.N. delegation and published today by the official Tass News Agency, was similar to one circulated by the Russians at U.N. last week and reported at the time by UPI.

The official Soviet statement "on the temporary solution of the question of leadership of the United Nations secretariat," appeared to backtrack on previous Soviet demands for veto power in any executive setup replacing the late Secretary General Dag Hammarskjold.

The plan calls for a temporary chief of the U.N. secretariat unhampered by a veto. But the candidate would have to meet with Soviet approval.

The proposal, previously reported by informed diplomats, was spelled out Sunday night in a statement from the Soviet delegation.

The General Assembly would choose a man to head the U.N. secretariat until April 1963, but he would have to work in cooperation with three deputies. None would have a veto. The assembly would make its selection on the recommendation of the Security Council.

The Soviet proposal insists that the top man — he would not be called a secretary general — seek agreement of the deputies on any major problems.

The Russians say this would not involve a veto by the deputies.

Some U.N. delegates hailed this as a major retreat by the Russians but Western officials saw in it the first step toward hamstringing the power of a secretary general.

EYE LATIN DEPUTY

The three deputies would be drawn from a Communist, a neutral and a Western nation — just like the Soviet troika plan for eventual U.N. administration.

Some Eastern diplomatic sources said the Russians also were thinking of another deputy — from Latin America.

Real Crowd PLEASERS

Pontiac Press Photos

STRUTTING ALONG — The Troy High School band was a favorite of the crowd at the fire prevention week parade Saturday, and they swung by with horns aplenty. With the five other bands that marched in the parade, they kept applause rippling through the throng massed at the curbs.

Over 7,000 Watch as Firemen Kick Off Week With Parade

Over 7,000 spectators watched Saturday's Fire Prevention Parade sponsored by the Pontiac Area Chamber of Commerce to kick off National Fire Prevention Week, Oct. 8 - Oct. 14.

★ ★ ★

The colorful parade down Saginaw Street preceded the annual Firemen's Field Day at GMC's athletic field.

The parade featured 64 polished and clanging fire-fighting units, six high school bands, along with many antique engines.

The Firemen's Field Day began at 3 o'clock with the Detroit Edison Co. and the Industrial Fire Division of the Pontiac Area Chamber of Commerce giving a demonstration of close cooperation rescue technique in saving an "electrocuted" lineman atop a utility pole.

PUT ON DRILL

Climaxing the preliminary events the Oakland County Sheriff's Posse put on a precision man-and-horse drill.

The first major event on the Field Day program was the ladder devolution, requiring each team to raise a ladder vertically by hand and put a man at the top in short order. The Chamber of Commerce trophy was awarded to the Pontiac Township Fire Department team. Second and third places went to the Walled Lake and Birmingham Fire Department teams.

The second main event, the hose contest, was won by the Walled Lake unit, trailed by Birmingham and Pontiac Township.

★ ★ ★

The water battle, last event on the program, was won by the Union Lake Fire Department team in an upset victory over defending champions, Walled Lake.

★ ★ ★

Teams in competition for the trophies were Pontiac Township, Union Lake, Commerce Township, Avondale and Walled Lake.

In over-all competition, the "decathlon," honors went to the Walled Lake unit.

★ ★ ★

Officials in charge of the Field Day were Chief Carl Shingek, of the Pontiac Township Fire Department, Captain Lewis Goff of the Waterford Township Fire Department and Chief Volly Yaniszeski of Bloomfield. Sherwin M. Birnkrant, chairman of the Fire Safety Commission of the Pontiac Area Chamber of Commerce, supervised the festivities.

Fire-fighting organizations throughout Oakland County took part in the day's activities. The events were designed to prepare for the nationwide observance of Fire Prevention Week and initiated a week of educational efforts by the participating units.

★ ★ ★

Unlike last year, Birnkrant said, when spectators stood in the rain until the parade was canceled at the last minute, this year's weather was ideal.

STILL RUNNING — Delighted youngsters got a big kick out of this ancient relic driven by Ben Norris (left) and Dale Bailey of the Independence Township Fire Department.

BIG MOMENT — A few minutes with a clown is always the highlight of any parade for youngsters like Byran Hatchett, 5, and his sister, Lyn, 2. The youngsters were among thousands who lined Saginaw Street Saturday for the fire prevention week parade.

New County Post Created

To Hire Budget Director

An entirely new position of Oakland County Budget Director was created amidst controversy today by the County Board of Supervisors.

Broadly outlined, the duties of a county budget director — yet to be named — were summed up as providing a more efficient supervision of county expenditures in step with today's more complex government.

The explanation was presented by Supervisor Fraser W. Staman of Novi Township, who called for creation of the $10,500 post.

Lack of anything more precise than the broad outline of duties gave rise to opposition among supervisors.

MOTION DEFEATED

Led by Carl F. Ingraham of Birmingham, they argued for a detailed description of a budget director's duties before voting on creation of the position.

★ ★ ★

A motion to table any action until the next board meeting in November, made by Edward Cheyz of White Lake Township, was defeated.

In the ensuing vote the new director's post was created with 42 yeas and 26 nays. Six abstentions were noted by Chairman Delos Hamlin.

As approved, the resolution leaves the appointment of a budget director to the county board of auditors. Its choice is expected to be made known at the November board meeting.

Thus, whoever fills the post will answer directly to the board of auditors for his action.

Following creation of the new post, the chairman of the board of auditors tendered his resignation.

Robert Y. Moore, 76, who has headed the money-controling board since 1936, immediately put his bid in for the new directorship by resigning and stating his availability for the post.

Moore said he had the assurance of the other two members of the board of auditors that they would back him for the new job.

Earlier he told David Levinson of the Ways and Means Committee that he thought the "lesser job" posed a challenge he would be happy to accept.

Syrians Take First Step Toward U.N. Membership

UNITED NATIONS, N.Y. (AP) —The new Syrian government took today what U.N. officials regarded as a first step toward application for membership in the United Nations.

A U.N. spokesman said Premier Mamoun Kuzbari, head of the new Syrian regime, addressed a communication to Mongi Slim of Tunisia, president of the U.N. Assembly, saying his government intends to adhere to the principles of the U.N. Charter.

The spokesman said this could be regarded as a preliminary to application for U.N. membership. He said he was in error in reporting earlier that it was an actual application.

Syria was a member of the United Nations until it merged with the United Arab Republic in 1958. Since then President Gamal Abdel Nasser's government has represented both areas, with Syrians and Egyptians serving on the U.A.R.'s assembly delegation, but with Egyptians taking the leading roles.

ASK U.S. RECOGNITION

In another move, the provisional government of Syria has asked the United States for diplomatic recognition, the State Department reported today.

The department spokesman said the request was "under study."

The request reached Washington Sunday afternoon, department press officer Francis W. Tully said. He refused to speculate when President Kennedy's administration would decide on the matter.

In Beirut, Egyptian broadcasts called on the Syrian people to revolt today against their revolutionary regime. President Gamal Abdel Nasser declared the Syrians now were fighting to save their "unity".

★ ★ ★

Ignoring denials from Damascus that fighting against the rebel regime is taking place, Nasser declared in a speech at a student rally in Cairo: "The Syrian people who struggled against all forms of imperialism will never give the exploiters a chance to rule."

Head-On Crash Kills City Man

Dixie Hwy. Smashup Brings Severe Injuries to Brother, 2nd Driver

A head-on, two-car crash on Dixie Highway Saturday night took the life of James A. Ely, 49, of 90 Cadillac Avenue.

He was dead on arrival at Pontiac General Hospital.

Oakland Highway Toll in '61
67
Last Year to Date: 76

The victim's brother Russel K. Ely, 47, of 6091 Walton Road, Orion Township, who was driving, is in critical condition today at the hospital.

He received chest injuries. The other driver, Jack M. Vincent, 29, of Detroit, has a fractured leg, face cuts and a broken jaw. He is in fair condition.

The crash occurred on Dixie Highway near Scott Lake Road in Waterford Township.

Sheriff's deputies are waiting to take statements from the drivers before completing the investigation. There were no witnesses.

News Flash

WASHINGTON (UPI) — The United States announced today it is pressing ahead with urgent measures to bolster South Viet Nam in its battle against Communist guerrillas. A State Department spokesman said he agreed with Soviet Vietnamese President Ngo Dinh Diem's description of the guerrilla activity in the Southeast Asian nation as "a real war."

Forecasts Cool, Cloudy Weather Until Thursday

Pontiac area residents can expect partly cloudy and continued cool temperatures tonight through Thursday the weatherman says.

Following tonight's low of 44, considerable cloudiness and little temperature change is expected Tuesday with a chance of showers late tomorrow and possibly again Wednesday. Tomorrow's high will be a cool 62 degrees.

Temperatures will average two to three degrees below normal high of 67 and the normal 48 low for the next five days. Warmer weather is the outlook for Friday and Saturday, according to the U.S. Weather Bureau report.

★ ★ ★

Precipitation which totaled .7 inches in rainfall over the weekend will total two to four tenths inches with a chance of showers Tuesday or Wednesday and again Saturday.

Winds northwesterly 5-18 miles will become north to northeast tonight and Tuesday.

The lowest temperature reading preceding 8 o'clock today was 40 degrees at 4:45 a.m. At 2 p.m. the thermometer read 54.

Decision Expected on Talks

Week Seen Crucial for Berlin

WASHINGTON (UPI)—U.S. officials said today this week may be the criticial period in determining whether Russia and the West can agree on a basis for formal negotiations on Berlin.

★ ★ ★

Secretary of State Dean Rusk, according to these officials, has reported to President Kennedy limited but encouraging progress in three New York conferences with Soviet Foreign Minister Andrei Gromyko.

Rusk was said to feel that additional moderation of the Soviet position could lead to an East-West foreign ministers' conference in November.

The cabinet officer planned to confer with Gromyko again this week, this time in Washington. Gromyko then was expected to meet with Kennedy to discuss the tense situation.

★ ★ ★

Rusk, who returned from New York last night, went to his State Department office Sunday to add details to his report for the President. Rusk will make a detailed report after Kennedy returns here late today from Newport, R.I.

TO RETURN TO MOSCOW

Gromyko plans to return to Moscow about Oct. 8 to be on hand for the Oct. 17 opening of the Communist Party Congress. And it is believed Soviet Premier Nikita Khrushchev will want to have some definite idea by that time of whether full-scale talks will be held.

★ ★ ★

The progress which Rusk made in his New York talks with Gromyko was described as relatively small but rather important because it seemed to be moving in the direction of greater Russian understanding of Kennedy's position.

Meanwhile the tiny enclave of Steinstuecken — 39 houses and 159 persons entirely surrounded by East Germany—became a possible flashpoint in the East-West tug of war over Berlin.

Steinstuecken's 26 acres are considered a part of the American sector of West Berlin although they lie one mile outside the German capital proper.

★ ★ ★

East German Communists completed surrounding the enclave with barbed wire Sunday after charging that American helicopters had "kidnaped" seven Germans last week. Actually, the Germans were refugees who asked to be flown to safety.

MPs SENT IN

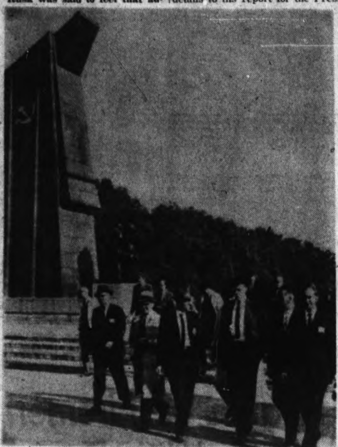
U.S. military police were sent to Steinstuecken to protect the outpost after retired Gen. Lucius Clay, President Kennedy's personal envoy, became the first U.S. official in years to visit Steinstuecken.

The postwar agreement that divided Berlin was based on a 1920 map. On it, Steinstuecken was listed as a part of the capital because those who owned its acreage lived in Berlin proper.

Railroad tracks that bisect Steinstuecken were left in Communist hands and Communist Vopos (People's Police) Sunday laid down barbed wire along them.

★ ★ ★

Steinstuecken residents promptly chopped holes in the barricade and cleared some more of their precious land for another landing site so helicopters could put down on both sides of the tracks.



AP Photofax

U.S. MAYORS IN BERLIN — Some of the 23 U.S. mayors who are on a tour of Berlin are shown at the Soviet War Memorial during Sunday's tour of East Berlin. They are (from left) Arthur L. Selland, Fresno, Calif.; Leo A. Berg, Akron, Ohio; Carl Hagerman, a television newsman from Cuyahoga Falls, Ohio; interpreter Martin Hamburger, of Pittsburgh; Neal R. Fossen, Spokane, Wash.; and John W. Surratt, Winston-Salem, N.C. The mayors went through the "concrete curtain" for a two-hour tour of East Berlin.

BOND OF FRIENDSHIP — Welcoming Mark Payne, 10, of 421 Central Ave., into the works of Scouting are Troop No. 10 members, Scoutmaster Willie McCray of 288 Elm St., Arlester Johnson, 13, of 56 Clovese St., and Frank Molina, 14, of 34 W. Wilson Ave. The group is pictured on the lawn of Wilson School. Pontiac District Boy Scouts are among the more than 10,000 scouts in the entire Clinton Valley Council who are celebrating "Strengthen America Day" today.

$1-Million Tanker Sinks After 37 in Crew Escape

JACKSONVILLE, Fla. (AP) — An oil tanker with its hull ripped by an explosion sank today 100 miles off Jacksonville. The Hess Mariner's crew of 37 had abandoned the $1-million craft Sunday night.

★ ★ ★

The Coast Guard, which had a cutter and aircraft in the area, said the 523-foot, 10,564-ton tanker disappeared at 9:26 a.m. Its stern had projected several hours from the Atlantic, giving rise to some hope of salvage.

★ ★ ★

A cutter, the Sweetgum, stood by. The Hess Mariner's crew of 37 was taken aboard another tanker, the Texaco Nevada. Last to leave were four men who stayed on the wreck six hours in an effort to stem the rush of water through a hole punched in the vessel's bottom by an engine room explosion.

The rescued crewmen went by lifeboat to the Texaco Nevada, which arrived soon after the Hess Mariner sent an SOS about 8 o'clock Sunday night.

★ ★ ★

One crewman was injured in the blast. He suffered a broken ankle. The Texaco Nevada crew was unable to stop the bleeding and a doctor at a Coast Guard Search and Rescue headquarters in Miami transmitted instructions for treatment.

★ ★ ★

Soon afterward another ship, with a doctor aboard, reached the stricken tanker 110 miles northeast of Jacksonville. The doctor transferred to the Texaco Nevada and treated the crewman.

NATIONAL WEATHER — Rain is forecast tonight for the Ohio Valley and the southern and central portions of the Middle Atlantic states. Showers are expected in New England and the Tennessee Valley. It will be cooler in the Southern Plateau and Central Plains areas: warmer in the Northern Plains and the Central Plateau regions.

Warmer Weather Appears Headed to Northern U.S.

By The Associated Press

Warmer weather appeared on the way today for much of the chilly northern two-thirds of the nation from the Pacific Northwest to the northern Midwest.

★ ★ ★

But it was cool again this morning across most of the northern sections as the cold air continued to spread eastward. The slow-moving cool front extended through the Appalachians and into the Southern Plains.

★ ★ ★

The lowest temperatures were from the Northern and Central Rockies eastward into the Midwest. Readings were mostly in the 30s and 40s, with the 40s and 50s through the Ohio Valley and the 50s from New England into northern Virginia.

★ ★ ★

Rain fell along the cold front and strong northerly winds with gusts up to 41 m.p.h. fanned the cool air into Oklahoma and northern Texas.

Scouts Celebrating Strengthen U.S. Day

More than 10,000 Cub Scouts, Boy Scouts and Explorers in the entire Clinton Valley Council are celebrating "Strengthen America Day" today.

This special event coincides with the kick off of Scouting's fall membership drive which has a target of a 10 per cent increase by the end of 1961.

Units throughout the entire Council area are actively searching for new members and in many other neighborhoods new packs, troops, and posts are being formed.

★ ★ ★

All Scouts are wearing their uniforms as part of the overall activities planned for the day. In addition, many of the schools throughout the area have planned special assemblies to honor local units and specific Scout representatives.

School teachers have been encouraged to call on the uniformed boys in their respective rooms to tell what they like about Scouting.

"Strengthen America — Character Counts" is the slogan selected for use throughout 1961 by the National Council of the Boy Scouts of America. Each boy, as a Boy Scout, pledges himself to be "physically strong, mentally awake, and morally straight."

U.S. Speeds Drive for Dag's Successor

(Continued From Page One)

from which a secretary general could be chosen.

Irish Delegate Frederick H. Boland, a former assembly president, urged the organization to reject the troika but said he would "respectfully decline" any attempt to draft him as interim replacement for Hammarskjold. Current Assembly President Mongi Slim of Tunisia, Burmese U Thant and Boland had been mentioned most often as possible choices for the job.

★ ★ ★

In the Security Council Nationalist China got set to veto the admission application of Outer Mongolia if necessary this afternoon.

The Nationalists contend the mountainous state is an integral part of China itself.

The Nationalists hoped to win enough abstentions in the 11-nation council to make a veto unnecessary, but sources said Ambassador Tingfu F. Tsiang was ready to cast a blackball if the necessary seven affirmative votes were forthcoming.

The Red bloc has stumped for Outer Mongolia's admittance in a swap for Western-backed Mauritania. Russia has indicated that it will veto Mauritania again if Outer Mongolia is not approved.

★ ★ ★

Some African nations, anxious to get Mauritania in the world organization, have blamed the Nationalist Chinese for blocking the trade. They have indicated they may vote against Nationalist China when the question of Red China's membership in the United Nations comes up for debate.

Kills Himself in South Africa

Farmer Who Tried to Slay Verwoerd Found Hanged in Cell

BLOEMFONTEIN, South Africa (AP)—The wealthy British-born farmer who attempted to kill Prime Minister Hendrik F. Verwoerd last year was found hanged in his cell in a mental clinic Sunday night. Hospital officials said he committed suicide.

The body of David Beresford Pratt was found on his 54th birthday. A bedsheet was looped about the neck.

★ ★ ★

Nurses said a note was found near the body. It began: "Under the circumstances this is the best solution for my problem for everyone."

"If possible, please arrange for a quiet cremation in Johannesburg, the ashes to be buried with those of my family at Moloney's Eye (the name of his farm in Transvaal Province). Please avoid all publicity so that my children can simply be told that their father died in hospital. I am sure the press will cooperate," the note said.

New Soviet N-Test?

UPPSALA, Sweden (UPI)—The Seismological Institute here today recorded a new earth tremor which might have come from a new Soviet nuclear test.

British Laborites Boot 'Red' Union

BLACKPOOL, England (AP)—Britain's Labor party overwhelmingly approved the expulsion of the 140,000-member Electrical Trades Union today on the grounds it is manipulated by Communists.

★ ★ ★

The action came at a stormy opening session of the party's annual conference. It was the first time any union has been disaffiliated from the Labor party, a socialistic democratic organization.

The party's executive committee Friday kicked out the union and drafted a resolution explaining the reasons for its action.

The committee's decision was subject to ratification by the entire conference. It received approval by a vote of 5,337,000 to 642,000. The 1,226 delegates at the conference cast votes for the entire membership of the individual organizations they represent.

GUILTY OF RIGGING

Earlier, a high court had found the Communists guilty of ballot-rigging in an electrical union election. Subsequently the Trades Union Congress—the central body of British organized labor—expelled the union.

The delegation the union sent to the Labor party conference was not seated. However, one representative, Sam Goldberg, was invited from the gallery to address the delegates.

He described the expulsion of his union from the party as "an unprecedented and dangerous step." He also denied that Communists dictated union policy.

★ ★ ★

Ray Gunter, a member of Parliament speaking for the executive committee, said the expulsion was necessary to protect the political philosophy of the Labor party from Communist infiltration.

★ ★ ★

The Labor party later this week turns to international affairs, and is expected to propose a measure of Western recognition of Communist East Germany.

This would be part of a plan to ease the Berlin crisis. Other proposals would include firm Soviet guarantees for the freedom of West Berlin and Western access rights to the city.

'EXISTING REALITIES'

A Labor source described this approach "as a recognition of existing realities." The proposals are included in a special resolution prepared by the party's executive committee.

Informants predict that the resolution will receive widespread support from the 1,226 delegates.

Supreme Court Opens Session

Warren Urges Judges to Meet Responsibility in Relieving Dockets

WASHINGTON (AP)—The Supreme Court opens a new fall term today, its dockets crowded with an all-time high of 1,050 cases.

★ ★ ★

Most are appeals involving racial issues, business regulations labor relations and state and federal powers. Significant decisions are certain to come in this term.

The court last met June 19 before recessing for the summer.

'MEET RESPONSIBILITY'

In a statement made in connection with opening of the new term, Chief Justice Earl Warren called on the federal judiciary to meet its "great responsibility" to relieve congestion of cases in U.S. courts.

Warren also expressed gratitude that Congress had responded to pleas for more federal court judges. A bill creating 73 new federal judgeships was passed by Congress May 4.

"They have given us all that we asked for and, therefore, all that we believe are necessary to handle the business of the courts," Warren said.

LARGE BACKLOGS

"We do have backlogs — very large ones in most of the metropolitan areas of the country. We are extremely hopeful that with the addition of these new judges our courts will be able to make substantial progress in relieving the congestion."

Warren conceded that congestion in lower federal courts could not be relieved overnight.

★ ★ ★

"In many of the districts and circuits," he said, "there are no quarters for the new judges, and there are other problems that must be solved before they can function adequately."

The Day in Birmingham

To Request City Control County Drains in Town

BIRMINGHAM — A recommendation that the city assume jurisdiction over county drains within the city will be presented to the City Commission tonight.

City Manager L. R. Gare and City Assessor Clark H. Hagstrom said the city should take over the responsibility of the five drains in the city to halt assessments made by the county for its inspection of the drains.

Hagstrom said that the drain commission, under the Drain Act, is obligated to make certain inspections of sewers whether they are needed or not and then the cost is assessed against the area.

"The cost of spreading these small levies is more than the total assessment," said Hagstrom.

A few Oakland County cities have already taken over the jurisdiction of drains within their boundaries, according to the assessor.

★ ★ ★

Hagstrom cited two other objections to the spreading of the levies:

1. The repairs, maintenance and cleaning of the drains are all done by the city DPW, with the drain commission only doing the inspection.

2. The inequity in the spread of assessments. The spread is only on lots which have paid all taxes over the past years and not against lots which the state claimed for nonpayment and later resold.

Gare said it seemed to him that since the city already maintains the sewers it is "a duplication of effort."

The drains that would be taken over by the city are Adams, Humphrey, Triple, Lincoln and Gordon.

Jess D. Chamberlin

Service for Jess D. Chamberlin, 77, of 1551 Lakeside Drive, will be 11 a.m. tomorrow at the Bell Chapel of the William R. Hamilton Co. Burial will be in Woodlawn Cemetery, Detroit.

Mr. Chamberlin died Saturday following a long illness.

★ ★ ★

A manufacturers agent for 39 years, he formerly had been with the Hudson, Oakland and Carter automobile companies and at one time been a purchasing executive with the General Motors Corp.

★ ★ ★

He was a member of the Palestine Lodge 357, F&AM, the Moslem Temple, Detroit, and the Detroit Athletic Club.

Surviving are his wife Virginia Z.; a daughter, Mrs. George Fowler of Detroit; two sons, Kenneth D. of Detroit and Robert W. of Farmington; and four grandchildren.

David F. Oberst

Service for David F. Oberst, 39, of 1538 Birmingham Blvd., will be 8 p.m. today at the Bell Chapel of the William R. Hamilton Co. Burial will be in Bloomington, Ill., Wednesday.

Mr. Oberst died at his home Sunday.

A Birmingham resident two months, coming from Grand Rapids, he was a products engineer for the Kelvinator Corp. He formerly had been in industrial sales with Cities Services in Milwaukee.

Surviving are his wife Leona L.; three sons, Mel F., Mark D. and Steven L., all at home; parents Mr. and Mrs. Walter F. Oberst of Bloomington, Ill.; and a sister.

Indians Pick McGaha to Replace Dykes

CLEVELAND (AP)—The Cleveland Indians today replaced major league baseball's oldest manager with its youngest, naming 35-year-old coach Mel McGaha to succeed Jimmie Dykes, who will be 65 next month.

McGaha's contract was for one year.

In New York Mickey Mantle of the New York Yankees said today he doubted he would be able to play in the opening World Series game Wednesday against Cincinnati at Yankee Stadium.

De Gaulle Plans New Unity Plea

French Chief to Make TV Speech Tonight in Bid to Calm People

PARIS (AP)—President Charles de Gaulle makes a new television and radio appeal tonight for French unity amid mounting unrest at home and in Algeria.

★ ★ ★

Hours before he was to speak about 90 per cent of the stores in Algiers shut down in response to call for a "solidarity" strike, issued by the rightist secret army fighting De Gaulle's self-determination policy.

FORCES CALLED OUT

Large French military and police forces were dispersed throughout the Algerian capital but there was no early report of any violence.

The president, who has emerged as France's strong man in past crises, spent the weekend in seclusion polishing the speech he will make at 10 p.m.

As usual, De Gaulle kept his own counsel about what he intended to say. But it appeared certain he would call upon Frenchmen everywhere to put aside their rancors—a theme he kept repeating in a grass roots tour of southern France a week ago.

OTHER PROBLEMS

While Algeria is De Gaulle's big headache, he has serious problems at home.

★ ★ ★

There is discontent among farmers, who are demanding higher agricultural prices and rumblings from labor unions for pay increases to avert a wave of strikes.

★ ★ ★

Political rivals, sensing the growing uneasiness in the nation, are moving more boldly into opposition to the president.

De Gaulle, who last weekend relinquished most of the dictatorial powers he had assumed to deal with the Algerian revolts, is expected to argue he needs to find a settlement in Algeria and to face the international threat over Berlin before he can deal effectively with other problems.

★ ★ ★

When De Gaulle made his last television appearance Sept. 21 rightists blew up the TV transmitter towers in Algiers and used the air waves to assail the president.

"We used to pay cash for everything... We say 'Charge It,' now!"

A lot of folks proudly say "we pay cash or we don't buy." This is a good policy, but not essential. There is a time in most people's lives when some costly item is needed, and its price is often too high for an out-of-the-pocket purchase. This may mean dipping into savings or doing without. These folks, too, may lack the "reputation" for securing needed credit quickly. When you open your first charge account and pay your bills promptly, you establish a "good name." Future credit purchases can be arranged quickly and efficiently. Get credit wise, open an account with your favorite merchant soon.

U.S. Military Leaders Pulling Together More

WASHINGTON (AP)—The nation's military chiefs are reaching fewer split decisions on major matters than in the past, it was reported today.

Sources familiar with what goes on in the deliberations of the Joint Chiefs of Staff said there has been a marked increase in harmony during the past seven months.

They attributed this in part to the gravity of the Berlin situation.

But another factor, informants said, is a desire among the uniformed chiefs of the Army, Navy and Air Force to work out their own differences and not leave the job of resolving them to the civilian leaders of the Defense Department.

LEMNITZER BOOSTER

Gen. Lyman L. Lemnitzer, chairman of the Joint Chiefs, is understood to be a prime mover in this effort to settle military disagreements at the military level, and to present unanimous opinions, wherever possible, to Secretary of Defense Robert S. McNamara.

Not so long ago—in the closing period of the Eisenhower administration—the military chiefs were known to have disagreed sharply on many issues. These involved missions assigned to individual services, special weapons or other projects favored by one or the other, and similar matters.

Recently, the military leaders agreed without dissent to unification of the Army's "fire brigade" Strategic Army Corps and the Air Force's Tactical Air Command into a single command under the Joint Chiefs.

Informants said none of the chiefs—Army and Navy included—would be unhappy if McNamara decided to use some $514 million Congress voted for more B52 bombers. This was money the Kennedy administration did not request.

All this is not to say certain fundamental differences between the services have vanished. They still will be split when it comes to the question of how to divide the defense budget now being prepared to present to Congress next January.

The make-up of the Joint Chiefs has changed within the past couple of months. Gen. Curtis E. LeMay took over in July as Air Force chief of staff and Adm. George W. Anderson was installed as chief of naval operations early in August.

Some observers had expected the advent of two strong personalities like LeMay and Anderson to clash, especially in the light of past Air Force-Navy feuds.

But from several sources a much different picture developed. It was said that LeMay and Anderson appeared to be meshing well with each other and with Lemnitzer, Gen. George H. Decker, Army chief of staff, and Gen. David Shoup, Marine Corps commandant.

It appeared that Lemnitzer may have weathered what was reported to be President Kennedy's displeasure in the wake of the ill-starred invasion of Cuba by anti-Castro exiles.

There had been widespread reports that Kennedy felt he had received poor advice from Lemnitzer before the Cuban invasion and that Lemnitzer's days as chairman of the Joint Chiefs were numbered.

This speculation was heightened last June when Gen. Maxwell D. Taylor was named Kennedy's personal military adviser.

* * *

Sources said the Joint Chiefs and Taylor had gotten along quite well, that friction anticipated in some quarters has not developed.

To Trade Ambassadors

LAGOS (AP)—Nigeria and Jordan have agreed to exchange diplomatic missions at the ambassadorial level, officials said.

Slow Withdrawal of Troops in Kuwait

KUWAIT (UPI)—Britain has slowed down the withdrawal of its troops from the sheikdom of Kuwait because of the Syrian crisis, British sources said today.

British troops had been leaving Kuwait at the rate of several hundred a day to make way for the Arab League forces that will protect it against the threat of Iraqi aggression.

But with the new Middle East flare-up, Kuwait and British officials decided to cut the evacuation down to a few dozen a day.

Search for Martin Bormann to Be Renewed

France Braces for Another Armed Revolt in Algeria

By PHIL NEWSOM
UPI Foreign Analyst

Notes from the foreign news cables:

ARMED REVOLT:

The French government is bracing for another possible armed revolt in Algeria after President Charles de Gaulle's broadcast to the nation tonight. A De Gaulle offer of more concessions to the Algerian rebels might cause the extreme rightist Secret Army Organization (OAS) to strike again, it is feared.

BORMANN MANHUNT:

Look for a new manhunt soon for Jew killer Martin Bormann, one time deputy to Adolph Hitler. The search will concentrate in South America. Bormann vanished in the flaming inferno of Berlin in the last days of World War II.

But some German law officials have maintained for years that he is still alive—even though he was officially declared dead in 1954.

According to recent German newspaper accounts, the World Jewish Congress reportedly asked Interpol and the FBI to assist in the search.

NATIONALIST WITHDRAWAL:

Nationalist China soon may seriously consider withdrawal from the United Nations, even if the Communist bloc fails to get the Peiping regime seated this year.

Nationalist officials are reported gradually becoming convinced it may do more harm than good for them to stay in the United Nations in view of the imminence of Red China's admission.

Taipei sources say the Nationalists are increasingly disappointed with the impotence of the United Nations brought about by the lack of firm stands and sturdy principles on the part of the Western powers.

They believe that if nothing is done to reverse this trend, before long the United Nations will be completely paralyzed. Therefore, some officials wonder why not quit before the other members vote in the Red Chinese.

NATIONALIST CUTBACK:

Britain may be forced to cut the size of its army because it is failing to attract enough recruits. The navy and air force are in healthier manpower shape, and there are reports they might take over some of the army's commitments in order to stabilize Britain's defense effort.

Army recruiting began to slide when compulsory national service was abolished several months ago and an all-volunteer force set up.

SOVIET SPACE:

With the chances of a negotiated interim settlement on Berlin apparently improved and the danger of an armed conflict somewhat eased, there are increasing indications the Russians may try for a new spectacular space flight. This time it may be either a prolonged manned orbital probe or an unmanned flight around the moon.

ASIAN TROUBLES:

With the end of the rainy season due in Southeast Asia in about two weeks, there may be renewed troubles in Laos and Viet Nam. A key factor in avoiding a renewal of the Laotian civil war and possible breakup of the prolonged Geneva Laos conference is the long-delayed meeting of the three Laotian princes.

They are scheduled to meet in early October. And everyone has warned that the tenuous truce can be broken if they fail to agree to a quick solution on a workable government. The Communists already have stepped up military activities in Viet Nam.

Observers fear they may decide on a big push in the area while the world's attention is still diverted by Berlin and the Middle East.

U.S. Agency Grants U. of M. $3.5 Million

ANN ARBOR (AP) — The U.S. Public Health Service has given the University of Michigan a seven-year grant totaling $3.5 million for establishment of a new research center for the study of heart disease and related disorders.

Dr. Harlan H. Hatcher, university president, said the center will be regarded as a permanent fixture and subsequent federal grants for its support are expected.

Dr. Hatcher said the university will build no new facilities for the center but will use part of the funds to expand the staff and add required research equipment.

Planes for Congo Force

NEW DELHI (AP)—India will send six Canberra planes to the U.N. Command in the Congo, informed sources said.

3 Securities Firms Refused Licenses

LANSING (AP) — The State Corporation and Securities Commission has barred sales or solicitations by three securities dealers in Michigan.

★ ★ ★

Non were licensed as securities dealers in the state, the commission said.

The firms were James Richardson & Sons, Windsor, Ont.; R. A. Holman & Co., New York, N.Y.; and the J. D. Lewis Co., Detroit.

★ ★ ★

R. A. Holman & Co. has been soliciting the sale of stock in the Kdi Corp. which is not qualified for sale in Michigan, the commission said. J. D. Lewis Co. has been selling limited partnership interests in oil and gas wells in West Virginia, Kentucky and Canada, which have not been qualified for sale in Michigan, the commission said.

Rochester Industrialist Chosen as 'Ambassador'

The president of Higbie Manufacturing Co. in Rochester is one of 18 state business leaders named to the Michigan Industrial Ambassadors by Gov. John B. Swainson.

★ ★ ★

Carlton M. Higbie Jr. will serve a group of approximately 200 men engaged in selling Michigan as a good place for industry. His company, which manufactures steel tubing, is located at 4th and Water streets in Rochester.

"DEATH STRIP" — A double barbed wire fence marks the border of East and West Berlin (right) with East Berliners working on a so-called "death strip" on their side of the divided city last week. The workmen level rubble of houses which, only days before, stood on the border sector. Buildings along the 25-mile dividing line were evacuated and razed by East Berlin authorities to eliminate one means of escape to the West by East Germans.

Jumpy Italians Jolted by 2 New Bomb Scares

MILAN (AP) — Italians, jumpy over recent terrorist bombings in the South Tyrol dispute between Italy and Austria, got two new scares Sunday.

Police raced up and blocked all traffic when alarmed passersby reported finding a package on one Milan street labeled: "Hands off! Dynamite!" The package contained garbage.

Later police hurried to a square where an ominous looking package was propped against a building. That one turned out to contain two used automobile batteries.

The world's highest waterfall is 3,202-foot Angel Falls in Venezuela.

Noted Missionary Dies

SANTA FE, N. M. (AP)—The Rev. Berard Haile, 87, internationally known missionary to the Navajos, died Saturday after a long illness. Father Haile, a Franciscan priest, spent more than 50 years on the Navajo reservation developing the tribe's alphabet and the Navajo dictionary.

FOOD: Tropical chocolate, "C" ration biscuits, pemmican conserve, malted milk energy food (dissolved in water, will emergency feed babies). Separately packaged, then hermetically sealed in one can; kit is complete with can opener.

STOVE: "Sterno" can will burn 1½ hours in food can that converts to a stove.

CONVENIENCE: 11-lb. kits are compact, enough for the whole family will fit easily into car, boat, basement shelf.

Emergencies do not knock first . . . they come right in: a breakdown in wild country, power failure on a boat, a tornado or storm right at home. Be prepared—even for 1 or 2 day emergencies. Keep on hand the same type of rations carried on life boats of U.S. ships. Big industries are stocking these kits for their employes' safety, too. Each kit has enough ready to eat food to sustain an adult for 8 days . . . the water keeps 25 years, food for 5 years; your small investment will be ready to protect you and your family for a long time.

U.S. Will Not Vote for Red China to U.N.

Will U.N. seat Red China?

Can the United Nations avoid a showdown on the issue any longer?

★ ★ ★

Many followers of this complex problem believe the matter must be faced squarely in the days ahead. We've ducked and dodged as long as we can.

★ ★ ★

Red China's admittance is now on the agenda. The U. N. Steering Committee voted it there and this Nation did not object for political reasons. For the past ten years, the whole question has been avoided by postponements which the United States fathered and which were readily granted. However, the mathematical vote by which these delays were passed became less and less. This year there was an honest question as to whether the United States might not be voted down.

Hence, we acquiesced.

★ ★ ★

Therefore, the fight will develop later for we have no intention of becoming any part of the move to allow these warmongers to claim a place in the sun. The noncommunist nations are with us, but all the slave nations and the puppets which the Reds have been feeding and promising are leaning their way.

★ ★ ★

The United Nations is primarily and essentially an entity for peace. Hence, the very fact of giving serious consideration to the Chinese Reds is a bit of low grade mockery.

How do they rate consideration?

What are their credentials?

★ ★ ★

Some students of the whole general proposition believe the United States should take a firm and declarative stand when the time comes and tell the rest of the world that if a national character like Red China is acceptable, we are bowing out.

★ ★ ★

What would happen to the U.N. then is conjectural. It might move to another spot and it might collapse. Remember, we pay more of the costs than the next dozen combined. Uncle Sam and Santa Claus wear the same suit, the same hat and you taxpayers foot all their bills.

★ ★ ★

But the end *can* come.

This could be it.

Here's Code of Ethics for Hunters to Follow

There is a compelling necessity today for a code of ethical behavior for the hunters of America. Now, more than ever, an appreciation and understanding of proper and improper hunting practices is required of the ever-increasing group of shooter sportsmen.

★ ★ ★

Unless hunters develop these things for themselves, public hunting as we know it will cease to exist.

Sportsmen worthy of the name must work together to create better relationships with landowners if wildlife on private property is to remain available to the public.

★ ★ ★

All who go afield must faithfully practice the essentials of safe hunting to avoid accidents. Such occurrences that result in property damage or injury or death to a person are not alone lamentable, but tend to foster more restrictive firearms legislation.

★ ★ ★

A broad and determined effort must be made to see that game laws are fair and reasonable and that they are obeyed by all who participate in the sport of hunting.

★ ★ ★

All hunters, both young and old, must acquire marksmanship and hunting skills before going afield.

Hunters' Code of Ethics:

1. I will consider myself an invited guest of the landowner, seeking his permission, and so conducting myself that I may be welcome in the future.
2. I will obey the rules of safe gun handling and will courteously but firmly insist that others who hunt with me do the same.
3. I will obey all game laws and regulations, and will insist that my companions do likewise.
4. I will do my best to acquire those marksmanship and hunting skills which assure clean, sportsmanlike kills.
5. I will support conservation efforts which can assure good hunting for future generations of America.
6. I will pass along to younger hunters the attitudes and skills essential to a true outdoor sportsman.

The Man About Town

The Largest Ever

Entries Received in Our Annual Football Contest

Baseball: What's being driven off the map by football.

Good sports to the number of 4,706 entered this column's 1961 football contest, the entry time on which expired Friday noon.

This is by far the largest number in the history of such events. Last year there were 4,147 entries, which was the largest number up to that time.

The two first of the 14 games on which these 4,706 contestants made predictions took place on Saturday and Sunday, and brought a large number of eliminations. However, the winner of the $300 prize still appears to be a long ways in the future.

Predictions on Saturday's game were: Oklahoma, 2,498; Notre Dame, 1,814; tie game, 394.

Notre Dame won by a 19-6 score, so 2,892 contestants were eliminated, being those who had picked Oklahoma and those who forecast a tie game.

The remaining 1,814 predicted on the local game Sunday: St. Fredericks, 565; St. Michaels, 1,216; tie game, 33. St. Michaels won it, 63-6.

On the next contest game on Oct. 6, the predictions of the 1,183 survivors are: Pontiac Central, 539; Midland 602, tie game, 42.

The leaves are taking on their autumn colors. But don't get in a hurry. This column will tell you when and where the landscape kaleidoscope is at its best.

A pumpkin vine, 40 feet long and that has already invaded the premises of two of his neighbors, is reported by

Blair G. Merced

of Waterford, and is growing at the rate of nearly a foot a day. It has blossoms and young pumpkins to the number of nearly 50. Mr. Merced says the neighbors are entitled to the pumpkins on their property.

A sign in a general store at Vassar says,

"A Non-Profit Organization,"

and then explains in small print: "We don't want it that way, but can't help it."

The Pontiac area has been entertaining a distinguished vacation guest,

Mrs. Thomas E. Dewey,

of New York, wife of the former New York Governor and twice presidential nominee, who has been visiting her brother and wife,

Dr. and Mrs. Harold D. Hutt,

at their home near Holly.

