

Missing Teacher Found Slain in North Woods Four Killed When Speeding Car Leaves Highway and Strikes Tree

Fifth Injured Early Today in Waterford Township

Brighton Resident, 48, Dies
Near Kensington Park as Two
Cars Collide; 2 Hurt

An alleged drinking spree last night ended in death for four Waterford Township youths when their car hurtled past a curve on Pontiac Lake road and smashed headon into a tree.

A fifth youth, from Pontiac, was removed from the wreck with injuries.

In another accident this morning, a Brighton man died in a two-car collision on US 16 near Kensington Metropolitan Park.

Dead in last night's accident are:

George Hampton, 20, of 4879 Fenmore St., apparently the driver.

Lonnie Stone, 21, of 3590 Pontiac Lake Rd.

Robert D. Wilson, 16, of 4856 Filer St.

Arthur D. Farnsworth, 19, of 4021 Arcadia Park Dr.

Wayne Cunningham, 23, of 280 N. Saginaw St., escaped with severe cuts and bruises when the youths' auto, loaded with beer bottles, completely wrapped itself around the tree. He is listed in fair condition in Pontiac General Hospital.

KILLED INSTANTLY

Killed instantly in the crash at 7 a.m. today was Rufus D. White, 48, of 5800 S. U.S. 23.

Troopers at the Brighton State Police post said two persons in the other car were taken to Melis Hospital in Brighton. The extent of their injuries is not yet known. Details of the collision, one mile west of New Hudson, had not yet been reported, troopers said.

Police had been seeking the youths' car after reports that they had smashed car windows with beer bottles, fought with a motorist and had threatened a housewife.

Apparently the driver completely missed the curve, one-fourth mile west of Cass Lake road, W. (Continued on Page 2, Col. 3)

Collision in Indiana Kills 2 Area Women

Two Royal Oak women were killed last night when their car crashed into the side of a trailer seven miles east of LaGrange, Ind. Dead are Mrs. Clarence Edgill, age unknown, who died at the scene, and Florence Evans, 52, who died this morning at a LaGrange hospital.

Two other passengers in the car were injured severely.

State police said the car failed to stop at an intersection and plowed into the truck driven by Stanley L. Ferry, of Benton Harbor. Troopers said the driver may have fallen asleep.

Oakland's Black Panther On Prowl Again

Animal Seen by School Bus Driver

By JOE HAAS

What has the semblance of a black panther has again appeared in the vicinity of Leonard, in the northeast corner of Oakland County.

An animal of this description was seen Wednesday afternoon by John H. Sutherby, driver of a Leonard school bus, and several of the children with him.

When on Second Lake road, about three miles northeast of Leonard, some of the children spotted it in an open field about 400 feet away. Sutherby stopped the bus and for several minutes they watched it.

Described by Sutherby as being about four feet long, including its tail, the animal was black and had all the appearances of a panther, puma or mountain lion.

After surveying the school party,

Accident Scene and Principals on Pontiac Lake Road

END OF THE ROAD — Four young Waterford Township men died last night when their car failed to negotiate a curve on Pontiac Lake Road, and crashed into a tree. A Pontiac youth, the fifth passenger, is in fair condition in Pontiac General Hospital today. Police were seeking the car's occupants as those allegedly involved in a fight with a Pontiac resident.

7 Children Die as Fire Razes Cinder Block Home

TOLEDO, Ohio (AP)—Fire raced through a one-story cinder-block home eight miles northwest of here early today, killing seven children who were alone in the house.

Fire Chief Richard Campbell of Sylvania, whose men joined a Whiteford Township, Mich., company in fighting the blaze just north of the Michigan-Ohio border, said the father, John Cooper, 33, was en route with his wife, Laurel, 29, to a Toledo

cafe where she works when the fire broke out.

Dead were Brenda Joyce, 9; Harrison Leonardo, 9; Jacqueline, 6; John, 4; Sherry Jean, 3; Georgia Marie, 2; and Carter Stephen, 2 months.

Campbell said he believed Harrison Leonardo had been orphaned and was being reared by the Coopers.

Sheriff's deputies said Cooper was being held for investigation. The deputies said State Police wanted to determine why the children were left alone.

The fire chief said bodies of three of the children who apparently tried to escape were found sprawled in a hallway and at a door. The other four bodies were found in beds. They had been in two rooms of the six-room house, Campbell said.

A neighbor discovered the blaze. She said flames spread so quickly that no rescue attempts were possible. Campbell said it apparently was a flash fire and had gained such headway that by the time he got there there was little that could be done.

Campbell was unable to say what had caused the fire, and he said the parents were in such a state of shock they were unable to give a possible cause.

The Lyons boy disappeared from his home Tuesday afternoon and it was believed he drowned in the Grand River.

Lyons is located seven miles east of Ionia in Ionia County.

It was five years ago that Lee Terry, also of Leonard, first saw an animal of this description in approximately the same location as the one seen from the school bus Wednesday.

Others in the vicinity saw a similar animal shortly after Mr. Terry reported it, and from Holly, Milford, Farmington and other points in Oakland and adjoining counties word came from people who had seen such a beast in their areas.

There have been some reports of poultry missing in the Leonard area; but it has been generally blamed on foxes which are quite numerous there.

The residents now wonder if the animal seen Wednesday may have a den in the large woods, from which it sallies out to prey upon the poultry yards.

Pontiac Grocery Company Sold

Lee & Cady of Detroit
Buy Whitfield, Walter
and Dawson Firm

Purchase of the 37-year-old wholesale grocery firm of Whitfield, Walter and Dawson by Lee & Cady of Detroit was confirmed today by owners of the two companies. The Pontiac firm ends local operations June 1.

Lee & Cady President John N. Lord said his company has purchased the "merchandise and good will" of the wholesale house. Plans to sell the 118 W. Lawrence St. building, machinery and other equipment were announced by Stuart Whitfield.

The operation will move to Detroit, although key warehouse employees and the sales staff will be retained under the new management, Whitfield said.

Founded in 1919, Whitfield, Walter and Dawson has supplied dry grocery products to area food stores.

ONE PARTNER DEAD

The firm is now headed by Whitfield and his brother Mac, both sons of one of the founders, and H. O. Cole, an original employee. It was organized by a partnership made up of H. O. Whitfield and Guy Walter who, as retail grocers, bought out the Robinson Wholesale Grocery. A third partner, Joseph Dawson, joined in 1922. He died two years later in an automobile accident.

Whitfield, now 56, retired in 1941. Walter, 51, is president of the Clarkson State Bank.

The site of the original building was at Cass Avenue and Pike Street. A fire in 1925 forced the firm to move to a site later occupied by the present building. (Continued on Page 2, Col. 2)

Troopers Report Paroled Convict Confesses Crime

Girl's Body Discovered
Hidden Under Straw
and Pine Branches

GRAND MARAIS (AP)—The body of missing schoolteacher Patricia Burdick, covered with pine branches and straw, was found early today in a desolate pine forest three miles north of the village of Seney in Michigan's Upper Peninsula.

State Police Lt. Murrell Clark said Leonard H. Lundberg, 35, a paroled convict from Marquette had admitted slaying her with a tire iron.

Lundberg led troopers to the spot where the body lay hidden, a few yards off M77.

The area had been covered only yesterday by a search party which had been looking for the attractive 21-year-old teacher since her mother Mrs. Eva Burdick reported her missing three days ago.

The young woman was last seen Sunday night, hitchhiking to this Lake Superior village after spending the weekend with her mother at Sault Ste. Marie.

There is no bus service between Sault Ste. Marie and Grand Marais, and State Police said it was not unusual for girls to hitchhike through the area.

Clark quoted Lundberg as saying he picked up the girl at Seney and drove her three miles before he pulled off onto a side road and killed her. Rape had apparently been the motive for the slaying, the officer said.

Miss Burdick's skull had been fractured. An autopsy was scheduled for today.

Lundberg was seized yesterday morning at his home in Marquette after State Police learned he was a paroled convict and had not reported Monday for work at the Munising Wood Products Co. in nearby Munising. He also was (Continued on Page 2, Col. 4)

LEONARD H. LUNDBERG
He is being held after State Police report he confessed murder of school teacher Patricia Burdick.

Warmer on Friday, Weatherman Says

According to the U. S. Weather Bureau, tonight will be cloudy with a low of 40 degrees.

The forecast for tomorrow will be warmer and the mercury is expected to rise to 60 degrees. Tomorrow night will be cloudy with a chance of scattered showers.

The lowest thermometer reading preceding 8 a.m. in downtown Pontiac was 40 degrees. The mercury rose to 46 at 1 p.m.

What Next, Mr. Chairman?

Can City Build Hospital With \$3 Million Available?

Where does the addition to the Pontiac General Hospital go from here? That's the question uppermost in the minds of the Pontiac citizens who voted a 3 million dollar addition 18 months ago.

