Seeking 2 Warrants in State Road Deals

Fraud Claimed in Purchasing Muskegon Land

Highway Probe Names Mrs. Lois Moon Ley and G. Palmer Seeley

MUSKEGON (AP) — Muskegon County Prosecutor Robert A. Cavanaugh said he will seek conspiracy warrants today against two persons named in the investigation of Western Michigan land deals.

Cavanaugh said he will seek warrants against Mrs. Lois T. Moon Ley, a Muskegon real estate broker, and G. Palmer Seeley, of Grand Rapids, ousted state highway right-of-way buyer.

The warrants charge Seeley and Mrs. Ley with conspiracy to fraudulently obtain \$90,000 or more of state funds in deals in purchasing state land for the U.S. 31 Harvey street relocation in Muskegon, Cavanaugh said.

Cavanaugh said he decided to seek the warrants after a conference with Perry Maynard, assistant Michigan attorney general, in Muskegon late last night.

The charges against Seeley and Mrs. Ley, Cavanaugh said, stem from operations carried out by the two during the period May 11, 1949 to Jan. 4 of this year in which the purchase of 67 parcels of land were involved.

In Lansing yesterday, Seeley demanded an opportunity to defend himself "instead of being subjected to continuing smear from vilified institutions."

Highway Commissioner Charles M. Ziegler accused Seeley of gross irregularities in firing him last week. Another right-of-way buyer also has been ousted in a widening investigation of Western Michigan land deals.

The chief of the right-of-way division in Lansing headquarters of the department has been relieved of his duties, and Attorney General Frank G. Millard has demanded issuance of warrants in connection with the deals.

In demanding a chance to defend himself, Seeley said in a statement he resented what he termed "McCarthy-like methods" being employed by "certain state and county officials."

Seeley denied having solicited any consideration for performance of his duties other than his regular state salary.

He said that "every transaction which I made was first submitted (Continued on Page 2, Col. 3)

Bug of Virus Pneumonia Found, Says Army Doctor

WASHINGTON (AP)—Two Army researchers today reported isolating from a sick soldier a new type of microbe they said might be the cause of some widespread ailments of the throat and respiratory system.

These might include some severe sore throats, bronchitis, "virus pneumonia," and other acute respiratory ills whose origin is still a mystery.

Dr. M. R. Hilleman and researcher Jacqueline H. Werner of the Army Medical Service Graduate School reported their findings in the proceedings of the Society for Experimental Biology, a technical journal, and give some amplification in an interview.

They said the organism had been recovered from a patient during an epidemic of acute respiratory illness among soldiers at Ft. Leonard Wood, Missouri, during the winter of 1952-53.

Dr. Hilleman also said the majority of sick soldiers in outbreaks at three other camps "showed evidence of infection with the new virus."

"The new microbe has been tentatively dubbed 'RI-67'—the 'RI'

New Controls Threatened to Curb McCarthy Tactics

WASHINGTON (UP)—Sen. Joseph R. McCarthy faced a threat of new controls on his Red-hunting activities today as an aftermath of his angry feud with Army Secretary Robert T. Stevens.

Although the Wisconsin Republican seemed ready for an armed truce with Stevens over treatment of Army witnesses, he announced his permanent investigating subcommittee would launch a new investigation of the Army Monday.

The Army appeared to be cooperating. It promised to produce two privates McCarthy wants to question about whether they signed loyalty oaths when they put on the uniform.

But even as McCarthy declared that his fight with Stevens was "over as far as I am concerned," threats to his powers of investigation came from:

1. The Senate Republican leadership, which ordered a survey of the procedures of investigating committees.

2. His Republican colleagues on the Senate Permanent Investigating Subcommittee, who indicated they would cut down the number of one-man hearings like the one at which McCarthy allegedly "abused" a Brigadier General and stirred Stevens to protest.

3. Subcommittee Democrats, led by veteran Sen. John L. McClellan of Arkansas, who Friday forced McCarthy to give more notice of hearings.

4. The White House where President Eisenhower took a hand in Stevens' statement Thursday, implying criticism of McCarthy's treatment of Army witnesses.

There were signs that GOP Congressional leaders believe Mr. Eisenhower wants them to take steps to curtail McCarthy's authority.

At a hurriedly-called meeting Friday, the powerful Republican (Continued on Page 2, Col. 6)

Colder With Rain, Snow on Sunday

Cloudy and colder weather with rain changing to snow flurries Sunday is the forecast for the Pontiac area by the U. S. Weather Bureau.

A low tonight of from 28 to 32 is expected to precede a high on Sunday of from 35 to 39 degrees.

