

Avon Man Subdued After Gun Spree

Eden May Tumble From Power

But His Party
Expects to Win
Confidence Vote

Big Papers of Britain
Voice Divided Views
on Premier's Fate

LONDON (AP)—Prime Minister Eden's government was expected to win a House of Commons vote tonight keeping it in office, but Britain's big newspapers split about even on Eden's chances of holding his own job.

Three nationally distributed dailies said Eden is finished and will have to make way for another Conservative prime minister to give the party a new lease on political life.

Three other papers thought Eden would hold on. One said maybe he could, and another—the Times of London—voiced no opinion.

As Commons went into the closing round of debate on the Suez invasion, the Conservatives closed ranks in preparation for the vote of confidence on the wisdom of the military venture and the current withdrawal from the Suez Canal Zone.

A dozen or so Conservatives were expected to abstain in the voting, in silent disapproval of the withdrawal without insuring international control of the canal. With the government's overall majority at 59 votes, a minor rebellion would not force it to resign.

But criticism was rising in the Conservative ranks against Eden, resting in Jamaica from "severe overstrain" and due back in about

SIR ANTHONY EDEN

10 days. Some influential Conservatives were saying the Prime Minister would be under heavy pressure to resign soon after he gets back, making way for another Conservative to take over without a general election the party this time might lose.

Eden's continuing in office was opposed for a variety of reasons by varying groups in his own party.

After Fusillade of Bullets Rocked Quiet Neighborhood

BELEAGUERED BY GUNMAN—Herbert and Margaret Brewer with Teresa, 3, after their Avon Township neighbor laid siege to their home with

a .22 caliber rifle last night. Miraculously, no one was shot.

DISARMED BY DEPUTIES—Still in a drunken haze, Alvin Heath at the county jail was unmoved by the memory of last night's bullet-filled rampage. "Why don't you give back my gun?" he asked.

Greets County Officers With Fusillade of Bullets

Deputies Disarm Laborer
As He Steps Outside Door;
Terrorized Area for Days

By LAWRENCE S. MARTZ Jr. and PETE LOCHBILER

While 30 police cars carrying machine guns and tear gas bombs converged on his home, a berserk Avon Township laborer last night held four Oakland County officers at bay with a half-hour barrage of 34 rifle shots. Alvin Heath, 33, of 2658 Hartline St., was subdued by three Sheriff's deputies and a Rochester officer who advanced on the house while his wife, Jean, 37, was reloading his gun with his last 12 bullets.

The fusillade last night followed a six-hour shooting spree in which Heath terrorized his neighbors, where residents said he has been shooting wildly for three weeks.

Herbert Brewer, 28, of 2625 Dearborn St., said the gunman "emptied his gun at me" yesterday afternoon. Officers said Heath had drunk a pint of whisky and part of a bottle of wine before last night's battle.

Despite the fact a crazed gunman, holed up in his farm house near Flint, killed two state troopers Nov. 19, the besieging deputies didn't fire a shot at Heath.

Harry A. Richards, 63, the Flint slayer, shot troopers George E. Lappi and Bert A. Pozza with short-range shotgun blasts while barricaded in his house.

Mumblung that he was being "kidnaped," Heath was booked overnight in Oakland County Jail for investigation of assault with a dangerous weapon.

Oakland County Prosecutor Frederick C. Ziem, who took a statement from Heath this morning, said he will take further statements today and tomorrow to fill in details of the battle and tomorrow will probably issue a warrant against Heath for assault with intent to murder.

Giving his statement, Ziem said, Heath was "extremely nervous." He said he did not remember shooting at the officers, but does remember their grabbing and struggling with him.

Ziem said after the warrant has been issued, a petition to commit Heath to an insane asylum probably will be filed through Probate or Circuit Court, where a hearing will be held within a week.

"I thought they were a gang of hoods," he told Ziem. "I called to my wife, 'They're kidnapping me. Call the sheriff.' I didn't know the sheriff's men were there."

Heath is a World War II Navy veteran of the Pacific theater. Floyd E. Cremer, county deputy director of veteran affairs, said last night Heath was previously been under psychiatric treatment.

Cremer said Heath's wife refused two years ago to begin commitment proceedings against him.

Now unemployed, Heath has worked for a construction company in Flint as a laborer. He lost his left eye two years ago.

Accuse Man as Agent in Prisoners' Escape

JACKSON (AP)—While authorities questioned a man today in what they said was the operation of an "underground railroad" escape route, southern Michigan prison officials sought two newly escaped convicts.

Louis Ross, 33, was accused of being "the depot agent" of the so-called "underground railroad" that allegedly gave prison escapees civilian clothes and transportation to Detroit.

Detroit police Detective Maurice Coble said John Byrd, 31, who escaped Friday and was captured Monday, told him Ross, caretaker of a church camp 12 miles east of Jackson, furnished him street clothes and a ride to Detroit in return for a promised fee of \$150. In addition, Coble said Byrd told him that Ross offered to lend him a gun for a holdup to get the money.

Ross was arrested yesterday. Less than 12 hours later two convicts escaped by walking away from a prison farm to which they had been assigned as trustees only last Nov. 15.

Sends Key to Santa

LARAMIE, Wyo. (AP)—A local youngster isn't taking any chance that Santa Claus will get stuck in the chimney. Among the letters in a special box for Santa's mail at the Laramie post office was one which contained the usual request for toys—and the key to the front door of his parents' house.

Capture Ends Rampage

Officers Hold Their Fire

Daring police work ended a drink-fuddled Avon Township man's spree of bullets last night, without a single answering shot from 50 police officers ringing his small home.

"I could have shot him easily," Sheriff's Deputy Fred Pender said, "but I was waiting for help to pull him in."

Pender and Sgt. Alphonse Anderson answered a neighbor's complaint that Alvin Heath was shooting up "the neighborhood." They walked up to Heath's door, and called for his surrender.

"He cursed at me and started shooting," Pender said. "How many shots? I wasn't counting. I was digging."

But for Heath's wife, it was just like any other evening. "We didn't mind him shooting the gun—all of us liked to shoot the gun—so, it was just like any other evening," Mrs. Jean Heath, 37, told reporters.

Questioned, Mrs. Heath and her children, Richard Bannister, 13, Roger, 9 and Judy, 6 were calm.

According to Mrs. Heath, who is expecting another child in a few days, she and the children were unaware that her husband was firing at police officers outside.

"I thought he was shooting up in the air," she said. "I told him

when he first went out. 'Honey, remember if you shoot the gun off, shoot in the air so no one gets hurt.'"

She was preparing the next day's school clothing for the children, as her husband re-entered the house to re-load.

Neighbor Herbert Brewer, 28, of 2625 Dearborn St., behind Heath's home, is still confused about being a target.

"There's no reason at all behind it," he said. "Heath is just

Hungarian Kids at Camp Happy With Santa's Gifts

CAMP KILMER, N. J. (AP)—Dozens of Hungarian children, uprooted in bewilderment from their homes only a few days ago, awoke today to find that the spirit of St. Nicholas lives around the world.

When they looked at their shoes polished so brightly in hope, they found a wonder of wonders—St. Nicholas had paid them a visit.

Even though they were thousands of miles from their homeland and living in an Army barracks, the old gent had found them.

He left them the traditional gifts: dolls, games, candy—and wishes.

They were small gifts, in their other part of the tradition that calls for the youngsters to shine their shoes and set them out for ones on Dec. 6 from St. Nicholas, whom Hungarian youngsters consider their special protector.

Refugee Pair Weds in Detroit Ceremony

Less than one month ago, Laszo, 26 and his fiancée, Gertrude, 24, were fighting side by side in the streets of Budapest, then on October 24th they fled fifty miles to the Austrian border—and freedom.

Yesterday at 4 p.m. they were married by Judge Eugene Sharpe in the Detroit County Building after arriving with 43 other Hungarian refugees by plane, Sunday. They had visited the Pontiac area Monday.

Both asked to have their names withheld to avoid reprisals on relatives who had to remain in Budapest.

To Laszo and Gertrude, their marriage in America seems like a "wonderful dream."

15 SHOPPING DAYS TO CHRISTMAS

He said that in 1957, the industry should produce and the United States market absorb approximately 6,500,000 new passenger cars and 900,000 trucks. Including Canadian and export sales production should approximate 8,300,000 passenger cars and trucks.

"To bring the 1957 General Motors models to market," Curtice disclosed, "required an outlay of

Wallet Returned to Pontiac Man After 10 Years

A wallet lost 10 years ago and long forgotten was returned to a Pontiac man by a Cheyenne, Wyoming hotel yesterday with personal papers and money—all \$3 of it—still intact.

The amazed and happy recipient was Steve Courtes, of 281 Raeburn St., who lost the wallet in 1946 while a member of the U.S. Navy.

