Sewage Crisis Facing Waterford

Pontiac Press Photo

HOSPITAL PROJECT — James D. McIntosh (left), of the Waterford Township Junior Chamber of Commerce, and Ronald Robbins, occupational therapist at Pontiac State Hospital, examine metal fastener to be used in one of the industrial projects for patients in a sheltered workshop program at the hospital. (See story, page 2).

Saw UFO, Say Official, Coeds

HILLSDALE (UPI)—A county Civil Defense director and 87 coeds said today they watched an eerie, hovering flying object settle in a swampy hollow near a college dormitory last night.

William Van Horn, 41, Hillsdale County Civil Defense director for 10 years, said he watched the unidentified object through binoculars for three hours.

It was the second straight night a large number of witnesses reported seeing weird unidentified flying objects in southern Michigan.

Sunday night a dozen policemen and at least 40 other persons watched a similar object, guarded by four sister ships, land in a swamp 45 miles northeast of here near Ann Arbor.

The Air Force announced it was calling in Dr. H. Allen Hynek, chairman of the Dearborn Observatory at Northwestern University, Evanston, Ill., and scientific consultant to the Air Force's UFO study program, to investigate the rash of sightings.

Hynek will work from Selfridge Air Force Base at Mount Clemens, the Air Force said.

JOINED COEDS

Van Horn said he joined the 87 Hillsdale college coeds and their housemother to watch the object.

He said it emitted wavering orange, red and white lights and appeared to hover just above the swamp some 1,000 to 1,500 yards from the dormitory.

It was still there when he left about 1:30 a.m. today, he said.

★ ★ ★

"It was definitely some kind of vehicle," Van Horn said. He said it changed from orange to red, perhaps with a rotating light of some kind, and had a white light at one end.

BACK AND FORTH

"From all appearances it did not appear to be sitting on the ground as it moved back and forth across the ground," he said.

Thunderstorms lashed the area as Van Horn and the college girls watched from a second floor dormitory window.

Police sent three squad cars but officers reported the object was not visible from the road.

★ ★ ★

Van Horn said he saw three similar objects in the air Friday night.

OTHER SIGHTINGS

He said William Vincent, coordinator of a ham radio club of some 40 youths, has reported several UFO sightings in this area during the past 10 days.

Van Horn was called by girls at the dormitory. The coeds reported the object alternately glowed red, white, blue and other colors.

Sorry About Probe: Roche

Apologizes for Check on Author-Critic's Life

WASHINGTON (AP) — The president of General Motors, James M. Roche, apologized to a Senate committee today for any responsibility the auto firm had in the private-eye harassment of a critic of automobile safety.

Roche told the committee:

"While there can be no disagreement over General Motors' legal right to ascertain necessary facts preparatory to litiga-

Earlier Story, Page B-2

tion I am not here to excuse, condone or justify in any way our investigating" of Ralph Nader, an attorney and author of the book "Unsafe at Any Speed."

Roche said he had been surprised to learn that GM was investigating Nader. "I have made every effort to obtain all the facts since learning about this two weeks ago," he said.

Roche said to the best of his knowledge the "investigation initiated by GM, contrary to some speculation, did not employ girls as sex lures, did not employ detectives giving false names, did not employ Allied Investigations, Inc., did not use recording devices during interviews, did not follow Mr. Nader in Iowa and Pennsylvania, did not have him under surveillance during the day he testified before this subcommittee, did not follow him in any private place and did not constantly ring his private telephone number late at night with false statements or anonymous warnings."

MICHIGAN CANDIDATE — Michigan's Junior Miss, Bonnie Britton of Farmington Township, receives a royal reception upon arrival at Mobile, Ala. Miss Britton, a senior at North Farmington High School, is one of 50 girls vying for America's Junior Miss title.

Drainage Runs on Surface in Neighborhood

Ultimate Solution---a Sewer System---Still 3 to 5 Years Away

By HUDSON WILLSE

A temporary solution is being sought by Waterford Township officials to correct malfunctioning individual septic tank systems at four homes on South Winding, currently posing a serious health problem to the immediate neighborhood.

Failure of drain fields, attributed to the lack of porous subsoils to absorb the sewage overflow, has caused drainage to flow onto the ground surface.

The problem has been described as urgent by township and Oakland County Department of Health officials.

The ultimate solution is installation of sanitary sewers.

But the proposed $22.5-million township internal sewer system is still in the planning stages and may be three to five years away.

'SERIOUS THREAT'

In a letter presented to board members last night, Dr. Bernard D. Berman, director of the county health department, said:

"The township will need to avail itself of all possible means and methods to expedite the installation of a much needed sewer system to alleviate a serious threat to the health and well being of the many persons involved."

Two of the systems on South Winding failed despite repairs and installation of new drain fields.

All four homes are on a hill. Overflow subsequently spills onto adjacent, downhill properties.

According to Waterford Township Director of Inspections E. R. Lawson: "One person who's not involved gets it all."

Other residents on South Winding have complained, contending that existing con-

Senator Says Voters May Rebel on Viet

WASHINGTON (AP)—The Senate is expected to give overwhelming approval today to a $13.1-billion Viet Nam war chest—after a warning that Americans may show their frustrations at the polls if the Communists aren't forced to the peace table soon.

The blunt election-year warning came yesterday from Sen. Richard B. Russell, chairman of the Armed Services Committee and one of President Johnson's strongest supporters on Capitol Hill.

Declaring that "the American people will not tolerate indefinitely the kind of war we are waging there," Russell urged harder blows at the North Vietnamese, including the closing of the port of Haiphong.

Russell indicated he had expressed these views to President Johnson. The Georgia Democrat said he saw little danger of the Chinese marching into the conflict "as long as we do not land forces near the China border."

In any case, he said, "we will be compelled to take a calculated risk to bring this war to a close."

★ ★ ★

Russell gave his views as the Senate opened debate on the $13.1-billion supplemental appropriation with Sen. Joseph S. Clark, D-Pa. urging the United States to end the war by negotiating with the Viet Cong.

The appropriation bill was sought by President Johnson to provide U.S. forces with a bigger arsenal of men, money and firepower to carry on operations in Southeast Asia.

★ ★ ★

Senate leaders had hoped to complete action on the measure yesterday but put off a vote until today after Clark urged that more time was needed for speeches.

REP. CLEVELAND

Congressman Robbed, Cut in D.C. Office

WASHINGTON (AP) — A masked bandit attacked Rep. James C. Cleveland in his Capitol Hill office last night and robbed him of $40.

The congressman suffered a minor cut during a struggle with the knife-wielding intruder.

Police said Cleveland, a New Hampshire Republican, was working alone in his fifth-floor office suite in the Longworth House Office Building across the street from the Capitol when the robber burst in, threatened him with a knife and took the money.

A janitor in the House Office Building was arrested several hours after the robbery. Washington police identified him as Raymond Bernard Hines Jr., 21, and said he voluntarily gave a full statement to police.

Cleveland, 45, was given a tetanus shot at nearby Casualty Hospital for a minor cut on his left arm. No stitches were required.

Capitol Police Chief James Powell, who heads the 250-man special force that patrols the Capitol and the five Senate and House office buildings, described the robbery and assault as "unprecedented."

What happened was this, Powell said:

Cleveland had just completed some paper work in his inner office and picked up a folder to leave on a secretary's desk in his outer office.

At about 11:20 p.m., he was surprised by a young man wearing a handkerchief over his face and carrying a knife.

The man threatened the congressman, told him he was desperate and demanded money. There was a scuffle and Cleveland was stabbed.

Ann Arbor Is Still in A-Smasher Race

WASHINGTON (AP)—The government narrowed to six locations today its search for a site for a $375-million atom smasher, the world's largest.

The National Academy of Sciences after appraisal of 85 proposed sites, recommended further study of sites at:

Ann Arbor, Mich.; Brookhaven National Laboratory, N.Y.; Madison, Wis.; the Sierra foothills near Sacramento, Calif.; South Barrington or Weston, near Chicago; and Denver, Colo.

As to the first five sites, the selection committee said the all have "either the nucleus of a strong accelerator design group or one of the nation's outstanding universities nearby."

Denver, the report said, "has neither the university strength nearby nor the existing design group that is considered desirable."

But it said the combined advantages of geology, accessibility, good climate and an area readily available large enough to accommodate any conceivable experiment or expansion are such as to make the Denver site merit serious consideration.

The recommendation is not binding on either the Atomic Energy Commission, which would operate the smasher, or Congress, which has not yet authorized the laboratory.

The proposed $375-million machine would be a 200 billion electron volt — BEV — accelerator — the world's most powerful device in the atom-smasher field and the costliest single scientific installation ever built. Its construction, however, has yet to be approved by Congress.

Blast Furnace Gas Fells 48 in Detroit

DETROIT (UPI) — A sudden rush of gas from a blast furnace knocked 48 workmen unconscious at a steel plant today.

★ ★ ★

They were rushed to hospitals and treated. None were seriously hurt and all but three or four were released.

★ ★ ★

A spokesman for the company, McLouth Steel Corp., said the men were working on the furnace outdoors, replating it, when the coke blast furnace gas suddenly rushed out.

★ ★ ★

He said it presumably was caused by a leak.

Bonnie Gets Moral Support

Junior Miss Backed by State Contestants

Bonnie Britton, the North Farmington High School senior currently competing for America's Junior Miss title, has received moral support from the 28 girls she defeated in the Michigan Junior Miss pageant.

In a joint telegram sent to Miss Britton in Mobile, Ala., the girls wrote:

"Good luck and all best wishes to our fair lady. Love. Your 28 Michigan sisters."

In addition, the girls plan on making a conference telephone call to Miss Britton tomorrow, talking to her simultaneously from their respective Michigan home towns.

★ ★ ★

Named Michigan's Junior Miss Jan. 29 at Pontiac Northern High School, Miss Britton is presently engaged in preliminary competition at Mobile.

SEEKS TITLE

The daughter of Mr. and Mrs. George W. Britton, 34234 Northwick, Farmington Township, she is seeking the title won last year by another Michigan girl, Patrice Gaunder of Stevensville.

The 1966 Junior Miss will be crowned following final competition Saturday night.

Spring's Showers to Continue

Showers or thundershowers will continue to dampen the Pontiac area with periods of rain tonight and tomorrow.

Temperatures registering lows in the 40s tonight will rise to highs in the 50s tomorrow then become colder tomorrow night.

Partial clearing, windy and colder is the outlook for Thursday.

Today's east to southeasterly winds at 5 to 10 miles per hour will shift to south to southeasterly at 10 to 20 miles tonight.

★ ★ ★

Thundershowers during the night and early morning washed the atmosphere and city streets with .2 inches of rain.

In downtown Pontiac the low temperature prior to 8 a.m. was 41. The mercury had moved up to 60 by 1 p.m.

News Flash

LANSING (AP) — Michigan State University professor Leroy Augenstein will pull out of the Republican Senate race tomorrow, the Associated Press learned today.

Im-PRESS-ed

There will be a bright spot in your day tomorrow, even if the sun doesn't shine, if you read the impressive Pontiac Press. Watch for these stories:

- **Class for expectant parents, to be offered soon in Rochester.**
- **Brandon Township's library to have a new building, thanks to citizens' help.**
- **Announcement of the all-state Class C basketball team.**

City Hospitals Act to Nip 'No Vacancy' Fears

By L. GARY THORNE

A "no vacancy" sign on Pontiac hospitals?

It could have happened.

Would-be patients at two of the city's hospitals might have been confronted by such signs as the "sorry, we're full" greeting that the weary traveler often encounters.

However, current expansion at St. Joseph Mercy Hospital and proposed building plans at Pontiac General Hospital are projected to avert the "no vacancy" possibility.

Releasing 1965 year-end figures, the two Pontiac hospitals show near-capacity activity in almost all areas.

AVERAGE OCCUPANCY

Pontiac General reports average occupancy at 86.1 per cent of capacity last year, while St. Joseph's registered 94.7 per cent.

A review of statistics for the past six years shows a steady increase in demand for more hospital services.

Hospital authorities report that the increased demand for services has been general, but hardest hit have been two areas: the emergency rooms and the medical-surgical areas.

Bernard Tresnowski, assistant administrator at St. Joseph Mercy Hospital, said the public should be urged not to use emergency rooms indiscriminately, saving time and space for those who need emergency care.

Statistics support the contention of hospital officials that population growth in the Pontiac area is straining hospital facilities.

In 1960, for example, visits to Pontiac General Hospital's emergency room totaled 24,897, while last year, emergency visits totaled 39,195 — an increase of 14,298 over 1960.

Emergency room visits at St. Joseph Mercy Hospital during the six-year period rose 3,052.

Tresnowski said statistics for 1965 vary somewhat because of the building program that is under way.

MORE SERVICES

"Modern medical technology has made it possible to provide more concentrated services in less time."

He said, for example, the average length of stay at St. Joseph Mercy was 8.4 days in 1960, while in 1965 the average stay had dropped to 6.6 days.

At the same time, the number of services have increased. Previously, about four services were furnished the average patient, while now the average has jumped to 15.

To illustrate, Tresnowski said the average patient used to have one or two X rays, but now five or six X rays were about average.

The number of beds at St. Joseph Mercy last year averaged

Grissom to Head 3-Man Crew for First Apollo Flight

MANNED SPACE CENTER, Houston, Tex. (AP) — One of the United States original astronauts, Virgil I. Grissom almost drowned in 1961 when his Mercury capsule sank after he became the second American to rocket into space.

* * *

About four years later, he took his second space ride — the first man to do so — as command pilot on the maiden mission of the two-man Gemini program.

Now, he is back again, to launch another project. The short, crew-cut Air Force lieutenant colonel will be commander aboard the nation's first three-man spaceship, an Apollo craft like one designed to carry men to the moon.

Grissom, Air Force Lt. Col. Edward H. White II and Navy Lt. Roger B. Chaffee were named Monday to take an Apollo spacecraft on a shakedown cruise of up to 14 days in earth orbit.

The flight will be the first of at least four manned Apollo flights planned before the United States attempts to shoot three men to the moon before 1970, perhaps by late 1968.

* * *

The space triplets are officially slated to take the first flight in early 1967, but if all goes well in training and spacecraft preparation for the mission, it could be launched as early as November.

Their mission might be sort of a ringing out the old, and ringing in the new in the staging a space rendezvous between the Apollo ship and the last two-man Gemini spacecraft, currently Gemini 12.

* * *

Such a rendezvous, Dr. Robert Gilruth, director of the Manned Spacecraft Center, said Monday "would have many purposes. It's always nice to have someone take a look at you (in space)."

Gemini would be taking an orbiting glance at Apollo, a possibility Apollo officials would like to see come about. Dr. Joseph Shea, Apollo program manager, said "a study is going on but it's too early to say (if the rendezvous would be attempted). The purpose of the mission is to exercise the spacecraft and the crew."

* * *

A native of Grand Rapids, Mich., Chafee holds a bachelor of science degree in aeronautical engineering from Purdue University and is married to the former Martha L. Horn of Oklahoma City. They have two children, Sheryl, 7, and Stephen, 4.

* * *

Grissom, a native of Mitchell, Ind., also has a bachelor of science degree from Purdue. His wife is the former Betty L. Moore of Mitchell, and they have two sons, Scott, 15, and Mark, 12.

* * *

Born in San Antonio, Tex., White is a graduate of West Point and has a master's degree in aeronautical engineering from the University of Michigan. He married the former Patricia Finegan of Washington, D.C., and their two children are Edward, 12, and Bonnie, 9.

* * *

Named backup crewmen for the mission were McDivitt, Air Force Maj. David R. Scott and Russell L. Schweickart, a civilian. They will train simultaneously over the next several months with the prime crew.

Burglars Hit Three Firms on Oakland

Burglars struck three Pontiac business firms on Oakland Avenue early yesterday, taking two fur coats valued at $5,500, a television set, and a small amount of cash.

Victims of the thieves were Gresham Cleaners, 605 Oakland; Nye Dairy, and Rhimes Delicatessen & Grill, lodged in the same building at 585 Oakland.

Pontiac police said means of entry to the cleaning establishment was not immediately determined.

Offices of the firm had been entered and an attempt was made to use a check protector machine.

* * *

One of the coats was full-length and valued at $4,000. The other was worth $1,500.

OPEN WINDOW

An open window at the side of Nye Dairy was apparently used to gain entry to the dairy and restaurant, police said.

A locked door between the two firms was then jimmied open and a television valued at $200 taken from the restaurant.

* * *

A cash drawer in the dairy was emptied of $35 and an unknown amount of small change was also reported missing.

Child Remains Fair After Heart Surgery

ANN ARBOR (AP) — Little Judy Lynn Funsch was reported holding her own in fair condition today, nearly two weeks after undergoing delicate heart surgery.

* * *

A spokesman at University of Michigan Hospital said the frail 5-year-old has received more than 1,000 letters from well-wishers around the nation.

Americans spent $2.9 billion on foreign travel last year, an increase of 93 per cent over the figures for 10 years earlier.

Sheltered Workshop Is Begun for County Hospital Patients

North Oakland County Junior Chamber of Commerce chapters last night joined with officials of Pontiac State Hospital to establish a sheltered workshop program for patients at the hospital.

Purpose of the program is to help restore a patient's self-esteem by providing work experience of a therapeutic nature.

At last night's organizational meeting at the hospital, a board of directors for the program was named. James D. McIntosh of the Waterford Township Jaycees will serve as chairman.

Other board members include Keith L. Leak, Arthur Heaton, Hortense Riddick, Mrs. John J. Buhr, Melvin C. Strader and Francis D. Robinson.

* * *

A total of 24 patients will take part in the program at the outset, according to McIntosh.

PATIENTS PAID

"Many more are expected as the program develops," he added. Patients will be paid on a piecework basis.

Among the functions of the eight Jaycee chapters will be to canvass local industries to determine what jobs could be assigned to the sheltered workshop and arrange for contracts.

Jaycees also will provide the needed equipment and supplies to perform the various jobs.

* * *

Dr. Donald Martin, medical superintendent at the hospital, said last night that the sheltered workshop program should be of great benefit to patients.

* * *

Participating Jaycee chapters include Waterford, Clarkston, Ortonville, Union Lake, Rochester, Holly, Davisburg and Auburn Heights.

Knifing Victim Reported Fair

A 28-year-old Pontiac woman, allegedly stabbed yesterday by her estranged husband, is reported in fair condition today at Pontiac General Hospital.

* * *

Mrs. Lillard P. Daniels of 495 Second was rushed to the hospital about 1 p.m. after being stabbed with a knife in the back and abdomen in front of her home.

Lillard P. Daniels, 36, apprehended by Pontiac police 30 minutes after the knifing, was being held today at the Oakland County Jail.

Detective Charles L. Chancy said prosecution of the case would depend upon whether Mrs. Daniels signs a complaint against her husband.

* * *

The stabbing climaxed what witnesses described as an argument in front of the couple's home.

DIVORCE PAPERS

Police said divorce papers which Mrs. Daniels had obtained earlier in the day were strewn around the back yard.

"I didn't mean to hurt her," police quoted Daniels as saying when arrested.

"I'm sorry, I didn't mean it. Is she all right?"

Confiscated from the suspect by police were two pocket knives and a clip of 32-caliber bullets.

Waterford Man Enters House Race

Loren D. Anderson, a Waterford Township Board member since 1961, today announced he will seek nomination for state representative candidate from the 61st District on the Republican ticket in the August primary election.

* * *

Anderson, 46, of 2361 Edinburgh, Waterford Township is one of two Republican trustees on the Waterford Township Board.

In a statement issued today, Anderson said:

"Being a Waterford Township Board trustee for the past five years has been a rewarding experience as well as an informative one.

"As in the past, the faith and trust of the people are now and will continue to be held sacred."

ANDERSON

CURRENT INCUMBENT

Current state representative from the 61st District is Francis A. Crowley, D-Waterford Township.

The district is composed of Waterford, Springfield, Independence and White Lake townships and Sylvan Lake.

Anderson, an insurance agent with Michigan Mutual Liability Co., was victorious in one of the closest elections in township annals April 1, 1963.

* * *

He defeated John Verhey by four votes, 5,090 to 5,086.

An Army veteran, Anderson is a former member of the Township Recreation Board and belongs to the Waterford Breakfast Optimist Club. He is married and has three children.

Chaffee will be taking his first orbital voyage.

Sewage Crisis Eyed

(Continued From Page One)

ditions have caused health nuisances and odor problems.

Sanitary sewage reportedly is flowing into one resident's basement.

* * *

Lawson noted that a possible temporary solution is installation of a large cement tank from which sewage could be pumped when the tank became full.

COULD BE COSTLY

But he warned that the undertaking could be expensive, predicting that sewage might have to be extracted from the tank as often as once a week.

Sewage could be pumped from two of the systems now, said Lawson, but the two 500-gallon tanks would probably fill up in two days.

Lawson said the residents want to stay where they are and have the problem fixed, after it was mentioned that eviction may be the only solution.

* * *

Kitchen sink water from one of the homes presently flows down the street, according to Lawson.

'WON'T CONTINUE'

"But this won't continue for long," he said.

Lawson remarked that several children live in the neighborhood, including the four homes with malfunctioning septic systems.

"The obvious permanent answer to this community health and nuisance problem," said Berman, "lies in the installation of sanitary sewers.

"This department cannot, in all due respect to the limited financial abilities of the persons involved, request a repeat of previous expensive repairs which would be destined to fail in short order."

ROBERT NORBERG

Pontiac Bank Fills VP Post

President Edward E. Barker Jr. of the Pontiac State Bank announced today that Robert Norberg, 38, 182 W. Chicago, has been named a vice president in charge of the bank's mortgage department.

* * *

Norberg has been serving as assistant manager of the department since October 1965. He succeeds the late Earl W. Bartlett.

A graduate of Pontiac Central High School, Norberg attended the school of banking at University of Michigan, and has taken five courses with the American Institute of Banking.

Norberg was formerly assistant vice president of Community National Bank, and has had experience in nearly every phase of banking.

* * *

He is a member of Aldersgate Methodist Church, Elks Lodge, City of Pontiac Planning Commission, and is treasurer of the Pontiac Boys' Club.

State Road Toll Up 40

EAST LANSING (UPI) — State Police provisional traffic figures today showed 400 persons have been killed on Michigan highways this year compared with 360 auto fatalities during the corresponding period in 1965.

$150,000 Grant for Waterford

Funds Aimed at More Sewer System Plans

Waterford Township has received a $150,000 preliminary planning grant in conjunction with the proposed $22.9-million townshipwide sanitary sewer system, it was learned last night.

* * *

The grant was approved by the Federal Housing and Home Finance Administration in Chicago.

The Township Board already has given the green light to preliminary plans as drawn up by engineering consultants Johnson and Anderson, Inc.

Further studies and plans are currently being made by the engineering firm, according to township officials.

* * *

Dependent on the proposed Clinton-Oakland sewage disposal system, the Waterford Township project would consist of 260 miles of new sanitary sewers and 36 new pump stations.

CONNECTION PLANS

The proposed system would be connected with the Clinton-Oakland which, in turn, would be hooked up with the Dequindre Interceptor.

* * *

The engineering consultants contend that further delay to the installation of a sewage disposal system would precipitate serious threats to public health.

Poor Excuse to Rob

PITTSBURGH (UPI)—A tall gun-wielding bandit pleaded poverty yesterday and robbed the First Federal Savings & Loan Association of $1,200. "Look, lady, I'm poor," he said when he demanded the money from Mrs. Theresa Greeney, a teller.

Fall Kills Alpinist

KLEINE SCHEIDEGG, Switzerland (UPI) — Alpinist John Harlin, 30, of Los Altos, Calif., fell 3,000 feet to his death today while attempting with 12 other Alpinists to scale Mt. Eiger.

Hospitals Act to Avert Filled-Up Status

(Continued From Page One)

330. Pontiac General, its expansion plans still on the drawing board, has 400 beds.

There were 990 more operations performed at Pontiac General last year than in 1960.

A similar rise from 1960 through 1965 was registered at St. Joseph Mercy Hospital. There were 1,200 more operations in 1965, compared to 1960.

* * *

Still another area reflecting the added demand for hospital services is in the number of laboratory tests run.

Pontiac General performed 106,214 more laboratory procedures in 1960 than in 1965.

A less spectacular increase has been experienced at St. Joseph Mercy Hospital. Laboratory tests climbed 60,010 from 1960 to 1965.

The same trend is shown in the number of X rays taken at both hospitals in the past six years. There were 14,659 more X rays taken at Pontiac General in 1965 than in 1960. St. Joseph Mercy Hospital had a six-year increase of 10,664.

* * *

Hospital officials confront the demand for more services with only one solution — expansion.

MASTER PROGRAM

St. Joseph Mercy Hospital last year launched a master building program to expand and modernize its facilities.

An estimated $6.5 million is to be pumped into construction at the 40-year-old hospital.

The number of beds is to be hiked from 330 to 430.

* * *

Meanwhile, Pontiac General Hospital has not defined its projected expansion, but mental health and rehabilitation facilities have been proposed for the municipal hospital.

DIRECTLY LINKED

Expansion of the hospitals is directly linked to the increased demand for more and more health care services.

"We are in a high population growth area," explained Harold B. Euler, Pontiac General Hospital administrator.

"As the population grows, there is a corresponding demand for more hospital facilities," he added.

More hospital space appears the only answer to prevent "no vacancy" signs.

Birmingham Area News

Crackdown on Vandals Is Eyed by Commission

BIRMINGHAM—Stiffer fines and jail sentences may be in store for vandals.

The crackdown was proposed last night by Commissioner William E. Roberts as he expressed concern over the "alarming" increase of malicious damage in recent months.

The commission then instructed City Attorney James Howlett to meet with Municipal Judge John Emery and return with a report on how far the court can go in handling the problem.

Roberts said he would like to see the enforcement of the situation fashioned after the strong action taken by Emery against racing on Woodward.

* * *

"Woodwarding," as it is commonly known by teen-agers, was reduced considerably after word was spread that violators faced a $100 fine for the first offense and a jail term for the second.

NOT FOOLING

"We have to show these vandals that we're not fooling," said Roberts.

"Let them know that they're going to get rapped and not merely a slap on the hands," he said.

In the last five months, Roberts noted, the police department has received 56 complaints about windows being shot out by pellets, some of them costly dual panes.

* * *

He said many lights in public and private parking lots have been shot out, in addition to cars running over lawns and smashing garbage cans.

CAR TIPPED

There was one case where a car was tipped on its side, according to Roberts.

The commission, in other business, scheduled a public hearing for April 11 on a proposed increase in taxicab rates and an amendment to the taxicab ordinance which would provide better service.

JACK H. McDONALD

2nd Hopeful in GOP Race

The Redford Township supervisor and chairman of the Wayne County Board of Supervisors, Jack H. McDonald, announced today he will seek Republican nomination for Congress in the 19th District.

He is the second GOP candidate to announce his bid for the office now held by Congressman Billie S. Farnum, D-Pontiac. The other is Richard D. Kuhn, Pontiac attorney and businessman.

McDonald, 33, of 15662 Denby, is serving his third term as supervisor of Redford Township, the most populated in the state.

Redford and Livonia in Wayne County and all of western Oakland County and Pontiac are included in the 19th District.

* * *

Elected a year ago as chairman of the board of supervisors and the youngest to hold the position, McDonald recently was named "Young Man of the Year" by the Detroit Junior Board of Commerce.

HOME RULE

McDonald is a strong advocate of county home rule and has fought for support of the issue through enactment of new legislation.

He feels the present Wayne County government setup is "ponderous and unmanageable," a point he continuously stresses in his speeches.

McDonald is a director of the Michigan Townships Association, the Supervisors Inter-County Committee, and the National Parks and Recreation Association.

$17,441 Added to Hospital Fund in Public Drive

Public campaign workers added $17,441 to the St. Joseph Mercy Hospital Building Fund at the first report lunch held yesterday at the nurses home on the hospital grounds.

Teams from the Pontiac area turned in 15 subscriptions for $5,566, while the Birmingham area accounted for 61 pledges amounting to $11,875. When added to those from hospital and Community National Bank employes, the total for the public campaign now adds up to $138,175.

* * *

The standing of the fund is now at $2,341,162 toward the $3,250,000 minumum goal needed to help finance expansion and remodeling at the hospital estimated to cost $6,500,000.

It was announced yesterday that the campaign had been extended and would now close on April 20, instead of the March 31 date as previously planned.

U.S. Jets Hit Hard at N. Viet Trucks and Ships

SAIGON, South Viet Nam (AP) — U.S. jet pilots reported today they struck heavy blows at trucking and shipping in North Viet Nam, blasting more than half of a 50-vehicle convoy in a mountain pass and sinking or damaging five gunboats.

Marine spokesmen reported that the Leathernecks killed at least 205 Communists in expanding ground operations in South Viet Nam's northern provinces. But 10 Leathernecks were killed in the crash of a Marine helicopter, and an A4 Skyhawk crashed on a bombing run in support of the Marines. The pilot was rescued.

As the weather cleared over North Viet Nam, U.S. spokesmen said they were highly pleased with the results of Monday's raids by Air Force and Navy fighter-bombers. However, the successes cost the Air Force a needle-nosed RF101 Voodoo reconnaissance jet which was shot down northeast of Vinh. The pilot was listed as missing.

★ ★ ★

The Viet Cong gave another demonstration of their guerrilla tactics, hitting the airport at Dalat before dawn and damaging a number of planes. Two platoons of about 50 Reds penetrated the airport grounds after a mortar barrage.

On the political front, Buddhist students in Da Nang and Hue demonstrated peacefully against the government of Premier Nguyen Cao Ky. In Saigon, Thich Tam Chau, a leader of the Buddhist political movement, personally halted a student demonstration although the National Buddhist Institute he heads issued a communique making clear it is unhappy with Ky.

★ ★ ★

A flight of Air Force F105 Thunderchiefs spotted the truck convoy parked near the Mugia Pass 60 miles south of Vinh in the North Vietnamese panhandle. Flying through heavy flak, the jet pilots said they destroyed or damaged 27 trucks in three passes and knocked out 14 antiaircraft guns.

★ ★ ★

Navy pilots from the carriers Ranger and Enterprise hit 59 targets and reported they destroyed or damaged five gunboats 46 miles north of Dong Hoi, three junks 37 miles south of Vinh and two bridges and a ferry crossing astride a route linking with the Ho Chi Minh Trail.

★ ★ ★

In the south, Navy and Air Force planes pounded what was described by intelligence sources as a Viet Cong rest area 75 miles northeast of Saigon. Air spotters said 60 Viet Cong were killed and an automatic weapons site, a small bridge and a number of buildings were destroyed.

★ ★ ★

A wounded captive who identified himself as a North Vietnamese lieutenant told American newsmen in Saigon: "Your fire power is too big for us."

Cong Found Shackled to Machine Gun

SAIGON (AP) — A teen-age guerrilla was found shackled at the neck to his 50-caliber machine gun during fighting last week in the Communist D-Zone jungle stronghold 35 miles north of Saigon, U. S. Army officers said today.

★ ★ ★

The shackle, connected by a heavy chain to the 75-pound weapon, prevented the youngster of about 15 from retreating before a company of U.S. 173rd Airborne troopers.

The boy helped keep most of the Americans pinned down during a five-hour battle, said Capt. Clay N. Mobley of Charlotte, N. C. He displayed the shackle at a news conference.

The boy was killed by a grenade.

★ ★ ★

The Communists have been known to chain their men to their weapons as a disciplinary measure in cases where a soldier has either lost a weapon or retreated on his own in combat. But this is the first time U. S. officers have come back with the chain and shackle.

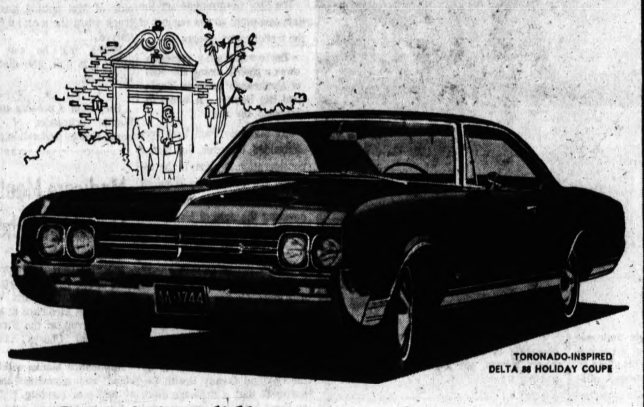
FOUND TIED

The body of another young guerrilla, about 15 or 16, was found tied by rope to a tree.

★ ★ ★

"I don't know what the purpose was," said Lt. Col. John J. Walsh Jr., the 2nd battalion commander, but he said the Communists may have wanted to leave the boy behind to harass American troops.

Olds Swing Fever could hit you anytime.



TORONADO-INSPIRED DELTA 88 HOLIDAY COUPE

Oops, it just did!

So, you have an Olds-fashioned case of Swing Fever! Relax. Treatment is as close as your Olds Dealer's! Take your pick from forty Toronado-inspired models—all at easy-to-take prices! Walled Lake Agent Tells of 25 Years

To Railroad Man, Station Is His Castle

By PHIL LORANGER

WALLED LAKE — A train's shrill whistle is heard in the distance; red flashers blink ominously and the wooden guard-rail drops across the road bringing traffic to a halt on Pontiac Trail at the edge of town.

One driver nervously checks his watch and curses the train for the delay; another lights a cigar and sits gazing at the countryside; a woman in a station wagon with three children points at the train and the excited children try to count the passing cars.

Some drivers pay no heed to the rumbling train, but in the Grand Trunk railroad station 50 feet from the crossing two men study its every detail.

Leo Bettes, Walled Lake's only railroad agent, and Earl Franklin, a railroad claims prevention representative, are long-time railroad men. Trains provide their livelihood.

★ ★ ★

Bettes, 48, of 207 Wabasso, Wolverine Lake, has been manning his post eight hours a day since the end of World War II and he welcomes the visit of an old friend like Franklin.

ENJOY TALKING

When they get together, they enjoy talking about the one thing they know best — railroading.

Often other old friends will drop in to see Bettes and talk about bygone times, as well as the present.

"You'd be surprised at the number of old railroad men living here," said Bettes.

The Walled Lake station has served passenger and freight trains making the run from Pontiac to Jackson and back since 1875.

25 YEARS

Bettes watched thousands of trains rumble past in his 25 years at the post.

Passenger trains no longer stop at the station. The railroad now sends only freight over the line.

The station, or "agency" as men of the trade call it, is a small wooden structure with an office and storeroom. Its red paint has faded badly.

★ ★ ★

The only identification it bears is a small wooden sign reading: WALLED LAKE.

INCOMING FREIGHT

Over 85 per cent of the traffic handled by the agency is incoming freight.

Local businesses keep the station busy and the 2,900 feet of siding is often filled with boxcars being emptied or filled.

"Most of the incoming freight consists of building supplies for firms that are already here or new ones under construction," said Bettes.

His shipping logs show lumber, plywood, firebrick, conveyors, wallboard and clay (for a local ceramics shop) among the items.

OUTGOING ITEMS

The bulk of the outgoing items consists of water heaters, oven doors and toys, all manufactured locally. Grain products make up the rest of the outgoing shipments.

"There is not a great amount of farm trade anymore," said Franklin. "But some of the farmers still send out corn, wheat, rye and oats."

Franklin, 42, of 3521 Lincolnshire, Pontiac, pointed out that the agency lies roughly six miles from the old Orchard Lake agency in one direction and six miles from Wixom in another.

★ ★ ★

"The old practice was to build agencies six miles apart," he said. "This was done so the farmers could haul their loads to the warehouse and get home in time for lunch. Six miles was a pretty fair trip in those days with a horse and wagon."

FROM ENDS

Most of the freight is loaded by the shipper right at the station. Each car must be loaded from each end in order to insure a safe ride.

Checking that each load is properly secured is only one of the many tasks Bettes must perform.

"I also have to check each train as it passes by," said Bettes. "Sometimes one of the leather straps used to tie down cargo will break loose. A loose strap could injure a man if it hit him."