Friday the temperatures ranged from a low of 23 to a high of 38 degrees in the city.

At 8 a. m. today the mercury registered 32, but by 1 p. m. in downtown Pontiac the temperature reading was 41.

Senate Defeats Bill to Restrict Treaty Powers

Last Minute Dem Vote Gives President Victory Over George Proposal

WASHINGTON (AP)—President Eisenhower won a majority victory in the Senate's vote last night killing proposals to amend the Constitution to limit treaty powers.

The vote was 60-31, one fewer than the required two-thirds of those balloting. The proposal that lost was one by Sen. George (D-Ga.) which had emerged as the final of several versions the Senate has been debating since Jan. 20.

The President has said he has no objection to an amendment that would declare no treaty or international agreement could override the Constitution, but he has opposed various specific proposals he said unduly restricted the executive's right to handle foreign affairs.

In the final vote, 31 senators balked at the will of 60, just as a minority may do on the ratification of treaties. Only five senators of the 96 were not recorded on the roll call.

The President objected that one part of the George proposal—requiring congressional approval before international agreements could become effective as domestic law—would have impinged upon his war powers and his authority to deal with diplomats of other nations. These agreements are made by the President or his representatives without having to be ratified by the Senate, as treaties are.

The margin of one "no" vote, supplied dramatically at the last minute by Sen. Kilgore (D-W.Va.), apparently means there will be no amendment at all, although it is technically possible to reconsider the vote.

Associates said the outcome—no amendment—would be satisfactory to the President. If the Senate had passed the measure, they said, the administration would have redoubled efforts to kill or water it down in the House.

Sen. Knowland of California, the GOP floor leader, went against the President on the final vote, after he previously had opposed substituting the George (Continued on Page 2, Col. 4)

5 Rob Store in Ann Arbor

Armed Men Lock Up 14 Employees Friday, Flee With \$3,000

ANN ARBOR, Mich. (U. S. — Five armed robbers invaded a Kroger's supermarket, herded 14 employees into a refrigerator, shot the lock off a safe and fled with an estimated \$3,000 last night.

Ann Arbor Police said the men entered the store through a loading platform at the rear of the building shortly after closing time. They forced employees into a refrigerator and locked the door.

Police said that the men kept store manager Kenneth Taylor with them as they emptied cash registers.

Then the five tried to pry open a safe. When they failed to jimmy the lock, they shot it off. The door had a time lock on it.

The money was the day's receipts.

Police said that the men fled in Taylor's late model car after locking the manager in the rear of a truck backed up to the loading platform.

The men were in the store about an hour, police estimated, and during that time one unidentified employee kept hidden behind a pile of boxes. When the holdup men fled, police said he released those imprisoned in the refrigerator.

The 14 were in no danger of suffocating, police said, since the sides of the refrigerator were pierced by vents.

Taylor was released when police arrived at 10:45 p. m.

Four of the men were armed with pistols. The fifth carried a deer rifle.

Tear Gas Bomb Routs Thieves

Automatic Device Foils Safecrackers; Police Link 4 Local Breakins

Thieves, linked to three other breakins Friday, were scared off by an exploding tear gas bomb inside a four-foot wall safe at Riemenschneider Bros. auto dealers last night.

Detective William Hanger said the thieves apparently fled from the building when the gas started seeping through the safe.

The bomb's trigger was tripped when the thieves attempted to pound the drift pin back into the safe. The dial was found lying on the floor next to the safe.

Police said all four breakins were similar.

An undisclosed amount of money was taken from another safe at the Kaiser Coal and Supply Co., 702 S. Paddock St., where entry also was gained through a rear window.

Some \$115 was stolen from a gas station at 392 W. Huron St. after the thieves succeeded in opening the four-foot safe, and ransacked the office.

Another filling station at 810 Woodward Ave., was looted of eight cartons of cigarettes and \$20.

The thieves, police said, made break-in attempts at a tavern, 188 Clinton St., and at another filling station, 204 S. Saginaw St., but were unable to gain entry.

Sick Juror Delays Hearing of Land Suit

Pontiac's suit for condemnation of property at 11-49 Parke St. for an off-street parking lot was adjourned Friday until 9:30 a. m. Tuesday by Circuit Judge George B. Hartick.

City Attorney William A. Ewart and defense counsel William J. Beer argued the move because of the illness of a juror.

She became ill while Beer was delivering his argument to the jury as the three-week case neared its climax.

Beer told the jury that the only question before them was whether or not to condemn the property. He claimed the condemnation should not be approved because the proposed site is too far from the downtown area to serve effectively as a parking lot.

