

'Armed Forces Day' Observed in Pontiac

Big 4 Ministers Seen Meeting at U.N. Birthday

Molotov, Dulles, Pinay Already Set to Attend; MacMillan Trip Likely

UNITED NATIONS, N. Y. (INS)—Soviet Foreign Minister V. M. Molotov's decision to attend the United Nations tenth anniversary celebration in San Francisco increased the chances today for a concurrent Big Four foreign ministers' meeting.

Secretary General Dag Hammarskjold ordered all preparations made for the possible ministerial meeting at which the four top diplomats would discuss the agenda for summer talks among their chiefs of state.

Hammarskjold, who flies to Paris this evening to make arrangements for the August conference of atomic scientists in Geneva, received a cable from Molotov yesterday advising that the Russian minister will participate in the anniversary week, June 20-26.

The event in the Golden Gate City, expected to draw at least 40 foreign ministers and hundreds from 60 nations, will commemorate the 1945 signing of the UN charter in San Francisco.

U.S. Secretary of State John Foster Dulles and French Foreign Minister Antoine Pinay already have signified their intention to be present. British Foreign Secretary Harold MacMillan has remained noncommittal but it is assumed generally he will announce his intention to participate after the May 26 elections in Britain.

There is still an open question as to whether President Eisenhower and possibly Prime Minister Sir Anthony Eden of Britain

will journey to San Francisco for a brief appearance. Another prominent visitor likely to attend the celebration is former President Harry S. Truman.

Final plans for the session call for an opening speech by San Francisco Mayor Elmer E. Robinson followed by statements by California Gov. Goodwin J. Knight Jr., U.N. Assembly President E. N. Van Kleeft, Secretary General Dag Hammarskjold and Dulles.

Driver of 'Death Car' Sentenced

Mrs. Wagenshultz Gets Two-Year Probation, Loses License

A 19-year-old Metamora woman appeared yesterday afternoon in court on two-year probation following her conviction four hours earlier of negligent homicide in a head-on collision which claimed five lives last Dec. 5.

Visiting Circuit Judge Archie D. McDonald, of Hastings, sentenced Mrs. Erlene Wagenshultz, of 75 W. High, \$200 court costs and revoked her driver's license for the next year.

She was charged with manslaughter after a smashup on M24's "Slaughter Hill," a mile north of Oxford. After a two-day trial, the jury convicted her on the lesser negligent homicide count.

Three men and one woman, all of Oxford, were killed in the Wagenshultz auto. An Oxford man driving the other car was also killed.

A "letter to the editor" reached Mark Twain during his editing days, asking if the spider which the reader had found in his newspaper was a sign of good luck or bad.

Twain replied in print: "Finding a spider in your paper was neither good or bad luck for you. The spider was merely looking over our paper to see which merchant is not advertising, so that he can go to that store, spin his web across the door and live a life of undisturbed peace ever afterward."

Ready for 'Fun-in-the-Sun'

EARLY PRACTICE — Marcella Russell, 91 Fairgrove Ave., gets into the swing of the Retail Merchants Assn. "Fun-in-the-Sun Festival" next week as she prepares a practice whack with a golf club. Mrs. Carol Leonard, (right) 338 S. East Blvd., joins in the vacation-like mood as she grips a fishing pole.

Merchants Will Observe Fun-in-Sun Festival Here

Mr. and Mrs. Pontiac won't have to put on their spiffiest outfits when they go shopping in town next week.

Because when they get to the stores they'll find salespeople togged out in jaunty summer sports wear.

Reason for all the informality will be the "Fun-in-the-Sun Festival" sponsored by the Pontiac Retail Merchants Assn.

Clerks will be casually dressed in easy-going summer duds ranging from Bermuda shorts on some daring salesmen to tuxedo pants on comfort-minded salesgirls.

Along with easing the dress situation for shoppers next week, merchants cooperating in the festival have promised many outstanding values on a complete line of goods.

"From clothing to lawn furniture to cameras to recreation equipment, Pontiac stores are prepared to kick-off summer saving in a big way," said Richard L. McPartlin, association president.