"I had forgotten all about the wallet. I don't even remember staying in Cheyenne. It must have been sometime when I was passing through," the Pontiac native told the Press today.

He said a letter from the hotel asking if he wanted the wallet back had preceded its arrival. "They apparently came across it while looking through their files. It still had my papers and \$3 in Chinese and American money in it," commented Courtes.

No Cops on Thieves Lane

HERTFORD, England (AP)—The Hertfordshire County Council last night turned down an offer of six lots on Thieves Lane for a projected police housing development.

Ring Up One for Police

ALBUQUERQUE, N.M. (AP)—The police radio dispatcher gave this bit of excellent advice to all cars last night: "If you see a man carrying a cash register, arrest him."

Reveals \$700 Million Capital Investment

NEW YORK — Harlow H. Curtice, GM president, forecast today that 1957 would be the automotive industry's second best sales year in history and revealed GM anticipated spending \$700 million for capital investment during the year.

He spoke before 400 newsmen at a luncheon preceding the opening Saturday of the National Automobile Show.

The GM president emphasized that his predictions were based on the assertion that "the delicate balance of peace will be maintained."

He said that in 1957, the industry should produce and the United States market absorb approximately 6,500,000 new passenger cars and 900,000 trucks. Including Canadian and export sales production should approximate 8,300,000 passenger cars and trucks.

"To bring the 1957 General Motors models to market," Curtice disclosed, "required an outlay of

approximately \$630,000,000. This is more than we have ever spent in

any one year for styling, engineering and mechanical advances."

Curtice said 1957 would be another good year for GM, exceeded only by 1955.

In making his annual economic forecast, Curtice said he viewed 1957 "as another record year for business generally," presuming the maintenance of peace.

"It has been demonstrated conclusively," he said, "that the prosperity and progress of our nation are not dependent on war or a peak level of defense expenditures."

However, he said he believed defense expenditures would be higher next year—possibly \$42,000,000,000.

Of other 1957 economic prospects, Mr. Curtice said: Gross national product as high as \$435,000,000,000; The year one of substantially full employment; Consumer disposable income up, possibly to \$300 billion;

Personal consumption expenditures should continue to increase. Government expenditures at all levels should rise somewhat.

The upward trend of the construction industry should continue.

Highway expenditures should rise \$750,000,000 to \$8,500,000,000. Expenditures for capital equipment are expected to increase even from the tremendous current demand.

Curtice noted that 1956 was the first peacetime year of record economic activity not spearheaded by

the automotive industry.

According to the best estimates on December results, Curtice said the industry's 1956 sales record will be about equal to his revised estimate last May of 5,800,000 passenger cars.

This is a drop of 20 per cent from 1955, but still is the industry's third best year for retail passenger car sales domestically, he emphasized. United States and Canadian sales of GM cars and trucks in 1956 should reach a total of 3,725,000, Mr. Curtice reported.

For General Motors, 1956 will be its second best year of passenger car sales.

"Dealers handling General Motors products have experienced a similar contraction in their new car and truck sales this year, but nevertheless they have operated successfully and profitably in the main," he said. "It can be considered a good year, too, for our 26,000 suppliers of goods and services."

PHOTOGRAPHED IN REMOVAL TRIAL

Set Dec. 12 Hearing for Justice Williams of Madison Heights

Madison Heights associate Justice Charles O. Williams said today he does not plan to resign before a hearing in removal proceedings against him, scheduled for Dec. 12 at 9:30 a.m. in Lansing.

Oakland County Prosecutor Frederick C. Ziem said yesterday Lt. Gov. Philip A. Hart will preside over the hearing in the absence of Gov. G. Mennen Williams, now vacationing in South America.

Williams said today his present plans are to attend the hearing, but he said he might change his mind if his attorney, Andrew J. Hollis of Ferndale, advises him to resign.

The removal proceedings were asked by Madison Heights' City Council, which charged Williams with abuse of authority of his office in advertising his services, charging \$10 for 32 weddings, and engaging in other conduct prejudicial to the dignity of his office.

ACCUSED BY GIRL
The justice's ouster has been fought since an 18-year-old Ferndale girl last month accused Williams of offering her money to pay her boy friend's fine if she would accompany Williams to a motel.

Williams pleaded guilty to registering at the motel under a false name, and was fined \$30 with \$10 costs. While he was registering, the girl fled.

Retired Pontiac Executive Dies

Charles F. Gordon With Motor Company for Twenty Years

Charles F. Gordon, 60, superintendent of purchasing at Pontiac Motor Division from 1941 to 1946, died yesterday at his residence, 13 Mohawk Rd. He had been in ill health 11 months.

Before coming here from Boston in 1936, Mr. Gordon had been purchasing agent for the Detroit Brass & Malleable Co.

Born in Charlestown, Mass. on Oct. 27, 1896, he was a member of St. Michael's Church and the Knights of Columbus. He was a veteran of World War I.

Besides his wife, the former Grace Kelly, he leaves three children, Mrs. Don F. Anderson of Roswell, N. Mex., Mrs. Richard Edens of Pontiac and Capt. Charles Gordon stationed with the U. S. Army in Germany; nine grandchildren and a sister, Mrs. George Cummings of West Roxbury, Mass.

Arrangements will be announced later by the Donelson-Johns Funeral Home.

Purse Containing \$60 Stolen From Shopper

A purse and \$60 were stolen from a shopper in a store at 154 N. Saginaw St., yesterday afternoon, Pontiac police said.

The victim, Mrs. Emma Post, 103 Fairgrove Ave., said she had placed the purse on a counter while examining merchandise.

Purse Snatcher Robs Pontiac Woman of \$15

A purse-snatcher robbed Mrs. Earl Perkins, 19 Hartung Ct. of her bag and \$15 last night a few doors from her home, Pontiac police said.

She said the culprit, a teenager, grabbed the purse and ran as she returned from shopping.

The Weather

FOR U.S. Weather Bureau Report
PONTIAC AND VICINITY — Mostly cloudy with occasional light drizzle today, high 44-46. Clear and a little colder tonight, low near 40. Tomorrow cloudy and more rain likely. JET RAMS HOUSES — This was the scene after an Air Force jet trainer crash-landed and burned two homes in a Los Angeles residential area last night. Approaching the International Airport, the plane hit a power pole, another home

and a garage before coming to rest. The pilot, Capt. James Glessner of Julesburg, Colo., was helped from the burning craft only slightly hurt. Occupants of the houses were unhurt.

AP Wirephoto

New Mexico Ski Club Sets Opening Date

TAOS, N. M. (INS)—Ski enthusiasts will have another recreation area to add to their list of plush winter sport spots beginning Dec. 15.

The formal opening of Taos Ski Valley takes place on that date, offering not only scenic beauty but an easy ski run for beginners and youngsters, plus a few tough runs for experienced slat artists.

A spacious rustic lodge is nearing completion not far from the slopes of Mt. Wheeler, New Mexico's highest summit.

Three ski lifts are projected and a so-called snow cat also will be in operation. The ski area is organized under the name of El Rancho Honor, Inc.

Bugs Battling Human Race for Supremacy

ST. PETERSBURG, Fla. (U)—Insects are keeping pace with man in the battle for survival.

That is the opinion of scientists who attended a southern regional work conference on nuclear energy here. They said the insect population is at its peak and the weight of insects now in the world equals the weight of man.

Dr. Frank Soday of Decatur, Ala., said insects in many instances adjust themselves to local conditions and develop immunity to poisons, so that man must constantly devise new methods of eradicating them.

Dr. Eric Rodgers of the University of Alabama reported that insects are far more numerous now than when he was a boy. He said there are even reports of the boll weevil now attacking corn instead of cotton.

Dr. Ralph W. Singleton, professor of biology at the University of Virginia, pointed out that such modern means of transportation as autos and planes have spread insects far and wide, giving them a chance to establish new beachheads.

Success in solving pest control problems will depend largely on a vigorous program of research, say the scientists, who warn that man must wage a continuing fight if he is to keep ahead of the insect.

Mindszenty Tells for First Time of Red Abuses

NEW YORK (U)—Hungary's Cardinal Mindszenty says he was abused for 29 days and nights by Red secret police prior to his trial on treason charges in 1949.

The prelate said he was stripped beaten for days with a rubber hose, kept in a cold, damp cell to irritate his weak lung, forced to watch obscene orgies, and questioned without sleep throughout the entire period.

When he collapsed, the prelate was quoted as saying, he was revived immediately to deprive him of rest.

His interviewer, Leslie Balogh Bain, said, however, that the cardinal told him no drugs were used to make him confess to trumped-up treason charges.

Cardinal Mindszenty, freed during the Hungarian uprising, said he would fight on against the Communist regime. He also said his memoirs will aid in raising funds for the destitute Roman Catholic Church in Hungary.