Apparently this is their answer:

The third postponement of the final tabulations of the bids was made Tuesday night by architect Leo J. Heenan.

Talk of the possibility of Federal aid is still being considered by the building committee. (This aid from the Hill Burton program was turned down March 2.)

Mr. Heenan also mentioned the possibility of private contributions.

After 18 months the voters are entitled to something more than continued delays.

The Pontiac Press would like to ask Mr. Babcock, chairman of the hospital board two questions:

1. Is it impossible to build a 3 million dollar addition to the Pontiac General Hospital?
2. With 3 million dollars available why would the hospital board or the building committee consider any construction in excess of that amount?

Certainly it is architecturally feasible to build a \$3,000,000 addition. Talk of anything above that figure is not keeping faith with everyone.

Further delays will only make an increase in the present estimates.

Pontiac needs the additional hospital beds. Board meetings and reviewing the situation in quest of funds that are not available is plain mockery.

In the past Pontiac has acted to take care of its needs. Citizens on all sides are demanding positive action.

Two Streetcar Headlines Bus Firm Alters Time Schedules

New Changes to Affect Runs Sundays, Holidays, Starts April 29

Holiday and Sunday bus schedules will be altered slightly Sunday when a series of new time schedules will go into effect, officials of Pontiac City Lines Inc. said yesterday.

The changes, as outlined by E. W. Dresser, transportation superintendent, will be as follows:

Outbound, the Huron, Jostyn, Baldwin, Oakland and Perry Park routes will leave the downtown transfer point (Saginaw Street between Pike and Lawrence) at 8:30 a.m. and at 20 minutes past each hour through 9:30 p.m.

Inbound, the same routes will leave the ends of their lines to return to the downtown area at 8:35 a.m. and 35 minutes past each hour through 9:35 p.m.

Outbound Sanford A. South Boulevard, St. Joseph - Franklin, James K. and Bagley routes will leave the downtown transfer point at 7:50 a.m. and 50 minutes past each hour through 9:50 p.m.

The same routes inbound will return downtown at 8:05 a.m. and five minutes past each hour through 10:05 p.m.

The only route change will be a loop of the St. Joseph - Franklin area, Dresser said. The loop's route will follow Fulton, Earlmoor, Dellwood, Howland, California, Highland, Ditzner and Franklin, and will be in effect only on Sundays and holidays.

WAYNE CUNNINGHAM

Injured in a crash which took the lives of four Waterford Township youths last night, Wayne Cunningham, 23, of 280 N. Saginaw St., is in fair condition. Pontiac General Hospital authorities said today.

Pontiac Man Faces Local Slaying Count

The second-degree murder trial of Samuel Vaughns, 33-year-old construction laborer of 73 Crawford St., began today before Oakland County Circuit Judge Frank L. Doty.

Vaughns is charged with the shotgun slaying of Willie Henry, 37, of Detroit, on a Pontiac street corner last Oct. 28.

Vaughns told police he fired the fatal shot from behind the wheel of his car after Henry drew a revolver from beneath his coat. Assistant Oakland County Prosecutor Robert D. Long will conduct Vaughns' prosecution. Mitchell B. Cow is defense attorney.

22 Draftees to Leave for Induction Tuesday

Twenty-two men from Pontiac and Oakland County will leave Tuesday morning for induction into the armed forces, the county Draft Board announced today.

A draft board spokesman said the total from the city and other areas would meet with the quota set for May. The group will be transported to Detroit for induction.

McLean is president of the Philadelphia Bulletin. Knight is president of the Knight newspapers in Chicago, Detroit, Akron and Miami, and Bradley is president of the St. Joseph, Mo., News Press & Gazette.

Plan Funeral Services for Auto Crash Victims

Funeral services have been scheduled for three Waterford Township men. All died early today in a car crash on Pontiac Lake road that took four lives and left a fifth person seriously injured in Pontiac General Hospital.

Robert Dale Wilson
Service for Robert Dale Wilson, 16, of 4856 Filer St., will be held at 3:30 p.m. Saturday from Sparks-Griffin Funeral Home, Pontiac. A former student of Waterford schools, Robert had planned to enter the U. S. Marines on his 17th birthday June 28.

He leaves his parents, Frank and Gladys Wilson; a sister, Mary Lou, four brothers, Frank Jr., Thomas, Richard and Jerry, all at home; and grandparents Mrs. Victoria Wilson of Rockwood, Tenn. and Mrs. Ella Watters of Oneida, Tenn.

George H. Hampton Jr.
Service for George H. Hampton Jr., 20, of 4897 Fennore St., also will be held at the Sparks-Griffin Funeral Home, at 1:30 p.m. Saturday. Burial will be in White Chapel Memorial Cemetery.

He leaves his parents, George Sr. and Beulah Hampton; a sister, Mrs. Edward Gommer of Pontiac; and a grandmother, Mrs. Annie Hampton of Canada.

Arthur D. Farnsworth Jr.
Service for Arthur Delmar Farnsworth Jr., 24, of 4021 Ardenia Park Dr., will be held at 2 p.m. Saturday at the DeWitt C. Davis Funeral Home, Pontiac, with burial in Oak Hill Cemetery. A Korean War veteran, Mr. Farnsworth had been employed by the Stainless Ware Co.

He leaves his parents, Arthur Sr. and Lina Farnsworth; four brothers, Edward and Howard at home, Donald of Waterford Township, Martin with the U. S. Navy; four sisters, Betty, Sandra, Barbara, Bonnie, all at home; and his grandmother, Mrs. Ida Farnsworth of Pontiac.

Mrs. Richard G. Harting
Mrs. Richard G. (Elsie M.) Harting, 74, died yesterday in her home, 172 S. Edith St. She had been ill five years.

Born in Cleveland, Ohio Nov. 11, 1881, she was the daughter of George and Mary Jane Miner Mount. On July 11, 1906, she was married to Richard G. Harting in Tawas City.

A life member of the Eastern Star, Mrs. Harting had lived in Pontiac since 1919.

Besides her husband, she is survived by her son, who is a member of the Hotel Pontiac and currently by the Pontiac Osteopathic Hospital.

FIRM EXPANDS
Operations were transferred to the present building in 1928.

The store had an original staff of 10. It now employs 55 persons who help supply some 400 retail groceries.

Whitfield estimates the company has done \$125 million worth of business since it was founded with volume doubling since 1951, Whitfield said.

Lord said cordial relationships between the new management and the local company extends to the 1924 fire when Lee & Cady furnished facilities to help during the recovery period.

Royal Oak Resident Faced With Warrant

A first-degree murder warrant was issued yesterday for Cecil Edgill, 31, of Royal Oak, the alleged assailant of a Royal Oak barber shop porter who died yesterday morning in William Beaumont Hospital, 11 days after his skull was fractured by a baseball bat reportedly wielded by Edgill.

Former Convict Held in Teacher's Death

(Continued From Page One)

known to have visited relatives in Seney last Sunday.

Service will be at 1:30 p.m. Saturday from the Donelson-Johns Funeral Home with burial in Roseland Park Cemetery.

Clark said he probably would be charged with first-degree murder, which carries a maximum sentence of life imprisonment.

Lundberg was released from Marquette Prison in September after serving nine years of a 15-year term for breaking and entering.

The area of the slaying is one of the most desolate in the sparsely settled Upper Peninsula. Except for scattered villages, dense woods and brush and swamps cover the entire region.

Mrs. Burdick, a speech correction teacher at the Soo, said she knew her daughter must have met with foul play when she failed to make her regular telephone call Sunday night to say she had arrived safely at Grand Marais.

Miss Burdick's father, who is in the furniture business in Muskegon, came here yesterday. The parents are divorced and Miss Burdick was their only child.

The young teacher had completed three years of college at Michigan Tech and Michigan State Normal College at Ypsilanti and was saving money for more education, her mother said. She had planned to study in France this summer.

Former Publisher Seeks Vacant Seat

A former newspaper publisher from Royal Oak today announced he is entering the Republican contest for U. S. Rep. George A. Dondero's vacant seat.

Claude E. Sadler, former mayor of Marion and publisher of newspapers in Marion and Cadillac, now is a member of the Board of Directors of an area advertising agency and a free-lance writer.

Sadler says he favors an income tax ceiling of 25 per cent, federal subsidization of educational personnel, credit control and broad farm legislation to raise farmers' purchasing power.

Ike, Adlai Pass Rivals in Alaska Primary Vote

JUNEAU, Alaska (INS) - Adlai Stevenson today led Sen. Estes Kefauver, 2,826 votes to 1,759, on the basis of complete returns from 100 of 279 precincts in the Democratic Party primary election in Alaska.

On the Republican side, President Eisenhower garnered 3,543 votes to 199 for Sen. William F. Knowland of California.

Soviet Plane Crashes

BERLIN (AP) - A twin-engine Soviet plane scraped a church steeple in dense fog this morning and crashed in an East Berlin suburb. Three passengers were killed. Three others aboard the aircraft survived.