★ ★ ★

Bettes must also check the "hotboxes" on each car. A hotbox is a container for the brass bearings between each wheel. It is packed in oil-soaked material.

CAN CAUSE FIRE

"If a bearing becomes worn, it can cause a fire in the packing because of the friction," said Franklin. "The train's engineer can check the hotboxes only when he can see the entire train length on a curve. A fire could do a great deal of damage between curves."

Every morning Bettes sends a report to the main office telling the dispatcher how many boxcars are being loaded, stand empty or are ready to roll. He sends his dispatch with an old telegraph key using Morse code.

The old-fashioned telegraph system does not seem out of place in Bettes' office. In fact, the office reminds one of a scene from an old-time Western movie.

★ ★ ★

An ancient potbelly stove sits in the storeroom next to a scale of the same vintage. The wooden chairs and filing cabinets would bring a gleam to the eye of any antique collector.

CLEVER IMPROVISER

The agent is a clever improviser.

He pointed to an empty tobacco can lodged behind the telegraph receiver. "That," he said, "is my resonator."

A bucket of water steamed away on top of the oil heater centered in his office. "This is not only my wash bucket but also my humidifying system," he added.

Franklin explained the presence of the oil heater in the office and why the old stove is cold:

★ ★ ★

"When the trains were burning coal, we had coal stoves," he said. "Now the company uses diesel engines, so we burn oil. Just a case of logistics."

SAME OLD THING

Bettes has never been able to get away from the railroad business. Even the Army used his talents.

"When I joined the Army during the war I was shipped to North Africa," said Bettes. "I can't remember reveille or taps ever being sounded. I was assigned to the transportation corps doing the same thing I'm doing now.

"I remember two roll calls — the day they dropped me off in the desert and the day a couple of years later when they picked me up," the agent recalled.

★ ★ ★

Franklin said radio communication is gradually replacing the time-honored Morse telegraph key in the railroad business.

Bettes is of a breed of railroad agent which will someday join the steam locomotive in the annals of railroad history.

Pontiac, Press Photo

PIONEER STATION — This railroad station in Walled Lake has been servicing trains since 1875. The three-room structure is one of the few old-time "agencies" still operating in Oakland County. Its red and green beacon has signalled thousands of passing trains.

Trailer Court Hearing Slated

Owners Seek to Boost Size of Site in Troy

TROY—A public hearing will be held March 28 on a request by Troy Mobile Home Villas Inc., to increase their present development by 14 acres.

★ ★ ★

The City Commission set the date last night at the request of the trailer court owners.

The company presently owns a mobile home site east of Stephenson between Maple and Big Beaver. It wants to increase the size.

City Manager Paul York recommended, however, that before consideration is given to the request, the owners be required to sign and return an agreement covering the sale of trailers on the site.

★ ★ ★

He said the agreement was to have been signed when approval was given for the first development about a year ago.

DRAINAGE DITCH

In other business the Commission has been assured by the Oakland County Health Department that a drainage ditch on Hurst between Vernmoor and Fredmoor is not a health hazard.

York said he received a complaint a couple of months ago that the ditch was rat infested. He said a similar complaint was received last night.

The Health Department report showed that there was no evidence of rats, he noted. It did state, however, that there are field mice which come from undeveloped land east of the ditch to obtain water.

★ ★ ★

The report pointed out that there is no evidence of rodent burrows in the banks of the drainage ditch.

Lapeer Man, Hit-and-Run Victim, Dies

LAPEER — A 68-year-old Lapeer man died in Lapeer County General Hospital early this morning, the victim of a hit and run accident.

★ ★ ★

Lapeer County Sheriff's Department officers said the victim, Lester C. Freeby of 7244 Silverwood, was standing by the side of M24 putting gas in his truck when the accident occurred.

Police said he was struck about 8:25 p.m. and died about 12:23 a.m.

★ ★ ★

They said a passing motorist, Wayne Schroeder of Lapeer found Freeby and called police.

Medicare Meeting Slated in Rochester

ROCHESTER — Representatives of the U. S. Department of Health, Education and Welfare will discuss Medicare at a meeting tomorrow at the First Congregational Church, 1315 N. Pine.

Application blanks will be provided and questions answered at the 2 p.m. meeting.

★ ★ ★

Persons needing transportation may call the church.

Report School Bus Struck Rear of Car

HIGHLAND TOWNSHIP — A school bus-car accident last Friday occurred when the bus struck the car from behind. It was previously reported that the car hit the bus.

★ ★ ★

In the mishap, a car driven by Donna J. Scott, 17, of 1785 E. Highland, was hit from the rear on East Highland near Harvey Lake Road. There were no injuries.

Pros, Cons of Consolidation Mark Farmington Twp. Debate

FARMINGTON — Pros and cons of consolidation were the subject of a public debate at the sixth meeting of the township preincorporation committee last night at O. E. Dunckel Junior High School.

Joseph T. Brennan, chairman of the committee, presented a report of facts on consolidation, compiled during the past three weeks, before opening public discussion.

The smallest crowd to attend the meetings to date—less than 30 persons — was told that consolidation was not an issue in the election scheduled for June 6.

"There is no reason to vote for or against incorporation based on consolidation," said Brennan. "If the people want consolidation at a later date, this can be accomplished, but incorporation necessarily comes first."

★ ★ ★

The question of consolidation has been raised at every meeting and, according to Brennan, this is only a tactic being used by the opposition to confuse people.

SAME QUESTION

Brennan said the preincorporation committee has not encountered any new opposition other than the same handful of people who raise the question of consolidation at every meeting.

Throughout the public meetings held by the preincorporation committee, Brennan and committee members have stressed the reports which have been presented are only opinions of the committee based on the study of facts.

★ ★ ★

Brennan has stated the committee is attempting to show the people why incorporation would be a good thing for the township.

KEY REASON

"After much study on the matter, we have not found one good reason to remain a township," said Brennan.

In rebuttal to the question so often raised by those opposing the incorporation regarding consolidation with Farmington City, Brennan said he and other members of the committee had found no sentiment in the city toward consolidation.

"We have spoken with every man on the Farmington City Commission," said Brennan. "Not one of them has any desire for consolidation with the township."

The committee had originally intended that last night's meeting be the final presentation but, since the election has been set for June, the committee will hold one more meeting at a later date to be announced, according to Brennan.

★ ★ ★

He has tentatively scheduled the meeting for the first week in May.

French Cafe Setting for Fashion Festival

ROCHESTER — A French sidewalk cafe will be the setting for the Rochester Tuesday Musicale's "Festival of Fashions" at 8 p.m. Thursday at Rochester High School.

The third annual fashion show is being staged to raise funds for the Musicale's scholarship fund.

Mrs. Eugene Albright, 316 William, is general chairman of the show.

Working with her are Jean Frailing, Mrs. Homer Mitchell, Mrs. Richard Bahnmill and Virginia Thrun on the decorating committee.

In charge of music arrangements is Mrs. Marvin Andrews; publicity, Mrs. Homer Warren; posters, Mrs. Mitchell; tickets, Mrs. Arthur Raglin and Mrs. Laurence Foss; and social, Mrs. Edwin Kirchofer and Mrs. Dennis Windingland.

COMMENTATOR

Mrs. Ray Lawson is coordinator and commentator for the show.

Shops contributing clothes for the event are Boys 'n' Girls Shop, Doris Hayes Shop, Lucille Shop, Mitzelfeld's, R B Shop and Richards.

Each spring, the Musicale presents scholarships to promising area musicians. From three to six scholarships are awarded each year.

Recipients may use the scholarships at Interlochen National Music Camp, the Youth Program at Michigan State University or for private instruction.

Pontiac Press Photo

READY FOR SPRING—Members of the Rochester Tuesday Musicale prepare for the fashion show to be held Thursday at Rochester High School. Mrs Homer Mitchell (left), 320 William, Rochester, puts some last minute touches on the outfit worn by Mrs. James Arcure, 135 Maywood, Rochester. Mrs. Arcure's dress is from the Lucille Shop in Rochester.

Mobile X-Ray Unit Now in Rochester

ROCHESTER — The Oakland County Health Department's mobile X-ray unit will be at the Detroit Edison office, 234 Main, this week.

The unit will be open today until 5 p.m.

Today, Wednesday and Thursday, the hours will be 9 a.m. to 1 p.m., and 2 p.m. to 5 p.m.

Friday hours will be the same except the unit will close at 4 p.m.

There is no charge for the chest X rays.

Royal Oak Pastor Due to Talk at Troy Service

TROY—Dr. Everett Seymour, pastor of the First Methodist Church of Royal Oak, will speak at the 7:15 p.m. Lenten service at the First Methodist Church of Troy Wednesday.

A cooperative dinner will be served at 6:30 p.m.

Women's Fellowship to Meet Thursday

ROCHESTER — The Women's Fellowship of the First Congregational Church of Rochester will hold a general meeting at 8 p. m. Thursday at the church.

★ ★ ★

Following the business meeting, a program on Japanese religion and home life will be presented.

Two Hospital Execs Accused

Ex-Officers Charged With Fund Misuse

GROSSE POINTE (AP) — Atty. Gen. Frank Kelley Monday obtained warrants charging two former officials of the People's Community Hospital Authority with unlawful use of commission money.

★ ★ ★

The warrants against Kenneth Gremore, former executive director of the PCHA, and Frank Rodwell, former treasurer, were obtained from Grosse Pointe Municipal Judge Douglas Patterson.

★ ★ ★

The two were charged with unlawfully using or allowing the use of public moneys of the PCHA and disbursing public moneys of the group for unlawful purposes.

The charges relate to the spending of $1,230 in public funds in 1963 and 1964 at The Lamplighter in Lincoln Park. It was charged that former State Rep. Edwin Fitzpatrick, D-Detroit, was allowed to charge food, drink and motel accommodations there to the PCHA.

2-YEAR TERM

Conviction on the charge against the two former authority officials could carry a maximum penalty of two years in prison and $1,000 fine.

★ ★ ★

The charges grew out of an investigation by Kelley into the workings of the four-hospital, 23-community authority. Kelley reported the authority had spent unjustifiable sums for lobbying and entertaining and there were numerous irregularities in operation.

★ ★ ★

An embezzlement charge against Gremore previously was dismissed.

The state also previously withdrew conspiracy charges against Fitzpatrick and the two PCHA officials, but Kelley said at the time there would be new warrants issued later.

AP Photofax

PROMOTED — Chaplain David T. Parham has been promoted to captain at the Quonset Point Naval Air Station, R.I. The promotion makes him the highest-ranking Negro in the Navy.

Slight Flaw in Law

PHEONIX, Ariz. (UPI) — A proposed city council ordinance to regulate distribution of handbills was referred to the city's legal department yesterday after a citizen claimed it would make it illegal for policemen to put parking tickets on auto windshields.

Bill to Provide D.C. Residence for Veep Faces House Cross Fire

WASHINGTON (AP) — A proposal to build a Washington home for the vice president may get caught today in the cross fire of a House "guns versus butter" battle.

★ ★ ★

The bill was scheduled for a showdown last week but its backers postponed the test until today in hopes of building up sufficient strength to win.

The bill would authorize the expenditure of $750,000 to build an official residence for the vice president on 10 acres of land now owned by the government at the site of the U.S. Naval Observatory next door to the British Embassy. Additional money would be provided annually for maintenance and operation.

FIGHT LEADERS

Leading the fight against the bill are House Republican leader Gerald R. Ford and all 11 GOP members of the House Public Works Committee.

In a recent statement, Ford said the Republican opposition had no relation to the fact that Vice President Hubert H. Humphrey is a Democrat.

★ ★ ★

But this is not the time, Ford said, to spend money on any nonwar project that could be delayed until the Viet Nam war's drain on the Treasury slows down.

"This goes far beyond even 'butter' at a time when this nation also has to provide 'guns'," the 11 Republican committee members said in a joint statement.

They said there was no justification for spending the money when the administration has proposed cuts in the school milk program, military housing and educational programs.

Only about 24 per cent of India's population is literate, despite the fact that 50 million students are currently receiving education in primary and middle schools and another four million in high schools.

Won't Haggle on Salaries ---Kowalski

LANSING (AP) — Legislators are not going to haggle with the governor over their salaries, says House Speaker Joseph Kowalski, D-Detroit.

★ ★ ★

Kowalski was responding Monday to a statement by Gov. George Romney last week that he would not consider any proposal to raise lawmakers' salaries until salaries for the noncivil service heads of state agencies were raised and until lawyer-legislators are prohibited from practicing before state agencies.

★ ★ ★

Romney's remarks followed reports that a special citizens' commission on legislative compensation was considering raising legislators' salaries from $10,000 to $15,000 a year.

"Each of these is a separate matter and will be given separate consideration in the House," Kowalski said. "Each will rise or fall on its merits.

★ ★ ★

"The action the governor takes on bills passed by the Legislature is his business—and his responsibility. But we will not bargain or trade with him," he added. "Nor do we intend to accept any attempted executive dictation of legislative affairs."

Soapy and Jerry Off and Running

Twice within two weeks the constituency of Michigan has been "unsurprised" by political announcements.

The first "so what else is new" reaction came when G. MENNEN (Soapy) WILLIAMS, after an appropriate period of soul searching, announced that he would leave "Africa for Africans," as he once advocated, and run for the U. S. Senate.

Then, after a like spell of deliberation, Detroit's Mayor Jerome Cavanagh last Saturday found the call of the people irresistible and let it be known that, yes, he too would be willing to serve Michigan in the Senate seat being vacated by two-termer Pat McNamara.

Both announcements hit with "bombshell" effect — roughly comparable, say, to that of the revelation that Christmas will again be observed on Demember 25.

Before making his announcement, Soapy resigned his Federal post as assistant secretary of state in charge of African affairs. But Jerry took no such action on the municipal level and will wear two hats — mayoralty and senatorial candidate — until the August 2 primary decides which is the more becoming.

In fairness to Cavanagh, however, he made it plain that he would campaign only after mayor's hours weekdays and on his own time weekends. Rarely is such versatility found — even in a politician.

★ ★ ★

With the suspense lifted over who the main Democratic senatorial candidates will be, we can now relax, sit back and watch two of Michigan's top campaigners trade blows until one is counted out by the electorate.

56th Milestone Tribute to Camp Fire Girls

Sunday ushered in the 56th Anniversary of Camp Fire Girls whose nationwide Councils number more than 600,000 members.

The oldest national nonsectarian youth organization for girls, it was born in 1910 through efforts of a group of men and women outstanding in their comprehension of the needs of children.

Camp Fire Girls membership is composed of four program levels tailored to the interests and capacities of girls from age seven through the high school years. Council leadership is provided in large part by volunteer adult workers.

The objectives of Camp Fire Girls are symbolized by the watchword "WOHELO" formed by the first two letters of three program areas — Work, Health, Love. Special emphasis is given home and family activities and community service during this commemorative week.

Principal support of Camp Fire Girls comes from the Pontiac Area United Fund and the annual candy sale. By responding liberally to both forms of solicitation, the citizenry of the community can give impetus to the fine work being done by the organization in stimulating the teen-age womanhood of America and guiding it through the formative years.

Wait Seen in Shift of U.S. Weight System

Adoption of a decimal system of weights and measures in the United States has been under discussion for more than a century. Under the metric system used by most of the world, all divisions and multiples are in ratios of 10.

Britain is in the process of completing its shift to the system. That will leave the United States and Canada the only nations still clinging to foot-pound measures. American businessmen are said to be at a disadvantage in dealing with other countries because the United States does not use the metric system.

★ ★ ★

The Senate voted last year to authorize a three-year study of the subject by the Commerce Department. And the House Science and Astronautics Committee approved legislation authorizing the feasibility study. The study would cost $500,000 in the first year and might require $2.5 million over three years.

But no money for such a study was proposed in the President's budget. To administration budget experts charged with cutting non-Viet Nam expenditures to the bone, the study item looked expendable. So the Great Society may have to get along for a while longer with a non-decimal system of weights and measures that most of the world finds hopelessly confusing.

Move to Cities Is Frightening

By J. W. DAVIS

WASHINGTON (AP) — When pioneers like Daniel Boone felt that the settlements were getting too crowded, they moved on to the wide open spaces.

These days, the Daniel Boones are few and far between. There's a rush to the cities that is appalling, frightful.

The World Health Organization says: Over the last 100 years, mankind has doubled its numbers. But the world's city population has increased five-fold. Of the 3 billion people now living in this world, 1 billion live in cities. All this despite the well-known flight to the suburbs of those who can afford it.

The spectacular city growth alarms the WHO. It says: "Overcrowding, evil housing conditions, the spread of slums, the dwindling of park land and open spaces, traffic paralysis, the accident toll, water pollution, time wasted on journeys between home and work — all these drawbacks and more hamper the New Yorker as much as the man from Calcutta."

★ ★ ★

The Greek philosopher Plato held that the ideal urban community should not be larger than 5,000.

POPULATION FIGURES

Today, Plato would be saddened to read these population figures, from the 1966 world almanac: Tokyo 10,686,660, New York 8,085,000, London 7,978,234, Shanghai 7,100,000, Moscow 6,335,000, Bombay 4,152,056, Peking 4,140,000, Sao Paulo 3,850,000, Buenos Aires 3,799,200 and Hong Kong 3,692,000.

The WHO cited figures on the overcrowding in calling attention to World Health Day, to be observed April 7.

It said: Paris leads in over-crowding, with 82,880 city dwellers per square mile, followed by Tokyo with 41,440, New York with 34,188, London with 26,667 and Berlin with 9,065.

★ ★ ★

Dr. M. G. Candau, director general of WHO, says that as much as one-third of today's city population is unhealthily crowded together in terrible slums.

HEALTH DAY MESSAGE

In a World Health Day message, he said: "Many a person coming to the city from the country has to learn to put up with less space, less daylight, less fresh air, less greenery, more noise, but less liberty to make noise.

"Psychosamatic and neurotic disorders are undoubtedly largely associated with the congestion and noise, the hectic rhythm of city life, its vast anonymity and its many strident appeals to the individuals to do this or that.

★ ★ ★

"Furthermore, as a counterpart to the glamor of the modern city, to its employment possibilities, its educational wealth and its cultural achievements, we have delinquency, crime, prostitution, alcoholism and the excessive use of drugs."

Maybe old Daniel Boone and ancient Plato were right.

Lack Of Evidence!

David Lawrence Says:

'Experts' Ask Surrender to China

WASHINGTON — "How to Surrender to Red China Without Really Trying." This might well be the title that could be given to a statement just signed by 198 "scholars on Asian affairs," mostly from colleges and universities across the land.

LAWRENCE

The signers can be assumed to be conscientious in expressing views they think will be helpful. But it is obvious that, while they may profess to know much about how to make peace in Asia, they are unaware that what they advocate could bring on a larger war and involve American forces in bigger operations than are going on now in Viet Nam.

The statement recommends five changes in American policy:

First, the United States should "cease to use its influence" to prevent Red China from being admitted to the United Nations.

★ ★ ★

Second, the United States should announce its intention "to enter into negotiations regarding the establishment of full and formal diplomatic relations" with the Red China government.

NEW PHASE

Third, the United States should propose "a new phase of bilateral negotiations" for the discussion of exchange of diplomatic representatives, "renunciation of force as an instrument of policy," and "arms control, including problems of control over nuclear weapons."

Fourth, the United States should accept as visitors Red China's newspapermen, scholars and others and this "should not, at least in the short run, depend on reciprocation."

Fifth, the United States should "end its total trade embargo with Communist China and permit the importation and exportation of nonstrategic materials."

★ ★ ★

The declaration by the 198 "China experts" expresses the hope that all this would lead to the "normalization of relations" and a "reduction of hostilities between the two countries."

NOT A WORD

But not a word is said and not a bit of evidence is produced to indicate that Red China would do anything in return if all these proposed steps were taken.

★ ★ ★

The signers of the statement seem unfamiliar with the facts of international life. For if the United States changed its policy and agreed to let into the United Nations, as well as recognize, the regime that committed a flagrant act of aggression in the Korean War in 1950, the present government in South Viet Nam would crumble overnight and chaos would sweep Southeast Asia.

Also, such an act of abject surrender would impair in other parts of the world the prestige of the United States as a leader in the exercise of moral force.

(Copyright, 1966, New York Herald Tribune Syndicate, Inc.)

Bob Considine Says:

Marine's Letter Shows What War Is All About

NEW YORK — Having trouble understanding or visualizing the war in Viet Nam?

Here's a letter to his parents from Marine Cpl. Neil W. McCaffrey which might help.

CONSIDINE

I've known Neil since he was a small boy. His father is mayor of Allenhurst, N.J., and our families have been neighbors for years.

Neil has been in Viet Nam for more than a year.

He writes, "Yesterday I went down to the air base and guess what? I found out that 1/9 (First Battalion, 9th Marines) had made it there. It was real good to see all those guys.

"While I was there, I found out that a couple of my friends had been killed and wounded after I left the outfit. So I went over to the hospital to see them.

★ ★ ★

"I not only saw them but about 10 other guys there that I knew, including one pal in a special ward where they keep the seriously wounded Marines.

IN A BAD WAY

"He was the only one who was in a bad way. The rest would be back to duty in a few weeks.

"Anyway, I have known him since I joined the Marine Corps. He made corporal the same time I did. Knew his wife, too. He had gotten married a few months before coming over here. He tripped a land mine and was full of sharp metal from his feet to his head.

"The doctors had removed part of his brain. I talked to them and they said he had a 50-50 chance of living and, if he did, he wouldn't be more than a vegetable.

★ ★ ★

"It made me sick and mad at the same time. He did not move; just stared into space. I tried to talk to him, but the doctors said he couldn't hear me.

HOPE HE DIES

"I know what I'm going to say may sound crazy, but I hope he dies. He couldn't bear to have his wife or parents see him that way.

"The reason I said seeing him made me feel mad was because suddenly I thought of all the punks back home who are protesting what we are doing over here, while guys like my buddy are getting blown up.

"I promised myself I would never write an angry letter like this while I was over here because I didn't want you to worry any more than you already have.

★ ★ ★

"Seeing him touched this off, I guess. It made me even more aware than I was before of how proud I am of being an American and living in such a beautiful and wonderful country. I guess it takes something like this to open your eyes to the fact of how lucky you are.

HOW HAPPY

"If you could only see how pitiful these Vietnamese people are, and how happy they are when they see us. They know we are here to help them, not terrorize them like the VC do. It makes you feel that you are doing something useful in life.

"I wish this war could end tomorrow, but I'm afraid it's going to drag on for quite a time. The VC are not going to quit, that's for sure. They might be lousy fighters, but they have guts and determination.

"Too bad the punks back home don't have, instead of the VC. If they had, the war would be over fast.

"Stay well and please say hello to everyone for me.

"Love you both—, Neil"

Waterford Jaycees Board Pledges Support of Arena

In the past weeks there has been much interest in a sports arena in the Pontiac area. The Waterford Jaycees, foreseeing the benefits to our entire area if this were to become a reality, have taken positive action.

The Board of Directors of the Waterford Jaycees has passed a resolution pledging our wholehearted support of this worthwhile effort.

WHITNEY CARNAHAN, PRESIDENT
THE BOARD OF DIRECTORS
WATERFORD JAYCEES

Discusses Proposed Act for Arborist Work

How far can the State go in making decisions for you? The State may condemn your elm trees and force you to have them removed. They may also tell you what product you can use to protect your trees from disease, and who may use it. Big business, associations and arborist companies are trying to bulldoze an act through Lansing to tell you whom you may hire to work for you. This pertains to any kind of tree, shrub or even your lawn.

★ ★ ★

It is time people did something about acts and laws that are being pushed through Lansing by big money and big business for anything from carrying a hunting rifle to whom you can hire to work on your own property. The cost of arborist work is high. What will it be if just a few large companies can dictate a scale without fear of being a competitive trade?

TWENTY YEARS IN THE TRADE

Comments on Election of City Commission

It is evident "Voters in District 4" are not interested voters or they would know how commissioners are elected. I'm sorry I'm not allowed to vote for all the fine men serving on our commission. As I do have a choice in District 4, I'm glad I will be able to vote for Mr. Hudson as he has already proved to be an excellent commissioner.

INTERESTED

City elections are fair! Isn't it true that a small percentage of voters turned out for the primaries in District 4? Wasn't their candidate defeated in the last election in that district? Who is trying to force whom down our throats?

I'LL VOTE FOR HUDSON

Reader Comments on Litterbug Problem

I live on beautiful Union Lake and I am ashamed to have friends visit us for there is no way for them to enter our subdivision without traveling Willow Road, east of Keith, which looks like an alley. Litterbugs put their garbage and trash in the ditch across the "alley." We also have "litter-dogs" and "litter-rats" who play in the rubbish and help the litterbugs win the No. 1 award for litterbugging of West Bloomfield Township.

DOWN WITH LITTERBUGS

Replies to Comments on VOP Signature

With regard to the illustrious Mr. Rudy Mansfield's comments about Mr. Johnson's signature, what possible connection did that have to what Mr. Johnson wrote about? If this person is representative of our Township governing body, perhaps we would do well to get Elmer Johnson back in office.

MRS. G. SMITH
WATERFORD TOWNSHIP

Disagrees With Editorial on Auto Safety

I take exception to the editorial on auto safety. You place emphasis on the driver and condition of the car, and also favor mandatory inspection. Fifty-five per cent of all fatal accidents happen at speeds less than 45 miles per hour. Only one-third of all fatal accidents happen at speeds between 50 and 70 miles per hour.

★ ★ ★

Attention should be given to the 55 per cent category. Most of these accidents are due to heavy traffic, road conditions, liquor, or poor thinking on the part of the driver. The impossibility to react instantaneously to situations that arise under these circumstances results in death. The auto makers can help in this category.

CY SAVAGE
2780 SYLVAN SHORES DRIVE

Readers Comment on Foreign Aid Figures

Is it any wonder our taxes keep getting higher? The editorial "Your Money Goes Here," shows our money going to countries that take all they can get and turn around and fight us with arms that our money has bought. All the U. S. has to do to keep France from pulling out of NATO is to send more of the taxpayers' money.

★ ★ ★

We are all giving taxes, some are giving their blood, and others are giving their lives. We need a reasonable government. Who will give us foreign aid when we no longer have the money to buy countries?

MR. AND MRS. RAY McKEE
1137 CLOVERLAWN

I was delighted with the editorial listing the nations we give aid to. Wouldn't that $96 billion make a nice down payment on our $315 billion national debt? The interest we would save would be enormous. Too bad this couldn't be printed in papers across the country a week before November election so people wouldn't forget. I counted about 20 nations which to my knowledge are Commies.

MARTIN C. POOLEY

The Better Half

"We'll have your car back soon—Eddie took it home to lunch."

From Shriveled, Ugly Little Man

Family Learns Lesson in Living

(EDITOR'S NOTE — This is the 24th in a 40-part series by famous and unknown persons on how faith in God changed their lives.)

By MARY BARTELS
Of Phoenix, Ariz.

Our house was directly across the street from the clinic entrance of Johns Hopkins Hospital in Baltimore. We lived in the downstairs and rented the upstairs rooms to outpatients at the clinic.

* * *

One summer evening as I was fixing supper, there was a knock at the door. I opened it to see a truly awful-looking old man.

"Why he's hardly taller than my 8-year-old," I thought as I stared at the stooped, shriveled body.

But the appalling thing was his face — lop-sided from swelling, red and raw.

Yet his voice was pleasant as he said, "Good evening, I've come to see if you've a room for just one night. I came for a treatment this morning from the Eastern Shore and there's no bus till morning."

MARY BARTELS

TURNED AWAY

He told me he'd been hunting for a room since noon but with no success. "I guess it's my face. I know it looks terrible but my doctor says with a few more treatments . . ."

For a moment I hesitated but his next words convinced me, "I could sleep in this rocking chair on the porch. My bus leaves early in the morning."

I told him we would find him a bed, but to rest on the porch meanwhile. Then I went inside and finished getting supper. When we were ready I asked the old man if he would join us.

* * *

"No, thank you. I have plenty," and he held up a brown paper bag.

OVERSIZED HEART

When I had finished the dishes I went out on the porch to talk with him a few minutes. It didn't take long to see that this old man had an oversized heart crowded into that tiny body.

He told me that he fished for a living to support his daughter, her five children and her husband who was hopelessly crippled from a back injury.

He didn't tell it by way of complaint; every other sentence was prefaced with a thanks to God for a blessing.

* * *

He was grateful that no pain accompanied his disease, which was apparently a form of skin cancer. He thanked God for giving him the strength to keep going.

LINENS FOLDED

At bedtime, we put a camp cot in the children's room for him. When I got up in the morning, the bed linens were neatly folded and the little old man was out on the porch.

ASKS TO COME BACK

He refused breakfast but just before he left for his bus, haltingly as if asking a great favor, he said, "Could I please come back and stay the next time I have to have a treatment? I won't put you out a bit—I can sleep fine in a chair."

He paused a moment and then added, "Your children made me feel at home. Grownups are bothered by my face but children don't seem to mind."

I told him he was welcome to come again. And on his next trip he arrived a little after seven in the morning.

* * *

As a gift, he brought us a big fish and a quart of the largest oysters I had ever seen. He said that he had shucked them that morning before he left so they would be nice and fresh.

LEFT AT 4 A.M.

I knew his bus left at 4 a.m. and wondered what time he had to get up in order to do this.

In the years he came to stay overnight with us, there was never a time that he did not bring us fish or oysters or vegetables from his garden.

Other times we received packages in the mail, always by special delivery: fish and oysters packed in a box of fresh young spinach or kale, every leaf carefully washed. Knowing that he must walk three miles to mail these, and how little money he had, made the gifts doubly precious.

* * *

When I received these little remembrances, I often thought of a comment our next-door neighbor made after he left that first morning, "Did you keep that awful-looking old man last night? I turned him away. You can lose roomers by putting up such people."

LESSON IN LIVING

And maybe we did, once or twice. But oh! if only they could have known him, perhaps their illnesses would have been easier to bear. I know our family always will be grateful to have known him; from him we learned what it was to accept the bad without complaint and the good with gratitude to God.

Next — Sjoerd L. Banting, biochemist, tells how he manages to combine careers in science and the ministry and what this means to him.

If you take a minute to check our list of winning vehicle identification numbers, you may know how it feels this week.

The contest's in its last week. So hurry. Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past six weeks. Every week 72 winners were posted on the showroom wall. You may have missed your number before.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number.

Contest Rules: Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Hurry. Buick's $1,000,000.00 Sweepstakes is in its last week.

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

Mickey Cohen Wins U.S. Suit

Awarded $110,000 in Beating at Prison

ATLANTA, Ga. (AP) — Former gambler Mickey Cohen has won a $110,000 suit against the federal government.

His contention that the government was negligent in supervising the Atlanta Federal Penitentiary inmate who clubbed Cohen with a length of pipe in 1963 was upheld Monday by a U.S. District Court judge.

★ ★ ★

Cohen, 51, is serving a 15-year term for income tax evasion. U. S. District Judge Sidney O. Smith Jr. made the award.

Legal sources said it apparently was the first case of this type — involving a prisoner assault — in which the government has been found negligent and damages assessed.

COURT DECISION

The lawsuit was filed under a 1963 Supreme Court decision making it possible for a prison inmate to sue the government under the Tort Claims Act. But the controlling case itself, reversed by the tribunal, has not been finally decided.

Cohen, who is eligible for parole this summer, had sought $10 million from the government, charging that he suffered paralysis of the left side, a skull fracture and brain damage.

The judge, who heard testimony without a jury Jan. 31 and Feb. 1, ruled that the penitentiary was negligent in its supervision of Berl Estes McDonald, the inmate who attacked Cohen the night of Aug. 14, 1963, in the prison electrical shop.

U.S. Changes to N-Spread Draft Rejected

GENEVA (AP) — The United States amended its draft treaty to halt the spread of nuclear weapons today in an effort to calm Soviet fears of a nuclear-armed West Germany.

The Soviet Union at once rejected the American changes.

The amendments were put before the 17-nation disarmament conference by U.S. delegate Adrian S. Fisher. Without waiting for Fisher to outline them to the conference, chief Soviet delegate Semyon K. Tsarapkin told newsmen:

"I have been shown the U.S. proposals. They come a little nearer to the wording of the Soviet draft treaty, but basically they change nothing.

'INDIRECT ACCESS'

"They still leave open the possibility of indirect access to nuclear weapons by nonnuclear nations and are therefore quite unacceptable."

In submitting the amendments, Fisher stressed that West Germany could not be denied an appropriate voice in Western nuclear policy.

The changes put more emphasis on control of nuclear weapons within an alliance. They clearly spelled out that no single non-nuclear nation would be able to use nuclear weapons without the agreement of a nuclear power.

The United States gave assurances that it would always retain a veto over the use of nuclear weapons by any Western nuclear force. It also reassured the Soviet Union that it would never give any help to West Germany or any other country to manufacture its own nuclear weapons.

U.S. officials did not expect any positive reponse from the Soviets because the U.S. draft treaty still leaves open the possibility of nuclear sharing within the North Atlantic alliance.

★ ★ ★

The Soviet Union has charged that this gap will one day be used to permit West Germany access to the West's nuclear arsenal. It has said it will never sign a treaty to halt the spread of nuclear weapons so long as West Germany is given any sort of say in Western nuclear policies.

PONTIAC, MICHIGAN, TUESDAY, MARCH 22, 1966

Pontiac Central to Present 'Kiss Me Kate'

Opening Night Set Friday; 3 More Shows Will Follow

By HELEN COLLIAS

"Kiss Me Kate," a Cole Porter musical, will be presented at Pontiac Central High School Friday and Saturday and April 1 and 2.

Tickets may be purchased at Central.

"Kiss Me Kate" has been performed in most of the countries of the world, having been called one of America's happiest exports.

A show within a show, it is a fast-paced interweaving of backstage and onstage feuding of a divorced couple who are starring in "The Taming of the Shrew."

* * *

Stuart Packard, dramatics instructor, and Michael Dempsey, music instructor, direct the cast.

17 SELECTIONS

There are 17 songs in all. The two female leads, Constance Vanderlind and Jo Johnson, will sing "So in Love Am I" "I Hate Men" and others.

The two male leads, Robbert Prevette and Victor Adams, sing "I've Come to Wive Wealthy in Padua," and "Where Is the Life That Late I Led."

The second female leads, Cindy Gowen and Jo Lynn Yansen, will sing "Why Can't You Behave" and "Always True to You (In My Fashion)" and more.

* * *

Other novelty songs will be "Too Darn Hot" and "Brush Up on Your Shakespeare."

STAGE SETTING

Mrs. Charles Smith, instructor of the commercial arts class, is directing students in the designing and painting of the stage settings.

Two Central students, Jan Carling and Sharon Seney, received certificates of merit at the scholastic art awards regional exhibition held recently.

Jan submitted an ink and water color drawing and Sharon, a nonbrush painting.

* * *

Other Central entrants were Blinda Brown, water color and prints; and Cindy Shafer, crayon, water color and ink drawings.

ART CLASSES

All participants were from John Allshouse's advanced art and studio art classes.

For the past 40 years, Scholastic Magazine has conducted an awards contest throughout the U. S.

To honor entrants, their parents and friends, school librarians Doris Hanes and Thomas Metzstorf sponsored a tea in the library last week.

This is the first time participants have been so honored.

Francis Staley, principal, presented the certificates to Jan and Sharon.

Pontiac Press Photos

TAMING OF A SHREW—Kate (Connie Vanderlind of 2300 E. Hammond Lake, Bloomfield Township) struggles to escape from her intended (Brian Rosenthal of 2600 Carlson, West Bloomfield Township) when the padre (Robert Prevette of 271 Elizabeth Lake) closes his eyes to bless the couples' forthcoming marriage. The teen-agers are rehearsing Pontiac Central's musical, "Kiss Me Kate," which will be presented Friday and Saturday and April 1 and 2.

At Seaholm

Water Ballet Due

By MARGARET HONNOLD

"Fathoms of Funnies," Seaholm High School's annual water ballet show, will be presented in the school pool at 8 p.m. Thursday, Friday and Saturday.

Aquabelles, the water ballet club, is presenting the show, which will feature acts based on such well-known comic strips as Li'l Abner, Peanuts, Flintstones and Batman.