Stores will be decked out with pennants and colorful displays for the event and clerks will be easily recognized by large "Fun-in-the-Sun" lapel badges.

U.S. Golfers Sweep Walker Cup Trophy

ST. ANDREWS (AP)—Billy Joe Patton of Morganton, N. C., defeated Phil Scrutton, 2 and 1, today to give the U.S. amateur golfers their decisive seventh victory in the Walker Cup matches and assure the trophy's return to America.

The Americans swept the four foursome matches yesterday and before Patton triumphed today Harvie Ward of San Francisco had trounced Ronnie White, 6 and 5, and Don Cherry of Wichita Falls, Tex., crushed Joe Carr, 5 and 4.

The defeat was the first for White in Walker Cup singles play while Carr's setback was one of the worst he ever had suffered. He generally is recognized as the top amateur golfer in Europe.

Part of New MSU Name to Appear in Fine Print

EAST LANSING (AP)—When the university title becomes official July 1, Michigan State College will be known as Michigan State University—in large letters.

The rest of the title—Of Agriculture and Applied Science—will be in very fine print.

That was the decision yesterday of the state Board of Agriculture, governing body of the college as it approved official stationery.

And it was hinted that maybe, after a few years, when the furor over the change from a college to a university has died down, that the small print part of the title will be left out entirely.

Sen. Gore Sees Victory for Dem Road Proposal

Little Hope Is Held for Compromise With Ike's Highway Bill

WASHINGTON (AP)—Sen. Gore (D-Tenn.) said today he was more confident than ever of victory for the Democratic road construction bill he is sponsoring after a full day of Senate debate on the issue.

Sen. Martin (R-Pa.), who has offered President Eisenhower's highway plan as a substitute, conceded in a separate interview he believed there was small chance of a compromise to save part of the administration program.

Democratic leaders expect to have a sizable margin of votes when the showdown test comes on the Martin substitute, probably next Wednesday.

They are not conceding the loss of a single Democratic senator on this vote, although they say some may be against the Gore bill on final passage. But by that time, many Republicans will support it since the alternative will be no increased road program, they say.

The Gore bill calls for a five-year program of \$17,941,000,000 in federal-state spending on federal aid highways, including about 12% of federal funds. This would be double the present program in the first year, triple by the fourth and fifth.

It would increase federal outlays for all four federal aid systems, and finance this out of direct appropriations.

The President's plan calls for a \$5 billion dollar program over 10 years, with all of the increased spending—about 25 billions—devoted to the 40,000-mile interstate system.

The bulk of this interstate money would come from a 30-year bond issue, which would be outside the federal debt limit. The bonds would be repaid from federal gasoline and other motor vehicle taxes.

The floor debate, which opened yesterday, is to continue Monday. No votes are likely before mid-week.

Record Entry Listed for Press Tourney

With a record entry of 15 schools ready to compete, this year's renewal of the Pontiac Press Invitational High School golf tournament promises to be one of the most interesting in the 4-year history of the event.

The 18-hole medal play tournament starts at 10 a.m. Monday at Pontiac's Municipal Golf Course. Birmingham High School will defend the title and trophy it won both in 1953 and last year.

Joining Birmingham for the five-man team competition are Avondale, Livonia, Bentley, Bloomfield Hills, Brighton, Fitzgerald, Northville, Pontiac, Rochester, Royal Oak, St. Frederick, Shrine, Southfield, Troy and Waterford.

The government — on advice of a panel of scientists — has decided to continue the dosage and vaccination procedure worked out in last year's field trials of the polio preventive.

Because of the vaccine scarcity, there had been discussion of possibly reducing the dosage, now 1 cc per shot, and changing the method of injection to spread supplies.

The government also decided against curtailing inoculations during the summer height of the polio season.

Color Guard Marches

LEADS PARADE HERE — A color guard, comprised of Army Sgt. Thomas Murphy, Marine T.Sgt. Leroy Meisner, Navy R. M. 1 L. A. Diaz and Air Force S.Sgt. Pearl Anthony, led the mile-long parade through downtown Pontiac today, commemorating the 6th annual "Armed Forces Day" observances. Some 20,000 persons turned out to witness the event. Also scheduled on the day's program were open houses at all military installations in the city.

