Thousands More on Strike

Deo Gratias

A MOTHER'S GRATITUDE — Mrs. Addie Rigney, mother of missionary priest Father Harold D. Gigney, offers prayers of thanksgiving at Annunciata Roman Catholic Church in Chicago. She had just received official word that her son will be among the first 10 of 29 persons to be released by the Communist Chinese. (See story on page 21.)

Varied Weekend Weather Warms, Then Cools Area

The weatherman apparently tried to please everyone over the weekend—but probably failed to satisfy anyone.

In the past 48 hours, Pontiac area residents wilted in a 91-degree summer heat, shivered in 42-degree autumn weather and sought shelter during a brief electric storm.

Somewhat warmer weather was predicted for tomorrow, with the high expected to hit 70-74. Today's temperatures were to reach the high 60s, with tonight's low near 40.

Saturday's peak temperature reached 91, falling only two degrees below the 83-year record high recorded in 1897.

A brief storm disrupted electrical service in scattered areas Saturday evening and resulted in .18 inch of precipitation.

Sunday was clear and cool, with the mercury ranging from 50 to 69 degrees.

Oakland County escaped frost that blanketed some parts of the state last night, but the mercury dipped to a chilly 42 during the early morning hours. The downtown Pontiac reading was 47 at 8 a.m., rising to 67 at 1 p.m.

U.S.-Red China Confab Sets Off Bitter Anger

TAIPEI, Formosa (AP) — U.S.-Red China negotiations at Geneva have set off angry, bitter comment and worry here—the comment aimed at agreement already reached and the worry about what Nationalist Chinese fear might come.

The tenor of the comment is that the talks so far smack of appeasement, infringe on sovereignty of the Nationalist government and will hurt the friendly relations between Formosa and the United States.

$100 Million Link

Michigan Newsmen See Mackinac Bridge Project

(Newsmen recently were guests of the Mackinac Bridge Authority showing of the link joining Michigan's two peninsulas. Pontiac Press writer Joe Haas describes the project in the following article. Future stories will deal with more intimate facts about the bridge.)

By JOE HAAS
(Pontiac Press Staff Writer)

MACKINAW CITY — Chief Pontiac ruled the Straits of Mackinac.

It was a part of the realm of the great Indian chief during his reign in the 18th Century.

That domain extended from Lake Superior to the Gulf of Mexico and from the Appalachian Mountains to the Mississippi River.

He held his war councils on Apple Island in Orchard Lake, less than 10 miles from the city of the city that was to be named in his honor.

His power faded away when his conspiracy of 1763 failed, but his strategy in planning that event, which almost succeeded, made him a commanding character in history. Hence, 55 years later his name was given to the Pontiac settlement, in 1818

In view of these facts, it was fitting that the Pontiac Press be invited to send a representative to the recent "Newspaper Day" of the new Mackinac Bridge Authority.

A rainy day and high winds spoiled much of outdoor features that had been scheduled for the event, but the scribes were given an intimate look at what had been accomplished on the $100 million project which now is about even with its planned progress.

TO OPEN IN 1957

This schedule provides for the 4-lane bridge to be opened for traffic in 1957, and completed the following year. The toll charges are approximately the same as now in effect on the ferries.

In some repsects the Maciniac bridge will be larger than the Golden Gate bridge at San Francisco. Its overall length is much greater, being 26,195 feet with its approaches, the longest in the world.

The Golden Gate towers rise 746 feet above water. Those at Macki will rise 552 feet above water. They now are 300 feet high, and will be completed Nov. 1.

It is 4,000 feet between towers at Golden Gate, while at Mackinac it is 3,800 feet. The suspension between the cable anchorages at Mackinac is 8,614 feet, the longest in the world.

GIGANTIC FIGURES

Figures on the overall structure at Mackinac far exceed anything of the kind ever before attempted. They are so gigantic that comparison with objects about which a lay person has some knoledge is necessary in order for us to understandingly grasp their full significance.

For instance, the wire used in the suspension cables is not as large round as an ordnary lead pencil, its diameter being approximately one-fifth of an inch.

Thirteen thousand of these wires will be compacted into each of the 8,362-foot main sus-

Hearing Slated on Handicapped

Legislative Committee on Mental Defectives Meets Tuesday

The joint Senate-House interim committee studying problems of Michigan's mentally handicapped will hold hearings tomorrow in Lansing beginning at 10 a.m.

Included in those answering committee questions will be State Health Commissioner Dr. Albert E. Heustis, State Superintendent of Public Instruction Clair I. Taylor and Charles F. Wagg, director of the state mental health program.

The committee is attempting to gather information which may result in a special session of the Legislature next month to take emergency steps to provide more institutional space for care of mentally retarded, said Sen. William S. Broomfield (R-Royal Oak), a committee member.

"Permanent measures could then be formulated at the next regular session in January next year," said Broomfield.

The lawmaker said he will report on a survey of the Lapeer State Home and Training School "and make recommendations as to what should be done to bring it to standard.

"The facility must be expanded in order to carry the ever-increasing load."

Pontiac's State Rep. Leslie H. Hudson (D) is also a committee member.

City Gets Citation for Safety Record

The American Automobile Assn. will present a special citation for reducing traffic fatalities in 1954 to Pontiac at tomorrow night's City Commission meeting.

Pontiac's pedestrian death rate was only 1.4 per 10,000 population last year, compared to a national average for cities its size of 3.9, the AAA said.

The award will be presented by Robert Lewis, an AAA traffic-safety consultant, to City Manager Walter K. Willman.

Mom Goes to School

LANDIS, N.C. (AP)—Mrs. J. C. Beaver got lonely when her twin sons started school last year. So this year the 25-year-old mother has decided to go to school with them, finishing the last year of high school, which she had passed up to get married. Her husband okayed the idea.

Miss America, Sharon Ritchie Begins Reign

Colorado Coed Arrives With Parents on Visit to New York

FROM OUR WIRE SERVICES

NEW YORK — Sharon Kay Ritchie, the girl with the "perfect figure," paid New York a royal visit today as she launched her one-year reign as Miss America, the nation's beauty queen.

* * *

The auburn-haired, 18-year-old Denver co-ed arrived at the hotel Waldorf-Astoria with her parents, Mr. and Mrs. Forrest A. Ritchie. She was wearing a black knit dress, a black sailor hat, and white gloves.

The second red-haired beauty to win the title of the 30-year history of the Atlantic City pagenat, Miss

(See picture on page 2.)

Ritchie stands 5 feet 6, weighs 116, and has a 35-inch bust, 23-inch waist and 34-inch hips—what fashion experts call the perfect measurements.

The almond-eyed college girl, whose sister was a second runner-up in the Miss United States competition last year, said the girl who keep calm, cool and collected is the one who wins the coveted crown.

"There's no use getting fussed," she said. "If you look for the best, you'll receive the best. If you think success, then success will come to you."

Until she won the crown over 48 other beauties Saturday night, Sharon had some ideas about entering the fashion field.

But Sharon has now decided to fulfill "my greatest dream"—an acting career. Before the year is up, she would win some $70,000 in cash and a small fortune in prizes.

As for boy friends, the bue-eyed queen said: "I'm not engaged and I have no attachments."

She also confessed she's considered a good cook, with fudge cake her specialty.

A sophomore at Colorado Women's College, she said she had her eye on the Miss America title since she was 8.

* * *

Sharon gained the crown from her Miss America predecessor, Lee Ann Meriwether of San Francisco.

Second spot honors in the Miss America 1956 race went to Miss Oregon, Dorothy Mae Johnson of Portland. Florence Gallagher, Miss Chicago, placed third.

Quake Rocks Egypt, Two Schools Crumble

CAIRO, Egypt (AP)—An earthquake shook the Nile Delta today. At least 16 persons died, including eight children crushed to death in a panic at a girls school here.

* * *

Reports trickling in from other parts of the Delta boosted the number of injured to 26. An interior ministry communique said everything was back to normal at mid-afternoon and that public assistance services had gone into operation.

Eight houses and two school buildings, located in various parts of the city, were reported officially to have collapsed.

Goldman Leads Walker Cupper in First Match

RICHMOND, Va. (AP) — David (Spec) Goldman, veteran Dallas golfer who was runnerup in the 1934 championship, led Walker Cup captain Bill Campbell of Huntington, W. Va., 1 up at the nine hole turn in their 1st round match in the 55th U. S. Amateur Golf championship today.

Second player to tee off at James River course of the County Club of Virginia, Goldman shot the front nine in 39, four over par to take the lead at the ninth hole where Campbell took a bogey six.

Another Campbell, tow-headed Joe of Anderson, Ind., holder of the national collegiate championship, shot the best golf of the early starters on a cool, sunny day. Joe shot an even par 35 on the front nine of the 6,713-yard James River course to lead William P. Haviland, erratic young Towson, Md., player, three up at the turn.

In another early match, 1949 Charley Coe Oohampio c champion Charley Coe of Oklahoma City trailed Jake Howard Jr., of Augusta, Ga., by one hole at the end of the first nine.

6-County Panel to Talk Roads

Supervisors' Committee Will Meet Thursday at Redford

A group of road experts will discuss highway problems in a six-county area including Oakland at Thursday's meeting of the Supervisors Inter-County Committee at 10 a.m. in Huck's Redford Inn, Redford.

The inter-county group's road committee, headed by West Bloomfield Township Supervisor Riland M. Thatcher, has arranged the meeting particularly to investigate implications and effects of the recently completed Detroit metropolitan area traffic study.

Speakers will include J. Douglas Carroll, director of the Detroit area study and his assistant, Arthur T. Row; Howard Bacon, of the State Highway Department's traffic and safety division and N. E. MacDougall, senior highway engineer for the Federal Bureau of Public Roads.

The group's water committee, chaired by Royal Oak Mayor Howard K. Kelley, will meet during the morning to consider two proposals for providing this area with a water pipeline from Lake Huron.

The Lafayette Engineering Co., of Drayton Plains, has proposed a 55 to 65-mile pipeline to provide 1,600,000,000 gallons of water daily. It claims to have financial commitments for the $190,000,000 needed to build the system.

Port Huron officials have suggested a setup whereby that city would bring a pipeline to its limits and other communities could pick it up from there.

Lightning Knocks Knots

JACKSONVILLE, Fla. (AP)—Mrs. A. Y. Smith's pride and joy was the knotty cypress wood ceiling in the living room of her home. Lightning struck the house yesterday, knocking every knot out of the ceiling but doing little damage otherwise.

Walkouts Hit N.Y. Port, 28 Westinghouse Plants

5-Hour Dock Truce Ends as ILA Charges Doublecross by Waterfront Commission

By THE ASSOCIATED PRESS

A dockworkers strike continued to tie up the Port of New York today and 43,000 employes struck 28 Westinghouse Electric Corp. plants throughout the country.

New York City's labor troubles spread as the result of a slowdown by union trainmen on the Long Island Railroad, busiest commuter line in the nation. The slowdown, police said, left stations jammed as trains ran as much as 90 minutes late.

The crippling waterfront strike, costing the city an estimated one million dollars daily, had been called off briefly last night. But the International Longshoremen's Assn. withdrew early today a recommendation that its members return to work.

The ILA's long standing dispute with the New York Waterfront Commission brought on the strike six days ago. A reported promise that the union's claimed grievances against the commission would receive a hearing before the Joint Legislative Committee on Industrial and Labor Conditions prompted union action.

On the basis of that report, said Patrick J. Connolly, ILA vice president, a back to work order was issued. It lasted five hours.

Hopes of ending the strike fell through when the commission chairman, Assemblyman John Ostrander, said in Schenectady he had made no such agreement.

Connolly charged the union had been "doublecrossed" and rescinded his back-to-work recommendation. Even so, union officials said dockworkers may return to return to their jobs anyway.

At Pittsburgh, the CIO International Union of Electrical Workers ordered the walkout of Westinghouse workers to begin on schedule. It came only a few hours after the company announced James B. Carey, union president, had "initialed an agreement" to end a five-week strike at the East Pittsburgh plant "and cancel a threatened national strike."

* * *

There was no indication whether Westinghouse's 30 other plants, employing about 70,000 workers, would be affected. These employes are affiliated with other unions.

The slowdown on the Long Island commuter system came in the midst of mediation efforts to settle a dispute over union demands for higher pay, shorter work days, improved working conditions, fringe benefits and settlement of 250 longstanding grievances.

Truman Cancels Talk

LOS ANGELES (AP)—Former President Harry S. Truman won't be able to be present, but southern California Democrats are going ahead with their $100-a-plate fund-raising dinner here Thursday night. Gov. George M. Leader of Pennsylvania will substitute for Truman. The former President canceled his trip to California on orders of his doctor to curtail his activities.

