GRADS DIVIDENDS

"Graduates," he told the audience of more than 1,000, "are the dividends on the time and money spent by the community."

He cautioned the graduates that their diplomas were but the beginning, like the first marking period, of their careers.

He decried talk that there is less opportunity for young people in the United States now than in the past.

IN DEMAND

"Think of the hundreds of thousands of people the automobile industry demands, or the aircraft industry, or radio and television, or atomic projects or plastics," he stated.

He advised the grads to put forth their best efforts in whatever occupation they choose. "When you choose something to follow, make sure you can do that something better than most people," he said.

Army Denies 'Brainwashing'

Pentagon Lawyer Says GI Not Pressured Into Trial by Japanese

TOKYO (INS) — A top Pentagon Army lawyer today termed "utter folly" charges by William Girard's U.S. lawyers that the Army is "brainwashing" the young GI into accepting a Japanese trial.

One of the Japanese involved was later identified as Hiteji Onozeki, a prospective prosecution witness against Girard.

Meanwhile, an Army spokesman disclosed that a GI was hospitalized last weekend following a "spu of the moment fight" involving three U.S. soldiers and two Japanese.

None of the participants in what one of the GIs involved called a "drunken brawl" was arrested. The injuries of PFC Wilber R. Smith, who was clubbed by one of the Japanese, were not regarded as serious.

The spokesman said: "This was a spur of the moment fight and there was no connection with the Girard incident."

Mayer's Lead Dwindles; Snead Back in Contention

By BRUNO L. KEARNS
Pontiac Press Sports Editor

TOLEDO—Final rounds of the National Open started at 8 a.m. this morning at Inverness Country Club here and after the first nine holes 34-year-old Dick Mayer of St. Petersburg, Fla., lost one stroke of his lead by going out in a one over par 35.

After 36 holes yesterday, Mayer and amateur Billy Joe Patton were tied for the lead with identical scores of 70-68-138.

Patton started off this morning by bogeying the 1st hole and parring the next two. Wally Burkemo of Franklin Hills, who had 74-73-147 for 36 holes, started in good fashion by hitting a par four on the 1st hole and then getting birdies on the next two holes.

Bob Gajda of Forest Lake, who just made the cut-off point with 150, fired a 39 for the first nine and then ran into trouble.

Tornado Rakes Illinois Capital

Report Heavy Damage, 3 Deaths in Springfield After Storms

SPRINGFIELD, Ill. (INS) — Springfield counted two dead amid untold wreckage in the wake of a tornado which last night came roaring through the dark heart of a thunderstorm.

A third person was killed when struck by lightning in an earlier storm.

Before the tornado hit Springfield, the state capital, it passed through Jacksonville, Ill., injuring five persons and causing considerable property damage.

The Springfield dead were Mrs. Dorothy Farley, 68, crushed in a vain attempt to reach a storm cellar; Mrs. Annabel Larson, 37, struck by a live power line as she rode a bicycle; and Carl E. Applegate, killed by lightning.

The 106-mile-an-hour wind funnel, shrouded by the heavy rain which flooded much of the city, injured at least 40 persons, destroyed 20 homes, three industrial plants, a large warehouse, knocked down power lines and uprooted hundreds of trees.

Thirty other homes were damaged along with numerous garages and business structures.

Much of the city was without electricity during the night as firemen and linemen sought to minimize the hazard created by live lines knocked onto pools of water which formed throughout Springfield.

The hardest hit section was in the southeast part of the city where the twister apparently touched ground and destroyed a row of nine homes.

Emergency aid forces and auxiliary police worked to clear the debris and aid stricken families. The National Guard was called out to guard against possible looting.

Foreign Aid Bill Passes Senate With No Change

Okayed on 57-25 Count as Dem-Led Opposition Is Smothered

WASHINGTON (AP) — President Eisenhower's \$3,637,000,000 foreign aid bill moved on to the House today, propelled by a 57-25 Senate vote.