Students in Pontiac Area Promise Better Driving

Over 5,000 Pontiac area students promised yesterday to become better drivers.

They took pledges at junior and high school assemblies in connection with the state-wide teenage safe driving pledge project sponsored by the State Safety Commission and the Michigan Youth Advisory Council.

Judge Ponders Law on Rabies

Mandamus Request in License Case Involves Constitutionality

A request for a mandamus requiring County Treasurer Charles A. Sparks to issue a dog license to a Waterford man who refuses to have his dog vaccinated against rabies was taken under advisement yesterday by Circuit Judge George B. Hartick.

Rex Abney, of 3195 Mann Rd., asks that the license be issued on the grounds the law requiring vaccination is unconstitutional.

In taking the matter under advisement Judge Hartick questioned whether or not the constitutionality of a law in relation to the duties of a ministerial officer (Sparks) could be queried by mandamus.

Corporation counsel Harry J. Merritt filed a brief with the county clerk in which he says only a portion of the dog law could be attacked as unconstitutional.

"If the court should hold this section to be unconstitutional," Merritt continues, "the remainder of the statute would still be constitutional and proof of vaccination would be necessary to obtain a license."

Defense attorney Ralph T. Keeling claims the law unconstitutional because it doesn't apply to all persons in the county.

He also points out that persons in Pontiac are not required to have their dogs vaccinated before obtaining a license.

"A dog on the east side of Telegraph road need not be vaccinated while a dog on the west side of the same road must be vaccinated," Keeling said.

He suggests the present law be held unconstitutional and a uniform dog law be adopted by the Michigan Legislature which would apply equally throughout the state.

Students at Eastern, Washington and Lincoln Junior High Schools also took the oath.

Rochester, Avondale and Waterford High Schools planned similar programs.

Others participating in the program are Mrs. Lee Hill head of the sub-committee on driver education and representing the PTA Council, Mrs. Evelyn Matson, of the committee; Arthur Terrell, Pontiac High driver instructor; John Thors Jr., principal of Pontiac High, and Trooper Gerald Taffel of Pontiac State Police post.

Students at Eastern, Washington and Lincoln Junior High Schools also took the oath.

Name Nominees for Commission and Two Judges

Polls to Open at 7 A.M. and Operate to 8 P.M.; Precincts Increased

Pontiac voters will go to the polls Monday in a city primary to nominate candidates for seven places on the city commission and for two municipal judges.

Polling places will open at 7 a. m. and close at 8 p. m.

Thirty-one candidates, the largest primary field in Pontiac's history, await decision of the voters.

Twenty-six candidates are in the commission race at the primary with 12 to be nominated to places on the April 5 general election ballot (two each from District 2 through 7).

One of the five men running for judgehips will be eliminated in the primary.

All of the city's 38,101 registered electors may vote for municipal judges.

Parking Space Shortage Is Called Major Problem by Birmingham Shoppers

From Our Birmingham Bureau
BIRMINGHAM—Lack of parking space and juvenile delinquency were the situations named as "major problems facing Birmingham" in a street corner survey of public opinion made Friday.

Every fifth person passing the reporter on the corner of Woodward and Maple yesterday afternoon was questioned. Three-fourths of the comments were on the parking situation.

"It would be advantageous for the city to arrange for more parking to keep Birmingham in the running with other areas," L. P. Anderson, 582 Ridgedale, said.

"Even at a shopping center, however, people are going to have to walk a block or two," he added.

John Neffie, 493 Orchard Lake Rd., Pontiac, also named lack of parking facilities a major problem, but expressed the hope that shopping centers outside the city would relieve the congestion here.

"There isn't enough entertainment for the youngsters of the town," Mrs. Edwin Evans, 195 E. Southdown said when interviewed. "Then there's the parking problem, too," she added.

Some persons expressed satisfaction with Birmingham as it is, as Mrs. Louis Melow, Jr., 1739 Banbury, "I'm quite happy here, the people are so friendly, and the schools are so good—how do you like Birmingham?"

"I expect a ticket every time I come out of a store; it affects me so much I can't shop right," Mrs. Frank Hill, 2225 Linwood, Royal Oak said. "There's just not enough parking."

"Only thing I can think of is that Birmingham is growing too fast, but I like it here," Mrs.

3,500 Petition for Bingo Vote

County Residents Sign Requests Seeking to Lift Ban on Charity Games

About 3,500 Oakland County residents have signed petitions aimed at lifting the state's ban on charitable bingo by putting the matter on the November ballot.

Pro-bingo forces are still circulating some 3,000 other petitions, according to Robert C. White, county chairman of the Michigan Assn. of Non-Profit Charitable Organizations.

