Commission to Discuss Appeal of Zoning Decision on Birmingham Triangle

From Our Birmingham Bureau
BIRMINGHAM — The "triangle" suit, which currently shows the city on the losing end in the case brought by the Industrial Land Co. and others, will be reviewed at tonight's city commission meeting.

Clark Adams, the city's attorney in the legal tangle, will report to the lawmakers on Circuit Judge Frank L. Doty's recent written opinion that single family residence zoning of the nine acre tract bounded by Eton road, the Grand Trunk Railway right-of-way and Graceland Terraces, is "unreasonable and confiscatory."

Whether to appeal the case or immediately recone the area for terrace development, will be discussed.

Doty has issued a permanent injunction which prevents the city's intervention in development of the property by the plaintiff. Doty's opinion upheld the plaintiffs' right to develop the area under a business A classification.

Following a joint meeting of

Defense Budget Set for House

\$28,680,706,500 Cash Appropriation Cuts Like's Figure by \$1 Billion

WASHINGTON (AP) — A Defense Department cash budget of \$28,680,706,500 was recommended today by the House Appropriations Committee, with \$7,615,523,000 earmarked to finance "the greatest Army ever maintained by this nation on a full year basis in the absence of actual warfare."

The total is \$1,206,348,500 less than President Eisenhower asked for the Army, the Navy and the Air Force and related activities for the fiscal year starting next July 1.

But the cut imposed by the committee in a bill sent to the House for debate starting Wednesday was actually less than half as large as it appears.

Committee cuts were about 541 million dollars, the balance of the reduction having been volunteered by the armed services or being in the nature of bookkeeping savings.

FUTURE FARMERS GUESTS OF GMCT — Michigan President of the Future Farmers of America, James Boyne (left) of Marlette, and Illinois FFA vice president J. C. Ebach of Forest, Ill., (center) look over a big GMC Diesel truck in the GM Motorama at Chicago with Philip J. Monaghan, general manager of the GMC Truck and Coach Division. The boys were in a group of more than 1,000 FFA members who attended the Motorama and were guests of GMC Truck and Coach at a buffet luncheon at the famed Saddle and Sirlin Club in the Stockyards Inn Saturday.

Stevens Says Cohn Misused His Power

(Continued From Page One)

he held as chief counsel of the committee, I feel he used his office in perversion of rules of the Army in regard to inducements."

McCarthy interrupted to demand that it be explained "what consideration" Schine got. Jenkins replied that this would be brought out in due time.

The Wisconsin senator again interrupted to ask whether the presence of "generals" at the hearings was at the subcommittee's request, or at the Pentagon's direction.

Acting Chairman Karl E. Mundt replied that the only person present at the subcommittee's request was Stevens.

Maj. Gen. Miles Reber, former chief of legislative liaison for the Army, who testified last week, was the only uniformed general noted in the hearing room today.

Stevens, asked by Jenkins under cross-examination to describe how he felt about McCarthy's connection with the alleged requests for favoritism toward Schine, said:

"At first, I thought it was, you might say, a personal thing, the way it began. As it went on, and as Cohn showed vigorous interest, I had no other course than to believe that Cohn was acting with the approval of the chairman of the committee."

Jenkins asked: "You knew the pressures were occurring simultaneously with the investigation by this committee of the Army installations at Ft. Monmouth?"

Stevens answered: "Yes."

In leading up to the charge of rules "perversion," Stevens described a meeting he had with McCarthy Jan. 14 at the Carroll Arms Hotel in Washington.

He said he told McCarthy at that meeting that he was leaving for the Far East and would be "out of circulation" and that Schine was going to be transferred at the end of his eight-week basic training at Ft. Dix, N. J., to Camp Gordon, Ga.

The secretary said that during this meeting McCarthy repeatedly suggested that Schine be assigned to New York City, for the purpose of seeking evidence of Communist propaganda in West Point textbooks.

2-Year-Old, Youth Injured in Crash

A 2-year-old Waterford Township girl and a Keego Harbor youth were injured Saturday at Seaball and Joyce Sts. in Drayton Plains when the cars in which they were riding collided.

Martha Giles, daughter of Mr. and Mrs. Marcus Giles of 40 Hillside Dr., was treated at Pontiac General Hospital for a mild concussion and cuts and bruises.

The child was a passenger in a car driven by her mother, Laura, which collided with a car driven by Max E. Brown, 19, of 3 Kleist Ct. Brown, who suffered a knee injury, said he did not see Mrs. Giles' car until just before the impact.

Hospital Head Corrects Figures Quoted Friday

Pontiac General Hospital Director Lauretta Paul said today \$182,000 in revenue would be lost annually, not monthly, if the old section of the hospital were closed.

Miss Paul also pointed out that the bond issue turned down by voters called for a \$3,000,000 rather than a \$4,000,000 hospital expansion program. Both figures were incorrectly stated in the Pontiac Press Friday.

Weekend Traffic Kills 17 in Michigan

(Continued From Page One)

an auto accident six miles northeast of Caseville, near the top of the Thumb.

Charles Hubble, 38, of Metamora, Sam Carmichael, 31, of Holly and John F. Earl, 42, of Clarkston were killed in a two-car collision a mile north of Oxford in Oakland County Friday night.

Mrs. Bessie Stoughton, 66, of Kalamazoo was killed Friday night when her husband collided with another auto four miles west of Kalamazoo.

Cassius Dewey, 83, of Sturgis was killed Friday night in a collision five miles southeast of Coldwater.

Jack Kalahar, 20, of Merrill was killed Saturday when his car skidded 63 feet into the side of a New York Central freight locomotive. The accident occurred at the South road crossing, six miles west of Saginaw.

Lloyd Carey, 57, of Grand Rapids was fatally injured Saturday. He was changing a tire on US31 in Saugatuck when hit by a truck.

Lois Vincent, 5, was killed and her brother, Melvin, 11, was injured when a farm tractor Melvin was driving overturned, six miles south of Owosso. Police said the girl died of suffocation, planned face-down under the tractor.

Audrey Nelson, 16, was fatally injured Friday night when she was struck by a car on M37 in White Cloud, Newaygo County.

Then just 10 miles away in Newaygo on M37, Maud Fox, 81, of Newaygo was struck and fatally injured by another car Saturday night. Both women died in Gerber Hospital, Fremont, Sunday.

Seven persons, all in one car, were injured Sunday morning when their car failed to complete a turn onto Dixie highway from Sasabaw road and struck a utility pole.

Walter R. Pointer, 31, of 238 Perry St., driver of the car, told Oakland County Sheriff's Deputies that he lost control when the car started skidding. The injured were taken to Pontiac General Hospital.

Pointer and his wife, Shirley, 26, were treated for cuts and bruises. Miss Agnes Coulter, 22, of 2836 Orchard Lake Rd., W. Bloomfield Township, was admitted with severe face cuts. Her condition is reported good today.

Miss Audrey Samson, 20, of 1254 Atkinson Ave., Herbert Tipolt, 23, of 624 S. Dort Hwy., Flint; Leonard Tipolt, 29, of 625 S. Dort Hwy., Flint and his wife Mary, 27, were treated for cuts and bruises.

After the liberation of Denmark in 1945 from the Germans, he served as minister-without-portfolio in the coalition cabinet headed by Prime Minister Buhl and continued as head of Denmark's diplomatic mission in Washington.

Introduced at the banquet held in the Old Folks Home by the Danish consular for Michigan, George P. Everson of Birmingham, the ambassador was later entertained at a special Scandinavian Symphony performance in Detroit before returning to Washington.

Pontiac Police said Jenkins rounded a curve on the wrong side and ran into a car driven by Charles Wells, 20, of 160 Franklin Rd.

Housewife Injured in Headon Crash

A Pontiac housewife was injured Saturday when two cars hit head-on at Branch and Howard McNeil Sts.

Mrs. Wilma Overton, 24, of 414 Bloomfield Ave., was treated for knee injuries at Pontiac General Hospital. She was a passenger in a car driven by Glen Jenkins, 44 of 1521 Rotsel, W. Bloomfield Township.

Pontiac Police said Jenkins rounded a curve on the wrong side and ran into a car driven by Charles Wells, 20, of 160 Franklin Rd.

Stalled Auto Rammed, Three Injured Today

BLOOMFIELD TOWNSHIP — Stalled on Telegraph road near Sandy Lane this morning, the car of Jack G. Graham, 42, of Cheboygan was struck in the rear by an auto driven by George L. Collins, 45, of Detroit and pushed 100 feet, according to police.

Collins and James Wickline, 13, a passenger in Graham's car, were treated for injuries at St. Joseph Mercy Hospital. Reported in fair condition is Mrs. Evelyn Gellinas, 41, with lacerations of the face.

Man Injured in Crash

Conrad Busch, 32, of 10725 Vernon, Huntington Woods, was treated Saturday at Pontiac General Hospital for face cuts and bruises after his car went out of control on Haggerty road near Richardson road and struck a tree, according to West Bloomfield Township Police.