Employment at Top Levels All Over State

DETROIT (AP)—Unemployment in Michigan is at its lowest level since World War II, the governor's emergency industrial production commission reports.

Since March 15, unemployment in Michigan has dropped 28,000 to a post-war low of 92,000, or 3.3 per cent of the state's labor force.

Except for Escanaba and Iron Mountain in the Upper Peninsula, every area in the state has been removed from the critical classification so far as men out of work are concerned, the commission said.

Medina Victim in '49 Tells of Brain Washing

HUTCHINSON, Kan. (AP)—Judge Harold R. Medina of the U. S. Circuit Court of Appeals, New York, says he has all the sympathy in the world for those who have gone through Communist brain washing.

He said he underwent the process with protection from all the authorities in this country for nine bitter months in 1949 while presiding at a Communist trial.

At one time, he said, he recessed the 1949 trial and ran for his chambers. As he did so the Communist attorneys exchanged knowing looks, he added.

Medina admitted he lay down in his chambers and prayed.

See Break Near in Fight Over State Tax Program

LANSING (AP)—A break appeared today in the threatened House-Senate deadlock over new taxes.

Sen. Carlton H. Morris (R-Kalamazoo), chairman of the Senate Taxation Committee, told the Senate that his committee would report out the House-approved business receipts tax amendments.

The Senate has passed a different bill sponsored by Morris, but Rep. Rollo G. Conlin (R-Tipton) said it could not pass the House. Morris removed threats of a

deadlock by declaring "I anticipate the Senate committee will report out the House bill next week. I also anticipate the Senate will maintain its position."

This was taken to mean that Morris will attempt to revise the House bill to meet the original Senate specifications.

The House bill would raise about 31 million dollars more by boosting the tax rate from 4 to 7 mills and changing the sales factor to sales destination in computing the levy on multistate business.

The Senate bill would raise about 23 million dollars more by increasing the rate from 4 to 5 mills and making no change in the formula.

Morris said he made his statement "to stop rumors that we are in jeopardy as far as a tax program is concerned. I believe we will come out of this session with a good tax program."

20,000 Line City's Streets to See Parade

Use 'Power for Peace' Theme in 6th Annual Event Here

Some 20,000 persons lined Pontiac streets today to see a parade—and pay homage to the men and women in the armed forces.

Keyed to the theme "peace through power," the parade was held in conjunction with the sixth Armed Forces Day celebration held in the United States.

The theme was set last week by President Dwight D. Eisenhower when he invited Americans to take advantage of the day "to become better acquainted with the armed components of our national power for peace."

Saginaw street, decorated with flags and lined by onlookers bathed in warm spring sun, made an impressive setting for the marching columns.

A representation of armed might was shown by the 703rd Reserve Tank Battalion's gun-bristling tanks. Pontiac's National Guard unit, Company M, 125th Infantry, displayed their heavy machine-guns, mortars and recoilless 75 millimeter cannon.

SCHOOL BANDS MARCH

Adding to the military air were bands from Pontiac High School, Waterford and Ortonville, whose martial music stirred the onlookers.

Periodically, Air Force Jet fighters swooshed over the downtown area to demonstrate America's readiness for whatever present day international power politics may bring.

Other units taking part were: Spanish American War veterans, representatives of the women in service, Army, Marine, Navy and Air Force Recruiting Service representatives, Marine Corps League, area veterans' organizations, Gold Star Mothers, Navy Mothers, American Red Cross, Civil Defense, and Boy Scouts.

Riding in a place of honor was Miss Beverly Jean Doud, 15-year-old Drayton Plains secretary, who was named Miss Pontiac Naval Reserve by local reservists this week.

Dearborn Youth Drowning Victim

'Skip Day' Outing Ends in Tragedy at Camp Dearborn Lake

Seventeen-year-old Eugene Kaleska, of Dearborn, drowned yesterday afternoon in a Camp Dearborn lake near Milford where he and two other youths were swimming.