The state group is seeking 263,000 signatures needed for the referendum.

Meanwhile, the State Senate's Judiciary Committee is eyeing a bill that would lead to a public vote without resorting to petitions.

White said this division is a county-wide group and does not solely represent Waterford Township. The state organization will be incorporated next month, he added.

The county division will meet March 4 at 8 p.m. in the Knights of Pythias Hall, 963 Voorhees Rd., to map further campaign strategy. Chief opponents of the pro-bingo move is the Michigan Council of Churches.

Ring Defrauds Auto Finance Companies

DETROIT—Police said today a ring that may be nationwide in scope has defrauded auto finance companies and banks of up to \$300,000 in a car buying racket.

Detectives said the ring would order new cars, resell them in other states, then default on the payments.

One finance company said it had been defrauded of about \$40,000 in 21 deals.

Police auto recovery bureau detectives and loan company investigators plan to check photostatic copies of titles used in the phony deals in an effort to crack the ring.

Union Dispute Moves to Detroit

Building Trades Council Lists Two Companies as Unfair

DETROIT—The bitter dispute between two AFL unions that started in Flint a week and a half ago has spread to Detroit.

The Detroit Building Trades Council Friday put two Detroit companies on the unfair list when, it charged, they used AFL teamsters to do work normally done by the Building Trades.

Unless a settlement is reached by Monday, the council said it would call off thousands of its workers, now working for the two companies.

The council named the Commercial Contracting Corp. and the Dearborn Machinery Movers Co. and cited three machinery moving jobs in which jurisdiction was violated.

A council spokesman said the local dispute centers around machinery removal at the Packard jet engine plant in Utica, the Ford Tank Plant at Livonia, and machinery foundation work at Pontiac Motors in Pontiac.

Commercial Contracting Corp. is the company which was involved in similar charges by the Flint Building Trades Council of the AFL when 1,000-man picket lines were set up around two Buick plants to follow up charges by a Flint carpenters local.

The Flint local said that teamsters hired by the firm were doing carpentry work. Friday in Flint 300-man picket lines were manned around the Buick plant again.

The Detroit Trades Council threatened to remove their workers from two school projects in Garden City and the Hazel Park City Hall.

Andrew McFarlane, council president, said that both companies were told at a meeting with the council Friday that the workers would be taken off the job "unless they change their policies."

Seeking Warrants in State Land Deals

to the right-of-way division of the State Highway Department in Lansing in the form of an option only, which could either be accepted or rejected by the state.

Ziegler also fired Ronald V. Kennedy, another buyer in the Grand Rapids office, and has suspended James M. Kane, chief of the right-of-way division in Lansing.

"If any of these officials conceive that they have any charge of a public nature against me," Seely said, "I believe that I am entitled to have them do so in a court of record, or to a Senate investigating committee, or to a grand jury."

Seely said that "by and large" he was proud of the job he and his staff have done, and "I am ready to defend any transaction which I made in behalf of the state against any charge of dishonesty."

The ousted buyer denied being a member of any moving firm connected with the investigation. He said that his name had been used without his permission for purposes of incorporation of a moving firm.

A complaint of a flooded home due to an alleged underside sewer opening under Woodward avenue at Ravine was given by city commissioners to the manager for study this week.

Seeking a wider sewer opening was J. O. Buckeridge, of 507 Brookside.

In observance of Youth Month in Methodist churches, young people of Embury Methodist Church will conduct the service and supper at tomorrow's service.

The Rev. Reginald Becker, continuing a series of sermons on "Lead Us Not Into Temptation," on the Lord's Prayer, will speak at John Fall and Robert Hunter will help with the service.

Ending a series of discussions, Mrs. Geraldine Patterson, a supervisor of Oakland county Family Service, will speak on "Going Steady" at tomorrow's 7 p.m. meeting of the Senior Fellowship of First Methodist Church. Jeanette Mangle will preside over the service.

All young people of Kirk in the Hills and the community are invited to tomorrow's Fireside Hour at 6:30 p.m. at the church house. Dr. Harold C. DeWitt, minister of the church, will lead a discussion on "Putting Away Childish Things." Miss Virginia Dowling will lead the devotions.

Service for Mrs. Emily G. Holz-angle, 98, of 1525 W. Maple Ave., will be at 2:30 p.m. Monday at the Bell Chapel of the William B. Hamilton Co., with burial in Royal Oak Cemetery.

The widow of Highland Park florist Frank Holzangle, she died at her residence Thursday after a brief illness.

