

Brings Title to City

STATE CHAMPION — Lloyd Syron, son of Pontiac Country Club pro Frank Syron, today held the title of State Amateur golf champion of Michigan after scoring a 3 and 2 victory yesterday over John Kurach at Belvedere Golf Club in Charlevoix. Lloyd will be a senior at Notre Dame next fall. (See story, page 24.)

Dems Should Pull Oakland in Next Election—Williams

Gov. G. Mennen Williams said yesterday that he thinks there is "every possibility" that Oakland County will go Democratic in next year's elections.

The Democratic governor cited a list of mounting Democratic victories in recent campaigns.

Speaking to a gathering of 450 at the home of Pontiac State Rep. Leslie H. Hudson, Williams observed that in the spring election Democrats captured 49.7 per cent of the Oakland County vote.

"This is about as near to winning as you can get without actually being the victor. With hard work and good organization the Democrats can emerge on top in Oakland County next year," he prophesied.

Williams was the top speaker at a fund-raising affair sponsored by the Oakland County Democratic Committee.

HUDSON IN RACE
At their first big conclave since the April 1 election, the Democrats raised about \$2,900 for future campaigns and saw Hudson launch his campaign for the party's nomination as U. S. Representative next fall.

The Pontiac representative, now in his second term at Lansing, already has announced his intention to run.

While not specifically mentioning Hudson by name, Williams believed there was a good chance a Democrat could capture the Congressional post for the first time in modern history.

He attacked the political theory that Democratic voters, moving out of Detroit to the suburbs, automatically change their party affiliation with their address.

"Hard work by the party has shown that the suburbs can go Democratic as easily as the big city," he maintained.

The five-term governor, who in his first campaign for office received his initial support from Oakland County, was introduced as "the next president of the United States," a reference frequently made nowadays at party gatherings.

As usual, the party leader accepted the introduction without comment, keeping mum about his 1960 political intentions.

Other Democratic office-holders introduced were Dr. Lynn M. Bartlett, Superintendent of Public Instruction; John C. Mackie, State Highway Commissioner; Mrs. Irene E. Murphy, of Birmingham, U. of M. Regent; and Jan B. Vanderploeg, member of the State Board of Agriculture, MSU governing body.

William John Beer, Pontiac attorney and treasurer of the county committee, was master of ceremonies.

21 Women Hurt on Bus

KENOSHA, Wis. (INS)—Twenty-one Chicago women were injured, none seriously, when the bus in which they were riding plunged into a ditch on U.S. highway 41 near Kenosha last night.

Did Legislature or Laxity Cause Hospital Break?

Senator Calls Meeting Over Escape of Six Northville Patients

DETROIT (AP)—Was it administrative laxity or financial skimping by the Legislature that brought on the escape of six young mentally disturbed patients from the nearby Northville State Hospital Saturday?

The six youths are all back in confinement today. But their escape promised to bring on a full-blown debate with possible political overtones.

A Legislative committee is to meet with the institution's administrative chiefs today to discuss charges that cutbacks by the lawmakers has reduced the hospital's security force to the danger point.

The meeting was called yesterday by Sen. Elmer R. Porter (R-Blissfield) after Dr. Robert R. Yoder, assistant medical superintendent at Northville, blamed what he termed "terrific cutbacks" by the Legislature as responsible for seriously weakening the institution's guard facilities.

"I'm afraid these riots will occur again," Dr. Yoder said, referring to the escape of the six teenagers.

Porter, head of the Senate Finance Committee, said he ordered today's meeting to "straighten out the doctors."

He said Northville had been given all the money it asked for to care for a given number of patients.

The Legislature appropriated \$4,426,623 to operate the hospital during the 1957-58 fiscal year. The budget was based on 2,250 patients and 889 attendants.

Last year the institution operated under a \$4,335,842 budget accorded on the basis of 2,275 patients and 889 employees.

Dr. Yoder said yesterday that he has issued orders not to admit any additional mentally disturbed patients between 10 and 18 to the hospital.

"We simply cannot manage adolescent patients with the number of attendants allotted to us by the Legislature," Dr. Yoder said.

The six teenage patients overpowered a guard Saturday and escaped after looting a cabinet of narcotics. Four were recaptured in the area shortly after the break. The other two surrendered themselves at the hospital yesterday.

\$1,700 in Cash Might Be Yours; Solve Pot-O-Gold

Unless you're a lot different from most other people, you won't want to pass up the chance of winning the tidy sum of \$1,700 which now overflows Pot-O-Gold. Just a few minutes having a lot of fun may bring you that money.

Turn to page 9 and see what you can come up with. Just 20 numbers, if they're the right ones, will bring the winning check to you. Better get started right now.

Teenager Dies in Fishing Boat

Mother, Watching From Shore at Cass Lake, Summons Help

A Detroit teenager died on Cass Lake this morning while his mother watched from the shore through binoculars. The death, first thought due to drowning, was later found to be from natural causes.

Robert Dean Coffey, 17, of 1474 Harding St., Detroit, took a motor boat out on the lake at 7:30 this morning to fish. His mother, Mrs. Olie H. Coffey, apprehensive because her son suffered from epilepsy, kept watch.

At 8:30 Mrs. Coffey became alarmed because she could see no sign of activity on the boat and she summoned neighbors. Mr. and Mrs. Fred H. Haring of 3785 Lakefront Ave., Waterford Township.

They rode out in their motor boat and found Robert with his head and arms dangling in the water over the side of his craft.

Firemen, who assumed he had drowned, worked on the youth with an inhalator on shore and in the ambulance, but he was dead on arrival at Pontiac General Hospital.

An examination there showed the youth had died as a result of an epileptic seizure, not from drowning.

The family was staying at a relative's home on Cass Lake, at 3777 Lakefront. Mrs. Coffey said her son had not had a seizure in 18 months. So she let him go out alone. He had asked his younger brother, Ronald, 11, to accompany him, but the boy had decided not to go.

Grace, Prince Return

MONTE CARLO (INS)—Prince Rainier and Princess Grace were back in Monaco today after cutting short a vacation in Switzerland. The royal couple returned three days earlier than planned. No reason was given for the change in plans.

Parents Fear Kidnaping Renew Search for Boy

BRIDGEPORT, Calif. (AP)—Little David Scott was still missing last night when darkness forced searchers to suspend their efforts. The search resumed at daybreak today in the mountainous Twin Lakes area.

The 3-year-old boy was last seen Saturday afternoon. His parents, Mr. and Mrs. Robert Scott of San Diego, were camped near Mono Village on vacation.

They fear possible kidnaping. Sheriff Cecil Thornton issued an all points bulletin asking law enforcement officers to check outgoing cars.

"He's a very friendly child," the sheriff said. "He would be willing to go with anybody."

Operation Alert Nears End

CD Program Under President

NEWSPOINT, Operation Alert, President Eisenhower takes nominal command of Operation Alert 1957 today as the mock-serious game of H-bomb war enters its final phase—recovery from catastrophe.

The President, after a weekend of relaxation with his family at his Gettysburg, Pa., farm, travels by helicopter to the secret "command post" within 200 miles of Washington.

There he assumes control of a government theoretically struggling to bring order out of the simulated chaos resulting from Friday's saturation "nuclear attack" on 153 target cities in the United States and its possessions.

The command post is the secret relocation center from which top officials of the Office of Defense Mobilization and the Federal Civil Defense Administration have been supervising the tests.

Something Extra at Bib Jamboree

ONE WAY TO COOL OFF — Boy Scouts at the national Jamboree at Valley Forge have found the weather hot and dusty, but they also have found ways to cool off. Here Charles Clapper (left) of Boynton Beach, Fla., and Ivan Chase, of Fort Mill, S. C., solve the problem with a cool watermelon. Some 78 scouts and leaders from Oakland and Macomb Counties are among the Michigan Scouts at the Jamboree.

One Wants to Retire

Abbot, Costello Split Up, No Quarreling Involved

HOLLYWOOD (AP) — Bud Abbott and Lou Costello—the funnymen who broke up audiences with the classic and confounding discussion of "who's on first?"—have broken up themselves.

Costello, the roly-poly prat-faller of the famous comedy team, said yesterday that straight man Abbott has settled down on a ranch near Santa Barbara and decided not to do any more work for awhile.

There was no fight involved in the breakup, Lou said. It's just that Abbott is getting along—he's 61 now, 10 years older than Lou—and wants to get out of the act and spend his time developing a stable of thoroughbred horses.

Costello said a renewal of the old partnership would be "up to Abbott," but there appears little possibility of such a development.

With Abbott out, Lou is through as a team man.

"Oh, I might try and work with Dean Martin," he quipped, but he would want no other partner.

There was actually no formal announcement of the split. A newsman noticed that Costello had been doing a lot of solo jobs recently and asked him about it.

"It's funny," Costello said, "but I was seen as a single by millions of people on . . . national TV shows, and you're the first one who's asked me why. I guess after 20 years no one would believe that Abbott and Costello have split up."

On Costello's agenda as a single are the lead role in a movie based on the life of the late New York Mayor Fiorello LaGuardia, more night club appearances, and the emcee's part on a new TV quiz show.

Lawyers Pick Prexy

NEW YORK (AP) — Charles S. Rhyne, 44-year-old Washington, D. C., attorney was elected president of the American Bar Assn. today. He is the youngest president in the ABA's 80-year history.