The Belgian Congo has a population estimated to be about 10 million.

POW Talks Continue

GENEVA (AP) - Ambassadors U. Alexis Johnson of the United States, and Wang Ping-nan of Communist China, met today for the 45th time in their nine-month-long secret negotiations over American civilians imprisoned in China.

Renew Request for Hospital Aid

Pontiac General Head Confers With Official Over Federal Funds

No definite answer resulted yesterday from a second request for Federal aid for the Pontiac General Hospital addition, Lauretta Paul, hospital director, said.

Miss Paul conferred with Jordan J. Popkin, director of the State Hospital Survey and Construction Dept. for three hours.

No members of the Board of Trustees were present at yesterday's conference.

"I do feel a little more encouraged than I did before," she said. She is expected to confer with Popkin again May 11.

A previous request for Federal aid under the Hill-Burton program was denied the hospital in March.

The second request is for outpatient facilities at Pontiac General which will permit the money regularly used for these services to be applied elsewhere, Miss Paul said.

Bids taken on the \$3 million wing topped \$4 million.

The director said she expected an increase in the 1956-57 Hill-Burton program. The allocation should be announced in July.

William Judy Enters State Senate Race

The Republican contest for the State Senate seat vacated by William S. Broomfield, now a candidate for U. S. Congress was entered yesterday by Berkeley Mayor William R. Judy.

Judy, 35 and the father of two daughters, has been mayor of Berkeley for a year and councilman for three years. An insurance and real estate broker for nine years, he was an Air Force pilot during World War II.

Judy said he would campaign for "recognition" for the state's "forgotten suburbs." He said Oakland County has been receiving "a pittance from the enormous taxes being paid into state treasuries by Oakland County residents."

Bullfight for Grace

POLLENSA, MAJORCA (INS) - Honey-mooning Prince Rainier of Monaco and the former Grace Kelly disclosed today they plan to stay in Majorca until Sunday. They will attend a bullfight Sunday, the first time that Princess Grace will have seen one.

Farmer Seeks Seat

ALLEGAN (AP) - Arthur M. Young, 39, Shelbyville farmer, announced he is a candidate for the Democratic nomination for the fourth district congressional seat of incumbent Rep. Clare Hoffman (R-Mich.).

The Day in Birmingham

City Planners Requesting Extra Lane on Southfield

BIRMINGHAM - Request for widening Southfield road to 32 feet is being relayed from the planning board to city commissioners.

The board last night heard City Planner Herbert Herzberg describe the Oakland County plan for an expressway on Southfield from Eight Mile road that would circle west of Birmingham. Members strongly favored the plan.

The increase of traffic up Southfield would require more space on Southfield within the city limits of Birmingham, planners agreed.

The Southfield widening would be from 14 Mile to Lincoln, and would allow for one parking lane. The road is currently only a two-lane pavement. From Lincoln to Maple, the road has parking lanes and is 30 feet wide.

Owners of property adjoining unplatted parcels 1A and 1B on North Woodward met with the planning group last night to consider allowing rezoning of the two parcels for terrace development from Woodward back to the river bank.

No recommendation was made. Planners set May 15 as date for both those abutting property owners and the owners of the two parcels to meet with them. A decision is hoped for at the May meeting.

Rezoning for professional office status of five lots north of 14 Mile on Pierce would be feasible if two owners shared their two lots, according to the city planner.

He told the board the one owner, Dominic Caputo, had agreed to sell at least 10 feet to the Leinbach-Humphrey company, which owns

charge. Colorado Springs officers are coming for him. He was arrested in Birmingham this week.

Dorothy Coe, 19 Park Place, Pontiac, was sentenced to 90 days in county jail in justice court yesterday. She pleaded guilty to taking silverware from a local home.

Ronnie Kinser, 17, arrested at a supermarket this week, will be returned to a juvenile home at Knoxville, Tenn. He had escaped and joined his brother-in-law in Miami, Fla. and came here with him three weeks ago.

Edwin LaMay, 246 N. Saginaw, the brother-in-law, has been cleared of larceny charges. He had been with Kinser at the market.

The raccoon is one of the few American mammals that has no living relatives in the Old World.

\$2 Million Allotted to Dutch Elm Fight

LANSING (AP) — Michigan will spend more than two million dollars this year to combat the spread of Dutch Elm disease, which has already hit trees in 16 lower peninsula counties.

C. A. Boyer, chief of the State Agriculture Department plant

division, said cities plan to spend about two million dollars in fighting the disease and the state will spend \$72,000.

The disease was first discovered in Michigan in the Detroit Metropolitan area, but has spread steadily outward in a semi-circle.

Last year, it affected trees as far west as Grand Rapids and Niles. It has moved northward to Port Huron and Saginaw. Boyer said about 70 per cent of the shade trees in Michigan are elms.

Plan Benefit Dance for Tornado Victims

A dance for the benefit of recent Michigan tornado victims will be held at 9 p.m. Saturday by Pontiac Eagles lodge No. 1230 in their hall at 289 W. Montclair Ave.

Proceeds will be contributed as

part of a state-wide campaign, according to Allen Pilkinton, entertainment committee chairman.

He said that fund-raising activities had been called for by the Eagles state headquarters in Grand Rapids, one of the stricken areas. All counties hit by recent tornados will be aided.

Dance band musicians and entertainers in a two-hour floor

show have donated their services free of charge, he added.

Herring driven ashore by huge schools of porpoises were gathered in buckets by people on the Fyde coast of Lancashire, England, Fleetwood reports.

Japanese Exports Up

TOKYO — Japan exported \$882,000,000 worth of goods and imported \$1,222,000,000 worth in the first half of 1955, a rise of 24 per cent in exports and a drop of 13 per cent in imports.

JOINT COMMANDER — Egypt. Saudi Arabia and Yemen have agreed upon Egyptian Minister of War Maj. Gen. Abdel Hakim Amer as joint chief of the armed forces of three countries. This is part of a new military pact by the three countries, designed to solidify the Arab world.

Shades, Lights of Ford Empire

Milan Village Maintains Once-Costly Generator for Electricity Source

MONROE UP—A gleaming part of the old Henry Ford empire still lights up the village office and public library in the village of Milan.

It's a highly polished generator believed to have cost more per kilowatt output to install than any other power plant in the state.

The power plant, a project of the late Henry Ford, was built in 1937 at an estimated cost of \$250,000. It has never delivered more than 26 kilowatts.

The generator goes back to the days when Ford's hobby was hydroelectric power. He wanted a mill to process soybeans being raised on his land at nearby Macon.

The auto maker bought a grist mill and installed a 145-horsepower steam boiler. The Saline River, flowing through the center of the village, was dammed and a power house erected.

SOLD FOR \$40,000

A generator was installed in the building to provide electricity to light only the buildings and grounds. The village bought the whole project for \$40,000 after the Ford Motor Co. discontinued operations here in 1948.

The mill was converted to a community center and other buildings used to house village equipment. One structure was leased to a bowling alley while the power house became the municipal building.

There's little chance that Milan's venerable power plant will ever be laid up for lack of parts.

Ford, who wanted parts for his Model T cars to be simple and in ample supply, directed that plenty of spares be kept on hand for Milan's generator.

Thurlow Bodley, village public works superintendent, said there is stored in the power plant basement a standby part for every part in the generator—and a standby for the standbys.

Israel's Cotton Crop Increases Sevenfold

JERUSALEM—Israel's 1955 cotton harvest increased sevenfold over the 1954 crop, resulting in the saving of \$2,000,000 in hard currency. The 6,500-ton yield of cotton, first planted experimentally two years ago, will provide 40 per cent of the country's cotton requirements.

Sheriff Needs Lift

GREAT FALLS, Mont. UP—The court room started buzzing when the defendant in a murder trial had not showed up from jail within five minutes after the trial was to start.

Sheriff D. J. Leeper escorted the accused man in and told Judge C. F. Holt they were late because one courthouse elevator stalled.

The judge fined the sheriff \$5 for the delay.

Man-Size Trout

AUKLAND — Rainbow trout introduced into New Zealand rivers from America grow to such size that they will not fit into a creel. Some specimens attain a weight of more than 25 pounds.

Nixon Manager to Be Witness

**Chotiner Faces Probers
Wednesday in Service
Clothing Investigation**

WASHINGTON (U) — A Senate subcommittee last night summoned Los Angeles Atty. Murray Chotiner for questioning next Wednesday about his services for a garment manufacturer in trouble with the government.

Sen. McClellan (D-Ark) signed the subpoena and had it sent to the U.S. marshal in Los Angeles to be served on Chotiner, a figure in Republican politics.

WILLING TO TALK

Chotiner, who was Vice President Nixon's 1952 campaign manager, told newsmen in Los Angeles it wasn't necessary to subpoena him. He said the senators already knew he was willing to testify voluntarily after taking care of some matters that would keep him tied up until May 2.