An apple tree is in bloom in the yard of

Mrs. Edw. Cadwallader

of 4466 Cass-Elizabeth Rd.

Calling himself "An All-American Thief," somebody writes me over the signature of "Big Daddy," and tells me that

Mrs. James Nye

of 2535 Sylvan Shores, has a pear tree now in bloom. He reminiscences on the fact that when he was a boy much of the fruit was stolen from the trees between blossom time and maturity.

Verbal Orchids to—

A. R. Downey

of 70 Mariva St.; 84th birthday.

Mrs. Rebecca Sparkworth

of Birmingham; 82nd birthday.

Mr. and Mrs. Albert Ball

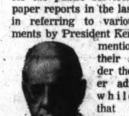
of Armada; 59th wedding anniversary.

David Lawrence Says:

Let's Give Truman Some Credit

WASHINGTON — Former President Harry S. Truman has been the recipient of a good many brickbats in his day, so credit now should be given where credit is due.

For he did pick some able men for the public service. Yet newspaper reports in the last few days, in referring to various appointments by President Kennedy, have mentioned only their service under the Eisenhower administration while omitting that they were first appointed by President Truman.



LAWRENCE

Thus, for example, when the appointment of John A. McCone to be head of the Central Intelligence Agency to succeed Allen Dulles was announced last week, emphasis was placed generally on the point that he had served as chairman of the Atomic Energy Commission under President Eisenhower.

But he also served previously as a deputy to the secretary of defense in 1948 and then as undersecretary of the Air Force during the height of the Korean War in 1950 and 1951.

This is very important background and experience for a man who is chosen to run the Central Intelligence Agency during a "cold war."

★ ★ ★

Looking back to the Truman administration, one can find officials who served in important posts then who, by reason of that same experience, are appointees today of the Kennedy administration.

Several of them can hardly be classed as active Democrats just because they served under a Democratic administration.

Thus, Dean Rusk was assistant secretary of state for far eastern affairs under the Truman administration and held other State Department posts from 1946 to 1952 except for a year when he was a special assistant to the secretary of war.

But he is not generally regarded as a political appointee.

AND GEN. CLAY

Then there's Gen. Lucius Clay who, when appointed President Kennedy's special representative in Berlin recently, was referred to in the press as a Republican and a friend of President Eisenhower.

But it so happens that, although Gen. Clay was a deputy commander under Gen. Eisenhower in 1945, he also served under President Truman as commander-in-chief of U.S. forces in Europe and military governor of the U.S. zone in Germany from 1947 to 1949.

Again, when William C. Foster was named the other day as director of the new disarmament agency, emphasis was placed on the fact that he is a Republican.

The experience he had under the Truman administration, however, was virtually ignored.

For he served as undersecretary of commerce from 1946 to 1948 and as administrator of the Economic Co-operation Administration in 1950 and 1951 and as deputy secretary of defense from 1951 to 1953 — all this under the Truman administration.

There are many other officials appointed by President Kennedy who also served under President Truman.

It may be assumed that they have been appointed to office by Kennedy not because they were Democrats, but because they have had experience in government in particular lines.

Here are some of the men President Kennedy has appointed who served in the Truman administration:

Roswell L. Gilpatric, formerly assistant secretary and then undersecretary of the Air Force from 1951 to 1953, is today the deputy secretary of defense.

Thomas K. Finletter, who was secretary of the Air Force from 1950 to 1953, is now ambassador to NATO.

James E. Webb, who was director of the Bureau of the Budget from 1946 to 1949 and then undersecretary of state from 1949 to 1952, is now head of the National Space and Aeronautics Administration.

(Copyright 1961)

Dr. Harold Hyman Says:

Program Aids in Return to 'Self' After Coronary

A team of heart specialists, working at the Los Angeles College of Medical Evangelists and the John Wesley County Hospital under the auspices of the National Institute of Health, has just issued a "Graded Activity Program for Safe Return to Self-Care after a Myocardial Infarction (Coronary Thrombosis)."

The purposes of this splendid effort were (1) to avoid the harmful effects of prolonged bed rest; (2) to restore the patient's self-confidence in his ability to "get along;" and (3) by means of electrocardiographic monitoring, to prevent "unsafe levels of activity."

The following modification of the program, originally designed for hospitalized patients by the investigators, is tentatively suggested for those taken care of at home by their own physicians. It is to begin between the eighteenth and thirtieth days after the attack and proceed gradually, as outlined below.

RECOMMENDED PROGRAM

Activity Level 1 (In bed). Wash face. Brush teeth. Eat breakfast. Move with assistance from bed to bedside commode and back.

★ ★ ★

Activity Level 2 (In bed). Repeat each of the following exercises 10 times. Lying flat, take deep breaths. Move shoulders in all directions. Raise right leg 5 times with knee stiff. Raise left leg 5 times with knee stiff. With arms folded across chest, raise shoulders and chest from bed by flexing trunk.

Activity Level 3 (In bed). Repeat each of the following exercises 5 to 10 times. Lying first on one side and then the other, raise thigh with knee stiff. Lying on face, raise first one thigh and then the other with knee stiff.

Still lying on face, bend one leg and then the other at knee. Sitting at edge of bed, move shoulders through entire range of motion; bring hands together over head; extend each leg 5 times.

★ ★ ★

Activity Level 4 (Out of bed). Sit at bedside for sponge bath. Put on robe and slippers. Walk forward and return about 35 feet. If comfortably accomplished, receive bathroom privileges.

Activity Level 5. As level 4, but substitute trousers for bedclothes and increase length of walk to 100 feet.

Activity Level 6. Repeat 5 but substitute shoes for slippers.

Activity Level 7. Make 3 trips up and down 3 or 4 steps. If comfortably accomplished, visit other rooms on same floor.

★ ★ ★

Here are safeguards that must be observed:

Do not start the program or advance from one to another level without the knowledge and consent of the physician-in-charge.

Do not start the program until sometime between the 18th and the 30th day following the acute attack.

★ ★ ★

Allow at least 20 minutes for the accomplishment of each level.

Do not perform more than a single activity in any one day.

★ ★ ★

Omit activities on weekends; if you do not feel well; and-or if your pulse rate exceeds 100 per minute; and don't count on completing the entire program under four weeks from the date of the original attack.

The Country Parson

"When we're old enough that we can't read the small print, we also should have lost our ability to see little irritations."

Voice of the People:

'What About That Promise of No Federal Control?'

An article in The Press says, "The Civil Rights Commission has urged Congress to slice in half all education grants to states which maintain totally segregated elementary and secondary schools."

★ ★ ★

This knocks into a cocked hat the pious promises of those trying to push through the school aid bill, including our own Sen. Hart, that there would be no federal control whatsoever! And if the need for federal aid to education were actually half as dire as the proponents have claimed, certainly they wouldn't deny any state their education grants whether segregated or not.

★ ★ ★

So today our government withholds educational grants because of segregation, then tomorrow because the texts are not the way they should be, then the teachers haven't got all the certificates they must have and so on. But this isn't called "control."

Paul E. Urschalitz

2368 Robindale Lane

'It's Time Workers Tell Union Leaders'

As we drove by the union hall there was a long line of men and women likely voting for another strike.

When are the people going to tell these union leaders they don't hand out the pay checks or find them a place to work?

★ ★ ★

Each time there is a strike I pray that the men who furnish work would put a padlock on their gates and tell them they are not needed any more. Some people think the world owes them bread when they try to undo the real purpose of a union.

★ ★ ★

Each person who leaves the state during a strike should have to pay a head tax to get back and then the people who do live here would not be holding the bag for education of their children. We are poor people so don't think we are big businessmen, but we do believe in fairness. When you strike, you are no longer for God and country.

A True Believer in Justice

'We Should Stop Coddling Mr. K'

We have been bending over backward to coddle Mr. Khrushchev. It is time we stopped our acrobatics and faced reality. Let your congressman and your president know what you think about the silencing of brave men, such as General Walker, in their effort to win the cold war.

L.J.D.

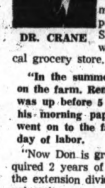
Case Records of a Psychologist:

Lean on Children Occasionally

By DR. GEORGE W. CRANE

CASE K-413: Don D., aged 14, lost his dad in an auto crash.

"Dr. Crane," a mutual friend informed me, "Don was the oldest of 5 children.



DR. CRANE

"So he immediately got a job to help his widowed mother, for they had very little insurance.

"Don carried a morning newspaper route. On Saturday he also worked for a local grocery store.

"In the summer he got a job on the farm. Remember, he still was up before 5 a. m. to carry his morning paper route; then went on to the farm for a hard day of labor.

"Now Don is grown. He has acquired 2 years of college work in the extension division of the state university.

"And he has a good position with an advertising firm. Dr. Crane, why did Don make such a record when a lot of other boys in similar situations start drinking and become bums"?

LEAN ON KIDS

Children at birth are potentially saints or devils.

And one of the very best ways to launch them on a productive career is to lean on them more.

The average dad, for example, struggles to make life easy for his kids. He skimps and saves for their college education.

He then tries to acquire a little nest egg of money to leave to them in his will.

Unwittingly, therefore, he makes them parasites and floaters, with too little pride in their own personal accomplishment.

So we parents need to reverse things and deliberately cultivate the habit of leaning on our youngsters.

"I wish I knew how to fix this old alarm clock," a mother thus spoke mournfully.

"Let me try to do it," eagerly volunteered her 12-year-old son.

And he soon had it working perfectly, so his mother wisely complimented his skill.

★ ★ ★

Soon he was repairing other gadgets around the house. Each time she praised him.

Later he entered engineering college and is now a great industrial leader, with several patents to his credit.

Yet that alarm clock episode may very likely have been the decisive event that tipped the scales, plus his mother's praise when he repaired it successfully.

DADS, WISE UP

Most dads overly exert themselves trying to show their sons that the dads are still superior in baseball or swimming, etc.

★ ★ ★

Dads, that's the wrong technique. Even if you must deftly "pull your punches," let the kids beat you.

If your auto will not start, tactfully lean on the boy to get it perking.

For it is a tremendous compliment to a child for a grown-up to lean on him.

So ask your children for advice about family matters, since this is another deft way to lean on youngsters.

★ ★ ★

And send for my 200-point "Tests for Good Parents," enclosing a stamped, return envelope, plus 20 cents.

Let your older children rate you thereon and then compare their

rating with the one you give yourself.

The very fact you let them rate you dads and mothers, is a subtle way to lean on them! They will eat it up, so to speak.

★ ★ ★

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4 cent stamped, self-addressed envelope and 10 cents to cover typing and printing costs when you send for his psychological charts and pamphlets.

Davisburg Jaycees Express Thanks

The Davisburg Junior Chamber of Commerce wants to thank The Pontiac Press and its staff for the coverage they gave our recent 125th Anniversary and Skirmish.

I would like to thank Joe Haas and Jim Long for their efforts and interest in covering this celebration. Joe Haas has shown more than a passing interest in Davisburg. His promotion of the Old Mill Dam site could lead to a very beautiful and picturesque spot in Davisburg and Northwest Oakland County.

Marian Hillman, President
Davisburg Jaycees

The Almanac

By United Press International

Today is Monday, Oct. 2, the 275th day of the year with 90 to follow in 1961.

The moon is approaching its new phase.

The morning star is Venus.

The evening stars are Jupiter and Saturn.

★ ★ ★

On this day in history:

In 1869, Hindu nationalist leader and reformer Mohandan Ghandi was born.

In 1882, railroad tycoon William Vanderbilt made headlines when newsmen asked him whether he operated his railroads for the public benefit. Replied Vanderbilt: "The public be damned!"

In 1919, President Woodrow Wilson suffered a stroke that completely paralyzed the left side of his body.

A thought for today: German philosopher Georg Hegal said: "We may affirm absolutely that nothing great in the world has been accomplished without passion."

Smiles

A preacher is the only one we know of who talks in other people's sleep.

★ ★ ★

The quickest way for husbands to irritate wives is to stay out too much, or stay home too much.

★ ★ ★

A dime is almost the same size as a penny and today buys little more than the penny bought yesterday.

THOUGHTS FOR TODAY

I, wisdom, dwell in prudence, and I find knowledge and discretion. — Proverbs 8:12.

★ ★ ★

Prudence is the knowledge of things to be sought, and those to be shunned. — Cicero.

Ireland Ending Vote Campaign

Internationalism Spurts as Common Market Attracts Attention

DUBLIN (AP) — Ireland today was winding up one of the quietest election campaigns in the republic's history with intense nationalism taking a back seat to internationalism.

* * *

The nation's economic future in the light of the European Common Market attracted the main attention.

There are 1.75 million voters eligible to cast ballots in Wednesday's election in which Prime Minister Sean Lemass is seeking re-election as head of the powerful Fianna Fail—Soldiers of Destiny—party.

Lemass took over as head of the Fianna Fail, which has dominated Irish politics almost continually since 1932, when Eamon de Valera moved up to the presidency in 1959. De Valera's absence has taken much of the fire out of the campaign.

Lemass has stressed the importance of economic development pegged to Ireland's application for membership in the Common Market, the six-nation European trading group.

Political observers are predicting the Fianna Fail will win again, but possibly with a reduced majority in the 147-seat Parliament.

* * *

The Fianna Fail held 78 seats in the old Parliament, compared to 40 for Fine Gael—Soldiers of the Gael—and 12 for Labor. The others are scattered among a half dozen minority parties.

Troops Leave Bizerte

BIZERTE, Tunisia (AP) — French troops were withdrawing today from this Tunisian port to their nearby sea and air base under an agreement signed with Tunisia Friday. The French fought into the city last July when Tunisia tried to force them from the base. Tunisia now agrees to let France use the base while international tension is high.

Home Rule: Another Controversial Con-Con Issue

By GENE SCHROEDER

LANSING (AP)—Is Michigan's constitution, which was written in 1908, riddled with a horse-and-buggy outlook on local government? Or is it a forward-looking document, protecting the political integrity of home rule?

Delegates to the constitutional convention which convenes next week in Lansing might get two completely different sets of answers to those questions, depending on who was talking.

A special bipartisan governor's committee studied the issue of constitutional local government and came up with this observation:

"In the absence of county home rule and of any provision for federated metropolitan governments, (the constitution) lags behind constitutional thinking of the current decade.

"In regard to municipal home rule, the Michigan constitution of 1908 was forward-looking, vesting wide discretion in the legislature.

"On the county and township side, (the constitution) is more inflexible, and vests much less discretion in the legislature."

In the local government framework, one of the most critical issues facing the con-con delegates will be that of county home rule—to be or not to be?

Home rule has been defined—with variations—as the authority of a local unit under a state constitution and laws to draft and adopt a charter for its own government.

Arguments favoring the granting of home rule to counties, as outlined by the committee, followed this approach:

—All Michigan counties, whether metropolitan, urban or rural in character, are restricted by the same constitutional form of government, treasurer, sheriff, register of deeds, prosecuting attorney.

—A relatively simple nonself-executing constitutional organization with a view of creating elected county executives or appointed county administrators. Powers and duties of counties could still be determined by general law.

—Thirteen states already provide home rule for all some, or one of their counties, and Michigan is failing to keep pace with this modern trend.

* * *

Strongest opposition to county home rule can be expected from the Michigan townships association and the farm bureau. The anti-county home rule group generally contends:

—Attempts by specific admendments in 1934, 1936, 1942 and 1944 to provide home rule for Michigan counties failed to get approval at the polls, thereby proving the people don't want it. The 1942 and 1944 attempts would have applied only to Wayne County.

—Various minor adjustments in county administrative organization can be achieved by permissive state legislation now without tampering with the constitution.

—Any constitutional revision might more appropriately authorize the state legislature to prepare optional charter forms for counties, since the county is both an agency for the fulfillment of state policy as well as an instrumentality of local self-government.

* * *

In addition to the question of county home rule, the con-con delegates will ponder three other critical proposals on local government—revision of municipal home rule provisions; more legislative flexibility in designing optional forms of government for townships; and authorization for the legislature to provide for metropolitan governments of the federated type.

Proponents of the municipal home rule changes argue that the present provisions are not self-executing and leave too much of the precise delineation of municipal powers to legislative action.

Opponents, however, say it's better to leave well enough alone because there is reasonable satisfaction with the provisions as they are.

Another argument for the revision of home rule provisions is that cities need clarification of their power to levy a diversified series of nonproperty taxes.

But the other side contends that the legislature could by general law authorize all cities and villages to levy nonproperty taxes or a specified list of nonproperty taxes.

Those who urge allowing the legislature more flexibility in designing forms of governments for townships says there is a growing need for more flexibility because of the movement of population beyond city boundaries.

They also argue that since the constitution prescribes the form of township government, including the election of administrative officers, the form is more adapted to rural than to urbanized townships.

* * *

From those who prefer to maintain the status quo on the question comes the counterargument that urban populations in townships have ample opportunity under home rule law to incorporate as cities or villages and design their own forms of municipal government.

Franco Woos U.S. Missiles

Seems to Offer Spain's Soil for Stationing of Nuclear Weapons

BURGOS, Spain (UPI) — Generalissimo Francisco Franco appeared today to be offering Spanish soil for the stationing of United States nuclear missiles.

That was the interpretation placed on a speech by Franco Sunday night in which he said that the Spanish-American military-economic pacts of 1953 need to be "restudied and renewed so they can apply to the new situation."

Franco made the speech to Spanish military chiefs celebrating the 25th anniversary of his rise to power.

(In London, diplomatic sources speculated that Franco might be trying to edge into NATO by filling the vacuum caused by France's refusal to allow U.S. nuclear weapons on its territory unless they are placed under French control.)

MUST BE READY

"Many times I've told you that in the threats and worries of our times we must always keep our preparedness in mind so a great war cannot deprive us of our ability for a small war," Franco said.

"Today the West already is beginning an about face in its concept of preparedness, turning its eyes to conventional means in the face of annihilation that the use of nuclear arms would represent.

"For us today three kinds of war exist: Nuclear, conventional and guerrilla. Victory in the first case will go to whomever has accumulated the most weapons in decisive points."

* * *

The United States has three air bases and a naval base in Spain and has poured in more than $1.2 billion in military and economic aid.

The Strategic Air Command maintains a 24-hour alert at all three bases — Torrejon de Adoz, Zaragoza and Moron.

Look for Optimists to Meet in Morning

A drive to recruit members for a Waterford Township Lakeland Optimist group to meet at 7 a.m. is now under way, with Robert Coats in charge.

A target date of Oct. 19 has been set for the organizational meeting.

The reason given for the early-day club is that many businessmen cannot attend noon or evening meetings.

The regular evening Optimist club will meet at 7:30 p.m. Tuesday at the new terminal building, Pontiac Municipal Airport.

Missionaries returning from China in 1739 introduced the soybean to France.

POWERFUL NEW PLUNGER CLEARS CLOGGED TOILETS in a Jiffy!

NEVER AGAIN that sick feeling when your toilet overflows

TOILAFLEX Toilet ALL-ANGLE Plunger

Ordinary plungers just don't seat properly. They permit compressed air and water to splash back. Thus you not only have a mess, but you lose the very pressure you need to clear the obstruction.

With "Toilaflex", expressly designed for toilets, no air or water can escape. The full pressure plows through the clogging mass and swishes it down. Can't miss!

- DOUBLE-SIZE CUP, DOUBLE-PRESSURE
- DESIGNED TO FLEX AT ANY ANGLE
- CENTERS ITSELF, CAN'T SKID AROUND

Urges Action to End Red Menace in Cuba

PANAMA (AP)—President Roberto F. Chiari told Congress Sunday that Latin-American states should take action to eliminate communism in Cuba.

Chiari also expressed hope of reaching agreement with the United States at forthcoming talks on the Panama Canal. Panama particularly wants the United States to pay a higher rental.

To Take Action in School Issue

Negro Parents Seek Transfer of Children in Newark 'Bias' Row

NEWARK, N.J. (AP) — Action was to be taken today to break down what an attorney for a Negro group calls a pattern of intentional segregation in Newark elementary schools.

The attorney, Paul Zuber of New York, was retained by the Newark branch of the National Association for the Advancement of Colored People. The NAACP said he would represent seven Negro parents seeking school transfers today for their children.

Zuber won a federal court judgment against the Board of Education in New Rochelle, N.Y., recently in a similar claims.

The NAACP said the transfer involved moving the children from the predominently Negro 15th Avenue School to the Alexander Street School.

Zuber said a study of Newark school district boundaries showed a deliberate effort to create all-Negro and all-white schools in certain neighborhoods.

Court Will Hear UAW's Appeal in Damage Suit

LANSING (UPI) — The Michigan Supreme Court Tuesday will hear oral arguments by the United Auto Workers Union appealing the 1958 award of $400,000 to Carl Renda for malicious prosecution.

Renda, a Detroit scrap dealer, filed a $4.5 million damage suit against the union, several of its officers, five Detroit policemen and a state trooper after his arrest on Jan. 6, 1954, in the 1948 attempted assassination of UAW President Walter P. Reuther.

Charges against Renda were dropped when Donald Ritchie, a Canadian who named Renda as the payoff man in the assassination attempt, fled to Canada.

* * *

Later, Ritchie repudiated the statements in depositions taken in Canada.

Bloomfield Twp. Doctor to Head Council Body

A Bloomfield Township doctor, R. J. Mason, has been named to head one of three standing committees of the Michigan State Medical Society Council.

Mason, 564 Overhill Road, will be chairman of the council's committee for county societies.

Population of the U.S. increased six times between 1850 and 1950 — from 23 million to more than 151 million.

Frenchman Poujade Forming New Party

LYON, France (AP) — Rightist politician Pierre Poujade said Sunday he is forming a new political party dedicated to keeping Algeria under French control.

Poujade said the party, to be called French Union and Fraternity, also would campaign for breaking all links with former French colonies that have withdrawn from the French community.

Poujade first came to the political front with a program for reducing taxes on small merchants. His followers won about 60 seats in the National Assembly in the 1956 elections, but his party was almost wiped out in the 1958 elections after President Charles de Gaulle came to power.

Alabama Ruling Set on Times Tax Assessment

MONTGOMERY, Ala. (UPI)—A tax assessment on issues of the New York Times sold in Alabama will be reviewed at a circuit court hearing set for this week.

Judge Walter B. Jones scheduled the hearing after a request from the Times. The newspaper questioned the state's right to impose a use tax on newspapers sold in the state.

The use tax was based on sales of the Times to Alabama residents through subscriptions paid for in New Yrok. Times attorneys claim the newspaper is a New York corporation and does not do business in Alabama and did not solicit purchases or orders by agents.

Open National Week to Employ the Handicapped

National Employ the Physically Handicapped Week got under way in Pontiac Today with an official proclamation from Mayor Philip E. Rowston.

The proclamation called on Pontiac residents to observe the week and on public officials, employers, labor leaders and civic, fraternal or religious groups to observe the week and following year by helping create public interest in employing the physically handicapped.

"Equality of opportunity has long been one of our most cherished ideals and equality for employment should not be denied any qualified person because of a physical handicap," said Rowston.

"The physically handicapped of our country have amply demonstrated their productive capacity when employed in positions suited to their special skills and talents."

Employ the Physically Handicapped Week is observed the first week of October each year.

Coordinating local activities are Paul P. Kimball, manager, Michigan Employment Security Commission Pontiac Branch, and Ray C. Jewell, MESC veterans' employment representative.

John Rolfe, the man who married Pocahontas, has a better claim to fame. In 1612 he planted and harvested this country's first commercially successful tobacco crop.

To Celebrate Birthday

PROVIDENCE, R. I. (UPI) — Former Sen. Theodore Francis Green planned to celebrate his 94th birthday today by receiving a telephone call from President Kennedy and eating cake and ice cream with Jane Brown Hospital employes.

New Peebles Trial Gets Started Today

GRAND RAPIDS (AP) — Attempts to reach a decision on a murder charge against J. Otto Peebles resume today with selection of a jury for a new trial before Judge John H. VanderWal.

Peebles, a Rockford metal plant operator, is accused in the March 18 fatal shooting of his wife Louise. Sales engineer Roy Staples of Columbus, Ind., was severely wounded by gunfire in the shooting which took place at the Silver Lake home of Mary Catherine Voss, a friend of the slain woman.

The first trial of Peebles required 10 days of court sessions before Judge Fred N. Searl and ended July 21 in a mistrial by hung jury.

Peebles has been held without bond since the shooting.

He claims a defense of temporary insanity in the shooting with a 44-magnum revolver from his collection of guns.

The prosecution contends the shooting was a conscious act.

Proposes Plan for Du Pont to Shed GM Stock

CHICAGO (AP) — The federal government proposed today that the Du Pont Co. divest itself of its 63-million share interest in General Motors by sales on stock exchanges or other methods selected by the company.

The proposal was filed in U.S. District Court in compliance with an order by Judge Walter J. La Buy on July 5. He directed that E. I. Du Pont de Nemours and Co. and its subsidiary, Christiana Securities Co., file a stock divestiture program within 60 days to comply with a U.S. Supreme Court ruling, and that the government file within 90 days.

Judge La Buy ordered that the companies begin their divestiture within 90 days after a final judgement and that the disposal of stock be completed within 10 years.

Heart Attack Fatal to Donald Cook, 60

NEW HAVEN, Conn. (UPI) — Actor Donald Cook, 60, died Sunday at Grace-New Haven Hospital, where he was under treatment for a heart attack.

Cook, veteran of many Broadway plays, was found collapsed on the floor of his hotel room Saturday by a bellhop.

In more than 30 years on the stage, Cook costarred with such leading ladies as Gertrude Lawrence, Madge Kennedy, Polly Bergen and Tallulah Bankhead. He also appeared in films and on radio and television broadcasts.

Cook, a native of Portland, Ore., was appearing at the Shubert Theater in a performance of "A Shot in the Dark," due shortly on Broadway.

BABY GIRL AYERS

TROY — Committal service for the infant daughter of Mr. and Mrs. Mack Ayers of 5726 Willow Grove Road, was to have been held 11 a. m. today at White Chapel Memorial Cemetery.

The baby was born dead Saturday at St. Joseph Mercy Hospital, Pontiac.

Surviving besides the parents are three sisters, Saundra, Sherry and Gladys; three brothers, Kay, Mack and Kevin; and the four grandparents.

Arrangements were made by the Price Funeral Home.

ALLAN D. BARNES

MILFORD—Service for Allan D. Barnes, 40, of 862 Squire Lane, will be at 1 p.m. tomorrow at the Richardson-Bird Funeral Home followed by burial in Milford Memorial Cemetery.

Mr. Barnes died unexpectedly Saturday at his residence.

Surviving are a daughter Anna K. Barnes of Detroit; his father, Cecil Barnes of Joliet, Ill.; his mother, Mrs. Marie Barnes of Highland Park; and a sister, Mrs. Ralph Booth of Milford.

MRS. FLORENCE S. COLLETT

ROCHESTER —Service for Mrs. Florence S. Collett, 80, of 339 Walnut St., will be 1 p.m. tomorrow at the William R. Potere Funeral Home. Burial will be in Lakeville Cemetery.

Mrs. Collett died yesterday following a long illness.

She was a life member of Rochester Chapter No. 165, Order of the Eastern Star.

Surviving are two daughters, Mrs. William R. Potere of Rochester and Mrs. Harold J. Slanksster of Pontiac; a sister and nine grandchildren.

An 8 p.m. service will be held today at the funeral home under the auspices of the O.E.S. chapter.

EDWARD E. BUCHANAN

TROY — Service for Edward E. Buchanan, 65, of 89 Soperton St., will be 1 p.m. tomorrow at Cramer Funeral Home, Clawson. Burial will be in Oakview Cemetery, Royal Oak.

Owner of the Acorn Electrical Contracting Co., Mr. Buchanan died Saturday at St. Joseph Mercy Hospital, Pontiac, after a brief illness.

He was a member of Royal Oak Lodge No. 424, IOOF; the Electrical Contractors Association of Oakland County and St. John's Episcopal Church, Royal Oak.

Surviving are his wife Hilda M.; two sons, Harley of Berkley and Dennis, at home; a daughter, Marsha, at home; three stepdaughters, Mrs. Gene Goldsworthy of Louisville, Ky., and Frances and Judy Hinton, both at home; a brother, George of Royal Oak; and a sister, Mrs. Kenneth Painter of Clawson.

The Oddfellows will conduct a memorial service at 7 p.m. today at the funeral home.

JAMES A. ELY

Service for James A. Ely, 49, of Cadillac St., will be at 1:30 p.m. Wednesday at Huntoon Funeral Home. Burial will follow at Perry Mount Park Cemetery. He died in an auto accident Saturday night.

Formerly employed with Pioneer Coffee Co., Mr. Ely was a member of Eagles No. 2887.

Surviving are a son Jim, a stepmother, Mrs. Myrtle Ely of Owosso, and three brothers, Russell of Pontiac and William and Lee of Owosso. Five sisters, Mrs. Albert Josey of Pontiac, Mrs. Julius Basso and Mrs. Harold Bartz, both of Owosso, Mrs. Jeanne Lighthill of Flint and Mrs. Merlin Dibean of North Carolina also survive.

CHARLES E. FROST

KEEGO HARBOR — Service for Charles E. Frost, 74, of 3033 Cass Lake Ave., will be at 1 p. m. Wednesday at the C. J. Godhardt Funeral Home followed by Masonic graveside service at the Pinckney Cemetery, Pinckney.

Mr. Frost died Saturday following a 15-day illness at Pontiac Osteopathic Hospital. He was a member of Howell Lodge No. 38, F&AM.

Surviving are five sons, Albert F. of Sparks, Nev., Harold H. of Waterford Township, Benjamin H. of Garden City and Charles R. and Burton, both of Dearborn, and five daughters, Helen C. Frost of La Mesa, Calif., Mrs. John Mearing of Lima, O., Mrs. Charles Tennant of Cleveland, O., Mrs. Donald Sumbs of Dearborn and Mrs. Gerald Hammond of Keego Harbor.

Also surviving are two brothers, a sister, 18 grandchildren and three great-grandchildren.

CHARLES J. MEASEL

HOLLY — Service for Charles J. Measel, 81, of 128 Clarence St., will be 1:30 p.m. tomorrow at Craft Funeral Home, Fenton. Burial will be in Ortonville Cemetery.

Mr. Measel, a member of Holly Lodge No. 134, F&AM, died Saturday after a long illness.

Surviving besides his wife Ethel are two sons, Roy of Walled Lake and Glen of Clare; two daughters, Mrs. Inez Bendle of Davison and Mrs. Dorotha Lloyd of Clare; 12 grandchildren; and 7 great-grandchildren.

Also surviving are four stepsons, David, Clifford, Delvin and Lester Howe, all of Holly.

ROY L. McCREEDY

SPRINGFIELD TOWNSHIP — Service for Roy L. McCreedy, 54, of 3929 Dixie Highway, will be at 11 a.m. tomorrow at the Lewis E. Wint Funeral Home, Clarkston. Burial will be in Brookside Cemetery, Fairgrove.

Mr. McCreedy died Saturday after a long illness. He was a member of the Loyal Order of the Moose, the Knights of Malta and the Church of the Good Samaritan, Waterford Township.

Surviving besides his wife Pearl are two sisters, Mrs. Charles Vantrease Jr. of Pontiac and Mrs. Bessie Walker of Flint; and four brothers, William of Pontiac, Herbert of Franklin, Charles of Texas and Kenneth of Okemus.

Hospital Official, Edwin Rogers, Dies in Hospital

Edwin C. Rogers, officer manager of the Lapeer County General Hospital and former city treasurer of Lapeer, died yesterday following a seven-hour heart operation at St. Vincent Hospital, Cleveland, Ohio. He was 53.

Mr. Rogers of 1211 Barry Drive, Lapeer, became office manager of the hospital seven years ago after serving as city treasurer from 1951 to 1954.

Service will be at 2 p.m. Wednesday at the Trinity Methodist Church, Lapeer, followed by burial in Mount Hope Cemetery. His body will be at the Baird Funeral Home, Lapeer, until noon Wednesday.

★ ★ ★

Surviving besides his wife Beatrice are a son, Robert; his mother, Mrs. Charles Rogers; and a sister, Mrs. Gerald Titsworth, all of Lapeer.

He was a member of the Lapeer Kiwanis Club.

Heart Attack Fatal to Gilbert O'Brien

Gilbert T. O'Brien, 146 Hudson Ave., died yesterday in Pontiac General Hospital of a heart attack. He was 64.

He retired from Fisher Body Corp. as chief of plant protection in 1958. He was a member of F.&A.M. No. 21.

Surviving are two sons Gilbert Jr. of Pontiac and Norman T. of Palos Verdes, Calif.; two brothers Norman and Ward, and three sisters, Mrs. Stephen Ragsdell and Mrs. William McAulay, all of Pontiac, and Mrs. Ray Henson, of Tulsa, Okla. Four grandchildren and one great-grandchild also survive.

His body is at the Donelson-Johns Funeral Home.

FAA Approves Several Changes on DC8 Jetliner

LOS ANGELES (UPI) — The Federal Aviation Agency (FAA) has approved several major modifications. Douglas Aircraft Co. plans to make on its DC8 jet airliner, including changes in the hydraulic system.

FAA Chief Najeeb E. Halaby said Saturday while attending a test pilots' meeting here that the modifications were designed to "increase the safety and reliability" of the DC8.

Halaby said the most important change was "an increase in the amount of hydraulic reserve capacity available to operate key systems.

Other steps include installation of mechanical devices to make "impossible inadvertent application of engine thrust reversing during landing," examination of airline flight crews to insure training in emergency procedures "in the event of hydraulic failure" and "intensification of FAA supervision of airline maintenance practices to insure the use of correct parts and procedures."

Students to Hear Menon

FREDERICTON, N.B. (AP)—V. K. Krishna Menon, India's defense minister, will receive an honorary doctor of laws degree and deliver the convocation address at University of New Brunswick exercises Thursday.

Woman Admits Fatal Stabbing

Claims Victim Tried to Use Knife on Her Before Slaying

A 29-year-old Pontiac woman has admitted fatally stabbing Frank Avery, 36, of 153 Raeburn St., during an argument at a party Friday night, according to Pontiac Police.

Detective Sgt. Allen Noble arrested Lucille Harris of 298 Prospect St. last Saturday afternoon about five hours after Avery's body was found between two houses on South Edith Street.

She was picked up through an anonymous tip at the home of Roy L. Thomas, 479 Going St., where the stabbing allegedly took place.

★ ★ ★

"She said she stabbed Avery outside the Thomas home after he slashed at her with a knife, but she said he walked away and she didn't know she'd killed him," Noble said.

Police are still investigating to find how Avery got to the place where his body was discovered, about a quarter mile from where he was stabbed.

Oakland County Deputy Coroner Dr. Isaace Prevette said Avery's jugular vein was severed and it was not likely he could have walked that far.

Roseville Man Hurt as Car Hits Wall

A Roseville man injured when his car smacked into a stone wall and burst into flames in Orion Township this morning is in fair condition at Pontiac General Hospital.

Nolan H. Goff, 39, suffered a fractured pelvis and multiple bruises.

Two passengers, Inez Deleye, 37, of Mount Clemens and John Desjardune, 32, of 272 Baldwin Road, Orion Township, were treated at the hospital for minor injuries and released.

★ ★ ★

Goff told sheriff's deputies that he must have fallen asleep behind the wheel. His car missed a curve in Baldwin Road at the Indianwood Road intersection and hit the stone wall at approximately 40 miles an hour.

Sees Nixon Candidacy

ATLANTA (AP)—The chairman of the National Governors Conference, Wesley Powell of New Hampshire, says if Richard Nixon is elected governor of California he "will certainly expect to be considered as a candidate for the Republican nomination for president."

Nixon Back on Coast to Start on Campaign

By MORRIE LANDSBERG

SUN VALLEY, Idaho (AP) — Richard M. Nixon is back in California today to start putting together what he envisions as the most intensive political campaign in state history.

He said he is out to win the governorship with the full intention of serving out the four-year term.

* * *

Nixon, who flew here to address the Western Republican Conference Saturday night, was asked repeatedly by newsmen whether he would seek the presidency again in 1964 and whether he would accept a draft.

The former vice president replied he would not be a candidate for president in 1964, adding "it's implicit that I intend to serve the people of California as governor from 1962 to 1966."

SAYS 'NO' TO DRAFT

As to whether he could be drafted, he said "the answer is no."

"With all the talk about drafts, there has never been one in history unless it was stimulated by the candidate, and this I will not do."

Nixon was asked about reported "massive intervention from Washington" against his election as governor.

"They can bring in Bobby, Ted and Joe"—referring to President Kennedy's brothers, Robert and Ted and their father Joseph—"They can bring in all their money and all their relatives and we'll still lick them," Nixon said.

* * *

Nixon challenged former Republican Gov. Goodwin J. Knight to back up charges that he was offered a political deal to stay out of the gubernatorial race. He denied knowledge of any such offer.

* * *

Nixon said he plans to start his active campaign around the first of February. He intends to go into every city, county and town, he said, and after the primary he'll campaign for every Republican nominee in the state.

Tells of Hearing Telephone Call

Close Friend of Knight Says He Heard Offer by Nixon Backer

SACRAMENTO Calif. (AP) — Paul Mason, close friend and political associate of former Gov. Goodwin J. Knight, says he overheard a telephone conversation in which a backer of Richard M. Nixon offered Knight his choice of a state job if he would bow out of the race for the 1962 gubernatorial nomination.

* * *

Knight declared Thursday that a Nixon representative had made the offer. His charge brought an angry denial from the former vice president who said, "No person representing me or authorized by me has made such a promise."

Mason said Knight's account of the conversation was true and promised to appear with the former governor at a news conference in Los Angeles this week to answer questions.

Mason, now a Sacramento attorney, said he was visiting Knight in a Sacramento hotel room Sept. 7 when the phone rang. Another man was in the room.

Knight motioned Mason and the other man to listen in on the receiver Knight was using, according to Mason. There was no extension in the room, he said.

* * *

Mason, motor vehicles director in the Knight administration, said he heard the caller offer the ex-governor "any job in the state, chief justice or anything you want, if you won't run against Dick" in the primary.

Mason said he did not recognize the voice on the phone but said Knight told him the man's name and described him as one of Nixon's closest friends.

Mark Pulaski Day in New York City

NEW YORK (UPI) — Polish-Americans observed Pulaski Day Sunday with a parade of some 130,000 persons up Fifth Avenue as another 350,000 looked on.

Although a group of pretty girls carried a sign proclaiming, "Poland still in chains," the parade generally maintained a festive air. Sixty bands and many marchers in native costumes added color to the annual observance.

New York Gov. Nelson A. Rockefeller, Mayor Robert F. Wagner and State Atty. Gen. Louis Lefkowitz were among the dignitaries who reviewed the parade.

Judge McCallum Named Group's Vice President

Pontiac Municipal Judge Cecil McCallum was elected second vice president of the Michigan Association of Municipal Judges Thursday at the annual meeting held in Detroit during the convention of the Michigan Bar Association.

Judge McCallum has been secretary-treasurer of the association for the past year.

Warns of Move Against Religion

Catholic Says Group Using Courts to Turn State Against Supports

NEW YORK (UPI)—The Roman Catholic dean of Boston Law School warned Sunday that a powerful and well-financed group is trying by court action to destroy "every moral support which the state now bestows on religion."

★ ★ ★

The Rev. Robert F. Drinan, S.J., speaking at the annual "Red Mass" at St. Patrick's Cathedral, declared that "ever more insistent voices tell us the American government is a secular state, that in its advocacy of spiritual values it must be neutral towards religion (and) nonaligned with church groups."

Father Drinan said such beliefs were "at variance with the basic American tradition," but said they were being advanced "in an aggressive manner by non-Christian and religiously neutral forces."

He charged that an alliance of those forces has launched protests against such practices as bus rides for parochial school children in Maine, Bible reading in Pennsylvania schools and nondenominational prayers in New York classrooms.

The Red Mass, sponsored by the Guild of Catholic Lawyers, is offered every year at the opening of the fall term of civil courts to ask spiritual guidance for the administration of justice.

To Hold Hearing on Assessment for Area Sewer

A hearing will be held at 7:30 tonight at the Waterford Township Board meeting for establishing a special assessment for a 575-foot sewer installation on Holbrook Street.

Estimated cost of the project will be $6,768, and each of the 18 property owners will pay $376 for the project.

In other business, the township attorney will present revisions to the township fire arms ordinance which was discussed at last week's meeting.

The ordinance prohibits the use of any type of gun including air rifles, in the township. It further prohibits the use of bow and arrows for hunting purposes. However, bow and arrows may be used for target practice.

Bids on fleet vehicle insurance policies will be opened, and Clerk James E. Seeterlin will present a request for insulating six pumping stations in the township.

Nuclear-Escape Families Arrive 16 Hours Early

CHICO, Calif. (AP) — Twelve families from New York and New Jersey, seeking refuge from the threat of a nuclear attack, arrived here Sunday night—16 hours ahead of schedule.