They said today their surveys indicated that "the nation had suffered no knockout blow" in Friday's massive make-believe assault.

As the last phase of the dress rehearsal for disaster began, officials said there were "definite signs" that emergency actions taken by the civil defense system and the relocated agencies of government were, little by little, succeeding.

It was a day in which civil defense officials hoped to discover the full extent of their success in coping with the simulated devastation-in-hiding apply freezes and controls on a war-staggered economy?

More than 5,000 government workers in 30 agencies who normally report to offices in Washington transferred their activities instead to about 80 relocation centers, starting a week of the kind of work they would face if the attack had been real.

But Main Road Must Skirt City, Mackie Declares

Favors Turnpike Route East of Pontiac as Defense Project

Pontiac will be linked by an expressway-type road to the proposed north-south interstate highway, State Highway Commissioner John C. Mackie promised yesterday.

But the interstate route itself, though still undecided, will not pass within the city limits, the new commissioner said.

Interviewed yesterday at a gathering of Oakland County Democrats, Mackie said routing the major highway through Pontiac or big city would "defeat its purpose."

He said that during the two weeks he has been in office he has not had time to become familiar with a proposal by the Oakland County Planning Commission that the road pass through Pontiac just west of the business district.

But observing on the feasibility of this proposal, Mackie said:

"As part of the proposed Federal Interstate Defense Highway System, the new north-south highway must try to skirt populous and industrialized areas as much as possible."

"It should pass close to but still by-pass, all the major cities from Toledo to the Straits of Mackinac."

Mackie said that the big cities, including Pontiac, will each be connected with the highway by limited access expressways. These should provide an easy flow of local traffic to and from each city, he said.

"But to route all of the interstate traffic through Pontiac would defeat the purpose of the road," Mackie observed.

The highway is planned for military travel and civilian evacuation in a time of national emergency, he said.

"It should also make a big contribution to business, commuting and just plain traveling pleasure. But these are secondary considerations," Mackie said.

The Plan Commission and several downtown Pontiac groups had proposed to the former State Highway Department administration that the interstate route enter the city near Franklin road and Square Lake road.

The commission proposed that (Continued on Page 2, Col. 6)

Area Woman Killed by Train

Police Report Dorothy Duffie Stood Transfixed on Waterford Track

A Waterford Township woman, Dorothy Duffie, 47, staying temporarily with relatives at 1135 Lakeview Ave., was killed when struck by a Grand Trunk passenger train Sunday afternoon.

The death of Mrs. Duffie, a mental patient at Pontiac State Hospital, who was on a visiting pass, was ruled an accidental today by Dr. Isaac C. Prevette, Oakland County Deputy Coroner.

State Police said Mrs. Duffie apparently became transfixed and stood transfixed between the rails as the train approached.

The accident occurred on the Grand Trunk Railway track about a half mile east of Scott Lake Rd., in Waterford Township.

Benton M. Gracey, of 53 Marston St., Detroit, engineer of the Muskegon to Detroit train, told state troopers she made no attempt to avoid the train.

"We saw her standing in the center of the track as we rounded a curve, traveling at about 30 miles per hour," he said.

Gracey added he blew the whistle a few times and with his fireman, Jack Ellison, of 10855 W. 11 Mile Rd., Huntington Woods, tried to wave the woman off the track.

The accident occurred about two miles from her home.

Pontiac Stores Packed With Bargains for Dollar Day Tuesday

Find Couple Shot in Lake Orion

Police Believe Husband Killed Wife Then Took His Own Life

The Oakland County Sheriff's Department is declaring the death of a Lake Orion couple murder and suicide after they were found dead in the living room of their home Saturday morning.

Deputies believe that Charles Conlen, 72, of 126 Hemmingway Rd., Lake Orion, murdered his 56-year-old wife, Stella, with a .22 caliber pump rifle and then took his own life.

The bodies were discovered about 8:45 a.m. Saturday by Edward A. Burns, of 239 E. Jackson St., owner of the Conlen home, according to deputy reports.

It is believed the shooting occurred Friday evening before dark, since there were no lights found on in the house.

"The bodies were found approximately seven feet apart sitting in chairs facing a television set which was still operating," said Deputy Carl E. Raymond.

Bullet wounds were found in Mrs. Conlen's left leg and below her right eye on the left cheek.

Deputies said Mr. Conlen evidently sat in a chair near his wife after shooting her, placed the rifle between his legs with the muzzle in his mouth, and pulled the trigger.

Neighbors told deputies that they had heard the couple arguing about 6:30 p.m.

No signs of a struggle were found. Four empty and two full shells were found scattered about the living room floor. Conlen had been ill with a heart condition, neighbors told deputies.

Man Bound Over in Boy Scout's Death

MUSKEGON — Municipal Judge William T. Caughey today ordered Herman Barnore bound over to Circuit Court on a charge of manslaughter in the 1955 gun-shot death of Peter Gorham, 12, Evanston, Ill., Boy Scout.

The judge set July 18 for Circuit Court arraignment on the charge and set bond at \$20,000.

Barnore, 44-year-old itinerant handyman also known as Charles W. Fisher, was returned to jail, however, because of a hold order from New York state which seeks him as a parole violator.

Judge Caughey's decision today followed a four-day Municipal Court examination of a charge of murder. The examination concluded last Saturday.

Judge Caughey said he could not find on first degree murder because of no evidence of premeditation. He said there appeared to be no probable cause of second degree, but there was a probable cause for manslaughter.

By E. H. SIMS
Does the height of clouds in summer tell us anything about possibilities for rain?

The height of summer cumulus definitely is a weather sign to be watched. These little white cumulus clouds we see so often on summer days build up at various levels depending upon the amount of moisture in the air.

They are caused by rising warm air condensing, and if the rising warm air condenses at a low altitude there is quite a bit of moisture in the air — thus chances of rain are quite good. If, however, the clouds form high up, then the rising air contains little moisture, and chances of rain are not so good.

Thus the little white summer puffs that are called by many people fair-weather signs are not necessarily signs of fair weather. They are the first signs of rising thermals, and quite often they are followed by a thundershower in the afternoon — in summer. That is especially true if they begin to form at low altitudes early on summer mornings.

The Weather

LITTLE GIRL INTO YOUNG MAN — To put an end to that remark "What a darling little girl!" James Benjamin Malone III visited a barber in Atlanta, Ga. After all, a young man almost two must look the part. At left is Jimmy before the

barber shop visit; center, during the clipping operation; right, he examines the results in a mirror.

Hunt Pressed by Coast Guard

Seek Steel Container Menacing Navigation in Atlantic

NEW YORK (INS) — The Coast Guard began today an air-sea search for a steel container of radio-active sodium that failed to sink when it was dumped 185 miles out in the Atlantic.

The container, declared a "menace to navigation" and believed to weigh more than a ton, bobbed up in the wake of the tanker Bay Way yesterday as the ship raced through the Atlantic dumping radioactive waste.

The container was one of 25 loaded under navy supervision at the Schenectady laboratories of the General Electric Co. A coast-guard cutter said it floated because it was only partly filled.

The Coast Guard cutter Agassiz patrolling the area was rushed to the scene to warn navigation through the night of the potential danger.

Not only would the container probably dent a steel ship, but if it opened up under the impact, it might explode when water reached the sodium.

The waste material was left over from the development of the nuclear power plant for the navy's latest atom-powered submarine, The Seawolf.

Boy Uses Revolver to Awaken Parents

NEW YORK — John V. Hurley Jr., who is 3, likes to go into his parents' bedroom each morning to awaken them. Today he did it with a revolver, and shot his mother in the right hand.

Police said the child climbed up on the lower drawers of a dresser and reached the strongbox in which his father, a policeman, keeps a .38 revolver.

He took the weapon down and began to play with it, while his parents slept. Suddenly, it went off. The bullet struck Mrs. Hurley's right hand, ricocheted from the headboard, bored through a bedside radio and lodged in a wall.

Mrs. Hurley was reported in good condition in a hospital. They have two other children besides John Jr. and another is expected in about two months.

Reservation Application

Press Theater Tour:

Please make the following reservation for me on The Pontiac Press Theater Tour to New York City, departing Monday morning, September 9, and returning September: 14

.....Miss
.....Mrs.
.....Mr.
.....Address
.....City
.....Phone

I understand that the \$182 I have enclosed includes transportation, hotel, theater tickets, the after-theater dinner party, luncheons, tour of the U. N. Building and other extra features mentioned in Press articles.

(Single Room \$5 Extra).

I agree to participate in the Pontiac Press Theater Tour Under the Following Conditions:

I have included the full payment with this reservation. If I am unable to make the tour I understand that I shall be given a full refund providing I give notice by Aug. 8. I understand that reservations will be made in order of the receipt of applications and that my name will be placed upon a waiting list if I am not included among the first 150. I understand that I may participate in all of the schedule of events except for possible changes or additions made necessary by some event beyond control of The Pontiac Press.

Senator Sees Rights Bill Scope Limited to Voting

WASHINGTON — Sen. Ervin (D-NC) said today he sees "a good chance" to reduce the administration's civil rights bill "to what its supporters have been trying to advertise it to be—namely, a voting rights bill."