Other acts will include B.C., Prince Valiant, Dick Tracy, Popeye, Beetle Bailey and Dewey and Louie.

On hand to announce the show will be Dennis the Menace and Mr. Wilson.

Tickets are now on sale.

Aquabelles' officers are Sally Seiller, president; Leslie Baird, treasurer; and Liz Holmes, secretary.

The top ten swimmers, including the three girls above, head up the various acts and more inexperienced members of the group.

The others are Lucy Jones, Jane Taylor, Kristine Firth, Barbara Miller, Sharon Anderson, Cheryl Metcalfe and Carolyn McPherson.

Two double winners in the recent writers competition were Jane Hilder and Teresa Germanson.

Jane won an honorable mention for a literary piece and a commendation for an autobiographical article.

Teresa won an honorable mention for a formal literary piece and a commendation for a literary article.

Winning key commendations, the highest awards given, were John Gillette, Susan Saefkow, Rebecca Bethel and Robert Kushler.

Other honorable mention and commendation winners included Arthur Burleigh, William Collins, Kay McNeil, Barbara Smuts, Sandra Bergman, Jane Dickson, Marianne Schmink, Catherine Smith and Patricia Smith.

Cheerleaders Vie at WKHS

By JUDY FRANCIS

Junior varsity cheerleaders held tryouts for ninth grade girls who will attend Waterford Kettering next fall. The sponsors are Phyllis Hurstell and Kay Stoney.

Girls chosen were Louise Marshall, Lynn Bachlor, Julie Largent, Charlene Stephens, Hazel Goodwin, Carol Freeland and Sue Aeschliman.

WKHS students and the countries they will visit this summer are Sue Ringler, Sweden; Debra Sayers, southern Germany; and Michael Roberts, Denmark. This is part of a Youth for Understanding program. Sponsor of the group is Adele Salchow.

Science students interested in a scholarship for Science Workshop this summer can apply to instructor Donald Maxwell.

* * *

Kettering's student body is busily preparing for a completely new experience, a computer dance.

The "programmed" couples will meet at a dance scheduled for April 22 at Kettering.

Family-Style Music Slated at Adelphian

By ARDYTHE GALLANT

The "Keyboard Quartet" will be at Adelphian Academy Saturday evening at 8.

Leonard and Shirley Venden, widely known recording artists, now include their children in their performance.

The organ, vibraharp, marimba and piano will be used.

Open to the public, favorite secular and religious numbers will be presented.

Spring is here to stay in our hearts even if it doesn't stay outside. After classes and during meals you can see kites, ball games, and groups of students leisurely sitting beneath the flag pole on a sunny afternoons.

Seniors have especially caught the spirit—and with good reason. Announcements have come and been passed out and soon cards will be here, too.

"Project Ride," a fund-raising campaign for a new bus, is going strong. If students reach their individual goals of $20 and the school goal of $7,100 before April 3, they will be rewarded with two extra days home leave.

Brother Rice Radio Club Installs New Equipment

By JOHN PALMS Jr.

Brother Rice students have gone a long way with their Radio Club this year.

They have just finished installing a transmitter and receiver set at the school, the club's call number WA8FLB.

Officers of the club, with their call numbers, are Tom Cote, president, WA8IBO, Bob Torzewski, vice president, WA8GUA; Dave Lawson, secretary, WA8LGA; and Gary Bergeron, treasurer.

Brother F. J. Markert, club moderator, has call number K2TIK.

Tom, Bob, Dave and Brother Markert each has his general license, which means they are able to receive at least thirteen words per minute and have passed an advanced radio theory test.

Below the general license is that of the technician. A novice license may be issued to a person who can receive five words a minute and pass a theory test.

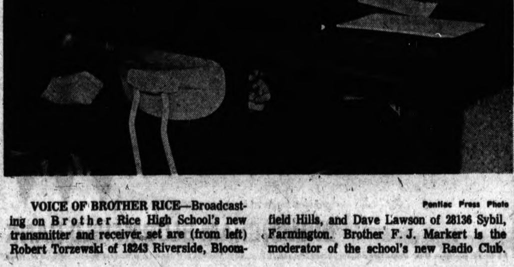
Those who have their general license may go on the air at any time.

They tap out the letters CQ, an invitation for calling.

At Brother Rice, students are working toward the "Worked All States" award, the award for having called all fifty states.

A time ham operators come in handy is during a national emergency. They still go on the air when other communications have been cut off.

If a ham wants to send a message to a friend or relative in another part of the country, he can relay the message via other ham operators.



Pontiac Press Photo

VOICE OF BROTHER RICE—Broadcasting on Brother Rice High School's new transmitter and receiver set are (from left) Robert Torzewski of 18243 Riverside, Bloomfield Hills, and Dave Lawson of 28136 Sybil, Farmington. Brother F. J. Markert is the moderator of the school's new Radio Club.

Country Day Honor Roll

By KAREN SEDAN

Bloomfield Country Day sophomore Susan Adams has been placed on the school's high honor roll, no grade below 90 per cent.

On the honor roll, no grade below 85 per cent, were Nora Bennett, Kathryn Claire, Gaylynn Coldwell, Riitta Hakala, Dawn Higley, Elaine Horigian, Kristine Johnson, Donna Reid and Lorna Richman.

* * *

The following were recognized for outstanding contributions to school activities: Sally Bricker, Elizabeth Forshew, Katherine Bull, Toni Dizik, Janet Jones, Sally Richardson, Susan Adams and Katheryn Butcher.

* * *

Others were Nancy Russ, Kathy Pioch, Rjitta Hakala, Elaine Horigian, Mary Monaghan, Margaret Pioch, Robin Turner, Dorothy Wilson, Judy Winstock, Dawn Higley, Shari Lightstone, Wendy Mitchell, Karen Sedan, Lorna Richman and Suzanne Roger.

Sacred Heart Cast Is Busy

By MELINDA CHURCHES

Practices for Sacred Heart Academy's annual school play are under way.

This year's presentation, "The Winslow Boy" by Rattigan, is scheduled for the end of April.

Adele Margrave will play the role of Catherine Winslow; Joanne Lorenz, Ronnie Winslow; Maree Russo, Sir Robert; and Olga Maikoff, Mrs. Winslow.

Others in the cast are Susan Bourdin, Ina Broeman, Nancy Huber, Denise King, Anne Oldani and Kathleen Sehn.

Practice for the lacrosse and tennis teams will begin before spring vacation.

Last Thursday, Saint Patrick's Day, the student government was given a surprise party at lunch. The lunch table was decorated in green and the lunch tied in with the theme.

Third-cycle examinations were given during the latter part of the week.

2 Utica High Students Win Art Awards

By DOLLY GASKILL

Utica High School students Cathleen Willette and Leonard Kaspryzyk have won awards from the scholastic art competition.

Cathleen won a blue ribbon and a gold key, two of the highest awards given, for her work in craft.

Her exhibit will be sent to New York for national competition sponsored by Scholastic Magazine.

Leonard's award of a gold key and certificate were given on his pottery work.

* * *

Art Club officers are Leonard Kaspryzyk, president; Terry Kortis, treasurer; and Linda Lewis, secretary.

The club holds its meetings every Thursday.

The Future Homemakers of America is planning a fashion show for April.

Tickets for Utica's musical "South Pacific" are nearly sold out. Students are urged to buy their tickets now.

Milford Band Slates Concert

Show Tunes Featured; Singers to Appear

By RICHARD WIXOM

The Milford High School Band will play a free concert in the Little Theater at 8 p.m. Thursday.

The concert, featuring show tunes and other popular types of music, is designed strictly for light, pleasing entertainment.

Among the pieces on the program are selections from "West Side Story" and "The Sound of Music," Leroy Anderson's "The Typewriter," and two Henry Fillmore marches.

The Huron Valley Jug Band, a newly formed folk-singing group, is also scheduled to appear.

The Student Council will sponsor a computer dance as its second all-school party of the year on Friday at 8 p.m.

* * *

A computer has matched each of the 300 students who purchased advance tickets with two or more compatible persons, and the evening will be spent in testing the "brain's" matchmaking abilities.

Eleven MHS students will travel to Clarkston Saturday for the district forensic contest. They will compete with students from the seven other Wayne-Oakland County League schools in five different forensic categories.

Milford's sophomore class placed orders for school rings today. The rings are scheduled for delivery in early fall.

A strong faculty basketball team defeated the seniors last Wednesday, 32-20.

Clarkston Show Dates

Clarkston High School's talent show, "Toyland Fantasy," will be performed March 31 and April 1 at the school.

Concert Scheduled at NFHS

By DAVID SEAY

North Farmington High School's Vocal Music Department will present its first spring vocal music concert on March 29.

The Girls' Glee Club, advanced mixed choir and Northern Choraliers will perform selected sounds and song in the spirit of spring.

Featured will be Cindy Rose, Sandy Mallette and Pat Norton. Cindy will sing a solo and Sandy and Pat will play the Bach Double Violin Concerto.

James Hunt, director, has been working with the more than 150 voices on material from the 16th Century to present day.

* * *

Included will be "With A Song In My Heart," with religious and spiritual songs such as "Beautiful Savior."

FOLK MUSIC

Also on the program are contemporary folk music and selections from recent musical productions.

With something "to please everyone," the concert will be staged at 8 p.m. at the school.

Topics at Area Schools

Kingswood

By CINDY GRISSOM

Last weekend, a dance sponsored by the Student Council was held at Kingswood School.

Money raised by the event will be used to furnish the new student common room.

* * *

The dance was organized by Catherine Cooper, president of the council, and Kristine Vandenburg, vice president.

Publicity posters were designed by Barbara Levanthal.

Cranbrook

By RICHARD BOSLEY

As Cranbrook School begins its winter term exam period, spring sports teams are looking to the south where members will spend a large part of spring vacation.

The tennis, track and baseball squads each take a preseason training trip, including such stops as the University of Virginia, the University of North Carolina and Cincinnati.

Junior Charles Landau was a silver medal winner in the Michigan math prize competition.

South Lyon

By SANDRA RICHARDSON

Seniors at South Lyon High School are beginning to view graduation through eyes of nostalgia and hopes of fun.

With the help of the senior-parent trip club and Edwin Phillips, owner of Phillips Travel Agency, seniors have been making preparations for their trip.

* * *

The journey will include five days in Washington, D. C. with sight-seeing tours, shopping sprees and hours of swimming in the motel pool.

Pontiac Press Photo

DO, RE, MI—James Hunt, North Farmington High School's vocal instructor, leads Cindy Rose of 28561 Green Willow and Bonnie Britton of 34234 Northwick, both of Farmington Township, in song. The girls are practicing for the Spring Vocal Music Concert which will be performed next Tuesday at 8 p. m. The program lists a wide selection of musical material. This picture was taken before Bonnie left for Mobile, Ala., to compete in the National Junior Miss contest.

Woman Freed in Shooting

A Pontiac woman, facing a charge of attempted murder, was released from Oakland County Jail late yesterday after the man she admittedly shot refused to sign a complaint against her.

Mrs. Timmy Covington, 41, of 431 Ferry was freed by Pontiac police, who had arrested her Sunday night in front of her home.

★ ★ ★

Tommy L. Williams, 33, of 396 Ferry, reported in fair condition at St. Joseph Mercy Hospital with a single bullet wound, told police he did not intend to press charges.

Mrs. Covington said she fired a small-caliber pistol at Williams after he allegedly struck her in the face as she sat in her car.

PUBLIC AUCTION

On March 23, 1966 at 9:45 a.m. at 3260 Elizabeth Lake Rd., Pontiac, Mich., a 1963 Chevrolet, Serial No. 30235N198220, will be sold at Public Auction for cash to highest bidder. Car may be inspected at above address.

March 21 and 22, 1966

No. 89,597

STATE OF MICHIGAN
THE PROBATE COURT
FOR THE COUNTY OF OAKLAND

Matter of OTTO HEINI RALF KNIBBE, Change of Name.

It is Ordered that on April 11, 1966, at eleven a.m., in the Probate Courtroom Pontiac, Michigan a hearing be held on the petition of Otto Heini Ralf Knibbe to change the name of Otto Heini Ralf Knibbe to Otto Heini Ralf Bartach.

Publication and service shall be made as provided by Statute and Court Rule.

Dated: March 2, 1966, Otto Heini Ralf Knibbe, 760 Josiyn Road, Lake Orion, Michigan.

DONALD E. ADAMS,
Judge of Probate
March 9, 15 and 22, 1966

STATE OF MICHIGAN
IN THE PROBATE COURT
FOR THE COUNTY OF OAKLAND
JUVENILE DIVISION

Cause No. 20572

IN THE MATTER OF THE PETITION CONCERNING Donna and Betty DINGLE Minors

TO Maxine Wilson, mother of said minor children

Petition having been filed in this Court alleging that said children come within the provisions of Chapter 712A of the Compiled Laws of 1948 as amended, in that the present whereabouts of the mother of said minor children is unknown and said children are dependent upon the public for support, and that said children should be continued under the jurisdiction of this Court.

IN THE NAME OF THE PEOPLE OF THE STATE OF MICHIGAN, You are hereby notified that the hearing on said petition will be held at the Court House, Oakland County Service Center, in the City of Pontiac in said County, on the 31st day of March A.D. 1966, at 1:30 o'clock in the afternoon, and you are hereby commanded to appear personally at said hearing, at which time temporary or permanent severance of all parental rights will be considered.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in the Pontiac Press, a newspaper printed and circulated in said County.

WITNESS, THE HONORABLE NORMAN R. BARNARD, Judge of said Court, in the City of Pontiac in said County, this 10th day of March A.D. 1966.

Miss Sewell, retired co-owner of Sewell Insulation Co. of Detroit, died Sunday. She was past president of the Zonta Club of Detroit and a member of the Pontiac First Church of Christ, Scientist.

Surviving are two brothers, Douglas of Waterford Township and Alfred W. of Fenton.

MRS. HARRY L. SWAN

BLOOMFIELD TOWNSHIP — Service for Mrs. Harry L. (Helene D.) Swan, 41, of 5770 Monterey will be 3 p.m. tomorrow at the Bell Chapel of the William R. Hamilton Co. with burial in Woodlawn Cemetery, Detroit.

Mrs. Swan died yesterday after a short illness.

Surviving besides her husband are her parents, Mr. and Mrs. Harry F. Dunkel of Gloversville, N. Y., and one sister.

Memorial tributes may be sent to the American Heart Association.

Hearing Set on Builder's Licenses

LANSING (AP) — The State Department of Licensing and Regulation today said Monday it will hold a hearing to determine if the licenses of a Detroit-area home building firm and two of its associates should be suspended or revoked.

★ ★ ★

Phil Pittenger, chief deputy director of the department, said complaints were received against Kaufman & Broad Home Sales, Inc., and its associates, Home Values, Inc., and Kaufman & Broad Homes, Inc., all of Southfield.

★ ★ ★

Pittenger said the licensing department started an investigation last November after complaints from customers that the firms had 26 unlicensed salesmen, 15 unlicensed wholly owned building corporations and had sold property in unrecorded plats.

★ ★ ★

Pittenger said it also was found that of the four authorized signatures for drawing on the Kaufman & Broad Home Sales, Inc., escrow account, none of the people involved were licensed as associate brokers or otherwise, as required by law.

SHORTAGE IN ACCOUNT

A shortage of approximately $119,000 was found in the escrow account, Pittenger said, but the shortage since has been made good by the corporation. The escrow account contained cash deposits made by customers of the firm, he said.

He said some customers complained they did not receive back full deposits after their homes were not completed.

★ ★ ★

Information found in the investigation also is being referred to the Wayne and Macomb County prosecuting attorneys, Pittenger said.

Board Chairman R. R. Zisette of the parent company said Monday:

COOPERATING WITH STATE

"Since Nov. 1965, Kaufman & Broad Homes Inc. and its related companies have been voluntarily cooperating with the state in review of our procedures and prompt correction of any defects...

★ ★ ★

"I remain confident that we will receive a just and fair hearing and that the state officials will recognize our desire to comply with the law as demonstrated by our actions in this matter to date."

'Keep Good Relations Between U.S., Canada'

HOULTON, Maine (AP) — Good relations between the United States and Canada "are something we must keep working at," says a Canadian official.

★ ★ ★

Stuart Davidson Hemsley, Canadian consul general for New England, said at Ricker College that the St. Lawrence Seaway and the Columbia River Basin treaty were examples of how the two countries can work together.

Beer Break Ends in 'Can'

SAVANNAH, Ga. (AP) — It sounded like a beer can being opened.

Sheriff Richard A. Conner, attending City Court, looked up quickly. He was right.

Judge George E. Oliver gave Augustus Lubs, 64, a beerless day in jail for contempt of court — for drinking beer in the courtroom.

Find Uninsured Church Buses

Hare Hits Those Who Shun Responsibility

LANSING (AP) — Several cases have turned up of church schools registering their buses under the uninsured motor vehicle fund, Secretary of State James Hare reported today.

Hare said they took the option of paying the $35 uninsured vehicle fee rather than insure the vehicles.

"I can't do a thing relative to getting these buses insured," Hare said. "But there appears to be a serious moral responsibility on the part of school administrators to protect children who are riding in their buses every day."

Although there are not many which are uninsured, Hare said, "only one bad accident involving a single bus would be tragic."

VEHICLE FUND

The vehicle accident fund, he said, cannot pay out more than $20,000 for the death or injury of two or more persons in a single accident. Some of the buses, he said, carry from 40 to 55 persons.

Hare urged parents who were not sure whether school buses carrying their children were insured "to check into the matter immediately."

★ ★ ★

Bob Zuver, head of the department's special license division, said eight such buses so far have been registered under the uninsured vehicle fund. Five church groups are involved, he said, one with four vehicles.

"In a month or so" Zuver said, "there probably will be a considerable number of them. Some groups, such as camps, only use buses a few months a year. But there is no way we can force them to get insurance."

Ted Sorensen GM Lawyer at Hearings

DETROIT (AP) — Former presidential aide Theodore Sorensen is a member of a law firm hired by General Motors Corp. to represent it at U.S. Senate hearings into auto safety, GM said Monday.

Sorensen confirmed in Washington he was representing GM.

A subcommittee, chaired by U.S. Sen. Abraham Ribicoff, D-Conn. was to inquire today into the alleged use of private detectives by GM to investigate auto industry critic Ralph Nader.

Nader has been critical of the industry and recently published a book, "Unsafe at any Speed," which contends American cars are not safe.

"I'm a lawyer and General Motors is my client," Sorensen said Monday. He added he was hired about a week ago "to advise them in this matter any way I can. It wouldn't be appropriate to discuss what I'm advising them to do."

Sorensen, who served as special adviser to both the late President Kennedy and President Johnson, joined the firm of Paul, Weiss, Rifkind, Wharton & Garrison Feb. 1. He resigned as a Johnson aide last year to write a book about his experiences, entitled "Kennedy."

Instant Data on Water in World Eyed

By Science Service

PARIS — Satellites and computers might provide almost instantaneous information of how fast the Mississippi River is flowing, how much snow is falling on Mt. Everest, or how much water is in Lahore.

The idea of a quick system for acquiring and disbursing information of worldwide water was discussed at a meeting of the Scientific Committee on Water Research of the International Council of Scientific Unions.

The proposal was presented by Dr. Paul Bock, member of the U.S. National Committee for the International Hydrological Decade, sponsored by UNESCO.

Water data such as precipitation, river stages, flow rates, groundwater levels soil moisture, snow cover, temperatures, lake levels and salt content of estuaries could be recorded daily or more often by a network of stations placed throughout the world, Dr. Bock explained.

These data would be sent by way of satellites or fast conventional communication systems to central computers where they would be analyzed and then sent to agencies all over the world.

Such an integrated global system would strengthen the national and international programs set forth by the International Hydrological Decade which opened January 1965.

The fast information system would be particularly valuable to developing countries now severely handicapped by lack of water data.

Nominates Ex-Envoy to Dominican Republic

WASHINGTON (UPI) — President Johnson has nominated W. Tapley Bennett, ambassador to the Dominican Republic during the uprising there a year ago, to be U.S. ambassador to Portugal.

Bennett, 48, would succeed Adm. George W. Anderson, former chief of naval operations who has resigned after a year's service. The nomination was announced yesterday.

THE "REAL" PRICE OF MILK

The real price of a quart or one-half gallon of milk is represented not by the number of cents required to pay for it — but by the amount of work that the consumer has to do to earn enough money to buy it. In these terms, the "real" price of milk continued to decline in 1965.

YEAR	Minutes of work required to earn price of 1 qt. of milk at grocery store *
1947	9.2
1953	7.7
1958	6.8
1959	6.6
1960	6.6
1961	6.4
1962	6.1
1963	5.9
1964	5.6
1965	5.4

* Source: U.S. Bureau of Labor Statistics

Fighting, Building Units

Korean Approach to War 2-Pronged

QUI NHON, South Viet Nam (AP) — The 22,000 Koreans in Viet Nam are helping to win the war by spending as much time helping the Vietnamese as they do shooting Viet Cong.

The bulk of the Korean outfit is tough army regulars and seasoned marines who are the largest foreign fighting force in Viet Nam after the Americans.

★ ★ ★

Backing them up are the "dove units" — construction gangs building roads and schools and medical teams giving aid to civilians as well as soldiers.

Stationed at Qui Nhon, a central Viet Nam port on the South China Sea, is South Korea's famed Tiger Division which has chalked up a notable battle record since it landed here last fall.

LEARN TACTICS

"We have trained for the weather and the climate of Viet Nam and we have learned the Viet Cong tactics," said Maj. Gen. Myung Shin-chae, commander of Korean forces in Viet Nam.

Capt. Kwon Joon-taek, a member of the Tiger Division, said his men were especially trained in night fighting, at which the Communist have long excelled.

★ ★ ★

"The Viet Cong are good, but we are better," he said.

The Korean marines are stationed at Tuy Hoa, a sandy windswept wasteland in south central Viet Nam not far from Viet Cong territory.

HAVE ADVANTAGE

"When we go into battle, we have the advantage of tough training and the highest morale," said Lt. Chung Jae-won of the marines' Blue Dragon outfit.

At Di An, 10 miles northeast of Saigon, are the self-styled "doves," the 2,500-man construction outfit, carrying out projects to show the Vietnamese that allied troops are their friends.

★ ★ ★

On one occasion the Koreans rebuilt a Buddhist temple that had been ravaged by guerrillas.

The construction crews are housed in an old French outpost with watchtowers spaced along a high brick wall.

IMPORTANT PART

"The most important part of our civil aid program is the treatment of the people themselves," said Brig. Gen. Cho Moon-whan, who set up the Korean installation at Di An.

"Touching an infant, giving candy to a young boy, showing respect for the aged — these things mean more than a million dollars in a foreign aid program."

★ ★ ★

When the Vietnamese first ventured into the Koreans' medical clinics, many were distrustful and unfriendly.

★ ★ ★

"Now, however, we have gained their friendship and trust," Cho said.

THIRD PHASE

The third phase of the Korean mission in Viet Nam is at Vung Tau, about 50 miles south of Saigon, where a hospital has been set up in a rambling French colonial building.

"We feel that medicine is better than bullets to win over the Vietnamese people," said Col. Song Ik-hoon, commander of the 1st Korean Mobile Army Surgical Unit. "In medicine there is no boundary."

★ ★ ★

At the evacuation hospital 27 doctors and 33 nurses staff an establishment that includes an air-conditioned operating room, X-ray section, laboratory and buildings equipped with 400 beds.

Civilians as well as military personnel are treated. One of the patients is a Viet Cong brought in by a local policeman.

★ ★ ★

"The Viet Cong's leg was shattered and he had not been treated for weeks," said Song. "We must be kind to all who need our medical help."

"Of course, we are keeping an eye on him," he added with a grin.

Coalition Due After Finn Vote

Social Democrats in Comeback; Reds 2nd

HELSINSKI, Finland (AP) — The Social Democrats will be the largest party in the new Finnish Parliament, almost complete election results showed last night.

Extensive maneuvering to form a coalition government now is expected.

The Social Democrats won a total of 54 seats, a gain of 16.

The formerly dominant Agrarian party dropped to third place.

The Communists remained the second strongest party with 47 seats, the same as before.

* * *

There has been no response from the Social Democrats so far to a Communist invitation to join in a popular front, but observers expect the new government to be at least tinged with red.

A COALITION

Finland had been governed since the 1962 elections by coalitions of non-Socialist parties, the last of which held 113 of the 200 seats.

* * *

The Communists have not been in the government since 1948. The Social Democrats have been excluded since 1958 because of pressure from the Soviet Union, which traditionally distrusts Social Democrats.

Up to now, all parties have supported a policy of neutrality between East and West.

Faubus: Won't Run---Unless . . .

AP Photofax

Arkansas Governor Announces Plans

LITTLE ROCK, Ark. (AP) — For the second time in his career, Orval E. Faubus, six-term governor of Arkansas, stood voluntarily on the political sidelines today. Leaving an opening in the doorway, Faubus has announced that he would not seek a seventh term.

The only thing that could lure him back into the race, Faubus said, would be failure of the Democratic party to produce a candidate capable of challenging Republican Winthrop Rockefeller, multimillionaire brother of New York Gov. Nelson A. Rockefeller.

* * *

Faubus pleaded in a lengthy statement for a unified Democratic effort against Rockefeller in November.

Then he relaxed, smiled and said, "I'll sleep better tonight, although I've never had any difficulty."

RETIRED IN '62

His statement was taken with a grain of salt by many who remembered that he had retired in 1962, then changed his mind at the last minute.

He can qualify as a candidate any time before the Democratic primary ticket closes at noon April 27.

* * *

Rockefeller, reached at Pine Mountain, Ga., where he is attending a Republican school for candidates, said he would believe Faubus is out on April 27.

Republicans had predicted, even before the announcement, that Faubus would pull his 1962 switch again.

NO CHALLENGE

Faubus said the only announced Democratic candidate, State Rep. Kenneth Sulcer, cannot challenge Rockefeller.

He declined to assess the stature of others whose names have been mentioned.

* * *

Faubus polled 57 per cent of the vote in 1964 in beating Rockefeller and repulsing the first serious bid the GOP has made for the governor's office since Reconstruction.

* * *

The names of Justice Jim Johnson of the Arkansas Supreme Court, former U.S. Rep. Dale Alford, Prosecutor Sam Boyce of Newport, former Rep. Brooks Hays and Dr. Ralph Phelps, president of Ouachita Baptist College, figured in speculation when Faubus was regarded as a candidate. The list is expected to swell now that Faubus' friends can feel free to move.

RELUCTANT CANDIDATE

Faubus, first elected in 1954, said he was a reluctant candidate the last two times out. He reentered the 1962 race, he said, because he wasn't satisfied with the Democratic primary field. He said he ran in 1964 because no other candidate could have defeated Rockefeller.

* * *

In 1957 Faubus used National Guard troops temporarily to block desegregation of Little Rock Central High School, touching off the first confrontation of state and federal power in the school integration crisis.

Top Anglican Goes to Rome

ROME (AP) — The Archbishop of Canterbury journeyed to Rome today to talk and pray with Pope Paul VI in a historic meeting expected to hold great significance for the cause of Christian unity.

The Roman Catholic pontiff and Dr. Michael Ramsey, spiritual head of the Church of England and primate of the World Anglican Communion, scheduled three meetings Wednesday and Thursday.

* * *

Pope Paul termed the visit "a move toward union." Dr. Ramsey said they would discuss "practical matters which can't hurt feelings and consciences."

The Vatican hopes that the visit will result in closer mutual understanding between the two churches, friendliness, clarification of practical ways in which ties can be improved and differences lessened, and a signal to Roman Catholics and Anglicans everywhere to stress what they have in common rather than what divides them.

There are 12,000 farms in New Jersey, the "Garden State," including dairy and grain farms.

Muskegon Teens Arrested After School Fracas

MUSKEGON (AP) — Three juveniles were arrested by Muskegon police following a fracas Monday involving some 200 students on their way home from Steele Junior High School.

Police Capt. Arnold Van Dam said the melee stemmed from several minor fist fights that had broken out at the school and mushroomed into a free-for-all as the youngsters began walking home.

★ ★ ★

He said the arrests were made after some of the youths began tossing rocks and pop bottles at police cars.

★ ★ ★

"They hit three cars but no was injured," Van Dam said.

"It wasn't a riot," he added. "We've had trouble with kids in this area before. It was a question of one kid having a fight with another."

AP Photofax

MUSKEGON (AP) — "We need a bell, Dad. Do you think you could help?"

So wrote Marine Lance Cpl. Mike Zimmerman from South Viet Nam to his father, Dave.

The younger Zimmerman, a chaplain's assistant at the big Marine base at Da Nang, wanted the bell for an all-faiths chapel for Marines and civilians.

The father took his son's request to his employer, a steel foundry.

STEEL BELL

The result is a 20-inch high steel bell that is being prepared for shipment to Viet Nam. It is patterned after an old bell used by a Muskegon school.

"The component parts—clapper, cradle and arm—had to be taken apart, copied and made into an assembled unit. The whole process took about two weeks," Zimmerman said.

Eight employes worked on the bell whenever they could snatch extra minutes from their working day.

At first, there was apprehension about how a steel bell would sound since most bells are made of cast iron.

'PRETTY RING'

"It has a pretty ring to it," said Rod Schoenlank, an executive of the company, Westran Corp.

"We're amazed at the tone. It's more of a musical note than a clang," said Zimmerman.

Besides the tone, the bell carries two messages.

A metal plate attached to one side reads: "Made in the spirit of freedom by employes of Westran Corp."

Cast into the other side is the inscription from the Liberty Bell: "Let freedom ring throughout the land unto all of the inhabitants."

SAVED: $200,000,000.
If the prices of drugs had increased as much since 1949 as have the prices of most other things we buy, the American people's annual bill for drugs would be about $200 million higher than it actually is. That's why we say . . .

Picketing Bill Seen in Trouble

Lacks Blessing Given Wage Floor Measure

WASHINGTON (UPI) — All systems were "go" for new minimum wage legislation today, but another measure coveted by organized labor — an on-site picketing bill—was bolted tightly to the launching pad.

★ ★ ★

Only labor was pushing for the picketing bill. The new $1.60 wage floor bore the blessing of labor, the White House, and Chairman Adam Clayton Powell of the House Education and Labor Committee.

The committee has approved both measures but does not regard them as equals. Powell is opposed to the picketing bill, which would remove a long-standing barrier to effective strike action against large construction projects by building trades unions.

The picketing bill has been ready for House action for several weeks, but Powell has opposed calling it up.

STUCK TO GUNS

He met with Speaker John W. McCormack, D-Mass., yesterday and stuck to his guns despite McCormack's plea for quick action.

Powell said he does not want the picketing bill acted upon until the House has considered the wage bill and another bill that would strengthen federal machinery for ending discrimination by labor unions.

Powell and a number of junior congressmen believe that the picketing bill would be a political millstone in coming elections. He said a number of House veterans also share this view.

★ ★ ★

These congressmen want the Senate to act on the picketing bill first so that they would not be wasting their time on a measure that could be killed—like the "right to work" repealer—by a filibuster.

PASSAGE EXPECTED

The wage bill, however, appeared sure of House passage. Republican members of Powell's committee are giving it strong backing.

Most of the new workers added to minimum wage coverage would get a $1 wage floor next Feb. 1, and 15 cent yearly steps to $1.60 by Feb. 1, 1971.

Theater Operator Dies

BRONSON (AP) — Eugene J. Pennell, who operated theaters in Michigan for 34 years, died Monday after suffering a heart attack at his home. He was 60. Services for Pennell, a director of Peoples State Bank in Bronson, will be held Wednesday. Burial will be in Bronson Cemetery.

Canada Tourist Bureau

DETROIT (AP) — Canada opened a tourist bureau in Detroit Monday. John Turner, a member of the Canadian Cabinet, said the office was established to encourage Detroit and Michigan residents to travel in Canada.

Eight states increased their gasoline taxes in the first six months of 1965.

High Court Maintains Obscenity Stand

WASHINGTON (UPI) — The Supreme Court refused yesterday to modify or discard its 9-year-old obscenity yardstick. But it held that Massachusetts went too far in banning the sale of "Fanny Hill," an 18th Century novel of a prostitute.

In a series of three rulings, the court also held that a publication which would be suitable for sale to the medical profession crosses the obscenity line if it is peddled "in order to catch the salaciously disposed."

The latter finding was made in a decision upholding the conviction of Philadelphia publisher Ralph Ginzburg who was found guilty of sending through the mails three publications found to be obscene.

In the third case, the court let stand the conviction of New York bookseller Edward Mishkin. He dealt in such books as "Screaming Flesh," "Cult of the Spankers" and "The Dance With the Dominant Whip."

★ ★ ★

In all three cases, the justices had been asked to revise the court's 1957 definition of obscenity.

At that time, the court held that obscenity was established if the dominant theme of the material "taken as a whole appeals to the prurient interest" of the average person and if it is "utterly without redeeming social importance."

Ginzburg, as did the other appellants, held that the obscenity ruling violated the constitutional guarantee of freedom of the press.

As it has in the past, the court refused to accept this claim.

★ ★ ★

Justice William J. Brennan Jr. delivered all three opinions. The Ginzburg case was decided 5 to 4. The Mishkin conviction was upheld 6 to 3.

In the Fanny Hill case, the court divided into a number of segments. Brennan was joined in his opinion only by Chief Justice Earl Warren and Justice Abe Fortas.

Justices Hugo L. Black and Potter Stewart concurred for other reasons. Thus the ruling against Massachusetts in the Fanny Hill banning was 5 to 4.

Maple Syrup Runs Termed Good in N. Y.

ALBANY, N.Y. (AP) — Upstate areas report good maple syrup runs this year, according to the State Agriculture Department.

The department said New York State ranks first in the nation in production of pure maple products.

New Quakes Shake Uganda

Rocks Block Road Where Over 78 Died

KAMPALA, Uganda (AP) — New minor earth tremors have brought down rock and blocked the only access road out of western Uganda, where at least 79 were killed in a quake Sunday, radio reports said today.

★ ★ ★

The road leads from the earthquake area of Bwamba County around the snowcapped Ruwenzori Mountains to Kampala.

"The death toll is likely to rise slightly," a Western relief official said. "Fortunately, in this remote area, the population is mainly self-supporting.

"Disruption of public services and supplies therefore is less serious than in a more sophisticated community."

★ ★ ★

However, some services were badly disrupted. The medical dispensary and five stores were destroyed at Budibugyo Village and two stores were badly damaged, the reports said.

SCHOOLS DESTROYED

Seven schools were destroyed in the county, and two school buildings at the American mission at Bugambwa were damaged. Hundreds of houses collapsed.

The total injured was unknown but one parish reported 77 injured.

Swarms of tribesmen were clearing rockfalls, trying to reopen the access road for rescue and medical teams.

★ ★ ★

Rescue teams were bringing bodies and injured persons out of remote valleys.

★ ★ ★

Scientists said the tremors are likely to continue for a time. A vast fault runs through the area.

State Lake Claims Boy

LAKE (AP)—Rayland Burgey Jr., 6, drowned in Crooked Lake near this southwestern Clare County community Monday when he fell through the ice while walking 300 yards off shore. Sheriff's deputies recovered the body.

Restricted Bill on Big Mac

OK on Refinancing Tightened by Senate

LANSING (AP) — The Senate approved refinancing of the Mackinac Bridge Monday night —but with a bill so restricted no action is likely for months, if ever.

While opponents or lukewarm supporters of the bill called it meaningless, its backers said they'd be back next year to knock out the key restriction in their attempt to lower tolls on the span.

* * *

Fourteen Democrats joined with 13 Republicans to give the bill one more vote than it needed to meet the Constitutional requirement of two - thirds approval.

It was overwhelmingly approved in 1965 by the House and now returns there for concurrence in two amendments before going to Gov. George Romney, who has been a leading advocate of refinancing.

BOND PROCEEDS

The measure basically authorizes the state to issue general obligation bonds, the proceeds from which would be used to buy up the nearly $99.8 million in revenue bonds which financed construction of the bridge.