Mayor Ross Lawler and other dignitaries had planned to welcome the group, but the 38-person motor caravan quietly entered this Northern California city without fanfare.

The group journeyed west from Smithtown, N.Y. They hope to establish new and safer homes in this community of 14,737, almost in the center of the rich Sacramento Valley.

Adlai Hopes for Change by Reds on N-Testing

NEW YORK (AP) — Adlai E. Stevenson, United States ambassador to the United Nations, says he has hopes the Soviets soon may agree to a nuclear testing suspension.

Stevenson cited "their own self interest (and) the moral pressure of the world" as reasons for his belief that the Soviets may do an aboutface in their opposition to a test suspension treaty.

Deborah Bacon Resigns as Dean at U. of M.

ANN ARBOR (AP) — Deborah Bacon, one of the best known members of the University of Michigan administrative faculty, has resigned as dean of women, effective at the end of current semester in January.

She will continue in a teaching capacity.

Miss Bacon has been dean of women at Michigan for 11 years serving also as an assistant professor of English.

Average adult reading rate is 250 words a minute. The rate varies and some persons can read more than 700 words a minute.

Set Installation for Chapter of Attendant Nurses

New officers will be installed by Pontiac State Hospital Chapter, Psychiatric Attendant Nurse Association of Michigan, at a banquet 6:30 p.m. Tuesday, at the Victor Lynn Restaurant, Drayton Plains.

★ ★ ★

Keynote speaker will be Dr. Ralph Green, clinical director of the Haven Santiarium, Rochester. He will discuss "The Private Psychiatric Hospital and American Psychiatry."

★ ★ ★

New PANAM officers to be installed are: Mrs. John Stratton, president; Mrs. Elsie Vaughan, vice president; Robert Larson, secretary, and Mrs. Mary Hatcher.

★ ★ ★ ★

Elected to the board of directors are Mrs. Ethel Prettibone, Mrs. Eleanor Price, Mrs. Benjamin Pearson and Mrs. Troy Williamson.

Adenauer Launches Coalition Confab

BONN, Germany (UPI)—Chancellor Konrad Adenauer today opened negotiations to form a coalition West German government between his Christian Democratic Union and the Free Democrats (FDP).

★ ★ ★

Adenauer and his defense minister, Franz Josef Strauss, arranged to meet with FDP Chairman Erich Mende to begin the formal talks.

Mende opened the way for the coalition last week when he dropped the FDP demand that Adenauer quit as chancellor immediately.

The Christian Democrats lost their absolute parliamentary majority in the Sept. 17 elections.

If they fail to come to an agreement with the FDP they probably will try to form a minority government rather than seek a coalition with the Socialists.

AP Photofax

POLICE PURSUE PORKER — Law officers and a volunteer fireman use highway flares and sticks to round up one of 134 pigs which escaped Sunday when two trailer trucks collided and overturned on 194 near Racine Wis. Three of the pigs were killed in the accident. All of the rest were eventually caught. One of the truck drivers suffered minor injuries.

The Interior Department intends to preserve an 88-mile section of Padre Island, Texas, in its natural state.

Tormenting Rectal Itch Stopped In Minutes

Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles

New York, N. Y. (Special) — One of the most common afflictions is a condition known as "itching piles." It is most embarrassing for the victim during the day and especially aggravating at night.

No matter what you've used without results — here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids — without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection.

In one hemorrhoid case after another "very striking improvement" was reported and verified by a doctor's observations. This improvement was maintained in cases where a doctor's observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration.

The secret is this new healing substance (Bio-Dyne®) — discovery of a world-famous research institution. This substance is now obtainable in ointment or *suppository form* known as *Preparation H®*. Ask for Preparation H Suppositories (convenient to carry if away from home) or Preparation H Ointment with special applicator. Available at all drug counters.

Performs Sekles-Gary Nuptials

Rev. Gus Tsompanas officiated at the Saturday evening vows of Marilyn Sue Gary to Alexander V. Sekles in a candlelight ceremony at St. George Greek Ortoodox Church.

★ ★ ★

The newlyweds left for a honeymoon in New York after receiving guests with their parents the Leslie Garys of Drayton Plains and Mr. and Mrs. Socrates V. Sekles of Ottawa Drive in the "300 Bowl" on South Cass Lake Road.

Rose-pointe pattern Chantilly lace enhanced the bride's gown of white taffeta faille styled with basque bodice and chapel train.

Bouffant silk illusion veiling fell from a crown of seed pearls and crystals. A purple orchid centered her cascade of white Fuji chrysanthemums, stephanotis and ivy.

TAFFETA SHEATHS

Taffeta sheath dresses with silk organza overskirts for the attendants shaded from pale lavender for bridesmaids Mrs. David Cobb, South Haven, and Mrs. Robert Nunn, Drayton Plains; through medium lavender for Mrs. Lyndon Wood and Mrs. Delmer Logan to deep purple for matron of honor Mrs. William Kenifeck, Waterford. They carried cascades of lavender pompons.

Cheryl Gary, her sister's flower girl, wore white nylon, sashed in lavender with headpiece of lavender and white feathered carnations.

★ ★ ★

On the esquire side were best man Aleck Capsalis with the bridegroom's brother Nicholas Sekles, Emmanuel Williams, Donald Harris and David Scriven.

For her daughter's wedding, Mrs. Gary chose a sheath dress of champagne lace over taffeta, complemented by a corsage of green cymbidium orchids.

IVORY ORCHIDS

The bridegroom's mother wore ivory cymbidium orchids with her dress of black Chantilly lace over royal blue taffeta.

★ ★ ★

The bridegroom, who attended the University of Michigan and Wayne State University, plans to enter law school at Wayne in the fall of 1962. The couple will be at home on Liberty Street.

MRS. ALEXANDER V. SEKLES

Marilyn Sue Gary and Alexander V. Sekles spoke vows Saturday in St. George Greek Orthodox Church. Their parents are the Leslie Garys of Drayton Plains and Mr. and Mrs. Socrates V. Sekles of Ottawa Drive.

Hostess Should Have Waited

By The Emily Post Institute

Q: My husband and I were invited to Sunday dinner at my husband's cousin's house at two o'clock. He and his wife live about 40 miles from here. We left early enough but traffic on the highway was very heavy and in addition our car overheated and we had to stop at a gas station for water and to let the motor cool.

★ ★ ★

It was then ten minutes past two and I called our hostess to explain our delay and said that we should be there in about half an hour. When we arrived they were having dessert and the hostess explained that the children were hungry so they decided to have their dinner.

★ ★ ★

Soon afterwards the hostess brought in two plates for my husband and me with our dinners on them. I was so upset I could hardly eat and if it wasn't for my husband, I would have left then and there. Don't you agree that the hostess was inexcusably rude and that she should have waited until we arrived to have dinner?

SHOULD HAVE WAITED

A: As you did telephone to let your hostess know how late you would be she should have given her hungry children something to eat and then waited for your arrival before having dinner.

★ ★ ★

Q: I would like to know who speaks first when meeting on the street — the man or the woman?

A: The old convention was "the lady." Today this holds only when they know each other so slightly that there is some question of whether she recognizes him or not.

Hosiery Hues

(UPI) — The schoolgirl look in hosiery is colorful. Butterscotch and russet tones are most highly recommended. But look, too, for the continuation of caramel tones, toffee, curry gold, taupe browns, grayed greens, and mulberry hues.

PATRICIA VOGELSBURG

A November wedding is planned by Patricia Vogelsburg, daughter of the Wayne F. Vogelsburgs of Keego Harbor and John C. LaTourneau, son of the James LaTourneaus of Charlotte Street.

'Time' Can't Pass Most Women By

NEW YORK (UPI) — Who says women never are on time?

An analysis of gift items received by 100 high school seniors — girls — showed that young women, at least, have a reason to be prompt.

★ ★ ★

Jeweled watches were the number-one gift. Other most popular presents included typewriters, radios, handbags, fountain pens, and jewelry.

Falling for Fakes

(NEA) — The precious or real look in costume jewelry is the one getting a big play for fall. It's done with gilt metal, fake pearls and colored stones.

Will Explain Student-Teacher Program to PTA

Dr. Philip J. Proud, assistant superintendent in charge of personnel for Pontiac City schools, will explain Pontiac Northern High School's student teacher program at a Parent-Teacher-Student Association meeting Wednesday. The group will meet at 7:30 p. m. in the high school's Little Theater.

Guests will include Robert Schmatzs, Michigan State University resident coordinator and Lewis Crew, city schools' administrative assistant.

Mrs. William Mihalek, program chairman, will present student vice president Penny Pritchard who will introduce the evening's program. Student teachers Judy Baker, Sandra Sommerville and Pamela Smith of Prescott will be introduced by Dr. Proud.

Refershments will be served in the cafeteria under chairmanship of Mrs. Sherry Mapley, Mrs. Eugene Hoisington, Mrs. Joseph Voyner and Mrs. Lloyd Ludy.

October has been designated Membership Month with Northern High's participation under chairmanship of Glenn Cheek and Mrs. Harrol Beebe.

Newlyweds to Live at Ohio Address

The Richard E. Allens who spoke Saturday vows in a candlelight evening ceremony performed by Rev. William C. Grafe in St. Mark Lutheran Church, Union Lake, will reside in Canton, Ohio, following a Northern Michigan honeymoon.

★ ★ ★

The Samuel D. Tuttles of Union Lake are parents of the former Karen Lee Tuttle. The bridegroom is the son of Mrs. Ralph E. Allen of Cooley Lake Road, Waterford Township, and the late Mr. Allen.

★ ★ ★

Fingertip veiling of silk illusion fell from an organza crown over the bride's gown of white silk organza appliqued with Alencon lace. A butterfly bustle extended into a chapel train. White lilies and stephanotis comprised her cascade bouquet.

WEAR SILK ORGANZA

Bridesmaids Virginia Clark and Beverly Dixon, both of Walled Lake and junior attendant Susan Allen, niece of the bridegroom, wore lilac silk organza and carried lavender carnations. Mrs. Leroy Parks, matron of honor, carried pink carnations.

On the esquire side were Eugene B. Ziegler, best man, with Ralph O. Allen ushering for his brother with Eugene K. Pool.

For the ceremony and reception in Commerce Masonic Temple, Mrs. Tuttle chose turquoise crepe chiffon and corsage of matching cymbidium orchids. The mother of the bridegroom pinned green cymbidium orchids to her beige sheath dress of peau de soie and lace.

★ ★ ★

The bridegroom is a graduate of Ohio Wesleyan University and Wayne State University College of Law. His fraternity is Delta Tau Delta.

MRS. RICHARD E. ALLEN

Plans Welcome for the Sisters

The St. Hugo of the Hills Altar Guild has planed a pantry shower for the Sisters of the school Friday at 1:30 p.m.

Chairman for this event, Mrs. Richard E. Colfels, has extended an invitation to all Parishioners to attend and welcome the Sisters.

Members of her committee are Mrs. Michael Russ, Mrs. John A. Reid, Mrs. Glen Ober, Mrs. Walter Zippler and Mrs. John W. Pilon.

7 Tables in Play

The Pontiac Bonneville Duplicate Bridge Club met Saturday evening at the Hotel Waldron with seven tables in play.

Winners were Mrs. William Strauss and Melvin Smail; Mr. and Mrs. Paul Van Roekel; Dr. and Mrs. Edward F. Collins; Mrs. Mervin Cress and Mrs. W. H. Barron; the Gordon Longstreths; Donald Stephenson and Dr. Robert Segula.

Fringe Is Favored

(UPI) — Belts, an academic fixture about the schoolgirl's waist, are showing up more fringed than anything else. The leather shoestring belt continues strong. So does the burnished cowhide type with big brass hardware.

She Should Play by Rules

Your Daughter's at Fault

By ABIGAIL VAN BUREN

DEAR ABBY: I am the frustrated father of an 18-year-old girl. She has just acquired her first steady. My problem is that this boy (20) stays to watch the late, late show, eats a sandwich and then necks with my daughter. I lie awake upstairs checking the clock periodically. This morning at 3:30 he was still here. I got angry and went to the landing and shouted, "It's 3:30 — GO HOME!" The boy left and my daughter passed me silently in the hall and went to her room.

ABBY

This morning my daughter told me she was embarrassed by my actions. She said, "I am old enough to take care of myself, etc., etc." I said midnight was late enough on week nights, and 2:00 a. m. on weekends, for working people. Do you think I was in the wrong? My daughter does.

FRUSTRATED DAD

DEAR DAD: If the house rules you had set up beforehand were ignored, you had every right to break up the party at that hour. But you should have done it quietly, firmly and personally with your daughter. He stays, eats and "necks" with a willing partner. SHE is your problem. Don't shout at HIM.

★ ★ ★

DEAR ABBY: I am planning to have a November wedding. It will be a formal church wedding with about 300 guests. I have studied voice for two years, and everyone says I have a very good soprano voice. I have a marvelous teacher. I wish to sing at my own wedding. My parents and the few friends I have mentioned this to have tried to discourage me. My fiance suggested I write to you for the final decision. Thank you.

NOVEMBER BRIDE

DEAR BRIDE: Don't use your wedding guests as a captive recital audience. Why not ask your voice teacher to sing?

★ ★ ★

DEAR ABBY: I have been going with a married man for six months. We work in the same place. He says he loves me and hates his wife, but won't leave her because of the children. He also says he can't leave her because everything they own is in both names, and his wife would get everything. Is this a law?

I left my husband and children and have taken a room. Now everybody is talking about me. Don't you think a woman is foolish to live with a man who hates her? This man's wife is a very dull person, and lives just for her children. I know I can make him happy. Shall I call his wife or go to see her?

UNHAPPY

DEAR UNHAPPY: Don't call this man's wife and don't go to see her. She is sticking by her marriage vows, which is more than you have done. The man has given you good reasons why he won't leave his wife. You need to pray for forgiveness and strength to live a loyal and decent life again.

★ ★ ★

"Are things rough?" Let Abby help you solve your problem. For a personal reply, enclose a stamped, self-addressed envelope and send to The Pontiac Press.

★ ★ ★

For Abby's booklet, "How to Have a Lovely Wedding," send 50 cents to Abby, The Pontiac Press.

Pontiac Press Photo

Working in harmony with the student-teaching program at Pontiac Northern High School are Dr. Philip J. Proud of the Pontiac Schools who was a music major in college and student-teachers (from left) Sandra Sommerville, Rosedale Street; Pamela Smith of Prescott; and Judy Baker, Navajo Drive. Dr. Proud will introduce the three coeds at Northern's Wednesday PTSA meeting.

Hard to Make It Up

Don't Skip Breakfast!

By JOSEPHINE LOWMAN

When a person is going to skip one meal a day, it is most often breakfast, and so far as nutrition is concerned, there does not seem to be an adequate substitute for this meal. Few people make up for its loss at the two other meals.

The study I am reporting dealt with junior high students, but I am sure that the facts are just as important to housewives who miss this meal, and to the thousands of men and women who dash to work with only a cup of coffee and perhaps a doughnut or sweet roll under their belts.

This study of high school pupils showed that only one in five young persons who had no breakfast, or even a poor breakfast, made up for it at the two other meals.

Another study showed that those who ate breakfast came closer to meeting the recommended daily allowances of food essentials than those who did no, eat breakfast. The deficiencies showed up most often in an inadequate vitamin C and calcium intake, although the intake of other essentials was low, too.

I was extremely interested in some facts which were uncovered at Oklahoma State College. The girls who went without breakfast snacked much more than the girls who ate breakfast. The girls who did not eat breakfast got 18 per cent of all their total calorie count from snacks, whereas the ones who ate breakfast only used 7 per cent of their intake on snacks.

Also, the study showed that the girls who missed breakfast ate more "empty" calories (lacking in food value other than calorie count) than those who ate breakfast. Again, the gals who skipped the morning meal got more than 500 calories from all types of desserts, while those who ate breakfast used only about 400 calories on desserts.

It is a mistake to miss breakfast for several reasons. In the first place, few people have enough nutrition know-how or interest to get the essential foods, later on in the day, which a breakfast gives them.

★ ★ ★

Then, too, midmorning fatigue is almost certain to set in. You may stick it out until noon and then overeat, or you may dash out and buy a couple of candy bars which will give you anywhere from 400 to 600 calories.

There is nothing wrong with candy bars, except that they should not take the place of whole grain products, citrus fruit juices, and eggs and milk.

Why not take care of your ulcer as well as your nutrition by getting up a little earlier and eating a leisurely breakfast? This goes for dieters, too!

★ ★ ★

For more information on how to diet nutritiously, send for the leaflet, "Diets for Youth and Health." Send a stamped, self-addressed envelope with your request for leaflet No. 43. Address Josephine Lowman in care of The Pontiac Press.

Pontiac Press Photo

Time-out for conversation and a little music was taken at the group's tea Sunday afternoon by Stabafa members (from left) Jill Dearing of Ottawa Drive, Edna Isenberg of Henderson Street, hostess Rosie Tripp of South Hammond Lake Drive and Denise Patton of South Tilden Avenue.

Fete Carlene Helms With Bridal Shower

Carlene Helms, who will marry John Sherk Oct. 14, was feted at a miscellaneous shower recently in the Rochester home of Mrs. Edward Arner. Assisting the hostess were Mrs. Leonard Craven and Mrs. Paul Bochnig.

Among the guests were the honoree's mother Mrs. Melvin Helms of Pontiac, mother of the prospective bridegroom Mrs. Warren Sherk, matron of honor Mrs. Richard Schmiel, bridesmaid Helen Sherk and Mrs. Robert Senger.

Alpha Amega Holds White Elephant Sale

Alpha Omega chapter, Beta Sigma Phi Sorority, held a white elephant sale following a cooperative dinner recently in the Rochester home of Mrs. Donald DeVoe. Cohostesses were Mrs. Robert Terry and Mrs. Jean Martin.

Mrs. Vincent Schneider was named chapter delegate to the state convention Oct. 20-22 in Grand Rapids.

Newcomers Club Holds Get-Together

The Newcomers Club of Pontiac met last week at the Wards Point Drive home of Mrs. Rex MacKercher.

After the business meeting Robert Billings entertained with organ selections.

Guests included Mrs. Earl Atkinson, Mrs. William Garner, Mrs. Evelyne Stone, Mrs. Jack Hardy and Mrs. William Moorhouse.

Assisting the hostess were Mrs. Sam Snead, Mrs. Sam Miller and Mrs. Mert Jennings.

Opens Fall Season

The Child Culture Club opened the fall season at a family picnic Thursday at the Birmingham home of the Murry J. Osborns.

Mrs. William Thiede of LaFay Drive will be hostess for the Oct. 12 meeting.

Safety Work Wins Award for Auxiliary

The Women's Auxiliary to the Oakland County Optometric Association, Drayton Plains, has been awarded a certificate of merit in the 1961 Carol Lane Awards for traffic safety, according to the National Safety Council.

★ ★

The award was won through a program of motorists' vision screening.

Working with groups making motor vehicle safety checks, the women offer motorists vision testing with special screening instruments.

For this work, the group has been presented with a plaque from the Ferndale Traffic Control Division.

★ ★ ★

The Carol Lane awards, named for the women's travel director of an oil company, are the only national awards to recognize accomplishments of women in traffic safety.

Extensionists Hold All-Day Workshop

The Interlakes Extension Group gathered at the Dover Road home of Mrs. Carl Weber for an all-day workshop meeting.

Mrs. Wilbur Ott, project leader, assisted the hostess with luncheon which featured foods discussed in the morning lesson "Deserving Desserts."

Two honorary members, Mrs. Robert Alspaugh and Mrs. J. Wendell Green, joined the group in making cross-stitch aprons during the Wednesday afternoon session.

Home Is Opened to Yomar Group

Mrs. Orville Cummings and and Mrs. Donald Williams opened their North Saginaw Street home Thursday evening to the Yomar Group of First Presbyterian Church.

Mrs. Chester Varney led the Bible study session.

Mrs. Marvin Hillman of West Huron street will host the group for its Oct. 26 meeting.

A Savoy noble, Bernard de Menthon, who became a monk, saw a desperate need for a mountain refuge in the Alps. He built the hospice that bears his name.

Stabafa Club Gathers at Tea

Stabafa Club gathered at the South Hammond Lake Drive home of Rosie Tripp Sunday afternoon for its semiannual membership tea.

Welcomed to club membership were Diane Brown, Marilyn Brown, Nancy Burgdorf, Sue Byrd, Jill Dearing, Susan Madsen, Kay Cosma and Cynthia Mitchell.

Junior sponsor Judy Whitmer will assist senior sponsors Mrs. Basil Brown and Mrs. Robinson Bronoel.

Burlap for Fall

(NEA) — Burlap handbags, usually considered a summer fashion, are getting a big play for fall. They're done in black, of course, and are trimmed in leather. Roomy, too.

Area BPW Clubwomen Hear Membership Talk

Mrs. Edmund L. Windeler opened her home on Hatchery Road Thursday evening to members of the Waterford-Clarkston Business and Professional Women's Club. Sharing hostess honors were Mrs. Eldon Rosegart, Mrs. Oliver Dunstan, Mrs. Walter Forbes and Mrs. E. J. Lally Jr.

Mrs. Norman Dyer, membership chairman of the Pontiac BPW Club, spoke on the advantages and objectives of the club.

Recipient of this year's scholarship is Inse McClard of Clarkston, Michigan State University Oakland student.

The annual sale of candy to benefit the scholarship fund was announced, as was the annual blood bank Friday at the Waterford Community Center.

Guests were Mrs. Frank Sias, Mrs. John Hendry, Mrs. L. V. Kline, Mrs. Robert DeBarr and Mrs. Margaret McIntyre.

BACKACHE & NERVE TENSION
SECONDARY TO KIDNEY IRRITATION

After 51, annoying Kidney or Bladder Irritations affect little as many women as men and may make you tense and nervous from too frequent, burning or itching urination, both day and night. Secondarily, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. Feel better fast.

Most Nations Meeting Increase Request

NATO Defensive Build-Up Is 'Spotty'

PARIS (AP)—The response of European members of the North Atlantic Treaty organization to the U.S. effort to increase the military capability of the Western defense system by 20 per cent appears to be spotty.

Most of the 14 military members of NATO are meeting the request for more firepower on the defense lines. But some nations are confronted by financial difficulties or internal political situations which make any additional buildup now difficult or impossible.

The goal for attaining the 20 per cent increase is set for 1962 or 1963. As it stands, the United States would absorb up to about 8 per cent of the over-all expansion.

The immediate aim is to make the 21 NATO-committed divisions actually battle-ready by building up to full strength and providing the necessary equipment. This is aside from the longer-range goal of about 30 divisions.

The United States is making a supreme effort to encourage the other NATO members to help with the expansion program. A series of high-level meetings among U.S. officials here has just concluded.

* * *

U.S. Ambassador James M. Gavin, NATO Ambassador Thomas K. Finletter and Gen. Lauris Norstad, supreme Allied commander in Europe, met with Vice President Lyndon B. Johnson, sent to Paris by President Kennedy to make a survey of the situation.

The build-up campaign is encountering some difficulties aside from finances and internal political problems.

PUSH FOOT SOLDIERS

Until the past few months, the people of Western Europe had been reading that the really important thing for defense was the nuclear weapon. Today the drive is for more foot soldiers, tanks and guns. It is confusing.

This new policy also has brought doubt in some U.S. quarters. Questions have been raised by Congress members, who wonder if the Soviet Union may not be led to doubt the United States would use nuclear weapons in a war.

* * *

Here in Paris, as in Washington, this is answered with reiteration of long-standing policy: the United States will use atomic weapons, when, to the extent and in the manner necessary for the defense of the Western Alliance.

The feeling in Paris seems to be that NATO governments will support completely any military action needed—including defense of West Berlin.

Waterford Police to Offer Training

The Waterford Township Police Department announces a new training class in auxiliary police work for men of the township and surrounding areas. The first class will meet in Room 206 of Waterford Township High School at 8 p.m. Oct. 4.

* * *

A film of the Flint tornado will be shown at that time. The event is open to all men 21 and older.

UNDERGOING CHANGES — This over century-old house at 202 W. St. Clair St., Romeo, used to have a porch all across the front which was removed when Mrs. Robert G. McGuire and Mrs. Frederick F. Schanck began work on its restoration over a year ago. A library wing still is to be added to the left side and small panes installed in the front windows.

Romeo Housewives Handy With Brushes, Hammers, Saws

2 Gals Breathe Bright Life Into Dying House

By LEE WINBORN
Area News Editor

ROMEO—Two local housewives enjoy wielding pots and pans in their kitchens, but during the past year they have turned their talents to paint brushes, hammers and saws.

Their ambitious undertaking is the restoration of a more than century-old house allowed to fall into sad disrepair in recent decades.

The pair are Mrs. Robert G. McGuire and Mrs. Frederick F. Schanck.

It was in June, 1960, that Mr. and Mrs. McGuire bought the 1½-story Greek revival house at 202 W. St. Clair St.

INTENDED TO SELL IT

Their original intent was to renovate it, then sell it. But as they worked they grew more and more attached to the house because of its fine lines and promising potentialities.

Thus what was to be a commercial enterprise turned into a project of careful restoration.

Mrs. McGuire's close friend Mrs. Schanck, who lives across the street from the house, became enthusiastic about the undertaking and offered her services.

Their first major step was to rip off all the old plaster and replace it. Then they cut new doors through from room to room.

This phase took several months, but soon the two women were hard at work brightening the walls with fresh paint and documentary wallpaper.

Mrs. McGuire, mother of two teen-age girls, was forced to abandon the project for about six weeks last spring after undergoing major surgery.

But before she had fully recovered she was back at work doing such small jobs as touching up the molding.

Like her, her partner, mother of four girls herself, is adept at operating a power saw, hanging shutters and doing the many other tasks required in home construction.

The two spend five or six hours every day on the job, assisted only occasionally by professional artisans called upon when their particular skills are needed.

* * *

An example of the care being used to create authenticity is the time and effort spent in collecting 55 panes of old glass to fill the bay window built into the west wall of the first floor studio bedroom.

Other features of the bedroom are an exposed beam ceiling, barn paneling and a Franklin stove. The mantelpiece in the living room was brought from Maine.

All the hardware is antique and handmade and the bricks in the newly built chimneys also are old.

BIG PROJECTS AHEAD

Biggest projects yet to be accomplished are construction of a library wing at the west front end of the house and a brick terraced conservatory at the rear of the garden.

After the work is completed and the McGuires sell their present home at 264 N. Main St., they will move into the house restored primarily by the "labor of love."

Pontiac Press Photo

HAPPY AT WORK — Mrs. Robert G. McGuire (left) and Mrs. Frederick F. Schanck apparently enjoy their current task of painting the shutters for the house they are restoring. They are equally adept at operating a power saw, hanging wallpaper and pounding nails as they are at painting.

Wants to Study Contract

Southfield Council Delays Approval of City Planner

SOUTHFIELD — The City Council here has not yet approved Mayor S. James Clarkson's appointment of a full-time city planner.

After an interview Saturday afternoon with George Vilican Jr., the council decided that more time was needed to study the terms of the three-year contract which must be drawn up with the new planner.

At last Monday's council meeting the mayor appointed the Southfield firm of Vilican-Leman & Associates, Inc., as the city's planners.

At the same time the mayor stated that it was his recommendation and that of the proposed city planner to apply for an urban planning assistant grant from the federal government.

URGE RENEWAL PROGRAM

It also was recommended by Clarkson and Vilican that the council give some thought to undertaking a community renewal program following completion of a city master plan.

The community renewal plan would be financed on the basis of a two-thirds federal grant and a one-third local share.

The council will meet again this week to make a decision on the city planner. No date has been chosen.

Brandon Twp. Woman Champion Cake Baker

BRANDON TOWNSHIP — Mrs. Albert Primas of 160 Hadley Road was one of the top winners in the State Grange cake-baking contest which was held recently in East Lansing.

Mrs. Primas, a member of the Brandon Grange, won the honor with her pound cake. Other winners were Mrs. Vern Peck of Cereaco and Mrs. Louis Norman of Plymouth.

Walled Lake PTA to Meet Thursday

WALLED LAKE — A "Back to School for Parents" night will be held Thursday at the Walled Lake Junior High School for the Parent-Teacher Association.

The faculty will be introduced to parents by Harry Carlson, principal. Parents then will follow the daily schedule of their children, visiting classrooms where teachers will discuss courses of study and other activities.

PTA program booklets for the season will be distributed at the 7:45 p. m. meeting.

Adult Program Offers a Class in Millinery

ROCHESTER—A class in millinery will be offered this fall by the Adult Education program of the Rochester Community School District.

The first class will be held at 2:30 p.m. Oct. 11 in the home economics room of Rochester High School, 180 Livernois Road. Instruction fee will be $8.

Plans for Emergency Hospital to Be Revealed at CD Meeting

Plans for the first fully equipped civil defense emergency hospital in Oakland County will be revealed at a special civil defense meeting Friday night at Michigan State University Oakland.

The 200-bed hospital will be the first of four medical units in the county with the staff and facilities that will be necessary in the event of natural disaster or enemy attack.

270 ARE INVITED

Some 270 physicians, registered nurses, dentists, pharmacists and other medical personnel were sent invitations over the weekend asking them to attend the Friday meeting, according to Dr. Edgar J. Geist Jr., chairman and medical director of the Northeast Oakland County Civil Defense Council.

Deputy directors, nursing supervisors and staff members of the emergency unit will be announced at the meeting.

Speakers at the session will include Dr. Geist; Dr. Bernard D. Berman, deputy health director for the county; and Dr. John S. Lambie, county health coordinator.

* * *

Dr. Geist said that the civil defense hospital will be organized so that it may be set up at any one of five available sites in Northeast Oakland County.

The site chosen at the time of the emergency would be dependent upon local area conditions accessibility and proximity to the scene of the disaster, explained Dr. Geist.

The organization of the Northeast Oakland County emergency unit will set a pattern for the other three Civil Defense units to be set up in the county, according to Dr. Geist.

* * *

Staff members of the hospital would be notified of the location of the emergency unit through a special communications system that will be outlined at the meeting.

TO STORE EQUIPMENT

Medical equipment will be stored in the service area of the hospital and would be rushed to the site chosen in time of emergency.

Besides the doctors and medical specialists expected to attend the meeting at 8 p. m. Friday, veterinarians, morticians and persons with special Civil Defense training have been invited to the session.

On Oct. 14 the Northeast Oakland County CD Council will discuss methods of improving the emergency communications system at its regularly scheduled meeting in the Rochester Municipal Building.

* * *

Guest speaker at the session will be Albert Thomas, communications coordinator for the Detroit and Wayne County Office of Civil Defense.

* * *

Because of the special county-wide meeting at MSUO Friday night, the council will not hold its usual Saturday morning session in Rochester.

Boy Recovering From Accident

6-Year-Old Run Over by Tractor Saturday After Fall on Turn

ARMADA TOWNSHIP — A 6-year-old Armada Township boy is reported recovering today from injuries suffered when he was run over by a tractor Saturday.

Alexander B. Piper was riding on the tractor with his grandfather, W. A. Sanson of 20480 32-Mile Road, when he fell off and was run over by a front wheel.

Sanson had just reached the end of a row he was plowing and told his grandson to "hold on" when he turned. The next thing he knew the boy had fallen off.

The boy's father, Edwin B. Piper of 19169 32-Mile Road, said his son might have been killed except that he tumbled into a deep furrow and the full weight of the wheel did not pass over his body.

Young Piper was taken to St. Joseph Hospital, Mount Clemens, with a broken right shoulder and arm, bruised lung and head and possible internal injuries.

His mother is a grade school teacher in the Clintondale School District and his father is a Romeo mail carrier and part-time police dispatcher.

Orion Man Held in Armed Threat on a Bartender

LAKE ORION — An Orion Township man who allegedly threatened a bartender here Saturday night at gunpoint was being held for investigation of felonious assault today in the Oakland County Jail.

Lake Orion Police Chief Nell E. Leonard said Samuel J. Hollifield, 22, of 2400 Indianwood Road, was arrested shortly before 9 p.m. Saturday after threatening the bartender with a 22-caliber pistol.

Leonard said Hollifield, who apparently was not interested in robbing the bar, would give no reason for his actions.

* * *

Witnesses reported that Hollifield drank two bottles of beer, ordered another drink and started to leave Barney's Tavern at 36 W. Flint St. without finishing it.

Hollifield then returned and sat down next to the bartender, Robert Welch, 5835 Bordman Drive, Metamora. Police said Hollifield shoved the pistol in Welch's ribs and then put it to his throat.

Police were called and Hollifield was arrested for investigation of felonious assault with a deadly weapon. Leonard said Hollifield did not threaten anyone else in the tavern.

* * *

Hollifield was to make a statement today at the Oakland County prosecutor's office.

Imlay City Times Publisher New Press Club Head

ANN ARBOR (UPI)—C. Clair Cross, publisher of the Imlay City Times, was elected president of the University Press Club of Michigan Saturday.

Cross succeeds Clare J. Hewens Sr., publisher of the Huron Daily Tribune at Bad Axe.

John H. Batdorf, business manager of the Traverse City Record Eagle, was elected first vice president.

Second vice president is Caryl A. Herman, publisher of the Dowagiac Daily News, and Berrien County Record in Buchanan.

Cleveland B. Wiley of the University of Michigan is the new secretary-treasurer.

Teamsters Strike Keeps 13,000 Idle

DETROIT (UPI)—A Teamsters Union strike which has kept some 13,000 workers involved in highway construction off the job continued today.

* * *

Meanwhile, state and federal mediators were trying to arrange a meeting between members of several Teamsters Union locals and the Michigan Road Builders Association.

* * *

Some 3,500 Teamsters walked off their jobs last Wednesday in protest to stalled contract talks between their union and the association. As a result millions of dollars in highway and road construction projects have ground to a halt.

NEWS OF THE AREA

White Lake Twp. to Honor Two Men for Saving Boy

WHITE LAKE TOWNSHIP — Two men credited with saving the life of a 12-year-old boy who grabbed an electric wire while climbing a tree will be honored Oct. 17 by the township with certificates of merit.

* * *

They are William Miller, 36, of 9470 Cedar Island Road, and his brother-in-law, Roy Hawkins, 25, of 332 N. Cass Ave., Pontiac.

The men were able to dislodge the wire from Charles Felt's hand minutes after he had come in contact with it, according to the township fire department, and thus saved him from possible death.

The boy, son of Mr. and Mrs. Leonard Felts of 9471 Cedar Island Road, had climbed the tree in front of his home and had clutched the wire when he lost his footing.

RUSHED TO ACCIDENT

Miller, who lives across the street, rushed to the accident scene from the Felt home, and Hawkins, who was visiting Miller, rushed to the accident scene when Miller's 13-year-old son William ran into the house shouting "Chuckie's been electrocuted."

It will be the first time that private citizens have been given the certificates of merit since the township program to recognize heroic actions was inaugurated two years ago.

Two members of the dual police and fire department have received the awards for reviving an elderly woman and a child with artificial respiration.

The awards went to Joseph Montruiel and Kenneth Peppiate.

Electric Power Cut in Lake Orion Area

LAKE ORION — Electric power was cut off for nearly two hours in this area Saturday night after a primary wire of the Detroit Edison Co. was knocked down by lightening.

* * *

Lake Orion police said the failure occurred shortly after 7 p.m. An emergency repair crew from the Detoit Edison Co. had service restored by 11 p.m.

Harlan Ritz, district service manager for the company, said the power failure in Lake Orion was one of several breakdowns caused by the lightening and wind storm which swept through most of Oakland County Saturday night.

PONTIAC'S TEMPEST

SWEET-HANDLING!

The new Tempest doesn't rock and roll! Two reasons: Each wheel is independently suspended—there are no solid axles to transmit shock from one wheel to another. Each wheel has equal traction because of the even weight distribution. Tackle a back road in America's only front engine/rear transmission car—it's balanced like none of the others

TAGGED TO MOVE AT $2214.03

Manufacturer's Suggested Retail Price for this Tempest Coupe (including whitewall tires, reimbursement for Federal Excise Tax and suggested dealer delivery and handling charge). Other accessories and optional equipment, transportation charges, state and local taxes extra.

The original manuscript of "The Star-Spangled Banner" is in the possession of the Maryland Historical Society in Baltimore. It was presented to the group in 1953.

Should Be Experts on Constitutional Change

Con-Con Delegates Can Claim a Place in History

(Editor's Note — The convention to revise Michigan's 1908 constitution meets in Lansing tomorrow. This is the 16th and last article in a series dealing with possible changes in the state's basic law.)

By DON MYERS

LANSING (UPI) — Michigan's 148 constitutional convention delegates can claim a unique place in state history.

★ ★ ★

If all goes well, they will revitalize the basic law through deliberations expected to last about seven and a half months. The people will render final judgment on the delegates' efforts, when results of the con-con come up for acceptance or rejection, probably at the November, 1962, general election.

Con-con committee assignments and personal interest and abilities will make most delegates more proficient in some areas than in others.

But all delegates will be involved in countless decisions about constitutional change that will make them more or less expert on the subject when they become that exclusive group, alumni of the 1961-62 Michigan con-con.

★ ★ ★

The decisions will range from the momentous to the relatively inconsequential.

FACE MANY DECISIONS

Delegates must decide if elections should be held less frequently in Michigan, if there should be fewer elected officials and if the voting age should be lowered from 21 years to perhaps 18.

They must settle the question of legislative apportionment.

The terms of state officials in all three branches of government, the executive, legislative and judicial, will be a subject for con-con debates and decisions on civil service will be required which could change the whole picture for the roughly 30,000 classified state workers.

Delegates may decide that the whole court structure in Michigan needs overhauling.

Handling of state money, a problem that has plagued Michigan to the point of a "cash crisis" in 1959, will provide numerous questions for the con-con, including those concerning the earmarking of certain revenues, limitations on taxation and the role of the legislature in spending.

The structure of local governments and their relationships to each other will be in the purview of con-con delegates.

The state's role in education, from colleges and universities to elementary schools, must be the concern of the delegates and a host of questions in other fields must be answered.

There will be no lack of "expert" advice for the delegates. Special interest groups will be more than happy to provide much of it.

Common sense andcon scientious screening of all the positions on the various issues they encounter will be the major concern of delegates who want their work to reflect the needs and desires of all citizens of Michigan.

Delegates will also have need of views from plain citizens of the state — from factory laborers to corporation presidents and from white collar workers to farmers.

Public hearings are certain in many of the issues before con-con. And personal communications from constituents should be welcomed by delegates.

Few Openings Remain in Classes for Adults

There are a few openings left in several Waterford Township adult education classes, according to Byron Merrit, director.

Classes open for further enrollment include beginning typing; advanced typing and office machines, ceramics and painting, furniture construction and refinishing and auto mechanics.

★ ★ ★

All those interested may register at the Waterford Township High School at 7 p.m. Tuesday.

Pontiac School Exclusion Policy Is Spelled Out

The policy on exclusion of pupils from Pontiac public schools has been outlined by the Board of Education.

★ ★ ★

The exclusion policy refers to both suspension, which is temporary, and expulsion which is more permanent.

Pupil actions or conditions which will warrant exclusion from school were listed as: smoking, obscenity, stealing, forgery, fighting, truancy, insubordination, gross misbehavior, vandalism, indecency and bodily conditions.

Officials empowered to enforce exclusion for these reasons are the superintendent of schools, the assistant superintendent in charge of personnel, the director of child accounting and attendance.

★ ★ ★

Pupils over 16 may be excluded by the principal of the school in which the boy or girl is enrolled.

In addition the principal is authorized to suspend any pupil for any reason listed above.

Extend Offer to Enroll in Adult Education Class

The original deadline for registration in adult education classes has been extended to Oct. 5 because enrollees were a few short of the minimum number required to open a class.

★ ★ ★

Registration will be accepted in the office of the vocational building at Central High School 9 a.m. to 4 p.m. through Thursday, and 7 to 9 p.m. Monday, Wednesday, and Thursday.

Maris Hits 61st in Last Game of Regular Season

By The Associated Press

Roger Maris blasted his 61st home run on the final day of the season Sunday to go one-up on Babe Ruth as the all-time home run king of the major leagues.

But Maris won't be officially credited with breaking Ruth's record because his output was made in 162 games (163 including a tie). Ruth's was made in 154 games (155 including a tie).

Commissioner Ford Frick decreed that Maris will be credited with a separate record — most home runs during a 162-game season.

★ ★ ★

No. 61 was hit in the fourth inning off a 2-0 pitch thrown by Tracy Stallard, Boston Red Sox right-hander. It provided the only run of the game in a 1-0 New York Yankee victory.

While Maris was basking in his glory, a grim battle was taking place in the lower depths of the American League.

★ ★ ★

Kansas City defeated Washington, 3-2, and thereby tied the Senators for ninth place. So no one had the ignominy of finishing 10th the first year the league was expanded to 10 teams.