Lost Detroit Boy Found by Police

Discovered on East Side After City-Wide Search by Volunteers-Army

DETROIT (AP) — Police Saturday found 12-year-old Edward Strisar walking along an east side street. He had been the object of a widespread search since he disappeared Friday afternoon.

The boy was found near a gasoline station in Clinton Township about 10 miles from his home. The attendant at the station called the boy's father, Andrew J. Strisar.

The station is at 16 Mile road and Groesbeck. The boy had been hunted since he disappeared after leaving his home at 4 p. m. Friday for football practice. He failed to show up at the playfield.

Some 125 police and soldiers, aided by scores of neighborhood volunteers, had been combing the area in a search near the boy's home.

Teams of detectives were sent to tour the Michigan State Fair grounds some five miles from the boy's home on the chance he might have hitchhiked there to see the sights.

Neighbor youngsters said Edward liked to "wander around." One report said he had been seen at 7 p. m. on a street a mile from his home.

Some 60 policemen, aided by 25 volunteers from the 99th Anti-Aircraft Artillery Base in the neighborhood, scoured streets and alleys in the area. It is about a mile from where 7-year-old Barbara Gaca was abducted and slain March 24.

County WAF Dies in Nebraska Crash

BELLEVUE, Neb. (AP) — Janice Albright, 22, of 30550 Palmer, Madison Heights, Oakland County, a WAF stationed at Offutt Air Force Base, was killed last night when the car in which she was riding overturned, pinning her underneath.

State Patrolman Norman Peterson said James L. Marchand, 21, Bellevue, driver of the car, told him he was blinded by the lights of an approaching car.

C. E. Wilson Enjoying 'First Real Vacation' at Long Lake Road Home

By HAROLD A. FITZGERALD
Pontiac Press Publisher

Enjoying the first real vacation of his life, Secretary of Defense C. E. Wilson is lounging around his home on Long Lake road for ten days or two weeks.

"I was up north for a short time," he said, "and I think this constitutes the biggest rest I have had since I first started to work."

Mr. Wilson asserts that he is especially happy over the way the nation is accepting Dwight D. Eisenhower as President. "The post of Secretary of Defense never had any part in my personal plans," he said, "and when the post was offered to me it came as a complete surprise.

* * *

"However, my admiration and respect for the President was such that I gave it earnest thought and finally went to Washington, resigning my place with General Motors where I had been very happy and where I knew the set-up intimately. Now as I look back upon my three years' association with the administration, I am glad to report that the man has proved to be even greater than I originally believed.

* * *

"The nation is accepting President Eisenhower readily on all sides. We see daily evidence that his popularity with all types of people has increased steadily since election. His sincerity, capacity and ability stand out through everything he has done. The nation is blessed with a leader of great personal honor and one who is close to the average man and who is sympathetic with his problems."

* * *

Incidentally, it cost Mr. Wilson several million dollars when he resigned from General Motors for his large block of stock would have appreciated this amount had he not been compelled to sell. Also, he accepted an annual salary of $22,500 in Washington as against a total of approximately $600,000 from General Motors with bonuses.

* * *

"I am pleased with Wilber M. Brucker as Secretary of the Army," says Wilson. "We had an excellent opportunity to observe him at close range in Washington and when this opportunity presented itself, I was happy to recommend him for the important post. He has gone forward well. Secretary Brucker had wide experience in Michigan with his well-known law firm and, of course, he was grounded in governmental affairs through his training as Governor of the State. He gets along splendidly with his associates, understands the complex problems and is making a favorable impression. No one pushes him around. He occupies a post of great responsibility and I am happy to report to the people of his home state that he is making good. Army affairs are in competent hands."

* * *

Secretary Wilson spent a few days at the Wilson cottage at Walloon Lake and then returned to his Oakland County home. Asked where his permanent residence would be when the Washington assignment was completed, he replied "right here." Recently he purchased a plantation in Louisiana and some people interpreted that as a possible move from Michigan, but the Secretary waved it off.

"This is my home. Five of my six children live around here with their respective husbands and wives and our grandchildren and this is where Mrs. Wilson and I propose to stay. Oh, we'll go down to Louisiana for three months or so a year, but any time I 'head home,' it means Oakland County."

"Do you intend to follow up your activity in cattle raising?" he was asked.

"I certainly do," he answered. "I'm interested in this cross breeding and I'm going to stick with it."

Now we were outdoors looking across the lake. "That gave me the only other extended 'time off,' I ever had," he smiled. "I broke a hip ice skating and was away from General Motors for a spell, but that didn't classify as a vacation."

C. E. WILSON: "It's good to be home."

He stretched and looked around.

"It's nice to relax. They tell me a flock of wild geese came in last night and held a long pow-wow right here on my lawn. Good. This is my home. The geese are welcome. My office is in the District of Columbia but my heart is right here in Oakland County when the job is done."

* * *

"One of the joys of being here now," he said, "is the fact I don't get cross questioned all the time by those who have some sort of an iron in the fire. I went to the State Fair and spent several hours with the cattle and the cattle people without a mention of world affairs. In fact, I was finishing up and sitting quietly on a bale of hay when a reporter and photographer from the Detroit News came up and asked for a picture." And so he was snapped with a cow instead of a visiting potentate or international bigwig.

Oakland County is contributing a great man to a great cause. The nation is blessed with the services of one of the top manufacturers and shrewdest business men the world has known.

Navy Board Debates Landy Commission

NEW YORK (AP)—A special Navy board today pondered the question of a Naval Reserve commission for Eugene Landy, who was turned down before, despite naval honors at college, because his mother was once a Communist.

The board yesterday finished secret hearings on the case at which Landy, 21, and his attorney were present. Completion of the hearings was announced by Rear Adm. K. M. McManes.

CHICAGO (AP)—Among the articles displayed for auction as unclaimed merchandise at the Chicago post office today are 30 pounds of feathers, 50 pounds of lovebird seed and 60 Liberace charm bracelets.

Claim Red Chief Desires Trade

Khrushchev Tells Visitor Senators U. S.-Soviet Relations Possible

MOSCOW (AP) — Sen. Young (R-ND) said today Communist party chief Nikita Khrushchev told a group of visiting senators U. S.-Soviet trade relations are "not only possible but desirable."

* * *

Khrushchev made his statement at an unprecedented reception for the American legislators at the Kremlin, where he and Premier Nikolai Bulganin were their hosts.

The senators who met with the Soviet leaders were Kefauver (D-Tenn), Dworshak (R-Idaho), Frear (D-Del), Malone (R-Nev) and Young.

The five yesterday were permitted to see the new Soviet atomic power station near Moscow.

* * *

Kefauver said "They have built a good reactor. It's a modern plant. I have seen the installations at Oak Ridge and his compares favorably. The hardware is not as good and the equipment is not as modern as ours, but it is all there."

Frear said the plant is a good one but could not compare with "our Savannah River Installations."

'ROYALTY' RELAXES — The new "Queen" — "Miss America of 1956" — rests on her trophy today after a grueling week of posing, parading and publicity. The new queen — Miss Sharon Kay Ritchie of Denver, Colorado — won over 48 other beauties at the annual Atlantic City (NJ) Miss America Pageant.

Plan Discussion on Farm Study

County Plan Commission Agriculture Group Sets Meeting Wednesday

The Oakland County Plan Commission will meet with the Supervisors' Agricultural Committee Wednesday to discuss a proposed study of farming areas in the county.

* * *

The meeting is scheduled for 1 p. m. on the fifth floor of the County Office Building at 1 Lafayette St., according to Commission Chairman J. Robert F. Swanson.

The survey would aim at determining present and future effects of rapid industrial, commercial and residential development on local farming areas.

The plan was outlined to Michigan State University officials Sept. 8, who tentatively agreed to join in the study.

The project hinges on whether some $6,000 can be allocated from county funds to finance it.

* * *

Plan Commission Director George N. Skrubb is meeting with the Supervisors' Ways and Means Committee today to consider changes of financing the plan. If money appears available, another meeting with MSU will be scheduled this week or next, said Skrubb.

Germans Find Drink Too Stiff for Khrushchev

MOSCOW (AP)—The Germans have finally found a drink that's too strong for Russia's convivial Nikita Khrushchev. It's cherry brandy produced in Germany's Black Forest region.

At Chancellor Konrad Adenauer's lavish luncheon for Soviet leaders Sunday, the Soviet Communist party secretary took a gulp of the stuff, known as Kirschwasser.

A member of the German delegation said Khrushchev choked and spluttered, "this stuff is for oxen. I never in my life drank anything that burned my throat so much."

Faure Facing Foes on Moor Proposal

PARIS (AP)—Premier Edgar Faure today tackled the most potent political opposition at home to his new deal for Morocco.

* * *

President Rene Coty summoned the full Cabinet to pass on the home rule agreement worked out with the pro-nationalist former Sultan, Mohammed Ben Youssef.

Across the Mediterranean, the North African protectorate tensely awaited the outcome. The French showered the Arab quarters of the chief cities with leaflets, bluntly warning that they would permit no repetition of the uprising Aug. 20-21 in which more than 1,000 died.

* * *

Heavy detachments of troops patrolled Casablanca and other major cities to counter any violence that might be touched off by one nationalist group's call for a general strike.

Faure was determined to get Cabinet approval for his Moroccan settlement today, the target date he assigned himself a month ago. However, some right-wing cabinet ministers were expected to oppose at least some portions of the accord.

pension cables which will carry the center span.

Each of these cables will be 24 inches in diameter, and the total weight of the two cables will be 23 million pounds. The total length of the wire in them will be 41,000 miles, enough to circle the earth at the equator, with 16,000 miles left over. The work of spinning the cables soon will be under way.

At each end these cables will be embedded in 85,000 cubic yards of concerete, a solid mass that is approximately the size of the Pontiac State Bank Building. This holds up the center span.

SOLID ROCK FOUNDATION

The approaching spans are supported by 33 foundations of varying heights above water, increasing as they near the middle span. All of these are set on solid rock in the bottom of the straits, some at a depth of around 200 feet below water level. The foundation of each of the suspension towers is on solid rock at a depth of 200 feet below water level.

In the bridge will be 75,000 tons of structural steel, mostly in the superstructure, and furnished and erected by the American Bridge Division of United States Steel Corporation.

The sub-structure, done by Merritt-Chapman and Scott Corporation, now is 75 per cent completed.

The total eight of all materials going into the bridge exceeds one million tons, three quarters of which is under water. Some of the depth work was the greatest on any bridge construction in the entire world.

Funeral Service Held for Famed State Editor

GRAND RAPIDS (AP) — Funeral services were held today for Allen K. Moore, 85, editor of the Michigan Times here and long-time Michigan newsman. He died Saturday.

Moore entered newspaper work in Grand Rapids in his early 20's. He subsequently was editor of the old Marquette Evening Chronicle, operator of a printing company and field secretary of the Michigan Chamber of Commerce.

In addition to being the world's Motor Capital, Detroit is also the salt center of the U.S. It also has some of the country's largest drug and rubber manufacturing plants.

Pontiac Deaths

Donald Black

Donald Black, 21, of 334 Huron St., died Saturday in Pontiac General Hospital from injuries received in an automobile accident.

Born in September 1934, he was the son of Samuel and Lula Lane Black.

Mr. Black had been a resident of the city for two years and was employed by the Fisher Body Plant.

Surviving besides his mother are two sisters, Mrs. Ruby Tolley of Chicago and Mrs. Mary Rice of Carrier Mills, Ill. and three brothers; Floyd of Harrisburg, Ill., Edson and Edward of Pontiac.

The body was taken from the Huntoon Funeral Home to the Turner Funeral Home in Harrisburg.

Glenn E. Marshall

Glenn E. Marshall, 68, of 10240 Mary Lee, Milford, died yesterday in Pontiac General Hospital after an illness of two hours.

He married Hazel Vollans in Romeo, Michigan July 7, 1945 and came to Milford from Detroit.

Surviving besides his widow are two daughters in Ashland, Ohio, two brothers in Detroit and two sisters in Ashland, Ohio.

Funeral will be at 10:30 a.m. Wednesday from the Donelson-Johns Funeral Home. Cremation will follow in White Chapel Cemetery.

Sylvia Stenberg

Service was held this morning from the Huntoon Funeral Home for Sylvia Stenberg, 39, of 3441 Dodds Ct. Burial followed in the Oak Hill Cemetery. She died in Pontiac General Hospital, Saturday.