While Ervin and other Southern senators expressed confidence

they were gaining ground, they are likely to run into an increasing counterattack from supporters of the House-passed bill once the preliminary skirmishing is ended.

So far the Senate debate, now entering its seventh day, has been technically on a motion of Senate

Late Aga Khan's Body to Be Laid to Rest in Egypt

GENEVA — The late Aga Khan's body will be flown Wednesday to the Egyptian province of Aswan, where the Moslem leader will be buried in Oriental pomp amid scenic beauties he loved.

A family spokesman said the remains of the spiritual ruler of 20 million Ismaili Moslems will be accompanied by his widow the begum, his son Aly, and his grandson successor, Aga Khan IV. Twelve representatives of Ismaili communities in Africa, the Middle East, India and Pakistan will also go along.

The spokesman said the 73-year-old leader's embalmed body will lie in state Tuesday and most of Wednesday at the lakeside villa where he died last week. It will leave late Wednesday in a chartered Swiss Airlines plane.

Aly's half-brother Prince Sadruddin and the new Aga's brother Amyn will follow on another plane. The spokesman said this was in accordance with a rule laid down by the late Aga that no two brothers of the family should fly in the same plane.

Aswan is one of the principal centers of the Ismaili sect. The late ruler's will specified he be buried there because he admired the beauty of the region.

Burial rites are slated to last eight days.

Aly and Sadruddin took time out from funeral arrangements yesterday to tell reporters there was nothing to reports they were estranged. They denied there were any hard feelings because 20-year-old Karim, Aly's son, had been named the Aga.

Boy, 5, Fatally Hurt; Touched TV Set

CHICAGO (INS) — Five-year-old Howard Erenstein of suburban Skokie was injured fatally yesterday when he touched a portable television set in his home.

Mr. and Mrs. Harold Erenstein told police that the family was eating lunch at the kitchen table when Howard arose to get a knife from a drawer in the kitchen sink.

While crossing the room, he touched the television set, which was on at the time, and then collapsed. Efforts to revive the boy at a hospital were unsuccessful.

A neighbor, Marvin Kamen, said he tested the set later with a voltmeter and that it registered 170 volts with the switch on.

A spokesman for the manufacturer said company engineers would investigate.

Night Club Damaged by Bomb Explosion

DETROIT — A bomb exploded in a downtown Detroit night club today blasting a large hole in the bar and damaging the interior. No one was in the building at the time.

The explosion occurred at the Frolic Show Bar. Police said the bomb, containing either dynamite or black powder, apparently had been placed in a refuse container.

Damage was estimated at \$25,000. The explosion also wrecked a band stand, buckled the ceiling and shattered a number of bottles of liquor. There was no fire.

Inspector Glenn Bennett of the arson bureau was unable to say whether the bomb had been placed in the night club before it closed or whether it had been left by someone who broke into the building.

He said there was no indication that bomb had been planted because the bar caters to a mixed white and Negro clientele.

The blast was believed to have occurred about three hours after the nightclub closed.

World War I Biplane Plugs Race, Anniversary

DALLAS — A World War I French biplane fighter plane which outstripped its rival of early-day air war headed for Little Rock, Ark., today.

The tiny biplane, on a cross-country junket to plug the Ricks Memorial Trophy jet race and the U.S. Air Force's golden anniversary, buzzed over Dallas' Hensley Field yesterday to the delight of a handful of World War I fighter pilots. It was flown by its owner, Frank Tallman, 38, Hollywood.

New Flatbush Stadium Predicted for Dodgers

NEW YORK — The Dodgers are going to get their new stadium in Flatbush and remain in Brooklyn, the World-Telegram and Sun said it learned today.

The paper said the Brooklyn Sports Authority will urge at the Board of Estimate's July 25 meeting that immediate approval be given the ball park project.

Republican Leader Knowland of California to take the bill off the calendar and bring it up for action.

This is to be voted on late tomorrow, and even the bill's all-out foes concede the motion will carry.

Once this happens and the Senate turns to actual consideration of the bill and proposed amendments, proponents plan to jump into the debate. To date, in the interest of time, they have been largely content to leave the speech-making to Southern foes of the bill.

The measure, passed by the House last month, would establish a six-member commission to study civil rights problems, and create a special civil rights division within the attorney general's office.

Another part, designated Section 3, would permit the attorney general to obtain federal court injunctions against violations, or threatened violations, of voting rights and other civil rights instead of having to rely on criminal prosecutions.

Persons accused of defying the injunctions could be convicted and jailed for contempt of court without a jury trial.

Still another section makes similar provisions specifically limited to voting rights.

Sen. Russell (D-Ga.), leader of the Dixie forces, offered an amendment Saturday to rip out the whole of Section 3. He and other opponents contend that section is aimed at forcing racial integration in Southern schools and other public places with the use of federal troops if necessary.

Aquarama Upsets Two Fishing Boats

DETROIT (INS) — The huge Great Lakes cruise ship, Aquarama, is in the news again today after two boats were swamped in its churning wake and nine fishermen narrowly escaped drowning.

The two small boats were upset late yesterday as the 520-foot ship swept past Grassy Island in the lower Detroit River.

A Lincoln Park woman, Mrs. injuries and body bruises when the wake of the former ocean liner dumped her and three companions into the water.

Their boat was completely demolished. With Mrs. Swanek was her husband, Stanley, and Mr. and Mrs. Leo Waynynen of Detroit.

Presidential Nominee?

Baffle May Aid Knowland

By JACK BELL

WASHINGTON — Sen. Knowland (R-Calif.) apparently has seized on the civil rights controversy in the Senate as offering an issue that might make him the Republican presidential nominee in 1960.

Knowland, the Senate Republican leader, said last night he will announce next fall whether he intends to seek the Republican nomination for governor of California.

He had announced previously he would not run for re-election to the Senate next year.

Knowland said he has arranged tentatively to make 45 speeches in all sections of California after Congress quits. He said his schedule for those speeches would depend upon the adjournment date, which is uncertain because of the battle over the administration's civil rights bill.

If he runs for the governorship, the supposition is that he will be attempting to place himself in a position to bid for the presidential nomination two years later.

Perhaps with this in mind, Knowland has taken the leadership in efforts to get the House-passed civil rights bill before the Senate.

The Day in Birmingham

Water, Zoning, Sirens Top Tonight's Agenda

BIRMINGHAM — Water, zoning and sirens seem to be the highlights of the city commission session tonight.

Charles J. Sita of 1423 Buckingham has protested by letter the flooding of his and neighboring properties by surface water which flows into the area from the nearby Derby school grounds.

He points out that an emergency ditch dug to guide water through

vacant properties to sewer lines has proven inadequate. It results in standing pools which he describes as "a danger to small children" adding that as the water becomes stagnant it creates an undesirable situation.

Another letter from C. E. Patterson, 1304 Lake Park Dr., asks that action be taken to provide grading, sewers, curbs and permanent paving to protect residents from excessive flooding of the street.

A third communication is from William E. Burgum who cites the continued flooding in the Kimberly-Pine-Winthrop-Chesterfield area.

He said the July 6 storm brought raw sewage into basements. Its health problem necessitated complete and extensive cleanups and disinfection in several areas homes.

Zoning will include further discussion on the proposed amendment to a change from Business A to Business C in the Sheffield Estates subdivision. The properties under question lie along 14 Mile road east of Woodward avenue. Commissioners and plan board officials say there has been no indication that the move will meet opposition.

City Managers office and officials of the Birmingham Fire Department will present their several reports on plan to hook the fire siren and air raid sirens together to provide greater coverage.

It has been pointed out that in the event of an air raid the present system does not completely cover the city especially in the downtown business district.

Several plans have been tried and found impractical. Tonight these and the possibility of using a telephone system to alert off duty and volunteer firemen for general alarm will be discussed.

Birmingham Civil Air Patrol will be hosts to 25 or 30 cadets from the British Equivalant beginning July 24. The guests will arrive at Selfridge Field where Birmingham's Group No. 3 will meet them. A round of events is planned to keep guests busy and give them a chance to observe how their American friends live.

This is the third group of British cadets to visit here. Other foreign guests have been from Portugal, Chile, Alaska, Cuba and the Netherlands.

MRS. EVELYN M. GOUDIE

Services will be at 1 p.m. tomorrow from Bell Chapel of the William R. Hamilton Co. for Mrs. Evelyn Goudie, 68, of 3218 Albert Ave., Royal Oak.

A native of Detroit, Mrs. Goudie died Sunday in William Beaumont Hospital after a short illness. She was a member of the Woman's Association of the Detroit Symphony, Grace Hospital Auxiliary and had been active in Red Cross work. She is survived by two sons, Dr. Frederick D. of Lathrop Village and Charles W. of Birmingham, and three grandchildren.

Coast Brush Fires Still Burn Fiercely

NEWHALL, Calif. — A fierce brush fire reached this mountain community yesterday, but was beaten down before it could cause extensive property damage.

Outside the town, the blaze was still out of control.

The flames consumed one small structure in the city and destroyed several buildings in a nearby canyon.

The fire broke out yesterday beside a highway west of Newhall. The flames towered more than 100 feet at times as they moved eastward.

At one point, a sudden gust fanned a sheet of fire down a slope toward six estate homes. A fence on the estate of the late actor William S. Hart was destroyed.