Delivers Dogs' Dinner

RICHMOND, Va. (U)—Christmas dinner for the dogs at the city pound has arrived from an anonymous donor — just as it has for the past four years. Accompanying the 48 cans of dog food and four boxes of biscuits was a card identical to one received each year and signed, "In memory of Clubby and Beauty."

May Outlast Eden's Tenure

Mollet Postwar Rarity

PARIS (U)—The Suez fiasco and the unending Algerian war have brought French Premier Guy Mollet under increasing political attack, but most political observers agree the government is not in danger—yet.

The trouble might come when

Eden's Leadership Remains in Doubt

(Continued From Page One)

party. Some thought he should not have ordered the invasion of Egypt, or should not have kept the United States in the dark about his plans.

One faction of diehards was bitter at the pullout leaving President Nasser in control of both Egypt and the canal. Many were concerned over the rift with the United States and the economic crisis ahead.

Acting Prime Minister R. A. Butler was the likeliest man to become prime minister should Eden step out, but there was some feeling he was too closely identified with the decision to move against Egypt. Two dark-horses mentioned were Colonial Secretary Alan Lennox-Boyd and Sir Winston Churchill's son-in-law, Housing Minister Duncan Sandys. Both have remained outside the Suez controversy.

The newspapers lined up like this on Eden's future:

He is through.
Daily Express (independent but generally a backer of the Conservatives) — "In the minds of many he has already ceased to be prime minister. Whatever happens in the next few weeks, he can never return to the House of Commons with his old authority."

News Chronicle (Liberal) — "Reports from Jamaica that the Prime Minister suffered another minor indisposition last week suggest that for health reasons alone — quite apart from other considerations — Sir Anthony Eden must retire."

(A dispatch from Jamaica yesterday said Eden suffered a slight indisposition — believed to be a stomach upset — Sunday night but had recovered.)

Daily Herald (voice of the opposition Labor party) — "This report from Jamaica whipped up speculation already running high that Sir Anthony, 60 next June, will not be able to continue for long as premier."

Eden will stay.
Daily Sketch (Conservative) — "Well, it's no use condemning the leader if you haven't got a new one in the bag."

Daily Mail (Conservative) — "Sir Anthony Eden is still the man most likely to hold the Conservative party together."

Daily Telegraph (Conservative) — "Exaggerated reports of the strength of the (Conservative) rebels are still being put about."

Maybe.
Daily Mirror (independent, anti-Conservative) — "Britain must be made great again—whatever the name of the Prime Minister and whatever the party in power. Q. with the Job!"

Buy Self Yule Gifts

BALTIMORE (U)—Elisha Sampson told police he was receiving numerous Christmas gifts which he hadn't ordered and didn't want. A local store revealed that a man purchased the gifts after cashing a commercial money order, identified himself as Elisha Sampson, and pocketed the change. The money order forms had been stolen. So had Sampson's wallet and identification papers.

16 Face Charges in Race Strife

Accused of Contempt in School Violence at Clinton, Tenn.

CLINTON, Tenn. (U) — Nine more of the 16 persons accused in racial violence which closed integrated Clinton High School Tuesday faced a federal judge today as officials made plans to reopen the school.

U. S. Dist. Judge Robert L. Taylor of nearby Knoxville issued criminal contempt warrants for the 16 yesterday, charging them with violation of a court order forbidding interference with integration of the school.

Fifteen of them — 14 men and one woman — were in jail at Knoxville within a few hours. A 16th, reportedly a woman, was still being sought by federal marshals.

Six of the prisoners, including W. H. Till, chairman of the pro-segregation white Citizens Council here, were arraigned before Judge Taylor last night. All denied the charges. Other arraignments were postponed until today.

There also was a report that steps have been taken to see if bail can be revoked for John Kasper, 26, who has appealed Taylor's one-year sentence on a similar charge in previous disorders at school opening last August.

The Anderson County School Board, which had ordered the school closed Tuesday "until further notice," decided after the 15 arrests last night to reopen the school next Monday if possible.

The closing followed a series of increasingly numerous racial incidents climaxed Tuesday by the beating of a Baptist minister, the Rev. Paul Purner, after he had escorted six Negro pupils to school past jeering bystanders.

The letter "e" is most frequently used in the alphabet, but more words start with "s" than any other letter.

The Day in Birmingham

Stage Experience Wins as Two Stars Perform

BIRMINGHAM — No theatrical trappings but experience galore on stage and television is being brought today and tomorrow to the Birmingham Theater stage with the "Two's A Company" program.

Albert Dekker's performance at Town Hall today recalled for many his performance of skill as Willie Loman, the lead in "Death of a Salesman," as well as his roles in the movies, "Cass Timberlane," "Gentlemen's Agreement," "Wake Island," and "Strange Cargo."

Total range of mastery of six dialects for one of his movies might go unused in today's talk, but not his understanding of the characters portrayed.

Edith Atwater's share in the program, which included characters from Shakespeare, Sandberg, the Brownings, Chekhov, and Robert Frost, is backed as well by onstage successes.

Laughs from "Time Out for Ginger," and steely cruelty in "King Lear," are part of her range of mood rendition.

Santa or Mrs. Santa Claus can be called in Birmingham on a direct phone line to his work-shop.

Starting Monday, calls may be placed from 5 to 8 p.m. to Midwest 6-7222. The two weeks of calls will feature children's chats with the North Pole couple on what is wanted for Christmas.

Helping with phone bills for Santa is the city's recreation department.

Eton Park rink has attracted 2,383 skaters thus far, and one class has reached capacity, according to Vivian Heard, programmer at the artificial rink.

With the Saturday children's class from 1 to 2 p.m. Saturday filled completely, adult classes on Thursday are filling rapidly, and other sections for all ages are being arranged.

Over 150 boys have tried out for eight teams of hockey, with eight coaches starting the practicing. Boys will be notified of their team membership this weekend.

There will be no adult recrea-

tion sessions tonight or next Tuesday because of the gym's unavailability. Adult night will resume its Tuesday and Thursday units starting Dec. 13.

New officers of the Y's Men, who start their tree sale at the YMCA Saturday, are Al Madsen, president, Bob Curtis, vice president, Don Gibbings, secretary and Bob Schaffer, treasurer.

Supper Club of the First Congregational Church will meet at the church at 6:45 p.m. tomorrow for a travelogue program following their meal.

Mrs. Sally M. Powell

Mrs. Sally M. Powell, 2379 Yorkshire Rd., died last night at St. Joseph Mercy Hospital after a brief illness. A Birmingham resident for the past ten years, she was associated with Johnstone and Johnstone Real Estate firm, and belonged to St. James Episcopal Church.

She leaves her daughter, Mrs. K. N. Ryden, a son, William Fogle, six grandchildren, three sisters and four brothers.

Her body will lie at Bell Chapel of the William R. Hamilton Co. until service at St. James Church at 2 p.m. Friday. Burial will be in White Chapel Memorial Cemetery.

A campaign organization is working towards winning the Republican nomination for University of Michigan Regent for Mrs. Robert F. Watt, 1215 Yorkshire St.

Mrs. Watt, whose committees have met twice and will meet again next week, has the support of Mrs. Stuart G. Balis of Detroit, whose place on the U. of M. governing board she would take if she wins the nomination and the succeeding spring election.

"If elected she would become first regent from Oakland County," says one supporter.

The national capital site was removed from New York to Washington D. C. during the period of the administration of President John Adams.

Demand for Pontiacs High in November

Pontiac dealers delivered 27,957 new Pontiacs in November, S. E. Knudsen, GM vice president and general manager announced today. He said it was the highest sales month reported by dealers since August.

Ending the first calendar month since the 1957 Pontiacs were introduced on November 9, Pontiac dealers also reported a total of 21,784 unfilled customer orders for 1957 models.

It is the highest number of unfilled customer orders on hand at Pontiac since November of last year, Knudsen said.

Question Metal Worker in Schoolboys' Slaying

SAN DIEGO, Calif. (U) — Police said tonight they are holding a 30-year-old former metal worker and gardener for questioning in the slaying of three Chicago schoolboys Oct. 16, 1955.

The man, identified as Richard Ebert of Aurora, Ill., was arrested on a charge of suspicion of vagrancy. Aurora is 40 miles southwest of Chicago.

The combined area of the U.S. national forests is now computed to be one and one-third times that of Texas.

POND PIRATE.

ONE OF THE MOST VORACIOUS PREDATORS IN THE POND IS AN INSECT—THE DRAGONFLY IN ITS NYMPH STAGE OF DEVELOPMENT. IT ATTACKS ANYTHING THAT COMES WITHIN REACH.