Born in Newberry, Michigan, January 16, 1916, she was the daughter of Joe and Lillian DeGyne Burke. She had been a resident of the city for 14 years.

Surviving are two sons: Phillip of Muskegon and Anthony of the United States Navy.

Janette E. Verway

Born August 9, 1890, in Grand Haven, Michigan, she was the daughter of Martin and Elizabeth Valgooyen VanDoorne. Mrs. Verway married Leon Verway November 19, 1910, in Grand Haven and had lived in Pontiac for 27 years.

Surviving besides her husband are four daughters; Mrs. Russell Perkins, Mrs. Frank O'Brien, Mrs. Russell Lehigh, Mrs. Charles Deering all of Pontiac, five sons; Richard H., Leon E., Charles C. of Pontiac, Leslie M. of Lansing, Robert D. of Battle Creek, 28 grandchildren and one great-grandchild.

Funeral will be at 2 p.m. Tuesday from the Oakland Ave. United Presbyterian Church with burial in Perry Mt. Park Cemetery. The body may be viewed at the Sparks-griffin Chapel until noon tomorrow.

Collie E. Worley

Service will be held Thursday at 1:30 p.m. from the Huntoon Funeral Home for Collie E. Worley, 50, of 817 St. Clair. Burial will follow in Perry Mt. Park Cemetery. Mr. Worley died suddenly in Pontiac General Hospital, Saturday.

Born in Dyer Station, Tennessee, he was the son of James Worley. He married Helen VanHorn in Bowling Green, July 8, 1950 and had been a resident of the city for eight years. Mr. Worley was formerly employed by the Pontiac Motor Division.

Surviving besides his widow are three brothers and one sister; James of Pontiac Twp., Joseph of Germany, Alfred of Arkansas and Mrs. Faye Keller of Illinois.

Examination of Dye Postponed 1 Week

The examination of former Fenton Village attorney Clifford Dye on an assault-with-intent-to-murder charge has been postponed from Sept. 22 to Sept. 29, Springfield Justice Emmett J. Leib said today.

The hearing is slated for 2 p.m. in Oakland County Probate Court. It was delayed on request of the defense attorney, said Leib.

Dye, 53, is accused of shooting Fenton tenant farmer William C. Clerk, 27, following an argument Aug. 26.

'Alter Ego' Team Wins Orchard Lake 'Derby'

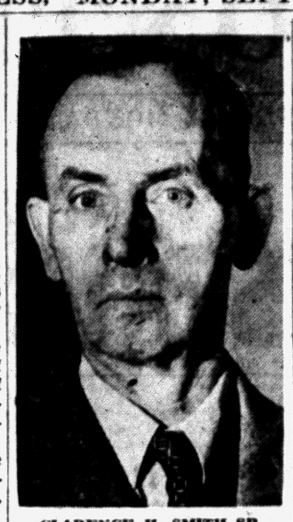

Alter Ego, the golf foursome consisting of Pete Whitelaw, A. S. McCall, Vic Armstrong and Clara Van Winkle, won the annual handicap best-ball Derby Day tournament Sunday at Orchard Lake Country Club.

Winning team fired a low net of 57 over the 18-hole route to edge Harriet's Happy Hackers by one stroke. Runnerup team was comprised of L. Hobart, Al Joslyn, J. P. Emmett and Harriet Alexander.

Three teams tied for 3rd place with 59's. Forty teams, each made up of three men and a woman, competed in the Derby, which completed the summer golfing calendar.

Seek to Raise Funds

Disabled American Veterans will hold their annual Forget-Me-Not sales Friday and Saturday throughout Oakland County. Proceeds from the drive will go to aid disabled veterans and their families, according to drive chairman George Smith.

CLARENCE H. SMITH SR.

Former Postal Official Dies

Clarence H. Smith Sr., Assistant Postmaster for Years, Succumbs at 71

Clarence H. Smith Sr., a Pontiac civic leader and assistant postmaster for many years until his retirement in August, 1954, died Saturday at Pontiac General Hospital at the age of 71. He had been ill five months.

Until his retirement, Mr. Smith had served under nine different postmasters. He had been with the postal service for 45 years.

A member of Bethany Baptist Church, he was also affiliated with the Metropolitan Club, the Civitan Club and the National Association of Postoffice Supervisors.

Mr. Smith was born at West Branch Aug. 21, 1884, and had lived 53 years in Pontiac. He was the son of John H. and Judith Cleveland Smith.

He leaves his widow, Iva; four sons, Clarence Jr., Hugh, Clyde, James, all of Pontiac; a sister, Mrs. Kathryn Coleman of Pontiac, and eight grandchildren.

Pallbearers will be Elmer Stoltenberg, Earl Eddy, Evi Allen, Claude Evans, Claud Coons and Leslie H. Dean Sr.

Mother to Answer in Heiress' Death

PHILADELPHIA (AP)—Dist. Atty. Samuel Dash says he has new evidence that will help fix responsibility for the death of Mrs. Doris Silver Ostreicher, whose mother answers today to charges that she was involved in a criminal abortion that caused the death.

Dash said last night the new evidence was contained in a preliminary report by New York pathologists who have been studying tissues and vital organs of the beautiful 22-year-old Food Fair stores heiress.

Dash would not indicate the nature of the new information. But he said previously that pathologists would attempt to set the exact time that the girl died on the night of Aug. 24 while with her mother in the North Philadelphia home of Mr. and Mrs. Milton Schwartz.

Mrs. Silver is the only one charged by Dash in the investigation. She is accused specifically with conspiracy and with being an accessory before the fact of an abortion.

Detectives Investigating Carrier Company Theft

Pontiac Police detectives are investigating the theft of $750 from the Fleet Carrier Corp. at 586 E. South Blvd.

Donald Bronston, personnel manager of the company, told police the money was taken last month from an unlocked drawer in the dispatchers office.

The missing money was not reported to police until Saturday when the shortage was discovered.

The Day in Birmingham

Lawmakers Meet Tonight on Parking Assessment

BIRMINGHAM—This is the night which downtown business property owners have been waiting for—the night when the City Commision, by probable confirmation of the assessment roll for Municipal Parking Lot No. 1, sets the pace for two other parking lot assessments.

Approval of the formula used to derive these assessments will bring speedy action on assessing for the second off-street parking lot the commission has in mind, the northern end of the block south of Shain Park.

The same formula will be the pattern followed for a third lot in the northeast business section.

Lawmakers will also discuss the paving of Lincoln avenue from Eton road to the city's eastern boundary, signs and dedications for city parks, the hiring of a planning consultant and the zoning ordinance amendment procedure.

Half-day sessions for fifth and sixth grade Holy Name School students have been canceled for a new arrangement which also provides an enrollment increase of 100 students, raising the total to about 800, it has been announced by Mother Mary Praxedes, principal.

Under the new schedule half of each grade will attend classes for one hour while the other half has a study period, and vice-versa throughout the day. The move also necessitates the use of a sixth school bus, said Walter J. Cronin, bus committee chairman.

* * *

In honor of American National Red Cross Day, the Exchange Club will honor the occasion as it resumes fall luncheon meetings at noon tomorrow at the Community House.

Speaker will be the Rev. William C. Hamm, chairman of the Oakland County Red Cross chapter, who will speak on "National Flood Emergencies," relevant to President Eisenhower's recent proclamation.

Their first fall meeting will be held by members of the Congregational Church Women's Fellowship at 1 p.m. tomorrow. Hostesses will be Circle 2 members. Nursery service will be provided.

* * *

Men of the YMCA will entertain their wives and fellow members tonight and welcome back Edwin Kirbert, YMCA execlutive secretary, and Mrs. Kirbert, from the international convention of Y's Men held in Philadelphia.

Plans will be completed for trophies the club will receive in Lansing, Sept. 25 for being the outstanding club in the state during 1954. Men between the ages of 21 and 45 are eligible for membership.

Entry through a second floor window of the Leonard Building, 160 West Maple, sometime over the weekend, netted thieves nine concrete drills worth $51, plus miscellaneous tools and other equipment.

The breakin was reported to police by Chissus Construction Company, doing remodeling work in the building which Kay Baum, Inc., will move to in the spring.

Mrs. Bertha Carr

Funeral service for Mrs. Bertha Carr, 79, an organizer of the Detroit Parent-Teacher Assn., will be at 1 p.m. Wednesday from Bell Chapel of the William R. Hamilton Co. Burial will be in White Chapel Memorial Cemetery. She died Saturday.

Mrs. Carr had lived in Beulah since her retirement in 1945, after serving 25 years as a Detroit school teacher.

She is survived by two daughters, Mrs. Theodore Schwarz of Birmingham, Mrs. John R. Carroll of Detroit; one brother, the Rev. Henry H. Clement of Washington, D. C.; four grandchildren, and three great-grandchildren.

* * *

Mrs. Dusan Stefanov

Funeral service for Mrs. Dusan (Lucy) Stefanov, 82, 2579 Pembroke Rd., will be at 2 p.m. Tuesday from Manley Bailey Home, with burial in White Chapel Memorial Cemetery. She died Saturday at the Pontiac General Hospital.

Besides her husband she leaves two daughters, Mrs. Ann Boskov and Mrs. William Ritchey, both of Birmingham; and three sons, Donald, Steve, and Joe, all of Akron, Ohio.

Adams Is Guest Speaker

Pontiac Attorney Clark J. Adams, who will begin duties as Oakland County's fourth circuit judge next January, will be a guest speaker Thursday at the annual meeting of the Michigan State Bar in Detroit.

Episcopalians Plan Big Budget

Delegates in Honolulu List Missionary Work for Record Funds

HONOLULU (AP)—Delegates to the Protestant Episcopal 58th General Convention met today to consider the largest budget in the church's history.

* * *

The eight-million-dollar budget compares with budgets of nearly six million for three previous years.

An expanded missionary program at home and abroad accounts for most of the increase.

A joint session of bishops, deputies act on the budget. Church officials predict it will be approved.

The budget was presented by the Rt. Rev. Charles Carpenter, bishop of Alabama and chairman of the Budget Committee.

* * *

The House of Deputies will consider today the site for the next convention in 1958, with New York and Miami bidding.

"Sentiment points to New York if only to avoid holding two consecutive beach conventions," one veteran deputy said.

Church officials also will consider creation of a committee to survey convention sites three months before the 1958 convention. The purpose would be to avoid a last minute selection such as occurred this year.

* * *

Two more important issues may be settled before the convention ends Thursday:

1. Changes in the marriage canons.

2. Status of clergy in the Church of South India.

Coke-Bottle Fusilage Speeds Up Aircraft

WASHINGTON (AP)—The National Advisory Committee for Aeronautics says a 25 per cent increase has been achieved in the speed of a plane through and beyond the speed of sound by changing the shape of the fuselage.

The fuselage is made smaller at the point where the wings are attached. NACA said this produces the airplane shape known variously as coke bottle, wasp waist and "Marilyn Monroe."

Invented by Richard T. Whitcomb, a 34-year-old NACA scientist, the design already is in use in two supersonic airplanes.

Elephants Can Step on Her—but Men Can't

By PHYLLIS BATTELLE

NEW YORK (INS)—In case any bitter woman would like to know what to do about her disloyal, unsympathetic, hard-hearted man, the answer is right here:

Trade him in on an elephant.

* * *

This advice comes from Miss Evelyn Currie, a carnival barker who has had her share of evenings out with all kinds of beasts, four-legged and two-legged. After nearly 30 years of it, there is not a man alive who can step on the toes of the fearless, flossy Evelyn. But elephants do it regularly.

"Not only on the toes," she says, "but on the face. And I can tell ya it doesn't hurt to be stepped on by an elephant. But a man . . . giggy!"

The word "giggy" is carny (for carnival) lingo for "a trouble-maker," and while a giggy is more exciting, perhaps than an elephant, he is not so faithful, friendly or malleable. Or, to put the distinction between man and elephant more plainly, "an elephant can be trained."

* * *

Miss Currie, who is fearless and flamboyant in a sweet-smiled way, began learning these facts of life at the age of 6 when her mother, a Cherokee Indian who floated with ease from a tent-show trapeze, taught her to toe-dance on an elephant's back.

A LITTLE BRUISED

Evelyn liked that "pretty good" but she sort of craved danger, so two years later she began reclining in sawdust while elephants pawed her face.

"I got a little bruised," she says, but it doesn't show. She has a pretty face with no black and blue on it, except a touch of sky in the eyes. Her hair is pale orange and her figure, if stepped on by hoofs, has been squashed in all the better places.