Minutes later, the wind shifted to the north and the fire swept onto a tract containing several expensive hillside homes. One home was surrounded by fire but saved. Another structure was destroyed. Eight persons were evacuated from a rest home outside the city. The fire had covered about 675 acres early today.

Can You Spare A Few Minutes to Win \$1,700?

Well, if you can't spare a few minutes to win that much money, you're not like any of the people we know. For a little effort, you might be able to make the down payment on that house you've been wanting. Or maybe you want to be sure of your son's next year in college. And a lot of people would welcome just a good spending spree. Any of these will be yours if you can select the correct numbers for this week's Pot-O-Gold. Even if someone wins last week's puzzle and the big prize is taken, you can't complain too much about \$100 for a consolation.

The new puzzle contains a series of squares which are alphabetically lettered and a corresponding list of sentences with two clue words. Each of the words is numbered. The object is to select the word which you think best fits the clue sentence. You then place the number of that word in the square which has the same letter as the clue sentence.

In other words, you will read the clue labeled A and decide which of the two words makes the most sense in the sentence. You then write the number of that word in the puzzle square marked A.

Do the same with all other squares. Read all the clues carefully and be sure the right numbers are in the right squares.

- T. You'd expect a lot of this at a reunion of two famed scientists who were roommates in college. (39) CEREBRATION; (40) CELEBRATION.

OFFICIAL CONTEST RULES

1. Anyone is eligible to enter the POT-O-GOLD contest with the exception of Pontiac Press employees or their immediate families.
2. Entries must be on official entry blanks printed in this newspaper.
3. To submit an entry the contestant must print his answers in the proper spaces, cut out the area enclosed by dotted lines and attach it securely to a 2-cent postcard. No entries will be accepted if they are in envelopes. Entries for Puzzle No. 59 must bear a Tuesday, July 23 postmark (or before). No entries received after that time whether mailed or delivered by hand, will be declared eligible. The Press is not responsible for entries lost or delayed in the mail.
4. Sorry, telephone calls or mail concerning details of the contest cannot be answered or acknowledged.
5. The Pontiac Press will award a cash prize of \$100 a week to the winner of each weekly POT-O-GOLD contest. If more than one winning answer is received the prize will be divided equally among the winners. If any week or weeks should pass without any winners, the prize will be added weekly until a winning solution is submitted.
6. Winners will be awarded an extra cash bonus of \$25 each if they are Pontiac Press subscribers of record on the day winners are announced. Only one such bonus can be awarded to each prize-winner no matter how many weekly prizes may accumulate.
7. Each week's puzzle will be published Monday, Wednesday and Friday until the contest's end. Either or all will be considered as official entry blanks.
8. Winners and correct solutions will be announced each Friday of the week following individual contests. Official keeper of answers will be Frederick C. Ziem, prosecutor for Oakland County. Only the General Features Corp., originators of the puzzle, will know the solutions until after each contest is over. Answers will be delivered to the Press judges by Mr. Ziem after the final deadline.
9. There is only one correct solution to the POT-O-GOLD puzzle, and only that correct answer can win. The decision of the judges is final and all contestants agree to abide by the judges' decision. All entries becoming the property of The Pontiac Press and none can be returned.
10. Completed puzzles must be addressed to POT-O-GOLD, POST OFFICE BOX 58, Pontiac, Michigan. Winners will be notified either by telephone or in the mail.

Construction Inventor Appointed at Michigan

ANN ARBOR (INS)—Phillip N. Youtz, New York area architect and inventor of the Youtz-Slick lift slab method of construction, will assume the post of dean of the

University of Michigan College of Architecture and Design Aug. 1. His appointment was among 24 approved by the University Board of Regents. He will succeed Wells I. Bennett, Dean since 1947.

Washington sources report a world scarcity of cobalt.

Plant Moving to Hartford

HARTFORD (AP)—The Hartford Industrial Fund, Inc., organized to attract new industry to Hartford, announced the Decatur Plating Works will transfer its operations here in about five months. The move involves 50 workers with a

\$3,000 weekly payroll. The industrial fund will provide a site and construct a plant for the relocation.

Statisticians estimate there is one mile of railroad for approximately every 4,508 persons in the world.

Purchase Metals Plant

PORT HURON (AP)—Mueller Brass Co. has purchased the Port Huron Township plant of Pressed Metals of America, Inc., for a reported \$90,000. Pressed Metals recently ceased operations here.

Learn to Replace Unhappy Thought With Happy One

Worry Can Mar Health and Beauty

BY JOSEPHINE LOWMAN

Worry is extremely destructive to health and to beauty also. This is especially true if your worry is not backed up by constructive action. Chronic worriers mull their

problems over continually without doing anything about them.

Of course there are some situations and conditions which are impossible to correct, but most of them are susceptible to improvement if we give intelligent thought to the problem and then do what we can. If we can't do anything, we simply have to adjust to the situation or injure our health by stewing in our own juice.

The expert worrier can fret about anything; things which are not important and things which will never happen. Their worry becomes an art of self-destruction. These individuals might even feel unimportant and lonely without their worries until they replace them with more constructive, positive thoughts.

I am not advocating that you ignore danger signals, that you fail to apply intelligent thought to unpleasant situations which are developing or bang your head into a door because you don't give a darn.

However, the worry habit is a very strong one which can develop subtly in times of real stress and carry over as a habit after the crisis is past. A lowered state of health or nervous exhaustion also can cause one to have an apprehensive approach to life.

MENTAL DISCIPLINE

We can accomplish much through mental discipline, by replacing an unhappy thought with a happy one, by staying busy, by seeking out those who are optimistic instead of pessimistic, by improving our health.

We could worry all day long about an unchangeable situation and not make a dent in it. Instead we would only age earlier than necessary, get a drooping contour, and take the bloom and fun out of life for ourselves and those who know us.

If you feel that you have the worry habit and would like to rid yourself of it, my leaflet No. 64 "Worry," may be of help. Send a stamped, self-addressed envelope

with your request for it to Josephine Lowman in care of The Pontiac Press.

ART OF CONVERSATION ENDANGERED BY TV

Conversation is an art which is in danger, and yet it is one of the most fascinating pastimes in the world. Since the advent of television, too often social gatherings turn into silent ones so far as talk is concerned.

A recent letter from a reader asks me to point out some of the conversational faults of older women. Actually, some of the most delightfully intriguing conversationalists I know are older men and women. This naturally would be true if the individual has lived richly and has kept his sense of humor, if he still enjoys life and looks forward to the future.

He or she has had more time to become tolerant, to sharpen wit, to become better read and better traveled, to store up more interesting anecdotes, to make more friends and develop more interests, to lose self-consciousness and gain poise, to get values all straightened out.

However, there are certain tendencies which we all should watch, certain dreary habits and ruts we may sink into unless we give a thought to the matter as we grow older.

Older people may fall into the habit of speaking lugubriously. Conversation may be spotted always with deaths and illnesses. This is natural because the older we are the more people we know who are ill or who die.

TALK OF FAMILIES

Older women may talk too much about their families. This, too, is natural if, as too many older folks do, they are living vicariously through their children and grandchildren. This is sure to happen unless a woman has seen to it that her horizons have expanded continually.

I always have felt that characteristics intensify with age. If a woman has been catty and has indulged in gossip all her life, this habit is certain to grow on her in age.

The very fact that physical activity is curtailed makes her apt to compensate by exploring the lives of others. It is wonderful when this curtailment causes her to explore more fully the world of mind and spirit about her.

Many older persons repeat themselves over and over again. This cannot always be helped because this is often a sign of older age, but the more varied the interests and thoughts and activities which are carried into older age, the less likely this is to happen. The

wider the horizons the more there is to talk about!

Older people often live in the past and therefore talk about it almost exclusively. Current day talk and interests, and an eager glance toward the future will fix that.

SO MUCH VELVET

Life at any age is so much velvet and it is too bad that it ever loses its glow for anyone.

If you would like to check yourself against my leaflet "Mannerisms of Age," send a stamped, self-addressed envelope with your request for leaflet No. 67 to Josephine Lowman in care of The Pontiac Press.

Young Cook Bakes Date, Nut Kisses

Carol Dodge Likes to Experiment—Is Good at Salads

By JANET ODELL

Pontiac Press Home Editor
Since we are a firm believer in teaching children to cook, we delight in getting recipes from youngsters who do. Twelve-year-old Carol Dodge of Hickory Heights is our newest young cook to appear in this column. She shares her favorite cookie recipe.

Carol is the experimental type of cook. Her mother says she loves to concoct salads. Swimming and reading are two of her favorite hobbies. Already she has started a book collection.

KISSES

By Carol Dodge
1 cup confectioners sugar
1 egg whites
1 cup cut-up dates
1 cup pecans, cut up
1/2 teaspoon vanilla
Beat egg whites stiff. Add sugar and beat vigorously about 10 minutes. Fold in dates and nuts. Drop from teaspoon on a greased baking sheet. Bake 15 minutes at 300 degrees. Makes about 3 dozen.

Grooming Is Charm

A mature woman can become more charming as she grows older. This results from continuing good-grooming habits she began as a young woman. As she grows older she sees that she has no hair straggles, is personally dainty and that her clothes are neat and spotless.