The key restriction in the bill is a 3.25 per cent limit on interest for the general obligation bonds.

* * *

Rising bond interest rates and the tight money situation naturally means the state could almost certainly not find a buyer at that rate.

The revenue bonds — considered a high risk issue in the mid-1950's—are drawing an average interest of 4.25 per cent.

TOLL LOWER?

Refinancing advocates say the present $3.75 one-way auto toll could be lowered to about $2.35 just from interest savings. Bonds could be issued for up to 35 years.

As part of refinancing, the bridge would be turned over to the Highway Department by the Mackinac Bridge Authority.

The key Senate amendment, to which the House is expected to assent, revokes the present $417,000 annual grant given by the state toward bridge maintenance. This is a continuation of the former subsidy for Mackinac Straits ferry service.

* * *

That portion of maintenance would be paid for by tolls, as the rest of maintenance now is paid.

Though the bridge opened in 1958, not until this year have any of the revenue bonds been redeemed, although a reserve fund of more than $10 million has been accumulated, again as required.

The reserve fund would pay a $1 million early redemption penalty if the bonds were redeemed now.

Study Shows Deep Sleep Needed Most

By Science Service

NEW YORK — The man who claims his three hours of "good sleep" were as refreshing as a full night's may, after all, have some basis in fact.

From sleep studies conducted at the University of Florida, it appears that the human body requires one type of sleep above all others — the deepest, most oblivious kind.

This is "stage 4" sleep wherein the brain waves assume a slow, high amplitude pattern. The muscles of the sleeper are very relaxed and he rarely moves.

Also, by all evidence, he does not dream.

Drs. Wilse B. Webb and H. W. Agnew chose eight university students for their experiment. With a full night's rest, the students averaged 92 minutes in deep sleep.

NOT REDUCED

When they were deprived of sleep and allowed only three hours per night for seven days, the time spent in stage 4 sleep was hardly reduced.

But all the other stages of sleep, including what is thought to be dream time, were sharply cut back.

During their first night of recovery, the students still spent more than a normal amount of time in deep sleep throughout the first six hours.

Thereafter, rapid eye movement (REM) sleep, associated with dreaming, took precedence.

Legislators Mum as Auto Makers, Experts Back Compulsory Inspection

LANSING (AP)—Auto makers and safety experts gave compulsory vehicle safety inspection a push Monday—but legislators gave little indication whether they would supply the gas.

Fletcher Platt, manager of the Ford Motor Co. traffic safety and highway improvement department; Roy Haeusler, chief automotive engineer for Chrysler Corp., and Kenneth Stoner of the General Motors Corp. unanimously endorsed compulsory inspection at a hearing of the House Public Safety Committee.

* * *

Audley Rawson, representing insurance mutual companies, indicated a compulsory inspection law could lower insurance rates.

Secretary of State James Hare, chairman of the State Safety Commission, gave inspection full support and urged "maximum state control over the inspection system and ownership of inspection stations."

LACK MEMBERS

But, complained Rep. Maxcine Young, D-Detroit, committee chairman, "I can't get enough committee members here to work on this bill.

The bill is one of nearly 200 traffic safety measures (many of which overlap) still in committee—only 11 days ahead of the April 1 deadline for reporting bills out of committee in the house of origin.

* * *

Of traffic safety legislation in general, speaker Joseph Kowalski, D-Detroit, said "we're not frantic yet. We're still confident we'll have a good package of bills on the floor before the deadline."

Of motor vehicle inspection in particular, Majority Floor Leader J. Bob Traxler, D-Bay City, said, "I don't think there's much sentiment for it this year. There are too many specific questions to be answered yet.

USAGE DROPPED

"For instance, a number of states have abandoned compulsory inspection. We should visit them and find out why," he added.

The bill under consideration, drafted by the State Junior Chamber of Commerce, is flexible—allowing the state police commissioner to set up a system that uses either private or public stations—or both.

* * *

Nor does it spell out safety standards for the individual vehicles—leaving these to the commissioner. It provides for a $2 fee per vehicle for the inspections—which can be conducted as frequently as twice a year, but no less than once a year.

It also provides for an $8 million bond issue to build inspection stations.

The combination of older cars (more than 300,000 being driven by younger drivers (60,000 under 19 years) "is lethal," said Hare. His plea for a maximum of state control, he said, was based on the difficulty in getting an objective system run by private garage owners.

Bentley Is Boosted for U. of M. Board

ANN ARBOR (AP)—The University of Michigan College Republican Club urged Gov. George Romney Monday to appoint former Republican Congressman Alvin M. Bentley as board of regent successor to Eugene Power, resigned.

The student group cited Bentley as a man of "high qualifications" for the post in a telegram to Romney.

Power resigned from the board after a finding by Atty. Gen. Frank Kelley that a conflict of interest existed in Power's business associations.

MICHIGAN MILK PRODUCERS ASSOCIATION IS CELEBRATING ITS 50TH ANNIVERSARY OF SERVICE

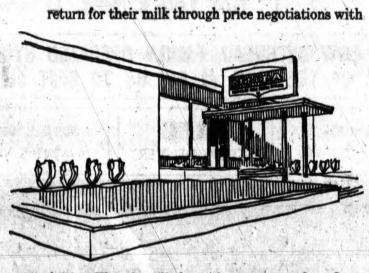
HALF CENTURY OF SERVICE 50TH MMPA MICHIGAN MILK PRODUCERS ASSOCIATION

What is Michigan Milk Producers Association? What does it do for its members? What does it do for you?

Michigan Milk Producers Association was founded by a handful of Michigan dairy farmers in 1916. Today, MMPA has more than 9,000 members and last year marketed over $127 million worth of milk. In fifty years, MMPA has become one of the largest dairy cooperatives in America. What is responsible for this remarkable growth? Service. Outstanding service to its members—and to consumers as well.

THE PURPOSE OF MMPA

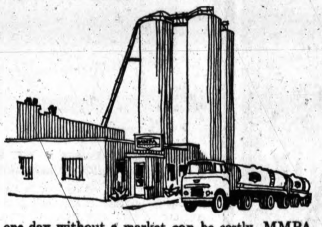
The main purpose of the founders of Michigan Milk Producers Association was to assure members a fair return for their milk through price negotiations with



dairies. That is still the main purpose today. Over the years, however, MMPA has added many special services and guarantees which assure a more stable market for members and help assure you, the consumer, an uninterrupted supply of fresh, wholesome milk.

GUARANTEED MARKET AND PAYMENT

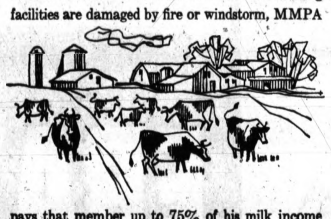
All MMPA members are active dairy farmers—shipping large quantities of milk to market every day. Because of the perishable nature of milk, even



one day without a market can be costly. MMPA, therefore, guarantees every member a market for his milk, every day of the year—providing it meets health standards. What's more, MMPA guarantees each member full payment for his milk at all times.

DISASTER AND QUARANTINE PROTECTION

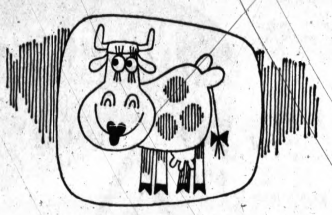
Dairy barns and herds are essential to the dairy farmers income. If a member's barn or milking facilities are damaged by fire or windstorm, MMPA



pays that member up to 75% of his milk income for a 90-day recovery period. The same financial protection is guaranteed any member prevented by disease from shipping milk.

TESTING AND FIELD SERVICE

MMPA professional testers check regularly to make sure each member is paid on an accurate basis. MMPA's professional field men call on members regularly to help them with individual problems and to help keep them informed about current



quality standards, health department regulations and marketing facts.

FIFTY YEARS OF SERVICE

Many changes have taken place and much has been accomplished in fifty years. Today, MMPA stands as the modern marketing arm of Michigan dairy farmers. Its major purpose still is to serve the dairy farmer members who own and operate it. And the result is to provide you, the consumer, with an uninterrupted supply of fresh, wholesome milk.

We measure our success in terms of our service to our members and to you. And we think we have reason to celebrate.

MICHIGAN MILK PRODUCERS ASSOCIATION

OWNED AND OPERATED BY MICHIGAN DAIRY FARMERS

Rezoning of M59 Site for Bar OK'd

Waterford News

The Waterford Township Board last night unanimously approved a rezoning change from local business (C-1) to general business (C-2) for a parcel of land at 7605 M59.

★ ★ ★

The applicants want to establish a bar and lounge business at the location.

However, the State Liquor Control Commission and Township Board would first have to approve transfer of a resort license from White Lake to Waterford Township.

Some board members expressed opposition to the bar and lounge at the Feb. 28 meeting.

In addition, about 50 residents of nearby Tull Acres Subdivision previously signed a petition objecting to the proposal.

FUND TRANSFER

In other business, the board approved transfer of $67,859 in surplus funds to the improvement revolving fund.

The funds are earmarked for secondary road improvements as follows:

- $31,000 for matching funds with the Oakland County Road Commission.
- $35,000 for additional road improvements such as blacktopping.
- $1,459 to pay off the deficit of last year's matching fund with the road commission.

★ ★ ★

Trustee Loren Anderson said he thought the $35,000 should be used to pay part of the cost of a fourth fire station.

MORE IMPORTANT

"I still say public safety is more important than public convenience," he said.

Supervisor Dorothy W. Olson reminded Anderson that the $35,000 could be transferred back into the general fund at any time.

A committee was formed to negotiate the purchase of addition land at Williams Lake Road and Lanman to accommodate a fourth fire station.

The township presently owns a 100-square-foot frontage at the site, but needs 50 additional feet, according to Fire Chief Lewis Goff.

Also last night, the board put into effect the 1966 street chloriding program, jointly financed by benefiting residents and the township.

According to Mrs. Olson, the township's share this year will be approximately $8,500.

It was pointed out that residents can have their roads graveled at a cost of $1 a yard.

★ ★ ★

In still other business, the board approved a request from Felicity I. Mason to drop Richard W. Mason as her partner on a class C license at 2585 Dixie.

REQUEST TABLED

Tabled for one week was a request from Charles Boros for a new beer and wine license to be located at 2250 Dixie.

★ ★ ★

Mrs. Olson announced that the Board of Review has extended its hearings and will hear tax relief appeals from township taxpayers from 9 a.m. to 5 p.m. tomorrow and April 1.

★ ★ ★

Senior citizens' applications for reduction of property taxes also will be accepted through April 1.

AFL-CIO Endorses Slate for City Vote

The Oakland County AFL-CIO Council last night endorsed the following candidates for the Pontiac City Commission in the April 18 city election:

★ ★ ★

Charles M. Tucker, District 1; Kenneth C. Cumberworth, District 2; William J. Winters, District 3; George Grba, District 4; William Hine, District 5; Wesley J. Wood, District 6; and Robert A. Landry in District 7.

★ ★ ★

The Committee on Political Education (COPE) made the selections. Wood is the only incumbent among those endorsed.

Dem Dinner Speaker

DETROIT (AP) — Maine's Democratic U.S. Sen. Edmund S. Muskie will address the Democrats' Jefferson - Jackson Day dinner here March 26. Michigan's retiring Sen. Patrick V. McNamara will be honored at the dinner.

Resignations Hinted After Delay on Pay

Disgruntled Waterford Township employes, their requests for more pay tabled one week, left the Township Board meeting last night hinting that possible resignations could follow.

The vote was 4-3 to table the proposed $28,933 package which includes $12,493 in pay increases for 19 employes plus $16,440 for three new employes and overtime wages for assessors.

Board members voting to table the requests claimed they did not have ample time to study the package.

Water Department Supt. Kenneth Squiers commented that four of his employes recently quit their jobs and fears that others will follow if they are not granted pay hikes.

"Private industry is trying to recruit some of our employes," said Supervisor Dorothy W. Olson, who voted against tabling the requests. "We can't match industry," she admitted, "but we can make wages more attractive."

STRESSES URGENCY

Squiers stressed the urgency of the board acting on the requests, implying that even one week's delay could result in repercussions.

Trustee Loren Anderson who today announced his candidacy for 61st District state representative, questioned Squiers.

"You mean if we don't act on this until next Monday night, you would be in the process of losing personnel?"

"I have been in the process of losing personnel . . . rapidly," answered Squiers.

'CALCULATED RISK'

The exchange of words continued, with Anderson stating, "I'll take a calculated risk on that kind of threat."

Besides Mrs. Olson, Treasurer James Schell and Trustee William Dean opposed tabling the requests, remarking that they would be willing to stay up all night to reach a settlement.

Proposed annual pay increases for 11 water department employes totals $6,948. The funds would be allocated from the department's own budget.

★ ★ ★

Eight other employes would receive pay boosts totaling $5,545.

NEW POSITIONS

Salaries for the three new positions—two clerk-typists and an assessing technician — would total $11,440 for the remainder of the year.

Actually, the annual salaries would be $7,384 for the assessing technician and $3,744 each for the clerk-typists.

Overtime pay for assessors presently employed would amount to $5,000.

★ ★ ★

Also scheduled for next Monday night's agenda is a pay increase proposal totaling $12,000 for the 18 members of the fire department.

Primary Road Work Revealed for Waterford

The Oakland County Road Commission has informed Waterford Township officials on primary road construction in the township, slated for completion this summer.

- Walton Boulevard — Silver Lake to Clintonville — surveys and design this year. Reconstruction to four lanes with curbs in 1967 or 1968.
- Airport - Andersonville intersection—widening on all legs of the intersection.
- Hatchery - Airport intersection—widening to four lanes for approximately 250 feet in all four directions.
- Walton-Williams Lake-Dixie intersection—construction of a right turn lane on westbound Walton with curbs. Construction of a right turn lane on eastbound Williams Lake and other minor improvements.

Automobiles Hit Two Girls in Pontiac

Two city youngsters were struck by automobiles on Pontiac streets yesterday afternoon and subsequently hospitalized.

Kathleen J. Guinn, 7, daughter of Joseph J. Guinn of 699 E. Columbia, is reported in fair condition at St. Joseph Mercy Hospital.

Denise L. LaForge, 4, daughter of Robert L. LaForge of 735 Stirling, is listed as satisfactory at Pontiac General Hospital.

Pontiac police said the Guinn girl was hit on East Columbia near Fuller about 3:20 p.m.

★ ★ ★

Driver of the car G. Eugene Thompson, 53, of 1459 S. Lapeer, Orion Township, told police the youngster ran in front of him without warning.

AREA DRIVER

The LaForge girl was hit by a car driven by Thelma J. Marino, 24, of 8763 Lakeview, Independence Township, about 2:40 p.m.

The woman told police the girl darted into Stirling from behind a parked car near the intersection of Pennsylvania. Neither driver was held.

Holly Man Gets Jail for Cottage Break-Ins

A Holly man was sentenced yesterday to 1½-10 years in the state prison at Jackson for breaking and entering seven cottages in the Holly area in early January.

★ ★ ★

The sentance was imposed on John Morey, 23, of 111 Park by Circuit Judge William J. Beer. Morey pleaded guilty March 1.

A Stranger Dropped In

ALBUQUERQUE, N.M. (AP) — David C. Warnack had an unexpected weekend visitor drop in.

Warnack said he was in his den Sunday when he heard a "clump." He looked out the window and saw a parachutist landing in his yard.

★ ★ ★

The parachutist, Richard Madrid, 21, a member of the Albuquerque Parachute Club, was uninjured in his off-course landing.

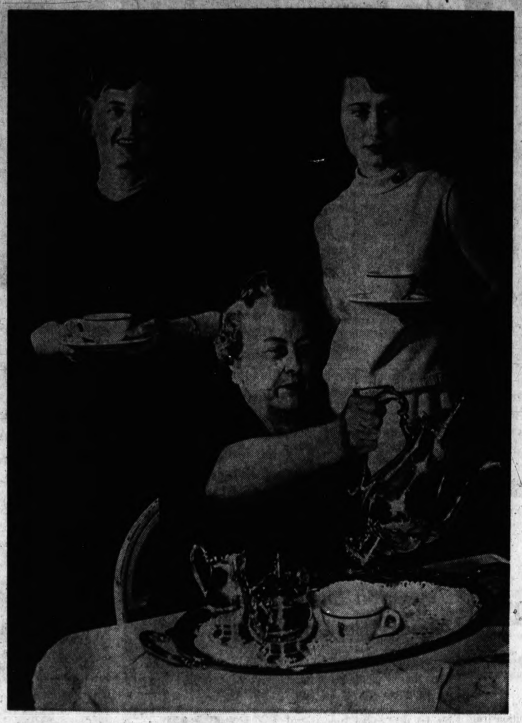
WOMEN'S SECTION



Pontiac Press Photo

A friendly cup of tea brings these three women of different nationalities together. Standing left is Mrs. Wayne M. Brown of Angelus Drive who comes from Scotland; Mrs. Andrew Drakos of South Francis Street formerly of Greece; and America's representative, (seated) Mrs. Henry J. Berry of Argyle Avenue. The event was "International Day" at Monday's meeting of the Pontiac Women's Club.

Foreign Born Women Talk to Club

By JEANNE NELSON

Spring flowers dominated the scene Monday afternoon at the meeting of the Pontiac Women's Club in the First Federal Savings of Oakland Building.

Hats in all shapes and sizes were reminiscent of full-blooming flower gardens.

* * *

Theme of the gathering, "Internal Relations," was highlighted by talks from three foreign-born women, all students in Janice Antona's citizenship class.

Miss Antona described the New Citizen's League, a group made up of former students. She reminded the group that the League is now 28 years old.

ANNUAL TRIP

The league's Washington trip, has become an annual event.

This year it will include four nights in Washington, D.C.; two nights in Boston with side trips to Cambridge and a day in New York City visiting the United Nations and sight-seeing.

* * *

Mrs. Wayne Brown, formerly of Scotland, demonstrated how she answered the questions recently at a naturalization hearing. The scope of the questioning covered local, state and federal administrations and a number of questions concerning the Congress.

* * *

As one member was overheard remarking later, "I wonder how many of us, as natural born citizens, could answer these questions correctly?"

Following the question and answer segment of her talk, Mrs. Brown familiarized her audience with her native land, talking of its natural beauty and mentioning the world-famous Princess Street in Edinburgh where the shops are noted for their variety.

FROM GREECE

Mrs. Andrew Drakos who came here from Greece a few years ago described her homeland and the vast differences that can be seen between ancient and modern Greece. Greece has become one of the most popular tourist spots in Europe.

* * *

The third student, Mrs. Charles Maxwell, comes from near the Black Forest of Germany on the Rhine River, just ten minutes from France.

Coins to Shape Toes of Shoes

NEW YORK (UPI)—Quarters, dollars and half-dollars have a new meaning in women's fashions this spring. The coins have been converted into terms for the newest toe shapes in women's shoes, according to Mears Division of United Shoe Machinery Corp.

* * *

E. E. Joiner, styling director and general manager, says the half-dollar tip is going to be the season's most popular shape. The trend — for next season: toward a broader, dollar toe, he predicted.

Jewels Will Sparkle at BAA Fashion Show

The Bloomfield Art Association is planning a 'first.'

On April 16, "Elegance and the Arts" which promises to be a most unusual fashion show, takes place in the gallery on Cranbrook Road.

* * *

BAA members will appear at 8:30 p.m. in simple black gowns modeling a priceless collection of jewels from Sidney Crandall's. The collection which ranges in style from antique to contemporary, was created by international designers.

A background of music from the coming opera season, will set the pace for afternoon and opera fashions supplied by Jacobson's.

Mary Morgan will narrate the show which includes Paris designs.

WORKING ON PLANS

Mrs. Robert Thom, chairman of the event, will be assisted by committee heads, Mrs. Harry Calvert, Mrs. Hugh Acton, Mrs. Louis Dean and Mrs. Henry C. Johnson.

Others working on details include, Mrs. Meyer Cantor, Mrs. Herbert Gardner Jr., Mrs. C. A. Hall, Mrs. John Fitzgerald, Mrs. Paul Averill, Mrs. Harlan Quinn, Mrs. Robert Muzzy, Mrs. Ernest Jones and Mrs. William C. Newberg.

* * *

Proceeds will be used to support the art association. The adult and children's classes are taught by instructors from Wayne State University, University of Michigan and Cranbrook Academy of Art among others.

* * *

Anyone may enroll in the classes which range from all types of painting and sculpture to fused glass, metal work, drawing, weaving and design.

BEVERLY ANN GRIMM

Late May vows are planned by Beverly Ann Grimm, daughter of the Robert F. Grimms, Phoenix, Ariz. and Jack D. Shiker, son of the Richard Shikers, Union Lake Road. Both are seniors at Arizona State University.

Calendar

WEDNESDAY

Woman's World Series, 10 a.m., The Pontiac Mall, "The Food Additives Puzzle" by Mrs. Diane Place.

Pontiac Chapter No. 7, American Association of Retired Persons, noon, Knights of Columbus Hall on South Saginaw Street. Cooperative dinner.

Pontiac Newcomers Club, 1 p.m., home of Mrs. Mert Jennings of Wenonah Drive. Cards.

Attorney Talks Before AAUW on Monday

Robert E. Cunningham, Pontiac attorney, spoke on "The New Court of Appeals" before Pontiac branch, American Association of University Women on Monday.

Hostesses for the evening meeting in the Community Services Building were Mrs. Arthur Lake, Mrs. E. C. Carlson, Mrs. Julius Middledorf, Mrs. Ray Allen, Mrs. Voyd Hicks, Mrs. Melvin Taig, Olga Siivart, Rosamond Haeberle and Aldene French.

* * *

The AAUW through its long history, has worked for the improvement of education and has supported women's rights in the United States.

Some 100 fellowships are awarded each year to mature women both here and abroad to further their field of study.

BOOK SALE

The Pontiac branch is having its 4th annual book sale, April 21-23, in The Pontiac Mall to raise funds for the fellowship fund. Mrs. Harry Hahn will arrange to have your unwanted books picked up.

Guests for the evening were Mrs. Bruce MacDonald, Mrs. Zyril Davis and Mrs. John Blamy III.

* * *

Any college or university woman graduate may attend meetings and the study groups will welcome women who do not have a college degree.

Study groups for the month include: Foreign Culture and Cuisine, March 29, 7:30 p.m.; and Bridge Group at 8 p.m.

The Travel Group will meet on April 12, at 8 p.m.

'King and I' Will Be Last Presentation

The Lakeland Players will present a musical, "The King and I" as their final production for the year, Friday and Saturday in the John D. Pierce Junior High School.

Performances April 1 and 2 are also scheduled with curtain time 8 p.m.

* * *

More than 75 persons have been working for the past six weeks to make this colorful production a success. Twenty school pupils are taking part in the play as the King's children.

DIRECTOR

Mrs. Gerald Lewis is directing the play and Patti Wilkinson is producing the musical. Sally Parent is the choreographer and Mary Phipps is handling the music.

Among cast members are Jack Sterrin as the King; Mrs. W. Cecil Stricklin as Anna; Craig Jacober as the Prince; Kirt Anselmi and Steve Lewis in the double role as Louis, Anna's son.

Others are Lynn Hamilton as Lady Thiang; Mrs. William Hampton as Tuptim; William Hampton as Lun Tha and William Solley as Kralahome.

* * *

Tickets may be purchased at the door or from any member of the players' group.

Beauty Diary Keeps One on Toes

A New You by Emily Wilkens

CHAPTER 2

This may sound like psychotherapy, but it isn't. (Although looking pretty is therapeutic.) It's a matter of sound judgment in getting to know yourself.

Have a friend take a full-length snapshot of you standing as you usually do, with your clothes, hair and makeup as you usually wear them. This is your BEFORE photograph.

Paste the BEFORE photograph in the front of a looseleaf notebook.

Take notes on each chapter of this series, concentrating on the particular pointers you need, and in the appropriate section, paste in reference material you find in newspapers and magazines — a picture of a hair style you like, dress designs, beauty tips, addresses and sources of products, charts and schedules.

This notebook is your BEAUTY DIARY, a personalized account of exactly what you need to improve your looks. It should serve you for many years to come.

You might want to dress up the Diary by covering it with the daintiest, prettiest fabric or contact paper you can unearth, and print BEAUTY DIARY OF (your name) on the front.

ANALYSIS

Now for the hard part. Stand in front of a full-length mirror and coldly, honestly analyze the areas of your figure that you believe need improvement.

* * *

Take a pen or pencil and draw your figure. You don't have to be a female Rembrandt.

Are your hips heavier than you'd like them to be? Indicate this with dotted lines. Is your fanny a bit over-prominent? Let the dotted lines show the bulge. (Be ruthless.)

Then write down your figure problems (heavy hips, thick waist, etc.) with arrows pointing to the appropriate areas.

* * *

In the upper right-hand corner of your figure outline page, make a list of your ASSETS —all the good things about your figure.

In the lower left-hand corner of the page, make a list headed NEED TO IMPROVE—the nasty little devils that are making your figure less than perfect.

The figure outlines and listings of ASSETS and NEED TO IMPROVE make up your FIGURE ANALYSIS CHART.

You can use the FIGURE ANALYSIS CHART for marking other beauty problems, too.

Use arrows to indicate oily hair, bitten nails, and all other bugaboos that tend to nibble at your appearance and self-confidence.

DISCOURAGED

Are you ready to cry into your malted by now because your NEED TO IMPROVE list seems about ten times as long as your list of ASSETS? Cheer up. You can't start out on the road to beauty without knowing exactly what your problems are.

* * *

After analyzing what we might call your "bodily" problems, let's turn our attention to the other things that aid or ruin the beautiful impression you'd like to project.

You can't be a true beauty if you have an itsy-bitsy little-girl speaking voice or if your posture resembles an S-curve.

Try to think of yourself as sort of a pattern, in which everything — figure, hair, skin, makeup, clothes, posture, voice, manner — must blend harmoniously to make up a perfect whole.

* * *

Before beginning the improvement plan, get a complete checkup from your family doctor. (That's a must at least once a year, anyway.)

Now, armed wih a clean bill of health, determination, and a clear analysis of your assets and debits, are you ready to become the truly beautiful girl you were always meant to be? You are? Then here we go!

THE FIVE B'S

A Guide to Natural Beauty

1. Be proper about your diet.
   - Good nutrition makes for good looks.
2. Be sensible about your hours.
   - Beauty sleep keeps you young.
3. Be brave about your exercise.
   - Firm muscle tone means fine figures.
4. Beware of tension.
   - Lines and frowns give you the "uglies."
5. Be sly.
   - Glamorize your God-given assets.

Tomorrow: Physical fitness and what it means to you.

Ungracious Acts of Others Do Not Excuse Your Own

By ABIGAIL VAN BUREN

DEAR ABBY: I have just experienced one of the most uncomfortable afternoons of my whole life. I had a luncheon for three close friends, one of whom is a widow.

ABBY

The other two women spent the entire afternoon bragging about the gifts their husbands had given them, the trips they had taken, and their plans for future trips. The little widow had nothing to contribute to the conversation, so she just sat and listened. I could tell she was hurt.

Don't women realize how often they do this? I am furious because this happened in my home. I haven't as yet had the opportunity to tell these two women how inexcusably rude they were, but I hope you will mention it in your column because they both read it.

BINGHAMTON

DEAR BINGHAMTON: You could have steered the conversation to another subject. Why didn't you? Before condemning others for their "sins," — consider for a moment the "sin" of omission.

* * *

DEAR ABBY: A man who has been our friend for 40 years has taken up painting as a hobby, and he's pretty good. He has sold several of his paintings, so it's not just our opinion.

For our anniversary gift, he painted a picture to hang over our fireplace. It's a winter scene showing a New England farmhouse under a blanket of freshly fallen snow, a typical blue-cold Vermont day. Well, he put a clothes line back of the house, and clothes are on it.

This spoiled the whole picture for me. He should know that when it's that cold no one would hang the wash outdoors! I want to ask him to take the painting back and take the clothes line out. My husband says it can't be done without hurting the painting as it's done in oils. Can it? I just don't enjoy looking at it this way.

MARY C.

DEAR MARY: The artist can remove the clothes line without "hurting" the painting, but I can't guarantee that you won't hurt the artist's pride. Ask him, anyway. A friendship of 40 years permits certain privileges.

Problems? Write to Abby in care of The Pontiac Press. For a personal reply, enclose a stamped, self-addressed envelope.

Mrs. Hubbard Is Hostess

Mrs. J. Alfred Hubbard opened her home on Woodward Avenue to members of the Pontiac branch, Woman's National Farm and Garden Association on Monday.

The technique of forcing branches of flowering shrubs indoors for arrangements was demonstrated by branch member, Mrs. Parker P. Rockwell who is treasurer of the Michigan Division and member of the national council.

* * *

Social chairman for the day, Mrs. Harold E. Howlett, welcomed new members Mrs. Collis A. Scott and Mrs. John Q. Waddell.

Pontiac Press Photo

Mrs. W. Cecil Stricklin of Angelus Drive and Craig Jacober of Van Syckle Street are rehearsing their roles as "Anna" and "The Prince" in the Lakeland Players' production of the musical, "The King and I" Friday and Saturday in the John D. Pierce Junior High School.

We would like to welcome you to visit our showroom and look over our wide selection of sofas, chairs, lamps and many more items for your home. Stop by today!

"Furs, Trappers and Traders" is the name of this painting by Rhobert Thom. An original oil done under commission from Michigan Bell Telephone Company for the firm's series, "A History of Michigan in Paintings," it is one of 16 that may be seen by the public at the Bloomfield Art Association on South Cranbrook Road, March 27-April 4.

Mrs. Berry Elected Head of Auxiliary

A recent meeting of the Oakland County Osteopathic Auxiliary in the Red Fox Inn saw Mrs. Andrew Berry become the new president.

Others assuming duties include Mrs. Eugene Sikorski, president-elect; Mrs. William Bilyeu, vice president; Mrs. L. J. Huddle, treasurer and Mrs. David A. Lellam, secretary.

★ ★ ★

Plans for the annual Scholarship Salad Luncheon were told for April 20 in the North Congregational Church, Southfield.

The program will include an educational film, "Romance of a Diamond" by Sydney Krandall.

Proceeds of the event will be used for scholarship funds for the Osteopathic colleges. The party is open to the public and tickets will be available at the door and from members.

An October wedding is being planned by Carla Ann Buechler, daughter of the Carl F. Buechlers of Oxford, and Airman 3.C. Darryl J. Lambertson, son of the Leslie Lambertsons of Minnetonka Drive, Oxford Township. He is stationed at Pope AFB, Fayetteville, N.C.

An August 20 wedding is being planned by Toby Irene Swindells, daughter of the Sydney Swindells of Taylor Street and Timothy John Pimlott, son of the George J. Pimlotts of LaFay Drive.

At DKG Meeting

Dr. Reid Discusses Trip

Dr. Chandos Reid, recently returned from a year of study in India under a Fulbright scholarship, spoke before Alpha Beta chapter, Delta Kappa Gamma Society on Monday.

Jean Leukens introduced the speaker at the dinner meeting in Greenfield's Birmingham Restaurant.

★ ★ ★

Dr. Reid displayed Indian handicrafts ranging from primitive handmade utensils to creatively devised objects of art used in a highly cultured household.

Metal food grinders, rice measurers, cooking pots, block printers and hand woven fabrics revealed a wide array of personal and household uses. Native materials had been used for shoes, key rings and jewelry.

ADAPTATIONS

"The introduction of modern machines and the impact of Western culture have developed many adaptations of primitive culture for the growing tourist trade," said Dr. Reid.

"One of the notable changes in India is the evolution from primitive, utilitarian living to a culturally expanded civilization. Beauty, pleasure and graciousness are found in even the common aspect of living."

Her comparisons were based on contrasts she noted in this trip and the one she had taken 10 years ago.

★ ★ ★

Guests included Jo Bulla, Diane Steffens, Mrs. William Crommett, Mrs. Russell Faxon and Mrs. Lynn Beveridge.

Pamela Alexander, the 1965-66 DKG educational award winner and a freshman at Oakland University, was also present.

Cochairmen for the event attended by 40 members, were Mrs. Emil Bruestle and Mable Double. Assisting them were Mrs. Melvin Taig, Mrs. Richard Penman and Mrs. Edward Chubb.

Protein's Big in Cosmetics

Want to be lovely? Try protein. There's nothing better for skin, hair, and nails according to the latest news from beauty land. The multi-billion dollar cosmetics industry has stampeded into the protein market with all sorts of animal- and milk-derived preparations.

Proteins serve two purposes in cosmetics, according to Chemical Week. Most form films that hold the hair in place, prevent drying of skin, etc; and some are "sorbed" into the hair shaft, helping to invigorate hair damaged by bleaching and permanent waving.

Early drawbacks of protein, a heavy animal scent and cloudy films, have been overcome. The protein preparations — providing body without artificiality — stand to flourish at least as long as the natural look dominates the fashion and cosmetics scene.

Housewife Says Television Show 'Breaks' Her Up

PATERSON, N. J. (AP) — "The master of the house has the right to turn off his own television set, especially on his day off," ruled Magistrate Charles J. Alfano. "Case dismissed."

★ ★ ★

The case was one in which a local woman charged her husband with assault and battery, claiming he broke the indoor TV antenna over her head after an argument. The trouble started on a Sunday when her husband turned the set down, complaining it was too loud.

She turned it back up. He turned the volume down again. She turned it up and he turned the set off. The argument followed.

Cabaret Date Set

The Progressive Action Committee for Equality (PACE) is planning its first spring cabaret. The affair will take place Saturday from 9 p.m. to 2 a.m. at Fisher Body Local 596 Hall on Baldwin.

Mr. and Mrs. Henry L. Morris of East Beverly Avenue announce the engagement of their daughter Ruthann to to Gerald Michael Jacobs, son of Chester Jacobs Jr. of East Walton Boulevard and Mrs. Lester Vader of Cedar Island Road, White Lake Township.

A mid-July wedding is planned by Barbara Ann Hoopingarner, daughter of the James L. Hoopingarners of Seward Street and Marine Pfc. Robert Joseph Dissmore, son of the Lloyd Dissmores of Caprice Street, White Lake Township. He is stationed at Cherry Point, N.C.

Facing Her Won't Change Bad Feelings

By MURIEL LAWRENCE

DEAR MRS. LAWRENCE: My sister-in-law told a neighbor of ours that she and my brother don't often see us because I am raising two "bratty" children.

★ ★ ★

They belong to the same bridge club and my sister-in-law said this in front of two other women. She said that I had so spoiled my 4-year-old boy that nobody could carry on a conversation in our home.

★ ★ ★

Should I face her with this gossip she is spreading about me?

ANSWER: Why bother? Facing her with your knowledge of her dislike of you isn't going to change it into affection, you know. The question is why you're so troubled by her dislike.

Many of us are troubled by someone's dislike of us because we've been taught to credit everyone with brotherly love. We're the children of parents who told us that our brothers, sisters, aunts, uncles and playmates didn't "mean" the hurtful things they said to us. "Nonsense!" they said. "Aunt Belle didn't really mean it when she called you a "show-off." "

★ ★ ★

And so they obliged us to credit aunt Belle with benevolent feelings toward us when, in fact, they were hostile feelings.

★ ★ ★

As a result of this sentimental lying by our parents, our self-confidence got badly damaged. For when we are told that our sister-in-law has been making nasty remarks about us, our immediate response is certainly that we deserve her bad opinion.

The possibility that it has been shaped by ill will inside our sister-in-law cannot occur to us because, like aunt Sue, she is too filled with Christian benevolence to be able to feel ill will.

Thus, it is we who are stuck with the total burden of fault and are made so anxious by it that we want to rush to our sister-in-law to try and convince her that we're a wonderful parent instead of the bad one she has said we are.

If we have not been trained to believe that everyone lives by the gospel of brotherly love, we don't immediately credit someone's bad opinion of us with truth. Instead, we say to ourselves: "Is there a weakness in me that is spoiling my children or is there hate in my sister-in-law which enjoys thinking I'm weak?"

We can look at the possibility that our sister-in-law's bad opinion of us is the unreliable concoction of hate instead of swallowing it wholesale in certainty that the only unreliable and faulty person involved is us.