Newcomers to Birmingham are: Mr. and Mrs. Richard J. Carver, who have moved from Detroit to 425 E. 14 Mile Rd. He is with General Motors.

Mr. and Mrs. William B. Miller, former Detroiters, whose new address is 2738 Monterey, Pontiac. He is with Durrant's Clinic Co.

Mr. and Mrs. Stephen Hall and their daughter, Cheryl, from Shreveport, La., who are living now at 2738 Dorchester. He is with J. Walter Thompson.

Mr. and Mrs. J. J. Jones, 405 From Waynesville, Minn., their home is now at 1125 Washington. He is with Ford Motor Co.

JOHN W. WORK

Fisk Singers Due to Present Concert

The Fisk Jubilee singers, directed by John W. Work, will give a concert here March 29 in the Pontiac High School auditorium.

The program is sponsored by the Southwest Civic Assn. under a new policy of combining entertainment with an educational aspect to raise funds for a community center.

Ticket sales are headed by Mrs. Blanch Myers. The singing group was founded in 1871 at Fisk University, Nashville, Tenn.

Committee Kills Race Track Bill

Racing Representatives Lied When Testifying, Sen. Gilbert Claims

LANSING—A bill limiting Metropolitan Detroit to three running tracks is dead today.

The bill, introduced by Sen. George Higgins (R-Ferndale), died Friday when the State Affairs Committee reviewed the measure and tabled it.

But the chairman of the committee, Sen. Perry W. Greene (R-Grand Rapids) said the matter is far from closed.

He said when the Senate reconvenes Monday his committee will present a resolution to investigate the problem.

The committee's decision was on a hearing of the bill Tuesday. Committee members said they were confused after they listened to contradictory testimony by the Michigan Thoroughbred Turf Club and the Michigan Racing Assn.

Said Sen. Donald W. Gilbert (R-Saginaw): "Somebody's lying to this committee. It's time we put these witnesses under oath."

Racing Commissioner James H. Inglis said he would cooperate "100 per cent" with the legislators.

Senate Plans Curbs on Red-Hunt Tactics

version for one administration spokesman had helped work out.

Knowland told his colleagues that while the George proposal was unsatisfactory, the Senate should pass it and let the House try to make improvements in it.

Speaking from the rear of the chamber to emphasize that he was not talking as majority leader, Knowland said he thinks a "dangerous tendency has developed" in the form of executive department encroachment on the legislative branch.

Sen. Ferguson (R-Mich), chairman of the GOP Policy Committee, split with Knowland to vote against the measure.

Sen. Bricker (R-Ohio), who started all the controversy with a proposal which was fought openly by the White House and lost in the effort to compromise the issue, said he voted for the George measure with the hope that the House would "strengthen" it.

The House seemed unlikely to take up the issue at all in view of the Senate's action. However, any one of five absent senators or anyone who voted against passage could move within two calendar days to reconsider the result.

1 DPW Man Released After Cave-in Injuries

One of two Pontiac DPW workers trapped briefly in a West Brooklyn Avenue sewer cave-in Tuesday was released yesterday from Pontiac General Hospital.

John Merrivether, 33, of 397 Highland Ave., suffered possible chest injuries when five yards of dirt buried him and fellow worker, Floyd R. Rhue, 25, of 85 E. Huron St. Rhue is still in critical condition at the hospital with severe head and chest injuries.

Flint Central Debaters Win Place in State Finals

ANN ARBOR—Flint Central High School will represent its region in the Michigan Forensic Assn. debating finals at Ann Arbor in April.

Flint Central debaters won a regional contest at Ann Arbor Friday in which six high schools competed, including Hazel Park, Grand Rapids Christian, Grand Rapids Creston, Detroit Pershing and Ann Arbor.

FBI Counterspy to Speak Here

Agent Who Played Red to Review His 9 Years as a Communist

Matt Cvetie, hero of the cloak-and-dagger story, "I Was a Communist for the FBI," will review his nine years of undercover activities at three talks in Pontiac March 16.

The former FBI agent will be sponsored by the Michigan Veterans' of Foreign Wars in co-operation with VFW Post 1370. Cvetie is being conducted on his tour of Michigan cities by VFW Michigan Grand Senior Vice Commander Leon Buer.

At 10:30 a.m. Cvetie will speak at Pontiac High School and at 2 p.m. he will appear at St. Michael High.

A lecture for adults will be held at VFW Post Headquarters, 308 S. Saginaw St., at 8 p.m.

When he testified before the Congressional Un-American Activities Committee, Cvetie named over 325 American Communist Party members.

During his nine years as an undercover agent he attended more than 4,000 meetings and turned over to the FBI some 50,000 pages of reports dealing with Communist activities.