Take Health Stride

Walking is excellent for the spirit as well as for the body. However, this doesn't mean shuffling along. To help hip and leg muscles it is necessary to stride along.

Navy Club Meets

Navy Mothers Club 355 met at the Naval Reserve Building Thursday evening. A past commander's pin was presented to Mrs. Frank Riely.

Rose Mary Goderis Honored at Shower

Rose Mary Goderis was honored at a bridal shower in the Lowell street home of Mrs. Omer DeConinck. Mrs. Jack Hutchinson was the cohostess. Twenty-one guests were present.

Rose Mary will become the bride of Daniel Chetani shird shird bride of Daniel Cherry Aug. 31. She is the daughter of Mr. and Mrs. Louis Goderis of Airport road. The bridegroom's parents are Mr. and Mrs. Thomas Cherry of Mott street.

Unit Rolls Bandages for Africa Hospitals

Women's Missionary Society of the First United Missionary Church met Thursday evening. The group rolled bandages for hospitals in Africa.

Mrs. Orville Todd and Mrs. Robert English poured tea. Guests of the society were Mrs. Francis Fryzinski and Mrs. Frank Levinson.

Syron Wins State Amateur Title

Phils Near NL Lead

BY THE ASSOCIATED PRESS

The Phillies are trying for the National League jackpot by playing "double or nothing" with the rest of the league. By winning four doubleheaders in the last 10 days, the 50 to 1 shots of opening day now are only a half game off the pace.

Snapping a losing streak July 1, the Phils have won 11 of their last 13 in a sharp form reversal. In their first nine doubleheaders, they split five and lost both ends four times.

Curt Simmons and Jim Hearn handled the pitching Sunday as usually light hitting Phils smashed five home runs and beat St. Louis twice, 6-2 and 11-4. Von McDaniel, the 18-year-old \$50,000 bonus baby, suffered his first major league defeat in the opener and Larry Jackson, the Cards' top winner, lost the second.

Brooklyn dropped Milwaukee to third place, one game behind St. Louis, when Gil Hodges hit a two-run homer in the ninth for a 3-2 victory after successive doubles by Frank Torre and Andy Pafko had given the Braves a tie-breaking run in the top of the ninth.

Cincinnati finally snapped its seven-game losing streak, slugging Pittsburgh twice, 9-6 and 12-4. New York outlasted Chicago, 8-6 in 12 innings, winning on Willie Mays' two-run homer after Whitey Lockman's second home run of the day had tied the game in the ninth.

The Phillies showed little respect for McDaniel, raking him for five runs and five hits before he left for a pinch hitter after

William T. Kennedy, who played football at Pontiac High and the last two years at Francis De Sales in Detroit will enroll at the U. of D. next fall. He lives at 2908 Voorheis and was honorable mention All-State at fullback.

The Chicago White Sox play an exhibition game tonight in St. Joseph, Michigan, against the semi-pro Auscoes in that town.

Jack Fleck, Rochester Golf and Country Club pro had a rough time in the Canadian Open which ended Saturday in Kitchener, Ontario. Fleck decided to call it quits after 21 putts on the first nine of final round. The tourney was won by long ball hitter George Bayer, who had 271 for 72 holes.

Lloyd Syron, yesterday's winner of the State Amateur Championship, actually got an assist from his mother Elizabeth. Lloyd was hesitant about getting into the tourney, and it was Mrs. Syron who forwarded his entry.

Remember Guy Lombardo's powerboat Miss Tempo? Yesterday, under the name Short Circuit, the boat carried Chuck Thompson to a record breaking win in the 3rd annual St. Clair race with a speed of 97.883 m.p.h. in the final heat lap.

Fred McKidow of Hillsdale and Joe Savarino of Toledo won the 4th annual Kalamazoo Country Club best ball tournament by downing Ben Smith of Detroit and Bud Cutler of Kalamazoo in the finals.

John Mize's Wife Dies

DELAND, Fla. (AP)—Mrs. Jean Mize, 39, wife of former Major League baseball player Johnny Mize, died yesterday of burns suffered Wednesday when she apparently dozed while smoking.

She leaves her husband, an orange grover and merchant here.

Smith, Miller Pair Win City Mixed Golf Crown

A new championship team took over for the city mixed best-ball golf tourney, Saturday in the annual event held over the Municipal Course.

Wally Smith and Eve Miller carded a 39 final round to edge veteran Jerry Holmquist and Sybil Zahn by a single stroke, 81-82. The new champions, who replaced Joe Kocsis and Betty Rittenheim, the defending titlists, carded 42-38-81 while Holmquist and Miller finished 42-40-82.

It was a tight battle for top spot, with only six strokes separating the first five places.

Charley Barker and Betty Wallace fired one of the only two first-round 40s, but slipped on the home nine to 43 for 83, for third spot.

Field included 24 teams. Trophies were awarded champions and runnersup and merchandise items went to the third place team.

During the afternoon a number of distaff side of the tourney signed up for the City Women's Medal Play championship, July 20, at the city layout.

Mixed-best-ball scores:

Wally Smith, Eve Miller	42-39-81
Jerry Holmquist, Sybil Zahn	42-40-82
C. Barker, Betty Wallace	40-43-83
M. and T. Hammett	44-42-86

Shaw's Win 11th No-Hitter for Falkenhagen

A no-hitter by Ron Falkenhagen, snapped a seven-game losing streak for the Pontiac Jets and Shaw's won its 11th game in three days to extend its lead to 1 1/2 games in Class A league baseball action at Wisner Stadium yesterday.

Falkenhagen walked six batters and hit two but 10 strikeouts kept the last two batters out. Stamping nine from scoring in the 9-0 contest.

One of the whiffs got him out of a bases loaded jam in the 4th. He had men on base in six of the seven innings but always worked out of it, twice with the help of double plays. Only one

'Spring Series' Winners Named at Watkins Lake

Sunday's sailing races at Watkins Lake Yachting Association ended the "spring series" of races for the association's three-class fleet.

Winners of the Sunday events were determined only after close contests, particularly in the lightening division, won by Gus Eldred's Cygnet. There was only a two-minute spread between first and fifth boats. Second place went to John Noble's Golden Dragon, third to Glen Fries' Jo-Dee.

Thistle winner was Jim Parshall's Tar-Baby, Second was Jack Nelson's Mauve and third was Karl Kreitz in Kreitz-Kraft. Guy Duffield's G-Wiz won the thistle event, with Frank Fleck's Byanes second.

Series winners — snipes, G-Wiz, Byanes and Blueboat (Newman); thistles — Kreitz-Kraft, Tar-Baby and Seaweed (Don Zannotti); lightning—Busby Bees (Bruce Brede), Golden Dragon and Cygnet.

Pontiac Youth Scores 3 and 2 Win in Finals

Notre Dame Student Defeats John Kurach at Charlevoix

(Special to The Pontiac Press)

CHARLEVOIX—Lloyd Syron, 21-year-old son of Frank Syron, Pontiac Country Club pro, today wears the crown as the State Amateur Golf Champion, won yesterday at Belvedere Golf Club in Charlevoix.

Syron's steady play in the finals steered him to a 3 and 2 victory over John Kurach, public links player from Detroit, and it ended a three-year championship rule of Glenn Johnson, who was unsuccessful in his 4th straight title bid.

Kurach stopped Johnson 3 and 1 in their pressure-packed semifinal match. Syron's winning card showed two bogeys and two birdies. His medal score was even with par when the match ended on the 16th green.

The champion's birdie four on the 454-yard 9th green followed a spectacular approach from about 25 yards from the left of the green. The ball came to rest about eight inches from the cup after striking the pin.

Kurach also birdied the hole with two putts. Four bogeys and one other birdie—with a 45-foot putt on the 542-yard fifth hole—left him one down at the turn.

Syron went 2 up, turning point in the match, when he conceded a par on the 12th hole. It was a bogey five for Kurach who was about 20 yards wide of the green after his second shot.

They matched pars through the next three holes.

A brilliant second shot on 16 left Syron six feet from the pin. Kurach, barely on in two, was faced with a 60-foot putt. It took him three to get down. Syron came his putt for the final birdie, ending the match.

The chunky, 5-8, 180-pounder arrived at Charlevoix early last Thursday by car and was unable to fire a practice round before qualifying. He qualified with a 75 over the par 36-36-72 course.

Syron qualified for the first time three years ago at Jackson and was a quarterfinalist last year when he lost to Tom Draper.

It was Kurach's second defeat in the state amateur final since first qualifying for the event in 1955. A former Hamtramck high school golfer and World War II Air force mechanic, he was defeated 3 and 2 in the 1955 final by Johnson.

Syron entered the championship match after a one-up semifinal victory over Jack Zinn, 27, of Detroit.

Pancho Next for Lew Hoad Starts Well as Pro

FOREST HILLS, N.Y. (AP)—Lew Hoad said today he was just as nervous as could be when he made his professional tennis debut—but in the next breath he revealed that he caught a half-hour nap just before he was called on the court.

"I really was nervous," Lew laughed. "I can sleep any time, of course, once I start swinging my racket. I forget it. But I was as nervous as, say, when I stepped on the court for the final at Wimbledon."

Hoad, signed right after he won Wimbledon for the second straight year, began to earn some of the \$125,000 Jack Kramer is giving him over the next two years, by crushing Frank Sedgman yesterday, 6-3, 6-4, 6-4, in the Tournament of Champions.