WATERBUGS, TADPOLES AND EVEN SMALL FISH ARE SNARED BY ITS HINGED, EXTENDIBLE LOWER JAW WHICH SNAPS OUT WITH LIGHTNING SWIFTNESSE

12-51

Still Seek Brooklyn Blast Answer; Investigate Seven Tons of Fuses

NEW YORK (AP)—A Connecticut firm says almost seven tons of detonating fuses — which some officials contend may have caused the terrific blast during a Brooklyn pier fire — were shipped "in strict conformity with all regulatory requirements."

The blaze and explosion last Monday killed 10 persons, injured 246 and caused damage estimated by city officials at 15 million dollars. A probe of the disaster continues — including the cause of the fire.

The Ensign Bickford Co. of Simsbury, Conn., said last night it shipped 1,950 cases of "Primacord" fuses to its West Coast distributor.

Stoughton S. Ellsworth, a company vice president, said "Primacord" is designated by the Interstate Commerce Commission as a Class C or minimum-hazard explosive. He said the fuse also has been approved by the Federal Bureau of Investigation for shipment via air freight.

City Fire Commissioner Edward F. Cavanagh Jr., however, said yesterday that shipment of such a quantity of this material was of a "hazardous character."

Cavanagh also said the bill of lading was not marked "explosive" and carried only the warning sign, "Store away from heat."

He added that no more than 1,000 pounds of explosive material may be stored here without notification to the Fire Department.

Robert W. Withers, a top Fire Department official, says such fuses constitute a high explosive of a type banned from shipment here eight years ago.

Cavanagh declined to say definitely that the fuses caused the blast on the Luckenbach Steamship Line pier. But he said experts

had told him the amount on the pier could have caused it.

Ellsworth said the fuses would be explosive only when set off by an "outside force," adding: "If acetylene gas blew, it could be set off."

Seven drums of carbide were found in the middle of the 1,700-foot pier, biggest in New York Harbor, the night of the fire. Carbide mixed with water creates

Hazel Park Officials to Meet Prosecutor

Oakland County Prosecutor Frederick C. Ziem said yesterday he plans to launch an investigation today of published charges of improper condemnation procedures in Hazel Park.

Officials there allegedly have bought houses after they were condemned by the city.

Ziem said he has invited officials and others named in the published account to make statements in his office this afternoon. He said Hazel Park city attorney Jack Moskowitz will sit in on the statements to determine if any city ordinances have been violated.

"It would seem doubtful that there has been any criminal violation," Ziem said. "However, we want to get all the facts."

Today's love tip is a little poem: "A little flattery now and then... Makes husbands out of single men"... There's nothing a bald-headed man would rather listen to than a hair-raising story. — Earl Wilson.

ALBERT C. KUGLER

Royal Arch Masons Elect 1957 Officers

Albert C. Kugler was elected Excellent High Priest for the coming year at a recent meeting of the Oakland Chapter No. 5 of the R.A.M.

Other officers include Neil B. McCellan, King; Robert B. Byrnes, Scribe; George C. Thompson, secretary and Erwin A. Hall will be treasurer. Chaplain for the organization will be Clarence Curry.

Loring Downs will be Captain of the Host and Marvin L. Roberts will serve as Principal Sojourner. Captain is Calvin Carpenter with Elden Sweasey, Raymond Ruggles and Borton F. McNally, Masters of the Vells.

Jean Walter was elected Sentinel with Stewards Floyd Brunson, Duane Boughton, Charles Kugler, and Grant Galbraith assisting. A semi-public installation will be held Dec. 12 at 8 p.m. in the Masonic Temple at 18½ E. Lawrence St.

UF Donates to Detroit

DETROIT (AP)—The United Foundation gave the Detroit Red Cross \$100,000 toward the national five million dollar goal for Hungarian relief last night. The contribution eliminated the need for a special Red Cross campaign in the area.

Restrict Traffic Out of W. Berlin

Jitters Believed Cause of Russian Crackdown on Allied Travel

BERLIN (AP)—Western officials today viewed Russia's clampdown on Allied road and rail traffic in and out of West Berlin as part of a general security alert throughout the Soviet satellite empire.

The Kremlin's nervousness over possible spread of independence fever from Hungary and Poland appeared behind demands for the right to search Allied trucks and trains for hidden persons.

Soviet army guards forced a U. S. Army truck convoy outward bound from Communist-encircled West Berlin yesterday to abandon its weekly run to West Germany.

The Russians insisted on searching the trucks and seeing identity documents.

The U. S. Army command in West Berlin ordered the convoy to turn back "rather than submit to investigations beyond those which have been in effect for many years."

Last week the Russians slapped restrictions on Allied rail traffic in and out of West Berlin, forcing a British outbound train to turn back and delaying U. S. military trains. American, British and

French officials are negotiating with the Russians on the rail dispute.

West Berlin lies 110 miles inside Communist East Germany and its lifelines to West Germany consist of the highway, one railroad and three air corridors.

The Russians exercise no control over air traffic.

Two Teenagers Hurt When Car Hits Tree

Two teenage girls were seriously injured yesterday afternoon when their car failed to pull out of a left turn and slammed a tree off Owego drive, Pontiac police said.

The driver, Barbara Jean Cooper, 19, of 167 S. Marshall Ave., suffered fractured ribs, possible internal injuries, a broken nose and facial cuts, authorities at Pontiac General Hospital said.

Her passenger, Martha P. Starns, 17, of 105 Mohawk Rd. suffered a concussion and skull injuries. Both are listed in fair condition.

Miss Cooper said she lost control after turning from N. Genesee Ave. but could not explain why, police said.

Police Get Their Goat

BALTIMORE (AP)—Police today were anxious to find someone who can relieve them of two unwanted and very smelly — jail inmates. Patrolmen Edward Esteridge and George Cook said they were "just doing their duty" when they picked up two "vagrant" goats and brought them to the station.

Pontiac Vicinity Helps Hungary

Show Big Generosity in Aiding Refugees in This Country

The Pontiac area has responded generously to help Hungarian refugees beginning new lives in this country.

Rev. Gordon C. Lindsay, pastor of Five Points Community Church, said he has been "flooded" with telephone calls offering aid.

Ten refugees were guests Monday at the church, 3411 E. Walton Blvd. The program was planned by Rev. Lindsay to call attention to refugees' need.

There have been nine requests for applications to sponsor refugees in this country, he said.

A half-dozen callers offered clothing, he said, and there were a score of inquiries how to help.

He explained that sponsors guarantee food, clothing, shelter and financial backing of refugees until they become financially independent.

The sponsor undertakes to help the refugee find employment.

Lindsay said his church would act as a clearing house. Telephone calls can be directed to his home number, FEderal 5-7224.

Wayne Youth Killed, Car Skids Off Road

DETROIT (AP)—Billy G. Carter, 21, of suburban Wayne, was killed last night when his car left the road and overturned on U. S. 112, two miles west of his home.

Sheriff's deputies said Carter was driving at a high rate of speed when his car left the road and skidded 120 feet along the shoulder. It plowed into a drainage ditch,

hit a concrete abutment and tipped over, rolling 40 feet.

Carter was thrown from the vehicle. An unidentified male passenger with him was injured critically.

A famous chorus girl broke a date the other night — she went out with him... A Californian claims he's giving two prizes in a contest: "First prize, a week in Florida. Second prize, a month in Florida." — Earl Wilson.

MAKE OVER PAGES

For the second successive year Oklahoma has run away with top honors in the college football power index, with a final rating of 115.3.

The Sooners outstripped their winning 115.3 of last year, which means that the current edition has been 3.8 points stronger, per game, than its predecessor. Oklahoma's final 1956 rating is composed of 41.5 average scoring margin added to 77.6 opposition index.

Absence of Oklahoma, and other smelting, from the upcoming bowl games will rob the New Year's classics of the championship flavor that garnished them last year when the nation's top five teams participated.

Before the bowl business begins, one final game remains on the regular schedule for this Saturday will send No. 8 Miami, Fla., against No. 13 Pittsburgh in the Orange Bowl. The Hurricanes rate 4 points higher than the Panthers, who will be featured in the Gator Bowl on Dec. 29.

Taking the bowls in chronological order, here's how they will line up from the Power Index standpoint:

Aluminum Bowl, Little Rock, Ark. Dec. 22—This, the first annual NAA Classic features St. Joseph's, of Indiana, rating 9 points over Montana State. The latter boasts a perfect 8-0 record compared to St. Joe's 7-1.

Gator Bowl, Jacksonville, Fla. Dec. 29—No. 3 Georgia Tech (8-1) rating 12 points over No. 13 Pittsburgh (6-5-1).

Rose Bowl, Pasadena, Calif., Jan. 1—No. 8 Iowa (8-1) rating 8 points over No. 17 Oregon State (7-3-1).