Bar Broken Into

An undetermined amount of money was taken in a break-in Sunday night at Clare's Bar at 800 Woodward Ave., Pontiac Police said today. Owner Clarence Sherbath of 17 Earlmoor Blvd., said entry was gained by forcing a rear door.

Pontiac Deaths

Arthur G. Blanchard

Arthur G. Blanchard, 67, of 4742 Dixie Highway died at St. Joseph Mercy Hospital yesterday after an illness of two years.

He was born in Whitby, Canada on May 24, 1886. His parents were John and Ellen Chambers Blanchard. He married Lavina Southwell in Akron, Ohio, in 1908.

Mr. Blanchard had been employed at General Motors Truck and Coach division for 20 years.

Surviving besides his widow are three daughters and two sons, Mrs. Violet Finkbeiner, Gordon Blanchard both of Pontiac, Bernice Giron, Myrtle Whitmore and Clifford Blanchard all of Drayton Plains.

Also surviving are eight grandchildren and two sisters Mrs. Thomas Burns and Mrs. Frank McLean both of Canada.

Funeral will be Wednesday at 1:30 p.m. from the Huntton Funeral Home with burial in Ottawa Park Cemetery. The Rev. James Luther of the Silver Crest Baptist Church will officiate.

Mrs. Robert Boardman

Mrs. Robert (Jennie) Boardman, 85, of 275 Starr Ave., died at Decatur, Ill., Saturday while visiting her daughter Mrs. Lena Sutherland. She had been ill for three months.

She was born in Jersey City, N. J., July 1, 1868, the daughter of Daniel and Nancy E. Degnis Page. She married Robert Boardman in Orion Township Sept. 14, 1887.

Mrs. Boardman had been a county resident for 75 years.

She was a member of the Gold Star Mothers, having had a son, Fred, killed in action during World War I.

Surviving are four sons and three daughters, Frank, John and Willard, all of Pontiac, Floyd, of Saginaw, Mrs. Sutherland, of Decatur, Ill., Mrs. Bessie Herrington, of Canandaigua, N. Y., and Mrs. Olive Reading, of Rochester.

Also surviving are 12 grandchildren and 13 great-grandchildren.

The funeral will be held Tuesday at 2 p.m. from the Huntton Funeral Home. Burial will be in Oak Hill Cemetery, Drayton Plains. The Rev. Waldo Hunt, of St. Andrews Episcopal Church, will officiate.

Andrew G. White

Andrew G. White, 66, of 3750 Morgan Rd., died Saturday at Carsonville.

He was born in Scotland, April 3, 1888, the son of Alex and Margaret White. He married Grace Kennedy in Toledo.

Mr. White was last employed at General Motor Truck and Coach division. He had been retired for a year.

He served during World War I, and was a member of the Masonic Lodge of Orion and Forest Lodge. Surviving is his widow.

The funeral will be held Wednesday at 3 p.m. from the Huntton Funeral Home. Burial will be in Perry Mount Park Cemetery with Dr. Andrew Creswell, of the Oakland Avenue United Presbyterian Church, officiating.

Polio Tests Start in County, Nation

(Continued From Page One)

A of a teaspoonful of watery pink fluid. No one — not even the doctors giving the shots — knows whether a child is getting the new vaccine or the control liquid.

The code number on the vial of liquid was set down after each youngster's name in the records. The number will later tell whether or not the child got the vaccine.

After the summer is over, men will break the code and find out how many children in each group got polio.

Dr. Robert J. Mason, Oakland County Medical Society president, pointed out today that three independent laboratories now have guaranteed the vaccine's safety. These are Dr. Salk's laboratory, the manufacturer, and the National Institute of Health.

All reports were checked by the National Foundation Advisory Committee, headed by Dr. Thomas Rivers, head of the Rockefeller Research Hospital.

Repeated testing, Dr. Mason said, showed the vaccine is potent and won't make the children who get it any more susceptible to polio.

"Eight thousand children in Pennsylvania already have received this vaccine," Dr. Mason said. "There haven't been any serious reactions, or any cases of polio or paralysis among them."

Opening of Subdivision Draws 10,000 Sunday

Ten thousand persons flocked to Northwood Building Company's opening of its new Northwood "42" homes Sunday, according to company president, David Luckacher. The opening had been announced in four pages of advertising in the Pontiac Press building section Saturday.

Luckacher said people were lined up from opening time at noon until closing time at 10 p. m. The 14 new homes are located on Middle Belt road southwest of Pontiac. When completed, the development will contain 400 houses.

Somebody Good Returns Ancient Japanese Bell

TOKYO (AP) — A 262-year-old Japanese temple bell, carried off to the United States as a trophy of World War II, arrived in Japan today for return to its owners.

The U. S. Far East Air Forces flew the 200-pound bronze bell into Tokyo. The U. S. Navy will carry it to the fishing town of Ohara, where it will be returned in a ceremony next Sunday.

The Buddhist bell was flown here from Duluth, Minn., which had received it as a present from men of the U. S. cruiser Duluth. The Navy men had carried it off from storage in the U. S. naval base at Yokosuka.

Dien Bien Phu Reels Under Rebel Attack

(Continued From Page One)

300 feet due south of the rebel trenches.

But the French said the attackers had not been able to infiltrate the defenders' lines last night and were still 600 yards from Brig. Gen. Christian de Castries' command headquarters.

A Vietnam broadcast heard in Hanoi crowed that the opposing forces would be "face to face very soon" in a death struggle. The threat appeared to back up belief the rebels' Communist leaders were preparing to throw everything into one more attempt to wipe out Dien Bien Phu. This would give the Reds a resounding propaganda victory to back up their claims at Geneva, where an attempt may be made to negotiate an Indochina settlement.

Thieves Flee With \$20 After Burglary Saturday

Thieves escaped with about \$20 after they burglarized the Oakland Chemical Co. office at 774 Woodward Ave. Saturday night, according to Pontiac Police.

Owner Charles Miller of 35 Evelyn Ct., said a small safe was broken open and ransacked. Entry was made through a rear door.

Heard in a Pontiac Church Sunday

Jesus' Death a Revelation of God's Love of Mankind

Dr. Andrew S. Creswell, pastor of the Community United Presbyterian Church, otherwise known as Oakland Avenue United Presbyterian Church, preached the "Proof of God's Love" in his sermon Sunday.

Dr. Creswell came to Pontiac on Oct. 1, 1920 to organize the church. He claims the distinction of having the longest one-church pastorate in the city. He also has led in the organizing of Drayton Plains, Joslyn Avenue and Auburn Heights, United Presbyterian Churches.

The distinguished pastor took as his text, "But God commendeth His love toward us, in that while we were yet sinners Christ died for us" — Rom. 5:8. His sermon follows:

How do we know God loves us? We are all unworthy of that love. But here we have stated the historical fact upon which this conviction of God's love rests.

God commendeth His love. When Paul the Apostle used this word, commend, he used a word that not only proved God's love, but recommends it in such a way as to appeal to the heart.

God establishes the fact, and He sweeps it into man's heart on the bosom of that full tide of self-sacrifice.

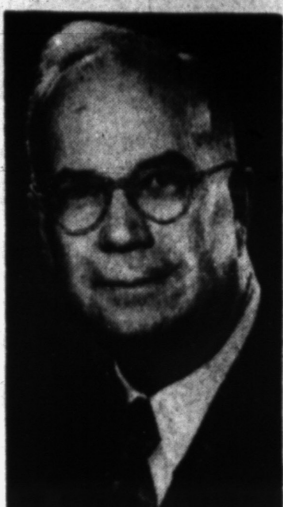

This statement indicates that God was in action behind the death of Christ. His death was not the death of a martyr in loyalty to a cause, but much deeper than that — "God was in Christ reconciling the world unto Himself."

The love that was in Christ was the manifestation of the love of God Himself.

Why did Jesus die? The Apostle Paul expresses the conviction here that "Christ died for us." This implies that Christ died of His own accord, being impelled by a great beneficent motive. The actors in the drama of putting Him to death, would have been helpless except He was voluntarily giving Himself.

This did not excuse them but it did set forth His death, as a voluntary sacrifice that is for our advantage.

This little word "for" does not define in what way that death ministers to our advantage, but it does assert that for those Chris-

DR. ANDREW S. CRESWELL, tians in Rome there was benefit in the fact of His death.

They had never seen Christ but Paul writes to them of the fact that Christ's death was for them. This is also true for us who live nineteen centuries and more after the event at Calvary.

Recently we read in the newspapers of a father who rushed into the house which was on fire to save his son who was trapped in the burning home. The child was saved but the father was so severely burned that he died. That was death for another, but Jesus died for us in a deeper sense than that.

One of our magazines recorded the story of a doctor who was working on a cure for cancer. But in developing the cure he became afflicted with the disease himself. He died but he kept a record of the development of the disease in his own body and the effect of the remedy as applied, that those following him might be benefited. So in carrying out his purpose to aid others, he had to give his life.