"I might even have been more nervous against Sedgman than I was at Wimbledon," observed Hoad. "After all, I figured I could beat Ashley Cooper, my opponent there. I wasn't so sure I could lick Sedgman."

The 6,500 spectators at the staid West Side Tennis Club rarely have seen the type of tennis put on by Hoad. He was a living terror, beating back everything Sedgman had to offer. Sedgman managed to break his service just once, in the second game of the third set.

"What can I say about him?" asked Sedgman who last played Hoad in 1952. "He was terrific. In six months, he'll be even better. His anticipation was wonderful. Of course, I haven't played a real match since January, so my reflexes were slowed a little. But that would have had no bearing on the outcome."

Did Sedgman think Hoad could beat pro king Pancho Gonzales when they meet next Sunday?

"Not right now," he answered. "Gonzales has the service to beat Lew. Pancho has a flat delivery that's real hard to hit. Lew's spins

DOUBLE-BARRELED VICTORY—Tiger pitcher Billy Hoelt not only got credit for the victory against the Baltimore Orioles yesterday in the first game, but he helped things along by rapping out two home runs. He has only four hits this season, three of them home runs.

State Women's at Orchard Lake Three Courses Host Golf Tourneys

A total of 189 Publix golfers, and 87 women amateurs teed-off in their respective tournaments at three golf courses this morning.

At Birmingham and Plum Hollow, the publix players are seeking 10 berths for the national tournament to be played at Hershey, Penna., July 29-Aug. 3.

Players began teeing-off at 6:30 a.m., with 18 holes slated at each course.

At Orchard Lake Country Club, the 41st Annual Women's Amateur State Championship got started at 8:30 a.m., with Birmingham's Sally Sharp as defending champion.

The women will qualify in medal play today and begin match play tomorrow with the finals set for Thursday.

Among the early area publix golfers to go out were Ron Rothbarth of Pontiac and Tim Baldwin of Birmingham at 7:33 a.m. Mike Public Links champion Mike Andonian of Pontiac started at 8:15 a.m. and Roy Iceberg followed. Joe Burdgett of Pontiac, who played in the state tournament at Charlevoix, did not show up at his scheduled time.

Miss Sharp did not have to play in the qualifying round of the women's tourney. Five other former champions are in the field including Mrs. Fannie Reynolds (1954), Mrs. Rylma Marquardt (1953),

Richard's Tavern kept rolling along as the National League leader while the Pontiac Police contingent dropped to 2nd place in the International League as a result of city softball games played yesterday.

Richard's backed a four-hit shut-out performance by John Geiger with a 12-hit batting attack for a 13-0 rout of Oxbow as A. Hayward belted a three-run homer, two doubles and triple for six runs batted in.

Eddie's Bar downed the UAW-CIO 4-2 and Baettner's Cleaners

Gibson Seeks More Honors

CHICAGO (AP)—Althea Gibson of New York City, the newly crowned Wimbledon champion, seeks her first major U. S. tennis title when the National Clay Courts Tournament opens today.

Miss Gibson, seeded No. 1, is a strong favorite to capture the title in the week-long tournament which ends Sunday. She was defeated in the semifinals last year by Shirley Fry, last year's Wimbledon Champion.

Herb Flam of Beverly Hills, Calif., will seek his second straight title in the men's division. Flam also won in 1950 and is top seeded.

STATE CHAMP—Official state small-bore rifle champion, Harold Stoughton (above) from Ford Gun Club, was a lucky guy Sunday at the title matches shot at Oakland County Sportsmen's club range. Stoughton was actually 2nd in the firing, to a West Virginian, W. Dean DeLamater, but DeLamater wasn't eligible to hold the title and trophy, which Stoughton holds. Tourney was restricted to Michigan residents only. Stoughton fired 3180-200x. DeLamater 3180-212x.

'Champ' Misses Trophy

Out - of - Stater Wins;
Title to Ford Shooter

By H. GUY MOATS

A set of unusual circumstances developed in the two-day State Smallbore Rifle Match Championships, during the weekend. Match was shot over the Oakland County Sportsmen's Club outdoor range.

First off, there were two champions. That is, the actual overall top score was tied by W. Dean DeLamater of Parkersburg, West Virginia, but, because DeLamater was not a Michigan resident he couldn't qualify for possession of the fine big championship trophy, which went to Ford Gun Club marksman, Harold Stoughton.

Stoughton's hold on the trophy

gave him the official title and the trophy, and also boosted the Ford Gun Club into the team championship. DeLamater's score was a fine 3180-212 bullseyes, Stoughton had 3180-200.

Title was determined by shooting in eight different matches for a combined total, plus bullseyes. All firing was from prone position, with .22 caliber rifles.

Actual 3rd place went to Charles Nelson of Brewster Club, Detroit, with 3180-188; 4th to last year's champion, Charles Casper of Ford, with 2176-208; 5th to John McClay of Roseville Sportsmen's Club with 3176-183.

Ford Gun Club team scores (match 16)—1957 - 59x; runnerup OSC team—1577 - 76x. Individual scores—Ford-Casper 398-24x, Alex Smith 399-27, Denny Wu 396-14, Stoughton 399-24. For OSC—Robert Gubbins 396-17, Bob Wagginer 395-25, Bert Beam 390-17 and Al Johnston 388-18.

A field of 56 took part, coming from Sault, Ste. Marie, Holland, Lansing, Jackson, Port Huron and Flint, besides the metropolitan area. The Soo delegation of four included a wheel-chair marksman, young Joseph Haller, a beginner shooter who did a good job.

Oldest Golf Test
for Women Begins

OMAHA (U)—Qualifying rounds were scheduled today to determine the flights for the 57th Women's Western Amateur Golf Tournament, oldest tournament for women in the nation.

Some 135 of the nation's leading women golfers are entered in the 1957 tournament, assured of a new champion because defender Ann Quast of Marysville, Wash. is not entered.

Tigers Sweep Orioles Twice

Juggling Acts
Backfire for
Paul Richards

Hoelt Hits 2 Homers
in 10-2 Opener; 2nd
Game Won in 10th, 7-6

DETROIT (U)—It isn't quite cricket for one manager to second-guess or criticize the maneuvering tactics of another, but Jack Tighe of the Detroit Tigers was mighty thankful today for some of Paul Richards' string-pulling that backfired.

The Baltimore Oriole manager, the undisputed champion juggler of lineups in either Major League, engineered a 9th inning "defensive maneuver" in the exhausting second game of yesterday's double-header at Briggs Stadium and the Tigers turned it into a twin bill sweep.

The scores were 10-2 in the opener and 7-6 in the nightcap.

"I can forget all the moves we made that didn't work out," said Tighe. "Richards made the one that counted."

Richards, the former Tiger catcher, put rookie Joe Durham into left field as a replacement for ex-Tiger Bob Nieman, who is more renowned for his hitting than for his work with the glove. But Durham's sputtering approach to Reno Bertoia's line drive in the Tiger half of the inning gave the Tigers a run and wiped out a 6-5 Baltimore lead.

The Tigers won it in the 10th, when after one threat had been snuffed out by a disputed double play, they got an unearned run on a single by Ray Boone, an error by shortstop Jim Brideweser and a game-winning single by catcher Red Wilson.

Bill Hoelt scattered seven Oriole safeties and got three of his own—including two home runs that drove across three runs—for the first game victory since May 17 and only his second triumph against four setbacks.

Wilson, who caught both games in place of the slumping Frank House, lined his third single of the day into left field in the 10th and Boone who singled scored the winning tally.

Lou Sleater picked up the victory, his third against two losses.

Homers Save Yanks

By THE ASSOCIATED PRESS

Just when the American League appeared on the verge of becoming a race once more, the New York Yankees turned on a six-run rally to get an even break in Chicago. Faced with the threat of having their lead sliced to one game, the Yanks bounced back from a 4-0 deficit to a 6-4 second game victory mainly on a grand slam homer by pinch hitter Bill Skowron. Billy Pierce's fine five-hit pitching had won the first for Chicago 3-1, so the Yankee margin remained at three games.

Despite two home runs by Ted Williams, who displaced the Yanks' Mickey Mantle as the American League leader with 25, the Boston Red Sox lost two to Cleveland. As a result of the sweep, the Indians are only a half game behind the third-place Red Sox. Joe Altobelli's sacrifice fly with the bases loaded won the first for Bob Lemon 3-2 and the Indians clobbered Bos-

ton pitching for 20 hits to take the second 17-4 for Stan Pitula.

Detroit prepared for the Yanks' visit by knocking off Baltimore twice 10-2 and 7-6 in 10 innings. Billy Hoelt hit two homers and pitched a seven-hitter in the first game and the second was won by Red Wilson's single after a damaging error by Jim Brideweser, Baltimore shortstop.

Kansas City kept Washington six games behind in last place by splitting a double in 100-degree heat. Julio Becquer's timely hitting helped Washington take the opener 4-1 for Camilo Pascual but the A's cut loose with a 17-hit barrage, including two homers by Irv Noren, in an 11-3 second game romp. Truman Cleveland, Washington reliever, was slugged for seven hits and six runs in the sixth. By hitting safely in both games, Hector Lopez of the A's ran his consecutive hitting streak to 21 games.

