## Students Preregister

New registration procedures are being introduced at OU for the 1973-74 fall term. The program will make it easier for students to register and to receive the courses they want and need, according to Lowell Ruggles, registrar.

Ruggles explained that by mid March both 1973 fall term course request forms and course schedules will be available to students in the Office of the Registrar.

Students will be able to indicate their preferred course schedule for the fall and they will return the forms to the University by early April. This will enable OU to see enrollment patterns developing in course areas and to react to student needs.

No students will be asked to pay for the 1973 fall term at this date. An invoice will be sent out later, probably in August, and students

## Alumni Drive Success

Oakland University's 1972 Alumni Association Fund Drive realized \$5,249 up from the previous high of \$3,715 collected in 1971, Elaine Petz, director of alumni relations, reported.

The funds were collected from 201 donors, Miss Petz said. The drive began in September and concluded Jan. 31. Funds do include proceeds of the annual Friends of Oakland Invitational Swimming Meet held at OU, Miss Petz said. The \$5,249 includes only cash in hand and additional funds may be received from outstanding pledges.

General designations for the funds include: \$1,000 to a newly established endowment fund; \$600 to support Alumni Association undergraduate research grants; \$500 to Kresge Library; \$300 to the short term student loan fund; \$300 for the grant fund for upperclass students; \$250 for alumni functions and communications; \$235 to the Department of Health, Physical Education and Athletics; \$200 to the Isaac Jones Scholarship Fund; and \$115 to Student Enterprise Theatre. Ensemble under the direction of Lyle Nordstrom, performs its popular Valentine's Day concert this Hall.

## Medieval Music Fete

Music written from 1200-1600 AD in France, England, Germany and Italy will be woven into a courtly and earthy program.

Pre-Victorian poets were unshyly explicit and their musical contemporaries happily worked their lyrics into songs and madrigals, some featured in this program.

The Ensemble, directed by Lyle Nordstrom, has always used a wide range of tone colors found in the instruments of those periods. Crumhorns, shawms, sackbuts, pandora and vielle are used, as well as recorders and lutes.

The Ensemble is a 14-member touring group selected from OU's larger early music program, the Collegium Musicum. Singers and instrumentalists will double on a number of different types of instruments.

The "American Realism Post-Pop" exhibition opens Sunday, Feb. 18 at 3:00 p.m. in the Meadow Brook Art Gallery.

## OU Recital Series Features Pianist Reyes

Acclaimed Uruguayan pianist Alberto Reyes, a 25-year-old Leventritt finalist, will make his Detroit debut Friday, Feb. 16, as artist for the Oakland University Recital Series. The 8:30 p.m. concert will be held in Varner Recital Hall.

Mr. Reyes, a prizewinning finalist in the prestigious Leventritt International Competition, will play selections from Haydn, Ginastera, Prokofiev and Liszt.

Mr. Reyes is a native of Montevideo, Uruguay, and has attained many honors in the musical world. He successfully competed in the Emma Feldman Competition in Philadelphia, the G. B. Dealey Awards in Dallas, and the Oakland (Calif.) Symphony Young Artists' Competition.

In 1969 he was a finalist in the Rio de Janeiro Competition in Brazil, and in 1971 he was a finalist in both the Fourth International Tchaikovsky Competition in Moscow and the famed 27th Leventritt Competition at Carnegie Hall.

The Leventritt International Competition was inaugurated in 1940 in memory of Edgar M. Leventritt for the purpose of launching and developing the careers of young musicians. Open to pianists and violinists between 17 and 28 years of age, the Leventritt competition compares in prestige with the Brussels' Queen Elisabeth and the Moscow Tchaikovsky.

Beginning his musical studies at the age of six, Reyes gave his first recital at eight, and at the age of 13 his debut with the Uruguayan Symphony Orchestra was acclaimed by the press. He came to the United States in 1966 to continue his studies with the famed American pianist, Sidney Foster, himself the first Leventritt winner twenty-three years ago.

Tickets for the 8:30 program are available at the Meadow Brook Box Office, Hudson's and Grinnell's. Individual tickets are \$4; students with identification cards are \$2. For ticket information, call 377-3300.