"Then I grew up to be 13, and I decided to live it up." She went into "little rag-bag outfits" and started being a barker for concessions (although she has never, to this day, given up doormatting for elephants.

Today she is one of the most successful amusement park barkers in the land; currently she is calling for six games of the darts, skeetshoot, hit-the-milk-bottle tradition at Rockaways' "Playland" near Coney Island.

* * *

"It's okay," she says, crinkling her soft, sad brow, "and all that, but it's too formal. They're tryin' to take a lot of the carnival out of us and make us class, like calling the folks 'Sir' and 'Miss'." Miss Currie shrugs. "It's all right, but people like that old razzle-dazzle stuff better."

NO HOUSEWIFE

Miss Currie is really married to an ex-ice hockey player named Harry, who tried unsuccessfully to put her in a house and settle her down after their wedding six years ago.

"I nearly went crazy," she remembers. "Knowin' I couldn't pick up the house and take it somewhere, like the trailers I'm used to."

Three months later, they sold the house and now Harry is in carnivals, too.

"Money is like counterfeit to us. When we've got it, we live in trailers. When we don't, we live in tents."

Evelyn buys Cadillacs, mink coats and diamonds when she's in a "trailer stage" of affluence; currently she has a $10,000 trailer, $30,000 in diamonds, and a closet full of mink coats—which she wears over her blue jeans.

GOOD INVESTMENTS

"It's not I like diamonds and mink so much," she says reasonably, "it's just they're good investments. Come a rainy season, you're broke. So you just put them in hock for a sunny day."

Lately, Evelyn has gotten back into an old hobby she loved as a kid—playing with lions, six at a time. Like elephants, lions can be compared with men, she says.

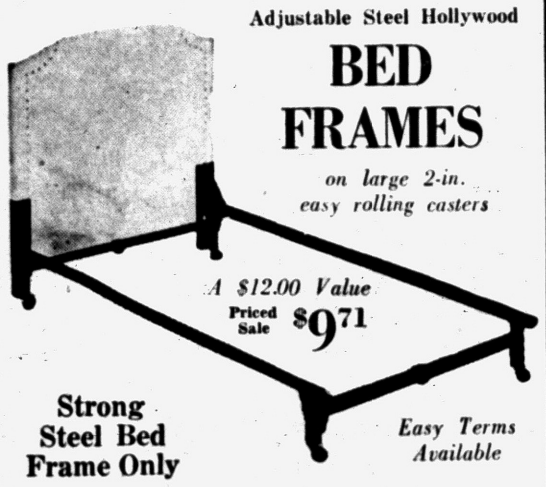

"When lions paw you, they don't mean any harm."

Older Volcanoes Cited Danegrous

Chemical Society Says Aged Erupters Deliver Disastrous Results

MINNEAPOLIS (AP) — Among volcanoes it is age, not youth, that can deliver the most disastrous punch, making an H-bomb seem like a pop gun.

* * *

New explanations of how they come about were described today to the American Chemical Society by Dr. George Morey of the Geophysical Laboratory, Carnegie Institution of Washington, D.C.

One, Mt. Pelee in Martinique, killed 30,000 persons. Another, Krakatoa in the Pacific, obliterated an island, killed thousands of persons by blast and great tidal waves, affected the world's weather by a globe-encircling cloud of fine dust.

Both were old, long-quiet volcanoes.

Dr. Morey told of theories and experiments to explain how molten material or magma with in the earth becomes rock and minerals.

Various types of rocks and minerals could result from step-by-step or fractional crystallization and distillation of material, he said.

In this process, water is squeezed out or otherwise accumulates from the original material. As it concentrates, its pressure increases.

If the earth's crust isn't strong enough to hold back the pressure, a volcano results. If there's an open vent, steam may just escape rather quietly.

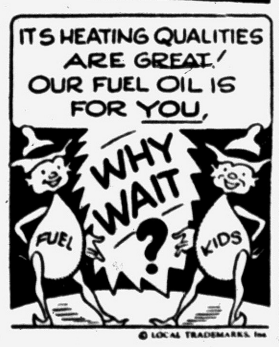

If the pressure mounts high enough, then the earth's crust can give way with catastrophic eruptions. The greatest pressures would be expected to build up in the late stages of the rock-forming process, he said.

Panic Kills Six Students

CAIRO, Egypt (AP)—At least six schoolchildren were killed in a panic-stricken rush for safety when an earthquake damaged school buildings near the center of Cairo today.

First aid officials reported that 30 other children between the ages of 6 and 10 were injured. The toll was expected to rise.

The East Oakland Area Council of Parents and Teachers Association will hold their first fall meeting, an all day session, September Workshop, on Tuesday from 9 a.m. to 2:45 p.m. The meeting will be held at St. John's Methodist Church in Rochester.

* * *

The morning session will consist of a business meeting, followed by 7 workshops: president Mrs. Mark Goddard; hospitality and membership, Mrs. Daniel Irwin; budget and finance and treasurer, Mrs. Clayton Sadler; program, Mrs. Gaylord Knudson; recording and corresponding secretary; Mrs. Perry Merchant; miscellaneous committees, Mrs. Gladys Neldrett; and publicity, Mrs. Donald North.

During the luncheon period, there will be a skit based on the National Parent Teacher Magazine and an account on "Progress of Special Education" given by Mr. Kenneth Brown, deputy assistant superintendent of Oakland County Schools.

The afternoon session will have Mrs. Iva O'Dell, principal of Donelson School, Waterford Township, who will show a film and lead a discussion on parlimentary procedure.

Brandon School Enrollment Up

BRANDON TOWNSHIP — The enrollment of the Brandon Township Schools is nearing completion with a total increase of 56 over last year. The total to date kindergarten through twelfth grades is 1035, as announced today by Supt. E. J. Hungerford. Last spring's total was 979.

The elementary grades show a slight increase with large groups of 113 in kindergarten, 106 in first grade, and 126 in third grade.

The junior high and high school enrollment has shown a marked increase over last year, with 88 enrolled in the 7th Grade. This is an increase of 22 over last year.

This gives the following totals: Elementary 684, junior high 149, senior high 202.

Final enrollments should give the Brandon Township Schools a total of about 1050 students.

4,500 Registered in Schools at Walled Lake

After two days of school enrollment figures in the Walled Lake schools were 400 more than at the close of school in June and more are expected as new subdivisions are rapidly reaching completion in the area.

More than 4,500 students registered in the first two days. Of these 702 were in grades ten, eleven, and twelve; 1056 in grades seven, eight and nine; and the balance in the elementary schools.

The Walled Lake elementary school had the most of these. It was followed by Union Lake, Twin Beach, Commerce, Glengary, and Wixom. In addition nearly three hundred elementary students are housed in the junior and senior high schools. Two rooms in the senior high school will move to Commerce when that addition is finished in October.

Firemen Hold a Picnic

WEST BLOOMFIELD — Volunteer firemen and their families from Keego Harbor, Twin Beach, Walnut Lake and Union Lake attended the West Bloomfield Fire Department's annual picnic Saturday, at Oak Beach Park, Cass Lake.

The special event of the day was a softball game won by Station 1 in Keego Harbor. Each member of the winning team was awarded an individual trophy.

The Firemen's League sponsors 60 children from Keego Harbor and the surrounding area to make up a team for each station. During the season these teams play against each other. The game at the annual picnic determines the winner of the championship.

Later in the afternoon the softball team challenged the volunteers to a game which was won by the youngsters, although 71-year-old assistant fire chief Roy Ottmer showed the boys up by hitting a home run.

They also held a penny scramble for the smaller tots and races for adults and children.

Marian Dunlap, Thaddeus Mraz Exchange Vows

WALLED LAKE — Marian Jacqueline Dunlap and Thaddeus Mraz repeated their nuptial vows before 150 guests at St. Benedicts Church in Highland Park recently.

Marian is the daughter of Mr. and Mrs. Harper Dunlap of Walled Lake and Ted is the son of Mr. and Mrs., Stanley Mraz of Highland Park.

The bride chose a gown of satin and tulle with lace appliques. A crown of seed pearls held the fingertip veil of illusion. She carried white orchids and carnations.

Marian was attended by her cousin, Mrs. Donald Elliott of Saginaw, and her sister, Mrs. James Welch of Walled Lake.

A luncheon at Kingsley Inn was followed by a lawn party at the home of the bride. Mr. and Mrs. Mraz entertained out of town guests at their home in Highland Park.

Marian and Ted toured the eastern states for their wedding trip.

Libby Ward and Fiance Are Honored

H. A. Fitzgeralds and Paul Connollys Host Event

Fall colors of yellow and bronze decorated the tables at Bloomfield Hills Country Club Saturday evening when Mr. and Mrs. Harold A. Fitzgerald and Dr. and Mrs. Paul Connolly entertained at a buffet supper in honor of Elizabeth Palmer Ward and her fiance, Edmond Francis DeVine.

* * *

Philodendron and ivy interspersed with chrysanthemums were planted in baskets of natural straw, and on the variegated satin ribbon was ficus vine which trailed the length of the tables.

In each of the various baskets were items for porch entertainment.

The party climaxed last week's affairs for "Libby" and Edmond who will speak their vows Saturday. She is the daughter of Harold Lee Ward of Ottawa drive and the late Mrs. Ward, and Edmond's parents are the Frank B. DeVines of Ann Arbor.

Sunday Mr. and Mrs. Edwin Beresford and Mr. and Mrs. John W. Crim honored the couple at a supper party and shower at their home in Birmingham.

Mrs. A. C. Girard will entertain Tuesday at Bloomfield Hills Country Club for a luncheon and bathroom shower.

Virginia and Ann Ward, sisters of the bride-elect, will entertain at a luncheon Wednesday for the bridal attendants. The party will be held at the home of their grandmother, Mrs. Elizabeth Palmer Bradfield on West Huron street.

* * *

In the bridal party are Ann and Virginia Ward, Catherine DeVine of Ann Arbor, Mrs. Paul Connolly of Birmingham, Mrs. Ollen E. Peters of Orchard Lake, Elaine Appell of Orchard Lake, Mrs. Elliott H. Phillips, Mrs. John W. Crim, Mrs. William A. Wick of Indianapolis and Mrs. Robert Prescott Gygli Jr. of Shaker Heights, Ohio.

"Libby's" flower girl is her goddaughter Diane Brown, daughter of Mr. and Mrs. Kingsley M. Brown Jr.

Mr. and Mrs. Walter Appell and Mr. and Mrs. Charles S. Delbridge will give a dinner party Wednesday evening at the Appell's home at Orchard Lake honoring the couple.

The bridal party will be honored with a luncheon and swimming party Thursday at the home of Mr. and Mrs. Frederick Matthaei and son, Lt. Conrad Matthaei in Ann Arbor.

Dr. and Mrs. Howard Barker are giving a dinner party Thursday evening at their home in Bloomfield Hills, and on Friday the rehearsal dinner will be given by the bride's aunt and uncle, Gen. and Mrs. Frederick S. Strong at Orchard Lake Country Club.

Fall and Winter Cottons Use Exciting Fabrics

Versatile fall and winter cottons take a look at the calendar and welcome cold weather with exciting new textures, patterns, colors and fashion silhouettes, reports the National Cotton Council.

For going places—be it college or job—this year's cotton knits rate high in fashion mileage. The knits are styled in charcoal tones, as well as bright colors, harlequin checks and stripes.

Destined for a bright career is the striped cardigan and slim skirt in fashionable cotton knit.

For a city-dark, city-smooth outfit, the slim charcoal-colored jumper with a wide cowl collar, bare arms, and an Italian striped T-shirt is tops.

For dorm-wear and warm-as-toast sleeping there's a football set in red cotton knit. The cotton knit sweater top and Bermuda shorts in broadcloth are color-coordinated to striped sleeves and socks.

Events Fete Jean Wasserberger

Bride-elect Jean Wasserberger was honored at two affairs over the weekend.

* * *

The daughter of Mr. and Mrs. George Wasserberger of Illinois avenue, Jean will become the bride of John H. Ostrander, son of Mr. and Mrs. J. E. Ostrander of Lowell street Friday evening at First Congregational Church.

Says Death Pact Was Ordered

Reports Extortionists Threatened to Murder Suspected Arsonists

STREATOR, Ill. (AP) — LaSalle County State's Atty. Harlan Warren today said investigators had been "unable to verify" an Illinois woman's story that extortionists drove her and her husband to form a suicide pact.

* * *

Mrs. Ruth Craine, 49, of Geneva, Ill., told Warren her story yesterday after her husband Leon, 52, had been found dead Saturday night in their car parked near Streator.