Two Finish Course

Two area residents were graduated as practical nurses recently from Sinai Hospital of Detroit Shapero School of Nursing.

They are Judy Roberts, daughter of Mr. and Mrs. Marvin L. Roberts, Percy King Drive, and Mary Mole, daughter of Mr. and Mrs. Anthony Mole, Empire Street.

This is a place setting of china and silver patterns that Luci Johnson has picked for her wedding to Airman Pat Nugent Aug. 6. China pattern is Ceralene's Ambassador, a gold-bordered white Limoges manufactured in France. The silver is by American craftsmen—Old Maryland, made by S. Kirk & Son, an old Baltimore firm. Luci hasn't decided yet on the crystal.

Pat and Luci Typical Pair on Shop Tour

WASHINGTON (UPI) — Luci Johnson and her intended have passed another milestone on the way to the altar — chosen and registered the patterns for their china and silverware.

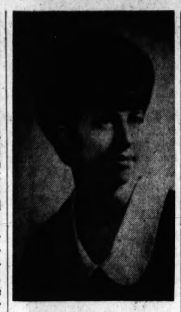
Still to come for the President's daughter and her fiance, Airman Patrick J. Nugent, is another big (at least, for the bride) decision — the type of crystal they'll use after they are wed.

Luci took Pat on two shopping trips to a fashionable china shop in Georgetown recently. They chose for their china pattern, Ceralene's "Ambassador," a gold leaf-bordered white Limoges made in France and selling for $59 a place setting.

Their silver pattern is "Old Maryland." The handles have an engraved scroll and a six-piece setting goes for $58.50.

Invitations to Luci's wedding Aug. 6 at the Roman Catholic National Shrine of the Immaculate Conception are expected to be sent out to family and friends about a month before.

The White House is expected to announce general guidelines on gifts with the hope that well-wishers won't go overboard and send opulent presents Luci will not be able to accept.



Late August vows are planned by Brenda Joyce Lawrence and Edward Eugene Scheele, son of the Eugene Scheeles of Culbertson Street, Avon Township. The bride-elect is the daughter of Mrs. Walter Lawrence of Harrison Street, Avon Township and the late Mr. Lawrence. Her fiance attends the Art Center School of Design in Los Angeles.

Two Cooks Like Cake Made With Apples

By JANET ODELL
Pontiac Press Food Editor

When we last visited the Fashionette club, we came away with a handful of recipes. Two members gave us the same recipe for Fresh Apple Cake and we've combined the directions.

FRESH APPLE CAKE
By Mrs. John Kendrick and Mrs. Kenneth R. Young

Make frosting first, says Mrs. Kendrick.

½ cup margarine
1 cup light brown sugar
¼ cup evaporated milk

Let come to full boil, stirring constantly. Remove from heat and let cool. Add

2 teaspoons vanilla.

1 cup salad oil
2 cups sugar
2 or 3 beaten eggs
3 cups sifted flour
1 teaspoon soda
1 teaspoon salt
1 teaspoon cinnamon (optional)
1 teaspoon vanilla
3 cups chopped or sliced apples
1 cup chopped pecans

Mix oil, sugar, beaten eggs and vanilla. Sift dry ingredients and add to first mixture. Fold in apples and nuts.

Here is where the two women part company. Mrs. Kendrick pours her cake into a 9x13 greased pan and places it in a cold oven.

She sets the temperature at 325 degrees, turns on the oven and bakes the cake 45 minutes. As soon as it comes out of the oven, she frosts it.

Mrs. Young uses a greased and floured angel food cake pan. She bakes her cake one hour and 30 minutes at 350 degrees, starting with a hot oven.

Family's Carport Becomes Hangar

WEDDINGTON, N.C. (AP) —The large carport of Mr. and Mrs. James Nisbet at their country home is really a "planeport."

Mrs. Nisbet parks her single-engine plane, a 20th wedding anniversary gift from her husband, beneath the carport.

Polly's Pointers

New Book Rack

DEAR POLLY — I found a good use for a small brass record rack that was not being used. My four-year-old son puts his small story books in it and now he can easily find the book he wants at a glance.

★ ★ ★

Usually the books were stacked in a pile and seldom read as he did not like picking up all of them just to find one.

Our house has no lights in the closets so I keep a small flashlight in each of them.

I have found another use for plastic milk cartons. The bags we buy containing flour, meal, sugar and so on are always spilling as the contents are poured out or when they are folded down at the top to be stored.

★ ★ ★

Now I label each clean plastic carton in big red letters (or the word cut from the bag) so it is easily spotted on the shelf and have handy pour-spout containers for these staples.—E. P.

★ ★ ★

DEAR POLLY — When I write letters on tablet paper I always start from the back and work forward. This way there is no imprinting on the succeeding sheet of paper and it also seems more comfortable writing on the table than on a thick pad of paper.

I always save big bottles that are attractive shapes and use them for bookends. Filled with colored water and tightly capped, they look most attractive.—CECELIA

DEAR POLLY—For hard-to-wrap gifts like pens, lipsticks and so on, try this. Wrap tissue paper around the gift, slip into a tube that came out of toilet tissue. Wrap the tube with lots of tissue paper and shred the ends with scissors.

Cover with two colors of plastic netting vegetable bags, one on top of the other, and tie the ends with ribbons and bows of one of the colors. This makes a most attractive "popper" style wrapping.—AGNES

DEAR POLLY — All my windows slide sideways to open and the tracks were so hard to clean until I hit upon this idea. Put a tiny piece of rag on the eraser end of a pencil. It fits perfectly in the tracks of my windows and takes up all of the dust. — MRS. W. R.

DEAR POLLY — To send snapshots through the mail uncreased, roll them up to fit inside an empty bathroom tissue tube. For larger prints use rolls from plastic sandwich bags and for 8x10 and 11x14 size use wax-paper rolls.

The prints come out uncreased and ready to frame or put into an album.—SONDRA.

★ ★ ★

Share your favorite homemaking ideas . . . send them to Polly in care of The Pontiac Press. You'll receive a dollar if Polly uses your idea in Polly's Pointers.

Rip Apart First

The legs of overalls or jeans can be patched with a sewing machine by ripping the leg seam and then re-sewing after the patch is stitched on.

Easy, Matching Belt

A belt to match a dress can be made easily by folding material over an old belt and fastening the center on the underside with iron-on tape.

Dry Sweater a New Way

Sweater drying problems can now be cut in half with the new double-sized sweater dryer.

★ ★ ★

The nylon net assists quick drying time, because the ventilating nylon square creates increased air-flow from the top and from the underside. This dryer is just perfect for the larger sized garments or even two or more smaller items, as they can stretch out comfortably on the new 26" x 40" king-sized net without ugly wrinkling or folding marks.

TRAVELS WELL

Easy to store anywhere as the dryer is compact enough for storage . . . it's even perfect for travel as it is lightweight and made of one piece construction so there are no parts to lose.

PTAs

PONTIAC-WEDNESDAY

Mark Twain, 5 to 7 p.m., pancake supper, open to public. Proceeds for fifth grade camping fund.

Wisner, 7:30 p.m., members and friends will attend Pontiac Board of Education meeting at Board of Education Building, East Wide Track Drive. Replaces regular meeting.

Opening lead—♠ 2

By JACOBY & SON

It is easy enough to figure out a third hand play to bracket an honor in dummy when the lower card in your bracket is right below dummy's high card.

JACOBY

Nevertheless there are occasions when you should consider bracketing an honor when your lower card is just a nine spot.

North's three club bid was a Stayman response to his partner's opening two no-trump. We don't intend to go into the merits of the bidding of this hand or of West's opening lead. Suffice to say that South was playing at four hearts and that West opened the deuce of spades.

Declarer's play of second hand low was both natural and correct and if East had played third hand high, rising with the ace, South would have had no trouble brining home his contract with an overtrick.

Unfortunately for this particular South the game was rubber bridge at the Contract Bridge Club of Houston and internationalist Bobby Nail held the East hand.

Bobby studied for awhile and played the nine of spades.

South won with the ten and promptly led back the three spot. He wanted to get to dummy to try a heart finesse but West played the eight of spades and Bobby's ace took care of dummy's king.

diamonds and led a third spade to his partner. West took that trick and returned a second diamond. South was in the lead and since he had no way to reach dummy for a trump finesse Bobby set the hand with his king of hearts.

Pacifist Guilty of Disturbance at LBJ Dinner

NEW YORK (AP) — Pacifist James Peck, who shouted "Free Viet Nam" as President Johnson arose to speak at a dinner at the Waldorf-Astoria Hotel, has been found guilty of interrupting the dinner, given by Freedom House last Feb. 23.

He said he spoke before Johnson started to speak and before applause of the President had ended. "I said it then because I didn't want to interrupt the meeting," Peck told the judge.

"It was my intention," Peck said, "to tell the President that I was going to stand in complete silence in memory of the dead in Viet Nam."

He said police jumped in as he finished saying, "Free Viet Nam."

Do-It-Yourself Death

RANSON, W.Va. (AP) — Authorities said Andrew J. Ford took his life by placing a shotgun shell over his heart, placing a carpenter's center punch on the shell, and hitting the punch with a hammer, firing the shell. His body was found Monday.

CARD Sense

Q—The bidding has been:

West	North	East	South
			1 ♠
Pass	1 N.T.	Pass	Pass
2 ♦	Pass	Pass	2 ♠
3 ♦	Dble.	Pass	?

You, South, hold: ♠K Q J 7 6 ♥A 5 4 ♦A 7 4 ♣6 4 2

What do you do?

A—Pass. You should be looking forward to collecting a nice, juicy penalty.

TODAY'S QUESTION

Instead of responding one no-trump, your partner passes. East bids two clubs. What do you do?

Answer Tomorrow

George Washington issued the first U. S. patent in 1790 to Samuel Hopkins of Philadelphia, covering his method for processing potash for the manufacture of soap.

Astrological Forecast

By SYDNEY OMARR
For Wednesday

"The wise man controls his destiny . . . Astrology points the way."

ARIES (Mar. 21 - Apr. 19): You continue to go ahead with direct, thorough approach. Cycle remains high. People admire your forthright attitude. Good time for purchase which enhances appearance, confidence.

TAURUS (Apr. 20 - May 20): You can advance if you investigate previously unknown areas. Don't expect laurels to be placed in your lap. Look and you will discover. It's that kind of day!

GEMINI (May 21 - June 20): Surprise of pleasant variety indicated today. Include friends in plans and you promote hopes, aspirations. Realize relaxation leads to creative success. Don't feel you must force issues.

CANCER (June 21 - July 22): People you respect return the compliment. Your standing in community rises. Fine time to display talents, abilities. Avoid brooding over lack of perfection. Make the most of possessions.

LEO (July 23 - Aug. 21): May be necessary to consider BASIC REVISIONS. Means don't fear change, don't accept uncertainty. Think ahead. Be generous, utilize innate sense of showmanship.

VIRGO (Aug. 23 - Sept. 22): Investigate, seek ultimate values. Study LEO message. Curb temper to avoid social complications. Check appointment list. Not so good now for purchase of luxury items. Obtain basic materials.

LIBRA (Sept. 23 - Oct. 22): You could discover compatible people who aid cause. Maintain open mind. Don't force legal issues. Pleasure now gained through work, business. Realize good news is on the way!

SCORPIO (Oct. 23 - Nov. 21): Fine for meeting, dealing with artisans, craftsmen, and for exhibiting handiwork. Take special care with diet, avoid needless tension. Maintain steady pace.

SAGITTARIUS (Nov. 22 - Dec. 21): You can win your way through charm. Give love and you also will receive it. Don't try to reorganize the world — take one step at a time. Your own life can be a song today!

CAPRICORN (Dec. 22 - Jan. 19): Not wise to take burdens of others upon your shoulders just yet. Untangle red tape, gain greater freedom first. Do so through individual initiative. Maintain harmony at home.

AQUARIUS (Jan. 20 - Feb. 18): Very good now for display of wit, artistic talents. Deal with children, brothers, sisters, other relatives. You react most to clever repartee. Be sparkling in own presentation.

PISCES (Feb. 19 - Mar. 20): Good for purchase of unusual, beautiful items. You appreciate glamor today — and so do associates, friends. Highlight special services, abilities. You can shine at social affair.

★ ★ ★

IF WEDNESDAY IS YOUR BIRTHDAY . . . you are natural investigator — you seek reasons, motives. Would make fine writer, detective, sales promotion specialist.

★ ★ ★

GENERAL TENDENCIES: Cycle continues high for ARIES. Special word to CAPRICORN: Family member can be convincer — if you are stingers.

Says Cavanagh Is Helping GOP

WASHINGTON (AP)— Rep. Gerald R. Ford, R-Mich., said yesterday he likes Mayor Jerome P. Cavanagh of Detroit because he is a Democrat who apparently doesn't mind helping the Republican Party.

"He is befriending the GOP, whether or not that is his intention, by fighting Soapy Williams for the Michigan Democratic Senate nomination," Ford said in a statement.

Cavanagh announced last week he will seek the nomination for the seat now held by Sen. Patrick McNamara, D-Mich., who has announced he will not ask reelection.

Earlier, G. Mennen Williams, a governor of Michigan for 12 years, announced he would resign as assistant secretary of state for African affairs to try for the Democratic nomination.

★ ★ ★

Ford said Cavanagh and Williams will be chopping each other up in the August primary and that will improve the chances for the Republican candidate in November.

FUNDS LOST

"Not only will Democratic ranks be bitterly divided by the Cavanagh-Williams race," Ford said, "but it's obvious that all campaign contributions spent to influence the outcome of that struggle will be lost to the Democratic party in the general election drive."

Ford predicted the Cavanagh-Williams fight will mean a Republican victory for the Senate in the fall, whether Cavanagh or Williams is the Democratic nominee.

★ ★ ★

"I'm sure the voters of Michigan will recognize Cavanagh for what he is, one of the biggest spenders, a man who as Detroit's mayor keeps begging for more and more federal funds and keeps complaining Detroit isn't getting enough," Ford said.

Forms Ready for Draft Test

LANSING (AP) — Application forms for the new Selective Service qualification test are available at all Michigan local draft board offices, state Selective Service headquarters has announced.

The tests will be given May 14, May 21 and June 3 at 32 examination centers at colleges throughout the state.

★ ★ ★

State Selective Service said the test should be taken by any registrant who intends to request occupational deferment as a college student.

Results of the three - hour written examination will be reported to the student's local board. Colleges also will be asked to report the class rankings of male students to their local boards.

The test may be taken by any student presently enrolled in college or who is a high school senior and graduates and hadn't taken the test previously.

Worker Electrocuted

HOLLAND (AP) — Cables touched a high voltage power line on a derrick erecting job yesterday causing a fatal electrical shock to Julius A. Droost, 54, of near Holland. Droost was helping in the work.

...sents 'Being Used to Sell'

Curtis Shuns Awards Show

By BOB THOMAS
AP Movie-Television Writer

HOLLYWOOD — Among the many stars missing from the Academy Awards bash on April 18 will be Tony Curtis. He frankly explains why.

THOMAS

Attendance by stars at the Oscar event has dwindled in late years to nominees, past winners and few other names who can be inveigled into acting as presenters. Most other stars stay away.

★ ★ ★

Why don't the stars turn out?

"I'll tell you why I won't," volunteered Tony Curtis. "It's because the Oscars are used to sell cookies and shampoo. I won't appear for the same reason I stay off all television: I don't want to be in the position of being used to sell cookies or shampoo.

FEEL SAME WAY

"I know of 10 other stars who feel the same way. Oh, they may offer some phony excuse — they're going to be out of town or some damned thing. But the real reason is that the Oscar show is sponsored, so why should they lend their names to it?"

Curtis was unimpressed by the news that the Oscarcast is not selling cookies or shampoo this year but is sponsored by Eastman Kodak.

★ ★ ★

"I don't care who the sponsor is," he insisted. "Why should the motion picture industry have to go to strangers for charity? That's what it looks like when we allow our most important event to be used to sell other products.

"I have a better idea. Let the studios contribute $100,000 apiece and put the show on without any commercials. Just make the award presentations and show the world: this is our best work and we're proud of it.

BIG, BEAUTIFUL SHOW

"That's all. No selling of cookies. Just one big, beautiful show that we can all be proud of.

★ ★ ★

"If the Academy Awards were presented on that basis, I'd emcee the show, I'd be a presenter, I'd even take tickets, if they wanted me to. And every other star in the business would be there, too."

Curtis pooh-poohed the suggestion that the film companies might be too poor to put on the Oscar show.

"Are you kidding? The studios are shoveling money. This is the only business in which the companies take the money out and don't put anything back in."

Economics aside, Curtis yearned for the good old days before his time, when the Academy was a cozy industry affair.

Recovery in 5th Straight Day

Glamour Stocks Move Ahead

NEW YORK (AP) — The high-stepping glamor stocks make further strides today as the stock market extended its recovery into the fifth straight session. Trading was heavy.

The ticker tape was late as color televisions, other electronics, airlines, aerospace issues and other fast-moving stocks ran up sizable gains.

★ ★ ★

Around mid-session some of the biggest among them were clipped by profit taking, but many others remained well ahead.

Meanwhile, the rest of the stock market moved higher on average, posting a substantial gain.

MARKET WHEELHORSES

While the high-flyers ran up 1 to 4 points or better, the market wheelhorses such as steels, rails, motors and chemicals kept their advances mostly within a point.

The Associated Press average of 60 stocks at noon was up 1.6 at 347.4 with industrials up 3.0, rails up .5 and utilities up .1.

★ ★ ★

The Dow Jones industrial average at noon was up 6.79 at 935.96.

Up about 4 points were Boeing and Braniff Airways.

Prices advanced in heavy trading on the American Stock Exchange. Solitron Devices rose 5, Conductron 4, Dennison, Valley Metallurgical and Duval 3 or better. Up 2 were Syntex, Solitron when-issued, Horn & Hardart bakeries.

Corporate and U.S. Treasury bonds were mostly unchanged in light trading.

Tuesday's 1st Dividends Declared

Brown Pays Back Taxes

To Resign as Senator if Guilty of Crime

LANSING (AP) — Sen. Basil Brown, D-Highland Park, paid the $1,736 he owed in back federal income taxes Monday, adding if he is found guilty of any criminal intent in his delayed payment he will resign as a state legislator.

The payment did not square him completely with the federal government, Brown said. There's still the question of penalties and interest and an investigation of his failure to file 1963 and 1964 income tax returns before the deadlines.

★ ★ ★

"I'll be billed for interest and penalties," Brown said. "I hope to be able to pay that the day the bill comes—or within a reasonable time.

The back taxes were paid out of money he had saved, Brown said.

NEARLY COMPLETED

Most of the standard investigation following his failure to pay has been completed.

"If I had walked in today and paid what I owed without prior negotiations, the Internal revenue Service would have started an investigation. Since I have been working with them for some time on this, it's almost completed."

★ ★ ★

The investigation — which he has not discussed with IRS—is intended to determine whether there was any fraud or intention to evade taxes, or whether the delayed payment is intended to cover up other illegal activities, he said, adding:

"If I'm indicted (on criminal charges) I will, without hesitation, look for another job.

NO INTENT TO DODGE

"I had no intention of dodging my taxes. I did intend to delay payment simply becaise I did not have the money. The method I chose for delaying payment was a stupid mistake," he added.

Rate of Theft on Car Plates Is One a Day

The number of 1966 license plates reported stolen to Pontiac police went over the 20 mark yesterday, an average of one a day since deadline for purchase of plates Feb. 28.

Detectives William G. Davis and James F. Fritz, assigned to investigation of plate thefts, pinpointed the $35 uninsured motorist fee as a pressing force behind the larcenies.

"This is the first time we've run into this," said Davis, a 14-year veteran of the department.

He theorized most of the plates had been taken by persons unable or unwilling to pay the fee or buy insurance.

★ ★ ★

"There's too many complaints for men on patrol to even remember license numbers," Fritz said.

"By the time you look a number up, the car is likely to be gone."

Earthmovers' Confab Scheduled April 7

The Michigan Earthmovers Association will hold its third annual election of officers at Sylvan Glen Country Club, 5725 Rochester, Troy, April 7.

Dinner will be served at 7:30, the business meeting to convene at 8:30 p.m.

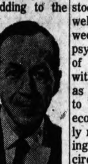
Slowdowns Increase Inflation Confusion

By SAM DAWSON
AP Business News Analyst



DAWSON

NEW YORK — Some isolated slowdowns in the economy's forward rush are adding to the confusion over what to do about inflation.

Most of the signs still point uphill for the business boom now rounding out its 61st month. But a few of those that often indicate what the future has in store are lagging or turning down.

And this hesitancy, along with the chance that more may be in the making, sustains those who argue that this isn't the time to clamp on the brakes.

Orders for durable goods have taken a surprising drop. Whether this is temporary is yet to be seen.

NEW HOUSES

Housing starts also have fallen off more than expected. The building industry is now watching to see if spring weather will revive their business.

Factory managers say they expect to add to their inventories in a cautious manner after the big rush to build up stocks that helped heat up the economy in the closing weeks of 1965.

★ ★ ★

A profit squeeze is feared in some industries. They cite rising production costs, much smaller gains in output per man hour of labor, and the government's frowns on raising prices to meet these growing costs—and thus keep them from pushing today's record profits still higher.

The high cost of borrowing may cool the expansion boom in coming months, some bankers say, although admitting that the demand for loans is still high.

SPECULATIVE FEVER

The speculative fever in the stock market has been pretty well chilled in the last five weeks. And the effect on public psychology of an average drop of 7 per cent in stock prices—with some industry groups down as much as 17 per cent—is yet to be measured. Some business economists think that a generally more cautious attitude is taking shape, especially in business circles.

★ ★ ★

The stock market is only one reason. Others are tight money, speedier tax collections that leave corporations with less cash on hand to spend, and to no small degree the efforts of the administration to halt or turn back certain price rises—even if unable to hold back the general rise in the cost of living.

Government economists may not be saying so for publication, but they are unlikely to be entirely unpleased by such signs as there are of a slowing down in what at year's end looked like the start of a speculative and inflationary boom.

The goal still is for more expansion, higher incomes, more spending, more jobs, and still fatter figures when figuring the nation's total income and production.

5-YEAR BOOM

The five-year boom has carried the economy to record heights. Some have felt the economy had reached dizzy heights. The administration has denied this.

And if signs of a slowdown or a more cautious forward pace multiply in the months ahead, the administration may keep its foot off the brakes and forego a tax increase.

Successful Investing

By ROGER E. SPEAR

Q) "I would appreciate your advice regarding the purchase of Leece-Neville stock. My brother suggested I buy 100 shares, as he has received confidential information it will double in price within a few months. I have $5,000 which I should like to invest wisely." M. S.

A) "Confidential" information that a stock will double in value is almost invariably a shaky basis for purchase. Such confidential information is usually available to a great many people, and if there is any reason for the optimism the market normally has acted well ahead of the average investor.

Leece-Neville, for example, has much more than tripled in value since last November, partly on the basis of a company reorganization and an acquisition. It is a pretty good stock in the automotive and aviation electrical and mechanical fields, but it is now selling at a relatively high earnings multiplier. Buy some, if you wish, as a speculation, with the full understanding that considerable risk is involved.

For investment, I suggest Plough & Co.; Miles Laboratories; Time, Inc.; Standard Oil of New Jersey and Eastman Kodak.

West Bloomfield Man to Stand Trial in Shooting

A West Bloomfield Township man was ordered to stand trial yesterday in Circuit Court for a shooting in Pontiac Municipal Court early this month.

Following his arraignment before Judge William J. Beer, Everett Joseph, 48, of 599 Lochaven, was released and his $500 bond continued. No trial date was set.

★ ★ ★

Joseph is charged with assault with intent to do great bodily harm in the shooting of John B. Cannon, 36, of 5 Lee Court.

The attack took place March 2 just before Cannon was to appear for a preliminary court examination on charge of gross indency involving Joseph's 23-year-old daughter.

Teacher Is Jailed as Imposter; Frets About Effect on Students

DETROIT (AP) — Schoolteacher Andrei Pickett, charged with fraud and faking his identity, said in jail he is worried over the effect on his students.

"This is going to hurt the students," he said.

★ ★ ★

Alabama-born Pickett, 32, a teacher of "satisfactory" performance since October 1964, was arrested yesterday and ordered held in lieu of $3,000 bond.

He is charged with masquerading under another man's name and fraudulently accepting $8,900 in salary from the public school system as an English and social science teacher at Pelham Junior High School.

Recorder's (Criminal) Court Judge Elvin L. Davenport refused Pickett his freedom under personal bond because of what he called "your duplicity." Pickett stood mute. His examination was set for April 6.

★ ★ ★

Police said Pickett has a record for bad checks, including seven arrests under various aliases.

Allegedly Pickett helped himself to another man's college records to get the teaching post. But he indicated offense at any question of his qualifications.

Police said Pickett used the Tennessee A & I University records of Jacob Cook, a Fairfield, Ala., boyhood acquaintance, and also went under Cook's name in securing the teaching post.

★ ★ ★

The real Cook, police said, is a social worker in Chicago. Pickett's unmasking, police said, came from an investigation of bad checks. A handwriting similarity pointed to Pickett, it was said.

Staff Changed at Consumers

Three administrative staff changes involving Consumers Power Co.'s Pontiac Division, were announced today by Charles F. Brown, division manager.

★ ★ ★

Paul Henry, 6570 Orion, Clarkston, who has been marketing superintendent, was elevated to administrative staff assistant.

SWIFT

HENRY

His successor as marketing superintendent will be Edgar G. Swift, 769 Owego, formerly power sales engineer.

TODD

Dear Todd, 817 N. Fieldstone, Rochester, formerly electric distribution superintendent, has been transferred to the same position at the Bay City division.

News in Brief

Eric N. Bresnahan, 25, of 245 Voorheis was fined $100 yesterday by Municipal Judge Maurice C. Finnegan after pleading guilty to driving under the influence of liquor.

Burglars stole $61 from the Drip-Dry Econo-Wash, 2395 Elizabeth Lake, Waterford Township police learned today.

Hobby Shop Will Open at K-Mart Store

The Pontiac K-Mart store is in the midst of expansion which will add a new Hobby Shop and a lumber and building supply section for the do-it-yourself fan.

★ ★ ★

The shop is scheduled to open Thursday.

It will be 40 by 50 feet and feature hobby supplies such as slot car racing, crafts, and other hobby materials.

John Osborn, assistant store manager, will manage the store.

★ ★ ★

The building and supply section will be open about April 4. This operation will cater to the do-it-yourself fans.

VARIOUS SUPPLIES

It will carry No. 1 lumber, hardware, power tools, tile, paneling and various other supplies.

Bobby Coogan (brother of Jackie) will be on hand for the grand opening Thursday through Saturday.

Eye Labor Man for City Post

Appointment of a labor representative to the city's urban renewal liaison committee and further consideration of a contract for a pedestrian overpass are among items to be taken up by the City Commission tonight.

Mayor William H. Taylor Jr. is expected to recommend a labor appointment to the important liaison committee.

This group has worked primarily with prospective developers for downtown urban renewal land.

Two choices were presented last week on bids for construction of a pedestrian walkway over East Wide Track at Whittemore.

★ ★ ★

Both a low bid of $12,850 and a high bid of $29,895 have been studied by city engineers.

PUBLIC HEARING

Also tonight, a public hearing is scheduled on proposed changes in the text of the zoning ordinance.

The changes involve additional definitions to zoning ordinances and more regulations involving the use of residential properties.

'New Policy by Indonesia'

Regime Likely to End Anti-Malaysia Stand

SINGAPORE (AP) — Diplomats in Singapore predicted today that Indonesia's new military regime will gradually call off President Sukarno's three-year-old undeclared war against Malaysia.

Diplomatic sources said they expect Indonesian armed raids against Malaysia will end but the propaganda campaign against the federation of former British territories probably will continue for some time.

★ ★ ★

Lt. Gen. Suharto's new regime realizes it must improve Indonesia's economy if it is to avoid widespread opposition from the people, one diplomat said, and one of the quickest ways of doing this would be to reopen trade with Singapore and Malaysia.

President Sukarno's "confrontation" with Malaysia disrupted his country's shipment of tin and rubber through Singapore and Malaysia, the main source of Indonesian foreign exchange. The tin mines and rubber plantations in Indonesia have been allowed to run down during the past two years, the sources said, but Radio Jakarta said today rubber plantation workers have been ordered to step up their output.

PEOPLE FED UP

"The people of Indonesia are tired of going hungry," one diplomat commented.

"One of the main reasons for the student demonstrations that led to the diwnfall of Sukarno and his aides Subrandrio and Saleh was the economic chaos in the country."

Until they were fired by the army last week, Subandrio was first deputy premier and foreign minister and Chaerul Saleh was third deputy premier. Both were regarded as pro-Peking.

★ ★ ★

The diplomats' predictions of a softer line against Malaysia were also based on a statement by the new foreign minister Adam Malik, Monday that Indonesia's foreign policy under the previous government was undignified.

The diplomats said peace feelers were sent to Malaysia early this year when anti-Communist armed forces led by Gen. Abdul Haris Nasution were in charge of the country. Nasution dropped from public view after Sukarno fired him as defense minister in February but Suharto's regime is expected to give him a prominent post in the new government.

★ ★ ★

The diplomats also said there is a strong possibility that a meeting can be arranged between Indonesia's new military rulers and the leaders of Malaysia. President Ferdinand E. Marcos of the Philippines tried to interest Sukarno in such a meeting before the army takeover on March 11, but Sukarno rejected it.

Auto Mishap Has Doomed Son to the World of Unknowing Darkness

ROCHESTER, Minn. (AP) — Kenny Rieken's eyes were open, fluttering unevenly as though bothered by the light.

He lay on a white bed in the Samaritan Nursing Home, his head turned toward his mother. He could not feel her hand on his cheek, nor hear her voice asking, "What's the matter, Sonny?" Nor see her tears.

★ ★ ★

She has no hope that he will talk to her again, nor even be aware he is still alive.

More than nine years ago, a car in which Kenneth Rieken and a teen-age friend were riding smashed down an embankment, hit a parked tractor and utility pole and rolled over.

FRIEND RECOVERED

The friend, though critically hurt, recovered.

Kenneth has never regained his senses. In the nursing home where he has aged to manhood he is given nourishment through a feeding tube every three hours. He was in a Rochester hospital for two years.

★ ★ ★

He is 27 now, an age at which he had once hoped to be coaching a high school football or basketball team. Because his heart is still strong, he may live for years more. But doctors say he will never recover consciousness. Damage to the brain, spinal and nerve systems was permanent. He has only occasional muscle spasms now.

He had been captain of the Grand Meadow, Minn., High School football and basketball teams. He worked in spare hours at various jobs to help the family.

His 47-year-old, brown-haired mother lost her husband, William Rieken, to leukemia and a heart attack a year ago. She was left with her daughters Debra, 10; Sharon, 16, and Kenny. A third daughter, Judith, 19, is married.

The $45,000 insurance payment which the family received for Kenneth is gone. The family lived on Social Security and Mrs. Rieken's wages from a Rochester manufacturing plant. She has not worked since February.

"Sometimes I dread going to see Sonny," she said. "It tortures me to see him that way. Sometimes I think whether it wouldn't be better if he stopped living. But I could never want that. Just to be able to touch him is enough for me."

Ski Lift Runs Wild; 16 Riders Injured

VANCOUVER, B.C. (AP) — At least 16 persons were hurt Monday when they jumped from the chairs of a ski lift running wild backward down a 4,000-foot mountain.

All were given hospital attention, most of them for back injuries. A doctor said one had a broken back.

About 110 persons, mostly women, were on the lift on Grouse Mountain in suburban North Vancouver.

PONTIAC MALL SHOPPING CENTER

TELEGRAPH RD. CORNER ELIZABETH LAKE RD.

OPEN DAILY 9 A.M. to 9 P.M. PHONE 682-2330

Back from the Southland to the "sunny North" and with the completion of the March Madness of basketball, time now permits us to get into the mailbag, most of which is concerned primarily with the Pontiac Sports Arena and Auditorium.

There is no doubt as to what such a structure would do for the city and the entire area giving everyone from 1 to 101 years of age something of which to be proud.

In fact, there is nothing which could generate community life as the complete Sports Center.

It only takes the slightest bit of the imagination to visualize such a structure and to realize the activities which could be made available to, for and by the people, the community, business, industry, groups and organizations.

* * *

Here are some of the responses received in regard to the talked-about Sports Center.

Dear Mr. Kearns:

"Your stimulating concern and thought about adding a positive asset to the city is most welcomed and needed. Our committee would be happy to assist and advise in any way that would be beneficial to the youth and citizens of Pontiac."

GEORGE P. CARONIS
EXECUTIVE SECRETARY
CITIZEN'S COMMITTEE ON YOUTH

(With his encouraging letter, Mr. Caronis also forwarded the 1965 Citizen's Committee report summarizing the causes of delinquency and denoting that in the April 1965 report a line read, "a facility such as a multi-purpose center would add to the assets of the city.")

* * *

Dear Mr. Kearns:

"Let's make '68 the target date,
For the Sports Arena-Center
We can do it if we try,
By working hard together."

GEORGE L.

* * *

Dear Mr. Kearns:

"Pontiac does need and should have an Arena-Auditorium, a modern facility to serve our many community needs and to help oil the wheels of progress. Nothing worthwhile is painless.

This is something which will be shared and enjoyed by every citizen, young and senior-aged alike.

A representative group encompassing Citizen-Civic-Business-Industry-Service ought to be formed as a committee to bring about the realization of this facility."

BILL GRAVES

* * *

Dear Mr. Kearns:

"Count me and I'm sure all the sports and hockey enthusiasts around Pontiac in on whatever we can do to help bring the sports arena-auditorium to the city."

VIC SOUCI

* * *

"What will it take to get the ball rolling for something that is needed so badly in Pontiac? Here's my pledge to give the first $100 to the drive if it gets started.

CHESTER REYNOLDS

Monbouquette Keeps Opponents Scoreless

Dryden Star on All-State

Dryden High School has chalked up its second all-stater of the school year with the announcement today that Ken Kitchenmaster is on the Associated Press' Class D basketball honor squad.

* * *

Dennis Hilliker of the Cardinals was named on the AP all-state football squad last fall for the second straight year.

Kitchenmaster, a 5-10 senior guard was noted for his playmaking ability and deadly outside shooting. He averaged 21 points a game as the Cardinals finished second in the Southern Thumb Conference.

"He earned the honor," said Dryden coach Bob Mason. "Ken can do everything on the court."

Upper Peninsula scoring champion Bob Gale of Trout Creek and Jim Sarno and Maurice Armstrong of Covert are on the Class D team.

OTHERS NAMED

Sarno, a repeater from last year's team, and Don Reid of Flint St. Mary were the only unanimous choices.

* * *

Others named were Mike Caswell of North Adams, Bob Wruble of Harbor Beach OLLH, Steve Schaffer of Portland St. Patrick, Denny Bielas of Pellston and Greg Rzycki of Ecorse St. Francis.

Gale became the fourth player in U.P. history to score 600 or more points during the regular season when he tallied 611 — for a 33.9 average — to spearhead second-ranked Trout Creek to an 18-0 regular season mark.

* * *

Sarno, the tallest man on the squad at 6-foot-8, and Armstrong were the key players for a top-rated Covert team which went unbeaten and captured its second straight Class D state crown.

Sarno averaged more than 18 points a game and Armstrong almost 15 through the regular season. All five Covert starters averaged more than 11 points.

Reid, three times an all-league selection, is the most prolific scorer in Flint history. Scoring over 2,000 points in his career, he finished the season, averaging better than 31 points per game.

Class D All-State Basketball Team

Name, School	Hgt.	Wgt.	Class
Don Reid, Flint St.Mary	6-2	180	Sr.
Jim Sarno, Covert	6-8	220	Sr.
Mike Caswell, North Adams	6-2	170	Sr.
Bob Gale, Trout Creek	6-5	185	Sr.
Ken Kitchenmaster, Dryden	5-10	150	Sr.
Bob Wruble, Harbor Beach OLLH	6-2	185	Sr.
Steve Schaffer, Portland St. Patrick	6-2	175	Sr.