Dickinson's COLLEGE FOOTBALL POWER INDEX

Power Index ratings are post performance averages. Example: a 50.0 team has been 10 scoring points stronger, per game, than a 40.0 team, equally rated opposition.

GAMES OF DECEMBER, 1956, AND JANUARY 1, 1957

Hometown Honors Star

ALBUQUERQUE, N.M. (U)—Mexico. He moved to Albuquerque with his parents, Mr. and Mrs. Clyde McDonald, in 1951.

Speakers at yesterday's ceremonies called Tommy an all-American boy—the ideal of American youth. They recalled his early football days. One said: "I don't think Hugh Hackett had any idea he had a future all-America halfback at Oklahoma when a spindly-legged, 130-pound kid came out on the practice field then."

Hackett was Tommy's coach at Highland High School in Albuquerque.

Tommy was born in Roy, a town of about 1,100 in northeastern New

Soviet Gives Party, Gifts to Games Brass

MELBOURNE (U)—The Russians still miss few propaganda tricks. They gave a mammoth reception last night for Olympic organizing officials and other Olympic brass. Each guest was given an enamelled brooch in the shape of a Russian flag, and a booklet on Russian sport. Each member of the organizing committee was given a beautiful silver cup in a glass case with blue stones and an enamelled scene of three Russian athletes marching with Soviet flag.

All-Star Bowling Continues

Weber Leads Kegs

CHICAGO (U)—A match between Dick Weber, the qualifying leader, and Don Carter, the two-time former champion and second in the qualifying trials, tops today's first match games in the 16th annual national all-star bowling tournament.

Weber and Carter, teammates on the National team champions Budweiser five of St. Louis, meet in a four game match. Weber rolled 7,518 in 36 games to pace the 14 men who made the semi-finals while Carter was second with 7,388.

Sunday and will roll a total of 32 defeated Nagy, 7,554 to 7,246. Miss games in the finals.

Wene beat Miss Cantaline, 4,390 to 4,299 in a special 16-game match during 4,299 in their special 24-game preliminary rounds, Lillard match.

MICHIGAN MEN'S STANDINGS (36 GAMES):

	2-Wed.	1-Wed.	Total

Big 10 Drafts Program

CHICAGO (U)—The Big Ten's player who starts a quarter to school presidents have drafted an evaluation of the new financial aids program in the form of a memorandum which today will be presented at the conference's annual meeting.

It goes before the joint group of athletic directors and faculty representatives along with a legislative draft of the plan. After thorough discussions, the plan will be sent to the faculty members tomorrow for vote.

Dublinski Case Again in Court

TORONTO (U)—The Ontario Court of Appeal was told yesterday that the Detroit Lions of the National Football League did not validly exercise an option clause they held with quarterback Tom Dublinski, now with the Toronto Argonauts of the Big Four union.

Counsel for Dublinski, C. L. Dubin, is asking the court to uphold the decision of Chief Justice McRuer, who earlier this year ruled that the option clause had not been properly exercised.

Mr. Dubin said that even if the option had been properly exercised, the clause in the previous contract which prohibited Dublinski from playing for any other organization applied only to the team of the previous contract, which ended May 1, 1955.

Francis Gerity, appearing for the Lions, said Detroit is entitled to relief for breach of contract by Dublinski, who signed with Toronto in January, 1955.

Mr. Gerity said his clients would be satisfied to receive either substantial damages or a declaratory order noting that they would have been entitled to an injunction against Dublinski had the case been heard during the football season covered by the Detroit contract.

Mr. Gerity said his clients would be satisfied to receive either substantial damages or a declaratory order noting that they would have been entitled to an injunction against Dublinski had the case been heard during the football season covered by the Detroit contract.

Hockey Player Signed

SAULT STE. MARIE, Ont. (U)—Jim Leclair, 21-year-old forward from Sault Ste. Marie, signed with the Troy, Ohio, Bruins of the International Hockey League yesterday.

U.S. Wrestlers Take a Licking

MELBOURNE (U)—American wrestlers took a licking in their first venture into Olympic competition in the Greco-Roman style, but in the process, they managed to get a few laughs along with some valuable experience.

"We are doing fine," said light heavyweight Dale Thomas of Cedar Rapids, Iowa. "Only one teammate is in the hospital and he gets out tomorrow. Jay Evans bruised his ribs badly when that Hungarian lightweight pinned him, but Jay is all right now."

Middleweight Jim Peckham of Braintree, Mass., who lost to Karl Jansson of Sweden, said:

"We are the first Greco-Roman wrestling team the United States has entered in Olympic competition. We don't wrestle much Greco-Roman style at home but this slam-bang type of wrestling is old stuff to the foreign boys."

In Greco-Roman wrestling, leg holds are forbidden and as a result the body slam is a favored way of gaining falls.

THE STYLE CORNER OF PONTIAC

Way down in the blue-grass state of Kentucky, in the land of the thoroughbred and the Kentucky Colonel, basketball frenzy takes over every winter.

Anyone following the sport knows how the University of Kentucky had dominated the cage picture year after year. In fact the year of Groza, Jones and Beard, three All-Americans on one team, was considered the greatest basketball team ever assembled.

In recent years Western and Eastern Kentucky have moved into the national limelight, but the latest scourge out of the blue-grass state has been Louisville.

Under coach Bernard "Peck" Hickman for the past 12 years, the Cardinals have won 256 and lost only 78.

Last year Louisville zoomed to its greatest glory, finishing as the second best team in the country and walking off with the N.I.T.

The city of Louisville went wild over its basketball team. When the Cardinals returned from New York last March a crowd of 20,000 gave the team a reception at the airport.

Louisville newspapers claimed in print "the reception was far greater than the one Ike got during his visit in 1952."

This year before the season even got under way all of the sports publications were practically conceding the national championship to the Cardinals who have all but one regular from 1955-56 powerhouse returning.

TYRA IS A GREAT PLAYER

We had the opportunity to see Louisville in action on three occasions last year, and there is no doubt in this corner why everyone is so high on coach Hickman's squad.

Just look at this roster. The starting forward is 6-10, the starting center Charley Tyra is 6-8, and the reserve center is 6-9.

There are two players 6-6, three players 6-5, one is 6-4, two are 6-3, three at 6-2, two at 6-1 and one "shortie" 5-11.

The 5-11 player is a sophomore so by next year he should be one of the boys.

Tyra, who is on everybody's All-America team this year, is one of the best "big" men we've ever seen. Tyra isn't just a good shot. He dribbles like a guard, is a tremendous rebounder, has a hook and a jump shot and has terrific speed.

Coach Hickman modestly says, "Tyra makes anyone a great coach." Hickman, whose team visits U. of D. tonight, has been a guest of sportwriters in Detroit this week.

The writers got the biggest chuckle when Hickman, like a typical "optimistic" coach, commented, "we should have a fair season."

How the Titans plan to stop Louisville remains to be seen. Sharpshooting Bill Ebben might match Tyra in points, but as one of the writers asked, "who's got the stilt."

SVC Race Opens Friday

Chiefs Get First Test at Arthur Hill

By H. GUY MOATS

There will be little change Friday night, in Pontiac High's basketball starters for its opening test in Saginaw Valley Conference. While the Chiefs were shaken by "first game jitters" in the season's tipoff against Catholic Central, Coach Art Van Ryzin today felt that much of the rawness had rubbed off and a smoother performance could be expected at Arthur Hill.

The Chiefs-Lumberjack contest is one of three that set off what could be one of the tightest title races in years. Other games Friday send Flint Central to Bay City Central and Saginaw High to Flint Northern.

Van Ryzin was satisfied with his club's work, for the most part, and he did not contemplate any radical changes. "We'll start Hudson Ray, Larry Peet and Dave Dierh for sure. There may be a change in the forwards possibly with Larry Zellhart going in one spot and either Roosevelt Alexander, Dave Simmons or Dick Whitmer at the other place," he said.

"I think we got some very much needed experience, and we'll definitely be much better. Some of our ball handling was not the best and we lost our poise a few times. But I believe we have the ingredients for a good club."

At Saginaw, "Jacks" coach, Chuck Fowler, reported he would have two of last year's starters in his lineup. They are Ray Graham, a guard and big Jerry Bittenberg, forward who played against the Chiefs last winter. Fowler also said he would use Jimmy Ray guard who hit 15 points in the Ann Arbor game.

Former Lion Players Meet for Reunion

DETROIT (INS)—More than 50 former Detroit Lions players are expected to attend the 6th annual Lions alumni reunion this weekend.

The former players and their wives will convene at the hotel Statler Saturday and after a short meeting will be guests of the Detroit Football Co. for dinner and dancing.

The group will attend Sunday's Pittsburgh game in one party.