One newspaper observer, after digesting the material describing Cvetie's work in the Pittsburgh area, said, "The blow to the Communist internationale west of Pennsylvania was so devastating it would take the Communist party more than 20 years to recover."

Methods used by Communist front organizations to gather \$50 million yearly were exposed to the Congressional committee by Cvetie.

He also blue-printed for Congress the activities of the Labor Youth League, youthful arm of the Communist Party in this country which was set up under direct orders of the late Josef Stalin.

Cvetie will appear here under body guard, VFW Post 1370 hopes that his re-accounting of his experiences will aid people to combat Communism in this area.

Movie About Hawaii to Be Shown Tuesday

A color movie about Hawaii will be shown by Nicol Smith in the Pontiac High School auditorium Tuesday at 8 p.m.

The travelogue, covering all major islands in that Pacific archipelago, is the fifth in the Pontiac Kiwanis Club's current entertainment series.

The movie includes pictures of a three-day pack trip into the crater of Haleakala on the volcanic island of Maui. Ceremonial costumes and native customs also are featured.

Flying Boxcar Explodes in Air

Pilot Buzzing Hometown Crashes Plane in Field After Clipping Tree

HUNTINGDON, Tenn. (AP)—An Air Force "flying boxcar" exploded yesterday while its pilot was carrying out a hometown tradition of buzzing the courthouse and the crew of four died in the crash.

The twin-engine C119, on routine flight from Lawson Air Force Base at Ft. Benning, Ga., blew up directly over the courthouse on its second thunderous tree-top level pass over town.

Burning gasoline and bits of wreckage sprayed a four-block area before the big plane smashed into a field at the edge of town where Homer DeMoss and Freeman Taylor were plowing a garden.

Both men, splashed by fiery gas, leaped into a nearby creek. The two terrified mules, trailing flame, ran wild down a highway.

The dead pilot was identified as Lt. Jack Jenkins Jr., 24, son of Mrs. Mabel Jenkins of Huntingdon, well known here before he joined the Air Force in 1951.

The others: 2nd Lt. J. C. Peachey, 26, of near Prescott, Ark.; Airman David A. Probus, 24, of Hammond, Ind.; and Airman Franklin D. Levy, 24, of Lake Arthur, La.

Residents said since World War II it had been tradition for pilots from Huntingdon to buzz the courthouse if they ever got within 100 miles of the town.

J. H. Williams, justice of the peace, said the pilot definitely was "buzzing." Mayor R. M. Murray said "we're lucky the whole town wasn't ripped wide open."

The mayor said the huge plane clipped the top of a house at the start of its second buzz, shattered, and started trailing smoke.

It was a clear, sunny day when the plane first roared over. People ran from houses and stores to watch. Nearly everyone in town (pop. 2,500) saw the violent climax.

Egypt's Leaders Compromise

Naguib Is President; Nasser to Take Reins as Prime Minister

CAIRO, Egypt (AP)—An Army spokesman said today Gen. Mohamed Naguib will return as President of Egypt and Lt. Col. Gamal Abdel Nasser will become his prime minister.

The spokesman told reporters this was the result of a compromise agreement worked out to settle Egypt's internal political struggle.

He told reporters at army headquarters the formal announcement of Naguib's return would be made public shortly.

Naguib was ousted and placed in virtual house arrest early Thursday after the ruling army council charged he was trying to become a dictator.

Today's sudden turn of events came near the end of a day marked by an outbreak of conflicting loyalties within the army. The first indication that something was afoot came in a radio broadcast this morning warning that all disorder would be severely crushed.

There was no hint in this broadcast as to the source from which the disorder might come.

The spokesman said: "Col. Nasser is in full control of the situation all over Egypt. Later today everything will be clear."

Under the compromise agreement, Naguib will come back only as president. He will relinquish his old secondary title of prime minister to Nasser, the man who engineered his overthrow two days ago.

3 to Be Arraigned on Brekin Charges

Three youths, suspects in a rash of break-ins in this area, yesterday were bound over for arraignment March 8 in Oakland County Circuit Court on breaking and entering charges.

The trio, part of a gang of seven arrested Wednesday by West Bloomfield and State Police, were returned to Oakland County Jail when none could furnish a \$1,000 bond set by Waterford Township Justice Willis D. Leturgy. All three waived examination.

Harry A. Brown Jr., 17, of Walled Lake; Bernard F. Roach, 17, of Birmingham; and Donald Klier, 18, of Detroit, and the others were arrested after police uncovered a cache of stolen goods in an abandoned shack at 15-Mile and Orchard Lake Rds.