She told Warren she and her husband planned to die by piping exhaust fumes into the car. She said she lost consciousness when the carbon monoxide fumes poured into the car but awoke a few hours later to find the motor had stopped running. Her husband was dead.

A coroner's jury held Craine's death was due to natural causes. A pathologist testified Craine died of a heart ailment. He said no traces of carbon monoxide were found.

Warren said Mrs. Craine told of being threatened by unknown persons after she and her husband were charged with arson following a fire at their restaurant near Kewanna, Ind.

* * *

Mrs. Craine told Warren three men she did not know ordered the couple Sept. 5 to raise $15,000 or die. He said Mrs. Craine told him they were to deliver the money at Starved Rock State Park last night, but that she was unable to give the exact location of the rendezvous within the park.

Warren said Mrs. Craine was released yesterday without charge and returned to Geneva, where she and her husband had been living with Craine's sister.

The extortion plot was described by Mrs. Craine as being due to demands of "the syndicate" to recover the cost of pinball machines lost in the fire. She said the extortionists promised the arson case "would be fixed" if the money was raised.

* * *

She said she and her husband had been free on $2,500 bond each awaiting trial in October on the arson charges. The charges were brought by a fire marshal. The restaurant burned last July.

READIN' 'N' WRITIN' 'N' 'RITHMETIC—1

A Trip to Robinson Crusoe's Island

The old rhyme said: "Readin' 'n' writin' 'n' 'rithmetic, taught to the tune of a hickory stick."

Things are different now. We have books from which to learn.

Once there were no printed books. Stories were told by men with good memories. The children who heard the stories told them, in turn, when they grew up. These stories became what we call legends.

In the books we have today you can travel all over the world, climb Mt. Everest, take part in great events in history, go on voyages with figures in fiction, like Robinson Crusoe.

The printed word — in books, magazines and newspapers — can teach you how to make things and how to decide upon a career and keep you in touch with the news of the world.

Sightless people read in Braille, by feeling wtih their fingertips raised dots pressed into paper.

Here's a picture of a Junior Editor who is reading about Robinson Crusoe on his lonely island and imagines himself right there with him. Paste the picture on cereal box cardboard. Leave a half-inch rim around it as a frame. Color with crayons, making the panel behind the reading boy a dark or dull color. Use bright colors for the rest.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository* or *ointment form* called *Preparation H.** Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

Mao Changes China Timetable

Says 50 Years Needed to Put Economy on Par With U.S., Britain

LONDON (AP)—Mao Tze-tung has changed his timetable for building up Red China's industries. The Chinese Communist chieftain is telling his people 50 years will be needed to put the nation's economy on a level with Britain or the United States.

"These things take time" is the new propaganda theme.

When the Reds took over six years ago they promised a relatively quick march toward the goal of a powerful industrialized nation.

According to official statements, Mao now figures he will need about 15 years to squeeze out private businessmen and independent farmers. Then Red China's economy will fall into the pattern laid down by Russian communism.

The revised scheduled was arrived at after Peiping took note of a disappointing amount of aid from Russia.

British researchers turned up these facts after studying the full texts of the detailed economic reports delivered before the recent National Peoples' Congress in Red China.

The congress papers revealed that Peiping is paying heavily for the goods coming from Russia. Food badly needed at home, plus other agricultural and mineral products, is going to Eastern Europe in exchange for these industrial tools.

Earlier the Chinese Reds had given the impression that a lot of Russian capital goods was coming to them free. Now it is disclosed that Russia's free aid is confined largely to the loan of designers and other experts to help in the construction of 156 major industrial projects.

This could be one of the reasons why Mao has adopted a more conciliatory tone toward the United States in recent weeks. With Russian aid limited, Peiping may hope for a lifting of the Western embargo on the sale to Red China of strategic goods such as heavy generators and machine tools.

But Western experts think that even an easing of the embargo will do little to help the Chinese Reds. They doubt Peiping has the goods or the gold to pay for big scale imports from the West.

Plan Future Tarzan Film Deep in 'Wilds' of Africa

He has decided to make the next of his series, "Tarzan and the White Chimpanzee" in the Kruger National Park near Johannesburg, South Africa, which abounds with wild life and which many tourists travel far to see. He's already obtained permission for Gordon Scott to work there and it will be the first time a film company has been granted this right.

Lions, Elephants, Chimpanzees roam around at will past tourists in parked cars gawking at the animals. The beasts of the jungle seem bored with the whole thing and pay no attention. But it might be a different story if one of them saw a good meal moving out of a car!

Yankees, Not Tribe, Now Choking Up in Clutches

By THE ASSOCIATED PRESS

Time was when the Cleveland Indians took the rap for choking up in the pennant drive. But no more. Now it's the New York Yankees, the club with a reputation for winning the big ones, who find it tough to stay loose.

* * *

The Indians, winning 11 of their last 14, were held to just four hits by southpaw Tommy Byrne in a 6-1 first-game defeat at New York yesterday, but they rebounded to come from behind and win 3-2 in the pivotal nightcap.

* * *

A loss of the twin bill would have dropped the Indians from first place in the American League race. Instead, they can sit back and rest while the AL takes a day off today, holding a 1½-game lead with 11 to play. Second-place New York has 12.

Bobby Avila, with eight hits in his last 14 at bats, and reliefer Don Mossi kept the Tribe alive in the second game. But in the end, it was a wild pitch by Whitey Ford, New York's ace, that let the clinching run score.

* * *

It was the second game in two days the Yanks let slip away. Saturday, they blew a 6-1 lead and lost to Chicago 9-8 in 10 innings.

The victory gave Cleveland the season series with the Yanks 13-9. It's the first time since 1945 the Tribe has whipped New York over the year, although they split even in the 22 games while snapping the Yanks' five-year pennant reign last season. It is also the first time since Casey Stengel, who became manager of the Yankees in 1949, has lost a season series.

* * *

The doubleheader split also left Cleveland 3½ games up on third-place Chicago, which divided a pair at Boston. The White Sox won the second 7-2. Boston, six games back, took the opener 6-2.

Avila, hitting .272 after winning the '54 batting title, had four hits in the doubleheader and walloped his second homer of the day to tie it at 2-all in the eighth inning of the nightcap. Until then, Ford, 17-7 had a three-hitter.

Hoot Evers followed with a double, advanced on a walk and forceout, then scored as Ford bounced a pitch in front of the plate.

* * *

Mossi, in relief of rookie Herb Score, scattered three hits over the last three innings for a 4-3 record. Evers pulled him out of his only possible jam, making a diving catch of Elston Howard's liner for the final out with the potential tying run on base.

Score, giving four hits and both Yank runs, struck out six before giving way to a pinch hitter in the seventh. That upped his strikeout total to 226—one short of the rookie mark set by Grover Cleveland Alexander in 1911.

* * *

Byrne was great as he won his 15th in the opener fanning five and walking only two. Yogi Berra knocked in three runs and Joe Collins swatted an inside-the-park homer off loser Early Wynn. Avila had two of the hits off the 35-year-old lefty—a home run and a single.

The White Sox hung on as Connie Johnson and Millard (Dixie) Howell, although rapped for 11 hits, tightened in the clutch and left 15 Bosox stranded. Frank Sullivan won his 18th in the first game with a five-hitter while Norm Zauchin drove in three runs as Boston racked up Bob Keegan.

* * *

In the National, Cincinnati's Johnny Klippstein one-hit Brooklyn's champs. Pee Wee Reese blooped a single with one out in the ninth for the spoiler as the Redlegs won the first game of a twin bill 9-0, then made it a sweep with a 5-3 decision. Ted Kluszewski hammered his 45th homer in the opener.

NATIONAL TENNIS CHAMPION — Tony Trabert and his wife, Shauna, hold trophy symbolic of men's singles title after he defeated Australia's Ken Rosewall in National Tennis Championships. Tony, from Cincinnati, won in straight sets, 9-7, 6-3, 6-3. He completed a tennis "triple slam" with his victory. Earlier this year he captured the Wimbledon and French championships.

Senators' Jinx Doesn't Faze Cleveland Club

Tribe in Washington Today, Sitting in AL's Driver's Seat

NEW YORK (AP) — The league-leading Cleveland Indians were in Washington today, sitting squarely in the driver's seat and not even the sight of their season-long jinx team could scare Manager Al Lopez and his band of happy warriors.

* * *

Although no one would dare say so publicly, the Cleveland players feel the American League flag is as good as theirs now—barring an unforeseen collapse. And that's the furthest thing from their minds.

Yesterday's lead-saving split in New York, thanks to a winning eighth-inning rally in the nightcap, preserved their 1½ game advantage over the Yankees and left them in an envious position.

* * *

They have only 11 games left, none with the Yankees, who now have to depend upon others to beat Cleveland for them. The Yanks failed to do it themselves yesterday, losing the second game 3-2 after winning the opener 6-1.

The second-game loss was the bitterest blow of the year suffered by Yankee Manager Casey Stengel. He was a picture of gloom as he sat in his office next to the players' dressing room.

* * *

"You can't win a pennant by splitting four games with your two toughest rivals," he growled, referring to the last two series against Chicago and Cleveland. "How can you expect to win a championship if you can't get a winning streak?"

* * *

There was a different air in the Indians' clubhouse.

"We just want to go the way we are and stay the way we are," said Lopez smilingly. "We're in good shape now.

* * *

"I figured on a split in New York although I was hoping for two. Had we won both, we'd be in real good shape instead of just good. If we get by Washington, we ought to be in excellent position, athough it won't be a cinch. I still think it will be real tough all the way."

Bengals Split Twin Bill; Meet Yanks Tuesday in NY

WASHINGTON (AP) — The Detroit Tigers leave Washington today carrying a 17-5 season record over the Senators.

In their last meeitng of the year yesterday, Detroit and Washington swapped four-hit shutouts in splitting a doubleheader.

Billy Hoeft won his 16th victory 8-0, behind a 15-hit Tiger attack in the 1st game.

Rookie Ted Abernathy won the 2nd game, 1-0, when Mickey Vernon singled him home with two out and the bases loaded in the 9th. It was Frank Lary's 14th defeat in 27 starts.

The opener was Hoeft's 5th straight victory over Washington and his 3rd shutout over the Nationals.

Hoeft's teammates pounded Johnny Schmitz for four runs on as many hits in the 2nd inning. Harry Malmberg drove in two with a single and Harvey Kuenn accounted for the other two.

Doubles by Al Kaline and Ray Boone and a single by Red Wilson brought in two more runs in the 3rd.

Detroit's last two tallies came in the 8th. Malmberg's sacrifice fly brought in Fred Hatfield, running for Boone, and Kuenn forced Hoeft, who had singled, to bring in Phillips with the last run of the game.

With the clubs scoreless with two down in the 9th of the 2nd game, Lary walked Abernathy. Eddie Yost and Ernie Oravetz singled to fill the bases and Vernon broke up the game with his single to left center.

It was Washington's 14th hit.

Detroit has a free day today before playing the 1st of two games against the New York Yankees in New York tomorrow.

Iharos Betters 2 More Records

VIENNA (AP) — Sandor Iharos, the slim, Hungarian army lieutenant, who already owns two world records, surpassed the world marks for three miles and 5,000 meters, the Hungarian radio said Sunday.

Competing in a Hungary-Poland dual meet, the 22-year-old star was clocked in 13:50.

UM Picked Second to UCLA

This is the first in a series of INS stories on collegiate football prospects for the year, featuring the opinions of the group of well known observers of the grigiron.

NEW YORK (INS)—UCLA helps launch the 1955 college football season Friday night and before it's over, the Bruins are expected to be sitting high and mighty atop the national rankings.

Coach Red Sander's single wing machine, which debuts against Texas A. and M., not only is expected to win the Pacific Coast Conference title for the third year running but is picked by International News Service to defeat Michigan in the Rose Bowl and make off with the mythical national championship.

UCLA was prohibited by conference rules from repeating in the Tournament of Roses last year and polled second in the final roll call to Rose Bowl champion Ohio State, which also had a regular season's record of 9-0.

The rest of the elite, in ascending order, includes: 3. Oklahoma; 4. Maryland; 5. Southern Methodist; 6. Ohio State; 7. Southern California; 8. Georgia Tech; 9. Auburn, and 10. Navy.

Making up the INS board of authorities are East-West Shrine Game coaches and talent scouts Bernie Bierman of Minnesota and Andy Kerr, former Colgate coach and long-time member of the NCAA rules committee; Francis J. Powers, veteran football writer and also an East-West scout; John Barrington, INS sports editor; INS reporter-columnist Bob Considine, and sportscaster Harry Wismer.