What he aimed at could only be accomplished by the sacrifice of his life.

However this martyr's death is not the depth of the sense in which Paul meant Christ died for us. "We have our sins in His body on the tree." I Pet. 1:18 "He died for us." "While we were sinners Christ died for us."

God's Love for us is so great that we cannot completely fathom it. But it is a righteous love. We did not deserve it. But Christ willingly died for our sins. "So that God can be just and still the justifier of him who believeth in Jesus."

God has proved His love in such a wondrous way. May we receive Jesus as our Savior and let Him live in us today.

Motor vehicle accidents in the United States killed 38,000 persons in 1952 while cancer killed 220,000 persons, the American Cancer Society reports.

Avon Man Dies of Suffocation

Firemen Find His Body in Smoke-Filled Room Early Sunday

AVON TOWNSHIP — John O. Franklin, 28, owner of Franklin Trenching Service, suffocated in his apartment early Sunday morning in a fire which firemen said apparently started in a mattress. Firemen found Franklin's body after donning gas masks to enter a smoke-filled room of the apartment at 2359 Avalon Rd. He had apparently been overcome by smoke while trying to find a door or window.

Franklin was alone when the fire started. His wife, Ruth, and some friends had gone out for a lunch, according to firemen. She arrived home while firemen were fighting the blaze.

Rochester and Pontiac Township Fire Departments responded to the alarm, which was turned in by Thomas W. Call, owner of the two family house, who lives on the first floor. Damage was confined largely to one room.

Funeral service for John Oliver Franklin will be at 10 a. m. Wednesday at Dudley H. Moore Funeral Home. Burial will be in the veterans' plot of Perry Mount Park Cemetery. He was an Air Force veteran of World War II.

Surviving besides his wife are his father, Richard A. Franklin; two sisters, Mrs. Lloyd Spencer of Pontiac and Mrs. L. A. Lester of Belleville; and a brother Pershing Franklin of Flint.

Annual Concert at Oxford High Set for Tuesday

OXFORD — The annual spring concert of the Oxford High School vocal music department will be presented Tuesday in the school auditorium.

The concert will be under the direction of Mrs. Dorothy Jean Valentine.

Participating in the program will be a 75-voice chorus, the girls' glee club of 54 members and an ensemble of 12 girls. Solo parts will be sung by Loretta Eap, Ruby Jessee and William Jarrett. Two vocal duets will be sung by James Van Wagoner and Olena Spencer. Also featured will be a solo vallet number by Mary Jo Meads and a piano duet by Kay Jean LaDouceur and Marion McTavish.

Twenty-five per cent of all foods consumed by the average American consists of dairy products.

Superintendent Cites School Needs

PTA Told New Buildings May Soon Prove Too Few

WALLED LAKE — New school buildings being built here may soon prove to be too few, Clifford H. Smart, superintendent of schools, warned members of Walled Lake High School PTA Thursday.

"The district must provide more

rooms in the near future," Smart said. He pointed out that new subdivisions being developed in the area might flood the schools with more children than they can handle.

With the completion of the Twin Beach elementary building by next fall and a new high school soon after, all elementary school children are expected to be placed back on full day schedules.

Smart said plans were ready to place the junior and senior high schools on half days temporarily until the new high school is ready for occupancy.

Smart said present arrangements might continue for a year or more. But he warned that population increases would make school housing become acute much sooner.

Construction costs of new buildings left some \$100,000 for furniture and equipment, the superintendent said. He added that the sum would barely cover minimum essentials. For adequate educational standards to be met the sum would have to be considerably higher.

Among other improvements, Smart told the PTA members that it would become necessary to increase the maximum pay of teachers from \$4,800 to \$5,200 to encourage them to remain in the profession.

Thirty-five new teachers will be required for next year in addition to a number of replacements needed because of resignations from the present staff, according to Smart.

Preceding Smart's talk PTA members unanimously elected a slate of new officers. They included:

Albert W. Marble, president; Ralston Calvert, father vice president; Mrs. Watson Stringer, mother vice president; Ivor G. Penhale, senior high teacher vice president; John Williams, junior high teacher vice president; Mrs. John Krenkow, recording secretary; Mrs. Rudolph Glowacki, corresponding secretary; and Mrs. Gordon Bonser, treasurer.

County Deaths

Frank Hoffman

LAPEER — Rosary service for Frank Hoffman, 77, who died Sunday at his home, 41 Park St., will be recited at 8 p. m. Tuesday at Baird Funeral Home. Requiem Mass will be sung at 10 a. m. Wednesday at Church of the Immaculate Conception.

Surviving are five sisters, Mrs. Theresa Sanderson, Carrie and Emma, all of Detroit; Mrs. Mary Schussler of Warren, Pa. and Jennie of Lapeer.

Nobel Ray Smith

NORTH BRANCH — Service for Nobel Ray Smith, 65, of Deerfield Township, will be at 2:30 p. m. Tuesday at Blackburn Funeral Home, with burial in Greenwood Cemetery. He died Friday after a long illness in a Flint hospital.

Surviving are three sons, Wayne and Claude of Five Lakes and Clarence of Attica; three daughters, Mrs. Margaret Daly of Columbiaville, Mrs. Virginia Frantz of Imlay City and Mrs. Evelyn Coulter of North Branch; 15 grandchildren and two great-grandchildren.

Samuel Carmicheal

HOLLY — Service for Samuel Carmicheal, 31, of 16266 Werden Rd., will be at 10:30 a. m. Tuesday at Mahley Chapel, Oxford, with burial in Lakeview Cemetery, Clarkston. He was killed Friday night in an automobile accident near Oxford.

Surviving besides his widow, Maxine, are his parents, Mr. and Mrs. H. C. Carmicheal; a son, Larry Paul at home; and a brother, Jason of Pontiac.

Charles S. Hubble

METAMORA — Service for Charles S. Hubble, 38, of 2047 Rock Valley Rd., will be at 2 p. m. Tuesday at Mabley Chapel, Oxford, with burial in Oxford Cemetery. He was killed Friday night in an automobile accident near Oxford.

Surviving besides his widow, Wilma, are his parents, Mr. and Mrs. William P. Hubble; three children, Denise, Mary Kay and William, all at home; a brother, Jay of Goodrich; and three sisters, Mrs. Elizabeth Pierce of Milwaukee, Wis., Mrs. Ann Kath of Pontiac and Mrs. Helen Braidwood of Lake Orion.

Romeo Residents Asked to Give Blood

ROMEO — Residents of the Romeo area will be asked to donate a pint of blood Thursday when the Red Cross Blood Bank comes to Romeo High School.

The bank will receive contributions from 2 to 5 p. m. and from 6 to 8 p. m.

Mrs. Stuart Card, chairman of the bank, said that 148 pints of blood were collected during 1953 with only 61 contributed the previous year. She pointed out that 92 pints of the Red Cross blood had been used by persons who were living in the area.

No quota has been set for donations. Appointments may be made by calling Mrs. Card, PL 2-2690, or Mrs. Coleman Davidson, PL 2-2685.

Baptist Missionaries Choose New Officers

BROWN CITY — Baptist Missionary Society recently elected new officers at its April meeting. They include:

Mrs. Jule Martin, president; Mrs. Jack Swales, vice president; and Mrs. Charles Hollenbeck, secretary-treasurer.

County Calendar

A meeting to organize a Cub Scout Troop in Imlay City will be held Tuesday evening in the Vocational Building. The Methodist Church WSCS will hold their regular meeting Wednesday with Mrs. Dewey Wells as program chairman.

Oria Township

Northwest Methodist Church will serve a supper Wednesday at 5:30 p. m. at the church.

FAST RELIEF FROM HEADACHE

When you suffer from pain of Headache, Neuralgia or Muscular aches you want relief and you want it fast. That's Bayer Aspirin! A tablet starts disintegrating almost the instant you take it—therefor is ready to go to work with amazing speed.

Father Announces Girl's Engagement to Sailor

NORTH BRANCH — John A. Skwirski announces the engagement of his daughter, Charlotte Louise, to John Emil of Taylor, Tex.

Vohn is a navy seaman aboard the USS A-Jax, Charlotte, also a seaman in the Navy, is stationed at San Diego, Calif. They plan a wedding in December.

FLOATING POT—It looks as if the law of gravity is on a holiday as this huge coffee pot spouts a stream of java while floating in the air. Actually, the coffee stream is a curved pole which holds the pot up. The display is a feature of the Milan, Italy, industrial fair in which 50 nations are participating.

Mediators Enter Dispute Between County Unions

ANN ARBOR (UP)—State and federal mediators planned to enter negotiations today in a wage dispute between the Washtenaw County General Contractors Inc. and

Local 512, United Brotherhood of Carpenters and Joiners (AFL).

Negotiations have been deadlocked since April 19. The carpenters, refusing to recognize the contractors association as a legitimate bargaining agent, have threatened a strike.