In other American League games, the Detroit Tigers defeated the Minnesota Twins, 8-3, and the Cleveland Indians — after they had fired manager Jimmy Dykes — turned back the Los Angeles Angels 8-5.

In the National League, San Francisco clinched third place by dividing a doubleheader with Milwaukee. The Giants won the first game, 8-2, and the Braves the second, 3-2.

The Pittsburgh Pirates whipped Cincinnati, 3-1; the Los Angeles Dodgers trounced the Chicago Cubs, 8-2, and the St. Louis Cardinals blanked the Philadelphia Phillies, 2-0, in other games.

Bill Stafford, who is scheduled to pitch the third World Series game against the Reds, went six scoreless innings for the Yanks, who finished with an 8-game bulge over runner-up Detroit.

Maris' big blow also enabled him to win the league runs-batted-in title with 142.

Jerry Lumpe was the big man in Kansas City's victory over Washington. He drove in all three runs with a home run and a single.

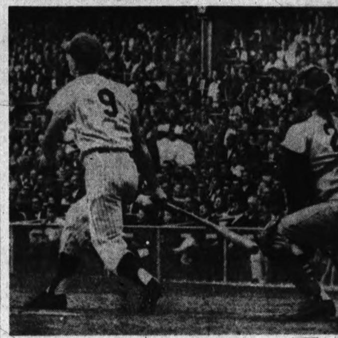
Walter Bond hit his first grand slam homer in the majors to spark the Indians to their triumph over the Angels. He wound up with five runs batted in.

Billy O'Dell pitched the Giants to their first-game decision over Milwaukee. He was aided by homers by Willie Mays and Jose Pagan. It took the Braves 10 innings to win the nightcap. Al Spangler singled home the winning run in the 10th, after Bob Taylor's home run in the ninth brought the Braves even.

★ ★ ★

Left-hander Joe Gibbon held the pennant winning Reds to seven hits for the Pirates, striking out 8. The Pirates' Roberto Clemente won the league batting title with a 3.51 average, although he hasn't played since being hit by a pitched ball last Tuesday.

Stan Williams was the winner for the Dodgers, who finished in second place four games behind the Reds. Bob Gibson shut out the Phils for the Cards.



AP Photofax

THERE GOES 61ST — Roger Maris watches his 61st home run sail into the Yankee Stadium stands in the 4th inning yesterday. Russ Nixon is the Boston catcher. It was hit off Tracy Stallard.

49er Shotgun Fires Cannonball at Lions, 49-0

Detroit Defense Humiliated by 3-QB System

Beating Is Worst Since Bears Won by Same Score in 1941

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

That shotgun offense the San Francisco 49ers brought with them to Detroit turned out to be a cannonball. They not only whipped the Lions, 49-0, but they humiliated the vaunted Detroit defense which showed overpowering strength in previous weeks against some of the best teams in the league.

No team ever whipped the Lions so soundly since the Chicago Bears won by the same score in 1941 or since the Browns took a 56-10 decision in the championship game of 1954.

★ ★ ★

Quarterback Earl Morrall lacked all imagination in the first half of the game and Jim Ninowski, who started the second half, could do no better.

There was actually no key play or series of plays which can be pin-pointed. It was a complete rout all the way from start to finish.

There were two big factors which could be attributed for demoralizing the Lions completely.

★ ★ ★

With the 49ers leading 21-0 late in the first half, big Roger Brown finally fell on a loose ball which at least six players tried to pick up. There was 1:05 left when the Lions got the ball on the 26. Morrall hit Jim Gibbons twice to the nine yard line. He then was dropped for an eight yard loss as he tried to carry himself. The Lions then were in a state of confusion: Morrall called a huddle then decided against it and as time was running out he got off a pass to Gail Cogdill but to no avail.

★ ★ ★

With three downs to play and 23 seconds left, Morrall could have stopped the clock by throwing the ball out of bounds or calling a sequence series without hudding. Instead, he lost all poise.

The final demoralizing blow came at the start of the second half when Abe Woodson took the kickoff and went 98 yards for the touchdown to make it 28-0.

Throughout the game, the Lions had their best offense between the 25-yard lines with Jim Gibbons putting on a great display of pass receiving. He grabbed seven passes for 96 yards.

★ ★ ★

Ninowski tried to give the Lions' morale a boost but he had three passes intercepted and before the game ended Morrall was back at quarterback.

It was too much for the crowd of 53,155. They jeered as two of Morrall's passes hit the ground several yards in front of their intended receivers.

San Francisco, which has now won six of their last eight regular season games since installing the "shotgun" offense late last year, wasted no time in getting it rolling.

★ ★ ★

Using three quarterbacks in alternate fashion, John Brodie, Bill Kilmer and Bob Waters, they scored in only five plays the first time they had the ball. J. D. Smith took a handoff from Brodie and scored first on a five yarder inside end. Kilmer, the most effective of the three, showed the power which made him the most heralded back in the country while with UCLA last year. He went around left end 31 yards for the big play in the series.

Starting on their own nine yard line late in the quarter, San Francisco scored in eight plays with Waters going the final one yard. A sensation catch by Clyde Conner of Brodie's 45 yard pass was the key play in the series.

A fumble early in the second quarter started the 49ers on their way again. Kilmer and Brodie each completed 30 and 14 yard passes to Monte Stickles and Kilmer finally dove over for a one yard tally.

★ ★ ★

Detroit's best chance came in the confused final seconds after Brown recovered the fumble.

SPORTS

HEMMED IN — Detroit Lions' players Roger Brown (76 Dick LeBeau (44) and Bill Glass (background) bottle up San Francisco 49er quarterback Bill Kilmer, but not until after Kilmer made a first down. Kilmer was one of three quarterbacks rotated by the 49ers in their 49-0 win over the Lions at Tiger Stadium yesterday afternoon.

Yanks Concerned About Mantle's Hip

NEW YORK (AP) — The New York Yankees were expected to find out today if Mickey Mantle's ailing hip was strong enough to start the first World Series game against the Cincinnati Reds Wednesday.

"I hope to be able to play," said Mantle, who was released from the hospital Sunday. "It feels a lot better."

Both the Yanks and Reds scheduled workouts at the Stadium. Except for Mantle, who underwent minor surgery for an abscess on the hip, the Yanks were in perfect shape.

"As of now," said Manager Ralph Houk, "Mantle is batting No. 4 in the lineup Wednesday and will be in center field. My only concern now is that the layoff might keep him from being as sharp as he could be."

Mantle was to work out lightly under the watchful eyes of Yank physician Dr. Sydney Gaynor.

"I am optimistic about his playing in the Series," said Dr. Gaynor. "But today there will be no batting practice just jogging around until we see how things stand."

Otherwise, the Yanks don't have a worry. As they finished operations, they gave a group of Cincinnati spies a preview of their strong pitching and Roger Maris' raw power in a 1-0 decision over the Boston Red Sox.

Maris' 61st homer of the year provided the only run. Bill Stafford, Hal Reniff and Luis Arroyo combined for the shutout. Stafford is slated to start the third game.

Reds' pitchers Jim O'Toole who is scheduled to start the first game against Whitey Ford, and Joey Jay, along with catcher Darrell Johnson and coach Jim Turner were on hand. They were sent on in advance.

Were they awed?

"We knew Maris could hit home runs," sniffed Johnson, who used to be the Yanks' third-string catcher. He is nursing a strained muscle in his side and there is a chance he may not be ready for the opener.

Coach Turner, who formerly held a like position with the Yanks, said he knows all he needs to know about them.

"I talked for a while with Yogi Berra," he cracked. "Now I know all their secrets."

Manager Fred Hutchinson, who pulled his ragamuffin outfit—picked to finish no better than fifth—into the championship, said his team is all ready with the possible exception of Johnson.

"We don't know about him, yet," said Hutchinson. "If he isn't ready, I haven't decided what I'll do. He can catch but we don't know if he can swing a bat. As for Maris, we know he can hit. But we also know you can't concentrate on him alone."

While Johnson is no Maris, he'll be missed if he still is ailing Wednesday. For one thing, he knows a lot about the Yanks, having toiled with the club for a stretch. For another, neither of his potential replacements, Jerry Zimmerman or John Edwards, poses any great worry to the Yanks.

The Yanks remained 12-5 favorites to win the Series. The last time the Reds won the National League pennant was in 1940. They went on to win the Series from the Detroit Tigers in seven games. The year before that, they also won the NL pennant, but dropped four in a row to the Yanks in the Series.

The first two games Wednesday and Thursday will be played here. Then there is a day off, the third, fourth and, if necessary, fifth games, will be played in Cincinnati's Crosley Field. If the Series is still undecided, the teams get another day off and it's back to New York for the sixth and seventh games.

After the O'Toole - Ford battle of left-handers in the opener, both managers Hutchinson and Houk will switch to right-handers for the second game. Jay will go for the Reds and Ralph Terry for the Yanks.

Clark Makes Diagnosis

Shotgun Is Old Spread

Former Detroit Lions' quarterback and coach Earl "Dutch" Clark, an All-America from Colorado College, saw nothing untouchable about the San Francisco "shotgun" offense yesterday.

"That offense is older than I am," Clark said, "it was especially used for passing patterns."

The 49ers however had great success running from it yesterday as they walloped the Lions, 49-0.

Often referred to as the short punt formation or the spread formation, Clark remembered the system as used most recently by a college team in the late '40's when Oklahoma A&M used it mainly for passing purposes.

The 49ers always had at least four receivers downfield yesterday and the quarterback was tough to reach as he moved laterally toward the sidelines on each play with the option of running or passing.

"Actually, it's hopeless for the Lions to try to get to the passer from the inside," Clark noted, "by the time the linemen or linebackers get through the quarterback is 15 or 20 yards away to the side. The best move would be keep the outside linebackers very wide. Joe Schmidt in the middle and a four man line could easily keep the inside bottled up for short gains," he added.

"San Francisco finally found the solution to the two quarterback system," Clark concluded, "they used three quarterbacks.

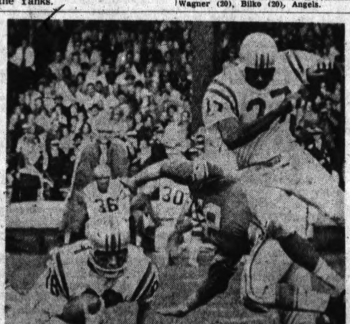
Billesdon Wins Pike Memorial

Andy Billesdon, southpaw pitcher for the Pontiac Merchants during the 1961 City Baseball League season, was awarded the 16th annual Billy Pike Memorial trophy over the weekend in the annual awards winner at Highland Manor.

The traveling trophy goes to the City League's most valuable player and the award was made by Eddie Hawley. Alex Billesdon, Andy's father, accepted the award in the absence of his son who is a student at the University of North Carodina.

In a new gesture by the Pike Memorial group, Hayes Jones' name was inscribed on the trophy, along with the words "1960 World Olympics. Jones was a guest of the group at the dinner.



AP Wirephoto

COMPLETION — End Clyde Conner (88) of the San Francisco 49ers clutches the ball after taking a pass from quarterback John Brodie in the 2nd quarter of the game against the Lions yesterday. R. C. Owens (27) takes Joe Schmidt out of the play. It was a five yard gain.

No Unbeatens Remain as Cards Nip Eagles

From Our Wire Services

There are no unbeaten teams left in the National Football League and the Eastern Division has a five-way tie for 1st place following Sunday's heated action.

The St. Louis Cards upset defending champion Philadelphia 30-27, Dallas fell before the Browns 25-7 and the 49ers breezed past Detroit 49-0 to take care of what had been the only perfect records left.

In other games, Green Bay's defending Western titlists overwhelmed Chicago 24-0, Baltimore edged Minnesota 34-33, New York defeated Washington 24-21 and Los Angeles beat Pittsburgh 24-14.

Gerry Perry's 27-yard field goal with five seconds remaining gave the Cards (2-1) a come-from-behind victory over the Eagles (2-1). A pair of TD flips by Sam Etcheverry brought St. Louis from behind in the second period and a 54-yard TD jaunt by Prentice Gautt tied it in the fourth before Perry's clincher.

The Browns (2-1) used a 7-yard touchdown bolt by Jimmy Brown, two field goals by Lou Groza and two scoring pitches from Milt Plum to Rich Kreitling to build up a commanding 25-0 lead before the Cowboys (2-1) were able to score. The previously potent Dallas offense was held to 152 yards over-all.

Bart Starr passed 18 yards to Boyd Dowler and 17 to Ron Kramer for touchdowns while Jim Taylor and Paul Hornung picked up valuable yardage on the ground for the Packers (2-1). Taylor shredded the Bears (1-2) line for 130 yards.

Steve Myhra booted a 52-yard field goal on the final play as the Colts (2-1) edged the Vikings (1-2). Lenny Moore scored four TDs for Baltimore, one on a 72-yard pass from Johnny Uita.

Y. A. Tittle pulled the Giants (2-1) ahead with a touchdown with 11 minutes remaining, scoring on a one-yard plunge that spoiled Washington's debut in new District of Columbia Stadium. Norm Snead passed for two Redskin (0-3) scores.

Ollie Matson and quarterback Frank Ryan collaborated on a 96-yard pass play that sent the Rams (1-2) in front to stay against the Steelers (0-3). Before the game ended a fight broke out with Los Angeles' Bill Jobko flooring John Henry Johnson and the Pittsburgh back retaliating by hitting Jobko on the head with a plastic goal marker.

Morey's Trimmed by Sunnybrook in Title Match

Sunnybrook's well-balanced team won the Michigan Publinx Golf League championship for the 3rd straight year Sunday with a 22-11 victory over Morey's No. 2 in their 18-hole title playoff at Indianwood Country Club.

Claude Dwight fired a three-under-par 69, John Kurach shot 72 and Jay Law carded 74 to score four-point sweeps for Sunnybrook, the Red Division winner.

Bill Curtis and Roy Iceberg each posted 75 and Charlie Barker rifled 78 to notch the best rounds for Morey's squad, the White Division victor.

Scheffing Makes Plans to Beat Yanks in 1962

DETROIT (AP) — Bob Scheffing plans to go right to work on building the Detroit Tigers into a team that can smash New York Yankee domination and win the 1962 pennant.

All Scheffing wants is a little improvement here and there for the Tigers who finished the season in second place yesterday with their 101st victory.

"I'm satisfied with our infield and outfield," said Scheffing by telephone last night from the St. Louis home of his parents. "We're going out after pitching help, especially in the bullpen."

The 101st triumph — an 8-3 conquest of the Minnesota Twins at Minneapolis-St. Paul — left the Tigers match the highest victory total in their 61-year history. Mickey Cochrane's 1934 pennant winners also won 101 games, but did it in a 154-game schedule. Scheffin's 1961 Tigers won 101 in 162 decisions.

★ ★ ★

Scheffing was quite pleased with the hard core of his team — Norm Cash, Rocky Colavito, Al Kaline, Frank Lary, Jake Wood, all had excellent seasons. And Cash, Kaline, Wood and Lary led the American Leage in several batting and pitching categories.

"We've got no definite trades on the fire now," Scheffing told the Associated Press over the phone. "But we're going to see what we can get. That's why I'm going to the World Series."

Scheffing said he'd love to obtain Ernie Banks, the Chicago Cubs' slugging shortstop. He was Scheffing's favorite when he managed the Cubs in his first job as a big league pilot.

"We haven't done anything about getting him so far," said Scheffing, who is signed to manage the Tigers the next two seasons. "The Cubs probably wouldn't let us have him, but we'll find out."

While the pennant is Scheffing's goal for next season, the manager admitted all he wanted to do was make the first division when he took over the Tiger reins last spring at Lakeland.

"I wanted us to try to finish in the first division and win more games than we lost — that was my goal," Scheffing recalled. "Later when we left Lakeland and got off to a good start, we thought we had a chance. And we did until that slump in early September. I never dreamt we'd win 101 games."

8 BEHIND

The Tigers finished with 40 more victories than losses and were eight games behind the Yankees at the end.

Scheffing, when he arrived at Lakeland, inherited a team that had finished a sad sixth in 1960. He had a question mark at first base in Cash. Kaline had had his worst year, batting .278. Colavito had been a disappointment in his first year with the Tigers. Don Mossi reported not knowing if he'd ever pitch again after hurting his arm.

Cash raised his batting average 74 points this season and won the batting title with a .361 average. He hit 41 home runs after hitting 18 the season before. He led the league in basehits with 193.

Vikings Win Harrier Meet

Berkley Runner 1st in All-County Event at Multi-Lakes

Walled Lake played the good host Saturday — for its own runners — in the Oakland County cross-country meet at Multi-Lakes Conservation Club.

★ ★ ★

The Vikings won the team championship although no Walled Lake harrier finished above seventh in the field of 75 starters.

Ron Telford of Berkley took over where former teammate Steve Meyer left off by winning the individual championship. Meyer, who was first last fall, has graduated.

Telford was timed in 10:33. As this was the first year the meet was run over the regulation two miles, the time will stand as a new record.

Trailing Tolford by two yards was Ed Davis of Southfield.

★ ★ ★

Walled Lake scored 62 points, Berkley 77, Southfield 100, Rochester 129, Farmington 135, Pontiac Central 176, Pontiac Northern 181, Birmingham Seaholm 197, Waterford Township 197, Bloomfield Hills 230, Orchard Lake St. Mary 273 and Waterford Kettering 282.

Injuries and illness hampered Seaholm's bid for a repeat championship.

There was no Class B competition this year because of a lack of entries.

Walled Lake also won the junior varsity meet with Farmington second and PCH third.

COUNTY MEET

1. Tolford, Berkley, 10:33; 2. Davis, Southfield; 3. Sloan, Rochester; 4. Fowlkes, PCH; 5. Altemus, Farmington; 6. Underwood, Berkley; 7. Lawson, Walled Lake; 8. Butler, Walled Lake; 9. Pengovich, Kettering; 10. Hefner, Southfield; 11. Smith, Walled Lake; 12. Twitchell, PNH; 13. Baitch, Southfield; 14. Matley, Berkley; 15. Smith, Bloomfield Hills.

Dorow Leads Titan Win

San Diego, New York Lead AFL Divisions

By The Associated Press

San Diego's Chargers and New York's Titans hold clear-cut leads over the respective divisions of the American Football League because the Chargers are versatile and the Titans have old Al Dorow.

San Diego continued as the only undefeated team in the league last weekend but the Chargers had to rely on their defense and kicking to beat stubborn Buffalo 19-11. It left them at the top of the Western Division with a 4-0 record.

New York moved into the undisputed lead in the Eastern Division with a 37-30 heart-tugger over Boston. When the chips were down the 29-year-old Dorow stepped in to fling a pass that broke a 30-30 tie and give the Titans the important decision.

New York's record is 3-1 and Boston, in second place, is 2-2.

Dallas strengthened its second-place position in the West when it beat Houston 26-21 and showed just how valuable Abner Haynes is to the Texans' attack.

Haynes had been on the ailing list while Dallas slumped, taking a licking from San Diego and being pressed to the limit by down-trodden Oakland. But he returned to full-time duty Sunday and led Dallas to its very necessary victory over Houston.

Dallas, with Jack Spikes running for 144 yards and Haynes for 117, set a league one-game rushing record of 398 yards.

Oakland won its first game of the championship race Sunday when it whipped Denver 33-19. It was a continuation of the move back that started in the Dallas game. Oakland had lost two and had 99 points scored against it before snapping out of the doldrums.

George Fleming kicked a 54-yard field goal for Oakland, league record. George Blanda of Houston set the record with a 53-yarder against Buffalo last year.

Oakland and New York are idle next weekend. San Diego will be at Boston Saturday night. Sunday Dallas goes to Denver and Buffalo to Houston.

New Man Faces 'Suicide'-Dykes

CLEVELAND (AP) — Jimmie Dykes, fired as manager of the Cleveland Indians, says the man who will be named today to pilot the club next year faces "suicide."

Dykes, given his pink slip by General Manager Gabe Paul Sunday just before the Indians' season finale in Los Angeles, said the new manager's job will be "murder because there are too many lawyers on the club."

Cleveland coach Mel McGaha has been rumored as the most likely choice and Paul has said "there will be no surprises" at the news conference.

★ ★ ★

Referring to the "lawyers" on the club, Dykes added: "They've got to get rid of some of them, but who's gonna take 'em? Besides, the team needs a big rebuilding job. They need a first baseman and a second baseman. And if they get rid of (Jim) Piersall they'll need a center fielder."

"I'll never manage again," said Dykes. "I think I may be able to stay in baseball, either as a coach or radio anouncer."

from ages 18 to 52. Prepare now for U. S. Civil Service job openings in this area during the next 12 months.

Government positions pay as high as $446.00 a month to start. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience.

But to get one of these jobs, you must pass a test. The competition is keen and in some cases only one out of five pass.

Lincoln Service helps thousands prepare for these tests every year. It is one of the largest and oldest privately owned schools of its kind and is not connected with the Government.

For FREE information on Government jobs, including list of positions and salaries, fill out coupon and mail at once—TODAY. You will also get full details on how you can qualify yourself to pass these tests.

Don't delay—Act NOW!

LINCOLN SERVICE, Dept. 91
Pekin, Illinois

I am very much interested. Please send me absolutely FREE (1) A list of U. S. Government positions and salaries; (2) Information on how to qualify for a U. S. Government Job.

Michigan Fans Aglow Over Wolverines' Big Start

'M' Grid Display Sharp in Ripping Uclans, 29-6

Offensive Attack Most Versatile at Michigan in Many Years

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

ANN ARBOR — Football fans of the University of Michigan be happy! Whether or not the Wolverines are as good as their 29-6 UCLA Saturday made them appear to be remains to be seen.

One thing was certain. The U. of M. team put on a razzle-dazzle offensive display which Michigan fans may have to go back to the late 40's to recall.

The Wolverine line tore up UCLA awsomely. With Dave Raimey and Bennie McRae sweeping outside on spinners, reverses and tricky handoffs, and Bill Tunicliff pushing his 200 pounds of power through the middle, Michiagn played its sharpest opening game in at least 10 years.

Pre-season forecasts boomed UCLA as the best on the coast and one publication called the Uclans the best team in the country.

★ ★ ★

Michigan didn't even break a sweat on the warm afternoon at Ann Arbor, but coach Bump Elliott doesn't agree with all the optimism that the Wolverines are as good as they were. "Our ends did a good job in blocking for our outside game, but I don't think we're that strong," Elliott commented.

UCLA coach Bill Barnes disagreed vehemently. "I figured they would be tough," he said, "but they have even more power and speed than I could have imagined."

Ten Oakland county gridders got into the game as Elliott cleared the bench. Ex-Walled Lake ace John Walker played a great game as middle linebacker and Tunnicliffe, former Ferndale St. James star, supplied the power on offense.

★ ★ ★

Denis Alix of West Bloomfield was the 4th quarterback to get into the game, while Bob Lovell of Birmingham saw action as the third tackle on one side.

Michigan made it 13-0 before the first quarter. Taking advantage of a bad UCLA quick-kick by Keith Jensen, Michigan drove 38 yards in seven running plays for its first touchdown. Raimey and McRae ripped big yardage outside while Tunnicliff barreled through the middle to get the ball within touchdown distance.

Tunnicliff smashed over center from the one and the rout was on. The second Wolverine touchdown came in three plays as Michigan went into the end zone with Raimey slithering the final 20 yards and diving across the goal line.

★ ★ ★

Doug Bickle, a sure-footed sophomore, booted a 29-yard field goal in the second quarter when Michigan's drive stalled after traveling 64 yards to the Uclan 12.

McRae's four-yard run around right end in the third quarter produced another Wolverine touchdown. Ken Tureaud closed out the scoring as he grabbed Bob Smith's fourth down pass on the Michigan 8 and raced 92 yards up field into the end zone.

McRae was Michigan's big yardmaker, totaling 74 yards in 12 carries. Raimey carried 59 on eight rushes while Tunnicliff made 58 yards in 11 attempts.

Michigan outgained the Uclans on the ground 227 to 114. Of the Bruins' ground total, all but 29 were gained in the second half as coach Elliott made free use of the Wolverine bench.

Welterweight King Looks to Europe

NEW YORK (AP) — Welterweight champion Benny (Kid) Paret is looking toward Europe and a series of non-title bouts today while Emile Griffith, the dethroned champ, is screaming for a rematch.

Asked if he would give Griffith another chance, Paret's manager, Manuel Alfaro, was most emphatic.

"No place, no time, no how."

"When we had the title last time they didn't give us a chance to make any money," Alfaro went on. "Now we are going to make some."

Alfaro said he had a $30,000 offer to fight Duilio Loi of Milan in Italy and a $25,000 offer to box Brian Curvis in London in over-the-weight matches before he thought of a defense.

International Flavor

NEW YORK (AP)—The Jersey City franchise will be shifted to Jacksonville, Fla., at a meeting of the International Baseball League here today, The Associated Press learned.

★ ★ ★

Satisfied Spartans Await Stanford

EAST LANSING (AP) — The Michigan State football forces are looking back with satisfaction to Wisconsin and forward with concern to Stanford.

"The best opening game we've had in years," was Coach Duffy Daugherty's summing up of the 20-0 win over Wisconsin.

The Spartans now briefly on top of the Big 10 standings, won't be resting on their laurels, however. Not with Stanford, a 34-0 winner over Oregon State as the opponent here this Saturday.

"I was surprised and amazed by the score," Daugherty admitted. "Once again it looks as if we'll have to stop a fine passing attack. We can't afford to look past Stanford to Michigan."

Michigan State's own passing attack will get a going over this week. The Spartan quarterbacks didn't complete a single throw during the game at Madison.

Not that Michigan State needed to pass. The crushing running game was good for a touchdown in each of the first three periods and the hard-nosed defenders, led by team captain Rocky Ryan, threw back Wisconsin every time the Badgers neared the MSU goal line.

Although 11 backs shared in grinding out the yardage, the fullbacks did all the scoring. Junior George Saimes scored twice, once from three yards out and the other time on a spectacular 24-yard broken field run. Senior Ron Hatcher threw himself over from the one for the other touchdown.

Saimes led the offense by grinding out 94 of the 330 yards Michigan State made on rushing. But everyone in the backfield got into the act, including sophomores Sherman Lewis and Dewey Lincoln with 48 and 39 yards. Wisconsin, led by quarterback Ron Miller, picked up 184 yards passing.

"But we kept them from throwing the long bomb—the scoring touchdown," said Daugherty wit' satisfaction.

AP Photofax

ALL IN VAIN — Michigan end Jim Korowin (83) is sent flying by halfback Rob Smith (16) of UCLA in the first quarter. Korowin managed to hang onto the ball after a 10-yard pass completion but it was all in vain as the play was called back and the Wolverines were penalized 15 yards for illegal use of the hands.

State Colleges Have Road Trouble

By The Associated Press

Several of Michigan's small college football teams went on out-of-state visits over the weekend and got the tar kicked out of them. And most of those who entertained out-of-state visitors in Michigan also got clobbered.

For example, Bradley took Northern Michigan 14-8, Wittenberg of Ohio steamrollered Alma 43-0, Wheaton (Ill.) overpowered Hope 20-0, Southern Illinois clipped Central Michigan 18-0, St. Norbert (Wis.) beat Ferris Institute 35-7, and Western Illinois chewed up Eastern Michigan 43-0.

On the other hand, Western Michigan edged Miami of Ohio 6-3 and Michigan Tech overpowered St. Cloud (Minn.) 20-6.

In all-Michigan games, Albion beat Kalamazoo 15-0 and Olivet edged Adrian 9-0.

★ ★ ★

The Bradley-Northern Michigan contest was scoreless the first three quarters. But Bradley capitalized on two Northern mistakes in the fourth quarter to win.

Bradley got its first break when Northern was in fourth down position on its own 25. Center Jerry Goerlitz snapped the ball back over Jim Trenton's head. Trenton managed to down the ball on the four but then Bradley took over and three plays later Havard Gorden went over from the one.

A few minutes later, with Bradley on its own 33, Trenton punted on fourth down. His kick was deflected and Bob Berry caught it on the 29. Dean Meffort later scored on a sneak from the one.

Northern's only tally came on a quarterback sneak by Frank Novak with six seconds left to play.

At Macomb, Ill., Western Illinois halfback Leroy Jackson scored three douchdowns in his team's stunning shutout of Eastern Michigan. It was the first Interstate Intercollegiate Athletic Conference football match for both squads. Eastern was hampered by fumbles and only once reached the opposition's 10-yard line.

In another IIAC match at Carbondale, Ill., Southern Illinois' easy victory over Central Michigan enabled SIU to tie a conference record with its 11th straight conference win. Central set the record in the 1952-53 seasons.

★ ★ ★

The Chippewas made only two first downs, both on penalties, and gained just 17 yards rushing and 6 passing. The Salukis had 201 yards rushing and 134 passing.

St. Norbert's five touchdowns against visiting Ferris all were scored by different men. Ferris' sole tally came in the third quarter on Jerry Falor's six yard run.

Albert Haris scored two second quarter touchdowns — both on 6-yard runs — for visiting Wheaton against Hope.

★ ★ ★

At Alma, Wittenberg University held a 14-0 lead at the half and then romped for 29 additional points. The winners overpowered Alma on the ground, 128 yards to 6. But Alma connected for 76 yards through the air, compared to Wittenberg's 64.

Jack Bolt scored two touchdowns for Michigan Tech against visiting St. Cloud. Bolt got the first on a four-yard run in the first quarter and the second on a 30-yard run in the third quarter of the Northern State conference game. Les Lyons scored Tech's other tally.

In a Mid-American conference game at Kalamazoo, Western Michigan's victory was its first over Miami since 1943. Western trailed 3-0 at the half, but Alex Forge drove over from the three-yard line in the last period to put Western ahead. The tally came after a 63-yard Bronco drive.

Olivet marked its MIAA opener with its victory over Adrian. Chuck Cilibraise scored the sole Olivet touchdown.

In another MIAA game, Albion picked up seven points in the second on a touchdown and a kick and eight more points in the fourth on a touchdown and a pass for a two-point conversion while holding Kalamazoo scoreless.

Several Football Powers Added to Defeat Column

By The Associated Press

It will be another month yet before Iowa and Mississippi realize their moment of truth in college football, unless...

Unless the roof falls in on them as it did to Ohio State, Rice, Penn State and UCLA, to name four, last weekend.

The two powerhouses, ranked 1-2 nationally in The Associated Press' poll, may make it unscathed until Nov. 4, when both face their toughest opponents of the year, Ohio State and Louisiana State, respectively.

The Hawkeyes, who made Coach Jerry Burns debut last Saturday a success by beating California 28-7, play Southern California this weekend.

Mississippi, with two straight victories, and 17 games in an unbeaten string, takes on Florida State. Ole Miss had to work for a 20-7 victory over Kentucky last Saturday night.

In between Southern Cal and Ohio State, Iowa faces Big Ten foes Indiana, Wisconsin and Purdue while Ole Miss must tackle Houston, Tulane and Vanderbilt before playing LSU.

Ohio State, though, had it's thoughts of a perfect season jolted by upset-maker Texas Christian, which held the favored Buckeyes to a 7-7 tie. Last week, TCU upset Kansas 17-16, and now challenges Texas for Southwest Conference supremacy. Those two don't meet till late in November.

Rice, another of the so-called SWC elite, ran right into Georgia Tech's up-and-coming buzzsaw that mowed 'em down 24-0 while UCLA, the pride of the West Coast's Big Five, got ambushed by Michigan 29-6.

Coupled with Penn State's Friday night loss, the nation's top 10 teams are in a rather bedraggled

However, Saturday is another day and Ohio State gets a chance to catch the Uclans still down. Penn State takes on Boston University, a 31-7 loser to Army last Saturday, on Friday night. Rice is idle.

Some of the big boys made out better. Alabama, which now contends with Ole Miss and Georgia Tech for Southeastern Conference honors, beat Tulane 9-0 and plays Vanderbilt this week. Fifth-ranked Syracuse scored 29-14 over West Virginia, which hasn't won a game in 18 starts, and will have a little more competition this week from Maryland.

Texas continued going strong, walloping Texas Tech 42-14 and meets Washington State on Saturday. Michigan State, No. 10, atop the Big Ten after beating Wisconsin 20-0, will find out if Stanford is for real. The Indians, after an all-losing season in 1960, won their second last Saturday, upending Oregon State 34-0.

Notre Dame convinced everyone it wasn't kidding with its 19-6 beating of Oklahoma, and Navy may not be as dead as many think after beating William & Mary 44-6.

Kansas, tabbed a power before the season, still hasn't won in two starts, after tying Wyoming, the Skyline's top-dog, 6-6. Baylor will have something to say in the upcoming Southwest Conference race after winning its second in a row, 16-13 over Pitt.

And Virginia had its one-game winning streak snapped—but how —42-0 by Duke.

Clarkston Pilot Captures Heat in Miss USI

MADISON, Ind. (UPI) — Eight giant speedboats rocked gently in the Ohio River today, waiting for a delayed afternoon windup of the unlimited hydroplane racing season in the unlucky 14th Madison Regatta.

Driver Jim Clark, 30 of Gibraltar, Mich., was injured fatally Saturday when his 266-cubic-inch hydroplane disintegrated in a race supplemental to the contest for the Gold Cup boats. Clark was charing directly into the setting sun when his boat slapped the choppy river and fell apart. He died yesterday.

Clark's death was the second in a major regatta in the last month.

Rain and mist yesterday forced postponement of the finish of the Governor's Cup race for the unlimiteds, although deciding heats were raced in smaller hydro classes. Two more elimination heats and finals for the governor's cup were rescheduled this afternoon.

Saturday's heats for the unlimiteds were won by Bill Muncey of Seattle in Miss Century 21, which already has clinched the national championship this year; Miss Bardahl, another Seattle boat driven by Don Musson of Akron, Ohio, and Miss U.S.I., a two-time former Madison winner driven by Roy Duby of Clarkston, Mich.

Moss Breaks Lotus Mark at Waterford Race Track

By DON VOGEL

Stirling Moss put a crimp in plans of road racing enthusiasts who are thinking about using a sports car with the motor mounted up front.

"The trend is even more pronounced toward engines mounted in the rear," the Englishman said Sunday at the Waterford Hills road racing track.

★ ★ ★

"Mounting the engine in the rear gives the car better lines up front and it can be built lower to the ground. This gives the car more stability on the curves and additional overall speed."

The 30-year-old Moss has won 16 major road racing championships. He was at the Waterford track to give a driving demonstration between races of the Oakland County Sportsmen's Road Racing Club's fall program.

He climbed into a Lotus Elite fresh from a dealer's showroom and proceeded to break the one lap time for that make of car. The balding champion made seven turns around the one and a half mile layout.

His best clocking was 1:35.5, three tenths of a second faster than any other Lotus had been driven around the many-curved course. The car Moss was piloting was not modified for racing nor did it contain road event tires or other equipment.

★ ★ ★

When asked what he thought about the track, Moss said:

"It is difficult to form a definite opinion because I took so few laps. It has a couple of difficult curves that are easy for the professional driver, but could be trouble for some of the amateurs competing here.

"If I had an opportunity to drive here two or three times I could make a better evaluation."

He did feel, however, that the course "is very good for learning" to drive in road race events.

★ ★ ★

"Although it isn't as difficult as major courses, this facility contains the same driving hazards, in a modified form, as the larger ones. It would be much easier for a driver who has gained experience on this course to compete in the bigger road races."

Glenn Baldwin of Birmingham, driving a Lotus XVII, was victorious in the H-Production class of the feature race for modified cars.

Pontiac Press Photo

GREETS CHAMPION — Frank Lawrence (left) of the Oakland County Sportsmen's Club, greets Stirling Moss on his arrival Sunday at the Waterford Hills track. Moss, from England, has won most of the world's major road racing championships at least once.

Grand Rapids Battles Columbus to 7-7 Tie

GRAND RAPIDS (AP) — The only undefeated teams in the United Football League, the Columbus, Ohio, Colts and Grand Rapids Shamrocks, battled to a 7-7 tie here last night.

Columbus is the leader in the eastern division while Grand Rapids leads the western circuit.

After a 67-yard Colts' drive in the third period, Harold Ward plunged over from the five for the touchdown. Charles Comer kicked the extra point.

Grand Rapids rebounded on quarterback Jack Moynihan's 67 yard touchdown run. Jarv Wals kicked the extra point.

St. Michael Runs All Over St. Fred, 63-6

Shamrocks Set New Point High in City Romp

Our Lady of the Lakes, Eaglets and Emmanuel Also Take Beatings

By CHUCK ABAIR

Sunday may have been a long, long day for fans of the Detroit Lions but it was even worse than that for St. Frederick followers. The only edge the Rams had was that they scored.

A sign posted at the very top of the St. Michael stands urged the Shamrocks to "Smear The Rams" and they did so with plenty to spare. The final tally was 63-6.

The humiliating setback broke several records in the 27-year-old city parochial series, ruined homecoming for the Red and Black, continued the recent domination of the Big Blue and kept the Mikes unbeaten in Suburban Catholic play.

Coach Jim Niebauer's team now shares 2nd place with St. Rita. St. Clement went ahead with 3-0 by trouncing Royal Oak St. Mary 19-5 while Rita was ruining Orchard Lake St. Mary's perfect record in a 32-7 blasting. Our Lady of the Lakes kept losing dropping a 20-0 home verdict to St. James.

* * *

Emmanuel Christian, Dondero and Shrine of Royal Oak and Farmington Our Lady were other weekend losers. Lamphere blanked Huron, 12-0.

St. Michael scored the highest total either team had made in the history of the games and it was the most lopsided decision. The Shamrocks now have a 16-8 edge while three have been ties. They captured another Steve Griffin trophy by winning for the 3rd straight year.

There was never any doubt about the final outcome with the Blue and White backs having no trouble running against hapless looking opponent.

* * *

Larry Sonnenberg, Gary Hintz, and Bill Harding each garnered two touchdowns to lead the way. Dave Hustosky, a center, kicked six straight extra points before his leg got tired from booting placements and kicking off. He even passed for a PAT.

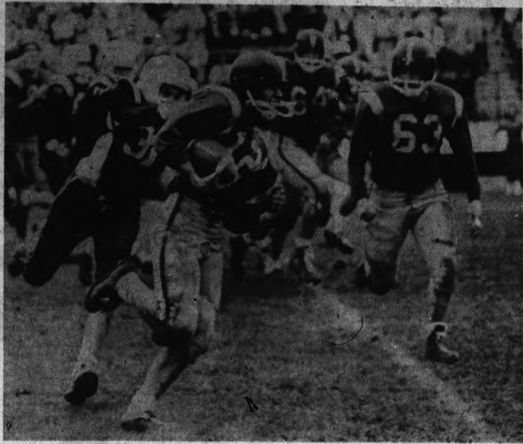
St. Fred fans had little chance to cheer but they stayed until the bitter end. Jim Sears gave them a happy moment when he broke the shutout by grabbing up a fumble and going 40 yards. The Rams got one 1st down, no yards rushing and did little blocking. Little 110-pound Joe Doyan turned in some of the best SF tackles. The only other bright spot was the punting of Charley Dean.

St. Rita took a 19-7 lead and coasted along the rest of the way with Ed Sloan getting off two long punt returns. Walt Smela scored for the Eaglets on a 60-yard pass play with Jerry Mijal doing the throwing.

* * *

Emmanuel took a 30-0 licking at the hands of Flint St. Mary getting behind 12-0 early. Dondero missed two good chances to score in a 6-0 defeat to Wyandotte. Redford St. Mary took Shrine 13-6 and OLS was a 67-0 victim which should make St. Fred feel good.

Ron Beeman scored on runs of four and six yards in a Central Suburban triumph for Lamphere.



Pontiac Press Photo

FAMILIAR SCENE — Jerry Martin gets away for one of the many long gains for St. Michael in the 4th quarter of a 63-6 Shamrock drubbing of St. Fred at Wisner Stadium yesterday. Ram Tom Snitchler is grabbing him from behind while Pat O'Shea (63) and Dave Hustosky (64) start over to help the runner.

Pontiac Press Photo

EASY DOES IT — Shamrock Dick Ghastin runs away from everybody in a 2nd period dash against St. Fred. He helped spark an easy victory which was the 11th in the last 12 meetings between the schools.

Long Run Beats Mikes

Waterford Our Lady of the Lakes scored an 8-0 victory over St. Michael Saturday in a CYO grade school football game at Madison Junior High. Mike Comps returned a punt 60 yards for a touchdown in the 3rd quarter for the game's lone TD. The winners scored a safety in the 2nd period.

Big Ten Votes to Negotiate New Bowl Pact

CHICAGO (AP)—The Big Ten wants another Rose Bowl football contract and has voted in favor of negotiating with the Athletic Association of Western Universities.

Minnesota, defeated 17-7 by Washington last New Year's Day, cast the deciding ballot Sunday for a 6-4 majority in favor of a tie-up with the Big Five of the West Coast.