- **The panel awarded Michigan, the new standard-bearer of the Big Ten conference, more first place votes than UCLA but ranked the Bruins no lower than fourth on any ballot.**

Jess Hill's seventh-ranked Southern Cal squad will provide the Uclans with their stiffest resistance on the coast. The Trojans are improved but so is UCLA, which is so deep in backfield talent that surplus backs are being converted to linemen. Fullback Bob Davenport will sparkplug the power-laden Bruin attack. Ronnie Knox appears to be one of Sanders' better passing tailbacks.

Last season's national champion and this year's No. 6 team Ohio State will find it tough replacing quarterback Dave Leggett and such standouts as Hubert Bobo, Dean Dugger and Bobby Watkins. Halfback Howard Cassady, who with Navy end Ron Beagle represent the only two returning INS All-Americans, won't be enough to offset the manpower loss.

Michigan, on the other hand, has 20 of the 25 players who almost beat the Buckeyes in last season's "climax game," plus more speed. Bennie Oosterbaan is blessed with the return of end Ron Kramer, wingback Tony Brannoff and Quarterback Lou Baldacci.

Muskegon Looms as '1955 Lead in SW Prep Loop

MUSKEGON (AP) — The cozy three-team southwestern Michigan Football Conference quite likely will have a new winner this fall.

Benton Harbor won in 1953, Muskegon Heights last year and now it appears to be Muskegon's turn to win the Bennie G. Oosterbaan trophy.

Muskegon's Big Reds, although experiencing their worst season since 1920 last year, winning three of nine games, appear to have most of the balance this year.

Coach Harry Potter lost only four regulars by graduation and juniors this season. Those who would get most of the mention this season are backs Jim Kuzyk and Jim Saylor, end Paul Tyler and center Ron Scott. Potter has 10 lettermen back.

Coach Oscar E. Johnson of Muskegon Heights, starting his 29th season at the Tiger helm, is faced with the problem of virtually rebuilding his line from the team which won the title last year on the strength of five extra points by fullback Ted Halasinski.

Halasinski will be back as well as reguars Bob Slezak at quarterback and Joe Christie at halfback. Tackles Fred Hilliard and Jack Snider provide the Heights with a ine nucleus but the building program starts there.

Benton Harbor is in opposite shape. Coach Joe Rogers has five line regulars back but his entire backfield is gone.

For the 1st time in years the Harbor Tigers will be without a power runner like Nate Clark or Don Arend.

Five Games Slated

BATTLE CREEK (AP) — Five games were scheduled for today in the 3rd round of the Eastern playoffs of the American Baseball Congress.

Three teams were eliminated in yesterday's play.

Boudreau Signs for Next Year

KANSAS CITY (AP) — Lou Boudreau, who has skippered the reformed Philadelphia Athletics to sixth place in their first season at Kansas City, had another year's contract in his pocket today.

Salary terms, as is customary, were not disclosed, but Arnold Johnson, owner of the Kansas City American League club, said Boudreau deserved "a great deal of credit for what has been accomplished."

A lot of experts figured the transplanted A's would wind up in exactly the same spot as they did while still languishing in Philadelphia—last.

The A's also announced Saturday the purchase of pitcher Lou Kretlow and catcher Joe Ginsberg from Seattle in the Pacific Coast League "for a considerable amount of cash" and three players, to be named at a later date.

Marion Cites Kennedy as Main Reason Why Sox Are Still in American League Pennant Battle

BOSTON (AP) — Manager Marty Marion thinks his Chicago White Sox are still in the thick of the American League pennant battle and singles out third baseman-outfielder Bob Kennedy as the main reason.

Chicago pulled out the second game of a doubeheader with Boston yesterday to remain 3½ games behind pace-setting Cleveland. The White Sox won 7-2 after the Red Sox took the opener 6-2.

* * *

"This is a crazy race and we're still in it because we bounce back mighty good, as you saw in the second game," Marion said in the clubhouse. "We put in a couple of fresh players and they did the job. We were going through the motions in that first one and you could feel the difference in the second game. We just knew we had to win."

* * *

Marion said he thought the White Sox could take the pennant by winning 10 of their remaining 12 games.

"We have a doubleheader with Baltimore Tuesday and another on Wednesday. I'll have (Jack) Harshman and (Virgil) Trucks the first day, and (Billy) Pierce and (Dick) Donovan the second day. If we come through those, we'll be in pretty good shape and I think we'll have a good chance."

* * *

Kennedy, who has hit at a .314 clip since joining the White Sox May 30, hit a two-run double and scored a run in the Chicago triumph yesterday.

* * *

"Except for Kennedy, we're in the second division right now," Marion said. "He's made hit after hit for us in the clutch. He has heart."

Southeastern Football Has Champs Galore

By THE ASSOCIATED PRESS

Seers who like nothing better than climbing out on a limber limb have found a paradise this year in the Southeastern Conference football forest.

There is a potential champion hiding behind practically every tree, and the woods are full of darkhorses. For the past two seasons, at least half of the 12 SEC teams went into their season-ending games with a chance to win or tie for the championship. No change in that routine is foreseen for 1955.

The "Big Four" in pre-season rankings are Georgia Tech, Auburn, Mississippi and Kentucky, with Florida and Georgia close behind. But there is a noticeable lack of agreement on just which one of these will grab first prize in the championship derby.

* * *

Alabama and Tennessee, once Dixie's football giants, are rebuilding under new coaches, J. B. (Ears) Whitworth at 'Bama and Bowden Wyatt. They should be better than last year, but not quite good enough. Mississippi State could finish in the first division. Louisiana State, under new Coach Paul Dietzel, Vanderbilt and Tulane aren't serious title contenders, but neither will they be pushovers.

SEC coaches agree the conference is perhaps better balanced than ever before and that most squads can point to improvements. Likewise, they agree that it is highly doubtful that any SEC team will finish the season with a perfect record. All six teams picked for the first division play at least two of the other top-notchers.

* * *

Georgia Tech's Bobby Dodd, whose team gets a severe test against Miami Saturday in a nationally televised game, is pretty well satisfied with his offense, but he says Tech defenses need shoring up.

Gregory Winner in Final Event on MPGA Slate

Slyvan Glen Player Fires Net 66, Sunday, at Highland CC

Sylvan Glen's Jack Gregory Sunday afternoon captured top honors in the final links event sponsored this season by the Metropolitan Golf Association. Gregory hit a gross 68 over the rolling Highland Country Club's layout, which gave him a net 66, with his two stroke handicap.

Sunday's 18-hole handicap test was the 4th MPGA sponsored tourney of the season.

Only two strokes back were Roy Cullenbine, the former Detroit Tiger baseball player, who had 71-3—68, and John Lock with 72-4—61. Cullenbine plays out of Maple Lane club and Lock represented Hillcrest.

Three others were tied at 69.

They included Roy Iceberg of Pontiac (Edgewood), with 71-2—69; Dam Lima of Sunnybrook, with 72-3—69, and George Greenhalgh of Redford, with 74-5—69.

Other flight leaders were:

Second—Bob Jenson, with 78-11—67; Ed Widra with 75-6—69.

Third—James Slattery, 95-29—66; Sam Laine (one-armed player) with 80-13—67.

Fourth—A. D. Nichols with 81-14—67 and John McDonald with 83-16—67.

Merchandise awards were presented to the winners.

Lenk Wins 1st Running of Manhattan Marathon

NEW YORK, N.Y. (AP)—Ray Lenk, a 29-year-old factory foreman from Detroit, won the inaugural running of the Manhattan Outboard Marathon yesterday, a rugged test that found less than half the starting fleet completing the course.

Lenk, one of the country's leading drivers, completed the course in just over an hour and a half at an average speed of 36.8 miles-per-hour. His victory margin was 7½ minutes over Lester Kahn of New York. Lenk's triumph brought him a cash award and two big trophies.

Title Annexed, Trabert Ready for Pro Offers

Ken Rosewall Defeated in Straight Sets at Forest Hills Play

FOREST HILLS, N.Y. (AP)—Tony Trabert took his seat in the throne room of amateur tennis today, and no sooner did he get his crown adjusted than he began thinking of giving it all up.

"I'm waiting to hear professional offers," said the new king. "But right now I can say truthfully I haven't had any. I think the promoters were waiting to see how I did in the National Championship before they decided whether I'd be worth it."

Trabert, a crew-cut, power-hitting Cincinnatian, won the title for the second time in three years yesterday, beating Australia's Ken Rosewall decisively in the final 9-7, 6-3, 6-3. Just like Wimbledon, Trabert went through the entire tournament without losing a set.

* * *

"It doesn't make any difference to me who I play for—if I decide to turn pro," he said. "I'd play for the promoter who gives me the best offer."

Trabert is committed to the Pacific Southwest Championships in Los Angeles next week, so it wouldn't be prudent for him to announce publicly he's turning pro at least until then.

"I have a good job with Bill Talbert's securities company," said Trabert, "and I'd have to weigh things very carefully. For example, if I turned pro, I'd have to find out if the company would keep me. Also, I'd have to determine if I'd make more money in the long run as a pro or sticking with the company."

That didn't discourage Jack Kramer, who has a bundle of cash to dole out.

"Tony's hot and I'm going to make him an offer," gushed the former American champion turned entrepreneur. "Of course, I'd like to get Rosewall and Lew Hoad with him. But in any event, I'm going to try to get Tony. I'll make him a percentage offer. A great champion can do better that way than on a flat agreement. I may even make a comeback myself."

As for the match with Rosewall, it wasn't much of a contest. Ken looked like a babe in the woods.

* * *

Doris Hart of Cora Gables, Fla., defended her women's title successfully when she whipped England's Pat Ward in the final 6-4, 6-2. Miss Ward was the first foreign girl in the final since Anita Lizana of Chile won it in 1937. Miss Hart indicated this might be her last year of serious competition.

Patty Threatens in St. Louis Test

ST. LOUIS (AP)—Louise Suggs of Sea Island, Ga., faces another threat to her three-stroke lead today from Patty Berg of St. Andrews, Ill., in the last round of the $5,000 St. Louis Women's Open Golf Tournament.

Miss Berg moved within one stroke yesterday with a two-under-par 34 on the first nine holes while the leader had a 38. But Miss Suggs, a steady sub-par shooter all three rounds, came back with a three-under 36 on the back nine to her rival's 38.

Patty turned in a remarkable 68 opening day, then blew to an 80 before her 72, the day's best round, for a 220 total. Miss Suggs had 71-72-74—217.

No Resignation Yet

Lane Rumored Leaving Chisox Post, Although Club President Denies Rift

CHICAGO (AP)—Is Frank Lane going to call it quits as general manager of the Chicago White Sox?

Lane is quoted as saying he doesn't care to comment and also that he hasn't tendered his resignation.

* * *

Mrs. Grace Comiskey, Sox president, says she doesn't want him to leave and "he definitely won't."

* * *

Warren Brown, sports columnist of the Chicago American traveling in the East with the Sox, posed the question that Lane might quit. He recalled how Lane recently was fined $500 by Baseball Commissioner Ford Frick for an allegedly profane protest over umpiring. Lane made the vocal outburst at Comiskey Park in the presence of American League President Will Harridge and Cal Hubbard, supervisor of AL umpires.

Brown also recalled an alleged statement by Chuck Comiskey, White Sox vice president, that Lane's conduct was "inexcusable" and also that "Lane can remain with the club if he wanted to."

"That was the beginning of the end," wrote Brown.

The Chicago Sun-Times quoted Lane in Boston as saying: "I have not tendered my resignation, but I don't know how much more of this I can take without blowing up. Chuck (Comiskey) has taken every opportunity to ridicule me and, frankly, I'm getting fed up with the whole business."

* * *

Comiskey told the Sun-Times that he thought "this thing has been carried too far....there have been stories about what he (Lane) allegedly said about me and what I allegedly said about him, but I'm not going to comment on any of it."

Meanwhile, Mrs. Comiskey, mother of Chuck, was quoted in the Sun-Times as saying, "I don't want him (Lane) to leave and he definately won't.

"The report that Frank is quitting is just a lot of conversation.

"Charles just talks too much. He's my son and when he was smaller I could tell him to keep his mouth shut. But, after all, he's 29 now.

* * *

"I'm certain this will all blow over," she was quoted as saying.

In Boston, Lane was quoted in the Globe:

"I have nothing to say about those reports. All I'm doing is trying to root this team home." The White Sox currently are 3½ games off the pace in the American League.