Big 10 Crowds Set 10 Marks

Several New Records Included at Michigan Grid Games

CHICAGO (AP)—Ten attendance records were set by big ten football teams during the 1936 season. An all-time high of 3,314,239 fans and an average of 58,144 for 37 games highlighted the records, which were made possible by enlarged stadiums at five schools.

The new overall records represented an attendance increase of 6.1 per cent over last year. The records included new all-time highs at five conference stadiums whose seating capacity was increased.

The records:

TOTAL ATTENDANCE (57 games)—3,314,239 (old record 3,121,649, 37 games, 1935).

AVERAGE ATTENDANCE, all games (57)—58,144 (old record 55,909, 55 games, 1940).

TOTAL ATTENDANCE, CONFERENCE games only (33)—1,927,312 (old record 1,876,943, 33 games, 1935).

ONE GAME, 101,001, Michigan State at Michigan (old record 97,369, Ohio State at Michigan, 1935).

ONE TEAM, home season—566,093, Michigan, 7 games (old record 563,362, Michigan, 6 games, 1940).

ROW A STADIUM—97,732, vs. Ohio State (old record 83,365, vs. Minnesota, 1933).

MICHIGAN STADIUM—101,001, vs. Michigan State (old record 97,369, vs. Ohio State, 1935).

MICHIGAN STATE STADIUM—58,856, vs. Indiana (old record 52,619, vs. Purdue, 1934).

OHIO STATE STADIUM—82,881, vs. Stanford (old record 82,645, vs. Michigan, 1940).

WISCONSIN STADIUM—56,645, vs. Northwestern (old record 53,325, three games in 1935).

Redleg Rookie Is Cuban Card

CINCINNATI (NEA)—Ulus (Chico) Alvarez, Cincinnati's recruit Cuban outfielder, may prove a stern test for Manager Birdie Tebbetts' linguistic ability.

Playing in a Colombia winter league in 1935, Alvarez missed a pitch, but continued to swing until his bat hit the catcher. He trotted to first base, claiming interference by the catcher.

On another occasion, he came to bat with his cap pulled down over his eyes.

"Me fool pitcher," he said. "He not think I'm looking."

NHL Standings

	W	L	T	P	G	F	G	A
Boston	14	5	4	32	63	49		
DETROIT	13	4	4	30	64	47

WEDNESDAY'S RESULTS
Montreal 3, Toronto 1
New York 2, Chicago 2

16-4 Paul Doersom, center and Ted Griggs, forward.

"We will be in there all the way, fighting for the win. It looks like a close, tough scrap," Fowler commented.

Game time is 8 p.m. with junior varsity clubs meeting in a preliminary at 6:30 o'clock.

Valley Unveiling
PHS Tankers Test Hillites

Just what may be expected from the defending Saginaw Valley Conference swimming champion Arthur Hill team this winter will be revealed Friday afternoon in the Chief's pool.

Coach Robert (Des) Boyce still had not settled on his probable starters, outside of team captain, Dennis Simonson and Jim Cornforth. Same situation applied to Dave Gainey's club, except that Gainey hadn't got around to picking his experienced swimmers for their events. Meet time is 4 o'clock.

Lumberjacks are rated strong favorites. They have many of last year's fine individuals back in the swim, plus a lot of good material up from the reserves, including four top lettermen, Ernie Dewell, freestyler; captain Tom Bear, freestyler; fine freestyler Ron Myers and freestyler Chauncey Johnson. Gainey lost Art Manwell Hills.

Donkey Cage Game Set
Donkey basketball will be featured Friday night at Waterford High School with members of the faculty competing against the Waterford Police Department. Game time is 8:00 p.m. and it is sponsored by the Varsity Club.

Lions Fear Letdown Against Steelers

DETROIT (INS)—The Detroit Lions will be fighting against the powerful Chicago Bears, 42 to 10, to retake first place in the Western Division of the National Football League.

The Lions rose to enormous heights last week in humiliating game the Lions had played in his six seasons with the club.

However, the same Mr. Parker commented this week: "I'm really worried about the Pittsburgh game. We know they have a fine club and we must be ready if we hope to win."

CRASH LANDING AT OLYMPICS — The Russian tandem pair, foreground, and German cyclists, background, are sprawled out on the saucer track after colliding during a heat of the Olympic 2,000-meter tandem race at Melbourne this week. The three riders were taken to the hospital with bad bruises. Accident occurred when one of the cyclists hit the cement curb of the saucer-like stadium.

Pittsburgh game. We know they have a fine club and we must be ready if we hope to win."

Coach Walter Kiesling's Steelers drubbed the Los Angeles Rams 30 to 13 last week and should be more than ready for Detroit.

Pittsburgh's gridders probably still remember how they tangled with Detroit last season and were edged 31 to 28 when a Steeler pass play was halted on the one-foot line as the game ended.

Missing from the Lion squad Sunday will be halfback Jug Girard, who suffered a rib injury against the Bears.

It was Girard who threw a pass instead of kicking when he was back to punt on fourth down at one point in last week's massacre of the Bears.

Guard Jim Salisbury, who missed the Bear game with a shoulder injury, will return Sunday. Also due back is tackle Gil Mains, who has recovered from an ankle fracture.

The Steelers have three men who played their college ball in Michigan. They are quarterback Ted Marchbroda, the former University of Detroit passing ace; halfback Lou Baldauci of Michigan, and guard Marv McFadden of Michigan State.

While Detroit tussles with Pittsburgh, the Bears—only a half game behind the Lions—take on their intra-city rivals, the Chicago Cardinals.

If both the Lions and the Bears win Sunday, their return match in the windy city Dec. 16 will be the big showdown battle.

Russians Take Games' Lead

MELBOURNE (AP)—Russia once since 1912, Australia's Dave Thiele beat his favored teammate John Monckton and broke Monckton's Olympic record in 1:02.2, men's gymnastics, Greco-Roman wrestling, fencing and swimming while Uncle Sam's swimmers failed to win gold medals in three swimming finals.

The United States women's 400-meter relay team swam second to the speedy Australian quartet which set a new world's record of four minutes 17.1 seconds in the event.

Japan's Masaru Furukawa broke his own Olympic mark with a 2:36.1 winning performance in the men's 200-meter breaststroke final in which America had no finalist.

The United States could do no better than third in the men's 100-meter backstroke final, won by himself against Australia's Murray Rose and Japan's Takeshi Yamanaka in tomorrow's eight-man 500-meter freestyle final.

Breen broke Rose's record with a 17:52.9 performance in a heat after the young Australian had cracked the Olympic record by just beating the Japanese swimmer in another heat.

Two U.S. girls—Marley Shriver of Glendale, Calif., and Sylvia Ruuska of Berkeley, Calif.—will try to pick up points in the 400-meter freestyle final.

The Olympics end Saturday with the championship soccer game between Russia and Yugoslavia and the closing ceremonies. Tomorrow actually will be the last day of full competition.

Mrs. Pat McCormick, the Lakewood, Calif. housewife who is trying to repeat her 1932 success as a double diving champion, ranked fourth after the preliminary qualifying competition in platform diving. Mrs. McCormick already had won the springboard title.

Two Russian girls showed surprising ability in the platform event and ranked second and third behind Paula Jean Myers of Glendale, Calif. in the qualifying round of four dives. Mrs. Juno Irwin of Glendale, Calif. was fifth.

The women will conclude their competition for the gold medal tonight. Mrs. McCormick invariably shows her greatest strength in the final dives.

Raissa Gorokhovskaya and Tatiana Karakachians were the shapely Russian girls whose unexpected performance was likely to pick up a few points where they never had scored before.

Russia started to pile up its expected bundle of points in the men's gymnastic field where Albert Azarian won the rings competition with a spectacular voluntary exercise. Russia's Valentine Mouratov was second.

Another Russian point harvest began in the Greco-Roman wrestling.

The Tigers gave up pitchers Virgil Trucks, Ned Garver, and Bob Host plus first baseman Wayne Belardi.

The deal is the first one completed by the Tigers under their new ownership. But reports persisted at the Minor League meetings here that the club is still in a wheeling and dealing mood.

The Tigers want additional pitching strength and at least one more outfielder before the season opens. And they have expressed a willingness to part with catcher J. W. Porter, first baseman Earl Torgeson and possibly outfielder Bill Tuttle if the deal were big enough.

Ray Moore of Baltimore and Dean Stone, the Washington left-hander, are among the trade possibilities, according to sources close to the club.

It now appears doubtful, though, that the Tigers will swing anything more until at least next week, when the Major Leagues meet in Chicago. So far, no other Major deals have been completed at the Minor League sessions.

Quarterback Jim Harris, tackle Ed Gray and end John Bell signed yesterday. All-America halfback Tommy MacDonald and center Jerry Tubbs agreed Tuesday to play.