Robert F. Kennedy, counsel to the Senate Investigations subcommittee which issued the summons, told reporters Chotiner had broken a promise to be here today. He said the Subpoena will assure that Chotiner will be here when wanted. Kennedy said Chotiner was needlessly "creating a rumpus" about the subpoena.

KRAVITZ CONVICTED

chairman, said he thought that in any event "Mr. Chotiner would want to testify" about a \$5,000 "professional fee" he has acknowledged receiving in 1953 as counsel for garment maker Herman Kravitz of Atlantic City, N.J.

Kravitz was convicted of the charge in 1954 and fined \$5,000.

Kravitz also refused to say yesterday whether he had bribed any government officials. He invoked the Fifth Amendment 148 times on questions about his dealings in government contracts and his association with Chotiner. Answers, he said, "might incriminate me."

The subcommittee is exploring for evidence of possible graft in the awarding of contracts for the manufacture of Army uniforms.

Muffler Boom On

FLINT, MICH. — Increased use of dual-exhaust systems is creating a boom in the muffler and tailpipe business. Another factor is the increase in city driving, which cuts muffler life by 25 per cent.

**Hotel Union Official
Is Target for Gunmen**

MIAMI Fla. (U) — A top hotel union official and organizer narrowly escaped injury and possibly death last night when two bullets shattered a window in his living room.

Bert H. Ross, 46, international vice president of the Hotel Employees Union, said he believed his union activities were behind the shooting. Ten minutes after the shooting and anonymous caller warned him to get out of town. Ross and his wife Cathrine, 44, were sitting in the living room when the shots were fired shortly before 10 p.m.

The hotel organizing drive began little more than a year ago among Miami Beach luxury hotels. Ross, a former Miamian who has been active in union affairs since 1933, served as an organizer since 1943 and came here in September to take charge of the hotel organizing drive.

Hotel spokesmen were not available for immediate comment.

Wool shearing teams were set up among sheep graziers all over Australia after union shearers spurned the new wage rates offered, Brisbane reports.

Prefab Gas Stations

CINCINNATI — At least 700 prefabricated service stations are expected to spring up this year. They cost about \$14,000 and can be put up in 14 days.

Robber Stirs Up Ire

CHICAGO (U. S. — Miss Rena Chest saw red when a robber told her to empty the till into a bag and give it to him. As he made his exit, she hurled a bottle of catsup and a water tumbler.

The catsup broke a window, the

tumbler found no target. So, shouting, she took after him. Two passersby intercepted the fleeing man. Police found her money in his pockets.

Japan's reparations to Burma will include \$15,700,000 in money or services in fiscal 1956.

Multiplying Business

BIG SPRINGS, Tex. — Farmer R. L. Martin, who lives north of Sand Springs in the drought area, raises cotton and feed on his 80-acre farm, but makes his steady weekly income from raising rabbits. Sells about 65-70 each week.

"I knew that 80 acres wasn't enough to make a living anymore," he said in explaining why he started raising rabbits in 1930.

Reading ability is required in 75 per cent of all study activities in elementary schools and in 85 per cent of all secondary-school studies.

Weather? Who Cares

ALBUQUERQUE, N. M. (U. S. — Ever decide that life can't possibly be as serious as everyone makes it? An Albuquerque weatherman apparently did one morning as he announced to the world over his

teletype printer: "Here is a weather summary of interest to practically no one." He then told that at some particular hour and date it was 46 degrees in Aberdeen and the skies were clear. London had fog and 51 degrees and at Kimpco it was 45 degrees and clear.

Can Output at Peak

NEW YORK—The American tin-can industry produced a record 38 billion cans in 1955—an average of 230 cans for every person in the country and an increase of 1.4 billion cans over 1954 output.

Volcanic Areas Eyed for Power

Mexico to Tap Potential for Sources of Heat, Electricity, Steam

WASHINGTON—Engineers more and more look to the world's volcanic areas as sources of power, heat and light.

Mexico, after investigating several promising hot springs districts in the general vicinity of its capital, now plans exploratory drilling to tap potential underground steam supplies.

The project is one of a series being carried on in cooperation with the United Nations technical assistance program to develop various forms of industrial and domestic power in Latin America.

Volcanic steam has the advantage of ready-made natural pressure and heat for driving turbines and generating electricity, says the National Geographic Society. Tapping nature's steampower is far less expensive than building and maintaining dams or constantly burning fuel as required in other electric power plants.

Besides the Mexican project, similar efforts to use convenient volcanic energy are under way in the small Central American republic of El Salvador, and on the British island of St. Lucia in the Caribbean.

IN SOUTH PACIFIC
In the South Pacific, New Zealand is building a power station at Wairakei in North Island's famous volcanic region where pools boil, fumaroles and geysers erupt, and mudpots churn furiously.

Dozens of steam bores have been drilled, the deepest reaching 3,000 feet or more. Many provide high pressure that remains undiminished, occasionally even increasing, despite years of spouting.

Electricity to be generated at Wairakei within the next few years is expected to help power New Zealand's industrial future in such fields as paper making and railway transport. In addition, special installations will produce heavy water for Britain's atomic energy program.

Envelopes May Have Number of Windows

WASHINGTON—Formerly postal regulations permitted only a single address window in envelopes. Now other windows are allowed—for advertising or display purposes, for example, or for return address.

Also, more latitude is now permitted concerning where the windows may be located in the envelopes, and printing may now be placed closer to the windows than before.

Whose Face Is Red?

DETROIT (U. S. — When Patrolman John Pedrie saw Buster L. Goff screech his car around a corner, he stopped him and said: "You've been drinking. Move over and I'll drive to the police station. If you keep on, you'll have an accident."

Pedrie then crashed the car into the rear of another while en route.

Butter Exports Up

CANBERRA — Australia exported just over 140,000,000 pounds of butter during the 1954-55 marketing year, nearly 60 per cent more than in the year before. Great Britain took 122,000,000 pounds, an increase of 87 1/2 per cent over the previous year.

TODAY'S ASSIGNMENT FOR:

JUNIOR EDITORS

A FUNNY NAME FOR A FLOWER

Sometimes called a "yellow lady's slipper," this flower is found in May or June on the banks of streams, in wooded and mountain country all over the United States, except California and Florida.

The plant grows two or more feet tall, and the bright yellow slipper flower is one to two inches long, with a brownish center and long twisted brownish leaves about it. Color the picture for your scrapbook.

If you are lucky enough to find this lovely flower do not pick it. The plant may never grow again if you do. Some varieties of lady's slipper have been almost destroyed by careless picking.

The picture in the background, suggested by the name of the flower, shows a little dancing girl who has shaken off one of her slippers as she whirls about.

(Junior Editors awards \$10 to K. Long, Ogallala, Neb., for submitting this idea. Send your idea in care of this newspaper and it may win a \$10 award also.)

Tomorrow: "Quaker Lady"

Blame Mishaps on Carelessness

MSU Traffic Director Declares Wrongdoings Caused '55 Accidents

DETROIT (AP)—The director of Michigan State University's new highway traffic safety center says all the 200,000 auto accidents in Michigan last year were caused by someone doing something unsafe and, usually, illegal as well.

Gordon Sheehey made the statement Tuesday at the annual meeting of the inter-industry highway safety committee.

He pointed up the state's 1955 toll of 7,000 persons killed, more than 90,000 injured and an economic loss of more than 200 million dollars, then listed ways in which the safety center plans to aid in cutting down the toll.

Sheehey urged a better understanding of traffic hazards by both motorists and pedestrians as well as "firm, impartial enforcement and driver's license administration."

Re-elected as chairman of the committee was Daniel O'Shaughnessy, president of Dan O'Shaughnessy, Lansing.

Pulling Tail of Puppy Gets Tot in Trouble

LA MESA, Calif. (AP)—Enthusiasm for pulling a pet puppy's tail got 2-year-old David Sandifer into trouble up to his ears.

Reaching for the tail through a wrought iron fence, David got his head caught. He couldn't get his ears back through the bars. Firemen had to spring the fence to free him.

Taximen Post Hours

MEXICO CITY (AP)—Taxi drivers are under orders to post their working hours on cab windows. The order followed protests that drivers were brushing off short-haul customers with the excuse their working day was over.

The Arab League will coordinate the policies of all Arab oil producing nations.

Dobbin Coming Back

SALEM, Ore. (AP)—The Oregon Horsemen's Assn. says the horse is making such a comeback that the state highway commission has been asked to do something about providing trails along public roads and in parks.

A. W. Oliver of Oregon State College reports that horsemanship is one of the most rapidly growing projects in 4-H club work with 714 members in 33 clubs in the state. Some 60 per cent of the members are girls, Oliver says.

Stranger Than Fiction

GREENVILLE, N. C. (AP)—Two state highway patrolmen were surprised when a motorist who had driven past them stopped his car, approached them and said, "I came back to get my ticket."