Ward Shuns Top Role as Amateur Test Begins

RICHMOND, Va. (AP) — Marvie Ward Jr. shunned the favorite's role today as the 55th National Amateur Golf Tournament began, exactly a quarter of a century since the incomparable Bobby Jones scored his unprecedented Grand Slam.

Ward plainly didn't approve of the fact that many of the field of 200 in this blue ribbon classic have put the finger on him as the man to beat.

* * *

"I've never gotten past the fourth round," Ward said. "I seem to be jinxed in this tournament, and I don't like to predict anything for myself in this one."

* * *

Then the North Carolina native, now playing out of San Francisco, quickly began to rattle off a handful of players he thinks have a better chance to come out on top in Saturday's 36-hole finals. Finally, he narrowed his choices down to five, including Don Bisplinghoff, Doug Sanders, Hillman Robbins, ex-champion Joe Conrad and wisecracking Billy Joe Patton.

Still it was Ward, 1952 British Amateur champion, who turned in what probably were the most consistent tuneup rounds over the Country Club of Virginia's toughened James River course, a 6,713-yard, par 70 collection of rolling hills, narrow fairways and exacting greens.

Ward, playing the course for the first time Saturday, fashioned a 69. He put together 15 pars, two birdies and a one-over-par 5 on the 460-yard 18th hole. Yesterday, he was even a bit better, carding 12 pars, 4 birdies and 2 over-par holes for a two-under 68.

Bobby Jones, the Old Maestro himself, told the contestants at a banquet Saturday night that "Some of you might say it's impossible to win the National Amateur.

"Well, I think it is . . . but somebody will do it."

Among the contestants who heard Jones were Ward and four other current Walker Cup team members — Bruce Cudd, Jimmy Jackson, Conrad and Bill Campbell—alone with former champions Charles Coe, Ted Bishop, Willie Turnesa, Dick Chapman and Chick to win this thing," said Jones, who won the amateur crown five times and in 1930 recorded victories in the British Open and Amateur and the U.S. Open and Amateur. "It's different today. Why, every time you turn over a log, some kid will run out and shoot a 67."

Of course, nobody will have to worry about a defending champion this year. Arnold Palmer, who downed Robert Sweeny 1-up in 1954 at Detroit, now is a pro.

Seventy-two first-round matches were scheduled today and 64 second rounders tomorrow. Two days of double rounds leading up to Friday's 36-hole semifinals will begin Wednesday.

Here are pairings for the Michigan contingent. Three drew 1st round byes:

GLENN JOHNSON, Grosse Ile, vs Anthony Cullinane, Bethesda, Md.
TOM McMAHON, Country Club, vs Ed Tutwiler Charleston, W. Va.
TOM DRAPER, Red Run, vs Bob Reilly, West View, Pa.
BILL NETTLE, Pine Lake, vs Bill Williamson, Charlotte, N.C.
HAROLD BRING, Grand Rapids Blythefield, vs Bill Booe, Bridgeport, Conn.
RAY PALMER, Grosse Ile, vs Bob Kuntz, Larchmont, N.Y.
JIM FUNSTON, Plum Hollow, vs Ed Barnes, Greensboro, N.C.
Byes—Art Olfs, Royal Oak; Dr. Bob Corley, Jackson; Chuck Byrne, Lochmoor.

Pontiac Golfers Second in MRA

City's Five-Man Team Trails Host Midland; Bada, Wasik Post 73

For the 3rd consecutive year Pontiac's five-man delegation to the annual Michigan Recreation Association golf tournament finished in 2nd place. This year's winning team was Midland, host for the 18-hole tourney at the Currie Municipal Golf Course.

Pontiac's golf team shot a total of 385 for the runnerup position, 14 strokes behind Midland. Detroit took 3rd place with 390. Ten teams participated in the Saturday event.

Paul Bada and Ed Wasik, city champions in 1954 and ⅝⅝ respectively, sparked Pontiac's efforts with 73's to gain runnerup medalist with 70.

Trailing Bada and Wasik for Pontiac was Butler Cooper, who fired 77, and Stan Savage and Paul Barnum, each posting 81.

Parsons Uninjured as Racer Overturns

INDIANAPOLIS (AP) —Johnnie Parsons, veteran auto race driver, escaped with minor injuries last night when his car turned turtle in a midget race at 16th Street Speedway, across the street from the Motor Speedway where he won the 1950 500-mile race.

Parsons, of Van Nuys, Calif., was taken to a hospital where he was released after examination.

49ers Lose Norris

SAN FRANCISCO (AP)—Surgeons removed a torn cartilage from the knee of Clarence Norris, a rookie halfback for the San Francisco 49ers, Sunday and said he'll play no more football this season. Norris was hurt in a recent exhibition game against the New York Giants at Seattle.

Not So New!

OL Member J. W. Gillette Had Double-Ace in 1912

Bill Whedon, an amateur golfer from Farmington, Conn., recieved widespread publicity last week when he shot two holes-in-one during a nine-hole round at the Insurance City Open tournament in Wethersfield, Conn.

Some news sources directing national attention to the feat indicated belief that Whedon was the 1st golfer ever to turn the trick. This prompted an Oakland County golfer to remark that he had performed the same stunt 43 years ago.

John W. Gillette, Jr., 6115 Wing Lake Road, Birmingham, declares that he fired two holes-in-one during a nine-hole round on Aug. 27, 1912, at the Abenaqui Country Club in Biddeford Pool, Maine. And he has ample evidence to prove it.

Gillette was part of a fivesome touring the short 1,850-yard par 31 course when his two aces were posted. Among his four partners were two prominent American figures, artist James Montgomery Flagg and author George Barr McCutcheon. Completing the group were his father, John, Sr., and a Mr. Symington of Baltimore.

Gillette's 1st ace was on the 155-yard 2nd hole and the 2nd on the 143-yard 8th hole. In both instances Gillette used what was then termed a mashie-iron, now called a four-iron. He carded three-under-par 28 for the round.

Gillette's accomplishment was reported in several eastern newspapers, from which he has numerous clippings, and a golf magazine also carried the story.

Gillette was vacationing with his family in Maine at the time the double-ace made the headlines.

The Birmingham resident was then attending Williams College in Williamstown, Mass., where he starred on the varsity golf team. Gillette, now 63, is a member of the Orchard Lake Country Club.

Indians Will Help Fight on Paralysis

CLEVELAND (AP) — The Cleveland Indians, whose 1st baseman Vic Wertz contracted polio recently, will donate most of their share of the gate from their game with the Detroit Tigers Sept. 18 to the Cleveland chapter of the National Foundation for Infantile Paralysis.

A crowd of around 50,000 is expected, so the donation should amount to approximately $40,000. It will be known as "fans march on polio day."

Wertz, an ex-Tiger, is reported making progress toward recovery and may be able to play in the final days of this season, the Cleveland front office said.

Detroit Driver Wins Fair's 250-Mile Race

DETROIT (AP) — Mason Bright of Detroit averaged 58.53 miles an hour in winning the 250-mile new model stock car race at the State Fair yesterday.

Bright took over the lead on the one mile track on the 207th lap. There were 55 starting entries.

Bright's nearest rival was Red Swanberg of Detroit who finished two laps behind. Tommy Dawson, also of Detroit, was third.

SUNDAY'S STARS

PITCHING—Tommy Byrne, Yankees, and Johnny Klippstein, Redlegs; Byrne, 35-year-old lefty, four-hit the Indians, striking out five and walking two in 6-1 first-game victory that gave Yanks a doubleheader split; Klippstein no-hit National League champion Dodgers for 8 1-3 innings before Pee Wee Reese singled for the Dodgers only hit, in first game as Cincinnati swept two, 9-0 and 5-3.

BATTING—Bobby Avila, Indians had 4-for-8 in twinbill, getting two of Tribe's four hits in opener and homering in both games; his first scored lone run in 6-1 defeat, his second tied it at 2-2 in 3-2 nightcap victory.

Kramer Shines in UM Workout

But Oosterbaan Isn't Satisfied With 65-0 Game-Type Results

ANN ARBOR (AP) — Ron Kramer, Michigan's all-America hope, accounted for 16 points as the Wolverine varsity swept to a 65-0 victory over the scrubs in a full dress football scrimmage Saturday.

But coach Bennie Oosterbaan wasn't satisfied with the lopsided score. "Overall, I was disappointed," he said. "They looked tired and out of zip."

* * *

Kramer booted four of six extra point tries and tallied two touchdowns—one on a 15-yard pass; the other on a blocked punt.

* * *

Fullbacks Lou Baldacci and Dave Hill also scored twice, with Hill adding a conversion.

Coast Driver Wins American Road Race

ELKHART LAKE, Wis. (INS)—Phil Hill of Santa Monica, Calif., shot into the lead in the last turn and went on to win the 148-mile America road race yesterday at Elkhart Lake.

* * *

Hill averaged 80.2 miles an hour in his Ferrari Monza and beat the pace setting Sherwood Johnson of Rye, N.Y., who drove a Jaguar D. Ernie Erickson, of Chicago, also driving a Jaguar D, finished third.

* * *

A crowd of 50,000 lined the race route.

Detroit Wins Polo Title

CHICAGO (AP)—Detroit Triple C defeated the Brandywine team of Kennett Square, Pa., 9-8, last night to win its 2nd straight National Open Polo championship.

Two final goals by Detroit's Bill Barry clinched the victory.

Offense Seems Advanced in Big Ten Scrimmages

CHICAGO (AP)—Big Ten football enters its "semifinal" week of practice today and it looks as if the offense is ahead of the defense at this stage of drills.

An avalanche of touchdowns came Saturday when at least five schools held long scrimmage sessions.

Only two more weeks of tuneups remain before the season opens Sept. 24 with all teams in action.

Illinois' first two teams banged out seven touchdowns. Quarterback Em Lindbeck scored twice on runs of 71 and 5 yards. Halfback Bob Mitchell tallied on a 65-yard scamper.

Northwestern's first team scored the first four times it had the ball. The longest touchdown play was a pass from Dale Pienta to end Fred Nosal covering 65 yards. Guard Al Viola, an ex-Marine who is the only sophomore on the No. 1 team, set up two touchdowns by recovering fumbles.

End Ron Kramer caught a 15-yard pass for one touchdown, ran 12 yards for another with a blocked punt and converted four out of six times as Michigan's first stringers had a 65-0 frolic. Fullbacks Lou Baldacci and Dave Hill also scored twice.

Michigan State's first team, quarterbacked by Earl Morrall, romped to four touchdowns. Sophomore Walt Kowalczyk of Westfield, Mass., excelled in the running department after being sidelined all week with a shoulder injury.

Minnesota's top backfield units unloaded 11 touchdowns. Sophomore Dick Borstad won a first string fullback spot. He scored twice with the No. 2 team and rambled for several good gains.

Notre Dame's first eleven pounded out a 46-7 victory over the "blues" with fullback Don Schaefer scoring three times, including a 43-yard run, and booting five extra points. Quarterback Paul Nornung tallied twice, once on a 30-yard run.

Golf School Sam Snead's

By SLAMIN' SAM SNEAD

I believe that many high handicap players would improve their golf simply by taking a slower backswing. Most players who hurry their backswings also rush their downswings. This causes all kinds of troubles such as starting the downswing before the backswing is even completed, throwing

the club from the top with a premature uncocking of the wrists, or getting the hips and shoulders turned too far ahead before impact.

The whole idea of a good swing is to develop smooth-flowing power by use of perfect rhythm and timing. The faster the backswing the more difficult this task becomes for the average player.

During practice you can help "groove" a slow rhythmic backswing by counting to four. After you have acquired correct timing your game should improve. Remember—swing back s-l-o-w-l-y, start down s-l-o-w-l-y!

Tryout Camps Will Fill Olympic Spots

ST. PAUL, Minn. (AP)—The U.S. Olympic Hockey Committee has scheduled six tryout camps to fill berths on the 1956 team.

Open tryouts will be held in November at the University of Minnesota at Minneapolis; at Grand Forks, N.D.; Houghton, Mich.; Ann Arbor, Mich., and at an undetermined city in Minnesota's iron range, and Boston.

The tryouts will be under Olympic hockey coach John Mariucci of Minnesota. He will be assisted by Cliff Purpur, North Dakota hockey coach; Al Renfrew, Michigan Tech coach; Vic Heyliger, Michigan coach, and Harry Cleverly, a University of Boston coach.