MIAMI (INS)—Five players from Oklahoma, mythical national collegiate football champion, now are signed for the North squad in the Shrine All-Star game Dec. 26 in Miami's Orange Bowl.

Quarterback Jim Harris, tackle Ed Gray and end John Bell signed yesterday. All-America halfback Tommy MacDonald and center Jerry Tubbs agreed Tuesday to play.

13 Cage Games Get TV Dates

CHICAGO (AP)—Thirteen basketball games involving big ten teams will be televised from Dec. 15 through March 9.

The series will be carried by Sports Network, Inc., and produced by Sports Programs, Inc. Stations carrying the games will be announced locally.

The schedule:
Dec. 15—Washington U. at Wisconsin; Dec. 22—Tulane at Ohio State; Dec. 29—UCLA at Indiana; Jan. 5—Michigan at Indiana; Jan. 12—Illinois at Wisconsin; Jan. 19—Minnesota at Northwestern; Jan. 26—Northwestern at Ohio State; Feb. 2—Indiana at Iowa; Feb. 9—Illinois at Michigan State; Feb. 16—Indiana at Northwestern; Feb. 23—Purdue at Illinois; Mar. 2—Minnesota at Illinois; Mar. 9—Wisconsin at Iowa.

steely-eyed Californian was head-hunting.

Summerlin withstood the heavy pounding much to the amazement of his shorter opponent and the 1,915 spectators who paid a gross gate of \$4,951 to see the televised and broadcast ABC, battle.

Machen was in command throughout the match as Judges Richie Fazio and Dick Albino scored it 7-3 for the winner and Referee Joe Palmer called it 6-4.

Fourth-ranked in the National Boxing Assn. listings, Machen said the victory was a birthday present to his wife Charlotte who celebrated her 25th birthday yesterday.

The Machen's live in Redding, Calif.

He said Summerlin "caught me with some good punches. He was the best fighter I've ever met."

"What I do next is up to my manager," Machen added.

Flaherty said "in some ways" his fighter had come along "too quick."

"We'll keep him working and be ready for the next step," Flaherty said, but would not discuss any future opponents.

There were no indications Flaherty would refuse the offer for his charge.

Machen's ability as a counter-puncher as displayed in last night's triumph, might make him a capable foe for the flurrying champion.

Although Machen failed to record his 15th knockout in winning 19 bouts, it wasn't because the

THE PONTIAC PRESS, THURSDAY, DECEMBER 6, 1936

Hungarians-Soviets Brawl at Olympics

MELBOURNE (INS) — Russian and Hungarian water polo teams engaged in a bloody brawl today, reddening the waters of Melbourne's hitherto spotless new Olympic pool in the first incident of violence between competitors in the 16th Olympiad.

The Hungarians won the water polo match, 4-0, but the Russians had the edge in the concurrent fight during which players of both teams used fists, elbows, knees and feet, hammering away while the crowd booed the Soviet players and the referee frantically and futilely waved his black and white penalty flag.

All types of foul tactics were used in the fight between the athletes of the two countries which had recently engaged in armed conflict during the Hungarian uprising.

The game ended in chaos as the

players shouted at each other and several Hungarian officials rushed to the side of the pool, and looked, for a moment, like they planned to dive in after the Russians.

Police and Olympic games officials swarmed over the agitated spectators and restored order.

A deafening roar of approval went up from the near-capacity crowd of 5,000 persons when an official announced over the public address system that Hungary had won.

Among the most excited spectators were the so-called "new Australians"—immigrants apparently of Hungarian or at least anti-Russian sympathies. They hissed and booed at the Soviet swimmers throughout the match.

The referee came in for his share of booing as the spectators tried to call his attention to the

numerous underwater kicking and punching duels going on.

The Hungarians scored three of their four goals while Russian players were in the penalty box for dirty tactics. Russia was penalized four times during the match and Hungary only once.

The brawling began in the first half of the contest by a tussle between Nodaf Gvakharis of Russia and Hungary's Antal Borvari. The boat went on for a full

minute—as the crowd howled—before the referee spotted the Russian betting the Hungarian in the teeth with an elbow. Gvakharis was thereupon sidelined for four minutes.

Another high point in the extra-curricular activity came toward the end of the game when Ervin Zador of Hungary and Valentine Prokopov of Russia started thrashing about like a pair of maddened sharks near the Russian goal.

Zador suddenly broke away and threw back his head, showing a face covered with blood.

He climbed out of the pool and sat on the edge of it as the crowd shook the steel rafters with its howling.

The battered Olympic team is undefeated in Olympic play and is favored to win the Gold Medal. Hungary has won the Olympic championship in the past three out of four Olympiads—in 1932, 1936 and 1952.

Heavy Schedule Friday

Prep 5's Shift Into High

Oakland County high school basketball shifts into high gear Friday night with virtually all prep teams in the area scheduled for action.

Only four schools — Avondale, Fitzgerald, Oxford and Royal Oak — wait until next week to start their 1936-37 schedules.

Seventeen area squads swing into action for the 1st time tomorrow night, joining a host of schools that have already tasted hardwood competition.

Lake Orion, Roseville, Madison and Troy are among those just beginning and they do it the hard way by squaring off against each other in Oakland B League play. Lake Orion invades Roseville and Madison visits Troy.

Milford and West Bloomfield also lift the lid with Wayne-Oakland Conference foes furnishing the initiation. Milford visits Clarkston while the Lakers entertain Brighton. Northville travels to Holly for another W-O encounter.

Rochester inaugurates a new year against arch-rival Romeo on the Bulldog court in tomorrow night's top attraction among the independents.

Twice-beaten Cranbrook provides the opposition for Birmingham's curtain-raiser on the Maple floor.

Southfield and Ferndale both get rolling in the Rainsplitter gym.

nasium while East Detroit, a strong Eastern Michigan League club, starts a fresh season against invading Van Dyke.

Berkley goes to Dearborn Fordson for its opening contest and Clawson gets under way with visiting Oak Park.

Other area teams starting out Friday are Royal Oak St. Mary, Center Line St. Clement, Millington and Port Huron.

Athletes Head for Home

MELBOURNE (INS) — One thousand athletes will have left the Olympic village by tomorrow night. Jamaica, Uganda, and Iceland teams, and parts of other teams already have departed.

As the teams leave, a bagpiper plays the Scottish lament "Will Ye No Come Back Again." The procedure also includes taking down the flag in front of team headquarters in the village and an address of farewell by the camp commandant.

Rules stipulate that one member of each official delegation must be present on the field of main stadium during the closing ceremony.

Shelley Tapes Own Interviews
MELBOURNE (INS) — Shelley Mamm of Arlington, Va. and Washington, D. C., gold medalist in the 100-meter butterfly, is one swimmer who doesn't dodge interviews. In fact, Shelley brought along her own tape recorder to get not only her own interviews but those of other Olympic champions.

"I'm taking back the recorder for American University where I am a student," Shelley said. "I'm interested in radio and television and I'm getting practice here."

Ehmann Sets Record as Navy Five Loses
KALAMAZOO (INS) — A former Northwestern University star, Frank Ehmann, set a Western Michigan fieldhouse scoring record with 36 points last night, but his Great Lakes Navy team lost 76-73 to Western.

Two fouls by Ehmann were converted by Western in the last 40 seconds to nail down the non-conference victory.

Sophomore Ed Blair topped Western shooters with 23 points. Jack Smith was close behind with 22.

Swaps Beats Nashua to Stake Horse Title

MIAMI BEACH (INS) — Swaps, which set five world records this year, was an easy winner over arch-rival Nashua for honors as stakes horse of the year.

The great California four-year-old colt was selected yesterday by the nation's top racing secretaries. Swaps received 25 votes to 10 for Nashua. The only others to get votes were Summer Tan, two, and Bardstown, one.

Swaps currently is recovering from a near fatal leg injury suffered Oct. 9 at Garden State Park.

Red Wings Recall Arbour

EDMONTON (INS) — Defenseman Al Arbour of the Edmonton Flyers of the Western Hockey League has been recalled by the parent Detroit Red Wings of the National Hockey League. An announcement yesterday said Detroit would send defenseman Larry Hillman down to the Flyers.

Old Champions Endorse Patterson

WASHINGTON (AP) — Floyd Patterson received a thumping endorsement as world's heavyweight champion today from the most savvy fight judges around — seven boxers who once wore crowns themselves.

From the fattened former heavyweight cinderella, James J. Braddock, to gray-haired Barney Ross, who'd never make his old welterweight limit, they agreed Patterson, 21, is worthy of the title.

But almost in the same breath a few added: Watch this Eddie Machen, the West Coast heavyweight who outpointed Johnny Summerlin last night for his 19th straight victory.