Sees Congress Committing Gls

Bentley Thinks Solons Would OK Troops to Save Indochina

WASHINGTON (UP)—Alvin M. Bentley (R-Mich) believes President Eisenhower will request—and get—congressional approval to send U. S. troops to Indochina if it turns out there is no other way to save the country from Communist conquest.

Bentley, a member of the House Foreign Affairs Committee, emphasized that the administration "will do everything in its power not to have to send American boys to fight in the jungles of Indochina."

But if there is no other way to keep Indochina from falling to the Communists, he said, "I think the President would ask Congress for the necessary authority and, moreover, he would get it."

His statement came on the heels of reports that France is convinced it cannot continue fighting

In Indochina for more than a few months without direct U. S. intervention—regardless of the fate of the embattled fortress of Dien Bien Phu.

Usually reliable sources said they understood the French government gave this view to Secretary of State John Foster Dulles as he passed through Paris last week en route to the Geneva Conference.

Retains Chairmanship

Capt. Edward H. Shigley, of the Pontiac Police, has been re-elected chairman of the board of trustees for the city employees retirement system for 1954, according to Oscar Eckman, city finance director. Morley Cameron, city waste and refuse supervisor, was named vice chairman.

Regular physical examinations against dying of cancer, the are one of the best safeguards. I can Cancer Society warns.

How can you know what your next hospital bill will cost you?

You can't know! You can't predict whether \$10 a day ... \$15 a day ... or any limited amount per day will take care of the hospital bill that your family has a 1 in 3 chance of facing this year!

Unpredictable as hospital bills are, there is one reliable and easy way to protect your family adequately against "catastrophic" expense that can exceed even \$50 a day!

Get the protection that provides, not a check for \$10 or \$15 a day, but the bed and board, the drugs and medicines, the operating room, and the many other hospital services you need!

Get Michigan's Blue Cross protection!

Not for profit, Blue Cross is sponsored by the hospitals and doctors themselves. It is the most successful idea ever devised for meeting the problem of paying hospital bills.

No wonder over 3,000,000 Michigan people have Blue Cross. Chances are, your neighbor is protected the Blue Cross way. Talk it over with him ... and see if he doesn't agree that there is no finer protection at any price!

How Blue Cross protects you

Blue Cross Comprehensive Group Plan assures you of a wide range of hospital services when you need them. It entitles you to hospital bed and board, to expensive extras such as operating room, drugs and medicines, oxygen and so forth. And every enrolled member in your family is protected the same way ... at over 200 Blue Cross participating hospitals in Michigan alone!

How Blue Shield protects you

Unlike paying hospital bills, you can find out in advance what your doctor's charges will be. The thing you can't find out is when you'll need a doctor's services, and here is where Blue Shield protects you.

Blue Shield offers two basic plans—one, a straight surgical plan, the other, a medical-surgical plan. Under either plan, Blue Shield pays generous, specific amounts directly to your doctor for thousands of surgical procedures, including maternity care. And in non-surgical cases, under the medical-surgical plan, Blue Shield also pays liberal amounts for your doctor's visits to you in the hospital. Often the doctor's full bill is covered.

The cost is low

Only pennies per day for the finest protection against hospital and medical bills obtainable anywhere! You can help keep costs low ... by using Blue Cross - Blue Shield only when it is necessary. Please do not ask your doctor to put you in the hospital for diagnostic treatment which could just as easily be performed in his office.

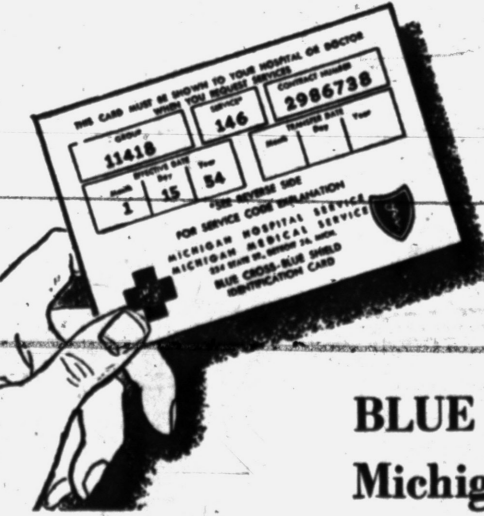

How to get Blue Cross - Blue Shield

Ask your employer or union representative how you can get low-cost Group Enrollment. A company with as few as five employees may qualify as a Group. Check your Farm Bureau or Grange. Contact your nearest Blue Cross - Blue Shield office.

**Dean, Rhee
Confer Again**
American Envoy Gives
South Korean Briefing
on Geneva Problems
SEOUL (AP)—U. S. envoy Arthur
Dean today gave South Korean
President Syngman Rhee a run-
down on the problems facing the
allies at the Geneva conference on
Korean unification.
Dean, a special envoy of Sec-
retary of State Dulles, conferred
with Rhee for an hour in his
reported role as a pacifier of Rhee's
fears that the Geneva conference
will end in failure for the West.
Dean also transmitted to the 79-
year-old South Korean President
the "personal regards and best
wishes" of President Eisenhower,
Vice President Nixon and Dulles.
Neither Rhee's office nor Dean
would discuss their meeting.

However, observers assumed
Dean reassured Rhee that the
United States would stand firm in
its backing of the republic's de-
mands that red troops be pulled
out of North Korea and that elec-
tion for all of Korea be held under
United Nations supervision.
Dean arrived at Rhee's presi-
dential mansion with American
Ambassador Elia O. Briggs. The
special envoy probably will meet
daily with Rhee to keep him ad-
vised on Western progress and
strategy at Geneva. A statement
issued by Dean merely expressed
his pleasure at renewing the
"warm friendship" of his previous
visits to Korea.
Dean was last here for the un-
successful Panmunjom negotia-
tions to arrange a Korean peace
conference. He walked out on Red
negotiators after they accused the
U. S. of "perfidy."

**Happy Bachelors
Disrupt Meeting
of Church Group**
SAN FRANCISCO (AP)—About 30
revelers at Saturday night's Bac-
elors' Ball kept their high society
party going until the unprecedent-
ed hour of 11:20 a.m. yesterday
to the chagrin of the Palace Hotel
management because a church
meeting was going on in an adjoin-
ing room.
The bachelors and their guests
were dancing to a jazz band,
drinking milk punch and shooting
firecrackers.
The hotel authorities began at
10 a.m. encouraging the revelers
to go home. But one of them said
they had lost an hour in the switch
to daylight saving time and they
were going to make it up.
The American flag flies over only
three buildings in the U.S. day and
night. They are the national Cap-
itol, the U.S. house of representa-
tives, and the U.S. senate.

Traffic Club Head Named

Terminal Chief of Ellis
Truck Lines to Assume
Post for 1954

Named 1954 president of the Pontiac Traffic Club is E. C. Coonfield, terminal manager of the Ellis Truck Lines.

Elected vice president was J. L. Fourn of GMC Truck & Coach Division, William Fisher of White Owl Express was named secretary-treasurer.

Executive Board members elected include Thomas Banker of Fleet Carrier Corp., W. J. Loechly of Truckway Corp., George Fink of Blair Transit, Orbe Quarles of Pontiac Motor Division, Thomas Crawford of Fisher Body Division and Kenneth Miller of GMC Truck.

Committee chairmen include Russell Payne of Douglas Trucking Co., Emil Still of White Owl Express, Robert Hardy of GMC Truck, Andy Yakuber of Kramer Freight Lines, Burleigh French of U. S. Truck Co., John Martin of Pontiac Motor and Walter Ward of Pontiac Motor.

The group will hold its monthly meeting Monday at 6:30 p. m. in Hotel Waldron. Carter A. Justin, vice president of the George F. Alger trucking company of Detroit will speak on personnel relations.

Fenton High Teacher Gets Physics Fellowship

FENTON — Robert C. Wellever of 307 Lincoln St., Fenton High School science teacher, has been awarded a 1954 General Electric Science Fellowship for a special physics program this summer at Case Institute of Technology, Cleveland, Ohio.

The program will run from June 20 to July 30. A total of 50 of the scholarships were awarded to outstanding preparatory to high school teachers of physics in 12 states.

Mock A-Bomb Set Off to Test Civil Defenses

SACRAMENTO, Calif. (AP) — A simulated atomic bomb burst over the Capitol dome and supposedly demolished the heart of the city yesterday.

By 4 p.m. the "casualties" stood at 27,000 dead and 18,000 injured, with another 68,000 homeless. The pretended attack was part of a Civil Defense Region 4 exercise to test communications and division field staffs.

Formulate Plans Tuesday to Test Children's Vision

DRY DOCK—Equipped with pontoons to bob in the deep waters of Grand Lake at Grove, Okla., this swimming dock is hopelessly landlocked as a result of the drought that moved the lake's shoreline 1 1/2 miles. The springboards extend, high and dry, over weeds that grow where water once was 20 feet deep.

NEW SPORTS CAR?—Frank Deak (left) and James Mearns, employees at the Ford plant, Dearborn, put the finishing touches on the wood frame of an auto scale model. Later, they'll add clay to the skeleton and fashion the model into a replica of a full-sized car.