EVACUATING INJURED — Unidentified skier (top) rides chair lift (adapted for stretcher bearing) accompanying one of the several injured persons Monday at a Vancouver, British Columbia, resort. The skiers were injured when the upper ski lift chairs at Grouse Mountain began sliding backwards and dozens of persons jumped. Men at lower left are loading an ambulance.

Newest Bengal Pitcher Gains 7-0 Shutout

Detroit Beats Orioles for 8th Triumph in Citrus League

MIAMI, Fla. (AP) — Bill Monbouquette is hard to please.

The Detroit Tigers right-hander has pitched 13 innings this spring and no one has scored a run off him. This included a seven-inning shutout stint in Detroit's 7-0 victory over Baltimore Monday.

* * *

Monbouqette gave up four hits as the Tigers won their eighth exhibition game against two losses. But he wasn't satisfied.

"I kept hanging the curve ball and getting away with it," he said. "Oh, I was lucky.

TOO HIGH

"If the wind hadn't been blowing in, Frank Robinson would have had one out of the park on me. I've got to get the ball down. I can't get away with it much longer."

Two hits off Monbouquette were scratch singles by Luis Aparicio.

* * *

Meanwhile, the Tigers wasted no time on Orioles starter Wally Bunker, pounding him for three runs in the first inning.

Dick McAuliffe and Jerry Lumpe slammed back-to-back doubles.

After Bunker walked Norm Cash and Al Kaline, Jim Northrup drove in two more runs with a single.

LOST FLY

In the second, Baltimore centerfielder Paul Blair lost Northrup's long fly in the sun for a triple, and Kaline scored from second on the play.

* * *

The Tigers scored another run in the seventh and two more in the ninth. Orlando Pena finished up on the mound for Detroit, giving up another hit.

* * *

McAuliffe had four hits for Detroit. Cash, Northrup and Bill Freehan got two each.

The Tigers, who have had only five winning Grapefruit League seasons in the last 16 years, are only three victories short of last year's training camp output.

Denny McLain gets the call today when the Tigers take on the New York Yankees at Ft. Lauderdale. Jim Bouton is slated to pitch for the Yanks.

NHL Scorers Waging Battle

Bobby Hull Reigns; 2nd Spot Undecided

MONTREAL (AP) — Bobby Hull has the National Hockey League scoring title in the bank but there's going to be a run for the money that goes to the No. 2 pointmaker.

Hull, Chicago's record-breaking goal scorer, leads the pack by 19 points going into the last two weeks of the season, according to latest NHL figures.

* * *

His 93-point total, on 53 goals and 40 assists, has locked up the $1,000 league bonus that accompanies the point championship and he is only three points short of the single season record set by Dickie Moore of Montreal six years ago.

Second place, however, has developed into a toss-up between defending champion Stan Mikita of the Hawks, Montreal's Bobby Rousseau and Jean Beliveau and Detroit's Gordie Howe. The runner-up will receive a $500 cash award.

TOP PLAYMAKER

Mikita, who picked up a goal and two assists in his last game, is second with a total of 74 points. The Chicago center is the leading playmaker with 47 assists.

* * *

Rousseau, Howe and Beliveau are deadlocked at 71 points apiece. Howe, who has won the title six times, and Mikita, winner the past two seasons, each have five games remaining — one less than the two Canadiens.

The top scorers:

Player, team	G	A	Pts.
1. Hull, Chicago	53	40	93
2. Mikita, Chicago	27	47	74
3. Rousseau, Montreal	28	43	71
Howe, Detroit	27	43	71
Beliveau, Montreal	26	45	71
6. Ullman, Detroit	29	40	69
7. Delvecchio, Detroit	29	37	66
8. Nevin, New York	28	32	60
9. Richard, Montreal	20	37	57
10. Mahovlich, Toronto	30	23	53

LED WAY — Glenn Howard, 14, of the Boys' Club of Pontiac state junior varsity basketball champions, holds the coveted title trophy.

Boys' Club Adds Basketball Titles

State and county championship trophies have been added to the Boys' Club of Pontiac collection of basketball prizes.

The Pontiac club's junior varsity squad won its state title by beating Ypsilanti's quintet, 42-24, in the championship game after just getting by Bay City, 31-30, in the semifinals.

The Boy's Club prep squad reached the state final round before dropping a 60-48 championship verdict to Highland Park Saturday at Bay City.

* * *

The county boys' club league laurels went to Pontiac after besting the bids of Waterford, Warren, South Oakland County, Columbia Avenue Extension, and Auburn Heights.

Pontiac inter-club champions include the Red Devils' junior division team and the Pro's prep squad.

SPORTS

Cincinnati Ace Signs

By the Associated Press

It was the first day of spring so Jim Maloney ended the winter of his discontent, and Whitey Ford, Bill Monbouquette and Dean Chance served notice that it could be a long, hot summer for American League hitters.

Maloney had been spending spring training at Fresno, Calif., which was fine except that the Cincinnati Reds train in Tampa, Fla. He argued that his 20-9 record and two no-hitters last season were worth a $50,000 contract in 1966.

Cincinnati's assistant general manager, Phil Seghi, who had been saying $40,000 yes, $50,000 no, flew to Fresno Monday after weeks of telephone bargaining. He talked for about three hours and finally emerged with Maloney's signature on a $46,000 pact.

While Seghi and Maloney were negotiating, Ford, Monbouquette and Chance were pitching and doing quite a job of it.

SIX INNINGS

Ford, the 37-year-old dean of the New York Yankees' pitching corps, worked six innings and allowed just two hits as New York blanked the Los Angeles Dodgers 3-0.

Monbouquette, who was traded to Detroit after eight seasons with Boston, worked seven shutout innings as the Tigers rocked Baltimore 7-0.

Chance, hoping to bounce back after a so-so 15-10 record last season, hurled three-hit ball for six innings in California's 1-0 victory over Cleveland.

Elsewhere Monday, Minnesota ripped Kansas City 10-1, the Chicago White Sox whacked Boston 10-4, St. Louis downed Pittsburgh 6-3, Cincinnati shaded Houston 5-4, the Chicago Cubs defeated San Francisco 4-2 and the New York Mets ripped Atlanta 7-2. Cincinnati's B squad dropped a 2-1 decision in 11 innings at Mexico City.

The Twins, who succumbed to Dodger speed in the World Series, took on a go-go look of their own by swiping five bases, four in one inning, in their lopsided victory over the Athletics. Tony Oliva kept Minnesota's power structure intact with a two-run homer, one of 12 Twin hits.

Wins Crown in Waterford

Buckner Finance shook off Lakeland Hardware in the second half for a 54-43 victory and the Waterford Township Recreation Department's Continental League championship last night.

Buckner, which was an 84-54 loser to Lakeland last week when the hardware quintet gained a share of the lead, broke a 24-24 halftime score with a 15-6 third quarter spurt.

Roy Pogel (15 points) and Al Tunny (13) led the winners.

In other action, Zilka Heating surprised Ryeson's Market for the second time in four days for a 55-50 win. A 32-25 first half settled the outcome. Bundy Built Homes took a forfeit decision from Wayne's Service.

Arrows Grid Coach Agrees to Terms

Head coach and general manager of the Pontiac Arrows, Lyle Wells, came to contract terms for 1966 with the Pontiac Football Company it was made known today.

Wells, who had coached the Arrows for five years at Mt. Clemens prior to the move to Pontiac last season, indicated he was interested in contacting all area football players who desire to try out for the team this season. He can be reached at 29622 Oakgrove, St. Clair Shores.

The Arrows, 1965 champions of the Midwest Football League, expect to open drills about July 18.

Company president Paul Parks also announced that season ticket orders for 1966 would be in the mail on April 1. The Arrows will have six home games.

The regular season is expected to start Saturday, Sept. 3. The MFL plans to announce the complete schedule shortly.

Dearborn Victor

Cazzie Aids AAU Win

DENVER, Colo. (AP) — All-America Cazzie Russell and his Dearborn teammates sidelined No. 1 seeded and defending champion Armed Forces All-Stars 75-72, and Bartlesville, Okla. whipped Torrance, Calif., 69-54, in quarter-final games of the National AAU Basketball Tournament Monday night.

Denver edged Arkansas City, Kan., 66-65, in another quarter-final game and will meet Bartlesville in Tuesday night's semi-final round. The Russell-led Michigan squad will meet the winner of Monday night's final quarter-final game between Knoxville, Tenn., and Akron, Ohio.

SCORING SPREE

Russell went on a 14-point scoring spree in the closing minutes, kicking off the rally with a jumper from the corner. His spurt gave Dearborn the lead for the first time.

The All-Stars led at halftime, 42-35.

* * *

Russell scored 23 points, the last two on free throws that turned out to be the winning points with eight seconds remaining.

Oliver Darden, another University of Michigan star, nearly matched teammate Russell's performance, scoring 21 points.

ABC Tourney Changes Drop Pontiac Bowlers

From Our Wire Services

ROCHESTER, N. Y.—Pontiac bowlers lost ground Monday as hot scoring produced high-echelon changes in the regular division standings at the American Bowling Congress Tournament.

Two new leaders—all events and doubles—were posted. Jerry Held of Monroe, Mich., fired a 1911 in his nine games for the all-events lead. He had 654 in the doubles.

A Milwaukee pair, Jerry Albert and Dick Goepel, took the regular doubles top spot with 1303. Three new teams moved into second, third and fourth places.

TUMBLE

Pontiac's Pat Sweeney and Bud Mulholland thus tumbled from seventh position on the weekend to 11th with their 1165. Mulholland also slipped from fourth to fifth in all-events (he has 1822) and from sixth to seventh in singles (651).

* * *

Birmingham's Charles Beaver has 641. Al Easlick and Dick Kennedy of Fenton have 1175 in doubles and are ninth.

In the team standings, Tool Design of Lockport, N. Y., Monday took over eighth place with 2818, slipping ahead of Essex Wire Corp. of Birmingham which has 2813.

Herk's Auto Supply and West Side Lanes, both from Pontiac, hold sixth and seventh with 2841 and 2836, respectively.

* * *

The tournament will continue through mid-May.

Softball Meeting Set

All schools entering either boys' or girls' softball teams in the Waterford Township Elementary League are requested to have a representative at the 7 p.m. organizational meeting Wednesday in Room 103, Schoolcraft School, Maceday Drive.

Rec Program for Swimmers Is Under Way

The swimming program of the Pontiac Recreation Department is under way at Pontiac Central and Pontiac Northern pools.

Advance registration is necessary for the classes, however, no registration is needed for the open swim hours.

This is the schedule at both pools:

Monday — PCH: Beginning-Advanced Classes, 6:30-7:30 p.m. Open Swim, 8:00-9:00 p.m. (Mar. 21-28 — Apr. 11-18-25 — May 2-9)

Tuesday — PNH: Open Swim 7:00-8:30 p.m. (Mar. 22-29—Apr. 12-19-26 — May 3-17

Wednesday — PCH: (Same schedule as on Mondays)

Thursday — PNH: Beginning-Advanced classes — 6:30-7:30 and 8:00-9:00.

Open swimming fees at pool, 25 cents for under-18 and 50 cents others.

Philadelphia 5 'Doesn't Exist'

Celtics Refuse to Look Past Royals

BOSTON (AP) — The Boston Celtics hope for a showdown with Philadelphia in the National Basketball Association playoffs, but right now they consider the 76ers in another world.

"We don't want to even think of Philadelphia," Coach Red Auerbach said today as he called a final practice for the opening of a best-of-five semifinal series with Cincinnati Wednesday night at Boston Garden.

"As far as we're concerned, the 76ers are in another world," Auerbach said. "We can't afford to look ahead. Anytime you meet a team such as Cincinnati, with players like Oscar Robertson and Jerry Lucas, you have your hands full."

K. C. Jones, who played on seven straight Eastern Division championship clubs until the Celtics were dethroned by Philadelphia Sunday, echoed Auerbach's comments.

"We have to feel that Philadelphia doesn't even exist," K.C. said. "We can go all the way, but first we have to take care of Cincinnati and that isn't the easiest job."

* * *

The Celtics actually began their reign two years before Jones' joined them. However, their nine-year domination was snapped, by one game. Now they hope to keep another streak intact by winning an unprecedented eighth consecutive NBA title.

* * *

Auberach, who is retiring after 20 years as a coach to devote full time to duties as Celtics' general manager, is optimistic heading into the playoffs.

"The way we're playing right now we're going to be hard to beat," he said. "Bill Russell has got his second wind, Sam and K. C. Jones are doing their jobs. Larry Siegfried is playing real good, hard-nosed ball, Johnny Havlicek is coming through, and Satch Sanders is playing great."

* * *

The Boston coach noted that "Philadelphia is riding high" after winning the Eastern crown. However, he warned, "They have a long, long way to go for the NBA championship."

Leaders Same in Women's Keg Event

The Pontiac Woman's Bowling Association's 33rd annual city tournament passed the midway point over the weekend and no new leaders were posted for any of the major divisions.

Amberwood Kennels of Pontiac and Nora Jones of Rochester retained their holds on first place in the handicap team and handicap singles events. They took the top spots the first weekend of the five-weekend tournament.

★ ★ ★

Others still holding their leads were the handicap doubles pace-setters, Washington's Maggie Lange and Lila Johnson (who also is the handicap all-events leader), and Pontiac's Ella Irwin, the actual all-events pinmaster.

Oxford's Peggy Laidlaw had 501 actual in the singles Sunday to grab second place with a 675 total.

She teamed with Doris Tanner of Oxford to nab third place in the doubles with a 1218 total, one pin better than Oxford's Sharon Mulholland and Helen L. Smith.

The only new teams among the top five are Matt's Bowlerettes of Oxford, third with 2912, and Royal Recreation of Lake Orion, fourth with 2906.

The only other significant change found Wixom's Betty Craigie taking fourth in the singles with 540 actual and 669 total.

★ ★ ★

The next-to-last weekend of competition this week will send two team squads Saturday and four singles-doubles squad Sunday onto the boards at Howe's Lanes.

BOWLING

Wonderland Lanes' second 700 of the season joined the parade of 700s from North Hill Lanes last week.

Meryl Taulbee Friday night in the men's league recorded a 243-233-244—720 for Lakes' Weldery. The experience wasn't a new one for Taulbee; it was the sixth 700 in the career of the 192-average bowler.

★ ★ ★

Karl VanDeMoortell notched his first of the season in North Hill's Wednesday night Classic with 216-212-279 (708) for second-place Morley Drugs.

West Side Lanes' Dave Carpenter made it two in two weeks with 278-213-213—704, his fourth of the season. Hazelton Lettering grabbed first place from the house team by taking three points from North Hill.

First Federal Savings still has a big lead in the Thursday 300 Bowl Classic, leading runners-up Keego Cab and Johnson Paving by six points.

George Chicovsky ripped the pins for a 289—670 last week to top the individual scoring. Joe Puertas had 256-216—656, 'Doc' O'Neil 257, Bill Crawford 236 and Dick Elliott 215-234—624.

Allstate Homes set a season team game high with an 1105. Other top scores reported:

Little League Program Set for Franklin

The Franklin Baseball League board of directors has announced plans for registering and beginning tryouts Saturday for the 10-12 year olds in its Little League program.

The boys who were on American and National division teams at the start of league play last year will be contacted by their managers and won't try out at this time.

★ ★ ★

The other candidates should report at 9 a.m. the next two Saturdays at Franklin's Community Field. Those who aren't placed on a Little League team then should report Arpil 16 and 23 for Continental League tryouts at 9 a.m.

The 8-9 year olds and boys not making Continental teams will be placed on teams at 1 p.m. April 16 and 23.

New candidates for the Pony League (13 and 14 years old) should report 10 a.m. April 23 and 30. Returning players will be contacted by their 1965 managers.

★ ★ ★

The older boys — Colt League and Class D ages (15-18) — will not begin workouts until early June. Additional information about the Franklin baseball program is available from board president Mason Lindamood.

MSU 9 Opens Spring Trip With Victory

MIAMI, Fla. (AP) — Ohio State seeks revenge over Michigan State today after the Spartans defeated the Buckeyes, 3-0, in a spring-training game yesterday.

John Frye's leadoff homer sparked the Spartans to a three-run seventh inning.

Two Ohio State errors and singles by Bill Steckley, Steve Polisar and Jerry Walker produced two more runs before the inning was over.

Michigan State .... 000 000 300—3 9 0
Ohio State .... 000 000 000—0 4 3
Goodrich, Olmes (6), and Steckley; Boggs and Brinkman.

Plans Made for Action on Diamond

The Pontiac Parks and Recreation Department has its eyes turned to the men's spring and summer diamond programs with meetings planned soon for both softball and baseball.

The Class A baseball teams interested in this year's Jaycee Park league should be represented at the April 5 organizational meeting.

Softball participants are asked to meet April 7 to discuss the plans for this year's leagues.

Both meetings will be at 7 p.m. in the Health Department conference room at City Hall. Entry fees will remain the same, $60 for in-town sponsors and $85 for out-of-town, for both baseball and softball.

SLOW PITCH

In addition, the recreation department has received renewed interest in a slow-pitch softball league for this summer.

There is an indication the entry fees for such a league may be lowered to $45 and $55, and uniform requirements would be minimal. Any groups interested in participating in such a league are requested to call recreation supervisor Dick Cain.

All men's leagues will have a player registration fee of $2 for Pontiac residents and $3 for out-of-town participants.

All players must currently be county residents living north of 13 Mile, or have established their participation before moving beyond the boundaries.

Comeback Is Planned

WASHINGTON (AP) — Bob Ferguson, attempting a comeback after two years of inactivity, has been signed by the Washington Redskins as a free agent for the 1966 National Football League season.

BEVINS LAKE LEVEL CONTROL NOTICE OF LETTING OF LAKE LEVEL CONTROL CONTRACT AND REVIEW OF ASSESSMENTS

Notice is hereby given that I, Daniel W. Barry, County Drain Commissioner of the County of Oakland, State of Michigan, acting as Agent for the County of Oakland, will, on Tuesday, the 5th day of April, 1966, at the office of the County Drain Commissioner, 550 South Telegraph Road, Pontiac, Michigan, receive sealed bids until 2:00 o'clock P.M. (Eastern Standard Time) at which time said bids will be opened and publicly announced for the construction of a certain project known and designated as the "Bevins Lake Level Control" to be located and established in the Village of Holly in the Township of Holly in said County.

The quantities involved in said project consist principally of the following:

1) Steel Sheet Piling Dam
2) Cleanout of 824 feet of drain ditch
3) Removal of small concrete dam

Said job will be let in one section with the date of completion and terms of payment all in accordance with the plans and specifications now on file with the other documents pertaining to said project in the office of the County Drain Commissioner of the County of Oakland to which reference may be had by all parties interested and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work in the sum then and there to be fixed by me, reserving to myself the right to reject any and all bids and to adjourn such letting to such time and place as I shall publicly announce.

Any person desiring to bid on the above mentioned work will be required to deposit with the Drain Commissioner a certified check or cashier's check in the amount of Five Percent (5%) of the bid price, as a guarantee that he will enter into contract and furnish the required bond as prescribed by law.

Notice is hereby given that on Tuesday, the 12th day of April, 1966, at the Drain Commissioner's Office, 550 South Telegraph Road, in the City of Pontiac, County of Oakland, or at such other time and place thereafter to which I, the County Drain Commissioner aforesaid, may adjourn the same, the apportionments for benefits and the lands comprised within the Bevins Lake Level Control Special Assessment District will be subject to review for one day from nine o'clock in the forenoon until five o'clock in the afternoon. At said review the computation of costs for said project will be open for inspection by any parties interested.

The following is a description of the several tracts or parcels of land constituting Special Assessment District for said project.

All lands are in Oakland County, Michigan.

Section 27 in Village of Holly, Holly Township

Lot 128 of a subdivision known as Hollywood.

Section 28 in Village of Holly, Holly Township

Lot 1 of a subdivision known as Lakeside Homesites.

A parcel of land described as: Part of SE ¼ of SE ¼ described as E 165 feet of S 165 feet thereof.

Section 28 in Township of Holly

Part of a subdivision known as Supervisor's Plat No. 8 being Lots 13 thru 24 inclusive.

A parcel of land described as: E 80 feet of S 367 feet of N 900 feet of NW ¼ of SE ¼.

A parcel of land described as: W 120 feet of E 200 feet of S 367 feet of N 900 feet of NW ¼ of SE ¼.

A parcel of land described as: Part of NW ¼ of SE ¼ beginning at point distance W 200 feet and S 437 feet from NE corner thereof; thence S 391 feet; thence N 63°50'W 111.14 feet; thence N 252 feet; thence W 100 feet; thence N 90 feet; thence E 200 feet to beginning.

A parcel of land described as: Part of NW ¼ of SE ¼ beginning at point distance W 300 feet and S 0°01'30"E 527 feet from NE corner thereof; thence S 0°01'30"E 252 feet; thence N 63°53'40"W 111.36 feet; thence N 0°01'30"W 203 feet; thence E 100 feet to beginning.

A parcel of land described as: W 200 feet of E 600 feet of S 190 feet of N 730 feet of NW ¼ of SE ¼.

Section 33 in Village of Holly, Holly Township

All of Bevin Lake Subdivision being Lots 1 thru 46 inclusive and Lot A.

Part of Northern Addition Subdivision being a part of Lot 26 described as: N 187.94 feet of E 343 feet of Lot 26 except N 50 feet of E 135 feet.

All that land under the waters of Bevins Lake.

Dated this 7th day of March, 1966.

DANIEL W. BARRY,
Oakland County Drain Commissioner,
Acting as Agent for the County of Oakland
March 22 and 29, 1966

ADVERTISEMENT FOR BIDS

Sealed Proposals wil be received by the Board of Education, The School District of the City of Pontiac, Pontiac, Michigan until 8 p.m., E.S.T. April 11, 1966 for construction of the Additions to Rogers Elementary School and to Herrington Elementary School, Pontiac, Michigan, in accordance with plans and specifications prepared by O'Dell, Hewlett and Luckenbach, Architects, Engineers and Planners, 950 North Hunter Boulevard, Birmingham, Michigan.

Separate proposals wil be received for the following work and Bidders may bid either one or both of the Proposals requested:

Addition to Rogers Elementary School (Job No. 65-62)
Combined Proposal for General Contract Work including Architectural, Structural, Site Work, Plumbing, Heating, Ventilating and Electrical Trades Work.
Addition to Herrington Elementary School (Job No. 65-63)
Combined Proposal for General Contract Work including Architectural, Structural, Site Work, Plumbing, Heating, Ventilating and Electrical Trades Work.

Plans and specifications will be available to General Contractors only at the Office of the Architect, 950 N. Hunter Blvd., Birmingham, Michigan on or after March 21, 1966. A deposit of $75.00 will be required for each set of documents obtained for each job, consisting of plans and specifications for Architectural, Mechanical and Electrical Trades. Bidders will be limited to two (2) sets each per job.

Proposals shall be submitted in duplicate, on forms provided by the Architects, enclosed in sealed envelopes marked with the name of the bidder and the title of the work, and shall be delivered to the Office of the Board of Education, School District Administration Building, 350 Wide Track Drive East, Pontiac, Michigan.

The Board of Education reserves the right to reject any or all bids, to award the contracts to other than the low bidder, to accept any or all alternates, to waive irregularities and/or informalities and in general to make the award in any manner deemed by it, in its sole discretion to be in the best interest of the School District of the City of Pontiac.

BOARD OF EDUCATION
THE SCHOOL DISTRICT OF THE CITY OF PONTIAC
MRS. ELSIE MIHALEK
Secretary
March 18 and 22, 1966

Pontiac Press Want Ads
FOR FAST ACTION

NOTICE TO ADVERTISERS

ADS RECEIVED BY 5 P.M. WILL BE PUBLISHED THE FOLLOWING DAY.

All errors should be reported immediately, or no later than the day following publication. If no notification of such error is made by that time, it will be assumed the ad is correct. The Press assumes no responsibility for errors other than to cancel the charges for that portion of the first insertion of the advertisement which has been rendered valueless through the error.

The deadline for cancellation of transient Want Ads is 9 a.m. the day of publication after the first insertion. When cancellations are made be sure to get your "KILL NUMBER." No adjustments will be given without it.

Closing time for advertisements containing type sizes larger than regular agate type is 12 o'clock noon the day previous to publication.

Why can you buy a BEAUTY Crest home at Huntoon Shores Subdivision for several hundred dollars less than you would pay for a comparable home built by another builder? Because hundreds of hours of careful research by Beauty Crest's competent planning experts have discovered that today's home buyer will not sacrifice quality for price; he demands full measure for his dollar spent. Beauty Crest has cut building costs through volume purchases of raw material—and passed the savings on to the buyer. Your choice of a spacious Tri-Level — Ranch — Colonial — 3 or 4 bedrooms at only $15,950 (plus lot). Models on Airport Road between M-59 and Williams Lake Road.

Spanish-Built Boats Outfitted for Cubans

MIAMI, Fla. (AP) — The first of four vessels built in Spain and outfitted for cod fishing has arrived in Havana, a broadcast from there said.

Havana radio said the boats would fish for cod in waters off Canada.

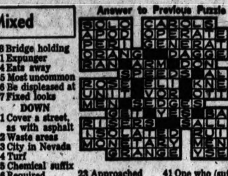
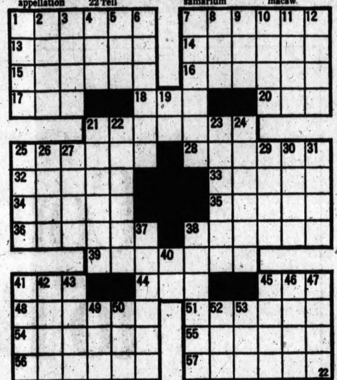
Answer to Previous Puzzle





Boss of New Gotham Oasis Once 'Patron' of Doris Day

By EARL WILSON

NEW YORK—The Pleasure and Leisure Crowd—the Fun & Froth Fraternity—the Jet Set—has a beautiful new scotch-and-water hole, Bill Reed's Barberry Room, which Vince Edwards, Arlene Francis, Martin Gabel and Anita Louise got into when it opened, although quite a lot of other people couldn't.

WILSON

I was there with the Milton Rackmils remembering that about 16 years ago, Billy Reed opened a place called the Little Club, with a girl singer from Cincinnati . . . unknown at the time . . . named Doris Day.

"The Charlie"—the action—was definitely at "B.R.'s B.R." As Stan Garfinkel, creator of the term "Charlie" (or action) said, "Everybody here tonight's a Charlie. There's not one normal person here."

* * *

Jackie Kennedy went to El Morocco with Arthur Schlesinger Jr. after taking her children to see "Half a Sixpence" at a matinee . . . Marty Allen of Allen & Rossi, closing at the Cocacabana after 2 big weeks, mentioned that Authors Harold Robbins and Jacqueline Susann were both there. "If they ever got together, what a book!" exclaimed Marty. " 'Sex After Death!' "

* * *

TODAY'S BEST LAUGH: It's true that some shaky marriages are held together by the children; both parents are afraid they'll wind up with 'em.

WISH I'D SAID THAT: We can't tell you who's behind the antipoverty program — but any husband can tell you who's under it.

REMEMBERED QUOTE: "If at first you don't succeed, try, try again. Then quit. No use being a damn fool about it."—W. C. Fields.

EARL'S PEARLS: A true sports fan is a guy who'll do anything to get to a game—even take his wife along.

Paul Anka, who's booked at the Las Vegas Sands regularly, says that's the job he's proudest of: "They hire me even though they know I don't gamble." That's earl, brother.

Junior Editors Quiz on Sewing Machine

QUESTION: How did the first sewing machine come to be invented?

ANSWER: A crude sewing machine was made in England in 1790, another in France, in 1830. But neither of these turned out to be practical.

The first machine that really worked was built by a poor American machinist, Elias Howe, and was patented in 1845. Our picture suggests the romantic origin of this great invention.

Howe was an industrious man, although in poor health. Luck seemed again him. He had great difficulty supporting his wife and three children.

To help her husband, Mrs. Howe took in sewing; and it was while watching his wife work in the evening that Howe was seized with the idea of inventing a machine to making sewng easier.

Working it out in his mind, he set up a machine shop in the attic and began to build a model. He lacked money to buy materials, but a friend came to his help.

The two produced a machine. Although Howe proved his machine would work, no one seemed interested. Then others began to pirate Howe's ideas.

But he had secured the basic patents and defeated their efforts. He became a rich and successful man.

Another inventor, Isaac M. Singer, created the first rigid-arm sewing machine and improved the shuttle. He also made a large fortune.

FOR YOU TO DO: Many inventions have been made by people who saw needs and filled them. Keep your eyes open for some need which might be filled. You may not turn out to be an Elias Howe—but then again, who knows?

Gives Annual Report on Annual Burglary

COVENTRY, R.I. (AP) — William B. Longridge has made his annual report to police. Burglars have raided his sporting goods shop for the 24th time in 23 years.

Police said the thieves used a ladder to gain entrance to the second story. The intruders then ripped up floor boards to get to the first floor where they took nine guns valued at $600.

Daily Tremors Again Multiplying Under Japan's 'Quake Town'

MATSUSHIRO, Japan (AP) — The daily tremors rattling Japan's "quake town" are increasing again. Experts are unable to determine the cause.

But Matsushiro's 22,600 inhabitants, who have lived through more than 130,000 tremors since last Aug. 3, have shown no sign of panic.

* * *

In February, the quakes appeared to be diminishing in frequency. But since early March, the frequency of jolts strong enough to be felt by the human body have picked up and amounted to 125 on March 17 alone.

A spokesman of Tokyo University's Earthquake Research Institute recently warned "the seismic energy at Matsushiro was much greater than had been imagined."

AREA SPREADS

Not only have the quakes increased in number again and grown stronger, but the area affected has spread, scientists reported.

For months, the quake's epicenter had been an oval, seven miles long and four miles wide, with Matsushiro about in the middle.

There has not been much visible damage in Matsushiro, once a minor feudal lord's capital, 110 miles northwest of Tokyo, nor have there been any injuries.

But the town is like an old buggy which has been rattling too long over a rough road. Most of its wood and plaster buildings have cracked walls, disjointed frames, leaning pillars and broken window panes.

On March 10, a jolt of intensity four was registered. A quake rated at four is strong enough to shake houses and knock vases from shelves. A weakened house collapsed. A score of tombstones toppled, several stone walls crumbled and the wall of a condemned school building caved in.

On that day, the Matsushiro Earthquake Observatory recorded 1,700 jolts, but less than 100 could be felt by townspeople. Over the next few days, the number of perceptible shocks rose to more than 100 a day. Earlier this year came the two strongest shocks of the series, tremors of intensity five on the Japanese scale of seven, or strong enough to crack brick walls.

Dr. Mineo Takehana, director of the observatory at Matsushiro, earlier had expressed the belief the quakes would subside this spring. Now experts say the tremors may continue throughout the year.

Gun-Stealing Thief

PORTLAND, Ore. (AP) — How low can you get?

Police said someone had taken more than $3,000 worth of guns from the Portland home of Carl A. Bricken. Police said the thief had crept through a small dog door at the bottom of the back door.

Sewage Crisis Erupts

MICHIGAN CANDIDATE — Michigan's Junior Miss, Bonnie Britton of Farmington Township, receives a royal reception upon arrival at Mobile, Ala. Miss Britton, a senior at North Farmington High School, is one of 50 girls vying for America's Junior Miss title.

Senator Says Voters May Rebel on Viet

WASHINGTON (AP)—The Senate is expected to give overwhelming approval today to a $13.1-billion Viet Nam war chest—after a warning that Americans may show their frustrations at the polls if the Communists aren't forced to the peace table soon.

The blunt election-year warning came yesterday from Sen. Richard B. Russell, chairman of the Armed Services Committee and one of President Johnson's strongest supporters on Capitol Hill.

Declaring that "the American people will not tolerate indefinitely the kind of war we are waging there," Russell urged harder blows at the North Vietnamese, including the closing of the port of Haiphong.

Russell indicated he had expressed these views to President Johnson. The Georgia Democrat said he saw little danger of the Chinese marching into the conflict "as long as we do not land forces near the China border."

In any case, he said, "we will be compelled to take a calculated risk to bring this war to a close."

Russell gave his views as the Senate opened debate on the $13.1-billion supplemental appropriation with Sen. Joseph S. Clark, D-Pa. urging the United States to end the war by negotiating with the Viet Cong.

sought by President Johnson to provide U.S. forces with a bigger arsenal of men, money and firepower to carry on operations in Southeast Asia.

Senate leaders had hoped to complete action on the measure yesterday but put off a vote until today after Clark urged that more time was needed for speeches.

As for the Viet Cong, Russell said he had concluded "we should push this war until the North Vietnamese would at least be willing to permit their alter egos or Charlie McCarthys, or whatever they are, to join them at the conference table and bring this war to a conclusion."

Septic Systems Malfunctioning at Four Homes

Say Surface Drainage Big Health Problem; Solution Is Sought

By HUDSON WILLSE

A temporary solution is being sought by Waterford Township officials to correct malfunctioning individual septic tank systems at four homes on South Winding, currently posing a serious health problem to the immediate neighborhood.

Failure of drain fields, attributed to the lack of porous subsoils to absorb the sewage overflow, has caused drainage to flow onto the ground surface.

The problem has been described as urgent by township and Oakland County Department of Health officials.

The ultimate solution is installation of sanitary sewers.

But the proposed $22.5-million township internal sewer system is still in the planning stages and may be three to five years away.

'SERIOUS THREAT'

In a letter presented to board members last night, Dr. Bernard D. Berman, director of the county health department, said:

"The township will need to avail itself of all possible means and methods to expedite the installation of a much needed sewer system to alleviate a serious threat to the health and well being of the many persons involved."

Two of the systems on South Winding failed despite repairs and installation of new drain fields.

All four homes are on a hill. Overflow subsequently spills onto adjacent, downhill properties.

According to Waterford Town-

Saw UFO, Say Official, Coeds

HILLSDALE (UPI)—A county Civil Defense director and 87 coeds said today they watched an eerie, hovering flying object settle in a swampy hollow near a college dormitory last night.

William Van Horn, 41, Hillsdale County Civil Defense director for 10 years, said he watched the unidentified object through binoculars for three hours.

It was the second straight night a large number of witnesses reported seeing wierd unidentified flying objects in southern Michigan.

Sunday night a dozen policemen and at least 40 other persons watched a similar object, guarded by four sister ships, land in a swamp 45 miles northeast of here near Ann Arbor.

The Air Force announced it was calling in Dr. H. Allen Hynek, chairman of the Dearborn Observatory at Northwestern University, Evanston, Ill., and scientific consultant to the Air Force's UFO study program, to investigate the rash of sightings.

Hynek will work from Selfridge Air Force Base at Mount Clemens, the Air Force said.

JOINED COEDS

Van Horn said he joined the 87 Hillsdale college coeds and their housemother to watch the object.

He said it emitted wavering orange, red and white lights and appeared to hover just above the swamp some 1,000 to 1,500 yards from the dormitory.

It was still there when he left about 1:30 a.m. today, he said.

"It was definitely some kind of vehicle," Van Horn said. He said it changed from orange to red, perhaps with a rotating light of some kind, and had a white light at one end.

REP. CLEVELAND

Congressman Robbed, Cut in D.C. Office

WASHINGTON (AP) — A masked bandit attacked Rep. James C. Cleveland in his Capitol Hill office last night and robbed him of $40.

The congressman suffered a minor cut during a struggle with the knife-wielding intruder.

Police said Cleveland, a New Hampshire Republican, was working alone in his fifth-floor office suite in the Longworth House Office Building across the street from the Capitol when the robber burst in, threatened him with a knife and took the money.

The congressman, 45, was given a tetanus shot at nearby Casualty Hospital for a minor cut on his left arm. No stitches were required.

★ ★ ★

Capitol Police Chief James Powell, who heads the 250-man special force that patrols the Capitol and the five Senate and House office buildings, described the robbery and assault as "unprecedented."