Every effort by bands of Democratic-led opponents to trim its totals and limit its authority to one year was smothered in a series of roll calls that kept the Senate in session almost until last midnight.

On final passage, 26 Democrats and 31 Republicans voted for the bill; 17 Democrats and 8 Republicans opposed it.

It was a rare demonstration of Republican unity on a foreign policy matter, with Sen. Knowland of California, the Republican leader, supporting Eisenhower on every issue. He sometimes has differed with the administration on foreign policy matters.

It also was an exhibition of generalship by Sen. Lyndon B. Johnson (D-Tex.), the majority leader, in keeping many reluctant Democrats in line.

LATER CUTS POSSIBLE

Both held out the possibility of cuts in a later appropriations bill to provide funds for the aid program. They reminded their colleagues that the foreign aid bill is an authorization measure, setting only ceilings and terms.

With Johnson and Knowland working in close harmony behind 89-year-old Chairman Green (D-R.I.) of the Senate Foreign Relations Committee, the bill survived every test despite charges the program is loaded with "giveaways," and "waste and extravagance."

Supporters of the bill said that in arming allies and bolstering their economies, this country is protecting its own national security.

The opposition was led by Democratic Sens. Long and Ellender of Louisiana, Morse of Oregon and O'Mahoney of Wyoming. All voted "no" on final passage.

Since Starting Foreign Service

Dulles Marks 50 Years

WASHINGTON (P) — Secretary of State Dulles today observed the 50th anniversary of his start in diplomacy.

His career in foreign affairs began on June 15, 1907, when he attended the second Hague peace conference as a member of the Chinese delegation.

Aides said the 60-year-old Dulles was celebrating the occasion by working as usual.

As is his Saturday custom, he planned to remain at home preparing a speech to be delivered in San Francisco, June 28, and getting ready for a congressional committee meeting next week.

Dulles has not spent all these past 50 years in diplomatic work. He also has had a career as an international lawyer.

Visiting Newsmen Bids Farewell

Dear Pontiac:

I have had a wonderful three months as your guest, but unfortunately time passes all too quickly. I find myself within a day or two of leaving this city for a tour of other parts of the United States and a long eastward round-trip home to Australia.

NEWSPERSON

My stay could not have been as instructive and pleasurable but for the welcome on every mat.

This visit would not have been possible at all but for the part The Pontiac Press has chosen to play in the U.S. State Department's exchange program by being my host during my stay in Pontiac.

GRANCE TO LEARN

Not only have I had an outstanding opportunity to learn about the American way of life, but I feel that Pontiac area knows a lot more than it did about my country through talks—totaling 50—I have given at luncheon clubs, nowhere have I been able to women's groups, schools, university classes and churches.

I hope that my contribution to knowledge about my own fast

developing Australia has helped put that country more in focus.

I have visited many countries in Europe, Africa and Asia, but identify myself with a community in so short a time. I feel that, living and working in Pontiac, I have come to share its hopes and fears—even to becoming an ardent Tiger baseball fan (and I had never seen the game before) and becoming downcast when the Red Wings were defeated in the Stanley Cup series.

I have made many firm friends, I have learned a lot, and I have enjoyed myself thoroughly during my time as a Michigander.

I wish I could stay longer, but that is not possible. I like to think that some day I will be back.

Yours very sincerely,

Dennis N. Hawker

State Turncoat in Hong Kong

Former Ionia Soldier Says He Left Red China Out of 'Homesickness'

HONG KONG (P) — American turncoat Andrew Fortuna arrived in Hong Kong today and said it was "just plain homesickness" that made him decide to leave Red China after 3 1/2 years. He will board ship for the United States tonight.

The 31-year-old former GI from Ionia, Mich., was the eighth to come home of the 21 American prisoners of war who refused repatriation after the Korean War. One died in China.