* * *

The measure will now be reviewed by each individual school and a final vote, considered to be a formality, will be taken at the Big Ten winter meetings in Chicago Dec. 7-9.

American League Club Turns Down Piersall

LOS ANGELES (AP) — The Cleveland Indians have offered to trade their eccentric centerfielder, Jimmy Piersall, to another American League club, and have been turned down.

* * *

Sources close to the Cleveland team—and Piersall himself—have indicated to The Associated Press that similar trade overtures may be made to other clubs before the 1962 season.

Barnum 'Slams' Golf in Michigan

Gains State PGA Title at St. Clair; Bone Is Tourney Runnerup

ST. CLAIR — John Barnum, who will turn 50 this Friday, gave himself an early birthday present Sunday by winning the one-day Michigan PGA championship and completing a slam of state golf titles this year.

The greying Grand Rapids pro fired rounds of 71-67 for a six-under-par 138 for 36 holes to finish four strokes ahead of Pontiac's Gene Bone, his nearest competitor, at 72-70—142.

It was Barnum's third State PGA crown and goes on the shelf along with two other major titles he won this year — the Michigan Open and Western Michigan PGA.

Barnum birdied three holes in the morning round over a cold and windy St. Clair River Country Club course and chipped brilliantly in the afternoon to record six birdies on the final 18.

"I played as well this afternoon as I have played all summer," Barnum said jubilantly following his victory yesterday. He immediately announced plans to join the autumn pro golf tour in sunnier climes.

Barnum's victory netted him $600 first place money. Bone, of Warwick Hills, earned $400 and three others — Dick Bury of Lochmoor, Wally Burkemo of Franklin Hills and Glenn Stuart —divided $250 third place money for tying at 144. Bury and Burkemo had identical rounds of 75-69 while Stuart had 71-73.

Tied at 146 were Bill Markham, Saginaw, 73-73; Mac McElmurry, Knollwood, 73-73; and Alex Redmond, Red Run, 72-74.

Max Evans, Utica's veteran pro, and host pro Don Perne had 147 totals. Evans shot rounds of 72-75 and Perne had 73-74.

Darlene Wins Tourney

BERKELEY, Calif. (AP)—Antonio Palafox of Mexico City and Darlene Hard of Montebello, Calif. are respective winners of the men's and women's singles titles of the Pacific Coast Tennis Championships.

Public Will Make Its Demands

Schools Must Change--but How?

By LESLIE J. NASON, Ed.D
Professor of Education
University of Southern California

Are the schools trying to be all things to all people? Sometimes it sounds this way when the so-called "frills" of modern education are discussed.

Among advocates of the "return to the 3-Rs" idea, nothing ranks higher than the nonacademic activity as a thing to distrust.

Music, drama, driver education, teen-age grooming, and most shop courses have had their share of bitter condemnation.

But we live in a changing world. Most of the changes that have brought nonacademic subjects into our school curriculum date from the first compulsory-attendance laws. These laws were, themselves, the product of change in our society. The laws were designed at least as much to keep children out of the labor market as to increase their education.

DR. NASON

The drastic increase in the rate of change for our whole society dates from about the same time. Inventions and advancement in the fields of communications, technology and transportation ushered in a whole new age along with the 20th century.

* * *

Changes in our schools simply reflect these changes.

The laws which forced children to remain in school until they had either graduated from high school or reached some maximum age, which might vary from 14 to 16 years, posed real problems for schools.

* * *

Children who had given up and quit school after three or four years of fruitless effort were now held in place by the new laws.

PROBLEM DEVELOPES

The schools at first held these children at grade level, or passed them to a higher grade only after they had mastered the work of the grade. Soon it was common to find broad age-spreads in the lower grades. One could hardly be surprised when 15-year-old third graders became quite a problem.

Then the schools changed. They began a policy of age promotion. At least it kept age groups together. It also took some of the emotional pressure off the unsuccessful student whose nose was being rubbed in his obvious failure.

Other things were changing, too. Movies, radio, automobiles and good roads were opening new horizons. The world was changing and it soon became obvious that many things which had been good enough" were going to be "good enough" no longer.

As the phonograph and radio brought good music within reach of everyone, musical tastes changed. By public demand the music programs in the schools were improved and extended.

* * *

As motion pictures began to give glimpses of newer, more glamorous ways of living, ways of living changed—radically! New standards of dress, housing, sanitation, diet, grooming and behavior crept across our land—and right into our schools.

As the tractor and milking machine replaced the horse and hired hand, as machines replaced muscle, new skills were needed. Skills that couldn't always be learned by working alongside father. Legislation brought shop and business courses to help fill the need.

PUBLIC DEMAND GROWS

The ever-expanding use of automobiles, the quickening economy that made them available to teenagers, led to results you know about.

Our lawmakers were bowing to public demand when they set up programs of driver education in the schools.

Where are the 3Rs? They are still there, still filling the needs of students.

* * *

The schools are designed to meet the demands of the community. They've changed, yes, but it was the community that changed them.

The schools will change still more, just how we can't be sure. But they will change—because we are still in a changing world.

(You may write Dr. Nason in care of this paper, though he will be able to discuss only questions of general interest in this column.)

Allergic reaction to milk is now strongly suspected as a cause of ulcerative colitis.

Western Pacific Prize

Rail Battle in 2nd Round

SAN FRANCISCO (UPI) — The Interstate Commerce Commission today began the second round of hearings in the Western Pacific case.

* * *

Two railroad giants, the Sante Fe and Southern Pacific, are battling each other bitterly for permission to obtain stock control of the Western Pacific.

ICC examiner Paul C. Albus set most of October to hear cross-examination of Santa Fe and Southern Pacific witnesses. They first appeared last summer when the rival companies presented their main cases.

The battle began last Oct. 12 when Southern Pacific announced purchase of 10 per cent of Western Pacific's stock. Santa Fe, a long-time ally of Western Pacific, bought 20 per cent in the following two weeks.

In the summer hearings, Southern Pacific President Donald J. Russell explained that his railroad wanted Western Pacific so some facilities of the two lines could be consolidated.

Southern Pacific proposed 18 consolidation projects which eventually would produce annual savings of $6.2 million through elimination of tracks and about 500 jobs.

* * *

In the face of tough competition from truckers, Russell argued that the railroad industry can maintain economic health only by economizing.

Plan 2nd Night for CD Class

Waterford Twp. Course So Popular, Schedule New Thursday Session

Because of the overwhelming results of a new civil defense course set up in Waterford Township, two nights a week have been scheduled rather than one, according to Mrs. William Amann, coordinator.

* * *

On the opening night, Sept. 19, about 180 people enrolled for the 13-week course. The following week many students brought their friends, swelling the class enrollment to almost 200, Mrs. Amann said.

The new Thursday night classes will be held at 8 p.m. at John Pierce Junior High School.

* * *

With the first two weeks completed, the third lesson will be instructions on fractures and transportation and the fourth, artificial respiration. The fifth, shock and burns, will be taught by a local doctor.

The sixth lesson will involve psychological first aid, home protection and fallout shelter. The seventh week will feature emergency birth, or care of babies born during disaster.

The eighth week will deal with radiation, fallout and biological and chemical warfare.

HYPODERMIC TECHNIQUES

The ninth lesson will teach hypodermic and blood-pressure techniques; 10th, intravenous training; 11th, contagious or isolation techniques along with emergency sanitation.

* * *

The 12th lesson will teach students how to deal with Communism and recognize it. The 13th lesson will be field exercises with an emergency hospital set-up in one of the schools.

Lessons are taught by registered nurses. Every class session will feature an instructive movie on nuclear warfare.

* * *

At the end of this civil defense program, another will be started the first of the year, Mrs. Amann said. For information, call the civil defense headquarters, Waterford Township hall.

Ex-London Doctor to Tell of Socialized Medicine

Personal experiences in British socialized medicine will be retold by a former London doctor at the Thursday meeting of the Oakland County Medical Society at Kingsley Inn.

* * *

Dr. Roger V. Pierson, who came to the United States in 1958 and is now a member of the Pontiac State Hospital staff, will speak following a 6 p.m. social hour and dinner.

Many Secrets Behind Long Lives in Hunza

NEW YORK (AP)—In the state of Hunza in northwestern Kashmir live the Hunzakuts, and they usually live to be from 80 to 110 years old.

They show no signs of senility, heart disease is almost nonexistent, and cancer is rare.

Dr. J. Milton Hoffman of Mount Vernon, N.Y., president of the National Geriatrics Society, spent four weeks in Hunza trying to find out the Hunzakuts' secret of long life. He returned by plane Sunday indicating that it is probably not one secret but many.

OUTDOORS ALL DAY

The Hunzakuts are farmers who work outdoors all day at an altitude of 8,000 feet, tilling unusually rich soil, and they drink plenty of water which appears rich in minerals.

Their diet contains little meat, and their main dish is apricots.

They use very little tobacco, and use wine only for medicinal purposes.

They go to bed when it gets dark, and get plenty of rest.

During the day they preach and practice brotherly love—and are completely noncompetitive.

Missing Man's Body Found in Waterford

The body of a Detroit man, Joseph Dorascavage, 61, was found yesterday in a wooded area about 1,000 feet from the Michigan State Police Pontiac Post, 1295 N. Telegraph Road, Waterford Township.

Oakland County Deputy Coroner Dr. Robert Buehrig, of Clarkston, said he had been dead for several months and death was due to natural causes.

Dorascavage, of 7851 Klein, reported missing in July, had been located and brought to the post July 20. Troopers said the last time they saw him he was waiting for a ride home.

* * *

They theorized that he wandered from the post into the wooded area.

Is Change-of-Life Making You Only Half a Woman?

Too tense, too tired to be a real companion to your husband?

Special women's medicine can relieve "hot flashes", weakness, nervousness ...then you can enjoy life fully again! Has change-of-life left you so weak you feel only "half" alive? Suffocated by "hot flashes", constantly tense ... so you can't be an affectionate wife and mother?

Don't despair! Lydia Pinkham's Compound can relieve both tension and physical distress! In doctor's tests, Pinkham's gave dramatic help—without costly shots!

Irritability is soothed. "Hot flashes" subside. Then most women can go "smiling through" change-of-life, without suffering!

If change-of-life has left you only "half" a woman, get Lydia E. Pinkham's Vegetable Compound from druggists. See how fast you can feel "all woman" again!

SLEEP 8 HOURS—WAKE UP TIRED? When due to simple iron-deficiency anemia, take Pinkham Tablets. Rich in iron, they start to strengthen your blood in one day!

Gaming Devices Cost White Lake Inn $50 Fine

Oxbow Inn, White Lake Township, has been fined $50 by the Liquor Control Commission on a charge of having gambling devices on the premises.

* * *

Charged was owner John J. Kelley, 9600 Elizabeth Lake Road, Union Lake. The fine was waived at the hearing held in Lincoln Park.

Man of War Cay in the Abaco Islands of the Bahamas is the center of the shipbuilding industry in the Bahamas. Ships are built by methods handed down through the generations.

More Refugees Jam Shelter in Katanga

ELISABETHVILLE, Katanga (AP)—Hundreds of refugees carrying household possessions poured into the already overcrowded U.N. refugee camp here Sunday after an outbreak of tribal fighting in Elisabethville's African quarter.

The U.N. camp now houses more than 30,000 African refugees who have left their homes in Elisabethville through fear of intertribal troubles.

Ceramic-face glass blocks, with color which can't chip or peel, are now available in bright colors for the home.

Prospects Dim for Fast End to Maritime Strike

SAN FRANCISCO (AP)—Prospects remained dim today for early settlement of the West Coast shipping strike that has tied up at least 15 ships here and 10 more in other ports.

* * *

"We're ready for a long strike if necessary," said Capt. Robert Durkin, president of the Masters, Mates and Pilots Union.

J. Paul St. Sure, head of the Pacific Maritime Association, said the shipowners have nothing to discuss with the union.

* * *

A union official predicted that if the contract dispute lasted a month, some 70 ships could be affected.

Milford Man's Body Found in Car on Trail

The body of a 40-year-old Milford man was found in a car parked on a woodland trail in the Highland Recreation Area Saturday by a passing hunter exercising his dog.

* * *

Allan D. Barns of 862 Squire Lane was pronounced dead due to carbon monoxide poisoning. A hose had been run from the car's exhaust pipe through the floor boards of the sealed car, sheriff's deputies said.

William Decker of 605 Summit St., Milford, found the body.

Says Should Consider Recognizing E. Germany

WASHINGTON (UPI) — Sen. Edmund S. Muskie, D-Maine, said Sunday the United States should consider the possibility of giving de facto recognition to East Germany.

But Muskie said consideration should be given to the proposal "under terms which would not prejudice the question of reunification" of the two Germanys.

Cites Attack Strategy

SAIGON, South Viet Nam (AP) —The rebel attack in South Viet Nam is no longer guerrilla warfare but a Communist attempt to win a strategic victory in Southeast Asia, President Ngo Dinh Diem said today.

Reds in China Mark 12th Year

Peiping Paper Reminds People of Hard Times, Temporary Setbacks

TOKYO (AP) — China celebrated the 12th anniversary of Communist rule with fireworks, singing and dancing in a "sea of joy, a colored fairyland," radio Peiping said today.

But a somber note was sounded by the Peiping People's Daily which reminded the people of hard times and what it called temporary setbacks "arising in the course of our advance."

"The reduction in the output of grain, industrial crops and subsidiary rural products has affected the production of both light and heavy industry, and consequently commodity supplies and the people's livelihood," said the official Chinese Communist party newspaper.

Red China's party leader Mao Tze-tung and government officials reviewed a parade Sunday of more than a half million people in Peiping where the main rally was held, Peiping broadcasts said. Among the foreign dignitaries on the rostrum was President Osvaldo Dorticos of Cuba.

The Soviet Union sent a second-level team to the observance but Mayor Peng Chen, of Peiping, the keynote speaker, stressed that Red China is united "by unbreakable, fraternal bonds" with the Soviet Union and other Communist nations.

Demands Cuba Recall Envoy in Philippines

MANILA, Philippines (AP)—President Carlos P. Garcia demanded today t he recall of Cuba's charge d'affaires, Andres Alvino Soler.

The president's action followed defection of Jorge Freire Gonzalez, an assistant charge d'affaires at the Cuban Embassy, who charged the embassy was a center for distributing Communist propaganda.

What will his father's retirement mean to this boy? "Support" or "independence"? When you think of *your* own retirement, are you looking forward to being independent, free of asking help from your children? Are you saving *enough* to supplement Social Security benefits and provide an adequate income? Retirement income plans are a specialty at Great-West Life — through life insurance or annuities. Call a Great-West Life representative for sound advice.

NEW YORK (AP) — Selective strength among rails and utilities highlighted a mixed and sluggish stock market early this afternoon.

Gains and losses of fractions to about a point were the general rule among most key stocks but there were some wider moves among specially-situated issues.

MOTORS 'BACKWARD'

Steels, motors and other industrials were somewhat backward as Ford and the United Auto Workers continued negotiations to head off a strike of 120,000 Ford production workers tomorrow.

Aircraft-missile stocks took losses as reports of talks between Russia and the West appeared to quiet fears of conflict over Berlin.

Some of the key rails advanced in anticipation of a possible hurdling of previous highs this year in the Dow-Jones rail average. Solid gains by some utilities reflected investment buying.

'JUMPS 5 POINTS'

Korvette leaped more than 5 points on news of a proposed 3-for-1 stock split and record sales and earnings. The stock was delayed in opening due to a flood of buy orders. The initial transaction was one of 11,000 shares, up 4½ at 70½. The stock rose 4½ on Friday in apparent anticipation of the news.

Revlon advanced 3 points or so as it began selling its anti-wrinkle facial cream. Lehn & Fink, which annouced recently it would produce a similar product, rose more than 2.

★ ★ ★

Prices on the American Stock Exchange moved generally higher in fairly active trading. Syntex rose more than a point. Mages Sporting Goods was active and fractionally higher. Viewlex "A" dipped more than 2 while General Plywood and Molybdenum dropped a point or so. Gainers included Associated Laundries, Royalite, Reeves Soundcraft, Continental Materials and Technicolor.

Weekend Traffic Fatal to Ten

By The Associated Press

A highway collision in which two young servicemen and a 17-year-old girl were killed pushed the weekend traffic death toll in Michigan to 10.

In addition, three persons died in miscellaneous accidents.

The Associated Press tabulation runs from 6 p.m. Friday to midnight Sunday.

Traffic:

Airmen 2.C. Daniel L. Koch Jr., 20, of South Minneapolis, Minn., and Howard L. Barber, 21, of Mount Vision, N.Y., and Jenny Willis, 17, of Mount Clemens were killed and four others were injured seriously Saturday night in a two-car collision near Selfridge Air Force base outside Mount Clemens.

Roy Fowler, 25, of Ovid, and John Fritz, 19, of Owosso were killed Sunday when their car smashed into a tree 7 miles east of Owosso. Two passengers were injured.

★ ★ ★

Laurence Allen Blake, 35, of Taylor, died Sunday night from injuries received when he was struck by a car while walking along a road in Taylor Saturday night. The driver, Mrs. Cyonne Shores of Taylor, 30, apparently didn't see him, police said.

STRUCK BY MAILMAN

Margaret Groenendal, 2, of Hudsonville, was killed Saturday when she was struck by a rural mail carrier's car in front of her home.

Curtis Davis, 38, of Detroit, died Saturday when he lost control of his car and struck a utility pole in Detroit.

★ ★ ★

Mrs. Elmo Westman, 61, of Detroit, died Saturday night in a two-car head-on collision on M29 in St. Clair Township, St. Clair County.

Killed in a two-car collision Saturday night on U.S. 10 in Waterford Township, Oakland County was James Ely, 49, of Pontiac.

Miscellaneous: Mrs. Floyd Webber, 42, of Pontiac, a semiinvalid, died Saturday of smoke inhalation in a fire at her home.

★ ★ ★

Joseph G. Ohsowski, 39, of Detroit, a construction worker, was killed Sunday when he fell 60 feet from the roof of Ford Motor Co.'s Highland Park plant.

Grains Are Steady to Slightly Lower

CHICAGO (AP)—The grain futures markets were steady to slightly lower in early transactions on the board of trade today.

Lack of hedging pressure and scattered commission house buying imparted a little strength to soybean futures. There was little to influence the trade in wheat and corn and these showed a tendency to weaken around the opening.

Rye advanced fractionally and oats were mixed on early demand for both grains.

Grain Prices

OPENING GRAIN

CHICAGO, Oct. 2 (AP) — Opening grain:

Wheat		Dec	69⅝
Dec	2.04¾	Mar	73¼
Mar	2.09⅝	May	73⅝
May	2.11⅝	Jul	72⅝
Jul	2.12⅞	**Rye**

Treasury Position

WASHINGTON (UPI) — Withdrawals and deposits in Treasury accounts for the current fiscal year through Sept. 27 compared to a year ago:

THIS YEAR	
Withdrawals	$ 26,059,228,485.58
Deposits	22,989,151,933.41
Cash balance	9,159,871,765.69
Public debt	294,164,057,132.05
Gold	17,452,212,510.24
LAST YEAR	
Withdrawls	$ 22,845,117,183.14
Deposits	22,305,656,195.67
Cash balance	8,351,240,629.51
Public debt	288,607,357,395.56
Gold	18,717,528,314.93

Internal revenue collections on Sept. 27 were $573,045,581.93.

Treasury Bonds Steady

NEW YORK (AP) — Corporate bonds were mixed at the opening today. U.S. treasuries held mostly steady.

In corporate trading on the New York Stock Exchange, railroad bonds sagged a bit. Activity was greatest in that sector.

More utilities were up than down and industrials showed the same, but transactions were few, and price fluctuations very narrow. Investment grade issues tended to follow the rails to slightly lower ground.

An over-the-counter dealer in governments described dealings as "very quiet," with bills a little stronger and practically no change in bond prices.

A scattered few issues advanced the minimum 1/32 of a point.

The only early movement of a point or more nipped that much from Commonwealth Edison 2⅞s of 2001, dropping their price to 73.

Other losers included Atlantic Coast Line Railroad 4½s of 1964 by ½ to 100⅝, Missouri Pacific 5s of 2054 by ½ to 58, New York Central 6s of 1980 by ⅜ to 80⅝, TWA 6½s of 1978 by ½ to 88, American and Foreign Power 4.80s of 1987 by ¼ to 62⅜ and American Telephone and Telegraph 5s of 1983 by ⅜ to 105⅜.

Steel Mills to Hold Line on Prices, Buyers Sure

By SAM DAWSON
AP Business News Analyst

NEW YORK — Most of the men who buy steel are betting the steel mills won't raise prices this fall—much as they would like to because of the higher wage scales in effect today.

A little more than half would consider substitutes if steel prices did go up, and a third would dicker with foreign sources.

★ ★ ★

At least this is how 624 purchasing officers for steel-using corporations size up the situation.

Four out of five of these customers, understandably enough, agree with President Kennedy that a steel price isn't justified at this time. But two out of three side with the steel executives opposed to any intervention by government in deciding whether the wage hike merits a price rise.

POLLED CUSTOMERS

The sampling of steel customers was made by Purchasing Magazine, a trade publication.

Questioing of steel-users by others shows many may hike their own prices even if steel itself doesn't go up. And still more would pass along any steel price increases to their own customers and add in some other higher costs that trouble them.

★ ★ ★

For one thing, many will be paying the higher wages right along with the mills, since about half of the United Steelworkers members work for the mills' customers—the makers of boilers, tin cans, nuts and bolts, metal stampings and many other stel products. The union also has contracts with the producers of a steel competitor, aluminum.

Price hikes are being considered by makers of such end products as box springs for bedding, stoves, dishwashers, farm implements, trucks, construction equipment, chain belts, lathes and grinders.

In all cases the reason given: Rising labor and other production costs are squeezing profit margins more than they can stand.

Rising prices this fall in basic steel are feared by only 16 per cent of the 624 purchasing agents for the steel-users. And only 20 per cent think a steel price increase would be justified. But 66 per cent were against congressional action to prevent a steel price rise. Only 16 per cent think Congress should pass judgment on what is a satisfactory rate of profit for the steel industry.

While 73 per cent of the buyers of steel would like to see more competition in that industry, 67 per cent doubted that steel-users would benefit if the steel industry were broken up into a large number of small rival companies. And a whopping 81 per cent said subjecting the industry to government price regulation wouldn't help users at all.

Two of the things that steel executives have been mulling over have been: Competiton among the mills themselves, since many have idle facilities they would like to put to work if they could find customers, even at present prices; and competition from substitutes which would only be increased if steel prices were raised.

Thee substitutes include aluminum, other metals and plastics for some products, and concrete or other building materials in the construction industry.

Also troublesome is the ever present threat of foreign competition as the steel industries of Western Europe and Japan grow.

So the magazine asked the 624 purchasing agents what they would do if steel prices were raised, and 55 per cent said they would consider switching to competitive materials. The replies didn't indicate whether the other 45 per cent were in a position to use substitutes economically.

But 63 per cent said buying from foreign sources didn't figure in their plans whatever course domestic prices take.

Sparton Reports $553,889 Loss, but Big Backlog

JACKSON (AP) — Sparton Corp. today reported a net loss of $553,889 for its fiscal year ended June 30 but at the same time reported a $34 million business backlog.

President John J. Smith of the electronics, appliances and auto parts firm said in a letter accompanying the annual stockholders report that it was "most gratifying" to report a "very significant increase" in the last few weeks in the backlog.

★ ★ ★

Sparton, which has about 1,600 employes in the United States and Canada, expanded this year by putting up a new plant at Albuquerque, N. M. It also has a relatively new plant at Flora, Ill.

New Zone Manager for Mercedes-Benz

Appointment of Donald K. Mann, a native of Pontiac, as zone manager is announced by J. Bruce McWilliams, vice president of sales for Mercedes-Benz Sales, Inc.

MANN

Mann, sales manager of the Washington, D.C., zone, will replace Edward N. Baiel who has entered private business.

Mann began his automotive career in 1946 as car distributor, later serving as office manager and district sales manager.

★ ★ ★

Prior to joining Mercedes-Benz Sales, Inc., as field sales manager for the third district of the Washington, D. C., zone, Mann was assistant zone manager for Packard and the Studebaker-Packard Corp. in the nation's capital.

★ ★ ★

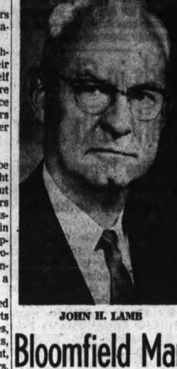
He was graduated from Pontiac Central High School and from the Pontiac Business Institute. Mann married and has two sons.

Business Notes

Ernest A. Jones, president of MacManus, John & Adams, Inc., Bloomfield Hills advertising agency was honored as "a one man crusade in behalf of advertising" at a combined meeting of the Art Directors Club of Detroit and the Copy Club of Detroit, Saturday evening at Hillcrest Country Club.

★ ★ ★

Jones, former officer of the American Association of Advertising Agencies, was given a special award, first to be bestowed by the clubs to an advertising man not directly connected with the production of art or copy.



JOHN H. LAMB

Bloomfield Man Gets GM Post

John Lamb Appointed Executive in Charge of Procurement

Appointment of John H. Lamb of 250 Warrington Road, Bloomfield Hills, as executive in charge of procurement for General Motors is announced by Philip J. Monaghan, vice president in charge of the manufacturing staff.

Prior to his appointment Lamb was manager of purchases for the Cadillac Motor Car Division. Lamb's appointment became effective yesterday. He will succeed Raymond H. Vogel. Vogel will retire Nov. 1.

Lamb, like Vogel a native Detroiter, attended local schools and the Detroit Junior College prior to joining Cadillac in May 1920 as a receiving clerk.

He has worked in both production and purchasing capacities. During the Korean war he was operations manager of the Cadillac Tank Plant in Cleveland and returned to Cadillac's Detroit office as manager of purchases in November 1954.

News in Brief

David R. Stephens, manager of the Miracle Mile Drive-In Theater, told Pontiac Police that $523 in proceeds and petty cash in two cloth sacks and a metal cash box were stolen from the trunk of his car early Sunday morning while it was parked on a lot at E. Pike and Perry Streets.

Thieves broke into the home of Albert A. Rhodes, 32, of 298 Prospect St., this morning and took a television set, record player and undetermined amount of clothing, said Pontiac Police.

A fire causing $200 damage to the back door of Florence Clinton's home at 5220 Cooley Lake Road was started from a smoldering log taken from the fireplace and placed on the back porch, according to Waterford Township firemen.

Mrs. Eugene Sikorski of 2807 Walton Boulevard told Waterford Township police that sometime Saturday night, thieves stole $180 worth of outdoor furniture which was in the Sikorski yard.

Vandals ransacked the Kenneth Hoyt home at 3983 Letart St., sometime Saturday night, according

Rummage Sale, Wed., Oct. 4. 9 a.m. to 3 p.m. 327 S. Woodward, Birmingham. Auspices of Birmingham Eastern Star. —Adv.

Bargains in refinished furniture at the Salvation Army Red Shield Store, 118 W. Lawrence Street. New merchandise received daily.

Lodge Calendar

Areme Chapter No. 503 O.E.S. Annual meeting and election of officers. Oct. 2, 8 p.m., Roosevelt Temple, 22 State St. Ethel Clark, Secretary.

Annual meeting of Pontiac Chapter No. 228 O.E.S., Monday evening, October 2nd, 1961, at 8 p.m. at the Masonic Temple, 18½ E. Lawrence St. Signed, Edith M. Coons, Sec'y.

Urges Federal Ownership of Transportation Facilities

NEW YORK (UPI) — Transport Workers Union President Michael J. Quill called today for full federal ownership of all air and ground transportation facilities.

Quill's "socialization" proposal included all transportation from local bus service to railroads and airlines as well as the nation's utilities. He said "we must look to the socialization of these industries."

He called also for elimination of the profit motive from public service industries.

Quill's 186-page report, text of which was released Sunday night, was to be read today to 750 delegates at the opening of the 11th constitutional convention of the TWU, which represents 150,000 workers in transportation and allied fields.

REQUEST ON HOFFA

In the report and at a news conference, Quill also:

★ ★ ★

—Called on the AFL-CIO to take back James Hoffa and his Teamsters Union because "they weren't able to convict him (Hoffa). Local, state and federal law enforcement agencies have made Hoffa an honest man."

—Labeled the merged AFL-CIO a "failure," saying that "inter-union raiding is at an all-time high. Locals of the merged movement still practice discrimination, relegating their own members to second class citizenship. Racketeering is still in evidence.

—Urged formation of a third political party — a national labor party — because "the American people cannot depend on the present two-party system which plays footsie under the table with the lives, fortunes and destinies of all of us."

Might Hike Taxes, Says Sam Rayburn

WASHINGTON (UPI)—Speaker Sam Rayburn said today taxes would remain high and Congress might have to raise them to keep the United States in the arms race.

"As long as the world is in an arms race, and as long as reckless people have hold of weapons that are totally destructive, we must spend," the Texas Democrat said.

Rayburn said this country must stay in the armament business "as long as it lasts." He added, "If we just had to have more money — I don't think there would be anything that would prevent Congress from raising taxes in certain places."

Declares 20-Ct. Dividend

Higbie Manufacturing Co. of Rochester has declared a regular quarterly dividend of 20 cents a share on the $1 par value common stock.

The dividend is payable Nov. 1 to stockholders of record Oct. 16, according to Norman Elliott, treasurer.

The sun never sets for 147 days and never rises for 145 days on Ellesmere Island near the North Pole.

AP Photofax

A HAPPY GIRL — Cassie Railback, 5, of Hutchinson, Kan., hugs her dog Corkey, who was found by Oklahoma City police at the Oklahoma State Fair Sunday. Officers said the dog was found in possession of a carnival worker. Cassie's parents presented the Oklahoma police a 20-pound cake as a token of appreciation. Her parents are Mr. and Mrs. J. W. Railback. The couple had sent a picture of Corkey to the police asking that they check the fair grounds for the dog. Corkey was lost last week at the Kansas State Fair at Hutchinson.

Construction, PO Receipts Pace Business in August

New construction and post office business paced an otherwise average month on the economic-front in Pontiac during August.

Banks did less business through customer accounts than in July and less than a year ago. Gas consumption dropped sharply with warmer weather and electrical consumption increased but was still under figures reported for the same month last year.

Air and bus patronage increased with North Central Airlines recording an all-time high at Pontiac Municipal Airport, but the big gains were in building permits and postal receipts.

The number of permits for new homes issued last month was 43 above the July figure and 36 over Aug. 1960, amounting to an increase of several hundred thousand dollars in the construction of new dwellings.

★ ★ ★

Construction costs totaled over $1 million for the second straight month and were about $400,000 more than Aug. 1960.

Postal receipts jumped some $33,000 over July and nearly $17,000 more than last year.

BUSINESS INDICATOR

Figures indicating business trends in Pontiac during August were reported by Community National Bank, Pontiac State Bank, the post office, city water and inspection departments, Consumers Power Co., Detroit Edison Co., Pontiac Transit Corp., and North Central Airlines.

	Aug. 1961	July 1691	Aug. 1960
Bank debits to customers' accounts (exclusive of public funds)	$86,405,543	$86,784,041	$87,672,435
Postal receipts	$ 130,633	$ 97,498	$ 113,701
Total building permits—			
Number	149	116	168
Amount	$ 1,267,178	$ 1,769,184	$ 772,480
New dwellings—			
Number	57	21	14
Amount	$ 381,000	$ 176,600	$ 112,000
Gas consumption (cu. ft.)	121,355,900	174,167,100	105,054,800
Electrical energy (Consumers KWH)	29,821,365	23,714,809	30,001,609
Water consumption (gals.)	321,142,000	343,468,700	301,551,000
Bus patrons	59,848	57,203	64,107
Air patrons (outbound)	173	140	

Detroit Edison Co. electrical consumption for Aug. 1961—10,971,941 KWH; for July 1961—10,225,722 KWH; for Aug. 1960—11,859,633 KWH; for July 1960—11,226,738 KWH.

Total electrical consumption (Consumers Power Co. and Detroit Edison Co.) for Aug. 1961—40,793,316 KWH; for July 1961—33,940,531 KWH; for Aug. 1960—41,861,242 KWH; for July 1960—46,062,170 KWH.

NOTICE OF PUBLIC HEARING

Notice is hereby given of a public hearing to be held by the White Lake Township Zoning Board at the Township Hall on Monday, October 9, 1961, at 8:00 p.m. to consider the following changes in the Zoning Map.

From Agricultural to Recreational-Commercial:

The West one-half (½) of the northwest one-quarter (¼) of the Northwest one-quarter (¼) of Section Twenty-one (21); also the Northeast one-quarter (¼) of the Northeast one-quarter (¼) of Section Twenty (20).

The West 200 feet of the North 582 feet of the SW ¼ of the NW ¼ of Section 21.

The N. 400 feet of the E. 883.99 feet of the SE ¼ of the NE ¼ of Sec. 20.

Persons interested are requested to be present. A copy of the Zoning Map together with a list of the proposed changes is on file at the office of the township clerk and may be examined by those interested.

WHITE LAKE TOWNSHIP ZONING BOARD,
CHARLES R. HARRIS, Chairman
DONALD C. KOCHENDERFER, Secretary
Sept. 18, Oct. 2, 1961

NOTICE

Take notice that on October 9, 1961, a public meeting of the White Lake Township Zoning Board will be held at the Township Hall at 8:00 p.m. Any person or persons or their duly appointed representative having interest in the Township, will be heard relative to any matters that should properly come before the Zoning Board.

Project No. CH-MICH.-56 (DS)

The Board of Trustees of Michigan State University, owner.

Sealed bids for site work for the Student Center addition and students' residence units will be received by Michigan State University Oakland at the office of Chancellor D. B. Varner until 1:00 p.m., E.S.T., on Monday, October 16, 1961, and then publicly opened and read aloud.

Plans and specifications will be on file at the Builders and Traders Exchange and the F. W. Dodge Corporation, located in Detroit. Copies of the documents may be obtained at the office of the Director of Physical Plant, Michigan State University Oakland, Rochester, Michigan. A deposit in the amount of ten ($10.00) will be required for each set of documents. This deposit will be refunded if the documents are returned within seven (7) days after opening the proposals.

Proposals are invited for the following work:

General grading, concrete work, drainage, asphalt paving, lighting and miscellaneous work.

The owner reserves the right to waive any informalities or to reject any or all bids.

Each bidder must deposit with his bid, security in the amount, form and subject to the conditions provided in the Information for Bidders.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the contract.

No bidder may withdraw his bid within 30 days after the actual date of the opening thereof.

Dated September 28, 1961.

GEORGE KARAS
Director of Physical Plant
Michigan State University Oakland
Rochester, Michigan
Oct. 2 and 3, 1961

Expect Frances to Regain Push

Tropical Storm Heads Into Caribbean After Hitting the Antilles

SAN JUAN, P. R. (AP) — Heading into open waters of the Caribbean, tropical storm Frances was expected to regain today strength lost in crossing mountains of the Northern Antilles.

A hurricane watch continued in effect for Puerto Rico and the Dominican Republic. Warnings were discontinued for the Antilles from St. Kitts southward to Martinique.

SHY O FHURRICANE

The season's sixth tropical storm popped up in the Atlantic southeast of Puerto Rico Saturday and was just shy of hurricane strength when first readings were taken by hurricane hunter aircraft.

★ ★ ★

The storm's westward passage across high mountains of Guadeloupe and Dominica weakened her. Highest winds were estimated today at 50 miles per hour. Weather forecasters said Frances would intensify and possibly reach hurricane force in the next day or two.

IN OLD PATH

Frances' path so far has been close to that of the wicked hurricane which wrought death and destruction upon Galveston, Tex., in early September 1900. It is too early to forecast Frances' future path, however.

At 5 a.m. today, Frances was centered about 150 miles south of San Juan. She was moving west at about 9 m.p.h.

Ships in the storm's path were urged to proceed with caution.

Small craft in the Virgin Islands, Puerto Rico and the Dominican Republic were warned to remain in port.

O'Brien; dear brother of Norman and Ward O'Brien, Mrs. Stephen Ragsdell, Mrs. William McAuley and Mrs. Fay Henson; also survived by 4 grandchildren and 1 great-grandchild. Funeral arrangements are pending from the Donelson-Johns Funeral Home.

In Memoriam 2

IN LOVING MEMORY OF MY mother, Mrs. Florence L. Pollen who passed away October 2, 1945 and my father, Jacob T. Pollen who passed away October 3, 1948. Dear parents, so gently, good and kind.
Look down from Heaven above and know that the care you tenderly gave.
Is returned in our endless love.
Your loving daughter, Mrs. Clarence E. Liebetrau.

The Pontiac Press
FOR WANT ADS
DIAL FE 2-8181
From 8 a.m. to 5 p.m.

All errors should be reported immediately. The Press assumes no responsibility for errors other than to cancel the charges for that portion of the first insertion of the advertisement which has been rendered valueless through the error. When cancellations are made be sure to get your "kill number." No adjustments will be given without it.

Closing time for advertisements containing type sizes larger than regular agate type is 12 o'clock noon the day previous to publication.

NOTICE TO ADVERTISERS

The deadline for cancellation of transient Want Ads is 9 a.m. the day of publication after the first insertion.

NOTICE

All advertising appearing in The Pontiac Press Help Wanted Classified Columns —classifications 6, 7, and 8 — must clearly convey to the reader the nature of the work offered or the product to be sold plus the method of compensation to be received. Any case of misrepresentation in employment advertising should be reported to the Classified Advertising Manager, FE 2-8181.

TV Features

By United Press International

New daytime programming:

CAPTAIN KANGAROO (2) begins an 8-9 a.m. schedule, adding 15 minutes.

CALENDAR (2), a program designed to tell women what is happening in the world, begins 10 a.m. with Harry Reasoner as host, Mary Fickett, hostess.

PASSWORD (2), game show involving word skills, debuts at 2 p.m. with Allen Ludden, host.

In addition, newscasts at 11:55 a.m. and 3:55 p.m.

MAKE A FACE (7), game show involving the matching of three parallel revolving bands to form a picture, debuts 12:30 p.m., Bob Clayton, emcee.

A mid-day news report (7) debuts 1:25 p.m. **AMERICAN NEWSSTAND** (7), for young people, begins 4:50 p.m.

On (4), a news report debuts at 4:55 p.m.

★ ★ ★

RIFLEMAN, 8:30 p.m. (7). Season premiere, "The Vaqueros." McCain (Chuck Connors) left to lie on the boiling desert by Miguel (Martin Landau), a bandit.

WINDOW ON MAIN STREET, 8:30 p.m. (2). Cameron Garrett Brooks (Robert Young), widower and author, returns to his home town to find fresh viewpoint for his work. Featured: Ford Rainey, Constance Moore.

DANNY THOMAS SHOW, 9 p.m. (2). Season premiere. Elevator operator (Bill Dana) gets Danny to help in his romance with a nursemaid.

ANDY GRIFFITH SHOW, 9:30 p.m. (2). Season premiere. Opie Taylor (Ronny) Howard) is victim of nickel-a-day extortion plot and Sheriff Andy decides to stay out of it—almost.

BEN CASEY, 10 p.m. (7). Premiere of hour-long dramatic series that depicts personal and professional problems of young internes at major city hospital. In "To the Pure," Dr. Casey (Vincent Edwards), chief resident neurosurgeon, proceeds with plans for a series of brain tumor operations on young boy and accidentally injects himself with dangerous virus. Costar: Sam Jaffe as Dr. David Zorba.

JACK PAAR SHOW, 11:30 p.m. (4). Paar returns from European trip. Guests: Alex King, Betty Johnson, Dody Goodman and Peter Hinnen, Swiss yodeler. (Color)

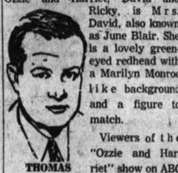
June Blair to Keep Own Career

David's Bride New TV Nelson

BY BOB THOMAS
AP Movie Writer

HOLLYWOOD—There is a new member of the Nelson family, expanding the foursome to a quintet.

Added to the longtime team of Ozzie and Harriet, David and Ricky, is Mrs. David, also known as June Blair. She is a lovely green-eyed redhead with a Marilyn Monroe like background and a figure to match.



THOMAS

Viewers of the "Ozzie and Harriet" show on ABC will be seeing June as David's wife.

★ ★ ★

"The first show has us moving into our new apartment," June reported, "It was decided not to make a big thing of our marriage in the show, since most people know we're married, anyway."

★ ★ ★

She added that her introduction to the show doesn't mean that her life's work is cut out for her.

★ ★ ★

"I expect to be in only one out of four chapters," she said. "I want to keep my own career going, too." She has a separate agent and press agent.

YOUNG ORPHAN

Her official biography tells: Born in San Francisco, orphaned in infancy. Adopted at 4, returned to the orphanage at 6. Adopted at 7 by an unkind family. Ran away at 14, transferred to another family who insisted she "earn her keep."