"What do you want a ticket for?" asked Cpl. Carl E. Whitfield.

"My driver's license expired in February," the driver explained. Patrolman W. E. Whitehurst obligingly handed him a ticket.

No. 1—29 N. SAGINAW (Downtown Store) No. 2—TEL-HURON SHOPPING CENTER

Ontario's Multiple Wedding—Six Couples!

BLENHIM, Ont. (INS) — Papa Dorrers started it.

He said he just wouldn't go to a wedding today and a wedding next week and a wedding the week after that again. And he might have added, "again and again and again."

So on Saturday, Canadian matrimonial history will be made in Blenheim's red-brick Roman Catholic Church when six of Leo Dorrers' 15 children are married in a single ceremony.

For the 2,600 residents of this Kent County farming village, the service in St. Mary's Church temporarily has overshadowed all other activities.

HOLLAND IMMIGRANTS
All participants in the wedding—planned as "a quiet family affair"—are immigrants from Holland. The couples are:

Grada Dorrers, 23, and Ben Lulking; Wilhelmina Dorrers, 30, and Gerard Willemson; Christina Dorrers, 29, and Jack Van Haren; Dora Dorrers, 23, and Bill Vandenberg; Andre Dorrers, 23, and Anne Heuvelman; and Cornelius Dorrers, 26, and Joan Menheers.

The Lulkings, Van Harens and Cornelius Dorrers will live in Blenheim; the Willemsons in Cedar Springs; the Vandeborgs in Sarnia and to Andre Dorrers in Wallaceburg.

The multiple ceremony had its inception at a family gathering in February. Bill Vandenberg and Dora Dorrers already had planned for a spring wedding. One by one, the others admitted that they, too, hoped to be married soon.

PAPA SPAKS
Then Papa Leo Dorrers issued his edict:

"I go only to one wedding. I don't like to go to a wedding today and a wedding next week and a wedding the week after that again."

So the four daughters and two sons decided to get it all over with at once. The province-wide interest which their decision aroused has them completely bewildered, although they admit they never have heard of such a thing before.

According to Dutch custom, the brides and grooms-elect are already wearing their wedding bands. They are worn on the right hand.

Accept Only Bid on Water Bonds

Sylvan Lake Council Also Approves Budget With Tax Increase

The Sylvan Lake City Council last night accepted the only bid to be received for \$50,000 worth of revenue bonds to finance the completion of the city's new water system.

The single bid was received from Watling, Lerchen and Co. of Detroit for \$985 for each \$1,000 bond.

This was the second advertisement for the bonds after no bids were submitted in the first sale notice March 7. They were originally advertised at 100 per cent of par value but were bought yesterday at 98 1/2 per cent.

City Manager Ernest L. Ethier said he expected the money to be available in June.

In other action last night, the council appointed Howard E. Wideman to fill the vacancy left by the death last Wednesday of Frank E. Baldwin.

Wideman had served for 13 years on the former Sylvan Lake village and city councils. His new term will expire in 1937.

The council also approved the 1936-37 city budget of \$114,290 which involves a \$4.40 per thousand tax hike over last year.

The approved budget also shows an increase of \$20,785 over the 1935 budget.

Area Planners Schedule Discussion of Parking

South Oakland County planners will discuss off-street parking at their next regular meeting Wednesday at 8 p.m. in Birmingham's municipal building.

At the last meeting, members expressed concern over cities' parking problems and said they wanted to discuss the problem at Wednesday's meeting.

Solutions of the problem by area municipalities will be aired.

Notice of Intention to Construct Sidewalk on Oneida Road.

You are hereby notified that at a regular meeting of the Commission of the City of Pontiac, Michigan held April 24, 1936 by resolution it was declared to be the intention of the City Commission to construct a sidewalk on the east side of Oneida Road between Memorial Avenue and Hamilton Road for Lot No. 10, Crofoot Western Addition at an estimated cost of \$171.88, and that the plan, profile and estimate of said improvement is on file for public inspection.

It is further intended to construct said improvement in accordance with the plan, profile and estimate, and that the cost thereof shall be defrayed by special assessment according to frontage and that Lot No. 10 Crofoot Western Addition shall constitute the special assessment district to defray \$110.00 of the estimated cost and expenses thereof and that \$61.88 of the estimated cost and expenses thereof shall be paid from the Capital Improvement Fund.

NOTICE IS HEREBY GIVEN
That the Commission of the City of Pontiac, Michigan will meet in the Commission Chamber on May 1, 1936 at 2 o'clock p.m. to hear suggestions and objections that may be made by parties interested.

W.O. 6992
Dated: April 23, 1936
ADA R. EVANS,
City Clerk,
April 26, 1936

before the ceremony as engagement rings, and transferred to the left hand during the ceremony. In line with their adopted country's customs, however, several of the girls have diamond engagement rings.

NATURAL CONCLUSION
The brides will wear identical, long white gowns.

The decision to have a multiple wedding came naturally to the Dorrers, who always have functioned as a family unit. Even the move to Canada, from Holland, was a family operation.

Five of the children—Andre, Bank, Christina, Dora and Tony—arrived in 1933, and a year later their parents and the rest of the family came to Canada.

Three married daughters remained in Holland.

In Canada, the Dorrers have found what they were looking for, "enough room for a family to get started on its own."

There is just one point on which all 12 brides and grooms are silent whether they plan a multiple honeymoon.

ELK DIGNITARY WELCOMED—Local Elks turned out by the score last night to welcome John L. Walker, Grand Exalted Ruler of the Benevolent and Protective Order of Elks, from Roanoke, Va. Shown here greeting Walker, (left) is Wallace R. Williams, past exalted ruler of the local Elks Temple. Walker's visit culminates a series of lodge visits in Michigan. Dancing followed Walker's talk at a dinner in the Elks Temple.

2 Pontiac Boys to Make Trip to Washington

Pontiac's two outstanding school safety patrol boys of 1935-36 will attend the 20th Annual AAA Safety Patrol Rally in Washington, D. C., May 3-6, it was announced by the Michigan Auto Club today.

Wendell Banks, 11, of 24 Michigan Ave., and Gene Anderson, 12, of 414 Lowell St., are the boys who will make the four-day, all-expense trip sponsored by the Auto Club. Bank attends Central School. Anderson is a student at McCarrall School.

The Pontiac pair will be among 140 boys from the state going to the nation's capital. The group was picked from some 50,000 patrol boys at 2,200 schools. Over 30,000 patrolers from throughout the United States will take part in the traditional march down Constitution Avenue.

Michigan's representatives will register and receive physicals at Detroit before departing. The Berkley High School band will lead the delegation in the Washington parade. While there, the patrol boys will meet congressmen from their home districts, visit historic buildings, monuments, and landmarks.

GROWROARRR—This gent is convincing, whether it's a comment on politics, baseball or somebody's wedding. Leo Feline, above, demonstrates the form that brought him the Debate Championship at the London Zoo. Against that armored trap, who can argue?

Double Israel Cattle

JERUSALEM — Israel doubled the number of cattle raised for beef during 1935, increasing its beef herds to 6,500 head. The herds now include eight exceeding 200 head, 19 of from 100 to 200 head, and more than 50 smaller herds.

They'll Learn Soon

PERTH AMBOY, N. J. (UP)—Two young boys, explaining to firemen

why they had turned in a false alarm, said they arrived only two weeks before from Italy. Another boy told them to open that red box and pull the handle and went away "rapidamente," they said.

Giant transonic wind tunnel at Langley Aeronautical Laboratory, Hampton, Virginia, churns up winds of 760 miles per hour. NACA photo.

It takes a **GIANT** to solve an enigma

A giant wind tunnel reveals an aircraft's lines of least wind resistance. The giant that is the newspaper reveals the lines of least *sales* resistance.

Whether your market is these United States, this region, this state, or simply *this* city — your problem is how to overcome sales resistance and win your share of your market against today's unparalleled competition.

The newspaper unravels the mysteries of any market, because the newspaper penetrates its market so deeply. In one market or 1,000 it can track down your every last customer with methodical efficiency.

Practically every customer for every product or service habitually reads and *shops* the newspaper every day. That's why over 56,000,000 newspapers are bought daily. That's why advertisers, national and retail, invested over \$3,000,000,000 in newspapers in 1955.

It takes a giant to solve the enigma of today's selling. That giant, who lives in every town, is the newspaper. USE the newspaper and win *your* share of the market.

All business is local... and so are all newspapers.

THE PONTIAC PRESS

Cooked small white onion rings look pretty served with cooked sliced carrots.

A little dried crushed oregano gives a fine flavor to hamburger meat.

Team Up Creamed Peas and Spicy Luncheon Loaf

Tangy creamed peas served with a spicy baked luncheon loaf is a favorite combination of Mrs. John Kraemer of Sussex, Wis. Her husband is an official of a pea processing company.

