New external scholarship opportunity

Marriott International and the International Franchise Association Education Foundation recently announced the Minority Entrepreneurs Scholarship program which will present five \$3,000 awards annually. The award is to help and recognize minority students by providing scholarship funds to college students enrolled in business, franchising and/or entrepreneurial studies.

Undergraduate, graduate and some continuing education students may be eligible for consideration. Applicant must be considered a member of a recognized minority group and be a U.S. citizen.

Deadline to apply is June 15.

Application and detailed information is available online [here](#).