★ ★ ★

Discovered by photographer at 16, became model and movie extra. Television bits, contracts at Warners and Fox. Finally an important role with Ernest Borgnine in "The Rabbit Trap."

★ ★ ★

"That's when David saw me," June said. "He asked his father to keep an eye out for a role I could do on their show. One came along and that's how we met."

★ ★ ★

Wedding bells rang last May 20, and then June became a circus wife. Their honeymoon was largely spent traveling the country with the Flying Viennas, an aerialist act in which David stars.

★ ★ ★

This summer the act played fairs and other shows in such places as San Mateo, Santa Rosa and Pacific Ocean Park in California; Anchorage, Alaska, Oklahoma City, Salt Lake City, Springfield, Ill., and Monticello, Iowa.

FAMILY ADDITION — The TV Nelson family is adding a new member for its fall series. She's actress June Blair, shown here in a scene with David Nelson being filmed for the "Ozzie and Harriet" program. She will play David's wife which will be a duplication of her real life role. The two were married May 20.

'Bus Stop' Debut Seems Like Detour

By FRED DANZIG

NEW YORK (UPI)—The latest vehicle to wheel drama out of the ABC-TV garage took us on a bumpy shakedown ride Sunday night.

The dramatic anthology series "Bus Stop," rolling off the 20th Century Fox grease rack, made its debut with "Afternoon of a Cowboy," subtitled "Birth of a Man." The full-hour premiere dripped with standard examples of TV cinema's current kick — hairy-knuckled, sweaty story-telling techniques.

Directed by Stuart Rosenberg, the production continually called attention to its grown-up orientation by sprinkling "hells" and "damns" into scenes, putting a well-stacked gal, Anne Helm, ito a long bra-and-panties scene, and giving guest star Steven Cochran suggestive speeches and a year's supply of "ers," "ahs" and long pauses between lines.

Camera work followed the fashion of going for close-ups, reaching under, over and around the players. The pace, too deliberate and self-conscious, managed to include a ridiculous fist fight that probably was designed to keep the faith with viewers who crave furious action on the part of strong silent heroes.

HELPS SON

Here we had Cochran as a roving cowboy who, after a long AWOL, rode the bus home to Sunrise to see if he could help his oldest son, Dean Stockwell, beat a murder rap.

★ ★ ★

The story, adapted by Sally Benson, scattered its energies. There was Cochran the detective seeking to pin the girl's murder on a local banker's son. There was Cochran the repentant father, seeking to assure his long-suffering wife that he was ready to make amends for his wanderings and her "empty bed blues."

Bethel Leslie, as the wife, was too young and untroubled looking to be credible. There was also the sociological note: was a poor "nobody" being framed so that a rich "somebody" could go free? None of these meaty angles was explored with dedication and vigor.

Any one of them, taken alone, could have sufficed for the story. I'm all for scenes that are designed with loving care, but I don't think the loving care should intrude on the scene. That is, unless you're trying to hide the story's weak underpinnigs. "Bus Stop" seemed like a detour of "Route 66" with its opening show.

Mary Martin's Memories Made a Reporter Happy

By EARL WILSON

NEW YORK—You're always hearing stories about heartless, ungrateful Show Business stars—but they're not all true.

Take Mary Martin—and me.

Mary was Fall Gal the other day for the Circus Saints & Sinners. I was sitting quietly in the back of the Grand Ballroom at the Waldorf getting bumped by waiters taking notes.

WILSON

Mary was up there telling how the zipper down the front of her dress came open—and got jammed there—while she was in a car coming to the lunch. She was terrified of facing the male members like that.

"Even though," she laughed, "I started out as a stripper."

She giggled that she'd found a tailor shop, quickly got sewn up, arriving well covered, only a few minutes late.

Yes, it'd been all very heartwarming and nostalgic for Mary, who's leaving "Sound of Music" Oct. 7.

Especially about her overnight smash success in "Leave It to Me" with Victor Moore, Bill Gaxton and Sophie Tucker . . . 23 years ago . . . with her celebrated "My Heart Belongs to Daddy" striptease.

MARY

Roastmaster Tex O'Rourke had said it wasn't as much a strip as a fur sale.

"She'd toss away her mink and her ermine and her muskrat — but never actually got down to Martin," he said.

So I was sitting there, taking my notes, remembering back to that morning in 1938 when a great city editor, Gary Finley, now dead, said to me:

"Earl, go have a talk with that babe that stole last night's show . . ."

And suddenly up on the stage there the other day at the Waldorf I heard Mary Martin telling everybody how "that darling Earl Wilson"—yep, that's me!—did the very first interview with her.

★ ★ ★

"He came a little too soon," Mary laughed.

"I'd washed my hair and was drying it. I had my head in the oven (they didn't have hair dryers then)—and he wrote about it on the front page!"

When they're rich, and famous, and don't need you any more—and still remember, out loud and in front of people, after almost a quarter of a century—that's Class!

★ ★ ★

TODAY'S BEST LAUGH: When you hear that a man's going places, it doesn't always mean he's ambitious. It might just be that his wife's out of town.—Ima Washout.

WISH I'D SAID THAT: Is there anything more out of date, asks Sid Bauman, than a Cuban travel poster?

Definition of a careful driver: A guy driving a car on which he's just made the last payment . . . That's earl, brother.

2 Teens to Appear in 'Fun' Bombing

CHICAGO (UPI) — Two teenage youths charged with the "fun" bombing of a Jewish synagogue were scheduled for a court appearance here today.

The two were Herbert Miklitsch, 17, and Paul Muhlig, 19, who also was charged with burglary, auto theft and contributing to the delinquency of a minor. Miklitsch was charged only with the bombing.

Police said Muhlig admitted in a signed statement that he took part in the bombing but Miklitsch denied it.

★ ★ ★

The two were accused of the Jan. 11, 1961, bombing of the Anshe Emet Synagogue on Chicago's North Side. The blast blew open the structure's rear doors, damaged the inside and shattered windows in the neighborhood. The loss was estimated at $2,000.

Steelworkers Get Contract's Final Wage Hike

PITTSBURGH (UPI) — The final wage increase for the nation's steelworkers under a 30-month contract which expires June 30th went into effect Sunday.

Approximately 500,000 workers shared in the seven-to-10 cent hourly pay hike, the second granted under a contract signed Jan. 4, 1960 following a 116-day steel strike.

Roger Blough, chairman of the board of U.S. Steel Corp., estimated employment costs for the industry would soar an additional $200 million a year because of the pay boost.

★ ★ ★

The first hike under the contract became effective Dec. 1, 1960 and provided a seven-cent basic increase.

Panama Canal Confab Asked

Latin President Asks New Treaty Covering Facility's Use

PANAMA CITY, Panama (UPI) — President Roberto Chiari of Panama Sunday announced he has asked for negotiations toward a new treaty covering ehe Panama Canal.

★ ★ ★

Since 1955, the United States has paid Panama $1.93 million annually for the use of the Canal Zone. Before the revision, the rate had been $430,000 a year.

Sunday Chiari called the present accords "harmful to Panama's just claims and to the interests of the national economy."

Chiari disclosed his request for negotiations in a state of the union message to the National Assembly on the first anniversary of his inauguration as president.

SKIPS SPECIFICS

He was not specific about what Panama intended to ask, but he called for a treaty to recognize his country's "legitimate rights" and he indicated the Panamanian flag should fly alongside the Stars and Stripes on official buildings in the Canal Zone.

At present the American flag flies alone over courthouses, post offices and other public buildings in the U.S.-controlled zone.

Native political leaders have complained that Panama is getting less than its "fair share" of revenues from the canal.

★ ★ ★

Demonstrators have staged anti-American riots coupled with attempts to plant the Panamanian flag in the Canal Zone.

Chiari urged talks to work out "permanent and fair" solutions to Panama's claims "in the certainly that thus and only thus the two countries will be able to find an adequate formula which would permit the establishment and maintenance of a sincere friendship, free of resentment and distrust."

He said he hoped such talks would end in agreements giving Panama "the satisfaction of having reached the fullness of its legitimate rights because of its having been treated as an equal."

Youth Who Lost Family in Storm Joins a New One

ANGLETON, Tex. (AP) — Robert Dunn, who lost 11 relatives in Hurricane Carla, joins a new family this week.

Mrs. S. W. Swanson of Angleton said she and her husband will become Robert's official guardians. The Swansons have two young daughters.

★ ★ ★

Robert, 15, has been living at the Swanson home since he was rescued from the roof of his demolished house. His parents, four brothers and sisters, an aunt, an uncle and three cousins died in the storm.

Several Texas parochial high schools offered scholarships to Robert.

★ ★ ★

"I think it's very nice of them," Robert said, "but. I'm going to stay in Angleton. I've lived here all my life and all my friends are here."

Britons drank 954 million gallons of beer last year for a 12-year record.

Turn In 7,812 Guns

LONDON (AP)—Scotland Yard says Britons have turned in 7,812 illegally owned guns and 163,000 rounds of ammunition under an amnesty decreed two months ago. The Home Office issued the decree in an effort to remove from circulation weapons that might find their way into criminal hands.

Castro Still Strong but Hapless People Are Grumbling

(Editor's Note: Nearing the end of his third year of power, Fidel Castro is facing increasing problems in bringing about communization of Cuba. In the following dispatch Milton Carr, who has reported Latin American affairs for 17 years and recently returned from a month in Havana, pinpoints growing dissension and Castro's countermeasures.)

By MILTON CARR
United Press International

A painting was hung recently in the lobby of the National Bank of Cuba. It depicts an attack eight years ago on any army barracks, marking the start of Fidel Castro's campaign to overthrow the government of Fulgencio Batista.

In the painting are Castro, his brother Raul, and others who took part in the July 26, 1953 attack.

In the upper left hand corner are crossed Cuban and Communist flags.

This is a measure of the extent to which Castro and his associates have gone in the swing, no longer disguised, of Cuba to communism.

Cuba today is a country beset by food shortages, inefficiency and growing dissension.

PEOPLE GRUMBLING

Shortages, which have become more acute in recent weeks, have set people to grumbling—particularly the housewives who spend much of their time standing in line for food and other essential items.

Castro's move to communism has given many Cubans cause for second thoughts about their national hero.

But the bearded prime minister still enjoys the support of a large segment of the population and he has taken the necessary measures to prevent those who do not agree with him from doing anything about it.

With each passing day, Castro adds to his stockpile of weapons which already exceeds that of any other Latin American country. His internal network of spies, informers and political commissars is growing, along with his armed forces.

Each residential block and each center of employment has its Committee for the Defense of the Revolution (CDR), a group of five persons whose function it is to spy on their neighbors and fellow workers.

By recent official count there were more than 100,000 such committees in Cuba—half a million informers in an island of 6 million inhabitants.

Houses are searched without warning, often late at night, and their occupants carted off to jail if a weapon or anything suspicious is found. A letter from a person outside of Cuba, a name in an address book, a short-wave radio might be enough "evidence" of counter-revolutionary activity.

Jails and prisons are so crowded that many prisoners sleep on bare floors.

In this atmosphere, the once-happy, fun-loving Cuban is forgetting how to smile. Doctors report an increase in the number of patients with nervous disorders. Violent arguments erupt on the streets and sidewalks over incidents that normally would have gone unnoticed.

TENSION GROWING

Everybody seems to be expecting something to happen and nobody knows just what. Rumors of possible new repressive measures by the government constantly make the rounds, such as a current rumor that children will be taken from their parents and reared and educated by the state.

This rumor created terror recently in one Havanna neighborhood when a government truck, collecting homeless children from the street, inadvertently picked up two small children who had walked ahead of their mother.

The mother, in hysterics, ran for help to a nearby supermarket where other mothers, with their children, forced the proprietor to lock the doors and would not leave until their husbands came to escort them home.

One thing that strikes the returning visitor to Havana is the impression of general inefficiency under the Socialist system.

Service in nationalized stores, hotels and restaurants has deteriorated markedly. Waiters and clerks appear sullen, with no desire to serve or sell.

The lack of close management, which kept employes on their toes under the free enterprise system, has not yet been supplanted by another incentive now that the establishments "belong to the workers."

Many of the present shortages, aside from those items formerly imported from the United States, can be attributed to inefficiency in government handling of agricultural and industrial production.

The government explanation is that more people are consuming more under the Socialist system.

* * *

As the Cubans face their new hardships, the Communist technicians who have come to advise them are enjoying a standard of living far higher than that of their own countries.

To the Russians, Chinese and Czechs, Cuba is an opulent new oasis in the Communist desert.

Quartered at government expense in a 25-story luxury hotel formerly operated by the Hilton chain, and partaking of the pleasures afforded by their new environment, the visiting Communists have expressed doubts that the Cubans are ready for communism.

* * *

They point to their years of struggle and privation and conclude that the Cubans have not suffered enough. They also are appalled at the individuality and lack of discipline of their hosts.

RUSSIANS DISLIKED

Some Cubans are not finding the Russians very attractive either. They have been heard to comment on the fact that the visitors are living better in Cuba than they did at home. Waiters, bellboys and taxi drivers avoid them because they don't tip.

Ironically, the Russian technicians, most of whom do not speak Spanish, have been forced to resort to English to communicate with the Cubans. However, the language barrier does not apply to the well-trained staff of the Russian embassy in Havana.

Castro, with his great popular appeal in Cuba, is a source of concern to some Cuban and Russian Communists. One project now in the works is the formation of a single political party in Cuba which will be known as the United Party of the Socialist Revolution (PURS).

The Communists are accustomed to having the party run by a central committee. Castro is accustomed to running things himself.

* * *

Some Russians also are of the opinion that Castro pushed the United States too far too fast. Their attitude is that Cuba would have been wiser to "co-exist" with the United States to the extent necessary to get what it needed until it could afford a complete break.

Since May 1, when Castro formally announced Cuba's entrance into the Socialist bloc, the Communist influence has become more and more apparent.

The Red flags which went up all over Cuba on the occasion of Yuri Gagarin's visit in July have not come down.

Many Cubans wear hammer and sickle lapel pins which are sold on street corners along with the red and black emblems of Castro's July 26 revolutionary movement.

BAGGAGE-GO-ROUND — Passengers at San Francisco International Airport now can stand in one spot and wait for their baggage to come to them. Chute, background, carries bags onto rotating platform. The "lazy Susan" device can accommodate up to 125 bags.

Main Library Acquires 20 Books, 12 Albums

The main Pontiac Public Library has recently added 30 new books to its collection. Also added were a dozen new phonograph albums.

Fiction tops the new arrivals with 10 titles.

The new books and records are:

FICTION — Hanley, The Journey Homeward; Hostovsky, The Plot; Kaniuk, The Acrophile; Koeppen, Death in Rome; Lait, Honey for Tomorrow; Lessing, In Pursuit of the English; Lund, Daishi-San; Remarque, Heaven Has No Favorites; Stegner, A Shooting Star; Stone, The Agony and the Ecstasy.

MYSTERY, WESTERN — Hitchens, Footsteps in the Night; Knight, Far Out; Lockridge, With One Stone.

BIOGRAPHY — Duberman, Charles Francis Adams; Hardwicke, Sir Cedric as Told to Brough.

GENERAL SUBJECTS — Gannett, The Family Book of Verse; Heidegger, Essays in Metaphysics; Kabaphes, The Complete Poems of Cavafy; Kane, Africa A to Z; Lapp, Men and Space; Mumford, The City in History; Overstreet, The War Called Peace; Porter, The Struggle for Democracy in Latin America.

YOUTH ROOM — Kane, Gone Are the Days; Moff-Smith, How to Use the Arithmetic You Know; Stong, The Scientific American Book of Projects for the Amateur Scientist.

CHILDREN'S — Farjeon, Italian Peepshow; Ota, Printing for Fun; Stearns, Underneath My Apple Tree; Sutcliff, Knight's Fee.

PHONO ALBUMS — Auden, Read by the Poet; Bible, The Psalms in Hebrew and English; Dickens, A Christmas Carol; Golden Treasury of German Verse read by Henry Schnitzler; Holbrook, Mark Twain Tonight; Irish Verse and Ballads, read by Siobhan McKenna; Raggle-Taggle Gypsy Tales, read by Walter Starkie; Yeats, The Poems of William Butler Yeats; Beethoven, Symphony No. 9 in D Minor; Debussy, Preludes, Book I; Schubert, Rosamunde Excerpts; Smetana, The Moldau.

$4,000 Flying Machine

SAN DIEGO (UPI) — A tiny autogyro with no wings that can be built from a kit for under $4,000 is being made by Herman A. Saafeld of San Diego. Powered by a 72-h.p. air-cooled engine, it weighs only 275 pounds, will climb 12,000 feet and fly at 25 to 85 m.p.h.

As Thousands Watched

Pontiac Press Photos

STRUTTING ALONG — The Troy High School band was a favorite of the crowd at the fire prevention week parade Saturday, and they swung by with horns aplenty. With the five other bands, that marched in the parade, they kept applause rippling through the throng massed at the curbs.

Over 7,000 Watch as Fireman Kick Off Week With Parade

Over 7,000 spectators watched Saturday's Fire Prevention Parade sponsored by the Pontiac Area Chamber of Commerce to kick off National Fire Prevention Week, Oct. 8 - Oct. 14.

★ ★ ★

The colorful parade down Saginaw Street preceded the annual Firemens Field Day at GMC's athletic field.

The parade featured 64 polished and clanging fire-fighting units, six high school bands, along with many antique engines.

The Fireman's Field Day began at 3 o'clock with the Detroit Edison Co. and the Industrial Fire Division of the Pontiac Area Chamber of Commerce giving a demonstration of close cooperation rescue technique in saving an "electrocuted" lineman atop a utility pole.

PUT ON DRILL

Climaxing the preliminary events the Oakland County Sheriff's Posse put on a precision man-and-horse drill.

The first major event on the Field Day program was the ladder devolution, requiring each team to raise a ladder vertically by hand and put a man at the top in short order. The Chamber of Commerce trophy was awarded to the Pontiac Township Fire Department team. Second and third places went to the Walled Lake and Birmingham Fire Department teams.

The second main event, the hose contest, was won by the Walled Lake unit, trailed by Birmingham and Pontiac Township.

★ ★ ★

The water battle, last event on the program, was won by the Union Lake Fire Department team in an upset victory over defending champions, Walled Lake.

★ ★ ★

Teams in competition for the trophies were Pontiac Township, Union Lake, Commerce Township, Avondale and Walled Lake.

In over-all competition, the "decathlon," honors went to the Walled Lake unit.

★ ★ ★

Officials in charge of the Field Day were Chief Carl Shingek, of the Pontiac Township Fire Department, Captain Lewis Goff of the Waterford Township Fire Department and Chief Volly Yanuszeski of Bloomfield. Sherwin M. Birnkrant, chairman of the Fire Safety Commission of the Pontiac Area Chamber of Commerce, supervised the festivities.

STILL RUNNING — Delighted youngsters got a big kick out of this ancient relic driven by Ben Norris (left) and Daile Bailey of the Independence Township Fire Department.

News Flash

CLEVELAND (AP) — The Cleveland Indians today replaced major league baseball's oldest manager with its youngest, naming 35-year-old coach Mel McGaha to succeed Jimmie Dykes, who will be 65 next month. McGaha's contract was for one year.

BIG MOMENT — A few minutes with a clown is always the highlight of any parade for youngsters like Byrah Hatchett, 5, and his sister, Lyn, 2. The youngsters were among thousands who lined Saginaw Street Saturday for the fire prevention week parade.

Spell Out New Soviet Plan

Reds Change on Troika

Ford and UAW Press to Head Off a Strike

Compromises Reported in Effort to Prevent New Auto Walkouts

DETROIT (AP) — Ford Motor Co. and the United Auto Workers resumed negotiations today amidst reports both sides have made compromises to head off a strike of 120,000 Ford production workers at 10 a.m. Tuesday.

An official news blackout covered the negotiations, but usually reliable sources reported that both Ford and the UAW had given a little on non-economic issues. These involve such things as production standards, workers seniority, and employes' desire for a say in new plant locations.

UAW President Walter Reuther led the union negotiators into today's session. His only comment to newsmen was that things "really should get rolling today." He forecast an all-day, all-night bargaining session.

Ford Vice President Malcolm Denise, head of the company team, said only that he thought the around the clock bargaining was "a fair prospect."

Reuther and Denise appeared relaxed and confident Sunday night when bargaining was recessed until today.

★ ★ ★

Leisurely negotiations between Ford and the UAW have been in wide contrast with those that went around-the-clock at American Motors Corp. and General Motors Corp., where the UAW won its first three-year contracts in 1961 bargaining. Ford and the UAW met for the first time after dark Sunday.

The major development that the two sides let slip under their news blackout curtain was the fact that at-the-plant working agreements had been reached by 26 of the UAW's 85 Ford bargaining units.

That left 46 local-level agreements, which supplement the national contract, still to go. Twelve units made no new contract demands.

★ ★ ★

At General Motors, where a three-package new contract finally was wrapped up only a week ago, local issues proved the knottiest of all and resulted in local strikes shutting 92 of GM's 129 plants and the idling of 260,000 of the company's 325,000 production workers from 10 days to two weeks.

Forecasts Cool, Cloudy Weather Until Thursday

Pontiac area residents can expect partly cloudy and continued cool temperatures tonight through Thursday the weatherman says.

Following tonight's low of 44, considerable cloudiness and little temperature change is expected Tuesday with a chance of showers late tomorrow and possibly again Wednesday. Tomorrow's high will be a cool 62 degrees.

Temperatures still average two to three degrees below normal, high of 67 and the normal 48 low for the next five days. Warmer weather is the outlook for Friday and Saturday, according to the U.S. Weather Bureau report.

★ ★ ★

Precipitation which totaled .7 inches in rainfall over the weekend will total two to four tenths inches with a chance of showers Tuesday or Wednesday and again Saturday.

Winds northwesterly 5-18 miles will become north to northeast tonight and Tuesday.

The lowest temperature reading preceding 8 o'clock today was 40 degrees at 4:45 a.m. At 1 p.m. the thermometer read 55.

Explosion and Fire Kill Four Persons in Detroit

DETROIT (AP) — Four persons were reported killed today in an explosion and fire at the C. D. Sparling Plastics Co.

Firemen said a blast rocked the one-story building shortly after 8 a.m. a two-alarm fire followed the blast.

THEY'RE BOTH WINNERS — Roger Maris and 19-year-old Sal Durante of Brooklyn hold the ball Maris banged into the right field stands Sunday for a record-setting 61st home run. For Maris, the clout will bring an estimated $300,000 beside the record and adulation. Durante's successful brawl for the ball will mean $5,000 from a Sacramento, Calif., restaurateur, two expense-paid trips to the West Coast and two 1962 season tickets from the Yankees. (Story on Page 19.)

U. S. Is Studying Request

Syria Asks Recognition

UNITED NATIONS, N.Y. (AP) — The provisional Syrian government today requested membership in the United Nations. A U.N. spokesman said the request was received by Mongi Slim of Tunisia, president of the U.N. General Assembly. It was signed by Premier Mamoun Kuzbari.

WASHINGTON (AP)—The provisional government of Syria has asked the United States for diplomatic recognition, the State Department reported today.

The department spokesman said the request was "under study."

The request reached Washington Sunday afternoon, department press officer Francis W. Tully said. He refused to speculate when President Kennedy's administration would decide on the matter.

In Beirut, Egyptian broadcasts called on the Syrian people to revolt today against their revolutionary regime. President Gamal Abdel Nasser declared the Syrians now were fighting to save their "unity."

★ ★ ★

Ignoring denials from Damascus that fighting against the rebel regime is taking place, Nasser declared in a speech at a student rally in Cairo: "The Syrian people who struggled against all forms of imperialism will never give the exploiters a chance to rule."

FEARS REACTION

But Nasser conceded the setback in Syria might set off a reaction of "treason throughout the Arab nations." He blamed mistakes, conceit and trickery for the success of the revolt.

As Cairo opened up on his four-day old regime that broke away from Nasser's United Arab Republic, Syrian Premier Mamoun Kuzbari moved swiftly to rid Syria of Nasser influence.

The Syrian government appeared firmly in control but Kuzbari was taking no chances. He banned all demonstrations, closed all schools and universities, extended the curfew, and outlawed the Syrian branch of Nasser's National Union party.

Kuzbari also arrested a potential rival, Abdul Hamid Serraj, former strong man of Syria who quit as U.A.R. vice president in Cairo sources had blamed him for the rebellion. A Damascus broadcast said Serraj was arrested "to prevent giving a personal nature to this movement."

An American traveler, arriving here from Damascus, said the Syrian capital appears enthusiastic about last week's successful revolt but "few of the ordinary people will say a word against Nasser. Nasser is still a top man."

Urges Federal Ownership of Transportation Facilities

NEW YORK (UPI) — Transport Workers Union President Michael J. Quill called today for full federal ownership of all air and ground transportation facilities.

Quill's "socialization" proposal included all transportation from local bus service to railroads and airlines as well as the nation's utilities. He said "we must look to the socialization of these industries."

He called also for elimination of the profit motive from public service industries.

Quill's 186-page report, text of which was released Sunday night, was to be read today to 750 delegates at the opening of the 11th constitutional convention of the TWU, which represents 150,000 workers in transportation and allied fields.

REQUEST ON HOFFA

In the report and at a news conference, Quill also:

★ ★ ★

—Called on the AFL-CIO to take back James Hoffa and his Teamsters Union because "they weren't able to convict him (Hoffa). Local, state and federal law enforcement agencies have made Hoffa an honest man."

—Labeled the merged AFL-CIO a "failure," saying that "interunion raiding is at an all-time high. Locals of the merged movement still practice discrimination, relegating their own members to second class citizenship. Racketeering is still in evidence.

—Urged formation of a third political party — a national labor party — because "the American people cannot depend on the present two-party system which plays footsie under the table with the lives, fortunes and destinies of all of us."

Head-On Crash Kills City Man

Dixie Hwy. Smashup Brings Severe Injuries to Brother, 2nd Driver

A head-on, two-car crash on Dixie Highway Saturday night took the life of James A. Ely, 49, of 90 Cadillac Avenue.

He was dead on arrival at Pontiac General Hospital.

Oakland Highway Toll in '61

67

Last Year to Date: 76

The victim's brother Russel K. Ely, 47, of 6091 Walton Road, Orion Township, who was driving, is in critical condition today at the hospital.

He received chest injuries. The other driver, Jack M. Vincent, 29, of Detroit, has a fractured leg, face cuts and a broken jaw. He is in fair condition.

The crash occurred on Dixie Highway near Scott Lake Road in Waterford Township.

Sheriff's deputies are waiting to take statements from the drivers before completing the investigation. There were no witnesses.

U.S. Steps Up Efforts to Gain Dag Successor

West Sees Move by Russians as Scheme to Tie Up U.N. Office

From Our News Wires

UNITED NATIONS, N.Y. — The United States stepped up its efforts today to win a strong successor to the late Dag Hammarskjold as secretary general of the United Nations.

Encouragement came from a break in the Soviet record of insistence on a three-man "troika" to replace him.

The Soviet Union announced a plan to name a temporary chief of the U.N. secretariat unhampered by a veto. But the candidate would have to meet with Soviet approval.

The proposal, previously reported by informed diplomats, was spelled out Sunday night in a statement from the Soviet delegation.

The General Assembly would choose a man to head the U.N. secretariat until April 1963, but he would have to work in cooperation with three deputies. None would have a veto. The assembly would make its selection on the recommendation of the Security Council.

★ ★ ★

The Soviet proposal insists that the top man — he would not be called a secretary general — seek agreement of the deputies on any major problems.

The Russians say this would not involve a veto by the deputies.

Some U.N. delegates hailed this as a major retreat by the Russians but Western officials saw in it the first step toward hamstringing the power of a secretary general.

EYE LATIN DEPUTY

The three deputies would be drawn from a Communist, a neutral and a Western nation — just like the Soviet troika plan for eventual U.N. administration.

★ ★ ★

Some Eastern diplomatic sources said the Russians also were thinking of another deputy — from Latin America.

The West objected further to the Soviet proposal as contrary to U.N. charter provisions upholding the independence of the secretariat, and as installing political representation as a principle at the secretariat's top level and might be a mere substitute for a veto.

Weekend developments also appeared to narrow the possible field

Decision Expected on Talks

Week Seen Crucial for Berlin

WASHINGTON (UPI)—U.S. officials said today this week may be the criticial period in determining whether Russia and the West can agree on a basis for formal negotiations on Berlin.

★ ★ ★

Secretary of State Dean Rusk, according to these officials, has reported to President Kennedy limited but encouraging progress in three New York conferences with Soviet Foreign Minister Andrei Gromyko.

Rusk was said to feel that additional moderation of the Soviet position could lead to an East-West foreign ministers' conference in November.

The cabinet officer planned to confer with Gromyko again this week, this time in Washington. Gromyko then was expected to meet with Kennedy to discuss the tense situation.

★ ★ ★

Rusk, who returned from New York last night, went to his State Department office Sunday to add details to his report for the President. Rusk will make a detailed report after Kennedy returns here late today from Newport, R.I.

TO RETURN TO MOSCOW

Gromyko plans to return to Moscow about Oct. 8 to be on hand for the Oct. 17 opening of the Communist Party Congress. And it is believed Soviet Premier Nikita Khrushchev will want to have some definite idea by that time of whether full-scale talks will be held.

★ ★ ★

The progress which Rusk made in his New York talks with Gromyko was described as relatively small but rather important because it seemed to be moving in the direction of greater Russian understanding of Kennedy's position.

Meanwhile the tiny enclave of Steinstuecken — 39 houses and 159 persons entirely surrounded by East Germany—became a possible flashpoint in the East-West tug of war over Berlin.

Steinstuecken's 26 acres are considered a part of the American sector of West Berlin although they lie one mile outside the German capital proper.

★ ★ ★

East German Communists completed surrounding the enclave with barbed wire Sunday after charging that American helicopters had "kidnaped" seven Germans last week. Actually, the Germans were refugees who asked to be flown to safety.

MPs SENT IN

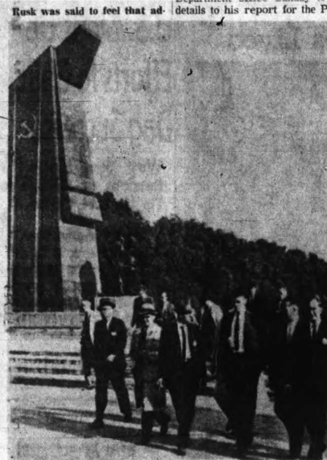
U.S. military police were sent to Steinstuecken to protect the outpost after retired Gen. Lucius Clay, President Kennedy's personal envoy, became the first U.S. official in years to visit Steinstuecken.

The postwar agreement that divided Berlin was based on a 1920 map. On it, Steinstuecken was listed as a part of the capital because those who owned its acreage lived in Berlin proper.

Railroad tracks that bisect Steinstuecken were left in Communist hands and Communist Vopos (People's Police) Sunday laid down barbed wire along them.

★ ★ ★

Steinstuecken residents promptly chopped holes in the barricade and cleared some more of their precious land for another landing site so helicopters could put down on both sides of the tracks.



AP Photofax

U.S. MAYORS IN BERLIN — Some of the 23 U.S. mayors who are on a tour of Berlin are shown at the Soviet War Memorial during Sunday's tour of East Berlin. They are (from left) Arthur L. Selland, Fresno, Calif.; Leo A. Berg, Akron, Ohio; Carl Hagerman, a television newsman from Cuyahoga Falls, Ohio; interpreter Martin Hamburger, of Pittsburgh; Neal R. Fossen, Spokane, Wash.; and John W. Surratt, Winston-Salem, N.C. The mayors went through the "concrete curtain" for a two-hour tour of East Berlin.

Sinking Tanker Stays Up, Crew of 37 Off Safely

JACKSONVILLE, Fla. (AP)—A sinking tanker clung to the surface and kindled some hope of salvage today hours after her crew was removed to safety.

The Coast Guard said the 523-foot Hess Mariner's stern was still afloat after daylight, and a commercial tug headed for the scene about 100 miles offshore.

A cutter, the Sweetgum, stood by. The Hess Mariner's crew of 37 was taken aboard another tanker, the Texaco Nevada. Last to leave were four men who stayed on the wreck six hours in an effort to stem the rush of water through a hole punched in the vessel's bottom by an engine room explosion.

The rescued crewmen went by lifeboat to the Texaco Nevada, which arrived soon after the Hess Mariner sent an SOS about 8 o'clock Sunday night.

One crewman was injured in the blast. He suffered a broken ankle. The Texaco Nevada crew was unable to stop the bleeding and a doctor at a Coast Guard Search and Rescue headquarters in Miami transmitted instructions for treatment.

Soon afterward another ship, with a doctor aboard, reached the stricken tanker 110 miles east-northeast of Jacksonville. The doctor transferred to the Texaco Nevada and treated the crewman.

Inmates Support Orphans

MONTREAL (AP)—Inmates of St. Vincent de Paul Penitentiary are helping support through the Foster Parents' Plan an orphan boy in Hong Kong and an orphan girl in Greece. The convicts contribute money from sales of handicraft work.

NATIONAL WEATHER — Rain is forecast tonight for the Ohio Valley and the southern and central portions of the Middle Atlantic states. Showers are expected in New England and the Tennessee Valley. It will be cooler in the Southern Plateau and Central Plains areas: warmer in the Northern Plains and the Central Plateau regions.

Pontiac Press Photo

BOND OF FRIENDSHIP — Welcoming Mark Payne, 10, of 421 Central Ave., into the works of Scouting are Troop No. 10 members, Scoutmaster Willie McCray of 288 Elm St., Arlester Johnson, 13, of 56 Clovese St., and Frank Molina, 14, of 34 W. Wilson Ave. The group is pictured on the lawn of Wilson School. Pontiac District Boy Scouts are among the more than 10,000 scouts in the entire Clinton Valley Council who are celebrating "Strengthen America Day" today.

Scouts Celebrating Strengthen U.S. Day

More than 10,000 Cub Scouts, Boy Scouts and Explorers in the entire Clinton Valley Council are celebrating "Strengthen America Day" today.

This special event coincides with the kick off of Scouting's fall membership drive which has a target of a 10 per cent increase by the end of 1961.

Units throughout the entire Council area are actively searching for new members and in many other neighborhoods new packs, troops, and posts are being formed.

★ ★ ★

All Scouts are wearing their uniforms as part of the overall activities planned for the day. In addition, many of the schools throughout the area have planned special assemblies to honor local units and specific Scout representatives.

School teachers have been encouraged to call on the uniformed boys in their respective rooms to tell what they like about Scouting.

"Strengthen America — Character Counts" is the slogan selected for use throughout 1961 by the National Council of the Boy Scouts of America. Each boy, as a Boy Scout, pledges himself to be "physically strong, mentally awake, and morally straight."

U.S. Speeds Drive for Dag's Successor

(Continued From Page One)

from which a secretary general could be chosen.

Irish Delegate Frederick H. Boland, a former assembly president, urged the organization to reject the troika but said he would "respectfully decline" any attempt to draft him as interim replacement for Hammarskjold. Current Assembly President Mongi Slim of Tunisia, Burmese U Thant and Boland had been mentioned most often as possible choices for the job.

★ ★ ★

In the Security Council Nationalist China got set to veto the admission application of Outer Mongolia if necessary this afternoon.

The Nationalists contend the mountainous state is an integral part of China itself.

The Nationalists hoped to win enough abstentions in the 11-nation council to make a veto unnecessary, but sources said Ambassador Tingfu F. Tsiang was ready to cast a blackball if the necessary seven affirmative votes were forthcoming.

The Red bloc has stumped for Outer Mongolia's admittance in a swap for Western-backed Mauritania. Russia has indicated that it will veto Mauritania again if Outer Mongolia is not approved.

★ ★ ★

Some African nations, anxious to get Mauritania in the world organization, have blamed the Nationalist Chinese for blocking the trade. They have indicated they may vote against Nationalist China when the question of Red China's membership in the United Nations comes up for debate.

Warmer Weather Appears Headed to Northern U.S.

By THE ASSOCIATED PRESS

Warmer weather appeared on the way today for much of the chilly northern two-thirds of the nation from the Pacific Northwest to the northern Midwest.

★ ★ ★

But it was cool again this morning across most of the northern sections as the cold air continued to spread eastward. The slow-moving cool front extended through the Appalachians and into the Southern Plains.

★ ★ ★

The lowest temperatures were from the Northern and Central Rockies eastward into the Midwest. Readings were mostly in the 30s and 40s, with the 40s and 50s through the Ohio Valley and the 50s from New England into northern Virginia.

★ ★ ★

Rain fell along the cold front and strong northerly winds with gusts up to 41 m.p.h. fanned the cool air into Oklahoma and northern Texas.

British Laborites Boot 'Red' Union

BLACKPOOL, England (AP)—Britain's Labor party overwhelmingly approved the expulsion of the 140,000-member Electrical Trades Union today on the grounds it is manipulated by Communists.

★ ★ ★

The action came at a stormy opening session of the party's annual conference. It was the first time any union has been disaffiliated from the Labor party, a socialistic democratic organization.

The party's executive committee Friday kicked out the union and drafted a resolution explaining the reasons for its action.

The committee's decision was subject to ratification by the entire conference. It received approval by a vote of 5,337,000 to 642,000. The 1,226 delegates at the conference cast votes for the entire membership of the individual organizations they represent.

GUILTY OF RIGGING

Earlier, a high court had found the Communists guilty of ballot-rigging in an electrical union election. Subsequently the Trades Union Congress—the central body of British organized labor—expelled the union.

The delegation the union sent to the Labor party conference was not seated. However, one representative, Sam Goldberg, was invited from the gallery to address the delegates.

He described the expulsion of his union from the party as "an unprecedented and dangerous step." He also denied that Communists dictated union policy.

★ ★ ★

Ray Gunter, a member of Parliament speaking for the executive committee, said the expulsion was necessary to protect the political philosophy of the Labor party from Communist infiltration.

★ ★ ★

The Labor party later this week turns to international affairs, and is expected to propose a measure of Western recognition of Communist East Germany.

This would be part of a plan to ease the Berlin crisis. Other proposals would include firm Soviet guarantees for the freedom of West Berlin and Western access rights to the city.

'EXISTING REALITIES'

A Labor source described this approach "as a recognition of existing realities." The proposals are included in a special resolution prepared by the party's executive committee.

Informants predict that the resolution will receive widespread support from the 1,226 delegates.

Man Who Shot Verwoerd Dies

Farmer Who Attempted to Kill Prime Minister Commits Suicide

BLOEMFONTEIN, South Africa (AP)—David Beresford Pratt, wealthy white farmer who shot and wounded Prime Minister Hendrik F. Verwoerd, was found dead in his cell room in a mental clinic Sunday night, the South African Press Association reported.

Pratt was found with a bed sheet tied around his neck, clinic authorities said.

★ ★ ★

The attempt on Verwoerd's life was made in April 1960. Pratt went on trial a year ago but his trial was halted when the Supreme Court committed him to a mental asylum.

South African newspapers said Pratt's daughter, Susan, aged 23, visited him last week before she flew to London where she plans to marry Bob Hoffman, 23, of Rochester, N.Y., an American soldier stationed in London.

The South African Press Association quoted clinic authorities as saying Pratt committed suicide.

Pratt's body was found hanging over his bed. Clinic attendants said he spent most of Sunday afternoon in his cell writing letters. It was his 54th birthday.

Supreme Court Opens Session

Warren Urges Judges to Meet Responsibility in Relieving Dockets

WASHINGTON (AP)—The Supreme Court opens a new fall term today, its dockets crowded with an all-time high of 1,050 cases.

★ ★ ★

Most are appeals involving racial issues, business regulations, labor relations and state and federal powers. Significant decisions are certain to come in this term.

The court last met June 19 before recessing for the summer.

'MEET RESPONSIBILITY'

In a statement made in connection with opening of the new term, Chief Justice Earl Warren called on the federal judiciary to meet its "great responsibility" to relieve congestion of cases in U.S. courts.

Warren also expressed gratitude that Congress had responded to pleas for more federal court judges. A bill creating 73 new federal judgeships was passed by Congress May 4.

"They have given us all that we asked for and, therefore, all that we believe are necessary to handle the business of the courts," Warren said.

LARGE BACKLOGS

"We do have backlogs — very large ones in most of the metropolitan areas of the country. We are extremely hopeful that with the addition of these new judges our courts will be able to make substantial progress in relieving the congestion."

Warren conceded that congestion in lower federal courts could not be relieved overnight.

★ ★ ★

"In many of the districts and circuits," he said, "there are no quarters for the new judges, and there are other problems that must be solved before they can fuction adequately."

Two American Pilots Killed on Laos Mission

VIENTIANE, Laos (UPI) — Two American civilian pilots were killed when their cargo plane crashed about 100 miles north of here while flying a rice drop mission in Xieng Khouang Province Sunday.