Fortuna strolled casually across the border smoking a cigarette. He handed newsmen a written statement saying, "having had a pleasant and interesting stay I am now going home for personal and family reasons."

But after he was processed by American officials here he told a news conference about his homesickness.

"I haven't been home for nine years," Fortuna said. "I was homesick. I guess you can say it was just plain homesickness that is making me go back."

Fortuna said he earned the equivalent of 40 dollars a month as a mechanic at a government motor pool at Hankow, a major industrial city some 400 miles west of Shanghai.

The U.S. consulate booked passage for Fortuna on the liner President Wilson scheduled to dock in San Francisco July 3.

Pair Missing, 3 Taken Alive From Wreckage

Polish Liner Downed in Storm Near Moscow; 6 Bodies Counted

MOSCOW (AP) — A twin-engined Polish airliner carrying eight passengers — five of them Americans — crashed in a storm last night while coming into Moscow. Three Americans were taken from the wreckage alive. The two others were missing.

The three American survivors were identified as Mrs. Margaret Tremper; her daughter, Michelle, 14, and Richard Cheverton, all of Grand Rapids, Mich.

They were on a tour of the Soviet Union sponsored by television station WOOD-TV in Grand Rapids. Cheverton is news director for the station.

Listed as unaccounted for were Mr. and Mrs. Harvey Beuker. Beuker is a Grand Rapids insurance man.

Three American newsmen stationed in Moscow—Harold Milks and Roy Essoyan of The Associated Press and Irving R. Levine of The National Broadcasting Co.—helped rescue the survivors.

They heard a woman's voice calling "I'm cold, I'm cold, help. My legs hurt." They found Mrs. Tremper pinned in the wreckage and pulled her out and carried her to an ambulance on a stretcher.

Mrs. Tremper's young daughter Michelle and Cheverton, who were rescued later, were both badly bruised and suffering from shock.

Mrs. Tremper was believed the more seriously hurt but the ex-

Why Not Join in Fun of Bicycling?

By JOSEPHINE LOWMAN

Recently I called your attention to the value and fun of bicycle riding. The bicycle has had such a turbulent and interesting history that I think you might like to hear about it.

Did you know that May 19 was the anniversary of the first bicycle built in the United States and that there are more than 24 million cyclists in this country, with the number on the upgrade?

In the gay 90s the bicycle was a terrific fad. In spite of the fact that they were very expensive at that time, the streets were filled with bicyclists going to and from work, and on holidays and weekends the country roads and parks were cluttered with them. Policemen mounted on their cycles chased speeders who were going more than 10 miles an hour!

These preceded the modern hot-rodgers just as several bicycle-mounted units in the Army were forerunners of mechanized troops. Most cities had their cycle clubs.

Then the automobile appeared on the scene and the bicycle industry took an awful beating. Later cycles

became cheaper and there was a boom in the children's market. Every girl, and especially every boy, awaited with impatience the day when the first bicycle would appear under the Christmas tree or as a birthday gift. During this period the number of adult riders decreased dramatically.

When World War II arrived production was cut back and the "Victory" models went to war workers. Because of gas rationing these be-

The bicycle is here to stay. AND it's less expensive than it was 60 years ago. So, put on your pedal pushers and enjoy the outdoors this hot season!

Manning-McGuire Nuptials Solemnized

Jane Ellen McGuire chose a pure silk gown accented with Alencon lace for her wedding this morning to Gerald Riordan Manning.

Two hundred guests attended the 11 o'clock ceremony at St. Vincent de Paul Church. The Rev. Fabian K. Weber officiated.

Jane is the daughter of Mrs. James H. McGuire of Golf drive and the late James H. McGuire of Golf drive. Gerald's parents are Adm. and Mrs. John J. Manning (U.S.N. Ret.) of Washington, D. C.

The V neckline of the fitted bodice was accented with Alencon lace edging which was repeated in the skirt. The bouffant skirt extended into a chapel sweep, and was fashioned with a semi-bustle.