A crowd of 45,244 saw the Yanks erupt at Comiskey Park after being shut out with five hits by Dick Donovan for eight innings. Three singles brought one run. With one out, Skowron ripped into a pitch by relief man Jim Wilson for a grand slam. Tommy Byrne, Yankee winner, followed with another homer. Pierce retired the last 16 Yanks in order, winning his 13th in the opener.

Williams had a perfect 4 for 4 at Cleveland with three hits in the

Tie for Title
in Legion Loop

First half season title action in the 18th District Junior American Legion Baseball league Sunday wound up in a knot between Milford, which licked Rochester 10-3, and Berkley which was idle. Each had a 9-1 mark.

Decision will be made tonight at a special meeting of manager and post commanders at Birmingham to decide whether a playoff will be held to name the district team for the Owasco Third Zone district playoffs July 23, 24, 25. Eighteenth district 2nd round begins Wednesday.

Milford took the lead on a 3rd inning 3-run rush to offset Rochester's 2nd inning three runs. Milford then added three more in each of the 4th and 7th frames. It was a free-hitting game at Milford, but Rochester's Herb Peters said today that the seven errors by his team was a material aid to the winners.

Police, Cranbrook 'D'
Teams Split Twin-Bill

The Pontiac Police and Cranbrook Class D teams divided a doubleheader in the only boys' league games here yesterday.

Bud Hayward scattered eight hits for an 8-1 Police triumph but Tom Estes came back with a two-hit 3-1 win for Cranbrook in the nightcap.

Chuck McElrath had four straight hits to pace a 14-hit Police attack in the opener which was decided in a three-run 1st. Cranbrook broke a 1-1 tie with two in the 7th to

Jones Wins Two
Events on Tour

LAUSANNE, Switzerland (U)—Eastern Michigan College track star Hayes Jones won two first places in an international meet Saturday as touring American track and field stars won 11 of 13 events.

Jones, a 1956 graduate of Pontiac High School, won the 110 meter hurdles in 14.1 seconds and the broadjump with a leap of 24 feet.

FAIRLANE 500 4 FORD

The low price tag makes the picture perfect

Ford is every inch the fine car of your dreams... at half the fine-car price! Inside, outside, in every last detail, Ford has that luxury look and feel that used to be the private property of only the most expensive cars. Now it's yours... at low Ford prices. It's now, through and through! From wheels to roof, the '57 Ford is loaded with new and improved features. That goes for the frame, the front and rear suspension, the body, the insulation, the differential... the works!

It's Thunderbird V-8 powered! Here's power that melts the miles. Ford's not only the liveliest, it's the smoothest, too. Only Ford V-8's are electronically "mass-balanced" while running under their own power before they're put in your car. It's soundly built to be worth more when you buy it, and when you sell it, too! Compare the long list of Ford features with the competition, and you'll find that only cars way out of Ford's modest price range can match it. No wonder this fine car traditionally outvalues 'em all at trade-in time!

Stocks Remain on High Ground

NEW YORK (U)—The stock market edged further into new high ground for the year in moderately active early trading today. Leading issues advanced narrowly. There was a scattering of losers.

The opening was active and there were some sizable blocks. Within a half hour the pace slowed.

Steels were higher as continued good demand was forecast for the rest of the year. Motors resumed their upward of Friday. Basic metals showed a slightly higher tendency. Chemicals were mixed and aircrafts were lower.

Wall Street saw the market in a traditional summer rally after the averages attained new yearly highs on three occasions last week. On average, the market was just below historic bull market highs, a level which is now being tested.

Fractional gains were made by U.S. Steel, Bethlehem, Youngstown Sheet, Chrysler, General Motors and Ford.

Allied Chemical was off more than two on news of lower earnings.

Gainers included Sperry-Rand, International Business Machines, Du Pont, Anaconda, Kennecott, Southern Railway and Royal Dutch.

Among losers were Texas Co., American Tobacco, Goodyear and Consolidated Edison.

France Decides to Allow More Wine Surpluses

PARIS (U)—The French government has decided to let France's wine surplus continue. The reason is that the outlook is for greater demand when the European Common Market becomes a reality.

Since 1953, the government has paid farmers indemnities for uprooting vines producing ordinary wine because of tremendous surplus of wine and alcohol which was building up.

The government's official journal published today decrees suspending for one year, beginning Aug. 1, the payment of indemnities for production cutbacks.

If the expected increased demand for wine materializes, the measure will be made permanent. The six-nation EPC is expected to begin functioning in 1958, with first tariff reductions beginning in 1959.

Man Runover by Boat in Cass Lake Accident

While water skiing yesterday on Cass Lake in West Bloomfield Township, a Detroit man, Ralph Cavalier, 23, of 19620 St. Auburn St., was struck by a passing boat. Joyce Felker, 20, of 1103 Annin St., Detroit, who was driving the boat pulling Cavalier, told deputies that he had dropped off the ski and was swimming to his boat.

James W. Stock, 21, of 11137 Gratiot Ave., Detroit, who was operating a 15-foot boat with a 35 h.p. motor, said he did not see Cavalier in the water in time to avoid hitting him.

The stock boat was reportedly traveling at about 28 miles per hour. Cavalier was taken to Pontiac General Hospital where he was for multiple arm and shoulder cuts and released.

Driver Pays \$25 Fine After Pleading Guilty

Aubrey Thomas, 45, of 526 1/2 S. Saginaw St., pleaded guilty today after being arrested on a drunk and disorderly charge following an auto accident which injured two persons Saturday.

Thomas paid a \$25 fine instead of a five-day jail sentence when he appeared before Municipal Judge Cecil B. McCallum.

The second auto was driven by Arthur S. Thomas, 32, of 559 Montana St. He was treated at St. Joseph Mercy Hospital for abrasions.

Jeretha Snow, 40, of 481 Highland Ave., a passenger in Aubrey Thomas' auto, was released from Pontiac General Hospital after treatment for cuts and bruises.

Child's Head Injured in Fall to Sidewalk

A six-month-old girl was admitted to Pontiac General Hospital at 11 a.m. today for a possible fractured skull after she fell from her mother's arms to the sidewalk.

The child, Dorothea M. Almas, was reported in satisfactory condition.

Officer Wilbur Carrier, of the Pontiac Police, said Mrs. Sharon Almas, 16, of 4281 Quebec St., reported she was carrying the child and a bag of groceries when the child squirmed and fell as she was walking on Third street between Joslyn street and Laurel avenue.

TOP SUGGESTION WINNERS — Pontiac Motor Division employees seated above were recently presented maximum suggestion awards (\$2,500) totaling \$12,500. From left to right they are Alvin L. Monroe, Eber W. Hurd, Roy Edgerton, William J. Malinowski, standing, chairman of the suggestion committee; Mrs. Janie D. Avant, Percy D. Bitler and John J. Bailey. Mrs. Avant is the first woman in the history of Pontiac's suggestion program to receive a maximum award, and it was her first suggestion to be adopted. Hurd and Edgerton put their ideas together for one maximum award.

Burglars Steal Mechanic's Tools From Orion Man

Oakland County sheriff's deputies reported Sunday that sometime late last week someone broke into a tool shed behind the home of Morris G. Reynolds, of 1792 Grandview St., Orion Township, escaping with two boxes of mechanic's tools.

Reports said the tools were valued at about \$250, and that the lock on a trailer on Reynolds' property had been broken, but nothing was missing. Detectives believe this robbery to be linked with similar break-ins in the area during the past few months.

Gov. Williams Plans Quick Jobless Action

LANSING (U)—Gov. Williams said today he would take "immediate steps" to meet what he called a "public emergency" arising out of growing unemployment in Michigan.

Williams said he would ask the Michigan Employment Security Commission for a report on sources of unemployment, then meet with auto and labor leaders to discuss ways for reducing the total of jobless workers.

Immediate action was decided upon, he said, on the basis of reports from the MESC and Walker Cislis, president of Detroit Edison Co. and chairman of the Governor's Emergency Production Commission.

The MESC reported that 195,000 persons, or 6.7 per cent of the state's labor force, were out of work as of June 15. Cislis' report, issued 10 days ago, predicted unemployment would rise to 235,000 by Aug. 15.

Wayne State University to Offer Courses in City

Two-week courses for undergraduate credit will be offered by Wayne State University in Pontiac upon the completion of the present six-week courses.

Wayne will offer a two-hour credit course in interpretive Reading, Speech 250. The class will meet from July 29 to Aug. 2, from 1 p.m. to 5 p.m. and the second week from 8 a.m. to 12 noon. Sessions will be Monday through Friday at Lincoln Junior High School.

Another possible course, if enough persons are interested, is Educational Psychology 551, "Mental Hygiene and Its Relation to Problems of Education." It will be offered from 8 a.m. to 12 noon, Monday through Friday.

Fees will be \$22 each, and registration will be accepted at 8 a.m. July 29, at Lincoln.

Girl, 8, Hospitalized After 3-Car Collision

A three-car rear-end collision Saturday afternoon on Auburn road about 300 feet west of Adams road, in Avon Township, sent an eight-year-old Pontiac girl to Pontiac Osteopathic Hospital with minor injuries, according to sheriff's reports.