GM Cost-of-Living Pay Drops One Cent

DETROIT—General Motors today announced a downward revision of one cent per hour in its cost-of-living allowance to approximately 42.000 hourly rate employees resulting from a decrease in the nation's cost-of-living index.

The one cent decrease becomes effective with the first pay period after March 1. These employees, therefore, will receive a total hourly cost of living allowance of seven cents per hour for the months of March, April and May.

Approximately 105,000 eligible salaried employees will also receive an equivalent decrease in their quarterly cost-of-living allowance of \$5. Thus, their total cost-of-living allowance for the three-month period will be \$35.

Fined, Loses License

BIRMINGHAM—Pleading guilty to a charge of driving under the influence of liquor, James Athanasoff, 40, of 116 N. Woodward, was fined \$75 by Justice John J. Gaffill yesterday. He also had his license revoked.

Senator Hopes Ike Vetoes Bill

Increase in Pensions for Congress Could Stir Federal Employees

WASHINGTON (AP)—Sen. Williams (R-DeI) expressed the hope today that President Eisenhower will veto a liberalized pension system for 531 members of Congress and their 4,300 employees.

The Senate late yesterday gave final approval, by a 61-30 record vote, to the pension measure which twice had glided through the House without hearings, debate or even a record vote.

Unless the President vetoes the measure—and that seemed unlikely—Williams said Congress will "find it impossible to say no to some 2½ million other government employees who pay the same retirement rates but get far less liberal pensions."

Sen. Kennedy (D-Mass) said the bill as finally adopted would require an estimated \$1,200,000 additional from taxpayers over amounts paid in by Congress members and employees. But he said this was proper, and that changes in the measure had whacked out \$600,000 of costs.

He said civil service reports showed 88 former members of Congress now receive pensions of about \$25,500 a month or \$335,000 a year. Estimates are that members of Congress now pay in about \$400,000 a year.

Sen. Monroney (D-Okla.) said that the congressional pension fund now has a reserve of about 1½ millions but several senators agreed that eventually the lawmakers' retirement fund will be in the red.

Williams pleaded in vain with the Senate to send the pension bill back so that contributions, now 6 per cent of salary, could be upped to 8 or 9 per cent to pay for added benefits.

Tokyo Police Raid Nets Forged U. S. Vouchers

TOKYO (AP)—A police raid last night netted \$18,000 worth of forged U.S. military payment certificates and two Koreans accused of being leaders of a 10-man forgery ring.

Eight other members of the ring were arrested earlier this month at Osaka.

Mormons to Get Colleges Again

Utah Legislature Gives Control of 3 Institutions Back to Church

By Religious News Service
SALT LAKE CITY — A bill to turn back to the Mormons three junior colleges now operated as public institutions was passed at a special session of the Utah Legislature here despite protests by civic groups in the affected communities.

The institutions — Dixie College at St. George, Snow College at Ephraim and Weber College at Ogden — were transferred to the state in the early 1930s by the Church of Jesus Christ of Latter-Day Saints with the deeds in each case specifying the college would revert to the Mormons if it was not maintained by the state.

Gov. J. Bracken Lee proposed the re-transfer in a message to the Legislature saying it would relieve the state of the financial burden of operating the schools without discontinuing them.

"In view of the financial difficulties which the state will face in the future in the operation of its education program," he said, "I suppose that all the junior colleges originally obtained from the Church be returned to it."

"No one will question the high quality and character of church education. The educational opportunities offered to youth are just as great in this program as they are in the state's."

Assurance that the Church would resume title to the institutions and operate them as part of its educational system was given by J. Reuben Clark Jr., second counselor of the Church's First Presidency, shortly after the governor's message was sent to the Legislature.

Church to Observe Week of Dedication

The sixth annual observance of the Week of Dedication of the Methodist Church is announced for next week. It is expected that one of the results of the week will be "Going the second mile in missionary giving."

In preparation, laymen at Baldwin Avenue and Covert Methodist Churches have been giving a short talk at the morning services for the past four Sundays. Their subjects have been "We Dedicate Ourselves," "All of Myself," "Putting Joy Into Life," and "Every Methodist a Missionary."

The pastor, the Rev. Charles Maher, will preach two special "Dedicated Men" and "The World Is Our Parish," on Sunday and March 7, respectively.

Four New Names Added to Methodist Hall of Fame

CHICAGO (UP)—The Methodist Hall of Fame had four new members today, all honored for their work in philanthropy.