Tangy Creamed Peas

4 to 6 slices bacon
2 tablespoons bacon fat
1 minced onion (medium size)
2 tablespoons flour
1/2 cup cream
1/2 cup juice from peas
1 No. 3 can peas
One 4-ounce can sliced mushrooms
1/2 teaspoon salt
1/2 teaspoon pepper
Toasted cups or patty shells

In skillet, cook bacon until crisp. Remove. Pour off all but 2 tablespoons fat. Sauté onion until tender.

In bacon fat. Sprinkle on flour. Stir in cream and juice drained from peas.

Pineapple Luncheon Loaf

2 cans luncheon meat
Cubes
Prepared mustard
1/2 cup brown sugar
1 8-ounce can crushed pineapple
Place two loaves of luncheon meat together, flat sides down, in shallow baking dish. Cut gashes across tops; insert cloves; spread surfaces with mustard; pat on brown sugar then spoon on crushed pineapple.

Bake at 400 degrees for 25 to 30 minutes, basting now and then.

SALMON CASSEROLE — There's nothing like a casserole for quick, easy cooking. This one makes use of packaged onion soup and sour cream to give a new piquancy to salmon and noodles.

'California Dip' Sparks Salmon

Casserole cookery need not be distinguished only as a means of using up leftovers. It holds a rightful place in the creative world of culinary art. A good example of this is a Salmon-Noodle Casserole that is a gourmet treat yet decidedly inexpensive in spite of some elegant ingredients.

The unique flavor is contrived by mixing sour cream and a package of onion soup mix together.

This basic combination which started out as a "dip" for hors d'oeuvres has subsequently made its way as a tasty topping for hamburger, lamb chops and fish fillets, thence to a savory stuffing for tomatoes and celery, and finally as an actual ingredient in the cooking of many standard dishes.

The notable advantage of using onion soup mix and sour cream in cooking is that the sour cream will not curdle even in such recipes as one calling for pot roast to be simmered in the mixture for up to three hours.

Thus you will find that the "dip" will insure a successful as well as flavorful casserole. The delicate flavors inherent in the onion soup mix enhance the bland taste of the salmon and the noodles. And since it is so easy and quick to make, you will find it a fine feature for a buffet supper party.

Salmon-Noodle Casserole
8 ounces medium-wide noodles
1 pound can salmon (2 cups)
2 cups "California Dip"
1 cup cream
Heat oven to 375 degrees. Cook noodles according to package direc-

Cheese Rabbit Has Wonderful Flavor

This cheese rabbit has wonderful flavor.

3 tablespoons butter or margarine

3 tablespoons flour
1/2 cup milk
1/2 cup lightly drained canned tomatoes
2 cups grated cheddar cheese
1/2 teaspoon dry mustard
1/2 teaspoon curry powder
Salt

Melt butter in top of double boiler; stir in flour. Add milk and

cook over simmering water until thickened, stirring constantly.

Add tomato, grated cheese, mustard, curry powder and salt to taste; stir over hot water just until cheese melts. Makes four servings.

Derby Tryout

Whitney Pair in Blue Grass

LEXINGTON, Ky. (AP)—C. V. Whitney, seeking all possible power for the Kentucky Derby, sent Career Boy and Nasomie against five other 3-year-olds today in the Blue Grass Stakes.

Career Boy, rated second to Needles in the Derby Future Book, was assigned 126 pounds—the Derby impost—for the 1 1/4-mile Blue

Grass, a furlong shorter than the Louisville classic.

The son of Phalanx-Swanky shared top weight with Countmand and Reaping Right, figured the other top Derby possibilities in the feature of Keeneland's closing day.

Nasomie, Mr. Bob W. Mark's Rickey and Toby B. drew 121 pounds each. Gross value of the \$25,000-added with seven starters is \$33,900.

Overnight showers, expected to end by noon, made an off track a distinct possibility. The forecast was for partly cloudy and cool by post time (4:30 p.m. CST).

The Whitney entry was rated a 1-2 favorite in the 32nd running of the Blue Grass, which his horses have won twice. Mr. Trouble won for him in 1950 and Mameluke took one division the next year.

However, Whitney hasn't won a Derby in nine starts. But he figures to hold a strong hand a week from Saturday at Churchill Downs with Career Boy and Head Man rated sure starters.

The surprise naming of Nasomie to the Blue Grass could be an attempt to find another possible Derby horse in Whitney's strong string of 3-year-olds.

PHS Seeks 2nd Win Over A.H.

Heikkinen Club Aims to Repeat in Today's Tilt at Saginaw

Weather permitting, Pontiac High School's baseball club travels to Saginaw today to face Arthur Hill in the second encounter between the schools this week. Chiefs won the 1st meeting, 10-2, on a hitless performance by Jim Jones.

Coach Ed Heikkinen has named Arnold Larson to do the throwing today on the Lumberjacks' mound.

There was no change contemplated in the Chiefs' batting order from that of the first game, Jones' supporting cast gave him a 9-hit backlog to work on, here Monday. Today's game is the 2nd SVC contest for Chiefs.

Bucs Surprise in NL, Yanks Win Again

By THE ASSOCIATED PRESS

The lightly regarded Pittsburgh Pirates, with little or no fanfare, are quietly developing a one-two punch that compares favorably with any two back-to-back hitters in the major leagues.

During the Pirates' first seven games, Dale Long and Frank Thomas have done all that could be expected of third and fourth place hitters—and more.

Only the New York Yankees' Mickey Mantle-Yogi Berra combination has shown more power this season. The only other pair of sluggers who clearly outranked

the Long-Thomas offensive are Brooklyn's Duke Snider and Roy Campanella. Snider, however, has not yet hit his true stride.

Pittsburgh, an overwhelming pre-season choice by the experts to finish in the National League basement, has been the early season surprise, winning three of its first seven games. Long and Thomas have been the dominating factors in all three triumphs.

Thomas rapped two singles last night, one of which drove in the run in the seventh inning that gave the Pirates a 6-5 victory over the Philadelphia Phillies. He also scored once. Long slammed two

doubles and a single, batted in two runs and scored twice. Long is now hitting .429. Thomas is batting .346. Each has driven in six runs.

The Pirates have a total of six home runs this season. Long has three and Thomas three. Thomas has driven in the winning run in all three Pirate victories. His ninth-inning single drove in the deciding run in Pittsburgh's 3-2 victory over the Giants April 19. His two-run homer defeated Brooklyn 3-1 on April 20.

The Dodgers, who haven't lost since that day, whipped the Giants 7-2 last night to take sole possession of first place in the National League for the first time this season. Carl Erskine pitched the Brooks to their fourth consecutive victory with a seven-hitter for his first triumph.

St. Louis walloped the Chicago Cubs 6-0 to climb into third place behind the two-hit pitching of Harvey Haddix who hurled his first shutout since last July 19. Rain washed out the scheduled game between Cincinnati and the Braves in Milwaukee.

Villanova Stars Aim at Records

Bragg, Reavis Shoot for Vault, High Jump Marks at Penn

PHILADELPHIA (AP)—The Penn Relays, one of the nation's big pre-Olympic track meets, is expected to have a strong local tinge.

Perhaps the outstanding local favorite in the two-day event starting tomorrow will be Villanova's Don Bragg in the pole vault. Bragg, who has cleared 15 feet, figures to better the meet mark of 14-1/2, which he holds.

Penn's John Haines is one of the favorites for the 100-yard dash but he can expect tough competition from another area sprinter, George Sydnor of Villanova. Haines, the National AAU indoor champion, has done the century in 9.5 this season, as has Sydnor.

Another Villanova, Phil Reavis, has done 6-10 in the high jump and is hopeful of erasing the 6-7 1/2 meet record.

Baltimore Draft Choice Returns Inked Contract

BALTIMORE (AP)—Jesus Esparza, a 1954 National Football League draft choice, has returned his signed contract, the Baltimore Colts announced today.

Esparza expects to be discharged soon from the Marines with which he has served the past two years. Esparza, a 245-pound lineman, was graduated from New Mexico A&M. He also played football for the Junior College in his home town of LaJunta, Colo.

Bantamweights Fight

LOS ANGELES (AP)—Two former North American bantamweight champions, Nate Brooks of Cleveland and Billy "Sweetpea" Peacock of Los Angeles, headline a fight card tonight at the Olympic Auditorium. They are scheduled to box 10 rounds.

Ring Manager Admits Many Violations of Rules

OAKLAND, Calif. (AP)—An open admission of many rule violations by one of California's top fight managers set the stage for today's final hearing in a drawn-out statewide boxing investigation.

Three witnesses remain to be called, including the return of reluctant Jim Murray, fight promoter of San Francisco and Richmond, Calif.