A headpiece of Alencon lace studded with seed pearls secured the bride's veil of scalloped illusion, and her jewelry was a strand of pearls, a gift of the bridegroom. She carried an arrangement of Amazon lilies and stephanotis.

SISTER TAKES PART

Anne M. Manning of Washington, D. C., sister of the bridegroom, served as honor attendant. Bridesmaids were Mary Jo Kitson of Detroit, Mrs. Jerome E. Martin and Mrs. Harry E. Watts of Monroe.

They wore identical gowns of white nylon with fitted bodice and ballerina-length skirts, accented pleated. Nile green cummerbunds with back streamers extending to the hemline were features of their gowns.

The bridal attendants carried arrangements of yellow daisies and ivy.

ASSIST BRIDEGRROOM

Gerald had John D. Crecca Jr. of Elizabeth, N. J., as his best man. Ushers were William G. Frankenhof, James Fitzgerald of Washington, D. C., and John T. Raleigh of Troy, N. Y.

For receiving her guests at the breakfast-reception held at Devon Gables immediately following the ceremony, Mrs. McGuire chose a dusty rose lace and chiffon dress, with a matching hat and black accessories. Her corsage was of cymbidium orchids.

Mrs. Manning wore an iridescent blue-green dress with white accessories. Her corsage was also of cymbidium orchids.

Gerald is a graduate of Rensselaer Polytechnic Institute, Troy, N. Y., where he was affiliated with Chi Phi Fraternity. The new Mrs. Manning attended the College of St. Mary of the Springs in Columbus and Michigan State University.

For traveling to the Potomac Mountains, the bride changed to a black sheath with a black and white short jacket and small black and white sailor hat. Her accessories were black, and her corsage was of Amazon lilies.

Traded Williams Sparks Indians

CLEVELAND (U)—Off one game, the Cleveland Indians got the better of the Baltimore Orioles in the deal in which Jim Busby and Dick Williams swapped uniforms.

Busby, making his first appearance in a Baltimore uniform last night, failed to get a hit in five trips to the plate. Williams, connected with three hits, including a homer, in four times at bat for Cleveland as the Indians beat the Orioles 7-2.

And Busby filed to Williams for the final Baltimore out.

City Best-Ball Tourney Opens

31 2-Man Teams Seek Crown Today in Annual Event at Municipal

A field of 31 two-man teams began teeing off at 12 o'clock noon today at Pontiac Municipal Golf Course in search of the City Best-Ball golf title.

Several of the Pontiac area's top amateur golfers were among the players taking aim at Municipal's par 34-59 layout in the annual men's event.

Heading the parade of talent were Bill (Buster) Pembroke and Jim Pettiford, who annexed last year's best-ball championship with a sizzling 62.

Their most dangerous challenges were expected to come from Paul Bada and Mike Andonian, all scheduled to start at 1:52 p.m., formed the top four-some from a spectator standpoint.

A few other outstanding teams in the 18-hole tourney were Chuck Barker and Dick Robertson, Dick DeWitt and Tom Thumb, brothers Joe and Bob Gaines, and the Glenn Harding entry.

TOLEDO—This is a day of decision for 53 remaining players in the U. S. National Open at Toledo's Inverness Country Club.

The 36-hole finals scheduled for today are expected to force a showdown between the "old pros" who led the first round and a pair of youngsters who surged into the lead in yesterday's second round.

Amateur Billy Joe Patton, 30-year-old lumberman from North Carolina, and Dick Mayer, 34-year-old pro from St. Petersburg, Fla., each came through with rounds of 68 yesterday adding to their 70's of Thursday to share the lead at mid-point with 138.

This equals the 36-hole record for the Open. Sam Snead fired a 69-69, 138 in 1948 and Ben Hogan had an identical score in 1952.

Jimmy Demaret and Northville's Chick Harbert both faltered yesterday after sharing the first round lead with 68's.