The pilots, whose names were withheld pending notification of next of kin, were the 16th and 17th Americans known dead or presumed to have been killed in air crashes in Laos during the last six months.

Mantle Doubtful Starter

NEW YORK (AP) — Mickey Mantle of the New York Yankees said today he doubted he would be able to play in the opening World Series game Wednesday against Cincinnati at Yankee Stadium.

New Soviet N-Test?

UPPSALA, Sweden (UPI)—The Seismological Institute here today recorded a new earth tremor which might have come from a new Soviet nuclear test.

The Day in Birmingham

To Request City Control County Drains in Town

BIRMINGHAM — A recommendation that the city assume jurisdiction over county drains within the city will be presented to the City Commission tonight.

City Manager L. R. Gare and City Assessor Clark H. Hagstrom said the city should take over the responsibility of the five drains in the city to halt assessments made by the county for its inspection of the drains.

Hagstrom said that the drain commission, under the Drain Act, is obligated to make certain inspections of sewers whether they are needed or not and then the cost is assessed against the area.

"The cost of spreading these small levies is more than the total assessment," said Hagstrom.

A few Oakland County cities have already taken over the jurisdiction of drains within their boundaries, according to the assessor.

★ ★ ★

Hagstrom cited two other objections to the spreading of the levies:

1. The repairs, maintenance and cleaning of the drains are all done by the city DPW, with the drain commission only doing the inspection.

2. The inequity in the spread of assessments. The spread is only on lots which have paid all taxes over the past years and not against lots which the state claimed for nonpayment and later resold.

Gare said it seemed to him that since the city already maintains the sewers it is "a duplication of effort."

The drains that would be taken over by the city are Adams, Humphrey, Triple, Lincoln and Gordon.

Jess D. Chamberlin

Service for Jess D. Chamberlin, 77, of 1551 Lakeside Drive, will be 11 a.m. tomorrow at the Bell Chapel of the William R. Hamilton Co. Burial will be in Woodlawn Cemetery, Detroit.

Mr. Chamberlin died Saturday following a long illness.

★ ★ ★

A manufacturers agent for 39 years, he formerly had been with the Hudson, Oakland and Carter automobile companies and at one time been a purchasing executive with the General Motors Corp.

He was a member of the Palestine Lodge 357, F&AM, the Moslem Temple, Detroit, and the Detroit Athletic Club.

Surviving are his wife Virginia Z.; a daughter, Mrs. George Fowler of Detroit; two sons, Kenneth D. of Detroit and Robert W. of Farmington; and four grandchildren.

Open National Week to Employ the Handicapped

National Employ the Physically Handicapped Week got under way in Pontiac today with an official proclamation from Mayor Philip E. Rowston.

The proclamation called on Pontiac residents to observe the week and on public officials, employers, labor leaders and civic, fraternal or religious groups to observe the week and following year by helping create public interest in employing the physically handicapped.

"Equality of opportunity has long been one of our most cherished ideals and equality for employment should not be denied any qualified person because of a physical handicap," said Rowston.

"The physically handicapped of our country have amply demonstrated their productive capacity when employed in positions suited to their special skills and talents."

Employ the Physically Handicapped Week is observed the first week of October each year.

Coordinating local activities are Paul P. Kimball, manager, Michigan Employment Security Commission Pontiac Branch, and Ray C. Jewell, MESC veterans' employment representative.

De Gaulle Plans New Unity Plea

French Chief to Make TV Speech Tonight in Bid to Calm People

By HARVEY HUDSON

PARIS (AP)—President Charles de Gaulle makes a new television and radio appeal tonight for French unity amid mounting unrest at home and in Algeria.

★ ★ ★

Hours before he was to speak about 90 per cent of the stores in Algiers shut down in response to call for a "solidarity" strike, issued by the rightist secret army fighting De Gaulle's self-determination policy.

FORCES CALLED OUT

Large French military and police forces were dispersed throughout the Algerian capital but there was no early report of any violence.

★ ★ ★

The president, who has emerged as France's strong man in past crises, spent the weekend in seclusion polishing the speech he will make at 10 p.m.

As usual, De Gaulle kept his own counsel about what he intended to say. But it appeared certain he would call upon Frenchmen everywhere to put aside their rancors—a theme he kept repeating in a grass roots tour of southern France a week ago.

OTHER PROBLEMS

While Algeria is De Gaulle's big headache, he has serious problems at home.

★ ★ ★

There is discontent among farmers, who are demanding higher agricultural prices and rumblingh from labor unions for pay increases to avert a wave of strikes.

★ ★ ★

Political rivals, sensing the growing uneasiness in the nation, are moving more boldly into opposition to the president.

De Gaulle, who last weekend relinquished most of the dictatorial powers he had assumed to deal with the Algerian revolts, is expected to argue he needs to find a settlement in Algeria and to face the international threat over Berlin before he can deal effectively with other problems.

★ ★ ★

When De Gaulle made his last television appearance Sept. 21, rightists blew up the TV transmitter towers in Algiers and used the air waves to assail the president.

"We used to pay cash for everything... We say 'Charge It,' now!"

A lot of folks proudly say "we pay cash or we don't buy." This is a good policy, but not essential. There is a time in most people's lives when some costly item is needed, and its price is often too high for an out-of-the-pocket purchase. This may mean dipping into savings or doing without. These folks, too, may lack the "reputation" for securing needed credit quickly. When you open your first charge account and pay your bills promptly, you establish a "good name." Future credit purchases can be arranged quickly and efficiently. Get credit wise, open an account with your favorite merchant soon.

U. S. Will Not Vote for Red China to U.N.

Will U.N. seat Red China?

Can the United Nations avoid a showdown on the issue any longer?

★ ★ ★

Many followers of this complex problem believe the matter must be faced squarely in the days ahead. We've ducked and dodged as long as we can.

★ ★ ★

Red China's admittance is now on the agenda. The U. N. Steering Committee voted it there and this Nation did not object for political reasons. For the past ten years, the whole question has been avoided by postponements which the United States fathered and which were readily granted. However, the mathematical vote by which these delays were passed became less and less. This year there was an honest question as to whether the United States might not be voted down.

Hence, we acquiesced.

★ ★ ★

Therefore, the fight will develop later for we have no intention of becoming any part of the move to allow these warmongers to claim a place in the sun. The noncommunist nations are with us, but all the slave nations and the puppets which the Reds have been feeding and promising are leaning their way.

★ ★ ★

The United Nations is primarily and essentially an entity for peace. Hence, the very fact of giving serious consideration to the Chinese Reds is a bit of low grade mockery.

How do they rate consideration?

What are their credentials?

★ ★ ★

Some students of the whole general proposition believe the United States should take a firm and declarative stand when the time comes and tell the rest of the world that if a national character like Red China is acceptable, we are bowing out.

★ ★ ★

What would happen to the U.N. then is conjectural. It might move to another spot and it might collapse. Remember, we pay more of the costs than the next dozen combined. Uncle Sam and Santa Claus wear the same suit, the same hat and you taxpayers foot all their bills.

★ ★ ★

But the end *can* come.

This could be it.

Here's Code of Ethics for Hunters to Follow

There is a compelling necessity today for a code of ethical behavior for the hunters of America. Now, more than ever, an appreciation and understanding of proper and improper hunting practices is required of the ever-increasing group of shooter sportsmen.

★ ★ ★

Unless hunters develop these things for themselves, public hunting as we know it will cease to exist.

Sportsmen worthy of the name must work together to create better relationships with landowners if wildlife on private property is to remain available to the public.

★ ★ ★

All who go afield must faithfully practice the essentials of safe hunting to avoid accidents. Such occurrences that result in property damage or injury or death to a person are not alone lamentable, but tend to foster more restrictive firearms legislation.

★ ★ ★

A broad and determined effort must be made to see that game laws are fair and reasonable and that they are obeyed by all who participate in the sport of hunting.

★ ★ ★

All hunters, both young and old, must acquire marksmanship and hunting skills before going afield.

Hunters' Code of Ethics:

1. I will consider myself an invited guest of the landowner, seeking his permission, and so conducting myself that I may be welcome in the future.
2. I will obey the rules of safe gun handling and will courteously but firmly insist that others who hunt with me do the same.
3. I will obey all game laws and regulations, and will insist that my companions do likewise.
4. I will do my best to acquire those marksmanship and hunting skills which assure clean, sportsmanlike kills.
5. I will support conservation efforts which can assure good hunting for future generations of America.
6. I will pass along to younger hunters the attitudes and skills essential to a true outdoor sportsman.

The Man About Town

The Largest Ever

Entries Received in Our Annual Football Contest

Baseball: What's being driven off the map by football.

Good sports to the number of 4,706 entered this column's 1961 football contest, the entry time on which expired Friday noon.

This is by far the largest number in the history of such events. Last year there were 4,147 entries, which was the largest number up to that time.

The two first of the 14 games on which these 4,706 contestants made predictions took place on Saturday and Sunday, and brought a large number of eliminations. However, the winner of the $300 prize still appears to be a long ways in the future.

Predictions on Saturday's game were: Oklahoma, 2,498; Notre Dame, 1,814; tie game, 394.

Notre Dame won by a 19-6 score, so 2,892 contestants were eliminated, being those who had picked Oklahoma and those who forecast a tie game.

The remaining 1,814 predicted on the local game Sunday: St. Fredericks, 565; St. Michaels, 1,216; tie game, 33. St. Michaels won it, 63-6.

On the next contest game on Oct. 6, the predictions of the 1,183 survivors are: Pontiac Central, 539; Midland 602, tie game, 42.

The leaves are taking on their autumn colors. But don't get in a hurry. This column will tell you when and where the landscape kaleidoscope is at its best.

A pumpkin vine, 40 feet long and that has already invaded the premises of two of his neighbors, is reported by

Blair G. Merced

of Waterford, and is growing at the rate of nearly a foot a day. It has blossoms and young pumpkins to the number of nearly 50. Mr. Merced says the neighbors are entitled to the pumpkins on their property.

A sign in a general store at Vassar says,

"A Non-Profit Organization,"

and then explains in small print: "We don't want it that way, but can't help it."

The Pontiac area has been entertaining a distinguished vacation guest,

Mrs. Thomas E. Dewey,

of New York, wife of the former New York Governor and twice presidential nominee, who has been visiting her brother and wife,

Dr. and Mrs. Harold D. Hutt,

at their home near Holly.

An apple tree is in bloom in the yard of

Mrs. Edw. Cadwallader

of 4466 Cass-Elizabeth Rd.

Calling himself "An All-American Thief," somebody writes me over the signature of "Big Daddy," and tells me that

Mrs. James Nye

of 2555 Sylvan Shores, has a pear tree now in bloom. He reminiscences on the fact that when he was a boy much of the fruit was stolen from the trees between blossom time and maturity.

Verbal Orchids to—

Mr. and Mrs. Charles Borst

of 340 Nelson St.; 56th wedding anniversary.

A. R. Downey

of 70 Mariva St.; 84th birthday.

Mrs. Rebecca Sparkworth

of Birmingham; 82nd birthday.

Mr. and Mrs. Albert Ball

of Armada; 59th wedding anniversary.

David Lawrence Says:

Let's Give Truman Some Credit

WASHINGTON — Former President Harry S. Truman has been the recipient of a good many brickbats in his day, so credit now should be given where credit is due.

For he did pick some able men for the public service. Yet newspaper reports in the last few days, in referring to various appointments by President Kennedy, have mentioned only their service under the Eisenhower administration while omitting that they were first appointed by President Truman.

LAWRENCE

Thus, for example, when the appointment of John A. McCone to be head of the Central Intelligence Agency to succeed Allen Dulles was announced last week, emphasis was placed generally on the point that he had served as chairman of the Atomic Energy Commission under President Eisenhower.

But he also served previously as a deputy to the secretary of defense in 1948 and then as undersecretary of the Air Force during the height of the Korean War in 1950 and 1951.

This is very important background and experience for a man who is chosen to run the Central Intelligence Agency during a "cold war."

★ ★ ★

Looking back to the Truman administration, one can find officials who served in important posts then who, by reason of that same experience, are appointees today of the Kennedy administration.

Several of them can hardly be classed as active Democrats just because they served under a Democratic administration.

Thus, Dean Rusk was assistant secretary of state for far eastern affairs under the Truman administration and held other State Department posts from 1946 to 1952 except for a year when he was a special assistant to the secretary of war.

But he is not generally regarded as a political appointee.

AND GEN. CLAY

Then there's Gen. Lucius Clay who, when appointed President Kennedy's special representative in Berlin recently, was referred to in the press as a Republican and a friend of President Eisenhower.

But it so happens that, although Gen. Clay was a deputy commander under Gen. Eisenhower in 1945, he also served under President Truman as commander-in-chief of U.S. forces in Europe and military governor of the U.S. zone in Germany from 1947 to 1949.

Again, when William C. Foster was named the other day as director of the new disarmament agency, emphasis was placed on the fact that he is a Republican.

The experience he had under the Truman administration, however, was virtually ignored.

For he served as undersecretary of commerce from 1946 to 1948 and as administrator of the Economic Co-operation Administration in 1950 and 1951 and as deputy secretary of defense from 1951 to 1953 — all this under the Truman administration.

There are many other officials appointed by President Kennedy who also served under President Truman.

It may be assumed that they have been appointed to office by Kennedy not because they were Democrats, but because they have had experience in government in particular lines.

Here are some of the men President Kennedy has appointed who served in the Truman administration:

Roswell L. Gilpatric, formerly assistant secretary and then undersecretary of the Air Force from 1951 to 1953, is today the deputy secretary of defense.

Thomas K. Finletter, who was secretary of the Air Force from 1950 to 1953, is now ambassador to NATO.

James E. Webb, who was director of the Bureau of the Budget from 1946 to 1949 and then undersecretary of state from 1949 to 1952, is now head of the National Space and Aeronautics Administration.

(Copyright 1961)

Dr. Harold Hyman Says:

Program Aids in Return to 'Self' After Coronary

A team of heart specialists, working at the Los Angeles College of Medical Evangelists and the John Wesley County Hospital under the auspices of the National Institute of Health, has just issued a "Graded Activity Program for Safe Return to Self-Care after a Myocardial Infarction (Coronary Thrombosis)."

The purposes of this splendid effort were (1) to avoid the harmful effects of prolonged bed rest; (2) to restore the patient's self-confidence in his ability to "get along;" and (3) by means of electrocardiographic monitoring, to prevent "unsafe levels of activity."

The following modification of the program, originally designed for hospitalized patients by the investigators, is tentatively suggested for those taken care of at home by their own physicians. It is to begin between the eighteenth and thirtieth days after the attack and proceed gradually, as outlined below.

RECOMMENDED PROGRAM

Activity Level 1 (In bed). Wash face. Brush teeth. Eat breakfast. Move with assistance from bed to bedside commode and back.

★ ★ ★

Activity Level 2 (In bed). Repeat each of the following exercises 10 times. Lying flat, take deep breaths. Move shoulders in all directions. Raise right leg 5 times with knee stiff. Raise left leg 5 times with knee stiff. With arms folded across chest, raise shoulders and chest from bed by flexing trunk.

Activity Level 3 (In bed). Repeat each of the following exercises 5 to 10 times. Lying first on one side and then the other, raise thigh with knee stiff. Lying on face, raise first one thigh and then the other with knee stiff.

Still lying on face, bend one leg and then the other at knee. Sitting at edge of bed, move shoulders through entire range of motion; bring hands together over head; extend each leg 5 times.

★ ★ ★

Activity Level 4 (Out of bed). Sit at bedside for sponge bath. Put on robe and slippers. Walk forward and return about 35 feet. If comfortably accomplished, receive bathroom privileges.

Activity Level 5. As level 4, but substitute trousers for bedclothes and increase length of walk to 100 feet.

Activity Level 6. Repeat 5 but substitute shoes for slippers.

Activity Level 7. Make 5 trips up and down 3 or 4 steps. If comfortably accomplished, visit other rooms on same floor.

★ ★ ★

Here are safeguards that must be observed:

Do not start the program or advance from one to another level without the knowledge and consent of the physician-in-charge.

Do not start the program until sometime between the 18th and the 30th day following the acute attack.

Allow at least 20 minutes for the accomplishment of each level.

Do not perform more than a single activity in any one day.

★ ★ ★

Omit activities on weekends; if you do not feel well; and-or if your pulse rate exceeds 100 per minute; and

Don't count on completing the entire program under four weeks from the date of the original attack.

The Country Parson

"When we're old enough that we can't read the small print, we also should have lost our ability to see little irritations."

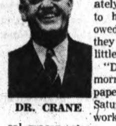
Case Records of a Psychologist:

Lean on Children Occasionally

By DR. GEORGE W. CRANE

CASE K-413: Don D., aged 14, lost his dad in an auto crash.

"Dr. Crane," a mutual friend informed me, "Don was the oldest of 5 children.



DR. CRANE

"So he immediately got a job to help his widowed mother, for they had very little insurance.

"Don carried a morning newspaper route. On Saturday he also worked for a local grocery store.

"In the summer he got a job on the farm. Remember, he still was up before 5 a. m. to carry his morning paper route; then went on to the farm for a hard day of labor.

"Now Don is grown. He has acquired 2 years of college work in the extension division of the state university.

"And he has a good position with an advertising firm. Dr. Crane, why did Don make such a record when a lot of other boys in similar situations start drinking and become bums"?

LEAN ON KIDS

Children at birth are potentially saints or devils.

And one of the very best ways to launch them on a productive career, is to lean on them more.

The average dad, for example, struggles to make life easy for his kids. He skimps and saves for their college education.

He then tries to acquire a little nest egg of money to leave to them in his will.

Unwittingly, therefore, he makes them parasites and floaters, with too little pride in their own personal accomplishment.

So we parents need to reverse things and deliberately cultivate the habit of leaning on our youngsters.

"I wish I knew how to fix this old alarm clock," a mother thus spoke mournfully.

"Let me try to do it," eagerly volunteered her 12-year-old son.

And he soon had it working perfectly, so his mother wisely complimented his skill.

★ ★ ★

Soon he was repairing other gadgets around the house. Each time she praised him.

Later he entered engineering college and is now a great industrial leader, with several patents to his credit.

Yet that alarm clock episode may very likely have been the decisive event that tipped the scales, plus his mother's praise when he repaired it successfully.

DADS, WISE UP

Most dads overly exert themselves trying to show their sons that the dads are still superior in baseball or swimming, etc.

★ ★ ★

Dads, that's the wrong technique. Even if you must deftly "pull your punches," let the kids beat you.

If your auto will not start, tactfully lean on the boy to get it perking.

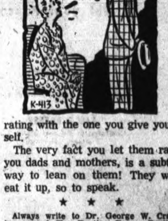
For it is a tremendous compliment to a child for a grown-up to lean on him.

So ask your children for advice about family matters, since this is another deft way to lean on youngsters.

★ ★ ★

And send for my 200-point "Tests for Good Parents," enclosing a stamped, return envelope, plus 20 cents.

Let your older children rate you thereon and then compare their rating with the one you give yourself.



The very fact you let them rate you dads and mothers, is a subtle way to lean on them! They will eat it up, so to speak.

★ ★ ★

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4 cent stamped, self-addressed envelope and 20 cents to cover typing and printing costs when you send for his psychological charts and pamphlets.

(Copyright, 1961)

Voice of the People:

'What About That Promise of No Federal Control?'

An article in The Press says, "The Civil Rights Commission has urged Congress to slice in half all education grants to states which maintain totally segregated elementary and secondary schools."

★ ★ ★

This knocks into a cocked hat the pious promises of those trying to push through the school aid bill, including our own Sen. Hart, that there would be no federal control whatsoever! And if the need for federal aid to education were actually half as dire as the proponents have claimed, certainly they wouldn't deny any state their education grants whether segregated or not.

★ ★ ★

So today our government withholds educational grants because of segregation, then tomorrow because the texts are not the way they should be, then the teachers haven't got all the certificates they must have and so on. But this isn't called "control."

Paul E. Urschalitz

2568 Robindale Lane

'It's Time Workers Tell Union Leaders

As we drove by the union hall there was a long line of men and women likely voting for another strike.

When are the people going to tell these union leaders they don't hand out the pay checks or find them a place to work?

★ ★ ★

Each time there is a strike I pray that the men who furnish work would put a padlock on their gates and tell them they are not needed any more. Some people think the world owes them bread when they try to undo the real purpose of a union.

★ ★ ★

Each person who leaves the state during a strike should have to pay a head tax to get back and then the people who do live here would not be holding the bag for education of their children. We are poor people so don't think we are big businessmen, but we do believe in fairness. When you strike, you are no longer for God and country.

A True Believer in Justice

'We Should Stop Coddling Mr. K'

We have been bending over backward to coddle Mr. Khrushchev. It is time we stopped our acrobatics and faced reality. Let your congressman and your president know what you think about the silencing of brave men, such as General Walker, in their effort to win the cold war.

L.J.D.

Davisburg Jaycees Express Thanks

The Davisburg Junior Chamber of Commerce wants to thank The *Pontiac Press* and its staff for the coverage they gave our recent 125th Anniversary and Skirmish.

I would like to thank Joe Haas and Jim Long for their efforts and interest in covering this celebration. Joe Haas has shown more than a passing interest in Davisburg. His promotion of the Old Mill Dam site could lead to a very beautiful and picturesque spot in Davisburg and Northwest Oakland County.

Marian Hillman, President
Davisburg Jaycees

Portraits

The Almanac

By United Press International

Today is Monday, Oct. 2, the 275th day of the year with 90 to follow in 1961.

The moon is approaching its new phase.

The morning star is Venus.

The evening stars are Jupiter and Saturn.

★ ★ ★

On this day in history:

In 1869, Hindu nationalist leader and reformer Mohandan Ghandi was born.

In 1882, railroad tycoon William Vanderbilt made headlines when newsmen asked him whether he operated his railroads for the public benefit. Replied Vanderbilt: "The public be damned!"

In 1919, President Woodrow Wilson suffered a stroke that completely paralyzed the left side of his body.

A thought for today: German philosopher Georg Hegal said; "We may affirm absolutely that nothing great in the world has been accomplished without passion."

Smiles

A preacher is the only one we know of who talks in other people's sleep.

★ ★ ★

The quickest way for husbands to irritate wives is to stay out too much, or stay home too much.

★ ★ ★

A dime is almost the same size as a penny and today buys little more than the penny bought yesterday.

THOUGHTS FOR TODAY

I, wisdom, dwell in prudence, and I find knowledge and discretion. — Proverbs 8:12.

★ ★ ★

Prudence is the knowledge of things to be sought, and those to be shunned. — Cicero.

All mail subscriptions payable in advance. Postage has been paid at the 2nd class rate at Pontiac, Michigan. Member of ABC.

Urges Action to End Red Menace in Cuba

PANAMA (AP)—President Roberto F. Chiari told Congress Sunday that Latin-American states should take action to eliminate communism in Cuba.

Chiari also expressed hope of reaching agreement with the United States at forthcoming talks on the Panama Canal. Panama particularly wants the United States to pay a higher rental.

AP Photofax

MEETS MR. CANDIDATE — Richard M. Nixon, in his new role as state office seeker, is greeted on his arrival at the Western Republican Conference in Sun Valley, Idaho, Saturday by this young party worker, 3-year-old Gary Koutnik of Twin Falls, Idaho. Nixon returned to California after the conference to start on his campaign for California's governorship.

Frenchman Poujade Forming New Party

LYON, France (AP) — Rightist politician Pierre Poujade said Sunday he is forming a new political party dedicated to keeping Algeria under French control.

Poujade said the party, to be called French Union and Fraternity, also would campaign for breaking all links with former French colonies that have withdrawn from the French community.

Poujade first came to the political front with a program for reducing taxes on small merchants. His followers won about 60 seats in the National Assembly in the 1956 elections, but his party was almost wiped out in the 1958 elections after President Charles de Gaulle came to power.

Alabama Ruling Set on Times Tax Assessment

MONTGOMERY, Ala. (UPI)—A tax assessment on issues of the New York Times sold in Alabama will be reviewed at a circuit court hearing set for this week.

Judge Walter B. Jones scheduled the hearing after a request from the Times. The newspaper questioned the state's right to impose a use tax on newspapers sold in the state.

The use tax was based on sales of the Times to Alabama residents through subscriptions paid for in New York. Times attorneys said the newspaper is a corporation and does not do business in Alabama and did not solicit purchases or orders by agents.

MAKE-OVER PAGES

[illegible] Celebrates Birthday

PROVIDENCE, R. I. (UPI) — Former Sen. Theodore Francis Green planned to celebrate his 94th [illegible] by receiving a telephone call from President Kennedy and eating cake and ice cream with Jane Brown Hospital employes.

But They Don't Always Stick

Alabama Has Quick Divorces

BIRMINGHAM, Ala. (AP) — Alabama is able to give a quick divorce to almost anybody from almost anywhere. But it is not always able to make them stick.

Sometimes what a couple thought was a broken marriage turns out to be only a little dented.

A case in point comes up this week for a circuit court ruling in the tiny community of Double Springs in rural north Alabama.

CHALLENGES DIVORCE

Mary Sachs is contending that her Alabama divorce from Walter Sachs, a former New York City financier, is invalid because neither she nor her husband was a resident of Alabama.

In testimony last week a private detective said he accompanied Mrs. Sachs to Alabama to get the divorce last year. He said their entire stay was three or four hours in Birmingham—about 100 miles south of Double Springs, where the divorce was granted.

As occasionally happens, the judge who granted the decree also is considering the merits of Mrs. Sachs' challenge.

SET ASIDE A FEW

"I've set aside quite a few," says Judge Bob Moore. He says he doesn't know exactly how many of Winston County's divorces have been set aside. Plenty of divorces are granted in Winston County—329 in July, 288 in June, 284 in May, for example.

The Sachs case is an illustration of what might be called a loophole within a loophole.

The loophole in Alabama's divorce law is its residency requirement. There is no time limit. Even the expressed intention to become a resident may be accepted by some judges.

The loophole in the loophole is that both parities must agree to the divorce—and they must stay in agreement, presumably until death.

Otherwise, the spouse can bounce back and challenge the divorce.

The reason frequently lies in the financial settlement—one party wants more than the agreement specified, or one party doesn't live up to the agreement.

Heart Attack Fatal to Donald Cook, 60

NEW HAVEN, Conn. (UPI) — Actor Donald Cook, 60, died Sunday at Grace-New Haven Hospital, where he was under treatment for a heart attack.

Cook, veteran of many Broadway plays, was found collapsed on the floor of his hotel room Saturday by a bellhop.

In more than 30 years on the stage, Cook costarred with such leading ladies as Gertrude Lawrence, Madge Kennedy, Polly Bergen and Tallulah Bankhead. He also appeared in films and on radio and television broadcasts.

Cook, a native of Portland, Ore., was appearing at the Shubert Theater in a performance of "A Shot in the Dark," due shortly on Broadway.

Bloomfield Twp. Doctor to Head Council Body

A Bloomfield Township doctor, R. J. Mason, has been named to head one of three standing committees of the Michigan State Medical Society Council.

Mason, 564 Overhill Road, will be chairman of the council's committee for county societies.

Performs Sekles-Gary Nuptials

Rev. Gus Tsompanas officiated at the Saturday evening vows of Marilyn Sue Gary to Alexander V. Sekles in a candlelight ceremony at St. George Greek Ortoodox Church.

★ ★ ★

The newlyweds left for a honeymoon in New York after receiving guests with their parents the Leslie Garys of Drayton Plains and Mr. and Mrs. Socrates V. Sekles of Ottawa Drive in the "300 Bowl" on South Cass Lake Road.

Rose-pointe pattern Chantilly lace enhanced the bride's gown of white taffeta faille styled el train.

Bouffant silk illusion veiling fell from a crown of seed pearls and crystals. A purple orchid centered her cascade of white Fuji chrysanthemums, with basque bodice and chapstephanotis and ivy.

TAFFETA SHEATHS

Taffeta sheath dresses with silk organza overskirts for the attendants shaded from pale lavender for bridesmaids Mrs. David Cobb, South Haven, and Mrs. Robert Nunn, Drayton Plains; through medium lavender for Mrs. Lyndon Wood and Mrs. Delmer Logan to deep purple for matron of honor Mrs. William Kenifeck, Waterford. They carried cascades of lavender pompons.

Cheryl Gary, her sister's flower girl, wore white nylon, sashed in lavender with headpiece of lavender and white feathered carnations.

★ ★ ★

On the esquire side were best man Aleck Capsalis with the bridegroom's brother Nicholas Sekles, Emmanuel Williams, Donald Harris and David Scriven.

For her daughter's wedding, Mrs. Gary chose a sheath dress of champagne lace over taffeta, complemented by a corsage of green cymbidium orchids.

IVORY ORCHIDS

The bridegroom's mother wore ivory cymbidium orchids with her dress of black Chantilly lace over royal blue taffeta.

★ ★ ★

The bridegroom, who attended the University of Michigan and Wayne State University, plans to enter law school at Wayne in the fall of 1962. The couple will be at home on Liberty Street.

Marilyn Sue Gary and Alexander V. Sekles spoke vows Saturday in St. George Greek Orthodox Church. Their parents are the Leslie Garys of Drayton Plains and Mr. and Mrs. Socrates V. Sekles of Ottawa Drive.

MRS. ALEXANDER V. SEKLES

Hosiery Hues

(UPI) — The schoolgirl look in hosiery is colorful. Butterscotch and russet tones are most highly recommended. But look, too, for the continuation of caramel tones, toffee, curry gold, taupe browns, grayed greens, and mulberry hues.

Hostess Should Have Waited

By The Emily Post Institute

Q: My husband and I were invited to Sunday dinner at my husband's cousin's house at two o'clock. He and his wife live about 40 miles from here. We left early enough but traffic on the highway was very heavy and in addition our car overheated and we had to stop at a gas station for water and to let the motor cool.

★ ★ ★

It was then ten minutes past two and I called our hostess to explain our delay and said that we should be there in about half an hour. When we arrived they were having dessert and the hostess explained that the children were hungry so they decided to have their dinner.

★ ★ ★

Soon afterwards the hostess brought in two plates for my husband and me with our dinners on them. I was so upset I could hardly eat and if it wasn't for my husband, I would have left then and there. Don't you agree that the hostess was inexcusably rude and that she should have waited until we arrived to have dinner?

SHOULD HAVE WAITED

A: As you did telephone to let your hostess know how late you would be she should have given her hungry children something to eat and then waited for your arrival before having dinner.

★ ★ ★

Q: I would like to know who speaks first when meeting on the street — the man or the woman?

A: The old convention was "the lady." Today this holds only when they know each other so slightly that there is some question of whether she recognizes him or not.

PATRICIA VOGELSBURG

A November wedding is planned by Patricia Vogelsburg, daughter of the Wayne F. Vogelsburgs of Keego Harbor and John C. LaTourneau, son of the James LaTourneaus of Charlotte Street.

'Time' Can't Pass Most Women By

NEW YORK (UPI) — Who says women never are on time?

An analysis of gift items received by 100 high school seniors — girls — showed that young women, at least, have a reason to be prompt.

★ ★ ★

Jeweled watches were the number-one gift. Other most popular presents included typewriters, radios, handbags, fountain pens, and jewelry.

Falling for Fakes

(NEA) — The precious or real look in costume jewelry is the one getting a big play for fall. It's done with gilt metal, fake pearls and colored stones.

Newlyweds to Live at Ohio Address

The Richard E. Allens who spoke Saturday vows in a candlelight evening ceremony performed by Rev. William C. Grafe in St. Mark Lutheran Church, Union Lake, will reside in Canton, Ohio, following a Northern Michigan honeymoon.

★ ★ ★

The Samuel D. Tuttles of Union Lake are parents of the former Karen Lee Tuttle. The bridegroom is the son of Mrs. Ralph E. Allen of Cooley Lake Road, Waterford Township, and the late Mr. Allen.

★ ★ ★

Fingertip veiling of silk illusion fell from an organza crown over the bride's gown of white silk organza appliqued with Alencon lace. A butterfly bustle extended into a chapel train. White lilies and stephanotis comprised her cascade bouquet.

WEAR SILK ORGANZA

Bridesmaids Virginia Clark and Beverly Dixon, both of Walled Lake and junior attendant Susan Allen, niece of the bridegroom, wore lilac silk organza and carried lavender carnations. Mrs. Leroy Parks, matron of honor, carried pink carnations.

On the esquire side were Eugene B. Ziegler, best man, with Ralph O. Allen ushering for his brother with Eugene K. Pool.

For the ceremony and reception in Commerce Masonic Temple, Mrs. Tuttle chose turquoise crepe chiffon and corsage of matching cymbidium orchids. The mother of the bridegroom pinned green cymbidium orchids to her beige sheath dress of peau de soie and lace.

★ ★ ★

The bridegroom is a graduate of Ohio Wesleyan University and Wayne State University College of Law. His fraternity is Delta Tau Delta.

MRS. RICHARD E. ALLEN

Fringe Is Favored

(UPI) — Belts, an academic fixture about the schoolgirl's waist, are showing up more fringed than anything else. The leather shoestring belt continues strong. So does the burnished cowhide type with big brass hardware.

Plans Welcome for the Sisters

The St. Hugo of the Hills Altar Guild has planed a pantry shower for the Sisters of the school Friday at 1:30 p.m.

Chairman for this event, Mrs. Richard E. Colfels, has extended an invitation to all Parishioners to attend and welcome the Sisters.

Members of her committee are Mrs. Michael Russ, Mrs. John A. Reid, Mrs. Glen Ober, Mrs. Walter Zippler and Mrs. John W. Pilon.

7 Tables in Play

The Pontiac Bonneville Duplicate Bridge Club met Saturday evening at the Hotel Waldron with seven tables in play.

Winners were Mrs. William Strauss and Melvin Small; Mr. and Mrs. Paul Van Roekel; Dr. and Mrs. Edward F. Collins; Mrs. Mervin Cress and Mrs. W. H. Barron; the Gordon Longstreths; Donald Stephenson and Dr. Robert Segula.

Will Explain Student-Teacher Program to PTA

Dr. Philip J. Proud, assistant superintendent in charge of personnel for Pontiac City schools, will explain Pontiac Northern High School's student-Parent-Teacher-Student Association meeting Wednesday. The group will meet at 7:30 p. m. in the high school's Little Theater.

★ ★ ★

Guests will include Robert Schmatzs, Michigan State University resident coordinator and Lewis Crew, city schools' administrative assistant.

Mrs. William Mihalek, program chairman, will present student vice president Penny Pritchard who will introduce the evening's program. Student teachers Judy Baker, Sandra Sommerville and Pamela Smith of Prescott will be introduced by Dr. Proud.

Refershments will be served in the cafeteria under chairmanship of Mrs. Sherry Mapley, Mrs. Eugene Hoisington, Mrs. Joseph Voyner and Mrs. Lloyd Ludy.

October has been designated Membership Month with Northern High's participation under chairmanship of Glenn Cheek and Mrs. Harrol Beebe.

She Should Play by Rules

Your Daughter's at Fault

By ABIGAIL VAN BUREN

DEAR ABBY: I am the frustrated father of an 18-year-old girl. She has just acquired her first steady. My problem is that this boy (20) stays to watch the late, late show, eats a sandwich and then necks with my daughter. I lie awake upstairs checking the clock periodically. This morning at 3:30 he was still here. I got angry and went to the landing and shouted, "It's 3:30 — GO HOME!" The boy left and my daughter passed me silently in the hall and went to her room.

ABBY

This morning my daughter told me she was embarrassed by my actions. She said, "I am old enough to take care of myself, etc., etc." I said midnight was late enough on week nights, and 2:00 a. m. on weekends, for working people. Do you think I was in the wrong? My daughter does.

FRUSTRATED DAD

DEAR DAD: If the house rules you had set up beforehand were ignored, you had every right to break up the party at that hour. But you should have done it quietly, firmly and personally with your daughter. He stays, eats and "necks" with a willing partner. SHE is your problem. Don't shout at HIM.

★

DEAR ABBY: I am planning to have a November wedding. It will be a formal church wedding with about 300 guests. I have studied voice for two years, and everyone says I have a very good soprano voice. I have a marvelous teacher. I wish to sing at my own wedding. My parents and the few friends I have mentioned this to have tried to discourage me. My fiance suggested I write to you for the final decision. Thank you.

NOVEMBER BRIDE

DEAR BRIDE: Don't use your wedding guests as a captive recital audience. Why not ask your voice teacher to sing?

★ ★ ★

DEAR ABBY: I have been going with a married man for six months. We work in the same place. He says he loves me and hates his wife, but won't leave her because of the children. He also says he can't leave her because everything they own is in both names, and his wife would get everything. Is this a law?

I left my husband and children and have taken a room. Now everybody is talking woman is foolish to live with a about me. Don't you think a man who hates her? This man's wife is a very dull person, and lives just for her children. I know I can make him happy. Shall I call his wife or go to see her?

UNHAPPY

DEAR UNHAPPY: Don't call this man's wife and don't go to see her. She is sticking by her marriage vows, which is more than you have done. The man has given you good reasons why he won't leave his wife. You need to pray for forgiveness and strength to live a loyal and decent life again.

★ ★ ★

"Are things rough?" Let Abby help you solve your problem. For a personal reply, enclose a stamped, self-addressed envelope and send to The Pontiac Press.

★ ★ ★

For Abby's booklet, "How to Have a Lovely Wedding," send 50 cents to Abby, The Pontiac Press.

Pontiac Press Photo

Working in harmony with the student-teaching program at Pontiac Northern High School are Dr. Philip J. Proud of the Pontiac Schools who was a music major in college and student-teachers (from left) Sandra Sommerville, Rosedale Street; Pamela Smith of Prescott; and Judy Baker, Navajo Drive. Dr. Proud will introduce the three coeds at Northern's Wednesday PTSA meeting.

Should Be Experts on Constitutional Change

Con-Con Delegates Can Claim a Place in History

(Editor's Note — The convention to revise Michigan's 1908 constitution meets in Lansing tomorrow. This is the 10th and last article in a series dealing with possible changes in the state's basic law.)

By DON MYERS

LANSING (UPI) — Michigan's 144 constitutional convention delegates can claim a unique place in state history.

★ ★ ★

If all goes well, they will revitalize the basic law through deliberations expected to last about seven and a half months. The people will render final judgment on the delegates' efforts, when results of the con-con come up for acceptance or rejection, probably at the November, 1962, general election.

Con-con committee assignments and personal interest and abilities will make most delegates more proficient in some areas than in others.

But all delegates will be involved in countless decisions about constitutional change that will make them more or less expert on the subject when they become that exclusive group, alumni of the 1961-62 Michigan con-con.

★ ★ ★

The decisions will range from the momentous to the relatively inconsequential.

FACE MANY DECISIONS

Delegates must decide if elections should be held less frequently in Michigan, if there should be fewer elected officials and if the voting age should be lowered from 21 years to perhaps 18.

They must settle the question of legislative apportionment.

The terms of state officials in all three branches of government, the executive, legislative and judicial, will be a subject for con-con debates and decisions on civil service will be required which could change the whole picture for the roughly 30,000 classified state workers.

Delegates may decide that the whole court structure in Michigan needs overhauling.

Handling of state money, a problem that has plagued Michigan to the point of a "cash crisis" in 1959, will provide numerous questions for the con-con, including those concerning the earmarking of certain revenues, limitations on taxation and the role of the legislature in spending.

The structure of local governments and their relationships to each other will be in the purview of con-con delegates.

The state's role in education, from colleges and universities to elementary schools, must be the concern of the delegates and a host of questions in other fields must be answered.

There will be no lack of "expert" advice for the delegates. Special interest groups will be more than happy to provide much of it.

Common sense andcon scientious screening of all the positions on the various issues they encounter will be the major concern of delegates who want their work to reflect the needs and desires of all citizens of Michigan.

Delegates will also have need of views from plain citizens of the state — from factory laborers to corporation presidents and from white collar workers to farmers.

Public hearings are certain in many of the issues before con-con. And personal communications from constituents should be welcomed by delegates.

Few Openings Remain in Classes for Adults

There are a few openings left in several Waterford Township adult education classes, according to Byron Merrit, director.

Classes open for further enrollment include beginning typing; advanced typing and office machines, ceramics and painting, furniture construction and refinishing and auto mechanics.

★ ★ ★

All those interested may register at the Waterford Township High School at 7 p.m. Tuesday.

Pontiac School Exclusion Policy Is Spelled Out

The policy on exclusion of pupils from Pontiac public schools has been outlined by the Board of Education.

★ ★ ★

The exclusion policy refers to both suspension, which is temporary, and expulsion which is more permanent.

Pupil actions or conditions which will warrant exclusion from school were listed as: smoking, obscenity, stealing, forgery, fighting, truancy, insubordination, gross misbehavior, vandalism, indecency and bodily conditions.