Manager Sid Flaherty of San Francisco, whose stable of some 25 boxers includes middleweight Carl (Bobo) Olson, yesterday brushed aside the protests of his attorney and admitted:

1. He acted as co-promoter of many fights throughout northern California, although state rules forbid managers taking part in matchmaking.
2. Often had more than the permissible three fighters on a single card. "We probably have violated that rule more than we should have," he said.
3. Accepted fees as a "booking agent" but never got a booking agent's license. No California fight manager has such a license.
4. Followed the "common practice to feed and wine" visitors at training camps and his guests may have included boxing enforcement officials.

Flaherty's willingness to talk was a sharp change from the silence and failing memory of Benjie Ford, San Francisco fight promoter and president of California

The New York Yankees, who are threatening to make a runaway race in the American League, made it seven victories in eight starts vanquishing the Baltimore Orioles 4-2. The victory gave the defending champions a game and a half lead over runner-up Chicago. The White Sox and Detroit had a day off.

Washington, another team playing a better brand of baseball than expected, upset the Boston Red Sox 4-1 at Fenway Park for its fourth victory in nine starts. Pedro Ramos handcuffed the Red Sox with three hits as the Senators hung the defeat upon ex-Washington right-hander Bob Porterfield.

Herb Score pitched the Cleveland Indians to a 5-2 victory over Kansas City, yielding five hits and striking-out eight for his first triumph. Home runs by rookie Rocky Colavito, Al Rosen and Vic Wertz eased the way for the fireballing left-hander. Bobby Shantz was the victim of all but Wertz's blast.

Polo Grounds turnout of 23,673 saw the Dodgers at their best as they pounded starter Jim Hearn and three Giant relievers for 13 hits; fielded spectacularly and ran the bases in dashing style. Gil Hodges walloped a home run, double and single, Pee Wee Reese distinguished himself at shortstop with 11 chances, several of them difficult ones, and Jackie Robinson stole home. It was his 20th steal of home since he joined

the Dodgers in 1947. One of those steals came in the last World Series.

A three-run first inning at the expense of Sam Jones gave Haddix and the Cards more than they needed to win their fifth game in eight starts. Stan Musial doubled in the first run, and scored the second on Wally Moon's two-bagger. Rip Repulski, who got two hits and drove in two runs, knocked in the final first-inning tally. It was the first complete game pitched by a Cardinal hurler this season.

Decision on Zoning Blocks Farmington Race Track

STEP TOWARD NEW TENNIS COURT — A community tennis court for Waterford Township moved a step closer to reality as the first contribution came in — a \$250 check from the Waterford Township Business and Professional Women's Club. Above, Thomas

Belton, Waterford recreation director, receives the check from club officers Nadine Fillmore, left, treasurer and Mrs. Helen Reese, right, president.

Eye \$1,000,000 Romeo Center

Developers Ask Village to Annex 12-Acre Site for Shopping Service

ROMEO — Plans for a \$1,000,000 shopping center to be constructed at the southern border of the village along the west side of Van Dyke are being considered by Romeo village officials.

The village planning commission recently heard a request for prompt action on annexation of the 12-acre site and for water and sewer service. Promoter of the center is the Detroit firm of Smith, Bisschop & Co.

Tentative plans for the proposed facility call for occupancy by a major department store, variety store, supermarket and drug store. Harry Bell, company representative, reported that local merchants would be given priority for space in the center.

The Detroit company now has options on the land chosen for the proposed site, Bell said. The center will be designed with 300 parking spaces in addition to the buildings, he added.

Construction of the center is expected to be started this year, as soon as village approval is given and investment capital is available.

Planning Lapeer Concert Series

Sell Music Association Membership to Import Noted Artists

LAPEER — The Lapeer County Civic Music Association, forming this week with headquarters in Lapeer, will bring a series of concerts to Lapeer if sufficient subscribers are secured.

Concerts will consist of nationally-known musicians, singers or dancers who will not come to any but the large metropolitan cities without an assured audience. Membership in the association, at a fee of \$6 for adults and \$3 for students, entitles the member to attend all concerts.

No memberships will be sold after Saturday, and admission to concerts is by membership ticket only.

Officers of the association are the Rev. Charles D. Braidwood, president; Herbert Murr, executive vice president; Irene Warren, secretary; and Elmer Pieger, treasurer.

Persons wishing information may call any officer or inquire at the Lapeer Chamber of Commerce.

County Calendar

Rochester — The regular meeting of the Rochester Women's Club will be held Friday at 8 p.m. in the home of Mrs. Arthur R. Cary, 220 Walnut. Mrs. Arthur R. Cary will lead a discussion on books as a part of the afternoon program.

New Hudson — The Eva Beecroft Circle will meet at 8 p.m. Thursday in the home of Mrs. Clyde Vradenburg.

Four Towns — The Four Towns Methodist Church, at 8 p.m. The new officers will take over their positions.

Lake Orion — Mr. and Mrs. Donald Campbell of 717 Wilmet, Lake Orion, are parents of a son, Thomas Roy.

Dryden — A daughter, Mary Louise, has been born to Mr. and Mrs. William Woodall of Dryden.

Lam — Mr. and Mrs. Ronald Trux of Lam are parents of a daughter, Maxine Ann.

Imlay City — Mr. and Mrs. Donald Cook of Imlay City have announced the birth of twins, a boy and a girl, on April 20.

Franklin — Mr. and Mrs. Harry O. Lang Jr. of Franklin Village have announced the birth of a daughter, Holly Jane.

Recreation Head Asks Group Support

Club Donation of \$250 Serves as Starter for Tennis Court in Waterford Township

WATERFORD TOWNSHIP — The newly established Waterford Township Tennis Court Fund is one step toward its goal with the contribution of a check for \$250, given by the Business and Professional Women's Club here.

Mrs. Helen Reese, BPW presi-

dent, and Nadine Fillmore, treasurer, have presented the check to Thomas Belton, Waterford Township recreation director and originator of the court fund.

"We are asking all the service and civic clubs in Waterford Township, to consider donating

from \$200 to \$500 to this fund," Belton said today.

"Several of the clubs have already indicated a definite interest in this joint community service, and the old Drayton Men's Club has pledged \$500."

"Many people have expressed a desire for the tennis courts, and a very practical way is to have the service clubs of the township contribute jointly to a construction fund," he added.

Belton said that "During the summer, several calls a week are received at the recreation office asking about tennis facilities."

"It would be wonderful if these facilities could be made available to the public," he added.

Organizations interested in contributing to the fund may call Belton at the Waterford Recreation office, OR 3-9152, for full information.

Baby Dies, Wedged in Bars of Crib

ROYAL OAK TOWNSHIP — Two-month-old Naomi Reed was found dead in her crib Tuesday by her mother, Mrs. Annie Reed of 21437 Westview.

Township police said the child was found with its head wedged between the bars of its crib and the wall. She apparently wriggled into the position and was unable to breathe.

Her mother was doing the family wash at the time.

County Deaths

Mrs. Leone Laderoot

FLUSHING — Service for Mrs. Leone A. Laderoot, 46, of Flushing, a former Springfield Township and Davisburg resident, will be held at 1:30 p.m. Friday from Huntton Funeral Home, Pontiac, with burial in White Lake Cemetery. She died Wednesday.

She leaves a son and daughter, William and Mrs. Patricia Howard, both of LaPorte, Ind.; four brothers, Ralph, Frank, Harry and Keith Edcombe, all of Flushing; and one grandchild.

100 Turn Out, Voice Protests

Township Board Kills Rezoning of Site for \$5,500,500 Project

FARMINGTON TOWNSHIP — Backers of a proposed \$5,500,000 racetrack and sports arena at 10 Mile and Haggerty Rds. were still at the starting gate after a meeting of the township zoning board last night.

In a town hall packed to the doors with more than 100 protesting residents, the zoning board turned down a proposal to rezone 244 acres to clear the way for the racetrack.

Louis Schmidt, zoning board chairman, pointed out that the board had received no definite plan for the proposed harness racing track and could not rezone without a plan indicating intended use of the land.

When asked why no architectural plan had been presented, George Kovacs, representing the racing interests, said:

"You're all over 16. There are many reasons you don't expose — you all know what a racetrack it is."

"That's why we don't want it," someone shouted from the audience, and was applauded vigorously.

Schmidt asked those opposed to stand, and at least three-quarters of those attending jumped to their feet.

The zoning board also read letters protesting the rezoning from individual residents, Bond School PTA, and the American Association of University Women. Residents of Novi Township, just across the line from the proposed track, also expressed opposition.

Schmidt pointed out that the matter can go back to the township board for final decision, or can be put to a vote. However, Kovacs indicated that he would not press the issue in the face of opposition from residents.

Health Fair This Weekend

Utica Event Sponsored by Health Council for Public

UTICA — A "Health Fair" will be staged in this community Friday and Saturday by the Utica Health Council.

With the slogan "What you don't know can hurt you," in mind, the Council is sponsoring the event in an effort to give the key of health to the public.