Named were Kenneth E. Cooper, a Birmingham, Ala., lawyer; Mark T. Goldstein, a Chicago doctor; James K. Madson, South Minneapolis, Minn.; and Stanley O. MacMillen, a Newton, Mass., businessman.

The awards were given to the men at the National Association of Methodist Hospitals' and Homes' convention.

Pontiac School of Religion Names Teachers, Courses

Pontiac School of Religion, which opens March 8 in Lutheran Church of the Ascension, today announced teachers and courses for its series to be held Monday nights for six weeks.

In the first series, classes of one hour each Monday evening will include "The Bible Jesus Used."

REBUILD CHURCH—Funds from the Builders for Christ campaign of the Episcopal Church will rebuild this bombed and fire-gutted church in Tokyo. It is still in use by the U. S. Armed Forces and Japanese civilians who receive communion here.

Confident Living

Search Difficult Situation for Guide Light to Victory

By NORMAN VINCENT PEALE

I sat one day in the office of the owner of a great store. Filled with splendid merchandise this store justifies its fine reputation. And the history of the man who built it is the romantic old American story.

I asked him to tell me what he thought were the reasons for his accomplishments, starting with literally nothing and achieving such outstanding results.

He thought for only a moment. Then he said: "God, my wife Helen, America and hard work. That's it in a nutshell."

He went on to illustrate the points he had made by telling me that he had come to that city with "twenty-five cents in my pocket and my bride by my side." Both of them put in long hours of hard work.

In a few years, in partnership with another man, they were able to open a shop of their own. Unfortunately, the partnership made things even worse, and eventually they lost the store.

'Faith for Today' Program Draws Mail Response

"Faith for Today" is the title of the TV program sponsored by the Seventh Day Adventist Church. It is heard over channel seven at 12:30 p.m. each Sunday.

Recently the mail response to this program reached a 3,000-a-week high mark.

A special offering was received at the morning service today in the local church for the program.

Central Methodist Pastor to Give Sermon Series

A series of sermons pertaining to the Easter season has been announced by Dr. Milton H. Bank, pastor of Central Methodist Church.

The subjects consecutively are "The Value of Worship," "The Influence of Family Worship," "The Power of Prayer," "The Bible in a Day of Confusion," "The Grace of Giving," "You Are My Witnesses," "Partakers of the Divine Nature," and "Into a New Kingdom."

the Rev. Robert R. Van Oeyen pastor, White Lake Presbyterian Church; "Introduction to Teaching," the Rev. James Deeg, pastor Oakland Park Methodist Church; "Missionary Education in the Church," Mrs. Percy G. Lattimer of Central Methodist Church, and "Galatians," the Rev. Arvid Anderson, pastor of Christ Lutheran Church in Waterford.

Classes in the second series (two-hour sessions) will be "Understanding Jesus," Mrs. William Inneson of Ascension Lutheran Church, a teacher in the "Child's Approach to Religion," teacher to be announced; "Teaching Nursery," Mrs. Marvin Andrews of Central Methodist Church.

An individual registration fee is charged or a maximum charge for a group.

The school is sponsored by a volunteer group for Protestant Churches of Pontiac area, and the courses are presented by denominational boards and the Division of Christian Education of the National Council of Churches.

Pastor to Make Holy Land Trip

Rev. Paul Havens, Wife Will Visit 14 Countries on 31-Day Tour

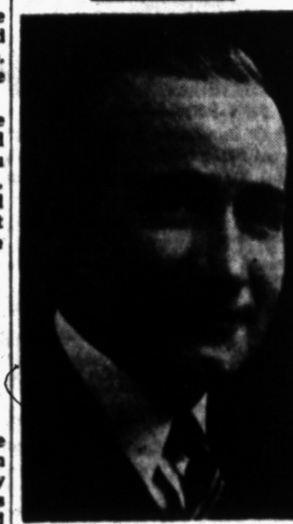

At a recent official board meeting at First Methodist Church, the board voted to present a ticket for an all-expense tour of the Holy Land, to the pastor, the Rev. Paul R. Havens, Mrs. Havens, who was born in England, will accompany him.

They will leave April 22 for the 31-day tour. The trip will be made by plane and will be conducted by Dr. Frank Field, retired minister of the Methodist Church.

The tour will visit 14 countries and members of the party will be guests of the Christian Approach Mission in Bethlehem. With mission workers as guides, the group will see and study the Holy Land.

The mission is located on the main Bethlehem-Jerusalem road and from its hilltop location guests can view the Dead Sea, mountains of Moab and rooftops of Bethlehem.

The Havens will leave the party at London on the return trip to visit relatives in Plymouth, Bournemouth and Cornwall, returning by plane the first week in June.