'FIRST TIME'

"To the best of my knowledge," he told newsmen, "this is the first time in history this has happened."

What happened was this, Powell said:

Cleveland had just completed some paper work in his inner office and picked up a folder to leave on a secretary's desk in his outer office.

★ ★ ★

At about 11:20 p.m., he was surprised by a young man wearing a handkerchief over his face and carrying a knife.

The man threatened the congressman, told him he was desperate and demanded money. There was a scuffle and Cleveland was stabbed.

Bonnie Gets Moral Support

Junior Miss Backed by State Contestants

Bonnie Britton, the North Farmington High School senior currently competing for America's Junior Miss title, has received moral support from the 28 girls she defeated in the Michigan Junior Miss pageant.

★ ★ ★

In a joint telegram sent to Miss Britton in Mobile, Ala., the girls wrote:

"Good luck and all best wishes to our fair lady. Love. Your 28 Michigan sisters."

In addition, the girls plan on making a conference telephone call to Miss Britton tomorrow, talking to her simultaneously from their respective Michigan home towns.

★ ★ ★

Named Michigan's Junior Miss Jan. 29 at Pontiac Northern High School, Miss Britton is presently engaged in preliminary competition at Mobile.

SEEKS TITLE

The daughter of Mr. and Mrs. George W. Britton, 34234 Northwick, Farmington Township, she is seeking the title won last year by another Michigan girl, Patrice Gaunder of Stevensville.

★ ★ ★

The 1966 Junior Miss will be crowned following final competition Saturday night.

Still in Race for A-Smasher

Ann Arbor Among 6 Sites in Competition

WASHINGTON (AP) — The government narrowed to six locations today its search for a site for a $375-million atom smasher, the world's largest.

★ ★ ★

The National Academy of Sciences, after appraisal of 85 proposed sites, recommended further study of sites at:

Ann Arbor, Mich.; Brookhaven National Laboratory, N.Y.; Madison, Wis.; the Sierra foothills near Sacramento, Calif.; South Barrington or Weston, near Chicago; and Denver, Colo.

As to the first five sites, the selection committee said they all have "either the nucleus of a strong accelerator design group or one of the nation's outstanding universities nearby."

★ ★ ★

Denver, the report said, "has neither the university strength nearby nor the existing design group that is considered desirable."

HAS MERIT

But it said the combined advantages of geology, accessibility, good climate and an area readily available large enough to accommodate any conceivable experiment or expansion are such as to make the Denver site merit serious consideration.

The recommendation is not binding on either the Atomic Energy Commission, which would operate the smasher, or Congress, which has not yet authorized the laboratory.

The reduced list goes to the Atomic Energy Commission for the final site selection.

★ ★ ★

The proposed $375-million machine would be a 200 billion electron volt — BEV — accelerator — the world's most powerful device in the atom-smasher field and the costliest single scientific installation ever built. Its construction, however, has yet to be approved by Congress.

Spring's Showers to Continue

Showers or thundershowers will continue to dampen the Pontiac area with periods of rain tonight and tomorrow.

Temperatures registering lows of 50 to 57 tonight will rise to highs of near 62 to 70 tomorrow then become colder tomorrow night.

Partial clearing, windy and colder is the outlook for Thursday.

Today's east to southeasterly winds at 5 to 10 miles per hour will shift to south to southeasterly at 10 to 20 miles tonight.

★ ★ ★

Thundershowers during the night and early morning washed the atmosphere and city streets with .2 inches of rain.

In downtown Pontiac the low temperature prior to 8 a.m. was 41. The mercury had moved up to 60 by 1 p.m.

Worries About Students

Jail Teacher as Imposter

DETROIT (AP) — Schoolteacher Andrei Pickett, charged with fraud and faking his identity, said in jail he is worried over the effect on his students.

"This is going to hurt the students," he said.

Alabama-born Pickett, 32, a teacher of "satisfactory" performance since October 1964, was arrested yesterday and ordered held in lieu of $3,000 bond.

He is charged with masquerading under another man's name and fraudulently accepting $8,900 in salary from the public school system as an English and social science teacher at Pelham Junior High School.

Recorder's (Criminal) Court Judge Elvin L. Davenport refused Pickett his freedom under personal bond because of what he called "your duplicity." Pickett stood mute. His examination was set for April 6.

Police said Pickett has a record for bad checks, including seven arrests under various aliases.

Allegedly Pickett helped himself to another man's college records to get the teaching post. But he indicated offense at any question of his qualifications.

Police said Pickett used the Tennessee A & I University records of Jacob Cook, a Fairfield, Ala., boyhood acquaintance, and also went under Cook's name in securing the teaching post.

Theft Rate on Car Plates Is One a Day

The number of 1966 license plates reported stolen to Pontiac police went over the 20 mark yesterday, an average of one a day since deadline for purchase of plates Feb. 28.

Detectives William G. Davis and James F. Fritz, assigned to investigation of plate thefts, pinpointed the $35 uninsured motorist fee as a pressing force behind the larcenies.

"This is the first time we've run into this," said Davis, a 14-year veteran of the department.

He theorized most of the plates had been taken by persons unable or unwilling to pay the fee or buy insurance.

★ ★ ★

"There's too many complaints for men on patrol to even remember license numbers," Fritz said.

"By the time you look a number up, the car is likely to be gone."

Im-PRESS-ed

There will be a bright spot in your day tomorrow, even if the sun doesn't shine, if you read the impressive Pontiac Press. Watch for these stories:

- **Class for expectant parents, to be offered soon in Rochester.**
- **Brandon Township's library to have a new building, thanks to citizens' help.**
- **Announcement of the all-state Class C basketball team.**

City Hospitals Act to Nip 'No Vacancy' Fears

By L. GARY THORNE

A "no vacancy" sign on Pontiac hospitals?

It could have happened.

Would-be patients at two of the city's hospitals might have been confronted by such signs as the "sorry, we're full" greeting that the weary traveler often encounters.

However, current expansion at St. Joseph Mercy Hospital and proposed building plans at Pontiac General Hospital are projected to avert the "no vacancy" possibility.

Releasing 1965 year-end figures, the two Pontiac hospitals show near-capacity activity in almost all areas.

AVERAGE OCCUPANCY

Pontiac General reports average occupancy at 96.1 per cent of capacity last year, while St. Joseph's registered 94.7 per cent.

A review of statistics for the past six years shows a steady increase in demand for more hospital services.

Hospital authorities report that the increased demand for services has been general, but hardest hit have been two areas: the emergency rooms and the medical-surgical areas.

Bernard Tresnowski, assistant administrator at St. Joseph Mercy Hospital, said the public should be urged not to use emergency rooms indiscriminately, saving time and space for those who need emergency care.

Statistics support the contention of hospital officials that population growth in the Pontiac area is straining hospital facilities.

In 1960, for example, visits to Pontiac General Hospital's emergency room totaled 24,897, while last year, emergency visits totaled 39,195 — an increase of 14,298 over 1960.

Emergency room visits at St. Joseph Mercy Hospital during the six-year period rose 3,052.

Tresnowski said statistics for 1965 vary somewhat because of the building program that is under way.

MORE SERVICES

"Modern medical technology has made it possible to provide more concentrated services in less time."

He said, for example, the average length of stay at St. Joseph Mercy was 8.4 days in 1960, while in 1965 the average stay had dropped to 6.6 days.

At the same time, the number of services have increased. Previously, about four services were furnished the average patient, while now the average has jumped to 15.

To illustrate, Tresnowski said the average patient used to have one or two X rays, but now five or six X rays were about average.

The number of beds at St. Joseph Mercy last year averaged

Grissom to Head 3-Man Crew for First Apollo Flight

MANNED SPACE CENTER, Houston, Tex. (AP) — One of the United States original astronauts, Virgil I. Grissom almost drowned in 1961 when his Mercury capsule sank after he became the second American to rocket into space.

★ ★ ★

About four years later, he took his second space ride — the first man to do so — as command pilot on the maiden mission of the two-man Gemini program.

Now, he is back again, to launch another project. The short, crew-cut Air Force lieutenant colonel will be commander aboard the nation's first three-man spaceship, an Apollo craft like one designed to carry men to the moon.

Grissom, Air Force Lt. Col. Edward H. White II and Navy Lt. Roger B. Chaffee were named Monday to take an Apollo spacecraft on a shakedown cruise of up to 14 days in earth orbit.

The flight will be the first of at least four manned Apollo flights planned before the United States attempts to shoot three men to the moon before 1970, perhaps by late 1968.

The space triplets are officially slated to take the first flight in early 1967, but if all goes well in training and spacecraft preparation for the mission, it could be launched as early as November.

Their mission might be sort of a ringing out the old, and ringing in the new in the staging a space rendezvous between the Apollo ship and the last two-man Gemini spacecraft, currently Gemini 12.

Such a rendezvous, Dr. Robert Gilruth, director of the Manned Spacecraft Center, said Monday "would have many purposes. It's always nice to have someone take a look at you (in space)."

ORBITING GLANCE

Gemini would be taking an orbiting glance at Apollo, a possibility Apollo officials would like to see come about. Dr. Joseph Shea, Apollo program manager, said "a study is going on but it's too early to say (if the rendezvous would be attempted). The purpose of the mission is to exercise the spacecraft and the crew."

★ ★ ★

A native of Grand Rapids, Mich., Chafee holds a bachelor of science degree in aeronautical engineering from Purdue University and is married to the former Martha L. Horn of Oklahoma City. They have two children, Sheryl, 7, and Stephen, 4.

★ ★ ★

Grissom, a native of Mitchell, Ind., also has a bachelor of science degree from Purdue. His wife is the former Betty L. Moore of Mitchell, and they have two sons, Scott, 15, and Mark, 12.

★ ★ ★

Born in San Antonio, Tex., White is a graduate of West Point and has a master's degree in aeronautical engineering from the University of Michigan. He married the former Patricia Finegan of Washington, D.C., and their two children are Edward, 12, and Bonnie, 9.

★ ★ ★

Named backup crewmen for the mission were McDivitt, Air Force Maj. David R. Scott and Russell L. Schweickart, a civilian. They will train simultaneously over the next several months with the prime crew.

Burglars Hit Three Firms on Oakland

Burglars struck three Pontiac business firms on Oakland Avenue early yesterday, taking two fur coats valued at $5,500, a television set, and a small amount of cash.

Victims of the thieves were Gresham Cleaners, 605 Oakland; Nye Dairy, and Rhimes Delicatessen & Grill, lodged in the same building at 585 Oakland.

Pontiac police said means of entry to the cleaning establishment was not immediately determined.

Offices of the firm had been entered and an attempt was made to use a check protector machine.

★ ★ ★

One of the coats was full-length and valued at $4,000. The other was worth $1,500.

OPEN WINDOW

An open window at the side of Nye Dairy was apparently used to gain entry to the dairy and restaurant, police said.

A locked door between the two firms was then jimmied open and a television valued at $200 taken from the restaurant.

★ ★ ★

A cash drawer in the dairy was emptied of $35 and an unknown amount of small change was also reported missing.

Child Remains Fair After Heart Surgery

ANN ARBOR (AP) — Little Judy Lynn Funsch was reported holding her own in fair condition today, nearly two weeks after undergoing delicate heart surgery.

★ ★ ★

A spokesman at University of Michigan Hospital said the frail 5-year-old has received more than 1,000 letters from well-wishers around the nation.

Americans spent $2.9 billion on foreign travel last year, an increase of 93 per cent over the figures for 10 years earlier.

Sheltered Workshop Is Begun for County Hospital Patients

North Oakland County Junior Chamber of Commerce chapters last night joined with officials of Pontiac State Hospital to establish a sheltered workshop program for patients at the hospital.

Purpose of the program is to help restore a patient's self-esteem by providing work experience of a therapeutic nature.

At last night's organizational meeting at the hospital, a board of directors for the program was named. James D. McIntosh of the Waterford Township Jaycees will serve as chairman.

Other board members include Keith L. Leak, Arthur Heaton, Hortense Riddick, Mrs. John J. Buhr, Melvin C. Strader and Francis D. Robinson.

★ ★ ★

A total of 24 patients will take part in the program at the outset, according to McIntosh.

PATIENTS PAID

"Many more are expected as the program develops," he added. Patients will be paid on a piecework basis.

Among the functions of the eight Jaycee chapters will be to canvass local industries to determine what jobs could be assigned to the sheltered workshop and arrange for contracts.

Jaycees also will provide the needed equipment and supplies to perform the various jobs.

★ ★ ★

Dr. Donald Martin, medical superintendent at the hospital, said last night that the sheltered workshop program should be of great benefit to patients.

★ ★ ★

Participating Jaycee chapters include Waterford, Clarkston, Ortonville, Union Lake, Rochester, Holly, Davisburg and Auburn Heights.

Knifing Victim Reported Fair

A 28-year-old Pontiac woman, allegedly stabbed yesterday by her estranged husband, is reported in fair condition today at Pontiac General Hospital.

Mrs. Lillard P. Daniels of 495 Second was rushed to the hospital about 1 p.m. after being stabbed with a knife in the back and abdomen in front of her home.

Lillard P. Daniels, 36, apprehended by Pontiac police 30 minutes after the knifing, was being held today at the Oakland County Jail.

Detective Charles L. Chancy said prosecution of the case would depend upon whether Mrs. Daniels signs a complaint against her husband.

★ ★ ★

The stabbing climaxed what witnesses described as an argument in front of the couple's home.

DIVORCE PAPERS

Police said divorce papers which Mrs. Daniels had obtained earlier in the day were strewn around the back yard.

"I didn't mean to hurt her," police quoted Daniels as saying when arrested.

"I'm sorry, I didn't mean it. Is she all right?"

Confiscated from the suspect by police were two pocket knives and a clip of 32-caliber bullets. bullets.

AP Photofax

APOLLO CREW—Named by the NASA Manned Spacecraft Center, Houston, Tex., to be the primary crew for the first manned Apollo space flight are astronauts, (from left) Lt. Col. Edward H. White II, USAF; Lt. Col. Virgil I. Grissom, USAF; and Lt. Roger B. Chaffee, USN. Grissom, who will be command pilot and White are veteran space travelers. Chaffee will be taking his first orbital voyage.

Sewage Crisis Eyed

(Continued From Page One)

ship Director of Inspections E. R. Lawson, "One person who's not involved gets it all."

Other residents on South Winding have complained, contending that existing conditions have caused health nuisances and odor problems.

Sanitary sewage reportedly is flowing into one resident's basement.

★ ★ ★

Lawson noted that a possible temporary solution is installation of a large cement tank from which sewage could be pumped when the tank became full.

COULD BE COSTLY

But he warned that the undertaking could be expensive, predicting that sewage might have to be extracted from the tank as often as once a week.

Sewage could be pumped from two of the systems now, said Lawson, but the two 500-gallon tanks would probably fill up in two days.

Lawson said the residents want to stay where they are and have the problem fixed, after it was mentioned that eviction may be the only solution.

★ ★ ★

Kitchen sink water from one of the homes presently flows down the street, according to Lawson.

'WON'T CONTINUE'

"But this won't continue for long," he said.

Lawson remarked that several children live in the neighborhood, including the four homes with malfunctioning septic systems.

"The obvious permanent answer to this community health and nuisance problem," said Berman, "lies in the installation of sanitary sewers.

★ ★ ★

"This department cannot, in all due respect to the limited financial abilities of the persons involved, request a repeat of previous expensive repairs which would be destined to fail in short order."

$150,000 Grant for Waterford

Funds Aimed at More Sewer System Plans

Waterford Township has received a $150,000 preliminary planning grant in conjunction with the proposed $22.9-million townshipwide sanitary sewer system, it was learned last night.

★ ★ ★

The grant was approved by the Federal Housing and Home Finance Administration in Chicago.

The Township Board already has given the green light to preliminary plans as drawn up by engineering consultants Johnson and Anderson, Inc.

Further studies and plans are currently being made by the engineering firm, according to township officials.

★ ★ ★

Dependent on the proposed Clinton-Oakland sewage disposal system, the Waterford Township project would consist of 260 miles of new sanitary sewers and 36 new pump stations.

CONNECTION PLANS

The proposed system would be connected with the Clinton-Oakland which, in turn, would be hooked up with the Dequindre Interceptor.

★ ★ ★

The engineering consultants contend that further delay to the installation of a sewage disposal system would precipitate serious threats to public health.

Poor Excuse to Rob

PITTSBURGH (UPI)—A tall gun-wielding bandit pleaded poverty yesterday and robbed the First Federal Savings & Loan Association of $1,200. "Look, lady, I'm poor," he said when he demanded the money from Mrs. Theresa Greeney, a teller.

Birmingham Area News

Crackdown on Vandals Is Eyed by Commission

BIRMINGHAM—Stiffer fines and jail sentances may be in store for vandals.

★ ★ ★

The crackdown was proposed last night by Commissioner William E. Roberts as he expressed concern over the "alarming" increase of malicious damage in recent months.

The commission then instructed City Attorney James Howlett to meet with Municipal Judge John Emery and return with a report on how far the court can go in handling the problem.

Roberts said he would like to see the enforcement of the situation fashioned after the strong action taken by Emery against racing on Woodward.

★ ★ ★

"Woodwarding," as it is commonly known by teen-agers, was reduced considerably after word was spread that violators faced a $100 fine for the first offense and a jail term for the second.

NOT FOOLING

"We have to show these vandals that we're not fooling," said Roberts.

"Let them know that they're going to get rapped and not merely a slap on the hands," he said.

In the last five months, Roberts noted, the police department has received 56 complaints about windows being shot out by pellets, some of them costly dual panes.

★ ★ ★

He said many lights in public and private parking lots have been shot out, in addition to cars running over lawns and smashing garbage cans.

CAR TIPPED

There was one case where a car was tipped on its side, according to Roberts.

The commission, in other business, scheduled a public hearing for April 11 on a proposed increase in taxicab rates and an amendment to the taxicab ordinance which would provide better service.

JACK H. McDONALD

Second GOP Hopeful Seeks Farnum Seat

The Redford Township supervisor and chairman of the Wayne County Board of Supervisors, Jack H. McDonald, announced today he will seek Republican nomination for Congress in the 19th District.

He is the second GOP candidate to announce his bid for the office now held by Congressman Billie S. Farnum, D-Pontiac. The other is Richard D. Kuhn, Pontiac attorney and businessman.

McDonald, 33, of 15662 Denby, is serving his third term as supervisor of Redford Township, the most populated in the state.

Redford and Livonia in Wayne County and all of western Oakland County and Pontiac are included in the 19th District.

★ ★ ★

Elected a year ago as chairman of the board of supervisors and the youngest to hold the position, McDonald recently was named "Young Man of the Year" by the Detroit Junior Board of Commerce.

HOME RULE

McDonald is a strong advocate of county home rule and has fought for support of the issue through enactment of new legislation.

He feels the present Wayne County government setup is "ponderous and unmanageable," a point he continuously stresses in his speeches.

McDonald is a director of the Michigan Townships Association, the Supervisors Inter-County Committee, and the National Parks and Recreation Association.

West Bloomfield Man to Stand Trial in Shooting

A West Bloomfield Township man was ordered to stand trial yesterday in Circuit Court for a shooting in Pontiac Municipal Court early this month.

★ ★ ★

Following his arraignment before Judge William J. Beer, Everett Joseph, 48, of 599 Lochaven, was released and his $500 bond continued. No trial date was set.

★ ★ ★

Joseph is charged with assault with intent to do great bodily harm in the shooting of John B. Cannon, 36, of 5 Lee Court.

★ ★ ★

The attack took place March 2 just before Cannon was to appear for a preliminary court examination on charge of gross indency involving Joseph's 23-year-old daughter.

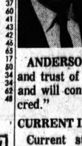
Enters Race for House Seat

Anderson Seeks GOP Bid for 61st District

Loren D. Anderson, a Waterford Township Board member since 1961, today announced he will seek nomination for state representative candidate from the 61st District on the Republican ticket in the August primary election.

Anderson, 46, of 2361 Edinburgh, Waterford Township is one of two Republican trustees on the Waterford Township Board.

In a statement issued today, Anderson said:



ANDERSON

"Being a Waterford Township Board trustee for the past five years has been a rewarding experience as well as an informative one.

"As in the past, the faith and trust of the people are now and will continue to be held sacred."

CURRENT INCUMBENT

Current state representative from the 61st District is Francis A. Crowley, D-Waterford Township.

The district is composed of Waterford, Springfield, Independence and White Lake townships and Sylvan Lake.

Anderson, an insurance agent with Michigan Mutual Liability Co., was victorious in one of the closest elections in township annals April 1, 1963.

★ ★ ★

He defeated John Verhey by four votes, 5,090 to 5,086.

An Army veteran, Anderson is a former member of the Township Recreation Board and belongs to the Waterford Breakfast Optimist Club. He is married and has three children.

ROBERT NORBERG

Pontiac Bank Fills VP Post

President Edward E. Barker Jr. of the Pontiac State Bank announced today that Robert Norberg, 38, 182 W. Chicago, has been named a vice president in charge of the bank's mortgage department.

★ ★ ★

Norberg has been serving as assistant manager of the department since October 1965. He succeeds the late Earl W. Bartlett.

A graduate of Pontiac Central High School, Norberg attended the school of banking at University of Michigan, and has taken five courses with the American Institute of Banking.

Norberg was formerly assistant vice president of Community National Bank, and has had experience in nearly every phase of banking.

★ ★ ★

He is a member of Aldersgate Methodist Church, Elks Lodge, City of Pontiac Planning Commission, and is treasurer of the Pontiac Boys' Club.

State Road Toll Up 40

EAST LANSING (UPI) — State Police provisional traffic figures today showed 400 persons have been killed on Michigan highways this year compared with 360 auto fatalities during the corresponding period in 1965.

NATIONAL WEATHER—Showers and thundershowers are expected from the Great Lakes to the Gulf area tonight with snow and flurries in the northern Plateau area. It will be colder in the north central section of the nation with little change elsewhere.

Hospitals Act to Avert Filled-Up Status

(Continued From Page One)

330. Pontiac General, its expansion plans still on the drawing board, has 400 beds.

There were 990 more operations performed at Pontiac General last year than in 1960.

A similar rise from 1960 through 1965 was registered at St. Joseph Mercy Hospital. There were 1,200 more operations in 1965, compared to 1960.

★ ★ ★

Still another area reflecting the added demand for hospital services is in the number of laboratory tests run.

Pontiac General performed 106,214 more laboratory procedures in 1960 than in 1965.

A less spectacular increase has been experienced at St. Joseph Mercy Hospital. Laboratory tests climbed 60.010 from 1960 to 1965.

The same trend is shown in the number of X rays taken at both hospitals in the past six years. There were 14,659 more X rays taken at Pontiac General in 1965 than in 1960. St. Joseph Mercy Hospital had a six-year increase of 10,664.

★ ★ ★

Hospital officials confront the demand for more services with only one solution — expansion.

MASTER PROGRAM

St. Joseph Mercy Hospital last year launched a master building program to expand and modernize its facilities.

An estimated $6.5 million is to be pumped into construction at the 40-year-old hospital.

The number of beds is to be hiked from 330 to 430.

★ ★ ★

Meanwhile, Pontiac General Hospital has not defined its projected expansion, but mental health and rehabilitation facilities have been proposed for the municipal hospital.

DIRECTLY LINKED

Expansion of the hospitals is directly linked to the increased demand for more and more health care services.

"We are in a high population growth area," explained Harold B. Euler, Pontiac General Hospital administrator.

"As the population grows, there is a corresponding demand for more hospital facilities," he added.

More hospital space appears the only answer to prevent "no vacancy" signs.

Muskegon Teens Arrested After School Fracas

MUSKEGON (AP) — Three juveniles were arrested by Muskegon police following a fracas Monday involving some 200 students on their way home from Steele Junior High School.

Police Capt. Arnold Van Dam said the melee stemmed from several minor fist fights that had broken out at the school and mushroomed into a free-for-all as the youngsters began walking home.

* * *

He said the arrests were made after some of the youths began tossing rocks and pop bottles at police cars.

* * *

"They hit three cars but no was injured," Van Dam said.

"It wasn't a riot," he added. "We've had trouble with kids in this area before. It was a question of one kid having a fight with another."

AP Photofax

FREEDOM BELL—Dave Zimmerman of Muskegon holds the bell he is preparing to send to South Viet Nam at the request of his son, Marine Lance Cpl. Mike Zimmerman. The younger Zimmerman, a chaplain's assistant at the Da Nang Marine base, wanted a bell for an all-faiths chapel for Marines and civilians.

Picketing Bill Seen in Trouble

Lacks Blessing Given Wage Floor Measure

WASHINGTON (UPI) — All systems were "go" for new minimum wage legislation today, but another measure coveted by organized labor — an on-site picketing bill—was bolted tightly to the launching pad.

* * *

Only labor was pushing for the picketing bill. The new $1.60 wage floor bore the blessing of labor, the White House, and Chairman Adam Clayton Powell of the House Education and Labor Committee.

The committee has approved both measures but does not regard them as equals. Powell is opposed to the picketing bill, which would remove a long-standing barrier to effective strike action against large construction projects by building trades unions.

The picketing bill has been ready for House action for several weeks, but Powell has opposed calling it up.

STUCK TO GUNS

He met with Speaker John W. McCormack, D-Mass., yesterday and stuck to his guns despite McCormack's plea for quick action.

Powell said he does not want the picketing bill acted upon until the House has considered the wage bill and another bill that would strengthen federal machinery for ending discrimination by labor unions.

Powell and a number of junior congressmen believe that the picketing bill would be a political millstone in coming elections. He said a number of House veterans also share this view.

* * *

These congressmen want the Senate to act on the picketing bill first so that they would not be wasting their time on a measure that could be killed—like the "right to work" repealer—by a filibuster.

PASSAGE EXPECTED

The wage bill, however, appeared sure of House passage. Republican members of Powell's committee are giving it strong backing.

Most of the new workers added to minimum wage coverage would get a $1 wage floor next Feb. 1, and 15 cent yearly steps to $1.60 by Feb. 1, 1971.

Theater Operator Dies

BRONSON (AP) — Eugene J. Pennell, who operated theaters in Michigan for 34 years, died Monday after suffering a heart attack at his home. He was 60. Services for Pennell, a director of Peoples State Bank in Bronson, will be held Wednesday. Burial will be in Bronson Cemetery.

Canada Tourist Bureau

DETROIT (AP) — Canada opened a tourist bureau in Detroit Monday. John Turner, a member of the Canadian Cabinet, said the office was established to encourage Detroit and Michigan residents to travel in Canada.

Eight states increased their gasoline taxes in the first six months of 1965.

Marine Gets Wish

Muskegon Bell to Toll in Viet

MUSKEGON (AP) — "We need a bell, Dad. Do you think you could help?"

So wrote Marine Lance Cpl. Mike Zimmerman from South Viet Nam to his father, Dave.

The younger Zimmerman, a chaplain's assistant at the big Marine base at Da Nang, wanted the bell for an all - faiths chapel for Marines and civilians.

The father took his son's request to his employer, a steel foundry.

STEEL BELL

The result is a 20-inch high steel bell that is being prepared for shipment to Viet Nam. It is patterned after an old bell used by a Muskegon school.

"The component parts—clapper, cradle and arm—had to be taken apart, copied and made into an assembled unit. The whole process took about two weeks," Zimmerman said.

Eight employes worked on the bell whenever they could snatch extra minutes from their working day.

At first, there was apprehension about how a steel bell would sound since most bells are made of cast iron.

'PRETTY RING'

"It has a pretty ring to it," said Rod Schoenlank, an executive of the company, Westran Corp.

"We're amazed at the tone. It's more of a musical note than a clang," said Zimmerman.

Besides the tone, the bell carries two messages.

A metal plate attached to one side reads: "Made in the spirit of freedom by employes of Westran Corp."

Cast into the other side is the inscription from the Liberty Bell: "Let freedom ring throughout the land unto all of the inhabitants."

SAVED: $200,000,000.

If the prices of drugs had increased as much since 1949 as have the prices of most other things we buy, the American people's annual bill for drugs would be about $200 million higher than it actually is. That's why we say . . .

High Court Maintains Obscenity Stand

WASHINGTON (UPI) — The Supreme Court refused yesterday to modify or discard its 9-year-old obscenity yardstick. But it held that Massachusetts went too far in banning the sale of "Fanny Hill," an 18th Century novel of a prostitute.

In a series of three rulings, the court also held that a publication which would be suitable for sale to the medical profession crosses the obscenity line if it is peddled "in order to catch the salaciously disposed."

The latter finding was made in a decision upholding the conviction of Philadelphia publisher Ralph Ginzburg who was found guilty of sending through the mails three publications found to be obscene.

In the third case, the court let stand the conviction of New York bookseller Edward Mishkin. He dealt in such books as "Screaming Flesh," "Cult of the Spankers" and "The Dance With the Dominant Whip."

★ ★ ★

In all three cases, the justices had been asked to revise the court's 1957 definition of obscenity.

At that time, the court held that obscenity was established if the dominant theme of the material "taken as a whole appeals to the prurient interest" of the average person and if it is "utterly without redeeming social importance."

Ginzburg, as did the other appellants, held that the obscenity ruling violated the constitutional guarantee of freedom of the press.

As it has in the past, the court refused to accept this claim.

★ ★ ★

Justice William J. Brennan Jr. delivered all three opinions. The Ginzburg case was decided 5 to 4. The Mishkin conviction was upheld 6 to 3.

In the Fanny Hill case, the court divided into a number of segments. Brennan was joined in his opinion only by Chief Justice Earl Warren and Justice Abe Fortas.

Justices Hugo L. Black and Potter Stewart concurred for other reasons. Thus the ruling against Massachusetts in the Fanny Hill banning was 5 to 4.

Maple Syrup Runs Termed Good in N. Y.

ALBANY, N.Y. (AP) — Upstate areas report good maple syrup runs this year, according to the State Agriculture Department.

The department said New York State ranks first in the nation in production of pure maple products.

New Quakes Shake Uganda

Rocks Block Road Where Over 78 Died

KAMPALA, Uganda (AP) — New minor earth tremors have brought down rock and blocked the only access road out of western Uganda, where at least 79 were killed in a quake Sunday, radio reports said today.

★ ★ ★

The road leads from the earthquake area of Bwamba County around the snowcapped Ruwenzori Mountains to Kampala.

"The death toll is likely to rise slightly," a Western relief official said. "Fortunately, in this remote area, the population is mainly self-supporting.

"Disruption of public services and supplies therefore is less serious than in a more sophisticated community."

★ ★ ★

However, some services were badly disrupted. The medical dispensary and five stores were destroyed at Budibugyo Village and two stores were badly damaged, the reports said.

SCHOOLS DESTROYED

Seven schools were destroyed in the county, and two school buildings at the American mission at Bugambwa were damaged. Hundreds of houses collapsed.

The total injured was unknown but one parish reported 77 injured.

Swarms of tribesmen were clearing rockfalls, trying to reopen the access road for rescue and medical teams.

★ ★ ★

Rescue teams were bringing bodies and injured persons out of remote valleys.

★ ★ ★

Scientists said the tremors are likely to continue for a time. A vast fault runs through the area.

State Lake Claims Boy

Foreign Born Women Talk to Club

By JEANNE NELSON

Spring flowers dominated the scene Monday afternoon at the meeting of the Pontiac Women's Club in the First Federal Savings of Oakland Building.

Hats in all shapes and sizes were reminiscent of full-blooming flower gardens.

* * *

Theme of the gathering, "Internal Relations," was highlighted by talks from three foreign-born women, all students in Janice Antona's citizenship class.

Miss Antona described the New Citizen's League, a group made up of former students. She reminded the group that the League is now 28 years old.

ANNUAL TRIP

The league's Washington trip, has become an annual event.

This year it will include four nights in Washington, D.C.; two nights in Boston with side trips to Cambridge and a day in New York City visiting the United Nations and sight-seeing.

* * *

Mrs. Wayne Brown, formerly of Scotland, demonstrated how she answered the questions recently at a naturalization hearing. The scope of the questioning covered local, state and federal administrations and a number of questions concerning the Congress.

* * *

As one member was overheard remarking later, "I wonder how many of us, as natural born citizens, could answer these questions correctly?"

Following the question and answer segment of her talk, Mrs. Brown familiarized her audience with her native land, talking of its natural beauty and mentioning the world-famous Princess Street in Edinburgh where the shops are noted for their variety.

FROM GREECE

Mrs. Andrew Drakos who came here from Greece a few years ago described her homeland and the vast differences that can be seen between ancient and modern Greece. Greece has become one of the most popular tourist spots in Europe.

* * *

The third student, Mrs. Charles Maxwell, comes from near the Black Forest of Germany on the Rhine River, just ten minutes from France.

Coins to Shape Toes of Shoes

NEW YORK (UPI)—Quarters, dollars and half-dollars have a new meaning in women's fashions this spring. The coins have been converted into terms for the newest toe shapes in women's shoes, according to Mears Division of United Shoe Machinery Corp.

* * *

E. E. Joiner, styling director and general manager, says the half-dollar tip is going to be the season's most popular shape. The trend — for next season: toward a broader, dollar toe, he predicted.

Jewels Will Sparkle at BAA Fashion Show

The Bloomfield Art Association is planning a 'first.'

On April 16, "Elegance and the Arts" which promises to be a most unusual fashion show, takes place in the gallery on Cranbrook Road.

* * *

BAA members will appear at 8:30 p.m. in simple black gowns modeling a priceless collection of jewels from Sidney Crandall's. The collection which ranges in style from antique to contemporary, was created by international designers.

A background of music from the coming opera season, will set the pace for afternoon and opera fashions supplied by Jacobson's.

Mary Morgan will narrate the show which includes Paris designs.

WORKING ON PLANS

Mrs. Robert Thom, chairman of the event, will be assisted by committee heads, Mrs. Harry Calvert, Mrs. Hugh Acton, Mrs. Louis Dean and Mrs. Henry C. Johnson.

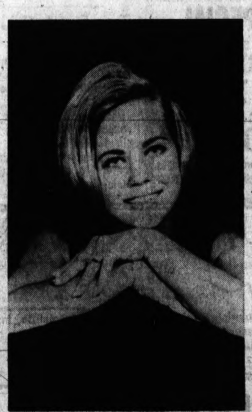
Others working on details include, Mrs. Meyer Cantor, Mrs. Herbert Gardner Jr., Mrs. C. A. Hall, Mrs. John Fitzgerald, Mrs. Paul Averill, Mrs. Harlan Quinn, Mrs. Robert Muzzy, Mrs. Ernest Jones and Mrs. William C. Newberg.

* * *

Proceeds will be used to support the art association. The adult and children's classes are taught by instructors from Wayne State University, University of Michigan and Cranbrook Academy of Art among others.

* * *

Anyone may enroll in the classes which range from all types of painting and sculpture to fused glass, metal work, drawing, weaving and design.



Late May vows are planned by Beverly Ann Grimm, daughter of the Robert F. Grimms, Phoenix, Ariz. and Jack D. Shiker, son of the Richard Shikers, Union Lake Road. Both are seniors at Arizona State University.

BEVERLY ANN GRIMM

Calendar

WEDNESDAY

Woman's World Series, 10 a.m., The Pontiac Mall, "The Food Additives Puzzle" by Mrs. Diane Place.

Pontiac Chapter No. 7, American Association of Retired Persons, noon, Knights of Columbus Hall on South Saginaw Street. Cooperative dinner.

Pontiac Newcomers Club, 1 p.m., home of Mrs. Mert Jennings of Wenonah Drive. Cards.

A New You by Emily Wilkens

Beauty Diary Keeps One on Toes

CHAPTER 2

This may sound like psychotherapy, but it isn't. (Although looking pretty is therapeutic.) It's a matter of sound judgment in getting to know yourself.

Have a friend take a full-length snapshot of you standing as you usually do, with your clothes, hair and makeup as you usually wear them. This is your BEFORE photograph.

Paste the BEFORE photograph in the front of a looseleaf notebook.

Take notes on each chapter of this series, concentrating on the particular pointers you need, and in the appropriate section, paste in reference material you find in newspapers and magazines — a picture of a hair style you like, dress designs, beauty tips, addresses and sources of products, charts and schedules.