EASTERN PROBLEMS IN GENEVA—Gracing the grounds of the Palace of Nations in Geneva, Switzerland, this armillary sphere, done in bronze, is the work of American sculptor Paul Manship. The In-

Scientists Want High Level Quiz

Cite 'Probe Damage to Work at Ft. Monmouth, Hit Present Publicity

NEW HAVEN, Conn. (AP)—A committee of scientists says President Eisenhower should appoint a "high level" committee of scientific and administrative authorities "to examine the situation" which has arisen from investigations at the Signal Corps Engineering Laboratory at Ft. Monmouth, N.J.

In a bulky report of an inquiry into the investigations, a committee of the Federation of Scientists, headed by Ernest C. Pollard, professor of biophysics at Yale, charged that the investigations already have done substantial damage to radar and communications work in progress at Ft. Monmouth, and to morale.

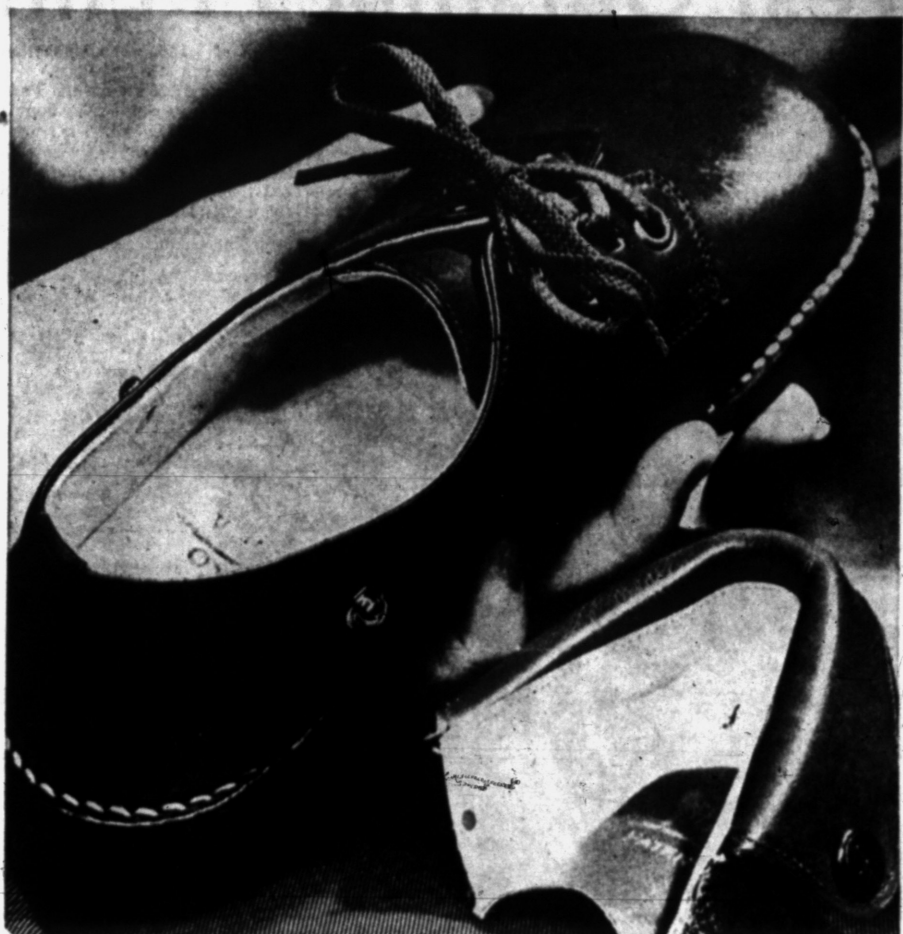

The scientists suggested that a President-appointed committee study these points:

- "The active research output per dollar at Monmouth in comparison with laboratories such as Bell Laboratories, General Electric Laboratories, Project Lincoln or the Naval Research Laboratory."
- "The background of the security personnel."
- "The presence of racial or religious prejudice."
- "The amount of actual disruption to classified work entailed by the sensational newspaper stories."
- "The seriousness of proved espionage or security leaks in recent years."

The report made public here yesterday hits investigations by a Senate subcommittee headed by Sen. McCarthy (R-Wis.) and by the Army Security Board. McCarthy said in Milwaukee where he spent the weekend, he had not seen the scientists' report and did not comment on it.

Safecrackers Foiled

Thieves failed in a safecracking attempt Saturday night at the Gee Coal Co. office at 91 Lake St., Pontiac Police said today. A rear door was forced, but nothing was reported missing.

BABY SHOES THAT GROW—Mothers 'round the world will rejoice at the news that a factory in Amsterdam, The Netherlands, has started mass production of new baby shoes that 'grow' with the child's feet. Heel of the shoe is fitted with back piece that snaps on with outside buttons.

Magazine Sees Turn in Steel Trends

CLEVELAND (INS)—Steel Magazine said today that the downward trend which started last summer in steel appears to be halted.

The national metal working weekly said that possibly the turn in the steel market is here.

"But while some promising signs are visible on the economic horizon," Steel said, "mixed conditions cloud the immediate outlook. It is still too early for definite conclusions with favorable and unfavorable influences offsetting each other."

Steel said that included in the signs generating optimism are the fact that consumption exceeds current steel production, prompt shipment orders are more frequent.

The magazine also declared that sales volumes

are up a bit, there is a returning strength in scrap—generally regarded as the barometer for steel—and steel production is apparently leveling out at about 70 per cent of capacity.

The metalworking weekly points out, however, that on the less favorable side are these developments:

- Uncertainty as to automotive requirements over the coming months, uncertainty stemming from sluggish sales of consumer durables at the retail level, uncertainty attending approaching steel labor negotiations and uncertainty injected by the explosive international political situation, especially the Indo-China crisis.

Pontiac Woman Relinquishes PTA Presidency Thursday

The name of Lola B. King, will be added to the list of past-presidents of the Michigan Congress of Parents and Teachers Thursday afternoon in Saginaw.

However, when this year's annual PTA state convention winds up its three-day session and Mrs. King, of Pontiac, steps down from the head post, she will not be through with PTA work.

"I may be through serving as president, but PTA and I are going on forever," she says. "After all, I have been an active member for more than 30 years. I call it my best habit," explains this gray-haired, 5 feet two, woman who for three years has spoken before small PTA groups, large conventions and commanded respect and attention from a packed house or Senate in Lansing.

Three years ago in Ironwood, several hundred miles from the scene of her own local PTA group, she was named president of the organization which then counted 205,440 members. Today, under her leadership, membership stands at the all-time high of 291,011.

PTA headquarters in Lansing reports that her three-year term has witnessed the greatest strides by this lay-professional organization dedicated to advancing the welfare of boys and girls, their schools and homes.

PTA to Mrs. King has not been an organization, but a cause. Thoroughly indoctrinated with the value of the public schools, understanding and cooperation between the home, the school and the community, Mrs. King has been selling public schools for years because she was sold.

"When I walk down Pontiac streets, or when I travel through other towns and cities, I always experience a feeling of pride when

I see our public schools," she says.

Here are institutions which guarantee the American way of life. They are the only way persons like me, my family and thousands of other families could ever have an opportunity to improve ourselves and hence make a contribution to our country," she said.

Traveling thousands of miles in this state to other spots in the country, Mrs. King has been in constant demand as speaker and resource person at educational meetings.

One well-known national educational leader claims Mrs. King knows more about education than the professionals.

"She has the interest in this vital field and what she didn't know she went out and found out about. People listen to her be-

cause she is a lay person and this is invaluable to the profession," he said.

A resident of Pontiac since 1926, Mrs. King is the only woman member of the Pontiac board of education. Because of her interest in education, she says, she will run for office again this year when her term expires.

Born in Hart, Mich., she graduated from high school there, and graduated from the Grand Rapids McLaughlin Business University. In PTA work she has served in practically every post. As president of a local unit, president of the Pontiac Council and director of District Service she went up the ladder to perform the duties of vice-president of the Michigan Congress.

Mrs. King often is called in by the governor as a resource person for his educational problems. He has asked her to serve on the Commission on Intergovernmental Relations, a recently created group.

Mrs. King has conducted a series of surveys, for her own information, on the cost of education in this state and in the rest of the nation. She has pointed out the difference in educational opportunities in the different areas.

"My greatest and immediate concern is the shortage of teachers. I am proud to say the PTA is doing many things to alleviate this by offering scholarships for prospective teachers and pointing up the need in their communities," she said.

Mrs. King's two married daughters, Mrs. John Leonard Jr., and Mrs. Alvin Sommer-

LOLA B. KING

Pontiac Blood Drive Seeks More Donors

Mrs. N. E. Durocher, Red Cross blood donor recruitment chairman for Pontiac, today again urged anyone who can give blood to volunteer for Tuesday's Bloodmobile visit.

The mobile clinic will set up equipment at the First Presbyterian Church, at Wayne and West Huron Sts., from 9 a.m. until 3 p.m.