Demaret, 46-year-old grandfather from Lake Kiamiesha, N. Y., shot a 37 for the first nine yesterday after going out in 32 the day before. He double-bogeyed the rugged 4th hole and bogeyed the 9th hole for a 37 and then came in with a par-36 for the back nine for a 73.

Harbert, who is 42, seemed to

a 79 yesterday and reached the halfway mark with 147.

Doug Ford, who threatened to take over the lead after the 15th hole, ran into trouble on 16 and 18, both for bogeys, and he finished with 71 to add to his 69.

Ford and Ken Venturi of San Francisco were tied at 140 behind the leaders, and it is Ford, current leading money winner of the PGA with \$28,931.55, who is rated the strongest choice to capture the open.

Wally Burkemo of Franklin Hills and Jack Fleck of Rochester ran into putting troubles yesterday, but still managed to get into the final rounds with 147 and 148 respectively.

Fleck missed an eight-foot putt on the 6th hole and on the 7th a 3-footer rimmed and rolled a few inches away. This gave him a bogey on the 6th and prevented him from getting a birdie on the 7th.

Peter Thomson, three-time British Open winner from Melbourne, Australia, was still in close running with a 71-72-143. Thomson sunk a beautiful 18-footer downhill on the 7th hole for a birdie and he was 1-under after 15 holes. He then bogeyed 16 and 18 and finished 1-over.

FACE FINALS FIELD — Pacing the final rounds of the National Open Golf championship at Toledo, today are Amateur Billy Joe Patton (inset at right), and Dick Mayer (above). They shared the lead going into today's play with a 2-day 138 total. Patton had just chipped to the 13th green in the inset picture, while Mayer was chipping over a bank to No. 2, in yesterday afternoon's round.

Probably the happiest player on the course yesterday, however, was Patton, the bespectacled amateur who fired par on each of the first nine holes and then had three birdies and a bogey on the back nine for his 68.

"These two rounds in the Open have been the best I've ever played and I especially had a lot of good shots yesterday," Patton said gleefully as he came off the 18th green where he dropped a 12-inch putt for the birdie.

The cut-off point for today's finals included players with scores of 150 or lower.

This eliminated six Michigan players from the field. Lou Powers, Harvey Woodward, Bill Nary, Joe Zakarian, Reggie Myles and Harold Brink.

Bob Gajda with 75-75, and Chuck Kocsis with 76-74, made the finals with the 13-player tie for 50th place.

The morning round today started at 8 a.m. and the final 18-holes was scheduled for noon. In event of a tie, the playoff will be held Sunday.

These were the hole-by-hole scores for the Michigan players who remain in today's final rounds.

Bold Ruler, Gallant Man Favored Triple Crown Final Today at Belmont

NEW YORK (U)—Bold Ruler, matched strides today in one of the most talked-about horse races of the season — the 89th running of the Belmont Stakes.

This was the finale of the famed Triple Crown series for 3-year-old thoroughbreds, and it apparently settled down to a question of whether a good little horse like Gallant Man can handle a good big horse like Bold Ruler.

Northwestern Senior Wins College Title

CHAMPAIGN, Ill. (INS)—Meriam Bailey, a Northwestern University senior, has won the Women's National Intercollegiate golf crown, edging out Judy Bell of the University of Arizona.

Miss Bailey took three of the last five holes yesterday in Champaign for a two-up margin over Miss Bell, of Wichita, Kan.

Ace for Milford Man

William Paul of Milford, a fine area golfer despite the fact he has no fingers on his right hand, fired the 1st hole-in-one of the season recently at the Davisburg Golf Course. He made the ace on the 147-yard 7th hole using a six-iron, Paul was playing with Lloyd Kirby and Hillis Kushman. There have been six aces at Davisburg in the last seven years.