Officials empowered to enforce exclusion for these reasons are the superintendent of schools, the assistant superintendent in charge of personnel, the director of child accounting and attendance.

★ ★ ★

Pupils over 16 may be excluded by the principal of the school in which the boy or girl is enrolled.

In addition the principal is authorized to suspend any pupil for any reason listed above.

Extend Offer to Enroll in Adult Education Class

The original deadline for registration in adult education classes has been extended to Oct. 5 because enrollees were a few short of the minimum number required to open a class.

★ ★ ★

Registration will be accepted in the office of the vocational building at Central High School 9 a.m. to 4 p.m. through Thursday, and 7 to 9 p.m. Monday, Wednesday, and Thursday.

Dorow Leads Titan Win

San Diego, New York Lead AFL Divisions

By The Associated Press

San Diego's Chargers and New York's Titans hold clear-cut leads over the respective divisions of the American Football League because the Chargers are versatile and the Titans have old Al Dorow.

San Diego continued as the only undefeated team in the league last weekend but the Chargers had to rely on their defense and kicking to beat stubborn Buffalo 19-11. It left them at the top of the Western Division with a 4-0 record.

New York moved into the undisputed lead in the Eastern Division with a 37-30 heart-tugger over Boston. When the chips were down the 29-year-old Dorow stepped in to fling a pass that broke a 30-30 tie and give the Titans the important decision.

New York's record is 3-1 and Boston, in second place, is 2-2.

Dallas strengthened its second-place position in the West when it beat Houston 26-21 and showed just how valuable Abner Haynes is to the Texans' attack.

Haynes had been on the ailing list while Dallas slumped, taking a licking from San Diego and being pressed to the limit by down-trodden Oakland. But he returned to full-time duty Sunday and led Dallas to its very necessary victory over Houston.

Dallas, with Jack Spikes running for 144 yards and Haynes for 117, set a league one-game rushing record of 398 yards.

Oakland won its first game of the championship race Sunday when it whipped Denver 33-19. It was a continuation of the move back that started in the Dallas game. Oakland had lost two and had 99 points scored against it before snapping out of the doldrums.

George Fleming kicked a 54-yard field goal for Oakland, league record. George Blanda of Houston set the record with a 53-yarder against Buffalo last year.

Oakland and New York are idle next weekend. San Diego will be at Boston Saturday night. Sunday Dallas goes to Denver and Buffalo to Houston.

New Man Faces 'Suicide'-Dykes

CLEVELAND (AP) — Jimmie Dykes, fired as manager of the Cleveland Indians, says the man who will be named today to pilot the club next year faces "suicide."

Dykes, given his pink slip by General Manager Gabe Paul Sunday just before the Indians' season finale in Los Angeles, said the new manager's job will be "murder because there are too many lawyers on the club."

Cleveland coach Mel McGaha has been rumored as the most likely choice and Paul has said "there will be no surprises" at the news conference.

★ ★ ★

Referring to the "lawyers" on the club, Dykes added: "They've got to get rid of some of them, but who's gonna take 'em? Besides, the team needs a big rebuilding job. They need a first baseman and a second baseman. And if they get rid of (Jim) Piersall they'll need a center fielder."

"I'll never manage again," said Dykes. "I think I may be able to stay in baseball, either as a coach or radio anouncer."

from ages 18 to 52. Prepare now for U. S. Civil Service job openings in this area during the next 12 months.

Government positions pay as high as $446.00 a month to start. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience.

But to get one of these jobs, you must pass a test. The competition is keen and in some cases only one out of five pass.

Lincoln Service helps thousands prepare for these tests every year. It is one of the largest and oldest privately owned schools of its kind and is not connected with the Government.

For FREE information on Government jobs, including list of positions and salaries, fill out coupon and mail at once—TODAY. You will also get full details on how you can qualify yourself to pass these tests.

Don't delay—Act NOW!

Michigan Fans Aglow Over Wolverines' Big Start

'M' Grid Display Sharp in Ripping Uclans, 29-16

Offensive Attack Most Versatile at Michigan in Many Years

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

ANN ARBOR — Football fans of the University of Michigan be happy! Whether or not the Wolverines are as good as their 29-6 UCLA Saturday made them appear to be remains to be seen.

One thing was certain. The U. of M. team put on a razzle-dazzle offensive display which Michigan fans may have to go back to the late 40's to recall.

The Wolverine line tore up UCLA awsomely. With Dave Raimey and Bennie McRae sweeping outside on spinners, reverses and tricky handoffs, and Bill Tunicliff pushing his 200 pounds of power through the middle, Michiagn played its sharpest opening game in at least 10 years.

Pre-season forecasts boomed UCLA as the best on the coast and one publication called the Uclans the best team in the country.

★ ★ ★

Michigan didn't even break a sweat on the warm afternoon at Ann Arbor, but coach Bump Elliott doesn't agree with all the optimism that the Wolverines are as good as they were. "Our ends did a good job in blocking for our outside game, but I don't think we're that strong," Elliott commented.

UCLA coach Bill Barnes disagreed vehemently. "I figured they would be tough," he said, "but they have even more power and speed than I could have imagined."

Ten Oakland county gridders got into the game as Elliott cleared the bench. Ex-Walled Lake ace John Walker played a great game as middle linebacker and Tunnicliffe, former Ferndale St. James star, supplied the power on offense.

★ ★ ★

Denis Alix of West Bloomfield was the 4th quarterback to get into the game, while Bob Lovell of Birmingham saw action as the third tackle on one side.

Michigan made it 13-0 before the first quarter. Taking advantage of a bad UCLA quick-kick by Keith Jensen, Michigan drove 38 yards in seven running plays for its first touchdown. Raimey and McRae ripped big yardage outside while Tunnicliff barreled through the middle to get the ball within touchdown distance.

Tunnicliff smashed over center from the one and the rout was on. The second Wolverine touchdown came in three plays as Michigan went into the end zone with Raimey slithering the final 20 yards and diving across the goal line.

★ ★ ★

Doug Bickle, a sure-footed sophomore, booted a 29-yard field goal in the second quarter when Michigan's drive stalled after traveling 64 yards to the Uclan 12.

McRae's four-yard run around right end in the third quarter produced another Wolverine touchdown. Ken Tureaud closed out the scoring as he grabbed Bob Smith's fourth down pass on the Michigan 8 and raced 92 yards up field into the end zone.

McRae was Michigan's big yardmaker, totaling 74 yards in 12 carries. Raimey carried 59 on eight rushes while Tunnicliff made 58 yards in 11 attempts.

Michigan outgained the Uclans on the ground 227 to 114. Of the Bruins' ground total, all but 29 were gained in the second half as coach Elliott made free use of the Wolverine bench.

Welterweight King Looks to Europe

NEW YORK (AP) — Welterweight champion Benny (Kid) Paret is looking toward Europe and a series of non-title bouts today while Emile Griffith, the dethroned champ, is screaming for a rematch.

Asked if he would give Griffith another chance, Paret's manager, Manuel Alfaro, was most emphatic.

"No place, no time, no how."

"When we had the title last time they didn't give us a chance to make any money," Alfaro went on. "Now we are going to make some."

Alfaro said he had a $30,000 offer to fight Duilio Loi of Milan in Italy and a $25,000 offer to box Brian Curvis in London in over-the-weight matches before he thought of a defense.

International Flavor

NEW YORK (AP)—The Jersey City franchise will be shifted to Jacksonville, Fla., at a meeting of the International Baseball League here today, The Associated Press learned.

★ ★ ★

Satisfied Spartans Await Stanford

EAST LANSING (AP) — The Michigan State football forces are looking back with satisfaction to Wisconsin and forward with concern to Stanford.

"The best opening game we've had in years," was Coach Duffy Daugherty's summing up of the 20-0 win over Wisconsin.

The Spartans now briefly on top of the Big 10 standings, won't be resting on their laurels, however. Not with Stanford, a 34-0 winner over Oregon State as the opponent here this Saturday.

"I was surprised and amazed by the score," Daugherty admitted. "Once again it looks as if we'll have to stop a fine passing attack. We can't afford to look past Stanford to Michigan."

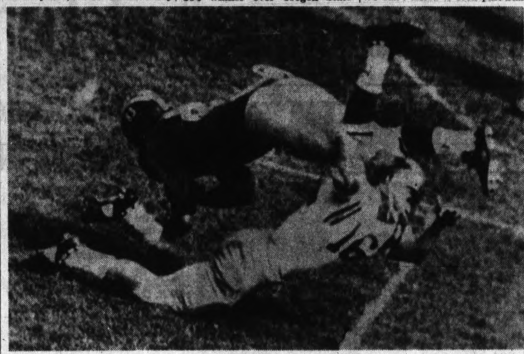
Michigan State's own passing attack will get a going over this week. The Spartan quarterbacks didn't complete a single throw during the game at Madison.

Not that Michigan State needed to pass. The crushing running game was good for a touchdown in each of the first three periods and the hard-nosed defenders, led by team captain Rocky Ryan, threw back Wisconsin every time the Badgers neared the MSU goal line.

Although 11 backs shared in grinding out the yardage, the fullbacks did all the scoring. Junior George Saimes scored twice, once from three yards out and the other time on a spectacular 24-yard broken field run. Senior Ron Hatcher threw himself over from the one for the other touchdown.

Saimes led the offense by grinding out 94 of the 330 yards Michigan State made on rushing. But everyone in the backfield got into the act, including sophomores Sherman Lewis and Dewey Lincoln with 48 and 39 yards. Wisconsin, led by quarterback Ron Miller, picked up 184 yards passing.

"But we kept them from throwing the long bomb—the scoring touchdown," said Daugherty wit' satisfaction.



AP Photofax

ALL IN VAIN — Michigan end Jim Korowin (83) is sent flying by halfback Rob Smith (16) of UCLA in the first quarter. Korowin managed to hang onto the ball after a 10-yard pass completion but it was all in vain as the play was called back and the Wolverines were penalized 15 yards for illegal use of the hands.

State Colleges Have Road Trouble

By The Associated Press

Several of Michigan's small college football teams went on out-of-state visits over the weekend and got the tar kicked out of them. And most of those who entertained out-of-state visitors in Michigan also got clobbered.

For example, Bradley took Northern Michigan 14-8, Wittenberg of Ohio steamrollered Alma 43-0, Wheaton (Ill.) overpowered Hope 20-0, Southern Illinois clipped Central Michigan 18-0, St. Norbert (Wis.) beat Ferris Institute 35-7, and Western Illinois chewed up Eastern Michigan 43-0.

On the other hand, Western Michigan edged Miami of Ohio 6-3 and Michigan Tech overpowered St. Cloud (Minn.) 20-6.

In all-Michigan games, Albion beat Kalamazoo 15-0 and Olivet edged Adrian 9-0.

★ ★ ★

The Bradley-Northern Michigan contest was scoreless the first three quarters. But Bradley capitalized on two Northern mistakes in the fourth quarter to win.

Bradley got its first break when Northern was in fourth down position on its own 25. Center Jerry Goerlitz snapped the ball back over Jim Trenton's head. Trenton managed to down the ball on the four but then Bradley took over and three plays later Havard Gorden went over from the one.

A few minutes later, with Bradley on its own 33, Trenton punted on fourth down. His kick was deflected and Bob Berry caught it on the 29. Dean Meffort later scored on a sneak from the one.

Northern's only tally came on a quarterback sneak by Frank Novak with six seconds left to play.

At Macomb, Ill., Western Illinois halfback Leroy Jackson scored three douchdowns in his team's stunning shutout of Eastern Michigan. It was the first Interstate Intercollegiate Athletic Conference football match for both squads. Eastern was hampered by fumbles and only once reached the opposition's 10-yard line.

In another IIAC match at Carbondale, Ill., Southern Illinois' easy victory over Central Michigan enabled SIU to tie a conference record with its 11th straight conference win. Central set the record in the 1952-53 seasons.

★ ★ ★

The Chippewas made only two first downs, both on penalties, and gained just 17 yards rushing and 6 passing. The Salukis had 201 yards rushing and 134 passing.

St. Norbert's five touchdowns against visiting Ferris all were scored by different men. Ferris' sole tally came in the third quarter on Jerry Falor's six yard run.

Albert Haris scored two second quarter touchdowns — both on 6-yard runs — for visiting Wheaton against Hope.

★ ★ ★

At Alma, Wittenberg University held a 14-0 lead at the half and then romped for 29 additional points. The winners overpowered Alma on the ground, 128 yards to 6. But Alma connected for 76 yards through the air, compared to Wittenberg's 64.

Jack Bolt scored two touchdowns for Michigan Tech against visiting St. Cloud. Bolt got the first on a four-yard run in the first quarter and the second on a 30-yard run in the third quarter of the Northern State conference game. Les Lyons scored Tech's other tally.

In a Mid-American conference game at Kalamazoo, Western Michigan's victory was its first over Miami since 1943. Western trailed 3-0 at the half, but Alex Forge drove over from the three-yard line in the last period to put Western ahead. The tally came after a 63-yard Bronco drive.

Olivet marked its MIAA opener with its victory over Adrian. Chuck Cilibraise scored the sole Olivet touchdown.

In another MIAA game, Albion picked up seven points in the second on a touchdown and a kick and eight more points in the fourth on a touchdown and a pass for a two-point conversion while holding Kalamazoo scoreless.

Several Football Powers Added to Defeat Column

By The Associated Press

It will be another month yet before Iowa and Mississippi realize their moment of truth in college football, unless...

Unless the roof falls in on them as it did to Ohio State, Rice, Penn State and UCLA, to name four, last weekend.

The two powerhouses, ranked 1-2 nationally in The Associated Press' poll, may make it unscathed until Nov. 4, when both face their toughest opponents of the year, Ohio State and Louisiana State, respectively.

The Hawkeyes, who made Coach Jerry Burns debut last Saturday a success by beating California 28-7, play Southern California this weekend.

Mississippi, with two straight victories, and 17 games in an unbeaten string, takes on Florida State. Ole Miss had to work for a 20-7 victory over Kentucky last Saturday night.

In between Southern Cal and Ohio State, Iowa faces Big Ten foes Indiana, Wisconsin and Purdue while Ole Miss must tackle Houston, Tulane and Vanderbilt before playing LSU.

Ohio State, though, had it's thoughts of a perfect season jolted by upset-maker Texas Christian, which held the favored Buckeyes to a 7-7 tie. Last week, TCU upset Kansas 17-16, and now challenges Texas for Southwest Conference supremacy. Those two don't meet till late in November.

Rice, another of the so-called SWC elite, ran right into Georgia Tech's up-and-coming buzzsaw that mowed 'em down 24-0 while UCLA, the pride of the West Coast's Big Five, got ambushed by Michigan 29-6.

Coupled with Penn State's Friday night loss, the nation's top 10 teams are in a rather bedraggled

However, Saturday is another day and Ohio State gets a chance to catch the Uclans still down. Penn State takes on Boston University, a 31-7 loser to Army last Saturday, on Friday night. Rice is idle.

Some of the big boys made out better. Alabama, which now contends with Ole Miss and Georgia Tech for Southeastern Conference honors, beat Tulane 9-0 and plays Vanderbilt this week. Fifth-ranked Syracuse scored 29-14 over West Virginia, which hasn't won a game in 18 starts, and will have a little more competition this week from Maryland.

Texas continued going strong, walloping Texas Tech 42-14 and meets Washington State on Saturday. Michigan State, No. 10, atop the Big Ten after beating Wisconsin 20-0, will find out if Stanford is for real. The Indians, after an all-losing season in 1960, won their second last Saturday, upending Oregon State 34-0.

Notre Dame convinced everyone it wasn't kidding with its 19-6 beating of Oklahoma, and Navy may not be as dead as many think after beating Willliam & Mary 44-6.

Kansas, tabbed a power before the season, still hasn't won in two starts, after tying Wyoming, the Skyline's top-dog, 6-6. Baylor will have something to say in the upcoming Southwest Conference race after winning its second in a row, 16-13 over Pitt.

And Virginia had its one-game winning streak snapped—but how —42-0 by Duke.

Clarkston Pilot Captures Heat in Miss USI

MADISON, Ind. (AP) — Eight giant speedboats rocked gently in the Ohio River today, waiting for a delayed afternoon windup of the unlimited hydroplane racing season in the unlucky 14th Madison Regatta.

Driver Jim Clark, 30 of Gibraltar, Mich., was injured fatally Saturday when his 266-cubic-inch hydroplane disintegrated in a race supplemental to the contest for the Gold Cup boats. Clark was charing directly into the setting sun when his boat slapped the choppy river and fell apart. He died yesterday.

Clark's death was the second in a major regatta in the last month.

Rain and mist yesterday forced postponement of the finish of the Governor's Cup race for the unlimiteds, although deciding heats were raced in smaller hydro classes. Two more elimination heats and finals for the governor's cup were rescheduled this afternoon.

Saturday's heats for the unlimiteds were won by Bill Muncey of Seattle in Miss Century 21, which already has clinched the national championship this year; Miss Bardahl, another Seattle boat driven by Don Musson of Akron, Ohio, and Miss U.S.I., a two-time former Madison winner driven by Roy Duby of Clarkston, Mich.

Moss Breaks Lotus Mark at Waterford Race Track

By DON VOGEL

Stirling Moss put a crimp in plans of road racing enthusiasts who are thinking about using a sports car with the motor mounted up front.

"The trend is even more pronounced toward engines mounted in the rear," the Englishman said Sunday at the Waterford Hills road racing track.

★ ★ ★

"Mounting the engine in the rear gives the car better lines up front and it can be built lower to the ground. This gives the car more stability on the curves and additional overall speed."

The 30-year-old Moss has won 16 major road racing championships. He was at the Waterford track to give a driving demonstration between races of the Oakland County Sportsmen's Road Racing Club's fall program.

He climbed into a Lotus Elite fresh from a dealer's showroom and proceeded to break the one lap time for that make of car. The balding champion made seven turns around the one and a half mile layout.

His best clocking was 1:35.5, three tenths of a second faster than any other Lotus had been driven around the many-curved course. The car Moss was piloting was not modified for racing nor did it contain road event tires or other equipment.

★ ★ ★

When asked what he thought about the track, Moss said:

"It is difficult to form a definite opinion because I took so few laps. It has a couple of difficult curves that are easy for the professional driver, but could be trouble for some of the amateurs competing here.

"If I had an opportunity to drive here two or three times I could make a better evaluation."

He did feel, however, that the course "is very good for learning" to drive in road race events.

★ ★ ★

"Although it isn't as difficult as major courses, this facility contains the same driving hazards, in a modified form, as the larger ones. It would be much easier for a driver who has gained experience on this course to compete in the bigger road races."

Glenn Baldwin of Birmingham, driving a Lotus XVII, was victorious in the H-Production class of the feature race for modified cars.

Pontiac Press Photo

GREETS CHAMPION — Art Nowak (left), president of the Oakland County Sportsmen's Road Racing Club, greets Stirling Moss on his arrival Sunday at the Waterford Hills track. Moss, from England, has won most of the world's major road racing championships at least once.

Grand Rapids Battles Columbus to 7-7 Tie

GRAND RAPIDS (AP) — The only undefeated teams in the United Football League, the Columbus, Ohio, Colts and Grand Rapids Shamrocks, battled to a 7-7 tie here last night.

Columbus is the leader in the eastern division while Grand Rapids leads the western circuit.

After a 67-yard Colts' drive in the third period, Harold Ward plunged over from the five for the touchdown. Charles Comer kicked the extra point.

Grand Rapids rebounded on quarterback Jack Moynihan's 67 yard touchdown run. Jarv Walz kicked the extra point.

Many Secrets Behind Long Lives in Hunza

NEW YORK (AP)—In the state of Hunza in northwestern Kashmir live the Hunzakuts, and they usually live to be from 80 to 110 years old.

They show no signs of senility, heart disease is almost nonexistent, and cancer is rare.

Dr. J. Milton Hoffman of Mount Vernon, N.Y., president of the National Geriatrics Society, spent four weeks in Hunza trying to find out the Hunzakuts' secret of long life. He returned by plane Sunday indicating that it is probably not one secret but many.

OUTDOORS ALL DAY

The Hunzakuts are farmers who work outdoors all day at an altitude of 8,000 feet, tilling unusually rich soil, and they drink plenty of water which appears rich in minerals.

Their diet contains little meat, and their main dish is apricots.

They use very little tobacco, and use wine only for medicinal purposes.

They go to bed when it gets dark, and get plenty of rest.

During the day they preach and practice brotherly love—and are completely noncompetitive.

Is Change-of-Life Making You Only Half a Woman?

Too tense, too tired to be a real companion to your husband?

Special women's medicine can relieve "hot flashes", weakness, nervousness ...then you can enjoy life fully again!

Has change-of-life left you so weak you feel only "half" alive? Suffocated by "hot flashes", constantly tense ... so you can't be an affectionate wife and mother?

Don't despair! Lydia Pinkham's Compound can relieve both tension and physical distress! In doctor's tests, Pinkham's gave dramatic help—without costly shots!

Irritability is soothed. "Hot flashes" subside. Then most women can go "smiling through" change-of-life without suffering!

If change-of-life has left you only "half" a woman, get Lydia E. Pinkham's Vegetable Compound from druggists. See how fast you can feel "all woman" again!

SLEEP 8 HOURS—WAKE UP TIRED? When due to simple iron-deficiency anemia, take Pinkham Tablets. Rich in iron, they start to strengthen your blood in one day!

LEAVE YOUR FAMILY A Home...

...NOT A MORTGAGE!

Suppose something happened to you. Wouldn't you like to leave your home mortgage free? Make certain you leave your family a home instead of a mortgage through our Mortgage Cancellation Plan. For details call or write:

Gaming Devices Cost White Lake Inn $50 Fine

Oxbow Inn, White Lake Township, has been fined $50 by the Liquor Control Commission on a charge of having gambling devices on the premises.

★ ★ ★

Charged was owner John J. Kelley, 9500 Elizabeth Lake Road, Union Lake. The fine was waived at the hearing held in Lincoln Park.

Man of War Cay in the Abaco Islands of the Bahamas is the center of the shipbuilding industry in the Bahamas. Ships are built by methods handed down through the generations.

More Refugees Jam Shelter in Katanga

ELISABETHVILLE, Katanga (AP)—Hundreds of refugees carrying household possessions poured into the already overcrowded U.N. refugee camp here Sunday after an outbreak of tribal fighting in Elisabethville's African quarter.

The U.N. camp now houses more than 30,000 African refugees who have left their homes in Elisabethville through fear of intertribal troubles.

Ceramic-face glass blocks, with color which can't chip or peel, are now available in bright colors for the home.

Prospects Dim for Fast End to Maritime Strike

SAN FRANCISCO (AP)—Prospects remained dim today for early settlement of the West Coast shipping strike that has tied up at least 15 ships here and 10 more in other ports.

★ ★ ★

"We're ready for a long strike if necessary," said Capt. Robert Durkin, president of the Masters, Mates and Pilots Union.

J. Paul St. Sure, head of the Pacific Maritime Association, said the shipowners have nothing to discuss with the union.

★ ★ ★

A union official predicted that if the contract dispute lasted a month, some 70 ships could be affected.

Milford Man's Body Found in Car on Trail

The body of a 40-year-old Milford man was found in a car parked on a woodland trail in the Highland Recreation Area Saturday by a passing hunter exercising his dog.

★ ★ ★

Allen D. Barns of 862 Squire Lane was pronounced dead due to carbon monoxide poisoning. A hose had been run from the car's exhaust pipe through the floor boards of the sealed car, sheriff's deputies said.

William Decker of 605 Summit St., Milford, found the body.

Reds in China Mark 12th Year

Peiping Paper Reminds People of Hard Times, Temporary Setbacks

TOKYO (AP) — China celebrated the 12th aniversary of Communist rule with fireworks, singing and dancing in a "sea of joy, a colored fairyland," radio Peiping said today.

But a somber note was sounded by the Peiping People's Daily which reminded the people of hard times and what it called temporary setbacks "arising in the course of our advance."

"The reduction in the output of grain, industrial crops and subsidiary rural products has affected the production of both light and heavy industry, and consequently commodity supplies and the people's livelihood," said the official Chinese Communist party newspaper.

Red China's party leader Mao Tze-tung and government officials reviewed a parade Sunday of more than a half million people in Peiping where the main rally was held, Peiping broadcasts said. Among the foreign dignitaries on the rostrum was President Osvaldo Dorticos of Cuba.

The Soviet Union sent a second-level team to the observance but Mayor Peng Chen, of Peiping, the keynote speaker, stressed that Red China is united "by unbreakable, fraternal bonds" with the Soviet Union and other Communist nations.

Demands Cuba Recall Envoy in Philippines

MANILA, Philippines (AP)—President Carlos P. Garcia demanded today t he recall of Cuba's charge d'affaires, Andres Alvino Soler.

The president's action followed defection of Jorge Freire Gonzalez, an assistant charge d'affaires at the Cuban Embassy, who charged the embassy was a center for distributing Communist propaganda.

Cites Attack Strategy

SAIGON, South Viet Nam (AP) —The rebel attack in South Viet Nam is no longer guerrilla warfare but a Communist attempt to win a strategic victory in Southeast Asia, President Ngo Dinh Diem said today.

Grains Are Steady to Slightly Lower

CHICAGO (AP)—The grain futures markets were steady to slightly lower in early transactions on the board of trade today.

Lack of hedging pressure and scattered commission house buying imparted a little strength to soybean futures. There was little to influence the trade in wheat and corn and these showed a tendency to weaken around the opening.

Rye advanced fractionally and oats were mixed on early demand for both grains.

Livestock

DETROIT LIVESTOCK

DETROIT, Sept. 28 (AP) — Livestock: Today's receipts — cattle 200, calves 25, hogs 150, sheep 50. Cattle compared last week slaughter steers and heifers steady; cows were 50c higher first three days, late trade closing about steady; bulls steady to strong; moderate showing mixed high choice and prime 975-1,200 lb. steers 25.50; liberal showing high choice and high choice to prime yearling steers 25.25; most low to high choice steers 1,200 lb. down 24.25-25.00; mixed loads high good and low choice steers 1,100 lb. down 23.75-24.25; few loads high good and low choice steers 1,000 lb. down 24.25-24.50; good steers 22.50-23.75; standard steers 21.00-22.50; utility steers 22.50-23.75; standard steers 21.00-22.50; utility steers 19.00-21.00; moderate showing high choice and high choice to prime heifers 23.75-24.00; most low to average choice heifers 22.75-23.50; good to low choice heifers 21.50-22.75; standard heifers 20.00-21.50; utility heifers 17.00-20.00; utility cows sold early in the week 16.00-17.00; late trade 15.50-16.50; few up to 17.00; canners and cutters closed 12.00-16.00; utility bulls 19.50-21.00; strong weights up to 21.50; cutter bulls 17.50-19.50.

Vealers compared last week vealers fully steady; most prime 35.00-38.00; good and choice 28.00-35.00; standard 22.00-28.00; cull and utility 17.00-22.00.

Sheep compared last week slaughter lambs 50c higher; slaughter ewes steady; most choice and prime spring slaughter lambs 19.50-20.50; good and choice spring lambs 16.50-19.50; most choice and prime shorn spring lambs 18.50-19.60; cull to choice slaughter ewes 3.50-6.50.

Cattle 200. Trade on limited supply of good and choice steers steady; lower grade steers weak to 25c lower in clean-up trade; utility cows not fully established, lower bids retarding trade; canners and cutters steady with Wednesday's late 50c decline; scattering of good to low choice steers 22.50-24.25; standard steers 20.75-22.25; utility steers 18.75-20.75; utility and standard heifers 17.00-21.00; canner and cutter cows 12.00-15.50.

Vealers 25. Not enough to make a market.

Sheep 50. Not enough to set up quotations.

Business and Finance

Most Changes Narrow

Early Stock Prices Are Mixed

NEW YORK (AP)—The stock market was mixed in moderate trading early today.

A major uncertainty was the labor negotiations at Ford and Tuesday's strike deadline.

Changes of most leading issues were narrow. Selected issues made some fairly wide moves.

Ford dropped a fraction following its strength on Friday. Chrysler picked up a fraction and General Motors was unchanged.

★ ★ ★

Steels were unchanged to lower as producers expected no substantial improvement in orders until the auto labor negotiations are completed. Slight losses were taken by Republic and Jones and Laughlin.

Gains of a point or so were made by Goodrich and Eastman Kodak. Du Pont erased an initial loss of more than a point.

Canadian Breweries fell 2¾ to 50 on 3,600 shares, trimming the loss a bit in later trades.

Revlon and Penn Fruit also met demand, adding more than a point apiece.

★ ★ ★

Montgomery Ward gained a fraction and interstate department stores was about unchanged.

Lorillard and Metro-Goldwyn-Mayer gained close to a point each. Small losses were shown by Kennecott, Woolworth and United Aircraft. Douglas Aircraft lost about a point.

Opening blocks included: Revlon, up 1⅞ at 80¾ on 6,000 shares; Sperry Rand, up ½ at 24½ on 5,000; and, on blocks of 4,000 shares each, Bethlehem off ⅛ at 40⅛, General Electric unchanged at 75, and General Motors unchanged at 49⅝.

★ ★ ★

Prices on the American Stock Exchange were irregular. General Plywood dropped about a point. Other losers included Arkansas-Louisiana Gas, Imperial Oil and Barnes Engineering. Among gainers were Aerojet-General, Loral Electronics and New England Telephone.

Treasury Bonds Steady

NEW YORK (AP) — Corporate bonds were mixed at the opening today. U.S. treasuries held mostly steady.

In corporate trading on the New York Stock Exchange, railroad bonds sagged a bit. Activity was greatest in that sector.

More utilities were up than down and industrials showed the same, but transactions were few and price fluctuations very narrow. Investment grade issues tended to follow the rails to slightly lower ground.

An over-the-counter dealer in governments described dealings as "very quiet," with bills a little stronger and practically no change in bond prices.

A scattered few issues advanced the minimum 1/32 of a point.

The only early movement of 1 point or more nipped that much from Commonwealth Edison 2⅞s of 2001, dropping their price to 73.

Other losers included Atlantic Coast Line Railroad 4½s of 1964 by ½ to 100¾, Missouri Pacific 5s of 2054 by ½ to 58, New York Central 6s of 1980 by ⅜ to 80⅝, TWA 6½s of 1978 by ½ to 88, American and Foreign Power 4.80s of 1987 by ¼ to 62⅝ and American Telephone and Telegraph 5s of 1983 by ⅝ to 105⅝.

Weekend Traffic Fatal to Ten

By The Associated Press

A highway collision in which two young servicemen and a 17-year-old girl were killed pushed the weekend traffic death toll in Michigan to 10.

In addition, three persons died in miscellaneous accidents.

The Associated Press tabulation runs from 6 p.m. Friday to midnight Sunday.

Traffic:

Airmen 2.C. Daniel L. Koch Jr., 20, of South Minneapolis, Minn., and Howard L. Barber, 21, of Mount Vision, N.Y., and Jenny Willis, 17, of Mount Clemens were killed and four others were injured seriously Saturday night in a two-car collision near Selfridge Air Force base near Mount Clemens.

★ ★ ★

Roy Fowler, 25, of Ovid, and John Fritz, 19, of Owosso were killed Sunday when their car smashed into a tree 7 miles east of Owosso. Two passengers were injured.

Laurence Allen Blake, 35, of Taylor, died Sunday night from injuries received when he was struck by a car while walking along a road in Taylor Saturday night. The driver, Mrs. Cyonne Shores of Taylor, 30, apparently didn't see him, police said.

STRUCK BY MAILMAN

Margaret Groenendal, 2, of Hudsonville, was killed Saturday when she was struck by a rural mail carrier's car in front of her home.

Curtis Davis, 38, of Detroit, died Saturday when he lost control of his car and struck a utility pole in Detroit.

★ ★ ★

Mrs. Elmo Westman, 61, of Detroit, died Saturday night in a two-car head-on collision on M29 in St. Clair Township, St. Clair County.

Killed in a two-car collision Saturday night on U.S. 10 in Waterford Township, Oakland County was James Ely, 49, of Pontiac.

Miscellaneous: Mrs. Floyd Webber, 42, of Pontiac, a semiinvalid, died Saturday of smoke inhalation in a fire at her home.

★ ★ ★

Joseph G. Ohsowski, 39, of Detroit, a construction worker, was killed Sunday when he fell 60 feet from the roof of Ford Motor Co.'s Highland Park plant.

A wyandotte man, Floyd Gambrel, 52, died Saturday of a severe cut he suffered the night before when he fell on a piece of jagged glass protruding from a broken door of his home.

Steel Mills to Hold Line on Prices, Buyers Sure

By SAM DAWSON
AP Business News Analyst

NEW YORK — Most of the men who buy steel are betting the steel mills won't raise prices this fall—much as they would like to because of the higher wage scales in effect today.

A little more than half would consider substitutes if steel prices did go up, and a third would dicker with foreign sources.

★ ★ ★

At least this is how 624 purchasing officers for steel-using corporations size up the situation.

Four out of five of these customers, understandably enough, agree with President Kennedy that a steel price isn't justified at this time. But two out of three side with the steel executives opposed to any intervention by government in deciding whether the wage hike merits a price rise.

POLLED CUSTOMERS

The sampling of steel customers was made by Purchasing Magazine, a trade publication.

Questioing of steel-users by others shows many may hike their own prices, even if steel itself doesn't go up. And still more would pass along any steel price increases to their own customers and add in some other higher costs that trouble them.

★ ★ ★

For one thing, many will be paying the higher wages right along with the mills, since about half of the United Steelworkers members work for the mills' customers—the makers of boilers, tin cans, nuts and bolts, metal stampings and many other stel products. The union also has contracts with the producers of a steel competitor, aluminum.

Price hikes are being considered by makers of sueh end products as box springs for bedding, stoves, dishwashers, farm implements, trucks, construction equipment, chain belts, lathes and grinders.

In all cases the reason given: Rising labor and other production costs are squeezing profit margins more than they can stand.

Rising prices this fall in basic steel are feared by only 16 per cent of the 624 purchasing agents for the steel-users. And only 20 per cent think a steel price increase would be justified. But 66 per cent were against congressional action to prevent a steel price rise. Only 16 per cent think Congress should pass judgment on what is a satisfactory rate of profit for the steel industry.

While 73 per cent of the buyers of steel would like to see more competition in that industry, 67 per cent doubted that steel-users would benefit if the steel industry were broken up into a large number of small rival companies. And a whopping 81 per cent said subjecting the industry to government price regulation wouldn't help users at all.

Two of the things that steel executives have been mulling over have been: Competiton among the mills themselves, since many have idle facilities they would like to put to work if they could find customers, even at present prices; and competition from substitutes which would only be increased if steel prices were raised.

Thee substitutes include aluminum, other metals and plastics for some products, and concrete or other building materials in the construction industry.

Also troublesome is the ever present threat of foreign competition as the steel industries of Western Europe and Japan grow.

So the magazine asked the 624 purchasing agents what they would do if steel prices were raised, and 55 per cent said they would consider switching to competitive materials. The replies didn't indicate whether the other 45 per cent were in a position to use substitutes economically.

But 63 per cent said buying from foreign sources didn't figure in their plans whatever course domestic prices take.

News in Brief

David R. Stephens, manager of the Miracle Mile Drive-In Theater, told Pontiac Police that $523 in proceeds and petty cash in two cloth sacks and a metal cash box were stolen from the trunk of his car early Sunday morning while it was parked on a lot at E. Pike and Perry Streets.

Thieves broke into the home of Albert A. Rhodes, 32, of 298 Prospect St., this morning and took a television set, record player and undetermined amount of clothing, said Pontiac Police.

A fire causing $200 damage to the back door of Florence Clinton's home at 5220 Cooley Lake Road was started from a smoldering log taken from the fireplace and placed on the back porch, according to Waterford Township firemen.

Mrs. Eugene Sikorski of 2807 Walton Boulevard told Waterford Township police that sometime Saturday night, thieves stole $180 worth of outdoor furniture which was in the Sikorski yard.

Vandals ransacked the Kenneth Hoyt home at 3983 Letart St., sometime Saturday night, according

Rummage Sale, Wed., Oct. 4, 9 a.m. to 3 p.m. 327 S. Woodward, Birmingham. Auspices of Birmingham Eastern Star. —Adv.

Bargains in refinished furniture at the Salvation Army Red Shield Store, 118 W. Lawrence Street. New merchandise received daily.

Lodge Calendar

Areme Chapter No. 503 O.E.S. Annual meeting and election of officers. Oct. 2, 8 p.m., Roosevelt Temple, 22 State St. Ethel Clark, Secretary.

Annual meeting of Pontiac Chapter No. 228 O.E.S., Monday evening, October 2nd, 1961, at 8 p.m. at the Masonic Temple, 18½ E. Lawrence St. Signed, Edith M. Coons, Sec'y.

JOHN H. LAMB

Bloomfield Man Gets GM Post

John Lamb Appointed Executive in Charge of Procurement

Appointment of John H. Lamb of 250 Warrington Road, Bloomfield Hills, as executive in charge of procurement for General Motors is announced by Philip J. Monaghan, vice president in charge of the manufacturing staff.

Prior to his appointment Lamb was manager of purchases for the Cadillac Motor Car Division. Lamb's appointment became effective yesterday. He will succeed Raymond H. Vogel. Vogel will retire Nov. 1.

Lamb, like Vogel a native Detroiter, attended local schools and the Detroit Junior College prior to joining Cadillac in May 1920 as a receiving clerk.

★ ★ ★

He has worked in both production and purchasing capacities. During the Korean war he was operations manager of the Cadillac Tank Plant in Cleveland and returned to Cadillac's Detroit office as manager of purchases in November 1954.

Sparton Reports $553,889 Loss, but Big Backlog

JACKSON (AP) — Sparton Corp. today reported a net loss of $553,889 for its fiscal year ended June 30 but at the same time reported a $34 million business backlog.

President John J. Smith of the electronics, appliances and auto parts firm said in a letter accompanying the annual stockholders report that it was "most gratifying" to report a "very significant increase" in the last few weeks in the backlog.

★ ★ ★

Sparton, which has about 1,600 employes in the United States and Canada, expanded this year by putting up a new plant at Albuquerque, N. M. It also has a relatively new plant at Flora, Ill.

Might Hike Taxes, Says Sam Rayburn

WASHINGTON (UPI)—Speaker Sam Rayburn said today taxes would remain high and Congress might have to raise them to keep the United States in the arms race.

"As long as the world is in an arms race, and as long as reckless people have hold of weapons that are totally destructive, we must spend," the Texas Democrat said.

Rayburn said this country must stay in the armament business "as long as it lasts." He added, "If we just had to have more money — I don't think there would be anything that would prevent Congress from raising taxes in certain places."

Higbie Manufacturing Declares 20-Ct. Dividend

Higbie Manufacturing Co. of Rochester has declared a regular quarterly dividend of 20 cents a share on the $1 par value common stock.

The dividend is payable Nov. 1 to stockholders of record Oct. 16, according to Norman Elliott, treasurer.

New Zone Manager for Mercedes-Benz

Appointment of Donald K. Mann, a native of Pontiac, as zone manager is announced by J. Bruce McWilliams, vice president of sales for Mercedes-Benz Sales, Inc.

MANN

Mann, sales manager of the Washington, D.C., zone, will replace Edward N. Baiel who has entered private business.

Mann began his automotive career in 1946 as car distributor, later serving as office manager and district sales manager.

★ ★ ★

Prior to joining Mercedes-Benz Sales, Inc., as field sales manager for the third district of the Washington, D. C., zone, Mann was assistant zone manager for Packard and the Studebaker-Packard Corp. in the nation's capital.

★ ★ ★

He was graduated from Pontiac Central High School and from the Pontiac Business Institute. Mann married and has two sons.

Business Notes

Ernest A. Jones, president of MacManus, John & Adams, Inc., Bloomfield Hills advertising agency was honored as "a one man crusade in behalf of advertising" at a combined meeting of the Art Directors Club of Detroit and the Copy Club of Detroit, Saturday evening at Hillcrest Country Club.

★ ★ ★

Jones, former officer of the American Association of Advertising Agencies, was given a special award, first to be bestowed by the clubs to an advertising man not directly connected with the production of art or copy.

Internal revenue collections on Sept. 27 were $573,045,581.93.

Crash! . . . Bang! Smash! . . . but He's Still Alive

KIEL, Germany (AP) — Police reported a motorcycle rider in a Kiel hospital today is expected to survive after:

1. He suffered serious injuries in a collision with a truck in a suburb;

2. The ambulance taking him to the city collided with a streetcar.

3. A second ambulance that picked him up collided with a car.

A thermoelectric generator for industrial use has been made.

AP Photofax

WALL TOPPLES — A portion of the wall of a blazing warehouse topples at the height of the seven-alarm fire in Philadelphia. The Sunday fire routed 300 from their homes in South Philadelphia. Falling brick walls demolished three adjacent row houses, two garages, a truck and an automobile.