Officials say Utica Junior School, scene of the fair this weekend, will be crisscrossed with exhibits and motion pictures on latest techniques used by physicians to combat disease.

Twenty exhibiting agencies will aid in making the fair a success. Free to the public, the event will offer movies, a free chest x-ray and performances by Rancher Glen, guitar playing — health troubadour.

Exhibits will show the iron lung in action; home nursing demonstration and a tuberculosis lung cavity.

D. Bruce Wiley, M. D., is president of the Utica Health Council; Mrs. Harry Morgan R. N., is general chairman of the fair and Mrs. R. J. Garbarini, R. N., is publicity director.

Dinner at Imlay City

IMLAY CITY — The Lapeer County Educational Assn. will hold a dinner at the Imlay City High School at 6:30 p.m. today.

To Be Exchange Student Next Year

Girl of Philippines to Be at Waterford

WATERFORD TOWNSHIP — Norma D. Sandoval of the Philippine Islands will be enrolled as a student of Waterford Township High School next year.

The first foreign student to enter under the sponsorship of the Student Council, Norma will be living with the Carl Hoffman family, 4488 Sashabaw road, Drayton Plains.

Arrangements for the entrance of Norma to this country have been made through the American Field Service. Students are selected by the ministers of education of various countries.

A senior, Norma has an excellent record in school and is looking forward to continuing her studies at WTHS.

She stated, "I would love to see how the people of America live. I want to know and understand people other than my own and to increase the goodwill now existing between my country and the United States."

Norma was born in Iloilo City on the island of Panay. Her father is not living. Her mother, a dressmaker, supports the family.

The young student will arrive in August and at the conclusion of her year here, she will go on a three-week bus tour of the states.

The Hoffmans have a daughter, Jean, who is a sophomore at Waterford. Along with the Student Council, she is making plans to include Norma in as many of the school activities as possible.

COMING TO U. S. — Norma Sandoval of the Philippine Islands will be the first foreign student to enter under the sponsorship of the Student Council at Waterford High. To attend next year, she will live with the Carl Hoffmans at Drayton Plains.

Two Showings of Cancer Film at Holly Friday

HOLLY — Under the auspices of the local branch of the American Cancer Society, a breast self-examination cancer film will be given two showings in Holly Friday.

Mrs. W. E. Lentz and Mrs. P. C. Jackson, local co-chairmen, invite the general public to attend the showing at the Holly Theater at two p.m. There is no admission charge.

At 2:45 p.m. it will be shown at the Holly High School for girls students and women teachers. At both places physicians will be on hand to answer questions.

Pakistan is about to begin trade negotiations with Russia and Red China, Karachi learns.

Fish Fry Friday at Galloway Lake

GALLOWAY LAKE — The Young Adult Class of Galloway Lake Methodist Church will sponsor a fish fry Friday at the church. Serving will begin at 5:30 p.m. and continue until 7:30.

The dinner is open to the public.

Extension Club to Meet

LAKE ORION — The Buckner Acres Extension Club will meet at 10 a.m. Monday for an all day session at the home of Mrs. Sylvester Peters, 1070 Forest Lake Rd. The lesson "Budgeting and Meat Bill," will be presented by Mrs. John Kuzara, and Mrs. Gobbel Kelley.

Turkey Dinner Slated

THOMAS — Oakwood Lodge FRAM No. 100 will hold a turkey dinner at 6:30 p.m. Friday in the Thomas Community Hall.

Lincoln Official to Outline Effects of Plant at Wixom

WIXOM — Residents of the Wixom area, watching earth moving operations preparatory to construction of the Ford Motor Company's new Lincoln plant on Wixom road are speculating on how the plant will affect local residents, schools and the community in general.

To clarify the matter, James L. Craw, industrial relations manager of the Lincoln Division will address the Wixom PTA at 8 p.m. tonight at Wixom School.

Craw, a resident of Livonia, is a graduate in industrial psychology from the University of Michigan. His talk is expected to touch on Lincoln's plans for the plant, and how the influx of workers will affect schools, living conditions and employment.

Newly elected officers will be installed at this meeting. A special feature also will be display of art work of students of the Wixom School. Refreshments will be served by fourth grade room mothers.

Commerce Township Clifford H. Smart, superintendent

The Glengary PTA has set Saturday, May 26, as the date of its annual spring fair.

Teachers and room mothers will meet at 2:45 p.m. Thursday to draft plans for the event.

GM Reports Dip in Sales, Profits

First-Quarter Figures Slightly Under Totals for Like '55 Period

NEW YORK (AP)—General Motors Corp. has reported a decrease in sales and earnings for the first quarter of 1956.

Net sales for the first quarter of this year totaled \$3,065,000,000 compared with \$3,101,000,000—the record-breaking first quarter of 1955.

GM President Harlow H. Curtis, announcing the figures yesterday, said civilian sales increased 4.3 per cent during the first quarter while defense sales continued the downward trend of the past two years.

Defense sales, Curtis said, were less than half the defense volume of the first quarter of 1955, dropping from 9 per cent to 4 per cent of total dollar sales.

He said the 1956 first quarter income was \$283,000,000, equal to \$1.01 per share earnings on common stock compared with a 1955 net income of \$329,000,000 or \$1.14 on common stock earnings.

Despite the decline in defense deliveries, dollar sale of all GM products in the first three months of this year were nearly equal to the record breaking 1955 first quarter, Curtis said.

He noted that factory sales of all GM products totaled 1,210,042 units in the first quarter this year, which was 34,017 units—or about two days' production—below record breaking first quarter sales of a year ago.

Passenger car production in U.S. plants dropped from 1,026,553 in the 1955 first quarter to 961,959 in the first three months of this year, but the loss was offset by truck sales which increased from 71,832 to 131,724 in the quarterly comparison.

Curtis said sales in Canada dropped from 45,718 truck and car units to 35,480, mainly because of a 148-day strike which ended Feb. 13 at GM plants in Canada.

Sales from overseas plants, however, jumped from \$6,985 to 100,000 units.

GM's net working capital was \$2,175,000,000 at March 31, 1956, compared with \$2,058,000,000 at Dec. 31, 1955, and \$1,905,000,000 at March 31, 1955.

March 31, 1956, inventories totaled \$1,706,000,000, compared with \$1,602,000,000 at Dec. 31, 1955, and \$1,456,000,000 at March 31, 1955.

DAVID E. EDSTROM

Name D. E. Edstrom to Publicity Position

The appointment of David E. Edstrom as public relations director of the Contract Carriage Co. was announced yesterday by J. E. Clark, president of the firm.

Edstrom has some 30 years experience in the transportation field, and was retired until accepting the appointment. He lives at 3325 Whitfield Dr., Waterford Township.

He operated the D. E. Edstrom Transportation Co., delivering new cars, and also was affiliated with the Manville Manufacturing Co. He was named president of the Manville firm in 1940.

Edstrom also served as Pontiac's traffic conservation head, in 1942, and during World War II, he served as administrative officer of War Transportation in Oakland County.

Lester Patton of Pontiac Refrigeration Sales & Service was elected president of the Pontiac-Oakland County Refrigeration Assn. at the group's second meeting this week.

Named vice president was Gerrol Pete of Pete's Refrigeration Service, Kego Harbor, while Jackson Johnson of A to Z Refrigeration was elected secretary-treasurer.

Purpose of the association is to help members keep abreast of improvements in the refrigeration and air conditioning fields.

General Douglas MacArthur was awarded the Congressional Medal of Honor on March 25, 1942.

Tipsy Motorist Hits Rear of Patrol Car

Two Pontiac policemen were slightly injured and a motorist was jailed on a charge of driving while under the influence of liquor when his auto reportedly rammed the rear end of the officers' car at 10:30 p.m. yesterday on S. Saginaw street near Orchard Lake road.

Held is Ned Todorovich, 56, of 64 Hill St.

The officers, Lon Peters Jr., 24, who was driving, and Patrick F. Weaver, 24, were released from Pontiac General Hospital after treatment for neck and back injuries.

Split in Spur Track Derails Steam Engine

A Grand Trunk and Western Railroad steam engine, derailed when track in a spur line split at a crossing on N. Saginaw street, was rescued after several hours work by railroad employees yesterday afternoon.

Pontiac police rerouted traffic while the workers strived to free the engine, number 8314. It had gone several inches off the spur, officials said.

250 Socony Dealers in Spring Meeting

Three hundred and fifty Mobilgas-Mobiloil service station dealers from southeastern Michigan, including a large group of local representatives, gathered last night in the K. of C. Hall here for their annual spring sales meeting.

Socony Mobil Oil Company was host.

New and improved products were discussed by Fred W. Sevin, Detroit, Socony Mobil engineer. The company's 1956 advertising and merchandising programs were presented by John Stadt, Muskegon, marketing expert for the firm.

A. G. Epker, Pontiac district manager for the company presided at the dinner meeting.