Trapped by 'Monster' Open's Toughest? No. 4

By BRUNO L. KEARNS

TOLEDO — Ask most any player in the National Open which is the toughest hole at Inverness Country Club and he'll probably answer by saying, "that monster."

Even the best of the pros agree this is the right nickname for the rugged fourth hole.

Yesterday, 158 players went over the par-4, 466-yard hole and only 41 were able to par it.

Of the 117 who bogeyed "the monster," 15 were double bogeys, four had savens and two made it in eight strokes.

The lone birdie on the hole in yesterday's second round were credited to Julius Boros of Southern Pines, North Carolina, and Bill Collins of Fersdale, New York.

What makes the hole so tough? The slightest hook will send the ball into a very heavy rough, and facing the shooter on the right side of the fairway are sand traps and out-of-bounds markers. Most shots on the left side of the fairway will be sidehill lies and just ahead of the green there is a deep ravine and water ditch.

Most important shot on this hole is the second shot and it almost has to be perfect. Too short to the left and the ball goes in the ravine; too short on the right and it will land in the water ditch; too wide to the right and there are two traps to catch it; too long a shot and it will be caught in the rough.

This is "the monster," of the National Open.

Logan, Drysdale Draw Fines for Thursday Brawl

PHILADELPHIA (U)—Johnny Logan, the Milwaukee Braves' shortstop, has been fined \$100 for his part in a fight Thursday at Brooklyn with the Dodgers' Don Drysdale who was assessed \$40.

The fight developed in a general brawl involving players on both teams. Logan came out of it with a cut over his eye, while Drysdale, the Dodgers' starting pitcher, showed a collection of welts on his chest.

Union Lake's entry in the Babe Ruth League will open its 1957 baseball season this Sunday at Walled Lake Junior High School.

Dick Doyon, one of the most versatile athletes in St. Frederick history, has enlisted in the service. Doyon was graduated from St. Fred in 1956.

Macias 8-5 Choice to Remain Champion

SAN FRANCISCO (U)—Mexico City's clever Raul Macias, the NBA world bantamweight boxing champion, tests his craftsmanship tonight against the challenge of slugging Domy Ursa of the Philippines.

The 15-round Cow Palace bout, with Macias' title at stake, starts at 9 p.m. with no telecast or broadcast.

"Odds still favor the 22-year-old former office boy who won the NBA crown two years ago, but while they opened at about 3-1, by last night about 8-5 was being quoted."

Local Angler Caught 15 Trout Too Many

Doug Ford's 12-year-old son, Doug Jr., is starting out just as his famous father did. He is excellent at both baseball and golf but appears to prefer baseball as a Little League 1st baseman with power from either side of the plate.

Young Doug fired an 88 in golf the 1st time out this year. "He'd be a fine golfer but doesn't practice enough because of baseball. I won't force him," says the puzzled but proud father.

One of the first "casualties" of the trout season which opened today was Hugh D. Hammond, 37, of 620 Luther St., Pontiac.

He was arrested by Romeo Post State Police with 17 trout in his possession. The limit is two. He was fishing in the Bald Mountain Recreation Area.

Grace - Neilson Also Bow at Pine Lake

MAKES GRADE — Jack Fleck was taking a brief rest (above) yesterday, waiting his turn at a tee on Toledo Inverness CC. Fleck, former Open champion, of Rochester CC, yesterday made the qualifying list for today's final rounds of the National Open along with four other area golfers.

Funston and Krall scored a 1-up victory over Neilson and his youthful partner, who stars as a varsity golfer for Notre Dame.

Glenn Harding and Dick Robertson, Pontiac Country Club golfers who captured medalist honors in Thursday's 18-hole qualifiers with a two-under-par 70, didn't have it yesterday.

Joe Grace of Detroit Golf Club and Mervyn Neilson of Pine Lake, the defending champions, were pushed through the exit by the Plum Hollow twosome of Jim Funston and Bill Krall.

It took 19 holes to do it, but