Deputies said Linda McCusky, 8, was injured when the car driven by her mother, Marilyn M. McCusky, 26, of 3331 Greenwood St., failed to stop, smashing into the rear of a car driven by Alva Frederick Croteau, 42, of 112 Marquette St.

Croteau was forced into the rear of the car ahead of him, driven by Elmer J. Weber, 32, of 109 Highland Ave., a passenger in Aubrey Thomas' auto, was released from Pontiac General Hospital after treatment for cuts and bruises.

Child's Head Injured in Fall to Sidewalk

A six-month-old girl was admitted to Pontiac General Hospital at 11 a.m. today for a possible fractured skull after she fell from her mother's arms to the sidewalk.

The child, Dorothea M. Almas, was reported in satisfactory condition.

Officer Wilbur Carrier, of the Pontiac Police, said Mrs. Sharon Almas, 16, of 4281 Quebec St., reported she was carrying the child and a bag of groceries when the child squirmed and fell as she was walking on Third street between Joslyn street and Laurel avenue.

Rise Continues for Soybeans

CHICAGO (U)—Soybean futures continued to advance on the board of trade today on buying and short covering, sparked by good demand and heavy weekend rainfall in important producing areas.

Beans were up around three cents at times on top of Friday's heavy advance, which carried prices up 9 1/2 cents at one time.

Other grains also were firm, with wheat up more than a cent at times and corn and oats ahead major fractions in some cases.

Near the end of the first hour, new style wheat was one to 1 1/2 cents higher, July 2.14 1/2; corn was unchanged to 1/4 higher, July 1.28 1/2; oats were 1/2 to 1 cent higher, September 1.33 1/2; Soybeans were one to three cents higher, July 2.48 1/2; and land was three cents a hundred pounds higher to three cents lower, July 13.75.

County Board Eyes Rented Office Space

A special meeting of the Oakland County Board of Supervisors has been called next week to consider leasing of more office space.

Pressed for room to work while a court suit holds up construction of a new courthouse, the county wants to lease the former Road Commission building at 550 S. Telegraph Rd.

Supervisors' chairman Delos Hamlin, of Farmington, who called the meeting, said a three-year lease with a six-month termination clause is being considered.

The rent would be \$25 a month. The staff of the Department of Public Works would probably move into the new space, as well as several smaller departments, Hamlin said.

Supervisors will be asked to vote an appropriation for the rent at the meeting scheduled for 9:30 a.m. July 23.

The Road Commission, which had intended to sell the building after it moved into new headquarters in the County Service Center three months ago, favors the lease.

Chairman Sol Lomerson said that bids for the building's sale were too low. They were opened earlier this month.

Man Treated for Cuts After Teen Beating

William Smith, 20, of 75 Wall St., was treated for multiple face, head, and chest injuries at St. Joseph Mercy Hospital early Sunday morning after being beaten by a group of unidentified teenagers, according to Oakland County Sheriff's reports.

Smith told deputies he had just left Bill's Barn, located at Auburn and Dequindre roads, in Macomb County's Shelby Township, when the boys jumped him. He offered no reason for the attack, telling deputies that his assailants, whom he had never seen before, did not rob him.

He was treated for cuts to the head and face, X-rayed for possible chest injuries and released.

Credit Union Manager Attending Classes

Ronald J. Wilde, of 1210 Coshocton Dr., and credit manager of the GMTC Employees Federal Credit Union, is attending the school for credit union personnel at the University of Wisconsin.

The two-week course opened Sunday. It is a three-year project, with two weeks of resident training each year.

Charge Detroit With Beating Up Woman in Auto

SANDUSKY (INS)—An East Detroit man was in Sanilac County Jail today, charged with forcing his way into a Dearborn woman's car, beating her and then driving away with her at his side.

Sanilac deputies said they would charge Russell A. Wheeler, 29, with assault and unlawfully driving away a car.

Vivian Anderson, 41, refused treatment for cuts and bruises on the face but remained in Sandusky to sign a warrant against Wheeler.

She told deputies she was driving to Dearborn from Tawas when she pulled off the shoulder of the road at 3 a.m. yesterday to sleep.

Miss Anderson said she was awakened by Wheeler pounding on the window and opened the door thinking he was in some sort of trouble.

She told the deputies he immediately began beating her with his fists and forced his way behind the wheel.

A sheriff's patrol car chased Wheeler and captured him after he failed to dim his lights while passing the deputies on a side road.

GM Claim Okay, FTC Declares

WASHINGTON (AP)—The term "Genuine Chevrolet parts" was not misleading, according to a ruling by the Federal Trade Commission (FTC).

The FTC announced yesterday that it had dismissed a 1955 complaint which charged that General Motors Corp. misrepresents replacement parts by using the term "genuine."

The FTC itself had filed, the complaint.

FTC chairman John W. Gwynne, upholding a ruling Jan. 24, by examiner James A. Purcell, said 99 per cent of fast-moving Chevrolet replacement parts are either made only by GM or jointly by GM and others expressly for Chevrolets.

He said GM is naturally interested in the use of replacement parts of equal quality to those used in the original car "and that have been subjected to the tests of its own engineers."

Bloomfield Woman on College Board

Mrs. William T. Gossett, of Goodhue road, Bloomfield Hills, has been elected to the board of trustees of Bernard College.

Mrs. Gossett, who has served as an alumnae trustee for the past four years, will serve a seven-year term on the 25-member board.

A daughter of the late Chief Justice Charles Evans Hughes, Mrs. Gossett is married to William T. Gossett, vice president and general counsel of the Ford Motor Company.

Mrs. Gossett is the vice-chairman of the board of directors of Kingswood School in Cranbrook, a member of the advisory committee planning the Oakland branch of Michigan State University and a member of the board of directors of the Merrill Palmer School in Detroit.

A graduate of Barnard College, Mrs. Gossett is president of the Barnard College Club of Detroit.

Rochester Man Named Clinic Panel Chairman

A Rochester man, Russell W. Nowels, of 316 Charles Rd., has been named to chairman a clinic panel on cost estimating at the 1957 Building Products Exposition, scheduled for November in Philadelphia.

Nowels is a Rochester lumber dealer and a member of the Board of Directors of the National Retail Lumber Dealers Association.

A calm is an air movement or wind of less than one mile an hour.

Inventory Shows Upturn in Sales

Passenger Car Figure for Retailers July 1 Reflects June Rise

DETROIT (U)—New car retailers had 744,315 passenger cars in stock July 1. The total compared with 737,748 cars June 1.

The figures, computed by Automotive News reflect an encouraging sales upturn in June. Deliveries for that month have been estimated unofficially at 544,750 units and the total for the January-June period at 3,064,650 units. In the same 1956 period retail deliveries numbered 3,155,800.

New car inventories were lower on July 1 last year. The 679,598 figure in that instance, however, reflected a sharp production cutback that began earlier in the year when inventories reached the record total of 904,000 units.

Ward's Automotive Reports, commenting on the industry's sales and production picture, said last week retail deliveries for June 21-30 were at an average daily rate of 26,656 units, best since Sept. 21-30, 1955, when they averaged 29,218.

The agency put the indicated over-all factory output for 1957 at 6,200,000 cars. Some earlier estimates placed the figure at six million units for both assemblies and retail deliveries.

News in Brief

Ira L. Harden, Jr., 22, of 3164 Hendrydale St., Auburn Heights, pleaded guilty to driving with a revoked license Saturday before West Bloomfield Township Justice Elmer C. Dieterle, and had his 3-day sentence raised to 10 days in the Oakland County Jail after failing to pay a fine of \$15 plus \$10 costs.

Douglas E. Tryon, 20, of 6143 Monrovia St., Drayton Plains, was arraigned before White Lake Township Justice Frederick Stephan, Saturday, on charges of larceny from a building. Tryon waived examination, was bound over to circuit court, and returned to the Oakland County Jail with bond set at \$1,000.

Robert Monk, of 167 Foxbury St., Commerce Township, has reported to Oakland County Sheriff's Deputies that sometime between 9:30 a.m. and 1:30 p.m. Saturday, someone broke into his TV shop behind his home and stole television equipment valued at \$200.

Thieves broke into the West Walton Dairy Bar, 228 West Walton Blvd., sometime Saturday night and stole an undetermined amount of pennies from the cash register, candy, cigarettes, and hamburger. Pontiac Police report.

Lester L. Wright, 44, of 76 Fairgrove Ave., paid a \$100 fine instead of 10 days in jail after Municipal Judge Cecil B. McCallum reduced a drunk driving charge to reckless driving.

Thomas Mapley, of 18 McNeil St., told police vandals maliciously broke two windows and a rear tail light lens of his auto while it was parked in front of his home Saturday.

St. Joseph Mercy Hospital Nurse Stella Troxell, of 295 Liberty St., reports \$20 was stolen from her wallet located in her purse in the second floor coat room of the hospital Friday evening.

Approximately \$20 was stolen from the cigarette machine last night after thieves broke into the Pure Oil Gas Station, 867 Baldwin Ave., according to Pontiac Police.

A Rochester man, Russell W. Nowels, of 316 Charles Rd., has been named to chairman a clinic panel on cost estimating at the 1957 Building Products Exposition, scheduled for November in Philadelphia.

Nowels is a Rochester lumber dealer and a member of the Board of Directors of the National Retail Lumber Dealers Association.

A calm is an air movement or wind of less than one mile an hour.