Michael Garms, 18, and Douglas Laurence, 19, both of Dearborn, said the victim was attempting to swim 150 yards across Lake No. 2. Laurence said he failed in an attempt to aid Kaleska when he faltered about half way across.

Oakland County Sheriff's deputies Donald Youles and William Smith recovered the body at about 2:30 p.m. in 12 feet of water, after nearly three hours of dragging.

Sheriff Frank Irons, who supervised the dragging operations, said swimming in the lake is forbidden. The camp is a private park owned and operated by residents of the city of Dearborn.

The victim's companions said they came to the camp on a "skip day" outing from Sacred Heart High School. Kaleska was to have graduated in June.

Kaleska's body was taken to the Richardson-Bird Funeral Home, Milford, where funeral arrangements are pending.

Temperatures Due for Rise in Area

Temperatures are due to rise a bit tomorrow in the Pontiac area. Forecasters say Sunday's high will range from 74 to 78 degrees, and that skies will be partly cloudy. Tonight's high will be near 50.

Today, in downtown Pontiac, the mercury rose from a low of 39 degrees, registered before 8 a.m., to 75 degrees at 1 o'clock.

WILLIAMS

JOHNSON

FOUND GUILTY — The four men shown above face possible life sentences for kidnapping and raping a white mother of three here March 6. An Oakland County Circuit Court jury returned a guilty verdict on both counts yesterday, and Judge H. Russel Holland set sentencing for

May 31. Left to right, they are: Oscar Chavers, 26, of Gary, Ind., his brother, Richard, 23, of 38 Lake St., Joe Williams Jr., 23, of 38 Lake St., and Winston Johnson, 25, 312 Hughes Ave.

Inspect Record Number of Cars

Chamber of Commerce's Safety Group Reports 17,000 Autos Checked

The Safety Committee of the Chamber of Commerce today reported a record of some 17,000 cars inspected here by Friday in the current city-wide vehicle maintenance program.

The inspections are being conducted by filling stations and garages of the Pontiac Auto Dealers' Assn.

Clyde R. Haskill, committee chairman, said the annual event was extended after a record number of motorists underwent the auto checks in the city's five reserved lanes during the program's first week.

"We knew that many more wanted and needed the inspections after 15,850 cars were checked the first week," said Haskill.

PROGRAM PUBLIC SERVICE

With cooperation from the police department, the dealers' association and various civic groups, the Safety Committee here sponsors the annual program in conjunction with the National Safety Council as a public service.

Motorists passing the safety check are given an "OK" sticker to be pasted on the windshield, indicating the auto's safety features have passed the inspection.

The inspections so far indicate the greatest number of defects have been with brakes, rear and front lights.

One Man Wounded After Quarrel Here

A quarrel this morning resulted in the wounding of one man and the arrest of another for investigation of attempted murder, according to Pontiac Police.

James Beane, 36, of 485 Colorado St., was reported in good condition in Pontiac General Hospital after suffering a bullet wound in the left shoulder.

John L. Cowart, 25, of 69 Clove St., was arrested by police about 2 a.m. today at Bagley St. and Hilbert Ct. The shooting which followed the quarrel between Beane and Cowart, said police, occurred in a restaurant at 334 Diston St.

Detective Sgt. Allan D. Noble said police are holding as evidence a .32 caliber automatic pistol surrendered by Cowart. Police said they were going to question other witnesses today before charges are made.

State's Children Jump 114,930 During Past Year

LANSING — Michigan's juvenile population increased 114,930 last year, the State Department of Public Instruction reported today.

The school census showed there are 2,555,270 persons in the state under 19 years of age.

The census showed there were 318,481 children under five years of age, 32,867 more than the year before.

It listed 1,746,789 persons between five and 19 years of age, an increase of 82,063.

Dr. Clair L. Taylor, state superintendent, said "this is the reason school men are concerned about the future of education in Michigan. The big birth rates of five and six years ago are now hitting our schools."