2 Eagles Help Middlecoff Win $10,000 Prize

Double Bogey Pushes Snead Down to 2nd at Cavalcade Event

SCOTCH PLAINS, N.J. (AP)—A pair of eagles, one at the start and the other at the end of the final round, plus a double bogey on a par 3 hole by his closest pursuer, gave Cary Middlecoff a victory and $10,000 in the Cavalcade of Golf Tournament.

The Memphis dentist, playing out of Kiamesha Lake, N.Y., holed out an 80-foot wedge shot on the 490-yard first hole for an eagle 3 yesterday at the Shackamaxon Club. Then, on the 601-yard 18th, he repeated the performance, this time using a No. 9 iron to drop a 45-foot approach shot.

The two amazing chip shots gave Middlecoff a five-under-par 65 for the final round and a 72-hole score of 276—two strokes better than Sam Snead, the blaster from White Sulphur Springs, W. Va.

Snead, who went into the final round tied for the lead with Freddie Haas of Claremont, Calif., and Gene Littler of Palm Springs, Calif., lost his chance to tie Middlecoff when he took a double bogey on the par 3 16th after his tee shot hit a tree. Snead closed out his four rounds with 278 and second-place prize money of $5,000 from the total pot of $50,000.

Littler tied Gardner Dickinson Jr., of Panama Beach, Fla., and little Jerry Barber of Los Angeles, for third. Each had 280. Haas was one stroke back tied with long-hitting George Bayer of Cincinnati.

Detroit Buys Atlanta Club of SA League

DETROIT (AP) — The Detroit Tigers have bought Augusta Georgia's baseball franchise from the South Atlantic League.

Purchase price was not disclosed.

It brings to three the number of farm clubs now owned outright by the Tigers.

The others are Jamestown, N.Y., in the Pony League and Valdosta, Ga., in the Georgia-Florida League.

Detroit had a full working agreement with Augusta this year. The team finished third and won the Sally League playoffs.

The old franchise was surrendered to the league by the Augusta Tigers, Inc., at the close of the 1954 season.

Lions Undaunted by Return of Graham

By THE ASSOCIATED PRESS

The Cleveland Browns, winners over Detroit 56-10 for the 1954 National Football League title, apparently face a tough road to the championship game this season, even with veteran quarterback Otto Graham back in action.

Graham, who announced his retirement after last year's playoff but recently changed his mind, was in the lineup for the first time against Detroit last Saturday but the Browns dropped a 19-3 exhibition decision to the champions. The defeat was the fourth in five games for the Eastern Division titleholders.

After Lou Groza put the Browns ahead with a 10-yard field goal early in the second quarter, the Lions came back to dominate the game under the direction of Bobby Layne. The champions' first touchdown was a 50-yard pass play from Layne to Dorne Dibble.

* * *

In other Saturday games, the New York Giants dropped their second pre-season contest, 7-0, to the Chicago Bears at Little Rock, Ark., the Washington Redskins edged the Green Bay Packers 33-31 at Winston-Salem, N.C. and the Baltimore Colts turned back the Chicago Cardinals 24-14 at Chicago. And Sunday the Philadelphia Eagles whipped the Pittsburgh Steelers 24-20.

The Bears lineup set up the only touchdown of the Giants' game. Joe Fortunato blocked a punt in the second quarter, picked up the ball and ran 8 yards to the Giants' 7 from where Bobby Watkins scored.

* * *

Little Eddie LeBaron sneaked 6 inches on the last play of the game for a touchdown to give the Redskins their triumph. The Packers, riding on the pitching arm of Tobin Rote and the running of Howie Ferguson, had a 31-19 lead midway of the final period. Then, with LeBaron pitching and Billy Cox catching, the Redskins moved to two touchdowns in the final minutes of play. Cox caught three straight passes from LeBaron for 48 yards enroute to the first one and then, with only seconds remaining, he hauled in another for 11 to reach the 6-inch line.

* * *

The Colts moved to a 14-0 halftime lead over the Cardinals before rookie halfback L. G. Dupre of Baylor ran 84 yards for a touchdown at the start of the second half to bury the Cardinals' hopes.

Fullback Ralph Goldston's 55-yard touchdown run with a recovered fumble in the third quarter carried the Eagles to their triumph over the Steelers. It was the fifth straight exhibition triumph without a defeat for Philadelphia. Pittsburgh is 4-1.

Thrills, Upsets Mark Regatta

Thrills and upsets were the rule for the 500 spectators and racers at the Floyd Maddock Memorial Inter-Lakes Regatta, at Oakland County Boat Club on Sylvan Lake yesterday.

Racing ended at 6:30, but activities of recovered sunken and beached boats continued through the evening, after the tense day of close competition.

No one was injured as two boats flipped, dumping their drivers. One boat was struck by another after it capsized, but all crafts were back on shore before midnight.

Maddock, for whom the race is named, was a Pontiac area racer who died after a crash in the Silver Cup races on Detroit River earlier this year.

A match race between the Cobra, owned and driven by Art Hickson, of OCBC, and Alva Spencer's 18 foot Bayside Club Century ended on the 1st turn. Cobra flipped bottom up, dunking Hickson. His boat was recovered.

In the 1st heat of the 131 horsepower and under, race, a boat owned by Ray Hill of Cass Lake overturned, and was struck by the boat of Bob and Jack Rouse. The Rouse boat was beached before it could sink, and a diver put a line on Hill's boat in 30 feet of water later. It was recovered.

Regatta chairman Lou Ashbeck from OCBC presented the trophies to winners in the events.

In the 95 horsepower and under event, Larry Fuller of OCBC was 1st, with Jerry Brace 2nd. Spencer took top honors in the 131 and over, unlimited, with Jimmy Miller taking 2nd.

Miller came out on top in the 131 and over classification, with Spencer 2nd and Harold Olson 3rd.

Olson and Ken Loy, of Bayside Yacht Club, Cass Lake, took the cup in the 131 and under classification. Another Baysider, Art Crouch, took 1st in the 125 and under race, with Olson and Loy finishing 2nd.

Trophy for the team win between the two clubs was taken by Cass Lakers, by a 40 point margin, in a 3-way competition.

Loy and Olson received the award for high points of the day.

MSU Varsity Drubs Second Stringers

EAST LANSING (AP)—First Stringers were impressive as Michigan State's football squad held its 1st game-length scrimmage of the fall over the weekend.

But it stopped right there. A sharp drop was apparent between the quality of the varsity and the scrubs.

The varsity moved to four touchdowns to only one by the 2nd stringers.

Clarence Peaks, junior back from Flint, tallied two of the four varsity touchdowns.

TOO FAR AWAY—Carlos Paula, Washington right fielder, sprints for second base but Ray Boone, Detroit third baseman, tags him out in a rundown in the second inning of second game Sunday. Paula tried to go from first to third on a single by Clint Courtney, Washington catcher, and got caught changing his mind. Detroit player in the middle is not identified. Detroit won the first, 8-0, and Washington the second, 1-0.

'Old Timers' Slate Playoffs

International Old Timers Baseball League officials met Sunday in Chatham, Ontario for the purpose of arranging the 1955 playoffs and to discuss league policy in 1956.

Playoffs, involving the top four teams in the 6-club circuit, will be held next Saturday in London. Loop champion Stratford meets runnerup Toledo at 1 p.m. and Detroit faces London at 3 p.m. The two winners tangle for the playoff crown at 8 p.m.

Officers from all league cities attended. A 3-man delegation represented Pontiac, headed by loop president Paul Parks along with Glen Powell and player-manager Bud Leslie. Next meeting will be in Detroit in January.

Pontiac Old Timers wound up the 1955 season in the league basement with a 1-7 record.

Final standings:

	W	L		W	L
Stratford	6	0	London	4	4
Toledo	4	3	St. Thomas	3	5
Detroit	5	4	Pontiac	1	7

First Senior Amateur championship of the USGA will be held at the Belle Meade Country Club, Nashville, Tenn., Sept. 26 through Oct. 1. The entry fee is $10.

New Safety Features, Flight - Sweep Styling on Display at Chelsea

By DAVID J. WILKIE
AP Automotive Editor

DETROIT — Chrysler Corporation's 1956 model cars, introducing push-button automatic drive control, numerous new safety features and a new ultra-modern body design concept were displayed at a press preview today.

The showing, at Chrysler's proving grounds at Chelsea, west of here, disclosed that Chrysler, like other car makers, has been carrying on extensive safety tests.

In these tests, particular emphasis has been given to a new type door latch, designed to prevent doors from popping open in any but most unusual crashes. Chrysler calls them "life guard" latches. They will be standard on all Chrysler Corp. cars.

The push-button drive, to be standard on all Plymouth, De Soto, Dodge, Chrysler and Imperial models equipped with automatic transmissions, will be controlled from the instrument panel, left of the steering wheel. The selector unit consists of buttons for neutral, low, drive and reverse which are illuminated for night driving.

JUST LIKE RADIO

Chrysler emphasizes that the left-of-the-wheel installation keeps the buttons out of reach of children. It noted also that shifting with the new device is as gentle as operating a push-button radio.

Offered as optional equipment are safety seat belts and a newly designed vacuum-operated brake system with automatic transmission installations.

Chrysler calls the new body styling concept "flight-sweep." Rear fenders and quarter panels feature the fin treatment. Taillight units, integrated into the fins, carrying out the aircraft motif evident in the over-all styling.

Four-door hardtop models will be offered in all lines, along with advances in engines that will present higher output and increased compression ratios. Also incorporated into the new model design are new 12-volt electrical systems.

'HIGHWAY HI-FI'

A major optional installation for 1956 models is a "Highway Hi-Fi" record player, developed for all five Chrysler lines by CBS Laboratories.

Soaked Texans Expect Floods

Tropical Squalls Spell More Loss for Beaten Rio Grande Valley

BROWNSVILLE, Tex. (AP) — Residents of the lower Rio Grande Valley, already waterlogged from last weekends tropical storm Gladys, braced themselves today for possible floods as a tropical disturbance whipped up winds and squalls along the Mexican and Texas coasts.

* * *

The State Civil Defense office in Austin warned all points on the RIO Grande Valley as far upstream as Del Rio, about 300 airline miles from the Gulf, of possible heavy rains.

Officials said the new threat of heavy rain was especially serious in the Raymondville area, where floodwaters still swirl through many homes.

* * *

An inch of rain fell at Raymondville yesterday.

About two inches of rain hit Weslaco early today and water ran over the curbs.

The present storm appears much weaker than Gladys, and hurricane hunter planes were unable to find any center.

* * *

MIAMI, Fla. (AP)—A scout plane took off today for another look at an easterly wave that has developed near Puerto Rico in the tropical storm belt.

The disturbance, an area of squalls and rain, was moving westnorthwest at about 15 miles an hour.

Woman Reports Purse Snatched Here Sunday

A purse-snatcher made off with $7 and a purse belonging to Lela Dewalt of 506 Montana Ave. Sunday morning, according to Pontiac Police.

The woman told detectives she was walking on Wessen street just west of Saginaw street when the man grabbed her purse and fled in his car.

Police are investigating the robbery.

There are about 2,475 miles of railway trackage in New Mexico.

City Couple Injured in Baldwin Smashup

A Pontiac couple were treated Saturday at Pontiac General Hospital for minor injuries received in a car crash at Baldwin Avenue and Ann Arbor.

Ellis C. Russell, 75, of 81 W. Hopkins St. suffered chest injuries while his wife, Pearl, 70, received bruises to the right knee and forehead. Both were released after treatment.

Russell told Pontiac Police he was driving north on Boldwin when an unidentified car cut him off, forcing him to smash a parked car belonging to Wallace E. Earl, 27, of 2300 Endress.

Hospital Releases Boy After Being Hit by Car

James Olsen, 10, of Bloomfield Terrace, was treated and released at St. Joseph Mercy Hospital Saturday for leg and arm injuries after he walked into the path of a car, according to Pontiac Police.

The driver of the car, Luther D. French, 32, of 268 Cedardale Ave., told police officers he was passing a bus, which was stopped,, when the boy ran in front of the bus and into the side of his car.

The boy told officers he get off the bus and walked in front of it and did not see French's car.

Reds Pay Pilot's Widow $10,000 in Belgium

BRUSSELS, Belgium (AP) — The Soviet Union has paid 500,000 francs — $10,000 — to the Belgian widow of an airlines pilot shot down by a Russian MIG fighter over Austria last year.

Soviet Consul L. G. Podgornow handed the check to Mrs. J. Clauwaets, whose husband was killed June 3, 1954, when a MIG attacked the Sabena freighter he was flying near Graz.

Clauwaets was ferrying a cargo of pigs to Yugoslavia.