The old pros sized up Patterson in interviews while here to add lustre to a testimonial dinner for Goldie Ahearn, Washington fight promoter, which earned some \$3,000 for the Damon Runyon Cancer Fund.

Patterson belted out ancient Archie Moore in the fifth round last Friday night to become the

youngest heavyweight king in history. Here's what the graduates of the hard-punches school had to say about him:

Braddock, ex-heavyweight champ: "He will be around a long time. Wait till he puts on another 10 pounds. Patterson punches faster than Joe Louis but not as hard. But I would be afraid of this Machen."

Maxie Rosenbloom, ex-light heavyweight champ: "He still has a lot to learn, and I don't know what happened to Moore. But if Marciano made a comeback, and I think he may, he could hit on the arm and finish him. Nobody else could."

Bob Olin, Slapsie Maxie's successor: "He looked great beating Moore. He is the best there is today."

Gus Lesnevich, also an ex-light heavyweight champ: "A coming really great fighter. He can take a punch, he is fast and he can hit. What more?"

Billy Conn, another ex-light heavyweight titlist: "He's good. Machen

is the only one around who has a chance. The others can't fight."

Ross, ex-light and welterweight boss: "He will rule the roost a long time. It looked like you or I could have beaten Moore the other night, but Patterson did it right."

Tony Canzoneri, ex-feather and lightweight champ: "Really good. In a few years he will be very hard to beat. A heavyweight doesn't mature until he is 24 or 25. But Machen may be the best."

Low Teller, the great lightweight: "He reminds me of the old school. He is a knockout fighter now. Could anyone else beat him today? No."

Science in Fishing

Expert Uses a Mirror
to Find Best Places

DETROIT (AP) — Going ice fishing? Don't just chop that big hole anywhere. First get a hand mirror and find the fish.

This, says Percy Haver, an angler who has spent many a frigid hour gazing into an ice fishing hole, is the scientific thing to do and, after all, a fisherman might just as well go skilling nowadays if he's not scientific.

A hand mirror, says Haver, helps you locate the proper type of fishing spot.

And when you're fishing from a shanty on ice that's exceptionally thick and snow-covered, chop a second hole five to six feet from the outside of the shanty. This, says Haver, acts as a source of light under ice.

Nate Clark on AP Little All-America 11

NEW YORK (AP) — Four holdovers and a kid so popular with the home folks he recently drew 15 write-in votes for sheriff are among eleven seniors named to the Associated Press' Little All-America football team for 1956.

The lineup also includes the top passer among small college players, a fullback who averaged nearly nine yards a carry during a matchless four-year career, and an accompanying group of linemen averaging 6-3 and 215 pounds.

The repeaters from last year's Little All-America are end Charles Schultz of unbeaten, untied All-red; guard Steve Myhra of North Dakota, tackle Vince Vides of Drexel Tech, and Nate Clark, an all-purpose halfback for Hillsdale (Mich.).

With Clark in the backfield are Jimmy Stehlin of Brandeis, who led the Little schools in passing with

116 completions in 206 attempts for 1,155 yards; Bill Rhoades of Western (Colo.) State, who gained 327 yards in one game this fall, totalling 4,294 yards in his varsity career and averaged 8.49 yards per carry since his first game as a freshman four years ago; and Larry Houdek, Kansas Wesleyan's tailback who ran for 1,432 yards, led the nation in scoring with 114 points and pleased the folks around Salina so much 15 of them made him their write-in candidate for sheriff last month.

The remainder of the choice team includes end Milton Robichaux of Trinity (Tex.), 6-4 tackle Don Owens of Mississippi Southern, guard Bob Mitchell of the College of Puget Sound, and Center Bill Earp of Emory & Henry.

Named to the second team were ends Steve Junker, Xavier (Ohio);

Montreal Move Upward Starts

Canadiens Beat Toronto to Gain on Red Wings and Boston

By THE ASSOCIATED PRESS
After a slow start, the Montreal Canadiens have started making their move in the National Hockey League.

The defending champions whipped the Toronto Maple Leafs 3-1 last night to move within four points of the league-leading Boston Bruins and two of the second-place Detroit Red Wings, Detroit and Boston were tied.

The fourth-place New York Rangers gained ground on Toronto by tying the Chicago Black Hawks 2-2 on Parker MacDonald's third period goal.

Dickie Moore and Jean Beliveau put together second period goals to give the Canadiens their victory. Boom Boom Geoffrion picked up Montreal's first marker in the opening session and Ron Stewart came back to deadlock the score before the end of the session.

MacDonald's tally for New York came at 14:36 of the final period after Ed Litzenberger and Jack McIntyre had put the last-place Black Hawks in front.

The result gave New York 20 points, Toronto has 18 and Chicago 12.

Reds Tell Workers They're Well Off

MOSCOW (AP) — This was the 20th anniversary of the proclamation of the Soviet Union's Stalin constitution, and Soviet workers enjoyed one of their four national holidays of the year. Soviet newspapers told them they were much better off than they would be if they lived under the United States Constitution.

"Unlike the false and restricted democracy of the capitalist countries, which is democracy for the rich, Soviet Socialist democracy is democracy for the workers and people at large," said Pravda.

The newspaper Soviet Russia made the claim that the U.S. Congress does not include a "single industrial worker or farmer."

Duke Pays Visit to Sick Oarsman

MELBOURNE (AP) — When the Duke of Edinburgh visited Olympic village the athletes lined up in front of their quarters to greet him as he cruised by in his black open limousine.

Later a group from the American rowing squad visited their influenza ridden teammate, John Oke of Yale's victorious eight, in the hospital to tell him of the experience and how sorry they were he had to miss the fun.

"Oh, that's okay," said John. "The Duke came by the hospital and we had about a 10-minute chat. I shook hands with him and look, he gave me his autograph."

Final Call Issued for 'D' Managers

The final managers' meeting for Class D City League basketball teams is scheduled next Monday, Dec. 10, at 7:30 p.m. The meeting will be held in the Parks and Recreation Department office at City Hall, 35 S. Parke St.

There are 15 'D' teams now registered from which two leagues will be organized. Important items to be discussed include team classification, league play and schedule, rules, contracts and playoff procedures.

Teams that are not represented at this meeting will be omitted from the league.

Children Like Clothes as Gifts

Contrary to the popular belief, kids love to get clothes for Christmas. Not underwear, to be sure, but outer clothes, all wrapped up and brand new, suit them just fine. And they delight mother.

Many children get a new pair of mittens or mitten and muffler sets each Christmas and still greet the new set with joy. Clothes that kids like make gifts that keep the budget fluid without disappointing the children on Christmas morning.

What kinds of clothes do kids like to get?

Clothes like the kids' next door. This may mean that a gift of a pair of trousers will be a gift of cowboy pants rather than something more ordinary, but they cover the legs just as well.

Clothes that are colorful or have eye-appealing patterns.

This cuts out plain underwear or plain socks. It includes plaid sports shirts like Kayne's that both wear well and look grown-up.

Knitted shirts made of fabrics such as orlon come in appealing colors and are easy to wash. Full fashioned makes some.

Clothes to go with Mommy's or Daddy's are big fun for the kids. Apron sets for a little girl and her mother please both.

Some department stores have mother-and-daughter departments. Wool sweaters for daughter-mother or daddy-son combinations are also available, since many sweater size ranges go up and down with equal ease. Robert Bruce makes a pair: dad's is gray with red, black and white designs; son's is gray with rust, beige and white.

Jackets suit little boys, since they aren't as formal as overcoats and they're "what everyone's wearing."

One, in red nylon taffeta with white nylon rib knitting at cuffs, has a quilted lining and an emblem to match. It's by Golden Fleece.

Little kids enjoy any kind of gift, so long as it's wrapped. Suitable choices for such children can be made by consulting mother. A typically handsome pair for this age group, by Minnikin Togs, is in

corduroy—striped. The little girl gets a top with a drawstring and tapered black corduroy trousers.

The little boy gets an Italian shirt with horizontal stripes, and slacks that most children can use and enjoy.

suspenders are small clothing gifts that most children can use and enjoy.

Clipped for Clip Job

KALAMAZOO — A man came into Eugene Scott's barber shop and announced "Give me a good haircut or I'll hit you." After getting the clipping, the unidentified customer clipped Scott on the nose, saying "I've paid a lot of barbers in the same way for giving me a bum haircut." With that, he stalked out leaving Scott clutching his nose and the bag.

Congressmen were paid \$6 per day in the period from 1789 to 1815.

Traffic Hazard

PEORIA, Ill. — Police Patrolman William Helm is minus one front tooth because he blew his whistle at a lady driver. Trouble was, the lady driver was about to hit him. Getting out of the way, he bit his whistle too hard and broke a right front tooth in two places.

A dwelling fire occurs about once every 90 seconds somewhere in the U.S.