This notebook is your BEAUTY DIARY, a personalized account of exactly what you need to improve your looks. It should serve you for many years to come.

You might want to dress up the Diary by covering it with the daintiest, prettiest fabric or contact paper you can unearth, and print BEAUTY DIARY OF (your name) on the front.

ANALYSIS

Now for the hard part. Stand in front of a full-length mirror and coldly, honestly analyze the areas of your figure that you believe need improvement.

* * *

Take a pen or pencil and draw your figure. You don't have to be a female Rembrandt.

Are your hips heavier than you'd like them to be? Indicate this with dotted lines. Is your fanny a bit over-prominent? Let the dotted lines show the bulge. (Be ruthless.)

Then write down your figure problems (heavy hips, thick waist, etc.) with arrows pointing to the appropriate areas.

* * *

In the upper right-hand corner of your figure outline page, make a list of your ASSETS —all the good things about your figure.

In the lower left-hand corner of the page, make a list headed NEED TO IMPROVE—the nasty little devils that are making your figure less than perfect.

The figure outlines and listings of ASSETS and NEED TO IMPROVE make up your FIGURE ANALYSIS CHART.

You can use the FIGURE ANALYSIS CHART for marking other beauty problems, too.

Use arrows to indicate oily hair, bitten nails, and all other bugaboos that tend to nibble at your appearance and self-confidence.

DISCOURAGED

Are you ready to cry into your malted by now because your NEED TO IMPROVE list seems about ten times as long as your list of ASSETS? Cheer up. You can't start out on the road to beauty without knowing exactly what your problems are.

* * *

After analyzing what we might call your "bodily" problems, let's turn our attention to the other things that aid or ruin the beautiful impression you'd like to project.

You can't be a true beauty if you have an itsy-bitsy little-girl speaking voice or if your posture resembles an S-curve.

Try to think of yourself as sort of a pattern, in which everything — figure, hair, skin, makeup, clothes, posture, voice, manner — must blend harmoniously to make up a perfect whole.

* * *

Before beginning the improvement plan, get a complete checkup from your family doctor. (That's a must at least once a year, anyway.)

Now, armed wih a clean bill of health, determination, and a clear analysis of your assets and debits, are you ready to become the truly beautiful girl you were always meant to be? You are? Then here we go!

THE FIVE B'S

A Guide to Natural Beauty

1. Be proper about your diet.
   - Good nutrition makes for good looks.
2. Be sensible about your hours.
   - Beauty sleep keeps you young.
3. Be brave about your exercise.
   - Firm muscle tone means fine figures.
4. Beware of tension.
   - Lines and frowns give you the "uglies."
5. Be sly.
   - Glamorize your God-given assets.

Tomorrow: Physical fitness and what it means to you.

Attorney Talks Before AAUW on Monday

Robert E. Cunningham, Pontiac attorney, spoke on "The New Court of Appeals" before Pontiac branch, American Association of University Women on Monday.

Hostesses for the evening meeting in the Community Services Building were Mrs. Arthur Lake, Mrs. E. C. Carlson, Mrs. Julius Middledorf, Mrs. Ray Allen, Mrs. Voyd Hicks, Mrs. Melvin Taig, Olga Siivart, Rosamond Haeberle and Aldene French.

* * *

The AAUW through its long history, has worked for the improvement of education and has supported women's rights in the United States.

Some 100 fellowships are awarded each year to mature women both here and abroad to further their field of study.

BOOK SALE

The Pontiac branch is having its 4th annual book sale, April 21-23, in The Pontiac Mall to raise funds for the fellowship fund. Mrs. Harry Hahn will arrange to have your unwanted books picked up.

Guests for the evening were Mrs. Bruce MacDonald, Mrs. Zyril Davis and Mrs. John Blamy III.

* * *

Any college or university woman graduate may attend meetings and the study groups will welcome women who do not have a college degree.

Study groups for the month include: Foreign Culture and Cuisine, March 29, 7:30 p.m.; and Bridge Group at 8 p.m.

The Travel Group will meet on April 12, at 8 p.m.

'King and I' Will Be Last Presentation

The Lakeland Players will present a musical, "The King and I" as their final production for the year, Friday and Saturday in the John D. Pierce Junior High School.

Performances April 1 and 2 are also scheduled with curtain time 8 p.m.

* * *

More than 75 persons have been working for the past six weeks to make this colorful production a success. Twenty school pupils are taking part in the play as the King's children.

DIRECTOR

Mrs. Gerald Lewis is directing the play and Patti Wilkinson is producing the musical. Sally Parent is the choreographer and Mary Phipps is handling the music.

Among cast members are Jack Sterrin as the King; Mrs. W. Cecil Stricklin as Anna; Craig Jacober as the Prince; Kirt Anselmi and Steve Lewis in the double role as Louis, Anna's son.

Others are Lynn Hamilton as Lady Thiang; Mrs. William Hampton as Tuptim; William Hampton as Lun Tha and William Solley as Kralahome.

* * *

Tickets may be purchased at the door or from any member of the players' group.

Ungracious Acts of Others Doesn't Excuse Your Own

By ABIGAIL VAN BUREN

DEAR ABBY: I have just experienced one of the most uncomfortable afternoons of my whole life. I had a luncheon for three close friends, one of whom is a widow.

ABBY

The other two women spent the entire afternoon bragging about the gifts their husbands had given them, the trips they had taken, and their plans for future trips. The little widow had nothing to contribute to the conversation, so she just sat and listened. I could tell she was hurt.

Don't women realize how often they do this? I am furious because this happened in my home. I haven't as yet had the opportunity to tell these two women how inexcusably rude they were, but I hope you will mention it in your column because they both read it.

BINGHAMTON

DEAR BINGHAMTON: You could have steered the conversation to another subject. Why didn't you? Before condemning others for their "sins," — consider for a moment the "sin" of omission.

* * *

DEAR ABBY: A man who has been our friend for 40 years has taken up painting as a hobby, and he's pretty good. He has sold several of his paintings, so it's not just our opinion.

For our anniversary gift, he painted a picture to hang over our fireplace. It's a winter scene showing a New England farmhouse under a blanket of freshly fallen snow, a typical blue-cold Vermont day. Well, he put a clothes line back of the house, and clothes are on it.

This spoiled the whole picture for me. He should know that when it's that cold no one would hang the wash outdoors! I want to ask him to take the painting back and take the clothes line out. My husband says it can't be done without hurting the painting as it's done in oils. Can it? I just don't enjoy looking at it this way.

MARY C.

DEAR MARY: The artist can remove the clothes line without "hurting" the painting, but I can't guarantee that you won't hurt the artist's pride. Ask him, anyway. A friendship of 40 years permits certain privileges.

Problems? Write to Abby in care of The Pontiac Press. For a personal reply, enclose a stamped, self-addressed envelope.

Mrs. Hubbard Is Hostess

Mrs. J. Alfred Hubbard opened her home on Woodward Avenue to members of the Pontiac branch, Woman's National Farm and Garden Association on Monday.

The technique of forcing branches of flowering shrubs indoors for arrangements was demonstrated by branch member, Mrs. Parker P. Rockwell who is treasurer of the Michigan Division and member of the national council.

* * *

Social chairman for the day, Mrs. Harold E. Howlett, welcomed new members Mrs. Collis A. Scott and Mrs. John Q. Waddell.

Pontiac Press Photo

Mrs. W. Cecil Stricklin of Angelus Drive and Craig Jacober of Van Syckle Street are rehearsing their roles as "Anna" and "The Prince" in the Lakeland Players' production of the musical, "The King and I" Friday and Saturday in the John D. Pierce Junior High School.

Brown Pays Back Taxes

To Resign as Senator if Guilty of Crime

LANSING (AP) — Sen. Basil Brown, D-Highland Park, paid the $1,736 he owed in back federal income taxes Monday, adding if he is found guilty of any criminal intent in his delayed payment he will resign as a state legislator.

The payment did not square him completely with the federal government, Brown said. There's still the question of penalties and interest and an investigation of his failure to file 1963 and 1964 income tax returns before the deadlines.

★ ★ ★

"I'll be billed for interest and penalties," Brown said. "I hope to be able to pay that the day the bill comes—or within a reasonable time.

The back taxes were paid out of money he had saved, Brown said.

NEARLY COMPLETED

Most of the standard investigation following his failure to pay has been completed.

"If I had walked in today and paid what I owed without prior negotiations, the Internal Revenue Service would have started an investigation. Since I have been working with them for some time on this, it's almost completed."

★ ★ ★

The investigation — which he has not discussed with IRS—is intended to determine whether there was any fraud or intention to evade taxes, or whether the delayed payment is intended to cover up other illegal activities, he said, adding:

"If I'm indicted (on criminal charges) I will, without hesitation, look for another job.

NO INTENT TO DODGE

"I had no intention of dodging my taxes. I did intend to delay payment simply becaise I did not have the money. The method I chose for delaying payment was a stupid mistake," he added.

★ ★ ★

Rep. James Bradley, D - Detroit, said he would pay the $3,700 in taxes, penalties and interest he owes for 1964 later in the week.

Senate Majority Leader Raymond Dzendzel, D - Detroit, long at odds with Brown in the Senate Democratic office, implied Monday night he thought Brown ought to resign.

★ ★ ★

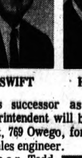
Rumors circulated through the Senate Monday night that there might be an attempt to oust Brown as majority floor leader but the topic reportedly did not come up at the regular party caucus.

Staff Changed at Consumers

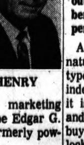
Three administrative staff changes involving Consumers Power Co.'s Pontiac Division, were announced today by Charles F. Brown, division manager.

★ ★ ★

Paul Henry, 6570 Orion, Clarkston, who has been marketing superintendent, was elevated to administrative staff assistant.



SWIFT



HENRY

His successor as marketing superintendent will be Edgar G. Swift, 769 Owego, formerly power sales engineer.

Dear Todd, 817 N. Fieldstone, Rochester, formerly electric distribution superintendent, has been transferred to the same position at the Bay City division.

TODD

News in Brief

Eric N. Bresnahan, 25, of 245 Voorheis was fined $100 yesterday by Municipal Judge Maurice C. Finnegan after pleading guilty to driving under the influence of liquor.

Burglars stole $61 from the Drip-Dry Econo-Wash, 2395 Elizabeth Lake, Waterford Township police learned today.

Earthmovers' Confab Scheduled April 7

The Michigan Earthmovers Association will hold its third annual election of officers at Sylvan Glen Country Club, 5725 Rochester, Troy, April 7.

Dinner will be served at 7:30, the business meeting to convene at 8:30 p.m.

Construction on New York City's first skyscraper, the Flatiron Building at Broadway, Fifth Avenue and 23rd Street, started in 1901.

Slowdowns Increase Inflation Confusion

By SAM DAWSON
AP Business News Analyst

NEW YORK — Some isolated slowdowns in the economy's forward rush are adding to the confusion over what to do about inflation.

DAWSON

Most of the signs still point uphill for the business boom now rounding out its 61st month. But a few of those that often indicate what the future has in store are lagging or turning down.

And this hesitancy, along with the chance that more may be in the making, sustains those who argue that this isn't the time to clamp on the brakes.

Orders for durable goods have taken a surprising drop. Whether this is temporary is yet to be seen.

NEW HOUSES

Housing starts also have fallen off more than expected. The building industry is now watching to see if spring weather will revive their business.

Factory managers say they expect to add to their inventories in a cautious manner after the big rush to build up stocks that helped heat up the economy in the closing weeks of 1965.

A profit squeeze is feared in some industries. They cite rising production costs, much smaller gains in output per man hour of labor, and the government's frowns on raising prices to meet these growing costs—and thus keep them from pushing today's record profits still higher.

The high cost of borrowing may cool the expansion boom in coming months, some bankers say, although admitting that the demand for loans is still high.

SPECULATIVE FEVER

The speculative fever in the stock market has been pretty well chilled in the last five weeks. And the effect on public psychology of an average drop of 7 per cent in stock prices—with some industry groups down as much as 17 per cent—is yet to be measured. Some business economists think that a generally more cautious attitude is taking shape, especially in business circles.

The stock market is only one reason. Others are tight money, speedier tax collections that leave corporations with less cash on hand to spend, and to no small degree the efforts of the administration to halt or turn back certain price rises—even if unable to hold back the general rise in the cost of living.

★ ★ ★

Government economists may not be saying so for publication, but they are unlikely to be entirely unpleased by such signs as there are of a slowing down in what at year's end looked like the start of a speculative and inflationary boom.

The goal still is for more expansion, higher incomes, more spending, more jobs, and still fatter figures when figuring the nation's total income and production.

5-YEAR BOOM

The five-year boom has carried the economy to record heights. Some have felt the economy had reached dizzy heights. The administration has denied this.

And if signs of a slowdown or a more cautious forward pace multiply in the months ahead, the administration may keep its foot off the brakes and forego a tax increase.

Successful Investing

By ROGER E. SPEAR

Q) "I would appreciate your advice regarding the purchase of Leece-Neville stock. My brother suggested I buy 100 shares, as he has received confidential information it will double in price within a few months. I have $5,000 which I should like to invest wisely." M. S.

A) "Confidential" information that a stock will double in value is almost invariably a shaky basis for purchase. Such confidential information is usually available to a great many people, and if there is any reason for the optimism the market normally has acted well ahead of the average investor.

Leece-Neville, for example, has much more than tripled in value since last November, partly on the basis of a company reorganization and an acquisition. It is a pretty good stock in the automotive and aviation electrical and mechanical fields, but it is now selling at a relatively high earnings multiplier. Buy some, if you wish, as a speculation, with the full understanding that considerable risk is involved.

For investment, I suggest Plough & Co.; Miles Laboratories; Time, Inc.; Standard Oil of New Jersey and Eastman Kodak.

★ ★ ★

Q) "I would like to invest $3,000. I lean toward debentures, because I understand that they are safe. This condition is a must, so stocks are out. Can you recommend debentures yielding five to six per cent?" W. B.

A) First let me explain the nature of a debenture. This type of security is part of the indebtedness of a company, but it is simply a promise to pay and it is not secured. When buying debentures you must look to the company's credit standing, since this is what you are relying on. I can recommend no debentures selling to yield six per cent.

I do recommend General Telephone 4⅞s of 1987, non-redeemable before 1972, offered on a 5.11 per cent basis. I also like CIT Financial 5⅛s of 1980 (noncallable before 1968), selling to yield 5.08 per cent.

(Copyright, 1966)

Storm Sends Freakish Weather Toward Nation's Midsection

By United Press International

A major storm boiled down out of the Rocky Mountains today threatening the nation's mid-section with thunderstorms, dust storms, heavy snows and near blizzards.

★ ★ ★

The storm's brew of freakish weather resulted from the collision of a cold air mass sweeping down from the Arctic into the Rockies and Montana and warm, moist air up from the Gulf of Mexico.

The turbulence extended from heavy snows in Montana to rains and hail as far eastward as Wisconsin and Chicago.

The heavy snows grounded search parties hunting for a light plane down in rugged Colorado mountain country with six persons aboard. The search was called off yesterday, but nearly 24 planes waited at Grandy, Colo., today for the weather to clear.

★ ★ ★

Missoula, Mont., got two inches of new snow. Great Falls and Denver got an inch apiece.

RUMBLING STORMS

Thunderstorms and hailstorms rumbled from Nebraska to Illinois yesterday and continued through the night. High winds wrecked two trailer homes at Athens, in central Illinois.

Thunderstorms, rain and an unconfirmed tornado were reported around the resort area of Lake Geneva, Wis. Heavy rains slowed rush hour traffic in Chicago.

Twenty sheds were destroyed when a twister struck the Vernon Miller farm at North English, Iowa.

★ ★ ★

At Cantrall, Ill., near Athens, hailstones dented cars, tore shingles from sloping roofs, and punched holes in flat roofs. The hail was the size of golf balls. The Menard County sheriff said the hail piled two inches deep on the ground before it began to melt.

Hail six inches deep was reported at Grand Ridge, Ill.

NY Protest Arrested in SNCC Chiefs

NEW YORK (AP) — Five leaders of the Student Nonviolent Coordinating Committee have been arrested during a sit-in at the South African consulate, where they were protesting that country's apartheid policy.

Consulate officials requested the arrests on charges of disorderly conduct and intrusion on real property after the demonstrators had been in the reception room of their Madison Avenue offices for three hours Monday night.

★ ★ ★

Arraigned in night court for a hearing today were John Lewis, SNCC chairman; James Forman, executive secretary; Cleveland Sellers, program director; William Ricks, field secretary; and William Hall, a staff member.

Harry Belafonte, the singer, provided the $250 bail for the group.

★ ★ ★

Julian Bond, who was barred from a seat in the Georgia Legislature, ostensibly for his opposition to U.S. policy in Viet Nam, also took part in the demonstration. He had left for a speaking engagement before the arrests were made.

Hobby Shop Will Open at K-Mart Store

The Pontiac K-Mart store is in the midst of expansion which will add a new Hobby Shop and a lumber and building supply section for the do-it-yourself fan.

The shop is scheduled to open Thursday.

It will be 40 by 50 feet and feature hobby supplies such as slot car racing, crafts, and other hobby materials.

John Osborn, assistant store manager, will manage the store.

★ ★ ★

The building and supply section will be open about April 4. This operation will cater to the do-it-yourself fans.

VARIOUS SUPPLIES

It will carry No. 1 lumber, hardware, power tools, tile, paneling and various other supplies.

Bobby Coogan (brother of Jackie) will be on hand for the grand opening Thursday through Saturday.

Eye Labor Man for City Post

Appointment of a labor representative to the city's urban renewal liaison committee and further consideration of a contract for a pedestrian overpass are among items to be taken up by the City Commission tonight.

Mayor William H. Taylor Jr. is expected to recommend a labor appointment to the important liaison committee.

This group has worked primarily with prospective developers for downtown urban renewal land.

Two choices were presented last week on bids for construction of a pedestrian walkway over East Wide Track at Whittemore.

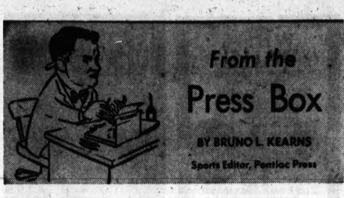
★ ★ ★

Both a low bid of $12,850 and a high bid of $29,895 have been studied by city engineers.

PUBLIC HEARING

Also tonight, a public hearing is scheduled on proposed changes in the text of the zoning ordinance.

The changes involve additional definitions to zoning ordinances and more regulations involving the use of residential properties.



Back from the Southland to the "sunny North" and with the completion of the March Madness of basketball, time now permits us to get into the mailbag, most of which is concerned primarily with the Pontiac Sports Arena and Auditorium.

There is no doubt as to what such a structure would do for the city and the entire area giving everyone from 1 to 101 years of age something of which to be proud.

In fact, there is nothing which could generate community life as the complete Sports Center.

It only takes the slightest bit of the imagination to visualize such a structure and to realize the activities which could be made available to, for and by the people, the community, business, industry, groups and organizations.

★ ★ ★

Here are some of the responses received in regard to the talked-about Sports Center.

Dear Mr. Kearns:

"Your stimulating concern and thought about adding a positive asset to the city is most welcomed and needed. Our committee would be happy to assist and advise in any way that would be beneficial to the youth and citizens of Pontiac."

GEORGE P. CARONIS
EXECUTIVE SECRETARY
CITIZEN'S COMMITTEE ON YOUTH

(With his encouraging letter, Mr. Caronis also forwarded the 1965 Citizen's Committee report summarizing the causes of delinquency and denoting that in the April 1965 report a line read, "a facility such as a multi-purpose center would add to the assets of the city.")

★ ★ ★

Dear Mr. Kearns:

"Let's make '68 the target date,
For the Sports Arena-Center
We can do it if we try,
By working hard together."

GEORGE L.

★ ★ ★

Dear Mr. Kearns:

"Pontiac does need and should have an Arena-Auditorium, a modern facility to serve our many community needs and to help oil the wheels of progress. Nothing worthwhile is painless.

This is something which will be shared and enjoyed by every citizen, young and senior-aged alike.

A representative group encompassing Citizen-Civic-Business-Industry-Service ought to be formed as a committee to bring about the realization of this facility."

BILL GRAVES

★ ★ ★

Dear Mr. Kearns:

"Count me and I'm sure all the sports and hockey enthusiasts around Pontiac in on whatever we can do to help bring the sports arena-auditorium to the city."

VIC SOUCI

★ ★ ★

"What will it take to get the ball rolling for something that is needed so badly in Pontiac? Here's my pledge to give the first $100 to the drive if it gets started.

CHESTER REYNOLDS

Monbouquette Keeps Opponents Scoreless

Newest Bengal Pitcher Gains 7-0 Shutout

Detroit Beats Orioles for 8th Triumph in Citrus League

MIAMI, Fla. (AP) — Bill Monbouquette is hard to please.

The Detroit Tigers right-hander has pitched 13 innings this spring and no one has scored a run off him. This included a seven-inning shutout stint in Detroit's 7-0 victory over Baltimore Monday.

★ ★ ★

Monbouquette gave up four hits as the Tigers won their eighth exhibition game against two losses. But he wasn't satisfied.

"I kept hanging the curve ball and getting away with it," he said. "Oh, I was lucky.

TOO HIGH

"If the wind hadn't been blowing in, Frank Robinson would have had one out of the park on me. I've got to get the ball down. I can't get away with it much longer."

Two hits off Monbouquette were scratch singles by Luis Aparicio.

★ ★ ★

Meanwhile, the Tigers wasted no time on Orioles starter Wally Bunker, pounding him for three runs in the first inning.

Dick McAuliffe and Jerry Lumpe slammed back-to-back doubles.

After Bunker walked Norm Cash and Al Kaline, Jim Northrup drove in two more runs with a single.

LOST FLY

In the second, Baltimore centerfielder Paul Blair lost Northrup's long fly in the sun for a triple, and Kaline scored from second on the play.

★ ★ ★

The Tigers scored another run in the seventh and two more in the ninth. Orlando Pena finished up on the mound for Detroit, giving up another hit.

★ ★ ★

McAuliffe had four hits for Detroit. Cash, Northrup and Bill Freehan got two each.

The Tigers, who have had only five winning Grapefruit League seasons in the last 16 years, are only three victories short of last year's training camp output.

Denny McLain gets the call today when the Tigers take on the New York Yankees at Ft. Lauderdale. Jim Bouton is slated to pitch for the Yanks.

Dryden Star on All-State

Dryden High School has chalked up its second all-stater of the school year with the announcement today that Ken Kitchenmaster is on the Associated Press' Class D basketball honor squad.

Dennis Hilliker of the Cardinals was named on the AP all-state football squad last fall for the second straight year.

★ ★ ★

In a change of format, the **Kitchenmaster, a 5-10 senior guard was noted for his playmaking ability and deadly outside shooting. He averaged 21 points a game as the Cardinals finished second in the Southern Thumb Conference.**

"He earned the honor," said Dryden coach Bob Mason. "Ken can do everything on the court."

Upper Peninsula scoring champion Bob Gale of Trout Creek and Jim Sarno and Maurice Armstrong of Covert are on the Class D team.

OTHERS NAMED

Sarno, a repeater from last year's team, and Don Reid of Flint St. Mary were the only unanimous choices.

Others named were Mike Caswell of North Adams, Bob Wruble of Harbor Beach OLLH, Steve Schaffer of Portland St. Patrick, Denny Bielas of Pellston and Greg Rzycki of Ecorse St. Francis.

Gale became the fourth player in U.P. history to score 600 or more points during the regular season when he tallied 611 — for a 33.9 average — to spearhead second-ranked Trout Creek to an 18-0 regular season mark.

Sarno, the tallest man on the squad at 6-foot-8, and Armstrong were the key players for a top-rated Covert team which went unbeaten and captured its second straight Class D state crown.

Sarno averaged more than 18 points a game and Armstrong almost 15 through the regular season. All five Covert starters averaged more than 11 points.

Reid, three times an all-league selection, is the most prolific scorer in Flint history. Scoring over 2,000 points in his career, he finished the season, averaging better than 31 points per game.

Class D All-State Basketball Team

Name, School	Hgt.	Wgt.	Class
Don Reid, Flint St.Mary	6-2	180	Sr.
Jim Sarno, Covert	6-8	220	Sr.
Mike Caswell, North Adams	6-2	170	Sr.
Bob Gale, Trout Creek	6-5	185	Sr.
Ken Kitchenmaster, Dryden	5-10	150	Sr.
Bob Wruble, Harbor Beach OLLH	6-2	185	Sr.
Steve Schaffer, Portland St. Patrick	6-2	175	Sr.
Denny Belias, Pellston	6-2	185	Sr.
Maurice Armstrong, Covert	6-7	185	Sr.
Greg Rzycki, Ecorse St. Francis	6-5	215	Sr.

Cincinnati Ace Signs

By the Associated Press

It was the first day of spring so Jim Maloney ended the winter of his discontent, and Whitey Ford, Bill Monbouquette and Dean Chance served notice that it could be a long, hot summer for American League hitters.

Maloney had been spending spring training at Fresno, Calif., which was fine except that the Cincinnati Reds train in Tampa, Fla. He argued that his 20-9 record and two no-hitters last season were worth a $50,000 contract in 1966.

Cincinnati's assistant general manager, Phil Seghi, who had been saying $40,000 yes, $50,000 no, flew to Fresno Monday after weeks of telephone bargaining. He talked for about three hours and finally emerged with Maloney's signature on a $46,000 pact.

While Seghi and Maloney were negotiating, Ford, Monbouquette and Chance were pitching and doing quite a job of it.

SIX INNINGS

Ford, the 37-year-old dean of the New York Yankees' pitching corps, worked six innings and allowed just two hits as New York blanked the Los Angeles Dodgers 3-0.

Monbouquette, who was traded to Detroit after eight seasons with Boston, worked seven shutout innings as the Tigers rocked Baltimore 7-0.

Chance, hoping to bounce back after a so-so 15-10 record last season, hurled three-hit ball for six innings in California's 1-0 victory over Cleveland.

Elsewhere Monday, Minnesota ripped Kansas City 10-1, the Chicago White Sox whacked Boston 10-4, St. Louis downed Pittsburgh 6-3, Cincinnati shaded Houston 5-4, the Chicago Cubs defeated San Francisco 4-2 and the New York Mets ripped Atlanta 7-2. Cincinnati's B squad dropped a 2-1 decision in 11 innings at Mexico City.

The Twins, who succumbed to Dodger speed in the World Series, took on a go-go look of their own by swiping five bases, four in one inning, in their lopsided victory over the Athletics. Tony Oliva kept Minnesota's power structure intact with a two-run homer, one of 12 Twin hits.

Wins Crown in Waterford

Buckner Finance shook off Lakeland Hardware in the second half for a 54-43 victory and the Waterford Township Recreation Department's Continental League championship last night.

Buckner, which was an 84-54 loser to Lakeland last week when the hardware quintet gained a share of the lead, broke a 24-24 halftime score with a 15-6 third quarter spurt.

Roy Pogel (15 points) and Al Tunny (13) led the winners.

In other action, Zilka Heating surprised Ryeson's Market for the second time in four days for a 55-50 win. A 32-25 first half settled the outcome. Bundy Built Homes took a forfeit decision from Wayne's Service.

WATERFORD TOWNSHIP RECREATION
Continental Basketball League
(Final Standings)

	W	L
Buckner Finance	9	2
Lakeland Hardware	8	3
Ryeson's Market	6	5
Zilka Heating	5	6
Wayne's Service	3	8
Bundy Built Homes	2	9

Arrows Grid Coach Agrees to Terms

Head coach and general manager of the Pontiac Arrows, Lyle Wells, came to contract terms for 1966 with the Pontiac Football Company it was made known today.

Wells, who had coached the Arrows for five years at Mt. Clemens prior to the move to Pontiac last season, indicated he was interested in contacting all area football players who desire to try out for the team this season. He can be reached at 29622 Oakgrove, St. Clair Shores.

The Arrows, 1965 champions of the Midwest Football League, expect to open drills about July 18.

Company president Paul Parks also announced that season ticket orders for 1966 would be in the mail on April 1. The Arrows will have six home games.

The regular season is expected to start Saturday, Sept. 3. The MFL plans to announce the complete schedule shortly.

NHL Scorers Waging Battle

Bobby Hull Reigns; 2nd Spot Undecided

MONTREAL (AP) — Bobby Hull has the National Hockey League scoring title in the bank but there's going to be a run for the money that goes to the No. 2 pointmaker.

Hull, Chicago's record-breaking goal scorer, leads the pack by 19 points going into the last two weeks of the season, according to latest NHL figures.

★ ★ ★

His 93-point total, on 53 goals and 40 assists, has locked up the $1,000 league bonus that accompanies the point championship and he is only three points short of the single season record set by Dickie Moore of Montreal six years ago.

Second place, however, has developed into a toss-up between defending champion Stan Mikita of the Hawks, Montreal's Bobby Rousseau and Jean Beliveau and Detroit's Gordie Howe. The runner-up will receive a $500 cash award.

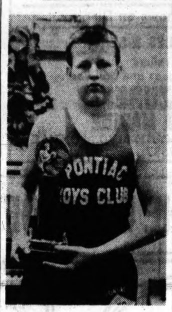
TOP PLAYMAKER

Mikita, who picked up a goal and two assists in his last game, is second with a total of 74 points. The Chicago center is the leading playmaker with 47 assists.

Rousseau, Howe and Beliveau are deadlocked at 71 points apiece. Howe, who has won the title six times, and Mikita, winner the past two seasons, each have five games remaining — one less than the two Canadiens.

The top scorers:

Player, team	G	A	Pts.
1. Hull, Chicago	53	40	93
2. Mikita, Chicago	27	47	74
3. Rousseau, Montreal	28	43	71
Howe, Detroit	27	43	71
Beliveau, Montreal	26	45	71
6. Ullman, Detroit	29	40	69
7. Delvecchio, Detroit	29	37	66
8. Nevin, New York	28	32	60
9. Richard, Montreal	20	37	57
10. Mahovlich, Toronto	30	23	53



LED WAY — Glenn Howard, 14, of the Boys' Club of Pontiac state junior varsity basketball champions, holds the coveted title trophy.

Dearborn Victor

Cazzie Aids AAU Win

DENVER, Colo. (AP) — All-America Cazzie Russell and his Dearborn teammates sidelined No. 1 seeded and defending champion Armed Forces All-Stars 75-72, and Bartlesville, Okla. whipped Torrance, Calif., 69-54, in quarter-final games of the National AAU Basketball Tournament Monday night.

Denver edged Arkansas City, Kan., 66-65, in another quarter-final game and will meet Bartlesville in Tuesday night's semi-final round. The Russell-led Michigan squad will meet the winner of Monday night's final quarter-final game between Knoxville, Tenn., and Akron, Ohio.

SCORING SPREE

Russell went on a 14-point scoring spree in the closing minutes, kicking off the rally with a jumper from the corner. His spurt gave Dearborn the lead for the first time.

The All-Stars led at halftime, 42-35.

★ ★ ★

Russell scored 23 points, the last two on free throws that turned out to be the winning points with eight seconds remaining.

Oliver Darden, another University of Michigan star, nearly matched teammate Russell's performance, scoring 21 points.

ABC Tourney Changes Drop Pontiac Bowlers

From Our Wire Services

ROCHESTER, N. Y.—Pontiac bowlers lost ground Monday as hot scoring produced high-echelon changes in the regular division standings at the American Bowling Congress Tournament.

Two new leaders—all events and doubles—were posted. Jerry Held of Monroe, Mich., fired a 1911 in his nine games for the all-events lead. He had 654 in the doubles.

A Milwaukee pair, Jerry Albert and Dick Goepel, took the regular doubles top spot with 1303. Three new teams moved into second, third and fourth places.

TUMBLE

Pontiac's Pat Sweeney and Bud Mulholland thus tumbled from seventh position on the weekend to 11th with their 1165. Mulholland also slipped from fourth to fifth in all-events (he has 1822) and from sixth to seventh in singles (651).

★ ★ ★

Birmingham's Charles Beaver has 641. Al Easlick and Dick Kennedy of Fenton have 1175 in doubles and are ninth.

In the team standings, Tool Design of Lockport, N. Y., Monday took over eighth place with 2818, slipping ahead of Essex Wire Corp. of Birmingham which has 2813.

Herk's Auto Supply and West Side Lanes, both from Pontiac, hold sixth and seventh with 2841 and 2836, respectively.

★ ★ ★

The tournament will continue through mid-May.

Softball Meeting Set

All schools entering either boys' or girls' softball teams in the Waterford Township Elementary League are requested to have a representative at the 7 p.m. organizational meeting Wednesday in Room 103, Schoolcraft School, Maceday Drive.

Boys' Club Adds Basketball Titles

State and county championship trophies have been added to the Boys' Club of Pontiac collection of basketball prizes.

The Pontiac club's junior varsity squad won its state title by beating Ypsilanti's quintet, 42-24, in the championship game after just getting by Bay City, 31-30, in the semifinals.

The Boy's Club prep squad reached the state final round before dropping a 60-48 championship verdict to Highland Park Saturday at Bay City.

★ ★ ★

The county boys' club league laurels went to Pontiac after besting the bids of Waterford, Warren, South Oakland County, Columbia Avenue Extension, and Auburn Heights.

Pontiac inter-club champions include the Red Devils' junior division team and the Pro's prep squad.

Rec Program for Swimmers Is Under Way

The swimming program of the Pontiac Recreation Department is under way at Pontiac Central and Pontiac Northern pools.

Advance registration is necessary for the classes, however, no registration is needed for the open swim hours.

This is the schedule at both pools:

Monday — PCH: Beginning-Advanced Classes, 6:30-7:30 p.m. Open Swim, 8:00-9:00 p.m. (Mar. 21-28 — Apr. 11-18-25 — May 2-9)

Tuesday — PNH: Open Swim 7:00-8:30 p.m. (Mar. 22-29—Apr. 12-19-26 — May 3-17

Wednesday — PCH: (Same schedule as on Mondays)

Thursday — PNH: Beginning-Advanced classes — 6:30-7:30 and 8:00-9:00.

Open swimming fees at pool, 25 cents for under-18 and 50 cents others.

Philadelphia 5 'Doesn't Exist'

Celtics Refuse to Look Past Royals

BOSTON (AP) — The Boston Celtics hope for a showdown with Philadelphia in the National Basketball Association playoffs, but right now they consider the 76ers in another world.

"We don't want to even think of Philadelphia," Coach Red Auerbach said today as he called a final practice for the opening of a best-of-five semifinal series with Cincinnati Wednesday night at Boston Garden.

"As far as we're concerned, the 76ers are in another world," Auerbach said. "We can't afford to look ahead. Anytime you meet a team such as Cincinnati, with players like Oscar Robertson and Jerry Lucas, you have your hands full."

K. C. Jones, who played on seven straight Eastern Division championship clubs until the Celtics were dethroned by Philadelphia Sunday, echoed Auerbach's comments.

"We have to feel that Philadelphia doesn't even exist," K.C. said. "We can go all the way, but first we have to take care of Cincinnati and that isn't the easiest job."

★ ★ ★

The Celtics actually began their reign two years before Jones' joined them. However, their nine-year domination was snapped, by one game. Now they hope to keep another streak intact by winning an unprecedented eighth consecutive NBA title.

★ ★ ★

Auberach, who is retiring after 20 years as a coach to devote full time to duties as Celtics' general manager, is optimistic heading into the playoffs.

"The way we're playing right now we're going to be hard to beat," he said. "Bill Russell has got his second wind, Sam and K. C. Jones are doing their jobs. Larry Siegfried is playing real good, hard-nosed ball, Johnny Havlicek is coming through, and Satch Sanders is playing great."

★ ★ ★

The Boston coach noted that "Philadelphia is riding high" after winning the Eastern crown. However, he warned, "They have a long, long way to go for the NBA championship."

NBA Standings

Eastern Division	Won	Lost	Pct.	Behind
xPhiladelphia	55	25	.688	—
Boston	54	26	.675	1
