A SEASON OF EXCITEMENT

Your ticket to excitement for the 1983-84 season will put you near the action for every athletic event at Oakland University.

Oakland will open the new campaign with its nationally ranked soccer team that made the semi-finals of the NCAA Tournament last year. Women's tennis and volleyball also headline the card.

In the winter, Oakland's highly competitive teams in men's and women's swimming, wrestling and men's and women's basketball enter action. The atmosphere promises to be fun for the whole family.

Oakland's all-sports ticket will cost just \$50 for the entire family or \$30 per individual. It will admit you or your family to any sports event at Oakland where admission is charged, including wrestling, basketball, soccer, swimming and volleyball.

For those interested in just college basketball, season tickets can be purchased for \$20 per individual or \$35 for family ticket. These tickets will admit you to any women's or men's basketball game.

Both ticket plans provide an extremely economical way to entertain yourself or your family at Oakland's athletic events.

Prizes will be awarded to each winner of halftime contests at every Oakland basketball and soccer game. Free throw shooting and kicks on goals contests are just a few activities that fans at the games may be selected to participate in this year.

So be in on the action and excitement this year. Bring your family to Oakland University for outstanding collegiate competition ... you and your family will be glad you did.

PIONEER HIGHLIGHTS IN 1982-83

SPORT	NCAA FINISH & RECORD