Donors can make appointments at the Red Cross chapter house, by calling FE 4-3375, until 5 p.m. today or with Mrs. Durocher, at FE 5-4244, tonight. Anyone who can't call can drop in anytime Tuesday except between 11:30 a.m. and 12:30 p.m., the group's lunch hour.

tice schools, have caught their mother's enthusiasm for PTA. Mrs. Leonard is vice-president of her school PTA.

Mr. and Mrs. King live at 98 S. Shirley St. He is associated with General Motors.

Dinner Meeting to Settle Details

Junior League Backers, Physicians, Educators to Attend

Plans for a spring vision testing program for pre-school children in Pontiac, Birmingham, Waterford Township and West Bloomfield Township will be formulated in detail Tuesday at 6 p. m. dinner meeting at Bloomfield Hills Country Club.

Members of the Birmingham Junior League, sponsors of the program which last year tested the eyesight of hundreds of Pontiac-area youngsters, will meet with Pontiac and Birmingham advisory committees composed of prominent physicians and leaders in the fields of health and education.

Vision screening clinics have been scheduled from 9:30 a. m. to 4:30 p. m. at the following times and locations:

- May 3, 4 — Birmingham Community House, Birmingham.
- May 10, 11, 12 — All Saints Episcopal Church, Pontiac.
- May 17, 18 — Community United Presbyterian Church, Drayton Plains.
- May 19 — Christ Lutheran Church, Airport and Williams Lake Rds., Waterford Twp.
- May 21 — West Bloomfield Township Hall, 4406 Orchard Lake Rd.

From 14 to 18 Junior League women will devote their time each day to giving the "sight games" which tell how well the youngsters can see. Only experienced and trained personnel will conduct the tests.

Representing the Junior League at tonight's meeting will be Mrs. Gene A. White, Mrs. Harvey Kresge Jr., co-chairmen, and Mrs. R. Jamison Williams, public relations director. Representing the Pontiac advisory committee will be Dr. Campbell Harvey, Dr. Robert J. Cooper, Mrs. Mary M. Burrell, supervising nurse, Pontiac Health Dept.; Miss Josephine Seely, coordinator Pontiac School Health Services; and Miss Martha Johnson, assistant director of nurses, Oakland County Health Dept. Dr. Aaron D. Eiker, also on the committee, is out of town and so will not attend.

Attending from the Birmingham committee will be Mrs. Anyce Gillette, Birmingham city nurse, Miss school nurse, Dr. Ralph Fox and Dr. Lloyd Kemp.

The vision screening tests, given without charge, are for all children between the ages of 3 and 5. They are designed to catch vision defects early so that corrective measures may be taken before school work begins.

HE CAN'T LEAVE HIS POST—Sgt. D. W. Dunning, of the Minneapolis, Minn., police force, demonstrates graphically how he sticks to his post. He couldn't leave even if he wanted to. The base of the street lamp shown here had rusted out and the post wobbled precariously in high winds as Dunning was passing the other day. He put in a fast call for help and then returned to the post, supporting it until a repair truck arrived.

Cancer Society's Open House Begins Today

The American Cancer Society is holding open house starting today and running through Friday of this week at its new office, 66 W. Lawrence St., Pontiac.

Ten northern Oakland organizations have joined with the society to act as hosts and hostesses each day from 3 to 5:30 and 7:30 to 9:30 p. m.

Chairman Francis Miller, in charge of the 1954 Cancer Crusade, reports additional support for the educational crusade in

the form of services especially designed to add to the visibility of the ACS program.

For instance, trucks are carrying bumper stickers with the slogan "Strike Back at Cancer" and posters have been placed in business places in Pontiac and outlying towns.

Miller states, "We believe we are accomplishing our aim to make the public aware that this is everybody's American Cancer Society."

Dr. John D. Monroe, acting chairman of the North Oakland Area of the ACS, reports that plans are afoot for a broader program for the training of volunteers for the organization.

He said that a special sign-up sheet will be maintained during the society's open house with the hope that volunteers qualified for the many types of activity may be contacted at an early date and trained for the work of their choice.

The cancer society will work in cooperation with efforts of the Pontiac Area United Fund, of which the ACS is a member, in selection and training of volunteers.

The American Cancer Society office will be open for usual services to cancer patients or their families from 10:15 a. m. and 1-5:30 p. m. during this week of the open house. As of May 3 the office will be open for service until 4 p. m., as usual. Chairman Miller wishes to thank

the following local organizations who have aided the new office and in the plans for the open house this week:

- Arnold Sign Co., Buckner Finance Co., Camp Fire Girls of St. Frederick's School, First Presbyterian Church, Gaudier Storage Co., National Guard, Naval Reserves, Pontiac Fruit Co., Whitfield, Walter and Dawson, newspapers and radio stations in the county. This list is in addition to the one published last week. And many contributors were anonymous.

Rookies Play Brightens Loss to Indians

Drake Test Outshines Penn

By RALPH BERNSTEIN
PHILADELPHIA — It's two days after the Penn and Drake Relays and the figure filberts are probably having a field day. Where were the fastest times and longest distances compiled? The box score shows Drake ahead 12-7.

The Drake distance medley competition found Kansas setting one of the six records made in the midwestern meet. The Jayhawks, with Frank Cindrich, Lloyd Koby, Art Dalzell and the fabulous Wes Santee carrying the baton, negotiated the 2 1/2 miles in 9:50.4. This bettered the American record of 9:56.3 established by Michigan in 1952. Oklahoma A. & M. won the Penn distance medley in 10:08.5.

At Drake, Gene Matthews of Purdue ran the two-mile in 9:10.7 as against surprise winner Bob Sbarra's 9:27.4 at Penn. Sbarra is a Manhattan sophomore.

The box score shows Drake with nine faster times in the track events to four for Penn and an even split, 3-3 in field distances.

Murray Halberg, the New Zealand runner making his first appearance in America, ran the mile in 4:10, winning from Mal Whitfield, Fred Wilt and Horace Ashenfelter with ridiculous ease. The Drake mile—Santee did not compete—was won by Dennis Meyer of Washington in 4:15.

In the sprints, Dean Smith captured the Drake 100-yard dash in 9.7 with Art Pollard of Penn State winning in Philadelphia, clocked at 9.8.

Shuttle hurdle relay competition went to Drake as Michigan State

won in 1:01 against Army's 1:01.9. Morgan State's Josh Culbreath took the Penn 400-meter hurdles in 52.4, and Lee Yoder of Louisiana State the 440-yard hurdles at Drake in 53.6. The 120-yard high hurdles went to Penn's winner, Joel Shankle of Duke, 14.4, as against 14.5 by Willard Thompson of Illinois.

In relay events, Drake had better times in the 440 on Texas' 41.2 as against Morgan State's 41.7; the 880, Texas again the winner, 1:25 as against Cornell's 1:26.7; the two-mile with Kansas clocked at 7:34.7 and Fordham 7:38.6, a new Penn record; and the mile in which Illinois set a new Drake

record of 3:12.6, while Manhattan was timed in 3:15.1 at Penn. Indiana's 17:32.8 gave the Penn carnival the four-mile relay laurels over Kansas' 17:35.4. The sprint medley honors went to Drake with Kansas clocked in new meet record time of 3:21.4. Michigan won the event at Penn at 3:26.8.

THE WINNER—Art Wall Jr., of Pocomo Manor, yesterday. His 72-hole total of 278, 10 under par, was six strokes better than his nearest rival. He received to win the Tournament of Champions at Las Vegas \$10,000—in silver dollars.

Old Putter, Baseball Grip Help Wall to \$10,000 Win

LAS VEGAS, Nev. — A cool disposition, an old hickory shaft putter and a baseball grip were major factors in the victory of Art Wall Jr., in the \$35,000 Tournament of Champions.

The 30-year-old native Pennsylvanian from Pocomo Manor today could deposit \$10,000 in the bank for the triumph over 18 other selected players in the second annual champions' tournament.

Brilliant rounds of 69, 66 and 70, followed by a cautious one over par 73 yesterday, brought Wall in safely, six strokes over his nearest rivals.

A professional for almost five years, and winner of but one other open event in his career—the Fort Wayne Open which earned him the chance to play in this rich competition—Wall outscored such seasoned campaigners as Sam Snead, Lloyd Mangrum, Cary Middlecoff.

He began the round with a seven stroke lead over Middlecoff. Mangrum, Gene Littler and Doug Ford were one stroke back.

Did he feel the pressure? Wall smiled and nodded. "I never gambled once. I just hit for the middle of the greens and depended on my putter to do the rest."

The putter, which was ancient when it was given to Wall 10 years ago, worked all right. He did not three-putt a green in the 72 holes.

The winner holds his clubs in a unique manner. Instead of the orthodox overlapping style of most professionals, he prefers a baseball grip.

"I started with it as a kid," he says. "A few people tried to change it, but I always came back to it."