City Housing Officials Attend Toledo Meeting

The executive director and two staff members of the Pontiac Housing Commission will attend a conference of the National Assn. of Housing and Redevelopment Officials in Toledo today and Tuesday.

Roy B. MacAfee, executive director will lead a discussion on how public and private social agencies can assist in working out problems of housing development families.

Also attending will be Jeanette Church and Mrs. James Kantzer.

Partial Survey Being Checked

First Report Indicates Area Is Too Sparsely Populated for City

TROY TOWNSHIP—A disputed census may disrupt the proposed incorporation of a portion of Troy Township.

In preparation for the June 7 election on incorporating the area, a census has been taken to see if the area meets the state requirement of at least 500 residents per square mile.

A partially completed census was turned into the secretary of state's office, and is now being checked. As presented, it showed the area below the required population figure.

Whether the area can proceed to vote on the incorporation without the census complete, or with the census completed by showing a lack of residents is a question the state attorney general may be asked to rule on.

200 MORE COUNTED

Examining the census at the Troy Township offices yesterday, James Chapman of the secretary of state's office said he had found "approximately 200" residents of the area who were not listed on the census.

The census was reportedly 529 names short, according to officials of the Troy Township Incorporation Committee.

Even the number of residents required is clouded.

Township officials say the land to be incorporated is 27.5 square miles, and would require 13,750 residents. A study by a local manufacturing firm says the area is larger, and 14,250 residents must be listed to meet the requirement.

Chapman said today that investigations had shown that "some houses had been inadvertently missed, along with families living in houses behind other homes, and in basements."

\$2 MILLION FACTORY

The idea of incorporating the township first arose when the Vickers Corporation of Detroit announced plans for a \$2,000,000 plant on a 76 acre site at the southwest corner of Crooks and Maple roads.

Vickers and Royal Oak officials favored the annexation of the Troy Township site to Royal Oak but Troy officials balked at the idea of losing the valuable tax base.

Residents of Troy Township formed a committee to have a large portion of the township incorporated, hoping this would prevent the annexation.

However it may be possible that Royal Oak could annex the land even after Troy became a city. Thirty-eight residents of Troy have filed nominating petitions to be placed on the June 7 ballot for charter commissioners.

The residents approve the general incorporation question nine elected to create the city charter for the new city.

This would be submitted at a later date to township voters.

King Farm Rezoning Approved by Board

WATERFORD TOWNSHIP — At the recent meeting of the township board, the board approved the rezoning of the King farm at the southeast corner of section five, south of the Grand Trunk and Western Railroad, A 500-foot strip along the right of way will be zoned for manufacturing.

The request of Vernon Price for a change from residential to commercial zoning for Lot 2, Block 1, of Crescent Lake Country Club subdivision was denied.

The board granted the Kiwanis Club a carnival license for a show May 21-22 at Menominee and Telegraph roads.

A soft drink license was approved for Michael Iliades, 2446 Williams Lake Road.

Township Clerk Louis Barry and one other board member will attend the Water Works Conference June 12-16 in Chicago.

Pair to Drive 'Buick' in Lapeer Parade

Men Build Car for 2 Crippled Children

FLINT (AP) — Beauford Miller has never seen Kay and Jim Brown, of Lapeer. But he has spent 2,000 hours of his spare time preparing for an introduction.

Miller will meet the Lapeer youngsters Sunday—and he can hardly wait.

The 39-year-old Flint Buick plant worker heard that the 3-year-old boy and his 7-year-old sister have spent their lives in a wheelchair while others played because both have Oppenheim's disease.

Miller led several of his machine-repair workers at Buick in building a miniature self-powered Buick "Roadmaster Converti-

PREPARE FOR MUSIC FESTIVAL — Looking over the music for the big Spring Concert, scheduled for 8 p. m. Tuesday in Waterford High School, are (seated) teacher Helen Davis and Jack Peter of Drayton Plains, student director and soloist in the school's vocal department. Standing are (l-r) James

Vandersall, school orchestra director; Richard Dexter, instrumental department student director; and Bruce Orr, school band director. Three music departments of the school — vocal, band and orchestra — will have a part in what is expected to be one of the biggest musical programs in the history of Waterford High.