As the play came out, Mangrum held on to gain a tie for second place with last year's surprise longshot winner, Al Bessellak—Mangrum with a 71 and Bessellak a 68 for 284. Each won \$3,750.

Snead finished far back with a last round 72 for a total of 291.

port, moves up in class to box Orlando Zulueta, the second ranked lightweight challenger. Friday at St. Nicholas Arena, Rosti looked good stopping Eddie Corso April 9. It's the usual Friday network show (ABC-Radio and NBC-TV).

The winner will be in there pitching for a title shot at the Paddy DeMarco-Jimmy Carter rematch winner at San Francisco, June 2.

Two other lightweights with title ambitions box Saturday night (ABC-TV) at Cincinnati when Wallace (Bud) Smith meets Johnny Gonsalves.

Ralph Dupas, the New Orleans schoolboy, takes on Dennis Pat Brady, New York campaigner, in a lightweight ten Wednesday (CBS-TV). Dupas is listed No. 4 among the 135-pounders at the age of 19. He has lost only five of 54 starts, one to DeMarco Jan. 2.

Elimination Series Opens

First elimination race of the 5th roller skating period at Pontiac Rolladium were held Saturday.

Winners were Charles Roehm and Beverly Opdyke in Class A. Glen Rabdeau and Sherry Titus in Class B and Gary Rehbine and Paula Burmeister in Class C.

Dave Philley's Homer in 10th Is Clincher

Tuttle, Bolling, Kaline Blast 10 Hits in 10-9 Tiger Loss

By JOE FALLS
DETROIT — The Detroit Tigers dropped a 3-hour 45-minute marathon to the Cleveland Indians Sunday by the score of 10-9, but the shock of defeat — and it was bitter one — was considerably cushioned by the brilliant play of three rookies.

Bill Tuttle, Frank Bolling and Al Kaline — the spark behind Detroit's early season surge — slammed out 10 hits in a tremendous effort to keep the Tigers in 1st place in the American League.

But Detroit lost the game and fell into a tie for 2nd place when Dave Philley drove a two-run homer in the 10th inning.

Actually, the Tigers should have won the game in the 9th inning but pinch-runner Ned Garver fell down between 2nd and 3rd base on Bolling's double. Instead of scoring what would have been the winning run, Garver was forced to hold 3rd, where he "died."

Philley, who had only one hit in 27 prior times at bat, broke an 8-8 tie in the 10th inning when he drilled the ball into the upper right field stands following a two-out walk to Rudy Regalado.

Winning blow came off Dick Weik, Detroit's 6th pitcher, and gave the Indians their 1st victory over the Tigers in four games. It also snapped the Tribe's three-game losing streak.

But it wasn't an easy victory for Al Lopez' team, which used to beat the Tigers with little effort. Lopez had to call on his famed "big three" of Bob Lemon, Mike Garcia and Early Wynn.

Wynn pitched to only one man — Matt Batts — but he got the biggest out of all, the final one. There was one run in and runners on 1st and 3rd when Wynn was called in from the bullpen to face Batts.

With the crowd of 25,275 shrieking for one more hit Wynn induced Batts to fly to right.

It was a remarkable game from start to finish. Lemon and Billy Hoeltz were the starting pitchers but neither saw the 6th inning. Both were soundly thumped.

Falling for the 2nd straight time, Hoeltz gave up two home runs to Wally Westlake — in the 4th and 5th innings — to account for four runs. The Tiger lefty gave up 10 hits in five innings.

An unknown rookie by the name of Don Mossi, who pitched one inning, was credited with his 1st big league win. Loss was Weik's first of the season.

Finishing 18th in the rich Las Vegas Tourney of Champions, Sunday wasn't so bad for Franklin Hills' Wally Burkemo. Wally took down \$1,000 for his 72-77-74-73—300 total. Art Wall of Pocomo Manor, Pa., was top man, with 278 and \$10,000 first money.

Junior Meeting Set

A meeting will be held Wednesday at 7:30 p.m. at the Community Activities Building in Waterford for all persons interested in managing or sponsoring Waterford junior softball teams this summer.

By the time he got in his next World Series, he was looking around for his carpet slippers, and putting in his New Rochelle garden.

Frisch and Kieran were alike in three respects—baseball, birds and trees. I never knew what Frisch thought of Shakespeare or Keats, or whether he ever thought of them at all. Maybe, like Kieran, he is an expert.

In digging up the Hall of Fame record of Frisch we ran across several items that might be of interest. There have been some great World Series batting records in past years.

The first four that caught our attention were hung up by Lou Gehrig. They were .348, .308, .545, .529. This left Gehrig a four-year record of .422. Neither Cobb or Wagner had a good World Series. Their showing here was well below their all-time marks.

The one sturdy athlete who has made World Series his specialty is Bill Dickey. Bill played in eight World Series, starting in the early '30's. Since then he has been in five big shows as a winning coach, and he is taking dead aim on his 6th in a row.

Frisch was at his best in the bigger World Series. In his first four World Series he hit .300, .471, .400 and .333. This is an average of .363.

Painful Decision!

Adherence to NBA's Rule That Barred Bevo Cost Circuit Big Drawing Card

By GAYLE TALBOT
NEW YORK — The most painful decision made by any organization in a long time must have been that by the National Basketball Assn. when it voted to bar Bevo Francis, the phenomenal scoring star from Rio Grande College, for the next two seasons.

Bevo is available and anxious, but the high-minded NBA solons

stuck to the rule which says none of their clubs may sign a player until his class has graduated. Bevo was only a sophomore when he was sacked from the little Ohio school recently for skipping classes.

If ever a league was suffering for need of such a drawing card as Francis would be—at least for once around the circuit—it is the NBA, whose attendance fell off

something awful in the season just closed. Syracuse, though its team carried Minneapolis down to the final game in the playoffs, doesn't even know for certain it can save its franchise.

The pros say, as a matter of fact, that Francis is too skinny and "uncoached" to play in their company at this time. That wouldn't have kept the fans from paying to see him try though.

If one may take the Boston Red Sox as fair examples, big league ball clubs are getting a little smarter all the time after a slow start. The Sox, we see, have joined the ranks of clubs who have coated their outfield fences with foam rubber padding so that players, coming into violent contact with the barriers, will bounce instead of crumple.

It has ever been among the stranger facets of the baseball magnate mentality that he will permit a player worth maybe \$200,000 on the market to risk ending his career by racing headlong into concrete walls.

Michigan Archers Association state shoot was held at the Pontiac Lake Recreation area range Sunday with 250 archers from all over the state turning out despite the cold, damp weather.

Pontiac won the event with 2946 points to 2796 for 2nd place Adrian. Pontiac team was composed of Jack Lowry (783), John Smith (737), Leroy Addison (731) and George Marks (695).

Harold Doan paced the Adrian team with 847 points. Martin Vince had 644, Jack Boyd 641 and Bob William 618.

Doan also won the expert bowman A free style (with sight) and Erwin Ketzler of Flint won the instinctive expert bowman class with 865, the highest total of the day.

Only Pontiac winners were Sid Stark with 636 in the expert bowman B class (636) and Theobald Payne with 395 in the women's free style archers class.

Next state shoot is May 9 at Hastings, while the next Pontiac Archer's Club shoot also is May 9.

Sunday's results:

Santee Voted 'Outstanding' in Drake Relays

Kansas Star Registers 4:07.4 as Team Better U. S. Record

DES MOINES, Ia. (INS)—Track star Wes Santee, of Kansas, has been voted the "most outstanding athlete" for his performances at the 45th annual Drake Relays.

The Kansas wheat farmer skipped the Drake Invitational mile to anchor his Jayhawk teammates to a sweep of four Drake relay titles at Des Moines Friday and Saturday.

Santee was voted the honor yesterday from 22 of 23 newsmen covering the track event. The other vote went to Caesar Smith, of North Des Moines High School, who helped his team establish two Drake Relay prep marks.

It marked the 2nd time that the middle distance star had won the title. Santee was voted the award in 1952 for running a 4:06.7 four-mile relay leg to set a new American collegiate mark and a 4:07.2 distance medley leg for a Drake record.

Saturday, Santee sped to a 4:07.4 mile as anchor man to help Kansas chalk up a 9:50.4 mark in the distance medley for a new U. S. mark.

Detroit Thinclads Upset Eagle Team

DETROIT — Byron Kreiger, state fencing champ, is stuck. Somebody broke into his car last night and stole his sword.

The theft occurred just after Kreiger had posted a clean sweep of three Michigan titles in the foil, sabre and epee. He had been trying for all three crowns for 14 years.

Kreiger says he needs the dueling sword because "I'm supposed to go to the Midwest championships in Milwaukee next week and I don't know what I can do without those weapons."

Brusha Wins Shoot

Frank Brusha defeated Fred Herman in a tie-breaking shootoff Sunday to win the 1st stage of the OCSB Trojan match. Brusha and Herman had tied for 1st place with 200-19x scores.

The Cotton Bowl football game has been a sellout every year since 1947.