Plan City Vote in Southfield

Township to Decide on Incorporation in June 7 Election

SOUTHFIELD TOWNSHIP—The Southfield Urban Assn. has voiced a hope of a brand new city in Oakland County — one with nearly 30,000 people.

Residents of the township will vote June 7 on incorporating as a home rule city.

Association President John S. Holmes said today that the citizens have already seen a big bite taken out of the township with the incorporation of Lathrup Village.

In addition, another section of the township, known as Bingham Farms, will also vote June 7 on incorporating as a village. "There is the general feeling," said Holmes "that one of two things must happen: Either the township must organize a government of, by, and for all the people of the township, or it will very soon be cut up into small villages and cities."

Present Altar in Memory of Mrs. Doremus

DRAYTON PLAINS — A children's altar, presented in memory of the late Ann Jossman Doremus, will be dedicated Sunday at 10:30 a. m. service of St. Andrew's Episcopal Church. Fashioned of blond birch and complete with inscribed brass cross, vases and candlesticks, and a white silk dossal hanging, it will be presented as a church school altar.

Mrs. Doremus was president of St. Catherine's Guild of the church when she suffered a fatal attack of bulbar polio in September, 1954. This guild has as its objective the furtherance of work among children especially through the church school.

Seeking Volunteers for Brandon GOC

ORTONVILLE—A meeting to recruit volunteers for the Brandon Township Ground Observer Corps has been scheduled for 8 p. m. Monday at the Ortonville Fire Hall.

Men, women and teenagers are needed, according to chief supervisor Wilmer Kilbourn.

Staff Sgt. N. A. Chizewsky of the Observer Corps from Grand Rapids will outline work necessary here and show pictures of work being done in other areas.

Expect 1,500 at Waterford High School Music Festival

WATERFORD TOWNSHIP — Some 1,500 people are expected to turn out for the music festival to be presented at 8 p. m. Tuesday at Waterford Township High School.

For the first time in the school's history, the band, orchestra, and vocal music departments have combined forces to present a springtime concert.

The orchestra, under the direction of James Vandersall, will open the program with Bizet's "Pearl Fishers Overture" and "Intermezzo." The "Double Concerto for Two Violins," by J. S. Bach, will be played by Edward

Jones and Stanley Vandersall. Two numbers from Rogers-Hammerstein's "Carousel" and "From Endearment," by Anderson, will conclude the orchestra's part of the program.

The Boys Glee Club singing three spirituals will begin the vocal department's presentation, directed by Helen Davis. The Boys Ensemble presentations will be "Mansion Over the Hilltop" and "Sophomore Philosophy."

GIRLS GLEE CLUB

The selections of the Girls Glee Club will be "In These Delightful, Pleasant Groves," "When Day is Done," and "All the Things You Are." The finale for the vocal department will feature the a cappella choir with "Madame Jeanette," "From Lyons As I Journeyed," "Alleluia," and "Yonder," with tenor soloist Jack Peter.

Only two of the nine numbers to be played by the band will be marches. Band director Bruce Orr has concentrated on the more serious, classical music for this concert.

Their numbers will include "Prelude and Fugue in G Minor," "Symphony in E Minor," "Richard III Overture," "Blue Tango," "A Walking Tune," and "Stars and Stripes Forever."

County Deaths

Arnold J. Beardsley

METAMORA — Service for Arnold J. Beardsley, 45, of 4188 Oak St., will be held at 2 p. m. Sunday from Muir Brothers Funeral Home, Lapeer, with burial in the Metamora Cemetery. He died Thursday.

Surviving are his widow, Roxie; and two step-children, Sandra Laur at home and Robert Hatfield with the U. S. Navy.

Roy G. Jackson

HOLLY TOWNSHIP—Service for Roy G. Jackson, 74, of 5218 Mt. St., will be held at 2 p. m. Monday from Dryer Funeral Home, with burial in White Lake Cemetery. He died Friday night.

Surviving are three daughters, Mrs. Barbara Bensett at home, Mrs. Leola Pawloski of Oxford, Mrs. Dorothy Mills of Riverside, Calif.; one sister, Edna Jackson of Ferndale; nine grandchildren, and five great-grandchildren.

Adnah G. Howes

OXFORD—Service for Adnah G. Howes, 73, of 5465 Oakwood Rd., Oakwood, will be held at 2 p. m. Tuesday at his residence. Burial by Mabley Funeral Home will be in Oakwood Cemetery and there will be a Masonic graveside service. He died early today.

Surviving are his widow, Jessie A.; three sons, Eugene of California, Ronald and William of Oakwood; six daughters, Mrs. Harriet Strine of Gingerville, Mrs. Luette Schlicht of Oxford, Mrs. Madeline Vantine of Ortonville, Mrs. Helen Pacer of Holly, Mrs. Edna Willett and Miss Grace Howes of Oakwood; 22 grandchildren and one great-grandchild.

Mrs. Steve Hicks

NOVI—Service for Mrs. Steve (Lou) Hicks, 77, of 43220 Eleven Mile Rd., will be held at 2 p. m. Monday at the Casterline Funeral Home, Northville, with burial in Novi Cemetery. She died Thursday.

Surviving are her husband; two grandchildren, Harold and Ward Drouillard, both of Novi; her daughter-in-law, Mrs. Joseph St. Onge of Novi, and several nieces and nephews.

School Board Lets Contract

Waterford Township to Buy Three New GMC Buses for District

WATERFORD TOWNSHIP — A contract for three new GMC 60-passenger buses was awarded by the Board of Education to Keego Sales and Service Co., low bidder, at a cost of \$5,589.80 per bus at this week's meeting.

The school board also instructed Superintendent William Shunk to contact the firm of Berry & Stevens in connection with lights for the football field. A committee from the high school student council, with counselor Harry Bennets, was on hand to present a proposal for this project.

In other business, the board approved forms for notices, ballots, and boards for the June 13 election. Three candidates are running for the one position to be filled this year: Fred Poole, John Bell, and incumbent James Donaldson.

The board approved a request by the Recreation Department to have summer playground programs at the Drayton Plains, Covert, Donelson, Stringham, and Fourtowns schools.

Next year's school calendar was set up. Classes will resume the week of Sept. 5 next fall and end June 15, 1956.

Walled Lake BPW Sets Fashion Show

WALLED LAKE — The Walled Lake Business and Professional Women have scheduled a fashion show to be given at the Walled Lake elementary school on Monday, May 23, at 8:00 p. m. Freydl's is furnishing the outfits to be shown.

Mrs. Ralston Calvert is chairman of the affair which is the first money-making venture of the group. Tentatively the proceeds have been earmarked to be used for a well-baby clinic in the area.

Organized with 40 charter members in December, the group holds regular monthly dinner meetings. Any business or professional woman in the area is eligible for membership.

PTA Award Presented to Drayton Principal

DRAYTON PLAINS — Mrs. Ina Kent, principal of the Drayton Plains School, was presented the distinguished service award of the Michigan Congress of Parents and Teachers at the recent meeting of the PTA.

The award was made "in recognition of notable leadership and significant service" and a contribution honoring Mrs. Kent was given to the state association's student loan fund. The presentation was made by Mrs. E. T. Johnson, retiring president of Oakland County Council of PTAs.

Church Addition Open

SOUTHFIELD — The Southfield United Presbyterian Church will hold a fellowship service at 3:00 p. m. Sunday, followed by an open house in the newly completed Christian Education unit.

**Process to Help
Reduce Moisture**

In older houses, where the basement is not floored, a great deal of "home-wrecking" moisture may come from the ground.

Clay types of soil—even though they do not appear overly damp on the surface — often contribute large amounts of moisture to the air of a basement by evaporation. Under these conditions, where the floor is damp or of dirt construction, cementing the floors will help materially in reducing moisture from this source.

As concrete itself is not necessarily a good moisture barrier, it is advisable to cover the ground with a coated roofing felt before the concrete is applied.