My Greatest Shot

By JACKIE BURKE

Winning his first tournament is the biggest thrill in a golfer's life. That is why the last hole of the Rio Grande Valley Open of 1950 will linger in my memory. It brought me my first major victory.

I required a birdie on the 18th hole at Hartlingen, Tex., to win. This despite the fact that I was working on the lowest round of my career, a 63.

Hungry to break into the first money, I hit what probably was the best drive I've ever made. Straight and true, it carried 260 yards and wound up only three

and a half feet from the pin. I felt like a kid on Christmas Eve as I stepped on the green. Putting always has been my forte, so I sank one and walked off with an eagle 2, not to mention the winner's share of the prize money.

That eagle was the first feather in my golfing cap.

The most important thing in golf is the grip. No grip, no game. After you have mastered the fundamentals, it's up to you.

No golfer is going anywhere in particular without plenty of practice and determination.

Tiger Tales

DETROIT — Tiger tales: Detroit opens a 12-game road trip in Philadelphia Tuesday night, returning to Briggs Stadium May 11. Tigers have won all three of their road starts, defeating Baltimore twice and Cleveland once.

Ted Gray, who failed to last in his first two starts, was named to open the road trip.

Held to only 19 hits in four previous games, Indians shook up their lineup, sending Al Rosen from 3rd to 1st base and putting rookie Rudy Regalado, a springtime sensation, on 3rd. The move paid off, with Regalado delivering two singles and a double, Rosen rapped two singles and a double, driving across three runs. He was quite fancy around first, too.

Perhaps significantly, the Tigers have made 12 double plays this season to nine for the opposition. They've also pilfered four bases, compared to none for Cleveland.

Detroit Thinclads Beat Eagles' Team

Orchard Lake St. Mary lost its 2nd dual meet in four starts yesterday afternoon, bowing to Class A St. Joseph of Detroit, 66-43, on the Eagles' home field.

St. Joe swept-20 of 13 1st places, including a fine 2-minute 3.6 second clocking in the half mile by Leroy Pellerin. Walter Bogucki set new OL school records in the hurdles events.

Bogucki won the 180-yard lows in 23.7 seconds and finished 2nd in the 120-yard highs with 17.8 seconds.

Giant Hurlers Blank Phils 3 Straight Games

Michigan Splits With Wildcats

By JOE REICHLER
Associated Press Sports Writer
The talk around baseball today is of the three straight shutouts turned in by New York Giants' pitchers Marv Grissom, Sal Maglie and Johnny Antonelli. The Giant hurlers blanked the Philadelphia Phillies on Saturday and twice Sunday.

The brilliant pitching by the Giants' trio has all but overshadowed the remarkable play of the Chicago White Sox who, in one week, leap-frogged last to first place with seven victories in eight games.

Following up Grissom's 1-0 three-hit squeaker over Robin Roberts Saturday, Maglie and Antonelli limited the Phils to five and three hits, respectively, yesterday as the Giants swept the doubleheader 3-0 and 5-0. In 27 straight scoreless innings, the Phils accumulated only 11 hits, 10 of them singles.

The White Sox made it three in a row over Baltimore coming from behind each time to capture both ends of a twin bill 3-2 and 4-3. The double victory boosted the Sox into a half game lead over Detroit. The Tigers fell into a second place tie with Philadelphia when the A's whipped them 4-2. The Yankees took the first game 6-1.

Washington broke loose with five runs in the eighth inning to overcome the Boston Red Sox 5-1.

Maglie, 37-years-old today, celebrated his birthday a day early by outpitching Curt Simmons for his third straight triumph. A double by Davey Williams and Don Mueller's single broke a scoreless duel in the seventh.

CHICAGO (UP)—Michigan, co-champions of the Big Ten, invaded Wrigley Field for weekend games with Northwestern and left town with the issue not fully settled.

Wolverines split a doubleheader against the Wildcats Saturday, dropping the first game, 10-6, but taking the nightcap, 8-5, on the strength of some late inning rallies.

Michigan's 3rd baseman, Don Eaddy, boosted the Wolverines' chances in the first game with a home run, but the Wildcats' Don Blaha also clouted a four-bagger. Blaha's homer spelled the difference.

Parnell's Left Wrist Is Broken

Struck by Ex-Roomie McDermott, Mel Will Miss 2 Months

WASHINGTON (UP)—Pitcher Maury McDermott says "I feel just as badly as Mel does" about the pitch that fractured the wrist on the left-throwing arm of Red Sox pitcher Mel Parnell.

McDermott, who came to Washington from Boston in an off-season trade—winged his former Boston roommate in Saturday night's game here and Parnell will be out of action for two months.

"Of all the people to hit," moaned McDermott, "I had to pick on my old roomie. I was trying to side-arm him. Mel swung on the pitch and the ball seemed to follow him."

"He just couldn't get out of the way. I tried to get Mel to come out to the house for dinner the night before. That's how friendly we are."

Parry O'Brien Heaves Shot to New Mark

Fabulous Toss May Not Be Recognized as World Record

DES MOINES (UP)—Parry O'Brien, a young giant, is a world record holder with a fiery ambition—a 60-foot shot put.

He almost realized his desire in the Drake Relays here Saturday. The handsome, 6-feet 3-inch, 230-pound former Southern California athlete exploded the 16-pound shot 59 feet, 9 1/2 inches in an exhibition.

O'Brien, 1952 Olympic champion, set his present world record of 59-2 1/2 at Compton, Calif., last June.

There was question Saturday whether the fabulous toss would count as a world record or would simply enter the books as a "noteworthy performance."

While the question of O'Brien's record is tossed about, there is no question about Kansas' two American marks set in the Drake show.

Anchored by slim Wes Santee, this country's greatest miler, the Jayhawks were propelled to American records in the distance medley relay (9:50.4) Saturday and sprint medley relay (3:24.4) Friday.

JIM BO—the most sensational invention in the history of fishing—the artificial minnow that catches. Its name lives built to buy. This is the lure sensation of the 20th century.

IT SWIMS—on springs, uses no fuel; it swims as long as you leave it in the water. Swims by unique action of balance and gravity. Fish any depth—down to lake, stream, gull, bay. Any fish that will strike a minnow will strike JIM BO. This is no good. Look and swim like a live minnow.

This is the lure of all lures—beautiful after test plastic. Buy one for your friends also. Satisfaction guaranteed. Send \$1.00 only, for each lure. Send check or cash. We pay postage.

L & E TACKLE CO. P.O. Box 741, Long, Fla.

BIG TROUT—Grady Pinner of Drayton Plains displays the big rainbow trout he hooked in the Clinton River in Waterford Township Sunday morning at 5:30. The fish weighed 8 pounds, 14 ounces and was taken on a fly rod with garden hackle. Pinner used a number 8 hook and a 6-pound leader, but said he would have lost the prize had not Charles Wilson of East Detroit happened along with a landing net.

Owen School Kite Flier Sets Pace in 1954 Event

Finals in the 7th annual City Kite Tournament, sponsored by the Pontiac Department of Parks & Recreation in cooperation with the Northside Community Club, were held Saturday at the Lingin Junior High athletic field.

Top individual winner in the event was Ken West, 12-year-old Owen School student, who figured in two championships.

Ken tied with Kim Robertson of Wisner in hand-winding for time (4 minutes 25 seconds) and tied with Dennis Peterson of Wisner for strongest pulling kite.

Winners in other events: release and fly—Allen Hawkins, Whittier, 1st; Marvin Wire, Owens, 2nd; release, fly and rewind—Robert Giers, Wisner, 1st; Bob Flury, Owen, 2nd.

NEW HI-TEST BLUE SUNOCO

premium quality at regular gas price

CHALLENGES ALL PREMIUM-PRICED GASOLINES

Blue Sunoco wins against 16 premium-priced brands. Delivers up to 14.9% more miles per dollar!

NEW high anti-knock power
NEW high all-around performance
NEW high value for your money

THE TEST: New Hi-Test Blue Sunoco was tested against 16 premium-priced gasoline brands at Indianapolis auto track under supervision of Wilbur Shaw, President of track. Each day of test, 16 cars (including cars with high-compression engines) were fueled with \$3 worth of gas, driven around track 'til tanks ran dry. The fleet of cars was run on New Blue Sunoco and on all 16 premium-priced gasoline brands.

RESULTS: New Blue Sunoco—at regular gas price—beat them all! It gave up to 14.9% (average: 10.4%) more miles than premium-priced gasoline brands tested. Ask your Sunoco dealer for names of these brands.

How Sun's one-grade policy gives you high-test performance at regular gas price

Sun Oil Company produces only one grade of gasoline—New Hi-Test Blue Sunoco. This single-grade policy results in savings on tanks, trucks, pumps. These savings are invested in research and new, improved refining processes to give you New Hi-Test Blue Sunoco—premium quality still at regular gas price.

WE SAVE ON TANKS
WE SAVE ON TRUCKS
WE SAVE ON PUMPS

You save every mile you drive with New Blue Sunoco
